Subject: Contract Renewals with the Non PERS Health Plan and High Deductible Health Plan proposal

RECOMMENDATION(S):

AUTHORIZE the County Administrator or designee to execute contract renewals with the Non PERS Health Plan, Dental Plan and Life Insurance Plan carriers and the Computer Vision Care Program at the percentage of rate increases or decreases listed below, for the period January 1, 2016 through December 31, 2016.

FISCAL IMPACT:

The fiscal impact is based on the Management Resolution, Memoranda of Understanding and employee/retiree census data as of July 1, 2015. For plan year 2016, the cost/subsidy increase to the County and Special Districts for County (Non PERS) health plans is approximately \$573,026. Also for plan year 2016, the total cost for health and dental premium contributions

FISCAL IMPACT: (CONT'D)

for County-sponsored plans and CalPERS plans is projected to be \$174.9 million, of this amount \$122.4 million is the projected County cost; \$52.5 million is the projected cost to employees, retirees and survivors of retired employees.

BACKGROUND:

Insurance coverage is an important benefit and a valuable recruitment and retention tool. To ensure that high quality insurance is available for Contra Costa County's eligible employees, the County contracts for group health, dental and life insurance as well as computer vision care coverage on an annual basis with a number of carriers/providers. The County's existing insurance and coverage contracts are for calendar year January 1 through December 31; current contracts will expire December 31, 2015. In order to ensure uninterrupted coverage for enrolled members (eligible active employees, retired employees and survivors of retired employees) this documentation seeks authorization from the Board of Supervisors (BOS) to renew existing insurance coverage at the percentage rates of increases or decreases listed below.

In addition, the BOS is being requested to authorize the CAO or designee to a new High Deductible Health Plan (HDHP). This new group health insurance plan will cover calendar year January 1, 2016 through December 31, 2016 and be offered to eligible county employees during open enrollment in 2015 for plan year 2016. A summary description of the plan design, copays, deductibles and 2016 rates has been provided by Buck Consultants, the County's insurance and benefits consulting firm and is attached. Offering this coverage helps the County have available a low cost health insurance plan that provides minimum essential health benefits as specified in the Affordable Care Act and meeting the coverage requirements in the law.

Due to its size, Contra Costa County is required to perform other post-employment benefit (OPEB) actuarial evaluations every two years. The most recent evaluations were performed with data gathered in September 2014. These actuarial valuations cover a 30 year period and include several assumptions. One of the assumptions is the medical inflation rate. The actuarial assumed medical inflation rate that will be included in the January valuation for 2016 is 5.75%-6.50%, based on Plan elections; dental costs are assumed to increase 4.0% annually. For more information regarding Contra Costa County's OPEB liability, please visit the County's website at <http://www.co.contra-costa.ca.us>.

Buck Consultants National Healthcare Trend Survey indicates national trends of roughly 8.0% premium increases for HMO plans and 8.6% for PPO plan designs similar to those offered by Contra Costa County and a 4.5% national trend increase for Medicare supplement plans. The survey notes that all amounts reflect national averages and that Northern California trend increases tend to be higher than the national averages.

The County is able, for 2016, to offer employees, retirees and survivors a number of health insurance plans at rates that will increase below or slightly above the amount that Buck Consultants has identified as the national rate increase averages. Carriers have documented their proposed rate increases or decreases based on actual experience in providing coverage to enrollees/members during 2015. All health insurance contracts continue to offer essential health benefits and coverage compliant with the requirements of the Affordable Care Act (ACA). For comparison purposes, attachment two shows that the average increase in premiums by CCHP in relation to the other carriers for 2001 through the proposed rates for 2016. During these years, the CCHP increase has been within the same range as our other County-Sponsored Health Insurance Providers, and in some cases at a lower percent. Proposed rates for 2016 plan year in the dental, life insurance or computer vision care coverage offered to eligible employees, retirees or survivors of employees are indicated below and are not proposed to increase.

The following coverage is recommended for renewal or authorization at the rate increases or decreases listed below, effective January 1, 2016.

NEW HEALTH INSURANCE PLAN and BASE PREMIUM for 2016

CONSEQUENCE OF NEGATIVE ACTION:

In order to prevent the disruption of services for group benefits that are offered to eligible employees and their dependents it is necessary to execute contract renewals for open enrollment, which is planned to be conducted in September and October for the 2016 plan year. Not authorizing the new HDHP coverage with Kaiser will mean that the County will lack one option to comply with several of the requirements or guidelines currently in the Affordable Care Act.

RECOMMENDATION(S):

ADOPT Resolution No. 2015/4 approving the Memorandum of Understanding (MOU) between Contra Costa County Fire Protection District and United Chief Officers Association (UCOA) implementing negotiated wage agreements and other economic terms and conditions of employment beginning July 1, 2014 through June 30, 2017.

FISCAL IMPACT:

The estimated cost of the negotiated contract is \$227,500 for FY 2015/16 (\$192,500 from the 6% wage increase for eleven months and \$35,000 from the 2% wage increase for six months, \$96,000 of the total is pension cost); \$387,000 for FY 2016/17 (\$280,000 from the previous fiscal year's wage increases, \$102,000 of this is pension cost, \$70,000 from the 2% increase as of July 1, 2016 and \$43,000 for a 2.5% longevity differential as of January 1, 2017). The estimated cost of the three year contract is \$615,000. The negotiated change to healthcare cost sharing reduces future healthcare cost increases beginning January 1, 2017. Implementation of a change in the Cost of Living Adjustment (COLA) to the pension benefit for employees who become members of the Contra Costa County Employees' Retirement Association (CCCERA) on and after January 1, 2016, is intended to result in long term savings for both the employee and the County.

SECTION 2 - ASSOCIATION SECURITY

2.1 Dues Deduction. Pursuant to Resolution 81/1165 Chapter 34-26 only a majority representative may have dues deduction and as such the Association has the exclusive privilege of dues deduction for all members in its unit.

Dues deduction shall be based on the voluntary written authorization of the employee which shall remain in effect so long as the employee remains in a unit represented by the Association unless such authorization is canceled in writing by the employee in accordance with the provisions set forth in Section 2.4 – Withdrawal of Membership. The dues deduction shall be for a specified amount and uniform between members of the Association. The Association shall indemnify, defend, and hold the District harmless against any claims made and against any suit instituted against the District on account of dues deduction. The Association shall refund to the District any amounts paid to it in error upon the presentation of supporting evidence.

2.2 Association Dues Form. Employees hired in classifications assigned to the unit represented by the Association shall, as a condition of employment at the time of employment, complete an Association dues authorization card provided by the Association and shall have deducted from their paychecks the membership dues of the Association. Said employees shall have thirty (30) days from the date of hire to decide if they do not want to become a member of the Association.

Such decision not to become a member of the Association must be made in writing to the Auditor-Controller with a copy to the Labor Relations Service Unit within said thirty (30) day period. If the employee decides not to become a member of the Association, any Association dues previously deducted from the employee's paycheck during that thirty (30) day period shall be returned to the employee and said amount shall be deducted from the next dues deduction check sent to the Association. Each such dues authorization form referenced above shall include a statement that the Association and the District have entered into a Memorandum of Understanding, that the employee is required to authorize payroll

deductions of Association dues as a condition of employment, and that such authorization may be revoked within the first thirty (30) days of employment upon proper written notice by the employee within said thirty (30) day period as set forth above. Each such employee shall, upon written completion of the authorization form, receive a copy of said authorization form which shall be deemed proper notice of the employee's right to revoke said authorization.

2.3 Maintenance of Membership. All employees in the unit represented by the Association who are currently paying dues to the Association and all employees in such units who hereafter become members of the Association shall, as a condition of continued employment, pay dues to the Association for the duration of this Memorandum of Understanding and each year thereafter so long as the Association continues to represent the position to which the employee is assigned, unless the employee has exercised the option to cease paying dues in accordance with Section 2.4.

2.4 Withdrawal of Membership. By notifying the Auditor-Controller's Department in writing, between May 1 to May 31 of any year, any employee may withdraw from Association membership and discontinue paying dues as of the payroll period commencing June 1st, and reflected in the July 10th paycheck. Immediately upon the close of the above-mentioned thirty (30) day period, the Auditor-Controller shall submit to the Association a list of the employees who have rescinded their authorization for dues deduction.

The Fire Chief reserves the right to remove objectionable materials.

Representatives of the Association, not on District time, shall be permitted to place a supply of employee literature at specific locations in District buildings if arranged through the Employee Relations Officer; said representatives may distribute employee organization literature in areas designated by the Fire Chief if the nature of the literature and the proposed method of distribution are compatible with the work environment and work in progress.

- C. it does not interfere with normal District operations;
- D. employees in attendance are not on duty and are not scheduled for duty;
- E. the meetings are on matters within the scope of representation.

The use of District equipment (other than items normally used in the conduct of business meetings, such as desks, chairs, and whiteboards) is strictly prohibited, even though it may be present in the meeting area.

2.7 Advance Notice. The Association shall, except in cases of emergency, have the right to reasonable notice of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the Board, or boards and commissions designated by the Board, and to meet with the body considering the matter.

The listing of an item on a public agenda, or the mailing of a copy of a proposal at least seventy-two (72) hours before the item will be heard, or the delivery of a copy of the proposal at least twenty-four (24) hours before the item will be heard, shall constitute notice.

In cases of emergency when the Board, or boards and commissions designated by the Board, determines it must act immediately without such notice or meeting it shall give notice and opportunity to meet as soon as practical after its action.

- b. Final Determination: The Labor Relations Manager's determination is final unless within ten (10) days after notification a recognized employee organization requests in writing to meet and confer thereon.
- c. Meet and Confer and other Steps: The Labor Relations Manager shall meet and confer with such requesting organizations (and with other recognized employee organizations where appropriate) to seek agreement on this matter within sixty (60) days after the ten-day period in subsection (b), unless otherwise mutually agreed. 2.10 Written Statement for New Employees. The District will provide a written statement to each new employee hired into a classification in any of the bargaining units represented by the Association, that the employee's classification is represented by the Association and the name of a representative of the Association. The County will provide the employee with a packet of information, which has been supplied by the Association and approved by the County.

There shall be no discrimination against any disabled person solely because of such disability unless that disability prevents the person from meeting the minimum standards established for that position or from carrying out the duties of the position safely.

The District and the Association recognize that the District has an obligation in accordance with the Americans with Disabilities Act (ADA) to reasonably accommodate disabled employees. If by reason of the aforesaid requirement the District contemplates actions to provide reasonable accommodation to an individual employee to comply with the ADA which are in conflict with any provision of this MOU, the Association will be advised of such proposed accommodation. Upon request, the District will meet and confer with the Association on the impact of such accommodation. If the District and the Association do not reach agreement, the District may implement the

- E. Notwithstanding other provisions of this Section 5, the anniversary of an employee who is appointed to a classified position from outside the County's merit system at a rate above the minimum salary for the employee's new class,

SECTION 5 - SALARIES

or who is transferred from another governmental entity to this County's merit system, is one (1) year from the first day of the calendar month after the calendar month when the employee was appointed or transferred; provided however, when the appointment or transfer is effective on the employee's first regularly scheduled work day of that month, his/her anniversary is one (1) year after the first calendar day of that month.

F. Performance Evaluation. A performance evaluation is required annually on or about an employee's anniversary date.

5.4 Increments Within Range. The performance of each employee, except those of employees already at the maximum salary step of the appropriate salary range, shall be reviewed on the anniversary date as set forth in Section 5.3 – Anniversary Dates to determine whether the salary of the employee shall be advanced to the next higher step in the salary range. Advancement shall be granted on the affirmative recommendation of the appointing authority, based on satisfactory performance by the employee. The appointing authority may recommend denial of the increment or denial subject to one additional review at some specified date before the next anniversary which must be set at the time the original report is returned.

Except as herein provided, increments within range shall not be granted more frequently than once a year, nor shall more than one (1) step within-range increment be granted at one time. In case an appointing authority recommends denial of the within range increment on some particular anniversary date, but recommends a special salary review, the special salary review shall not affect the regular salary review on the next anniversary date.

Nothing herein shall be construed to make the granting of increments mandatory on the District. If the District verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to advance an employee to the next salary step on the first of the month when eligible, said advancement shall be made retroactive to the first of the month when eligible.

5.5 Part-Time Compensation. A part-time employee shall be paid a monthly salary in the same ratio to the full-time monthly rate to which the employee would be entitled as a full-time employee under the provisions of this Section 5 as the number of hours per week in the employee's part-time work schedule bears to the number of hours in the full-time work schedule of the District.

5.6 Compensation for Portion of Month. Any employee who works less than any full calendar month, except when on earned vacation, authorized sick leave, or other authorized paid leave shall receive as compensation for services an amount which is in the same ratio to the established monthly rate as the number of days worked is to the actual working days in such employee's normal work schedule for the particular month; but if the employment is intermittent, compensation shall be on an hourly basis.

5.7 Position Reclassification. An employee who is an incumbent of a position which is reclassified to a class which is allocated to the same range of the basic salary

schedule as is the class of the position before it was reclassified, shall be paid at the same step of the range as the employee received under the previous classification.

An incumbent of a position which is reclassified to a class which is allocated to a lower range of the basic salary schedule shall continue to receive the same salary as before the reclassification, but if such salary is greater than the maximum of the range of the class to which the position has been reclassified, the salary of the incumbent shall be reduced to a maximum salary for the new classification. The salary of an incumbent of a position which is reclassified to a class which is allocated to a range of the basic salary schedule greater than the range of the class of the position before it was reclassified shall be governed by the provisions of Section 5.9 Salary on Promotion.

5.8 Salary Reallocation and Salary on Reallocation.

- A. In a general salary increase or decrease, an employee in a class which is reallocated to a salary range above or below that to which it was previously allocated, when the number of steps remain the same, shall be compensated at the same step in the new salary range the employee was receiving in the range to which the class was previously allocated. If the reallocation is from one salary range with more steps to a range with fewer steps or vice versa, the employee shall be compensated at the step on the new range which is in the same percentage ratio to the top step of the new range as was the salary received before reallocated to the top step of the old range, but in no case shall any employee be compensated at less than the first step of the range to which the class is allocated.
- B. In the event that a classification is reallocated from a salary range with more steps to a salary range with fewer steps on the salary schedule, apart from the general salary increase or decrease described in Section 5.8.A above, each incumbent of a position in the reallocated class shall be placed upon the step of the new range which equals the rate of pay received before the reallocation. In the event that the steps in the new range do not contain the same rates as the old range which is next above the salary rate received in the old range, or if the new range does not contain a higher step, at the step which is next lower than the salary received in the old range.
- C. In the event an employee is in a position which is reallocated to a different class which is allocated to a salary range the same as above or below the salary range of the employee's previous class, the incumbent shall be placed at the step in the new class which equals the rate of pay received before reallocation. In the event that the steps in the range for the new class do not contain the same rates as the range for the old class, the incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new range does not contain a higher step, the incumbent shall be placed at the step which is next lower than the salary received in the old range.

5.9 Salary on Promotion. Any employee who is appointed to a position of a class allocated to a higher salary range than the class previously occupied, except as

SECTION 5 - SALARIES

provided under Section 5.12 – Acting in a Higher Class, shall receive the salary in the new salary range which is next higher than the rate received before the promotion.

In the event this increase is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is at least five percent (5%) greater than the next higher step; provided however that the next step shall not exceed the maximum salary for the higher class.

In the event of the appointment of a laid off employee from the layoff list to the class from which the employee was laid off, the employee shall be appointed at the step which the employee had formerly attained in that class unless such step results in a decrease in which case the employee is appointed to the next higher step. If however, the employee is being appointed into a class allocated to a higher salary range than the class from which the employee was laid off, the salary will be calculated from the highest step the employee achieved prior to layoff, or from the employee's current step, whichever is higher.

5.10 Salary on Involuntary Demotion. Any employee who is demoted, except as provided under Section 5.12 – Acting in a Higher Class, shall have their salary reduced to the monthly salary step in the range for the class of position to which the employee has been demoted next lower than the salary received before demotion. In the event this decrease is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is five percent (5%) less than the next lower step; provided, however, that the next step shall not be less than the minimum salary of the lower class.

Whenever the demotion is the result of layoff, cancellation of positions or displacement by another employee with greater seniority rights, the salary of the demoted employee shall be that step on the salary range which the employee would have achieved had the employee been continuously in the position to which the employee had been demoted, all within-range increments having been granted.

5.11 Salary on Voluntary Demotion. Whenever any employee voluntarily demotes to a position in a class having a salary schedule lower than that of the class from which the employee demotes, the employee's salary shall remain the same if the steps in the employee's new (demoted) salary range permit, and if not, the new salary shall be set at the step next below former salary.

5.12 Acting in a Higher Class. When an employee is required to work in a higher paid classification, the employee shall receive the higher compensation for such work, pursuant to the County Salary Regulations, plus any differentials and incentives the employee would have received in the employee's regular position. The higher pay entitlement shall begin on the employee's forty-first (41st) consecutive hour in the assignment, for forty (40) hour employees and the fifty-seventh (57th) consecutive hour in the assignment, for fifty-six (56) hour employees.

5.13 Payment. On the tenth (10th) day of each month, the Auditor will draw a warrant upon the Treasurer in favor of each employee for the amount of salary due to the employee for the preceding month; provided, however, that each employee (except those paid on an hourly rate) may choose to receive an advance on the employee's

SECTION 6 – ADDITIONAL HOURS

monthly salary, in which case the Auditor shall, on the twenty-fifth (25th) day of each month, draw a warrant upon the Treasury in favor of such employee.

The advance shall be in an amount equal to one-third (1/3) or less at the option of the employee, of the employee's basic salary of the previous month except that it shall not exceed the amount of the previous month's basic salary less all requested or required deductions.

The election to receive an advance shall be made on or before April 30 or October 31 of each year or during the first month of employment by filing on forms prepared by the Auditor-Controller a notice of election to receive salary advance.

Each election shall become effective on the first day of the month following the deadline for filing the notice and shall remain effective until revoked.

In the case of an election made pursuant to this Section 5.13 all required or requested deductions from salary shall be taken from the second installment, which is payable on the tenth (10th) day of the following month.

5.14 Pay Warrant Errors. If an employee receives a pay warrant which has an error in the amount of compensation to be received and if this error occurred as a result of a mistake by the Auditor-Controller's Department, it is the policy of the Auditor-Controller's Department that the error will be corrected and a new warrant issued within forty-eight (48) hours, exclusive of Saturdays, Sundays and holidays from the time the Department is made aware of and verifies that the pay warrant is in error. If the pay warrant error has occurred as a result of a mistake by an employee (e.g. payroll clerk) other than the employee who is receiving the pay, the error will be corrected as soon as possible from the time the department is made aware that pay warrant is in error.

Pay errors in employee pay shall be corrected as soon as possible as to current pay rate but no recovery of either overpayments or underpayments to an employee shall be made retroactively except for the six (6) month period immediately preceding discovery of the pay error. This provision shall apply regardless of whether the error was made by the employee, the appointing authority or designee, the Director of Human Resources or designee, or the Auditor-Controller or designee. Recovery of fraudulently accrued over or underpayments are excluded from this section for both parties.

When the County notifies an employee of an overpayment and proposed repayment schedule, the employee may accept the proposed repayment schedule or may request a meeting through the County Human Resources Department. If requested, a meeting shall be held to determine a repayment schedule which shall be no longer than three times (3) the length of time the overpayment occurred.

SECTION 6 – ADDITIONAL HOURS

6.1 Overtime Compensation. Effective upon ratification, overtime will be paid at the rate of one and one-half (1 ½) times the Battalion Chief (RPHA) base rate of pay (not including shift and other special differentials). Overtime shall only be paid in the following situations:

SECTION 7 – ACTING BATTALION CHIEF ASSIGNMENTS

- A. When a Battalion Chief (RPHA, RPHE) replaces an absent Shift Battalion Chief, provided there is a shift vacancy in a Battalion Chief position and overtime recall is required to maintain staffing levels;
- B. When a represented member is assigned during any of the following circumstances:
 - a. Any incident lasting more than 24 hours within the Operational Area.
 - b. Mutual aid responses outside of the Operational Area where the California Fire Assistance Agreement or other reimbursement mechanism normally applies.
 - i. Trainee assignments that are self-initiated and not reimbursable to the District shall not be compensated.
- C. At the Fire Chief's discretion for anticipated weather events, high fire danger, increased overhead support for planned events, district operations center staffing, or special project work.

The decision to provide or not provide overtime compensation is fully vested in the Fire Chief, whose decision shall be final and not subject to Section 19 – Management Complaint Procedure or other procedures for appeal, either within the County or externally.

6.2 Annual Administrative Leave. Each January 1, employees on a forty (40) hour schedule and fifty-six (56) hour shift employees shall be credited with fifty-five (55) and seventy-seven (77) hours, respectively, of paid administrative leave. This leave time is non-accruable and all balances will be zeroed-out effective December 31, each year. Permanent part-time employees and employees hired after January 1 shall have such leave prorated based upon position hours.

This administrative leave is provided in recognition of those situations outside Section 6.1 above when Chief Officers are expected to work additional hours without receiving overtime pay, such as when responding to emergencies, attending various meetings and working on programs.

SECTION 7 – ACTING BATTALION CHIEF ASSIGNMENTS

Notwithstanding Section 6.1 – Overtime Compensation, except as otherwise provided in this MOU, the Fire Chief retains the right to make Acting Battalion Chief assignments at his sole discretion.

Acting Battalion Chief assignments shall not be made as alternatives to Merit System Promotions.

SECTION 8 – ASSOCIATION NOTIFICATION

When it appears to the Fire Chief and/or Labor Relations Manager that the Board of Supervisors may take action which will result in the layoff of employees represented by the Association, the Labor Relations Manager shall notify the Association of the possibility of such layoffs and shall meet and confer with it regarding the implementation of the action. The District agrees to give employees fourteen (14) calendar days notice of layoff except in case of emergency.

SECTION 9 - HOLIDAYS

9.1 Holidays Observed.

The District will observe the following holidays:

January 1st, known as New Years Day
Third Monday in January, known as Dr. Martin Luther King Jr. Day
Third Monday in February, known as Presidents' Day
The last Monday in May, known as Memorial Day
July 4th, known as Independence Day
First Monday in September, known as Labor Day
November 11th, known as Veteran's Day
Fourth Thursday in November, known as Thanksgiving Day
The Friday after Thanksgiving Day

Such other days as the Board of Supervisors may, by resolution, designate as holidays.

9.2 Forty (40) Hour Employees. In observance of holidays, forty (40) hour employees:

1. Observe the ten (10) holidays listed in Section 9.1 above; and
2. Accrue two (2) hours of personal holiday credit per month, up to a maximum accrual of forty (40) hours.

If any holiday listed in Section 9.1 above falls on a Saturday, it shall be celebrated on the preceding Friday. If any holiday listed above falls on a Sunday, it shall be celebrated on the following Monday.

9.3 Fifty-Six (56) Hour Employees. In observance of holidays, fifty-six (56) hour employees accrue four (4) hours of personal holiday credit per month, up to a maximum accrual of eighty (80) hours.

9.4 General Terms. Personal holiday time may be taken in increments of one (1) minute. On separation from District service, an employee shall be paid for any unused personal holiday credits at the employee's then current pay rate. When moving between 40 and 56 hour schedules, accrual rates and balances will be converted.

SECTION 10 - VACATION LEAVE

9.5 Permanent Part-Time Employees. Permanent part-time employees shall receive personal holiday credit on a prorated basis and up to a maximum accrual of forty (40) hours.

SECTION 10 - VACATION LEAVE

10.1 General Provisions. Employees in permanent positions are entitled to vacation with pay. Accrual is based upon straight time hours of working time per calendar month of service and begins on the date of appointment to a permanent position. Increased accruals begin on the first of the month following the month in which the employee qualifies. Accrual for portions of a month shall be in minimum amounts of one (1) hour, calculated on the same basis as for partial month compensation. Vacation credits may be taken in one (1) minute increments and may not be rounded. Vacation credits may not be taken during the first six (6) months of employment – except where sick leave has been exhausted; and none shall be allowed in excess of actual accrual at the time the vacation is taken.

10.2 Vacation Accrual Rates. The rates at which employees accrue vacation credits and the maximum accumulations thereof are as follows:

40 Hour Employees

<u>Length of Service Completed</u>	<u>Monthly Accrual Hours</u>	<u>Maximum Cumulative Hours</u>
Under 11 years	10	240

10.3 Accrual During Leave Without Pay. No employee who has been granted a leave without pay or unpaid military leave shall accrue any vacation credit during the time of such leave, nor shall an employee who is absent without pay accrue vacation credit during the absence.

10.4 Pro-rated Accruals. Employees in permanent part-time and permanent-intermittent positions shall accrue vacation benefits on a prorated basis.

10.5 Vacation Buy Back.

A. Employees may choose reimbursement for up to one-third ($\frac{1}{3}$) of their annual vacation accrual, subject to the following conditions:

- (1) the choice can be made only once in each calendar year;
- (2) payment shall be based on an hourly rate determined by dividing the employee's monthly salary by 173.3333 (242.6666 for employees working a 56 hour schedule);
- (3) the maximum number of hours that may be reimbursed in any year is one-third ($\frac{1}{3}$) of the annual accrual.

B. In those instances where a lump-sum payment has been made to employees in lieu of a retroactive general salary adjustment for a portion of the calendar year, which is subsequent to exercise by an employee of the buy-back provision herein, that employee's vacation buy-back shall be adjusted to reflect the percentage difference in base pay rates upon which the lump-sum payment was computed – provided that the period covered by the lump-sum payment was inclusive of the effective date of the vacation buy-back.

C. Employees promoted or hired by the County into any classification represented by UCOA on and after April 1, 2012, are not eligible for the Vacation Buy-Back benefit. However, any employee who was eligible for a Vacation Buy-Back benefit before promoting into a classification represented by UCOA will retain that benefit after promoting into a classification represented by UCOA.

10.6 Vacation Allowance for Separated Employees. On separation from District service, an employee shall be paid for any unused vacation credits at the employee's then current pay rate.

10.7 Vacation Leave on Reemployment from a Layoff List. Employees with six (6) months or more service in a permanent position prior to their layoff, who are employed from a layoff list, shall be considered as having completed six (6) months tenure in a permanent position for the purpose of vacation leave. The appointing authority or designee will advise the Auditor-Controller's Payroll Unit in each case where such vacation is authorized so that appropriate Payroll system override actions can be taken.

SECTION 11 – SICK LEAVE

SECTION 11 – SICK LEAVE

11.1 Purpose. The primary purpose of paid sick leave is to insure employees against loss of pay for temporary absences from work due to illness or injury. Sick leave is a benefit for use in situations within the scope of sick leave policies and may not be used for vacation or personal activities.

11.2 Credit Accrued and Charges Against Sick Leave. Sick leave credits accrue at the following rates:

1. Shift Personnel Accruals (56-hour week). Sick leave shall be accrued at the rate of twelve (12) hours for each completed month of service.
2. Day Personnel Accruals (40 hour week). Sick leave shall be accrued at the rate of eight (8) hours for each completed month of service.
3. General Terms
 - a. Unused sick leave credits accumulate without limit.
 - b. Credits to and charges against sick leave shall be made in minimum amounts of one (1) minute increments and may not be rounded.
 - c. When an employee is separated other than through retirement, accumulated sick leave credits shall be canceled, unless the separation results from layoff, in which case the accumulated credits shall be restored if employee is re-employed in a permanent position within the period of the individual's layoff eligibility.
 - d. As of the date of retirement, an employee's accumulated sick leave is converted to retirement time on the basis of one day of retirement service credit for each day of accumulated sick leave credit according to the policies and regulations of the Retirement Office.

11.3 Policies Governing the Use of Paid Sick Leave.

- A. Definition of Immediate Family. For the purposes of Section 11, immediate family shall be restricted to the spouse, domestic partner, son, stepson, daughter, stepdaughter, father, stepfather, mother, stepmother, brother, sister, grandparent, grandchild, niece, nephew, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law, stepbrother, stepsister, foster children, aunt, uncle, or cousin of an employee and/or any other person for whom the employee is the legal guardian or conservator or any person who is claimed as "dependent" for IRS purposes by the employee.
- B. Accumulated paid sick leave credits may be used by an employee in pay status in the following instances:

1. Temporary Illness or Injury of an Employee. An employee may use paid sick leave credits when off work because of a temporary illness or injury.

If an employee does not apply for sick leave and the appointing authority believes that the employee is not able to properly perform regularly assigned work or that the general health of the employee is impaired due to disability, the employee may be required to undergo a physical examination by a physician selected by the Fire Chief or the Chief's designated representative, the cost of such examination to be borne by the District. Based upon the medical report, a mandatory sick leave may be imposed upon the employee for the duration of the temporary disability.

2. Permanent Disability Sick Leave. Permanent disability means an employee suffers from a disabling physical injury or illness and is thereby prevented from engaging in any District occupation for which the employee is qualified by reason of education, training or experience. Sick leave may be used by permanently disabled employees until all accruals of the employee have been exhausted or until the employee is retired by the Retirement Board, subject to the following conditions:

- a. An application for retirement for disability has been filed with the Retirement Board.
- b. Satisfactory medical evidence of such disability is received by the appointing authority within 30 days of the start of use of sick leave for permanent disability.
- c. The appointing authority may review medical evidence and order further examinations as deemed necessary, and may terminate use of sick leave when such further examination demonstrates that the employee is not disabled, or when the appointing authority determines that the medical evidence submitted by the employee is insufficient, or when the above conditions have not been met.

3. Communicable Disease. An employee may use paid sick leave credits when under a physician's order to remain secluded due to exposure to a communicable disease.

4. Sick Leave Utilization for Pregnancy Disability. Employees whose disability is caused or contributed to by pregnancy, miscarriage, abortion, childbirth, or recovery therefrom, shall be allowed to utilize sick leave credit to the maximum accrued by such employee during the period of such disability under the conditions set forth below.

- a. Application for such leave must be made by the employee to the appointing authority accompanied by a written statement of disability from the employee's attending physician. The statement must address itself to the employee's general physical condition having considered the nature of the work performed by the

SECTION 11 – SICK LEAVE

employee, and it must indicate the date of the commencement of the disability as well as the date the physician anticipates the disability to terminate. The District retains the right to a medical review of all requests for such leave.

- b. If an employee does not apply for leave and the appointing authority believes that the employee is not able to properly perform work or that the employee's general health is impaired due to disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth or recovery therefrom, the employee shall be required to undergo a physical examination by a physician selected by the District, the cost of which shall be borne by the District. Should the medical report so recommend, a mandatory leave shall be imposed upon the employee for the duration of the disability.
 - c. If all accrued sick leave has been utilized by the employee, the employee shall be considered on an approved leave without pay unless the employee chooses to use vacation or other non-sick leave accruals. Sick leave may not be utilized after the employee has been released from the hospital unless the employee has provided the District with a written statement from the employee's attending physician stating that the disability continues and the projected date of the employee's recovery from such disability.
5. Medical and Dental Appointments. An employee may use paid sick leave credits:
- a. For working time used in keeping medical and dental appointments for the employee's own care;
 - b. For working time used for prescheduled medical and dental appointments for an immediate family member.
 - c. Employees are responsible to schedule personal and family medical and dental appointments to avoid conflicts with scheduled workdays as much as possible consistent with medical necessity.
 - d. Employees are responsible to notify the District when they have a scheduled medical or dental appointment on a duty day. In any emergency situation, the appropriate supervisor must be contacted immediately.
6. Emergency Care of Family. An employee may use paid sick leave credits for working time used (1) to personally care for an ill or injured immediate family member if there is a real need for someone to render care, no one else is available therefore, and alternative arrangements for the care of the ill or injured person are immediately undertaken; or (2) to be present at the bedside of a seriously ill or injured immediate family member; or (3) to transport an ill or injured immediate family member to receive medical

care if no one else is available to provide transportation. However, the time so charged shall not exceed one shift for 56-hour week employees and two days for 40-hour week employees. This time period limit may be extended at the discretion of the Fire Chief.

7. Death of Family Member. An employee may use paid sick leave credits for working time used because of a death in the employee's immediate family or of the employee's domestic partner; this shall not exceed three (3) consecutive 24-hour shifts or five (5) consecutive 8-hour working days without the Fire Chief's approval.

11.4 Prohibited Uses of Paid Sick Leave. Accumulated sick leave credits may not be used in the following situations:

1. Self-inflicted Injury. Paid sick leave credits may not be used for time off work for an employee's illness or injury when proven to be purposely self-inflicted or caused by employee's willful misconduct.
2. Vacation. Paid sick leave credits may not be used for employee's illness or injury which occurs while on vacation. However, when extenuating circumstances exist, the Fire Chief may authorize sick leave in place of vacation.
3. Not in Pay Status. Paid sick leave credits may not be used when the employee would otherwise be eligible to use paid sick leave credits but is not in pay status, i.e., leave of absence, suspension, etc.

11.5 Sick Leave Incentive Plan. Employees shall be eligible for payoff of unused sick leave accruals at separation. This program is an incentive for employees to safeguard sick leave accruals as protection against wage loss due to time lost for injury or illness. Payoff must be approved by the Director of Human Resources and can be awarded only under the following conditions:

- a. The employee must have resigned in good standing
- b. Payout is not available if the employee is eligible to retire
- c. The balance of sick leave at resignation must be at least seventy percent (70%) of accruals earned in the preceding continuous period of employment, excluding any sick leave use covered by the Family and Medical Leave Act, the California Family Rights Act, or the California Pregnancy Disability Act.
- d. Payout shall be under the following schedule:

<u>Years of Permanent Continuous Completed Service</u>	<u>Percent of Unused Sick Leave Paid</u>
3-5 years	30%
5-7 years	40%
7 plus years	50%

SECTION 12 – NUMBER OF SHIFT BATTALION CHIEFS OFF ON ELECTIVE LEAVE

- e. No payoff shall be made pursuant to this section unless the Contra Costa County Employees' Retirement Association has certified that an employee requesting a sick leave payoff has terminated membership in and has withdrawn his or her contributions from the Retirement Association.
- f. It is the intent of the Board of Supervisors that payments pursuant to this section shall preclude County retirement benefits resulting from employment by the County or Districts governed by the Board.

SECTION 12 – NUMBER OF SHIFT BATTALION CHIEFS OFF ON ELECTIVE LEAVE

Only one (1) shift Battalion Chief shall be permitted to take time off on vacation, administrative leave or personal holiday leave per shift at one time provided, however, that the Fire Chief, at his sole discretion, may approve more than one (1) shift Battalion Chief off per shift at one time.

SECTION 13 - LEAVE OF ABSENCE

13.1 Leave Without Pay. Any employee who has permanent status may be granted a leave of absence without pay upon written request, approved by the appointing authority; provided, however, that leaves for pregnancy, pregnancy disability, serious health conditions, and family care shall be granted in accordance with applicable state and federal law.

13.2 General Administration - Leaves of Absence. Requests for leave without pay shall be made upon forms prescribed by the Director of Human Resources and shall state specifically the reason for the request, the date when it is desired to begin the leave, and the probable date of return.

- A. Leave without pay may be granted for any of the following reasons:
 - 1. Illness or disability;
 - 2. pregnancy;
 - 3. parental;
 - 4. to take a course of study such as will increase the employee's usefulness on return to the position;
 - 5. for other reasons or circumstances acceptable to the appointing authority.
- B. An employee must request family care leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable. If the need is not

SECTION 13 - LEAVE OF ABSENCE

foreseeable, the employee must provide written notice to the employer within five (5) days of learning of the event by which the need for family care leave arises.

- C. A leave without pay may be for a period not to exceed one (1) year, provided the appointing authority may extend such leave for additional periods. The procedure in granting extensions shall be the same as that in granting the original leave, provided that the request for extension must be made not later than thirty (30) calendar days before the expiration of the original leave.
- D. Nevertheless, a leave of absence for the employee's serious health condition or for family care shall be granted to an employee who so requests it for up to eighteen (18) weeks in each calendar year period in accordance with Section 13.5 below.
- E. Whenever an employee who has been granted a leave without any pay desires to return before the expiration of such leave, the employee shall submit a request to the appointing authority in writing at least fifteen (15) days in advance of the proposed return. Early return is subject to prior approval by the appointing authority. The Human Resources Department shall be notified promptly of such return.
- F. Except in the case of leave of absence due to family care, pregnancy, pregnancy disability, illness, or serious health condition, the decision of the appointing authority on granting or denying a leave or early return from leave shall be subject to appeal to the Director of Human Resources and not subject to appeal through the grievance procedure set forth in this MOU.

13.3 Military Leave. Any employee who is ordered to serve as a member of the State Militia or the United States Army, Navy, Air Force, Marine Corps, Coast Guard or any division thereof, shall be granted a military leave for the period of such service, plus ninety (90) days. Additionally, any employee who volunteers for service during a mobilization under Executive Order of the President or Congress of the United States and/or the State Governor in time of emergency, shall be granted a leave of absence in accordance with applicable federal or state laws. Upon the termination of such service, or upon honorable discharge, the employee shall be entitled to return to his/her position in the classified service provided such still exists and the employee is otherwise qualified, without any loss of standing of any kind whatsoever.

13.4 Family Care Leave or Medical Leave. Upon request to the appointing authority, in any rolling twelve (12) month period, any employee who has permanent status shall be entitled to at least twelve (12) weeks leave (less if so requested by the employee) for:

- a. medical leave of absence for the employee's own serious health condition which makes the employee unable to perform the functions of the employee's position; or
- b. family care leave of absence without pay for reason of the birth of a child of the employee, the placement of a child with an employee in connection with the

SECTION 13 - LEAVE OF ABSENCE

adoption or foster care of the child by the employee, or the serious illness or health condition of a child, parent, spouse, or domestic partner of the employee.

13.5 Certification. The employee may be asked to provide certification of the need for family care leave or medical leave. Additional period(s) of family care or medical leave may be granted by the appointing authority.

13.6 Intermittent Use of Leave. The twelve (12) week entitlement may be in broken periods, intermittently on a regular or irregular basis, or may include reduced work schedules depending on the specific circumstances and situations surrounding the request for leave. The twelve (12) weeks may include use of appropriate available paid leave accruals when accruals are used to maintain pay status, but use of such accruals is not required beyond that specified in Section 13.12 below. When paid leave accruals are used for a medical or family care leave, such time shall be counted as a part of the twelve (12) week entitlement.

13.7 Aggregate Use for Spouses. In the situation where husband and wife are both employed by the County, the family care of medical leave entitlement based on the birth, adoption or foster care of a child is limited to an aggregate for both employees together of twelve (12) weeks during a rolling twelve (12) month period. Employees requesting family care leave are required to advise their appointing authority(ies) when their spouse is also employed by the County.

13.8 Definitions. For medical and family care leaves of absence under this section, the following definitions apply:

- a. Child: A biological, adopted, or foster child, stepchild, legal ward, conservatee or a child who is under eighteen (18) years of age for whom an employee stands in loco parentis or for whom the employee is the guardian or conservator, or an adult dependent child of the employee.
- b. Parent: A biological, foster, or adoptive parent, a step-parent, legal guardian, conservator, or other person standing in loco parentis to a child.
- c. Spouse: A partner in marriage as defined in California Civil Code Section 4100.
- d. Domestic Partner: A person who is registered as such with the California Secretary of State.
- e. Serious Health Condition: An illness, injury, impairment, or physical or mental condition which warrants the participation of a family member to provide care during a period of treatment or supervision and involves either inpatient care in a hospital, hospice or residential health care facility or continuing treatment or continuing supervision by a health care provider (e.g. physician or surgeon) as defined by state and federal law.
- f. Certification for Family Care Leave. A written communication to the employer from a health care provider of a person for whose care the leave is being taken which need not identify the serious health condition involved, but shall contain:

1. the date, if known, on which the serious health condition commenced;
 2. the probable duration of the condition;
 3. an estimate of the amount of time which the employee needs to render care or supervision;
 4. a statement that the serious health condition warrants the participation of a family member to provide care during period of treatment or supervision;
 5. if for intermittent leave or a reduced work schedule leave, the certification should indicate that the intermittent leave or reduced leave schedule is necessary for the care of the individual or will assist in their recovery, and its expected duration.
- g. Certification for Family Medical Leave. A written communication from a health care provider of an employee with a serious health condition or illness to the employer, which need not identify the serious health condition involved, but shall contain:
1. the date, if known, on which the serious health condition commenced;
 2. the probable duration of the condition;
 3. a statement that the employee is unable to perform the functions of the employee's job;
 4. if for intermittent leave or a reduced work schedule leave, the certification should indicate the medical necessity for the intermittent leave or reduced leave schedule and its expected duration.
- h. Comparable Positions. A position with the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to the leave. Ordinarily, the job assignment will be the same duties in the same program area located in the same city, although specific clients, caseload, co-workers, supervisor(s), or other staffing may have changed during an employee's leave.

13.9 Pregnancy Disability Leave. Insofar as pregnancy disability leave is used under Section 11.3 (Sick Leave Utilization for Pregnancy Disability), that time will not be considered a part of the twelve (12) week family care leave period.

13.10 Group Health Plan Coverage. Employees who were members of one of the group health plans prior to commencement of their leave of absence can maintain their health plan coverage with the District contribution by maintaining their employment in pay status as described in Section 13.11. During the twelve (12) weeks of an approved medical or family care leave under Section 13.4 above, the District will continue its contribution for such health plan coverage even if accruals are not available for use to maintain pay status as required under Section 13.11. In order to maintain such

SECTION 13 - LEAVE OF ABSENCE

coverage, employees are required to pay timely the full employee contribution to maintain their group health plan coverage, either through payroll deduction or by paying the County directly.

13.11 Leave Without Pay - Use of Accruals.

- A. All Leaves of Absence. During the first twelve (12) month period of any leave of absence without pay, an employee may elect to maintain pay status each month by using available sick leave (if so entitled under Section 11 - Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements; in other words, during the first twelve (12) months, a leave of absence without pay may be "broken" into segments and accruals used on a monthly basis at the employee's discretion. After the first twelve (12) months, the leave period may not be "broken" into segments and accruals may not be used, except when required by LTD Benefit Coordination or Sick Leave Integration or in the sections below.
- B. Family Care or Medical Leave. During the twelve (12) weeks of an approved medical or family care leave, if a portion of that leave will be on a leave of absence without pay, the employee will be *required* to use *at least* 0.1 hour of sick leave (if so entitled under Section 11 - Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements if such are available, although use of additional accruals is permitted under subsection A. above.
- C. Sick leave accruals may not be used during any leave of absence, except as allowed under Section 11 - Sick Leave.

13.12 Leave of Absence Replacement and Reinstatement. Any permanent employee who requests reinstatement to the classification held by the employee in the same department at the time the employee was granted a leave of absence, shall be reinstated to a position in that classification and department and then only on the basis of seniority. In case of severance from service by reason of the reinstatement of a permanent employee, the provisions of PMR Part 12 shall apply.

13.13 Reinstatement From Family Care/Medical Leave. In the case of a family care or medical leave, an employee on a 5/40 schedule shall be reinstated to the same or comparable position if the return to work is after no more than ninety (90) work days of leave from the initial date of a continuous leave, including use of accruals, or within the equivalent on an alternate work schedule. A full time employee taking an intermittent or reduced work schedule leave shall be reinstated to the same or comparable position if the return to work on a full schedule is after no more than 480 hours, including use of accruals, of intermittent or reduced schedule leave. At the time the original leave is approved, the appointing authority shall notify the employee in writing of the final date to return to work, or the maximum number of hours of leave, in order to guarantee reinstatement to the same or comparable position. An employee on a schedule other than 5/40 shall have the time frame for reinstatement to the same or comparable position adjusted on a pro rata basis. (For example, an employee assigned to a 56-hour work week would be eligible for up to 672 hours under this Section).

SECTION 14 - HEALTH AND WELFARE, LIFE AND DENTAL CARE

13.14 Salary Review While on Leave of Absence. The salary of an employee who is on leave of absence from a County position on any anniversary date and who has not been absent from the position on leave without pay more than six (6) months during the preceding year, shall be reviewed on the anniversary date. Employees on military leave shall receive salary increments that may accrue to them during the period of military leave.

13.15 Unauthorized Absence. An unauthorized absence from the work site or failure to report for duty after a leave request has been disapproved, revoked, or canceled by the appointing authority, or at the expiration of a leave, shall be without pay. Such absence may also be grounds for disciplinary action.

SECTION 14 - HEALTH AND WELFARE, LIFE AND DENTAL CARE

14.1 Health Plan. The District will provide group health benefits through the California Public Employees' Retirement System (CalPERS) for all permanent full-time employees and permanent part-time employees regularly scheduled to work at least twenty (20) hours per week in classes represented by the Association. The CalPERS health care program, as regulated by the Public Employees' Medical and Hospital Care Act (PEMHCA), regulations issued pursuant to PEMHCA, and the administration of PEMHCA by CalPERS, controls on all health plan issues for employees who receive health care coverage from CalPERS, including, but not limited to, eligibility, benefit plans, benefit levels, minimum premium subsidies, and costs.

14.2 Contra Costa Health Plan (CCHP). Because CCHP has met the minimum standards required under PEMHCA and is approved as an alternative CalPERS plan option, Association members and Consolidated Omnibus Budget Reconciliation Act (COBRA) counterparts may elect to enroll in CCHP under the CalPERS plan rules and regulations.

14.3 CalPERS Health Plan Monthly Premium Subsidy. The District's subsidy to the CalPERS monthly health plan premiums is as provided below. The employee must pay any CalPERS health plan premium costs that are greater than the District's subsidy identified in Section 14.3(A).

A. District Premium Subsidy through November 30, 2015. The District will contribute up to an amount equivalent to eighty percent (80%) of the 2015 CalPERS Kaiser premium at each level (employee only, employee + one, employee + two or more) towards the covered employee's CalPERS or CalPERS Alternative Plan (CCHP) premium.

1. All Health Plans

For the plan year that begins on January 1, 2016, the District will contribute up to an amount equivalent to eighty percent (80%) of the 2016 CalPERS Kaiser premium at each level (employee only, employee + one, employee + two or more) towards the covered employee's CalPERS or CalPERS Alternative Plan (CCHP) premium.
- C. District Premium Subsidy On and After December 1, 2016. For the plan year that begins on January 1, 2017, the District will pay a monthly premium subsidy for each health plan that is equal to the actual dollar monthly premium subsidy that is paid by the District for that plan as of November 30, 2016. In addition, if there is an increase in the monthly premium charged by a health plan for 2017, the District and the employee will each pay fifty percent (50%) of that increase. For each plan year thereafter, and for each plan, the District and the employee will each pay fifty (50%) of the monthly premium increase above the 2016 plan premiums.
- D. In the event, in whole or in part, that the above District premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any plan, the District's contribution will not exceed one hundred percent (100%) of the applicable plan premium.

14.4 Dental Plan. The District may, during the term of this MOU, change dental care providers, so long as the level of benefits provided is not reduced.

14.5 District Dental Plan Premium Subsidy On and After January 1, 2014. The District's subsidy to the monthly dental plan premiums shall be as provided below. This subsidy is provided only for permanent full-time and permanent part-time employees regularly scheduled to work at least twenty (20) hours per week. Permanent-intermittent, provisional and permanent part-time employees working less than twenty (20) hours per week may enroll in a dental plan but will not receive the premium subsidy. Any increases in dental plan costs greater than the District's premium subsidy identified below shall be borne by the employee.

- A. District premium subsidy for 2014 and thereafter. For plan years 2014 and thereafter, the District will pay the following monthly premium subsidy:

- 2. "Employee's child" includes natural child, child of a qualified domestic partner, step-child, adopted child and a child specified in a Qualified Medical Child Support Order (QMSCO) or similar court document.
- 3. For purposes of this Section 14.5 – District Premium Subsidy, "Eligible Family Member" does not include Survivors of employees or retirees.

14.6 Rate Information. The County Benefits Service Unit will make dental plan rate information and, to the extent possible, CalPERS health plan rate information available to employees and the District upon request. In addition, the County Benefits Service Unit will publish and distribute to employees and the District information about rate changes as they occur during the year.

14.7 Life Insurance Benefit Under Health and Dental Plans. For permanent employees who are enrolled in a District sponsored health or dental plan as either the primary insured or a dependent, term life insurance in the amount of ten thousand dollars (\$10,000) will be provided by the District.

14.8 Life Insurance Contribution. The District will pay the entire premium on behalf of permanent full-time and permanent part-time employees regularly scheduled to work at least twenty (20) hours per week who elect health and/or dental coverage.

14.9 Premium Payments. Employee participation in any health, dental, or life insurance plan is contingent upon the employee authorizing payroll deduction by the District of the employee's share of the premium cost. The District's subsidy of health plan and dental plan monthly premiums is payable as follows:

- A. CalPERS Plan (Includes Alternate CCHP Plan).
The District's subsidy of the health plan premium is payable one (1) month in advance. If an employee's compensation in any month is not sufficient to pay the employee share of the premium, the employee must make up the difference by remitting the amount delinquent to the Auditor-Controller by the tenth day of each month. The responsibility for this payment rests solely with the employee.
- B. Dental and Life Insurance Plans.
The District's subsidy of the dental and life insurance premium as described in Sections 14.5 and 14.8, is payable monthly. If an employee's compensation in any month is not sufficient to pay the employee share of the premium, the employee must make up the difference by remitting the amount delinquent to the Auditor-Controller by the tenth day of each month. The responsibility for this payment rests solely with the employee.

14.10 Extended Coverage. An employee on approved leave without pay shall be allowed to continue his/her health/dental/life insurance coverage provided that the employee shall pay their share of the monthly premium by the tenth day of each month,

SECTION 14 - HEALTH AND WELFARE, LIFE AND DENTAL CARE

during said leave.

An employee who terminates District employment is covered through the last day of the month in which he/she is paid for District dental plans and through the last day of the month following the month of termination for CalPERS plans. Employees who terminate District employment may continue Group Health/Dental plan coverage to the extent provided under the COBRA regulations.

