Subject: Public Housing Assessment System (PHAS) Unaudited Report for FYE 3-31-14

# **RECOMMENDATIONS**

CONSIDER accepting a report on the Housing Authority of the County of Contra Costa's unaudited Public Housing Assessment System Score for FYE March 31, 2014.

# BACKGROUND

The U.S. Department of Housing and Urban Development (HUD) annually evaluates a public housing authority's (PHA) management of its public housing program using four tools, referred to collectively as the Public Housing Assessment System (PHAS). The four indicators that comprise PHAS are physical condition, financial condition, management operations and Capital Fund. Each indicator is evaluated and scored separately and are collectively worth up to 100 points. The physical condition indicator is worth 40 points, the financial condition and management operations indicators are worth 25 points each and the Capital Fund indicator is worth 10 points.

All PHAs that receive a PHAS assessment shall receive a performance designation. The performance designation is based on both the overall PHAS score and the four individual indicator scores. A PHA that achieves an overall score of at least 90 points and also scores at least 24 points for physical condition, 15 points for financial condition, 15 points for management operations and 5 points for the Capital Fund shall be designated a high performer.

A PHA that is not a high performer shall be designated a standard performer if the PHA achieves an overall PHAS score of at least 60 points and also scores at least 24 points for physical condition, 15 points for financial condition, 15 points for management operations and 5 points for the Capital Fund.

#### BACKGROUND (CONT'D)

A PHA shall be designated a substandard performer if the PHA achieves a total PHAS score of at least 60 points but scores less than the threshold for standard performer in any individual indicator. These thresholds are 24 points for physical condition, 15 points for financial condition and 15 points for management operations. The PHA shall be designated as substandard physical, substandard financial, or substandard management, respectively.

A PHA that achieves an overall PHAS score of less than 60 points or a Capital Fund score of less than 5 points shall be designated as a troubled performer.

The Housing Authority (HACCC) received a PHAS score of 75 based on the agency's unaudited financials for the fiscal year ending (FYE) March 31, 2014. This is an improvement of 10 points from HACCC's audited score for FYE March 31, 2013 and also means that HACCC is no longer rated as substandard under the management indicator.

Because of the extremely-low occupancy rate at Las Deltas, staff and the SF HUD field office did not believe HACCC would be able to achieve a standard rating until the disposition of Las Deltas was complete. However, HACCC's long-term project to bring vacant units back on-line at all other properties has paid dividends for the agency's PHAS scores. HACCC's score rose to 75 as a result of increased occupancy rates at Hacienda in Martinez, Bayo Vista in Rodeo and El Pueblo in Pittsburg combined with improved tenant rent collections. Once HACCC's RAD application for the disposition of 90 units at Las Deltas in North Richmond is formally approved, the agency's score will further increase.

The PHAS score report received from HUD is attached.

FISCAL IMPACT No immediate impact.

Subject: Award of Additional HUD-Veterans Affairs Supportive Housing Grant

#### **RECOMMENDATIONS**

ACCEPT report on the additional award of Veterans Affairs Supportive Housing (VASH) vouchers to the Housing Authority from the U.S. Department of Housing and Urban Development.

#### BACKGROUND

HACCC currently houses 122 Veterans through the HUD-VASH program. HACCC was awarded 33 new vouchers starting on October 1, 2014 under the FFY 2014 competition. Effective December 1, 2014, HACCC has been awarded an additional 15 vouchers using the FFY 2014 funding.

HUD-VASH is a joint effort between HUD and the U.S. Department of Veterans Affairs (VA) designed to move Veterans and their families out of homelessness and into permanent housing. HUD provides Housing Choice Voucher (HCV) rental assistance, thus allowing homeless Veterans to rent privately-owned housing, and the VA offers case management and clinical services for participating Veterans at VA medical centers and community-based outreach clinics.

The HUD-VASH program is for veterans who:

- Are eligible for VA health care services;
- Are chronically homeless, meaning homeless for a year or more or 4 or more times in the past 3 years;
- Have a history of medical, mental health or substance abuse problems that are now stabilized;

- Are ready for independent housing in the community, but need ongoing case management services to maintain it;
- Have some type of income to pay for their housing;
- Are motivated to improve the quality of their lives by working with a VA case manager; and
- Are actively participating in treatment through the VA for their conditions.

To apply for the HUD-VASH program, Veterans should contact the VA Homeless Program at (925) 372-2061. The VA's HUD-VASH Admission Team will assess eligibility for the program. Eligible Veterans will then be referred by the VA to HACCC to obtain a voucher. HACCC will then determine if the Veteran meets HUD's regulations for the HUD-VASH program. Veterans can also contact HACCC at (925) 957-7042 or (925) 957-7010 to be placed on a referral list that will be provided to the VA Homeless Program.

#### FISCAL IMPACT

The U.S. Department of Housing and Urban Development (HUD) has awarded the Housing Authority (HACCC) \$181,978 in additional Federal Fiscal Year (FFY) 2014 funding to support 15 more vouchers under the HUD-Veterans Affairs Supportive Housing (HUD-VASH) program.

#### **RECOMMENDATIONS**

ACCEPT report on the Certificate of Recognition received from the United States Department of Housing and Urban Development (HUD) for Beth Campbell's ongoing support of HUD's enterprise income verification system.

#### BACKGROUND

The Enterprise Income Verification (EIV) system is a web-based, integrated income database that contains employment and income information of individuals who participate in HUD's rental assistance programs. As of January 31, 2010, all Public Housing Agencies (PHAs) are required to use HUD's EIV system.

HUD conducts ongoing EIV trainings for new PHA staff as well as annual updates for existing staff. For the past three years HUD has asked Beth Campbell to assist them in presenting their EIV trainings. HUD views Ms. Campbell as someone who both possesses an in-depth knowledge of the EIV system and is an excellent workshop presenter.

HUD recently provided the agency with a Certificate of Recognition for Ms. Campbell in appreciation of her excellence and the ongoing support she and HACCC provide to HUD's EIV training program. Attached is HUD's Certificate of Recognition for Ms. Campbell.

### **RECOMMENDATIONS**

ACCEPT the financial and program compliance audit report for the period April 1, 2013 through March 31, 2014, prepared by Harn & Dolan CPA's, Walnut Creek, California.

### BACKGROUND

The U. S. Department of Housing & Urban Development requires every housing authority to have an annual independent audit conducted of its financial statements and business activities as well as of compliance with program requirements for the public housing, Housing Choice Voucher and Shelter-Plus Care programs. HACCC contracted with Harn & Dolan to prepare the audit report for the fiscal year ending March 31, 2014.

Harn & Dolan's audit identified no findings and no material weaknesses in either the financial or program compliance portions of the audit.

The complete audit and the management letter are attached.

November 10, 2014

To the Board of Commissioners and Executive Director Housing Authority of the County of Contra Costa Martinez, California

We have audited the financial statements of the business-type activities and the major fund of the Housing Authority of the County of Contra Costa, component unit of the County of Contra Costa, California (the Authority) for the year ended March 31, 2014. We did not audit the financial statements of the Authority's component units which were audited by other auditors and the reports were furnished to us. Professional standards require that we provide you with information about our responsibilities under generally accepted accounting standards, *Government Auditing Standards*, and OMB Circular A-133, as well as certain information related to the planned scope and timing of our audit.

Our Responsibility under U.S. Generally Accepted Auditing Standards and OMB Circular A-133

As stated in our engagement letter dated January 8, 2014, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

In planning and performing our audit, we considered the Housing Authority of the County of Contra Costa, California's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide assurance on the internal control over the financial reporting. We also considered internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants. However, providing an opinion on compliance with those provision is not an objective of our audit. Also, in accordance with OMB Circular A-133, we examined, on a test basis, evidence about the Authority's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement applicable to each of its major federal programs for the purpose of expressing an opinion on the Authority's compliance with those requirements. While our audit provided a reasonable basis for our opinion, it does not provide a legal determination on the Authority's compliance with those requirements.

Generally accepted accounting principles provide for certain required supplementary information (RSI) to supplement the basic financial statements. Our responsibility with respect to the Management Discussion and Analysis (MD&A), which supplements the basic financial statements, is to apply certain limited

Housing Authority of the County of Contra Costa November 10, 2014 Page 2

procedures in accordance with generally accepted auditing standards. However, the RSI was not audited and, because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance, we do not express an opinion or provide any assurance on the RSI.

We have been engaged to report on the Schedule of Expenditures of Federal Awards, the Financial Data Schedule and the Statement of Completed Capital Fund Program Project. Our responsibility for the supplementary information, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have not been engaged to report on the Schedule of Relevant Statistics which accompanies the financial statements but is not RSI. Our responsibility with respect to this other information in documents containing the audited financial statements and auditor's report does not extend beyond the financial information identified in the report. We have no responsibility for determining whether this other information is properly stated. This other information has not been audited and we did not express an opinion or provide any assurance on it.

### Planned Scope and Timing of the Audit

The audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit involves judgement about the number of transactions to be examined and the areas to be tested.

Our audit included obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatement may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. We noted no material misstatement that required communication to you during our audit.

Professional standards also require that we communicate to you the following information related to our audit.

