DISCUSSION ITEMS

D. 1 CONSIDER Consent Items previously removed.

Consent item C.14 was removed from the calendar to allow for public comment, subsequently adopted as presented.

D. 2 PUBLIC COMMENT (3 Minutes/Speaker)

Eric Reynolds, resident of Walnut Creek, commended the Elections division on a job well done for the primary elections. He said he did have some concerns and had spoken to the Clerk-Recorder Joe Canciamilla about them. He request that the Board consider including the Voters Task Force to help elections division with operational things like signage;

Senet Kelly, resident of Richmond and poll worker. Mr. Kelly said he observed machines being packed up at 7:30 p.m. and not 8:00 (closing time), poll inspectors rushing voters to complete their ballots, and said was called uncomplimentary names by two poll workers. He urges better training and removal of a rude inspector;

Jennifer W. Brass, ten people were not on the rolls, who had not moved and believed she was not correctly informed on the voting process by the poll workers;

Kathy Petricca, resident of Martinez, spoke on canvassing experience. She believes the voting materials are inadequate in details of the crossover ballot, leaving NPP (no party preference) voters unaware that they will not have the president listed on their ballot and must contact the elections division to receive a ballot for this. She requested redesign of information materials;

Jonah Crawford, resident of Richmond noted he was pleased that an audit trail is maintained and stated that as an IT professional he believes electronic voting is not safe and is pleased this county does not employ it. He would like observers to be allowed to observe the transformation of transitional ballots going forward;

Shari Morphin, Voter Rights Task Force, said she discovered several issues and that there could be improvement (handout attached) and she feels the Board may have more oversight ability than it knows;

Ady Olvera, Voter Rights Task Force said the machine she observed was broken, and expressed a desire for information on how elections materials are managed;

Lucy Riley, resided of Richmond, was pleased to note a very engaged electorate this year, especially young people, committed to electoral integrity. She was however very dismayed to find no spanish speaking interpreters at the polls;

Donnajeanne Gohee on behalf of Markesha Fields of Brentwood: Ms. Markesha experienced difficulty with locating her name of the polls nearly resulting in necessitating a provisional ballot, and was not afforded curbside voting for the disabled which she had called the day before to confirm was available.

Clerk-Recorder Joseph Canciamilla addressed the Board and the public. Mr. Canciamilla noted that there is training provided to poll workers and roving inspectors, and that every election has a post-election review, at which ways to improve the process will be explored. He said this election had a nearly 50 % turnout, had an unprecedented number of provisional ballots requested (approximately 19,000) because many voters were under the impression their vote had to be counted that day, and that 88% of those cast were counted. The main reason a ballot is not counted is because the person is not registered to vote.

Mr. Canciamilla highly encouraged voters to make use of the mail-in ballot and early voting options. He would like the public to be aware that the general election ballot is predicted to be 4 to 5 pages long and that the State Voter Information Guide is expected to exceed 200 pages, in addition to the 200 page local voter information guide. The Elections Division has an Election Advisory Commission which they look forward to expanding and would like to work with those who have concerns.

The Supervisors will assist upon request of the Clerk-Recorder in informing the public that more spanish-speaking poll volunteers are needed.

Contra Costa County Grand Jury Report 1603

Pension Reform

If Not Now, When?

TO: BOARD OF SUPERVISORS

SUMMARY

Contra Costa County carries extremely large pension liabilities, which may get worse due to uncertainties in the financial markets. Because of a long-standing California legal precedent, pension benefits to be earned in future periods are not negotiable, while wages and other benefits are subject to negotiation during the collective bargaining process. This grand jury recommends that the County seek a change or clarification of this legal precedent in light of subsequent legislation, thereby clearing the way for fair and sensible pension reform through collective bargaining.

Absent such reform, the County faces serious financial risks, as pension liabilities appear to be on a relentless upward path. The likely consequences of increasing pension costs are service cutbacks and staff layoffs. It is even conceivable, should the pension cost problem reach crisis proportions, that the County would have to consider bankruptcy reorganization, with all the arbitrary and unfair consequences that could flow from such an action. For these reasons this grand jury believes the time to act on pension reform is now.

A Glossary of useful terms for issues discussed in this report can be found in the Appendix. Each term included in the glossary is set in *italics* the first time it appears in this report.

BACKGROUND

Defined benefit pension plans (such as the County's) are financed by means of funds invested on behalf of the individual members of the plans. Both individual members and their employers make contributions to the funds each year, ideally in amounts sufficient to pay for the pension benefits earned during that year. In addition to annual contributions to the pension funds, the funds' *investment returns* are retained and

reinvested for the benefit of the members and finance a major portion of the pension benefits. For example, the County's pension fund projects that investment returns on the fund's assets will cover more than 50% of the ultimate costs of the County's pensions. For defined benefit plans to work as designed it is critical that the annual contributions from members and employers plus investment earnings be sufficient to cover the projected future costs of the pensions. When these financial underpinnings to a pension fund fall short, the fund charges the public employer for the amount of the shortfall. These shortfalls, known as *unfunded actuarial accrued liabilities (UAALs)* have become significant debts for public jurisdictions throughout California—including the County—that offer defined benefit pension plans to their employees.

The Stanford Institute for Economic Research estimates that, as of year-end 2013, California public pension systems as a whole were short \$281.5 Billion of what they require to assure the pensions will be paid when they fall due. This estimated shortfall amounts to about \$22,210 for each household in California, without including the unfunded liabilities of one the largest pension funds, the California State Teachers Retirement System (CALSTRS). Paying down these unfunded pension liabilities is a major reason why pension costs have absorbed increasing percentages of county, city and state budgets over the last 15 years.

The state of California has taken some important steps to address these costs. In 2012, the governor signed into law the *PEPRA* (Public Employees' Pension Reform Act) reform bill, which made significant reductions in pension benefits to be earned by public employees hired after January 1, 2013. However, PEPRA made only modest changes in pension benefits earned by employees hired before that date. That was contrary to the recommendation of the state's Little Hoover Commission, which had warned in a 2011 report that limiting pension reform to new employees was not a sufficient remedy for the pension problem:

"The problem, however, cannot be solved without addressing the pension liabilities of current employees. The state and local governments need the authority to restructure future, unearned retirement benefits for their employees. The Legislature should pass legislation giving this explicit authority to state and local government agencies. While this legislation may entail the courts having to revisit prior court decisions, failure to seek this authority will prevent the Legislature from having the tools it needs to address the magnitude of the pension shortfall facing state and local governments." (Emphasis added.)

In fact, overall pension costs have continued to rise since the enactment of PEPRA, though at a somewhat lower rate as more employees who were hired after January 1, 2013 enter the system. Thus, pension boards and public employers have continued to deal with rising pension liabilities by means of increasing pension contributions from members and their employers. For example, CALPERS, the state's largest pension plan, has announced plans to increase the contributions required by its members and their employers. The Contra Costa County Employees' Retirement Association

(CCCERA), the entity that manages the County's pension fund, effectively increased member and employer contributions in 2014 when it reduced the *assumed investment rate* on its pension fund assets from 7.75% to 7.25%. Member and employer contribution rates increase whenever the assumed rate of return on the pension fund is decreased, because actuaries must then assume that a smaller portion of the required funding for pension obligations will be covered by investment returns.

There are limited options for reducing pension-funding shortfalls:

1. Increasing contributions to the pension fund;
2. Reducing pension benefits;
3. Increasing investment returns on the assets of the pension fund.

The first two options have adverse financial impacts on one or more groups, which explains why pension reform is a difficult and contentious issue. Higher contributions from public employers come at a cost: they must be funded either by higher taxes or reduced public services; e.g., library or park cutbacks, reduced police patrols, longer medical and fire response times. Higher contributions from members mean lower take-home pay. Reductions in pension benefits adversely affect employees who view the pension benefit as an important element of their compensation for services rendered.

It is not surprising, then, that governments and plan members have often turned to higher investment returns as an apparently painless "magic bullet" to close the funding gap. Assuming a high rate of return on fund assets does not come at a cost to any group—at least initially—and does not require any reduction in benefits. However, employers and plan administrators have often made the unwarranted assumption that high investment returns will continue indefinitely. When returns inevitably fall below such unrealistic assumptions, the impact on pension liabilities is severe. In California the public employer (e.g., the County) is solely responsible for making up the shortfall.

The grand jury believes that funding for the pension liabilities the County and other districts have undertaken needs to be addressed realistically, without rosy assumptions about investment returns. Difficult as they may be, these issues must be addressed through adequate contributions to the pension funds, and by negotiations with labor groups over the levels of pension benefits to be earned in the future.

DISCUSSION

The County's Huge Pension Liability

The County has reported in its Recommended Budget for fiscal year 2016-2017 that it carried an unfunded pension liability of \$1.155 Billion as of December 31, 2014. This figure also includes the unfunded pension liability of the Contra Costa County Fire Protection District (ConFire), which the County routinely includes in its pension liability reports. The unfunded pension liability is also known as the unfunded actuarial accrued

liability or (UAAL). It represents the amount of money the County has yet to set aside in order to cover employee pension benefits already earned that the County will be required to pay in the future. It also represents the amount by which the CCCERA pension fund is not fully funded with respect to the County's pension liabilities.

The money the County should set aside today to cover future pension benefit payments is actually much less than what the ultimate payouts will be, since any money contributed to the CCCERA pension fund should increase in value over time from investment returns. By the same token, the contributions held back from the pension fund do not accumulate any investment earnings that could reduce the UAAL. Unless the short-funded CCCERA pension fund can generate investment returns that exceed the 7.25% assumed annual rate, the County will have to make up the UAAL gap in the future by means of increased contributions to the pension fund. The County and ConFire also have outstanding over \$329 Million in pension obligation bonds (POBs) that were issued in earlier years for the purpose of raising funds to contribute to CCCERA in order to reduce the County's UAAL obligations. Without the funds raised from the POBs, the County's pension UAAL would be substantially larger.

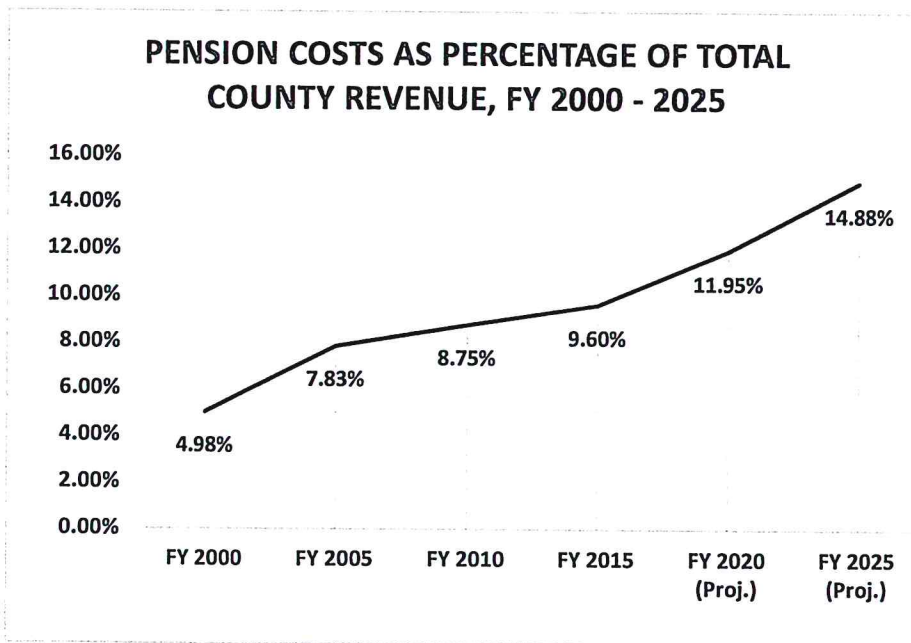

The \$1.155 Billion unfunded liability figure is based on an *assumed investment rate of 7.25%* per year. CCCERA has assumed it will earn this rate of return each year on its pension fund, compounded over the entire period the County's employees are working or receiving pension benefits. However, many financial analysts question whether the 7.25% annual return assumption in today's investment environment is realistic. Private employers typically assume a much lower rate when calculating their liability in a defined benefit pension plan. AT&T, for example, discloses in its 2014 Annual Report that it assumes a compound rate of return on its pension fund assets of 5.75% per year. In CCCERA's own case, its actuary discloses in the latest actuarial report that the CCCERA pension fund has over the ten-year period ended December 31, 2014 earned an average annual return of 6.58%, rather than its currently assumed rate of 7.25%.

The County's comprehensive annual financial report (CAFR) for the fiscal period ended June 30, 2015 contains a vivid illustration of the importance of the assumed investment rate in calculating the size of the County's unfunded pension liability. The CAFR reports its net unfunded pension liability to CCCERA as \$925 Million instead of \$1.115 Billion, due to certain timing differences. However, the CAFR also discloses that the unfunded pension liability would increase to \$1.8 Billion in the event this liability was calculated using an assumed investment rate of 6.25% per year. Thus, in an inherently uncertain financial environment, a change of only one percent per annum in the rate of return would nearly double the size of the County's unfunded pension liability!

The County's \$1.155 Billion unfunded pension liability well exceeds the \$539 Million it spent on public protection services in its 2015 fiscal year as well as the \$445 Million it spent on public assistance during that year. However, the unfunded pension liability is not due immediately. Under the *UAAL amortization policy* adopted by CCCERA, the County is permitted to treat the unfunded liability as a long-term debt payable over a

period of 18 years.

The County's annual pension costs consist of its employer contributions to the "normal costs" of the pension benefits earned each year plus its amortized payment on the UAAL. The annual pension costs are a large and growing percentage of the County's total budget. During the 15-year period from fiscal year 2000 through fiscal year 2015, the County's revenues grew from \$1.347 Billion to \$3.217 Billion, a compound annual growth rate of 5.97% per year. By comparison, during this same period the County's pension costs (again, including those of ConFire) grew from \$67.06 Million to \$308.9 Million, a compound annual growth rate of 10.72% per year. Pension costs now amount to 9.6% of total County Revenues as compared to 4.98% 15 years ago. If these trends continue, pension costs will amount to approximately 11.95% of County revenues in five years, and 14.88% of revenues in 10 years, as illustrated in the chart below.

Another way to see the growth in pension costs is to compare two illustrations the County has prepared in the past five years showing the amount of pension costs incurred for every dollar of salary paid its employees. Here was the breakdown in 2010:

In Contra Costa, for every dollar being spent on salary...

... we spend 40 cents on pension

... and ANOTHER 41 cents on other benefits

Contra Costa County – May 18, 2010 – Page 42

Here is the breakdown today:

for every dollar being spent on permanent salary ...

... we spend 53 cents on pension

... and ANOTHER 51 cents on other benefits

These figures and charts show the County already faces an enormous financial challenge in managing its unfunded pension liabilities. Unfortunately, the 2015 declines in the stock markets mean that the challenge is about to get larger. At a special CCCERA Board meeting on February 25, 2016, the Board's advisers reported that the return on the pension fund for the year 2015 was 1.9%, the lowest return since the Great Recession year of 2008. The 1.9% figure is well short of the 7.25% target return by 5.35 percentage points. The latest CCCERA actuarial report advises that for each percentage point the actual return falls below the 7.25% target return, the County will be required to contribute 9.9% of its CCCERA salary base to make up the funding deficit. Based on the County's current payroll of \$572 Million included in the CCCERA pension plan, this lower than target investment return for 2015 will likely increase the County's unfunded pension liability by over \$300 Million.

CCCERA follows a five-year "*asset smoothing policy*" for recognizing annual investment returns above or below the 7.25% target return. Thus, CCCERA's actuaries will phase in the 2015 investment return shortfall over five years and will offset it against the remaining above-target gains from 2012 and 2013 that are likewise being phased in over five years. Further, because of its UAAL amortization policy CCCERA will allow the County to pay off the 2015 phased-in shortfall over 18 years. Nevertheless, if not offset by above-target gains from other years, the additional annual cost of the 2015 deficit alone to the County could, based on CCCERA's latest actuarial report, amount to over \$21 Million per year for 18 years.

This cost estimate makes no allowance for increases in the pension liability that may arise from abnormal pay raises following current contract negotiations between the County and its labor organizations. As recently reported in the press, the County has agreed to pay increases starting July 1, 2016 of 5% per year over the next three years to its deputy sheriffs, with an additional one time 2.5% increase for sheriffs with over five years of service. That rate of increase exceeds the 4.75% assumed rate of salary increase for a safety member with five or more years of service the CCCERA actuaries currently use in calculating future pension costs.

The Peculiar California Pension Rule

Because of the large increases in its pension liabilities that can arise from investment returns falling below the assumed 7.25% annual rate of return, the County is constantly at risk of debt increases that arise for reasons outside its direct control. Further, unlike all other elements of employee compensation, the County cannot manage its pension liabilities by negotiating reduced pension benefits at the collective bargaining table. That means the County is left with layoffs, service cutbacks, cuts in salary or health benefits, or tax increases as the remaining tools available to meet pension liabilities, which the County is legally obligated to pay.

Why is the amount of the pension benefit to be earned excluded from collective bargaining? The reason for this peculiar state of affairs is rooted in a series of legal

cases that began before public employees had collective bargaining rights. The first of the cases dealt with an instance of seemingly bad behavior by a city council in Long Beach, California. In the 1947 case of Kern vs. Long Beach, the city council decided to terminate a pension program for its employees just 32 days before one of its employees was due to begin receiving his pension after 20 years of city service. Not surprisingly, the California Supreme Court frowned on such apparently unfair treatment of a long-time city employee. The Court held that once a pension system was in place the employee in question was entitled to a reasonable pension for the time he or she served the city. That might well have ended matters, but the City of Long Beach proved to be a repeat offender when it later sought to impose higher costs and reduced benefits on the members of its pension plan. In the 1955 case of Allen vs. City of Long Beach, the California Supreme Court held that once an employee was enrolled in the city's pension plan, the city was not only barred from terminating pension benefits as an element of compensation for such employees, but was also prohibited from imposing any alterations in its pension plan which result in a disadvantage for employees unless accompanied by "comparable new advantages."

The 1955 decision, while likely reflecting some exasperation by the Court over what appeared to be another instance of bad behavior by the City of Long Beach, resulted in a highly inflexible legal precedent. Known as the "*California Rule*", it bars a public employer in California from ever reducing the level of pension benefits—even those yet to be earned in future periods—below those that existed on the first day of the employee's term of service.

This precedent has remained part of California law despite numerous important changes protecting the rights of public employees that have occurred in other parts of the California legal framework since 1955. The most important of these changes is the Meyers-Milias-Brown Act of 1968. That Act guarantees the right of public employees to engage in collective bargaining over the terms and conditions of their employment. Public employers have a corresponding obligation to bargain in good faith with their employees. A state agency, the Public Employment Relations Board (PERB), can impose penalties on public employers that engage in unfair labor practices or fail to engage in good faith bargaining.

The California Rule Should be Challenged

The California Rule thus stands as a peculiar exception to the standard practice of negotiating all salary and benefits for public employees at the collective bargaining table. We believe there are two important reasons to challenge the Rule's exclusion of pension benefits from collective bargaining. The first is cost savings. As Report 1503 of the 2014-2015 Grand Jury (Report 1503) pointed out, doing no more than adjusting the amount of the pension benefit all County employees earn in future years to the PEPR levels earned by employees hired after January 1, 2013 could save the County over \$95 Million a year. The second is fairness. Fairness to County employees is a key consideration in any pension reform proposal. Pursuing pension reform at the

bargaining table assures employees the following protections:

- Changes in pension benefits would only affect the benefits to be earned in future years. Pension benefits earned in previous pay periods would not be affected.
- Changes would be subject to good faith bargaining obligations on the part of the County and negotiated by labor representatives accountable to the employee groups.
- Changes could be negotiated in a way that pays particular attention to the interests of different groups of employees. For example, pension benefit reductions (and corresponding lower pension contributions deducted from a paycheck) could be limited to tiers of employees with fewer years of service. Such employees may have a greater interest in securing higher take-home pay rather than higher pension benefits that will only be paid many years distant.

The Policy Decision on Pension Reform Rests with the Board of Supervisors

The Board of Supervisors should seriously consider adopting a policy to seek judicial clarification or reform of the California Rule on pensions in light of California law that now guarantees collective bargaining for public employees. The Board is the designated authority within the County to make the required political, financial and value judgments required to go forward with such a policy. We set forth later in this report some specific ideas on how the Board might proceed to mount a legal challenge to the California Rule without putting the County's financial position at risk pending the outcome of the challenge. In its policy deliberations, we believe the Board should review carefully the following questions:

1. Is it right that the California Rule should allow pension costs to crowd out other budget priorities?
2. Is it right that the cost of pension benefits earned by County employees today should be paid by the County over 18 years, thereby assuring that a significant part of those costs will be passed on to taxpayers who are now students in junior and senior high school?
3. Is it right that the cost of pension benefits, already a huge unfunded debt, may at some point so stress the County's resources that a severe and draconian financial restructuring could become necessary, imposing hardships on retirees, employees, and County citizens?

The Crowding-Out Problem. The County faces severe budget constraints. Previous grand jury reports have cited various projects and services that have been deferred or cut back due to budget issues, including maintenance and upkeep of County facilities, plans for an improved and modernized crisis operations center, funding unmet needs in the foster care system, and building facilities for rehabilitation programs in the County jail system. Budget issues also affect employee pay. This year much attention has

focused on the challenges the County faces in retaining an experienced pool of deputy sheriffs to maintain an adequate level of public safety services in the County. Below average pay of the County's deputy sheriffs as compared to neighboring jurisdictions seems to be at the core of the retention problem. In general, the County's employees have only had modest pay raises at best since the onset of the financial crisis in 2008 – 2009. The root of these problems is a shortage of available funds. As noted in Grand Jury Report 1503, a large pool of funds could be made available for all of these purposes (nearly \$100 Million annually in that Report's estimate) if the County were able to negotiate the level of future pension benefits to be earned by all employees down to the same level as that for its PEPRA employees.

Passing on Today's Costs to the Next Generation. A large part of the County's annual pension cost is its cost (a) to reduce the UAALs generated by investment return shortfalls in the CCCERA pension fund and (b) to cover payments on long-term pension obligation bonds (POBs) that were issued in earlier years (e.g., 2003 in the case of the longest outstanding POBs) to reduce those UAALs. The UAALs are the funds still needed to cover the County's future pension obligations for services already performed. As noted above, the County is permitted to pay down its UAALs over an amortization period of 18 years.

The 18-year UAAL amortization period, combined with the use of long-term pension obligation bonds to cover unfunded pension liabilities, has troubling consequences. These pension debts cover the costs of services rendered in the past. This means that the taxpayers who pay off these debts for services rendered are not the same taxpayers who received the services. It is as if a homeowner were being asked to pay part of the cost of a gardener who had mowed the lawn ten years ago before the homeowner even bought the house. Put another way, the 18-year amortization of UAAL debt and the long-term final maturity dates for the POBs mean that young children in the County are being tabbed to pay costs for services their parents or grandparents received. That seems unfair as well as unsound, and it is unique in terms of how we generally believe wage and salary payments should be assessed. The costs should be assessed on those who received the benefit and were in a position to review the quality and type of service they received.

Potential Hardships for Employees and Retirees. Most County employees likely do not consider the risk of the County failing to pay their pensions as something to worry about. The common viewpoint is that governmental jurisdictions never go away and they have taxing power to assure that all their obligations can be met. It then becomes convenient to assume high rates of return on the pension fund ("we will earn enough on our investments to cover all the costs") or to treat the unfunded pension liability like a long-term mortgage that can be paid off over many years. However, the pension liability problem cannot be postponed forever. The County has already seen the high cost of its pension obligations crowding out budget allocations for other services and needs, including employee salary levels. Further, as the chart below shows, the membership

of CCCERA is now composed of more retirees and vested but non-contributing members than active members, and this ratio has increased every year since 2005.

As CCCERA membership matures, relatively fewer contributing members will be supporting an ever-increasing number of retirees. That means the County will be facing greater risks from changes in the investment returns on the CCCERA pension fund because the total active payroll relative to the pension liabilities will become smaller over time. Furthermore, the County faces the risk of an even sharper drop in the supporting payroll in the event one of the pension reform measures currently being promoted for the 2018 ballot becomes law. Either of those measures (discussed in more detail later in this report) would require voter approval before employees hired after January 1, 2019 could become members of the CCCERA plan under its current terms. If the entry of new employees into CCCERA were cut off, the financial contributions from active members would drop substantially. In that event the County could face substantially higher risks of increased pension costs if investment returns on the pension fund fell below the assumed annual growth rate of 7.25%.

These financial and demographic risks should be weighed carefully in the Board's policy deliberations. Rising pension costs have been a major factor in driving cities into bankruptcy. In California, this has happened to Vallejo, San Bernardino, and Stockton. If the size of the County's pension debt were to become unmanageable, the County could be forced to restructure its debts, including its pension liabilities, through bankruptcy.

The powers of a bankruptcy court are extensive. Its powers extend to restructuring pension benefits in ways that could appear arbitrary and unfair to those affected by the

bankruptcy. The court may reduce not only future unearned pension benefits but also already-earned pension benefits. Thus, the legal protection provided to pensions by the California Rule is not absolute even if it were to remain unchanged. In the Stockton Bankruptcy case decision of February, 2015, the judge emphasized that he had the power to alter pension benefits as part of his authority to confirm a fair and just reorganization plan for the city. With specific reference to the California Rule (which he referred to as the "Vested Rights Doctrine"), he had this to say:

“. . . the Contracts Clauses of the Federal and State Constitutions, as implemented by California's judge-made "Vested Rights Doctrine," do not preclude contract rejection or modification in bankruptcy."

Accordingly, the Board's policy deliberations on seeking reform now of the California Rule through a linkage to collective bargaining should seriously consider the risks to employees and retirees should a bankruptcy filing ever become necessary. A restructuring of pension benefits in bankruptcy could impose far greater hardships on employees than what they would experience from a change to the California Rule that preserved collective bargaining protections.

The grand jury does not see bankruptcy or financial insolvency as a near-term risk for the County at this time. However, we believe the County should so manage its financial obligations that the risk of a bankruptcy, with all of its attendant hardships and inequities, will never have to be considered.

The Pivotal Role of Collective Bargaining Since 1968

Tying pension reform to collective bargaining stands on firm legal ground. Collective bargaining has now become fully embedded in the legal fabric of California as the essential means for negotiating the terms of employment between public employers and their employees. The courts have not, however, yet taken up a case seeking to reconcile the system of collective bargaining with the implied "contract" for pension benefits that was established in the 1955 Allen case. There is, nevertheless, strong evidence to suggest the 1968 Meyers-Milias-Brown Act was intended to cover all items of compensation and benefits to be earned by public employees, including pension benefits. The Act itself states that collective bargaining established for public employees "...shall include all matters relating to employment conditions and employer-employee relations, including, but not limited to, wages, hours, and other terms and conditions of employment."