14.11 Retirement Coverage. Upon retirement, employees may, subject to plan requirements, remain in the same District group medical and dental plan if immediately before their retirement they are currently enrolled in one of the District sponsored CalPERS Health Plans or dental plans or if on authorized leave of absence without pay, they have retained continuous coverage during the leave period.

A. Retirement Dental Coverage.

1. Employees hired before January 1, 2015. Upon retirement, eligible employees and their eligible family members, as defined in Section 14.5(E), may remain in their District dental plan, but without District-paid life insurance coverage, if immediately before their proposed retirement, the employees and dependents are either active subscribers to one of the District contracted dental plans or if while on authorized leave of absence without pay, they have retained continuous coverage during the leave period. The District will pay the same dental plan monthly premium subsidies set forth in subsection 14.5 for eligible retirees and their eligible family members.
2. Employees hired on or after January 1, 2015. For these employees and their eligible family members, no monthly premium subsidy will be paid by the District for any dental plan after they separate from District employment. Upon completion of fifteen (15) years of service as an employee of the District, an employee who retires under the Contra Costa County Employees Retirement Association ("CCCERA") may retain continuous coverage of any District dental plan, provided that he or she pays the full premium cost under the chosen dental plan without any District premium subsidy. For purposes of retiree dental eligibility, one year of service is defined as one thousand (1,000) hours worked within one District anniversary year.

B. Retirement Medical Coverage.

1. Government Code section 22892 applies to all employees who retire under the Contra Costa County Employees' Retirement Association (CCCERA).

14.12 Dual Coverage.

- A. CalPERS Health Plan. Employees must adhere to the rules as established by CalPERS.

SECTION 14 - HEALTH AND WELFARE, LIFE AND DENTAL CARE

- B. On and after January 1, 2013, each employee and retiree may be covered by only a single District health and/or a single District dental plan, including CalPERS plans. For example, a District employee may be covered under a single District health plan as either the primary insured or the dependent of another District employee or retiree, but not as both the primary insured and the dependent of another District employee or retiree.
- C. On and after January 1, 2013, each dependent may be covered by the health and/or dental plan of only one spouse or one domestic partner. For example, when both husband and wife are District employees, all of their eligible children may be covered as dependents of either the husband or the wife, but not both.
- D. For purposes of this Section 14.12 - Dual Coverage, "District" includes the County of Contra Costa and all Board of Supervisors governed special districts, such as the Contra Costa County Fire Protection District.

14.13 Management Life Insurance. Permanent employees shall be covered, at District expense, by term life insurance in the amount of forty-seven thousand dollars (\$47,000). The coverage shall include an accelerated death benefit option. Premiums for this insurance shall be paid by the District, with conditions of eligibility to be reviewed annually. All employees covered herein may also subscribe voluntarily for supplemental life insurance coverage.

14.14 PERS Long Term Care. The District will deduct and remit monthly premium and eligible lists to the PERS Long Term Care Administrator, at no employee cost, for District employees who are eligible and voluntarily elect to purchase long term care through the PERS Long Term Care Program.

The District further agrees that District employees interested in purchasing PERS Long Term Care may participate in meetings scheduled by PERS Long Term Care on District facilities during non-work hours (i.e: coffee breaks, lunch hour).

14.15 Health Care Spending Account. The District will continue to offer regular full-time and part-time (20/40 or greater) District employees the option to participate in a Health Care Spending Account (HCSA) Program designated to qualify for tax savings under Section 125 of the Internal Revenue Code, but such savings are not guaranteed. The HCSA Program allows employees to set aside a pre-determined amount of money from their paycheck for health care expenses not reimbursed by any other health benefits plan with before tax dollars. HCSA dollars can be expended on any eligible medical expenses allowed by Internal Revenue Code Section 125. Any unused balance is forfeited and cannot be recovered by the employee.

14.16 Long-Term Disability Insurance. The District shall continue the Long-Term Disability Insurance program with a replacement limit of eighty-five percent (85%) of total monthly base earnings reduced by any deductible benefits.

14.17 Dependent Care Assistance Program. The District will continue to offer the option of enrolling in a Dependent Care Assistance Program (DCAP) designed to qualify

SECTION 15 - PROBATIONARY PERIOD

for tax savings under Section 129 of the Internal Revenue Code, but tax savings are not guaranteed. The program allows employees to set aside up to five thousand dollars (\$5,000) of annual salary (before taxes) per calendar year to pay for eligible dependent care (child and elder care) expenses. Any unused balance is forfeited and cannot be recovered by the employee.

14.18 Premium Conversion Plan. The District will continue to offer the option of enrolling in the Premium Conversion Plan (PCP) designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but tax savings are not guaranteed. The program allows employees to use pre-tax dollars to pay health and dental premiums.

14.19 Prevailing Section. To the extent that any provision of this Section (Section 14 – Health and Welfare, Life and Dental Care) is inconsistent with any provision of any other County or District enactment or policy, including but not limited to Administrative Bulletins, the Salary Regulations, the Personnel Management Regulations, or any other resolution or order of the Board of Supervisors, the provision(s) of this Section (Section 14 – Health and Welfare, Life and Dental Care) will prevail.

SECTION 15 - PROBATIONARY PERIOD

15.1 Duration. All appointments from officially promulgated employment lists for original entrance or promotion shall be subject to a probationary period. This period shall be for twelve (12) months.

15.2 Classes with Changed Probationary Periods. When the probationary period for a class is changed, only new appointees to positions in the classification shall be subject to the revised probationary period.

15.3 Probationary Period Time. The probationary period shall date from the time of appointment to a permanent position after certification from an eligible list. It shall not include time served under provisional appointment or under appointment to limited term positions or any period of continuous leave of absence without pay or period of work connected disability exceeding fifteen (15) calendar days. If a permanent-intermittent probationary employee is reassigned to full-time, credit toward probation completion in the full-time position shall be prorated on the basis of one hundred seventy-three (173) hours (243 hours for shift employees) per month.

15.4 Rejection During Probation. An employee who is rejected during the probation period and restored to the eligible list shall begin a new probationary period if subsequently certified and appointed.

A. **Appeal from rejection.** Notwithstanding any other provisions of this section, an employee (probationer) shall have the right to appeal from any rejection during the probationary period based on political, or religious affiliations, Association activities, or race, color, national origin, sex, age, disability, or sexual orientation.

SECTION 15 - PROBATIONARY PERIOD

- B. The appeal must be written, must be signed by the employee and set forth the grounds and the facts by which it is claimed that grounds for appeal exist under subsection (A) above and must be filed through the Director of Human Resources to the Merit Board by 5:00 p.m. on the 7th calendar day after the date of delivery to the employee of notice of rejection.
- C. The Merit Board shall consider the appeal, and if it finds probable cause to believe that the rejection may have been based on grounds prohibited in subsection (A) above, it may refer the matter to a Hearing Officer for hearing, recommend findings of fact, conclusions of law and decision, pursuant to the relevant provisions of the Merit Board rules in which proceedings the rejected probationer has the burden of proof.
- D. If the Merit Board finds no probable cause for a hearing, it shall deny the appeal. If, after hearing, the Merit Board upholds the appeal, the appellant shall complete only the remainder of the probation period unless the Merit Board specifically orders that the appellant begin a new probation period.

15.5 Regular Appointment. The regular appointment of a probationary employee shall begin on the day following the end of the probationary period, subject to the condition that the Director of Human Resources receive from the appointing authority a statement in writing that the services of the employee during the probationary period were satisfactory and that the employee is recommended for permanent appointment. A probationary employee may be rejected at any time during the probation period without regard to the Skelly provisions of this Memorandum of Understanding, without notice and without right of appeal or hearing. If the appointing authority has not returned the probation report, a probationary employee may be rejected from the service within a reasonable time after the probation period for failure to pass probation. If the appointing authority fails to submit in a timely manner the proper written documents certifying that a probationary employee has served in a satisfactory manner and later acknowledges it was the appointing authority's intention to do so, the regular appointment shall begin on the day following the end of the probationary period.

Notwithstanding any other provisions of this Memorandum of Understanding, an employee rejected during the probation period from a position in the Merit System to which the employee had been promoted or transferred from an eligible list, shall be restored to a position in the District from which the employee was promoted or transferred. An employee dismissed for other than disciplinary reasons within six (6) months after being promoted or transferred from a position in the Merit System to a position not included in the Merit System shall be restored to a position in the classification in the District from which the employee was promoted or transferred. A probationary employee who has been rejected or has resigned during probation shall not be restored to the eligible list from which the employee was certified unless the employee receives the affirmative recommendation from the appointing authority and is certified by the Director of Human Resources whose decision is final. The Director of Human Resources shall not certify the name of a person restored to the eligible list to the same appointing authority by whom the person was rejected from the same eligible list, unless such certification is requested in writing by the appointing authority.

15.6 Layoff During Probation. An employee who is laid off during probation, if reemployed in the same class, shall be required to complete only the balance of the required probation.

If reemployed in another classification, the employee shall serve a full probationary period. An employee appointed to a permanent position from a layoff or reemployment list is subject to a probation period if the position is in a District other than the District from which the employee separated, displaced, or voluntarily demoted in lieu of layoff. An appointment from a layoff or reemployment list is not subject to a probation period if the position is in the District from which the employee separated, displaced or voluntarily demoted in lieu of layoff.

15.7 Rejection During Probation of Layoff Employee. An employee who has achieved permanent status in the class before layoff and who subsequently is appointed from the layoff list and then rejected during the probation period shall be automatically restored to the layoff list, unless discharged for cause, if the person is within the period of layoff eligibility. The employee shall begin a new probation period if subsequently certified and appointed in a different district or classification than that from which the employee was laid off.

SECTION 16 – PROMOTION

16.1 Promotion. Promotion shall be by competitive examination unless otherwise provided in this Memorandum of Understanding.

16.2 Promotion Policy. The Director of Human Resources, upon request of an appointing authority, shall determine whether an examination is to be called on a promotional basis.

16.3 Promotion Via Reclassification Without Examination. Notwithstanding other provisions of this Section, an employee may be promoted from one classification to a higher classification and his/her position reclassified at the request of the appointing authority and under the following conditions:

- a. An evaluation of the position(s) in question must show that the duties and responsibilities have significantly increased and constitute a higher level of work.
- b. The incumbent of the position must have performed at the higher level for one (1) year.
- c. The incumbent must meet the minimum education and experience requirements for the higher class.
- d. The action must have approval of the Director of Human Resources.
- e. The Association approves such action.

SECTION 17 - RESIGNATIONS

The appropriate rules regarding probationary status and salary on promotion are applicable.

16.4 Requirements for Promotional Standing. In order to qualify for an examination called on a promotional basis, an employee must have probationary or permanent status in the merit system and must possess the minimum qualifications for the class. Applicants will be admitted to promotional examinations only if the requirements are met on or before the final filing date. If an employee who is qualified on a promotional employment list is separated from the merit system, except by layoff, the employee's name shall be removed from the promotional list.

16.5 Seniority Credits.

- A. Employees who have qualified to take promotional examinations and who have earned a total score, not including seniority credits, of seventy percent (70%) or more, shall receive, in addition to all other credits, five one-hundredths of one percent (.05%) for each completed month of service as a permanent County employee continuously preceding the final date for filing application for said examination. For purposes of seniority credits, leaves of absence shall be considered as service. Seniority credits shall be included in the final percentage score from which the rank on the promotional list is determined. No employee, however, shall receive more than a total of five percent (5%) credit for seniority in a promotional examination.
- B. An employee shall receive education credits for the following degrees:
 - AA/As Degree = 2.5%
 - BA/BS Degree = 5.0%
 - The maximum education credit is limited to 5.0%
- C. Under this section, the maximum promotional examination credit an employee can receive for both seniority and education is ten percent (10.0%).

16.6 Physical Examination as Part of Promotional Examination. District employees who are required as part of the promotional examination process to take a physical examination, shall do so on District time at District expense.

SECTION 17 - RESIGNATIONS

An employee's voluntary termination of service is a resignation. Written resignations shall be forwarded to the Human Resources Department by the appointing authority immediately on receipt, and shall indicate the effective date of termination. Oral resignation shall be immediately confirmed by the appointing authority in writing to the employee and to the Human Resources Department and shall indicate the effective date of termination.

If a complainant fails to meet the time limits specified in Steps 1 through 5 above, the complaint will be deemed to have been settled and withdrawn.

The new term of the MOU will be March 31, 2012 - October 31, 2015.

FISCAL IMPACT:

On February 3, 2015, the Public Authority approved a contract extension through April 30, 2015. On July 7, 2015, the Public Authority approved a second contract extension through August 31, 2015. By notifying the Auditor-Controller's Department in writing, between April 1 and April 30, any employee may withdraw from Association membership and discontinue paying dues as of the payroll period commencing June 1 discontinuance of dues payments to then be reflected in the July 10 paycheck. Immediately upon close of the above mentioned thirty (30) day period the Auditor-Controller shall submit to the Association a list of the employees who have rescinded their authorization for dues deduction. This can only be accomplished if and when agency shop would be rescinded.

SECTION 2 - ASSOCIATION SECURITY

The Association shall be allowed to use designated portions of bulletin boards or display areas in public portions of County buildings or in public portions of offices in which there are employees represented by the Association, provided the communications displayed have to do with official organization business such as times and places of meetings and further provided that the employee organization appropriately posts and removes the information. The department head reserves the right to remove objectionable materials after notification to and discussion with the Association.

Representatives of the Association, not on County time, shall be permitted to place a supply of employee literature at specific locations in County buildings if arranged through the Department Head or designated representative; said representatives may distribute employee organization literature in work areas (except work areas not open to the public) if the nature of the literature and the proposed method of distribution are compatible with the work environment and work in progress. Such placement and/or distribution shall not be performed by on-duty employees. The Association shall be allowed access to work locations in which it represents employees for the following purposes:

- A. To post literature on bulletin boards.
- B. To arrange for use of a meeting room.
- C. To leave and/or distribute a supply of literature as indicated above.

In the application of this provision, it is agreed and understood that in each such instance advance arrangements, including disclosure of which of the above purposes is the reason for the visit, will be made with the departmental representative in charge of the work area, and the visit will not interfere with County services.

2.7 Use of County Buildings. The Association shall be allowed the use of areas normally used for meeting purposes for meetings of County employees during non-work hours when:

- A. Such space is available.
- B. There is no additional cost to the County.
- C. It does not interfere with normal County operations.
- D. Employees in attendance are not on duty and are not scheduled for duty.

of County equipment (other than items normally used in the conduct of business meetings, such as desks, chairs, ashtrays, and blackboards) is strictly prohibited, even though it may be present in the meeting area.

2.8 Advance Notice. The Association shall, except in cases of emergency, have the right to reasonable notice of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the Board, or boards and commissions appointed by the Board, and to meet with the body considering the matter. The listing of an item on a public agenda, or the mailing of a copy of a proposal at least seventy-two (72) hours before the item will be heard, or the delivery of a copy of the proposal at least twenty-four (24) hours before the item will be heard, shall constitute notice. In cases of emergency when the Board, or boards and commissions appointed by the Board, determines it must act immediately without such notice or meeting, it shall give notice and opportunity to meet as soon as practical after its action.

2.9 Written Statement for New Employees. The County will provide a written statement to each new employee hired into a classification in any of the bargaining units represented by the Association, that the employee's classification is represented by the Association and the name of a representative of the Association. The County will provide the employee with a packet of information which has been supplied by the Association and approved by the County. The County shall provide an opportunity for the Association to make a fifteen (15) minute presentation at the end of the Human Resources Department's new employee orientation meetings.

2.10 Assignment of Classes to Bargaining Units. The County shall assign new classes in accordance with the following procedure:

- A. Initial Determination. When a new class title is established, the Chief of Labor Relations shall review the composition of existing representation units to determine the appropriateness of including some or all of the employees in the new class in one or more existing representation units, and within a reasonable period of time shall notify all recognized employee organizations of his/her determination.
- B. Final Determination. The Chief of Labor Relations' determination is final unless within ten (10) days after notification a recognized employee organization requests in writing to meet and confer thereon.
- C. Meet and Confer and Other Steps. Upon request by an employee organization in accordance with subsection 2.10, Assignment of Classes to Bargaining Units, paragraph B above, the Chief of Labor Relations shall meet and confer with the requesting organization(s), and with other recognized employee organizations when appropriate, to seek agreement on this matter within sixty (60) days after the ten (10) day period in subsection 2.10 (Assignment of Classes To Bargaining Units) paragraph B, unless otherwise mutually agreed. criteria for determination shall conform to Board of Supervisor's Resolution 81/1165.

SECTION 3 - NO DISCRIMINATION/AMERICANS WITH DISABILITIES ACT (ADA)

There shall be no discrimination because of sex, race, creed, color, national origin, sexual orientation or Association activities against any employee or applicant for employment by the County or by anyone employed by the County; and to the extent prohibited by applicable State and Federal law there shall be no discrimination because of age. There shall be no discrimination against any disabled person solely because of such disability unless that disability prevents the person from meeting the minimum standards established for the position or from carrying out the duties of the position safely.

The Employer and the Association recognize that under the Americans With Disabilities Act ("ADA") the Employer has an obligation to reasonably accommodate disabled employees. If because of that requirement the Employer contemplates actions to reasonably accommodate an employee that conflict with any provision of this Agreement, the County will advise the Association of such proposed accommodation. Upon request, the County will meet and confer with the Association on the impact of such accommodation.

If the County and the Association do not reach agreement, the County may implement the accommodation if required by law without further negotiations. Nothing in this MOU shall preclude the County from taking actions necessary to comply with the requirements of ADA.

SECTION 4 - SHOP STEWARDS & OFFICIAL REPRESENTATIVES

4.1 Attendance at Meetings. Employees designated as shop stewards or official representatives of the Association shall be allowed to attend meetings held by County agencies during regular working hours on County time as follows:

- E. If they are designated as spokesperson or representative of the Association and as such make representations or presentations at meetings or hearings on wages, salaries and working conditions; provided in each case advance arrangements for time away from the employee's work station or assignment are made with the appropriate department head, and the County agency calling the meeting is responsible for determining that the attendance of the particular employee(s) is required, including meetings of the Board of Supervisors and Retirement Board where items which are within the scope of representation and involving the Association are to be discussed.
- F. Shop stewards and Association officials shall advise, as far in advance as possible, their immediate supervisor, or his/her designee, of their intent to engage in Association business. All arrangements for release time shall include the location, the estimated time needed and the general nature of the Association business involved (e.g. grievance meeting, Skelly hearing).

4.2 Association-Sponsored Training Programs. The County shall provide a maximum of forty-eight (48) hours per year of release time for Association designated stewards or officers to attend Association-sponsored training programs. Time authorized by the County for training creditable to STC training shall not be counted towards this total. Verification regarding whether training is creditable will not be determined until after the training is received and submitted for approval to the Corrections Standards Authority (CSA). There will be no penalty for exceeding the cap on training hours if the hours are determined to be non-creditable after the training is received. Requests for release time shall be provided in writing to the Department and the County Human Resources Department at least fifteen (15) days in advance of the time requested. Department Heads will reasonably consider each request and notify the affected employee whether such request is approved within one (1) week of receipt.

4.3 Association Representatives. Official representatives of the Association shall be allowed time off on County time for meetings during regular working hours when formally meeting and conferring in good faith or consulting with the Chief of Labor Relations or designee or other management representatives on matters within the scope of representation, provided that the number of such representatives shall not exceed two (2) without prior approval of the Labor Relations Officer, and that advance arrangements for the time away from the work station or assignment are made with the appropriate Department Head.

 - 2. Effective July 1, 2012, permanent, full-time and part-time employees who have completed fifteen (15) years of Contra Costa County service will receive a two percent (2%) longevity differential effective on the first day of the month following the month in which the employee qualifies for the fifteen (15) year service award. For those employees who completed fifteen (15) years of service on or before July 1, 2012, this longevity differential will be paid prospectively only from July 1, 2012.
 - 3. Effective July 1, 2012, permanent, full-time and part-time employees who have completed twenty (20) years of Contra Costa County service will receive a two percent (2%) longevity differential effective on the first day of the month following the month in which the employee qualifies for the twenty (20) year service award. For those employees who completed twenty (20) years of service on or before July 1, 2012, this longevity differential will be paid prospectively only from July 1, 2012.

5.2 Entrance Salary. New employees shall generally be appointed at the minimum step of the salary range established for the particular class of position to which the appointment is made. However, the appointing authority may fill a particular position at a step above the minimum of the range if mutually agreeable guidelines have been developed in advance or the Director of Human Resources (or designee) offers to meet confer with the Association on a case by case basis each time prior to formalizing the appointment.

5.3 Anniversary Dates. Anniversary dates will be set as follows:

SECTION 5 - SALARIES

- A. New Employees. The anniversary date of a new employee is the first day of the calendar month after the calendar month when the employee successfully completes six (6) months service provided however, if an employee began work on the first regularly scheduled workday of the month the anniversary date is the first day of the calendar month when the employee successfully completes six (6) months service.
- B. Promotions. The anniversary date of a promoted employee is determined as for a new employee in subsection 5.3 (Anniversary Dates) Paragraph A (New Employees) above.
- C. Demotions. The anniversary of a demoted employee is the first day of the calendar month after the calendar month when the demotion was effective.
- D. Transfer, Reallocation & Reclassification. The anniversary date of an employee who is transferred to another position or one whose position has been reallocated or reclassified to a class allocated to the same salary range or to a salary range which is within five percent (5%) of the top step of the previous classification, remains unchanged.
- E. Reemployment. The anniversary of an employee appointed from a reemployment list to the first step of the applicable salary range and not required to serve a probation period is determined in the same way as the anniversary date is determined for a new employee who is appointed the same date, classification and step and who then successfully completes the required probationary period.
- F. Notwithstanding other provisions of this Section 5 (Salaries), the anniversary date of an employee who is appointed to a classified position from outside the County's merit system at a rate above the minimum salary for the employee's new class, or who is transferred from another governmental entity to this County's merit system, is one (1) year from the first day of the calendar month after the calendar month when the employee was appointed or transferred; provided however, when the appointment or transfer is effective on the employee's first regularly scheduled work day of that month, his/her anniversary date is one (1) year after the first calendar day of that month.

5.4 Steps Within Range. The performance of each employee, except those of employees already at the maximum salary step of the appropriate salary range, shall be reviewed on the anniversary date as set forth in subsection 5.3 (Anniversary Dates) to determine whether the salary of the employee shall be advanced to the next higher step in the salary range. Advancement shall be granted on the affirmative recommendation of the appointing authority, based on satisfactory performance by the employee. The appointing authority may recommend denial of the step or denial of the step subject to one additional review at a specified later date that falls before the employee's next anniversary. Such later date must be established when the original recommendation is returned to the employee. Except as provided herein, steps within range shall not be granted more frequently than once a year, nor shall more than one (1) step within range

SECTION 5 - SALARIES

be granted at one time. If the appointing authority recommends denial of the within range step advancement on the employee's anniversary date, but recommends a special salary review at a later date before the employee's next anniversary date, the special salary review shall not affect the regular salary review on the employee's next anniversary date. Nothing herein shall be construed to mandate that the County grant step advancement. If the employee's department attests in writing that it made an administrative or clerical error by failing to submit the documents needed to advance an employee to the next salary step on the first of the month when the employee was eligible for the advancement, said advancement shall take effect retroactive and including the first of the month in which the employee was first eligible for the advancement.

5.5 Part-Time Compensation. A part-time employee shall be paid a monthly salary in the same ratio to the full-time monthly rate to which the employee would be entitled as a fulltime employee under the provisions of this Section 5 (Salaries), as the number of hours per week in the employee's part-time work schedule bears to the number of hours in the full-time work schedule of the department.

5.6 Compensation for Portion of Month. Any employee who works less than any full calendar month, except when on earned vacation or authorized sick leave, shall receive as compensation for services an amount which is in the same ratio to the established monthly rate as the number of days worked is to the actual working days in such employee's normal work schedule for the particular month; but if the employment is intermittent, compensation shall be on an hourly basis.

5.7 Position Reclassification. An employee who is an incumbent of a position which is reclassified to a class which is allocated to the same range of the basic salary schedule as is the class of the position before it was reclassified, shall be paid at the same step of the range as the employee received under the previous classification.

An incumbent of a position which is reclassified to a class which is allocated to a lower range of the basic salary schedule shall continue to receive the same salary as before the reclassification, but if such salary is greater than the maximum of the range of the class to which the position has been reclassified, the salary of the incumbent shall be reduced to the maximum salary for the new classification. The salary of an incumbent of a position which is reclassified to a class which is allocated to a range of the basic salary schedule greater than the range of the class of the position before it was reclassified shall be governed by the provisions of subsection 5.9 (Salary on Promotion).

5.8 Salary Reallocation & Salary on Reallocation.

- A. In a general salary increase or decrease, an employee in a class which is reallocated to a salary range above or below that to which it was previously allocated, when the number of steps remain the same, shall be compensated at the same step in the new salary range the employee was receiving in the range to which the class was previously allocated. If the reallocation is from one salary range with more steps to a range with fewer steps or vice versa, the employee

SECTION 5 - SALARIES

shall be compensated at the step on the new range which is in the same percentage ratio to the top step of the new range as was the salary received before reallocation to the top step of the old range, but in no case shall any employee be compensated at less than the first step of the range to which the class is allocated.

- B. If a classification is reallocated from a salary range with more steps to a salary range with fewer steps on the salary schedule, apart from the general salary increase or decrease described in subsection 5.8 (Salary Reallocation & Salary on Reallocation) paragraph A, each incumbent of a position in the reallocated class shall be placed upon the step of the new range which equals the rate of pay received before the reallocation. If the steps in the new range do not contain the same rates as the old range, each incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range, or if the new range does not contain a higher step, at the step which is next lower than the salary received in the old range.
- C. If an employee is in a position which is reallocated to a different class allocated to a salary range the same as above or below the salary range of the employee's previous class, the incumbent shall be placed at the step in the new class which equals the rate of pay received before reallocation. If the steps in the range for the new class do not contain the same rates as the range for the old class, the incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new range does not contain a higher step, the incumbent shall be placed at the step which is next lower than the salary.

5.9 Salary on Promotion. Any employee who is appointed to a position of a class allocated to a higher salary range than the class previously occupied, except as provided under Section 5.12 (Pay for Work in a Higher Classification), shall receive the salary in the new salary range which is next higher than the rate received before promotion. If this increase is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is at least five percent (5%) greater than the next higher step; provided however that the next step shall not exceed the maximum salary for the higher class. Upon appointment of a laid off employee from the layoff list to the class from which the employee was laid off, the employee shall be appointed at the step which the employee had formerly attained in the higher class unless such step results in a decrease in which case the employee is appointed to the next higher step. If, however, the employee is being appointed into a class allocated to a higher salary range than the class from which the employee was laid off, salary will be calculated from the highest step the employee achieved prior to layoff, or from the employee's current step, whichever is higher.

5.10 Salary on Involuntary Demotion. Any employee who is demoted, except as provided under subsection 5.11 (Salary on Voluntary Demotion), shall have his/her salary reduced to the monthly salary step in the range for the class of position to which he/she has been demoted next lower than the salary received before demotion. If this decrease is less than five percent (5%), the employee's salary shall be adjusted to the

SECTION 5 - SALARIES

step in the new range which is five percent (5%) less than the next lower step; provided, however, that the next step shall not be less than the minimum salary for the lower class. Whenever the demotion is the result of layoff, cancellation of positions or displacement by another employee with greater seniority rights, the salary of the demoted employee shall be that step on the salary range which he/she would have achieved had he/she been continuously in the position to which he/she has been demoted, all within-range increments having been granted.

5.11 Salary on Voluntary Demotion. Whenever any employee voluntarily demotes to a position in a class having a salary schedule lower than that of the class from which he or she demotes, his or her salary shall remain the same if the steps in his or her new (demoted) salary range permit, and if not, the new salary shall be set at the step next below former salary.

5.12 Pay for Work in Higher Classification. When an employee in a permanent position in the merit system is required to work in a classification for which the compensation is greater than that to which the employee is regularly assigned, the employee shall receive compensation for such work at the rate of pay established for the higher classification pursuant to subsection 5.9 (Salary on Promotion) of this Memorandum of Understanding, at the start of the second full day in the assignment, under the following conditions. Payment shall be made retroactive after completing the first forty (40) consecutive hours worked in the higher classification.

- A. When an employee is assigned to a program, service or activity established by the Board of Supervisors which is reflected in an authorized position which has been classified and assigned to the Salary Schedule.
- B. The nature of the departmental assignment is such that the employee in the lower classification performs a majority of the duties and responsibilities of the position of the higher classification.
- C. Employee selected for the assignment will normally be expected to meet the minimum qualifications for the higher classification.
- D. The County shall make reasonable efforts to offer out of class assignments to all interested employees on a voluntary basis. Pay for work in a higher classification shall not be utilized as a promotional procedure provided in this Memorandum of Understanding.
- E. Higher pay assignments shall not exceed six (6) months except through reauthorization.
- F. If approval is granted for pay for work in a higher classification and the assignment is terminated and later re-approved for the same employee within one hundred eighty days (180) no additional waiting period will be required.
- G. Any incentives (e.g., the education incentive) and special differentials (e.g., bilingual differential) accruing to the employee in his/her permanent position shall continue.

SECTION 5 - SALARIES

- H. During the period of work for higher pay in a higher classification, an employee will retain his/her permanent classification, and anniversary and salary review dates will be determined by time in that classification; except that if the period of work for higher pay in a higher classification exceeds one year continuous employment, the employee, upon satisfactory performance in the higher classification, shall be eligible for a salary review in that class on his/her next anniversary date. Notwithstanding any other salary regulations, the salary step placement of employees appointed to the higher class immediately following termination of the assignment, shall remain unchanged.
- I. Allowable overtime pay, shift differentials and/or work location differentials will be paid on the basis of the rate of pay for the higher class.

5.13 Lead Juvenile Institution Officer. Permanent full-time and permanent intermittent employees in the classifications of Juvenile Institution Officer I (7KWB), Juvenile Institution Officer II (7KVB), and Juvenile Institution Officer III (7KTB) in County juvenile institutions and treatment programs will receive a shift differential of seven and one-half percent (7.5%) of the employee's base hourly rate of pay for all hours worked when assigned as "Lead Juvenile Institution Officer" for their unit or dormitory.

The same shift differential will also apply when:

- replacing an employee in the classification of Institutional Supervisor II (7KGA) who is assigned to the Juvenile Hall (Org. # 3120), or
- replacing an employee in the classification of Institutional Supervisor I (7KHA) who is assigned to Orin Allen Youth Rehabilitation Facility. (Org. # 3160).

Facility administrators have the sole responsibility for selecting and assigning Lead Juvenile Institution Officers. The selection process shall include an assessment of experience, skills, leadership abilities, seniority, and the needs of the unit or facility among other considerations. The selection and assignment of Juvenile Institution Officers in accordance with the above criteria is not grievable.

5.14 Payment. On the tenth (10th) day of each month, the Auditor will draw a warrant upon the Treasurer in favor of each employee for the amount of salary due the employee for the preceding month; provided however, that each employee (except those paid on an hourly rate) may choose to receive an advance on the employee's monthly salary, in which case the Auditor shall, on the twenty-fifth (25th) day of each month, draw his/her warrant upon the Treasurer in favor of such employee. The advance shall be in an amount equal to one-third (1/3) or less (at the option of the employee) of the employee's basic salary of the previous month except that it shall not exceed the amount of the previous month's basic salary less all requested or required deductions. The election to receive the advance shall be made on the prescribed form (form M-208, revised 5/81) and submitted by the fifteenth (15th) of the month to the department payroll clerk who will forward the card with the Salary Advance Transmittal/Deviation Report to the Auditor-Controller (Payroll Section). Such an election would be effective in the month of the submission and would remain effective until revoked. In the case of an election made pursuant to this Section 5.14, (Payment),

SECTION 5 - SALARIES

all required or requested deductions from salary shall be taken from the second installment, which is payable on the tenth (10th) day of the following month.

5.15 Special Benefit for Permanent Employees Hired on and after January 1, 2011:

Similarly, the amounts contributed by the employee and the County pursuant to Subsection A do not count towards the employee's \$25 per month minimum contribution required by Subsection B.
- C. Maximum Annual Contribution: All of the employee and County contributions set forth in Subsection A will be added together to ensure that the annual maximum contribution to the employee's deferred compensation account does not exceed the annual maximum contribution rate set forth in the United States Internal Revenue Code.

6.2 4/10 Shifts.

- A. If the County wants to eliminate any existing 4/10 shift and substitute a 5/8 shift or to institute a 4/10 shift which does not allow for three (3) consecutive days off (excluding overtime days or a change of shift assignment), or change existing work schedules or existing hours of work, it will meet and confer with the Association prior to implementing said new shift or hours change. This obligation does not apply where there is an existing system for reassigning employees to different shifts or different starting/stopping times. Nothing herein prohibits affected employees and their supervisor from mutually agreeing on a change in existing hours of work provided other employees are not adversely impacted.
- B. Individual Deputy Probation Officers currently on a 4/10 schedule may remain on said schedule for the duration of the MOU except when a change to a 5/8 schedule is mutually agreed upon between the employee and their immediate supervisor. However, as positions vacate, the Probation Department reserves the prerogative to change the assignment to a 5/8 work schedule before refilling it. Nothing herein precludes supervisors from recommending that vacated 4/10 positions be retained.

6.3 Time Reporting/Time Stamping. Permanent Intermittent and Temporary (hourly) employees must timestamp in and out as they begin their work shifts, finish their work shift, and take meal periods. Salaried employees will report time off and time worked for special pays on the electronic timecard.

6.4 Accrual Usage: The use of leave accruals must be reported in one (1) minute increments.

6.5 Time Reporting and Pay Practices Waiver. The Association agrees to the implementation of an Automated Timekeeping System. The Association waives its right to meet and confer regarding any impacts that may result from the County's implementation of the automated timekeeping system, including but not limited to, changes to current departmental time reporting and pay practices.

SECTION 7 - OVERTIME AND COMPENSATORY TIME

7.1 Overtime.

- A. Permanent full-time and part-time employees will be paid overtime pay or overtime compensatory time off for any authorized work performed:
 - 1) in excess of forty (40) hours per week; or
 - 2) in excess of eight (8) hours per day and that exceed the employee's daily number of scheduled hours. For example, an employee who is scheduled to work ten (10) hours per day and who works eleven (11) hours on a particular day will be paid one (1) hour of overtime.

SECTION 7 - OVERTIME AND COMPENSATORY TIME

Work performed does not include non-worked hours. Overtime pay is compensated at the rate of one and one-half (1-1/2) times the employee's base rate of pay (not including shift and any other special differentials). Any special differentials that are applicable during overtime hours worked will be computed on the employee's base rate of pay, not on the overtime rate of pay.

Overtime for permanent employees is earned and credited in a minimum of one-minute increments and is compensated by either pay or compensatory time off.

- B. Permanent Intermittent and temporary employees will be paid overtime pay for any authorized work performed in excess of forty (40) hours per week or in excess of eight (8) hours per day. Work performed does not include non-worked hours. Overtime pay is compensated at the rate of one and one-half (1.5) times the employee's hourly base rate of pay (not including shift or any other special differentials). Any special differentials that are applicable during overtime hours worked will be computed on the employee's base hourly rate of pay, not on the overtime rate of pay.
- C. Permanent full-time and part-time employees in the classification of Institutional Supervisor I (7KHA) who are assigned to Juvenile Hall (Org# 3120) or Orin Allen Youth Rehabilitation Facility (Org# 3160) are eligible to receive overtime pay or overtime compensatory time off for any authorized work performed. All other Institutional Supervisor I (7KHA) employees and employees in the classification of Probation Supervisor I (7AHA) are not eligible to receive the overtime pay, straight time pay or compensatory time described in this Section 7. In lieu of overtime pay, straight time pay or compensatory time; these employees will receive Paid Personal Leave pursuant to Section 50.B.

7.2 Overtime Compensatory Time. The following provisions shall apply:

- A. Employees may annually elect to accrue overtime compensatory time off in lieu of overtime pay. Eligible employees who elect to receive compensatory time off must agree to do so for a full fiscal year (July 1 through June 30). The employee must notify their departmental payroll staff of any change in the election by May 31 of each year.
- B. The names of those employees electing to accrue compensatory time off shall be placed on a list maintained by the Department. Employees who become eligible (i.e., newly hired employees, employees promoting, demoting, etc.) for compensatory time off in accordance with these guidelines, after the list has been compiled, will be paid for authorized overtime and straight time hours worked until the preparation of the next annual list.
- C. Compensatory time off shall be accrued at the rate of one and one-half (1-1/2) times the actual authorized overtime hours worked by the employee.
- D. Employees may not accrue a compensatory time off balance that exceeds one hundred twenty (120) hours (i.e., eighty [80] hours at time and one-half). Once

SECTION 7 - OVERTIME AND COMPENSATORY TIME

- the maximum balance has been attained, authorized overtime hours will be paid at the overtime rate. If the employee's balance falls below one hundred twenty (120) hours, the employee shall again accrue compensatory time off for authorized overtime hours worked until the employee's balance again reaches one hundred twenty (120) hours.
- E. Accrued compensatory time off shall be carried over for use in the next fiscal year; however, as provided in d above, accrued compensatory time off balances may not exceed one hundred twenty (120) hours.
 - F. The use of accrued compensatory time off shall be by mutual agreement between the Department Head or his/her designee and the employee. Compensatory time off shall not be taken when the employee should be replaced by another employee who would be eligible to receive, for time worked, either overtime payment or compensatory time accruals as provided for in this Section. This provision may be waived at the discretion of the Department Head or his or her designee.
 - G. When an employee promotes, demotes, or transfers from one classification eligible for compensatory time off to another classification eligible for compensatory time off within the same department, the employee's accrued compensatory time off balance will be carried forward with the employee.
 - H. Compensatory time accrual balances will be paid off when an employee moves from one department to another through promotion, demotion or transfer. Said payoff will be made in accordance with the provisions and salary of the class from which the employee is promoting, demoting or transferring as set forth in paragraph I below.
 - I. Since employees accrue compensatory time off at the rate of one and one-half (1-1/2) hours for each hour of authorized overtime worked, they shall be paid their accrued hours of compensatory time at the straight time rate of pay whenever:
 - 1. The employee changes status and is no longer eligible for compensatory time off.
 - 2. The employee promotes, demotes or transfers to another department.
 - 3. The employee separates from County service.
 - 4. The employee retires.
 - J. The Office of the County Auditor-Controller will establish timekeeping procedures to administer this Section.

SECTION 8 - CALL BACK TIME PAY

7.3 Straight Time Pay and Straight Time Compensatory Time.

- A. Permanent full-time and part-time employees are eligible to receive straight time pay or straight time compensatory time off for hours worked in excess of the employee's daily number of scheduled hours that do not qualify for overtime pay as described in Section 7.1, above.
- B. Straight time pay is calculated at the rate of one (1.0) times the employee's base rate of pay (not including differentials or shift pays).
- C. Straight time compensatory time off is accrued at the rate of one (1.0) times the number of straight time hours worked as defined in 7.3.A. above. The election of compensatory time off for overtime hours in lieu of overtime pay means that the employee also elects to receive compensatory time off for straight time hours in lieu of straight time pay. An employee cannot elect to receive straight time compensatory time off for straight time hours if the employee does not also elect to receive compensatory time off for overtime hours, and vice versa. For employees who receive straight time compensatory time off in lieu of straight time pay, except as otherwise set forth in this Section 7.3, the rules for administration of compensatory time off described in Section 7.2, above, apply to straight time compensatory time off.

SECTION 8 - CALL BACK TIME PAY

A permanent full-time or permanent part-time employee who is called back to duty will be paid for Call Back Time. Call Back Time occurs when an employee is not scheduled to work and is not on County premises, but is called back to work on County premises or for a County work assignment. An employee called back to work will be paid Call Back Time Pay at the rate of one and one-half (1.5) times his/her base rate of pay (not including differentials) for the actual Call Back Time worked plus one (1) hour. An employee called back to work will be paid a minimum of two (2) hours for each Call Back Time event.

SECTION 9 - SHIFT DIFFERENTIAL

- A. Permanent full-time and permanent part-time employees:
 - 1. Permanent full-time and permanent part-time employees will receive a shift differential of five percent (5%) for the employee's entire scheduled shift when the employee is scheduled to work for four (4) or more hours between 5:00p.m. and 9:00a.m.
 - 2. In order to receive the shift differential, the employee must start work between the hours of midnight and 5:00 a.m. or 11:00 a.m. and midnight on the day the shift is scheduled to begin. Hours worked in excess of the employee's scheduled workday will count towards qualifying for the shift differential, but the employee will not be paid the shift differential on any excess hours worked.

SECTION 10 - WORKFORCE REDUCTION/LAYOFF/REASSIGNMENT

3. Employees who commence a vacation, paid sick leave period, paid disability or other paid leave immediately after working a shift that qualifies for the shift differential, will have the shift differential included in computing the pay for their time on paid leave. Employees on a rotating shift schedule who commence a vacation, paid sick leave, paid disability, or other paid leave will be paid the shift differential that they would have received had the employees worked the scheduled shift during the period of paid leave. Shift differential shall only be paid during paid sick leave and paid disability leave as provided above for the first thirty (30) calendar days of each absence.
- B. Permanent Intermittent and Temporary employees:
1. Permanent Intermittent and temporary employees will receive a shift differential of five percent (5%) for a maximum of eight (8) hours per work day and/or forty (40) hours per workweek when the employee works four (4) or more hours between 5:00p.m. and 9:00a.m.
 2. In order to receive the shift differential, the employee must start work between the hours of midnight and 5:00 a.m. or 11:00 a.m. and midnight on the day the shift is scheduled to begin. Hours worked in excess of eight (8) hours in a workday will count towards qualifying for the shift differential, but the employee will not be paid the shift differential on any excess hours worked.

SECTION 10 - WORKFORCE REDUCTION/LAYOFF/REASSIGNMENT

10.1 Workforce Reduction. If funding reductions or shortfalls in funding occur in a department or are expected, which may result in layoffs, the department will notify the Association and take the following actions:

- A. Identify the classification(s) in which position reductions may be required due to funding reductions or shortfalls.
- B. Advise employees in those classifications that position reductions may occur in their classifications.
- C. Accept voluntary leaves of absence from employees in those classifications which do not appear to be potentially impacted by possible position reductions when such leaves can be accommodated by the department.
- D. Consider employee requests to reduce their position hours from full-time to part-time to alleviate the impact of the potential layoffs.
- E. Approve requests for reduction in hours, lateral transfers, and voluntary demotions to vacant, funded positions in classes not scheduled for layoffs within

SECTION 10 - WORKFORCE REDUCTION/LAYOFF/REASSIGNMENT

the department, as well as to other departments not experiencing funding reductions or shortfalls when it is a viable operational alternative for the department(s).

- F. Review various alternatives which will help mitigate the impact of the layoff by working through the Tactical Employment Team (TET) program to:
 - 1. Maintain an employee skills inventory bank to be used as a basis for referrals to other employment opportunities.
 - 2. Determine if there are other positions to which employees may be transferred.
 - 3. Refer interested persons to vacancies which occur in other job classes for which they qualify and can use their layoff eligibility.
 - 4. Establish workshops to aid laid off employees in areas such as resume preparation, alternate career counseling, job search strategy, and interviewing skills.
- G. When it appears to the Department Head and/or Chief of Labor Relations (or designee) that the Board of Supervisors may take action which will result in the layoff of employees in the Probation representation unit, the Chief of Labor Relations (or designee) shall notify the Association of the possibility of such layoffs and shall meet and confer with the Association regarding the implementation of the action.

10.2 Separation Through Layoff.

- A. Grounds for Layoff. Any employee(s) having permanent status in position(s) in the merit service may be laid off when the position is no longer necessary, or for reasons of economy, lack of work, lack of funds or for such other reason(s) as the Board of Supervisors deems sufficient for abolishing the position(s).
- B. Order of Layoff. The order of layoff in a department shall be based on inverse seniority in the class of positions, the employee in that department with least seniority being laid off first and so on.
- C. Layoff By Displacement.
 - 1. In the Same Class. A laid off permanent full-time employee may displace an employee in the department having less seniority in the same class who occupies permanent intermittent or permanent part-time position, the least senior employee being displaced first.
 - 2. In the Same Level or Lower Class. A laid off or displaced employee who had achieved permanent status in a class at the same or lower salary level as determined by the salary schedule in effect at the time of layoff may displace within the department and in the class an employee having less

SECTION 10 - WORKFORCE REDUCTION/LAYOFF/REASSIGNMENT

seniority; the least senior employee being displaced first, and so on with senior displaced employees displacing junior employees.

D. Particular Rules on Displacing.

1. Permanent-intermittent and permanent part-time employees may displace only employees holding permanent positions of the same type respectively.
2. A permanent full-time employee may displace any intermittent or part-time employee with less seniority.
 - a. In the same class as provided in Section 10.2 (Separation Through Layoff) paragraph C subparagraph 1 (In the Same Class) or,
 - b. In a class of the same or lower salary level as provided in Section 10.2 (Separation Through Layoff) paragraph C subparagraph 2 (In the Same Level or Lower Class), if no fulltime employee in a class at the same or lower salary level has less seniority than the displacing employees.
3. Former permanent full-time employees who have voluntarily become permanent part time employees for the purpose of reducing the impact of a proposed layoff with the written approval of the Director of Human Resources or designee retain their permanent full-time employee seniority rights for layoff purposes only and may in a later layoff displace a full-time employee with less seniority as provided in these rules.

E. Seniority.

1. An employee's seniority within a class for layoff and displacement purposes shall be determined by adding the employee's length of service in the particular class in question to the employee's length of service in other classes at the same or higher salary levels as determined by the salary schedule in effect at the time of layoff. Employees reallocated or transferred without examination from one class to another class having a salary within five percent of the former class, shall carry the seniority accrued in the former class into the new class. Service for layoff and displacement purposes includes only the employee's last continuous permanent County employment. Periods of separation may not be bridged to extend such service unless the separation is a result of layoff in which case bridging will be authorized if the employee is reemployed in a permanent position within the employee's layoff eligibility. Approved leaves of absence as provided for in these rules and regulations shall not constitute a period of separation. In the event of ties in seniority rights in the particular class in question, such ties shall be broken by length of last continuous permanent County employment. If there remain ties in seniority rights, such ties shall be broken by counting total time in the

SECTION 10 - WORKFORCE REDUCTION/LAYOFF/REASSIGNMENT

department in permanent employment. Any remaining ties shall be broken by random selection among the employees involved.

2. Seniority for layoffs, pursuant to this Section 10 (Workforce Reduction/Layoff/Reassignment) and subsection 20.5 (Reassignment Due to Layoff or Displacement) shall be based on series seniority rather than classification seniority. The Juvenile Institution Officer series includes Juvenile Institution Officer I, Juvenile Institution Officer II, and Juvenile Institution Officer III. The Deputy Probation Officer series includes Deputy Probation Officer I, Deputy Probation Officer II, and Deputy Probation Officer III. The Probation Supervisor I and Institutional Supervisor I classifications are not included in either series and are considered stand-alone classifications. An employee's seniority within a series for layoff, displacement and reassignment purposes under subsection 19.6 (Seniority Credit) shall be determined by adding the employee's length of service in the particular series in which the employee currently holds a position, to the employee's length of service in other classes at the same or higher salary levels as determined by the salary schedule in effect at the time of the layoff.
- F. Eligibility for Layoff List. Whenever any person who has permanent status is laid off, has been displaced, has been demoted by displacement or as voluntarily demoted in lieu of layoff or displacement, or has transferred in lieu of layoff or displacement, the person's name shall be placed on the Layoff List for the class of positions from which that person has been removed.
- G. Order of Names on Layoff. First, layoff lists shall contain the names of persons laid off, displaced, or demoted because of a layoff or displacement, or who have voluntarily demoted or transferred in lieu of layoff or displacement. Names shall be listed in order of layoff seniority in the class from which laid off, displaced, demoted, or transferred on the date of layoff, the most senior person listed first. In case of ties in seniority, the seniority rules shall apply except that where there is a class seniority tie between persons laid off from different departments, the tie(s) shall be broken by length of last continuous permanent County employment with remaining ties broken by random selection among the employees involved.
- H. Duration of Layoff & Reemployment Rights. The name of any person granted reemployment privileges shall continue on the appropriate list for a period of two (2) years. Persons placed on layoff lists shall continue on the appropriate list for a period of two (2) years.
- I. Certification of Persons From Layoff Lists. Layoff lists contain the name(s) of person(s) laid off, displaced or demoted by displacement or voluntarily demoted in lieu of layoff or displacement or transferred in lieu of layoff or displacement. When a request for personnel is received from the appointing authority of a department from which an eligible(s) was laid off, the appointing authority shall receive and appoint the eligible highest on the layoff list from the department. When a request for personnel is received from a department from which an eligible(s) was not laid off, the appointing authority shall receive and appoint the

SECTION 10 - WORKFORCE REDUCTION/LAYOFF/REASSIGNMENT

eligible highest on the layoff list who shall be subject to a probationary period. A person employed from a layoff list shall be appointed at the same step of the salary range the employee held on the day of layoff.

- J. Removal of Names from Layoff Lists. The Director of Human Resources may remove the name of any eligible from a layoff list for any reason listed below:
1. For any cause stipulated in Section 404.1 (Causes for Disqualification) of the Personnel Management Regulations.
 2. On evidence that the eligible cannot be located by postal authorities.
 3. On receipt of a statement from the appointing authority or eligible that the eligible declines certification or indicates no further desire for appointment in the class.
 4. If three (3) offers of permanent appointment to the class for which the eligible list was established have been declined by the eligible.
 5. If the eligible fails to respond to the Director of Human Resources or the appointing authority within ten (10) days to written notice of certification mailed to the person's last known address. If the person on the reemployment or layoff list is appointed to another position in the same or lower classification, the name of the person shall be removed. However, if the first permanent appointment of a person on a layoff list is to a lower class which has a top step salary lower than the top step of the class from which the person was laid off, the name of the person shall not be removed from the layoff list. Any subsequent appointment of such person from the layoff list shall result in removal of that person's name.
- K. Removal of Names from Reemployment and Layoff certifications. The Director of Human Resources may remove the name of any eligible from a reemployment or layoff certification if the eligible fails to respond within five (5) days to a written notice of certification mailed to the person's last known address.

