Contra Costa County Board of Supervisors  
651 Pine Street  
Martinez, CA 94553

Re: Sale of the Oak Park Elementary School site to the Pleasant Hill Recreation and Park District

Dear Chair Gioia and Supervisors:

Since we last submitted copies of our Advisory Petition to you on Friday, December 4, we wanted to update you on the additional signatures which we have collected on the petition since then. Today, we are submitting an additional 267 signatures on the hard-copy, hand-circulated petition. In addition, another 276 signatures have been collected at the Change.Org website. We sent you a link to that over the weekend, and hope you have had a chance to view the petition there. We have now submitted 1870 signatures to you.

As you know, acquiring the Oak Park Elementary School site by the Pleasant Hill Recreation and Park District is of utmost importance to the residents of Central Contra Costa County. The Park District serves youth and adult recreation enthusiasts throughout the County and even beyond our County's borders. And while the Army Corps of Engineers has turned it's back on helping northern Walnut Creek and southern Pleasant Hill solve our flooding problems, we do not want to lose the land that was set aside for the main detention basin. That basin was part of a Flood Relief Plan that included 3 detention basins and a bypass pipe and has been in place since the 1980's with overwhelming public support, as well as support from the cities of Walnut Creek, Lafayette, and Pleasant Hill.

Once again, we would like to point out that in the new signatures we are submitting to you today, we have calculated the percentage of signatures signed by residents who live outside of the City of Pleasant Hill. We have found that out of the additional 267 hard copy new signatures, 72% of the signatures are from County residents who live outside Pleasant Hill. And from a calculation of the new online signatures, fully 60% are from residents of the County, other than Pleasant Hill.

We hope that you will carefully and thoughtfully consider the many benefits to our County that the playing fields, picnic areas, a detention basin, etc. will give to the current generation of families in Central Contra Costa and the following generations to come.

Sincerely,

Leona Toussaint

Pleasant Hill Resident

Kim Brandt

Former Pleasant Hill Mayor and City Councilmember

# ADVISORY PETITION TO THE CONTRA COSTA COUNTY BOARD OF SUPERVISORS

One of the last remaining open space parcels in Pleasant Hill is up for sale by the County. This 10-acre parcel, known as the Oak Park Elementary School Site, is adjacent to Pleasant Hill Middle School and the Pleasant Hill Library. This site has views of Mt. Diablo, a natural creek with otters, birds, and other wildlife.

We support selling this large site to Pleasant Hill Parks and Recreation for open space community uses (similar to features shown in this photo of Pleasant Hill Park) such as playing fields, library, picnic areas, trails, and critical flood detention basins to protect residents from future flooding.

*Please don't sell this 10-acre site to housing developers!*

# ADVISORY PETITION TO THE CONTRA COSTA COUNTY BOARD OF SUPERVISORS

One of the last remaining open space parcels in Pleasant Hill is up for sale by the County. This 10-acre parcel, known as the Oak Park Elementary School Site, is adjacent to Pleasant Hill Middle School and the Pleasant Hill Library. This site has views of Mt. Diablo, a natural creek with otters, birds, and other wildlife.

**We support selling this large site to Pleasant Hill Parks and Recreation for open space community uses** (similar to features shown in this photo of Pleasant Hill Park) such as playing fields, library, picnic areas, trails, and critical flood detention basins to protect residents from future flooding.

*Please don't sell this 10-acre site to housing developers!*
