

AB 817- OPEN MEETINGS: TELECONFERENCING: NON- DECISION-MAKING BODIES

BACKGROUND

Local governments across the state have faced an ongoing challenge to recruit and retain members of the public on advisory bodies, boards, and commissions. Challenges associated with recruitment have been attributed to participation time commitments; time and location of meetings; physical limitation, conflicts with childcare, and work obligations.

The COVID-19 global pandemic has driven both hyper-awareness and concerns about the spread of infectious diseases, as well as removed barriers to local civic participation by allowing remote participation. This enabled individuals who could not otherwise accommodate the time, distance, or mandatory physical participation requirements to engage locally.

Diversification in civic participation at all levels requires careful consideration of different protected characteristics as well as socio-economic status. The in-person requirement to participate in local governance bodies presents a disproportionate challenge for those with physical or economic limitations,

including seniors, persons with disability, single parents and/or caretakers, economically marginalized groups, and those who live in rural areas and face prohibitive driving distances. Participation in local advisory bodies and appointed boards and commissions often serves as a pipeline to local elected office and opportunities for state and federal leadership positions.

Existing law (Stats. 1991, Ch. 669) declares "a vast and largely untapped reservoir of talent exists among the citizenry of the State of California, and that rich and varied segments of this great human resource are, all too frequently, not aware of the many opportunities which exist to participate in and serve on local regulatory and advisory boards, commissions, and committees." Under the Local Appointments List, also known as Maddy's Act, this information must be publicly noticed and published. However, merely informing the public of the opportunity to engage is not enough: addressing barriers to entry to achieve diverse representation in leadership furthers the Legislature's

February 27, 2023

declared goals of equal access and equal opportunity.

EXISTING LAW

Assembly Bill 2449 (Stats. 2022, Chapter 285) permits a full Brown Act legislative body to permit remote participation for a minority of local government officials for just cause or emergency circumstances.

Assembly Bill 361 (Stats. 2021, Chapter 165) until January 1, 2024, permits the full legislative body to participate remotely without posting physical location when the Governor has issued a specified state of emergency. This bill was narrowly crafted to tie to Executive Order N-29-20 which will be lifted on February 28, 2023.

AB 931 (Stats. 2019, Chapter 819) sought to ensure equal gender representation on local boards and commissions. While provisions were invalidated by the court, the legislative declarations recognize these local bodies establish a pathway to other governmental leadership positions and that California must take affirmative steps to remedy the injustices resulting from underrepresentation in leadership positions.

PROBLEM

Currently, there is no law that governs Brown Act Bodies specific to legislative subcommittees, boards, and commissions.

SOLUTION

- **AB 817** would provide a narrow exemption under the Ralph M. Brown Act for non-decision-making legislative bodies currently governed by Act, such as advisory bodies and commissions, to participate in two-way virtual teleconferencing without posting physical location of members.
- **AB 817** would remove barriers to entry for appointed and elected office by allowing non-decision-making legislative bodies to participate virtually as long as they do not have the ability to take final action on legislation, regulations, contracts, licenses, permits, or other entitlements.

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. If the legislative body of a local agency elects to use teleconferencing, the legislative body of a local agency shall comply with all of the following:

(A) All votes taken during a teleconferenced meeting shall be by rollcall.

(B) The teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency.

(C) The legislative body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(D) The legislative body shall allow members of the public to access the meeting and the agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations. Each teleconference location shall be identified in the notice and

agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivisions (d) and (e).

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public's right under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) (1) The legislative body of a local agency may use teleconferencing without complying with the requirements of paragraph (3) of subdivision (b) if the legislative body complies with the requirements of paragraph (2) of this subdivision in any of the following circumstances:

(A) The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.

(B) The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(C) The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(2) A legislative body that holds a meeting pursuant to this subdivision shall do all of the following:

(A) In each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option.

(B) In the event of a disruption that prevents the legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the local agency's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the legislative body from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(C) The legislative body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for the public to address the legislative body and offer comment in real time.

(D) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(E) (i) A legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (F), to provide public comment until that timed public comment period has elapsed.

(ii) A legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (F), or otherwise be recognized for the purpose of providing public comment.

(iii) A legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (F), until the timed general public comment period has elapsed.

(3) If a state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, in order to continue to teleconference without compliance with paragraph (3) of subdivision (b), the legislative body shall, not later than 30 days after teleconferencing for the first time pursuant to subparagraph (A), (B), or (C) of paragraph (1), and every 30 days thereafter, make the following findings by majority vote:

(A) The legislative body has reconsidered the circumstances of the state of emergency.