10.3 Notice. The County agrees to give employees scheduled for layoff at least ten (10) work days notice prior to their last day of employment.

10.4 Special Employment Lists. The County will establish a Tactical Employment Team (T.E.T.) employment pool which will include the names of all laid off County employees. Special employment lists for job classes may be established from the pool. Persons placed on a special employment list must meet the minimum qualifications for the class. An appointment from such a list will not affect the individual's status on a layoff list(s). Employees in the T.E.T. employment pool shall be guaranteed a job interview for any vacant funded position for which they meet minimum qualifications. If there are more than five such employees who express an interest for one vacant funded position, the five most senior employees shall be interviewed. Seniority for this subsection shall be County seniority.

10.5 Reassignment of Laid Off Employees. Employees who are displaced within the same classification or within the Juvenile Institution Officer series or within the Probation Officer series from fulltime to part-time or intermittent status in a layoff, or who voluntarily reduced their work hours to reduce the impact of layoff, or who accepted a position of another status than that from which they were laid off upon referral from the layoff list, may request reassignment back to their pre-layoff status (full time or part-time or increased hours). The request must be in writing in accord with each department's reassignment bid or selection process. Employees will be advised of the reassignment procedure to be followed to obtain reassignment back to their former status at the time of the workforce reduction. The most senior laid off employee in this status who requests such a reassignment will be selected for the vacancy; except when a more senior laid off individual remains on the layoff list and has not been appointed back to the class from which laid off, a referral from the layoff list will be made to fill the vacancy.

A. Full-Time Employees:

1. **Holiday Observed – Full-Time Employees.** Full-time employees on regular 4/10, 9/80, flexible, and alternate work schedules are entitled to observe a holiday (eight [8] hours off), without a reduction in pay, whenever a holiday is observed by the County.

For example, a part-time employee whose position hours are 24 hours per week is entitled to 4.8 hours off work on a holiday (24/40 multiplied by 8 = 4.8). Holiday compensation time may be taken at those dates and times determined by mutual agreement of the employee and the Department Head or designee.
- B. **Pay Off of Holiday Comp Time.** Holiday compensatory time will be paid off only upon a change in status. A change in status includes separation, transfer to another department, reassignment to a permanent intermittent position, or transfer, assignment, or promotion or demotion into a position that is not eligible for holiday compensatory time.
- C. **Maximum Accruals of Flexible Compensatory Time.** Flexible compensatory time may not be accumulated in excess of two hundred eighty-eight (288) hours. - B. When a holiday falls on the regularly scheduled day off of a full-time employee who works in a twenty-four (24) hour facility and who does not accrue two (2) hours per month of personal holiday credit, the employee's regularly scheduled day off moves to the employee's next scheduled work day.
 - 1. **Employee Works on his/her Next Scheduled Work Day Following the Holiday:** When a full-time employee works on his or her next scheduled work day following the holiday, the employee is entitled to receive his/her regular salary. SECTION 12 - VACATION LEAVE

12.1 Vacation Allowance. Employees in permanent positions are entitled to vacation with pay. Accrual is based upon straight time hours of working time per calendar month of service and begins on the date of appointment to a permanent position. Increased accruals begin on the first of the month following the month in which the employee qualifies. Accrual for portions of a month shall be in minimum amounts of one (1) hour calculated on the same basis as for partial month compensation pursuant to Section 5.8 (Salary Reallocation and Salary Reallocation) of this MOU. Vacation credits may be taken in one (1) minute increments but may not be taken during the first six (6) months of employment (not necessarily synonymous with probationary status) except where sick leave has been exhausted; and none shall be allowed in excess of actual accrual at the time vacation is taken.

12.2 Vacation Leave on Reemployment From a Layoff List. Employees with six (6) months or more service in a permanent position prior to their layoff who are employed from a layoff list, shall be considered as having completed six months tenure in a permanent position for the purpose of vacation leave. The appointing authority or

SECTION 12 - VACATION LEAVE

designee will advise the Auditor- Controller's Payroll Unit in each case where such vacation is authorized so that appropriate payroll system override actions can be taken.

12.3 Vacation Accrual Rates.

- A. Accrual Rates of Maximum Accumulation. The rates at which vacation credits accrue, and the maximum accumulation thereof, are as follows:

<u>Length of Service</u>	<u>Monthly Accrual Hours</u>	<u>Maximum Cumulative Hours</u>
Under 5 years	6-2/3	160

- B. Service Award Date Defined. An employee's Service Award Date is the first day of his/her temporary, provisional, or permanent appointment to a position in the County. If an employee is first appointed to a temporary or provisional position and then later appointed to a permanent position, the Service Award Date for that employee is the date of the first day of the temporary or provisional appointment.

Example One:

1. The employee's Service Award Date is January 1, 1988;
2. The employee reached twenty (20) years of service on January 1, 2008;
3. February 1, 2008 is the date on which the employee is eligible to begin accruing 16.66 hours of vacation time each month.
4. The increased vacation hours will appear on the employee's March 10, 2008 pay warrant.

Example Two:

1. An employee's Service Award Date is February 24, 1987
2. The employee reached twenty (20) years of service on February 24, 2007;
3. March 1, 2007 is the date on which the employee is eligible to begin accruing 16.66 hours of vacation time each month.
4. The increased vacation hours will appear on the employee's April 10, 2007 pay warrant.

SECTION 13 - SICK LEAVE

12.4 Accrual During Leave Without Pay. No employee who has been granted a leave without pay or unpaid military leave shall accrue any vacation credit during the time of such leave, nor shall an employee who is absent without pay accrue vacation credit during the absence.

12.5 Vacation Allowance for Separated Employees. On separation from County service, an employee shall be paid for any unused vacation credits at the employee's then current pay rate.

12.6 Vacation Preference. Use of vacation accruals is by mutual agreement between the employee and the supervisor and preference of vacation shall be given to employees according to their seniority in their department as reasonably as possible unless otherwise provided in the supplemental sections of this Memorandum of Understanding.

SECTION 13 - SICK LEAVE

13.1 Purpose of Sick Leave. The primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. It is a benefit extended by the County and may be used only as authorized; it is not paid time off which employees may use for personal activities.

13.2 Credits to and Charges Against Sick Leave. Sick leave credits accrue at the rate of eight (8) working hours credit for each completed month of service, as prescribed by County Salary Regulations and this Memorandum of Understanding. Employees who work a portion of a month are entitled to a pro rata share of the monthly sick leave credit computed on the same basis as is partial month compensation. Credits to and charges against sick leave are made in minimum amounts of one (1) minute increments. Unused sick leave credits accumulate from year to year. When an employee is separated other than through retirement, accumulated sick leave credits shall be canceled, unless the separation results from layoff, in which case the accumulated credits shall be restored if reemployed in a permanent position within the period of layoff eligibility. As of the date of retirement, an employee's accumulated sick leave is converted to retirement on the basis of one day of retirement service credit for each day of accumulated sick leave credit.

13.3 Policies Governing the Use of Paid Sick Leave.

A. As indicated above, the primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. The following definitions apply:

1. "Immediate Family" means and includes only the spouse, son, stepson, daughter, stepdaughter, father, stepfather, mother, stepmother, brother, sister, grandparent, grandchild, niece, nephew, father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, foster children, aunt, uncle, cousin, stepbrother, stepsister, or domestic partner of an employee and/or includes any other person for whom the employee is

SECTION 13 - SICK LEAVE

the legal guardian or conservator, or any person who is claimed as a "dependent" for IRS reporting purposes by the employee.

2. "Employee" means any person employed by Contra Costa County in an allocated position in the County service.
 3. "Paid Sick Leave Credits" means those sick leave credits provided for by County Salary Regulations and this Memorandum of Understanding.
 4. "Condition/Reason". With respect to necessary verbal contacts and confirmations which occur between the department and the employee when sick leave is requested or verified, a brief statement in non-technical terms from the employee regarding inability to work due to injury or illness is sufficient.
- B. Accumulated paid sick leave credits may be used, subject to appointing authority approval, by an employee in pay status, but only in the following instances:
1. Temporary Illness or Injury of an Employee. Paid sick leave credits may be used when the employee is off work because of a temporary illness or injury.
 2. Permanent Disability Sick Leave. Permanent disability means the employee suffers from a disabling physical injury or illness and is thereby prevented from engaging in any County occupation for which the employee is qualified by reason of education, training or experience. Sick leave may be used by permanently disabled employees until all accruals of the employee have been exhausted or until the employee is retired by the Retirement Board, subject to the following conditions:
 - a. An application for retirement due to disability has been filed with the Retirement Board.
 - b. Satisfactory medical evidence of such disability is received by the appointing authority within 30 days of the start of use of sick leave for permanent disability.
 - c. The appointing authority may review medical evidence and order further examination as deemed necessary, and may terminate use of sick leave when such further examination demonstrates that the employee is not disabled, or when the appointing authority determines that the medical evidence submitted by the employee is insufficient, or where the above conditions have not been met.
 3. Communicable Disease. An employee may use paid sick leave credits when under a physician's order to remain secluded due to exposure to a communicable disease.

SECTION 13 - SICK LEAVE

4. Sick Leave Utilization for Pregnancy Disability. Employees whose disability is caused or contributed to by pregnancy, miscarriage, abortion, childbirth, or recovery there from, shall be allowed to utilize sick leave credit to the maximum accrued by such employee during the period of such disability under the conditions set forth below:
 - a. Application for such leave must be made by the employee to the appointing authority accompanied by a written statement of disability from the employee's attending physician. The statement must address itself to the employee's general physical condition having considered the nature of the work performed by the employee, and it must indicate the date of the commencement of the disability as well as the date the physician anticipates the disability to terminate.
 - b. If an employee does not apply for leave and the appointing authority believes that the employee is not able to properly perform her work or that her general health is impaired due to disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth or recovery there from the employee shall be required to undergo a physical examination by a physician selected by the County. Should the medical report so recommend, a mandatory leave shall be imposed upon the employee for the duration of the disability.
 - c. Sick leave may not be utilized after the employee has been released from the hospital unless the employee has provided the County with a written statement from her attending physician stating that her disability continues and the projected dates of the employee's recovery from such disability.
5. Medical and Dental Appointments. An employee may use paid sick leave credits:
 - a. For working time used in keeping medical and dental appointments for the employee's own care; and
 - b. For working time used by an employee for pre-scheduled medical and dental appointments for an immediate family member.
6. Emergency Care of Family. An employee may use paid sick leave credits for working time used in cases of illness or injury to an immediate family member.
7. Death of Family Member. An employee may use paid sick leave credits for working time used because of a death in the employee's immediate family or of the employee's domestic partner, but this shall not exceed three (3) working days, plus up to two (2) days of work time for necessary travel. Use of additional accruals including sick leave when appropriate may be authorized in conjunction with the bereavement leave at the discretion of the appointing authority.

SECTION 13 - SICK LEAVE

8. Legal Adoption of a Child. Paid sick leave credits may be used by an employee upon adoption of the child.
9. Baby/Child Bonding. Upon the birth or adoption of a child, an employee eligible for baby-bonding leave pursuant to the California Family Rights Act may use sick leave credits for such baby-bonding leave.
10. Accumulated paid sick leave credits may not be used in the following situations:
 - a. Vacation. Paid sick leave credits may not be used for an employee's illness or injury which occurs while he/she is on vacation but the County Administrator may authorize it when extenuating circumstances exist and the appointing authority approves.
 - b. Not in Pay Status. Paid sick leave credits may not be used when the employee would otherwise be eligible to use paid sick leave credits but is not in pay status.

13.4 Administration of Sick Leave. The proper administration of sick leave is a responsibility of the employee and the department head. Unless otherwise provided in the supplemental sections of this MOU, the following procedures apply:

A. Employee Responsibilities

1. Employees are responsible for notifying their department of an absence prior to the commencement of their work shift or as soon thereafter as possible. Notification shall include the reason and possible duration of the absence.
2. Employees are responsible for keeping their department informed on a continuing basis of their condition and probable date of return to work.
3. Employees are responsible for obtaining advance approval from their supervisor for the scheduled time of pre-arranged personal or family medical and dental appointment.
4. Employees are encouraged to keep the department advised of (1) a current telephone number to which sick leave related inquiries may be directed, and (2) any condition(s) and/or restriction(s) that may reasonably be imposed regarding specific locations and/or persons the department may contact to verify the employee's sick leave.

B. Department Responsibilities. The use of sick leave may properly be denied if these procedures are not followed. Abuse of sick leave on the part of the employee is cause for disciplinary action. Departmental approval of sick leave is a certification of the legitimacy of the sick leave claim. The department head or

SECTION 13 - SICK LEAVE

designee may make reasonable inquiries about employee absences. The department may require medical verification for an absence of three (3) or more working days. The department may also require medical verification for absences of less than three (3) working days for probable cause if the employee had been notified in advance in writing that such verification was necessary. Inquiries may be made in the following ways:

1. Calling the employee's residence telephone number or other contact telephone number provided by the employee if telephone notification was not made in accordance with departmental sick leave call-in guidelines. These inquiries shall be subject to any restrictions imposed by the employee under subsection 13.4 (Administration of Sick Leave) paragraph A.
2. Obtaining the employee's signature on the Absence/Overtime Record, or on another form established for that purpose, as employee certification of the legitimacy of the claim.
3. Obtaining the employee's written statement of explanation regarding the sick leave claim.
4. Requiring the employee to obtain a physician's certificate or verification of the employee's illness, date(s) the employee was incapacitated, and the employee's ability to return to work, as specified above.
5. In absences of an extended nature, requiring the employee to obtain from their physician a statement of progress and anticipated date on which the employee will be able to return to work, as specified above. Department heads are responsible for establishing timekeeping procedures which will insure the submission of a time card covering each employee absence and for operating their respective offices in accordance with these policies and with clarifying regulations issued by the Office of the County Administrator. To help assure uniform policy application, the Director of Human Resources or designated management staff of the County Human Resources Department should be contacted with respect to sick leave determinations about which the department is in doubt.

13.5 Disability.

- A. An employee physically or mentally incapacitated for the performance of duty is subject to dismissal, suspension or demotion, subject to the County Employees Retirement Law of 1937. An appointing authority after giving notice may place an employee on leave if the appointing authority has filed an application for disability retirement for the employee, or whom the appointing authority believes to be temporarily or permanently physically or mentally incapacitated for the performance of the employee's duties.
- B. An appointing authority who has reasonable cause to believe that there are physical or mental health conditions present in an employee which endanger the

SECTION 13 - SICK LEAVE

health or safety of the employee, other employees, or the public, or which impair the employee's performance of duty, may order the employee to undergo at County expense and on the employees paid time a physical, medical examination by a licensed physician and/or a psychiatric examination by a licensed physician or psychologist, and receive a report of the findings on such examination. If the examining physician or psychologist recommends that treatment for physical or mental health problems, including leave, are in the best interests of the employee or the County in relation to the employee overcoming any disability and/or performing his or her duties the appointing authority may direct the employee to take such leave and/or undergo such treatment.

- C. Leave due to temporary or permanent disability shall be without prejudice to the employee's right to use sick leave, vacation, or any other benefit to which the employee is entitled other than regular salary. The Director of Human Resources may order lost pay restored for good cause and subject to the employee's duty to mitigate damages.
- D. Before an employee returns to work from any absence for illness or injury, other leave of absence or disability leave, exceeding two weeks in duration, the appointing authority may order the employee to undergo at County expense a physical, medical, and/or psychiatric examination by a licensed physician, and may consider a report of the findings on such examination. If the report shows that such employee is physically or mentally incapacitated for the performance of duty, the appointing authority may take such action as he/she deems necessary in accordance with appropriate provisions of this MOU.
- E. Before an employee is placed on an unpaid leave of absence or suspended because of physical or mental incapacity under subsection 13.5 (Disability) paragraphs (A) or (B), the employee shall be given notice of the proposed leave of absence or suspension by letter or memorandum, delivered personally or by certified mail, containing the following:
 - 1. A statement of the leave of absence or suspension proposed.
 - 2. The proposed dates or duration of the leave or suspension which may be indeterminate until a certain physical or mental health condition has been attained by the employee.
 - 3. A statement of the basis upon which the action is being taken.
 - 4. A statement that the employee may review the materials upon which the action is taken.
 - 5. A statement that the employee has until a specified date (not less than seven (7) work days from personal delivery or mailing of the notice) to respond to the appointing authority orally or in writing.

SECTION 13 - SICK LEAVE

- F. Pending response to the notice the appointing authority for cause specified in writing may place the employee on a temporary leave of absence with pay.
- G. The employee to whom the notice has been delivered or mailed shall have seven (7) work days to respond to the appointing authority either orally or in writing before the proposed action may be taken.
- H. After having complied with the notice requirements above, the appointing authority may order the leave of absence or suspension in writing stating specifically the basis upon which the action is being taken, delivering the order to the employee either personally or by mail, effective either upon personal delivery or deposit in the US Postal Service.
- I. An employee who is placed on leave or suspended under this section may, within ten (10) calendar days after personal delivery or mailing to the employee of the order, appeal the order in writing through the Director of Human Resources to the Merit Board. Alternatively, the employee may file a written election with the Director of Human Resources waiving the employee's right to appeal to the Merit Board in favor of appeal to a Disability Review Arbitrator.
- J. In the event of an appeal either to the Merit Board or the Disability Review Arbitrator, the employee has the burden of proof to show that either:
 - 1. The physical or mental health condition cited by the appointing authority does not exist, or
 - 2. The physical or mental health condition does exist, but it is not sufficient to prevent, preclude, or impair the employee's performance of duty, or is not sufficient to endanger the health or safety of the employee, other employees, or the public.
- K. If the appeal is to the Merit Board, the order and appeal shall be transmitted by the Director of Human Resources to the Merit Board for hearing under the Merit Board's Procedures, Section 1114-1128 inclusive. Medical reports submitted in evidence in such hearings shall remain confidential information and shall not be a part of the public record.
- L. If the appeal is to a Disability Review Arbitrator, the employee (and his representative) will meet with the County's representative to mutually select the Disability Review Arbitrator, who may be a de facto arbitrator, or a physician, or a rehabilitation specialist, or some other recognized specialist mutually selected by the parties. The arbitrator's fees and expenses shall be paid one-half by the County and one-half by the employee or the employee's Association. The arbitrator shall hear and review the evidence. The decision of the Disability Review Arbitrator shall be binding on both the County and the employee. The scope of the arbitrator's review shall be as follows:
 - 1. The arbitrator may affirm, modify or revoke the leave of absence or suspension.

SECTION 13 - SICK LEAVE

2. The arbitrator may make his decision based only on evidence submitted by the County and the employee.
3. The arbitrator may order back pay or paid sick leave credits for any period of leave of absence or suspension if the leave or suspension is found not to be sustainable, subject to the employee's duty to mitigate damages.

13.6 Workers' Compensation.

A. Not Covered by Labor Code Section 4850. This subsection 13.6.A (Worker's Compensation) applies only to those on-the-job injuries or illnesses sustained by employees who are not covered for such injury or illness under Labor Code Section 4850:

1. Benefit Level. A permanent employee shall continue to receive the appropriate percent of regular monthly salary for all accepted claims filed before January 1, 2000, during any period of compensable temporary disability absence not to exceed one year. For all accepted claims filed with the County on or after January 1, 2000, the percentage of pay for employees entitled to Workers' Compensation shall be decreased from 87% to 86%. For all accepted claims filed with the County on or after January 1, 2007, the percentage of pay for employees entitled to Workers' Compensation shall be decreased from 86% to 80%. For all accepted claims filed with the County on or after January 1, 2008, the percentage of pay for employees entitled to Workers' Compensation shall be decreased from 80% to 75%. If Workers' Compensation becomes taxable, the County agrees to restore the original benefit level (100% of monthly salary) and the parties shall meet and confer with respect to funding the increased cost.
2. Waiting Period. There is a three (3) calendar day waiting period before Workers' Compensation benefits commence. If the injured worker loses anytime on the day of injury, that day counts as day one (1) of the waiting period. If the injured worker does not lose time on the date of injury, the waiting period will be the first three (3) calendar days the employee does not work as a result of the injury. The time the employee is scheduled to work during this waiting period will be charged to the employee's sick leave and/or vacation accruals. In order to qualify for Workers' Compensation the employee must be under the care of a physician. Temporary compensation is payable on the first three (3) days of disability when the injury necessitates hospitalization, or when the disability exceeds fourteen (14) days.
3. Continuing Pay. A permanent employee shall receive the appropriate percentage as outlined above of regular monthly salary during any period of compensable temporary disability not to exceed one (1) year. Payment of continuing pay and/or temporary disability compensation is made in

SECTION 13 - SICK LEAVE

accordance with Part 2, Article 3 of the Workers' Compensation Laws of California. "Compensable temporary disability absence" for the purpose of this Section, is any absence due to work connected disability which qualifies for temporary disability compensation as set forth in Part 2, Article 3 of the Workers' Compensation Laws of California. When any disability becomes medically permanent and stationary and/or reaches maximum medical improvement, the salary provided by this Section shall terminate. No charge shall be made against sick leave or vacation for these salary payments. Sick leave and vacation rights shall not accrue for those periods during which continuing pay is received. Employees shall be entitled to a maximum of one (1) year of continuing pay benefits.

4. Termination of Continuing Pay. Continuing pay begins at the same time that temporary Workers' Compensation benefits commence and continues until either the member is declared medically permanent/stationary and/or reaches maximum medical improvement, or until one (1) year of continuing pay, whichever comes first provided the employee remains in an active employed status. Continuing pay is automatically terminated on the date an employee is separated from County service by resignation, retirement, layoff, or the employee is no longer employed by the County. In these instances, employees will be paid Workers' Compensation benefits as prescribed by Workers' Compensation laws. All continuing pay will be cleared through the County Administrator's Office, Risk Management Division. Whenever an employee who has been injured on the job and has returned to work is required by an attending physician to leave work for treatment during working hours the employee shall be allowed time off up to three (3) hours for such treatment without loss of pay or benefits, provided the employee notifies his/her supervisor of the appointment at least three (3) working days prior to the appointment or as soon as the employee becomes aware the appointment has been made. Said visits are to be scheduled contiguous to either the beginning or end of the scheduled work day whenever possible. This provision applies only to injuries/illnesses that have been accepted by the County as work related.
5. Extended Temporary Disability. If an injured employee remains eligible for temporary disability beyond one year, applicable salary will continue by integrating sick leave and/or vacation accruals with Workers' Compensation benefits (vacation charges to be approved by the department and the employee). If salary integration is no longer available, Workers' Compensation benefits will be paid directly to the employee as prescribed by Workers' Compensation laws.

SECTION 13 - SICK LEAVE

6. Rehabilitation Integration. An injured employee who is eligible for Workers' Compensation rehabilitation temporary disability benefits and whose disability is medically permanent and stationary and/or reaches maximum medical improvement, will continue to receive salary by integrating sick leave and/or vacation accruals with Workers' Compensation rehabilitation temporary disability benefits until those accruals are exhausted. Thereafter, the rehabilitation temporary disability benefits will be paid directly to the employee.
7. Health Insurance. The County contribution to the employee's group insurance plan(s) continues during the continuing pay period and during integration of sick leave or vacation with Workers' Compensation benefits.
8. Method of Integration. An employee's sick leave and/or vacation charges shall be calculated as follows:

$$C = 8 [1 - (W \div S)]$$

C = Sick leave or vacation charge per day (in hours)

W = Statutory Workers' Compensation for a month

S = Monthly salary

For example:

W = \$960 per month Workers' Compensation

S = \$1667 per month salary

8 = 8 hours

C = Hours to be charged to Sick Leave

$$C = 8 [1 - (\$960 \div \$1,667)]$$

$$C = 8 [1 - (.5758)]$$

$$C = 8 (.4242)$$

$$C = 3.39$$

3 hours chargeable to sick leave

5 hours chargeable to Workers' Compensation

- B. Covered By Section 4850. This subsection 13.6.B applies only to those on-the-job injuries or illnesses sustained by employees who are covered for such injury or illness under Labor Code Section 4850.

1. State Labor Code 4850 Pay. Law enforcement officers as defined in State Labor Code 4850 who are members of the Contra Costa County Retirement System continue to receive full salary benefits in lieu of temporary disability during any absence from work which qualifies for Workers Compensation benefits.

Currently, the maximum 4850 pay is one (1) year for any injury or illness. To be eligible for this benefit the employee must be under the care of a physician. All 4850 pay shall be approved by the County Administrator's Office, Risk Management Division.

SECTION 14 - CATASTROPHIC LEAVE BANK

2. Sick Leave and Vacation. Sick leave and vacation shall accrue in accordance with the provision of State Labor Code 4850.
3. 4850 Pay Beyond One Year. If an injured employee remains eligible for Worker's Compensation temporary disability benefits beyond one year, full salary will continue by integrating sick leave and/or vacation accruals with Worker's Compensation benefits (use of vacation accruals must be approved by the department and the employee). If salary integration is no longer available because accruals are exhausted, Worker's Compensation benefits will be paid directly to the employee as prescribed by Workers Compensation laws.
4. Rehabilitation Integration. An injured employee who is eligible for Worker's Compensation rehabilitation temporary disability benefits and who has exhausted 4850 pay eligibility will continue to receive full salary by integrating sick leave and/or vacation accruals with Worker's Compensation rehabilitation temporary disability benefits. When these accruals are exhausted, the rehabilitation temporary disability benefits will be paid directly to the employee as prescribed by Workers Compensation laws.
5. Health Insurance. The County contribution to the employee's group insurance plan(s) continues during the 4850 pay period and during integration of sick leave or vacation with Worker's Compensation benefits.
6. Integration. An employee's sick leave and/or vacation charges shall be calculated as follows: $C = 8 [1 - (W \div S)]$

C = Sick leave or vacation charge per day (in hrs.)

W = Statutory Workers' Compensation for a month

S = Monthly salary

13.7 Accrual During Leave Without Pay. No employee who has been granted a leave without pay or an unpaid military leave shall accrue any sick leave credits during the time of such leave nor shall an employee who is absent without pay accrue sick leave credits during the absence.

SECTION 14 - CATASTROPHIC LEAVE BANK

All employees are included in the Catastrophic Leave Bank and may designate a portion of accrued vacation, compensatory time, holiday compensatory time, or personal holiday credit to be deducted from the donor's existing balances and credited to the bank or to a specific eligible employee.

14.1 Program Design. The County Human Resources Department will operate a Catastrophic Leave Bank which is designed to assist any County employee who has exhausted all paid accruals due to a serious or catastrophic illness, injury, or condition of the employee or family member. The program establishes and maintains a

SECTION 14 - CATASTROPHIC LEAVE BANK

Countywide bank wherein any employee who wishes to contribute may authorize that a portion of his/her accrued vacation, compensatory time, holiday compensatory time or floating holiday be deducted from those account(s) and credited to the Catastrophic Leave Bank. Employees may donate hours either to a specific eligible employee or to the bank. Upon approval, credits from the Catastrophic Leave Bank may be transferred to a requesting employee's sick leave account so that employee may remain in paid status for a longer period, thus partially ameliorating the financial impact of the illness, injury, or condition. Catastrophic illness or injury is defined as a critical medical condition, a long-term major physical impairment or disability which manifests itself during employment.

14.2 Operation.

- A. The plan will be administered under the direction of the Director of Human Resources. The Human Resources Department will be responsible for receiving and recording all donations of accruals and for initiating transfer of credits from the bank to the recipient's sick leave account. Disbursement of accruals will be subject to the approval of a six (6) member committee composed of three (3) members appointed by the County Administrator and three (3) members appointed by the majority representative employee organizations. The committee will meet once a month if necessary to consider all requests for credits and shall make determinations as to the appropriateness of the request. The committee shall determine the amount of accruals to be awarded for employees whose donations are nonspecific. Consideration of all requests by the committee will be on an anonymous requester basis.
- B. Hours transferred from the Catastrophic Leave Bank to a recipient will be in the form of sick leave accruals and shall be treated as regular sick leave accruals. To receive credits under this plan, an employee must have permanent status, must have exhausted all time off accruals to a level below eight (8) hours total, have applied for a medical leave of absence and have medical verification of need. Donations are irrevocable unless the donation to the eligible employee is denied. Donations may be made in hourly blocks with a minimum donation of not less than four (4) hours per donation from balances in the vacation, holiday, floating holiday, compensatory time, or holiday compensatory time accounts. Employees who elect to donate to a specific individual shall have seventy-five percent (75%) of their donation credited to the individual and twenty-five percent (25%) credited to the Catastrophic Leave Bank. Time donated will be converted to a dollar value and the dollar value will be converted back to sick leave accruals at the recipient's base hourly rate when disbursed. Credits will not be on a straight hour-for-hour basis. All computations will be on a standard 173.33 basis, except that employees on other than a forty (40) hour week will have hours prorated according to their status.
- C. Any recipient will be limited to a total of one thousand forty (1040) hours or its equivalent per catastrophic event; each donor will be limited to one hundred twenty (120) hours per calendar year.

SECTION 15 - LEAVE OF ABSENCE

- D. No element of this plan is grievable. All appeals from either a donor or recipient will be resolved on a final basis by the Director of Human Resources. No employee will have any entitlement to catastrophic leave benefits. The award of Catastrophic Leave will be at the sole discretion of the committee, both as to amounts of benefits awarded and as to persons awarded benefits. Benefits may be denied, or awarded for less than six (6) months. The committee will be entitled to limit benefits in accordance with available contributions and to choose from among applicants, on an anonymous basis, those who will receive benefits, except for hours donated to a specific employee. In the event a donation is made to a specific employee and the committee determines the employee does not meet the Catastrophic Leave Bank criteria, the donating employee may authorize the hours to be donated to the bank or returned to the donor's account.

SECTION 15 - LEAVE OF ABSENCE

15.1 Leave Without Pay. Any employee who has permanent status may be granted a leave of absence without pay upon written request, approved by the appointing authority; provided, however, that leaves for pregnancy, pregnancy disability, serious health conditions, and family care shall be granted in accordance with applicable state and federal law.

15.2 General Administration - Leaves of Absence.

- A. Requests for leave without pay shall be made upon forms prescribed by the Director of Human Resources and shall state specifically the reason for the request, the date when it is desired to begin the leave, and the probable date of return. Leave without pay may be granted for any of the following reasons:
1. Illness or disability.
 2. Pregnancy.
 3. Parental.
 4. To take a course of study such as will increase the employee's usefulness on return to the position.
 5. For other reasons or circumstances acceptable to the appointing authority.
- B. An employee must request family care leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable. If the need is not foreseeable, the employee must provide written notice to the employer within five (5) days of learning of the event by which the need for family care leave arises.
- C. A leave without pay may be for a period not to exceed one (1) year, provided the appointing authority may extend such leave for additional periods. The procedure in granting extensions shall be the same as that in granting the original

SECTION 15 - LEAVE OF ABSENCE

leave, provided that the request for extension must be made not later than thirty (30) calendar days before the expiration of the original leave.

- D. Nevertheless, a leave of absence for the employee's serious health condition or for family care (FMLA) shall be granted to an employee who so requests it for up to eighteen (18) weeks during a "rolling" twelve (12) month period measured backward from the date an employee uses his/her FMLA leave in accordance with Section 15.5 (Family Care or Medical Leave) below.
- E. Whenever an employee who has been granted a leave without any pay desires to return before the expiration of such leave, the employee shall submit a request to the appointing authority in writing at least fifteen (15) days in advance of the proposed return. Early return is subject to prior approval by the appointing authority. The Human Resources Department shall be notified promptly of such return.
- F. Except in the case of leave of absence due to family care, pregnancy, pregnancy disability, illness, or serious health condition, the decision of the appointing authority on granting or denying a leave or early return from leave shall be subject to appeal to the Director of Human Resources and not subject to appeal through the grievance procedure set forth in this MOU.

15.3 Furlough Days Without Pay (Voluntary Time Off or "V.T.O."). Subject to the prior written approval of the appointing authority, employees may elect to take furlough days or hours without pay (pre-authorized absence without pay), up to a maximum of fifteen (15) calendar days for any one period. Longer pre-authorized absences without pay are considered leaves of absence without pay. Employees who take furlough time shall have their compensation for the portion of the month worked computed in accord with subsection 5.6 (Compensation for Portion of Month) of this MOU. Full-time and part-time employees who take furlough time shall have their vacation, sick leave, floating holiday, and any other payroll computed accruals computed as though they had worked the furlough time. When computing vacation, sick leave, floating holiday and other accrual credits for employees taking furlough time, this provision shall supersede subsections 11.1 (Holidays Observed), 12.1 (Vacation Allowance), 12.4 (Accrual During Leave Without Pay), 13.2 (Credits to and Charges Against Sick Leave), and 13.7 (Accrual During Leave Without Pay) of this MOU regarding the computation of vacation, sick leave, floating holiday, and other accrual credits as regards furlough time only. For payroll purposes, furlough time (absence without pay with prior authorization of the appointing authority) shall be reported separately from other absences without pay to the Auditor-Controller. The existing V.T.O. program shall be continued for the life of the contract.

15.4 Military Leave. Any employee who is ordered to serve as a member of the State Militia or the United States Army, Navy, Air Force, Marine Corps, Coast Guard or any division thereof shall be granted a military leave for the period of such service, plus ninety (90) days. Additionally, any employee who volunteers for service during a mobilization under Executive Order of the President or Congress of the United States and/or the State Governor in time of emergency shall be granted a leave of absence in

SECTION 15 - LEAVE OF ABSENCE

accordance with applicable state or federal laws. Upon the termination of such service or upon honorable discharge, the employee shall be entitled to return to his/her position in the classified service provided such still exists and the employee is otherwise qualified, without any loss of standing of any kind whatsoever. An employee who has been granted a military leave shall not, by reason of such absence, suffer any loss of vacation, holiday, or sick leave privileges which may be accrued at the time of such leave, nor shall the employee be prejudiced thereby with reference to salary adjustments or continuation of employment. For purposes of determining eligibility for salary adjustments or seniority in case of layoff or promotional examination, time on military leave shall be considered as time in County service. Any employee who has been granted a military leave, may upon return, be required to furnish such evidence of performance of military service or of honorable discharge as the Director of Human Resources may deem necessary.

15.5 Family Care Leave or Medical Leave. Upon request to the appointing authority, in a “rolling” twelve (12) month period measured backward from the date the employee uses his/her FMLA leave, any employee who has permanent status shall be entitled to at least eighteen (18) weeks leave (less if so requested by the employee) for:

- A. Medical leave of absence for the employee's own serious health condition which makes the employee unable to perform the functions of the employee's position; or
- B. Family care leave of absence without pay for reason of the birth of a child of the employee, the placement of a child with an employee in connection with the adoption or foster care of the child by the employee, or the serious illness or health condition of a child, parent, spouse, or domestic partner of the employee.

15.6 Certification. The employee may be asked to provide certification of the need for family care leave or medical leave. Additional period(s) of family care or medical leave may be granted by the appointing authority.

15.7 Intermittent Use of Leave. The eighteen (18) week entitlement may be in broken periods, intermittently on a regular or irregular basis, or may include reduced work schedules depending on the specific circumstances and situations surrounding the request for leave. The eighteen (18) weeks may include use of appropriate available paid leave accruals when accruals are used to maintain pay status, but use of such accruals is not required beyond that specified in Section 15.12 (Leaves Without Pay – Use of Accruals) below. When paid leave accruals are used for a medical or family care leave, such time shall be counted as a part of the eighteen (18) week entitlement.

15.8 Aggregate Use for Spouses. If the spouses or domestic partners are both employed by the County, the family care or medical leave entitlement based on the birth, adoption or foster care of a child is limited to an aggregate for both employees together of eighteen (18) weeks during a “rolling” twelve (12) month measured backward from the date the employee uses his/her FMLA leave. Employees requesting family care leave are required to advise their appointing authority(ies) when their spouse is also employed by the County.

SECTION 15 - LEAVE OF ABSENCE

15.9 Definitions. For medical and family care leaves of absence under this section, the following definitions apply:

- A. **“Child”**: A biological, adopted, or foster child, stepchild, legal ward, conservatee or a child who is under eighteen (18) years of age for whom an employee stands in loco parentis or for whom the employee is the guardian or conservator, or an adult dependent child of the employee.
- B. **“Parent”**: A biological, foster, or adoptive parent, a step-parent, legal guardian, conservator, or other person standing in loco parentis to a child.
- C. **“Spouse”**: A partner in marriage as defined in California Civil Code Section 4100.
- D. **“Domestic Partner”**: An unmarried person, eighteen (18) years or older, to whom the employee is not related and with whom the employee resides and shares the common necessities of life.
- E. **“Serious Health Condition”**: An illness, injury, impairment, or physical or mental condition which warrants the participation of a family member to provide care during a period of treatment or supervision and involves either inpatient care in a hospital, hospice or residential health care facility or continuing treatment or continuing supervision by a health care provider (e.g. physician or surgeon) as defined by state and federal law.
- F. **“Certification for Family **Care** (CFRA) Leave”**: A written communication to the employer from a health care provider of a person for whose care the leave is being taken which need not identify the serious health condition involved, but shall contain:
 - 1. The date, if known, on which the serious health condition commenced.
 - 2. The probable duration of the condition.
 - 3. An estimate of the amount of time which the employee needs to render care or supervision.
 - 4. A statement that the serious health condition warrants the participation of a family member to provide care during period of treatment or supervision.
 - 5. If for intermittent leave or a reduced work schedule leave, the certification should indicate that the intermittent leave or reduced leave schedule is necessary for the care of the individual or will assist in their recovery, and its expected duration.
- G. **“Certification for Family **Medical** (FMLA) Leave”**: A written communication from a health care provider of an employee with a serious health condition or illness to the employer, which need not identify the serious health condition involved, but shall contain:

SECTION 15 - LEAVE OF ABSENCE

1. The date, if known, on which the serious health condition commenced.
 2. The probable duration of the condition.
 3. A statement that the employee is unable to perform the functions of the employee's job.
 4. If for intermittent leave or a reduced work schedule leave, the certification should indicate the medical necessity for the intermittent leave or reduced leave schedule and its expected duration.
- H. "Comparable Position": A position with the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to the leave. Ordinarily, the job assignment will be the same duties in the same program area located in the same city, although specific clients, caseload, co-workers, supervisor(s), or other staffing may have changed during an employee's leave.

15.10 Pregnancy Disability Leave.

- A. How Leave Is Counted. Insofar as pregnancy disability leave is used under subsection 13.3, paragraph B, subparagraph 4 (Sick Leave Utilization for Pregnancy Disability), that time will not be considered a part of the eighteen (18) week family care leave period.
- B. Pregnancy Limited Duty Assignment. Once an employee has been granted limited duty status for maternity reasons by the County, such employee may, with specific medical verification, request and receive reassignment to a work location which shall not require the employee to have a physical presence during the term of the pregnancy on any living unit at juvenile hall.

15.11 Group Health Plan Coverage. Employees who were members of one of the group health plans prior to commencement of their leave of absence can maintain their health plan coverage with the County contribution by maintaining their employment in pay status as described in subsection 15.12 (Leave Without Pay – Use of Accruals). During the eighteen (18) weeks of an approved medical or family care leave under subsection 15.5 (Family Care Leave or Medical Leave) above, the County will continue its contribution for such health plan coverage even if accruals are not available for use to maintain pay status as required under subsection 15.12 (Leave Without Pay – Use of Accruals). In order to maintain such coverage, employees are required to pay timely the full employee contribution to maintain their group health plan coverage, either through payroll deduction or by paying the County directly.

15.12 Leave Without Pay - Use of Accruals.

- A. All Leaves of Absence. During the first twelve (12) month period of any leave of absence without pay, an employee may elect to maintain pay status each month by using available sick leave (if so entitled under subsection 13.3 - Policies

SECTION 15 - LEAVE OF ABSENCE

Governing the Use of Paid Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements; in other words, during the first twelve (12) months, a leave of absence without pay may be "broken" into segments and accruals used on a monthly basis at the employee's discretion. After the first twelve (12) months, the leave period may not be "broken" into segments and accruals may not be used, except when required by Long Term Disability ("LTD") Benefit Coordination or Sick Leave Integration or as provided in the sections below.

- B. California Family Rights Act (CFRA) and Federal Medical Leave Act (FMLA). During the eighteen (18) weeks of an approved medical (FMLA) or family care (CFRA) leave, if a portion of that leave will be on a leave of absence without pay, the employee will be required to use at least 0.1 hour of sick leave (if so entitled under subsection 13.3 - Policies Governing the Use of Paid Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements if such are available, although use of additional accruals is permitted under subsection 15.12, paragraph A (All Leaves of Absence) above.
- C. Leave of Absence/Long Term Disability (LTD) Benefit Coordination. An eligible employee who files an LTD claim and concurrently takes a leave of absence without pay will be required to use accruals as provided in subsection 15.12 (All Leaves of Absence) paragraph B herein during the eighteen (18) week entitlement period of a medical leave specified above. If an eligible employee continues beyond the eighteen (18) week entitlement period on a concurrent leave of absence/LTD claim, the employee may choose to maintain further pay status only as allowed under subsection 15.12 (All Leaves of Absence) paragraph A herein.
- D. Sick leave accruals may not be used during any leave of absence, except as allowed under subsection 13.3 (Policies Governing the Use of Paid Sick leave).

15.13 Leave of Absence Replacement and Reinstatement. Any permanent employee who requests reinstatement to the classification held by the employee in the same department at the time the employee was granted a leave of absence, shall be reinstated to a position in that classification and department and then only on the basis of seniority. In case of severance from service due to the reinstatement of a permanent employee, the provisions of Section 10 (Workforce Reduction/Layoff/Reassignment) shall apply.

15.14 Reinstatement From Family Care/Medical Leave. In the case of a family care or medical leave, an employee on a 5/40 schedule shall be reinstated to the same or comparable position if the return to work is after no more than ninety (90) work days of leave from the initial date of a continuous leave, including use of accruals, or within the equivalent on an alternate work schedule. A full-time employee taking an intermittent or reduced work schedule leave shall be reinstated to the same or comparable position if the return to work on a full schedule is after no more than seven hundred twenty (720) hours, including use of accruals, of intermittent or reduced schedule leave. At the time the original leave is approved, the appointing authority shall notify the employee in

SECTION 16 - JURY DUTY AND WITNESS DUTY

writing of the final date to return to work, or the maximum number of hours of leave, in order to guarantee reinstatement to the same or comparable position. An employee on a schedule other than 5/40 shall have the time frame for reinstatement to the same or comparable position adjusted on a pro rata basis.

15.15 Salary Review While on Leave of Absence. The salary of an employee who is on leave of absence from a County position on any anniversary date and who has not been absent from the position on leave without pay more than six (6) months during the preceding year, shall be reviewed on the anniversary date. Employees on military leave shall receive salary increments that may accrue to them during the period of military leave.

15.16 Unauthorized Absence. An unauthorized absence from the work site or failure to report for duty after a leave request has been disapproved, revoked, or canceled by the appointing authority, or at the expiration of a leave, shall be without pay. Such absence may also be grounds for disciplinary action.

15.17 Non-Exclusivity. Other MOU language on this subject, not in conflict, shall remain in effect.

SECTION 16 - JURY DUTY AND WITNESS DUTY

16.1 Jury Duty. For purposes of this Section, jury duty shall be defined as any time an employee is obligated to report to the court.

- A. When called for jury duty, County employees, like other citizens, are expected to discharge their jury duty responsibilities.
- B. Employees shall advise their department as soon as possible if scheduled to appear for jury duty.
- C. If summoned for jury duty in a Superior or Federal Court, or a Coroner's jury, employees may remain in their regular County pay status, or they may take paid leave (vacation, floating holiday, etc.) or leave without pay and retain all fees and expenses paid to them.
- D. When an employee is summoned for jury duty selection or is selected as a juror in a Superior or Federal Court, employees may remain in a regular pay status if they waive all fees (other than mileage), regardless of shift assignment and the following shall apply:
 - 1. If an employee elects to remain in a regular pay status and waive or surrender all fees (other than mileage), the employee shall obtain from the Clerk or Jury Commissioner a certificate indicating the days attended and noting that fees other than mileage are waived or surrendered. The employee shall furnish the certificate to his department where it will be retained as a department record. An "Absence/Overtime Record" ("AOR") is not required.

SECTION 17 - HEALTH, LIFE & DENTAL CARE

2. An employee who elects to retain all fees must take leave (vacation, floating holiday, etc.) or leave without pay. A court certificate is not required but an Absence/Overtime Record ("AOR") must be submitted to the department payroll clerk.
- E. Employees are not permitted to engage in any employment regardless of shift assignment or occupation before or after daily jury service that would affect their ability to properly serve as jurors.
- F. An employee on short notice standby to report to court, whose job duties make short notice response impossible or impractical, shall be given alternate work assignments for those days to enable them to respond to the court on short notice.
- G. When an employee is required to serve on jury duty, the County will adjust that employee's work schedule to coincide with a Monday to Friday schedule for the remainder of their service, unless the employee requests otherwise.
- H. Permanent-intermittent employees are entitled to paid jury duty leave only for those days on which they were previously scheduled to work.

16.2 Witness Duty. Employees called upon as a witness or an expert witness in a case arising in the course of their work or the work of another department may remain in their regular pay status and turn over to the County all fees and expenses paid to them other than mileage allowance or they may take vacation leave or leave without pay and retain all fees and expenses. Employees called to serve as witnesses in private cases or personal matters (e.g., accident suits and family relations) shall take vacation leave or leave without pay and retain all witness fees paid to them. Retention or waiver of fees shall be governed by the same provisions as apply to jury duty as set forth in subsection 16.1 (Jury Duty) of this MOU. Employees shall advise their department as soon as possible if scheduled to appear for witness duty. Permanent intermittent employees are entitled to paid witness duty only for those days on which they were previously scheduled to work.

- C. In the event that the County premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any medical and/or dental plan, for any plan year, the County's contribution will not exceed one hundred percent (100%) of the applicable plan premium.
- D. In the event that a provider no longer offers to the County a medical or dental plan listed in this Section 17 or a provider and the County do not renew a medical or dental plan listed in this Section 17, the Association agrees that the new medical or dental plans selected by the County to replace the current plans will be available to employees represented by the Association and the Association agrees that the new plans will replace the medical or dental plans provided for in this MOU. 17.3 Retirement Coverage:

- A. Upon Retirement:
 - 1. SECTION 17 - HEALTH, LIFE & DENTAL CARE

- B. Employees Who File For Deferred Retirement. Employees, who resign and file for a deferred retirement and their eligible family members, may continue in their County group health and dental plan under the following conditions and limitations.
1. Health and dental coverage during the deferred retirement period is totally at the expense of the employee, without any County contributions.

For purposes of retiree health eligibility, one (1) year of service is defined as one thousand (1,000) hours worked within one anniversary year. The existing method of crediting service while an employee is on an approved leave of absence will continue for the duration of this Agreement.
- D. The fifty percent (50%) share of the monthly medical plan increase paid by the County is in addition to the amounts paid by the County in subsection 17.7.A. for medical plans. If the monthly premium charged for a Kaiser Permanente Plan B tier is less than the amount paid by the County pursuant to subsection 17.7.A. for that tier, then the difference (100% of the savings) will be divided equally among the other Kaiser Permanente Plan B tiers. If an employee is not paid enough compensation in a month to pay the employee share of the premium, the employee must make up the difference by remitting the amount delinquent to the Auditor-Controller. The responsibility for this payment rests with the employee. If payment is not made, the employee shall be dropped from the health plan.

Employees shall be allowed to maintain their health plan coverage at the County group rate for twelve (12) months if on approved leave of absence provided that the employee shall pay the entire premium (i.e. both employer and employee share) for the health plan during said leave. Said payment shall be made by the employee at a time and place specified by the County. Late payment shall result in cancellation of health plan coverage.

An employee on leave in excess of twelve (12) months may continue group coverage subject to the provisions of the Consolidated Omnibus Budget Reconciliation Act (COBRA) provided the employee pays the entire cost of coverage, plus any administrative fees, for the option selected. The entire cost of coverage shall be paid at a place and time specified by the County. Late payment may result in cancellation of health plan coverage with no reinstatement allowed.

If a permanent-intermittent probationary employee is reassigned to full-time, credit toward probation completion in the full-time position shall be prorated on the basis of one hundred seventy-three (173) hours per month.

If the appointing authority has not returned the probation report, a probationary employee may be rejected from the service within a reasonable time after the probation period for failure to pass probation. If the appointing authority fails to submit in a timely manner the proper written documents certifying that a probationary employee has served in a satisfactory manner and later acknowledges it was his or her intention to do so, the regular appointment shall begin on the day following the end of the probationary period.

Notwithstanding any other provisions of the MOU, an employee rejected during the probation period from a position in the Merit System to which the employee had been promoted or transferred from an eligible list, shall be restored to a position in the department from which the employee was promoted or transferred. An employee dismissed for other than disciplinary reasons within six (6) months after being promoted or transferred from a position in the Merit System to a position not included in the Merit System shall be restored to a position in the classification in the department from which the employee was promoted or transferred.

A probationary employee who has been rejected or has resigned during probation shall not be restored to the eligible list from which the employee was certified unless the employee receives the affirmative recommendation from the appointing authority and is certified by the Director of Human Resources whose decision is final. 1. If, during polling conducted pursuant to Section 20.2 (Voluntary

SECTION 20 - POSTING OF VACANCIES AND REASSIGNMENT

Reassignment – Probation Officers) paragraph B subparagraph 2 (Notice Through Pre-Posting Polling) above, a Probation Officer in the unit containing the vacancy expresses to his or her Supervisor a desire for the vacancy, he or she shall be granted the reassignment unless more than one Probation Officer in the Unit desires the vacancy. In such latter case, the most senior interested Probation Officer in the unit shall be granted the reassignment. In either case, no further selection procedures shall be required. However, if no Probation Officer in the unit desires the vacancy, it shall be filled in accordance with Sections 20.2 (Voluntary Reassignment – Probation Officers) paragraphs E (Order of Candidate Consideration) through H (Consideration of Otherwise Ineligible Bidders for Probation Officer Vacancies) below.

