

MXCAB draft memo to BOS proposing in-district community meetings before Sept 19

TO: Contra Costa County Board of Supervisors

FROM: Mariana Moore, MXCAB Chair and Roxanne Carrillo-Garza, Vice Chair,
on behalf of Measure X Community Advisory Board members

DATE: July 20, 2023

RE: Request to schedule in-district meetings before Sept. 20 to provide information on
current Measure X funding process and timeline

Dear Board members:

As you know, the Measure X Community Advisory Board (MXCAB) will play a key role in soliciting community and stakeholder input regarding current community needs. We will utilize this information to recommend funding priorities for the Board of Supervisors to consider in allocating available Measure X funds.

Given that the process and timeline for this decision-making process is largely unknown to stakeholders and the general public at this point, MXCAB recommends that each Supervisor host a community forum in your district between now and September 19 (the date of initial departmental funding requests to the Supervisors).

The goal of the forum will be to inform your constituents about the current Measure X decision making process and educate them on where and how they can provide input and ideas. If desired, one or more representatives from MXCAB can participate in the forum to provide information and support.

We ask that you contact Mariana Moore (Chair) or Roxanne Carrillo-Garza (Vice Chair) to respond to this request. We are also available to answer any questions you may have.

Thank you for your consideration of this request.