In a 1998 case, Public Employees Association vs. City of Fontana, a California appellate court explained the strong policy in the law favoring collective bargaining as follows: otherwise, the "employer [would be required] to negotiate over working conditions with any number of employees, thereby defeating the Act's goals of ensuring stability in labor management relations and the right of employees to join and be represented by an employee organization." More recently, a December 29, 2015 ruling by the Public

Employment Relations Board (PERB) found that the City of San Diego had violated the terms of the Meyers-Milias-Brown Act by failing to negotiate with the employee unions over the Mayor's plan to bring a pension reform proposal to San Diego voters by means of a ballot initiative. The PERB decision included this statement:

"The City does not dispute that pension benefits are generally a negotiable subject and, aside from its argument that the Mayor's pension reform proposal was brought as a citizens' initiative, which we reject, it has offered no other reason why PERB should disregard long-standing private and public-sector precedent treating pension benefits as negotiable." (Emphasis added.)

Preferable Methods to Seek Reform of the California Rule

The California Rule arose originally from a lawsuit filed against a local jurisdiction—the City of Long Beach. Reform of the Rule could likewise arise from a legal challenge filed by a California local jurisdiction, such as the County. Should the Board of Supervisors choose to challenge the California Rule in court, it would no doubt prefer a method that offered both a good prospect of success and that did not subject the County's financial position to substantial risk in the event the challenge was not successful. With those twin objectives in view, here are some legal options the Board might consider with their legal counsel:

1. Advancing the reform argument through amicus curiae legal briefs filed in other pending cases
2. Support for a pension reform initiative or legislation that links pension reform to collective bargaining procedures
3. Bargaining with one or more of its employee unions for changes in future pension benefit rates, subject to the condition that a court first rules that such benefits are covered by the collective bargaining law
4. Moving for a declaratory judgment after any of its labor groups have expressed opposition to negotiating on future pension benefits

Amicus Briefs. An *amicus curiae* or "friend of the court" brief enables an entity not a party to the case to make legal arguments to the court in order to apprise the court of broader public or other interests that may be at stake in the case. The County, as a member of the California State Association of Counties (CSAC), has already participated in one amicus brief relating to pension reform. CSAC filed an amicus brief in a 2014 case supporting a plaintiff's effort to block a pension reform initiative in Ventura County that sought to replace the county's defined benefit pension plan with a *defined contribution plan*. Should an appropriate case arise, the County either on its own initiative or through CSAC, could file an amicus brief urging the court to reform the California Rule so as to recognize the authority of labor organization representatives to negotiate the rates of pension benefits to be earned in future employment periods.

Initiative or Legislative Reform. The initiative process would offer an avenue for reform in the manner recommended in this report if it sought to tie pension reform to the collective bargaining system. There are currently two reform initiatives announced for the 2018 California ballot sponsored by former San Jose Mayor Chuck Reed and former San Diego Councilman Carl DeMaio. However, these initiatives do not include provisions intended to tie pension reform to collective bargaining. Rather, they would require voter approval before any employees hired after January 1, 2019 could be enrolled in a defined benefit pension plan similar to the County's current plans. They would not take any steps on pension reform for employees hired before that date.

Should a local legislator at the County's request sponsor legislation to amend the Meyer-Milias-Brown Act to make explicit that unearned pension benefits are subject to collective bargaining, an avenue could open for a straightforward legal test of the California Rule. The amendment, if passed by the legislature and signed by the governor, would likely be challenged in court by an interested labor group, and the County would have an opportunity to take part in the legal case as an amicus or interested party depending on the circumstance. In either case, the County would be participating simply as a legal participant and would not have its financial position at material risk before the case was decided.

Labor Agreements with Contingent Terms. There is precedent in the County for negotiating a term of a labor agreement related to pension benefits that is contingent on a change in the law. In a number of previous labor agreements, starting with a 2006 memorandum of understanding with the Deputy Sheriffs Association (DSA), the County agreed to a term that would have permitted employees to elect a lower rate of pension benefits to be earned over the course of the agreement. The attraction for the employee would have been a corresponding reduction in his or her required contributions to the pension fund, resulting in higher take-home pay. The term was contingent on certain changes occurring in the law, including state legislation and a private letter ruling from the IRS.

In like fashion, the County could negotiate reductions in the rates of pension benefits to be earned in the future contingent on a court first having ruled that such reductions were proper subjects of collective bargaining. This approach would require two conditions to move forward: agreement by the labor bargaining unit and a legal challenge filed against the agreement by some group or organization seeking to uphold the California Rule.

Declaratory Judgment. Should none of the labor groups choose to cooperate in a challenge to the California Rule, California law provides another alternative for the legal challenge without undue risk to the County. A *declaratory judgment action* is a legal action designed to resolve a legal question before one or both parties to a dispute have taken steps that may have damaging consequences in an uncertain legal situation. The California Code of Civil Procedure provides for such legal actions "... in cases of actual controversy relating to the legal rights and duties of the respective parties"

To take advantage of the declaratory judgment alternative, the County would have to show that a “case or controversy” exists with one of its labor organizations on the issue whether pension benefit rates are subject to collective bargaining. Such a case could arise if the Board declared a policy or set forth a demand that in an upcoming bargaining session labor representatives should be prepared to negotiate the rates of pension benefits to be earned along with wage rates and other benefits. Should the bargaining unit refuse to negotiate on future pension rates because of the California Rule, an “actual controversy” over legal rights and duties might exist that meets the requirements for a declaratory judgment.

There are likely other opportunities that could arise for the County to seek legal reform of the California Rule by means of an action for a declaratory judgment. The benefit of a declaratory judgment action is the opportunity it presents to mount a challenge to the California Rule without forcing the County to take action that could be very expensive to reverse or undo.

Conclusion

Fair and sensible pension reform remains an urgent priority for the County. The costs of its pension obligations continue to rise despite the PEPRA reforms of 2013. The largest liabilities on the County’s most recent financial statement relate to pensions: its net pension liability of \$925 Million and its outstanding pension obligation bonds of \$329 Million. Despite the size of this obligation the County has only limited options to manage it. The size of the liability will depend each year on the investment results of the CCCERA pension fund. Because of legal precedent in California that has not yet been challenged, the County has not negotiated with its labor organizations over the rates of future pension benefits to be earned. Such benefits should in our judgment be included in collective bargaining negotiations. To do so, the Board should seriously consider various avenues to challenge the California Rule in court. Such a change would be supported by sound legal arguments and could yield the County, if successful, an important tool to move forward on pension reform through collective bargaining.

FINDINGS

- F1. The County's largest outstanding debts relate to its pension liabilities. The unfunded pension liabilities of the County (including ConFire) as calculated by the CCCERA actuaries in September 2015 total \$1.155 Billion. In addition to this UAAL figure, the County (again including ConFire) has outstanding \$329 Million of long-term pension obligation bonds.
- F2. The County's unfunded pension liability will increase in any year in which the rate of return on the CCCERA pension fund does not reach at least 7.25%.
- F3. According to the most recent CCCERA actuarial report, for every 1% drop below the CCCERA assumed rate of return of 7.25% the County's unfunded pension liability will increase by a figure equal to 9.9% of the County payroll of employees enrolled in the CCCERA pension plan. Based on its current payroll of over \$572 Million that means the reported return of 1.9% achieved by the CCCERA pension fund in 2015 could result in an increased County UAAL of over \$300 Million before actuarial five-year smoothing adjustments are made.
- F4. Unlike all other elements of compensation that it negotiates with the labor organizations, the County does not negotiate the rate of pension benefits employees will earn in future salary periods.
- F5. The reason the County does not negotiate such pension benefits is due to a long-standing legal precedent in California, known as the California Rule, which holds that public employees are covered by an implied contract on their first day of service guaranteeing that the level of pension benefits they earn each year may not be decreased in future years unless replaced by benefits comparable in value for the employee.
- F6. The California Rule is based on a case that was decided before public employees had the right to organize and engage in collective bargaining in California.
- F7. The County has not taken steps to challenge or seek legal clarification of the California Rule in a California court.
- F8. Negotiating the terms of future pension benefits to be earned could result in substantial cost savings for the County if permitted by a court ruling.
- F9. There are legal avenues open to the County to seek judicial clarification or reform of the rule without subjecting the County to major financial risks if the challenge proves unsuccessful.

RECOMMENDATIONS

R1. The Board of Supervisors should seriously consider adopting a policy of seeking judicial clarification or reform of the California Rule.

R2. The Supervisors should consider empaneling a task force, a study group, or an internal committee to examine options for challenging the California Rule that would weigh the following considerations:

- Potential cost savings for the County;
- Potential resources to be freed up for other priorities such as service enhancements and other wage and benefit improvements;
- Opportunities to participate as an amicus curiae in existing legal cases;
- Opportunities for challenging the California Rule through legal proceedings such as a declaratory relief action that would not expose the County's financial position to undue risk in the event of an adverse result; and
- Whether the County should undertake the legal challenge alone or in cooperation with other jurisdictions or organizations with a common interest in the issue, such as the California State Association of Counties (CSAC).

R3. The Supervisors should consider issuing a formal statement on their policy toward seeking reform of the California Rule, with an explanation of how they propose to manage their unfunded pension liability in the event no steps are taken to reform or adjust the California Rule.

R4. The Supervisors should consider securing a legal opinion from outside counsel experienced in the field of pension and collective bargaining law on the merits of a legal challenge to the California Rule based on the argument that the Rule should now be modified based on California's collective bargaining system for public employees.

Glossary of Terms

Actuarial Accrued Liability. This is the total amount of funding the pension fund should have on hand in order to assure that there will be sufficient funds available in the future to pay the pension benefits that have been earned by employees on the date the liability calculation is made. The actuaries calculate this liability based on certain actuarial assumptions about mortality rates, retirement rates, turnover rates, and investment returns the actuaries assume will be earned by the pension fund on a compounded basis over the long term.

Actuarial Value of Assets. This value refers to the market value of assets in the pension fund after adjusting for any investment gains or losses using the fund's asset smoothing policy.

Amicus Curiae. This term (literally translated as friend of the court) refers to an entity or organization that is not a party to a particular lawsuit but that is permitted by the court to advise it in respect to some matter of law that directly affects the case in question.

Asset Smoothing Policy. This policy refers to the practice of stretching out the recognition of annual market gains or losses on a defined benefit pension fund, as compared to the assumed investment return for the fund, over a period of years. CCCERA follows a five-year smoothing policy. For example, if the CCCERA fund falls short of its assumed investment rate of 7.25% by five percentage points, the fund would recognize that loss at a rate of 1% a year over a period of five years.

Asset Volatility Ratio. This ratio is equal to the market value of the assets in the pension fund divided by the total projected payroll used for calculating contributions to the pension fund. In the case of CCCERA that ratio is currently 9.9, meaning that for every percentage point by which its pension fund falls below its assumed investment rate, the UAAL will increase by 9.9% of projected payroll.

Assumed Investment Rate of 7.25%. This is the assumed rate of investment return on its pension fund that CCCERA uses for calculating the *normal cost* of the pension benefits earned by County employees each year. It is also the rate CCCERA uses to discount to present value the future cost of the pension benefits to be paid. The assumed investment rate is a compound annual growth rate, not simply an average annual rate. That is, in order to keep pace, in any year in which CCCERA does not earn its assumed rate of 7.25% it must make up the shortfall in a following year (either through additional earnings or employer contributions) in addition to the assumed annual rate of 7.25% for the following year.

California Rule. This term refers to a legal precedent established by a California Supreme Court decision in 1955. It held that California public employees are subject to an implied pension contract from their first day of employment forward. The pension contract provides that the rate of pension benefits to be earned in future years may never be decreased unless replaced by a benefit comparable in value for the employee. The practical effect of this precedent is that public employers in California do not negotiate pension benefit rates with their employees, in contrast to negotiations that take place over all other wages and benefits to be earned.

CCCERA – the Contra Costa County Employees’ Retirement Association. This is the entity that administers pension benefits and runs the pension fund to which the County makes contributions to pay for pension benefits earned by its employees. CCCERA is organized under a law passed in 1937 that authorized California counties to set up defined benefit pension plans for their employees.

COLA – a cost of living adjustment. This is an enhancement to a pension benefit based on increases in the applicable cost of living index, subject to certain caps, usually 2% or 3% per year.

Declaratory Judgment Action. This is a legal action designed to enable parties to resolve a legal dispute before either party has taken steps that may cause or incur a liability that could lead to damages or other remedies awarded by a court.

Defined Benefit Plan. This is a pension plan that provides for a stated benefit to be paid to participants during their retirement years. Generally, the benefit is defined by a formula. For example, 3% of base salary for each year of services, so that an employee with 25 years of service at age 55 could retire under that formula with a beginning pension equal to 75% of his or her base salary. Pension benefits are usually enhanced by cost of living adjustments, also called COLAs. Payment of the defined benefit is guaranteed by the employer.

Defined Contribution Plan. This is a retirement plan under which the employer makes defined contributions into a retirement fund for the benefit of its employees. The amount of the ultimate benefits paid out in retirement is dependent on the investment results in the retirement fund and is not guaranteed by the employer.

Investment Return. This is the rate of earnings on the pension fund from dividends, interest, and capital gains, computed as a percentage of the average value of the fund.

Normal Cost. This is the amount of contributions to a defined benefit pension fund required each year to fund the pension benefits earned by employees during that year of service. The figure is calculated by actuaries and is based on certain actuarial assumptions about mortality rates, retirement rates, turnover rates, and investment returns the actuaries assume will be earned by the pension fund on a compounded basis over the long term.

PEPRA – The Public Employee Pension Reform Act. This Act, passed in 2012, established a new level of pension benefits for all state and other public employees in California who were hired on or after January 1, 2013. The new pension benefit levels were lower than those prevailing for existing employees, leading to a two-tiered level of benefits for employees based on their respective dates of hire.

Unfunded Actuarial Accrued Liability (UAAL). This is defined as the extent to which the *Actuarial Accrued Liability* of the pension plan exceeds the *Actuarial Value of the Assets* in the pension fund supporting the plan.

UAAL Amortization Policy. This policy stipulates the amount of the payments that must be made to the pension fund each year by the employer to pay down the UAAL in equal installments. In the case of CCCERA, the UAAL pay down period is 18 years, meaning that 1/18 of each year's net UAAL is charged to the employer each year as an additional pension cost payable to CCCERA.

BOARD OF SUPERVISORS RESPONSE TO
CONTRA COSTA COUNTY GRAND JURY REPORT 1603:

Pension Reform - If Not Now, When?

Findings:

- F1. The County's largest outstanding debts relate to its pension liabilities. The unfunded pension liabilities of the County (including ConFire) as calculated by the CCCERA actuaries in September 2015 total \$1.155 Billion. In addition to this UAAL figure, the County (again including ConFire) has outstanding \$329 Million of long-term pension obligation bonds.

Response: The respondent agrees with the finding.

- F2. The County's unfunded pension liability will increase in any year in which the rate of return on the CCCERA pension fund does not reach at least 7.25%.

Response: The respondent partially agrees with the finding. It should be noted that the rate of return has recently been changed to 7.00%. The rate of return on the CCCERA pension fund is one factor in determining the unfunded pension liability. It is possible for the pension fund to earn less than 7.25% and not experience an increase in unfunded liability due to changes in the other factors or policy changes; however, the statement is generally correct.

- F3. According to the most recent CCCERA actuarial report, for every 1% drop below the CCCERA assumed rate of return of 7.25% the County's unfunded pension liability will increase by a figure equal to 9.9% of the County payroll of employees enrolled in the CCCERA pension plan. Based on its current payroll of over \$572 Million that means the reported return of 1.9% achieved by the CCCERA pension fund in 2015 could result in an increased County UAAL of over \$300 Million before actuarial five-year smoothing adjustments are made.

Response: The respondent neither agrees nor disagrees with the finding. The projection appears to be reasonable; however, Volatility Ratios are extremely complicated and therefore the respondent is unable to confidently respond to this finding.

- F4. Unlike all other elements of compensation that it negotiates with the labor organizations, the County does not negotiate the rate of pension benefits employees will earn in future salary periods.

Response: The respondent partially agrees with the finding. Prior to the passage of the Public Employees' Pension Reform Act (PEPRA), the County was able to negotiate about which of the statutory pension benefit formulas available under the County Employees Retirement Law (CERL) would be available to new employees. PEPRA now specifies what the pension benefit will be for new hires, and the County cannot negotiate a different benefit. The County can and does continue to negotiate which of the statutory COLAs to the pension benefit will be applicable to new employees. In addition, the County is aware of the impact and cost of pension and negotiates wages and benefits accordingly.

F5. The reason the County does not negotiate such pension benefits is due to a long-standing legal precedent in California, known as the California Rule, which holds that public employees are covered by an implied contract on their first day of service guaranteeing that the level of pension benefits they earn each year may not be decreased in future years unless replaced by benefits comparable in value for the employee.

Response: The respondent partially agrees with the finding. The respondent understands the term “California Rule” to mean the body of case law regarding modification of pension benefits for current employees. The County must comply not only with these cases, but also with the statutory requirements of CERL and PEPRA.

F6. The California Rule is based on a case that was decided before public employees had the right to organize and engage in collective bargaining in California.

Response: The respondent partially agrees with the finding. The body of case law regarding the modification of pension benefits for current employees includes cases decided both before and after the enactment of the collective bargaining laws.

F7. The County has not taken steps to challenge or seek legal clarification of the California Rule in a California court.

Response: The respondent agrees with the finding.

F8. Negotiating the terms of future pension benefits to be earned could result in substantial cost savings for the County if permitted by a court ruling.

Response: The respondent partially agrees with the finding. The respondent notes that any changes would have to be negotiated with Labor Organizations and concessions that have a net savings would be very difficult to negotiate.

F9. There are legal avenues open to the County to seek judicial clarification or reform of the rule without subjecting the County to major financial risks if the challenge proves unsuccessful.

Response: The respondent partially agrees with the finding. While it is true that the County could seek judicial clarification, the cost of outside legal counsel to litigate this issue would be very expensive and would involve extensive amounts of attorney time.

Recommendations:

R1. The Board of Supervisors should seriously consider adopting a policy of seeking judicial clarification or reform of the California Rule.

Response: The recommendation will not be implemented at this time. The cost associated with any individual County pursuing judicial clarification or reform would be prohibitive. Any solution to this issue is best handled by the legislature.

- R2. The Supervisors should consider empaneling a task force, a study group, or an internal committee to examine options for challenging the California Rule that would weigh the following considerations:
- Potential cost savings for the County;
 - Potential resources to be freed up for other priorities such as service enhancements and other wage and benefit improvements;
 - Opportunities to participate as an amicus curiae in existing legal cases;
 - Opportunities for challenging the California Rule through legal proceedings such as a declaratory relief action that would not expose the County's financial position to undue risk in the event of an adverse result; and
 - Whether the County should undertake the legal challenge alone or in cooperation with other jurisdictions or organizations with a common interest in the issue, such as the California State Association of Counties (CSAC).

Response: The recommendation will not be implemented at this time. There is no reason to examine options since the County is not willing to incur the extensive time and expense that would be required to challenge the California Rule.

- R3. The Supervisors should consider issuing a formal statement on their policy toward seeking reform of the California Rule, with an explanation of how they propose to manage their unfunded pension liability in the event no steps are taken to reform or adjust the California Rule.

Response: The recommendation will not be implemented at this time. However, the County will continue to monitor its unfunded pension liability to determine whether or not appropriate action may be necessary in the future.

- R4. The Supervisors should consider securing a legal opinion from outside counsel experienced in the field of pension and collective bargaining law on the merits of a legal challenge to the California Rule based on the argument that the Rule should now be modified based on California's collective bargaining system for public employees.

Response: The recommendation will not be implemented at this time. There is no reason to secure an outside legal opinion since the County is not willing to incur the extensive time and expense that would be required to challenge the California Rule.

SUMMARY

Human trafficking is a nationwide problem. In Contra Costa County, law enforcement and other agencies identified at least 108 victims of human trafficking from June 2014 through June 2015; of those cases, thirty-nine involved minors exploited for sex.

The County organized its official response to the problem of human trafficking by organizing a “Coalition of Zero Tolerance for Human Trafficking Summit” in January 2015. The Coalition set up a broad framework for understanding and dealing with human trafficking, which began with training two hundred employees of the Employment & Human Services Department (EHSD) and its interagency partners (County agencies and non-government organizations). EHSD assigned the more difficult problem of caring for commercial sexual exploitation of children (CSEC) to Children and Family Services (CFS), a bureau of EHSD.

CFS started work on a protocol to establish a comprehensive system of care for victims of CSEC, a system that did not previously exist in the County (the “CSEC Protocol”). By October 2015, the CSEC Protocol was complete and submitted to the California State Department of Social Services. However, by March 2016, more than a year after the Coalition Summit, the CSEC Protocol was yet to be fully communicated throughout the County, much less implemented. Many of the interagency partners who are to assist in implementing the Protocol (particularly the police departments of the cities, victim advocates in the District Attorney’s (DA) Office and Juvenile Hall) were unaware of their

part in the Protocol and the role of the other agencies.

Until the Protocol is fully implemented, Contra Costa County still does not have a comprehensive system of care for victims of CSEC.

METHODOLOGY

In its 7-month investigation, the Grand Jury:

- Reviewed the pertinent legal statutes on human trafficking and CSEC, both California and Federal,
- Researched State and County documents and reports on the issue,
- Joined meetings of the Coalition for Zero Tolerance for Human Trafficking and the CSEC Steering Committee,
- Visited Juvenile Hall, the Family Justice Center and Calli House for discussions,
- Interviewed representatives and social workers at the Employment & Human Services (EHS) Department, including the Children & Family Services (CFS) bureau,
- Interviewed Probation Department personnel,
- Interviewed police officers from several cities, who worked directly on sex crimes, drugs, domestic violence and human trafficking,
- Interviewed personnel from non-governmental organizations (NGOs) dealing with sexual violence and CSEC victims,
- Interviewed victim advocates from various agencies.

BACKGROUND

Human trafficking exists in Contra Costa County as it does throughout the United States. It is today's version of slavery. Its victims are exploited due to their lack of resources and sophistication, and treated as commodities rather than as human beings.

Human trafficking exists in four forms:

- Labor trafficking,
- Adult sex trafficking,
- Commercial sexual exploitation of children (CSEC),
- Domestic servitude.

The citizens of Contra Costa County are living with this form of slavery hidden in their midst.

In 2012, California Attorney General Kamala Harris released her report - "The State of Human Trafficking in California" (the AG Report). In the AG Report, Ms. Harris states that human trafficking as a criminal business enterprise (\$32 billion globally) is second only to the drug trade in annual revenues. The AG Report's most important recommendation is that government agencies and the community should take a victim-centered approach in dealing with this crime.

Perhaps the most appalling category of human trafficking is the sexual exploitation of children. Children sexually exploited for commercial reasons cannot legally consent to sex and, therefore, are not willing prostitutes. Victims of CSEC are initiated into sexual slavery between 12 to 14 years old on average. The majority of these children are American citizens according to the County Coalition's Human Trafficking summit report. Typically, they are victims of physical abuse, sexual assault, and psychological and emotional manipulation by adults, i.e., the pimps and the johns. The trauma, stemming from months or years of sexual abuse and emotional manipulation is complex and extensive. For this reason, the County Coalition against Human Trafficking suggests County personnel (law enforcement and social workers) who interact with the CSEC children should be trauma-informed, i.e., properly trained and aware of the complex trauma that the children have undergone.

This Grand Jury report concentrates on the County's efforts to identify, rescue and care for these children and to restore to them a life that is safe, secure and productive.

DISCUSSION

Prior to the AG Report and the first County summit meeting in January 2015, the County had no formal plan or protocol to address CSEC.

County agencies began to develop that protocol by focusing on the applicable law. Section 236.1 of the California Penal Code addresses human trafficking (including CSEC). With respect to CSEC victims, it provides:

- *“Any person who causes, induces, or persuades a person who is a minor to engage in a commercial sex act is guilty of human trafficking.”*
- *“Consent by a victim of human trafficking who is a minor at the time of commission of the offense is not a defense to a criminal prosecution under this section.”*

The following two provisions on CSEC are set forth in the Welfare and Institutions Code:

- Section 300. *“... a child who is sexually trafficked as described in 236.1 of the Penal Code or who receives food and shelter in exchange for, or who is paid to perform sexual acts described in Section 236.1 or 11165.1 of the Penal Code, and whose parent or guardian failed to, or was unable to, protect the child... is within the jurisdiction of the juvenile court which may adjudge that person to be a **dependent child of the court**These children shall be known as commercially sexually exploited children.”* (Emphasis added.)
- Section 300.2 *“... the purpose of the provisions of this chapter relating to dependent children is to provide maximum safety and protection for children who are currently being physically, sexually, or emotionally abused, being neglected, or being exploited, and to ensure the safety, protection, and physical and emotional well-being of [such] children.”*

In January 2015, three years after the AG Report, the Contra Costa County District Attorney called for a summit on human trafficking. Chaired by a senior manager from EHSD, a multi-disciplinary coalition was formed called the Coalition for Zero Tolerance for Human Trafficking.

In June 2015, the Coalition Chair issued a memo to the Board of Supervisors stating that a comprehensive system of care for victims of CSEC does not exist in Contra Costa County. The memo also said that the best practice for care of victims of CSEC might be the Family Justice Centers in Richmond and Concord. These are multiservice centers – “one-stop-shops” – for victims of domestic violence.

Under state law, EHSD is designated as the lead agency for setting up a system of care for the victims of human trafficking in Contra Costa County. In March 2015, the Coalition tasked CFS, a division of EHSD, with organizing a CSEC Steering Committee.

The Committee was to prepare an interagency protocol (the “CSEC Protocol”) for the care of victims of CSEC in Contra Costa County.