2. If a Probation Officer vacancy is not filled through polling as described in Subsection 20.2 (Voluntary Reassignment – Probation Officers) paragraph B subparagraph 2 (Pre-Posting Polling) above, and after department-wide posting there are less than five (5) eligible applicants for a Probation Officer position, the Department may consider all candidates with less than the required time in an assignment, who have applied. If there are still less than five (5) candidates, the department may interview candidates from the existing eligible lists.
3. If, as a result of posting pursuant to subsection 20.2.B.3 (Post-Polling Posting and Email Notice) above, five (5) or more eligible bidders apply for a Probation Officer vacancy, only the five (5) most senior bidders will be considered.

F. Interviews and Withdrawal.

1. Withdrawal. Candidates have the option of withdrawing from the reassignment process at any time prior to the interview. Once the interview is held, the selected candidate is obligated to accept the reassignment.
2. Interviews.
 - a. The supervisor may begin interviewing bidders immediately upon posting the bid notice. However, no more than five (5) candidates may be interviewed for a posted position.
 - b. For purposes of selection, the interview panel will consider the five (5) most senior candidates as equals. For the purposes of bidder selection, the "Rule of 5" shall apply. That is, the supervisor is entitled to select from five (5) candidates and the five (5) most senior may be considered as equal. Seniority for bidding purposes means classification series seniority.
 - c. The supervisor shall offer to interview all candidates either in

SECTION 20 - POSTING OF VACANCIES AND REASSIGNMENT

person or on the telephone. Subsequent to submitting a bid, an employee may waive consideration for the position at any time by notifying the supervisor verbally or in writing in which case the next most senior bidder (if any) or candidate from the eligible list may be considered. The remaining active bidders will be advised within ten (10) work days after the posting is removed whether they have been selected or the status of their bid. If requested by the employee, supervisors shall give an employee in writing the reason(s) why he or she was not selected.

- d. No more than five (5) candidates may be interviewed for a posted position.

G. Selection Criteria for Probation Officer Vacancies.

The criteria to be used in making selection from among applicants for reassignments are as follows:

1. The Department's responsibility to the Court, clients and community.
2. Applicant's suitability for the position, including training and experience.
3. An assessment of the applicant's performance in the position held at the time of consideration for reassignment.
4. Length of service in the Department.

H. Consideration of Otherwise Ineligible Bidders for Probation Officer Vacancies.

All vacant Probation Officer positions shall be filled in accordance with the criteria in Subsection 20.2.G (Selection Criteria for Probation Officer Vacancies) immediately above by an employee who has requested to be reassigned to the position. However, if the Department considers candidates with less than the required time in an assignment pursuant to subsection 20.2 (Voluntary Reassignment – Probation Officers) paragraph E (Order of Candidate Consideration) subparagraph 2 above the needs of the Department will be the primary factor.

- I. Bidder's Remorse. The selected employee shall have no claim on the job(s) he or she left. If a decision is made by the employee to seek immediate reassignment, the employee may only be placed in another vacant position in accordance with this policy.

- J. Assignment Trades – Probation Officers. Requests for "trades" in assignments between two Probation Officers in the same classification holding comparable positions where no vacancies exist can be made to their respective Managers. Such requests shall indicate the names of both parties of the proposed trade together with the reasons for the trade. If more than one Manager is involved, the Managers shall confer and, if necessary, interview the persons requesting the trade.

SECTION 20 - POSTING OF VACANCIES AND REASSIGNMENT

20.3 Involuntary Administrative Reassignment Procedure – Juvenile Institution Officers. The below listed procedure shall apply to Juvenile Institution Officers. Department management, at its sole discretion, may determine from time to time that involuntary reassignments of staff are required. Involuntary reassignments are the reassignments of permanent employees in their existing classification to a new worksite, shift, or program area. Such decisions may result from inability to fill a vacancy through the voluntary reassignment procedure or from a determination that excess staff are allocated to a certain site, shift, or program. When such decisions are made and the reassignments are permanent, the below listed procedure shall apply. This policy shall not apply to temporary reassignments of less than eight (8) weeks duration to cover such things as vacation relief, sick leave absences, temporary shifts in workload, training assignments, or temporary short term assignments to cover vacant positions which could not be filled through the voluntary reassignment policy and for which actions are underway to fill permanent from an eligible list. If a temporary reassignment is expected to exceed eight (8) weeks in duration, the affected department shall either use the below listed procedure or will meet and confer with the Association on a case by case basis regarding an alternative approach:

- A. Management will identify the classifications and positions from which reassignments are necessary.
- B. Affected employees will be provided with a list of vacancies/ assignments for which they may apply.
- C. Affected employees shall be given the opportunity to volunteer for the available vacancies/assignments and shall be considered in accordance with Part f. of the voluntary reassignment procedure.
- D. If there are insufficient volunteers for the number of available positions or no volunteers, and involuntary reassignments are still required, the least senior qualified affected employee shall be reassigned to the vacant assignment identified by management, followed by the next least senior employee, and so on in inverse order of seniority until all necessary reassignments are completed. Qualified is defined as a person possessing the necessary training or experience for the specific assignment. Seniority for involuntary reassignment purposes shall be defined as seniority within classification. Nothing contained in this Section shall prohibit the Department and the Association from making a mutually agreed upon alternative arrangement. In no event shall reassignments be utilized for disciplinary purposes.

20.4 Administrative Reassignments – Probation Officers.

- A. The appointing authority may assign an employee from one position to another position in the same series within the department. Administrative reassignments may be required from time to time to facilitate Department functions and efficiency. These involuntary reassignments may be for such purposes as adjusting workload levels, accommodating changes in funding, filling assignments with special requirements, etc. The following procedure shall only

SECTION 20 - POSTING OF VACANCIES AND REASSIGNMENT

apply to permanent reassignments and is not intended to apply to temporary assignments to cover sick leave, training assignments, vacation, etc.

1. Management will identify the classification and position(s) from which reassignment are necessary.
 2. Affected employees will be provided a list of assignments for which they may apply.
 3. The department will provide the affected employee with as much advance notice as possible.
 4. Employees administratively reassigned shall not be precluded from bidding on future open positions via the Department Reassignment Process.
 5. Nothing contained in this section shall prohibit the Department and the Association from making a mutually agreed upon alternative arrangement.
- B. Involuntary reassignments are the reassignment of permanent employees in their existing classification to a new worksite, shift or program area. Involuntary reassignments shall not be utilized for disciplinary purposes. Nothing contained in this section shall prohibit the reassignment of a Deputy Probation Officer who is not meeting the job expectations of another agency or department to which that the Probation Officer is assigned.

20.5 Reassignment Due to Layoff or Displacement. When reassignment of an employee or employees is necessary due to layoff or displacement, the following procedures shall be followed:

- A. A list of vacant positions shall be posted in work areas of all affected employees for a minimum of five (5) work days.
- B. Employees shall be given the opportunity to volunteer for vacancies and shall be reassigned on the basis of seniority.
- C. If there are no volunteers for reassignment, the least senior employee(s) in that class shall be reassigned.
- D. Management shall have the sole prerogative to select the vacancy to which the least senior employee(s) shall be reassigned. Seniority for reassignment purposes shall be defined as (in Section 10.2, Workforce Reduction/Layoff/Reassignment, subsection 10.2, Separation Through Layoff, paragraph E, Seniority) seniority within classification. If reduction or reassignment by site is necessary, the least senior employee in the affected class at the site shall be reassigned. If reduction or reassignment is necessary by shift, the least senior employee in the affected class assigned to the affected

SECTION 21 – RESIGNATIONS

shift shall be reassigned. Nothing contained in this Section shall prohibit a Department and the Association from making a mutually agreed upon alternative arrangement.

SECTION 21 – RESIGNATIONS

21.1 Resignation Procedure. An employee's voluntary termination of service is a resignation. Written resignations shall be forwarded to the Human Resources Department by the appointing authority immediately on receipt, and shall indicate the effective date of termination. Oral resignation shall be immediately confirmed by the appointing authority in writing to the employee and to the Human Resources Department and shall indicate the effective date of termination.

21.2 Resignation in Good Standing. A resignation giving the appointing authority written notice at least two (2) weeks in advance of the last date of service (unless the appointing authority requires a longer period of notice, or consents to the employee's terminating on shorter notice) is a resignation in good standing.

21.3 Constructive Resignation. A constructive resignation occurs and is effective when:

- A. An employee has been absent from duty for five (5) consecutive working days without leave; and
- B. Five (5) more consecutive work days have elapsed without response by the employee after the receipt of a registered or certified letter citing a notice of resignation by the appointing authority to the employee at the employee's last known address, but no more than ten (10) working days from mailing of said notice.

21.4 Effective Resignation. A resignation is effective when delivered or spoken to the appointing authority, operative on that date or another date specified. An employee who resigns without advance notice, as set forth in subsection 21.2 (Resignation in Good Standing), may seek rescission of the resignation and reinstatement by delivering an appeal in writing to the Human Resources not later than close of business on the third (3rd) calendar day after the resignation is effective. Within five (5) work days of receipt of the appeal, the Director of Human Resources shall consider the appeal and render a final and binding decision including, if applicable, the date of reinstatement.

21.5 Revocation. A resignation that is effective is revocable only by written concurrence of the employee and the appointing authority.

21.6 Coerced Resignations.

- A. Time Limit. A resignation which the employee believes has been coerced by the appointing authority may be revoked within seven (7) calendar days after its expression, by serving written notice on the Director of Human Resources and a copy to the appointing authority.

SECTION 22 - DISMISSAL, SUSPENSION, TEMPORARY REDUCTION IN PAY, AND DEMOTION

- B. Reinstatement. If the appointing authority acknowledges that the employee could have believed that the resignation was coerced, it shall be revoked and the employee returned to duty effective on the day following the appointing authority's acknowledgment without loss of seniority or pay.
- C. Contest. Unless, within seven (7) days of the receipt of the notice, the appointing authority acknowledges that the resignation could have been believed to be coerced, this question should be handled as an appeal to the Merit Board. In the alternative, the employee may file a written election with the Director of Human Resources waiving the employee's right of appeal to the Merit Board in favor of the employee's appeal rights under the grievance procedure contained in Section 23 of the MOU beginning with Step 3.
- D. Disposition. If a final decision is rendered that determines that the resignation was coerced, the resignation shall be deemed revoked and the employee returned to duty effective on the day following the decision but without loss of seniority or pay, subject to the employee's duty to mitigate damages.

SECTION 22 - DISMISSAL, SUSPENSION, TEMPORARY REDUCTION IN PAY, AND DEMOTION

22.1 Sufficient Cause for Action. The appointing authority may dismiss, suspend, temporarily reduce the pay of, or demote any employee for cause. The reduction in pay may not exceed five percent (5%) for a three (3) month period. The following are sufficient causes for such action; the list is indicative rather than inclusive of restrictions and dismissal, suspension or demotion may be based on reasons other than those specifically mentioned:

- A. Absence without leave.
- B. Conviction of any criminal act involving moral turpitude.
- C. Conduct tending to bring the merit system into disrepute.
- D. Disorderly or immoral conduct.
- E. Incompetence or inefficiency.

22.2 Skelly Requirements. Before taking a disciplinary action to dismiss, suspend for more than five (5) work days (four (4) work days for employees on a 4/10 work week), temporarily reduce the pay of, or demote an employee, the appointing authority shall cause to be served personally or by certified mail, on the employee, a Notice of Proposed Action, which shall contain the following:

SECTION 22 - DISMISSAL, SUSPENSION, TEMPORARY REDUCTION IN PAY, AND DEMOTION

22.3 Employee Response. The employee upon whom a Notice of Proposed Action has been served shall have seven (7) calendar days to respond to the appointing authority either orally or in writing before the proposed action may be taken. Upon request of the employee and for good cause, the appointing authority may extend in writing the period to respond. If the employee's response is not filed within seven (7) days or during an extension, the right to respond is lost.

22.4 Leave Pending Employee Response. Pending response to a Notice of Proposed Action within the first seven (7) days or extension thereof, the appointing authority for cause specified in writing may place the employee on temporary leave of absence, with pay.

22.5 Length of Suspension. Suspensions without pay shall not exceed thirty (30) days unless ordered by an arbitrator, an adjustment board or the Merit Board.

22.6 Procedure on Dismissal, Suspension, Temporary Reduction in Pay, or Demotion.

- A. **Written Order Required.** In any disciplinary action to dismiss, suspend, temporarily reduce the pay of, or demote an employee having permanent status in a position in the merit system, after having complied with the Skelly requirements where applicable, the appointing authority shall make an order in writing stating specifically the causes for the action.
- B. **Service of Order.** Said order of dismissal, suspension, temporary reduction in pay, or demotion shall be filed with the Director of Human Resources, showing by whom and the date a copy was served upon the employee to be dismissed, suspended, temporarily reduced in pay, or demoted, either personally or by certified mail to the employee's last known mailing address. The order shall be effective either upon personal service or deposit in the U.S. Postal Service.
- C. **Employee Appeals from Order.** The employee may appeal an order of dismissal, suspension, temporary reduction in pay, or demotion either to the Merit Board or through the procedures of Section 2 (**Grievance Procedure**) of this MOU provided that such appeal is filed in writing with the Director of Human Resources within ten (10) calendar days after service of said order. An employee may not both appeal to the Merit Board and file a grievance under Section 23 (**Grievance Procedure**) of this MOU.

22.7 Employee Representation Rights. The County recognizes an employee's right to representation during an investigatory interview or meeting which may result in discipline. The County shall not interfere with the representative's right to assist an employee to clarify the facts during the interview. If the employee requests a Association representative, the investigatory interview shall be temporarily recessed for a reasonable period of time until a Association representative can be present. For those interviews, which by nature of the incident must take place immediately, the Association will take all reasonable steps to make an Association representative

SECTION 23 - GRIEVANCE PROCEDURE

immediately available. The employer shall inform the employee of the general nature of the investigation at the time the employer directs the employee to be interviewed.

SECTION 23 - GRIEVANCE PROCEDURE

23.1 Definition and Procedural Steps. A grievance is any dispute that involves the interpretation or application of any provision of this MOU excluding, however, those provisions of this MOU which specifically provide that the decision of any County official shall be final. The interpretation and application of those provisions are not subject to the grievance procedure. An employee may appeal disciplinary action to the Merit Board or through this grievance procedure. The Association may represent the grievant at any state of the process. Grievances must be filed within thirty (30) calendar days of the incident or occurrence about which the grievant claims to have a grievance and shall be processed in the following manner:

Step 1. The Association or any employee or group of employees who believes that a provision of this MOU has been misinterpreted or misapplied to his or her detriment must discuss the complaint with the grievant's immediate supervisor, who must meet with the grievant within five (5) work days of receipt of a written request to hold such meeting. The supervisor will advise the grievant, in writing, within five (5) work days of the meeting, whether the grievance is granted or denied.

Step 2. If an issue is not satisfactorily resolved in Step 1 above, the Association may submit the grievance, in writing, to the Department Head or designee.. This request must be filed no more than ten (10) work days after the date of the Step 1 response from the supervisor. The formal written grievance must state which provision of the MOU has been misinterpreted or misapplied, how it was misinterpreted or misapplied, how misapplication or misinterpretation has affected the grievant to the grievant's detriment, and the redress the Association seeks. A copy of each written communication on a grievance shall be filed with the Director of Human Resources and the Association. The Department Head or designee will have ten (10) work days in which to respond to the grievance in writing, stating the reason(s) for the disposition of the grievance.

Step 3. If the grievance is not resolved at Step 2 above, the Association may submit the grievance to the Human Resources Director within ten (10) work days after the date of the Step 2 response. Within twenty (20) work days after receipt, the Human Resources Director or designee must meet with the Association and the Department to discuss the facts, discuss other potentially relevant information or avenues of inquiry, and any terms either party wishes to offer to resolve the grievance.

Both parties must be prepared and present the following information to the other party in the course of the step 3 meeting:

1. The name of the grievant(s);
2. A statement of the relevant facts relating to each alleged breach;
3. The name of each known witness;
4. A copy of each relevant document;

SECTION 23 - GRIEVANCE PROCEDURE

5. The party's position on the grievance and the specific MOU provision(s) allegedly violated in each instance; and
6. The specific remedy or remedies sought.

Within fifteen (15) working days of the Step 3 meeting, the Human Resources Director or designee will send the Association and the affected Department a written response to the grievance stating the reason(s) for the disposition of the grievance.

Step 4. Pursuant to a formal written request from the Association or the County, and with the agreement of both parties, a Board of Adjustment will be convened, composed of two (2) representatives of each party to this Agreement, for the purpose of deciding the grievance. The Board of Adjustment will meet for consideration of the grievance referred to it within fifteen (15) work days after receipt of a written request. The request of either party to extend the time limit for convening of the Board of Adjustment, due to extenuating circumstances, will not be unreasonably denied.

Step 5. In the event that the grievance is not resolved at step 3 or 4, either party may notify, in writing, the other party, within fifteen (15) work days of the date of the Step 3 response or the Step 4 decision, of their desire to arbitrate the grievance. The parties will mutually select an impartial arbitrator. If the Parties are unable to agree upon the selection of an arbitrator, they may request one or more panels of arbitrators from the California State Mediation and Conciliation Service and attempt to select an arbitrator from that panel(s). Any fee(s) for the provision of the panel(s) of arbitrators will be split equally between the parties. The fees and expenses of the arbitrator and the court reporter (if any) will be shared equally by the Association and the County. Each party will bear the costs of its own presentation, including preparation and post hearing briefs, if any.

23.2 Compensation Claims. The employer is not required to pay any wage claim or portion thereof retroactively for a period of more than two (2) years immediately prior to the date of the Employer's receipt of written notice from the Association of such claim.

23.3 Time Limits. The time limits specified above may be waived by mutual agreement of the parties to the grievance. If the County fails to meet the time limits specified in Steps 1 through 3 above, the grievance will automatically move to the next step. If a grievant fails to meet the time limits specified in Steps 1 through 5 above, the grievance will be deemed to have been settled and withdrawn.

23.4 Association Notification. An official, with whom a formal grievance is filed by a grievant who is included in a unit represented by the Association, but is not represented by the Association in the grievance, shall give the Association a copy of the formal presentation.

23.5 Strike/Work Stoppage. During the term of this MOU, the Association, its members and representatives, agree that it and they will not engage in, authorize, sanction, or support any strike, slowdown, stoppage of work, sick-out, or refusal to perform customary duties. In the case of a legally declared lawful strike against a private or public sector employer which has been sanctioned and approved by the labor body or council having jurisdiction, an employee who is in danger of physical harm shall

SECTION 24 - BILINGUAL PAY

not be required to cross the picket line, provided the employee advises his or her supervisor as soon as possible, and provided further that an employee may be required to cross a picket line where the performance of his or her duties is of an emergency nature and/or failure to perform such duties might cause or aggravate a danger to public health or safety.

23.6 Merit Board.

- A. All Grievances of employees in representation units represented by the Association shall be processed under Section 23 (Grievance Procedure) unless the employee elects to apply to the Merit Board on matters within its jurisdiction.
- B. No action under Steps 3 and 4 of subsection 23.1 (Definition and Procedures) above shall be taken if action on the complaint or grievance has been taken by the Merit Board, or if the complaint or grievance is pending before the Merit Board.

23.7 Filing by Association. The Association may file a grievance at Step 3 on behalf of affected employees when action by the County Administrator or the Board of Supervisors violates a provision of this MOU.

SECTION 24 - BILINGUAL PAY

A salary differential of one hundred dollars (\$100) per month shall be paid incumbents of positions requiring bilingual proficiency as designated by the appointing authority and Director of Human Resources. Said differential shall be paid to eligible employees in paid status for any portion of a given month. Designation of positions for which bilingual proficiency is required is the sole prerogative of the County. The Association shall be notified when such designations are made.

SECTION 25 - RETIREMENT

25.1 Contribution.

A. Contribution.

- 1. Through June 30, 2012, the County will continue to pay fifty percent (50%) of the retirement contributions normally required of employees. Employees are also responsible for the payment of the employees' contributions to the retirement cost of living program as determined annually by the Board of Retirement, without the County paying any part of the employees' contributions.
- 2. Effective on July 1, 2012 employees are responsible for the payment of one hundred percent (100%) of the employees' basic retirement benefit contributions determined annually by the Board of Retirement of the

- A. For County employees who become safety members of CCCERA before January 1, 2013, or who are not new members under PEPRA, the retirement formula shall be "3 percent at 50". The cost of living adjustment (COLA) to the retirement allowance shall not exceed three (3) percent per year. The employee's final compensation shall be calculated based on a twelve (12) month salary average. This retirement benefit is known as Tier A. Each such employee shall pay nine percent (9%) of his or her retirement base to pay part of the employer's contribution for the cost of this retirement benefit.
- B. Effective July 1, 2012, and through December 31, 2014, each employee in Tier A shall pay four and half percent (4.5%) of his or her retirement base to pay part of the employer's contribution for the cost of the Tier A retirement benefit.
- C. Effective January 1, 2015, and through June 29, 2015, each employee in Tier A shall pay two and a quarter percent (2.25%) of his or her retirement base to pay part of the employer's contribution for the cost of the Tier A retirement benefit.
- D. Effective June 30, 2015, the employee's payment of two and a quarter percent (2.25%) of his/her retirement base to pay part of the employer's contribution for the cost of the Tier A retirement benefit will cease.

25.3 Safety Employees Retirement Benefit – Employees who become New Members of CCCERA on or after January 1, 2013.

- A. For employees who, under PEPRA, become New Members of CCCERA on or after January 1, 2013, retirement benefits are governed by the California Public Employees Pension Reform Act of 2013 (PEPRA), (Chapters 296, 297, Statutes of 2012). To the extent this Agreement conflicts with any provision of PEPRA, PEPRA will govern.
- B. PEPRA Safety Option Plan Two (2.7% @ 57) applies to employees who, under PEPRA, become Safety New Members of CCCERA. For these employees, hired by the County after January 1, 2016, the cost of living adjustment to the retirement allowance will not exceed two percent (2%) per year and the cost of living adjustment will be banked.

25.4 Re-opener – Election of Safety Retirement PEPRA Tier by Employees in Tier A. If either the Internal Revenue Service issues guidance acceptable to both parties, or the County receives a Private Letter Ruling from the IRS that protects the

SECTION 26 - TRAINING REIMBURSEMENT

County and PPOACCC members in Tier A from additional tax liability if these employees have the opportunity to elect to enter the new Safety PEPRA Tier, then the County and the Association agree to reopen this agreement to meet and confer on 1) the possibility of allowing these employees to elect to enter the Safety PEPRA Tier, 2) seeking State Legislation to authorize these employees to make such an election, and 3) the process by which these employees would be able to elect to enter the Safety PEPRA Tier if the enabling legislation is enacted. Any changes to this agreement in these subject matter areas will occur only upon the written agreement of the parties.

SECTION 26 - TRAINING REIMBURSEMENT

The County Administrative Bulletin on Training shall govern reimbursement for training and shall limit reimbursement for career development training to seven hundred fifty dollars (\$750) per year, except as otherwise provided in the supplemental sections of this MOU. Registration and tuition fees for career development education may be reimbursed for up to fifty percent (50%) of the employee's net cost. Books necessary for courses taken for career development education may be reimbursed for up to one hundred percent (100%) of the employee's net cost.

SECTION 27 – COMPUTER VISION CARE (CVC) USERS EYE EXAMINATION

Employees shall be eligible to receive an annual eye examination on County time and at County expense in accordance with the following conditions:

- A. Eligible employees must use a video display terminal at least an average of two hours per day as certified by their department.
- B. Eligible employees who wish an eye examination under this program should request it through the County Human Resources Department, Benefits Division, who will arrange for eye examinations and monitor the results on a County-wide basis.
- C. Should prescription CVC glasses be prescribed for an employee following an eye examination, the County agrees to provide, at no cost, the basic coverage including a fifty dollar (\$50) frame and single vision lenses. Employees may, through individual arrangement between the employee and his/her doctor, and solely at the employee's expense, include bifocal, trifocal or blended lenses and other care, services or materials not covered by the plan. The basic plan coverage, including the examination, may be credited toward the employee enhanced benefit.

SECTION 28 - PERFORMANCE EVALUATION PROCEDURE

The following evaluation procedures shall apply:

SECTION 28 - PERFORMANCE EVALUATION PROCEDURE

- A. Goal: A basic goal of the employee evaluation is to help each employee perform his/her job more effectively to the mutual benefit of the employee and the County. The evaluation process provides an ongoing means of evaluating an employee's job performance and promoting the improvement of the job performance. The evaluation process also provides the opportunity to recognize and document outstanding service as well as service that has been unsatisfactory to the County.
- B. Frequency of Evaluation.
1. Probationary employees shall be evaluated at least once during their probationary period.
 2. Permanent employees may be evaluated every year.
 3. It is the policy of the Probation Department that all unit supervisors hold personal evaluations and submit a written evaluation to all Deputy Probation Officers whenever such officers are reassigned from their units.
- C. Procedure.
1. An employee shall generally be evaluated by the first level management supervisor above the employee.
 2. It will be necessary in some cases for a supervisor to consult with the employee's immediate work director in order to make a comprehensive evaluation.
 3. Where feasible, evaluations will be based primarily on observation by the evaluator of the employee in the performance of his/her duties. Comments based on secondary information shall have supportive documentation.
 4. An employee will be informed in advance of a meeting with his/her supervisor to discuss the employee's evaluation and to put the evaluation in writing on the department evaluation forms.
 5. The employee shall be informed of his/her right to prepare and have attached to the evaluation form any written comments which the employee wishes to make.
 6. When an employee is rated below satisfactory on any factor, the evaluation will give the reasons for such rating and include specific recommendations for improvement in writing.
 7. The employee's signing of an evaluation form does not necessarily mean that the employee agrees with the evaluation but it does mean that the employee has had an opportunity to discuss the evaluation with his/her evaluator.

SECTION 29 – VEHICLE COSTS

8. The employee will be given a copy of his/her completed evaluation form at the time form is signed by the employee. (Confirmation of final version to be received later.)
9. Any rating below average or unsatisfactory shall be supported by written documentation received by the employee at the time the incident(s) occurred.
10. Nothing shall be added by management to an evaluation after the employee has signed and received a copy of the evaluation without the employee's written acknowledgment. Failure to follow the foregoing procedure is subject to the grievance procedure. However, disputes over the actual content or ratings themselves in individual evaluations are not grievable, but may be mediated by the Director of Human Resources upon request of either the employee or the Department. Prior to being mediated by the Director of Human Resources either party may request fact finding to assist in the resolution of the dispute. One (1) fact finder shall be selected by each party to the dispute within ten (10) work days from the initial request for fact finding. The fact finders shall have twenty (20) work days from notice of selection to investigate and render opinions to the Director of Human Resources.

SECTION 29 – VEHICLE COSTS

29.1 Reimbursement for Use of Personal Vehicle. The mileage allowance for use of personal vehicles on County business shall be paid according to the rates allowed by the Internal Revenue Service and shall be adjusted to reflect changes in this rate on the date it becomes effective or the first of the month following announcement of the changed rate by the Internal Revenue Service, whichever is later.

29.2 Charge For Use of Home Garaged County Vehicle. Employees hired after July 1, 1994 who are assigned vehicles to garage at home will be charged the IRS mileage rate for all commute miles driven outside the limits of Contra Costa County that exceed thirty (30) miles round-trip in any one day.

SECTION 30 - PAY WARRANT ERRORS

If an employee receives a pay warrant which has an error in the amount of compensation to be received and if this error occurred as a result of a mistake by the Auditor-Controller's Department, it is the policy of the Auditor-Controller's Department that the error will be corrected and a new warrant issued within forty-eight (48) hours, exclusive of Saturdays, Sundays and holidays from the time the Department is made aware of and verifies that the pay warrant is in error. If the pay warrant error has occurred as a result of a mistake by an employee (e.g. payroll clerk) other than the employee who is receiving the pay, the error will be corrected as soon as possible from

SECTION 31 - FLEXIBLE STAFFING

the time the department is made aware that pay warrant is in error. Pay errors in employee pay shall be corrected as soon as possible as to current pay rate but that no recovery of either overpayments or underpayments to an employee shall be made retroactively except for the six (6) month period immediately preceding discovery of the pay error. This provision shall apply regardless of whether the error was made by the employee, the appointing authority or designee, the Director of Human Resources or designee, or the Auditor-Controller or designee. Recovery of fraudulently accrued over or underpayments are excluded from this section for both parties. When the County notifies an employee of an overpayment and proposed repayment schedule and the employee wishes to meet with the County, a meeting will be held at which time a repayment schedule shall be determined. If requested, a meeting will be held to determine a repayment schedule which will be no longer than three times (3) the length of time the overpayment occurred. If requested by the employee, an Association representative may be present at a meeting with management to discuss a repayment schedule in the case of overpayments to the employee.

SECTION 31 - FLEXIBLE STAFFING

Certain positions may be designated by the Director of Human Resources as flexibly staffed positions. Positions are generally allocated at the first level of the job series when vacated. When the position is next filled and an incumbent of one of these positions meets the minimum qualifications for the next higher level and has met appropriate competitive requirements he or she may then be promoted to the next higher classification within the job series without need of a classification study. If the Probation Department verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to promote an employee on the first of the month when eligible, said appointment shall be made retroactive to the first of the month when eligible. An employee who is denied a promotion to a flexibly staffed position may appeal such denial to the Merit Board.

SECTION 32 - PROVISIONAL APPOINTMENT

Whenever an appointing authority makes a request for personnel to fill a position in a class for which no reemployment or employment list is available, or in a class for which no eligible or insufficient eligibles to complete the certification will accept appointment to the position, the Director of Human Resources may authorize the appointing authority to appoint any person who possesses the minimum qualifications for the class as set forth in the class specifications, provided that the names of eligibles available and the names of persons who have indicated the intention to take the next examination for the class shall be referred to the appointing authority at the time authorization is issued. In no case shall a permanent position be filled by a provisional appointment for a period exceeding six (6) calendar months except under the following conditions:

- A. If an examination has been announced for the class and recruitment of applicants is in process, the Director of Human Resources may authorize a continuation of provisional appointments until an eligible list is established.

SECTION 33 - PERSONNEL FILES

- B. In case of a provisional appointment to a permanent position vacated by a leave of absence, such provisional appointment may be continued for the duration of said leave. A provisional appointment shall be terminated within thirty (30) days after the date of certification of eligibles from an appropriate eligible list. All decisions of the Director of Human Resources relative to provisional appointments are final and not subject to the grievance procedure. Before filling a position by a provisional appointment, the appointing authority shall post notice and shall consider current qualified employees for the appointment. Only if there are insufficient internal applicants to constitute a full certification may the appointing authority consider applicants from outside County service.

SECTION 33 - PERSONNEL FILES

An employee shall have the right to inspect and review any official record(s) relating to his or her performance as an employee or to a grievance concerning the employee which is kept or maintained by the County in the employee's personnel file in the Human Resources Department or in the employee's personnel file in their Department. The employee's Association representative, with written authorization by the employee, shall also have the right to inspect and review any official record(s) described above. The contents of such records shall be made available to the employee and/or the employee's Association representative, for inspection and review at reasonable intervals during the regular business hours of the County. Employees shall be permitted to review their personnel files at the Personnel office during their working hours. For those employees whose work hours do not coincide with the County's business hours, management shall provide a copy of the employee's personnel file for the employee's review. The custodian of records will certify that the copy is a true and correct copy of the original file.

The County shall provide an opportunity for the employee to respond in writing to any information which is in the employee's personnel file about which he or she disagrees. Such response shall become a permanent part of the employee's personnel record. The employee shall be responsible for providing the written responses to be included as part of the employee's official personnel file. This section does not apply to the records of an employee relating to the investigation of a possible criminal offense, medical records and information or letters of reference.

Counseling memos, which are not disciplinary in nature, are to be retained in the file maintained by the employee's supervisor or the person who issued the counseling memo and are not to be transferred to the employee's central file which is normally retained by the Human Resources Department unless such memos are subsequently used in conjunction with a disciplinary action such as a letter of reprimand.

All documents pertaining to disciplinary actions shall be placed in the employee's official personnel file within five (5) work days after the time management becomes aware of the incident and has completed its investigation as to whether the employee is culpable and shall be date stamped or dated at time of entry. This section is not intended to include supervisor's notes or reminders of specific incidents or ongoing reports such as

SECTION 34 - SERVICE AWARDS

attendance records. Generally, such investigations should be completed within thirty (30) calendar days of the date management becomes aware of the incident(s), it being understood that under certain circumstances such as the unavailability of witnesses or the possibility of a criminal act having been committed may cause the investigation to take longer than the aforementioned thirty (30) days.

Copies of written reprimands or memoranda pertaining to an employee's unsatisfactory performance which are to be placed in the employee's personnel file shall be given to an employee who shall have the right to respond in writing to said documents. Letters of reprimand are subject to the grievance procedure but shall not be processed past Step 3 unless said letters are used in a subsequent discharge, suspension or demotion of the employee, in which case an appeal of the letters of reprimand may be considered at the same time as the appeal of the disciplinary action. Prior to being submitted to Step 3 of the grievance procedure, either party may request fact finding to assist in the resolution of the dispute. One (1) fact finder shall be selected by each party to the dispute within ten (10) work days from the initial request for fact finding. The fact finder shall have twenty (20) work days from notice of selection to investigate and render opinions to the Director of Human Resources.

Copies of letters of commendation which are to be placed in the employee's personnel file will be given to the employee. Employees have the right to review their official personnel files which are maintained in the Human Resources Department or by their departments. In a case involving a grievance or disciplinary action, the employee's designated representative may also review his/her personnel file with specific written authorization from the employee. The County shall supply the Association with lists of official personnel files and locations. Derogatory material in an employee's personnel file over two years old will not be used in a subsequent disciplinary action unless directly related to the action upon which the discipline is taken. Derogatory material does not include prior suspensions, demotions or dismissals for cause.

The County will participate in a committee of four (4) Association and four (4) operating department managers to revise and clarify MOU Section (33), Personnel Files. Subject committee will be chaired by a non-voting chairperson from the County Human Resources Department and will hold their first meeting within ninety (90) days of approval of this MOU and will issue a report within one hundred eighty (180) days of the date of the first meeting.

SECTION 34 - SERVICE AWARDS

The County shall continue its present policy with respect to service awards including time off provided, however, that the type of award given shall be at the sole discretion of the County. The following procedures shall apply with respect to service awards:

- A. Presentation Before the Board of Supervisors. An employee with twenty (20) or more years of service may go before the Board of Supervisors to receive his/her Service Award. When requested by a department, the Human Resources Department will make arrangements for the presentation ceremony before the

Employees shall be reimbursed for meal expenses under the following circumstances and in the amount specified:

- A. When the employee is required by his/her Department Head to attend a meeting concerning County business or County affairs.

- C. When the employee is required to stay over to attend consecutive or continuing afternoon and night sessions of a board or commission.

- E. When the employee is required to work three (3) or more hours of overtime or scheduled to work overtime with less than twenty-four (24) hours notice; in this case he or she may be reimbursed in accordance with the Administrative Bulletin on Expense Reimbursement. Meal costs will be reimbursed only when eaten away from home or away from the facility in the case of employees at twenty-four (24) hour institutions.

SECTION 36 - DETENTION FACILITY MEALS

The charge for a meal purchased in a detention facility by employees represented by the Association is one dollar (\$1.00) per meal. However, the Department may modify this charge from time to time upon ten (10) days advance written notice to the Association. Employees assigned to a detention facility are not, however, required to pay for a meal while working.

SECTION 37 - COMPENSATION FOR LOSS OR DAMAGE TO PERSONAL PROPERTY

The loss or damage to personal property of employees is subject to reimbursement under the following conditions:

SECTION 38 - UNFAIR LABOR PRACTICE

- A. The loss or damage must result from an event which is not normally encountered or anticipated on the job and which is not subject to the control of the employee.

- G. The loss or damage to employee's eyeglasses, dentures or other prosthetic devices did not occur simultaneously with a job connected injury covered by Workers' Compensation.
- H. The amount of reimbursement shall be limited to the actual cost to repair damages. Reimbursement for items damaged beyond repair shall be limited to the actual value of the item at the time of loss or damage but not more than the original cost.
- I. The burden of proof of loss rests with the employee.
- J. Claims for reimbursement must be processed in accordance with the Administrative Bulletin on Compensation for Loss or Damage to Personal Property.

SECTION 38 - UNFAIR LABOR PRACTICE

Either the County or the Association may file an unfair labor practice as defined in Board of Supervisor's Resolution 81/1165 against the other. Allegations of an unfair labor practice, if not resolved in discussions between the parties within thirty (30) work days from the date of receipt, may be heard and decided by a mutually agreed upon impartial third party.

SECTION 39 - HARASSMENT

SECTION 39 - HARASSMENT

Harassment is any treatment of an employee which has the purpose or effect of affecting employment decisions concerning an individual, or unreasonably interfering with an individual's work performance, or creating an intimidating and hostile working environment. Such conduct includes but is not limited to unwelcome sexual advances, requests for sexual favors, and other verbal, or physical conduct of a sexual nature; arbitrary or capricious changes of assignments, or display of a hostile attitude toward an employee by a supervisor which is not justified or necessary in the proper supervision of the work of the employee.

SECTION 40 - LENGTH OF SERVICE DEFINITION (For Service Awards and Vacation Accruals)

The length of service credits of each employee of the County shall date from the beginning of the last period of continuous County employment (including temporary, provisional, and permanent status, and absences on approved leave of absence). When an employee separates from a permanent position in good standing and within two (2) years is reemployed in a permanent County position, or is reemployed in a permanent County position from a layoff list within the period of layoff eligibility, service credits shall include all credits accumulated at time of separation, but shall not include the period of separation. The Director of Human Resources shall determine these matters based on the employee status records in his department.

SECTION 41 - PERMANENT PART-TIME EMPLOYEES

41.1 Benefits. Permanent part-time employees receive prorated vacation and sick leave benefits. They are eligible for health, dental and life insurance benefits at corresponding premium rates providing they work at least fifty percent (50%) of full-time.

41.2 Hours. Permanent part-time employees who wish to have the hours of their position increased, must so request in writing. These requests must be received by the employee's department during the month of January and/or July for the duration of this MOU. Departments reviewing these requests will evaluate them within thirty (30) days of their receipt by considering the actual hours assigned to and worked by the employee during the previous six (6) months and the anticipated continuing need from their assignment on an increased basis. Those requests which are approved by the department for an increase in hours will be submitted for consideration by the County as a P300 request within an additional sixty (60) days. Nothing contained herein shall conflict with layoff/reemployment provisions.

SECTION 42 - PERMANENT-INTERMITTENT EMPLOYEES

42.1 Benefits. Permanent-intermittent employees are eligible for prorated vacation and sick leave benefits.

SECTION 43 - SPECIAL BENEFITS

42.2 Hours. Permanent-Intermittent employees who wish to have the hours of their position increased, must so request in writing. These requests must be received by the employee's department during the month of January and/or July for the duration of this MOU. Departments reviewing these requests will evaluate them within thirty (30) days of their receipt by considering the actual hours assigned to and worked by the employee during the previous six (6) months and the anticipated continuing need from their assignment on an increased basis. Those requests which are approved by the department for an increase in hours will be submitted for consideration by the County as a P300 request within an additional sixty (60) days. Nothing contained herein shall conflict with layoff/reemployment provisions.

42.3 Permanent Intermittent Employee Special Pays. Permanent Intermittent employees may be eligible for certain special types of pays or benefits in addition to wages under specifically defined circumstances. A list of those special pays and benefits that are applicable to Permanent Intermittent employees is included as Attachment C. If a special pay or benefit that is described in this MOU does not specifically reference Permanent Intermittent employees or the special pay or benefit is not included in Attachment C, then it does not apply to Permanent Intermittent employees.

SECTION 43 - SPECIAL BENEFITS

Employees in the classifications of Probation Supervisor I and Institutional Supervisor I are eligible to receive the following benefits:

- A. **Building Supervisor Differential.** Institutional Supervisor I's in Juvenile Hall will receive a nine percent (9%) differential premium pay when assigned as Building Supervisor, commencing with the first hour worked while substituting for the Institutional Supervisor II.

- B. **Life Insurance.** Effective January 1, 2000, \$45,000 Group Term Life Insurance will be provided. Premiums for this insurance will be paid by the County with conditions of eligibility to be reviewed annually. Effective January 1, 2007, \$10,000 Group Term Life Insurance will be provided to the Engineering Technician Unit.
- C. **LTD.** Long-Term Disability Insurance will be provided, with a replacement limit of eighty-five percent (85%) of total monthly base earnings reduced by any deductible benefits. The premium for this Long-Term Disability Insurance will be paid by the County.

SECTION 43 - SPECIAL BENEFITS

- D. Vacation Buy Back Plan. The County will reimburse up to one-third (1/3) of an employee's annual vacation accrual, subject to the following conditions: (a) the choice can be made only once in each calendar year; (b) payment shall be based on an hourly rate determined by dividing the employee's monthly salary by 173.33; and (c) the maximum number of hours that may be reimbursed in any year is one-third (1/3) of the annual accrual at the time of reimbursement. Employees promoted or hired by the County into any classification represented by the Probation Peace Officers Association on and after January 1, 2012, are not eligible for the Vacation Buy-Back benefit. However, any employee who was eligible for a Vacation Buy-Back benefit before promoting into a classification represented by the Probation Peace Officers Association will retain that benefit after promoting into a classification represented by the Probation Peace Officers Association.
- E. Professional Development. Reimbursement will be provided for up to two hundred dollars (\$200) per fiscal year for memberships in professional organizations, subscriptions to professional publications, attendance fees at job-related professional development activities, job-related books, electronic calendars and organizers, and soft and hardware from a standardized County approved list or with Department Head approval, provided each employee complies with the provisions of the Computer Use and Security Policy adopted by the Board of Supervisors. Authorization for individual professional development reimbursement requests shall be made by the Department Head. Reimbursement will occur through the regular demand process with demands being accompanied by proof of payment (copy of invoice or canceled check).
- F. Paid Personal Leave. Fifty (50) hours of paid personal leave will be provided to employees in the classifications Probation Supervisor I (7AHA) and Institutional Supervisor I (7KHA) [except Institutional Supervisor I employees assigned to Juvenile Hall (Org # 3120) or Byron Boys Center (Org #3160)] during a calendar year. Said personal leave is provided to recognize both the fact that these employees do not and will not receive payment for overtime and the unavailability of compensatory time off for this group of employees.
- G. Deferred Compensation Incentive. Effective January 1, 2007, the County's contribution to eligible employees who participate in the County's Deferred Compensation Plan will be seventy-five dollars (\$75.00) per month. To be eligible for this incentive supplement, eligible employees must first contribute a Base Contribution Amount to the Deferred Compensation Plan as follows:

SECTION 44 – TEMPORARY EMPLOYEES

Current Monthly Salary	Qualifying Base Contribution Amt.	Monthly Base Contribution Amt. for Maintaining Program Eligibility
\$2500 & below	\$250	\$50
\$2501 - \$3334	\$500	\$50
\$3335 - \$4167	\$750	\$50
\$4168 - \$5000	\$1000	\$50
\$5001 - \$5834	\$1500	\$100
\$5835 - \$6667	\$2000	\$100
\$6668 & above	\$2500	\$100

Employees who meet these Base Contribution Amounts must contribute at least fifty dollars (\$50) or one hundred dollars (\$100) per month to remain eligible for the seventy-five dollars (\$75.00) County supplement. Employees who discontinue contributions or who contribute less than the required amount per month for a period of one (1) month or more will no longer be eligible for the seventy-five (\$75.00) County supplement.

To reestablish eligibility, employees must again make a Base Contribution Amount as set forth above based on current monthly salary. Employees with a break in Deferred Compensation Contributions because of an approved medical leave, shall not be required to reestablish eligibility.

Employees with a break in deferred compensation contributions because of either an approved medical leave or approved financial hardship withdrawal shall not be required to re-establish eligibility. Further, employees who lose eligibility due to budgetary constraints but maintain contributions at the required level and later return to an eligible position shall not be required to re-establish eligibility.

Eligible employees who participated in the Deferred Compensation Plan prior to May 1, 1992 but were not eligible to receive the County contribution will be given credit towards the qualifying base amount for contributions made after January 1, 1992.

SECTION 44 – TEMPORARY EMPLOYEES

44.1 Temporary Employee Hours. Temporary employees may work a maximum of 2080 hours within the Probation Department. Thereafter, that temporary may not work in the Probation Department for one year as a temporary. Nothing in this section shall preclude the Department from terminating a temporary prior to the temporary reaching the maximum hours allowable. This subsection 44.1 (Temporary Employees Hours) shall be inapplicable to Juvenile Institution Officers. Nothing in this agreement precludes the parties from meeting and conferring over future exceptions.

44.2 Temporary Employee Special Pays. Temporary employees may be eligible for certain special types of pays or benefits in addition to wages under specifically defined

SECTION 44 – TEMPORARY EMPLOYEES

circumstances. A list of those special pays and benefits that are applicable to temporary employees is included as Attachment D. If a special pay or benefit that is described in this MOU does not specifically reference temporary employees or the special pay or benefit is not included in Attachment D, then it does not apply to temporary employees.

44.3 Leave Benefits.

- A. **Crediting and Maximum Accumulation of Paid Time Off.** On the first of the month following a temporary employee's completion of two thousand eighty (2080) straight time hours worked, he or she shall be credited with forty (40) hours of "paid time off" ("PTO"). Forty (40) hours paid time off credit is the maximum amount an employee may have at any time.
- B. **Use of Paid Time Off.** Paid time off shall not be taken until credited per subsection 44.3 paragraph A (Crediting and Maximum Accumulation of Paid Time Off) above.
- C. **Payoff at Separation.** If a temporary employee terminates his/her County employment (separates from County service), the employee shall be paid all currently "credited" PTO hours, as described in subsection 44.3 paragraph A (Crediting and Maximum Accumulation of Paid Time Off) and, in addition, shall be paid off for that portion of PTO hours earned but not credited on the basis of that portion of the straight time hours worked ("STHW") toward the next increment of two thousand eighty (2080) straight time hours required for crediting of PTO. The formula for the earned but not credited payoff is: STHW divided by 2080 multiplied by 40 multiplied by the current hourly pay rate at separation.
- D. **Appointment to a Permanent Position.** If a temporary employee is appointed to a permanent position, the credited PTO hours and the earned but not yet credited PTO hours (as described in paragraph 44.3 paragraph C [Payoff at Separation] above) shall be converted to vacation hour and subject to the provisions of this Memorandum of Understanding relating to Vacation. When a temporary employee is appointed to a permanent position, the employee shall be allowed to use the earned paid time off hours during the first six (6) months of employment in a permanent position.

44.4 Temporary Employee Step Placement. Temporary Hourly Rates. The hourly rate paid temporary employees shall be the "1.00 hourly rate" calculated on the salary schedule by dividing the unrounded monthly salary at any step by 173.33.

- A. **New Employees.** The anniversary date of a new temporary employee is the first day of the calendar month after the calendar month when the employee successfully completes one thousand forty (1040) straight time hours.
- B. **Initial Step Placement.** New temporary employees shall generally be appointed at the minimum step of the salary range established for the particular class of position to which the appointment is made. However, the appointing authority may fill a particular position at a step above the minimum of the range if mutually

SECTION 44 – TEMPORARY EMPLOYEES

agreeable guidelines have been developed in advance or the Director of Human Resources (or designee) offers to meet confer with the Association on a case by case basis each time prior to formalizing the appointment.

- C. **Increments within Range.** The performance of each employee shall be reviewed after the employee has completed an additional two thousand eighty (2080) straight time hours of work. Advancement shall be granted on the affirmative recommendation of the appointing authority, based on satisfactory performance by the employee. The appointing authority may recommend denial of the increment or denial subject to one additional review at some specified date before the next anniversary which must be set at the time the original report is returned. Except as herein provided, increments within range shall not be granted more frequently than once a year, nor shall more than one (1) step within range increment be granted at one time. Increments shall not be granted to a temporary employee more frequently than after the first one thousand forty (1040) straight time hours worked and after each two thousand eighty (2080) additional straight time hours worked thereafter. In case an appointing authority recommends denial of the within range increment on some particular anniversary date, but recommends a special salary review at some date before the next anniversary the special salary review shall not affect the regular salary review on the next anniversary date. Nothing herein shall be construed to make the granting of increments mandatory on the County. If an operating department verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to advance an employee to the next salary step on the first of the month when eligible, said advancement shall be made retroactive to the first of the month when eligible.

44.5 Temporary Employee Grievances.

Temporary employees covered by this Memorandum of Understanding may grieve only alleged violation of:

- A. Section 1 (Recognition);
- B. Section 2 (Association Security), subsections 2.1 (Dues Deduction) through 2.5 (Withdrawal of Membership);
- C. Subsection 5.1 (General Wages), and
- D. The terms of this Section 44 except subsection 44.2 (Meet and Confer).

44.6 Association Dues. The membership or agency shop service fee charged by the Association to temporary employees pursuant to subsection 2.2 (Agency Shop) paragraph B shall equal 1% of the employee's regular pay up to a maximum of ten dollars (\$10) per semi-monthly pay period. No initiation fee or special assessments shall be required of these employees. A temporary employee who does not timely authorize deduction of or directly pay Association Dues or an agency shop service fee in lieu of dues will be terminated from County service.

SECTION 45 - LUNCH PERIOD AND REST BREAKS

SECTION 45 - LUNCH PERIOD AND REST BREAKS

- A. Employees who are in a pay status during their lunch are on call during their lunch period. Employees who are not in a pay status during their lunch are on their own time during their lunch period.
- B. Employees shall be entitled to a rest break for each four (4) hours of work. Scheduling of rest breaks shall be determined by management.
- C. The Department head or his or her designee shall schedule each field Probation Officer for a regular one hour or a one-half hour unpaid meal period, taking into consideration the employee's preference and operational needs. The meal period shall be taken as near the middle of the employee's workday as is practicable in light of operational needs. If an employee desires to change the scheduled meal period from one hour to one half hour or from one-half hour to one hour, such change shall take effect only if approved in advance by the Department Head or his or her designee. The Department Head or his or her designee may initiate such a change on an on-going basis when, in the Department's judgment, such is needed for operational reasons. The Department Head or his or her designee may also temporarily alter the duration of the employee's regularly scheduled meal period, from one hour to one-half hour or from one-half hour to one hour, to accommodate temporary operational needs (e.g. training, etc.).