(B) Any of the following circumstances exist:

(i) The state of emergency continues to directly impact the ability of the members to meet safely in person.

(ii) State or local officials continue to impose or recommend measures to promote social distancing.

(4) This subdivision shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(f) (1) The legislative body of a local agency may use teleconferencing without complying with paragraph (3) of subdivision (b) if, during the teleconference meeting, at least a quorum of the members of the legislative body participates in person from a singular physical location clearly identified on the agenda, which location shall be open to the public and situated within the boundaries of the territory over which the local agency exercises jurisdiction and the legislative body complies with all of the following:

(A) The legislative body shall provide at least one of the following as a means by which the public may remotely hear and visually observe the meeting, and remotely address the legislative body:

(i) A two-way audiovisual platform.

(ii) A two-way telephonic service and a live webcasting of the meeting.

(B) In each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the means by which members of the public may access the meeting and offer public comment.

(C) The agenda shall identify and include an opportunity for all persons to attend and address the legislative body directly pursuant to Section 54954.3 via a call-in option, via an internet-based service option, and at the in-person location of the meeting.

(D) In the event of a disruption that prevents the legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the local agency's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the legislative body from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(E) The legislative body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for the public to address the legislative body and offer comment in real time.

(F) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(2) A member of the legislative body shall only participate in the meeting remotely pursuant to this subdivision, if all of the following requirements are met:

(A) One of the following circumstances applies:

(i) The member notifies the legislative body at the earliest opportunity possible, including at the start of a regular meeting, of their need to participate remotely for just cause, including a general description of the circumstances relating to their need to appear remotely at the given meeting. The provisions of this clause shall not be used by any member of the legislative body for more than two meetings per calendar year.

(ii) The member requests the legislative body to allow them to participate in the meeting remotely due to emergency circumstances and the legislative body takes action to approve the request. The legislative body shall request a general description of the circumstances relating to their need to appear remotely at the given meeting. A general description of an item generally need not exceed 20 words and shall not require the member to disclose any medical diagnosis or disability, or any personal medical information that is already exempt under existing law, such as the Confidentiality of Medical Information Act (Chapter 1 (commencing with Section 56) of Part 2.6 of Division 1 of the Civil Code). For the purposes of this clause, the following requirements apply:

(I) A member shall make a request to participate remotely at a meeting pursuant to this clause as soon as possible. The member shall make a separate request for each meeting in which they seek to participate remotely.

(II) The legislative body may take action on a request to participate remotely at the earliest opportunity. If the request does not allow sufficient time to place proposed action on such a request on the posted agenda for the meeting for which the request is made, the legislative body

may take action at the beginning of the meeting in accordance with paragraph (4) of subdivision (b) of Section 54954.2.

(B) The member shall publicly disclose at the meeting before any action is taken, whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with any such individuals.

(C) The member shall participate through both audio and visual technology.

(3) The provisions of this subdivision shall not serve as a means for any member of a legislative body to participate in meetings of the legislative body solely by teleconference from a remote location for a period of more than three consecutive months or 20 percent of the regular meetings for the local agency within a calendar year, or more than two meetings if the legislative body regularly meets fewer than 10 times per calendar year.

(g) (1) A subsidiary body of a legislative body, as defined in paragraph (6) of subdivision (k), may use teleconferencing without complying with paragraph (3) of subdivision (b) if the body complies with all of the following:

(A) The teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the subsidiary body.

(B) Each member of the subsidiary body shall participate through both audio and visual technology.

(C) The subsidiary body shall provide at least one of the following as a means by which the public may remotely hear and visually observe the meeting, and remotely address the subsidiary body:

(i) A two-way audiovisual platform.

(ii) A two-way telephonic service and a live webcasting of the meeting.

(D) The subsidiary body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(E) In each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the meeting is otherwise posted, the subsidiary body shall also give notice of the means by which members of the public may access the meeting and offer public comment.

(F) The agenda shall identify and include an opportunity for all persons to attend and address the subsidiary body directly pursuant to Section 54954.3 via a call-in option or via an internet-based service option.

(G) In the event of a disruption that prevents the subsidiary body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the subsidiary body's control that prevents members of the public from offering public comments using the call-in option or internet-based service option,

the subsidiary body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the subsidiary body from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(H) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the subsidiary body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(I) The subsidiary body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for the public to address the subsidiary body and offer comment in real time.

