- Charles Tremaine, Nominee from Bay Point MAC
- Christopher Pedraza, Nominee from CCH Behavioral Health
- Dr. Sefanit Mekuria, Nominee from CCH Public Health
- Denisha Marsh, at-large member nominee from County Internal Operations Committee

Committee Purpose

The Los Medanos Community Health Advisory Committee (the "LMHAC") was created by the Board of Supervisors in Resolution 2018/543 to advise the Board on the development and implementation of the Los Medanos Area Health Plan Grant Program.

Committee Tasks

- Develop an area health plan to identify major health disparities for Board approval.
- Solicit proposals for the Los Medanos Area Health Plan Grant Program.
- Recommend a list of proposed grantees to the Board of Supervisors for approval
- Monitor efficacy of grant funded programs
- Report to the Board once per year on execution of adopted plan and results achieved.

Interim Grant Program

The Board of Supervisors approved an interim grant program that allows distribution of needed funds for 2023 prior before the final grant program is developed.

- Single cycle, 1 year program (Dec. 2022 – June 2023)
- Funding limited to previous grant awardees (2021-2022)
- Provides opportunity to help awardees transition to the future grant program
- Keeps funds moving to programs
- Up to \$500,000 allocated to the interim grant program

Los Medanos Area Health Plan

Health Needs Assessment:

- Contra Costa Health is collecting all available data for the Los Medanos health area
- In addition to qualitative data collection will include significant community engagement & outreach in partnership with the advisory committee
- Tentative timeline: 4-6 months for Health Needs Assessment

LMHAC Timeline 22/23