### Significant Audit Findings

# Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Authority are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies were not changed during the fiscal year ended March 31, 2014. As described in Note 1.R. to the financial statements, the Authority considered the effect that several new GASB pronouncements would have on the financial statements. The Authority implemented GASB No 65 *Items Previously Reported as Assets and Liabilities*, during the current fiscal year. The implementation of this GASB had no material effect on the financial statements of the Authority. We noted no transactions entered into by the Authority during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the Authority's financial statement were:

- Allowance for uncollectible tenant accounts receivable: Management's estimate is based on past experience and subsequent collections. We inquired with management on the need for the amount of the allowances.
- Depreciation on capital assets: Management's estimate of the useful lives of its capital assets is based on historical information about similar assets, the length of time the assets are expected to meet service and technology demands, and the Authority's maintenance policy for the assets. These estimates have remained consistent for several years. We evaluated the key factors and assumption used to develop the depreciation estimates in determining that they are reasonable in relation to the financial statements taken as a whole.
- OPEB liability: Management's estimate is derived from actuarial valuations obtained from experts. We agreed the OPEB liability and the other information contained in the OPEB footnote to the amounts reported in the actuarial report prepared in 2012 for the period beginning April 1, 2012, by Nicolay Consulting Group.
- Noncurrent liability for insurance claims: Management's estimate is derived from advice received from its insurance carriers.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most significant disclosure affecting the financial statements was the disclosure of the related parties - component units, both blended and discreetly presented, in Note 15 to the financial statements. This disclosure describes the Authority's relationship, including financial, with its component units.

The financial statement disclosures are neutral, consistent, and clear.

# Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

# Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

### Disagreements with Management

For the purpose of this letter, a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial

### Housing Authority of the County of Contra Costa November 10, 2014 Page 4

statements or the auditors' report. We are pleased to report that no such disagreement arose during the course of our audit.

#### Management Representations

We have requested certain representations from management that are included in the management representation letter dated November 10, 2014.

#### Management Consultation with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the government unit's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the government unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.

#### Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Commissioners and management of the Housing Authority of the County of Contra Costa and is not intended to be, and should not be, used by anyone other than these specified parties.

# **INDEPENDENT AUDITORS' REPORT**

To the Board of Commissioners Housing Authority of the County of Contra Costa Martinez, California

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the business-type activities and the major fund of the Housing Authority of the County of Contra Costa, component unit of the County of Contra Costa, California (the Authority), as of and for the year ended March 31, 2014, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents. We did not audit the financial statements of the aggregate discretely presented component units reported in the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of HACCC Casa Del Rio, Inc, a California Nonprofit Public Benefit Corporation and CDR Senior Housing Associates, a California Limited Partnership, which represent 14.9%, -2.0% and 0.5%, respectively, of the primary government's assets, net position, and revenue. We did not audit the financial statements of DeAnza Housing Corporation, a California Nonprofit Public Benefit Corporation and DeAnza Gardens L.P. a California Limited Partnership, which are combined and reported as discretely presented component units titled Component Units in the fund financial statements. Those financial statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the discretely presented component units and blended component units - Casa Del Rio Housing is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's

internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

# **Opinions**

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, the aggregate discretely presented component units, and the major fund of the Authority, as of March 31, 2014, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **Other Matters**

# Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 11 and schedule of funding progress for OPEB on page 52 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and the other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information provide us with sufficient evidence to express an opinion or provide any assurance.

# Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the County of Contra Costa, California's basic financial statements. The schedule of relevant statistics is presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements. The accompanying Financial Data Schedules (CA 011) shown on pages 56-63 are presented for purposes of additional analysis as required by *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development and are not a required part of the basic financial statements. Finally, the accompanying Schedule of Completed Capital Fund Program Project is presented for the purpose of additional analysis as required by the U.S. Department of Housing and Urban Development and is not a required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards, Financial Data Schedules, and Schedule of Completed Capital Fund Program Project are the responsibility of management and were derived from and relate

directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the Untied States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The schedule of relevant statistics has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 10, 2014, on our consideration of the Housing Authority of the County of Contra Costa, California's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

Harn & Dolan!

November 10, 2014

The management of the Housing Authority of the County of Contra Costa (the Authority) would like to provide the readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended March 31, 2014.

The Management Discussion and Analysis (MD&A) is an element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in their Statement No. 34 Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments issued in June 1999. Certain comparative information between the current year and the prior year is required to be presented in the MD&A.

### FINANCIAL HIGHLIGHTS

- Net position decreased by \$5,010,175 (or 22.1%) during 2014 (see Table 1) as a result of current year activities.
- Unrestricted net position (see Table 2) decreased \$1.1 million (or 14.9%) as a result of current year activities.
- Total revenue decreased by \$8.6 million (or 8.5%) as a result of current year activities.
- Total expenditures decreased \$1.6 million (or 1.6%) as a result of current year activities.

# **OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as introduction to the Authority's basic financial statements. The Authority's basic financial statements are comprised of three parts as follows: (1) Fund Financial Statements, (2) Notes to the Basic Financial Statements, and (3) Supplementary Information.

### FUND FINANCIAL STATEMENTS

The Fund Financial Statements presentation is similar to the traditional government financial statements. The statements are the Statement of Net Position, the Statement of Revenue, Expenses, and Changes in Fund Net Position, and the Statement of Cash Flows. The focus is now on Major Funds, rather than fund types. The Authority's funds consist exclusively of Enterprise Funds. Enterprise funds utilize the full accrual basis of accounting. The Enterprise method of accounting is similar to accounting utilized by the private sector accounting.

Many of the funds administered by the Authority are provided by the Department of Housing and Urban Development. Others are segregated to enhance accountability and control. GASB's 34 and 37 require individual enterprise funds to be reported as major funds if total assets, liabilities, revenue, or expenses of that individual fund exceed 10% or corresponding element total of the Authority as a whole. In the past, the Authority reported four major funds and an aggregate column for non-major funds. Beginning April 1, 2006, the Authority reported all of its activities in one major fund titled "Housing". The Authority's mission is to provide affordable housing within the County of Contra Costa, regardless of grant or program. Therefore, we believe that reporting all activity in one fund is consistent with this mission and simpler for the readers of the Authority's report.

The Authority's activity includes:

<u>Public Housing</u> – Under the Public Housing Program, (also titled as 'Low Rent-Aided Housing') the Authority rents units that it owns to very low & low-income households. The Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD. The ACC provides Operating Subsidy and Capital improvement Grant

#### (Continued)

funding to enable the PHA to provide the housing at a rent that is based upon 30% of household income or at a flat rate below market rate.

<u>Public Housing Capital Fund Grant</u> - HUD provides grants for the modernization of the Public Housing Program units. The modernization is accounted for by each grant, which is merged as a part of the Public Housing Program totals.

<u>Housing Choice Voucher Program</u> – Under the Housing Choice Voucher Program, (hereunder titled as 'Voucher' Program) the Authority administers the program under an Annual Contributions Contract (ACC) with HUD. The ACC provides funding to the Authority to provide tenant based rental assistance to program participants. The rental assistance payment is structured so as the rental payment that the participant is obligated to pay is 30% to 40% of household income. This is a major federal program.

<u>Casa Del Rio, Associates</u> - Casa Del Rio, Senior Housing Associates (CDR) was formed as a limited partnership on April 12, 1994, for the purpose of developing, owning and operating an 82-unit affordable housing rental complex (the project) located in Antioch, California. The Project qualifies for low-income housing tax credits under Section 42 of the Internal Revenue Service Code. Such projects are regulated under terms of a Regulatory Agreement, including rent charges, operating methods and other matters. This limited partnership is considered to be a blended component unit of the Authority. The most recent audits were for the fiscal year ended December 31, 2013. These reports can be obtained from the Authority using the information on page 11.

<u>Casa Del Rio, Incorporated</u> - The general partner of the Casa Del Rio Partnership is HACCC Casa Del Rio, Inc., a California public benefit corporation. The officers and Board members of HACCC Casa Del Rio, Inc. are employees of the Authority, which was the developer of the Project, and is consider a blended component unit of the Housing Authority. These component units receive separate audit reports performed on a calendar year basis. The most recent audits were for the fiscal year ended December 31, 2013. These reports can be obtained from the Authority using the information on page 11.

<u>Shelter Plus Care Program</u> – is designed to provide rental assistance and supportive services to homeless and disabled individuals and their families. It is cooperatively administered by the County Health Services Department and the Housing Authority of Contra Costa County, and has the capacity to serve roughly 200 households. Participants receive rental assistance and supportive services funded by the U.S. Department of Housing and Urban Development.

<u>CDBG Rental Rehabilitation Program (RRP)</u> - Under the RRP, the Authority executes annual funding contract with various governmental entities to fund the operations of a program that assists rental property owners with rehabilitation of housing units to help assure a supply of affordable rental apartments and homes for its Section 8/Voucher users and other low-income households. Technical assistance in determining repairs is provided by Authority staff and below-market-rate loans are made to cover part of rehabilitation costs. Program administrative costs are shared by the funding providers and the Authority.

<u>Rental Rehabilitation Program (RRP)</u> - Under the RRP, the Authority operates a program that assists rental property owners with rehabilitation of housing units to help assure a supply of affordable rental apartments and homes for its Section 8/Voucher users and other low-income households. Technical assistance in determining repairs is

### (Continued)

provided by Authority staff and below-market-rate loans are made to cover part of rehabilitation costs. Funds from this program are to supplement the CDBG RRP for loans or administration.

<u>Management Fund & County Programs</u> – This program is often referred to as the "State and Local Fund". The fund represents non-HUD resources developed from a variety of activities, including developer fees, management fees, program cost reimbursement, and other local and non local activities.