In developing a protocol, the Committee acted in accordance with Welfare and Institutions (WIC) Code sections 16524.6– 16524.11, These WIC sections provide, in part:

- 16524.6 “...in order to adequately serve children who have been sexually exploited, it is necessary that counties develop and utilize a multidisciplinary approach to case management, service planning and provision of services.”
- 16524.6 “... that counties develop and utilize interagency protocols to ensure services are provided as needed to this population.”
- 16524.7. (a) (1) “There is hereby established the Commercially Sexually Exploited Children Program. This program shall be administered by the State Department of Social Services.”
- 16524.7. (a) (2) “The department, in consultation with the County Welfare Directors of California, shall develop an allocation methodology to distribute funding for the program. Funds allocated shall be utilized to cover expenditures related to the costs of implementing the program, prevention and intervention services, and training related to children who are victims of commercial sexual exploitation.”
- 16524.7. (a) (4) “Funds provided to the counties electing to participate in the program shall be used for prevention activities, intervention activities and services to children who are victims, or at risk of becoming victims, of commercial sexual exploitation.”
- 16524.7. (a) (4) (D) [A key mandate to the funding allocation is] “*hiring county staff trained and specialized to work with children who are victims of commercial sexual exploitation to support victims and their caregivers, and to provide case management interagency and cross-departmental response.*” (Emphasis added.)

In October 2015, the CSEC Steering Committee was renamed CSEC Protocol Oversight Committee. The Committee submitted the “Interagency Protocol for Serving Commercially Sexually Exploited Children in Contra Costa County” (the “CSEC Protocol”) to the State Department of Social Services. This move allowed the County to participate in California’s CSEC Program, thereby qualifying for funds to support victims of CSEC.

The State Department of Social Services initially released \$25,000 to the County for CSEC planning. In early 2016, the State then released \$277,628 as a Tier II grant for training and actual services for victims of CSEC. The State also earmarked \$82,107 as “Augmentation for Federal CSEC activities.”

The CSEC Protocol sets up the framework for collaboration and coordination among County agencies, cities and NGOs providing rescue, protection and care for victims of CSEC.

The Protocol states, in part:

- *“This Protocol has been created and adopted by the CSEC Protocol Oversight Committee.”*
- *“Contra Costa County Children & Family Services (CFS) will be responsible for providing leadership and staff support for the CSEC Protocol Oversight Committee.”*
- *“[The Committee, led by CFS,] will implement and oversee the Interagency Protocol.”*
- *“Additionally, the [interagency] partners will create protocols (within their own agencies or NGOs) to aid in the identification, assessment and delivery of services to CSEC youth in the community.”*
- *Mental Health, under County Health Department should “perform assessment of a CSEC victim’s mental health and recommend services.”*

The Protocol also contains a flow chart that shows the coordinated response for a victim of CSEC from the community, law enforcement and CFS. At all of the major decision points, referrals to CFS and hotline calls to CFS are the key initial action points. In essence, CFS is the proposed hub and navigator for care of victims of CSEC.

To date, over 200 CFS personnel have received basic training, a starting point for training staff to care for victims of CSEC. Additional training is necessary for the specialization of certain personnel to act as the “navigators” for the victims of CSEC within Child Welfare. This carries out the mandate of Section 16524.7 of the Welfare & Institutions Code, which requires *“hiring county staff trained and specialized to work with children who are victims of commercial sexual exploitation.”* (Emphasis added.)

Because Contra Costa County lacks foster parents with specialized training to handle victims of CSEC, social workers often must place these children in foster homes outside of the County. Although a concern and a cause of additional expense to the County, the benefit may be that it puts more distance between the victim of CSEC and his or her exploiters.

Training for law enforcement personnel (police officers and deputy sheriffs) in interviewing victims of CSEC needs to be more victim-centered and trauma-informed. Many officers do not have even basic CSEC training, only a short briefing on the

subject. This lack of training may contribute to the unwillingness of a majority of suspected victims of CSEC to name their pimp exploiters or to accept needed social services and mental health appraisal/therapy. These youths are usually distrustful of police. Estimates of cooperation by victims of CSEC are uniformly low. Such estimates run from a high of 2 out of 10, to 2 out of 100, with one estimate of “zero cooperation.” The non-cooperation behavior may also be due to the coercion and manipulation practiced by the children’s exploiters.

Perhaps indicative of the lack of CSEC training for law enforcement first responders, the DA’s Office has prosecuted fewer cases of CSEC pimps in 2015 than it has in previous years.

The current typical referral practice among law enforcement personnel (city police, the DA’s Office and Juvenile Hall) who encounter CSEC youth is to call in Community Violence Solutions (CVS), a non-government organization (NGO) specializing in domestic violence, sexual assault and trafficking victims. Although well regarded in its area of expertise, CVS has limited resources. Whether future referrals to CVS will continue remains unknown, since the new Protocol proposes that the hub of care for victims of CSEC should be CFS, not CVS.

Law enforcement also calls in the victim advocates from the DA’s Office. These advocates navigate victim assistance for the law enforcement community. Victim advocates respond first by keeping the victims of CSEC safe, usually within Juvenile Hall, and providing them with therapy, using non-Health Department therapists, who are paid for by victim compensation funds.

As a pragmatic measure, law enforcement sometimes books suspected victims of CSEC into Juvenile Hall under various statutes in the Welfare and Institutions Code dealing with crimes committed by youth. Such bookings allow authorities to keep victims of CSEC under protective custody, away from their exploiters. It also provides Probation and CVS time to assess the situation and to give these youth access to therapy and social services. However, Juvenile Hall rarely consults CFS social workers in these situations. Due to this lack of consultation with CFS, a non-criminal hold order for the child is seldom requested. Placing the child in Juvenile Hall on a criminal charge runs the risk of exposing the child to criminal behavior. Once in Juvenile Hall, most victims of CSEC are uncooperative and ultimately released back to their next of kin where they will likely walk back to their exploiters. Return of these children to an unsafe situation conflicts with the mandate of Section 300 of the Welfare & Institutions Code, which is *“to provide maximum safety and protection to children who are currently being physically, sexually, or emotionally abused.”*

Calli House, part of the Contra Costa Health Department’s Homeless Youth Services, is another facility, separate from Juvenile Hall and CVS, which is available for CSEC support services. Calli House provides temporary health, therapy and housing assistance to runaway minors in the County. Occasionally, upon request by CVS or CFS, it takes in suspected victims of CSEC who are not booked into Juvenile Hall. CFS

does not have an equivalent county-funded temporary housing facility for victims of CSEC.

The County lacks a centralized database covering all CSEC arrests, referrals and pending cases. Such data would be extremely valuable both in assisting law enforcement in tracking down the exploiters, as well as providing a broader and more complete picture of the victims of CSEC and treatment options with the highest chances of success. Some city police departments share CSEC data with the FBI and the DA's Office. Juvenile Hall shares resident data with CVS when called in to assist on suspected victims of CSEC. The DA's Office shares CSEC data with CVS, when utilizing the Children Interview Center for forensic interviews with suspected victims. CFS has its own CSEC data for its child welfare cases. However, such departmentalized data tracking is no substitute for a comprehensive and centralized database open to all agencies within the County.

FINDINGS

- F1 A comprehensive system of care for victims of CSEC still has not been fully implemented in Contra Costa County.
- F2 The County is now 15 months into developing and implementing this comprehensive system of care for victims of CSEC that it began developing in January 2015.
- F3 A CSEC Protocol, which provides a comprehensive system of care for victims of CSEC, was prepared under the leadership of CFS.
- F4 The CSEC Protocol provides the framework for cooperation and coordination among the County, its cities and NGOs.
- F5 The State Department of Social Services has released Contra Costa County's allocations of CSEC monies under the Commercially Sexually Exploited Children Program administered by the State Department of Social Services.
- F6 Many social workers in CFS, law enforcement, officers in Juvenile Hall and victim advocates in the DA's Office are not implementing the CSEC Protocol because they have not seen it.
- F7. CFS, the leader of the Oversight Committee, has not followed up with its interagency partners that have signed off on the Protocol, but have not submitted their own CSEC department plan/protocols to the Oversight Committee.
- F8 CFS lacks personnel who can act as the hub of all CSEC referrals from law enforcement by assessing the health, psychiatric and physical needs of victims of CSEC and who can navigate these services for them.
- F9. Suspected CSEC victims are being arrested and booked into Juvenile Hall for their own safety pursuant to various statutes under the Welfare & Institutions Code, relating to infractions and crimes committed by youth, while the County assesses the appropriate health and social services to provide.
- F10. The County has not provided funding to CFS for temporary housing facility for victims of CSEC.
- F11. No single database covering all CSEC-related arrests, referrals and pending cases exists in the County.
- F12. Due to the lack of a single database in the County covering all CSEC-related arrests, referrals and pending cases, the County does not know the number of victims of CSEC and where they are located.

- F13. County personnel and law enforcement dealing with victims of CSEC are well-meaning, compassionate and dedicated people trying to make the best of a very difficult situation.
- F14. Most County personnel and law enforcement dealing with victims of CSEC lack in-depth CSEC training, necessary facilities for temporarily accommodating the victims and a clear-cut plan of action, which lays out how to rescue, protect and serve the victims of CSEC in a manner that is caring and trauma-informed.

RECOMMENDATIONS

- R1 The Board of Supervisors should review the Interagency Protocol for Serving Commercially Sexually Exploited Children in Contra Costa County finalized in October 2015.
- R2 The Board of Supervisors, City Councils and Sheriff's Department should consider recommending that all CSEC interagency partners, as listed in the CSEC Protocol, in Contra Costa County adopt their own CSEC protocols and submit them to CFS for approval.
- R3 The Board of Supervisors should consider directing CFS, as the lead implementing bureau, to follow up on the required plans and protocols from the interagency partners, as listed in the CSEC Protocol, implementing the CSEC Protocol.
- R4 The Board of Supervisors should consider directing CFS to expand its CSEC Response Flow Chart to include all critical steps to be taken for the welfare of the child victim, including mental health evaluation by the Health Department and child Welfare hold requests by the social workers.
- R5 The Board of Supervisors should consider directing CFS to train or hire specialized CSEC personnel who will serve as points of primary referral and assist in navigating the services provided to victims of CSEC utilizing funds provided by the State Department of Social Services.
- R6 The Board of Supervisors should consider directing CFS to follow the model of the Family Justice Centers in assisting victims of CSEC navigate the multitude of available services.
- R7 The Board of Supervisors should consider seeking funds to acquire or lease a physical facility to temporarily house victims of CSEC, which would allow suspected victims of CSEC to be placed in a legal, non-criminal temporary hold, rather than having law enforcement book the child into Juvenile Hall with a criminal charge.
- R8 If the County secures funding to construct or lease a CFS physical facility, the Board of Supervisors should consider housing specialized CSEC navigators at the facility, similar to the model used by the Calli House.

R9 The Board of Supervisors, City Councils, and Sheriff's Department should consider recommending that all first responders (usually law enforcement) refer suspected victims of CSEC to specialized and dedicated CSEC personnel, to be established within CFS.

R10 The Board of Supervisors should direct CFS to formulate CSEC training programs, containing different emphases for different County departments, interacting with victims of CSEC.

R11 City Councils and Sheriff's Department should direct law enforcement to avail themselves of CSEC training programs formulated by CFS.

**BOARD OF SUPERVISORS RESPONSE TO
GRAND JURY REPORT NO. 1605:
CARING FOR THE VICTIMS—
COMMERCIAL SEXUAL EXPLOITATION
IN CONTRA COSTA COUNTY**

FINDINGS

F1. A comprehensive system of care for victims of CSEC still has not been fully implemented in Contra Costa County.

Response: Agree.

F2. The County is now 15 months into developing and implementing this comprehensive system of care for victims of CSEC that it began developing in January 2015.

Response: Agree.

F3. A CSEC Protocol, which provides a comprehensive system of care for victims of CSEC, was prepared under the leadership of CFS.

Response: Agree.

F4. The CSEC Protocol provides the framework for cooperation and coordination among the County, its cities and NGO's.

Response: Agree.

F5. The State Department of Social Services has released Contra Costa County's allocations of CSEC monies under the Commercially Sexually Exploited Children Program administered by the State Department of Social Services.

Response: Agree.

F6. Many social workers in CFS, law enforcement, officers in Juvenile Hall and victim advocates in the DA's office are not implementing the CSEC Protocol because they have not seen it.

Response: Disagree. The protocol Memorandum of Understanding among the partner agencies that addresses the requirements of Welfare and Institutions Code (WIC) 16524, includes protocols related to screening and identification, assessment, multi-disciplinary teaming, and data collection. Each required partner agency per WIC 16524 (Child Welfare, Mental Health, Public Health, Probation, Juvenile Court) has a copy of the protocol and are in the process of implementing the CSEC Protocol requirements.

F7. CFS, the leader of the Oversight Committee, has not followed up with its interagency partners that have signed off on the Protocol, but have not submitted their own CSEC department plan/protocols to the Oversight Committee.

Response: Disagree. The CSEC Protocol Steering Committee launched in March 2015 in order to develop the Interagency Protocol. It was submitted to the California Department of Social Services (CDSS) October 1, 2015 and approved in December 2015. The work of the restructured Steering Committee, now called Human Trafficking Protocol, Policy and Data Committee, is to follow up on the Protocol and make changes as needed. This committee has followed-up with interagency partners to help assist them in creating their own CSEC plans and protocols. However, there is no statutory requirement for interagency partners to submit their own CSEC plan or protocols to CFS.

**BOARD OF SUPERVISORS RESPONSE TO
GRAND JURY REPORT NO. 1605:
CARING FOR THE VICTIMS—
COMMERCIAL SEXUAL EXPLOITATION
IN CONTRA COSTA COUNTY**

F8. CFS lacks personnel who can act as the hub of all CSEC referrals from law enforcement by assessing the health, psychiatric and physical needs of victims of CSEC and who can navigate these services for them.

Response: Partially Disagree. CFS does not have a designated role as a “hub” as defined in this finding. Respondent agrees that CFS is the mandated agency to receive all child abuse referrals. CFS is required to run a 24 hour Child Abuse Hotline and receive all suspected child abuse referrals from Law Enforcement and other mandated reporters through the hotline. All suspected exploitation of children must be reported to the CFS hotline per Senate Bill 855 (Chapter, 29 Statutes of 2014).

F9. Suspected CSEC victims are being arrested and booked into Juvenile Hall for their own safety pursuant to various statues under the Welfare & Institutions Code, relating to infractions and crimes committed by Youth, while the County assesses the appropriate health and social services to provide.

Response: Disagree. The Juvenile Hall admits youth based on crimes committed as defined in the Penal Code. Some of those youth whose crimes meet the criteria for detention and/or commitment to Juvenile Hall programs, are also victims of commercial exploitation. Services are provided for youth who are victims of exploitation while they are detained or committed to the facility.

The County Probation Department is responsible for Wards booked on a criminal charge into the Juvenile Hall following arrest by local police agencies. There are occasions where Wards are booked into the Hall, initially on a criminal charge such as petty theft, while a criminal investigation is ongoing, and it is later determined that the Ward is a victim of commercial sexual exploitation. In many cases, the Hall (a locked facility) is the safest physical location for CSEC youth, who receive mental/physical health care services while in custody.

The County does not have authority to order placement of a Ward currently in custody, including CSEC youth, to outside facilities. Such placements are ordered by the Superior Court once the Ward’s case is adjudicated.

F10. The County has not provided funding to CFS for temporary housing facility for victims of CSEC.

Response: Agree.

F11. No single database covering all CSEC – related arrests, referrals and pending cases exists in the County.

Response: Agree.

F12. Due to the lack of a single database in the county covering all CSEC-related arrests, referrals and pending cases, the County does not know the number of victims of CSEC and where they are located.

Response: Agree. While the County and various agencies have their own specific, internal CSEC related data, this data is not amalgamated Countywide. The County has a snapshot of data available to it through Zero Tolerance’s management of a federal human trafficking grant (which collects human trafficking data from 5 partner agencies, but this is not representative of the entire County).

**BOARD OF SUPERVISORS RESPONSE TO
GRAND JURY REPORT NO. 1605:
CARING FOR THE VICTIMS—

F13. County personnel and law enforcement dealing with victims of CSEC are well-meaning, compassionate and dedicated people trying to make the best of a very difficult situation.

Response: Agree.

F14. Most County personnel and law enforcement dealing with victims of CSEC lack in-depth CSEC training, necessary facilities for temporarily accommodating the victims and a clear-cut plan of action, which lays out how to rescue, protect and serve the victims of CSEC in a manner that is caring and trauma-informed.

Response: Agree.

RECOMMENDATIONS

R1. The Board of Supervisors should review the Interagency Protocol for Serving Commercially Sexually Exploited Children in Contra Costa County finalized in October, 2015.

Response: The recommendation has not yet been implemented, but will be implemented in the future. A presentation will be planned to the Board of Supervisors for later in the calendar year.

R2. The Board of Supervisors, City Councils and Sheriff’s Department should consider recommending that all CSEC interagency partners, as listed in the CSEC Protocol, in Contra Costa County adopt their own CSEC protocols and submit them to CFS for approval.

Response: The recommendation will not be implemented because it is not warranted. The County agrees that interagency partners should develop their own CSEC protocols. However, we disagree that the CSEC Protocols should be submitted to CFS for approval. Partner agencies, such as city councils, should participate in the Zero Tolerance for Human Trafficking Coalition meetings and submit their protocols to the Human Trafficking Coalition Executive Team for inclusion in the Human Trafficking Operating Guidelines, which is a document that includes all entities involved in Human Trafficking countywide.

R3. The Board of Supervisors should consider directing CFS, as the lead implementing bureau, to follow up on the required plans and protocols from the interagency partners, as listed in the CSEC Protocol, implementing the CSEC Protocol.

Response: The recommendation will not be implemented because it is not warranted. This is the proper role of the Human Trafficking Policy, Planning and Data Committee and this Committee has the clear goal of implementing the Protocol and working with required WIC 16524 partner agencies to develop their own internal policies around CSEC.

R4. The Board of Supervisors should consider directing CFS to expand its CSEC Response flow Chart to include all critical steps to be taken for the welfare of the child victim, including mental health evaluation by the Health Department and child welfare hold requests by the social workers.

**BOARD OF SUPERVISORS RESPONSE TO
GRAND JURY REPORT NO. 1605:
CARING FOR THE VICTIMS—
COMMERCIAL SEXUAL EXPLOITATION
IN CONTRA COSTA COUNTY**

Response: The recommendation has not yet been implemented, but will be implemented in the future. The County agrees that the CSEC flow chart can be expanded to include other steps in CSEC response. The flow chart can be used to engage other departments and agencies to contribute and finalize protocols.

R5. The Board of Supervisors should consider directing CFS to train or hire specialized CSEC personnel who will serve as points of primary referral and assist in navigating the services provided to victims of CSEC utilizing funds provided by the State Department of Social Services.

Response: The recommendation will not be implemented because it is not warranted or is not reasonable. This is already a State requirement under WIC 16524 and has already occurred. No further mandate is required by the Board of Supervisors.

R6. The Board of Supervisors should consider directing CFS to follow the model of the Family Justice Centers in assisting victims of CSEC navigate the multitude of available services.

Response: The recommendation will not be implemented because it is not reasonable. The County agrees with the recommendation that assisting victims of CSEC to navigate the multitude of available services is crucial, but disagrees that the modality for ensuring this navigation should be CFS's creation of a Family Justice Center model. As required by legislation, CFS will utilize the Multi-Disciplinary Team (MDT) model to ensure service delivery. The MDT is a team that comes together to ensure a CSEC's needs are being addressed.

CFS is working closely with the Family Justice Centers to assist victims of CSEC. In addition, the Family Justice Centers are co-leading the Contra Costa County Human Trafficking Multi-Disciplinary Team meetings which include review of, and response to, CSEC/CFS cases. These meetings include numerous service providers and government agencies to ensure wrap-around services are available and accessible for survivors.

R7. The Board of Supervisors should consider seeking funds to acquire or lease a physical facility to temporarily house victims of CSEC, which would allow suspected victims of CSEC to be placed in a legal, non-criminal temporary hold, rather than having law enforcement book the child into Juvenile Hall with a criminal charge.

Response: The recommendation will not be implemented at this time. Currently, Federal and State funding for CSEC does not extend to leasing or developing a facility. Further, evidence-based practice has shown that congregate living for these youth is not the optimal choice, rather a therapeutic foster family based setting, or, reunification with stable family members produces the best outcomes. Youth involved in human trafficking activities often are very mobile and cross county lines, creating housing and treatment challenges which may best be met through a regional rather than a single-county approach.

R8. If the County secures funding to construct or lease a CFS physical facility, the Board of Supervisors should consider housing specialized CSEC navigators at the facility, similar to the model used by the Calli House.

Response: The recommendation will not be implemented because it is not warranted. Assistance with navigating the complex services system is and will continue to be provided through the MDT's.

R9. The Board of Supervisors, City Councils, and Sheriff's Department should consider recommending that all first responders (usually law enforcement) refer suspected victims of CSEC to specialized and dedicated CSEC personnel, to be established within CFS.

**BOARD OF SUPERVISORS RESPONSE TO
GRAND JURY REPORT NO. 1605:
CARING FOR THE VICTIMS—
COMMERCIAL SEXUAL EXPLOITATION
IN CONTRA COSTA COUNTY**

Response: The recommendation has been implemented. As stated in F8, CFS is required to run a 24 hour Child Abuse Hotline. Per current statute, all suspected exploitation of children must be reported to the CFS hotline.

R10. The Board of Supervisors should direct CFS to formulate CSEC training programs, containing different emphases for different County departments, interacting with victims of CSEC.

Response: The recommendation will not be implemented. CSEC training programs are necessary, however, this is not the CFS' responsibility. The Zero Tolerance for Human Trafficking Coalition has developed a standardized Human Trafficking 101 curriculum and training that has been offered countywide for over a year.

From: David Twa, County Administrator
Date: July 19, 2016

Subject: Resolution No. 2016/465 Western Council of Engineers Side Letter - Extension of Agreement and Wages

RECOMMENDATION(S):

ADOPT Resolution No. 2016/465, approving the side letter between Contra Costa County and Western Council of Engineers to add Section 5.1.A.6 through 5.1.A.8, General Wages and replace Section 47.4, Duration of Agreement, of the Memorandum of Understanding (MOU) between Contra Costa County and Western Council of Engineers.

FISCAL IMPACT:

The estimated cost of the contract extension is \$30,800 for FY 2016/17 for the additional 1% wage increase for eleven months, \$134,360 for FY 2017/18 (\$33,600 for the full year of 1% and \$100,760 for 3%) , and \$235,120 for FY 2018/19 (\$33,600 for the full year of 1%,and \$100,760 for 3% in 2017/18 and 2018/19).

BACKGROUND:

The County and Western Council of Engineers agree to add Section 5.1.A.6 through 5.1.A.8, General Wages and replace Section 47.4, Duration of Agreement, of the Memorandum of Understanding (MOU) between Contra Costa County and Western Council of Engineers:

- a. Effective August 1, 2016, increase the base rate of pay for all classifications represented by the Union by an additional one percent (1%), members received a three percent wage increase on July 1, 2016;
- b. Effective July 1, 2017, the base rate of pay for all classifications represented by the Union will be increased by three percent (3%);

**SIDE LETTER BETWEEN
CONTRA COSTA COUNTY AND WESTERN COUNCIL OF ENGINEERS**

This Side Letter is by and between the Western Council of Engineers ("WCE") and the County of Contra Costa ("County") and is effective on (Date), following approval of the Board of Supervisors.

The County and WCE agree to add Sections 5.1.A.6 through 5.1.A.8, General Wages and replace Section 47.4, Duration of Agreement, of the Memorandum of Understanding (MOU) between Contra Costa County and WCE (July 1, 2013 – June 30, 2017) as follows:

SECTION 5.1. – General Wages.

- A. 6. Effective the first of the month following ratification, the base rate of pay for all classifications represented by the Union will be increased by one percent (1%).

- 7. Effective July 1, 2017, the base rate of pay for all classifications represented by the Union will be increased by three percent (3%).

- 8. Effective July 1, 2018, the base rate of pay for all classifications represented by the Union will be increased by three percent (3%).

SECTION 47.4 – Duration of Agreement. This Agreement will continue in full force and effect from July 1, 2013 to and including June 30, 2019. Said Agreement shall automatically renew from year to year thereafter unless either party gives written notice to the other prior to sixty (60) days from the aforesaid termination date of its intention to amend, modify or terminate the Agreement.

The terms of this Side Letter will be incorporated into the next MOU between the County and WCE. Except as specifically amended or excluded by this Side Letter, all other terms and conditions of the MOU between Contra Costa County and Western Council of Engineers (July 1, 2013 – June 30, 2017) remain unchanged by this Side Letter.

Subject: Resolution No. 2016/466 - Deputy Sheriffs Association (DSA) Side Letter on Initial Assignment

RECOMMENDATION(S):

ADOPT Resolution No. 2016/466 approving the Side Letter between Contra Costa County and the Deputy Sheriffs Association regarding initial assignment.

FISCAL IMPACT:

The modification to initial staffing is an administrative change with no fiscal impact.

BACKGROUND:

The County and the Deputy Sheriffs Association (DSA) agree to modify Section 20.2.e of the Memorandum of Understanding (MOU) between Contra Costa County and the Deputy Sheriffs Association. In summary the modification allows newly hired Deputy Sheriffs to be assigned to the Patrol Division or the Custody Services Bureau based upon Academy Rank.

It has always been the goal of the Office of the Sheriff to ensure that all of our sworn officers are trained in all aspects of police work. The Sheriff's Department has experienced a unprecedented attrition rate the past few years, leaving the Department with a less-experienced workforce. As a result, a large percentage of our Deputy Sheriff workforce is currently fulfilling their initial 18-month assignment in the Custody Services Bureau, leaving

Initial Assignment and Detention Division Transfer Policy

This side letter is by and between the Deputy Sheriffs Association, Rank and File Unit ("DSA") and the County of Contra Costa ("County") and is effective on July 6, 2016, following approval by the Board of Supervisors.

This side letter amends the Memorandum of Understanding (MOU) between Contra Costa County and the Deputy Sheriffs Association Rank and File Unit, (July 1, 2016 – June 30, 2019) to supersede and replace subsection e.1 of Section 20.2 as follows:

Section 20.2 e. Detention Division Transfer Policy.

1. Initial Assignment and Detention Division Transfer Policy - Newly hired Deputy Sheriffs are assigned to the Patrol Division or the Custody Services Bureau based upon Academy Rank; Lateral new hires will be assigned at the Sheriff's discretion. A Deputy Sheriff assigned to the Custody Services Bureau may voluntarily request transfer to the Patrol Division. When there are no anticipated vacancies in the Patrol Division, the requesting Deputy Sheriff must have completed a minimum twenty-four (24) months in the Custody Services Bureau to be considered for transfer. Deputy Sheriffs initially assigned to the Patrol Division shall remain in the Patrol Division for a minimum of one year beyond the date of successful completion of the field training program, at which point they are subject to "reverse rotation" in accordance with paragraph 2 below.

