### **Recitals**

- B. Lessor and County are parties to a lease dated July 1, 2015 (as amended, the “**Original Lease**”), under which the County is leasing Suite 226 in the Building, which consists of approximately 2,747 square feet of office space (the “**Premises**”).

    - i. County will provide Lessor with written notice of its election to renew the lease thirty days prior to the end of the Term. However, if County fails to provide such notice, its right to renew the lease will not expire until fifteen working days after

County's receipt of Lessor's written demand that County exercise or forfeit the option to renew.

- ii. Upon the commencement of a Renewal Term, all references to the Term of this lease will be deemed to mean the Term as extended pursuant to this Section.

6. Obligation to Pay Utilities and Janitorial. Lessor shall pay for all gas and electricity, water, sewer and refuse collection services provided to the Premises, provided, however, if County installs a supplemental cooling unit, then Lessor shall install a separate meter to measure the electrical consumption of such cooling unit and County will reimburse Lessor for the actual cost of the electrical consumption of such cooling unit and the cost for the meter, including installation. Lessor shall pay for all janitorial services provided to the Premises, which services are to conform to the specifications set forth in Exhibit C – Janitorial Specifications.
7. Maintenance and Repairs.
- a. Roof and Exterior of Premises. Lessor shall keep the roof and exterior of the Premises in good order, condition, and repair, and shall maintain the structural integrity of the Building, including the exterior doors and their fixtures, closers and hinges, exterior windows, glass and glazing, and all locks and key systems used in the Premises.
  - b. Interior of Premises. County shall keep and maintain the interior of the Premises in good order, condition, and repair, but Lessor shall repair damage to the interior caused by its failure to maintain the exterior in good repair, including damage to the interior caused by roof leaks and/or interior and exterior wall leaks. The County may install and maintain an alarm system, if deemed necessary by County.
  - c. Utility Systems. Lessor shall repair and maintain the electrical, lighting, water and plumbing systems in good order, condition, and repair.
  - d. HVAC. Lessor shall maintain and repair the heating, ventilating, and air-conditioning (HVAC) systems.
  - e. Parking; Exterior Lighting; Landscaping. Lessor shall maintain the parking lot exterior lighting system, and landscaping, in good order, condition and repair.
  - f. Services by Lessor. If County determines that the Premises are in need of maintenance, construction, remodeling or similar work that is beyond Lessor's responsibilities under this lease, at County's request, Lessor shall perform the work at County's expense. In performing the work, Lessor shall consult with County and use

either licensed insured contractors or employees of Lessor. Lessor shall obtain County's prior written approval of the scope, terms, and cost of any contracts. County may, by giving Lessor thirty (30) days prior written notice, change the scope of work, terminate any or all work, or require that work be performed by a different contractor.

8. Quiet Enjoyment. Provided County is in compliance with the material terms of this lease, Lessor shall warrant and defend County in the quiet enjoyment and possession of the Premises during the Term.
9. Assignment and Sublease. County has the right to assign this lease or sublease the Premises or any part of the Premises at any time during the Term with the written approval of Lessor, which approval will not be unreasonably withheld or delayed. Upon the assignment of the lease by County, the County will have no further obligation under the lease.
10. Alterations; Fixtures and Signs. County may (i) make any lawful and proper minor alterations to the Premises and (ii) attach fixtures and signs ("**County Fixtures**") in or upon the Premises. Any County Fixtures will remain the property of County and may be removed from the Premises by County at any time during the Term. County is responsible for the cost of all alterations and County Fixtures. All alterations and County Fixtures are subject to Lessor's approval and must comply with existing code requirements and building standards. In the event that County installs an alarm system, at the end of the lease term County will be responsible for the removal of the equipment and repairs of any damages to the walls.
11. Insurance.
  - a. Liability Insurance. Throughout the Term, County shall maintain in full force and effect, at its sole expense, a general self-insurance program covering bodily injury (including death), personal injury, and property damage, including loss of use. County shall provide Lessor with a letter of self-insurance affirming the existence of the self-insurance program.
  - b. Self-Insurance Exclusion. County's self-insurance does not provide coverage for (i) areas to be maintained by Lessor under this lease, or (ii) negligence, willful misconduct, or other intentional act, error or omission of Lessor, its officers, agents, or employees.
12. Surrender of Premises. On the last day of the Term, or sooner termination of this lease, County shall peaceably and quietly leave and surrender to Lessor the Premises, along with appurtenances and fixtures at the Premises (except County Fixtures), all in good condition, ordinary wear and tear, damage by casualty, condemnation, acts of God and Lessor's failure to make repairs required of Lessor excepted. County is not responsible for painting or for repairing or replacing any floor coverings in the Premises upon the expiration or earlier termination of this lease.

13. Waste, Nuisance. County may not commit, or suffer to be committed, any waste upon the Premises, or any nuisance or other act or thing that may disturb the quiet enjoyment of any other occupant of the Building.
14. Inspection. Lessor, or its proper representative or contractor, may enter the Premises by prior appointment between the hours of 9:00 a.m. and 4:30 p.m., Monday through Friday, holidays excepted, to determine that (i) the Premises is being reasonably cared for, (ii) no waste is being made and that all actions affecting the Premises are done in the manner best calculated to preserve the Premises, and (iii) County is in compliance with the terms and conditions of this lease.
15. Perilous Conditions. If the County's Director of Public Works becomes aware of a perilous condition on the Premises that, in his or her opinion, substantially and significantly threatens the health and safety of County employees and/or invitees (a "**Perilous Condition**"), the Director of Public Works, or his or her designee, will immediately notify Lessor of the Perilous Condition and Lessor shall use best efforts to immediately eliminate the Perilous Condition.