<u>Central Office Cost Center</u> - The COCC fund earns revenue from fees and services provided to various federal programs. The funds earned are considered non-HUD funds and go to cover the overhead and support services provided to the various federal programs.

#### **Discretely Presented Component Unit:**

<u>DeAnza Gardens L.P. (DeAnza)</u>– DeAnza was formed as a limited partnership on December 10, 2001 for the purpose of acquisition, ownership, maintenance, and operation of 180 multi-family affordable rental housing complex located in Contra Costa County.

The project was built on land owned by and leased from the Housing Authority of the County of Contra Costa (the Authority). Under the terms of the lease, title to the improvements reverts to the lesser at the end of the 75-year lease. The Project qualifies for low-income housing tax credits under Section 42 of the Internal Revenue Service Code. Such projects are regulated under terms of a Regulatory Agreement, including rent charges, operating methods and other matters.

The general partner of DeAnza Gardens L.P. is DeAnza Corporation Inc., a California public benefit corporation. The officers and Board members of the corporation are separate and apart from the Housing Authority. The only Board member position in the corporation that represents the Housing Authority is the Executive Director, who serves as one of the five board positions of the corporation. The Housing Authority has been designated as the managing general partner.

The DeAnza entities, under HUD REAC's direction, are to be considered by the Authority as other organizations for which the nature and significance of their relationship with the Authority are such that exclusion would cause the Authority's financial statements to be misleading or incomplete. As such, the Authority considers these two entities to be discretely presented component units. These component units receive separate audit reports performed on a calendar year basis. The most recent audits were for the calender year ended December 31, 2013. These reports can be obtained from the Authority using the information on page 11.

Also included in the Basic Financial statements are:

**Notes to the Financial Statements.** The notes provide additional information that is essential to a full understanding of the data provided in the fund financial statements.

**Supplementary Information**. Certain information is required to be included in this report by various federal agencies. This information is included after the notes to the financial statements under the title supplementary information.

#### Major Factors Affecting the Statement of Net Position

The major factor for the reduction to Net Assets was a direct result of reduced Federal funding. A change by the Department of Housing & Urban Development (HUD) to no longer allow Housing Authorities' to retain excess program funds led to a \$2.4 million reduction in restricted reserves. In addition, due to a Federal sequester of funding unrestricted reserves were used to cover a short falls of over \$1.0 million. The decrease in net investment in capital assets is the result of depreciation.

# (Continued)

Table 2 below presents details on the change in Unrestricted Net Position.

#### Major Factors Affecting the Statement of Revenue, Expenses and Changes in Net Position

The major factor affecting change in revenue as reflected in Table 3 above, was a decrease in HUD funding which affected Federal Grants and Subsidies and Capital Contributions of \$7.0 million. The major factor affecting change in expenditures as reflected above in the Housing Assistance Payments was a reduction of \$1.3 million.

# **Notes Payable Outstanding**

As of year-end, the Authority had \$5,869,176 of notes payable outstanding, see Note 7 to the basic financial statements.

#### (Continued)

#### **ECONOMIC FACTORS**

The Authority is primarily dependent upon HUD for funding operations; therefore, the Authority is affected more by the federal budget than by state or local economic conditions. The Authority's budgets and subsidy funding requests are approved by HUD.

It should be noted that HUD has instituted a major change in the funding process for the Housing Choice Voucher Program. This change will have a major impact on the restricted reserves reported by the Authority. HUD will no longer be advancing HAP funds based on the Annual Contributions Contract, but will be advancing funds based on the need of the Authority from a quarterly review process. This change will greatly reduce restricted reserves held by the Authority and impact the cash flow of the program.

# **FINANCIAL CONTACT**

The individual to be contacted regarding this report, and the reports of the Authority's component units, is John Hunter, Director of Finance of the Housing Authority of the County of Contra Costa, at (925) 957-8014. Specific requests may be submitted to John Hunter, Director of Finance, Housing Authority of the County of Contra Costa, P.O. Box 2759, 3133 Estudillo Street, Martinez, CA 94553.

#### Noncash transactions:

- Interest of \$78,787 was accrued as payable to RHCP. The payments on this loan are deferred, unless the project generates surplus cash.
- Interest of \$30,000 was accrued as receivable from DeAnza Gardens L.P. No payments were received with regards to this loan.
- Lease fees of \$72,000 were accrued as receivable from DeAnza Gardens L.P. These fees are deferred.
- Interest on the Rental Rehabilitation loans of \$3,806 was accrued as revenue, while \$40,640 was received. The interest on these loans is due at maturity.
- Interest on the CDBG loans of \$31,346 was accrued as revenue, while \$78,511 was received. Interest is due only at maturity.

#### The accompanying notes are an integral part of this statement.

## Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of The Housing Authority of the County of Contra Costa (the Authority) have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental entities. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

## A. Organization

The Authority was established pursuant to the State Health and Safety Code in 1941. The Authority is a public entity organized under the laws of the State of California's Health and Safety Code to provide housing assistance to low and moderate income families at rents they can afford. Eligibility is determined by family composition and income in areas served by the Authority. To accomplish this purpose, the Authority has entered into Annual Contributions Contracts with the U.S. Department of Housing and Urban Development (HUD) to operate assisted housing programs.

The governing board of the Authority is the County Board of Supervisors. The Authority is a legally separate entity from the County, maintaining separate accounting records, staff, and administration facilities. In addition, there is no financial benefit/burden relationship between the County and the Authority and the County has limited or no opportunity to impose its will upon the Authority because the Authority is governed by rules and regulations imposed by the Federal government through the U.S. Department of Housing and Urban Development. The County defines the Authority as a discretely presented component unit in its Comprehensive Annual Financial Report (CAFR). A copy of this report may be obtained by contacting the Office of the Auditor-Controller, 625 Court Street, Martinez, California 94553.

## B. Financial Reporting Entity

The Authority's combined financial statements include the accounts of all the Authority's operations. The criteria for including organizations as component units within the Authority's reporting entity, as set forth in Section 2100 of GASB's *Codification of Governmental Accounting and Financial Reporting Standards*, include whether:

- \* The organization is legally separate (can sue and be sued in their own name)
- \* The Authority holds the corporate powers of the organization
- \* The Authority appoints a voting majority of the organization's board
- \* The Authority is able to impose its will on the organization
- \* The organization has the potential to impose a financial benefit/burden on the Authority
- \* There is financial dependency by the organization on the Authority

#### (Continued)

#### Note 1 (continued)

Based on the aforementioned criteria, the Authority has blended and discretely presented component units. The accompanying financial statements present the Authority and its component units, entities for which the Authority is considered to be financially accountable. The blended component units, although legally separate entities, are, in substance, part of the Authority's operations. Discretely presented component units are reported in a separate column in the fund financial statements to emphasize that they are legally separate from the government. The component units are as follows:

**Blended Component Units**. HACCC Casa Del Rio, Inc (A California Nonprofit Public Benefit Corporation) and CDR Senior Housing Associates (A California Limited Partnership). HACCC Casa Del Rio, Inc. is the general partner of CDR Senior Housing Associates. The officers and Board members of HACCC Casa Del Rio, Inc. are employees of the Authority. The partnership was formed in 1994 to develop and operate an 82-unit affordable housing rental complex located in Antioch, California, which is currently known as Casa Del Rio Senior Housing.

Casa Del Rio Senior Housing was placed into service in 1995. Pursuant to the Indemnification Agreement dated July 1, 1994, by and among the Authority, HACCC Casa Del Rio, Inc., CDR Senior Housing Associates, and MHIFED I Limited Partnership, the Authority could possibly be liable for unpaid taxes, interest and penalties, cost to contest, operating deficiency and expenses of enforcement as identified in the Agreement and for a sponsor's operating guaranty to provide sufficient staff or equipment to the general partner, as needed and remedies against sponsor for default under the Amended HCD Agreement. Casa Del Rio Senior Housing participates in the low-income housing tax credit program under Section 42 of the Internal Revenue Code. Various agreements dictate the maximum income levels of new tenants and also provide rent restrictions through 2054.

Since HACCC Casa Del Rio, Inc and CDR Senior Housing Associates have the potential to impose a financial burden on the Authority, these entities have been included in the Authority's financial statements as blended component units. See also Note 15.

**Discretely Presented Component Units.** DeAnza Housing Corporation (A California Nonprofit Public Benefit Corporation) and DeAnza Gardens, L.P. (A California Limited Partnership). The Authority is the General Partner and DeAnza Housing Corporation is the managing general partner of DeAnza Gardens, L.P. The partnership was formed for the purpose of acquisition, ownership, maintenance, and operation of 180 multi-family rental housing units and the provision of low-income housing through the construction, renovation, rehabilitation, operation, and leasing of an affordable housing development located in Contra Costa County, which is currently known as DeAnza Gardens.

### (Continued)

#### Note 1 (continued)

DeAnza Gardens was placed into service during 2005. It was built on land owned by and leased from the Authority. Under the terms of the lease, title to the improvements revert to the Authority at the end of the 75-year lease. Financing for construction was obtained through notes from the Authority, Bank of America, and DeAnza Housing Corporation. DeAnza Gardens participates in the low-income housing tax credit program under Section 42 of the Internal Revenue Code. Various agreements dictate the maximum income levels of new tenants and also provide rent restrictions through 2078.