All other terms and conditions of the MOU between Contra Costa County and DSA, Rank and File Unit (July 1, 2016 – June 30, 2019) remain unchanged by this Side Letter.

BACKGROUND:

In July 1947, Contra Costa County (County) received an Offer of Dedication (Dedication) of a roadway over a portion of Assessor's Parcel Numbers (APN's) 198-074-003 and 198-073-003, La Serena Court, Alamo area. The Dedication was included on the Map entitled "Alamo Villa Estates", filed in Map Book 33, Page 34, in the Office of the County Clerk-Recorder of the County of Contra Costa, State of California. La Serena Court was accepted as a County road by the Board of Supervisors on March 20, 1950 and recorded March 22, 1950.

The owners of APN's 198-074-003 and 198-073-003 have requested a vacation of a certain portion of excess County right of way that runs along their parcels be vacated.

CONSEQUENCE OF NEGATIVE ACTION:

IS EXEMPT FROM THE
CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)**

ACTIVITY No.: 0672-6Q1818, CP#16-21

ACTIVITY NAME: Vacation of a Portion of La Serena Court in Alamo

PREPARED BY: Alex Nattkemper

DATE: June 2, 2016

This activity is not subject to the California Environmental Quality Act (CEQA) pursuant to Article 5, Section 15061 (b) (3) of the CEQA Guidelines.

It can be seen with certainty that there is no possibility that the activity may have a significant adverse effect on the environment.

DESCRIPTION OF THE ACTIVITY:

The project consists of vacating a portion of Contra Costa County (County) right of way on La Serena Court, adjacent to Assessor's Parcel Numbers 198-074-003 and 198-073-003. The property contains an area of approximately 5,222 square feet of land. It has been determined that the County does not require this land for road purposes and can be conveyed to the adjacent property owners. Each property owner will get half of the vacated property to the center of the paper road and plans to install landscaping on their portion of land.

LOCATION: The project is located in the Alamo Villa Estates subdivision in the unincorporated community of Alamo (*Figures 1 – 4*).

IN THE MATTER OF approving the Parcel Map for minor subdivision MS13-0001, for project being developed by Melting Pot Communities Inc., as recommended by the Public Works Director, El Sobrante area. (District I)

WHERE AS, the following documents were presented for board approval this date:

The Parcel Map of minor subdivision MS13-0001, property located in the El Sobrante area, Supervisorial District I, said map having been certified by the proper officials.

Said document was accompanied by:

1. Letter from the County Tax Collector stating that there are no unpaid County taxes heretofore levied on the property included in said map and that the 2015-2016 tax lien has been paid in full and the 2016-2017 tax lien, which became a lien on the first day of January 2016, is estimated to be \$8,700.00.
2. Security to guarantee the payment of taxes, as required by Title 9 of the County Ordinance Code, in the form of a cash deposit, (Auditor's Deposit Permit No. DP713733, dated June 22, 2016) made by Melting Pot Communities Inc., in the amount: \$8,700.00, guaranteeing the payment of the estimated tax.

NOW, THEREFORE, BE IT RESOLVED:

1. That said subdivision, together with the provisions for its design and improvement, is DETERMINED to be consistent with the County's general and specific plans.
2. That said Parcel map is APPROVED and this Board does hereby accept subject to installation and acceptance of improvements on behalf of the public any of the streets, paths, or easements shown thereon as dedicated to public use.

provide revenues for the continued operation and maintenance of street lighting. In Fiscal Year 2015-2016 the basic service charge was \$14.94/year per equivalent dwelling unit for all land use types and will remain \$14.94/year per equivalent dwelling unit in Fiscal Year 2016-2017.

BACKGROUND:

On June 7, 2016, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2016/348 confirming the Fiscal Year 2016-2017 Tentative Annual Report on proposed service charges for CSA L-100. CSA L-100 provides street lighting services.

On July 1, 2016, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2016-2017. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision in order to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge in a Tentative Annual Report may be based only on changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that revisions to the Tentative Annual Report were required in order to conform to the official assessment roll. These included changes use code of parcels. The Tentative Annual Report as revised, attachment 1, is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2016/416 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2016-2017.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2016-2017 Final Annual Report is not adopted, service charges for CSA L-100 would not be levied or collected in Fiscal Year 2016-2017 and street lighting would have to be selectively eliminated throughout the County to meet decreased funding levels.

Public Works Department**

BACKGROUND INFORMATION

The Board of Supervisors, on October 31, 1978, instructed the Public Works Director to develop an alternate means to supplement ad valorem property taxes to fund street lighting in unincorporated County Service Areas. This report recommends the levying of a street lighting charge as provided in the County Service Area Law, Government Code, Sections 25210.1 and following, and in accordance with Ordinance No. 79-42, adopted by the Board of Supervisors on March 27, 1979.

County Service Area (CSA) L-100 was formed on September 10, 1986 as a dependent special district of the County and as the consolidation of four street lighting CSAs. The purpose for consolidating into one district was to provide more efficient and cost effective street lighting services throughout the County by having one new county service area with a single management structure and operational area throughout the County and in order to more equitably finance the cost of lighting services by a common service charge structure.

CSA L-100 provides street lighting operations and maintenance services throughout the County's unincorporated developed areas and pays for utility costs.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2016/348, on June 7, 2016, and conducted a Public Hearing in connection with the proceedings for CSA L-100.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's general taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. a description of each parcel of real property receiving the miscellaneous extended service;
2. the basic service charge;
3. the estimated amount of the service charge for each parcel for such year; and
4. a parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes the following additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services are spread to each individual parcel:

1. Estimate of Annual Cost; and
2. Method of Apportionment

Street Light Capital Project Implementation

In FY 2015-16 the Street Light Design Guidelines, Safety Lighting, Maintenance and Repair Practices was reviewed and updated. As of late 2015, Contra Costa County has completed the conversion of County-owned standard street lights from high pressure sodium vapor to light emitting diode (LED) lights. PG&E continues their LED conversion program and will change the remaining portion of PG&E-owned standard street lights to LED in West Contra Costa County in 2016.

In FY 2015-16, a Capital Improvement Plan (CIP) was prepared by W-Trans, CSA L-100 street light consultant. W-Trans concluded that the CSA funds will be needed when CSA L-100 facilities are to be replaced in the future. It further concluded that the current annual assessment collected per street light appears appropriate, and it is recommended that funds continue to be collected at the same levels.

**CSA L-100 Countywide Street Lighting Final Annual Report
Fiscal Year 2016-17**

In FY 2016-17, CSA L-100 plans to complete the recommended repairs and explore the technology upgrade options as indicated in the CIP. Additionally, CSA L-100 plans to explore the feasibility of converting decorative street lights from high pressure sodium vapor to LED lights.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2015-16 projected and Fiscal Year 2016-17 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and expenditures for CSA L-100. The total cost to provide the street lighting services can be recovered from the collection of service charges. Incidental expenses including administration, engineering fees, legal fees and all other costs associated with the street lighting services may also be included.

When CSA L-100 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed street lighting operations and maintenance services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996 California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

These new procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula (e.g., consumer price index increase or a predetermined cap) then the increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. The extended public services provided within CSA L-100 are deemed a special benefit and only serve the parcels located within the boundaries of the District. Without the services, the homes located in the unincorporated area would receive no street lighting. Therefore the services in CSA L-100 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The proper functioning of street lighting is imperative for the welfare and safety of the property owners throughout the County. Proper operation, maintenance, and servicing of a street lighting system benefits properties by providing increased illumination for ingress and egress, safety for traveling at night, improved security, protection of property and the reduction of traffic accidents.

The degree of benefit is determined by the use of each individual parcel, the intensity of illumination provided, the number of pedestrians generated and the enhanced security during hours of darkness. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor. The single-family residential parcel is considered one unit of benefit (1.00 EDU). All other land uses have been analyzed to determine a benefit they receive from the intensity of illumination provided, the number of pedestrians generated by their property and the enhanced security to their property during hours of darkness.

The single-family residential parcel has been selected as the basic unit for the calculation of assessment since it represents approximately 72% of the parcels within the County. Therefore the single-family residential parcel is defined as one Equivalent Dwelling Unit (EDU). The methodology used to assign EDUs to the land uses in proportion to the benefit they receive relative to the single family residential parcel is based on the intensity of the street lighting illumination adjacent to the parcel, the amount of pedestrian traffic generated from the parcel, and the security received from the street lighting to the parcel.

Resolution No. 2016/416

IN THE MATTER OF: Confirmation of Fiscal Year 2016-2017 Final Annual Report for County Service Area L-100 and levy of service charges (Countywide Street Lighting)

WHEREAS, the Board on June 7, 2016 adopted Resolution No. 2016/348, confirming the Fiscal Year 2016-2017 Tentative Annual Report for County Service Area (CSA) L-100. WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2016-2017 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2016-2017, pursuant to County Ordinance Code section 1012-2.612; and WHEREAS, the Board has reviewed and hereby modifies the Final Annual Report as follows: The Final Annual Report includes the Final Roll which lists all parcel changes to the Tentative Roll submitted in the Tentative Annual Report on June 7, 2016. The Final Roll shows the current lists of parcels with updated use codes.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2016-2017 Final Annual Report for CSA L-100, as modified, and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2016-2017.

FISCAL IMPACT:

The levy of the annual assessment charges in CSA M-30 will provide revenues for police services, park and roadside landscape maintenance, public street maintenance and street lighting services. The CSA M-30 annual total assessment was \$41,559.18 for Fiscal Year 2015-2016 and will be \$44,789.60 in Fiscal Year 2016-2017. This increase is based on a combination of 2% increase factor as outlined in the CSA M-30's formation document plus change in the San Francisco Bay Area - All Urban Consumers Price Index. The number of developed parcels increased from 39 to 40. The assessment charge per parcel for CSA M-30 was \$1,065.62 for Fiscal Year 2015-2016 and will be \$1,119.74 for Fiscal Year 2016-2017.

BACKGROUND:

The maximum service charge may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers plus two percent (2%).

On June 7, 2016, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2016/347 confirming the Fiscal Year 2016-2017 Tentative Annual Report on proposed assessment charges for CSA M-30. CSA M-30 provides police services, park and roadside landscape maintenance, public street maintenance and street lighting services.

On July 1, 2016, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2016-2017. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision in order to conform to the official assessment roll. Any change to an estimated basic assessment charge or estimated assessment charge in a Tentative Annual Report may be based only on changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2016/418 serves to confirm the Final Annual Report and constitutes the levy of the assessment charge for Fiscal Year 2016-2017.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2016-2017 Final Annual Report is not adopted, assessment charges for CSA M-30 would not be levied or collected in Fiscal Year 2016-2017. Therefore, CSA M-30 would be unable to provide police services, park and roadside landscape maintenance, public street maintenance and street lighting services and an alternate source of funding would have to be identified.

BACKGROUND INFORMATION

In August 1989, the Town of Danville (“Town”) and the County of Contra Costa (“County”) entered into a Memorandum of Agreement to undertake a joint-jurisdiction General Plan and project review for the Alamo Springs Project (“Project”), which is located north of Interstate 680 off of Alamo Springs Drive. The project provides for the development of 53 single family homes, of which 11 are located within the Town of Danville and 42 remain in the unincorporated portion of Contra Costa County. A map of the general location of this development is shown below:

After certification of an Environmental Impact Report (EIR) for the Project, the Board of Supervisors on December 8, and 15, 1992, approved the Project. The unincorporated area of the Project was simultaneously rezoned to a planned unit development. On January 23, 1996, the Town and County entered into a new Memorandum of Agreement, superseding the August 1989 Memorandum of Agreement, to establish procedures for joint review and approval of the project.

During the planning process, it was decided that the Town would provide extended services in the form of police, public street maintenance, park and roadside landscape maintenance to the

homes in the unincorporated area. Public Street lighting would be provided by Contra Costa County. It was decided that a benefit assessment or service charge collected on the property tax bills via a County Service Area was the best funding mechanism to pay for the increased services.

The services provided by CSA M-30 are:

1. **Police Services.** All of the police services provided to Town residents by Town police, including without limitation, community services, crime prevention, investigation, patrol, and traffic enforcement.
2. **Park and Roadside Landscape Service.** All of the park and roadside landscape services provided to Town residents including without limitation, maintenance of parks and other public facilities, such as the Danville Library and Community Center, and maintenance of all roadside and median landscaping.
3. **Public Street Maintenance.** All of the public street maintenance, including without limitation, repair and replacement of asphalt on public streets, crack sealing and other maintenance measures to protect and prolong the life of the public streets, repair and replacement of street signs, stop signs, etc.
4. **Street Lighting.** The operation, maintenance and servicing of public street lights and appurtenant facilities as required to provide safe lighting along public streets. This maintenance is provided by Contra Costa County.

On September 3, 1997, the Danville Town Council adopted Resolution No. 124-97, requesting that the Contra Costa County Local Agency Formation Commission (“LAFCO”) approve formation of County Service Area (CSA) M-30. On November 17, 1997, LAFCO approved the formation of CSA M-30.

On May 5, 1998 the Board of Supervisors conducted a public hearing and subsequently approved Resolution 1998/235 which authorized the annual levy of assessments on the parcels located within CSA M-30 to fund extended public services.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors will review the Tentative Annual Report in accordance with Resolution No. 2016/347, on June 7, 2016, and conduct a Public Hearing in connection with the proceedings for CSA M-30.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. a description of each parcel of real property receiving the miscellaneous extended service;
2. the basic service charge;
3. the estimated amount of the service charge for each parcel for such year; and
4. a parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes the following additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services are spread to each individual parcel:

1. Estimate of Annual Cost; and
2. Method of Apportionment.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2015-16 projected and Fiscal Year 2016-17 proposed revenues and expenditures are shown in below. A special fund has been set up for the collection of revenues and expenditures for CSA M-30. Incidental expenses including administration, engineering fees, legal fees and all other costs associated with the extended services may also be included.

When CSA M-30 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed services. This was based on the estimated expenses for each service component (police, parks and roadside landscape, street maintenance, and street lighting). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996 California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIII C and XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

These new procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula (e.g., consumer price index increase or a predetermined cap) then the increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. The extended public services provided within CSA M-30 are deemed a special benefit and only serve the parcels located within the boundaries of the District. Without the services, the 42 homes located in the unincorporated area would receive standard County police services, limited park and roadside landscape services, limited public street maintenance and no County public street lighting. Standard County police services are characterized by 1.1 officers per 1,000 residents, and traffic enforcement would be provided by the California Highway Patrol on an as requested basis. Therefore the services in CSA M-30 are 100% special benefit to the 42 parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Since the service charge is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. The 42 parcels of the Project that make up CSA M-30 are all designated for residential use. The projects CC&R's require that most parcels be developed with a main residential unit of at least 3,500 square feet. While the parcel sizes vary, they all have substantially the same size building pads. It is anticipated that homes built on these lots will be similar in size and that the size of families who live in these homes will be similar. For these reasons, the need for, and the use of each of the Services (miscellaneous police, park and roadside landscaping maintenance, public street maintenance and County public street lighting) will be substantially the same for each parcel. Therefore, the same service charge will be levied on each developed parcel within CSA M-30. In order for a parcel to be classified as developed, a building permit must be issued prior to April 30.

The methodology for calculating the service charge per parcel for each of the Services is similar.

In Fiscal Year 1997/98 the service charge per parcel was set at \$467.13 per parcel. To determine the cost per parcel, the total budget for providing service to the current total service area was divided by the total number of parcels or units within the current service area. Please refer to

***CSA M-30 Alamo Springs Final Annual Report
Fiscal Year 2016-2017***

Contra Costa County Resolution 1998-235 for a detailed report that includes the initial calculation of this service charge.

The maximum service charge may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for San Francisco-Oakland-San Jose plus two percent (2%). The base CPI index to be used for future calculations is April 1997 (159.6). Any change in the rate per developed parcel, which is the result of the change in the CPI shall not be deemed an increase in the service charge subject to the requirements of Proposition 218.

Rate

For Fiscal Year 2016-17 the allowed maximum rate is \$1,119.74 per developed parcel. This rate has been calculated as follows:

\$1,065.62 per developed parcel in Fiscal Year 2015-16
+3.02% CPI increase for FY 2016-17 = \$1,097.80
+2.00% increase for FY 2016-17 = \$1,119.74

In Fiscal Year 2016-17, it is recommended based upon projected expenditures, that the maximum rate of \$1,119.74 be collected. It is estimated \$44,789.60 in revenue will be needed to provide the services referenced above in Fiscal Year 2016-17. There are 40 parcels that have had a building permit issued. If you divide \$44,789.60 by 40 homes, the service charge per parcel is \$1,119.74.

FISCAL IMPACT:

The levy of the annual assessment charges in CSA M-31 will provide revenues for transportation demand management services. The CSA M-31 annual total assessment was \$280,686.48 for Fiscal Year 2015-2016 and will be \$289,138.74 in Fiscal Year 2016-2017. This increase is based on the change in the San Francisco Bay Area - All Urban Consumers Price Index. The assessment charges for CSA M-31 were \$64.14/developed residential unit and \$0.1129 per developed commercial square foot in Fiscal Year 2015-2016. The assessment charges for CSA M-31 will be \$66.07/developed residential unit and \$0.1163 per developed commercial square foot in Fiscal Year 2016-2017.

BACKGROUND:

The maximum assessment charges may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers.

On June 7, 2016, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2016/349 confirming the Fiscal Year 2016-2017 Tentative Annual Report on proposed assessment charges for CSA M-31. CSA M-31 provides transportation demand management services.

On July 1, 2016, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2016-2017. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision in order to conform to the official assessment roll. Any change to an estimated basic assessment charge or estimated assessment charge in a Tentative Annual Report may be based only on changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2016/419 serves to confirm the Final Annual Report and constitutes the levy of the assessment charge for Fiscal Year 2016-2017.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2016-2017 Final Annual Report is not adopted, assessment charges for CSA M-31 would not be levied or collected in Fiscal Year 2016-2017. Therefore, the District would be unable to provide transportation demand management services and an alternate source of funding would have to be identified.

Resolution No. 2016/419

IN THE MATTER OF: Confirmation of Fiscal Year 2016-2017 Final Annual Report for County Service Area M-31 and levy of assessment charges (Contra Costa Centre Transit Village)

WHEREAS, the Board on June 7, 2016 adopted Resolution No. 2016/349, confirming the Fiscal Year 2016-2017 Tentative Annual Report for County Service Area (CSA) M-31. WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2016-2017 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2016-2017, pursuant to County Ordinance Code section 1012-2.612; and WHEREAS, the Board has reviewed and finds no cause to modify the Final Annual Report.

The Board hereby CONFIRMS the Fiscal Year 2016-2017 Final Annual Report for CSA M-31 as presented and DECLARES that this Resolution constitutes the levy of the assessment charges therein for Fiscal Year 2016-2017.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

BACKGROUND INFORMATION

In 2002 it was recognized that the area commonly known as Contra Costa Centre Transit Village, in the unincorporated portion of Contra Costa County would be redeveloping. As part of this process the new development would create a need for transit services. Contra Costa Centre Transit Village is located east of Interstate 680. A map of the general location of this area is shown below.

The Contra Costa Centre Transit Village benefits residents and employees to have a variety of travel mode options. A core element of the travel mode options for residents and employees, and a key traffic mitigation measure in the California Environmental Quality Act (CEQA) documents certified at the time of adoption and amendment of the Contra Costa Centre Transit Village Specific Plan was the establishment of Transportation Demand Management (TDM) programs. TDM programs include carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc. The property owners within Contra Costa Centre Transit Village collectively had a mandate to achieve at least 30% TDM performance (i.e. 30% or more of the area employees arrive at work via something other than a single-occupied car).

The Contra Costa Centre Transit Village Association is the collective mechanism by which the developer/property owner's obligation for TDM programs is undertaken. The Contra Costa Centre Association is a private non-profit corporation whose membership consists of the property owners in the area. The Contra Costa Centre Transit Village has been in existence since the mid-1980s.

On April 23, 2002, the Board of Supervisors approved Resolution Nos. 2002/256 and 2002/257 which recommended to the Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) M-31, Contra Costa Centre Transit Village.

The property located within CSA M-31 receives a special and distinct benefit over and above the general benefits received by the public at-large in the form of extended transportation demand management services. These extended transportation services consist of the implementation of Transportation Demand Management programs as discussed in this report and in the Plan for Providing Services for CSA M-31 which is on file with LAFCO. Resolution 2002/256 further stated that CSA M-31 services should be supported by a benefit assessment or special tax levy on parcels that receive this special and distinct benefit from the CSA M-31 services.

On June 11, 2002 the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2002/362 which authorized the annual levy of benefit assessments on the parcels located within CSA M-31 to fund Transportation Demand Management programs.

On July 10, 2002, LAFCO conducted a public hearing and subsequently approved Resolution 02-19 which formed CSA M-31.

Each year since Fiscal Year 2002-03 benefit assessments or service charges have been levied within CSA M-31.

On June 3, 2008 by Resolution No. 2008/366 the Board of Supervisors approved the annexation of Subdivision 05-8950 (Pleasant Hill BART Redevelopment Property) into CSA M-31. This annexation was subsequently approved by LAFCO Resolution 08-19 on August 13, 2008.

The following is a list of programs and services that have been proposed to be funded in Fiscal Year 2016-17 by CSA M-31:

- 1) Transit Subsidy Program: Load on Clipper card \$70 value BART fare for \$35. Must pledge to take BART to work a minimum of three days per week.
 - 75 participants for eight months
- 2) Carpool Incentive Program: Provide two \$15 Chevron gas cards per carpool per month for eight months.
 - 25 participants for eight months
- 3) Bus Subsidy Program: Receive a \$60 value County Connection bus pass or reimbursement of other transit bus pass for \$30.
 - 20 participants for eight months
- 4) Bike/Walk to Work Incentive Program: Bike or walk to work at least three times per week for two months, a minimum of 12 times per month, and receive \$30 incentive.
 - 10 participants
- 5) Guaranteed Ride Home Program: This program is managed by Contra Costa Centre Transit Village. The program is an “insurance policy” against being stranded without a way to get home for commuters who take a commute alternative (carpool, vanpool, public transit, bicycle or walk) to work and have a qualified emergency which does not allow them to use the commute alternative to return home.

- 5) Transportation Survey: Program managed by Contra Costa Centre Transit Village. Program conducts a survey to the approximately 6,000 employees in the 13 buildings at the Transit Village.
- 6) Mid-Day Shuttle: The mid-day shuttle, a clean air natural gas shuttle, runs from 10:30 am – 2:10 pm, Monday through Friday, with stops at all Centre buildings and between the Contra Costa Centre Transit Village, the Countrywood Shopping Mall and Kohl's free of charge.
- 7) Green Fleet Program: The Contra Costa Centre Transit Village (CCCTV) provides employees with access to local vehicles (e.g. Segways, bicycles, electric bicycles, electric and hybrid cars) to use through the Contra Costa Centre Transit Village and vicinity during the workday. Employees are able to check-out vehicles online or electronically at various kiosk locations. Green Fleet program is free to CCCTV employees.
- 8) Marketing Plan: Contra Costa Centre Transit Village markets the program through newsletters, posters, brochures and promotional handouts. Additionally, they meet with employers and employees directly, and host events and transportation fairs to ensure Centre area workers are informed of the various commute alternatives, subsidies and incentives available to them through the Contra Costa Centre Transit Village Transportation Demand Management Program.

These TDM services may be amended annually, including the addition or deletion of the services as required to meet the 30% TDM performance goal as determined by Contra Costa County in consultation with the Contra Costa Centre Association or its successor.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been done as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors will review the Tentative Annual Report in accordance with Resolution No. 2016/349, on June 7, 2016, and conduct a Public Hearing in connection with the proceedings for CSA M-31.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. a description of each parcel of real property receiving the miscellaneous extended service;
2. the basic service charge;
3. the estimated amount of the service charge for each parcel for such year; and
4. a parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes the following additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services are spread to each individual parcel:

1. Estimate of Annual Cost; and
2. Method of Apportionment.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2015-16 projected and Fiscal Year 2016-17 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and expenditures for CSA M-31. The total cost to provide the TDM services can be recovered from the collection of service charges. Incidental expenses including administration, engineering fees, legal fees and all other costs associated with the TDM services may also be included.

When CSA M-31 was formed for the ongoing funding of the Contra Costa Centre Transit Village's Transportation Demand Management Program, a financial analysis was performed to provide the framework for an operating budget for the proposed extended transportation demand management services. This was based on the estimated expenses for each TDM service program component (carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc.). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996 California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

These new procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula (e.g., consumer price index increase or a predetermined cap) then the increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. The extended public services provided within CSA M-31 are deemed a special benefit and only serve the parcels located within the boundaries of the District; no TDM services will be provided to the general public. Without the services, the parcels located in the unincorporated area would receive no TDM services. Therefore the services in CSA M-31 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Developed Residential Property: Developed Residential Property consists of property which has had a residential building permit issued prior to April 30 and is classified by the County Assessor's office as single-family residential, multi-family residential, apartment, condominium, townhome, townhouse, co-op, cluster home or any other type of property which has been developed for residential use for which occupants live and occupy for extended periods of time. Developed Residential Property does not include hotel and motel use.

Developed Commercial Property: Developed Commercial Property consists of property which has had a commercial building permit issued prior to April 30 and is classified by the County Assessor's office as commercial property. Developed Commercial Property includes, but is not limited to, retail stores and shopping centers, office buildings, conference centers, hotels and motels, or any other type of property which has been developed for commercial use.

Exempt Property: Exempt property consists of property not classified as Developed Residential Property or Developed Commercial Property. However, Exempt Property does include property that had been previously classified as Developed Residential Property or Developed Commercial Property which has subsequently had the building structure located on the parcel demolished prior to April 30. This parcel would then remain as an Exempt Property until such time another building permit is issued prior to April 30 to reclassify the parcel as Developed Residential Property or Developed Commercial Property. Exempt Property also includes: parking lots, parking garages, roadways, open space and undeveloped property for which a building permit has not been issued prior to April 30.

The methodology for calculating the service charge per parcel for the Services is explained below.

Developed Residential Property - It is anticipated that not all of the TDM programs will be provided to the Developed Residential Property owners. The most viable programs to reduce the number of single occupied vehicular trips are the Shuttle Program in conjunction with the Marketing Program. The cost to provide these programs to the Developed Residential Property owners at build-out was estimated to be \$28,386.36 per year (in FY 2007-08 dollars). Since each residential unit is similar in size and receives the same degree of benefit from the residential TDM programs, each residential unit is charged an equal share of the Residential TDM program costs. It is anticipated that there will be 522 residential units at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual assessment was set at \$54.38 per residential unit.

