- [AB 268](#) ([Weber D](#)) Board of State and Community Corrections.**
Current Text: Introduced: 1/23/2023 [html](#) [pdf](#)
Introduced: 1/23/2023
Status: 2/28/2023-From committee: Do pass and re-refer to Com. on APPR. (Ayes 6. Noes 2.) (February 28). Re-referred to Com. on APPR.
Location: 2/28/2023-A. APPR.
Summary: Current law establishes the Board of State and Community Corrections to provide statewide leadership, coordination, and technical assistance to promote effective state and local efforts and partnerships in California's adult and juvenile criminal justice system. The duties of the board, among others, include establishing standards for local correctional facilities and correctional officers. Under current law, the board is composed of 13 members, as specified. This bill would, commencing July 1, 2024, add 2 additional members to the board, a licensed health care provider and a licensed mental health care provider, each appointed by the Governor, subject to confirmation by the Senate.

- [AB 333](#) ([Nguyen, Stephanie D](#)) Vehicles: abatement of abandoned vehicles.**
Current Text: Introduced: 1/30/2023 [html](#) [pdf](#)
Introduced: 1/30/2023
Status: 2/9/2023-Referred to Com. on TRANS.
Location: 2/9/2023-A. TRANS.
Summary: Current law authorizes a county satisfying specified conditions to establish a service authority for the abatement of abandoned vehicles and to impose a \$1 vehicle registration fee. Current law authorizes a service authority to adopt an ordinance establishing procedures for the abatement, removal, and disposal, as a public nuisance, of an abandoned, wrecked, dismantled, or inoperative vehicle or part of the vehicle from private or public property and for the recovery of costs associated with the enforcement of the ordinance. This bill would allow the ordinance to provide for the issuance of permits or licenses, consistent with local nuisance codes and in cooperation with local code enforcement authorities, regarding the temporary parking allowance of abandoned, wrecked, dismantled, or inoperative vehicles and to authorize any necessary investigations and inspections related to the determination of a public nuisance.

Summary: The Sargent Shriver Civil Counsel Act requires the Judicial Council to develop one or more programs to provide competitive grants to provide legal counsel to low-income persons who require legal services in civil matters involving specific types of civil matters, including, among others, housing-related matters, probate conservatorships, guardianships, and domestic violence and civil harassment restraining orders. Current law requires the Judicial Council to consider various factors, including, among others, the unmet need for legal services in the geographic area to be served, in selecting and renewing participating programs. Current law requires program applicants, among other things, to describe how the program would be administered and the means by which the program would serve the particular needs of the community, such as by providing representation to limited-English-speaking clients. This bill would require courts to report specified information to the Judicial Council regarding unlawful detainer cases, aggregated by ZIP Code. The bill also would require courts to report to the Judicial Council case summary data on COVID-19 Rental Debt in Small Claims Court, aggregated by ZIP Code. The bill would require the Judicial Council to post all information received about unlawful detainer cases in a publicly available electronic spreadsheet that may be downloaded from its internet website.

[AB 1313](#) (Ortega D) Older individuals: case management and visitation services.
Current Text: Introduced: 2/16/2023 [html](#) [pdf](#)
Introduced: 2/16/2023
Status: 3/2/2023-Referred to Com. on AGING & L.T.C.
Location: 3/2/2023-A. AGING & L.T.C.
Summary: The Mello-Granlund Older Californians Act requires the California Department of Aging to designate various private nonprofit or public agencies as area agencies on aging to work within a planning and service area and provide a broad array of social and nutritional services. Under the act, the department's mission is to provide leadership to those agencies in developing systems of home- and community-based services that maintain individuals in their own homes or least restrictive homelike environments. This bill would require the department to establish a case management and visiting services pilot program. Under the bill, the purpose of the program would be to expand statewide the local capacity of supportive services programs by providing case management and visiting services to older individuals who need assistance to maintain health and economic stability. The bill would require the department to select the counties that would be required to participate in the pilot program, as specified.

[AB 1471](#) (Pellerin D) Hospitals: seismic compliance: O'Connor Hospital and Santa Clara Valley Medical Center.
Current Text: Introduced: 2/17/2023 [html](#) [pdf](#)
Introduced: 2/17/2023
Status: 2/18/2023-From printer. May be heard in committee March 20.
Location: 2/17/2023-A. PRINT
Summary: The Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983 establishes a program of seismic safety building standards for certain hospitals. Existing law requires hospitals that are seeking an extension for their buildings to submit an application to the Department of Health Care Access and Information by April 1, 2019, subject to certain exceptions. Current law requires that final seismic compliance be achieved by July 1, 2022, if the compliance is based on a replacement or retrofit plan, or by January 1, 2025, if the compliance is based on a rebuild plan. Notwithstanding the above provisions, current law authorizes the department to waive the requirements of the act for the O'Connor Hospital and Santa Clara Valley Medical Center in the City of San Jose if the hospital or

medical center submits, on or before January 15, 2022, a plan for compliance, and the department accepts the plan based on it being feasible to complete and promoting public safety. Current law requires, if the department accepts the plan, the hospital or medical center to report to the department on its progress to timely complete the plan by specified dates. This bill would extend the deadline for the hospital's or medical center's plan for compliance, and would add additional dates for the hospital or medical center to report to the department on its progress.