Since DeAnza Housing Corporation and DeAnza Gardens L.P. are other organizations for which the nature and significance of their relationship with the Authority are such that exclusion from the financial statements would cause the Authority's financial statements to be misleading or incomplete, these entities have been included in the Authority's financial statements as discretely presented component units. See also Note 15.

Complete audited financial statements are issued separately for each of the individual component units listed above and may be obtained from the Housing Authority of the County of Contra Costa, 3133 Estudillo Street, P.O. Box 2759, Martinez, California 94553.

### C. Basis of Presentation

Business-type activities are financed in whole or in part by fees charged to external parties for goods or services. The Authority's activities are strictly business-type. The Authority has no fiduciary funds.

#### **Fund Financial Statements:**

Fund financial statements of the Authority are organized into funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for within a separate set of self balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenses/expenditures as appropriate. Government resources are allocated to, and accounted for, in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. A fund is considered major if it is the primary operating fund of the Authority or if total assets, liabilities, revenue, or expenses/expenditures of the individual fund are at least 10 percent of the Authority-wide total. The Authority considers all of its activity to be housing related and therefore, considers all the financial activity of the Authority to be one major fund, titled *Housing*. As such, the Authority has no non-major funds.

#### (Continued)

#### Note 1 (continued)

### **PROPRIETARY FUND TYPES**

**Enterprise Funds** - Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent is that costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. Enterprise funds are also used when the governing body has decided that periodic determination of revenue earned, expenses incurred, or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. The Authority's funds are operated as enterprise funds.

#### D. Measurement Focus and Basis of Accounting

Measurement focus refers to what is being measured; basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

The Proprietary Fund Types are accounted for on an economic resources measurement focus using the accrual basis of accounting. Revenues are recognized when they are earned and expenses are recorded at the time liabilities are incurred. Under this basis of accounting and measurement focus, the Authority applies all GASB pronouncements.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses result from providing goods and services related to the fund's ongoing operations. The principal operating revenue of the Authority's enterprise funds is dwelling rental income. Operating expenses are necessary costs that have been incurred in order to provide the good or service that is the primary activity of the fund. The principal operating expenses of the Authority's enterprise funds are employee salaries and benefits, housing assistance payments, utilities, and the costs to maintain the owned units. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When the Authority incurs an expense for which both restricted and unrestricted resources may be used, it is the Authority's policy to use restricted resources first and then unrestricted resources as needed.

## E. Interfund Transactions

## Statement of Net Position:

Short-term amounts due between funds are classified as "Due from/to other funds". As of March 31, 2014, the Public Housing Enterprise Fund owed \$84,744 in fees to the Central Office Enterprise Fund.

Operating advances made to the blended component units, Casa Del Rio, Inc and CDR Senior Housing Associates were \$295,667 as of March 31, 2014. The interfund balance as of December 31, 2013, was \$290,799 and was reported as non-current related party payable by the other auditors. The Statement of Net Position - Proprietary Funds, reported as of March 31, 2014, shows \$290,799 as both a noncurrent asset and as a noncurrent liability. The difference of \$4,868, due to the timing differences in fiscal year end, is shown as "other" noncurrent assets (see also Note 15).

A long-term note due from the Management Enterprise Fund to the blended component unit, HACCC Casa Del Rio, Inc in the amount of \$185,000 is reported as long-term notes receivable and long-term debt. See also Notes 5 and 7.

### Statement of Revenues, Expenses, and Changes in Fund Net Position:

Participants of the Housing Choice Voucher Program have decided to occupy units owned by the Authority's blended component unit. Housing assistance payments made by the Housing Choice Voucher and Shelter Plus Care Programs to Casa Del Rio Senior Housing (CDR) totaled \$12,267 for the fiscal year ended March 31, 2014. CDR also paid the Authority \$52,452 during the current fiscal year for management fees.

The Authority utilizes a Central Office Enterprise Fund to account for administrative costs that are not charged to its Public Housing and Housing Choice Voucher Enterprise Funds. The Housing Choice Voucher Enterprise Fund paid management fees and bookkeeping fees in the amount of \$905,388 and \$565,867, respectively. The Public Housing Enterprise Fund paid property management, bookkeeping, and asset management fees in the amount of \$1,043,628, \$94,043, and \$141,240, respectively. These costs, totaling \$2,750,166, are reported as other revenue in the Central Office Enterprise Fund and administrative expenses of the Public Housing and Housing Choice Voucher Enterprise Funds.

The Authority is required by HUD to pay HAP on behalf of other authorities with Housing Choice Voucher Program participants residing within Contra Costa County. The Authority is reimbursed for this HAP from the initiating housing authority. HUD requires this HAP to be reported as an expense when paid to the landlord and as income when reimbursed from

### (Continued)

#### Note 1 (continued)

the initiating housing authority. For the current fiscal year, the Authority received reimbursement of \$875,752 in HAP paid on behalf of other housing authorities. This amount is therefore reported as revenue and expense of the Housing Choice Voucher Enterprise Fund.

Interfund transfers of \$78,760 were made between the Authority's two loan programs to cover operating costs. The Rental Rehabilitation Enterprise Fund transferred funds to the CDBG Rental Rehabilitation Enterprise Fund.

### F. Cash and Investments

Cash includes amounts in demand deposits and saving accounts. Investments are reported in the accompanying statement at market value. All of the Authority's investments can be converted to cash in a relatively short amount of time. Therefore, all cash and investments are used in the Statement of Cash Flows.

Changes in fair value that occur during a fiscal year are recognized as *interest income* reported for that fiscal year. *Interest income* includes interest earnings, changes in fair value, and any gains or losses realized upon the liquidation, maturity, or sale of investments.

The Authority pools cash and investments of all programs. Each program's share in this pool is displayed in the accompanying Financial Data Schedule as *cash and investments*. Interest income earned by the pooled investments is allocated to the various funds based on each fund's average cash and investment balance.

#### G. Accounts Receivable

Receivables are principally amounts due from HUD and tenants. Allowance for doubtful accounts has been provided based on the likelihood of the recovery.

### H. Capital Assets

Capital assets, which include property, plant and equipment, acquired for Proprietary Funds are capitalized in the respective funds to which they apply. The Authority has an established capitalization policy, which requires all acquisitions of property and equipment in excess of \$5,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets to be capitalized. Property and equipment are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. Interest expense incurred during the development period is capitalized. The costs of normal

### (Continued)

### Note 1 (continued)

maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Depreciation of exhaustible capital assets used by Proprietary Funds is charged as an expense against operations, and accumulated depreciation is reported on the Statement of Net Position. Capital assets are being depreciated using the straight-line basis over the useful lives of the assets. The useful lives are generally 27.5 years for buildings, 10 years for modernization, 5 years for vehicles, furniture and equipment, and 3 years for computer equipment. Salvage value on all depreciable equipment is assumed to be insignificant and therefore valued at \$0.

## I. <u>Compensated Absences</u>

It is the Authority's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. There is no liability for unpaid accumulated sick leave since the government does not have a policy to pay any amounts when employees separate from service with the Authority. All vacation pay is accrued when incurred and allocated to the appropriate proprietary fund. Total liability for the Authority is \$367,612 based on year-end hourly rates. Of this amount \$307,451 is considered by the Authority to be a current liability.

## J. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Financial Position will sometimes include a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense) until that time. The Authority does not have any deferred outflows of resources as of March 31, 2014.

In addition to liabilities, the Statement of Financial Position will sometimes include a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The Authority does not have any deferred inflows of resources as of March 31, 2014.

## K. <u>Net Position</u>

Net position represents the differences between assets and liabilities. Net position consists of net investment in capital assets; restricted net position; and unrestricted net position. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of borrowing used for acquisition, construction, or

### (Continued)

## Note 1 (continued)

improvement of those assets (excluding interfund borrowing and including accrued interest). Net position is reported as restricted when there are limitations imposed on its use through constitutional provisions or enabling legislation or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments.

## L. <u>Taxes</u>

The Authority is exempt from federal and state income taxes. The Authority is also exempt from property taxes but makes payments in lieu of taxes on owned housing.

## M. Budgets and Budgetary Accounting

The Board of Commissioners adopts an operating budget effective April 1 annually. This budget may be revised by the Board of Commissioners during the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption.

### N. Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

### O. Encumbrances

Encumbrance accounting is not employed by the Authority.

### P. Grant Restrictions

The Authority has received loans and grants from the U.S. Department of Housing and Urban Development. The grants require that only individual and families that meet various income, age and employment standards be housed or aided.

## Q. Cost Allocation Procedures

Cost allocation procedures are divided into one of the following three methods, 1) Direct Costs, 2) Indirect Costs, 3) Fee for Service.

<u>Direct Allocation Method</u>: this method is used when the cost being incurred directly benefits a specific "program, region, development, project or site". Allocation at the regional,

### (Continued)

### Note 1 (continued)

development, project or site level shall be allocated by using the ratio of number of bedrooms managed (zero bedroom units will count as 1). Allocation at the Program level will be based on a common factor within the program area, such as units within a grant, grant award amounts, or other reasonable factors where allowed.

<u>Indirect Allocation Method</u>: this method is used when the cost being incurred is for a common or joint objective and therefore does not directly benefit a specific "program, region, development, project or site". These costs will be allocated using a ration from direct salary allocation plan consistent with OMB Circular A-87. The direct salary allocation plan will be established annually as a part of the annual budget process.

<u>Fee for Service Method</u>: this method is used when an employee performs work outside of their budgeted allocation. The fee for service method will reduce the allocations of salary and benefits from the program that the position was originally budgeted for. This method should be documented on a time reporting process, either by way of time card or activity log or both.