Developed Commercial Property - It is anticipated that all TDM programs will be provided to the Developed Commercial Property owners. The cost to provide these TDM services to Developed Commercial Property owners at build-out was estimated to be \$238,121.84 per year (in FY 2007-08 dollars). For Developed Commercial Property the amount of building floor area directly correlates to the number of potential employees located on each parcel. These total floor area numbers are used to calculate the proportional special benefit received by each Developed Commercial Parcel within the District. Building floor area is defined by the gross square footage of the buildings exclusive of parking. The building square footage is shown on the Assessment List on the following page and serves as the basis for calculation of the annual assessments for Developed Commercial Property. It is anticipated that there will be 2,487,190 sq. ft. of commercial development at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual assessment rate per sq. ft. was set at \$0.0957 per sq. ft.

Assessment Rate

The maximum assessment rates may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose. The base CPI is June 2007 (216.123). Any change in the assessment rate, which is the result of the change in the CPI shall not be deemed an increase in the assessment subject to the requirements of Proposition 218.

For Fiscal Year 2016-17 the allowed maximum rate is shown below and has been calculated as follows:

The February 2016 CPI is 262.600; this is a 3.02% increase over the February 2015 CPI.

Developed Residential

\$64.14/residential unit in Fiscal Year 2015-16
+3.02% CPI increase for FY 2016-17 = \$66.07

Developed Commercial

\$0.1129/square foot in Fiscal Year 2015-16
+3.02% CPI increase for FY 2016-17 = \$0.1163

In Fiscal Year 2016-17, it is recommended based upon projected expenditures, that the maximum rate of \$66.07/residential unit and \$0.1163/square foot be collected. It is estimated \$289,138.74 in revenue will be needed to provide the services referenced above in Fiscal Year 2016-17.

Subject: ADOPT Resolution Confirming Fiscal Year 2016-2017 Final Annual Report on assessment charges in CSA T-1 & levying the assessment charges

RECOMMENDATION(S):

1. ACCEPT the filing of the Fiscal Year 2016-2017 Final Annual Report on assessment charges in County Service Area (CSA) T-1 (“Final Annual Report”), a copy of which is attached.
2. ADOPT Resolution No. 2016/420, confirming the Final Annual Report and levying the assessment charges set forth in the report.
3. DIRECT the Clerk of the Board to file certified copies of the Final Annual Report and Resolution No. 2016/420 with the County Auditor-Controller.
4. DIRECT the County Auditor-Controller to include the assessment charges on the assessment roll for Fiscal Year 2016-2017, the assessment charge for each parcel to appear as a separate item on the tax bill, pursuant to County Ordinance Code section 1012-2.614.

FISCAL IMPACT:

The levy of the annual assessment charges in CSA T-1 will provide revenues for public transit services. The CSA T-1 annual total assessment was \$439,030.20 for Fiscal Year 2015-2016 and will be \$474,336.34 in Fiscal Year 2016-2017. The increase is based on the San Francisco Bay Area - All Urban Consumers Price Index. The number of assessed parcels increased from 959 in Fiscal Year 2015-2016 to 1,032 in Fiscal Year 2016-2017. The assessment charge was \$396.66/developed equivalent dwelling unit in Fiscal Year 2015-2016 and will be \$408.62/developed equivalent dwelling unit in Fiscal Year 2016-2017.

BACKGROUND:

The maximum assessment may be adjusted annually to reflect 2% or the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers.

On June 7, 2016, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2016/346 confirming the Fiscal Year 2016-2017 Tentative Annual Report on proposed assessment charges for CSA T-1. CSA T-1 provides public transit services.

On July 1, 2016, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2016-2017. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision in order to conform to the official assessment roll. Any change to an estimated basic assessment charge or estimated assessment charge in a Tentative Annual Report may be based only on changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that revisions to the Tentative Annual Report were required in order to conform to the official assessment roll. These included changes in the use codes of parcels. The Tentative Annual Report as revised, attachment 1, is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2016/420 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2016-2017.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2016-2017 Final Annual Report is not adopted, service charges for CSA T-1 would not be levied or collected in Fiscal Year 2016-2017. Therefore, the CSA T-1 would be unable to provide public transit services and an alternate source of funding would have to be identified.

Resolution No. 2016/420

IN THE MATTER OF: Confirmation of Fiscal Year 2016-2017 Final Annual Report for County Service Area T-1 and levy of assessment charges (Public Transit)

WHEREAS, the Board on June 7, 2016 adopted Resolution No. 2016/346, confirming the Fiscal Year 2016-2017 Tentative Annual Report for County Service Area (CSA) T-1. WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2016-2017 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2016-2017, pursuant to County Ordinance Code section 1012-2.612; and WHEREAS, the Board has reviewed and hereby modifies the Final Report as follows: The Final Annual Report includes the Final Roll which lists all parcel changes to the Tentative Roll submitted in the Tentative Annual Report on June 7, 2016. The Final Roll shows the current lists of parcels with updated use codes.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2016-2017 Final Annual Report for CSA T-1 as modified and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2016-2017.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

BACKGROUND INFORMATION

In 2008 a development project commonly known as the Integrated Project (“Project”) was processed in the unincorporated area of Contra Costa County, just east of the Town of Danville. The project is also known as Alamo Creek/Intervening Properties Development and constitutes approximately 767 acres located south of Camino Tassajara between Hansen Lane and Finley Road. A map of the general location of this development is shown below:

Wilbur Smith Associates (WSA) completed a Transit Improvements Study of the Integrated Project in March 2005. The study acknowledged that a limited market for transit services and consequently a limited transit service is offered in the study area. The study concluded that a latent demand for transit could be satisfied if a regular commuter service were provided. Given the size of the Integrated Project and the workplace destination and commuting behavior of the adjacent census tracts as outlined by a census-based demographic analysis, a weekday rush-hour commuter service would provide the greatest benefit of transit services under consideration. Specifically, the report recommended that the proposed transit service include the Walnut Creek

Bay Area Rapid Transit (BART) station and Bishop Ranch business park as destinations. The desired level of service was based on an analysis of demand performed by WSA. Based on census information and a rider survey performed by BART in 1998, approximately 77 transit trips per day may be expected when the project development is completed. The transit trip total was calculated by WSA as follows:

- As presented in the final Environmental Impact Report (EIR) for the Integrated Project, 10,048 daily vehicle trips would be generated at the development;
- Assuming an average vehicle occupancy of 1.05 persons per vehicle and a 92.5% vehicle mode share (automobiles constitute 92.5% of transit trips to and from the households), 13,338 person trips would be generated daily by the development;
- Based on census information, 5.37% of commuter trips to and from adjacent census tracts used public transit (716 trips);
- Approximately 97% of public transit trips used rail (assumed to be exclusive to BART; 694 trips);
- Approximately 7% of BART riders at stations nearest to the project (Dublin/Pleasanton, Walnut Creek, Lafayette) used public transit to travel to and from the station (48 trips);
- Approximately 4% of transit-based commuter trips used bus service as the primary means of transportation (29 trips); and
- Total bus demand (77 trips) includes the sum of transit trips to BART stations (48 trips) and bus trips to work (29 trips).

On June 14, 2005, the Board of Supervisors approved Resolution No. 2005/357 which recommended to Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) T-1, Public Transit in the Danville Area.

The services provided by CSA T-1 are:

1. extended public transit services.
2. implementation of Transportation Demand Management programs as discussed in this report and in the Plan for Providing Services for CSA T-1 which is on file with LAFCO.

On September 14, 2005, LAFCO conducted a public hearing and subsequently approved Resolution 05-15 which formed CSA T-1.

On October 18, 2005 Resolution 2005/674 stated that the transit services should be supported by a benefit assessment on parcels that receive this special and distinct benefit.

On January 17, 2006 the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2006/21 which authorized the annual levy of assessments on the parcels located within CSA T-1 to fund extended public transit services.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors will review the Tentative Annual Report in accordance with Resolution No. 2016/346, on June 7, 2016, and conduct a Public Hearing in connection with the proceedings for CSA T-1.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. a description of each parcel of real property receiving the miscellaneous extended service;
2. the basic service charge;
3. the estimated amount of the service charge for each parcel for such year; and
4. a parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes the following additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services are spread to each individual parcel:

1. Estimate of Annual Cost;
2. Method of Apportionment; and

Transit Service Implementation

Two transportation studies were previously conducted to understand potential transit usage and travel patterns in CSA T-1. The transportation studies are Alamo Creek/Intervening Properties Transit Improvement Study by Wilbur Smith Associates (WSA) in 2005 and Transit Service Survey and Report for CSA T-1 Transit District by DKS Associates in 2010.

Based on these studies, the following transit service plan is to be implemented in three phases as summarized below:

1. Short – Term (completed in 2012): Community Outreach
The short-term strategy focused on community outreach to educate the residents about existing transportation options in Contra Costa County, and to seek their feedback. The community outreach program involved flyer preparation, flyer distribution, and resident

feedback. This outreach effort attempted to identify commuter destinations for potential vanpools, in advance of a vanpool/shuttle transit program.

2. Mid-Term (2013-2017): Vanpool/Shuttle Transit Program

Based on the feedback provided by the residents, the mid-term strategy would involve a vanpool and/or shuttle service since the market for a full scale fixed route Central Contra Costa Transit Authority (County Connection) bus is not warranted at this time.

CSA T-1's plan is to engage the residents to try public transit and build up the necessary public transit demand for a full scale fixed route bus. In response to CSA T-1's plan, County Connection agreed to provide a demand response, flexible shuttle for CSA T-1 residents during the commute hours. The service is free to the riders. The exact routes will be determined by demand. Riders must be traveling from or to CSA T-1. The service area is limited to the 1.5 mile corridor along Camino Tassajara (between CSA T-1 and I-680) and I-680 (between Walnut Creek and Pleasant Hill BART station). Riders contact County Connection to request and reserve services. Based on the demand, County Connection will determine the most efficient route for the shuttle. County Connection collects and provides ridership data. This service began on January 24, 2014. For 2014, about 16 riders per day used this service. This is the equivalent of removing approximating 32 peak hour and daily trips from local and regional roadways. For 2015, about 17 to 18 riders per day used this service. This is the equivalent of removing approximating 34 to 36 peak hour and daily trips from local and regional roadways. The riders mainly get picked up from their home in the CSA T-1 service area during the morning period and get picked up from the Walnut Creek BART station during the evening period. The average operating cost per passenger in 2015 was comparable to the average cost for County Connection's Paratransit (LINK) service. CSA T-1 observed the ridership has increased over time and more residents are utilizing the public transit service provided by CSA T-1. However, the ridership demand has not achieved the level that warrants, a full scale fixed route bus. CSA T-1 will continue this mid-term program to provide the shuttle service until there is enough public transit demand for a full scale fixed route bus. CSA T-1 has amended the service agreement with County Connection to continue the shuttle service.

In addition to County Connection's shuttle, CSA T-1 will also fund another service with the Measure J Traffic Congestion Relief Agency (TRAFFIX). TRAFFIX is a traffic congestion relief program implemented in 2009 and operated cooperatively by Contra Costa County, City of San Ramon, San Ramon Valley Unified School District, and Town of Danville to reduce traffic congestion caused by children being driven to and from school in the San Ramon area. As mentioned above, although the demand for a full scale fixed route County Connection bus is not warranted at this time, CSA T-1 recognized there is already a demand for school bus services. While awaiting for transit demand to increase, CSA T-1's interim plan is to participate in providing school bus services as an interim method to reduce congestion. TRAFFIX provided data indicating there are approximately 205 students residing within CSA T-1 who attend Monte Vista High School. TRAFFIX considers 50 students as a full bus. If approximately 25% of the eligible students participated, a bus would be full. It was anticipated that at least 50 students would participate; resulting in a full bus. This service began in the Fall of 2014 for the 2014/15 school year. TRAFFIX reported 70 passes were sold for both the

2014/15 and 2015/16 school years. This is equivalent of removing approximately 280 trips from the roadway each school day.

3. Long-Term Goal (2017 and beyond): County Connection Service

The long-term strategy would involve expanding the vanpool/shuttle service and providing full-scale County Connection bus service, if the existing service proves successful and more commuter transit demand is demonstrated. An approximate yearly operating cost of running a full-length bus service with County Connection is estimated to be \$204,000 per bus. This estimate is based on \$100 per hour for 8 hours a day during morning and evening peak commute hours for 255 days a year.

ESTIMATE OF ANNUAL COST

The FY 2015-16 projected and FY 2016-17 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and expenditures for CSA T-1. Incidental expenses including administration, engineering fees, legal fees and all other costs associated with the Public Transit services may be included.

When CSA T-1 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed transit service. This was based on the estimated expenses for continuing operations provided by WSA. In preparation of the budget, several factors were considered including:

- Level of Transit Service
- Phasing of Service
- Equal benefit (and equal assessment level) to residents based on projected resident population

In order to establish a reasonable reserve in the early years following formation of the CSA, revenues have been collected since FY 2006-07.

For Fiscal Year 2016-17, it is estimated there will be a surplus of funds. These funds are being set aside into Capital Reserves to purchase vehicles or fund a full-scale fixed route County Connection bus to provide the services to this area when applicable.

Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996 California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

These new procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula (e.g., consumer price index increase or a predetermined cap) then the increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. The extended public services provided within CSA T-1 are deemed a special benefit and only serve the parcels located within the boundaries of the District. Without the services, the homes located in the unincorporated area would not receive any transit services. Therefore the services in CSA T-1 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation, maintenance and servicing cost for Public Transit are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor.

Since the assessment is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total assessment costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

No commercial or industrial parcels are planned be included in within CSA T-1, therefore an assessment methodology has not been created for those uses.

The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single family residential parcel is shown below.

Developed Single Family Residential - The developed single family parcel has been selected as the basic unit for calculation of the benefit assessments. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are assessed one (**1.00**) EDU. In addition, those parcels that are designated as “vacant” single family residential per the Contra Costa County land use code, but have a building permit issued prior to April 30 are assessed one (1.00) EDU.

Developed Multiple Residential – The developed multi-family designation includes parcels designated as apartments, townhomes, and condominiums per the Contra Costa County land use code. Apartments are assessed a factor of **0.723270448** EDU per dwelling unit. For example, a parcel with a 100-unit apartment would be assessed 72.33 EDUs. Townhomes and condominiums are assessed a factor of **0.795597484** EDU per dwelling unit. In addition, those parcels that are designated as “vacant” multi-family residential per the Contra Costa County land use code, but have a building permit issued prior to April 30, are assessed on a per unit basis as shown above.

Exempt Property - Consists of property not classified as Developed Residential Property and includes: commercial, industrial, recreational and institutional property; parking lots; parking garages; roadways; open space and undeveloped property on which a building permit has not been issued prior to April 30. In addition, Senior Housing is classified as exempt. Residents of Senior Housing will be provided with separate shuttle service not included within the scope of the CSA.

In Fiscal Year 2006-07 the maximum annual assessment was set at \$318.00 per EDU. To determine the cost per parcel, the total budget for providing service to the current total service area was divided by the total number of EDU's within the service area. Please refer to Contra

Costa County Resolution 2006-21 for a detailed report that includes the initial calculation of this rate.

The maximum assessment rates may be adjusted annually to reflect 2% or the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose. The base CPI index to be used for future calculations is February 2006 (207.1). Any change in the assessment rate per EDU, which is the result of the change in the CPI shall not be deemed an increase in the assessment subject to the requirements of Proposition 218.

For Fiscal Year 2016-17 the allowed maximum rate is \$408.62/EDU. This rate has been calculated as follows:

The February 2016 CPI is 262.600; this is a 3.02% increase over the February 2015 CPI.

$$\begin{aligned} & \$396.66 \text{ per developed EDU in Fiscal Year 2015-16} \\ & +3.02\% \text{ increase for FY 2016-17} = \$408.62 \end{aligned}$$

In Fiscal Year 2016-17, it is recommended based upon projected expenditures, that the maximum rate of \$408.62 be collected. It is estimated \$474,334.76 in revenue will be needed to provide the services referenced above in Fiscal Year 2016-17. There are 1,160.82 EDUs that have had a building permit issued. If you divide \$474,334.76 by 1,160.82 EDUs, the service charge per parcel is \$408.62.

Resolution No. 2016/420

IN THE MATTER OF: Confirmation of Fiscal Year 2016-2017 Final Annual Report for County Service Area T-1 and levy of assessment charges (Public Transit)

WHEREAS, the Board on June 7, 2016 adopted Resolution No. 2016/346, confirming the Fiscal Year 2016-2017 Tentative Annual Report for County Service Area (CSA) T-1. WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2016-2017 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2016-2017, pursuant to County Ordinance Code section 1012-2.612; and WHEREAS, the Board has reviewed and hereby modifies the Final Report as follows: The Final Annual Report includes the Final Roll which lists all parcel changes to the Tentative Roll submitted in the Tentative Annual Report on June 7, 2016. The Final Roll shows the current lists of parcels with updated use codes.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2016-2017 Final Annual Report for CSA T-1 as modified and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2016-2017.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

Subject: ADOPT Resolution Confirming Fiscal Year 2016-2017 Final Annual Report in County Service Area M-28 and levying the service charges (Bethel Island)

RECOMMENDATION(S):

1. ACCEPT the filing of the Fiscal Year 2016-2017 Final Annual Report on service charges in County Service Area (CSA) M-28 (“Final Annual Report”), a copy of which is attached.
2. ADOPT Resolution No. 2016/434, confirming the Final Annual Report and levying the service charges set forth in the report.
3. DIRECT the Clerk of the Board to file certified copies of the Final Annual Report and Resolution No. 2016/434 with the County Auditor-Controller.
4. DIRECT the County Auditor-Controller to include the service charges on the tax roll for Fiscal Year 2016-2017, the service charge for each parcel to appear as a separate item on the tax bill, pursuant to County Ordinance Code section 1012-2.614.

FISCAL IMPACT:

The levy of the annual service charges in CSA M-28 will provide revenues for the continued operation and maintenance of a water supply system. The CSA M-28 annual service charge was \$94,265.28 for Fiscal Year 2015-2016 and will be \$97,109.03 in Fiscal Year 2016-2017. This increase is based on the San Francisco Bay Area - All Urban Consumers Price Index. The annual service charges for CSA M-28 will be levied on one parcel in Fiscal Year 2016-2017.

BACKGROUND:

Since 1991 the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers and the costs to operate and maintain the improvements increased, however the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased per parcel with an allowance for an adjustment each subsequent year based upon the Consumer Price Index (CPI) for All Urban Consumers.

On June 7, 2016, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2016/345 confirming the Fiscal Year 2016-2017 Tentative Annual Report on proposed service charges for CSA M-28. CSA M-28 provides continued operation and maintenance of a water supply system.

On July 1, 2016, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2016-2017. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision in order to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge in a Tentative Annual Report may be based only on changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2016/434 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2016-2017.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2016-2017 Final Annual Report is not adopted, service charges for CSA M-28 would not be levied or collected in Fiscal Year 2016-2017 and CSA M-28 would be unable to provide continued operation and maintenance of a water supply system and an alternate source of funding would have to be identified.

BACKGROUND INFORMATION

The Willow Mobile Home Park is located on Bethel Island and consists of 1 parcel (23 acres) that includes 172 mobile homes. In order for safe water services to be provided, it was recommended a CSA be formed.

On December 10, 1991 the Contra Costa Board of Supervisors approved County Resolution 91/807 which formed County Service Area (CSA) M-28 (Willow Mobile Home Park Water District). CSA M-28 was formed pursuant to the County Service Area Law to ensure the proper flow of funds for the ongoing operation, maintenance and servicing of extended community water system services within the Bethel Island Area.

CSA M-28 has been given the power to acquire, construct, operate, replace, maintain and repair a water supply and distribution system as authorized by California Government Code Section 25210.4(d) and 25120.4a(1). The funding for CSA M-28 comes from service charges which are obtained from the users of the water system, in accordance with former Government Code Section 25210.77a, Government Code Section 25210.9 and County Ordinance Section 1012-2.6.

CSA M-28 owns and operates a well and a reverse osmosis (RO) system. Water is pumped from a well and is treated through a RO system. The treated water is stored in a 20,000 gallon tank. From the tank, the water is supplied via a single point to the Willow Mobile Home Park.

In October 2014, a town hall meeting was held at the Willow Mobile Home Park to discuss the future of CSA M-28. The main issue discussed was that the current aging RO system is becoming more expensive to maintain and need of significant capital improvements. The cost of maintaining this system exceeds the annual assessment funding available. Without a major investment, it is anticipated that the RO system will fail eventually. Alternatives were introduced (status quo, increase service charge to pay for the necessary improvements, connect to Diablo Water District, and request State waiver for secondary standards). It appeared that the majority of the residents at the meeting preferred CSA M-28 to move toward reduction in service by requesting a waiver for secondary standards from the State. This alternative includes removing the RO system and providing the minimum allowable water treatment.

By removing the RO treatment, the water would only meet the primary standards and would meet most, but not all, of the secondary standards. CSA M-28 would seek a waiver from the State for the secondary standards. Of all the alternatives presented at the town hall meeting, reducing water treatment allows the rate to be the lowest. It will also allow each individual mobile home to decide what type of treatment they prefer. Whereas, maintaining a more expensive community treatment system, such as the RO, forces everyone to pay for the same level of treatment.

Subsequent to the town hall meeting, on December 16, 2014, the Board of Supervisors authorized a vote by the parcel owner. CSA M-28 requested the mobile park owner, the single rate payer to CSA M-28, to vote if he would be willing to pay for a higher rate to fix the existing RO system or reject the rate increase and move toward reduced services. The mobile home park owner informed the County that he took a survey of the mobile home park residents and his

***CSA M-28 Willow Mobile Home Park Water District Final Annual Report
Fiscal Year 2016-17***

survey indicated the mobile home park residents wanted him to vote against the rate increase. In early 2015, the mobile home park owner submitted his ballot and voted against a rate increase. On March 3, 2015, the ballot was opened and the Board determined that there was a majority protest against a rate increase and directed staff to seek a waiver from the State.

Based on the vote to reject the rate increase, CSA M-28 began the process to move toward reducing the water treatment service. As required by the regulations to obtain the waiver for secondary standards, CSA M-28 has contracted with a consultant to provide the necessary report.

Late 2015, during a staff visit to the CSA M-28's facility to perform a site review and obtain test samples, it was discovered that the RO was not operating. The previous operator had turned off the RO system without informing CSA M-28 staff. The site review revealed that the water from the well was bypassing the RO system. However, the previous operator did install a chlorine system. Although the water had not gone through the RO system, the water did receive treatment. This revised system is similar to CSA M-28's proposal to the State to replace the RO system.

Despite the fact that the revised system is similar to what the CSA M-28 staff plan to present to the State, the unilateral decision to make the changes and lack of communication by the previous operator were not acceptable to CSA M-28. CSA M-28 staff directed test samples to be taken by the consultant to make sure the water complied with the primary standards. It was anticipated that the water would because historically the raw water from the well has. This is the reason why a reduced service was a viable option being considered 2014 when the County met with the residents. The consultant reported that the water under the revised system complied with the primary standards. CSA M-28 staff also replaced the operator. Lastly, CSA M-28 staff communicated with County Environmental Health, the regulatory agency, of the discovery and the actions taken.

Changes at CSA M-28 have resulted in a new system operator and movement toward the same goals as discussed at the town hall meeting:

- 1) obtain waiver from regulatory agency,
- 2) reduce the level of community water treatment, and
- 3) allow each resident to establish the appropriate system at their own mobile home.

In Fiscal Year 2015-2016, CSA M-28 made improvements to the aging system and infrastructure. Some of the improvements completed included the upgrade of the auto-dialer alarm system, installation of a flow-based chlorine injection pump system, and installation of new wiring to the well pump. CSA M-28 also plans to replace the existing well pump and upgrade its emergency response options by entering into an agreement with a nearby water district and contract with a water delivery (hauling company) to supply water to the Willow Mobile Home Park during emergency events.

A map of the general location of CSA M-28 is shown on the next page:

Fiscal Year 2016-17*

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors will review the Tentative Annual Report in accordance with Resolution No. 2016/345, on June 7, 2016, and conduct a Public Hearing in connection with the proceedings for CSA M-28.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. a description of each parcel of real property receiving the miscellaneous extended service;
2. the basic service charge;
3. the estimated amount of the service charge for each parcel for such year; and
4. a parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes the following additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services are spread to each individual parcel:

1. Estimate of Annual Cost; and
2. Method of Apportionment.

ESTIMATE OF ANNUAL COST

A special fund has been set up for the collection of revenues and expenditures for CSA M-28. The total cost of construction, operation, and maintenance and servicing of the water system can be recovered from the collection of charges. Incidental expenses including administration, engineering fees, legal fees and all other costs associated with the construction, operation and maintenance and servicing of the water system may also be included.

When CSA M-28 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed operation, maintenance and servicing of extended community water system services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

In Fiscal Year 2016-2017, CSA M-28 plans to continue the efforts to obtain the waiver from the State. Obtaining the waiver from the State is a significant effort that may include taking additional water samples, analyzing additional alternatives, compiling additional survey data, meeting with the State, etc. All the information gathered will be documented in an engineer report and presented to the State. CSA M-28 also plans to purchase a spare booster pump and upgrade the power controller box and breaker switches.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996 California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

These new procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula (e.g., consumer price index increase or a predetermined cap) then the increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received

**CSA M-28 Willow Mobile Home Park Water District Final Annual Report
Fiscal Year 2016-17**

by the public at large. The extended public services provided within CSA M-28 are deemed a special benefit and only serve the parcels located within the boundaries of the District. Without the services, the parcel located in the unincorporated area would not receive water services. Therefore the services in CSA M-28 are 100% special benefit to the parcel within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The maximum charge rate was previously set at \$75,300 per parcel (1991 dollars). Since 1991 the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers and the costs to operate and maintain the improvements increased, however the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased to \$79,818 per parcel with an allowance for an increase each subsequent year based upon the San Francisco Bay Area – All Urban Consumers as of April 2007 (215.842).

Due to an aging system, the cost of operating and maintaining water facilities continues to increase. It was proposed in Fiscal Year 2010-11 that the charge rate be increased to \$95,500 per parcel (8.5% increase). However, this increase was not supported by the property owner, and therefore the 8.5% increase was not imposed.