SB 462**(Wahab D) General assistance.**

Current Text: Introduced: 2/13/2023 [html](#) [pdf](#)

Introduced: 2/13/2023

Status: 2/28/2023-Set for hearing March 20.

Location: 2/22/2023-S. HUM. S.

Calendar: 3/20/2023 3 p.m. or upon adjournment of Session - 1021 O Street, Room 2200 SENATE HUMAN SERVICES, ALVARADO-GIL, MARIE, Chair

Summary: Existing law requires each county to provide general assistance programs. Existing law requires the board of supervisors of every county to, among other things, investigate every application for relief from the funds of the county, to supervise every person receiving that relief, and to keep full and complete records of the investigation, supervision, relief, and rehabilitation. Existing law requires those records to be confidential and not be open to examination or inspection, except as specified. This bill would provide that those provisions do not prohibit sharing of confidential information for purposes directly connected with the administration of relief or with the administration of public social services, as defined.

SB 511 (Blakespear D) Greenhouse gas emissions inventories.

Current Text: Introduced: 2/14/2023 [html](#) [pdf](#)

Introduced: 2/14/2023

Status: 2/22/2023-Referred to Com. on E.Q.

Location: 2/22/2023-S. E.Q.

Summary: The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency responsible for monitoring and regulating sources emitting greenhouse gases. This bill would require the state board, before January 1, 2028, to develop and publish, on its internet website, a report on greenhouse gas emission inventories for the calendar year 2025 for each city, county, city and county, and special district, as provided. The bill would require the state board, consistent with the preparation of the updates to the scoping plan and before January 1, 2033, and every 5 years thereafter, to update the inventories for the subsequent calendar years, as specified. The bill would authorize the state board to solicit bids and enter into contracts for the development of the inventories. The bill would require the state board, before January 1, 2026, to establish a local government advisory committee to inform its development of the greenhouse gas emission inventories. The bill would allocate, upon appropriation by the Legislature, \$2,500,000 in the 2024–25 fiscal year for above-described purposes.

SB 642 (Cortese D) Hazardous materials: enforcement: county counsel.

Current Text: Introduced: 2/16/2023 [html](#) [pdf](#)

Introduced: 2/16/2023

Status: 3/1/2023-Referred to Coms. on E.Q. and JUD.

Location: 3/1/2023-S. E.Q.

Summary: Current law authorizes the city attorney, district attorney, and the Attorney General, at the request of the Department of Toxic Substances Control or a unified program agency, to bring an action seeking to enjoin a violation of laws and regulations governing the generation, transportation, and disposal of hazardous materials. Current law specifies that every civil action brought at the request of the department or a unified program agency is to be brought by the city attorney, the county attorney, the district attorney, or the Attorney General in the name of the people of the State of California and that those actions relating to the same processing or disposal of hazardous waste may be joined or consolidated. This bill would authorize the county counsel to bring an action seeking to enjoin a violation of laws and regulations governing the generation, transportation, and disposal of hazardous materials. The bill would specify that county counsel, at the request of the department or a unified program agency, is authorized to bring a civil action in the name of the people of the State of California to enforce laws and regulations governing the generation, transportation, and disposal of hazardous materials.

SB 706 (Caballero D) Public contracts: progressive design-build: local agencies.

Current Text: Introduced: 2/16/2023 [html](#) [pdf](#)

Introduced: 2/16/2023

Status: 3/1/2023-Referred to Com. on GOV. & F.

Location: 3/1/2023-S. GOV. & F.

Summary: Current law defines “progressive design-build” as a project delivery process in which both the design and construction of a project are procured from a single entity that is selected through a qualifications-based selection at the earliest feasible stage of the project. Current law, until January 1, 2029, authorizes local agencies, defined as any city, county, city and county, or special district authorized by law to provide for the production, storage, supply, treatment, or distribution of any water from any source, to use the progressive design-build process for up to 15 public works projects

in excess of \$5,000,000 for each project, similar to the progressive design-build process authorized for use by the Director of General Services. Current law requires a local agency that uses the progressive design-build process to submit, no later than January 1, 2028, to the appropriate policy and fiscal committees of the Legislature a report on the use of the progressive design-build process containing specified information, including a description of the projects awarded using the progressive design-build process. Current law requires the design-build entity and its general partners or joint venture members to verify specified information under penalty of perjury. This bill would remove the 15 project maximum and would authorize all cities, counties, city and counties, or special districts to use the progressive design-build process for other projects in addition to water-related projects.
