3. **Services by County.** County will provide City the following services, as directed by City: appraisal review and support; negotiations, land rights document preparation; right of way acquisition; right of way project management; title and escrow support; right of way certification, and/or supervision of independent contractors providing such services; and related work as required (all of which constitute "Services").

The County warrants that it will perform these services in accordance with accepted professional standards and procedures.

4. **Payment for Services.** City shall reimburse County, at the hourly charge out rates and in accordance with the budget in Appendix "A", attached hereto, for all time that County real property agents perform Services for City under this Agreement. City shall reimburse County for costs of expert and contractors retained by County in the performance of the Services. City shall reimburse County for all other expenses County incurs in the performance of the Services, including but not limited to all City approved acquisition settlements and any other costs of acquisition such as title fees, recording fees, and escrow costs that the County actually incurs to perform the Services. If additional services are required, City and County may amend this agreement to provide for payment for those additional services. Payments by City shall be made within sixty (60) days of billing by County.

City agrees that in addition to funds set aside by this agreement for staff support, it will fund either by direct reimbursement to County, or payment directly into escrow, the agreed upon purchase price, escrow fees, and other related costs which may be a condition of sale.

5. **Indemnification.** County shall defend, indemnify, and hold harmless the City, its officers, and employees for any claims, liabilities, damage, injury, or death of or to any person, or the property of any person, including attorney's and expert fees, (collectively, "Liabilities") that arise out of the willful misconduct or the negligent acts, errors or omissions of the County, its officers, employees, agents and volunteers, in performing any of its or their obligations under this Agreement. Notwithstanding anything to the contrary, County shall not be obligated to indemnify City, its officers, and employees for any portion of Liabilities that arise out of City's, or its officers' or employees' willful misconduct or negligent acts, errors, or omissions.

City shall defend, indemnify, and hold harmless County its officers, and employees for any Liabilities that arise out of the willful misconduct or the negligent acts, errors or omissions of the City, its officers, employees, agents and volunteers, in performing any of its or their obligations under this Agreement. Notwithstanding anything to the contrary, City shall not be obligated to indemnify County, its officers, and employees for any portion of Liabilities that arise out of County's, or its officers', and employees' willful misconduct or negligent acts, errors, or omissions.

6. **Independent Status.** Nothing herein shall be construed to imply that any County employee providing services hereunder is a City employee.
7. **Term.** The term of this agreement shall commence on the effective date hereof and shall end upon termination by either party upon thirty (30) days written notice. The rights and obligations of Paragraph 5 "Indemnification" shall survive any such termination. APPENDIX "A"
Pay Rate Schedule

City shall reimburse the COUNTY for labor costs as detailed below:

1. COUNTY direct labor rates shall include the base salary wages paid to personnel plus fringe benefits. Total labor rate shall include direct labor rate multiplied by County's overhead rate. The total labor rate shall not exceed the range of labor rates by classification, included as Attachment 1.
2. COUNTY's overhead rate shall be a summation of division and department overhead rates. Appropriate overhead rates for COUNTY shall be developed based on procedure previously approved as described below:

In general, the division overhead rates are determined by identifying each division's total expenditures after adjustments less any non-labor generated revenue. The division expenditures are then divided by the productive hours for the division establishing the overhead rate needed to cover the remaining net cost of division expenditures. The department overhead rates are determined similar to the division rate by dividing the total department expenditures by the total billable hours. Each year overhead rates will be evaluated and adjusted to reflect the actual costs from the previous fiscal year.

3. COUNTY may adjust both labor rates and overhead rates periodically due to contracted salary increases and overhead rate changes. COUNTY shall submit any changes to rates to the City prior to invoicing.