SECTION 46 - ADOPTION

The provisions of this MOU shall be made applicable on the dates indicated and upon approval by the Board of Supervisors. Resolutions and Ordinances, where necessary, shall be prepared and adopted in order to implement these provisions. It is understood that where it is determined that an Ordinance is required to implement any of the foregoing provisions, said provisions shall become effective upon the first day of the month following thirty (30) days after such Ordinance is adopted.

SECTION 47 - SCOPE OF AGREEMENT AND SEPARABILITY OF PROVISIONS

47.1 Scope of Agreement. Except as otherwise specifically provided herein, this MOU fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties in any and all matters subject to meet and confer. Neither party shall, during the term of this MOU demand any change herein, provided that nothing herein shall prohibit the parties from changing the terms of this MOU by mutual agreement. Any past side letters or any other agreements that are not incorporated into or attached to this MOU are deemed expired upon approval of this MOU by the Board of Supervisors. The Association understands and agrees that the County is not obligated to meet and confer regarding wages, hours or conditions of employment during the term of this extended agreement, except as otherwise required by law.

SECTION 48 - FAIR LABOR STANDARDS ACT PROVISIONS

47.2 Separability of Provisions. Should any section, clause or provision of this MOU be declared illegal, unlawful or unenforceable, by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portions hereof, and such remaining portions shall remain in full force and effect for the duration of this MOU.

47.3 Personnel Management Regulations. Where a specific provision contained in a section of this MOU conflicts with a specific provision contained in a section of the Personnel Management Regulations, the provision of this MOU shall prevail. Those provisions of the Personnel Management Regulations within the scope of representation which are not in conflict with the provisions of this MOU and those provisions of the Personnel Management Regulations which are not within the scope of representation shall be considered in full force and effect.

47.4 Duration of Memorandum of Understanding.

Except for provisions, if any, expressly made retroactive, this Memorandum of Understanding (MOU) shall continue in full force and effect from July 1, 2015 to and including June 30, 2018. Said Memorandum of Understanding shall automatically renew from year to year thereafter unless either party gives written notice to the other, at least sixty (60) days prior to the MOU termination date, of its intention to amend, modify or terminate the Memorandum of Understanding.

SECTION 48 - FAIR LABOR STANDARDS ACT PROVISIONS

The Fair Labor Standards Act, as amended, may govern certain terms and conditions of the employment of employees covered by this MOU. It is anticipated that compliance with the Act may require changes in some of the County policies and practices currently in effect or agreed upon. If it is determined by the County that certain working conditions, including but not limited to work schedules, hours of work, method of computing overtime, overtime pay and compensatory time off entitlements or use, must be changed to conform with the Fair Labor Standards Act, such terms and conditions of employment shall not be controlled by this MOU but shall be subject to modification by the County to conform to the federal law, without further meeting and conferring. The County shall notify Association and meet and confer with the Association regarding the implementation of such modifications.

SECTION 49 – SAFETY IN THE WORKPLACE

49.1 Safety and Efficient Operations. The County shall expend every effort to see to it that the work performed under the terms and conditions of this MOU is performed with a maximum degree of safety consistent with the requirement to conduct efficient operations.

49.2 Juvenile Hall Standing Juvenile Institution Officer Safety Committee. The Juvenile Hall shall have a standing Juvenile Institution Officer Safety Committee (“CSC”) to address all issues related to Juvenile Institution Officer safety, including the

SECTION 50 - MISCELLANEOUS PROVISIONS

issuance of defensive tools. The CSC shall be empowered to make recommendations related to Juvenile Institution Officer safety directly to the Deputy Chief Probation Officer, the Institutional Superintendent, or the Department-wide safety committee as the CSC deems appropriate.

**CONTRA COSTA COUNTY
RETURN TO WORK POLICY
FOR INDUSTRIAL INJURY OR ILLNESS**

- I. **POLICY:** Permanent employees who have suffered industrial injuries and illnesses may be provided with such restricted duty as the County is able to provide as soon as medically appropriate.
- A. Covered employees must have an accepted Workers' Compensation claim. Probationary employees, project, contracted, seasonal, agency temp, temporary, and employees working less than 20 hours a week are not covered by this policy.
 - B. A restricted duty assignment may be provided within the County's capacity, consistent with restriction(s) recommended by the treating physician. Should any disagreement exist, the County will follow California State law. Restrictions from the physician must be in writing on the county form AK 142 or on the physician's letterhead.
 - C. Employees performing in a restricted duty assignment will continue to receive their regular pay and benefits for hours actually worked. Pay and benefits will be prorated in the case of part-time work, subject to MOU provisions and salary regulations.
 - D. Current department practices and applicable state and federal laws regarding return to work procedures and restricted duty for certain employees who are exempt from this policy (i.e., non-industrial illnesses or injuries and probationary employees), will continue and are not subject to this policy.
- II. **OBJECTIVE:** The objectives of providing work for temporarily industrially injured employees through restricted duty are to reduce disability and Workers' Compensation costs, maximize productivity, minimize the loss of human resources and promote full and prompt recovery with the return of the employee to productive employment.
- III. **SCOPE OF POLICY:** All departments and Board-governed agencies which are part of the County retirement system (excluding the Contra Costa County Fire Protection District and East Contra Costa Fire Protection District safety employees, Sheriffs Office and D.A. Investigators safety employees, Housing Authority, and In-Home Supportive Service providers) are subject to this Return to Work Policy.

IV. GENERAL BACKGROUND: A restricted duty assignment is a temporary assignment provided to a temporarily industrially disabled employee. Restricted duty may be for less than regular full-time work, but no less than four (4) hours per day.

B. A Department shall, whenever feasible, temporarily restrict the duties of an employee in order to conform to restrictions recommended by the treating physician for a cumulative maximum of six months per injury with a review after three (3) months or sooner, if appropriate. At the end of the six month period, the employee shall undergo a medical review to determine whether a full duty work the employee shall be to the Risk Management ADA Coordinator and/or the Return to Work Committee for evaluation.

C. If an employee disagrees with the Department Head's decision concerning a light duty assignment, he/she may appeal that decision to the Risk Manager within 15 calendar days. The subject of the appeal shall be heard at the next regularly scheduled Return to Work Committee. The Return to Work Committee may affirm, reject or modify the Department Head's decision. The following factors shall be considered by the Return to Work Committee when considering an appeal:

1. The restrictions recommended by the employee's treating physician or QME, if applicable;
 2. The operational and financial needs of the department; and
 3. The availability of a suitable work assignment.
- Either party may appeal the Committee's decision in writing to the Director of Human Resources or his/her designee within 15 calendar days of the Committee's decision.

100% County General Fund. The recommended increase to base salary would result in a total increased payroll cost of approximately \$91,540, of which \$22,560 is employer retirement cost. The average annual incremental cost is \$30,500.

BACKGROUND:

On February 10, 2015, the Board of Supervisors considered several options for setting Board member salaries, as well as the possible salary level. Following its deliberations, the Board directed the County Counsel to prepare two ordinances for possible introduction on March 3: Version A, to authorize a 7% increase to the Board of Supervisors member salaries to the level of \$104,307, and Version B, to additionally link the Board's salary level to that of 56.5% of a Superior Court Judge's salary. The 7% increase was based on a 4% general COLA (Cost of Living Adjustment) granted to employees on July 1, 2014 plus a 3% COLA that employees received on July 1, 2015. The Board, on March 3, decided to introduce Version A, as Ordinance No. 2015-05, and also directed the County Administrator to

BACKGROUND: (CONT'D)

convene an *ad hoc* committee to study the Board of Supervisors' compensation. The Board's 7% salary increase took effect on June 1, 2015.

The Ad Hoc Committee refined its study methodology over a series of nine meetings, culminating in three recommendations, which were presented to the Board of Supervisors on July 7, 2015:

1. Adjust the Board of Supervisors base salary by 12% spread over three years (3.855% on January 1 of 2016, 2017, and 2018). Make no other salary adjustment until July 1, 2018 except taking any proportional reduction by ordinance to correspond to any general county employee salary and/or benefit reduction.
2. Eliminate intra-County mileage reimbursement for Board members, making the auto benefit "\$600/mo. plus out-of-County mileage reimbursement" only.
3. Establish an ongoing Board of Supervisors compensation review committee, composed of impartial citizens, to review the Board's compensation triennially. This Committee should adopt a peer county review methodology that includes quantifying total compensation and factoring in geographic cost of living differentials. The Board should consider using this methodology in reviewing elected department head salaries.

The Board, on July 7, approved the recommended salary adjustment (Recommendation 1) in concept but was unable to reach agreement on the automobile benefit and future salary setting methodology (Recommendations 2 and 3), and so directed the County Administrator to return to the Board with (1) the history of the vehicle and mileage allowance, (2) mileage reimbursement history for each Supervisor (did not specify a time period), and (3) the cost of a fleet vehicle, including maintenance and depreciation. The County Administrator reported this information back to the Board on July 28, at which time the Board gave direction to prepare an ordinance that:

- Adjusts the Board of Supervisors base salary by 12% spread over three years (3.855% on January 1 of 2016, 2017, and 2018).
- Eliminates intra-Supervisory District mileage reimbursement for Board members, making the auto benefit "\$600/mo. plus out-of-District mileage reimbursement" only.

Ordinance No. 2015-19, attached, was prepared at the Board's direction of July 28, introduced on August 18, and is recommended for adoption today, whereupon the ordinance would take effect in 60 days, on October 24, 2015, with the first scheduled salary increment to be effective on January 1, 2016.

CLERK'S ADDENDUM

For clarity in Section C regarding vehicle and mileage allowance, inserted the phrase "Effective January 1, 2016".

ADOPTED Ordinance 2015-19 as amended today.

If, at any time before the Board of Supervisors accepts the Work as complete or during the one year guarantee period, said improvement plans prove to be inadequate in any respect, Subdivider shall make whatever changes are necessary to accomplish the Work as promised.

7. NO WAIVER BY COUNTY. Inspection of the Work and/or materials, or approval of the Work and/or materials or statement by any officer, agent or employee of the County indicating the Work or any part thereof complies with the requirements of this Agreement, or acceptance of the whole or any part of said Work and/or materials, or payments therefor, or any combination or all of these acts, shall not relieve the Subdivider of its obligation to fulfill this Agreement as prescribed; nor shall the County be thereby stopped from bringing any action for damages arising from the failure to comply with any of the terms and conditions hereof.

8. INDEMNITY. Subdivider shall defend, hold harmless and indemnify the indemnitees from the liabilities as defined in this section:

A. The indemnitees benefitted and protected by this promise are the County and its special districts, elective and appointive boards, commissions, officers, agents and employees.

B. The liabilities protected against are any liability or claim for damage of any kind allegedly suffered, incurred or threatened because of actions defined below, and including personal injury, death, property damage, inverse condemnation, or any combination of these, and regardless of whether or not such liability, claim or damage was unforeseeable at any time before County reviewed said improvement plans or accepted the Work as complete, and including the defense of any suit(s), action(s), or other proceeding(s) concerning said liabilities and claims.

C. The actions causing liability are any act or omission (negligent or non-negligent) in connection with the matters covered by this Agreement and attributable to Subdivider, contractor, subcontractor, or any officer, agent, or employee of one or more of them.

D. Non-Conditions. The promise and agreement in this section are not conditioned or dependent on whether or not any indemnitee has prepared, supplied, or approved any plan(s) or specification(s) in connection with this Work or Subdivision, or has insurance or other indemnification covering any of these matters, or that the alleged damage resulted partly from any negligent or willful misconduct of any indemnitee.

9. COSTS. Subdivider shall pay, when due, all the costs of the Work, including but not limited to the costs of relocations of existing utilities required thereby; inspections; material checks and tests; and other costs incurred by County staff arising from or related to the Work, and prior to acceptance of the Work as complete or expiration of any applicable warranty periods, whichever is later.

10. SURVEYS. Subdivider shall set and establish survey monuments in accordance with the filed map and to the satisfaction of the County Road Commissioner-Surveyor before acceptance of the Work as complete by the Board of Supervisors.

11. NON-PERFORMANCE AND COSTS. If Subdivider fails to complete the Work within the time specified in this Agreement, and subsequent extensions, or fails to maintain the Work, County may proceed to complete and/or maintain the Work by contract or otherwise and Subdivider agrees to pay all costs and charges incurred by County (including, but not limited to, engineering, inspection, surveys, contract, overhead, etc.) immediately upon demand.

Once action is taken by County to complete or maintain the Work, Subdivider agrees to pay all costs incurred by County, even if Subdivider subsequently completes the Work.

Should County sue to compel performance under this Agreement or to recover costs incurred in completing or maintaining the Work, Subdivider agrees to pay all attorney's fees, staff costs and all other expenses of litigation incurred by County in connection therewith, even if Subdivider subsequently proceeds to complete the Work.

12. INCORPORATION/ANNEXATION. If, before the Board of Supervisors accepts the Work as complete, the Subdivision is included in territory incorporated as a city or is annexed to an existing city, except as provided in this paragraph, County's rights under this Agreement and/or any deposit, bond, or letter of credit securing said rights shall be transferred to the new or annexing city. Such city shall have all the rights of a third party beneficiary against Subdivider, who shall fulfill all the terms of this Agreement as though Subdivider had contracted with the city originally. The provisions of paragraph 8 (Indemnity) shall continue to apply in favor of the indemnitees listed in paragraph 8.A. upon any such incorporation or annexation.

13. RECORD MAP. In consideration hereof, County shall allow Subdivider to file and record the final map or parcel map for said Subdivision.

14. RIGHT OF ENTRY. Subdivider hereby consents to entry onto the Subdivision property, and onto any other property over which Subdivider has land rights and upon which any portion of the Work is to be installed pursuant to the improvement plans, by County and its forces, including contractors, for the purpose of inspection, and, in the event of non-performance of this Agreement by Subdivider, completion and/or maintenance of the Work.

To: Board of Supervisors
From: Keith Freitas, Airports Director
Date: August 25, 2015

Subject: Contra Costa Airports--Authorization to Negotiate Ground Lease and Development Terms for 0.86 Acres of County-Owned Land at the Buchanan Field Airport

RECOMMENDATION(S):

AUTHORIZE the Director of Airports, or designee, to negotiate a ground lease and development terms between the County, as Landlord, and Montecito Aviation Group, as the developer, for approximately 0.86 acres of land on the northwest side of the Buchanan Field Airport, Pacheco Area.

FISCAL IMPACT:

There is no negative impact on the General Fund. The Airport Enterprise Fund could realize lease and other revenues. The County General Fund could realize sales tax and other revenues if a lease is successfully negotiated.

BACKGROUND:

The development site is approximately 0.86 acres of land owned by the County and at the northerly end of Sally Ride Drive as shown on the attached map. The parcel is proximate to the Buchanan Field runways and is designated for aviation use on the Buchanan Field Master Plan. The parcel is under the jurisdiction of the Buchanan Field Airport and entirely within the unincorporated County.

On July 21, 2015, the Contra Costa County Public Works – Airports Division received a letter from a private

party expressing an interest in developing an aviation use on the approximately 0.86 acre site.

In accordance with prior discussions with the Federal Aviation Administration's (FAA) Airports District Office (ADO) regarding development at Buchanan Field, the County notified existing commercial tenants at Buchanan Field and Byron Airport to solicit other competitive interest in the property. The development solicitation letter provided a response deadline of August 10, 2015, for all competitive interests in the site to be submitted to the County Airport Office. The County did not receive any additional letters of interest to develop this property.

Consistent with the master developer selection process that was approved by the Board of Supervisors on May 23, 2006, projects without a competitive interest are to proceed with the traditional environmental review and lease development processes. The commercial development project will be presented to the Aviation Advisory Committee, the Airport Committee, and any other party as deemed relevant to enhance community relations and collaborative relationships.

Development of this 0.86 acre area for aviation use would expand economic development activity at Buchanan Field Airport, provide additional revenues to the Airport Enterprise Fund, and allow Contra Costa County to expand aviation-related business and services available at the airport. This development will also facilitate the growth and development contemplated by the adopted Buchanan Field Airport Master Plan. A business proposal must be consistent with the Airport Master Plan and General Plan for consideration.

CONSEQUENCE OF NEGATIVE ACTION:

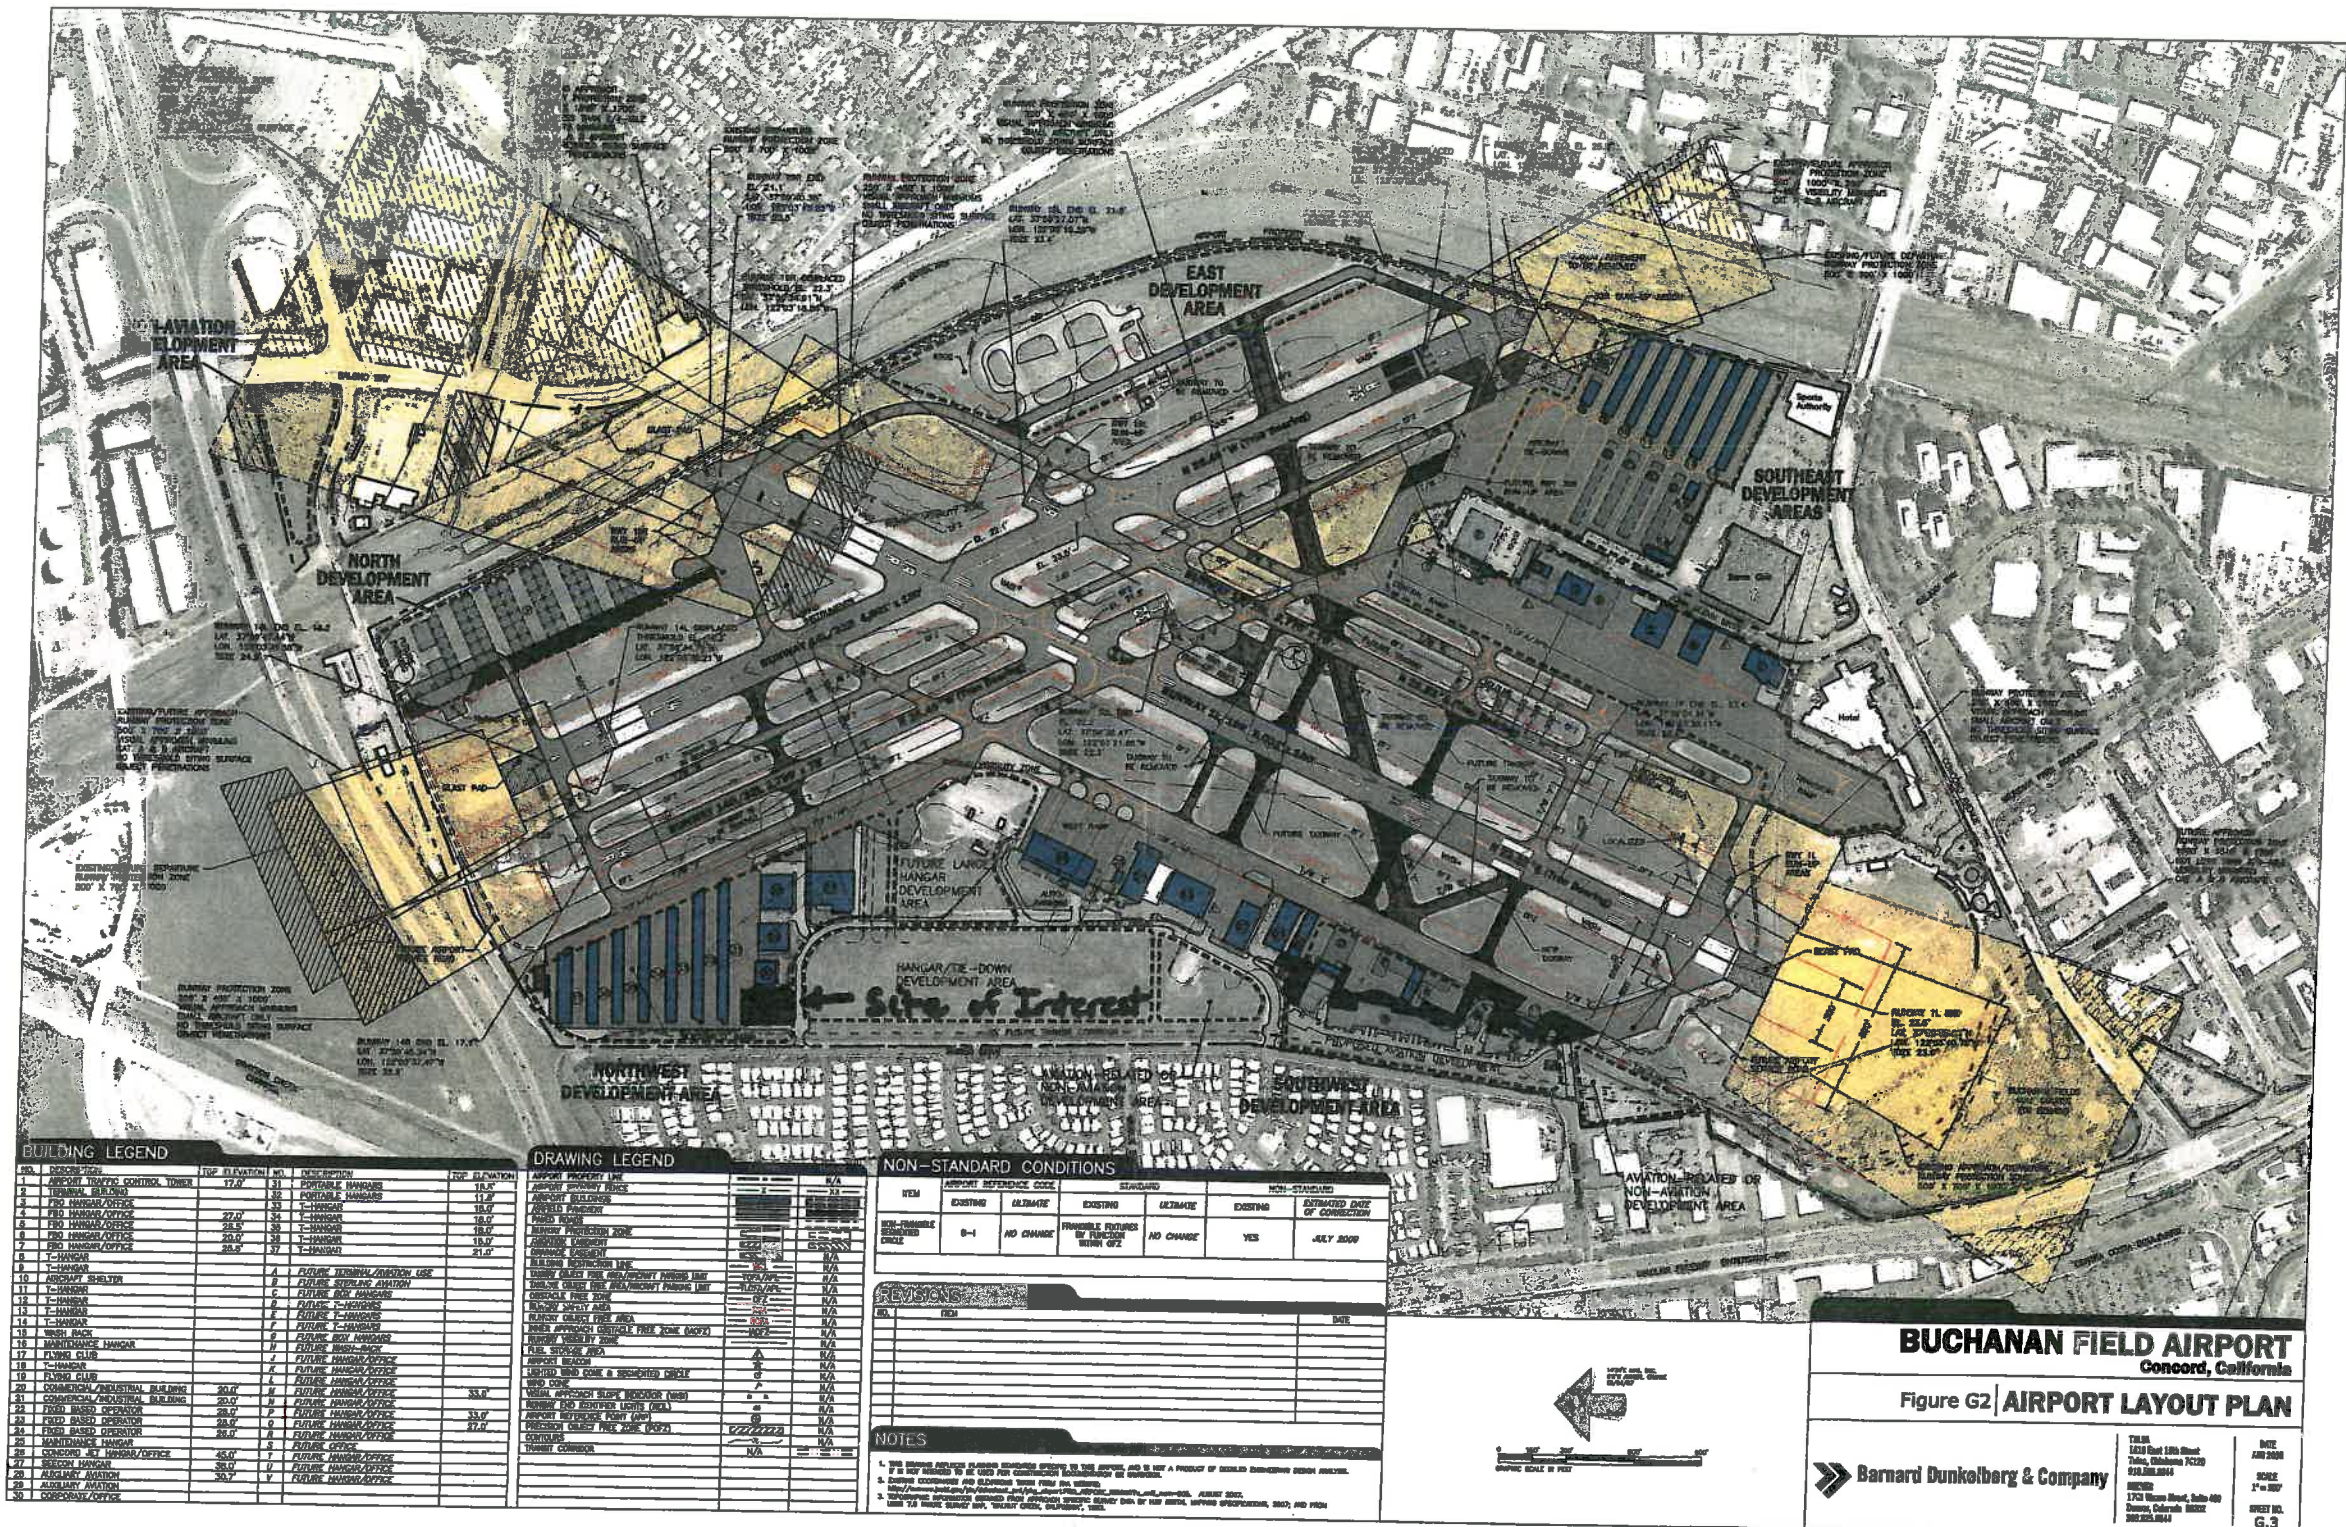

Delay in initiating the developer selection process will result in a delay of developing vacant land at Buchanan Field Airport and may negatively impact the Airport Enterprise Fund and County General Fund.

PROJECT NO. G.3

**Contra

To: Contra Costa County Flood Control District Board of Supervisors

From: Julia R. Bueren, Public Works Director/Chief Engineer

Date: August 25, 2015

Subject: Adopt Resolution Approving an Application for CA Natural Resources Agency Grant for the Three Creeks Parkway Project. Project No. 7562-6D8490

RECOMMENDATION(S):

ADOPT Resolution No. 2015/310 approving an application to the California Natural Resources Agency to obtain a grant for the Three Creeks Parkway Project under the California River Parkways Act of 2004, Brentwood area.

FISCAL IMPACT:

The total project amount is estimated at \$4.5 million. The California Natural Resources Agency grant request is for \$500,000. American Rivers is providing \$1 million, and the California Department of Water Resources Urban Stream grant is providing \$744,000. The Contra Costa County Flood Control and Water Conservation District (FC District) will provide funding of approximately \$2,250,000 of Flood Control Zone 1 and DA 130 funds toward the project.

BACKGROUND:

The state's River Parkways Act of 2004 created a grant program with an emphasis on acquisition, restoration, protection, and the development of river parkways. American Rivers is ready to move forward with a project to widen and enhance habitat values at this reach of Marsh Creek. The primary partners in this project are the City of Brentwood, American Rivers, Friends

of Marsh Creek Watershed, and the FC District.

The FC District and American Rivers' vision is closely aligned with that of the state's grant program. The project is envisioned to widen the east side of Marsh Creek by 35 to 65 feet and install new riparian vegetation along 2800 linear feet from the Union Pacific Railroad to the Dainty Avenue Bridge. Current flood protection standards will be met to bring the 1960's channel design up to current standards. In addition, the new development will provide a 3.25 acre linear park adjacent to the widened Marsh Creek that will incorporate East Bay Regional Park District's Marsh Creek Regional Trail.

The FC District owns and manages Marsh Creek, which was channelized by the USDA Soil Conservation Service in the 1960s. American Rivers will serve as the project and fiscal lead, and the FC District will be the public agency cosponsor, as required by the grant.

CONSEQUENCE OF NEGATIVE ACTION:

Without the Board of Supervisors' approval, the FC District will not be able to apply to the state for the River Parkways grant and the project would not receive funding from this program.

To: Board of Supervisors
From: David Twa, County Administrator
Date: August 25, 2015

Subject: Adopt Ordinance No. 2015-20 to Separate the Office of the Public Administrator from the District Attorney's Office

RECOMMENDATION(S):

ADOPT Ordinance No. 2015-20 amending the County Ordinance Code to separate the Office of the Public Administrator from the Office of the District Attorney and change the Office of the Public Administrator to an appointive office, effective October 1, 2015.

FISCAL IMPACT:

There is no fiscal impact to this specific Board action. However, we anticipate separating the Public Administrator functions from the District Attorney's Office will result in a request for a general fund allocation to cover expenses such as staffing support and shared software and information technology infrastructure, previously provided through the District Attorney's Office. An appropriation adjustment will be submitted at a later date, tentatively for the September 15, 2015 Board of Supervisors meeting.

BACKGROUND:

State law establishes numerous county officers, including a public administrator and a public guardian. A county public administrator administers the estates of people who die without a will, any known relatives, or any other qualified person willing or able to administer their estates. A county public guardian acts as the legally appointed guardian or conservator for people found to be unable to properly care for themselves or their finances.

Before 2014, Government Code section 24011 allowed eight counties to consolidate the offices of public administrator and public guardian: Solano County, Glenn County, Sonoma County, Lassen County, Monterey County, Ventura County, Kings County, and Amador County. The same statute authorized ten counties to separate

the consolidated offices of district attorney and public administrator: Mendocino County, Lake County, Madera County, Trinity County, Tuolumne County, Glenn County, Napa County, Lassen County, and Amador County. Currently in Contra Costa County, the public administrator function resides with the District Attorney's Office, while the public guardian function resides with the Health Services Department. In 2014, the Legislature enacted SB 803, to amend Government Code section 24011 to allow Contra Costa County to separate the offices of district attorney and public administrator, and to convert the office of public administrator from an elected to an appointed position in order to allow the County to appoint the same person to the offices of the public administrator and public guardian.

The County Administrator's Office recognizes that the Public Guardian and the Public Administrator perform closely related and similar duties. Both officials protect and manage the estates of descendants and at-risk individuals who are unable to make decisions. Both offices' duties and routines are governed by the same or similar laws, court rules and procedures; and both are regulated by and appear before the Probate Court.

On August 18, 2015 the Board of Supervisors considered and approved the introduction of this ordinance, waived the reading and fixed August 25th for adoption.

Upon adoption of this Ordinance, the County Administrator's Office will submit a future Board Order and Resolution, tentatively for the September 15th Board of Supervisors agenda with the following actions to officially transition the functions of the Public Administrator to the Health Services Department:

- Adopt a resolution to appoint the Health Services Director as the Public Guardian and as the Public Administrator pursuant to Government Code sections 27431 and 24011 and Ordinance No. 2015-20, and rescind and supersede Resolution 84/346 that appointed William B. Walker, M.D., as the Public Guardian; and
- Approve appropriation and revenue adjustments to transfer Public Administrator specific revenues and appropriations from the District Attorney's Office to the Health Services Department, and adjust the Public Administrator budget to fully fund their operations; and
- Adopt a Position Adjustment Resolution to establish new Public Administrator classifications (represented and unrepresented) in the Health Services Department, reclassify the incumbents to the new Public Administrator classifications and positions assigned to the Health Services Department, and abolish the existing Public Administrator classifications.

The Contra Costa County Board of Supervisors established the First 5 Contra Costa Children and Families Commission on June 15, 1999 (Ordinance 99-15). The Board appointed nine Commission members and nine Alternate members on September 1, 1999.

Members include one Supervisor from the County Board of Supervisors, the directors of the County departments of Health Services and Employment and Human Services, and a representative from the County Administrator's Office of Children's Services. The other five members of the Commission are appointed by the Board of Supervisors and represent each Supervisorial District.

Commissioners and Alternate Commission members represent various disciplines and backgrounds including pediatrics, early childhood education, child welfare, and schools. Alternate members, including second representatives from the Board of Supervisors, the county agencies mentioned above, and the five districts, hold all the powers of the appointed Commissioners except voting privileges.

Supervisor Andersen is pleased with Barbara Cappa's participation and feels her background and qualifications will continue to be a positive addition to the First 5 Contra Costa Children and Families Commission.

of which \$250,000 was allocated to Contra Costa County.

Following the September 2014 action, the Public Protection Committee discussed how the \$250,000 grant should be allocated for purposes of issuing a request for proposals to community based organizations. The Committee decided that \$150,000 would be allocated to adult programs and \$100,000 would be allocated to juvenile programs. In April 2015, the County Administrator's Office conducted an RFP and review panel process to make grant award.

At their August 11, 2015 meeting, Public Protection Committee was notified of a new allocation from the State of \$125,000 for fiscal year 2015/16. The Committee directed staff to authorize the allocation. The State only requires a letter of interest from the County to authorize the allocation.

The County will not receive \$125,000 to provide grants to nongovernmental agencies for recidivism reduction.

RE: Community Recidivism Reduction Grant—CONTRA COSTA COUNTY INTEREST

Dear Ms. Barber-Brancamp:

On behalf the Board of Supervisors, Contra Costa County hereby expresses our continued interest in participating in the Community Recidivism Reduction Grant program.

On September 16, 2014, our Board of Supervisors approved the acceptance of fiscal year 2014/15 grant program funds in the amount of \$250,000 from the Board of State and Community Corrections (BSCC) and confirmed our interest in participating in the grant program in a letter to the BSCC. In response to the recent announcement of a fiscal year 2015/16 allocation in the amount of \$125,000, this letter acknowledges the Board's approval of the County's continued participation, in coordination with the local Community Corrections Partnership.

We understand that grants must be awarded to a nongovernmental entity or a consortium or coalition of nongovernmental entities that provide community recidivism and crime reduction services to persons who have been released from state prison, a county jail, or a juvenile detention facility, who are under the supervision of a parole or probation department, or any other person at risk of becoming involved in criminal activities.

We also understand that we will be required to collect and submit data to the BSCC on the number of individuals served and the types of services provided by a service provider on or before January 31, 2016 and annually thereafter until January 31, 2021 as applicable.

Thank you for the opportunity to participate in this grant program. We look forward to successful outcomes in terms of recidivism reduction and safer communities.

Sincerely,

DeAnn Baker, Director of Legislative Affairs
California State Association of Counties
1100 K Street, Suite 101
Sacramento, CA 95814

Dear Mr. Cate and Ms. Baker:

The Budget Act of 2015 (FY 15-16) allocates \$4 million to the Board of State and Community Corrections (BSCC) for the Community Recidivism Reduction Grants described in Penal Code section 1233.10 (Attachment I). This money is an addition to the \$8 million provided in the Budget Act of 2014 (FY 14-15). Any county interested in receiving a portion of this additional \$4 million must notify the BSCC by September 30, 2015 by means of a letter of interest. This opportunity is available to any county, including counties who chose not to participate in the FY 14-15 grant program.

Counties that notified the BSCC of their interest in participating in the grant program in FY 14-15 were required to submit Board of Supervisor meeting minutes authorizing the county to receive the grant funds. For funding in FY 15-16, counties whose prior Board approval for accepting funding was not limited to the FY 14-15 funds and otherwise does not restrict receipt of additional funds are not required to submit new meeting minutes of approval. If the prior Board approval was limited in this manner, new meeting minutes that show a vote of approval for receipt of additional funds in FY 15-16 is required.

The county must award its grant dollars through a competitive process to a nongovernmental entity or a consortium or coalition of nongovernmental entities that provide community recidivism and crime reduction services to persons who have been released from state prison, a county jail, or a juvenile detention facility, who are under the supervision of a parole or probation department, or any other person at risk of becoming involved in criminal activities. To afford maximum flexibility, if your county has already completed this competitive process with the FY 14-15 funding, counties may allocate FY 15-16 funding to those service providers who competed for the FY 14-15 funding, or counties may choose to initiate a new competitive process. Please note that an allocation to any service provider is capped pursuant to paragraph (e) of Penal Code section 1233.10. Each county may use up to five percent of its allocation for administrative costs.

Counties that received FY 14-15 funds and counties that choose to participate in the FY 15-16 allocations are also required to collect and submit data to the BSCC on grants awarded. Service providers that receive a grant are responsible for reporting to the county Board of Supervisors or the Community Corrections Partnerships on the number of individuals served and the types of services provided. The Board of Supervisors or the Community Corrections Partnerships must then

report this information to the BSCC on or before January 31, 2016 and each year thereafter until the final reporting date of January 31, 2021, as applicable (please note that this due date is a change from the January 1, 2016 due date you were advised of in a prior email to provide you with additional time to compile the data). Specifically, on January 31, 2016, participating counties must provide the BSCC with data collected from December 5, 2014 – December 31, 2015 and annually thereafter for the prior calendar year. This data must be reported for each of the years that a service provider operates with these funds. If all funds are not encumbered by a reporting date, counties will report on any funds that have been encumbered and provide detail on the funds that have not been encumbered. The BSCC is developing a data reporting spreadsheet to streamline the data collection process and will be sending it, electronically, to the county's primary contact when it is finalized.

The FY 14-15 funding as well as the FY 15-16 can be spent over four years after allocation of funding to counties. Any funds not used by a county or a service provider within four years will revert back to the state General Fund.

If you have any questions, please refer to the Frequently Asked Questions attachment or feel free to contact me directly. You can also contact the BSCC's primary staffer working with this grant, Megan Barber-Brancamp, at megan.barber-brancamp@BSCC.ca.gov and (916) 445-9435. Additionally, if you have not already done so, please provide Megan Barber-Brancamp with the contact information for your county's primary staff person working on the Community Recidivism Reduction Grant program.

Sincerely,

FREQUENTLY ASKED QUESTIONS

2015-16 COMMUNITY RECIDIVISM REDUCTION GRANT

1. What is the statutory authority for the additional \$4M in funds?

The funding is provided in the Budget Act of 2015, Chapter 11, Statutes of 2015. Penal Code section 1233.10 provides the allocation schedule to counties.

2. Does my Board of Supervisors need to approve the additional FY 15-16 funding by vote?

If your county accepted funding in FY 14-15 and your Board approval did not limit funding to the FY 14-15 funds then your county is not required to re-submit a Board approval. However, if your Board's approval to accept these funds was restricted to the FY 14-15 funds then your county must submit new meeting minutes showing a vote of approval for the FY 15-16 funding. Counties should indicate within their Letter of Interest whether their Board needs to take a vote to approve FY 15-16 funding.

3. What are the expectations regarding the Letter of Interest?

Your county's Letter of Interest, which should be signed by the Board of Supervisors Clerk of the Board or the Chief Administrative Officer, must specify that it would like to accept the additional FY 15-16 funds and that your Board of Supervisors has taken action to accept this additional funding (please refer to question 2 for details). The letter must also indicate that the Community Corrections Partnership is in agreement.

4. If a Board of Supervisors' vote is required for my county to obtain FY 15-16 funding, do the meeting minutes need to be sent at the same time as the Letter of Interest?

No, the Board of Supervisors' meeting minutes can be sent to the BSCC as a follow-up document after September 30, 2015. However, counties should indicate whether a new vote was necessary in its Letter of Interest.

5. Does my county need to initiate a new competitive process for FY 15-16 funding if we completed one in FY 14-15?

If your county completed a competitive process with the FY 14-15 funds, you have two options on how to proceed with FY 15-16 funding: 1) your county can allocate the FY 15-16

funds to service providers that competed for the FY 14-15 funding (please note that an allocation to any service provider is capped pursuant to paragraph (e) of Penal Code section 1233.10); or 2) your county can choose to initiate a new competitive process for FY 15-16 funding.

6. By what date does all the funding need to be encumbered with a service provider?

With the recent amendments to Section 1233.10 (i) of the Penal Code, counties no longer have the restriction of an encumbrance date. You now have four years after receiving these grant funds from the State Controller's Office to award and spend the funds. Any funds not used within this four year period will revert back to the state General Fund. For example, in FY 14-15 counties received funding for the Community Recidivism Reduction Grant on December 5, 2014 which means that they now have until December 5, 2018 to award the grant dollars to service providers and to spend the money.

7. Can counties spend all the allocated funds in less than four years?

Yes, counties have up to four years to award and spend the funds. However, funds can be spent in fewer than four years.

8. What type of data will counties need to collect and when are the findings due to the BSCC?

The BSCC will be collecting data on the number of individuals served and the types of services provided by a service provider on or before January 31, 2016 and annually thereafter until January 31, 2021, as applicable. For each reporting cycle, your county must report on the previous year's activities for each service provider operating with these funds. For example, on January 31, 2016 your county will report on activities from December 5, 2014 – December 31, 2015. If your county has not encumbered all its funds with service providers by a reporting date, you may report on any funds that have been encumbered and provide detailed information on the funds that have not been encumbered.

9. Can counties use any of the grant money for administrative costs?

Yes, your county can use up to five percent of its total allocation for administrative costs.

RECOMMENDATION(S):

RATIFY the support letter from the Chair of the Board for ABX1 9 (Levine): Richmond-San Rafael Bridge, a bill that would temporarily restore the third eastbound lane on State Highway Route 580 from the beginning of the Richmond-San Rafael Bridge in the County of Marin to Marine Street in the County of Contra Costa to automobile traffic and temporarily convert a specified portion of an existing one-way bicycle lane along the north side of State Highway Route 580 in the County of Contra Costa into a bidirectional bicycle and pedestrian lane.

FISCAL IMPACT:

The total estimated cost of permanently reopening the third lane in the eastbound direction on the Richmond-San Rafael Bridge, reconfiguring the bike path on the east side of the bridge, and constructing a bike path on the westbound level of the bridge is \$65 million to the State of California.

BACKGROUND:

Our state advocate, Cathy Christian, requested a letter of support from Supervisor Gioia for a bill by Assembly Member Marc Levine, which was introduced on August 17, 2015, regarding the Richmond-San Rafael Bridge. The letter of support from the Chair is attached. Per Board-adopted policy, the Chair of the Board may send an advocacy letter on a bill stating his/her position when there is time-sensitive need for such a letter and no existing policy related to the bill has been adopted by the Board. The bill must be brought to the Board of Supervisors, however, at the next available meeting for full consideration by the Contra Costa County Board of Supervisors.

BACKGROUND: (CONT'D)

CALIFORNIA LEGISLATURE--2015-2016 FIRST EXTRAORDINARY SESSION

Assembly Bill

No. 9

Introduced by Assembly Member Levine

August 17, 2015

(Coauthors: Assembly Members Baker, Bonilla, Bonta, Thurmond, and Wood)

(Coauthors: Senators Allen and McGuire)

An act to add Section 30910.8 to the Streets and Highways Code, relating to the Richmond-San Rafael Bridge, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 9, as introduced, Levine. Richmond-San Rafael Bridge.

Existing law specifies the powers and duties of the Department of Transportation, the Metropolitan Transportation Commission, and the Bay Area Toll Authority with respect to the collection and expenditure of toll revenue from the 7 state-owned toll bridges within the geographic jurisdiction of the commission, including the Richmond-San Rafael Bridge.

This bill would require the department, immediately, or as soon as practically feasible, but no later than September 30, 2015, to implement an operational improvement project that temporarily restores the third eastbound lane on State Highway Route 580 from the beginning of the Richmond-San Rafael Bridge in the County of Marin to Marine Street in the County of Contra Costa to automobile traffic and that temporarily converts a specified portion of an existing one-way bicycle lane along the north side of State Highway Route 580 in the County of Contra Costa into a bidirectional bicycle and pedestrian lane. The bill would require the department to keep the temporary lanes in place until the department has completed a specified project relating to the Richmond-San Rafael Bridge or until construction activity for that project necessitates removal of the temporary lanes.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote Required: TWO THIRDS Appropriation: NO Fiscal Committee: YES Local Program: NO Immediate Effect YES Urgency: YES Tax Levy: NO Election: NO Usual Current Expenses: NO Budget Bill: NO Prop 25 Trailer Bill: NO

The people of the State of California do enact as follows:

SECTION 1. (a) The Richmond-San Rafael Bridge opened on September 1, 1956. At the time of construction, the bridge was one of the longest bridges in the world and was constructed at a cost of \$62 million.

(b) The initial construction, with the help of additional funding provided by the state (Chapter 159 of the Statutes of 1955), provided for the construction of six 12-foot-wide lanes. The six lanes were initially comprised of three lanes in both the eastbound and westbound directions.

(c) In 1977, the then little-used third lane on the Richmond-San Rafael Bridge was closed to allow for a pipeline to transport eight million gallons of water a day from the East Bay Municipal Utility District to drought-stricken Marin County. In 1978, the pipeline was removed and the third lane was restriped as an emergency shoulder.

(d) In 1989, following the Loma Prieta earthquake and the closure of the San Francisco-Oakland Bay Bridge from October 17 to November 18, inclusive, the third lane on the Richmond-San Rafael Bridge was opened in both the eastbound and westbound directions to help ease traffic flow across the bay.

(e) The possibility of permanently reopening the Richmond-San Rafael Bridge to bicycle and pedestrian access has been debated for more than three decades since the 1977 closure of the third lane. In 2001, plans for bicycle access were rejected by the Department of Transportation for safety reasons. Alternative plans to open the bridge to bicycle and pedestrian access that address safety are currently under development.

(f) The total estimated cost of permanently reopening the third lane in the eastbound direction on the Richmond-San Rafael Bridge, reconfiguring the bike path on the east side of the bridge, and constructing a bike path on the westbound level of the bridge is \$65 million.

(g) In the interest of improving traffic flow, maximizing existing resources, and reducing the environmental impacts resulting from the traffic backup on the eastbound bridge approach that impacts traffic on Highway 101, it is necessary that the third lane of the bridge be reopened to traffic at the earliest possible date.

SEC. 2. Section 30910.8 is added to the Streets and Highways Code, to read:

30910.8. (a) Notwithstanding any other law, the department shall immediately, or as soon as practically feasible, but no later than September 30, 2015, implement an operational improvement project that does the following:

(1) Temporarily restores the third eastbound lane on State Highway Route 580 that existed prior to 1977 and that was temporarily restored immediately following the Loma Prieta earthquake, from the beginning of the Richmond-San Rafael Bridge in the County of Marin to Marine Street in the County of Contra Costa to automobile traffic.

(2) Temporarily converts the existing one-way bicycle lane along the north side of westbound State Highway Route 580 from the Marine Street interchange to Stenmark Drive and the toll plaza in the County of Contra Costa into a bidirectional bicycle and pedestrian lane.

(b) The department shall keep the temporary third automobile lane and the temporary bidirectional bicycle lane in place until the department has completed the Richmond-San Rafael Bridge Access Improvement Project (RTP ID 240758) or until construction activity for that project necessitates removal of the temporary lanes.

(c) (1) For the duration of the operation of the temporary third automobile lane, the department shall determine, according to a competent engineering analysis, the maximum speed that can be maintained with safety in the eastbound direction and shall post that maximum speed at appropriate locations. If the department determines that the maximum speed is less than the currently posted maximum speed, then the department shall, at the time that the temporary third automobile lane is restored, have in place appropriate devices to alert drivers to the lower speed, which may include, but are not limited to, raised pavement markings, flashing lights, temporary electronic message signs, and any other means that the department deems necessary.

(2) For the duration of the operation of the temporary bidirectional bicycle lane, the department shall install appropriate signage indicating that the lane is bidirectional. The department may place a temporary barrier between the temporary bidirectional bicycle lane and the automobile lanes.

(d) Concurrent with the implementation and operation of the temporary third automobile lane and the temporary bidirectional bicycle lane, the department and the Bay Area Toll Authority shall continue, without delay, current efforts to develop and deliver the permanent Richmond-San Rafael Bridge Access Improvement Project (RTP ID 240758).

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to temporarily restore the third eastbound automobile lane of the Richmond-San Rafael Bridge to automobile traffic at the earliest possible date, it is necessary for this act to take effect immediately.

CONSEQUENCE OF NEGATIVE ACTION:

If the Board of Supervisors does not ratify the letter of support for the bill provided by the Chair, the County will not have a position on the bill.