The cost of operating and maintaining water facilities continues to increase, due to an aging system. It was proposed in Fiscal Year 2014-15 that the charge rate be increased from \$91,937 to \$335,939 per parcel. However, this increase was not supported by the property owner, and therefore the increase was not imposed.

Rate

The February 2016 CPI Index is 262.6, therefore the maximum rate for Fiscal Year 2016-2017 can be increased 3.02% to \$97,109.03 per parcel. It is proposed to levy charges at the maximum rate for Fiscal Year 2016-2017.

In Fiscal Year 2016-17, it is recommended based upon projected expenditures, that the maximum rate of \$97,109.03 per parcel be collected. It is estimated \$97,109.03 in revenue will be needed to provide the services referenced above in Fiscal Year 2016-17. There is one parcel that is included in the CSA. If you divide \$97,109.03 by one (1) parcel, the service charge per parcel is \$97,109.03.

SERVICE CHARGE ROLL

A list, which shows those parcels to be charged for Fiscal Year 2016-2017, including a description of each parcel to be charged is shown below.

Resolution No. 2016/434

IN THE MATTER OF: Confirmation of Fiscal Year 2016-2017 Final Annual Report for County Service Area M-28 and levy of service charges (Willow Mobile Home Park Water District)

WHEREAS, the Board on June 7, 2016 adopted Resolution No. 2016/345, confirming the Fiscal Year 2016-2017 Tentative Annual Report for County Service Area (CSA) M-28. WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2016-2017 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2016-2017, pursuant to County Ordinance Code section 1012-2.612; and WHEREAS, the Board has reviewed and finds no cause to modify the Final Annual Report.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2016-2017 Final Annual Report for CSA M-28 as presented and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2016-2017.

FISCAL IMPACT:

100% Capital Improvement Fund LL-2, Zone 61

BACKGROUND:

Special Districts staff met with the Town of Discovery Bay Community Service District, in response to the community's interest and desire to increase recreational opportunities for its residents. After holding a public meeting on what types of projects would best meet the needs of the community, it was determined that permanent shade structures would provide residents with increased outdoor opportunities.

Slifer Park's picnic areas are regularly frequented by local residents for parties, BBQ's and other social gatherings. During the warmer weather, the bordering elementary school also uses these areas for group trips to the park and lunches. With the extreme temperatures that Discovery Bay experiences in the summer months, it is important to offer residents and visitors shaded areas where they can be protected from the dangers of over-exposure to the sun. Currently these areas have no available shade.

The improvements include selective site clearing for new concrete pads, excavation and grading, turf repair, protection and maintenance of existing plants, irrigation, utilities and miscellaneous improvements, installation of electrical lines for outlets at shade structures, installation of concrete pads, demolition of existing BBQs, installation of new BBQs, decomposed granite repair, removal of existing concrete paving, and installation of shade structure with stone veneer bases and concrete footings.

Plans and specifications for the project have been prepared for the Public Works Department by Jett Landscape Architecture & Design and filed with the Clerk of the Board by the Public Works Director. The construction cost estimate is \$168,000.00 and the general prevailing wage rates are on file with the Clerk of the Board of Supervisors and will be the minimum rates paid on this project.

The Board found this project is a California Environmental Quality Act (CEQA), Class 3(e) Categorical Exemption, pursuant to Article 19, Section 15303(e) of the CEQA Guideline during the May 22, 2013 board meeting.

CONSEQUENCE OF NEGATIVE ACTION:

If the project is not approved, the funds would be diverted to another agency project and this project would not be constructed.

RECOMMENDATION(S):

ADOPT Resolution No. 2016/459 approving the application to the California Department of Fish and Wildlife (CDFW) to obtain Proposition 1 (Water Quality, Supply, and Infrastructure Improvement Act of 2014) Grant Funds, as recommended by the Chief Engineer, Flood Control and Water Conservation District, Martinez/Pacheco area.

FISCAL IMPACT:

If approved, the Contra Costa County Flood Control and Water Conservation District (FC District) would provide 50% matching funding for the project (\$537,000) in Flood Control Zone 3B funds.

BACKGROUND:

The FC District owns and manages both Walnut Creek and Pacheco Creek, which were channelized by the Corps of Engineers in the 1960s. At the FC District's request, Congress recently removed four miles of these creeks from the Corps' system and returned them to local control. The FC District is currently conducting a community-based planning process that seeks to develop a project that can work more with nature to transform Lower Walnut Creek into a more sustainable system.

high-quality grant proposals for multi-benefit ecosystem restoration and protection projects that meet the priorities of: more reliable water supplies, the restoration of important species and habitat, and a more resilient, sustainably managed water resources system (e.g., water supply, water quality, flood protection, and environment) that can better withstand inevitable and unforeseen pressures in the coming decades. These grant funds are available for water quality, river, and watershed protection and restoration projects of statewide importance outside of the Delta. Funding shall only be used for projects that will provide fisheries or ecosystem benefits or improvements.

The Lower Walnut Creek Restoration Project is a good match for the goals of the CDFW Proposition 1 Grant, thus the District recommends applying for this funding.

CONSEQUENCE OF NEGATIVE ACTION:

Without the Board of Supervisors' approval, the FC District will not be able to apply to the state for the CDFW grant program.

BACKGROUND:

License Requirements; FAA Requirements

In July 2015, the County entered into a license agreement with OverWatch Flight & Conditioning, dba OverWatch F/C (“Tenant”), which permits the Tenant to use a hangar and office space at Buchanan Field Airport to operate a business devoted to flight education and training, with a limited fitness component. Under the terms of the license agreement, the hangar may only be used for a purpose that the Federal Aviation Administration (FAA) would deem to be an aeronautical use, i.e., activities that involve or are directly related to the operation of an aircraft. These requirements are intended to ensure that the Airport remains in compliance with requirements imposed on the County by the FAA.

The FAA provides financial assistance, including grants, to general aviation airports like Buchanan Field Airport. As a recipient of FAA grants, the County must comply with FAA requirements known as grant assurances. If the County fails to comply with the grant assurances, the County is at risk of being denied future grants from the FAA and of having to repay grants it has already received.

One grant assurance limits non-aeronautical use of hangars. Non-aeronautical use of a hangar is allowed only if there is no current aviation need and the proposed use is (i) a short-term occupancy, (ii) the occupant pays the market rate for a non-aeronautical use, and (iii) the occupant is required to vacate the premises if an aeronautical user expresses an interest in using the hangar.

Evidence of Fitness Business

County staff has concluded that Tenant’s use of the hangar does not comply with the terms of the license or the FAA requirements. The evidence shows that the Tenant is operating a fitness business rather than a flight school. The Tenant pays \$3,010 in rent per month. County staff estimates the market rate for a non-aeronautical business at the hangar to be \$6,729 per month.

The license requires the Tenant to submit quarterly reports detailing its aeronautical use of the hangar. The reports must identify the number of students enrolled in the program, the students’ progress toward achieving meaningful milestones, students’ hours for ground school, flight training and fitness services, students’ expected completion of ground school and/or obtaining a pilot license, and the like. The Airport received the second quarterly report on January 11, 2016, the third on April 10, 2016, and the fourth on July 8, 2016.

The reports and other evidence do not support the Tenant’s claim that the hangar is used primarily for flight education and training, as discussed below:

- o The hangar is equipped mostly with fitness equipment. Photos of the interior of the hangar, taken on May 24 and 25, 2016, by County staff performing a site visit to address a water leak reported by the Tenant, are attached to this board order. Those photos show mostly fitness equipment and very little aeronautical equipment. In contrast are the interiors of the two hangars operated by the other flight training schools on the Airport. Those two photos, taken May 25, 2016, show what County staff would expect to see in a hangar that is being used for aeronautical purposes.

- o Fitness training appears to be the primary activity at the hangar. County airport operations staff is able to observe activities at the Tenant’s hangar and on the airfield ramp daily. County staff reports that ninety-nine percent of the time the activity they have observed is fitness training. In the last twelve months, County staff has observed limited use of the Tenant’s aircraft.

- o Most of Tenant’s customers get flight training from other providers. The Tenant reported that seven of its customers have passed the written portion of the FAA’s licensing exam. However, in the fourth quarterly

report, the Tenant acknowledges that two of those students completed the ground school with another company. In addition, two of the remaining students appear to attend a flight training school operated by another Airport tenant: Sterling Flight Academy (the students' 'first solo flight' jerseys are hanging on the wall at Sterling's Flight school to commemorate their first flight).

- o The Tenant seldom uses the aircraft that is onsite. According to supplemental information provided by the Tenant on June 6, 2016, the onsite aircraft (a Cessna 140), which the Tenant is required to use for flight instruction, has been used for flight instruction by two students, on six occasions, over a three-month period. Both of the individuals identified as students are already pilots. In fact, one owns the aircraft. Furthermore, there is no evidence that (i) the hangar licensed to the Tenant is being actively used for flight education and training, or (ii) that the Tenant is conducting any flight education or training directly. The information provided by the Tenant shows that Tenant uses Sterling's aircraft, flight and ground school instructors, and flight simulator, to the extent Tenant provides flight education and training.

- o The ratio of students to flight instructors and to rental aircraft reported by the Tenant is higher than the ratios reported by other flight schools on the airfield. The Tenant reports a ratio of 56 students to 2 instructors and 1 aircraft. Sterling Aviation reports a ratio of 20 students to 12 instructors and 4 aircraft. PSA reports a ratio of 60 students to 17 instructors and 14 aircraft.

- o The Tenant's reported ground and flight training results do not meet industry norms. According to staff of the other two flight training schools on the Airport, a person is actively pursuing ground or flight training if that person completes ground training in three months or has flight training at least twice a week. Using these benchmarks, approximately 68% of the Tenant's customers are not actively pursuing ground or flight training, based on reports received from the Tenant. Instead, the Tenant's fourth quarterly report shows that the training received by 42 of its 61 students (i.e., 68%), consists of having taken 20-minute safety quizzes at the beginning of a fitness session. These quizzes are not a standard or recognized part of flight education or training, and are not described in the course outline or training manual that the Tenant provided to the County. Furthermore, the number of hours customers engage in fitness appears to be disproportionate to the number of quizzes taken. For example, one customer had 103 total fitness hours for the year but completed only three fitness quizzes. The quizzes do not show that all of the Tenant's customers are actively engaged in ground school or flight training to obtain a pilot's license. One individual identified by the Tenant (on the FlightCircle.com detail in the June 6 report) as one of its flight instructors, when contacted by Airport staff, advised that he has never heard of the Tenant and that he, in fact, works for another flight school.

To date, County staff has received no evidence to verify that the hangar is being primarily used for its designated aeronautical purpose.

On March 16, 2016, the Board considered staff's recommendation that the County terminate the license. At that meeting, the Tenant addressed the Board and indicated that it needed more time to demonstrate that it is conducting a flight education and training business at the hangar. In response, the Board agreed to give the Tenant until July 2016 to demonstrate compliance with the license requirements.

As discussed above, the Tenant has failed to demonstrate to County staff's satisfaction that the hangar is used primarily for aeronautical purposes that comply with the terms of the license and with the FAA grant assurances.

The license has been in effect for approximately one year, but the Tenant has not established a flight and ground school. For the above reasons, County staff recommends that the license be terminated. Under the license agreement, the County may terminate the license "at any time, for any reason, or for no reason, with or without cause, on fourteen (14) days written notice." Once the license is terminated, the Tenant may elect to quit the hangar or to enter into a new license that is based on market rates. In accordance with FAA requirements, if the Tenant elects to enter into a new license, the license agreement would give the County the right to terminate the

license if another party wants to use the hangar for an aeronautical purpose.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to terminate OverWatch F/C's occupancy could result in noncompliance with FAA requirements, which could put future FAA grant funding at risk and diminish the hangar space available to the County's aviation community.

Subject: Resignation Government Seat 1 to the Contra Costa Council on Homelessness

RECOMMENDATION(S):

ACCEPT the resignation of Kevin Corrigan, DECLARE vacant Government Seat 1 on the Contra Costa Council on Homelessness, and DIRECT the Clerk of the Board to post the vacancy, as recommended by the County Administrator.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

The Contra Costa Council on Homelessness (CoH) was established on March 11, 2008, combining the efforts of the Contra Costa County Homeless Continuum of Care Board and the Homeless Inter-Jurisdictional Inter-Departmental Work Group. CoH is charged with providing a forum for communication and coordination about the overall implementation of the Ten Year Plan to End Homelessness and providing advice and input on the operations of homeless services. CCICH meets on a regular basis to discuss issues surrounding homelessness throughout the County and is made up of representatives from city and county government, health care, law enforcement, service providers and consumers.

The Council membership includes two seats representing County government. Seat #1 is appointed by the County Administrator.

Subject: Revenue Adjustment for Unanticipated Revenue and Appropriation for Estimated Expenditures in Various Special District Funds for Fiscal Year 2015/16.

RECOMMENDATION(S):

APPROVE Fiscal Year 2015/16 Appropriation and Revenue Adjustment No. 5081 and AUTHORIZE new revenue in Special District CSA M-23 Blackhawk, Fund 249600, for property tax and assessment fees in the amount of \$70,000 and CSA R-4 Moraga, Fund 275100, for property tax and assessment fees in the amount of \$1,929, as recommended by the Public Works Director.

FISCAL IMPACT:

This action provides additional appropriations from unanticipated realized revenues in Special District Funds and budgets for expenditures for Fiscal Year 2015/16 (97.3% CSA M-23 Blackhawk and 2.7% CSA R-4 Moraga).

BACKGROUND:

This action appropriates unanticipated Fiscal Year 2015/16 revenue and provides adjustments to Special District Funds for estimated expenditures.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, expenditures will exceed current budgets in Special District Funds.

RECOMMENDATION(S):

APPROVE Appropriation Adjustment No. 5084 and AUTHORIZE the transfer of \$1,176 from Health Services - Mental Health (0467), \$460,000 from Auditor-Controllers - Administration (0010), \$198,241 from Public Works Administration (0650), to Plant Acquisitions - General Fund (0111) and adjust current appropriations within the Plant Acquisition-General Fund (0111) for capital improvement projects at various County facilities, as recommended by the Public Works Director, Countywide.

FISCAL IMPACT:

100% General Fund.

BACKGROUND:

The County entered into a long-term lease agreement for space at 1430 Willow Pass Road for the Health Services Department. In order to fully utilize the space, tenant improvements were necessary for these areas. Additional funding is needed to cover expenditures related to the tenant improvements, cost is \$1,176. The Auditor-Controller office space located at 625 Court Street is undergoing a renovation to better utilize the existing space for their operating needs, estimated cost is \$460,000. BACKGROUND: (CONT'D)

SUBJECT

Protection of victims of domestic violence, sexual assault, or stalking, and reproductive health care service providers: address confidentiality

DESCRIPTION

This bill would standardize the confidentiality protections for Safe at Home (SAH) program participants, regardless of whether their participation is based on their status as victims of domestic violence, stalking, or sexual assault, or on their status as a patient, employee, or volunteer at a reproductive health care clinic; and would require the Secretary of State (SOS) to provide SAH enrollees with information about how to protect their privacy on real property records.

BACKGROUND

With the passage of SB 489 (Alpert, Ch. 1005, Stats. 1998), the Legislature established the SAH within the Office of the Secretary of State (SOS) to allow victims of domestic violence to apply for a substitute address to be used in public records in order to prevent their assailants, or potential assailants, from finding their work or home address. Through subsequent legislation, the program has been expanded to include victims of sexual assault, stalking, elder abuse, and reproductive health care service providers, employees, volunteers, and patients. (See SB 1318 (Alpert, Ch. 562, Stats. 2000), AB 205 (Leach, Ch. 33, Stats. of 2000), AB 797 (Shelley, Ch. 380, Stats. 2002), and AB 849 (Garcia, Ch. 676, Stats. 2013).)

This bill would standardize the protections available to program participants and seeks to enhance participants' ability to maintain anonymity on real property records by requiring the SOS to provide participants with specified information.

CHANGES TO EXISTING LAW

Existing law establishes an address confidentiality (or Safe at Home) program within the Office of the Secretary of State in order to enable state and local agencies to both accept and respond to requests for public records without disclosing the changed name or address of a victim of domestic violence, sexual assault, or stalking. Existing law permits any such adult victim, or parent or guardian acting on behalf of a minor or incapacitated person, to apply through a community-based victims' assistance program to have an address designated by the Secretary of State as his or her substitute mailing address. (Gov. Code Sec. 6205 et seq.) Similarly, existing law allows reproductive health care providers, employees, volunteers, and patients to participate in the SAH address confidentiality program, as specified. (Gov. Code Sec. 6215 et seq.)

Existing law provides that no person, business, or association shall knowingly and intentionally publicly post or publicly display on the Internet the home address, home telephone number, or image of a program participant or other individuals residing at the same home address with the intent to threaten the participant or cause the participant, or co-resident, harm, as specified. (Gov. Code Sec. 6208.1.)

Existing law prohibits the SOS from disclosing a program participant's name change or address, other than the designated address, unless it is requested by, and disclosed to, law enforcement, or directed by a court, or if the participant's certification has been canceled. (Gov. Code Secs. 6206, 6206.4 and 6208)

Existing law prohibits a person, business, or association from knowingly posting or displaying on the Internet the home address, home telephone number, or image of any provider, employee, volunteer, or patient of a reproductive health service facility, with the intent to incite a third person to cause imminent bodily harm to a person protected by this provision. Permits a person whose personal information is posted to bring an action for injunctive relief of damages, as specified. Provides that no person shall post or display on the Internet any personal information about a person protected by this provision if the person has requested that the information be

removed, as specified. (Gov. Code Sec. 6218.)

This bill would specify that no person, business, or association shall publicly post or display on the Internet the address of an SAH program participant, as specified, who has made a written demand of that person, business, or association to not disclose the home address of the program participant.

This bill would specify that no person, business, or association shall knowingly post the home address of an SAH program participant, as specified, or of the program participant's residing spouse or child, on the Internet, knowing that person is a program participant and intending to cause imminent great bodily harm or threatening to cause imminent great bodily harm to the program participant or his or her residing spouse or child. However, this provision does not apply to an interactive computer service or access software provider, as defined, unless the service or provider intends to abet or cause imminent great bodily harm that is likely to occur or threatens to cause imminent great bodily harm to a program participant.

This bill would require the SOS to post on its Internet Web site and provide new SAH enrollees information about how to protect personal privacy on real property records as follows:

- * a notice that the participant may request to use his or her SOS SAH address on real property deeds, change of ownership forms, and deeds of trust when purchasing or selling a home;

- * a notice that the participant may wish to protect his or her home address from disclosure in real property transactions by creating a trust and placing his or her real property into the trust;

- * a notice that the participant may wish to legally change his or her name in order to protect his or her anonymity; and

- * a list of contacts for entities, such as county bar associations, legal aid societies, domestic violence prevention organizations, or other state or local nonprofits who can provide more information and legal services to create a trust or accomplish a name change.

COMMENT

1. Stated need for the bill

According to the author:

Unfortunately, there is one gaping loophole in the Safe at Home Program: the title to property recorded in local Assessor's Offices. As a result, victims of domestic violence and other Californians intended to be protected by Safe At Home can be found by perpetrators who go to the Assessor's Office to locate them and track them down.

The ability to access information freely on the Internet can be dangerous for victims. If a victim owns property, the title of the property is available as a public document at the county's Assessor's Office. The victim's abuser can freely access the property information, potentially exposing the victim to further harm.

2. Standardizes treatment of participants in SAH

Under existing law victims of specified abuse (i.e., domestic violence, stalking, and sexual assault) are protected by SAH. In addition, patients, employees, or volunteers at a reproductive health care center may enroll in the program. Both groups of participants enjoy the restrictions on disclosures by public agencies that help maintain the participants' confidentiality, but victims of domestic violence, stalking, and sexual assault have one additional protection: a private person, business, or association is prohibited from posting or displaying on the Internet the home address of an SAH participant if the SAH participant has demanded that the person, business, or association remove the home address. In addition, existing law prohibits a person, business, or association from posting the SAH participant's home address online with the knowledge and intent to cause that person imminent harm.

Although similar protections are afforded to patients and reproductive health care providers under other statutes, the author believes that consolidating all participants under one SAH framework will clarify the legislative intent to provide both groups with privacy protections.

In opposition, the California Right to Life Committee writes, "this bill may be protecting domestic violence victims and others with an alternate and approved address, but it appears to single out family planning personnel who, basically, are abortion providers and would provide them with an additional cloak of privacy. Other healthcare providers who are not providing abortion and abortion related services are not included in this proposed protection of personal information. Agencies that provide services and are considered anti-abortion should merit equal protection and confidentiality of their personal information."

The author responds, "AB 2263 standardizes the confidentiality protections for existing enrollees in the SAH program, and requires the SOS to provide SAH enrollees with information about how to protect their privacy on real property records. This bill also extends to all SAH enrollees the protections law enforcement and elected officials currently have by specifying that no person, business, or association shall publicly post or display on the Internet the address of a SAH program participant who has made a written request that the home address not be disclosed. This bill covers only existing categories of SAH enrollees. It does not expand access to the SAH program to any new categories of enrollees, nor does it single out any category of enrollee for special treatment. AB 2263 ensures uniform protections for those who are already currently eligible for the program, including anyone who is a victim of stalking or violence, regardless of profession."

3. Provides SAH participants with information about how to protect confidentiality with respect to real property transactions

This bill would require the SOS to provide to SAH participants information about how to keep his or her address and/or name anonymous on specified real property records. In support, the California State Sheriff's Association writes:

Current law provides that state and local agencies may use a Secretary of State designated address when creating public records for victims of domestic violence, sexual assault, and stalking as well as reproductive health care service providers. Unfortunately, this protection does not prevent a county assessor's office from publishing certain records, which creates a loophole in maintaining the victim's confidentiality. Consequently, potential predators are able to access a victim's private home address by using the county assessor records.

Staff notes that when California became a state in 1850, one of the first acts of the Legislature was to institute a system for recording interests in real property. By providing for evidence of title to be collected and made available at central locations, recording statutes protect buyers against secret conveyances and interests and make real property readily and freely transferable. The recording statutes provide that, after being acknowledged, any instrument or judgment affecting real property may be recorded. Prohibitions against recording contained in documents that could otherwise be recorded would be considered contrary to public policy, and the document may be recorded in spite of the attempted prohibition.

Thus, the Legislature has repeatedly determined that regarding real property, public policy requires a clean chain of title to prevent fraud and protect individual interests in land. That being said, methods of protecting confidentiality in real property records have been created. For example, individuals who wish to protect their street address from disclosure have been advised to create a revocable living trust and place their real property into the trust. Staff notes that this method of keeping a street address private is, by and large, only available to individuals with sufficient means to hire an attorney to establish a revocable living trust.

Further, this bill would require the SOS provide participants with a list of contact information for entities that the program participant may "contact to receive information on, or receive legal services for, the creation of a trust to hold real property or obtaining a name change, including county bar associations, legal aid societies, state and local agencies, or other nonprofit organizations that may be able to assist program participants." How the SOS would determine which organizations to include on this list is not outlined in the bill, but including any specific organizations could arguably advantage some companies over others in the form of free advertising. As a matter

of public policy, such favoritism could be seen as contrary to the role of a neutral governmental body. Accordingly the author may wish to remove this provision from the bill. Further the author may wish to consider how to educate SAH participants about the availability of confidentiality options, regardless of the participant's economic ability to establish a living trust.

February 18, 2016

An act to add Sections 6209.5, 6215.10, and 6215.12 to the Government Code, relating to address confidentiality.

LEGISLATIVE COUNSEL'S DIGEST

AB 2263, as amended, Baker. Protection of victims of domestic violence, sexual assault, or stalking, and reproductive health care service providers: address confidentiality.

Existing law authorizes victims of domestic violence, sexual assault, or stalking, and reproductive health care services providers, employees, volunteers, and patients, to complete an application to be approved by the Secretary of State for the purposes of enabling state and local agencies to respond to requests for public records without disclosing a program participant's residence address contained in any public record and otherwise provides for confidentiality of identity for that person, subject to specified conditions. Existing law authorizes a program

participant to request that state and local agencies use the address designated by the Secretary of State as his or her address, and requires state and local agencies, when creating, modifying, or maintaining a public record, to accept the address designated by the Secretary of State as a program participant’s substitute—address *address*, except as specified.

This bill would require the Secretary of State to provide each program participant a notice in clear and conspicuous font that contains specified information, including that the program participant is authorized by law to request to use his or her address designated by the Secretary of State on real property deeds, change of ownership forms, and deeds of trust when purchasing or selling a home.

~~This bill~~ *bill, with certain exceptions*, would prohibit a person, business, or association from publicly posting or displaying on the Internet the home address of a program participant who is a reproductive health care services provider, employee, volunteer, or patient and who has made a written demand to not disclose his or her address, and would prohibit a person, business, or association from knowingly posting the home address of a program participant, or of the program participant’s residing spouse or child, on the Internet knowing that person is a program participant and intending to cause imminent great bodily harm that is likely to occur or threatening to cause imminent great bodily harm to that individual.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 6209.5 is added to the Government Code,
- 2 to read:
- 3 6209.5. The Secretary of State shall provide each program
- 4 participant a notice in clear and conspicuous font that contains all
- 5 of the following information:
- 6 (a) The program participant is authorized by law to request to
- 7 use his or her address designated by the Secretary of State on real

FISCAL IMPACT: (CONT'D)

1) Increased GGRF expenditures in disadvantaged and low-income communities. The Governor's budget proposes appropriating \$3.1 billion GGRF funds this year.

2) Increased annual ongoing costs of approximately \$600,000 (GGRF) for the California Air Resources Board (ARB) to modify existing guidelines and tracking systems, provide guidance to state agencies, and conduct outreach.

Unless the bill is amended, as requested, the impact on Contra Costa County could be reduced accessibility to Cap and Trade funds for our disadvantaged communities that do not meet the CalEnviroScreen 2.0.

BACKGROUND:

At its July 11, 2016 meeting, the Legislation Committee voted to recommend that the Board of Supervisors adopt an "Oppose Unless Amended" position on AB 1550 (Attachment A). The bill was introduced on 01/01/16 and last amended on 05/31/16. The bill is presently pending on the Senate Second Reading File.

The Metropolitan Transportation Commission has taken an "Oppose Unless Amended" position on AB 1550 due to its concerns about the definition of "Disadvantaged communities" (DACs), which presently excludes many communities characterized by poor socio-economic conditions. The position letter is attached (Attachment B), as are the requested amendments (Attachment C).