Lessor shall immediately address any condition reasonably constituting an emergency, whether Lessor learns of the condition through County or otherwise. If Lessor fails to address a Perilous Condition within twenty-four (24) hours after County's notice or to immediately address an emergency, County may attempt to resolve the Perilous Condition or emergency. Lessor shall reimburse County for any costs incurred by County in addressing the Perilous Condition or emergency promptly upon receipt of County's invoice.

16. Destruction. If damage occurs that causes a partial destruction of the Premises during the Term from any cause and repairs can be made within sixty days from the date of the damage under the applicable laws and regulations of government authorities, Lessor shall repair the damage promptly. Such partial destruction will not void this lease, except that County will be entitled to a proportionate reduction in Rent while the repairs are being made. The proportionate reduction in Rent will be calculated by multiplying Rent by a fraction, the numerator of which is the number of square feet that are unusable by County and the denominator of which is the total number of square feet in the Premises.

If repairs cannot be made in sixty days, County will have the option to terminate the lease or request that Lessor make the repairs within a reasonable time, in which case, Lessor will make the repairs and Rent will be proportionately reduced as provided in the previous paragraph.

This lease will terminate in the event of the total destruction of the Building or the Premises.

17. Hazardous Material. Lessor warrants to County that Lessor does not have any knowledge of the presence of Hazardous Material (as defined below) or contamination of the

Building or Premises in violation of environmental laws. Lessor shall defend, save, protect and hold County harmless from any loss arising out of the presence of any Hazardous Material on the Premises that was not brought to the Premises by or at the request of County, its agents, contractors, invitees or employees. Lessor acknowledges and agrees that County has no obligation to clean up or remediate, or contribute to the cost of clean-up or remediation, of any Hazardous Material unless such Hazardous Material is released, discharged or spilled on or about the Premises by County or any of its agents, employees, contractors, invitees or other representatives. The obligations of this Section shall survive the expiration or earlier termination of this lease. **“Hazardous Material”** means any substance, material or waste, including lead-based paint, asbestos and petroleum (including crude oil or any fraction thereof), that is or becomes designated as a hazardous substance, hazardous waste, hazardous material, toxic substance, or toxic material under any federal, state or local law, regulation, or ordinance.

18. Indemnification.

- a. County. County shall defend, indemnify and hold Lessor harmless from County’s share of any and all claims, costs and liability for any damage, injury or death of or to any person or the property of any person, including attorneys’ fees, caused by the willful misconduct or the negligent acts, errors, or omissions of County, its officers, agents or employees in using the Premises pursuant to this lease, or the County’s performance under this lease, except to the extent caused or contributed to by (i) the structural, mechanical, or other failure of buildings owned or maintained by Lessor, and/or (ii) the negligent acts, errors, or omissions of Lessor, its officers, agents, or employees.
- b. Lessor. Lessor shall defend, indemnify and hold County harmless from Lessor’s share of any and all claims, costs and liability for any damage, injury or death of or to any person or the property of any person, including attorneys’ fees, caused by the willful misconduct or the negligent acts, errors or omissions of Lessor, its officers, agents, employees, with respect to the Premises, or Lessor’s performance under this lease, or the Lessor’s performance, delivery or supervision of services at the Premises, or by the structural, mechanical or other failure of buildings owned or maintained by Lessor, except to the extent caused or contributed to by the negligent acts, errors, or omissions of County, its officers, agents, or employees.

County's Board of Supervisors to adopt a budget. In no event may such additional time exceed seventy-five days from receipt of a Notice.

- ii. County's failure to comply with any other material term or provision of this lease if the failure is not remedied within thirty days after receipt of a Notice from Lessor to County specifying the nature of the breach in reasonably sufficient detail; provided, however, if the default cannot reasonably be remedied within the thirty day period, then a default will not be deemed to occur until the occurrence of County's failure to comply within the period of time that may be reasonably required to remedy the default, up to an aggregate of ninety days, provided County commences curing the default within thirty days and thereafter diligently proceeds to cure the default.
- b. Lessor. Lessor's failure to perform any obligation under this lease if the failure is not remedied within thirty days after receipt of a Notice from County to Lessor specifying the nature of the breach in reasonably sufficient detail; provided, however, if the breach cannot reasonably be remedied within the thirty day period, then a default will not be deemed to occur until the occurrence of Lessor's failure to perform within the period of time that may be reasonably required to remedy the breach, up to an aggregate of ninety days, provided Lessor commences curing the breach within thirty days and thereafter diligently proceeds to cure the breach.

20. Remedies.

- a. Lessor. Upon the occurrence of a default by County, Lessor may, after giving County written notice of the default, and in accordance with due process of law, reenter and repossess the Premises and remove all persons and property from the Premises.
- b. County. Upon the occurrence of a default by Lessor, County may (i) terminate this lease by giving written notice to Lessor and quit the Premises without further cost or obligation to County or (ii) proceed to repair or correct the failure and, at County's option, either deduct the cost thereof from Rent due to Lessor, or invoice Lessor for the cost of repair, which invoice Lessor shall pay promptly upon receipt.