#### R. <u>New GASB Pronouncements</u>

The Governmental Accounting Standards Board (GASB) has issued several new pronouncements that the Authority has reviewed for application to their accounting and reporting.

GASB Statement No. 65 Items Previously Reported as Assets and Liabilities, is effective for financial statements for periods beginning after December 15, 2012. This statement improves financial reporting by clarifying the appropriate use of the financial statement elements deferred outflows of resources and deferred inflows of resources to ensure consistency in financial reporting. The Authority has implemented this statement in the year ended March 31, 2014. Statement 65 requires that debt issuance costs be reported as expenses when incurred since they no longer meet the definition of an asset. The component units are nonprofit public benefit corporations and limited partnerships and they follow the guidance of the Financial Accounting Standards Board for their financial reporting. Certain recognition criteria and presentation features are different from GASB. For instance, these entities report debt issuance costs as an asset amortized over time. No modifications have been made to the audited financial information as presented. The unamortized value of the loan costs does not have a material effect on the Authority's net position. Net loan costs of \$34,250 are reported as other noncurrent assets of the primary government, for the blended component units, and \$119,553 as other noncurrent assets of the component units, for the discretely presented component units.

### (Continued)

### Note 1 (continued)

GASB Statement No. 68 Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No 27, is effective for financial statements for periods beginning after June 15, 2014. This statement improves financial reporting for pensions. This Statement results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for pensions with regard to providing decision-useful information, supporting assessments of accountability and inter-period equity, and creating additional transparency. Management is currently evaluating the impact of the adoption of this Statement on the Authority's financial statements. Management anticipates that the implementation of this Statement will have a material impact on the financial statements in future years.

## Note 2 - CASH AND INVESTMENT

Cash and investments as of March 31, 2014 are classified in the accompanying financial statement as follows:

| Statement of net position:  |                      |
|-----------------------------|----------------------|
| Cash and investments        | \$ 6,836,304         |
| Restricted cash             | 3,838,856            |
| Total Cash & Investments    | <u>\$ 10,675,160</u> |
| Demand deposits             | \$ 2,889,212         |
| Investments                 | 7,324,296            |
| Cash held by other agencies | 459,702              |
| Cash on hand                | 1,950                |
| Total Cash & Investments    | <u>\$ 10,675,160</u> |

#### Investments Authorized by the Authority's Investment Policy

Investments authorized by the Authority are empowered by the HUD Notice 99-48 and its own investment policy to invest HUD funds in the following:

- United States Treasury Bills, Notes and Bonds;
- Obligations issued by Agencies or Instrumentalities of the U.S. Government;
- State or Municipal Depository Funds, such as the Local Agency Investment Fund (LAIF) or pooled cash investment funds managed by County treasurers;
- Insured Demand and Savings Deposits, provided that deposits in excess of the insured amounts must be 100% collateralized by federal securities;
- Insured Money Market Deposit Accounts;
- Insured SUPER NOW accounts, provided that deposits in excess of the insured amount must be 100% collateralized by federal securities;

## (Continued)

## Note 2 (continued)

- Negotiable Certificates of Deposit issued by federally or state chartered banks or associations, limited to no more than 30% of surplus funds;
- Repurchase/Reverse Repurchase Agreements of any securities authorized by this section; securities purchased under purchase agreements shall be no less than 102% of market value;
- Sweep Accounts that are 100% collateralized by federal securities;
- Shares of beneficial interest issued by diversified management companies investing in the securities and obligations authorized by this Section (Money Market Mutual Funds); Funds must carry the highest rating of at least two national rating agencies and are limited to not more than 20% of surplus funds;
- Funds held under the terms of a Trust Indenture or other contract or agreement including the HUD/PHA Annual Contributions Contract, may be invested according to the provisions of those indentures or contracts; and
- Any other investment security authorized under the provisions of HUD Notice PIH 97-41.

The Authority is empowered by the California Government Code (CGC) Sections 5922 and 53601 et seq and its own investment policy to invest non-HUD funds in the following:

- Bonds issued by the local entity with a maximum maturity of five years;
- United States Treasury Bills, Notes and Bonds;
- Registered state warrants or treasury notes or bonds issued by the State of California;
- Bonds, notes, warrants or other evidence of debt issued by a local agency within the State of California, including pooled investment accounts sponsored by the State of California, County Treasurer, other local agencies or Joint Powers Agencies;
- Obligations issued by Agencies or Instrumentalities of the U.S. Government;
- Bankers Acceptances with a term not to exceed 270 days, limited to 40% of surplus funds; no more than 30% of surplus funds can be invested in Bankers Acceptances of any single commercial bank;
- Prime Commercial Paper with a term not to exceed 180 days and the highest ranking issued by Moody's Investors Service or Standard & Poor's Corp., limited to 15% of surplus funds; provided that if the average total maturity of all commercial papers does not exceed 31 days up to 30% of surplus funds can be invested in commercial papers.
- Negotiable Certificates of Deposit issued by federally or state chartered banks or associations, limited to not more than 30% of surplus funds;
- Repurchase/Reverse Repurchase Agreements of any securities authorized by this Section, securities purchased under these agreements shall be no less than 102% of market value. Securities purchased under reverse repurchase agreements shall be for temporary and unanticipated cash flow needs only.
- Medium term notes (not to exceed two years) of U.S. corporations rated "AAA" or better by Moody's or Standard & Poor's limited to not more than 30% of surplus funds;

## (Continued)

## Note 2 (continued)

- Shares of beneficial interest issued by diversified management companies investing in the securities and obligations authorized by this Section (Money Market Mutual Funds), limited to not more than 15% of surplus funds;
- Funds held under the terms of a Trust Indenture or other contract or agreement may be invested according to the provisions of those indentures or agreements;
- Collateralized bank deposits with a perfected security interest in accordance with the Uniform Commercial Code (UCC) or applicable federal security regulations;
- Any mortgage pass-through security, collateralized mortgage obligation, mortgaged backed or other pay-through bond, equipment least-backed certificate, consumer receivable pass-through certificate or consumer receivable backed bond of a maximum maturity of five years, securities in this category must be rated AA or better by a national rating service and are limited to not more than 30% of surplus funds;
- Any other investment security authorized under the provisions of California Government Code Sections 5922 and 53601.

## **Disclosure Related to Interest Rate Risk**

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in the market rates. See the table shown later in this note titled "Investment Disclosure" for the maturity dates for each of the Authority's investments.

### **Disclosures related to Credit Risk**

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. See the table shown later in this note titled "Investment Disclosure" for the ratings assigned to the issuer for each of the Authority's investments.

### **Concentration of Credit Risk**

See the table shown later in this note titled "Investment Disclosure" to determine how the Authority's investments are concentrated. These investments are owned by the following programs:

| Housing Choice Voucher Program        | \$        | 4,132,181 | 56.42% |
|---------------------------------------|-----------|-----------|--------|
| Other State and Local Programs        |           | 1,478,821 | 20.19% |
| Public Housing Program                |           | 1,299,506 | 17.74% |
| Central Office Cost Center            |           | 159,159   | 2.17%  |
| Rental Rehabilitation Loan Program    |           | 147,309   | 2.01%  |
| Casa Del Rio (blended component unit) |           | 107,320   | 1.47%  |
| Total investments                     | <u>\$</u> | 7,324,296 |        |

#### (Continued)

### Note 2 (continued)

#### **Custodial Credit Risk**

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The California Government Code and the Authority's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits, other than the following provision for deposits: The California Government Code requires California banks and savings and loan associations to secure the Authority's deposits not covered by federal deposit insurance by pledging mortgages or government securities as collateral. The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure Authority deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public depositor. Such collateral must be held in the pledging bank's trust department in a separate depository in an account for the Authority.

The custodial risk for investments is the risk that, in the event of the failure of the counterparty (broker-dealer, etc) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the Authority's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for investments. With respect to investments, custodial credit risk generally applies only to direct investments in marketable securities. Custodial credit risk does not apply to a local government's indirect investment in securities through the use of mutual funds or government investment pools (such as LAIF).

The Authority has executed depository agreements with the two banks with which it currently does business. The "General Depository Agreement" with WestAmerica Bank is dated October 24, 2005. It states that "any portion of PHA funds not insured by a Federal insurance organization shall be fully (100%) and continuously collateralized with specific and identifiable U.S. Government or Agency securities prescribed by HUD." The "Contract of Deposit of Monies" with Bank of America is dated April 15, 2002. This contract states that "The Bank will maintain at all times with the Agent of the Bank as security for Depositor's deposits: a) eligible securities of the classes described in Government Code Section 53651 having market value of least 10% in excess of the total amount of deposits secured by those securities, b) eligible securities of the class described in subdivision (m) of Government Code Section 53651 having a market value at least 50% in excess of the total amount of deposits secured by those securities, and c) eligible securities of the class described in subdivision (p) of Government Code Section 53651 having a market value at market value at least 5% in excess of the total amount of deposits secured by those securities."

### Note 2 (continued)

The Authority is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by the California Government Code under the oversight of the Treasurer of the State of California. The LAIF is a special fund of the California State Treasury through which local governments may pool investments. Each government agency may invest up to \$30,000,000 in each account in the fund. Investments in LAIF are highly liquid, as deposits can be converted to cash within twenty-four hours without loss of interest or principal. The full faith and credit of the State of California secure investments in LAIF.

