Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

It is very important to me I become more involved in serving my community, at a local level. I currently teach at UC Berkeley, now going on 8 years, and serve on a board for independent hearing officers in the office of student code of conduct. I also spent some time on local political committees and helping with campaigns where my passions and interests were. I have a responsibility to the community to help in any way I can, and understand there is a learning process in doing so. I would be honored to be in a committee where I can learn from, collaborate, and serve with professional women also seeking to give back.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I am not certain I am entirely qualified. I work full time in the technology industry. I have also taught at UC Berkeley more so because it is my passion, going on 7 years now. My experience in teaching has led me to take on several mentorship roles over the years and inspired me to become more active in serving my community. I joined the Contra Costa County Republican Party, I serve on a board with UC Berkeley, and I did spend several years living in San Francisco and volunteering with Big Brothers Big Sisters as well as Hands on Bay Area. I am hoping to contribute to society in a more meaningful and consistent way and in an area that has some of the most personal and profound impact.