Bill No: AB 1550 Author: Gomez Version: 5/31/2016 Hearing Date: 6/29/2016 Urgency: No Fiscal: Yes
Consultant: Rebecca Newhouse SUBJECT: Greenhouse gases: investment plan: disadvantaged communities.

ANALYSIS:

Existing law:

1) Under the California Global Warming Solutions Act of 2006, requires the California Air Resources Board (ARB) to determine the 1990 statewide greenhouse gas (GHG) emissions level, to approve a statewide GHG emissions limit equivalent to that level that will be achieved by 2020, and to adopt GHG emissions reductions measures by regulation. ARB is authorized to include the use of market-based mechanisms to comply with the regulations. (Health and Safety Code (HSC) Section 38500 et seq.)

2) Establishes the Greenhouse Gas Reduction Fund (GGRF) as a special fund in the State Treasury; requires that all moneys, except for fines and penalties, collected pursuant to a market-based mechanism be deposited in the fund; and requires the Department of Finance, in consultation with the state board and any other relevant state agency, to develop, as specified, a three-year investment plan for the moneys deposited in the GGRF. (Government Code Section 16428.8)

3) Requires that GGRF moneys be used to facilitate the achievement of reductions of GHG emissions in the state consistent with the Global Warming Solutions Act of 2006. Appropriations of the GGRF funds in the annual budget are required to be consistent with the three-year investment plan. (HSC Section 39712)

4) Under the GGRF Investment Plan and Communities Revitalization Act, requires the California Environmental

Protection Agency (CalEPA) to identify disadvantaged communities for investment opportunities related to the Act. (HSC Section 39711)

5) Requires the GGRF investment plan to allocate a minimum of 25% of the funds to projects that benefit disadvantaged communities and to allocate 10% of the funds to projects located within disadvantaged communities. (HSC Section 39713)

6) Requires the California Environmental Protection Agency (CalEPA) to identify disadvantaged communities for GGRF investment opportunities and requires those communities be identified based on geographic, socioeconomic, public health, and environmental hazard criteria. (HSC Section 39711)

7) Requires the ARB, in consultation with the California Environmental Protection Agency (CalEPA), to develop funding guidelines for administering agencies receiving allocations of GGRF funds that include a component for how agencies should maximize benefits to disadvantaged communities. (HSC Section 39715)

This bill:

1) Revises the requirement that 25% of the GGRF be expended to benefit disadvantaged communities to require that the funding be allocated for projects located within the boundaries of, and benefiting individuals in, disadvantaged communities.

2) Requires that an additional 20% of the GGRF be allocated for projects that benefit low-income households.

3) Defines "low-income household" as those with household incomes at or below 80% of the statewide median income or with household incomes at or below the threshold designated as low income by the Department of Housing and Community Development's list of state income limits.

4) Requires that, to the extent feasible, a "fair share" of the moneys allocated to benefit low-income households target households with incomes at or below 200% of the federal poverty level.

Background

1) Cap-and-trade auction revenue. Since November 2012, ARB has conducted 15 cap-and-trade auctions, generating over \$4 billion in proceeds to the state.

State law specifies that the auction revenues must be used to facilitate the achievement of GHG emissions reductions and outlines various categories of allowable expenditures. Statute further requires the Department of Finance, in consultation with ARB and any other relevant state agency, to develop a three-year investment plan for the auction proceeds, which are deposited in the GGRF.

SB 535 (de Leon, Chapter 830, Statutes of 2012) requires the Department of Finance, in the investment plan, to allocate at least 25% of available moneys in the GGRF to projects that provide benefits to disadvantaged communities, and at least 10% to projects located within disadvantaged communities.

Additionally, SB 862 (Committee on Budget and Fiscal Review, Chapter 36, Statutes of 2014) requires ARB to develop guidelines on maximizing benefits for disadvantaged communities by agencies administering GGRF funds, and guidance for administering agencies on GHG emissions reduction reporting and quantification methods.

Legal consideration of cap-and-trade auction revenues. The 2012-13 Budget analysis of cap-and-trade auction revenue by the Legislative Analyst's Office noted that, based on an opinion from the Office of Legislative Counsel, the auction revenues should be considered mitigation fee revenues, and their use requires that a clear nexus exist between an activity for which a mitigation fee is used and the adverse effects related to the activity on which that fee is levied. Therefore, in order for their use to be valid as mitigation fees, revenues from the cap-and-trade auction must be used to mitigate GHG emissions or the harms caused by GHG emissions.

In 2012, the California Chamber of Commerce filed a lawsuit against the ARB claiming that cap-and-trade auction revenues constitute illegal tax revenue. In November 2013, the superior court ruling declined to hold the auction a tax, concluding that it is more akin to a regulatory fee. The plaintiffs filed an appeal with the 3rd District Court of Appeal in Sacramento in February of 2014, and that case is pending.

Budget allocations. SB 862 (Committee on Budget and Fiscal Review, Chapter 36, Statutes of 2014), a budget trailer bill, established a long-term cap-and-trade expenditure plan by continuously appropriating portions of the funds for designated programs or purposes. The legislation appropriates 25% for the state's high-speed rail project, 20% for affordable housing and sustainable communities grants, 10% to the Transit and Intercity Rail Capital Program, and 5% for low-carbon transit operations. The remaining 40% is available for annual appropriation by the Legislature.

The Governor's 2016-17 proposed budget appropriates over \$3 billion to a variety of programs and projects in the transportation, energy, natural resources, and waste diversion sectors.

2) CalEnviroScreen and disadvantaged communities. CalEnviroScreen was developed by OEHHA, at the request of CalEPA and pursuant to the GGRF Investment Plan and Communities Revitalization Act (SB 535, de Leon, Chapter 830, Statutes of 2012), to determine a list of disadvantaged communities in California that are the most vulnerable and pollution-burdened. The tool is used to help direct those GGRF investments targeted for disadvantaged communities, as well as to guide CalEPA in administering its Environmental Justice Small Grants Program and prioritizing resources for cleanup and abatement projects and outreach efforts by the Agency.

Using CalEnviroScreen, CalEPA determined a list of disadvantaged communities throughout California in October 2014. According to CalEPA, the current version incorporates 19 indicators, including those for exposures, environmental effects, sensitive populations, and socioeconomic factors.

Census tracts in the top 25th percentile of cumulative CalEnviroScreen scores have been designated disadvantaged communities for the purposes of SB 535 (de Leon).

The areas where the majority of disadvantaged communities were identified included the San Joaquin Valley, parts of Los Angeles and the Inland Empire, and large portions of the Coachella Valley and Mojave Desert, in addition to communities located near industrial areas and major roadways.

Update. OEHHA intends to update CalEnviroScreen this year to incorporate the most current information available. Other improvements are also expected to be part of this update. The proposed changes will be released in a draft version of the tool this summer.

3) ARB Guidance on GGRF. In 2014, ARB published interim guidance for meeting the requirements associated with GGRF appropriations, as well as maximizing benefits to disadvantaged communities, for agencies appropriated GGRF moneys. This guidance was finalized and released in late 2015.

In meeting the SB 535 requirement, the guidance states that agencies should first assess whether projects will be located within a disadvantaged community, as identified through CalEnviroScreen, and whether the project will provide direct benefits to that community, consistent with specific criteria in the guidance document for each program type. If investments meet this requirement, then the guidance specifies that the projects and administrative funds count towards both the 10% and 25% requirements for GGRF investments within, and providing benefits to, disadvantaged communities.

If the project is not within the disadvantaged community, the guidance directs agencies to evaluate whether the project provides direct, meaningful, and assured benefits in accordance with specified criteria for each project type. Projects within a half-mile of a disadvantaged community and that provide increased service or access to those communities, or projects that result in at least 25% of project work hours performed by residents of disadvantaged communities, may count towards the SB 535 mandate requiring a minimum of 25% of GGRF money benefit disadvantaged communities.

4) GGRF benefits report. AB 1532 (Perez, Chapter 807, Statutes of 2012) requires the Department of Finance (DOF) to submit an annual report to the Legislature on the status and outcomes of projects funded from the GGRF. The 2016 Annual Report describes the status of funded programs and lists the projects funded and also provides estimates of the GHG reductions expected from project investments and statistics on benefits to disadvantaged communities, demand for funding, and leveraging of funds. Specifically, the report states that for implemented projects funded through GGRF, 51% of investments provided benefits to disadvantaged communities, with 39% of GGRF investments directed within disadvantaged communities.

According to the Annual Report, "CALFIRE's urban forestry program is planting trees in disadvantaged communities throughout the State, providing community shading and reducing energy demand while improving active transportation and recreational opportunities for these residents. Caltrans' Low Carbon Transit Operations Program is supporting new and expanded services and facilities that improve mobility for disadvantaged communities and low-income residents in these communities. The Department of Community Services and Development's (CSD) Low-Income Weatherization Program is helping low-income residents in disadvantaged communities reduce their energy use and energy costs. The current appropriations will easily meet and exceed the SB 535 disadvantaged community targets without including High Speed Rail. However, the High Speed Rail Project is expected to greatly benefit disadvantaged communities throughout the State by creating thousands of direct construction-related jobs as well as indirect jobs and related economic development benefits in communities of the Central Valley, which has some of the highest unemployment rates in the country."

Comments

1) Purpose of Bill. According to the author, "Low-income communities and communities of color are and will continue to be disproportionately impacted by the effects of our changing climate. As we think about how to structure our state's climate programs - as we discuss percentages and parameters - this is a reality we cannot ignore and must strive to remedy. AB 1550 builds on the successes of our climate equity efforts to date by ensuring a greater investment in California's environmentally and socioeconomically disadvantaged populations. The bill requires that at least 25% of cap-and-trade funds be spent on projects located directly within disadvantaged communities, as identified by the state's environmental health screening tool, to ensure that the level of investment in DACs equals their share of the population. The bill also requires an additional 20% of funds to benefit low-income households.

"While CalEnviroScreen is a valuable tool for capturing cumulative impacts in communities, it is widely recognized that there are poor and working-class households that lie outside of DACs - but that struggle to make ends meet and spend a large portion of their incomes on necessities - such as energy, water, housing, and transportation. If we wish to foster a shared, statewide commitment to tackling pressing environmental issues, we must take advantage of opportunities to reduce greenhouse gas emissions and build sustainable communities while lifting poor and working Californians out of poverty.

"A greater investment in California's environmentally and socioeconomically disadvantaged populations has the potential to yield significant climate, public health, and cost benefits while helping bridge the 'green divide'."

2) Amending SB 535. AB 1550 amends requirements put in place through SB 535 (de Leon, Chapter 830, Statutes of 2012) for spending cap-and-trade auction proceeds in disadvantaged communities and adds additional requirements for minimum spending for low-income households. Specifically, SB 535 requires a minimum of 25% of GGRF moneys benefit disadvantaged communities and 10% be spent within those communities. AB 1550 eliminates the distinction created in SB 535, where appropriating funds to "benefit" a disadvantaged community do not necessarily have to be spent within the disadvantaged community, and instead requires a minimum of 25% GGRF moneys be spent to benefit disadvantaged communities within those communities. Additionally, AB 1550 requires a minimum of 20% of GGRF moneys be directed to benefit "low-income households," as defined, and does not allow investments toward disadvantaged communities to count toward the minimum percentage required to benefit low-income households, or the reverse.

3) Benefiting low-income households. The bill requires a minimum of 20% of GGRF be spent to benefit "low-income households." AB 1550 defines these households as those at or below 80% of the statewide median

income, or as households designated as low-income based on area-wide median incomes, based on figures from the Department of Housing and Community Development (DHCD). The area-wide "low-income" income thresholds better account for high cost of living and rent burdens in various regions across the state.

Some of the current programs funded through GGRF, like weatherization programs and car retirement and replacement programs, may be counted as benefiting a household. However, it is difficult to ascribe benefits specifically to individual households for a number of other GGRF programs, including transportation projects that provide enhanced or improved public transit (i.e., the Low Carbon Transit Operations program or the Transit and Intercity Rail Capital program, which both receive continuous GGRF appropriation) and, urban forestry and greening projects. In this way, the 20% requirement for benefiting low-income households may be 1) difficult to measure, 2) limit access of low-income households to a variety of other GGRF programs with more community-wide impacts, and 3) create implementation challenges, since funding for the subset of programs directly benefiting households may not be sufficient to meet the bill's 20% requirement.

To address this issue, amendments are needed to require 20% of GGRF moneys be directed to "low-income households" or "low-income communities," and to define a "low-income community" as a census tract with a median household income at or below 80% of the statewide median income or with a median household income at or below the threshold designated as low-income by the Department of Housing and Community Development.

4) Smaller pot. As the cap for the state's cap-and-trade program is reduced, so are allowances that are offered for sale. As it is the sale of these allowances at auctions that generate cap-and-trade proceeds, this revenue source will continue to shrink. Additionally, only 2% of the state allowances sold at the auction in May, and resulted in the state receiving only \$10 million in proceeds where up to \$500 million was projected.

A larger fraction of moneys for disadvantaged communities and low-income households, as prescribed in AB 1550, of a shrinking pot of GGRF moneys may result in a significantly reduced fraction of money from GGRF for emissions reduction projects in the rest of the state.

5) More constraints on funding. As larger amounts of GGRF are set aside to benefit various groups, flexibility for allocating those funds is reduced. For example, a project that does not rank as high may be funded over a project ranked more highly in order to satisfy a requirement that a certain percentage of funds be spent to benefit a particular group. In situations where a tradeoff is required, policy goals of providing benefits to vulnerable populations may outweigh other policy goals for the GGRF, including funding only the most highly ranked project. However, the more these constraints are added to the fund, the more frequently these policy tradeoffs will arise.

As the bill already specifically targets low-income households with a significant fraction of the GGRF, the committee may wish to consider removing the requirement in the bill that a "fair share" of GGRF moneys target households with incomes at or below 200% of the federal poverty level "to the maximum extent feasible."

6) How will this change the way GGRF moneys are appropriated? It is not clear how agencies will implement an increased requirement for spending within disadvantaged communities, and an additional mandate for spending to benefit low-income households.

According to the annual DOF report on GGRF benefits and funded projects to date, about 39% of GGRF has been spent within disadvantaged communities--14% over the AB 1550 requirement. Assuming that the majority of those disadvantaged communities would also qualify as low-income under the bill, that 14% of GGRF investment over the 25% mandate could potentially count toward the 20% requirement for low-income households or communities, leaving only 6% more directed toward low-income households to meet the new requirements under AB 1550. Under this scenario, there may not be significant change in the way current GGRF investments are made. However, as the author would like to capture a distinct population from disadvantaged communities by requiring a minimum investment for "low-income households," agencies may work to implement the intent of the legislation by specifically directing expenditures to low-income communities that are not also disadvantaged communities. Therefore, it is not clear to what extent low-income populations that are not identified as disadvantaged communities according to CalEnviroScreen, will benefit from the additional set-aside in AB 1550.

7) Targeting disadvantaged communities. SB 535 requires disadvantaged communities for GGRF investment opportunities be identified based on geographic, socioeconomic, public health, and environmental hazard criteria. The resulting tools uses socioeconomic and environmental pollution indicators throughout the state to evaluate those vulnerable populations experiencing cumulative pollution burdens and specifically targets them for GGRF investment. The analysis is complex, relying on 19 different indicators for an aggregate score to identify disadvantaged communities for targeted GGRF investment.

AB 1550 does not alter the methodology behind how disadvantaged communities are identified, but further expands investments to those communities as well as requiring 20% of GGRF moneys be directed toward low-income households. In contrast to CalEnviroScreen, this criterion is a relatively simple method for targeting vulnerable populations.

In this way, the bill seems to establish an inconsistent policy for identifying vulnerable or distressed populations for GGRF investments--on one hand relying on a complex analysis to assess aggregate socioeconomic factors and environmental burdens, and on the other hand, simply directing moneys to communities or households based on a single economic metric.

This also raises questions surrounding the original policy goals of SB 535 in requiring CalEPA identify disadvantaged communities based on a variety of criteria. Does singling out an additional population for investment based on a single measure fit within the original policy goals of SB 535?

ARGUMENTS IN SUPPORT:

Supporters state that, since CalEnviroScreen classifies a quarter of the state's population as living in disadvantaged communities, at least a quarter of GGRF proceeds should be invested directly within the boundaries of disadvantaged communities, which generally provides more assistance than simply "benefiting" these communities. They further add that this is a simple equity adjustment to the existing formula that reflects the need to invest in these communities hit first and worst by the adverse impacts of climate change. Additionally, they state that some of the best GHG reduction strategies are those that benefit low-income households whether they lie

inside or outside CalEnviroScreen-designated disadvantaged communities. They further note that low-income Californians often lack adequate and affordable transportation and housing choices, access to green spaces, and spend a significant percentage of their budget on necessities including fuel and energy, and for those reasons, AB 1550 directs additional investments to low-income households, communities and populations, as well.

ARGUMENTS IN OPPOSITION:

The Metropolitan Transportation Commission (MTC) states that, as written, AB 1550 would expand the state's reliance upon a flawed definition of disadvantaged communities that excludes many communities characterized by poor socio-economic conditions, and state that the CalEnviroScreen should not be relied upon exclusively to target cap-and-trade funds to disadvantaged communities. They argue that CalEnviroScreen has the perverse public health effect of encouraging growth and development in locations where residents have greater exposure to environmental harm. MTC states that they are opposed to the bill unless AB 1550 is amended to broaden the definition of disadvantaged communities so that it includes communities with concentrations of people living with poor socio-economic conditions--regardless of their exposure to environmental hazards. California Chamber of Commerce and California Taxpayers Association are opposed as they argue that ARB lacks the authority to raise revenue through auction of allowances.

CONSEQUENCE OF NEGATIVE ACTION:

The County would not have an official position on the bill.

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1550

Introduced by Assembly Member Gomez

January 4, 2016

An act to amend Section 39713 of the Health and Safety Code, relating to greenhouse gases.

LEGISLATIVE COUNSEL'S DIGEST

AB 1550, as amended, Gomez. Greenhouse gases: investment plan: disadvantaged communities.

The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act ~~requires the board to adopt greenhouse gas emission limits and emission reduction measures by regulation, and~~ authorizes the state board to include the use of market-based compliance ~~mechanisms to comply with the regulations.~~ *mechanisms*. Existing law requires all moneys, except for fines and penalties, collected by the state board as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation. Existing law requires the Department of Finance, in consultation with the state board and any other relevant state agency, to develop, as specified, a 3-year investment plan for the moneys deposited in the Greenhouse Gas Reduction Fund. Existing law requires the investment plan to allocate a minimum of 25% of the available moneys in the fund

to projects that provide benefits to disadvantaged—communities *communities, as defined*, and a minimum of 10% to projects located in disadvantaged communities. Existing law ~~provides that~~ *authorizes* the allocation of 10% for projects located in disadvantaged communities ~~may to~~ be used for projects included in the minimum allocation of 25% for projects that provide benefits to disadvantaged communities.

This bill would instead require the investment plan to allocate a minimum of 25% of the available moneys in the fund to projects located within, and benefitting individuals living in, disadvantaged communities and ~~a separate and additional unspecified percentage~~ *a minimum of 20%* to projects that benefit low-income households, as specified, with a fair share of those moneys targeting households with incomes at or below 200% of the federal poverty level.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 39713 of the Health and Safety Code is
2 amended to read:
3 39713. (a) The investment plan developed and submitted to
4 the ~~Legislature, Legislature~~ pursuant to Section ~~39716, 39716~~ shall
5 allocate a minimum of 25 percent of the available moneys in the
6 fund to projects located within the boundaries of, and benefitting
7 individuals living in, communities described in Section 39711.
8 (b) The investment plan shall allocate a minimum of ~~_____~~ 20
9 percent of the available moneys in the fund to projects that benefit
10 low-income households.
11 (1) For purposes of this subdivision, “low-income households”
12 are those with household incomes at or below 80 percent of the
13 statewide median income or with ~~median household~~ incomes at
14 or below the threshold designated as low income by the Department
15 of Housing and Community Development’s list of state income
16 limits adopted pursuant to Section 50093.
17 (2) To the extent feasible, a fair share of the moneys allocated
18 pursuant to this subdivision shall target households with incomes
19 at or below 200 percent of the federal poverty level.
20 (c) Moneys spent pursuant to subdivision (a) shall not count
21 toward the minimum requirement described in subdivision (b),

Dear Chair Wieckowski,

David Campos
City and County of San Francisco

The Metropolitan Transportation Commission (MTC) is writing to express our opposition to the current version of AB 1550. As written, the bill would expand the state's reliance upon a flawed definition of disadvantaged communities (DACs) that excludes many communities characterized by poor socio-economic conditions. Specifically, the CalEnviroScreen 2.0 (CES2.0) developed by the California Environmental Protection Agency should not be relied upon exclusively to target Cap and Trade funds to DACs.

Not only does CES2.0 exclude hundreds of census tracts that would be considered disadvantaged based on socio-economic conditions, it also has the perverse public health effect of encouraging growth and development in locations where residents have greater exposure to environmental harm. With 60 percent of Cap and Trade funds continuously appropriated to transportation and affordable housing purposes, we seriously question the merits of a policy that awards more points to applications located in areas with contaminated drinking water, higher pesticide use, groundwater threats, proximity to solid waste and hazardous waste.

BACKGROUND:

The Patrol Division is in need of additional administrative support to complete assignments and mandatory requirements for training. Due to attrition within the Patrol Division, the number of trainees entering the Field Training Program continues to be high. This requires constant oversight in addition to other duties. The immense workload performed by limited staff is hampering the effective administration of the Patrol Division. The addition of a Sheriff's Specialist would perform a variety of technical support duties and ease the strain on the Administrative Sergeant. The Field Operations Bureau has a vacant Secretary Advanced level position which would be eliminated to help offset the costs of a Sheriff's Specialist.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to implement the proposed position change will result in the Sheriff's Patrol Division not having required staff to perform special duties, projects, research, and being unable to administer and monitor the increase in the Field Training Programs in a timely manner, ultimately effecting public safety.

Cancel Clerk Senior level \$104,690.00

Add Sheriff's Specialist \$118,692.00

(\$14,003.00)

Annual retirement costs will increase by: \$72.00 annually

Costs assume Cancel position is Tier III and Add position is Pepra Tier 5

BACKGROUND:

The Professional Standards Division would like to cancel a vacant Clerk Senior Level position and add a Sheriff's Specialist. The position will handle a higher level of responsibility, to include responding to requests under the California Public Records Act, and represent the Office of the Sheriff at meetings and at court. The addition of a Sheriff's Specialist will offer the Professional Standards Division additional support to handle time sensitive response to requests; and analyze data, reports, policies and procedures with an enhanced degree of expertise.

CONSEQUENCE OF NEGATIVE ACTION:

The Sheriff's Specialist position would be assisting in the Professional Standards Unit that perform the Public Records Act Request for the department. If this action is not approved, the Sheriff's Department will not have the required staff that can assist in performing special duties, projects, research, and respond to statutory obligations as soon as possible. Failure to respond to requesting parties in a timely manner, puts the Department at risk of violating the Public Records Act.

POSITION ADJUSTMENT ACTION TO BE COMPLETED BY HUMAN RESOURCES DEPARTMENT FOLLOWING BOARD ACTION

Adjust class(es) / position(s) as follows:

Contra
Costa
County

To: Board of Supervisors
From: Julia R. Bueren, Public Works Director/Chief Engineer
Date: July 19, 2016

Subject: Add one Administrative Analyst position and cancel one Sr. Real Property Technical Assistant position in the Public Works Department

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 21871 to add one (1) Administrative Analyst (APWA) (represented) position at salary plan and grade level ZB5 1277 (\$4,099- \$4,982); and cancel one (1) Sr. Real Property Technical Assistant (DY7C) (represented) vacant position No.11249 at salary plan and grade level ZM5 1336 (\$4,345- \$5,282) in the Public Works Department.

FISCAL IMPACT:

Upon approval, this action will have an annual cost savings of approximately \$4,809.

BACKGROUND:

The roles and responsibilities of the administration staff at Buchanan Field Airport were recently analyzed. Historically, the Sr. Real Property Technical Assistant position was predominantly focused on property management and tenant liaison functions with limited outside duties. Over the years, however, there has been a vast increase in regulatory, community-related, analytical, technological, and other program functions that are not consistent with the skill set and role of the Sr. Real Property Technical Assistant classification. As such, it is necessary to broaden the skill set and job role/responsibilities to meet the current and future Airports Division needs.

ABSENT: Karen Mitchoff, District IV Supervisor
By: Chris Heck, Deputy

Contact: Kelli Zenn, 925-313-2108

BACKGROUND: (CONT'D)

The Sr. Real Property Technical Assistant position became vacant; therefore, the timing of this action is judicious. Furthermore, as the other two administrative positions in the Airports Division are also in the administrative analyst/administrative services assistant classification, it would greatly increase efficiency and productivity to have the third team member be aligned with the same position classification series.

CONSEQUENCE OF NEGATIVE ACTION:

An additional Administrative Analyst position is essential to the efficient operation of the Buchanan Field and Byron Airports. If this action is not approved, the Director of Airports will not have the flexibility to assign job responsibilities among the entire administrative staff, which may negatively impact the productivity of existing and future job functions.

From: William Walker, M.D., Health Services
Date: July 19, 2016

Subject: Add two (2) full-time positions in the Health Services Department

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 21883 to add two (2) full-time Health Plan Authorization Representative (VRTA) positions at salary level 3RX-1119 (\$40,342-51,518) in the Health Services Department. (Represented)

FISCAL IMPACT:

Upon approval, this action has an annual cost of approximately \$179,773, which includes \$36,578 in estimated pension costs. The cost will be funded by 100% CCHP Enterprise Fund II.

BACKGROUND:

The Health Plan Authorization Representatives (HPAR) are assigned to receive and process all requests for medical services or non-preferred drugs from providers and members in accordance to the Contra Costa Health Plan (CCHP) guidelines. In 2015, 66,000 requests were processed. Through the first quarter of 2016, HPARs already processed three quarters (3/4) of the 2015 total requests. HPARs have been working seven days per week including overtime to meet the State-mandated deadlines of 72 hours for urgent requests and 14 days for routine requests. The Department therefore, determined that two additional HPARs are necessary in order to meet these deadlines.

To: Board of Supervisors
From: William Walker, M.D., Health Services
Date: July 19, 2016

Subject: Increase hours of one permanent position in the Health Services Department

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 21884 to increase the hours of one Clerk-Experienced Level (JWXB) position #8767 from 32/40 to 40/40 at salary level 3RH-0750 (\$2,794 - \$3,467) in the Health Services Department. (Represented)

FISCAL IMPACT:

Upon Approval, there is an annual cost of approximately \$12,230.69, which includes pension cost of \$2,935.67. The entire cost is offset from the Contra Costa Health Plan (CCHP) Enterprise Fund II.