At March 31, 2014, an account was maintained in the name of the Housing Authority of the County of Contra Costa for \$3,527,366. The total cost value of investment in LAIF was \$3,527,366. The total fair value of investments in LAIF was \$3,528,485. The fair value total includes an unrealized gain on investments of \$1,119. The unrealized gain was based on a fair value adjustment factor of 1.000317118 that was calculated by the State of California Treasurer's Office. The unrealized gain was not recorded by the Authority and is considered immaterial. Of the \$3,527,366 invested in LAIF, \$3,529,371 is recorded as assets of the Authority. The difference includes \$2,005 of interest receivable from LAIF as of March 31, 2014, shown by the Authority as investments.

LAIF is a part of the State of California Pooled Money Investment Account (PMIA). At March 31, 2014, the fair value of the State of California Pooled Money Investment Account (PMIA), including accrued interest, was \$57,568,181,449. The PMIA portfolio had no securities in the form of structured notes and asset-backed securities totaling \$982,373,000. The PMIA has policies, goals and objectives for the portfolio to make certain that the goals of safety, liquidity, and yield are not jeopardized. These policies are formulated by investment staff and reviewed by both the PMIA and LAIF Advisory Boards on an annual basis. LAIF's and the Authority's exposure to credit, market, or legal risk is not available.

During 2002, California Government code was added to the LAIF's enabling legislation stating that "the right of a city, county...special district...to withdraw its deposited money from the LAIF upon demand may not be altered, impaired, or denied in any way by any state official or state agency based upon the State's failure to adopt a State Budget by July 1 of each new fiscal year." In addition, it has been determined that the State of California cannot declare bankruptcy under Federal regulations. This allows other government code stating that "money placed with the State Treasurer for deposit in the LAIF shall not be subject to ...transfer or loan...or impound or seizure by any state official or state agency" to stand.

## Note 3 - RESTRICTED CASH

Restricted cash consists of funds that are held in escrow, Federal funds held for future HAP expenditures, replacement and operating reserves required by the lender, and funds being held by the Authority on behalf of its clients. The balances are as follows:

| Tenant security deposits - Public Housing                       | \$<br>320,961   |
|---|-----------------|
| Family Self Sufficiency Program participant's escrow funds      | 300,023         |
| HUD funds restricted in use for HAP payments (See also note 11) | 2,692,898       |
| Funds due back to HUD   | 29,620          |
| Blended component unit - Casa Del Rio:                          |                 |
| Funds held by CHFA:   |                 |
| Replacement reserve   | 221,367         |
| Operating reserve   | 227,368         |
| Hazard and earthquake insurance impounds                        | 10,967          |
| Tenant security deposits  | <br>35,652      |
| Total restricted cash   | \$<br>3,838,856 |

The funds held by the California Housing Finance Agency (CHFA) can only be used for major repairs or insurance, upon receipt of prior written approval from CHFA. These amounts are also reported as restricted net position (see also Note 11).

The amounts held by the Authorities for program participants of the FSS program, for tenant security deposits, and payable to HUD are reported as payable from restricted assets.

Please see the prior note to determine interest rates and credit risks for the above restricted cash.

### Note 4 - INTERFUND BALANCES

The Authority utilizes a few cash accounts to make payments to vendors and for payroll. Costs are accrued to appropriate funds, which necessitates the use of interfund accounts. Costs are reimbursed on a periodic basis. The interfund receivable/payable balance of \$84,744 is owed by the Public Housing Enterprise Fund to the Central Office Enterprise Fund for asset management fees.

The Authority has made deferred payment loans to individuals and organizations under the County's Community Development Block Grant (CDBG) and Rental Rehabilitation (RR) Programs. These loans are secured by deeds of trust in the name of the County of Contra Costa or the City of Antioch. These programs are revolving loan programs administered by the Authority. Any repayments of outstanding loans, or interest on the loans, must be used for new loans or program administration as authorized by the County or the City of Antioch. These loans typically earn 3% interest per annum. These notes receivable, along with all of the accrued interest, are offset by an equal amount shown in other noncurrent liabilities (See Note 10).

Due to diminished funding at the federal level, the Authority transferred the administration of the County's CDBG files back to the County in May 2013. The remaining CDBG loans are associated with the City of Antioch.

During the prior year, the Authority expected that one of the Rental Rehab loans would default during the current year. An allowance for doubtful accounts, in the amount of \$49,636, was recorded as of March 31, 2013. No determination was made with regards to this loan and it remains doubtful.

The Authority administers an employee loan program whereby employees can borrow funds for the purpose of purchasing a computer to be used at home. These loans accrue no interest. Payments are made through the payroll system.

Pursuant to a demand note dated June 30, 1994, the Authority may be liable to HACCC Casa Del Rio, Inc for \$185,000. Although the note is due upon demand, the maturity date is December 31,

2059. The note will be called prior to maturity only in the event that there are operating deficits and there is insufficient cash available to cover expenses.

The Authority has also issued a note to the DeAnza Gardens, L.P., which is a discretely presented component unit of the Authority (see Note 1.B.). The note bears simple interest at the rate 3% per annum, payments are due commencing on October 1, 2005, but are payable only to the extent of the previous years' excess/distributable cash, and is due June 2043. No payments, of interest or principal, have been received on this loan.

Not shown on the previous schedule, the DeAnza Housing Corporation issued a note in the amount of \$1,000,000 bearing simple interest at 6.8%, to be paid in full June 2043. This second note is an intra-fund transaction. DeAnza Gardens L.P. owes the DeAnza Housing Corporation. This loan has been eliminated from the discretely presented component unit column of the Statement of Net Position. Since this loan does not effect the Authority, it is not shown in the table on the prior page.

On April 8, 2003, the Authority entered into an energy services agreement with EUA Citizens Conservation Services, Inc. (Citizens). Citizens prepared an energy audit which generated a report and plan of action. Citizens proposed installing certain energy saving equipment in the housing units of the Public Housing Program. The Authority agreed to pay for the purchase and installation of this equipment in an amount not to exceed \$1,570,465. Citizens guarantees the Authority a specific level of cost savings due to the installation of the equipment for a period of twelve years. The costs savings is guaranteed by Citizens to exceed the Authority's debt service on the financing associated with the purchase and installation of this equipment. At the end of the twelve year period the title to the equipment will pass to the Authority. The \$1,570,465 to fund this equipment lease and installation activity was borrowed from WestAmerica Bank. The loan is due in monthly installments of \$14,003. The Authority began making these monthly payments during the fiscal year ended March 31, 2005. The payments will continue through September 2016. Interest accrues on this loan at a rate of 4.330% per annum. Interest in the amount of \$20,601 was paid and expensed during the year.

During December 2006, the Authority purchased an office building to house the staff of their Housing Choice Voucher Program. To facilitate this purchase, the Authority borrowed \$2,847,500 from WestAmerica Bank on December 15, 2006. Originally, the interest on this loan was 6.75% per annum. The interest rate decreased to 6% in 2012 and 5.25% in 2013. Currently, the loan requires a monthly payment of \$17,124. A balloon payment of \$2,247,471 will be due on January 1, 2017, when the note becomes due. Interest in the amount of \$133,311 was paid and expensed during the year.

The California Housing Finance Agency note, received through the State of California, is dated November 14, 1994. The original amount borrowed was \$600,000. The loan carries a simple interest rate of 7.8% per annum. Principal and interest are payable in monthly installments of

### Note 7 (continued)

\$4,319. The note is due in full December 2024. Interest in the amount of \$30,696 was paid and expensed during the calendar year ended December 31, 2013.

The Rental Housing Construction Program note, received through the State of California, is dated January 15, 1993. The original amount borrowed was \$2,626,618. The loan accrues interest at a rate of 3% per annum. Payments are required on this loan only to the extent that the Casa Del Rio project has surplus cash. This note and interest on the note are due June 5, 2054. No principal or interest payments were made on this loan during the year ended December 31, 2013. Interest was expensed in the amount of \$78,787. The amount of deferred interest accrued as payable as of the end of the fiscal year was \$1,567,529. The entire amount is considered to be long-term and is shown as other noncurrent liabilities. See also Note 10.

Pursuant to a demand note dated June 30, 1994, the Authority may be liable to HACCC Casa Del Rio, Inc for \$185,000. Although the note is due upon demand, the maturity date is December 31, 2059. The note will be called prior to maturity only in the event that there are operating deficits and there is insufficient cash available to cover expenses.

## Note 8 - PAYMENT IN LIEU OF TAXES

In connection with the Public Housing Program, the Authority is obligated to make annual payments in lieu of property taxes based on the lesser of 25% of the assessable value of owned housing, times the current tax rate; or 10% of the dwelling rents, net of utilities expense. At March 31, 2014, \$88,870 was expensed for payment in lieu of taxes. Approximately 75% is payable as of March 31, 2014 and is shown as *Due to Other Agencies*.

## Note 11 - NET POSITION

#### A. Net investment in capital assets

Net investment in capital assets consists of the following:

| Capital assets, net of depreciation (see Note 6)          | \$        | 15,684,971  |
|---|-----------|-------------|
| Long term debt (omitting interfund balances) (see Note 7) |           | (5,869,176) |
| Accrued interest on long term debt (see Note 7 & 10)      |           | (1,567,529) |
| Net investment in capital assets                          | <u>\$</u> | 8,248,266   |

#### **B.** Restricted Net Position

Net position is reported as restricted when constraints placed on the net asset use are either externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or imposed by law through constitutional provisions or enabling legislation. The Authority has reported the following as restricted net position:

| Excess HAP funding - Housing Choice Voucher | \$<br>2,692,898 |
|---|-----------------|
| Casa Del Rio Senior Housing                 |                 |
| replacement and operating reserves          | <br>459,702     |
|   | \$<br>3.152.600 |

#### (Continued)

#### Note 11 (continued)

The excess HAP funds are fully funded, see also Note 3. The restrictions associated with Casa Del Rio Senior Housing are required by the lender, held by CHFA and fully funded, see also Note 3.

