Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I would like to continue serving on this committee. I think it is important to continue to use insights learned over my career and in current studies to help address conflicts and issues concerning wildlife and our suburban environment. It is also important to facilitate projects that improve habitat for wildlife or educate the public about protecting our natural resources. I appreciate Supervisor Anderson's willingness to have let me serve, even though I moved to another Supervisor's district in 2016.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I worked at Lindsay Wildlife Hospital for 30 years, starting as a volunteer, then working on staff as Hospital Director. One of my main interests was trying to mitigate conflicts that occur between people and wildlife through education.