RE: ABX1 9 (Levine): Richmond-San Rafael Bridge —SUPPORT

Dear Assembly Member Levine:

As Chair of the Board of Supervisors of Contra Costa County, I wish to convey my support of your bill, ABX1 9.

This bill would require the department, immediately, or as soon as practically feasible, but no later than September 30, 2015, to implement an operational improvement project that temporarily restores the third eastbound lane on State Highway Route 580 from the beginning of the Richmond-San Rafael Bridge in the County of Marin to Marine Street in the County of Contra Costa to automobile traffic and that temporarily converts a specified portion of an existing one-way bicycle lane along the north side of State Highway Route 580 in the County of Contra Costa into a bidirectional bicycle and pedestrian lane. The bill would require the department to keep the temporary lanes in place until the department has completed a specified project relating to the Richmond-San Rafael Bridge or until construction activity for that project necessitates removal of the temporary lanes.

ABX1 9 may be most helpful to Contra Costa County residents returning in the evening rush hours, just as it will benefit our commuting residents in the morning to Marin County and elsewhere. For these reasons, I support this bill and wish you success in its enactment.

Sincerely,

A handwritten signature in blue ink that reads "John Gioia".

Subject: Adopt Resolution No. 2015/294 to amend Resolution No. 2009/310 to add Step 2 to WEX Trainee Classification

RECOMMENDATION(S):

ADOPT Resolution No. 2015/294, which amends and supersedes Resolution Nos. 2009/310, 2009/380, 2014/227 and 2014/376 to: 1) Add a second salary step, at \$12.00 per hour, to the salary schedule of the WEX Trainee (XSK2) (unrepresented) classification for participants in the CalWORKS specialized training programs and Workforce Investment Act (WIA) trainees in the Workforce Development Board and Workforce Services Bureau in the Employment and Human Services Department effective July 1, 2015; 2) remove "sick leave" from the list of benefits that individuals in the WEX Trainee and Title V Trainee classifications are not entitled to receive, as previously stated in Resolution No. 2014/376, due to the implementation of AB1522, the "Healthy Workplaces, Healthy Families Act", which became effective July 1, 2015; and 3) revise other outdated language in previous resolutions.

FISCAL IMPACT:

Upon approval, the cost of this action will be absorbed by the Employment and Human Services Department (100% federally funded.)

BACKGROUND:

As part of their strategic planning, the Workforce Development Board (WDB) conducts in-depth labor market analysis to identify priority workforce development sectors that target high-growth, high-wage industries.

BACKGROUND: (CONT'D)

Based on recent findings, the WDB of Contra Costa County has identified the following as priority sectors: 1) Healthcare and Life Sciences; 2) Advanced Manufacturing; 3) Information Communication Technology; 4) Energy; 5) Construction. A medical assistant career training and internship opportunity, which is aligned with the Healthcare and Life Sciences priority sector, has been identified to meet the strategic goals of the WDB.

This WDB program will include ten weeks of comprehensive medical assistant and medical receptionist career training services to a combination of CalWORKs and Workforce Investment Act (WIA) eligible and enrolled participants as provided by Jewish Vocational and Career Counseling Services, and a twelve week internship placement at a John Muir Health location. The medical assistant career training and internship program will require higher level skills training for positions in this particular priority industry sectors, as compared with how WEX Trainee positions are used in other sectors. Therefore, due to the specialized training, skilled work experience, and job duties that participants will be expected to perform during the internship phase of this program, a second salary step at \$12.00 an hour is requested for the WEX Trainee classification. Amending the WEX Trainee classification by adding a Step 2 at \$12.00 per hour will allow for the differentiation between entry level and more highly skilled work experience opportunities, and will appropriately compensate participants who have completed the specialized training and are performing higher level duties during their internship phase.

Throughout the development of this training program the various options around the employer of record were discussed. Given that the county has served in this capacity for WEX trainee positions it was determined that this responsibility was within the scope of current practice. The WDB receives 100% reimbursement from grants for the salaries of these trainees.

CONSEQUENCE OF NEGATIVE ACTION:

If the request is not approved, WEX trainees will not be compensated appropriately for the higher skilled work to be performed during their internship placements as Medical Assistants and Medical Receptionists. In addition, not approving department's request to add Step 2 to the WEX Trainee classification may jeopardize future training programs in priority industry sectors.

CHILDREN'S IMPACT STATEMENT:

The higher skilled level training programs in priority industry sectors support three of the five community outcomes established in the Children's Report Card: Families that are Economically Self Sufficient, Families that are Safe, Stable and Nurturing, and Communities that are Safe and provide a High Quality of Life for Children and Families.

growing and now includes 13 agencies and 60 homeless services and housing programs within Contra Costa. The HMIS Policy Committee of the Inter-jurisdictional Council on Homelessness, which is the central planning body for design and implementation of our HMIS, has determined that with the growing needs of our HMIS community, additional funding would help us provide better analysis of our aggregate data and utilize the HMIS to its fullest potential. These funds will allow us to upgrade our software system, purchase licenses to accommodate additional service providers, and pay for staff time needed to analyze the data and implement data-driven decision making and progress-tracking.

The County's expanded HMIS project will better assess homeless needs in our community, allow for a more targeted allocation of resources, and coordinate services more efficiently and effectively to better facilitate meeting the goals of our plan to end homelessness. Additionally, it will allow the Continuum to engage other homeless and mainstream service providers who are not currently participating in the HMIS. The ability to share information with other providers such as the local Office of Education, Workforce Development Department, regional office of the Social Security Administration and the Veterans Administration will greatly enhance service delivery and encourage opportunities for formal partnerships.

Approval of Grant Award #29-536-3, will allow the County to receive funding for the Homeless Management Information System (HMIS) project through June 30, 2016.

BACKGROUND: (CONT'D)

and local income and rent restrictions. At present, the County manages an affordable housing compliance portfolio of 86 multi-family properties - a number that will grow this year.

The contract had an initial term of five years. After the first five years, the agreement automatically renews annually, unless either party gives a termination notice. When the contract was approved by the Board of Supervisors in 2008, the payment limit was set at \$475,000 to cover the initial five-year term. In June 2013, the Board of Supervisors approved an increase in the payment limit of \$85,000 to pay for services rendered in the sixth year of the contract (May 6, 2013 through May 5, 2014), and in August 2014, approved an increase in the payment limit of \$85,000 to pay for services rendered in the seventh year of the contract (May 6, 2014 through May 5, 2015).

Prior to implementing the web-based compliance system, the County devoted approximately 60 percent of a full time Housing Technician position to multi-family compliance matters. Because the web-based compliance system has made the process of completing federal and state monitoring reports much more efficient, the staffing requirement has dropped to approximately 25 percent of a full time staff position. The value of the increase in efficiency will continue to be realized as the County's portfolio grows. Equally important, management staff now has access to compliance data in a format that is easily accessed and analyzed.

Given the value of the software system and the absence of comparable products in the market, it is requested that the payment limit be increased by \$425,000 (\$85,000 per year for 5 years), to a new payment limit of \$1,070,000, to pay for anticipated costs over the five-year period beginning May 6, 2015 and ending May 5, 2020. The annual payment includes a base charge of \$75,000 for existing housing projects. Additional one-time set-up charges will be incurred for each new project added to the database, as well as additional annual charges of \$6 per unit per new project. The County typically adds one to three new projects each year. An annual allocation of \$85,000 should be sufficient to cover fixed and one-time costs each year.

CONSEQUENCE OF NEGATIVE ACTION:

If the renewal licensing fees are not approved, the County will not have access to the reporting and monitoring program and additional staff will be required to oversee these matters.

APPROVE and AUTHORIZE the Purchasing Agent on behalf of the Employment and Human Services Department to execute a purchase order with Carousel Industries, Inc. in an amount not to exceed \$192,523 for the maintenance of the Verint Voice System and Avaya Voice System for the period July 30, 2015 through July 29, 2016.

FISCAL IMPACT:

BACKGROUND:

In doing so, Carousel Industries, Inc. will support all the Employment and Human Services Department (EHSD) call centers, including the Medi-Cal Service Center (MCSC), Health Care Access Center (HCAC), Medi-Cal Mail In Unit (MMU), and several other call centers. It also serves as the main hub for all phone traffic into EHSD and will insure staff are meeting customer service goals. These systems tie into another system, the Call Management System, that manages call queues, which also interfaces to the CalWIN Consortia. Given the complexity of the overall voice system, EHSD has identified the need to have one central contact for support.

FISCAL IMPACT:

Funding for this project is provided by Enterprise Fund I.

BACKGROUND:

In order to support implementation of the Health Service Department's (HSD) ccLink electronic health records system (EHR) the HSD Information Technology (IT) Unit moved into 2530 Arnold, Suite 350. This suite was previously occupied by the Office of Revenue and Collections, and still has the cashier windows, small counseling rooms, and offices that are too small for multiple staff yet too large for a single manager. The suite requires remodeling in order to make it functional for an IT office environment, which will enhance productivity by allowing the work teams to locate collectively. This project will also allow more staff to be relocated from other HSD IT locations, thereby making former spaces available for other functions.

The subject project was previously approved by the Board of Supervisors, plans and specifications were filed with and approved by the Board, and bids were invited by the Public Works Director. On May 7, 2015, the Public Works Director received bids for the project. On June 16, 2015 the Board of Supervisors exercised its discretion to reject all bids pursuant to the Notice to Contractors; and authorize the Public Works Director to re-advertise for bids for the above project. One bid was received and opened by the Public Works Department on July 21, 2015, and the bid results are as follows:

BIDDER	BASE BID
Vila Construction Co.	\$489,650

The only bid received was above the Architect's Estimate of \$294,000. Staff has evaluated the bid submitted by Vila and their good faith effort documentation. Staff has determined that Vila's bid is responsive and their good faith effort documentation is in compliance with the County's Outreach Program. The Public Works Director recommends the Board award the construction contract for this project to Vila in the amount of \$489,650.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, are on file with the Clerk of the Board, and copies are available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:

If the construction contract is not awarded, HSD IT will continue to have staff at several locations and to have operational inefficiencies. In addition, space will not be vacated at other locations and made available for other intended purposes.

- The CSB Director, a Division Manager, and the delegate agency Executive Director attended the California Head Start Association Policy and Management Institute in Monterey and were honored to meet and be addressed by the newly appointed Director of the Office of Head Start, Dr. Blanca Enriquez, who spoke about reauthorization and the proposed new performance standards. We were also addressed by the President of the National Head Start Association, Yasmira Vincent, who called upon us to refer to Head Start not as a program, but as a “national movement.”
- CSB has been contacted by Danya International, the company that coordinated federal review events, to obtain availability to conduct a baseline assessment of our new Early Head Start – Child Care Partnership Grant. They will be looking at Health and Safety and Fiscal/Eligibility Systems. Staff are excited to welcome them.
- The John Muir, Ronald McDonald and Public Health Dental Vans will be visiting selected sites beginning July 30th at GMC. This is a collaborative effort to ensure high quality dental exams for CSB children. Central/East county children participating in these dental exam opportunities will be linked to La Clinica for their dental home, while those from west county sites will establish a dental home through Lifelong. Exams will be performed at no cost to the parent. For those children enrolled in DentiCal, billing will take place while exams will be free for children without insurance.
- California University of the East Bay Nursing Students have expanded their program to present lesson plans on topics of healthy habits, nutrition and exercise in classrooms at four CSB sites.
- Seven CSB Site Supervisors were selected to participate in the CCC Local Planning and Advocating Council’s Professional Learning Community for Early Care and Education Site Supervisors. Site Supervisors developed an individual professional plan focusing specifically in leadership and methods of communication, leader competencies, and reflective practice in leadership. The Site Supervisors evaluated their growth throughout the nine months using a program administrator’s tool for evaluation of growth. The Site Supervisors

presented their nine month study to the LPC board meeting, July 27th at the County Office of Education.

- This year five remaining CSB centers were added to the nine that were participants of Contra Costa County Quality Rating and Improvement System (QRIS). QRIS is a nationwide effort to improve the quality of early care and education for children. The site supervisors complete a portfolio demonstrating the center staff provide and maintain a quality program. After a careful review of the participants' portfolio, a site monitoring using the Classroom Assessment Scoring System (CLASS) and Environmental rating Scale the CSB centers received a rating of 4 and 5 which is the top two higher ratings in the QRIS Quality Continuum Framework. Two other centers will be assessed in September to make all 15 of CSB centers eligible for QRIS stipend.
- CSB contracted with Interaction Associates to deliver two of their trademarked workshops, Managing With Impact and Facilitative Leadership. Managing With Impact™ (MWI) was held on July 7th and 8th, 2015 and included nineteen (19) site supervisors and comprehensive services managers and assistant managers. The workshop provided participants with practical ideas, skills, tools, perspective, and confidence so they can manage their staff in a way that brings out the best in everyone and contributes directly to the success of the bureau. Facilitative Leadership® (FL) was held on July 15th and 16th, 2015 and included eighteen (18) senior managers, site supervisors, comprehensive services managers and assistant managers. The workshop focused on the Seven Leadership Practices and provided a framework for improving the effectiveness of team, project, and organizational leaders. During both workshops, CSB managers and supervisors had the opportunity to practice the concepts of key leadership behaviors that they learned from MWI an FL and received strong encouragement to integrate these behaviors into their on-the-job practices to increase their productivity and effectiveness.
- First Five sponsored Janissa Rowley to represent Community Services Bureau at the QRIS Conference in Maryland from July 15-17. The [annual](#) conference [is](#) organized by a coalition of states and organizations to promote collaboration and partnership among community agencies and improve the quality of early learning and education across the nation. Several workshops provided information on improvement strategies to elevate the quality of care in state early care and education systems and improve children's development.
- Janissa joined the Contra Costa Early Learning Leadership represented by the County Office of Education and First Five in a visit to Congressman Mark

DeSaulnier's Office at Capitol Hill. Although Congressman DeSaulnier was unavailable during the visit the team met with Sarah L. Jackson, his Senior Legislative Assistant. The visit focused on what we are doing in Contra Costa with "Race to The Top- Early Learning Challenge", Early Head Start-Child Care Partnership, and Head Start funding and scope of services.

II. Status Updates:

a. Caseloads, workload (all programs)

- July Head Start enrollment: 93.53%
- July Early Head Start enrollment: 89.03%
- June Head Start Average Daily Attendance: 77.6%
- June Early Head Start Average Daily Attendance: 82.9%
- Stage 2: 366 families and 589 children
- CAPP: 130 families and 188 children
- In total: 496 families and 777 children
- Incoming cases from Stage 1: 26 families and 36 children
- LIHEAP: 309 households have been assisted
- Weatherization: 21 units

b. Staffing:

- During the month of July CSB conducted an analysis of its staffing needs. The Bureau conducted interviews and hired 3 Associate Teacher-Project and 1 Site Supervisor II. The Bureau continued to recruit to fill line staff vacant positions. CSB's Personnel staff worked with Central HR on opening recruitment to fill key management vacancies such as Assistant Director-Project, Mental Health Clinical Supervisor-Project and Administrative Assistant III. The Bureau is in the process of scheduling interviews to fill various vacancies.

c. Legal/lawsuits

- N/A

d. Union Issues:

- No issues with the union/s were raised during the month of July.

III. Hot Topics/Concerns/Issues:

- N/A

IV. Emerging Issues/New Challenges:

- AB 104 expands the school districts' ability to enroll 4 and 5 year old children into Transitional Kindergarten, which will impact Head Start's ability to enroll predominantly 4 year old children into our directly operated and partner programs. In response, CSB has submitted a request to Head Start Regional Office for a class size waiver to allow CSB and child care partner centers to operate several preschool classes for twenty (20) predominantly 3 year old children. Approval of this waiver would enable CSB to better serve the

educational needs of these younger children and to maintain 100% enrollment as required by Head Start.

To: Board of Supervisors
From: Candace Andersen, District II Supervisor
Date: August 25, 2015

Subject: REFER PACE OPERATING AGREEMENT TO THE INTERNAL OPERATIONS COMMITTEE

RECOMMENDATION(S):

REFER to the Internal Operations Committee and review of the County's PACE program operating agreement for possible amendment.

FISCAL IMPACT:

None.

BACKGROUND:

On June 16, 2015, the Board of Supervisors approved the County's participation in PACE (property assessed clean energy) financing programs and directed the Department of Conservation and Development to implement an application process to enable PACE financing providers to apply to operate PACE programs in Contra Costa County. PACE providers have subsequently raised concerns about the form of the County's operating agreement and related PACE policies. I am recommending that the PACE operating agreement be referred to the Internal Operations Committee in order to provide an opportunity for these concerns to be re-examined in the context of the Board's goals for this program.

CONSEQUENCE OF NEGATIVE ACTION:

Should the Board elect not to refer this matter to its committee, the County's PACE program will be implemented with the operating agreement and policies that were approved by the Board of Supervisors on June 16, 2015.

**OPERATING AGREEMENT BETWEEN
CONTRA COSTA COUNTY AND PACE PROVIDER FOR
PROPERTY ASSESSED CLEAN ENERGY (PACE) FINANCING**

This agreement ("Agreement"), dated as of _____, 2015 ("Effective Date"), is by and between Contra Costa County, a political subdivision of the State of California (the "County"), and _____, a California limited joint powers authority established pursuant to Chapter 5 of Division 7, Title 1 of the Government Code of the State of California (Section 6500 and following (the "PACE Provider").

RECITALS

A. Property Assessed Clean Energy (PACE) financing is a method of providing loans to property owners to finance permanent energy efficiency improvements on real property. A property owner who obtains a PACE loan repays the loan by entering into an agreement that allows an assessment to be levied on the property. These assessments are known as voluntary contractual assessments.

B. Voluntary contractual assessments that are utilized to finance the installation of energy efficiency improvements on real property are authorized by (1) the Improvement Act of 1911, as amended by AB 811 (Streets and Highways Code Section 5898.10 et seq.) ("Improvement Act") and (2) the Mello-Roos Community Facilities Act of 1982, as amended by SB 555 (Government Code Section 53311 et seq. ("Mello-Roos Act").

C. The PACE Provider is a joint exercise of powers authority that was created to establish a PACE financing program. The PACE Provider has established the _____ Program ("PACE Program") to allow the financing of certain renewable energy, energy efficiency and water efficiency improvements that are permanently affixed to real property through the levy of assessments voluntarily agreed to by property owners participating in the PACE Program. Under the PACE Program, the PACE Provider accepts applications from eligible property owners, conducts assessment proceedings, and levies assessments.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the parties agree as follows:

AGREEMENT

- e. Participating Contractors and their representatives, employees, and agents shall not represent themselves as agents, representatives, contractors, subcontractors, or employees of the County or the Department of Conservation and Development or claim association or affiliation with the County or Department of Conservation and Development.
- 7. Agreement with County Auditor-Controller. The PACE Provider will enter into a separate agreement with the Contra Costa County Auditor-Controller for the administration of property tax assessments placed on properties through the PACE Financing program.
- 8. Agreement with Program Participant. Each voluntary contractual assessment between the PACE Provider and a Program Participant shall require the Program Participant to hold harmless, indemnify and defend the County in accordance with the terms set forth in Attachment B, attached hereto. The terms set forth in Attachment B shall be incorporated into the PACE Provider's voluntary contractual assessment with each Program Participant for PACE Financing.
- 9. Indemnification and Release.
 - a. Indemnification Obligation of the PACE Provider. To the fullest extent not prohibited by applicable law, the PACE Provider shall defend, indemnify, protect, save, and hold harmless the County, the County Auditor-Controller, the County Treasurer-Tax Collector, their respective employees, agents, attorneys, officers, divisions, related agencies and entities, affiliates, successors and assigns (collectively and individually the "Indemnitees"), from any and all claims, cost, loss, liability, expense, damage (including consequential damages), or other injury, claim, action or proceeding (collectively "Liability") arising out of or connected with this Agreement or activities taken by the parties pursuant to this Agreement, including: (i) any claim, action or proceeding to attack, set aside, void, abrogate, rescind or annul this Agreement or the actions of either party under this Agreement; (ii) the placement or collection of assessments on participating properties; or (iii) the acts, errors or omissions of the PACE Provider, its officers, employees, agents, contractors, subcontractors, or any person under its direction or control in connection with this Agreement; and will make good to and reimburse Indemnitees for any expenditures, including reasonable attorney's fees, the Indemnitees may make by reason of such matters. If requested by any of the Indemnitees, the PACE Provider will defend any such suits at the sole cost and expense of the PACE Provider with counsel selected or approved by the Contra Costa County Counsel.

The PACE Provider's obligations under this section will exist regardless of concurrent negligence or willful misconduct on the part of any Indemnatee or any other person; provided, however, that the PACE Provider will not be required to indemnify Indemnitees for the proportion of Liability a court determines is attributable to the sole negligence or willful misconduct of the County, its

governing body, officers or employees. This indemnification clause shall survive the termination or expiration of this Agreement.

b. PACE Provider's Release. To the fullest extent not prohibited by applicable law, the PACE Provider hereby releases and forever discharges the County, the County Auditor-Controller, the County Treasurer-Tax Collector, their respective employees, agents, attorneys, officers, divisions, related agencies and entities, affiliates, successors and assigns (collectively "Released Parties"), from any and all claims, cost, loss, liability, expense, damage (including consequential damages), or other injury, claim, action or proceeding (including without limitation, attorneys fees and expenses), which the PACE Provider now has or could assert in any manner arising out of or connected with this Agreement, the subject matter of this Agreement, or activities taken by the parties pursuant to this Agreement, including any claim, action or proceeding to attack, set aside, void, abrogate, rescind or annul this Agreement or the actions of either party under this Agreement. The PACE Provider knowingly waives the right to make any claim against the Released Parties for such damages and expressly waives all rights provided by section 1542 of the California Civil Code, which provides as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

The rights and obligations contained in this paragraph will survive termination of this Agreement.

c. Indemnification and Release Obligations of Participating Contractors and PACE Administrator. The PACE Provider must require each Participating Contractor and PACE Administrator to release, defend, indemnify, protect, save, and hold harmless the County, the County Auditor-Controller, the County Treasurer-Tax Collector, their respective employees, agents, attorneys, officers, divisions, related agencies and entities, affiliates, successors and assigns, to the same extent as the indemnity and release provided by the PACE Provider to the County in sections 9(a) and 9(b) of this Agreement.

10. Term of Agreement. The term of this Agreement shall be from the Effective Date until termination in accordance with the provisions of Section 11, Termination.

11. Termination.

a. Termination without Cause. Notwithstanding any other provision of this Agreement, at any time and without cause, the County or PACE Provider shall have the right, in its sole discretion, to terminate this Agreement by

giving 30 days' written notice to the other Party of this Agreement. This Agreement may be cancelled immediately by written mutual consent.

- b. Termination for Cause. Notwithstanding any other provision of this Agreement, if the PACE Provider fails to uphold any of its obligations under this Agreement, or otherwise violates any of the terms of this Agreement, the County may immediately terminate this Agreement by giving the PACE Provider written notice of such termination, stating the reason for termination.
- c. Discontinuation of PACE Program. Upon 24 hours' notice from the County, the PACE Provider shall immediately discontinue its residential PACE Program in the County's unincorporated area if the Federal Housing Finance Authority (FHFA) takes any action in California pertaining to PACE Financing, as it relates to Fannie Mae and Freddie Mac mortgages, that the County determines will create an undue liability to the County or Program Participants.
- d. Delivery of Data and Information upon Termination. In the event of termination and within 14 days following the date of termination, the PACE Provider must deliver to County all data and information for all properties with contractual assessments, as specified in Section 5, Reports.
- e. Effect of Termination. If the Board of Supervisors terminates this agreement pursuant to this Section 11, the PACE Provider may not solicit new assessment contracts within the unincorporated areas of the County.
- f. Upon termination of this Agreement or the discontinuance of the PACE Program, the PACE Provider shall continue to administer all voluntary assessment contracts that exist at the time of the termination.

12. Insurance.

- a. The PACE Provider is self-insured, and shall provide the County with a letter of self-insurance within 30 days after the effective date of this Agreement.
- b. The PACE Provider will ensure that the following insurance requirements are incorporated into all contracts entered into by the PACE Provider with each PACE Administrator and Participating Contractor, or their respective contractors, subcontractors or assigns, in connection with this Agreement: (1) each PACE Administrator and Participating Contractor must maintain workers' compensation insurance pursuant to state law; (2) each PACE Administrator and Participating Contractor must maintain commercial general liability insurance, including contractual liability (or blanket contractual) coverage, owners' and contractors' protective coverage, and

broad form property damage coverage, with a minimum of \$2 million per occurrence; (3) each Participating Contractor must maintain builders' risk insurance in an amount equal to the construction contract amount, with a waiver of subrogation for the County, and naming the County as additional insured; (4) each PACE Administrator and Participating Contractor must maintain vehicle liability insurance with a minimum combined single-limit coverage of \$500,000 per occurrence; and (5) each PACE Administrator shall maintain Professional Liability Errors and Omissions Insurance coverage at \$1,000,000 per occurrence or aggregate limit. Each PACE Administrator and Participating Contractor shall provide certificates of insurance to the County, copies of policies, or endorsements evidencing the above insurance coverage and requiring at least 30 days' written notice to the County of policy lapse, cancellation, or material change in coverage. The commercial general liability insurance and vehicle liability insurance shall include endorsements naming the County, and its governing body, officers, agents and employees, as additional insured. The aforementioned insurance policies shall contain a provision that the insurance afforded thereby to the additional insureds shall be primary insurance to the full limits of the policy and that, if any of the additional insureds has other insurance or self-insurance against a loss covered by such policy, such insurance or self-insurance shall be excess insurance only.

13. Miscellaneous Provisions.

- a. Independent Contractor Status. The parties intend that the PACE Provider, in implementing and operating the PACE Program, is an independent contractor, and that the PACE Provider will control the work and the manner in which it is performed. This Agreement is not to be construed to create a relationship between the parties of agent, servant, employee, partnership, joint venture, or association. The PACE Provider is not a County employee. WAIVER, RELEASE OF LIABILITY AND INDEMNIFICATION PROVISIONS

ASSESSMENT CONTRACT BETWEEN PACE PROVIDER AND PROGRAM PARTICIPANT

1. Waiver of Assessment Proceedings.

Because this Agreement between the PACE Provider and Program Participant reflects the Program Participant's free and willing consent to pay the Assessment, the Program Participant hereby waives any otherwise applicable requirements of Article XIIIID of the California Constitution or any other provision of California law for an engineer's report, notice, public hearing, protest or ballot. The Program Participant hereby waives the right to repeal the Assessment by initiative or any other action, or to file any lawsuit or other proceeding to challenge the Assessment or any aspect of the proceedings of the PACE Provider undertaken in connection with the PACE Program.

2. Responsibility for Eligible Improvements.

The Program Participant hereby agrees that the Program Participant and its successors in interest to fee title in the property shall be solely responsible for the installation, operation and maintenance of the Eligible Improvements. The Program Participant hereby acknowledges that the Program Participant and its successors in interest to fee title in the property will be responsible for payment of the Assessment regardless of whether the Eligible Improvements are properly installed, operated or maintained as expected.

The Program Participant hereby agrees that the PACE Provider is entering into this Agreement solely for the purpose of assisting the Program Participant with the financing of the installation of the Eligible Improvements, and that the PACE Provider, PACE Administrator and the County shall have no responsibility of any kind for, and shall have no liability arising out of, the installation, operation, financing, refinancing or maintenance of the Eligible Improvements.

3. Indemnification Obligation of Program Participant.

To the fullest extent not prohibited by applicable law, the Program Participant shall defend, indemnify, protect, save, and hold harmless the PACE Provider, PACE Administrator, Contra Costa County, the County Auditor-Controller, the County Treasurer-Tax Collector, their respective employees, agents, attorneys, officers, divisions, related agencies and entities, affiliates, successors and assigns (collectively and individually the "Indemnitees") from any and all claims, cost, loss, liability, expense, damage (including consequential damages), or other injury, claim, action or proceeding (collectively "Liability") arising out of or connected with this Agreement or activities taken by the parties pursuant to this Agreement, the Operating Agreement between the

PACE Provider and Contra Costa County, or the agreement between the PACE Provider and the PACE Administrator, including: (i) any claim, action or proceeding to attack, set aside, void, abrogate, rescind or annul said Agreements or the actions of either party under said Agreements; (ii) the placement or collection of assessments on participating properties; or (iii) the acts, errors or omissions of the Program Participant, its officers, employees, agents, contractors, subcontractors, or any person under its direction or control in connection with this Agreement or the PACE Program; and will make good to and reimburse Indemnitees for any expenditures, including reasonable attorney's fees, the Indemnitees may make by reason of such matters. If requested by any of the Indemnitees, the Program Participant will defend any such suits at the sole cost and expense of Program Participant with counsel selected or approved by the affected Indemnitees.

The Program Participant's obligations under this section will exist regardless of concurrent negligence or willful misconduct on the part of any Indemnatee or any other person; provided, however, that the Program Participant will not be required to indemnify any Indemnatee for the proportion of Liability a court determines is attributable to the sole negligence or willful misconduct of that Indemnatee. This indemnification clause shall survive the termination or expiration of this Agreement.

4. Release.

To the fullest extent not prohibited by law, the Program Participant hereby releases and forever discharges the PACE Provider, PACE Administrator, Contra Costa County, the County Auditor-Controller, the County Treasurer-Tax Collector, their respective employees, agents, attorneys, officers, divisions, related agencies and entities, affiliates, successors and assigns (collectively "Released Parties") from any and all claims, cost, loss, liability, expense, damage (including consequential damages), or other injury, claim, action or proceeding (including without limitation, attorneys' fees and expenses), which the Program Participant now has or could assert in any manner arising out of or connected with the subject matter of this Agreement, the Operating Agreement between the PACE Provider and Contra Costa County, or the agreement between the PACE Provider and the PACE Administrator, or activities taken by the Released Parties pursuant to said Agreements, including any claim, action or proceeding to attack, set aside, void, abrogate, rescind or annul said Agreements or the placement or collection of assessments on participating properties. The Program Participant knowingly waives the right to make any claim against the Released Parties for such damages and expressly waives all rights provided by section 1542 of the California Civil Code, which provides as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

The waivers, releases and agreements set forth in this document shall survive termination of the Agreement.

On-Bill Financing for Energy Efficiency Upgrades

Zero-interest financing for business customers

Energy efficiency upgrades are a great way for businesses to lower their energy use and reduce monthly bills. PG&E can help you make facility improvements without high interest costs.

Program benefits for business customers:

- Financing from \$5,000 to \$100,000 of the project cost, after incentives
- Loan terms up to five years
- Zero interest
- No minimum credit requirements
- Loan repayment is based on projected energy savings

What is On-Bill Financing?

- The Energy Efficiency Retrofit Loan Program, also known as On-Bill Financing, helps eligible customers pay for energy efficiency retrofit projects with zero interest, zero penalty loans.
- The program works in conjunction with PG&E's energy efficiency rebate and incentive programs by eliminating up-front costs.
- After project completion, PG&E will lend the money for the retrofit, and the customer will pay the loan—interest free—through their monthly utility bills.

How much can businesses and agencies borrow?

- Business customers may qualify for loans between \$5,000 and \$100,000 per service address, with loan periods of up to 60 months.
- Government agencies may qualify for loans between \$5,000 and \$250,000 per service address, with loan periods of up to 120 months.
- Loan funds must be used to purchase and install qualifying energy efficient equipment.

What kinds of projects are eligible?

Financing is available to fund many energy efficient technology upgrades, including LED lighting, refrigeration, HVAC, food service and LED streetlight projects. To qualify, a project's total cost savings must be sufficient to repay the loan within the maximum loan term limits, and the project must qualify for a rebate or incentive through a PG&E program.

Customers may install the equipment themselves or hire a contractor to perform the work. PG&E may need to inspect the site before the old equipment is removed and may perform another inspection upon project completion.

How is the loan term calculated?

To qualify for financing through the On-Bill Financing Program, a project's estimated energy savings must be sufficient to repay the loan during the maximum allowable payment term. The monthly payment is calculated based on estimated monthly energy savings.

For example:

Project cost	\$10,000
Energy efficiency rebates and/or incentives	(\$2,500)
Loan amount (remaining costs to be funded)	\$7,500
Estimated monthly energy savings from retrofit	\$300
Monthly loan installment billed on PG&E utility bill	\$300
Simple payback period (loan amount divided by monthly payment amount)	25 months

The loan terms for the customer in this example would be \$300 per month for 25 months.

If a business customer closes a PG&E account before the loan term ends—for example if a business closes or moves to a new location—the business must pay off its loan balance when the final bill is settled.

Does your business or agency qualify?

Before beginning your retrofit project, contact PG&E to make sure your energy efficiency upgrades qualify for On-Bill Financing. To be eligible, customers must have a PG&E account that has been continuously active for the past 24 months and has been in good standing for the past 12 months. Business customers are also subject to a payment history screening.

Residential Energy Conservation Ordinance (RECO)

WHAT? A RECO ordinance requires energy efficiency upgrades to be installed in a house at the time of sale or at the time of a major remodel. Compliance with RECO measures saves money in energy savings and reduces the amount of GHG emissions in each home. A RECO ordinance will greatly influence the reduction of city GHG emissions.

WHY? Buildings have a long lifespan. The initial technology installed in a house is often outdated by the time an owner sells the building. By implementing a RECO, these energy upgrades are implemented when owners are already undergoing property inspections and improvements associated with the sale or remodel.

- More than two-thirds of CA's residential buildings were built before 1982 and so therefore did not have energy performance requirements from the CEC.
- With continual upgrades in the state's energy standards since 1978, even houses built in 1990 lack some of the most cost-effective efficiency measures.
- The number of existing homes sold each year is triple the number of new homes that are built.

By improving the existing building stock, GHG emissions can be greatly reduced in a building sector that would otherwise remain relatively stagnant.

WHO? Cities and counties have ordinances that require energy efficiency improvements to buildings at the time of sale. Local governments define what classifies as a major remodel to ensure updates at that time also. Utilities sometimes partner with local governments to expand the use of these local energy conservation ordinances as part of the 2006-08 energy efficiency programs.

A project of Generation Green

www.cccclimateleaders.org

The network for local governments sharing, publicizing and facilitating greenhouse gas emission reduction policies in Contra Costa County.

THE PROJECT

The mission of the Contra Costa County Climate Leaders Program (4CL) is to help Local Governments take action and reduce Green House Gas (GHG) emissions in Contra Costa County (CCC). To facilitate regional action, we monitor activities, provide free resources and tools and a multimedia communications strategy that ensures best practices are shared and implemented. Joined by elected officials, paid staff, volunteer advocates and grassroots organizations, we are ALL climate leaders in CCC.

2009 GHG emissions by Sector

(Air Resources Board, 2000-2009 emission inventory)

Year 2009: Total Gross Emissions

456.8 MMT CO₂e

THE PURPOSE

The 19 cities in CCC are some of the fastest growing areas in the Bay Area. It is critical that CCC utilize smart growth opportunities and cities share best practices.

- The County's emission rate in tons/person is the highest of all the Bay Area counties.
- The population is significant in size (1 million as compared to Alameda's 1.4 million).
- The growth rate of CCC (8%) is much higher than the other counties and higher than California as a whole (6%).

With the passage of AB32 and SB375 these numbers become significant. Our organization is eager to help local governments share best practices and achieve regional goals.

THE BENEFITS

There are no dues or fees or to use the tools and resources provided. We are all volunteers working for the same cause: to help local governments reduce GHG emissions in Contra Costa County. We provide the following:

- Monthly newsletters featuring up to date local actions.
- Website featuring interactive map with links to all contra costa county cities for sharing of best practices and tracking status on Climate Action Planning.
- Periodic workshops on key policy issues.
- Periodic fact sheets on key issues facing Contra Costa County.

County Timekeeping Practices

Need for Accuracy in Reporting Time & Remedies for Inaccuracy

TO: The Contra Costa County Board of Supervisors

Contra Costa County Auditor-Controller

SUMMARY

A critical function of any business or government agency is to ensure that its employees are properly compensated based on the time and services that they have provided. To do so, employers must have a system in place for employees to record time worked, as well as job functions performed, since pay for a job classification may vary based on the work an employee carries out.

The elements of timekeeping must allow for enough flexibility to accurately capture schedules and duties that earn additional pay. However, the more elaborate the timekeeping system, the more difficult it is for employees to accurately record time worked and specific work performed. Difficulties can lead to errors, which may be the result of inadequate training, lack of knowledge of changes and updates, or simple misunderstandings. It may also open the door to deliberate misstatement of time worked and duties performed.

Both honest errors and deliberate falsification can be identified by operational timekeeping audits and through inquiries or complaints from other employees. The latter method of identification requires an avenue for employees to report instances of perceived abuse without fear of retaliation, a "whistleblower" program.

However errors are identified, immediate response is essential to prevent abuse from becoming widespread. Errors can be minimized by thoroughly training employees at hire, and then at regular intervals during their employment to provide updates and changes. Allegations of deliberate falsification must be immediately and thoroughly investigated, with consistent enforcement of consequences.

While Contra Costa County's (the County) timekeeping system is complex, timekeeping training for new hires is inconsistent and inadequate. Department

operational audits do not include any review of how time worked is recorded. The County does not have a whistleblower program to report suspected timekeeping abuse or fraud.

The following actions could help correct these weaknesses:

- ☐ Provide more thorough and consistent timekeeping training.
- ☐ Include attestations of accuracy on timesheets.
- ☐ Require oversight by supervisors or managers.
- ☐ Include timekeeping in operational audits, and recommend corrective retraining as needed.
- ☐ Educate employees about whistleblower procedures.
- ☐ Institute a link to the whistleblower program on the County intranet.

The focus of this report is the County's timekeeping practices, employees' obligations and responsibilities for accuracy, and remedies for timekeeping errors and suspected abuse and/or fraud.

BACKGROUND

Contra Costa County has more than 10,500 employees. Of these employees, roughly 80% are full or part time salaried employees and 20% are hourly employees. Salaried employees earn additional pay under various circumstances. Some of the more common examples of the 230 variable timekeeping pay codes are overtime pay, shift differential pay, hazard pay, on-call pay, and call-back pay.

The County has a monthly pay cycle that runs on the 10th of the month for salaried employees. These employees may opt to receive up to one-third of their monthly pay as an advance on the 25th of the month preceding the regular pay cycle for the payment. Most salaried employees have chosen to receive this advance. County employees who are hourly are on a semi-monthly pay cycle. These employees receive their pay on the 10th and 25th of the month. This pay cycle structure adds one of many levels of complexity to the payroll system.

In the late 1990s, technology made the process of timekeeping and payroll an automated function allowing for consolidation of timekeeping and payroll systems. The County began a staged rollout of a system called Kronos to County Departments in 1998 with the final department going on-line in 1999. However, before this rollout began, the initial implementation of the Kronos system revealed that, as configured, Kronos would not be operationally feasible for the County because it only allowed the input of timekeeping data one employee at a time. With 10,300 County employees at that time, single employee entry input was not practical. The Auditor-Controller's office worked with Kronos and developed the Rapid Data Entry system as a solution. The Rapid Data Entry system allowed departments to select multiple employees within a department or division and enter individual employee time codes on a single data entry screen. Kronos and Rapid

Data Entry systems are still in use today. Together these systems send the timekeeping data to the County payroll program called PeopleSoft. The potential for timekeeping fraud is prevalent due to confusion about pay code use. Different clerks may enter information about the same work performed by the same position but using different pay codes, resulting in incommensurate pay or benefits. For example, employees may incorrectly receive pension compensable time for time that should not be coded as pension compensable. Timekeeping audits are not performed on timekeeping records to ensure accuracy.

If a County employee suspects fraud or other timekeeping abuses taking place, the employee has no readily available avenue for reporting it. The County does not have its own whistleblower policy or procedures in place.

DISCUSSION

Timekeeping in the County is complex due to the large number of employees, multiple bargaining units and a high degree of decentralization. At least 28 departments operate independently throughout the County. Fifteen unions with 19 Memoranda of Understanding (MOU) create 30 bargaining units, and generate approximately 90 different sets of rules for the application of the various pay codes within each position in the County.

Of the County's 10,500 employees, approximately 80% are full or part time salaried employees, while the remaining 20% are hourly employees. Job description and pay grade determine compensation for the salaried employees. Many of these employees are eligible for variable compensation, which is determined by the governing MOU. These detail types and rates of compensation applicable to the variable pay codes. Currently there are 230 timekeeping pay codes in effect.

The County's current system is based on employees manually recording their time on a timesheet or timecard. The timesheet, which is signed by the employee and the employee's supervisor or manager, contains no attestation or certification of accuracy by either. The addition of an attestation is widely accepted to be a strong deterrent against abuse or fraud and mandates review and verification by management. To date, the County has not implemented a way to verify the accuracy of a timesheet. The information from the timesheet is then entered by a pay clerk who assigns a pay code that he or she interprets to be correct. The Auditor-Controller's Office runs payroll queries that have caught inaccurate timecode entries. An example is when employees performing exactly the same work, but in different locations, have had their work assigned to different pay codes because different pay clerks, even in the same department, may not share the same interpretation of the pay code. However, not all inaccuracies are identified by these queries. In a 2013 *Contra Costa Times* column, Daniel Borenstein, wrote that doctors at the Regional Medical Center were receiving on-call pay when they were actually not on-call. Because of this article, the Auditor-Controller's Office has since

increased the number of payroll queries, but does not include timekeeping records as part of these operational audits.

With over 50 payroll clerks entering pay codes for over 10,500 employees, governed by 19 different MOUs, centralized training is not feasible. However, department-specific procedures could be codified and made available. Without these written procedures, employees who fill out their own timesheets are left to be trained by payroll clerks, supervisors, or managers, many of whom have not themselves received department-specific training.

Beginning in 2012, the County began working with ADP, an industry-leading payroll service, to update their payroll and timekeeping systems. One critical aspect of a new system is the implementation of a scheduling system. The ADP version is called eTime scheduler and is a component of the timekeeping system.

In anticipation of rolling out a new timekeeping system, the County Administrator's Office released Administrative Bulletin 435. This bulletin establishes policy, procedures, and criteria, for the evaluation, authorization, and implementation for the already-existing 9/80 work schedules. A 9/80 work schedule allows an employee to work 80 hours in nine days instead of ten days. Its purpose, as outlined in this bulletin "is to enhance County service and accommodate employee lifestyle and work preference while not adversely affecting the interest of the County, departments, other employees, or the public." These schedules, in conjunction with existing County-approved schedules, bring the total number of approved schedule patterns to 917 (see Appendix A). Of these 917 approved patterns, currently 661 patterns are in use. This number of schedule patterns adds a higher degree of complexity to an already complex system.

At the time of this report, ADP has not been able to meet the County's need for a comprehensive timekeeping system. This situation is due to the complexity created by the number of time codes allowed under the operating MOUs, the number of schedules available to employees and the advance payment option.

The delay in implementing the new timekeeping system led to the Auditor-Controller's Office developing a Time Schedule Collection Website to use in the interim. In March of 2014, all County departments were instructed to input and maintain full and part-time employees' schedules on the Time Schedule Collection Website until implementation and rollout of the ADP eTime system. Currently only 4,723 employees (56.7%) of the 8,326 employees whose timekeeping will be tracked by the ADP eTime system have a schedule in this website. While failure to properly use the Time Schedule Collection Website may open the door to timekeeping mistakes or fraud, the County does not have its own whistleblower policy or any publicized procedures for employees to report such instances.

FINDINGS

- F1. County employees record their time on timesheets or timecards.
- F2. County employees and their supervisor or manager are not required to attest to the accuracy of their timesheets or time cards.
- F3. The County has not implemented a method to verify the accuracy of timesheets and timecards.
- F4. Pay clerks sometimes enter inaccurate pay codes due to misunderstandings, lack of training, and lack of department-specific codified procedures.
- F5. In March of 2014, County departments were directed to maintain employees' schedules in the County-developed Time Schedule Collection Website.
- F6. Currently, only 4,723 (56.7%) of the 8,326 employees have schedules in the Time Schedule Collection Website.
- F7. The County encounters difficulty in tracking and recording appropriate time and pay codes due to the complexity of its timekeeping structure.
- F8. The County does not have its own whistleblower policy or procedures in place for employees to report suspected timekeeping fraud.
- F9. Deficiencies in timekeeping practices are not systematically identified and corrected because operational audits do not include timekeeping practices and payroll queries are not sufficiently comprehensive to identify all deficiencies.
- F10. The County has a semi-monthly pay cycle for hourly employees and has created what amounts to a semi-monthly pay cycle for salaried employees by allowing these employees the option to take up to a one-third advance.

RECOMMENDATIONS

- R1. The County should require timesheets or the system of time reporting to include a signed attestation of accuracy from the reporting employee and employee's supervisor or manager.
- R2. The County should require department supervisors or managers to periodically review attendance and time records to ensure both accuracy and completeness.
- R3. The Auditor-Controller's Office should consider codifying timekeeping and pay code procedures for each department, and identifying funds to do so.
- R4. The County should make timekeeping and pay code procedures promulgated by the Auditor-Controller's Office, along with associated training, available to all payroll clerks and included in the new employee orientation.

- R5. The County should direct all departments to place salaried employees' schedules in the Time Schedule Collection Website as required in the March 6, 2014 bulletin from the office of the Auditor-Controller.
- R6. The Auditor-Controller's Office should explore possible ways to reduce the number of pay codes to a more manageable level.
- R7. The County should consider developing whistleblower procedures for employees reporting suspected timekeeping fraud, posting these procedures on the County's intranet, and identifying funds to carry out these activities.
- R8. The Auditor-Controller's Office should consider including timekeeping practices in operational audits and recommending corrective action for all timekeeping deficiencies identified and identifying funds to carry out these activities.
- R9. The County should adopt a semi-monthly pay cycle for all employees which will eliminate the need for an option to take a monthly advance.

CONTRA COSTA COUNTY
Office of the County Administrator
ADMINISTRATIVE BULLETIN

Number: 435
Date: December 24, 2012
Section: Personnel

SUBJECT: 9/80 Work Schedules

The purpose of 9/80 Work Schedules is to enhance County service and accommodate employee lifestyle and work preferences, while not adversely affecting the interests of the County, departments, other employees, or the public. This Administrative Bulletin establishes policy, procedures, and criteria for the evaluation, authorization, and implementation of 9/80 work schedules.

- I. **APPLICABILITY.** This bulletin replaces and supersedes all other County and department policies regarding 9/80 work schedules.
- II. **AUTHORITY.** In accordance with the provisions of Contra Costa County Ordinance Code Section 24-4.008, the County Administrator has the authority and the responsibility to establish and enforce personnel policies in County departments and agencies, including work schedule policies.
- III. **POLICY.** Department Heads may offer current and future employees a 9/80 work schedule with the first or second Monday or Friday off and with a start time of 7:30 am. or 8:00 am. This option is to be used for most employees who work a 9/80 work schedule.

Additionally, Department Heads may offer 9/80 work schedules in accordance with Appendix A, attached hereto. This authority is limited to those employees and to those schedules that are set forth in Appendix A. No other 9/80 schedules will be allowed and each bargaining unit is limited to its specified schedules.

9/80 work schedules may be implemented on a department-wide, division-wide, section-wide or work group basis.

- IV. **EMPLOYEE PARTICIPATION IN A 9/80 WORK SCHEDULE.** Participation in a 9/80 work schedule is voluntary for employees, but the prior, written approval of the Department Head is required. The decision of the Department Head on the issue of employee eligibility to participate in a 9/80 work schedule is final and is not subject to any appeal of any kind.

V. INITIATION, MODIFICATION, AND DISCONTINUATION OF AN EMPLOYEE'S 9/80 WORK SCHEDULE.

- A. General Rule: Initiation, modification, or discontinuation of a 9/80 work schedule must not adversely affect the services of the department, increase operating costs, or reduce revenues. Initial participation in a 9/80 work schedule, modification of an existing 9/80 work schedule, or discontinuation of a 9/80 work schedule may only occur two times each calendar year, per employee.
- B. Timing: A 9/80 work schedule may only be initiated, modified, or discontinued once an employee has completed his/her current scheduled work week. (Failure to follow this direction may result in an obligation to pay overtime to the affected employee.)

VI. FLEXING THE WORK SHIFT ON THE 8 HOUR WORK DAY

Flexing the work shift on the 8-hour workday for a FLSA non-exempt employee is not permitted unless expressly authorized by the Department Head. Allowing an employee to flex his/her work shift on his/her 8-hour workday will result in the obligation to pay overtime to the employee and should be avoided for that reason.

VII. TRANSITIONING WORK SCHEDULES.

When an employee transitions from a 5/40 work schedule to a 9/80 work schedule, the start date/time of the employee's work week will automatically change. This change means that some hours worked by the employee will fall in both the old workweek and the new workweek. For example, if the old workweek began on Sunday at midnight, and the new workweek is proposed to begin on Friday at noon, any hours worked between noon on Friday and midnight on Sunday will constitute both the last hours of the old 5/40 workweek and the first hours of the newly established 9/80 workweek.

In accordance with the Fair Labor Standards Act, when hours worked by a non-exempt employee fall within both the old and new workweeks, a calculation of overtime must be made by the Auditor's Office, which includes those hours in both the old and new workweeks, and the greater of the two amounts will be paid to the employee. When the non-exempt employee does not actually work those overlapping hours and instead uses leave accruals of any kind (vacation, sick leave, personal holiday, etc.), this overtime obligation is avoided. Department Heads should try to avoid this overtime situation to the extent it is operationally feasible.

BOARD OF SUPERVISORS RESPONSE TO
CONTRA COSTA COUNTY GRAND JURY REPORT 1511:

County Timekeeping Practices

FINDINGS

- F1. County employees record their time on timesheets or timecards.

Response: The respondent agrees with the finding. County employee timesheets may be paper or electronic.

- F2. County employees and their supervisor or manager are not required to attest to the accuracy of their timesheets or time cards.

Response: The respondent partially disagrees with the finding. County employees and their supervisor or manager are required to sign their timesheets or time cards attesting to the accuracy of their submittals. Additionally, there are processes in place to verify many of the items recorded on an employee's timesheet or timecard, such as accrual usage that exceed an employee's balance and posting overtime, holiday, flexible pay, and compensatory time off if the employee's classification is ineligible to receive those pays. Presently, the Office of the Auditor-Controller and Department of Information Technology are working to expand the validation of timekeeping records prior to importing those records into the Payroll System so that ineligible pay items are rejected and reported for further review by departmental and central payroll staff.