Commencing with the calendar year 2005, PHAs received full disbursement of their HAP allocations. It was the responsibility of the PHAs to maintain any excess HAP disbursements in their Net Restricted Asset account, for use only for future HAP needs to assist additional families up to the number of units under contract. Since 2005, PHAs have accumulated significant amounts in their Net Restricted Asset accounts. Beginning in 2008, at Congressional direction, HUD began recapturing this excess HAP by offsetting the annual allocations with the excess HAP held by PHAs. In 2012, HUD implemented cash management procedures which mitigated the accumulation of excess HAP in Net Restricted Asset accounts by PHAs. These procedures based the payment of HAP on actual need reported by PHAs in the Voucher Management System (VMS). Any excess allocation will now be held by HUD until PHAs demonstrate need for the disbursement of the funds.

The change in the Authority's Net Restricted Asset account for the Housing Choice Voucher Program is as follows:

| Balance as of March 31, 2013                   | \$<br>5,102,812 |
|--|-----------------|
| Use of excess HAP funding                      | (2,474,946)     |

#### **Note 12 - RETIREMENT PLAN**

The Authority participates in a cost-sharing multiple-employer defined benefit retirement plan that is administered by the Contra Costa County Employees' Retirement Association. All full-time employees of the Authority participate in this plan. The plan provides death, disability and service retirement benefits. Benefits are based on the employee's highest level of annual salary, years of service and age at the time of retirement. The Authority's retirement plan had 134 participants at March 31, 2014. Employer contributions are vested (1) after 10 years of service and employee attain age 50 or (2) 30 years of service regardless of age or (3) at mandatory age regardless of the amount of service.

Employees contribute to the retirement system through biweekly payroll deductions. The rate of contribution for employees is determined by numerous factors at the time of entrance into the

system. Employee contributions and interest thereon may be withdrawn only at termination of employment or at retirement.

Information on contributions for the last five years is as follows:

The ten-year trend analysis and other disclosures required by U.S. generally accepted accounting principles are described in the financial statements of the Contra Costa County Employees' Retirement Association (CCCERA). The CCCERA is a component unit of the County of Contra Costa and is reported as a pension trust fund in their basic financial statements. Complete audited financial statements may be obtained from the administrative offices of CCCERA 1355 Willow Way, Suite 221, Concord, CA 94520.

### Note 13 - POST EMPLOYMENT HEALTHCARE PLAN

**Plan Description:** Contra Costa County Housing Authority (CCCHA) provides a defined benefit health care program to its retired employees and their dependents. Benefits include coverage in the Kaiser health and dental plans administered by CCCHA. Benefit provisions are established and amended through negotiations between CCCHA and the respective unions and employee groups. CCCHA does not issue a publicly available financial report for the retiree health care program.

**Eligibility:** CCCHA retirees are eligible for membership in the plans upon retirement (drawing a pension from Contra Costa County Employee Retirement Association (CCCERA) or CalPers). No provision currently exists for members in deferred retirement status.

|---|-----|
| Active plan members                           | 76  |
| Total   | 142 |

**Funding Policy:** The contribution requirements of program members and CCCHA are determined by negotiations between CCCHA and the respective unions and employee groups.

#### (Continued)

### Note 13 (continued)

The required contribution is based on projected pay-as-you-go financing requirements. For fiscal year 2014 CCCHA contributed \$291,724 to the plan to cover the annual pay-as-you-go cost. The percentage of the employer's cost-sharing towards retiree medical plan premiums is currently at 35% of active premiums for retirees under the age of 65, and 74% of active premiums for retirees over the age of 65. The members cover any premiums over the limits set by the Authority. The monthly maximum limits vary from \$345 to \$980, based on the size of the retiree's family.

Annual Other Post Employment Benefit (OPEB) Cost and Net OPEB Obligation: The CCCHA's annual OPEB costs (expense) is calculated based on the annual required contribution (ARC) of the employer, an amount actuarially determined in accordance with the parameters of Governmental Accounting Standards Board (GASB) Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. Interest on net OPEB obligation is based on the actuarial interest rate of 4.5% and is computed on the unfunded amount.

The most current actuarial report calculated these amounts for the fiscal year ended March 31, 2014. The following table shows the components of the CCCHA's annual OPEB cost for the past three years, the amount actually contributed to the plan, and changes in the CCCHA's net OPEB obligation.

See page 52 for the Schedule of Funding Progress for OPEB. This schedule presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

**Funding Status and Funding Progress:** The most recent actuarial valuation dated April 1, 2012, reflects a accrued liability for benefits of \$5.3 million, therefore, unfunded actuarial accrued liability as a percentage of covered payroll is 93.00%.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information below, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial liabilities for benefits.

Actuarial Methods and Assumptions: Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

The funding method used was the Entry Age Normal Cost method and assuming an open 30-year amortization of the Unfunded Actuarial Liability using the level percent of payroll amortization method. The valuation results are based on a 4.5% discount rate assuming that the CCCHA continues pay-as-you-go funding of its post-employment benefit program.

### **Note 14 - DEFERRED COMPENSATION PLAN**

The Authority offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan is administered by Mass Mutual Financial Group. The plan, available to all regular employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency. All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property, or rights are held in trust for the exclusive benefits of participants and their beneficiaries.

A total of \$2,604,857 is being held by Mass Mutual Financial Group on behalf of the Authority's employees. These funds are not recorded as assets of the Authority since they are held in trust for the exclusive benefit of participants and their beneficiaries and are not subject to claims of the Authority's general creditors.

### **Casa Del Rio Housing - Blended Component Unit**

#### **Organization:**

Casa Del Rio Housing is made up of HACCC Casa Del Rio, Inc (A California Nonprofit Public Benefit Corporation) and CDR Senior Housing Associates (A California Limited Partnership). HACCC Casa Del Rio, Inc. is the general partner of CDR Senior Housing Associates. The officers and Board members of HACCC Casa Del Rio, Inc. are employees of the Authority. The partnership was formed in 1994 to develop and operate an 82-unit affordable housing rental complex located in Antioch, California, which is currently known as Casa Del Rio Senior Housing.

Pursuant to the Indemnification Agreement dated July 1, 1994, by and among the Authority, HACCC Casa Del Rio, Inc., CDR Senior Housing Associates, and MHIFED I Limited Partnership, the Authority could possibly be liable for unpaid taxes, interest and penalties, cost to contest, operating deficiency and expenses of enforcement as identified in the Agreement.

Pursuant to the Operating Deficit Guaranty Agreement dated July 1, 1994, by the Authority to and for the benefit of MHIFED I Limited Partnership, the Authority can possibly be liable for operating deficit and expenses of enforcement as identified in the Agreement.

Pursuant to the Indemnity Agreement, dated July 1, 1994, by the Authority to and for the benefit of CDR Senior Housing Associates and MHIFED I Limited Partnership, the Authority can possibly

be liable for any costs, expenses, and liabilities arising out of claims made by FPI (FPI Real Estate Group, FPI Mortgage Co. and FPI Management, Inc.) under the Development Agreement.

Pursuant to the Demand Note dated June 30, 1994, from the Authority to HACCC Casa Del Rio, Inc., the Authority can possibly be liable to HACCC Casa Del Rio, Inc. for \$185,000. Although the note is due upon demand the maturity date is December 31, 2059, the note will be called prior to maturity only in the event that there are operating deficits and there is not sufficient cash available to cover expenses. This note is recorded as both an interfund note receivable and note payable (see Notes 5 and 7).

Pursuant to the Assignment and Assumption Agreement, the Authority can possibly be liable for any and all claims relating to the Assignment and Assumption Agreement arising prior to the date of the Assignment and Assumption Agreement.

Pursuant to the Department of Housing and Community Development Rental Housing Construction Program First Amendment to the Regulatory Agreement (the "Amended HCD Agreement") dated November 14, 1994, by and among the Department of Housing and Community Development, CDR Senior Housing Associates, and the Authority; the Authority can possibly be liable for a sponsor's operating guaranty to provide sufficient staff or equipment to the general partner, as needed and remedies against sponsor for default under the Amended HCD Agreement.

Since HACCC Casa Del Rio, Inc (CDR Inc) and CDR Senior Housing Associates (CDR Associates) have the potential to impose a financial burden on the Authority, these entities have been included in the Authority's financial statements as a blended component unit. The fiscal year end of these blended component units is December 31. Audits were conducted on these entities as of December 31, 2013, by Linquist, Von Husen, & Joyce, LLP. The opinions were not modified. These audit reports may be obtained by contacting the Authority at the address on page 11. The Authority reports the balances for these blended component units as of December 31, 2013, which differs from that of the Authority's fiscal year end of March 31, 2014. The balances at each fiscal year end do not differ materially. Modification were made to the audited financial statements to conform with the reporting categories of the Authority. Specifically, net assets reported in the audit were converted to the three categories of net position in conformity with the Authority's reporting practices.