(i) A subsidiary body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (H), to provide public comment until that timed public comment period has elapsed.

(ii) A subsidiary body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (H), or otherwise be recognized for the purpose of providing public comment.

(iii) A legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (H), until the timed general public comment period has elapsed.

(J) In order to use teleconferencing pursuant to this subdivision, the board of supervisors, city council, or board of directors that established the subsidiary body by charter, ordinance, resolution, or other formal action, shall make the following findings by majority vote prior to teleconferencing for the first time pursuant to this subdivision, and every 12 months thereafter:

(i) The legislative body has considered the circumstances of the subsidiary body.

(ii) Teleconference meetings of the subsidiary body would enhance public access to meetings of the subsidiary body.

(iii) Teleconference meetings of the subsidiary body would promote the attraction, retention and diversity of subsidiary body members.

(hg) The legislative body shall have and implement a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, consistent with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and resolving any doubt in favor of accessibility. In each instance in which notice of the time of the meeting is

otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the procedure for receiving and resolving requests for accommodation.

(i h) The legislative body shall conduct meetings subject to this chapter consistent with applicable civil rights and nondiscrimination laws.

(j i) (1) Nothing in this section shall prohibit a legislative body from providing the public with additional teleconference locations.

(2) Nothing in this section shall prohibit a legislative body from providing members of the public with additional physical locations in which the public may observe and address the legislative body by electronic means.

(2) “Just cause” means any of the following:

(A) A childcare or caregiving need of a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner that requires them to participate remotely. “Child,” “parent,” “grandparent,” “grandchild,” and “sibling” have the same meaning as those terms do in Section 12945.2.

~~(k)~~ This section shall remain in effect only until January 1, 2024, and as of that date is repealed.

SEC. 2. Section 54953 of the Government Code, as added by Section 4 of Chapter 165 of the Statutes of 2021, is amended to read:

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. If the legislative body of a local agency elects to use teleconferencing, the legislative body of a local agency shall comply with all of the following:

(A) All votes taken during a teleconferenced meeting shall be by rollcall.

(B) The teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivision (d).

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public's right under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) (1) The legislative body of a local agency may use teleconferencing without complying with paragraph (3) of subdivision (b) if, during the teleconference meeting, at least a quorum of the members of the legislative body participates in person from a singular physical location clearly identified on the agenda, which location shall be open to the public and situated within the boundaries of the territory over which the local agency exercises jurisdiction and the legislative body complies with all of the following:

(A) The legislative body shall provide at least one of the following as a means by which the public may remotely hear and visually observe the meeting, and remotely address the legislative body:

(i) A two-way audiovisual platform.

(ii) A two-way telephonic service and a live webcasting of the meeting.

(B) In each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the means by which members of the public may access the meeting and offer public comment.

(C) The agenda shall identify and include an opportunity for all persons to attend and address the legislative body directly pursuant to Section 54954.3 via a call-in option, via an internet-based service option, and at the in-person location of the meeting.

(D) In the event of a disruption that prevents the legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the local agency's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the legislative body from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(E) The legislative body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for the public to address the legislative body and offer comment in real time.

(F) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(2) A member of the legislative body shall only participate in the meeting remotely pursuant to this subdivision, if all of the following requirements are met:

(A) One of the following circumstances applies:

(i) The member notifies the legislative body at the earliest opportunity possible, including at the start of a regular meeting, of their need to participate remotely for just cause, including a general description of the circumstances relating to their need to appear remotely at the given meeting. The provisions of this clause shall not be used by any member of the legislative body for more than two meetings per calendar year.

(ii) The member requests the legislative body to allow them to participate in the meeting remotely due to emergency circumstances and the legislative body takes action to approve the request. The legislative body shall request a general description of the circumstances relating to their need to appear remotely at the given meeting. A general description of an item generally need not exceed 20 words and shall not require the member to disclose any medical diagnosis or disability, or any personal medical information that is already exempt under existing law, such as the Confidentiality of Medical Information Act (Chapter 1 (commencing with Section 56) of Part 2.6 of Division 1 of the Civil Code). For the purposes of this clause, the following requirements apply:

(I) A member shall make a request to participate remotely at a meeting pursuant to this clause as soon as possible. The member shall make a separate request for each meeting in which they seek to participate remotely.