- F3. The County has not implemented a method to verify the accuracy of timesheets and timecards.

Response: The respondent disagrees with the finding. County Auditor-Controller payroll staff spend a significant number of hours each pay period to verify many of the items recorded on an employee's timesheet or timecard, such as accrual usage that exceed an employee's balance and posting overtime, holiday, flexible pay, and compensatory time off if the employee's classification is ineligible to receive those pays. Presently, the Office of the Auditor-Controller and Department of Information Technology are working to expand the validation of timekeeping records prior to importing those records into the Payroll System so that ineligible pay items are rejected and reported for further review by departmental and central payroll staff.

- F4. Pay clerks sometimes enter inaccurate pay codes due to misunderstandings, lack of training, and lack of department-specific codified procedures.

Response: The respondent agrees with the finding.

- F5. In March of 2014, County departments were directed to maintain employees' schedules in the County-developed Time Schedule Collection Website.

Response: The respondent agrees with the finding.

F6. Currently, only 4,723 (56.7%) of the 8,326 employees have schedules in the Time Schedule Collection Website.

Response: The respondent agrees with the finding, as of May 2015.

F7. The County encounters difficulty in tracking and recording appropriate time and pay codes due to the complexity of its timekeeping structure.

Response: The respondent agrees with the finding.

F8. The County does not have its own whistleblower policy or procedures in place for employees to report suspected timekeeping fraud.

Response: The respondent partially disagrees with the finding. Although the County does not have a formal whistleblower policy in place, procedures exist for employees to report suspected timekeeping fraud.

F9. Deficiencies in timekeeping practices are not systematically identified and corrected because operational audits do not include timekeeping practices and payroll queries are not sufficiently comprehensive to identify all deficiencies.

Response: The respondent partially disagrees with the finding. See response to Finding F3.

F10. The County has a semi-monthly pay cycle for hourly employees and has created what amounts to a semi-monthly pay cycle for salaried employees by allowing these employees the option to take up to a one-third advance.

Response: The respondent partially disagrees with the finding. The advance that salaried employees receive is very different from a semi-monthly pay cycle. These employees are still salaried and may opt to take up-to one-third of their base salary as an advance on future pay.

RECOMMENDATIONS

R1. The County should require timesheets or the system of time reporting to include a signed attestation of accuracy from the reporting employee and employees' supervisor or manager.

Response: The recommendation has been implemented. Although the County does require timesheets to include a signed attestation of accuracy from the employee and employees' supervisor or manager, corrections/edits that are made to timesheets by departmental and Auditor-Controller payroll staff are not returned to the employee/supervisor/manager to attest the accuracy of the changes made.

R2. The County should require department supervisors or managers to periodically review attendance and time records to ensure both accuracy and completeness.

Response: The recommendation has been partially implemented. The County continues to pursue technological improvements that will make review of attendance and time records easier.

- R3. The Auditor-Controller's Office should consider codifying timekeeping and pay code procedures for each department, and identifying funds to do so.

Response: The recommendation will not be implemented because it is not warranted. The County has timekeeping and pay code procedures on a Countywide basis that are codified in the County's Memoranda of Understandings and various Board adopted Resolutions. Each department has assigned payroll personnel and funding to implement those timekeeping and pay code procedures.

- R4. The County should make timekeeping and pay code procedures promulgated by the Auditor-Controller's Office, along with associated training, available to all payroll clerks and included in the new employee orientation.

Response: The recommendation will not be implemented as it is not warranted. The Auditor-Controller's Office provides payroll training to departments on an as needed basis. Employees attending the new employee orientation are represented by many different bargaining groups, receive very different pays, and will work in different departments currently utilize different time capture methods. It would be very difficult and confusing to employees to include timekeeping training in such a setting.

- R5. The County should direct all departments to place salaried employees' schedules in the Time Schedule Collection Website as required in the March 6, 2014 bulletin from the office of the Auditor-Controller.

Response: The recommendation has been implemented.

- R6. The Auditor-Controller's Office should explore possible ways to reduce the number of pay codes to a more manageable level.

Response: The recommendation has been implemented. The Auditor-Controller's Office has consistently explored ways to reduce the number of pay codes. As part of normal County operations, the Auditor-Controller's Office is required to provide input on the establishment and necessity of all new, proposed pay codes.

- R7. The County should consider developing whistleblower procedures for employees reporting suspected timekeeping fraud, posting these procedures on the County's intranet, and identifying funds to carry out these activities.

Response: The recommendation will not be implemented because it is not warranted. Employees have a wide-range of opportunities to report suspected timekeeping fraud including reporting their suspicions to the Grand Jury.

- R8. The Auditor-Controller's Office should consider including timekeeping practices in operational audits and recommending corrective action for all timekeeping deficiencies identified and identifying funds to carry out these activities.

Response: The recommendation will not be implemented. The Auditor-Controller's Office conducts legally required audits based on government code. Departmental financial examinations are conducted on a preferred cycle attached to them based on their perceived amount of inherent risk. The Office of the Auditor-Controller does not perform operational audits; however, special audit projects have been conducted upon request by the County Board of Supervisors, County Administrator, and elected and appointed Department Heads.

- R9. The County should adopt a semi-monthly pay cycle for all employees which will eliminate the need for an option to take a monthly advance.

Response: The recommendation will not be implemented. Semi-monthly pay cycles would require the agreement of all of the County's bargaining units. To date, agreement has not been achieved. The County will continue to pursue this option in future bargaining.

Subject: Resolution No. 2015/308 Revising County Debt Management Policy, which Replaces Resolution 2015/245

RECOMMENDATION(S):

ADOPT Resolution No. 2015/308 amending the County Debt Management Policy to include updated disclosure requirements and procedures.

FISCAL IMPACT:

No specific fiscal impact.

BACKGROUND:

On December 7, 2006 the Finance Committee reviewed and discussed a report regarding establishing a County Debt Management Policy. The Committee directed staff to report to the full Board on December 19, 2006 the recommendation to adopt a formal County Debt Management Policy. A formal policy was adopted on December 19, 2006 (Resolution 2006/773).

The Board of Supervisors has worked exceptionally hard to address the County's financial issues and has set very ambitious and necessary goals for lowering cost growth, balancing the budget, and increasing reserves. These solutions are aimed at addressing both short and long term needs and improving the County's future ability to maintain public services.

BACKGROUND: (CONT'D)

>

There are four major financial areas the County Administrator's office identified which benefited from formal policies:

- Budget Policy (established November 2006)
- General Fund Reserve Policy (established December 2005)
- Facilities Maintenance (included in Budget Policy)
- Debt Management Policy (established December 2006)

Debt affordability standards help the County to evaluate when, why, and how much debt should be issued. In addition to debt affordability standards, the County also adopted a formal Debt Management Policy. The Debt Management Policy:

- Establishes parameters for issuing and managing debt
- Provides guidance to decision makers so as not to exceed the debt affordability standards
- Directs staff on objectives to be achieved both pre- and post-issuance
- Promotes objectivity in decision-making and limits the role of political influence
- Facilitates the process by considering and making important policy decisions in advance of an actual financing

Periodically, policies should be revised to keep current with best practices or changes in laws. The Debt Affordability Advisory Committee reviews the existing Debt Policy on an annual basis and makes recommendations for revisions to the Board of Supervisors. The following revisions have been made since original adoption:

- On December 11, 2012, the Board of Supervisors adopted the Debt Affordability Advisory Committee's recommendations and added two additional appendix to the Debt Management Policy (Appendices 2 and 3) and amended two existing sections. The purpose of the Post-Issuance Tax Compliance Procedures for Tax-Exempt and Build America Bonds appendix (Appendix 2) was to establish policies and procedures in connection with tax-exempt bonds and "Build America Bonds" issued by the County of Contra Costa and the County of Contra Costa Public Financing Authority so as to ensure that the County complies with all applicable post-issuance requirements of federal income tax law needed to preserve the tax-exempt or Build America bonds status of bonds. In recognition of the importance of the County meeting its disclosure obligations pursuant to S.E.C. Rule 15c(2)-12, the Committee directed the Finance Director to annually update the Disclosure Requirements Listing that appears in Appendix 3 as well as cause timely filing by the Dissemination Agent of the requisite Annual Reports required under the respective Continuing Disclosure Certificates. Section I of the Policy was amended to require the Debt Affordability Advisory Committee's review of the debt performance of the Community Facilities Districts (Appendix 4), Multifamily Mortgage Revenue Bond Program (Appendix 5), and the Successor Agency to the former Contra Costa County Redevelopment Agency (Appendix 6) to assure that prudent debt management practices extend to these important debt issuers. Section IV.B of the Policy was updated to require the County to issue Requests for Qualifications (RFQs) for financial advisor, bond counsel, disclosure counsel and tax counsel every three years.
- On March 25, 2014, the Board of Supervisors adopted the Debt Affordability Advisory Committee's recommendations and updated Section II of the Policy to reflect the County's upgraded rating tier from Standard and Poor's of "AAA", and Appendix 3 to reflect the current annual disclosure requirement listing.
- On March 31, 2015, the Board of Supervisors adopted the Debt Affordability Advisory Committee's recommendations and updated Appendix 2 of the Policy to reflect updated post-issuance compliance requirements for private placements/direct loans. This is in response to a new law that went into effect January 1 that requires all issuers to report private placements/direct loans to the California Debt and Investment Advisory Commission (CDIAC) within 21 days of their occurrence (AB-2274, Chapter 181, Statutes of 2014).
- On July 16, 2015 the Board of Supervisors adopted the Debt Affordability Advisory Committee's recommendations and updated Debt Affordability measures to better track with current metrics used by credit rating agencies to evaluate the County's financial position.

The Debt Affordability Advisory Committee (DAAC) met on Monday, August 17, 2015 to consider recommending updates to the County Debt Management Policy to include updated disclosure requirements and procedures under Appendix 3 for the Policy. The Committee approved the proposed updates for consideration by the Board of Supervisors.

CONSEQUENCE OF NEGATIVE ACTION:

Policy will not reflect updates recommended by the Debt Affordability Advisory Committee (DAAC).

CHILDREN'S IMPACT STATEMENT:

No impact.

Debt Management Policy

I. PURPOSE: The County recognizes the foundation of any well-managed debt program is a comprehensive debt policy. A debt policy sets forth the parameters for issuing debt and managing outstanding debt and provides guidance to decision makers regarding the timing and purposes for which debt may be issued, types and amounts of permissible debt, method of sale that may be used and structural features that may be incorporated. The debt policy should recognize a binding commitment to full and timely repayment of all debt as an intrinsic requirement for entry into the capital markets. Adherence to a debt policy helps to ensure that a government maintains a sound debt position and that credit quality is protected. Advantages of a debt policy are as follows:

- enhances the quality of decisions by imposing order and discipline, and promoting consistency and continuity in decision making,
- provides rationality in the decision-making process,
- identifies objectives for staff to implement,
- demonstrates a commitment to long-term financial planning objectives, and
- is regarded positively by the rating agencies in reviewing credit quality.

II. DEBT AFFORDABILITY ADVISORY COMMITTEE

A. Purpose. By adoption of this Debt Policy, the Debt Affordability Advisory Committee is established. Its purpose is to annually review and evaluate existing and proposed new County debt and other findings and/or issues the committee considers appropriate.

It is the task of this committee to assess the County's ability to generate and repay debt. The committee will issue an annual report to the County Administrator defining debt capacity of the County. This review will be an important element of the budget process and will include recommendations made by the committee regarding how much new debt can be authorized by the County without overburdening itself with debt service payments.

B. Members. The committee shall be composed of the Auditor-Controller, Treasurer-Tax Collector, Director/Conservation and Development Department, and County Finance Director.

C. Debt Affordability Measures. The committee shall examine specific statistical measures to determine debt capacity and relative debt position and compare these ratios to other counties, rating agency standards and Contra Costa County's historical ratios to determine debt affordability. From Moody's Investors Service, the committee will evaluate the County against the following debt ratios from the most recent available national medians for counties in the "Aa" rating tier with populations of at least 1 million:

1. Direct net debt as a percentage of Assessed Valuation;
2. Overall net debt as a percentage of Assessed Valuation;
3. Assessed Valuation per-capita;
4. Available general fund balance as a percentage of revenues; and
5. General fund balance as a percentage of revenues.

From Standard and Poor's, the committee will evaluate the County against the following debt ratios from the most recent available national medians for counties in the "AAA" rating tier :

1. Assessed valuation per-capita;
2. Direct debt as percentage of governmental funds revenue;
3. Total government available cash as a percentage of debt service;
4. Total government available cash as a percentage of expenditures; and
5. Total debt service as a percentage of general fund expenditures.

The Advisory Committee also evaluates the County against a group of cohort counties, namely, other large, urban counties in California. The Advisory Committee utilizes each respective cohort county's most recently available CAFR to measure the County's comparative performance on the various debt measures calculated by Moody's and S&P as noted above, and also against the additional ratios below:

1. Direct debt per capita; and
2. Debt payments as a percentage of general fund revenues.

III. COMPREHENSIVE CAPITAL PLANNING

A. Planning. The County Administrator's Office shall prepare a multi-year capital program for consideration and adoption by the Board of Supervisors as part of the County's budget process. Annually, the capital budget shall identify revenue sources and expenditures for the coming current year and the next succeeding three fiscal years. The plan shall be updated annually.

B. Funding of the Capital Improvement Program. Whenever possible, the County will first attempt to fund capital projects with grants or state/federal funding, as part of its broader capital improvement plan. When such funds are insufficient, the County will use dedicated revenues to fund projects. If these are not available, the County will use excess surplus from the reserve and debt financing, general revenues. The County shall be guided by three principles in selecting a funding source for capital improvements: equity, effectiveness and efficiency.

1. Equity: Whenever appropriate, the beneficiaries of a project or service will pay for it. For example, if a project is a general function of government that benefits the entire community, such as an Office of Emergency Services, the project will be paid for with general purpose revenues or financed with debt. If, however, the project benefits specific users, such as a building permit facility, the revenues will be derived through user fees or charges, and assessments.

2. Effectiveness: In selecting a source or sources for financing projects, the County will select one or more that effectively funds the total cost of the project. For example, funding a capital project, or the debt service on a project, with a user fee that does not provide sufficient funds to pay for the project is not an effective means of funding the project.

3. Efficiency: If grants or current revenues are not available to fund a project, the County will generally select a financing technique that provides for the lowest total cost consistent with acceptable risk factors and principals of equity and effectiveness. These methods currently consist of County issued debt, special funding programs funded by state or federal agencies, or special pool financing. Examples include funding pools like the Association of Bay Area Governments Participation Certificates.

C. Maintenance, Replacement and Renewal/FLIP. The County intends to set aside sufficient current revenues to finance ongoing maintenance needs and to provide periodic replacement and renewal consistent with its philosophy of keeping its capital facilities and infrastructure systems in good repair and to maximize a capital asset's useful life.

D. Debt Authorization. No County debt issued for the purpose of funding capital projects may be authorized by the Board of Supervisors unless an appropriation has been included in the capital budget (Some forms of debt such as Private Activity Bonds for housing, Mello-Roos for infrastructure, and redevelopment bonds for infrastructure/facilities may not be appropriate for inclusion in the County capital improvement program. The policies for such forms of debt are included as Appendixes 4, 5, and 6).

IV. PLANNING AND STRUCTURE OF COUNTY INDEBTEDNESS

A. Overview. The County shall plan long- and short-term debt issuance to finance its capital program based on its cash flow needs, sources of revenue, capital construction periods, available financing instruments and market conditions. The County Finance Director shall oversee and coordinate the timing, issuance process and marketing of the County's borrowing and capital funding activities required in support of the capital improvement plan. The County shall finance its capital needs on a regular basis dictated by its capital spending pattern. Over the long-term this policy should result in a consistently low average interest rate. When market conditions in any one year result in higher than average interest rates, the County shall seek refinancing opportunities in subsequent years to bring such interest rates closer to the average. The Debt Affordability Advisory Committee shall use the Government Financial Officers Association checklist set forth in Appendix 1 hereto in planning and structuring any debt issuances.

B. Financing Team. The County employs outside financial specialists to assist it in developing a debt issuance strategy, preparing bond documents and marketing bonds to investors. The key team members in the County's financing transactions include its financial advisor and outside bond and disclosure counsel, the underwriter and County representatives (the County Auditor-Controller, Treasurer-Tax Collector, and the County Finance Director, among others). Other outside firms, such as those providing paying agent/registrar, trustee, credit enhancement, verification, escrow, auditing, or printing services, are retained as required. The County will issue Requests for Qualifications (RFQs) for financial advisor, bond counsel, disclosure counsel and tax counsel every three years. The financing team shall meet at least semi-annually to review the overall financing strategy of the County and make recommendations to the County Administrator.

C. Term of Debt Repayment. Borrowings by the County shall mature over a term that does not exceed the economic life of the improvements that they finance and usually no longer than 20 years, unless special structuring elements require a specific maximum term to maturity, as is the case with pension obligation bonds. The County shall finance improvements with a probable useful life less than five years using pay-go funding for such needs. Bonds sold for the purchase of equipment with a probable useful life exceeding five years are repaid over a term that does not exceed such useful life.

D. Legal Borrowing Limitations/Bonds and other indebtedness. California Government Code Section 29909 limits General Obligation Bond indebtedness to five percent of the total assessed valuation of all taxable real and personal property within the County, excluding Public Financing Authority lease revenue bonds, Public Facility Corporation certificates of participation, Private Activity Bond, Mello-Roos special tax, and Assessment District Debt for which no legal limitations are currently in effect.

E. Debt Features.

1. Original issue discount or premium. The County's bonds may be sold at a discount or premium, in order to achieve effective marketing, achieve interest cost savings or meet other financing objectives. The maximum permitted discount is stated in the Notice of Sale accompanying the County's preliminary official statement on the Bond Purchase Agreement, as applicable.

2. Debt service structure/Level Debt Service. The County shall primarily finance its long-lived municipal improvements over a 20-year term or less, on a level debt service basis. This policy minimizes long-run impact on a funding department's budget. The County will seek to continue this practice, unless general fund revenues are projected to be insufficient to provide adequately for this debt service structure.

3. Call provisions. The County shall seek to minimize the protection from optional redemption given to bondholders, consistent with its desire to obtain the lowest possible interest rates on its bonds. The County's tax-exempt bonds are generally subject to optional redemption. The County seeks early calls at low or no premiums because such features will allow it to refinance debt more easily for debt service savings when interest rates drop. The County and its financial advisor shall evaluate optional redemption provisions for each issue to assure that the County does not pay unacceptably higher interest rates to obtain such advantageous calls. The County shall not sell derivative call options.

4. Interest rates. The County shall first consider the use of fixed-rate debt to finance its capital needs, except for short-term needs (such as short-lived assets) that will be repaid or refinanced in the near term; and may consider variable rate debt under favorable conditions.

F. Other Obligations Classified as Debt/Other Post Employment Benefits (OPEB)/Vested Vacation Benefits. OPEBs and vacation benefits are earned by County employees based on time in service. The County records these vacation benefits as earned in accordance with generally accepted accounting principles as established by the Governmental Accounting Board (GASB). The liability for the benefit is recorded on the Fund level financial statements. The expense is recorded during the conversion to the Government Wide financial statements in accordance with GASB standards. For Enterprise funds the expense and liability are accrued in the respective funds. In this initial policy, the amount of OPEB and vacation benefits will not be in measures used to evaluate the County's debt affordability. However, the County's net OPEB obligation is posted to the County's balance sheet.

V. METHOD OF SALE. The County will select a method of sale that is the most appropriate in light of financial, market, transaction-specific and County-related conditions, and explain the rationale for its decision.

A. Competitive Sales. Debt obligations are generally issued through a competitive sale. The County and its financial advisor will set the terms of the sale to encourage as many bidders as possible. By maximizing bidding, the County seeks to obtain the lowest possible interest rates on its bonds. Some of the conditions that generally favor a competitive sale include:

1. the market is familiar with the County;
2. the County is a stable and regular borrower in the public market;
3. there is an active secondary market with a broad investor base for the County's bonds;
4. the issue has a non-enhanced credit rating of A or above or can obtain credit enhancement prior to the competitive sale;
5. the debt structure is backed by the County's full faith and credit or a strong, known or historically performing revenue stream;
6. the issue is neither too large to be easily absorbed by the market nor too small to attract

- investors without a concerted sale effort;
- 7. the issue does not include complex or innovative features or require explanation as to the bonds' security;
- 8. the issue can be sold and closed on a schedule that does not need to be accelerated or shortened for market or policy reasons; and
- 9. interest rates are stable, market demand is strong, and the market is able to absorb a reasonable amount of buying or selling at reasonable price changes.

B. Negotiated Sales. When certain conditions favorable for a competitive sale do not exist and when a negotiated sale will provide significant benefits to the County that would not be achieved through a competitive sale, the County may elect to sell its debt obligations through a private placement or negotiated sale, upon approval by the County Board of Supervisors. Such determination shall be made on an issue-by-issue basis, for a series of issues, or for part or all of a specific financing program. The following practices are recommended to be observed in the event of a negotiated sale:

- 1. ensure fairness by using a competitive underwriter selection process through a request for proposals where multiple proposals are considered;
- 2. remain actively involved in each step of the negotiation and sale processes to uphold the public trust;
- 3. ensure that either an employee of the County, or an outside professional other than the issue underwriter, who is familiar with and abreast of the condition of the municipal market, is available to assist in structuring the issue, pricing, and monitoring sales activities;
- 4. require that the financial advisor used for a particular bond issue not act as underwriter of the same bond issue;
- 5. require that financial professionals disclose the name or names of any person or firm, including attorneys, lobbyists and public relations professionals compensated in connection with a specific bond issue;
- 6. request all financial professionals submitting joint proposals or intending to enter into joint accounts or any fee-splitting arrangements in connection with a bond issue to fully disclose to the County any plan or arrangements to share tasks, responsibilities and fees earned, and disclose the financial professionals with whom the sharing is proposed, the method used to calculate the fees to be earned, and any changes thereto; and
- 7. review the "Agreement among Underwriters" and insure that it is filed with the County and that it governs all transactions during the underwriting period.

VI. REFINANCING OF OUTSTANDING DEBT. The County may undertake refinancings of outstanding debt under the following circumstances:

A. Debt Service Savings. The County may refinance outstanding long-term debt when such refinancing allows the County to realize significant debt service savings (2% minimum by maturity and a minimum 4% savings overall) without lengthening the term of refinanced debt and without increasing debt service in any subsequent fiscal year. The County may also consider debt refinancing when a primary objective would be the elimination of restrictive covenants that limit County operations.

B. Defeasance. The County may refinance outstanding debt, either by advance refunding to the first call or by defeasance to maturity, when the public policy benefits of replacing such debt outweigh the costs associated with new issuance as well as any increase in annual debt service.

VII. CREDIT RATINGS

A. Rating Agency Relationships. The Senior Deputy County Administrator/Finance Manager is responsible for maintaining relationships with the rating agencies that assign ratings to the County's various debt obligations. This effort includes providing periodic updates on the County's general financial condition along with coordinating meetings and presentations in conjunction with a new debt issuance.

B. Quality of Ratings. The County shall request ratings prior to the sale of securities from each of two major rating agencies for municipal bond public issues. Currently these agencies are Moody's Investors Service and Standard & Poor's Corporation. The County shall provide a written and/or oral presentation to the rating agencies to help each credit analyst make an informed evaluation. The County shall make every reasonable effort to maintain its Aa implied general obligation bond credit ratings.

VIII. MANAGEMENT PRACTICES. The County has instituted sound management practices and will continue to follow practices that will reflect positively on it in the rating process. Among these are the County development of and adherence to long-term financial and capital improvement plans, management of expense growth in line with revenues and maintenance of an adequate level of operating reserves.

A. Formal Fiscal Policies. The County shall continue to establish, refine, and follow formal fiscal policies such as: Investment Policy, General Fund Reserve Policy, Budget Policy, and this Debt Management Policy.

B. Rebate Reporting and Covenant Compliance The Senior Deputy County Administrator/Finance Manager is responsible for maintaining a system of record keeping and reporting to meet the arbitrage rebate compliance requirements of the federal tax code and/or contracting for such service. This effort includes tracking investment earnings on debt proceeds, calculating rebate payments in compliance with tax law, and remitting any rebatable earnings to the federal government in a timely manner in order to preserve the tax- exempt status of the County's outstanding debt issues. Additionally, general financial reporting and certification requirements embodied in bond covenants are monitored to ensure that all covenants are complied with.

C. Reporting Practices. The County will comply with the standards of the Government Finance Officers Association for financial reporting and budget presentation and the disclosure requirements of the Securities and Exchange Commission.

D. Post-Issuance Compliance Procedures. To assure it manages its debt obligations in accordance with all federal tax requirements, the County will comply with the Post-Issuance Compliance Procedures set forth in Appendix 2 hereto.

**County of Contra Costa
Post-Issuance Tax Compliance Procedures
For Tax-Exempt and Build America Bonds**

The purpose of these Post-Issuance Tax Compliance Procedures is to establish policies and procedures in connection with tax-exempt bonds and "Build America bonds" ("Bonds") issued by the County of Contra Costa and the County of Contra Costa Financing Authority (together, the "County") so as to ensure that the County complies with all applicable post-issuance requirements of federal income tax law needed to preserve the tax-exempt or Build America bond status of the Bonds.

General

Ultimate responsibility for all matters relating to County financings and refundings, other than Tax and Revenue Anticipation Notes ("TRANS"), rests with the County Administrator (the "Administrator"). The County Treasurer and County Auditor-Controller are responsible for tax compliance with respect to TRANS.

Post-Issuance Compliance Requirements

Timely Reporting of Final Sale

The Administrator and other appropriate County personnel shall file timely any report required by state and federal regulatory agencies notifying those agencies of final sale of bonds, or receipt bank loan/private placement proceeds, as required by law. As of this writing, this section applies to the following:

1. California Debt and Investment Advisory Commission (CDIAC)
 - *Report of Final Sale:* This Reports details information about the issuer and the bond issuance. The report requires attachment of the Official Statement related to the transaction or other bond documents in the case of a bank loan/private placement. The report is required to be filed within 21 days of closing, pursuant to Government Code § 8855(j).
 - *Special Requirement for Refunding Bonds sold via Negotiated Sale or Private Placement:* In addition to the Report of Final Sale above, if refunding bonds are sold through a negotiated sale or private placement, CDIAC requires submission of a written statement explaining the reasons for not selling those bonds at a public sale within 14 days of closing, pursuant to Government Code § 53583(c)(2)(B).
2. Internal Revenue Service (IRS)
 - *IRS Form 8038-G "Information Return for Tax-Exempt Governmental Obligations":* This filing details information about the issuer and tax-exempt governmental obligations over \$100,000. The report is required to be filed no later than the 15th day of the second calendar month after the close of the calendar quarter in which the bond was issued, pursuant to Internal Revenue Code § 149(e).

External Advisors / Documentation

The Administrator and other appropriate County personnel shall consult with bond counsel and other legal counsel and advisors, as needed, throughout the Bond issuance process to identify requirements and to establish procedures necessary or appropriate so that the Bonds will continue to qualify for the appropriate tax status. Those requirements and procedures shall be documented in a County resolution(s), Tax Certificate(s) and / or other documents finalized at or before issuance of the Bonds.

Those requirements and procedures shall including future compliance with applicable arbitrage rebate requirements and all other applicable post-issuance requirements of federal tax law throughout (and in some cases beyond) the term of the Bonds.

The County shall retain copies of all arbitrage reports and trustee statements as described below under “Record Keeping Requirements”.

SECTION I: GENERAL POLICY STATEMENT

Contra Costa County (the "County") has created these goals and policies concerning the use of the Mello-Roos Community Facilities Act of 1982 (Government Code sections 53311 and following), as amended (the "Act") in providing adequate public services and public infrastructure improvements (the "Policies"). The Policies will apply to all Community Facilities Districts ("CFDs") and related debt financing. In those cases in which fixed lien special assessment or other types of land based financing is substituted for CFD financing, the County will apply the appropriate provisions of these Policies. These Policies are intended to serve as guidelines to assist all concerned parties in determining the County's approach to CFD financing, provide specific guidance for approval of public financing for provision of public services and public infrastructure improvements and establish the standards and guidelines for the review of proposed development financings. It is the County's intent to support projects which address a public need and provide a public benefit. These Policies are also designed to comply with Section 53312.7(a) of the Government Code.

A. Community Facilities District Financings

1. The County encourages the development of residential, commercial and industrial property consistent with the adopted General Plan. The Board of Supervisors will consider the use of CFDs to assist these types of projects.
2. The County will consider the funding of services permitted under the Act if such funding does not create an unreasonable economic burden on the land and special taxpayers.
3. The County encourages the formation of CFDs as acquisition districts. In acquisition districts, a developer is reimbursed for projects only when discrete, useable facilities are deemed by the County to be completed. In construction districts, developers are provided progress payments during the construction of facilities. Acquisition districts provide stronger credit features, and better assure that the public facilities are completed.
4. While recognizing that public facilities proposed to be financed by a CFD are to benefit those properties within the boundaries of the proposed CFD, the Board of Supervisors finds that public benefit can only be "significant" when the benefit is also received by the community at large or are regional in nature but have a benefit to the properties within the proposed CFD.
5. The use of CFDs will be permitted to finance public facilities as described in Paragraph B below, whose useful life will be at least five (5) years and equal to or greater than the term of the bonds. Facilities which are, upon completion, owned, operated or maintained by public agencies will be considered public facilities. Limited exceptions may be made for facilities to be owned, operated or maintained by private utilities, or for facilities which could be owned by public agencies, or utilities.
6. The County is concerned that the proposed project that is to be financed is not premature for the area in which it is to be located. The proposed project must meet the land use approvals listed in Section D.
7. Extending public financing to a proposed project for identified public improvements cannot be

done without considering the aggregate public service needs for the project. Upon receipt of an application for public financing, the County will notify the other public entities having responsibility to serve the proposed project and request comment on the application. Periodic meetings, on a regional basis, with all affected public entities will be encouraged by the County to address the issues relative to overlapping debt

8. The Debt Affordability Advisory Committee (described in Section III below) may waive all or some of the provisions of these policies if unique and special circumstances apply to specific CFD financings.

B. Eligible Facilities

Facilities eligible to be financed by a CFD, upon completion of the construction or acquisition thereof, are intended to be owned by the County, another public agency or a public utility and must have a useful life of five (5) years or more. The list of public facilities eligible to be financed by a CFD may include, but is not limited to the following: streets, highways, and bridges; water, sewer, and drainage facilities; parks; libraries; police and fire stations; traffic signals and street lighting; recreation facilities; governmental facilities; flood control facilities; environmental mitigation measures; and public rights-of-way landscaping.

Facilities to be financed must be legally eligible under the Act and federal tax law, if applicable, to the satisfaction of bond counsel. The Board of Supervisors will have the final determination as to the eligibility of any facility for financing under these Policies.

C. Eligible Services

Services eligible to be funded through a CFD include: police protection services, fire protection and suppression services, ambulance and paramedic services, maintenance and lighting of parks, parkways, streets, roads and open space, flood and storm protection services, and services with respect to the removal or remedial action for the cleanup of any hazardous substance released or threatened to be released in to the environment. The Board of Supervisors will have the final determination as to the prioritization of funding such services. A CFD may not finance public services provided by any other public agency.

SECTION II: INITIATION OF THE FINANCING

A. Application

The proponent of a project must obtain and submit the required application to the initiating County department or related district or agency. The initiating County department with respect to CFD financings is the Department of Conservation and Development (the "Department").

Any application for the establishment of a CFD district will contain such information and be submitted in

such form as the Department may require. At a minimum each application must contain:

1. Proof of authorization to submit the application on behalf of the owner of the property proposed for new development for which the application is submitted if the applicant is not the owner of such property;
2. Evidence satisfactory to the Department that the applicant represents or has the consent of the owners of not less than 67% by area, of the property proposed to be subject to the levy of the special tax;
3. For any CFD financing to benefit new development, a business plan for the development of the property within the proposed CFD and such additional information as the Department may deem necessary to adequately review the financial feasibility of the CFD. For any CFD financing to benefit new development, the applicant must demonstrate to the satisfaction of the Department the ability of the owner of the property to be developed to pay the special tax installments for the CFD and any other assessments, special taxes and ad valorem on such property until full build out and sale or lease up of the property.

An application must be completed and the necessary information provided, as determined by the initiating County department or related district or agency, before any action will be taken to process the application and initiate financing for a project.

B. Processing and Formation Fees

Applications are to be accompanied by a processing or formation fee. All costs to the County associated with the proceedings statutorily required to establish a CFD are to be advanced by the applicant and paid prior to the actual sale of any bonds. The applicant will be reimbursed solely from the proceeds of the bonds sold for all monies advanced.

An initial deposit in an amount of not less than \$35,000 for a CFD is to be attached to the completed application submitted. The initiating County department or related district or agency, in its discretion, may determine a larger deposit amount is appropriate. The deposit will be placed in a separate trust account held by the County. The deposit may be placed in an interest bearing account so long as it is directed to do so by the Board of Supervisors and is allowable under state law. All costs of the County and/or its consultants retained during the formation process are to be paid from this account.

If, in the judgment of the initiating County department or related district or agency, the costs incurred or projected will cause the balance in this account to fall below \$5,000, a written demand will be made to the applicant to advance monies sufficient to bring the account to a balance that is projected to meet remaining costs required to establish the CFD. Failure to advance the requested monies within ten (10) days of a written demand by the County will result in all processing of the application to cease and no further actions to be taken toward establishing the financing district until the monies have been received. Waiver of this requirement can be made only by formal action of the Board of Supervisors.

Monies held in the trust account are to be applied to pay the County and its staff in reviewing and processing the application as well as the costs of the special tax consultant, appraiser, absorption consultant, all publication expenses, and any other costs determined by the County to be necessary to

| establish the CFD.

Accompanying the application will be an agreement governing the processing or formation fee, its deposit in a trust account, the use of the monies, the return to the applicant of any unused portion of the fee or other monies advanced, and reimbursement of all monies advanced from bond proceeds.

C. Petition for Formation and Waiver of Time Requirements of the Election

The Mello-Roos Community Facilities Act of 1982, as amended, (the "Act") states that one way to request the formation of a proposed community facilities district is through a Petition signed by landowners holding title to ten percent (10%) of the land by area within the proposed community facilities district. The Petition must be submitted to the County before formal action can be commenced to form the CFD. The form of the petition will be supplied by bond counsel once the completed application has been received and initial processing has been completed.

The Act also provides that the formation can be shortened if one hundred percent (100%) of the property owners within the proposed boundaries of the CFD execute a waiver regarding the timing of and certain procedures associated with the required special election. The applicant should indicate on the application whether this waiver can be secured.

D. Selection of the Financing Team

The County will select the bond counsel, financial advisor, underwriter or placement agent or remarketing agent, and fiscal agent/trustee. It will require the retention of underwriter's counsel or disclosure counsel. Providers of letters of credit, liquidity supports and other types of credit enhancements are also subject to the approval of the County. Bond counsel and underwriter or disclosure counsel must be different firms.

In addition to the consultants that compose the financing team, as noted above, the County will select a special tax consultant to determine a fair and reasonable method to allocate the special tax required to meet debt service on the bonds and other related expenses of the proposed CFD.

Unless satisfactory and current information regarding land values for property within the proposed CFD and subject to the special tax is available, the County will require that a real estate appraiser of its choice be retained and an appraisal made. Additionally, an economist or real estate appraiser or other qualified independent third party may also be retained for the purpose outlined in Section IV.A.

In addition, the County reserves the right to retain additional professional consultants that it deems appropriate.

SECTION III: DEBT AFFORDABILITY ADVISORY COMMITTEE

The Board of Supervisors established the Debt Affordability Advisory Committee (the "Committee") to review issues relevant to capital markets transactions and to make recommendations to the Board of Supervisors when appropriate. The Committee will be comprised of the County Auditor-Controller, the County Treasurer-Tax Collector, Director of the Department of Conservation and Development, and the Senior Deputy County Administrator/Finance Director. The Committee is charged with the task of reviewing and commenting upon all CFD financing as well as other types of financing proposed to be issued by the County or its related districts or agencies. The Committee is to review each proposed debt issue and provide comment on whether the proposed debt issue is consistent with these Policies. It is to comment on the economic viability and credit worthiness of the proposed debt issue. In performing its function the Committee may, in its sole discretion, review a matter more than once and retain additional consultants to assist in its review. The cost of such consultants is to be borne by the proponent of the debt issue. In addition, the Committee has an ongoing responsibility to monitor the status of debt issued by the County or related districts or agencies.

A written summary of the Debt Affordability Advisory Committee's review of the proposed financing is to be prepared and submitted to the Board of Supervisors after it considers the financing. The written summary will state the issues considered by the Committee, whether the financing and the issues considered were consistent with or at variance with these Policies, and its recommendation with regard to each issue and the financing. If the vote of the Committee is not unanimous, the written summary is to so indicate and summarize the position taken by the minority members of the Committee.

The following are those matters which at minimum the Debt Affordability Advisory Committee is to review and comment upon with regard to the CFD financings.

1. Prior to the Board of Supervisors considering the resolution of intention to establish a CFD, the Department is to determine that all land use approvals required for the project under Section IV.E. have been fulfilled and that the proposed rate and method of apportionment of the special tax is consistent with Section V.A. of these Policies. Any variation from these Policies is to be noted and a recommendation made to the Board of Supervisors with regard thereto.
2. Prior to the Board of Supervisors considering the resolution authorizing the sale and issuance of bonds, the Debt Affordability Advisory Committee is to determine that:
 - a) A current appraisal and any related absorption study have been prepared consistent with Section IV.A. and IV.B of these Policies and that satisfactory land value to lien ratios exist.
 - b) Each property owner responsible for twenty percent (20%) or more of the debt service on the bonded indebtedness to be incurred has supplied the financial security required by Section IV.C. and IV.D. of these Policies.
 - c) The rate and method of apportionment of the special tax is in compliance with Section V.A. of these Policies.
 - d) The structure of the proposed financing is consistent with the applicable subsections of Section VI of these Policies.

- e) Each property owner responsible for 20% or more of the debt service in connection with any series of bonds must be current with respect to payment of all general property taxes, and any assessments or special taxes levied.

As stated above, any variation from these Policies is to be noted and a recommendation made to the Board of Supervisors with regard thereto. In addition, the Debt Affordability Advisory Committee is to make any comment it deems relevant in determining the economic viability or credit worthiness of the proposed debt issue. The Committee is to make a recommendation to the Board of Supervisors as to whether or not to proceed with the sale and issuance of the bonds.

If the proposed financing contemplates that bonds are to be issued in series, then each series is to be reviewed and commented upon by the Debt Affordability Advisory Committee before that series of bonds is considered by the Board of Supervisors for issuance.

Any proposal for refunding or defeasing a particular CFD financing is to be reviewed for consistency with Section XI of these Policies and commented on by the Debt Affordability Advisory Committee prior to it being submitted to the Board of Supervisors for consideration.

Once issuance of bonds has been approved by the Board of Supervisors and the bonds have been sold, the County department or related district or agency having responsibility for the administration of the bond issue is to annually file with the Auditor Controller of the County a report regarding the status of the bond financing. The occurrence of a technical default, or the likelihood thereof, is to be reported immediately to the Auditor Controller of the County by the administering County department or related district or agency.

SECTION IV: ECONOMIC VIABILITY OF THE FINANCING

In evaluating the application and the proposed debt issue, the County may require any or all of the following to determine the economic viability of the proposed project and the timing of the sale of any bonds or series thereof. The following requirements would apply to a Services CFD only to the extent determined by the Department.

A. Absorption Study

Unless waived by the Debt Affordability Advisory Committee, an absorption study of the proposed project will be required for CFD financings. The absorption study will be used: (1) as a basis to verify proposed base pricing of the finished products (lots or completed buildings or dwelling units) subject to the levy of the special tax; (2) to determine the projected market absorption of such finished products and (3) as a basis for verification that the assumptions supporting the special tax formula are appropriate and sufficient revenues can be collected to support the bonded indebtedness to be incurred.

The absorption study will also be used to evaluate the timing consideration identified by the applicant and the financing team. The absorption study will be provided to the appraiser and the appraisal required below in Section IV.B. is to reflect consideration of the absorption study.

B. Appraisal

1. Definition of Appraisal

An appraisal is a written self-contained report independently and impartially prepared by a qualified appraiser setting forth an opinion of defined value of an adequately described property as of a specific date, supported by the presentation and analysis of relevant market information. A qualified appraiser is a state certified real estate appraiser, as defined in Business and Professions Code Section 11340.

2. Standards of Appraisal

A detailed complete appraisal will be prepared to support any CFD financing. A detailed complete appraisal will reflect nationally recognized appraisal standards including, to the extent appropriate, the Uniform Standards of Professional Appraisal Practice (USPAP) of the Appraisal Foundation, the Code of Professional Ethics and the Standards of Professional Appraisal Practice of the Appraisal Institute. An appraisal should also generally conform to the Appraisal Standards for Land - Secured Financings provided by the California Debt and Investment Advisory Commission ("CDIAC"). Appraisals undertaken to establish value-to-lien ratios in CFD's should value the fee simple estate, subject to special assessment and special tax liens. The estimate of Market Value should be refined to reflect the Retail Value of fully improved and occupied properties and the Bulk Sale Value of all vacant properties, including both unimproved properties and improved or partially improved but unoccupied properties. An appraisal must contain sufficient documentation including valuation data and the appraiser's analysis of the data to support his or her opinion of value. At a minimum, the appraisal will contain the following items:

- a) The purpose and/or function of the appraisal, an identification of the property being appraised, the intended use, the identity of the current and intended uses, and a statement of the assumptions and limiting conditions affecting the appraisal.
- b) An adequate description of the physical characteristics of the property being appraised, location, General Plan/zoning, present use, and an analysis of highest and best use.
- c) Relevant and reliable approaches to value consistent with commonly accepted professional appraisal practices. If a discounted cash flow analysis is used, it should be supported with at least one other valuation method, such as a market approach using sales that are at the same stage of land development, when possible. If more than one approach is utilized, there will be an analysis and reconciliation of approaches to value that are sufficient to support the appraiser's opinion of value.
- d) A description of comparable sales, including a description of all relevant physical, legal and economic factors such as parties to the transaction, source and method of financing, and verification by a party involved in the transaction.
- e) A statement of the value of real property.
- f) The effective date of valuation, date of appraisal, signature and certification of the appraiser.

3. Community Facilities District Appraisal Premises. The valuation of proposed special tax districts will be based on all of the following three premises:

- a) Raw Land Value. (Premise #1). The total land within the project will be valued "as is":
- (i) Without proposed infrastructure being financed or any future private improvements;
 - (ii) With existing parcel configuration and existing land use entitlements; and
 - (iii) Considering planned densities allowed by the General Plan, specific plan, zoning or other project approvals then in effect

This is a typical type of land valuation.

- b) Project Build-out value. (Premise #2). The total land within the project is valued under projected conditions:

- (i) With completion of proposed infrastructure being financed;
- (ii) At the planned densities allowed by the General Plan, specific plan, zoning or other approvals then in effect; and
- (iii) Land development is at the stage of being marketed to merchant builders or tentative tract maps ready to be filed.

This is a projected value based on project plans predicated on market conditions continuing as projected.

- c) Bulk Land Value. (Premise #3). The total land within the project is valued under projected conditions:

- (i) With completion of proposed infrastructure being financed;
- (ii) With existing parcel configuration; and
- (iii) Considering planned densities allowed by the General Plan, specific plan, zoning or other project approvals then in effect.

This premise should consider a discounted or "quick sale" valuation considering time, costs and the possibility of a pre unit value based on the total size of the project.

4. Timeliness of Information. To ensure that the opinion of value is current at the time of any bond sale, the valuation date of the appraisal or an update to the appraisal should be within three months of the bond sale.

C. Financial Information Required of Applicant

Both at time of application and prior to the sale and issuance of any bonds, the applicant for a CFD debt issue and all property owners owning land within the boundaries of the proposed financing district that will be responsible for twenty percent (20%) or more of the debt service on the bonded indebtedness to be incurred will provide financial statements (preferably audited) for the current and prior two fiscal years. The applicant will also provide all other financial information related to the proposed project that may be requested by the County.

Subsequent to the sale and issuance of the bonds, federal and state statutes and/or regulations regarding

the financing may require the preparation of periodic reports. The applicant and all major participants in the project will be required to provide that information needed to complete such statutorily required reports. In addition, the County department or related district or agency responsible for the administration of the bonds may require information of the applicant or the major participants in the project to satisfy reporting demands of rating agencies or institutional buyers.

D. Potential Third Party Guarantee of Special Tax Payments During Project Development

The greatest exposure to default on CFD bonds is the period between the issuance of bonds and project stabilization. The risk of default is increased when only a single or a few property owners are responsible for the special assessment or special tax payments. While the County's credit is not pledged to support the bonds, a default on CFD bonds can negatively impact the investment community's perception of the County.

To minimize the risk of default, the County may require a third party guarantee for the annual special tax payments within a district while the project is being developed and until there is significant absorption of the new development. The need for, nature and duration of any third party guarantees will be evaluated by the County and its financing team on a case by case basis. However, a third party guarantee would be specifically required of a developer in each year in which the developer owns or leases property within the district which is responsible for 20% or more of the special taxes levied; the guarantee would provide for 100% of the special tax levy due in each applicable fiscal year for property owned or leased by such developer. If required, the commitment letter for the third party guarantee must be provided within five days of the Resolution of Issuance and the third party guarantee must be provided prior to printing the preliminary official statement for the financing.

Third party guarantees may include letters of credit ("LOCs"), surety bonds, or some other mechanism which assures payment of special taxes while the project is being developed. When LOCs are provided, they must be in form and substance acceptable to the County from a bank acceptable to the County.

E. Land Use Approvals

For CFD financings the County will require, at a minimum that the proposed project must

1. be consistent with the County's General Plan;
2. be reviewed by the Director of the Department or designee, and have satisfied or be able to satisfy, all of the relevant land use requirements specified by the Director; and,
3. have had the service levels for the required public facilities established or the exact public facilities required for the project identified.

A proposed project that requires: (i) a General Plan amendment, (ii) a change of zone that increases the density or intensity of land use, (iii) a specific plan, or (iv) a specific plan amendment that increases the

density or intensity of land use will be referred to the Department's Community Development Division for evaluation as to whether the project is premature.

An appropriate environmental review of the proposed project is to have been completed as part of land use entitlement proceedings that will have addressed all of the public facilities that are to be constructed through the proposed financing.

F. Equity Participation by Applicant and Major Participants

In evaluating the proposed debt issue, the Debt Affordability Advisory Committee will consider the equity participation of the applicant and the major participants in the proposed project. At the time the application for the proposed financing is received, an analysis will be made as to the equity interest that the applicant has in the proposed project. It will also be required of the applicant that in addition to the financing, the applicant will fund in-tract public infrastructure and may be expected to contribute to other public improvements related to the proposed project.

SECTION V: REVENUE SUPPORTING THE FINANCING

CFD bonds are termed "limited obligations" whose primary repayment is secured by a special tax. The following are criteria that will be applied in evaluating the revenue stream that will be supporting a proposed CFD bond financing.

- A. The rate and method of apportionment of the special tax must be both reasonable and equitable in apportioning the costs of the public facilities and services to be financed to each of the parcels within the boundaries of the proposed CFD.
- B. The rate and method of apportionment must be structured to produce special taxes sufficient to pay scheduled debt service on all bonds (and provide coverage equal to 10% of debt service - see Section V.F. below), pay annual services or maintenance expenses (if applicable), establish or replenish any reserve fund for a bond issue, and pay reasonable and necessary administrative expenses of the CFD. In addition, the rate and method of apportionment may be structured to produce amounts to pay directly the costs of public facilities authorized to be financed by the CFD, the accumulation of funds reasonably required for future debt service, amounts equal to projected deficiencies in special tax payments, any remarketing, credit enhancement or liquidity fees and any other costs or payments permitted by law.
- C. The rate and method of apportionment of the special tax is to provide for the administrative expenses of the proposed CFD, including, but not limited to, those expenses necessary for the enrollment and collection of the special tax and bond administration.
- D. All property not otherwise exempted by the Act from taxation will be subject to the special tax. The rate and method of apportionment may provide for exemptions to be extended to parcels that are publicly-owned, held by property owners associations, used for a public purpose such as permanent

open space or wetlands, or affected by public utility easements making impractical their use for other than the purposes specified in the easement

- E. The annual special tax levy on each residential parcel developed to its final land use will not escalate, except that a variation for services and administrative expenses will be allowed. The County will allow an annual escalation factor, not to exceed two percent (2%) per year, on parcels to be developed for commercial or industrial uses.
- F. The maximum annual special tax, together with *ad valorem* property taxes, County Service Area charges, special assessments or taxes for an overlapping financing district, or any other charges, taxes or fees payable from and secured by the property, including potential charges, taxes, or fees relating to authorized but unissued debt of public entities other than the County, in relation to the expected assessed value of each parcel upon completion of the private improvements to the parcel is of great importance to the County in evaluating the proposed financing.

The objective of the County is to limit the total tax burden, including the *ad valorem* property taxes levied by the County, special taxes levied by any existing district for the payment of bonded indebtedness or ongoing services, assessments levied for any assessment district or maintenance district for the payment of bonded indebtedness or services and the assigned special tax for the proposed CFD, on any parcel to a maximum of two percent (2%) of the expected assessed value of the parcel upon completion of the private improvements. In evaluating whether this objective can be met, the County will consider the aggregate public service needs for the proposed project. It will consider what public improvements the applicant is proposing be financed in relation to these aggregate needs and decide what is an appropriate amount to extend in public financing to the identified public improvements.

