

## 2014 California Prescription Drug Abuse Awareness Month

March is **Prescription Drug Abuse Awareness Month** throughout California and numerous activities have been scheduled to increase community awareness about America's prescription drug abuse epidemic. Following is a list of those activities that the Contra Costa County Prescription Drug Abuse Prevention Coalition partnered with the National Coalition Against Prescription Drug Abuse to organize.

**3/24 (10:00-2:00pm)** – Join us at the 2nd annual **ENOUGH! Rally** on the South Steps of California's Capitol in Sacramento to raise community awareness about America's prescription drug abuse/misuse epidemic and to call for action to end this national health crisis.