(II) The legislative body may take action on a request to participate remotely at the earliest opportunity. If the request does not allow sufficient time to place proposed action on such a request on the posted agenda for the meeting for which the request is made, the legislative body may take action at the beginning of the meeting in accordance with paragraph (4) of subdivision (b) of Section 54954.2.

(B) The member shall publicly disclose at the meeting before any action is taken whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with any such individuals.

(C) The member shall participate through both audio and visual technology.

(3) The provisions of this subdivision shall not serve as a means for any member of a legislative body to participate in meetings of the legislative body solely by teleconference from a remote location for a period of more than three consecutive months or 20 percent of the regular meetings for the local agency within a calendar year, or more than two meetings if the legislative body regularly meets fewer than 10 times per calendar year.

(f) (1) A subsidiary body of a legislative body, as defined in paragraph (5) of subdivision (i), may use teleconferencing without complying with paragraph (3) of subdivision (b) if the body complies with all of the following:

Actions taken on agenda items during a disruption that prevents the subsidiary body from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. This paragraph shall not affect the public’s right under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(f) This section shall become operative January 1, 2026.

SEC. 4. The Legislature finds and declares that Sections 1, 2, and 3 of this act, which amend Section 54953 of the Government Code, impose a limitation on the public's right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of Section 3 of Article I of the California Constitution. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest:

By removing the requirement for agendas to be placed at the location of each public official participating in a public meeting remotely, this act protects the personal, private information of public officials and their families while preserving the public's right to access information concerning the conduct of the people's business.

SEC. 5. The Legislature finds and declares that Sections 1, 2, 3 of this act, which amend Section 54953 of the Government Code, further, within the meaning of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the purposes of that constitutional section as it relates to the right of public access to the meetings of local public bodies or the writings of local public officials and local agencies. Pursuant to paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the Legislature makes the following findings:

This act is necessary to provide opportunities for public participation in meetings of specified public agencies and to promote the attraction and retention of members of those agencies.

RE: AB 817 (PACHECO) LOCAL GOVERNMENT: OPEN MEETINGS – SUPPORT

Dear Assembly member Pacheco:

On behalf of the California Association of Recreation and Parks Districts (CARPD), the League of California Cities (CalCities), and the undersigned organizations, we write to express our strong support for AB 817, which would remove barriers to entry for appointed and elected office by allowing non-decision-making legislative bodies that do not have the ability to take final action to participate in two-way virtual teleconferencing without posting location.

Local governments across the state have faced an ongoing challenge to recruit and retain members of the public on advisory bodies, boards, and commissions. Challenges associated with recruitment have been attributed to participation time commitments; time and location of meetings; physical limitation, conflicts with childcare, and work obligations. The COVID-19 global pandemic drove both hyper-awareness and concerns about the spread of infectious diseases, as well as removed barriers to local civic participation by allowing this same remote participation. This enabled individuals who could not otherwise accommodate the time, distance, or mandatory physical participation requirements to engage locally, providing access to leadership opportunities and providing communities with greater diversified input on critical community proposals.

Existing law (Stats. 1991, Ch. 669) declares “a vast and largely untapped reservoir of talent exists among the citizenry of the State of California, and that rich and varied segments of this great human resource are, all too frequently, not aware of the many opportunities which exist to participate in and serve on local regulatory and advisory boards, commissions, and committees.” Under the Local Appointments List, also known as Maddy’s Act, this information must be publicly noticed and published. However, merely informing the public of the opportunity to engage is not enough: addressing barriers to entry to achieve diverse representation in leadership furthers the Legislature’s declared goals of equal access and equal opportunity.

Diversification in civic participation at all levels requires careful consideration of different protected characteristics as well as socio-economic status. The in-person requirement to participate in local

governance bodies presents a disproportionate challenge for those with physical or economic limitations, including seniors, persons with disability, single parents and/or caretakers, economically marginalized groups, and those who live in rural areas and face prohibitive driving distances. Participation in local advisory bodies and appointed boards and commissions often serves as a pipeline to local elected office and opportunities for state and federal leadership positions.

AB 817 would help address these issues by providing a narrow exemption under the Ralph M. Brown Act for non-decision-making legislative bodies that do not take final action on any legislation, regulations, contracts, licenses, permits, or other entitlements, so that equity in opportunity to serve locally and representative diversity in leadership can be achieved. For these reasons, we are pleased to support AB 817 and thank you for your leadership on this most important issue.

If you have questions regarding this letter, please contact Alyssa Silhi at (916) 505-4978 and/or Johnnie Pina at (916) 802-4997.

Sincerely,

(signatures)
