Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I have been a home owner and tax payer in Contra Costa County since May 2002 and have a vested interest in ensuring the funds raised from this sales tax are allocated in a manner consistent with reimagining public safety and improving health outcomes for all. I have a keen understanding of how appropriately utilizing these new financial resources, through cost effective methods with community input can result in a better quality of life that could allow for more economic opportunities for all residents. I understand that when services and programs are not made available where they are most needed it results in greater cost down the line for all. I think we have an obligation to wisely use these additional dollars to address long standing inequities that put a drain on our system. I want to work with individuals who love this county as much as I do to create a county that meets the needs of all by prioritizing and redefining safety while promoting community and belonging for all citizens. I want to share my ideas around key resources and community defined practices we can use to promote and utilize to promote equity and reduce the glaring disparities we see in the criminal justice system. My over 30 years in the mental health field equips me with the skills and knowledge needed to approach challenges using an appreciative inquiry, strength based, and solutions focused application. I am great at looking at root causes and applying compassionate approaches that allow for positive outcomes.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I have over 30 years in social services, specifically mental health managerial positions. I am therefore well informed about the fact too often individuals living with mental illnesses are criminalized and incarcerated when they have unaddressed trauma and live with untreated mental health diagnosis. I served as the Ethnic Services Manager for Alameda County Behavioral Health Services and worked alongside Nationally Recognized Subject Matter Experts exploring racial biases that lead to disparities and misdiagnosis etc for those most harmed due to systemic racism. I'm hopeful my background as a Champion for Change as an Advocate can be used to improve outcomes as it has across the State by serving in a Clergy, Family member and Professional role utilizing my lived experience to train others and promote community defined strategies that produce promising outcomes.

I volunteer and utilize my own resources by supporting work lifesaving work in faith based and non profits campaigns to end homelessness and support those living with mental illness. I volunteer more than 8 hours a week feeding those who are living with a mental illness and unsheltered in Antioch. I am the current Chair of the Statewide Mental Health and Spirituality Initiative. 2014- present I was the Founding Chair of the Alameda County African American Health and Wellness Committee that manages 2 million dollars annually to reduce behavioral health disparities in Alameda County. 2013 -2016.