- G. The total maximum annual special taxes that can be collected from taxable property in a district, taking into account any potential changes in land use or development density or rate, and less all projected administrative expenses, must be equal to at least one hundred ten percent (110%) of the gross annual debt service on any bonds issued by or on behalf of the CFD in each year that said bonds will remain outstanding.
- H. The rate and method of apportionment of the special tax will include a provision for a back up tax or other assurances to protect against any changes in development that would result in insufficient special tax revenues to meet the debt service requirements of the CFD. Such backup tax or other assurances will be structured in such a manner that it will not violate any provisions of the Act regarding cross-collateralization limitations for residential properties.
- I. A formula to provide for the prepayment of the special tax may be provided; however, neither the County nor the CFD will be obligated to pay for the cost of determining the prepayment amount which is to be paid by the requesting property owner.

SECTION VI: STRUCTURING THE FINANCING

In structuring a CFD financing, the County and its financing team will insure that the following issues are addressed in connection with the CFD bond issue.

A. Limited Obligations of the County

Both the statutory authority providing for the issuance of CFD bonds as well as the proceedings resulting in the sale and issuance of the bonds must ensure the bonds are limited obligations of the County payable only from the revenue source identified and do not require the expenditure of the general funds or any other revenues of the County to satisfy debt service obligations or to replenish any reserve fund established for the bonds.

B. Structuring of Debt Service

While the County prefers that debt service be structured with approximately level debt service, CFD financings may be structured with level, escalating, or declining debt service. The bonds must mature within forty (40) years of the date of the initial bonds issued. No bonds will be issued with a maturity date greater than the expected useful life of the facilities being financed.

C. Reserve Funds

The County will require that for CFD financings a reserve fund be established at a required funding level as determined appropriate by the financing team.

D. Capitalized Interest

Interest will be capitalized for a bond issue only as long as necessary to place the special tax installments on the assessment roll; provided, however, that interest may be capitalized for a longer term to be established in the sole discretion of the County on a case by case basis, not to exceed an aggregate of 18 months, taking into consideration the value to lien ratio for such bonds, the expected timing of initial occupancies of residential dwelling units or nonresidential structures within the CFD, expected absorption and buildout of the property within the applicable Community Facilities District, expected construction and completion schedule for the facilities to be funded from the proceeds of the bonds, the size of the bond issue, the development pro forma and the equity position of the applicant and such other factors as the County may consider relevant.

E. Foreclosure Covenant

In collecting delinquent special taxes, the County seeks to balance the bondholders' right to receive timely payment with fairness to property owners within the CFD who, due to extenuating circumstances, may have difficulty paying their special taxes in a timely manner. Because CFD financings generally are repaid from special tax receipts and solely secured by liens against property within the CFD, the

investment market expects to see appropriate foreclosure covenants. Foreclosure covenants would compel the County to take action to file a foreclosure action against a parcel with certain delinquency thresholds are reached. For example, a covenant may require the County to institute foreclosure if an individual delinquency exceeds a certain threshold (e.g., \$5,000) or the total amount of delinquencies exceeds a specified percentage of the total special taxes to be received (e.g., 5%). Those standards may differ if the reserve fund for the issue remains fully funded.

For each bond issue, the County and its financing team will analyze key aspects of the district (e.g., number of parcels, special tax rates, and debt service) to structure foreclosure covenants in a manner that satisfies the bondholders' need to reduce the likelihood of a shortfall in special taxes to pay debt service with the desire to provide flexibility in treatment of individual special tax payers.

F. Underwriter and Original Issue Discount

The underwriter's discount will be negotiated and determined solely by the County and will be competitive with and comparable to such discounts on similar financings being issued by the County and other public entities. The County will consider any other compensation the underwriter may be receiving in connection with the bond financing in determining the appropriate amount of the discount.

An original issue discount will be permitted only if the County determines that such discount results in a lower true interest cost on the bonds and that, for CFD financings, the use of an original issue discount will not adversely affect the ability of the CFD to construct public facilities identified by the bond documents.

SECTION VII: AGREEMENTS WITH AFFECTED PUBLIC ENTITIES

A. County Initiated CFD Financings

1. For CFDs, the joint community facilities agreement(s) required with other public entities which will own, maintain or operate the facilities to be financed must be adopted and approved by all parties at or prior to the adoption of the resolution establishing the CFD.
2. Should a CFD bond issue be for the construction of public facilities required to be sized to exceed the service needs of the properties within the boundaries of the financing district, the County will negotiate the following:
 - a) To the extent that the affected public entity's regulations allow, a credit against connection fees or other fees such that the credit will preclude the affected properties from contributing twice toward the cost of the identified public facilities.
 - b) To the extent that the affected public entity's regulations allow, a reimbursement for oversized facilities that will allow the CFD to balance the bonded indebtedness incurred with the level of benefit the properties are to receive from the public facilities that are to be financed.

- c) Any reimbursements for oversizing received from the affected public entity are to be paid to the CFD and, depending upon date of receipt, will be used either to augment construction proceeds or to reduce the outstanding bonded indebtedness of the financing district as determined appropriate by the County.

B. CFD Financings Not Initiated by the County

An administrative review will be made by the Department of all non-county initiated CFD financings that will require a joint community facilities agreement with the County to ensure compliance with the following minimum requirements. Only those financings that do not satisfy these minimum requirements will be referred to the Debt Affordability Advisory Committee for review and comment.

1. For CFDs containing residential projects, the rate and method of apportionment of the special tax will not provide for an annually increasing maximum special tax for any residential classification. However, for commercial and industrial projects within the CFD, the County will accept a maximum special tax for such classifications that escalates at a rate not to exceed two percent (2%) per year.
2. For CFDs, the total projected annual special tax revenues, less estimated annual administrative expenses, must exceed the projected annual gross debt service on the bonds by ten percent (10%). In structuring the rate and method of apportionment of the special tax, projected annual interest earnings may also be included as part of the projected annual revenues to satisfy this coverage requirement. Annual bond reserve fund interest earnings will be calculated at a rate to be determined by the County but, in no event greater than the then current passbook savings rate.
3. Whether the projected *ad valorem* property tax and other direct and overlapping debt for the property within the proposed boundaries of the CFD, including the proposed maximum special tax, does meet the County's objective of not exceeding two percent (2%) of the anticipated assessed value of each improved parcel upon completion of the private improvements as articulated in Section V.E. will be reviewed. This review will include current or estimated County Service Area or Community Service District charges, benefit assessments, levies for authorized but unissued debt and any other anticipated charge which may be included on the property tax bill.
4. With regard to any bonds to be issued, there will be created a reserve fund that will be established for each series of bonds.
5. If the County or its related districts or agencies are to:
 - a) own, operate, or maintain a majority of the facilities to be financed, or,
 - b) be the single largest recipient of the facilities to be financed, or,
 - c) own, operate or maintain facilities having a combined construction cost of \$100,000 or more, including design, engineering, construction contingencies and related costs of the

construction project,

then the County will require that all of the appropriate Policies set forth herein will be adhered to before entering into a joint community facilities agreement.

SECTION VIII: CREDIT ENHANCEMENTS

Credit enhancements, if required by the County, are to be utilized either to improve the credit worthiness of the proposed financing or to insure that the debt service requirements of the proposed debt issue are met in a timely manner. It is important to the County to minimize the possibility of a debt issue being placed in default and to insure that sufficient cash flows are available to meet debt service requirements. Section IV. D. contains a potential requirement for credit enhancement related to the ownership of 20% or more of the property within a CFD.

The County will examine carefully the provider of the required credit facility and the form that the credit facility will take. The rating of the provider, as well as the provider's capitalization, are of principal concern, and a reduction in either during the term of the credit facility to a level unacceptable to the County may require that an alternate credit facility be secured from an acceptable provider. The County reserves the right, in its sole discretion, to determine the acceptability of both the credit facility and its provider.

SECTION IX: OFFERING STATEMENTS AND DISCLOSURE

It is the intent of the County to comply with all applicable federal or state requirements regarding disclosure to insure that fair and accurate descriptions of debt issues are provided to the purchasers of the bonds. The County and any owner of property within a CFD that has not reached its entitled development and that will be responsible for the payment of special taxes representing such portion (as determined by bond counsel) of annual debt service on an issue of bonds that would cause such person or entity to be an "obligated person" under federal securities law (each, an "Obligated Person") will use all reasonable means to ensure compliance with applicable federal securities laws in connection with the issuance of debt and the provision of financial information and operating data regarding any CFD established by the County with respect to which bonds have been issued.

The County will retain disclosure counsel for any particular land secured or conduit financing having an aggregate principal value of \$1,000,000 or more. Decisions as to the adequacy of the disclosure will be determined by the County, its counsel, bond counsel and disclosure counsel. No preliminary or final offering statement for a particular land secured or conduit financing will be released for circulation unless it is deemed final by the County on the advice of its counsel, bond counsel or disclosure counsel.

With regard to the initial disclosure, each Obligated Person will be required to provide for inclusion in the official statement or other offering materials distributed in connection with the offering and sale of such bonds, such information as may be required to satisfy any requirements of, or avoid any liability under, any applicable federal or state securities laws.

The proponent(s) of a particular land secured or conduit financing and all principal participants therein are expected to provide the information requested by the County, its counsel, the underwriter, its counsel,

disclosure counsel, or bond counsel that is deemed necessary for disclosure purposes. Failure on the part of the proponent and any principal participants to comply with such requests will jeopardize completion of the debt issue.

With regard to continuing disclosure, each Obligated Person will be required to enter into an Agreement pursuant to which such Obligated Person will agree to provide financial information and operating data, on an ongoing basis, as may be required for the underwriter of such bonds to satisfy the requirements imposed on such Obligated Person pursuant to Rule 15c2-12 under the Securities Exchange Act of 1934.

The proponent of a particular land secured or conduit financing and all Obligated Persons will be required to execute those certificates and provide those written opinions of their respective counsel that are required by the terms of the bond purchase agreement. Failure to do so will result in the bonds not being sold and issued.

Failure of the proponent of a particular land secured or conduit financing or of any Obligated Person to comply with such proponent's or Obligated Person's initial or continuing disclosure obligations pertaining to bonds previously issued for any other CFD will be grounds for denial of the application for the formation of a CFD. Any such failure should be remedied by the time of providing the preliminary official statement and such failure will be disclosed in the preliminary and final official statements as required by bond counsel and/or disclosure counsel.

SECTION X: ADMINISTRATION

All matters related to administration of issued bonds are to be handled consistent with the terms of the trust indenture or fiscal agent agreement pursuant to which the bonds were sold. Administrative responsibilities with regard to the bonds and the project being financed by bond proceeds will vary depending upon the nature of the project.

A. Debt Administration

CFD bonds are issued pursuant to bond indentures or fiscal agent agreements which identify the Auditor-Controller of the County to have administrative responsibility for these debt issues. This includes, among other duties, the computation and enrollment of the special tax, payment of principal and interest on the bonds, initiation of foreclosure proceedings with regard to delinquent parcels, and management and investment of monies held in all funds and accounts created by the bond indentures or fiscal agent agreements.

B. Notice to Future Property Owners

The Act requires that certain disclosure certificates regarding the existence of a CFD and the special tax obligation be provided to those individuals purchasing property within the CFD, including to interim purchasers and merchant builders. The County will require that the statutorily prescribed disclosure be

made to the initial purchaser of property within a CFD, and the proponent of the CFD and/or developer will make available the information necessary to complete the disclosure certificate required for secondary transfers. In its sole discretion, the County may require additional disclosure if such disclosure will aid subsequent purchasers to be made aware of the existence of the CFD and the lien obligations created by the special tax.

C. Annual Reporting

The County departments or related districts or agencies identified in Section X. of these Policies as having responsibility for bond administration will prepare and timely file with the state and federal agencies all statutorily required reports.

Consistent with Section III of these Policies, County departments or related districts or agencies having responsibility for bond administration are to prepare and submit annually to the Auditor Controller of the County a report on the status of their respective debt issues on forms to be provided by the Debt Affordability Advisory Committee. The occurrence of technical default, or the likelihood thereof, is to be reported immediately to the Auditor Controller of the County by the administering department or related district or agency. For the purposes of these Policies, the term "technical default" will mean the occurrence of an event or omission that may result in the inability to make timely payment of debt service on the financing or would jeopardize the tax exempt status of the financing (e.g., the need to draw on a reserve fund, the insolvency or bankruptcy of a principal property owner, the insolvency of a provider of a credit enhancement, or insufficient funds to make a required rebate payment).

The information contained in these reports will allow the Auditor Controller of the County to prepare an analysis of the outstanding debt of the County and its related districts or agencies.

SECTION XI: REFUNDINGS

The principal objective of the County in refunding an outstanding debt issue is to secure a public benefit which may include an interest rate savings that will result in both an annual and present value savings to the property owners responsible for paying debt service on the bonds. The actual value of the savings must significantly exceed the costs of the refunding and any increase in the principal amount of bonds that will be outstanding as a result of the refunding.

Refunding of a particular CFD financing must at minimum be structured to reflect the following:

1. The refunding bonds will mature on a date not later than the date on which the bonds being refunded (the "prior bonds") mature.
2. Annual debt service savings to be realized from the refunding are to be apportioned over the remaining life of the refunding bonds.
3. The prior bonds (or any portion thereof being refunded) are to be legally defeased in accordance

with the indenture or fiscal agent agreement authorizing their issuance. If there is no provision for their defeasance, a defeasance escrow will be established that will contain only cash or direct obligations of the United States.

4. A refunding that results in an increase in the principal amount of bonds outstanding must consider prepayments that have been received prior to the refunding.

The County will also consider refunding an outstanding land secured financing to address unacceptable or unworkable bond covenants, debt service schedules or bond maturities.

SECTION XII: AMENDMENTS AND EXCEPTIONS

The County reserves the right to amend or modify these policies at any time and the right to make exceptions or grant waivers for specific financing projects, as facts and circumstances warrant.

**County of Contra Costa
Multifamily Mortgage Revenue Bond Program
Policy**

Summary

Federal, state and local legislation authorize issuance of mortgage revenue bonds by local governments to finance the development, acquisition and rehabilitation of multifamily rental housing projects pursuant to Section 52075 of the California Health and Safety Code, and applicable provisions of the Internal Revenue Code. The allocation of private activity bond authority is secured through the California Debt Limit Allocation Committee (CDLAC). The interest on the bonds can be exempt from federal and state taxation. As a result, bonds provide below market financing for qualified rental projects located within Contra Costa County (the "County")*. In addition the bonds issued under the program can qualify projects for allocations of federal low-income housing tax credits, which can provide a significant portion of the funding necessary to develop affordable housing. The program is administered by the County's Department of Conservation and Development (DCD).

There is no direct legal liability to the County in connection with the repayment of bonds; there is no pledge of the County's faith, credit or taxing power and the bonds do not constitute general obligations of the issuer because the security for repayment of bonds is limited to project revenue and other sources specified under each financing. Project loans are, in most cases, secured by a first deed of trust on the bond-financed property. The program is completely self-supporting; developers must secure funding to pay for costs of issuance of the bonds and all other costs under each financing.

The bonds may be used for construction, rehabilitation and permanent financing. The effective mortgage rate is the aggregate of the applicable bond rate and the add-on fees charged under the program such as lender, trustee, issuer's fee, etc. The bond rate, for fixed rate bonds, is determined at the time of a bond sale, and the resulting mortgage rate is approximately 1.5-2% below conventional mortgage rates. The project loans generally have a 30-year amortization schedule.

The goals of the program include:

- Increase and preserve the supply of affordable rental housing;
- Encourage economic diversity within residential communities;
- Maintain a quality living environment for residents of assisted projects and surrounding properties; and
- In the event of provision of public funds towards the project, optimize the effectiveness of those funds by maximizing the leveraging of private sector funds.

Eligibility

The project must be located within Contra Costa County and consist of complete rental units, including full kitchens and bathrooms, and cannot be used for transient or student housing.

* The County has authority to issue on behalf of Cities within the County pursuant to Contra Costa County 1982 Home Mortgage Revenue Bonds Cooperation Agreements. The County works closely with local communities to meet their housing objectives.

There is no limit on the maximum or minimum project size or number of units. However, smaller size projects (fewer than 40 units or less than \$2 million loan) may not find tax exempt financing economically efficient due to the costs of issuance, services of the

financial team, rating fees, etc. Proposed combined or pooled projects will be considered on a case by case basis. For projects requiring bond financing greater than \$35 million, it will be necessary to obtain a waiver from the CDLAC in order to receive an allocation.

Loan funds may be used for costs of property acquisition (no more than 25% of bond proceeds can be used for the acquisition of land), construction, rehabilitation, improvements, architectural and engineering services, construction interest, loan fees and other capital costs of the project incurred after the Bond Inducement date (specified in Financing Process section).

Pursuant to federal requirements, if bonds are used for acquisition and rehabilitation, at least 15% of the portion of the acquisition cost of the building and related equipment financed with the proceeds of the bonds must be used for rehabilitation of the project.

No more than 2% of any tax-exempt bond loan can be used to finance costs of issuance, such as the services of the financing team members, rating and printing of bonds, bond allocation, etc.

County Compensation

The County's fees are comprised of (1) a non-refundable application fee due prior to drafting a Reimbursement Inducement Resolution, (2) an issuance fee due upon bond closing, and (3) an annual fee due in advance to cover costs of monitoring compliance with State and federal law requirements as contained in a Regulatory Agreement. The annual fees may be negotiated, however the standard fee is 1/8 of 1% (or .125%) of the principal amount of bonds outstanding. Annual fees are charged for the full term of the Regulatory Agreement, generally 55 years. At the County's discretion, annual fees above a \$5,000 minimum may be subordinated to payment of debt service. The County fees are summarized in the table below:

Issuer Fee Schedule

Application ⁽¹⁾	Issuance Fee		Annual Fee ⁽²⁾	
\$2,500	Rate ⁽³⁾	.125%	Rate ⁽³⁾	.125%
	Minimum	\$5,000	Minimum	\$5,000
	Maximum	\$75,000	Maximum	\$25,000

- (1) Payable upon request of Reimbursement Inducement Resolution. Amount applied to Issuance Fee at closing. DCD may waive this requirement in its sole discretion.
- (2) Amounts above the minimum may be subordinated to bond debt service, at the County's option.
- (3) Percentage applied to the initial bond issuance amount.

Types of Bonds

The County may issue either tax-exempt or taxable bonds. Taxable bonds would generally be issued in combination with tax-exempt bonds. Tax-Exempt Private Activity Bonds (non-refunding) require an allocation of bond authority from CDLAC. To obtain the allocation the County must submit an application to CDLAC on behalf of the developer. Submittal of the application is at the discretion of the County, not the developer. The developer must pay all required CDLAC fees when due.

The interest on taxable bonds is not exempt from federal taxation. These bonds are not subject to federal volume “cap” limitations and therefore do not require allocation authority from CDLAC. Taxable bonds can be used in combination with low-income housing tax credits awarded by the Tax Credit Allocation Committee. Taxable bond issues must meet all applicable requirements of this Policy (including rating requirements) and any additional regulations that may be promulgated, from time to time, by the County

The County may issue 501(c)(3) bonds on behalf of qualified nonprofit organizations. 501 (c)(3) bonds are tax-exempt and do not require an allocation from CDLAC, but cannot be used with the Low Income Housing Tax Credit Program.

Refunding Bonds will be allowed if the issuance meets the following conditions:

1. The Project Sponsor agrees to cover all costs of the issuer.
2. Projects originally financed by tax-exempt bonds prior to the 1986 Tax Act will have to make a minimum 10% of the units affordable to persons earning 50% of the median area income with the rents affordable at the same level.
3. The affordability restrictions of the existing bond regulatory agreement are subject to extension and/or additional restrictions. All specifics of refunding proposals must be approved by the County.
4. Default refunding applications require a default refunding analysis (to determine the eligibility for a default refunding). The County shall choose the firm to conduct the analysis. The project applicant will deposit the cost for the study with the County before the study begins.

Affordability Requirements

Term

The project must remain as rental housing and continuously meet the affordability requirements for at least 55 years from the date of 50% occupancy of the project. At the conclusion of the Regulatory period, rent of “in-place” tenants will continue to be governed by the applicable affordability restriction, so long as those tenants continue to live in the development.

Income Restrictions

To be eligible for tax-exempt bond financing, federal and State law require that the project meet one of the following conditions:

- (a) A minimum of 20% of the units in the project must be set aside for occupancy by households whose income does not exceed 50% of area median income, as adjusted for family size; or
- (b) A minimum of 10% of the units in the project must be set aside for occupancy by households whose incomes do not exceed 50% of area median income, as adjusted for family size AND an additional 40% of the units in the project must

be set aside for occupancy by households whose incomes do not exceed 60% of area median income, as adjusted for family size.

Project owners must certify their tenant's eligibility annually. If at the annual certification it is found that a tenant's income exceeds 140% of the current income limit, the owner must rent the next available unit of comparable size to a new income eligible tenant. The owner may raise the current tenant's rent to market rent only upon renting the next available unit to a new low-income or very low-income household, as applicable. A unit occupied only by full time students does not count towards the set-aside requirement.

Rent Restrictions

The maximum rents for all the affordable units are equal to 30% of the applicable monthly maximum income level, assuming one person in a studio, two persons in a one-bedroom, three persons in a two-bedroom and four persons in a three-bedroom unit. These assumptions differ for projects using Low Income Housing Tax Credits. In the event that both are used, the more restrictive rents apply. The maximum rents are further reduced by the amount of the utility allowance applicable to those units, based on unit size. Utility allowances are set by the Housing Authority of the County of Contra Costa and are based solely upon the utilities paid by the tenant.

The set-aside units must proportionately reflect the mix of all units in the project, be distributed throughout the project, and have the same floor area, amenities, and access to project facilities as market-rate units.

Regulatory Agreement

The rental and affordability unit requirements will be contained in a Regulatory Agreement that is recorded with the property and must be complied with by subsequent buyers for the minimum rental period. The requirements are terminated at the later of the end of the minimum rental period and repayment in full of the bonds or in the event of total casualty loss or foreclosure.

Financing Team

Bond Counsel and Financial Advisor, if applicable, specifically represent the interests and concerns of the County in ensuring the integrity of the bond transaction. The project sponsor may, at its own expense, add additional members to the finance team to represent its interests.

Financial Advisor

If deemed necessary, the Financial Advisor will be designated by DCD. They will prepare a feasibility study of whether it is economically advisable to proceed with the financing, including: evaluations of the financial strength of the project; assumptions regarding income and expenses; sources of security for bonds in addition to the project; developers financial situation and experience in operating and managing rental projects; marketability of the bonds; rights and resources of parties to the transaction in the event of default; and provide financial advise on all relevant issues to best protect the interests of the County. The compensation for financial advisory services to determine whether it is advisable to proceed with a financing will not be contingent on the sale of the bonds.

Bond Counsel

Bond Counsel will be designated for each financing by the County Board of Supervisors. Bond counsel will prepare the necessary legal documentation, including provisions regarding compliance with any applicable continuing disclosure requirements, provide an opinion regarding the validity of the bonds and their tax exemption, and provide legal advice on all relevant issues to best protect the interests of the County.

Additional Parties

The Bond Underwriter, Remarketing Agent, Private Placement Purchaser, and Bond Trustee, if required, will be selected by the County in consultation with the project sponsor. The fees for such services will be paid solely out of bond proceeds or otherwise by the project sponsor.

The Financing Process

1. Request for Financing (New or Refunding) – A letter of request must be sent to the DCD stating the desire to use the County’s Multifamily Mortgage Revenue Bond Program. The letter should include:
 - a. Name of Development Project;
 - b. Location by street address and assessor’s parcel number (if known);
 - c. Estimated number units;
 - d. Estimated development costs including land (bonds to be issued cannot exceed this amount);
 - e. Exact legal name of the ownership entity at the time of bond closing (e.g. name of individual, partnership, corporation, etc. and
 - f. If different, name of the operating entity at the time of bond closing.
 - g. Non-refundable application fee of \$2,500 to cover the administrative costs of reviewing the project feasibility, Inducement and TEFRA Hearing processes.
2. Board of Supervisor Approval of Reimbursement [Inducement] Resolution – The Reimbursement Resolution is a conditional statement of intent on the part of the County to provide tax-exempt financing for the project. The Resolution is non-binding, however it authorizes the submittal of the application to CDLAC by the County and it sets the date (which is 60-days earlier than the Inducement Date) from which costs related to the project are eligible for financing.
3. Public Hearing/Section 147(f) Resolution – Tax law requires that a public hearing be held to take comment on the nature of and location of the facility proposed to be financed with private activity bonds (Multifamily Mortgage Revenue Bonds included). The hearing must be noticed in a local newspaper of general circulation at least 14 days prior to the hearing. The legislative body then adopts a resolution approving the issuance of bonds pursuant to Section 147(f) of the Tax Code after the hearing is held. This is not the final approval of the bond issuance. The DCD holds the hearing administratively and the Board of Supervisors approves the Section 147(f) Resolution at a subsequent Board meeting. DCD may opt to schedule the required public hearing with the Board of Supervisors.
4. Securement of CDLAC Allocation – The CDLAC allocation of private activity bond authority is subject to an application process. The application must be submitted to the County for review and comment at least 10 days prior to the CDLAC deadline. The final application must include the current application fee for CDLAC and a

performance deposit in the amount of .5% of the requested allocation amount to be held by the County. The deposit is returned according to CDLAC procedures, but is subject to reversion to CDLAC if the financing does not close according to their procedures. The CDLAC process includes approximately 60 days for review of applications prior to allocation.

5. Bond Sale Resolution – When an allocation is received the County and financing parties have 90 days in which to complete the financing and sell and close on the issuance of the bonds. All real estate, lender and bond documents are completed. The Board of Supervisors must approve a Bond Sale Resolution, typically 30 days in advance of the proposed bond closing.

Bond Sale Modes/Issuing Criteria

Under its tax exempt financing program the County provides loans secured by a first deed of trust. A fundamental requirement for financings is that the project have loan underwriting and credit enhancement from a third party institution that bears the ultimate risk and responsibility of the loan. The County may consider unrated bonds on a case by case basis. Subordinate financing from other federal, state, or local agencies may be integrated into a plan of finance for the project. Early consultation with County staff is encouraged.

Any bonds issued under the program that are sold to the public should generally be rated “A”, or its equivalent, or better from a nationally recognized rating agency. The same rating requirement applies in the case of a substitution of existing credit facility for bonds that are outstanding.

A preferred way of obtaining the required rating on the bonds is through the provision of additional, outside credit support for the bond issue provided by rated, financially strong private institutions, such as bond insurance companies; domestic and foreign banks and insurance companies; FHA mortgage insurance or co-insurance, etc. The rating on the bonds is based on the credit worthiness of the participating credit enhancement provider. The applicant is required to identify and obtain credit enhancement for each bond issuance. As the primary source of security for the repayment of bonds, the credit enhancement provider reviews and approves the borrower and the project and its feasibility, including the size of the loan and the terms of repayment using their own underwriting criteria.

Fixed rate bonds, or their portion, can be issued without credit enhancement if the proposed financing structure results in the required minimum rating on the bonds by a nationally recognized rating agency. Bonds issued without credit enhancement will be sold to institutional investors in minimum \$100,000 denominations.

Private Placement Bonds

Private Placement Bonds are allowed under the following conditions:

1. The bonds are privately placed with “qualified institutional buyers” under Rule 144A of the Securities Act of 1933, or “accredited investors,” as generally defined under Regulation D of the Securities Act of 1933.
2. The bonds must be sold in minimum \$100,000 denominations.
3. All initial and subsequent purchasers must be willing to sign a sophisticated investor letter in a form approved by the County. While the bonds remain unrated, their

transferability will be restricted to qualified institutional buyers or accredited investors who sign an Investor Letter.

4. The County may limit the number of investors.
5. The owner must indemnify the County against any costs incurred by the County, including any lawsuit initiated by the bondholder or any other party, regardless of whether the developer is negligent, and if requested by the County, post a surety bond guaranteeing the same.

Change of Ownership

The County reserves the right to approve any voluntary change in ownership (i) that results in a transfer of 50% or more of the total equity interests in a developer or (ii) that results in a transfer of any general partner or managing member interest in the developer. Such approval to transfer ownership shall be at the discretion of the County. Transfers made by a limited partner tax credit investor to its affiliates may, at the County's discretion, be exempted from this requirement. The County shall review proposed owner management practices on current and previously owned properties, inspections, financial statements and credit histories.

Other Issuers

Projects financed with subordinate financing from the County (CDBG, HOME, etc.) will be financed by bonds issued by the County. The County may consent to the use of statewide issuers for private activity bonds (including 501c3 bonds) to finance projects located within the unincorporated County when such projects are part of a common plan of finance with one or more projects located within the County. DCD may waive the limitations on the use of statewide issuers.

**Contra Costa County
Debt Management Policies
For
Successor Agency to the former Contra Costa County
Redevelopment Agency**

I. Purpose

The purpose of this Successor Agency (“Agency”) Debt Management Policy is to organize and formalize the Agency’s debt-related policies and practices and establish a framework for administering and potentially refinancing the Agency's debt.

The primary objectives of the policy are to:

- Promote sound financial management
- Assist the Agency in evaluating debt refinancing options
- Ensure full and timely repayment of debt
- Maintain full and complete financial disclosure and good investor relations
- Ensure compliance with applicable state and federal laws

II. Responsibility/Approval Process

The Director of the Department of Conservation and Development, Deputy Director-Redevelopment, or designee shall be responsible for managing and coordinating all activities related to the administration and potential refinancing of the Agency’s debt, including investment of bond proceeds, compliance with bond covenants, continuing disclosure, and arbitrage compliance.

III. Debt Issuance

Refinancing The Agency may refinance all or a portion of an outstanding debt issue when such refinancing enables the Agency to realize significant debt service savings or other policy goals. In general, refinancing that produces a net present value savings of at least three percent (3%) of the refinanced debt, without extending the term of the refinanced debt, will be considered economically viable. Refinancing that produce a net present value savings of less than three percent (3%) will be considered on a case-by-case basis if there is a compelling public policy objective that is accomplished by retiring the debt. For example, the Agency may pursue a non-economic refinancing to eliminate undesirable legal covenants in outstanding bond documents, to restructure the debt service profile, or to change the tax status of the debt.

IV. Debt Structure

Project Area Debt The Agency may refinance debt for a single project area or may combine financings for multiple project areas to achieve economies of scale or credit benefits. Each project area debt component must conform to the requirements and limitations of its respective project area redevelopment plan.

Debt Service Reserve Fund The Agency may finance a debt service reserve fund from bond proceeds or other funds, consistent with federal tax law, to

enhance the marketability of the bonds and/or to satisfy requirements of outstanding debt covenants. The Agency may purchase a reserve fund equivalent (such as a reserve fund surety) when such purchase is considered to be advantageous to the economics of the debt issuance.

Bond Insurance The Agency may purchase bond insurance (or secure a letter of credit) for any proposed financing if the economic benefit of the insurance realized through lower interest costs exceeds the cost of the insurance. The Director of the Department of Conservation and Development, Deputy Director – Redevelopment or designee will solicit quotes from providers, and shall have the authority to select a provider whose bid is most cost effective, and whose terms and conditions are satisfactory to the County.

Call Provisions In general the bonds will include a call feature that is no longer than 10 years from the date of delivery of the bonds. The Agency will seek to avoid the sale of non-callable bonds absent careful evaluation by the Agency of the value of the call option.

Original Issue Discount An original issue discount will be permitted only if the Agency determines that such discount results in a lower true interest cost on the bonds and that the use will not adversely affect the projects to be financed.

Interest Rate Mode The Agency shall use only fixed-rate debt to refinance its bonds.

VI. Financing Team

The Agency employs outside financial specialists to assist in developing a debt strategy, preparing bond documents, marketing bonds to investors and generally implementing its financing plan. The Director of the Department of Conservation and Development, Deputy Director – Redevelopment, or designee shall have the authority to periodically select service providers as necessary to meet legal requirements and minimize net Agency debt costs. Such services, depending on the type of financing, may include bond counsel, disclosure counsel, financial advisory, underwriting, trustee, verification agent, escrow agent, arbitrage consulting, and fiscal consulting. The goal in selecting service providers is to achieve an appropriate balance between service and cost.

VII. Method of Sale

The Agency may select a method of sale that is most appropriate for a particular financing or debt program in light of the financial, market, transaction-specific, and Agency-related conditions. The Director of the Department of Conservation and Development, Deputy Director – Redevelopment and/or Community Development Bond Program Manager shall be responsible for determining the appropriate

manner in which to offer any securities to investors, and may consider negotiated sale, competitive bid or private placement, as appropriate. The Agency's bonds have traditionally been sold via negotiated sale. This has been reflective of a complex structure which has required significant up-front work by the bond underwriter, and a strong pre-marketing effort at sale. The Agency may elect to privately place its debt if it is demonstrated to result in a cost savings to the Agency relative to other methods of debt issuance.

VIII. Debt Administration

Investment of bond proceeds Investments of bond proceeds shall be consistent with federal tax requirements, the County's adopted Investment Policy as modified from time to time, and with requirements contained in the governing bond documents.

Continuing Disclosure The Agency is committed to full and complete primary and secondary market financial disclosure in accordance with disclosure requirements established by the Securities and Exchange Commission and Municipal Securities Rulemaking Board, as may be amended from time to time. The Agency is also committed to cooperating fully with rating agencies, institutional and individual investors, other levels of government, and the general public to share clear, timely, and accurate financial information.

Arbitrage Compliance The Agency shall maintain a system of record keeping and reporting to meet the arbitrage compliance requirements of federal tax law or procure an outside contractor for such service.

Date: August 25, 2015

Subject: CONTINUE Extension of Emergency Declaration Regarding Homelessness

RECOMMENDATION(S):

CONTINUE the emergency action originally taken by the Board of Supervisors on November 16, 1999 regarding the issue of homelessness in Contra Costa County.

FISCAL IMPACT:

None.

BACKGROUND:

Government Code Section 8630 required that, for a body that meets weekly, the need to continue the emergency declaration be reviewed at least every 14 days until the local emergency is terminated. In no event is the review to take place more than 21 days after the previous review.

On November 16, 1999, the Board of Supervisors declared a local emergency, pursuant to the provisions of Government Code Section 8630 on homelessness in Contra Costa County.

With the continuing high number of homeless individuals and insufficient funding available to assist in sheltering all homeless individuals and families, it is appropriate for the Board to continue the declaration of a local emergency regarding homelessness.

"THE UNDERUTILIZATION OF THE MARSH CREEK DETENTION FACILITY"**

BOARD OF SUPERVISORS' RESPONSE

FINDINGS – *California Penal Code Section 933.5(a) requires a response to the designated findings of the Grand Jury.*

1. The MCDF uses 1/3 of its dormitory space.

Response: Agree.

2. The five-year average daily occupancy rate at the MCDF is 52 inmates, although there is capacity for 160 inmates.

Response: Agree.

3. MCDF, built in 1942, is 73 years old.

Response: Agree.

4. MCDF occupies 32 acres of a 164-acre parcel owned by the County at the southeastern foot of Mt. Diablo.

Response: Agree.

5. The Sheriff's Office has a shooting range and a training facility on the County's 164-acre parcel at the southeastern foot of Mt. Diablo.

Response: Agree.

6. There are six dormitory wings at the MCDF.

Response: Agree.

7. The MCDF dormitory, Wings F and G, are permanently closed, Wings B and C are open; and Wings A and D are closed but could re-open if the flooring were reinforced.

Response: Partially Disagree. To clarify, Wings D and E are currently being used to house inmates and Wings B and C could be used immediately if needed.

8. Barbed wire fences surround the perimeter of the MCDF.

Response: Agree.

9. MCDF is a low-security prison.

Response: Partially Disagree. MCDF is a county adult detention facility for sentenced inmates. The facility is not classified as a prison.

10. MCDF lacks security cameras.

Response: Partially Disagree. The MCDF has security cameras monitoring two secured holding cells related to detention transportation and the Sheriff's Range facility.

11. The Sheriff's Office does not transfer offenders who are flight risks and prone to violence to the MCDF because it lacks adequate security.

Response: Agree. The MCDF environment is not designed for inmates classified as violent and/or a flight risk.

12. One Contra Costa County Deputy Sheriff is on duty at night at the MCDF.

Response: Disagree. Minimum staffing maintained at the MCDF is at least one Sergeant and two Deputy Sheriff positions at all times.

13. There are minimal behavioral conflicts at the MCDF.

Response: Agree.

14. The infirmary at the MCDF is open 8:30 a.m. - 4:30 p.m., Monday - Friday.

Response: Agree.

15. Inmates needing access to medical personnel 24-hours a day, such as those with cardiac and pulmonary issues, diabetes, asthma and severe allergies, may not be housed at the MCDF.

Response: Partially Disagree. Medical conditions alone do not exclude inmates from having the opportunity to be housed at the MCDF.

16. The MCDF lacks a pharmacy.

Response: Agree.

17. The MCDF inmates have opportunities for rehabilitation.

Response: Agree.

18. The Sheriff's Office provides classes for personal growth, academic education and job skills to inmates at the MCDF.

Response: Agree.

19. Gang issues are a primary reason why Martinez Detention Facility inmates do not eat in a communal setting or take group classes.

Response: Partially Disagree. There are many issues that contribute to population management within the Martinez Detention Facility (MDF). Gang affiliation is a factor; however, type of offense, criminal history, and special needs housing (e.g. sex offender, gang drop-out) also play a significant role in how inmates are allowed to interact with one another in the facility.

20. Inmates at the Martinez Detention Facility are released to an interior room and a cement-walled courtyard for one to three hours either once a day or every other day, based on an inmate's classification.

Response: Partially Disagree. During "Free-Time" inmates are allowed between 1-3 hours in the exterior courtyard each day. The remainder of the day, inmates are allowed access to common areas.

21. In August 2015, there are plans to submit an application on behalf of Contra Costa County, for \$90 million of State funds made available pursuant to Senate Bill 863. The funds will be used to build a 240-bed mental health wing at the WCDF.

Response: Partially Disagree. The application will include not only mental-health space, but also 22,000 square feet for important re-entry programming for inmates.

22. If the State awards Contra Costa County with Senate Bill 863 funds, the Sheriff's Office estimates that construction of the 240-bed mental health wing at the WCDF will be completed by late 2018 or early 2019.

Response: Partially Disagree. If approved, the new facility is scheduled to be completed in late 2019.

RECOMMENDATIONS - California Penal Code Section 933.05(b) requires a response to the designated recommendations of the Grand Jury.

1. The Sheriff's Office should consider ways to fund the restoration of MCDF Wings A and B.

Response: The recommendation has been implemented. Wing B has been fully restored.

2. The Sheriff's Office should consider providing medical staffing 24-hours a day, seven days a week and a pharmacy at the MCDF, and ways to fund such staffing and the pharmacy.

Response: The recommendation has been implemented. For FY 2015/16, the Community Corrections Partnership budget includes Family Nurse Practitioner, Registered Nurse and Mental Health Clinical Specialist positions for the MCDF.

3. Once Recommendations 1 - 2 have been accomplished, the Sheriff's Office should consider broadening the classification of MCDF inmates so that the facility will be fully utilized.

Response: The recommendation has been implemented. The Sheriff's Office consistently reviews inmate eligibility to be housed at the MCDF.

4. If the State does not award SB 863 jail construction funds to the County, the Sheriff's Office should consider alternative plans and associated funding methods to reduce inmate occupancy at the Martinez Detention Facility.

Response: The recommendation has not yet been implemented, but will be once the outcome of the SB 863 grant process is known.

Contra Costa County Grand Jury Report 1508
The Underutilization of the Marsh Creek Detention Facility
Overcrowding at the Martinez Detention Facility

TO: The Contra Costa County Sheriff

SUMMARY

Contra Costa County owns 164 acres of rural land at the eastern foot of Mt. Diablo, approximately 5.5 miles south of downtown Clayton. The Contra Costa County Sheriff's Office (SO) maintains a law enforcement shooting range and safety training area at the site.

The minimum-security Marsh Creek Detention Facility (MCDF) was built on 32 acres on the north side of the property in 1942. The male-only facility has the capacity to house 160 inmates, but is underutilized by almost 70%. There are two reasons for the underutilization:

1. Inmates with cardiac/pulmonary issues, diabetes, intense allergies and asthma, cannot be housed at the MCDF because they need access to emergency care and the Contra Costa Regional Medical Center (CCRMC, the "County Hospital") is over 20 miles away. Additionally, it is unsuitable for such inmates because many of the daily activities are outdoors, the infirmary is not open at night or on the weekends and there is no pharmacy on-site.
2. The facility lacks perimeter cameras and inmates can escape by climbing over the fences. Thus, the facility is not suitable for un-sentenced pre-trial inmates who are viewed as a flight risk.

Despite MCDF's minimum security, there has been no inmate escape in years. Due to minimum misconduct by inmates, the facility is staffed by a lone deputy on the night shift. A variety of vocational classes and the rural setting provide restorative benefits. The Grand Jury has been told that both deputies and inmates consider being assigned to MCDF a privilege.

In contrast, the overcrowded four-story Martinez Detention Facility (also referred to as the County Jail) is situated on one square block of downtown Martinez. The Martinez Detention Facility houses approximately 636 inmates per day on three of the four floors (One floor is used for administration). There are no classes or vocational training at the Martinez Detention Facility and inmates eat their meals in their cells. Staff report that inmate-to-inmate violence has increased 50% over the last year. In March, one inmate took a female guard hostage for several hours before releasing her unharmed.

California State Senate Bill 863 authorizes \$500 million to non-rural counties for jail construction. The SO intends to apply for \$90 million, which it will use to construct a 240-bed mental health wing at the West County Detention Facility. This increased capacity will relieve overcrowding at the Martinez Detention Facility. If the SO's application is granted, construction will be completed by 2019. If the SO is unsuccessful, the crowding at the Martinez Detention Facility could be relieved by obtaining alternative funding.

Crowding at the Martinez Detention Facility could also be relieved if the SO renovates the permeable wood floors of the two abandoned dormitory wings at the MCDF and opens the dormitories for occupancy. So that more men might have the opportunity to rehabilitate in the MCDF setting, the SO could also add more medical personnel during evenings and weekends so that the inmate classification could be broadened.

INITIAL FINDINGS

Comparison of the Martinez Detention Facility and the Marsh Creek Detention Facility.

The Martinez Detention Facility

Pursuant to Penal Code §919(b), "The Grand Jury shall inquire into the condition and management of the public prisons in the county". The 2014 - 2015 Grand Jury toured the County's adult and juvenile county detention facilities. There is a marked difference between the Martinez Detention Facility and MCDF.

The Martinez Detention Facility is usually the first point of contact for people arrested in the County. After people are booked and assessed at the Martinez Detention Facility, they are housed there until they are released, have been tried and sentenced, or are transferred to another facility. The Martinez Detention Facility is also adjacent to the

courts and administration for the SO.

Inmates who have medical or mental health issues are housed at the Martinez Detention Facility because of its proximity to CCRMC in Martinez.

Of the three adult detention centers in the County - the Martinez Detention Facility, the MCDF and the West County Detention Facility (WCDF) - the Martinez Detention Facility houses the most violent inmates. Those who are a danger to society and/or to themselves must serve their sentences in a highly-secured facility. Gang violence is also a security concern. Gang inmates exact revenge on rival gang members as well as men in the same gang. This makes congregating all inmates for classes or meals impossible. Staff must coordinate the inmates so that rivals are not in contact with each other during free time. Inmate-to-inmate violence is on the rise at the Martinez Detention Facility.

The Martinez Detention Facility was never intended to house inmates for a long period of time, but due to state-mandated prison realignment in 2011, inmates can be in custody for years while awaiting trial. Inmates are doubled-up in the interior cells and are allowed to leave their cells for only one to three hours per day. Maximum security inmates are allowed to leave their cells for one hour and ten minutes *every other day*. Outside areas are rectangular cement slabs surrounded by high walls. Inmates eat meals in their cells. There is no dedicated space for classes.

MCDF, built in 1942 at the foot of Mt. Diablo in Clayton, has capacity for 160 inmates. Its population fluctuates between 30 and 80 inmates, averaging approximately 50 inmates daily. There has not been an escape in years even though inmates could throw a blanket or mattress on the razor wire and climb over the fence. The staff reports that there are minimal behavioral conflicts among inmates. One deputy is assigned for the night shift and the property lacks security cameras. The inmates spend their days tending to the landscape and cultivating grape vineyards for commercial production. They prepare food, take classes to obtain high school diplomas, learn job re-entry skills, and master woodworking. There are substance abuse rehabilitation classes as well as stress management classes. In addition to a lending library and basketball courts, there is a chapel that provides weekly spiritual services for all denominations.

Inmate Rehabilitation

For certain inmates who have already been sentenced and are not at risk of escaping, MCDF's monastery-like setting provides a unique opportunity to rehabilitate. Stress reduction and mental restoration are benefits associated with living near green areas and spending time in natural settings. Research demonstrates that gardens - similar to MCDF - provide opportunities to reconnect with nature and that this can be a catalyst to self-improvement. Prison gardens reduce violence, improve mental health, teach horticulture skills, and reduce recidivism rates.

Furthermore, residents of urban, low socioeconomic neighborhoods often experience chronic stress due to higher exposure to noise, violence, unemployment, and crime. Chronic stress, combined with little opportunity for recovery, can lead to unhealthy levels of psychological and physiological reaction. Individuals experiencing chronic stress are more likely to suffer from impaired memory, sleep problems, loss of appetite, poor mental health, cardiovascular complications, and Type II diabetes.

Inmates spend a large portion of everyday working outdoors at the MCDF. Research shows that the human body's systems respond quickly to contact with nature. Experiencing nature can inspire feelings of contemplation, impressions that are reinforced by calmed heart rate, reduced stress response and healing processes. (See Appendix A)

Ways to Increase Occupancy at the MCDF

Four of the six dormitory wings at MCDF are uninhabited. Wings A and B are uninhabited due to unreinforced wooden floors and Wings E and F are uninhabited due to mold damage. The occupancy rate at MCDF is also limited because the MCDF infirmary is only open 8:30 - 4:30 Monday - Friday, and lacks a pharmacy.

The SO cannot currently increase occupancy at MCDF due to these conditions. To prepare the property for increased occupancy, the following should be done at MCDF:

- 1. Reinforce the floors of Wings A and B.**

Wings A and B could be occupied after the aged wooden floors are reinforced.

- 2. Expand the infirmary hours and add a pharmacy.**

If the infirmary expanded its hours and provided care seven days a week, more inmates with medical conditions could be transferred to the MCDF. An on-site pharmacy would also broaden the scope of medical care.

Ways to Decrease Occupancy at the MDF

1. **SB 863 Jail Construction Funding to increase inmate capacity**
In August 2015, the SO will apply for Senate Bill 863 funding (jail construction) that would provide \$90 million to build a 240-bed mental health wing at WCDF. The County will provide a 10% match of \$9 million. If the bid is successful, the new facility will not be completed until late 2018 or early 2019.

Conclusion

The Grand Jury recommends that the SO maintain strong inmate classification oversight so that each individual has an opportunity for restorative rehabilitation. Increasing the MCDF occupancy is an opportunity to provide more inmates with the benefits of living in a natural setting.

If the SO is unsuccessful in obtaining new construction funds for a WCDF mental health wing, the Grand Jury recommends that the SO find alternative funding to relieve the crowding at the Martinez Detention Facility.

FINDINGS

- F1. The MCDF uses 1/3 of its dormitory space.
- F2. The five-year average daily occupancy rate at the MCDF is 52 inmates, although there is capacity for 160 inmates.
- F3. MCDF, built in 1942, is 73 years old.
- F4. MCDF occupies 32 acres of a 164-acre parcel owned by the County at the southeastern foot of Mt. Diablo.
- F5. The Sheriff's Office has a shooting range and a training facility on the County's 164-acre parcel at the southeastern foot of Mt. Diablo.
- F6. There are six dormitory wings at the MCDF.
- F7. The MCDF dormitory, Wings F and G, are permanently closed, Wings B and C are open; and Wings A and B are closed but could re-open if the flooring were reinforced.
- F8. Barbed wire fences surround the perimeter of the MCDF.
- F9. MCDF is a low-security prison.

- F10. MCDF lacks security cameras.
- F11. The SO does not transfer offenders who are flight risks and prone to violence to the MCDF because it lacks adequate security.
- F12. One Contra Costa County deputy sheriff is on duty at night at the MCDF.
- F13. There are minimal behavioral conflicts at the MCDF.
- F14. The infirmary at the MCDF is open 8:30 a.m. - 4:30 p.m., Monday - Friday.
- F15. Inmates needing access to medical personnel 24-hours a day, such as those with cardiac and pulmonary issues, diabetes, asthma and severe allergies, may not be housed at the MCDF
- F16. The MCDF lacks a pharmacy.
- F17. The MCDF inmates have opportunities for rehabilitation.
- F18. The SO provides classes for personal growth, academic education and job skills to inmates at the MCDF.
- F19. Gang issues are a primary reason why Martinez Detention Facility inmates do not eat in a communal setting or take group classes.
- F20. Inmates at the Martinez Detention Facility are released to an interior room and a cement-walled courtyard for one to three hours either once a day or every other day, based on an inmate's classification.
- F21. In August 2015, there are plans to submit an application on behalf of Contra Costa County, for \$90 million of State funds made available pursuant to Senate Bill 863. The funds will be used to build a 240-bed mental health wing at the WCDF.
- F22. If the State awards Contra Costa County with Senate Bill 863 funds, the SO estimates that construction of the 240-bed mental health wing at the WCDF will be completed by late 2018 or early 2019.

RECOMMENDATIONS

- R1. The SO should consider ways to fund the restoration of MCDF Wings A and B.
- R2. The SO should consider providing medical staffing 24-hours a day, seven days a week and a pharmacy at the MCDF, and ways to fund such staffing and the pharmacy.

- R3. Once Recommendations 1 - 2 have been accomplished, the SO should consider broadening the classification of MCDF inmates so that the facility will be fully utilized.
- R4. If the State does not award SB 863 jail construction funds to the County, the SO should consider alternative plans and associated funding methods to reduce inmate occupancy at the Martinez Detention Facility.