## Interfund accounting issues:

Operating advances made by the Authority were \$295,667 as of March 31, 2014. The interfund balance as of December 31, 2013 was \$290,799 and was reported as non-current related party payable by the other auditors. The Statement of Net Position - Proprietary Funds, reported as of March 31, 2014, shows \$290,799 as both a noncurrent asset and as a noncurrent liability. The difference of \$4,868, due to the timing differences of the fiscal year ends, is shown as "other" noncurrent assets.

During the fiscal year ended December 31, 2013, CDR Associates paid management fees to the Authority in the amount of \$52,452. Some of the Casa Del Rio Senior Housing tenants (3 as of December 31, 2013) are also participants in the Authority's Housing Choice Voucher or Shelter Plus Care Programs. The rent for these tenants is subsidized by HUD through the Authority. During the twelve months ended March 31, 2014, the Authority's Housing Choice Voucher and Shelter Plus Care Programs paid \$8,556 and \$3,711, respectively, in HAP payments to CDR Associates.

## Intrafund accounting issues:

The intrafund amounts which have been eliminated as of March 31, 2014, from the Casa Del Rio Blended Component Unit Enterprise Fund for inclusion into the Fund Financial Statements include:

- \$85,530 receivable/payable between CDR Inc and CDR Associates
- \$627,202 investment in partnership recorded as an liability of CDR Inc and net position of CDR Associates.
- \$15,000 managements fees reported as revenue to CDR Inc and expenses of CDR Associates.
- \$13,912 interest revenue and donation to related party, both reported in CDR Inc.

### **Deficit Net Position**

These blended component units combined, have a deficit net position \$337,708.

### **DeAnza - Discretely Presented Component Units**

### **Organization:**

The discretely presented component units are DeAnza Housing Corporation (A California Nonprofit Public Benefit Corporation) and DeAnza Gardens, L.P. (A California Limited Partnership). The Authority is the General Partner and DeAnza Housing Corporation is the managing general partner of DeAnza Gardens, L.P. The partnership was formed for the purpose of acquisition, ownership, maintenance, and operation of 180 multi-family rental housing units and

the provision of low-income housing through the construction, renovation, rehabilitation, operation, and leasing of an affordable housing development located in Contra Costa County, which is currently known as DeAnza Gardens.

DeAnza Housing Corporation (DeAnza Corp) and DeAnza Gardens L.P. (DeAnza L.P.) have been reported as discretely presented component units of the Authority. The fiscal year end of these discretely presented component units is December 31. Audits were conducted on these entities as of December 31, 2013, by Linquist, Von Husen, & Joyce, LLP. The opinions were not modified. These audit reports may be obtained by contacting the Authority at the address on page 11. The Authority reports the balances for these discretely presented component units as of December 31, 2013, which differs from that of the Authority's fiscal year end of March 31, 2014. The balances at each fiscal year end do not differ materially. Modifications were made to the audited financial statements to conform with the reporting categories of the Authority. Specifically, net assets reported in the audit were converted to the three categories of net position in conformity with the Authority's reporting practices.

#### Inter-agency accounting issues:

### **Note 16 - CONTINGENT LIABILITIES**

#### A. Grants

The Authority has received funds from various federal, state and local grant programs. It is possible that at some future date it may be determined that the Authority was not in compliance with applicable grant requirements. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time although the Authority does not expect such disallowed amounts, if any, to materially affect the financial statements.

#### **B.** Line of Credit

On October 24, 2013, the Authority renewed an agreement with WestAmerica Bank for a \$1 million line of credit. The interest rate is variable, but will not exceed the amount allowed by law. The initial rate for this line of credit was 4.25%. It is the Authority's intention to use this line of credit to cover any shortage in cash flow, if any, that may arise over the term of the loan.

### C. Litigation

The Authority is involved in various matters of litigation. It is the Authority's opinion that these matters of litigation will not have a material effect, if any, on the financial position of the Authority.

#### **Note 17 - ECONOMIC DEPENDENCE**

The Authority receives a significant portion of its revenue from the U.S. Department of Housing and Urban Development. See the Schedule of Expenditures of Federal Awards, shown as supplemental information, for the HUD programs that the Authority administers. These programs are currently on-going. However, they are dependent on the Federal budgeting processes, and therefore, funding will vary from year to year.

### **Note 18 - RISK MANAGEMENT**

<u>Workers Compensation Insurance</u>: The Authority participates in a joint venture under a joint powers agreement (JPA) with the California Housing Workers' Compensation Authority (CHWCA). CHWCA was formed to provide workers' compensation insurance coverage for member housing authorities. At December 31, 2013, there were thirty-three members. The relationship between the Authority and CHWCA is such that CHWCA is not a component unit of the Authority for financial reporting purposes.

Condensed CHWCA audited financial information for the year ended December 31, 2012 and 2013 are as follows:

|                            | December 31, 2013   | December 31, 2012      |  |

| Total assets               | \$ 23,971,319       | \$ 23,541,211          |  |
| Total liabilities          | (16,767,281)        | (16,612,551)           |  |
| Net position               | <u>\$ 7,204,038</u> | <u>\$ 6,928,660</u>    |  |
| Total revenues             | \$ 4,347,888        | \$ 4,386,310           |  |
| Total expenses             | (4,072,510)         | (6,513,868)            |  |
| Net change in net position | <u>\$ 275,378</u>   | <u>\$ (2,127,558</u> ) |  |

CHWCA had no long-term debt outstanding at December 31, 2013. The Authority's share of year end assets, liabilities, or retained earnings has not been calculated. The Authority's annual premium is based on covered payroll. Premiums paid for the calendar year ended December 31, 2013 were \$192,753. CHWCA issues a separate comprehensive annual financial report. Copies of this report may be obtained by contacting Bickmore Risk Services, 6371 Auburn Boulevard, Suite B, Citrus Heights, California, 95621.

<u>Property and Liability Insurance</u>: The Authority carries insurance for its various operations with the Housing Authority Insurance Services (HAI), the Housing Authority Risk Retention Group (HARRG), and Employment Risk Management Authority (ERMA). The property insurance limits vary by property covered, with a deductible of \$25,000 per occurrence. The commercial liability limit of coverage is \$5,000,000 aggregate for the policy year. The deductible is \$25,000 per occurrence. The liability insurance covers bodily injury and property damage liability (\$5 million limit), mold liability (\$250,000 limit), and employee benefits administration liability (\$1 million limit, with a deductible of \$1,000 per employee). The automobile insurance limits are \$4 million for liability, \$1 million for non-owned hired autos, and \$1 million for uninsured motorists. Employment liability insurance coverage through ERMA is \$1 million with a \$50,000 deductible per occurrence. Premiums paid for this coverage were approximately \$290,000 for the policy year beginning June 1, 2013.

## HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED MARCH 31, 2014

- 1. The schedule of expenditures of federal awards includes the federal grant activity of the Housing Authority of the County of Contra Costa, California, and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organization*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.
- 2. Expenditures are reported as follows:

Shelter Plus Care Program - expenditures reported agree with the HUD grants earned for the year.

**Public and Indian Housing Program** - expenditures reported consist only of the operating subsidy amount received from HUD for the fiscal year ended March 31, 2014.

**Moderate Rehabilitation Program** - expenditures reported consist of operating expenses to the extent that federal grants were received towards these expenditures and/or that prior year funding is available for expenditure. These amounts differed from the actual annual contributions received from HUD.

**Housing Choice Voucher Program** - expenditures reported consist of operating expenses, including capital transactions and omitting depreciation, to the extent that federal grants were received towards these expenditures and/or that prior year funding was available for expenditure. These amounts differed from the actual annual contributions received from HUD. The expenditures were determined as follows:

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Commissioners Housing Authority of the County of Contra Costa Martinez, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities and the major fund of the Housing Authority of the County of Contra Costa, California, as of and for the year ended March 31, 2014, and the related notes to the financial statements, which collectively comprise the Housing Authority of Contra Costa, California's basic financial statements, and have issued our report thereon dated November 10, 2014. Our report includes a reference to other auditors who audited the financial statements of the blended component units and discretely presented component units, as described in our report on the Housing Authority of the County of Contra Costa, California's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Housing Authority of the County of Contra Costa, California's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the County of Contra Costa, California's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of Contra Costa, California's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Housing Authority of the County of Contra Costa, California's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Commissioners Housing Authority of the County of Contra Costa Martinez, California

### **Report on Compliance for Each Major Federal Program**

We have audited the Housing Authority of the County of Contra Costa, California's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 *Compliance Supplement* that could have a direct and material effect on each of the Housing Authority of the County of Contra Costa, California's major federal programs for the year ended March 31, 2014. The Housing Authority of the County of Contra Costa, California's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

# **Management Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs.

### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Housing Authority of the County of Contra Costa, California's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority of the County of Contra Costa, California's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the Housing Authority of the County of Contra Costa, California's compliance.

#### **Opinion on Each Major Federal Program**

In our opinion, the Housing Authority of the County of Contra Costa, California complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2014.

#### **Report on Internal Control Over Compliance**

Management of the Housing Authority of the County of Contra Costa, California is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Housing Authority of the County of Contra Costa, California's internal control over compliance with the types of compliance requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the County of Contra Costa, California's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency over compliance is a deficiency, or combination of deficiencies, in internal possibility basis. A *significant deficiency in internal control over compliance* is a deficiency over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of over compliance with a type of compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a requirement of a federal programs that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purposes.