BACKGROUND:

The Health Services Department is requesting to increase the hours of one position as per the Memorandum of Understanding with AFSCME, Local 2700. The position is a Clerk-Experienced Level position #8767 from 32/40 to 40/40 in the Provider Relations Unit of the Contra Costa Health Plan. A long term temporary clerical worker has been occupying the increased hours and the Department Manager certifies that the additional hours are operationally necessary to continue the mandated functions of the department to ensure patient care services, as the enrollment in the Contra Costa Health Plan continues to increase. There is an annual cost of \$12,230.69, which is offset from the Contra Costa Health Plan Enterprise Fund II.

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 21885 to add one (1) full-time Health and Human Services Research and Evaluation Manager (VQHA) position at salary level B85-1874 (\$85,449-\$103,864) in the Health Services Department. (Represented).

FISCAL IMPACT:

Upon approval, this action has an annual cost of approximately \$166,835.26 which includes \$36,872.00 in pension costs. The cost will be funded 100% County Funds.

BACKGROUND:

The Contra Costa County's Epidemiology, Planning and Evaluation Unit (EPE) of the Health Services Department is responsible for collecting, analyzing and disseminating health and health-related data. The data collected allows local governments and health care providers in determining and planning services and activities that will improve people's health and reduce disparities. In addition, the health data enables grassroots efforts to improve the health of the community.

BACKGROUND: (CONT'D)

Currently the EPE Unit has eight staff members comprising of Health Educations Specialists, Health Services Planner Evaluators and Public Health Epidemiologist/Biostatisticians. However, the Unit does not have a manager. The HHSRE Manager will manage these professional level staff members including oversight for complex information systems and research projects. The Manager will analyze systems and processes to identify areas of inefficiency and recommend changes and improvements to existing standards and procedures. The Department determined that adding the Health and Human Services Research and Evaluation Manager (HHSREM) is critical and appropriate at this time.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the absence of a Manager will curtail program efficiencies and outcomes.

To: Board of Supervisors
From: Robert Campbell, Auditor-Controller
Date: July 19, 2016

Subject: Add one Chief Accountant, one Account Clerk-Experiencedl Level, and cancel one Information Systems Auditor position in the Auditor-Controller Dept.

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 21880 to add one (1) Chief Accountant (SAGC) (unrepresented) position, at salary plan and grade B82 1841 (\$7,384 - \$8,997), one (1) Account Clerk-Experienced Level (JDVC) (represented) position at salary plan and grade 3RH 0755 (\$3,070 - \$3,805), and cancel one (1) Information Systems Auditor (LWTA) (represented) vacant position #186, at salary level ZB5 1787 (\$6,530 - \$7,937), in the Auditor Controller's Office.

FISCAL IMPACT:

An annual general fund cost of \$96,000, which includes approximately \$11,000 related to pension costs.

BACKGROUND:

The Office of the Auditor-Controller is requesting to cancel one Information Systems Auditor position and add one Chief Accountant position to manage the operations of the Payroll division. This action will ensure that the current and future operations of the Office are properly managed and is consistent with the overall succession plan of the Auditor-Controller. The Office of the Auditor-Controller also is requesting to add one Account Clerk-Experienced Level position. This position will be assigned to the Accounts Payable unit to process contract and vendor invoices, and employee demands. The workload warrants

an additional position and is necessary to ensure the proper review and payment of invoices and demands. This action also will allow the termination of a temporary contract employee assigned to the unit.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the Auditor Controller's Office will not have the appropriate staffing levels to properly manage the Payroll division and will result in insufficient staffing resources assigned to the Accounts Payable unit.

Subject: Approve Sixth Amendment to MOU between Contra Costa County, City of San Ramon, and Contra Costa Community College District, Dougherty Station Library

RECOMMENDATION(S):

APPROVE and AUTHORIZE the County Librarian, or designee, to execute the Sixth Amendment to the Memorandum of Understanding (MOU) between the County of Contra Costa, the City of San Ramon and the Contra Costa Community College District for the operation of the Dougherty Station Library located at 17017 Bollinger Canyon Road, San Ramon to enable the County to operate the Library for Fiscal Year 2015/2016.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

The County, City and College are parties to an MOU dated June 26, 2007, which allows the County to provide library services at the Dougherty Station Library located at 17017 Bollinger Canyon Road in San Ramon. The MOU provides that the County is then reimbursed for its costs in providing those services. The MOU was amended in 2009 for Fiscal Years 2009/10 and 2010/11; in 2011 for Fiscal Year 2011/12; in 2013 for Fiscal Years 2012/13 and 2013/14 to provide for the County's reimbursement; and in 2014 for Fiscal Year 2014/2015 provide for the County's reimbursement. The Sixth Amendment now needs to be approved by the Board of Supervisors so that the County can be reimbursed for the library services provided in Fiscal Year 2015/16.

ATTACHMENTS

Sixth Amendment to MOU Dougherty Station Library, San Ramon

Sixth Amendment to the Memorandum of Understanding
Between the County of Contra Costa, the City of San Ramon and
the Contra Costa Community College District

This sixth amendment ("Sixth Amendment") is dated as of July 1, 2015, and is between the County of Contra Costa, a political subdivision of the State of California (the "County"), the City of San Ramon, (the "City"), and the Contra Costa Community College District (the "College District").

Recitals

- A. The County, the City, and the College District are parties to a Memorandum of Understanding (C2007-88) dated June 26, 2007, (the "MOU"). The MOU relates to the operation and maintenance of the Dougherty Station Library located at 17017 Bollinger Canyon Road, San Ramon.
- B. The MOU was amended (i) July 1, 2009 for Fiscal Year 2009/10 and 2010/11; (ii) June 21, 2011, for Fiscal Year 2011/12; (iii) June 11, 2013, for Fiscal Year 2012/13; (iv) July 1, 2013 for Fiscal Year 2013/14 and; (v) July 1, 2014 for Fiscal Year 2014/15. The parties now desire to further amend the MOU to reflect the schedule of costs and hours of operation for Fiscal Year 2015/16.

The parties therefore mutually agree as follows:

Agreement

- 1. The MOU is hereby amended to include the terms set forth in Attachment A-6, which is attached to this Sixth Amendment.
- 2. All other terms of the MOU remain unchanged.

[Remainder of Page Intentionally Left Blank]

The parties are signing this Sixth Amendment as of the date set forth in the introductory paragraph.

HOURS OF OPERATION AND SCHEDULE OF COSTS

A. INTRODUCTION

The City of San Ramon (the “City”), Contra Costa County (the “County”), and the Contra Costa Community College District (the “College District”), are the responsible parties in the administration, funding, and continuing development of the Dougherty Station Library (the “Library”) located at 17017 Bollinger Canyon Road in San Ramon, California.

B. HOURS OF OPERATION

The Library’s base level for hours of operation is thirty-five (35) hours per week. In order to better meet the needs of College students and faculty, as well as the general public, the parties agree to increase the Library Service Hours above the base level to fifty (50) hours per week beginning July 1, 2015, and continuing through June 30, 2016, as follows:

Days	Hours of Operation	Number of Hours
Monday	10:00 a.m. – 8:00 p.m.	10
Tuesday	12:00 p.m. – 8:00 p.m.	8
Wednesday	12:00 p.m. – 8:00 p.m.	8
Thursday	10:00 a.m. – 8:00 p.m.	10
Friday	10:00 a.m. – 5:00 p.m.	7
Saturday	10:00 a.m. – 5:00 p.m.	7
Sunday	Closed	
TOTAL HOURS		50

C. ADDITIONAL HOURS OF OPERATION

The main San Ramon Library will be closing as of August 17, 2015 for an expansion and renovation, with an anticipate closure of approximately 18 months until March 2017. During this time, the Dougherty Station Library will be open an additional 8 hours per month, paid for by the City. The hours, beginning August 17, 2015, and continuing through June 30, 2016, are as follows:

Days	Hours of Operation	Number of Hours
Monday	10:00 a.m. – 8:00 p.m.	10
Tuesday	10:00 ^a p.m. – 8:00 p.m.	10
Wednesday	10:00 ^a p.m. – 8:00 p.m.	10
Thursday	10:00 a.m. – 8:00 p.m.	10
Friday	10:00 a.m. – 5:00 p.m.	7
Saturday	10:00 a.m. – 5:00 p.m.	7
Sunday	1:00 p.m. – 5:00 p.m.	4
TOTAL HOURS		58

Payment for these additional 8 hours, as well as an additional 2.5 FTE of staff to cover additional use of the Dougherty Station Library by the general public, will be paid for by the City. This cost is covered in a separate letter, between the County and the City, sent by the County on March 25, 2015.

D. SCHEDULE OF COSTS FOR HOURS OF OPERATION

- D. 1. The County shall pay for personnel costs to operate the Library for 35 hours of Library service, estimated to be \$ 499,171 for FY 2015/16.
- D. 2. The College shall pay for a portion of the personnel costs, including one half-time Library Specialist, to increase hours of operation for the Library from thirty-five (35) hours to fifty (50) hours, at a cost not to exceed \$100,000.
- D. 3. The City shall pay for a portion of the personnel costs to increase hours of operation for the Library from thirty-five (35) hours per week to fifty (50) hours per week, at a cost not to exceed \$23,416.
- D. 4. If the College brings funding beyond the \$100,000 stated in C.2 through a mid-year budget augmentation, the City's contribution shall be reduced by the same amount not to exceed the City's total FY 2015/16 commitment.

E. SCHEDULE OF COSTS FOR LIBRARY MATERIALS

- E. 1. The County shall provide annual funding for materials at the Dougherty Station Library, with a single amount determined using a formula that considers the total population of San Ramon and combined circulation of both the San Ramon and Dougherty Station libraries as a percentage of Contra Costa County Library's service area population and total circulation. The Senior Community Library Manager will then allocate this funding.
- E. 2. The College shall spend a minimum of Fifteen Thousand Dollars (\$15,000) for materials in FY 15/16. The College will spend these funds, in Consultation with the San Ramon Senior Community Library Manager, for materials including, but not limited to:
 - Payment for annual subscriptions to serials and standing orders specifically selected by the College in support of the curriculum.
 - Payment to College vendors for books purchased in support of College curriculum.

- Payment for online databases, e-books and other electronic resources available only to College students and faculty.

Dear Mr. Rogers:

The Library's FY 2015/16 budget has been submitted to the Board of Supervisors for their consideration. Contra Costa County will continue to provide 35 open hours at all community libraries in 2015/16 when the city provides and funds the facility-related costs.

The cost to maintain the existing 58 hours at the San Ramon Library (19 additional hours Monday through Saturday and 4 hours on Sunday) for a full year would be **\$213,210**. However, the San Ramon Library is scheduled to close for a renovation and remodel in Fall 2015. Estimated costs for 54 Monday-Saturday hours at the San Ramon Library for July 2015-September 2015, Sunday hours (4) for the full year starting at the San Ramon Library and migrating over to the Dougherty Station Library, as well as some additional staffing moving over to the Dougherty Station Library during the San Ramon Library's closure is **\$144,414**.

A separate letter outlining the costs to maintain additional open hours at the Dougherty Station Library will be mailed to Diablo Valley College.

I am enclosing the 2014 Annual Report that has information about the Contra Costa County Library on the Dougherty Station and San Ramon Libraries recent statistics and successes.

Thank you for your continued support.

Feel free to contact me if you have any questions.

Dear Greg,

Enclosed please find a copy of the Board Order from the Board of Supervisors' agenda of June 16, 2015 authorizing the closure of the San Ramon Library as of August 17, 2015.

The Board of Supervisors has also authorized that the operational savings resulting from the closure of the Library and the less expensive operations of the small outlet library in the San Ramon Community Center be spent to benefit library services in San Ramon. In September 2015, we will provide you with an estimate of the anticipated savings from the date that staff have vacated the facility until the opening of the renovated and expanded facility. We will then provide you with the actual figures either annually or on a schedule that meets your needs. At this time, a very loose estimate of savings for 18 months of closure generates approximately \$500,000.

This is an exceptionally exciting time! We are grateful for City Council and City staff that sees the value in an updated and renovated library that truly meets the needs of San Ramon. We look forward to continuing to work with you, your staff, and the library support groups on this project. We will continue to deliver quality services from Dougherty Station Library and the outlet library at the Community Center while work on the main San Ramon Library is underway.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jessica A. Hudson".

Subject: Closing the San Ramon Library for Renovation

RECOMMENDATION(S):

AUTHORIZE the County Librarian to temporarily close the San Ramon Library for approximately 18 months to complete an expansion and remodel, closing from August 17, 2015 through February 28, 2017, and open an interim, smaller outlet service on August 17, 2015.

FISCAL IMPACT:

The cost to operate a small library in the San Ramon Community Center, as well as to temporarily increase staffing at the Dougherty Station Library during the 18-month construction period, is significantly less than the cost to operate the full service library. The operational savings will be redirected to open a smaller outlet library in the San Ramon Community Center rather than the full service existing library for approximately eighteen months and for other library needs agreed to by the County Librarian and the City of San Ramon to benefit library services in San Ramon.

BACKGROUND:

The City of San Ramon and the San Ramon Library community have been actively working on the process of an updated the main San Ramon Library facility for many years. The City has been looking at ways to update the existing facility to make it more inviting, spacious, and usable for the population for all ages. In 2014, the City formed a San Ramon Library Working Group, comprised of City staff, County Library staff, City Council members, members of the San Ramon Library Commission, members of the San Ramon Parks and Recreation Board, Foundation members, and an architectural firm. This group has spent the last year developing plans for a 3,500 square foot expansion of the second floor and a complete remodel of the first floor. Major improvements and changes will include a new technology zone, teen space, and Jazz listening rooms on the second floor, as well as an expandable community room through roll-top doors opening into the public space. The first floor will feature an updated Children's space, a dedicated Foundation sale area, and newly created study rooms. The City of San Ramon allocated \$4.24 million to the main phase of the construction process in May 2015.

In order to complete the project, the Library will need to close for approximately eighteen months. Although the schedule could change as the project moves forward, the current timeline anticipates that the main San Ramon Library will be closed from August 17, 2015 through February 28, 2017.

Due to the closure, San Ramon Library staff will be deployed to cover vacant positions at other community libraries. Some staff will be redeployed for additional coverage at the Dougherty Station Library, also located within the City of San Ramon; staff at the Dougherty Station Library will also be staffing, on a rotational basis, the small outlet Library planned for the San Ramon Community Center. Resulting salary savings are estimated to be approximately \$496,883 over the full 18-month period. These operational savings will be spent to benefit library services in San Ramon in a way agreed to by the County Librarian and the City of San Ramon. Possibilities include funding additional open hours once the library reopens, enhancing the collections or purchasing furniture or equipment for the San Ramon Library.

In the past, operational savings resulting from closed libraries have been used to benefit library services in that community, most recently in Walnut Creek and Martinez.

CONSEQUENCE OF NEGATIVE ACTION:

The City of San Ramon has allocated \$4.24 million towards the expansion and renovation process; if not approved, the renovation process would be unable to move forward and the City's funding towards the effort will be stalled.

CHILDREN'S IMPACT STATEMENT:

The newly expanded and renovated Library will feature a larger children's area with additional programming spaces, computers, and seating.

the county provides energy bill assistance payments and weatherization services to county residents who are income-eligible to receive said services. The funding sources include Low Income Home Energy Assistance Program (LIHEAP), the Energy Crisis Intervention Program (ECIP), and the Department of Energy (DOE).

The county receives the money via the Employment & Human Services Department (EHSD). EHSD, in turn, partners with the county Department of Conservation and Development to provide energy saving home improvements to low-income families throughout unincorporated Contra Costa County, as well as the County's nineteen cities.

The energy savings measures may provide homes with hot water heaters, furnaces, refrigerators, microwaves, doors, windows, fluorescent light bulbs, weather stripping, ceiling fans, and attic insulation. Homes receive a blower door test (a diagnostic tool to locate and correct air infiltration), and homes with gas appliances receive a combustion appliance safety test that checks for carbon monoxide gas leakage. Homes with gas appliances are provided with a carbon monoxide alarm.

The program uses income based eligibility. The income levels are based on the Federal Fiscal Year 2014 Poverty Guidelines. Once eligibility is determined, clients with no hot water, no heat, or are in danger of having their power shut off are served as emergencies. Service is then based on clients with the lowest income, highest energy burden and families with at least one resident who is considered vulnerable population.

The Board approved receipt of funding on February 3, 2015 (C.28). The Board approved receipt of additional funding on July 7, 2015 (C.73). The board approved a second amendment to this contract on April 19, 2016 (C.26) to extend the term of the contract by one month. This board order is to change the term end date from June 30, 2016 to December 31, 2016 and to reduce the payment limit due to the State Department of Community Services and Development reallocating monies from Senate Bill 535 proceeds.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, County may not receive funding to operate the weatherization program.

CHILDREN'S IMPACT STATEMENT:

The Employment & Human Services Department, Community Services Bureau energy program supports one Contra Costa County community outcome - Outcome #4: "Families that are Safe, Stable and Nurturing." This outcome is supported by the provision of home energy assistance to keep households warm in winter and to increase household energy efficiency.

Subject: Agreement #16-0416-SF Pierce's Disease Control Program

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Agricultural Commissioner, or designee, to execute a contract with the California Department of Food and Agriculture to pay the department an amount not to exceed 398,304 for the Pierce's Disease Control Program for the period of July 1, 2016 through June 30, 2018.

FISCAL IMPACT:

This agreement reimburses the Department for all associated costs incurred for the implementation of the pierce's Disease Control Program, in an amount not to exceed \$398,304 during the fiscal years July 2016/June 2017 and July 2017/June 2018. There is no match requirement and no negative impact to the county general fund. This revenue has been anticipated in the FY departmental budget.

BACKGROUND:

The County Department of Agriculture deploys traps, inspects incoming nursery shipments, landscaping and host crops countywide to detect incipient infestation of Glassy-winged Sharpshooter (GWSS). Any population of GWSS detected is delimited and controlled or eradicated. The California Department of Food and Agriculture (CDFA), reimburses the County for all costs involved

Subject: Housing Opportunities for Persons with HIV/AIDS Funding Agreement between the City of Oakland and the County of Contra Costa

RECOMMENDATION(S):

1. APPROVE the allocation of the 2016 Housing Opportunities for Persons with HIV/AIDS funds as follows: \$155,234 to the County Health Services HIV/AIDS program, \$369,231 for housing development, and \$39,476 for program administration; and
2. APPROVE and AUTHORIZE the Conservation and Development Director, or designee, to enter into a fiscal year 2016 funding agreement with the City of Oakland that authorizes the County to administer \$563,941 in Housing Opportunities for Persons with HIV/AIDS funds for housing and supportive services for low-income persons with HIV/AIDS, for the period July 1, 2016 through June 30, 2019.

FISCAL IMPACT:

No General Fund impact. Housing Opportunities for Persons with HIV/AIDS funds are provided through the U.S. Department of Housing and Urban Development (HUD) to the City of Oakland, as administering agent. Consistent with HOPWA regulations, \$39,476 is designated to cover staff costs associated with program administration.

BACKGROUND:

The National Affordable Housing Act (Public Law 101-625, approved November 28, 1990) authorizes the Housing Opportunities for Persons with HIV/AIDS Program (HOPWA) to provide states and localities with resources to devise long-term comprehensive strategies for meeting the housing needs of persons with HIV/AIDS and related diseases.

The City of Oakland (City) is the HOPWA grant recipient for Alameda and Contra Costa counties. The City allocates HOPWA funds between the counties based on the number of HIV/AIDS cases. Approval of a funding agreement with the City will provide \$563,941 in fiscal year 2016 funds to the County. These funds may be used for site acquisition, rehabilitation and new construction of affordable housing; supportive services; housing information services; rent and utility subsidies; and certain other housing related activities for low-income persons with HIV/AIDS in both incorporated and unincorporated areas of the County.

The Contra Costa Consortium (County staff and staff from the cities of Antioch, Concord, Pittsburg, Richmond, and Walnut Creek) makes funding recommendations to the Board of Supervisors. County Conservation and Development (DCD) and Health Services (HSD) departments staff coordinate periodically to identify and address the housing and housing-related services needs of low-income persons with HIV/AIDS in Contra Costa County. Funding allocations are based on factors such as client needs and timely expenditure of HOPWA funds.

HSD HIV/AIDS program activities include housing advocacy and assistance services, including client intake, housing needs assessment, assistance with locating affordable housing, assistance with housing-related benefit applications, development and implementation of client housing plans, emergency assistance funds, follow-up to ensure receipt of benefits and housing, and referral to other services. In fiscal year 2016/17, HSD will continue a Short Term Rental Mortgage and Utility Assistance Program (STRMU) as part of a homeless prevention strategy, intended to reduce the risks of homelessness and to improve access to health care and other needed support. STRMU will involve efforts to restore client self-sufficiency and future independence from housing support by the end of the program's term. This will be accomplished through the use of time-limited housing assistance payments for eligible individuals and by the creation of individual housing service plans that include an assessment of current resources and the establishment of long-term goals for recipient households.

CONSEQUENCE OF NEGATIVE ACTION:

If the Board does not approve the fiscal year 2016 HOPWA funding agreement with the City of Oakland, the County would not receive and administer \$563,941 in HOPWA funds, and low-income persons with HIV/AIDS in the County would lose vital housing and supportive services.

ATTACHMENTS

2016 HOPWA Funding Agreement

**FUNDING AGREEMENT BETWEEN
THE CITY OF OAKLAND AND CONTRA COSTA COUNTY
FOR THE 2016 HOPWA PROGRAM**

This funding agreement ("Agreement") is dated July 1, 2016, and is between the City of Oakland, a municipal corporation (the "City"), and the County of Contra Costa, a political subdivision of the State of California, (the "County" or "Project Sponsor").

Grant Number – _____

RECITALS

- A. The City has received Housing Opportunities for Persons with AIDS Program funds from the United States Department of Housing and Urban Development ("HUD") pursuant to the HOPWA Program (the "HOPWA Funds"). The HOPWA Funds must be used in accordance with 24 C.F.R. Section 574 et seq.
- B. The County is a project sponsor under the HOPWA Program. The City and the County desire that the County receive and administer **\$563,974** of the HOPWA Funds on the City's behalf (the "HOPWA Allocation").
- C. The Oakland City Council passed Resolution Number 85847 C.M.S., Resolution Number 86188 C.M.S., and Resolution Number 85582 C.M.S. authorizing this agreement with Contra Costa County for the HOPWA Program.
- D. Using the selection process set forth in Schedule A, the County will contract with one or more nonprofit housing developers (each a "Developer") and service providers (each a "Subrecipient") to carry out projects that result in housing development, supportive services, and/or homeless prevention activities for persons with HIV/AIDS. The County will also monitor the Subrecipients' and Developers' performance under the contract(s).

The parties therefore agree as follows:

AGREEMENT

1. PERFORMANCE PERIOD

The term of this Agreement begins July 1, 2016 and ends June 30, 2019.

2. FUNDING AMOUNT

The HOPWA Allocation shall not exceed **\$563,974**. The County may use up to seven percent (7%) of the funds allocated to a particular project ("Project Activity Funds") for project sponsor administrative expenses.

3. PROJECT SELECTION; BUDGET; DEVELOPERS/SUBRECIPIENTS

The County shall select projects to be undertaken (“Activities”) pursuant to this Agreement in accordance with the priority-setting and selection process set forth in Schedule A. A list of Developers, Subrecipients and Activities approved by both the City and the County will be attached to this Agreement as Schedule C once the list is approved by both the City and the County, which Schedule C shall immediately form part of this Agreement. The County shall use the HOPWA Allocation in accordance with the budget set forth in Schedule B. The HOPWA Allocation may only be used for activities (i) identified in Schedule B that are carried out by the corresponding Developers or Subrecipients identified on Schedule C or (ii) consistent with the activities described in Section 7 – Use of Funds, below

4. CONTRACTING

The County shall administer the HOPWA Allocation to provide housing development, support services, and/or homeless prevention activities for persons with HIV/AIDS. For this purpose, the County shall contract with approved Subrecipients and/or Developers to carry out Activities that are (i) identified on Schedule B, or (ii) consistent with the eligible activities described in Section 7 – Use of Funds, below. Prior to the execution of any proposed contract in connection with this Agreement, the County shall submit a staff report allocating funds and describing the proposed Activities to be funded. The City reserves the right to review and approve the contract, and will provide any comments within 15 days of receipt. Following the execution of any contract by the County in connection with this Agreement, the City reserves the right to monitor the performance of the Subrecipient and/or Developer under the contract. The City shall ensure that the County appropriately administers and monitors said contracts.

5. FUNDING DISTRIBUTION

The County shall distribute the HOPWA Allocation to Subrecipients and Developers in the County of Contra Costa.

6. PROGRAM REQUIREMENTS

The County is responsible for ensuring that Subrecipients and Developers comply with all HOPWA Program requirements, as set forth in 24 CFR Part 574, the AIDS Housing Opportunity Act, as amended by the Housing and Community Development Act of 1992, and any other program requirements imposed by HUD. The relevant requirements are hereby incorporated into this Agreement by reference. The City shall ensure that the County and Subrecipients and Developers comply with the HOPWA Program requirements.

7. USE OF FUNDS

Subject to applicable requirements described in HOPWA regulation Title 24 C.F.R. sections 574.310, 574.320, 574.330, and 574.340, the HOPWA Allocation is meant to assist all forms of housing designed to assist Low Income Persons with HIV/AIDS, including preventing homelessness, providing emergency housing, shared housing arrangements, apartments, single room occupancy (SRO) dwellings, and community residences. Appropriate supportive services, as required by sections 574.310(a), must be provided as part of any HOPWA-assisted housing, but the County may use the HOPWA Allocation to provide services independent of any housing activity. The County shall ensure that the HOPWA Allocation is used only for HOPWA-eligible activities as described below and are approved by the City and are identified in Schedule B:

- a. Housing information services including, but not limited to, providing counseling, information and referral to assist an eligible person to locate, acquire, finance and maintain housing. This may include Fair Housing counseling for eligible persons who may encounter discrimination on the basis of race, color, religion, sex, age, national origin, familial status, or handicap;
- b. Resource identification to establish, coordinate and develop housing assistance resources (preliminary research, determining feasibility of specific housing related initiatives).
- c. Acquisition, rehabilitation, conversion, lease, and repair of facilities to provide housing and services.
- d. New construction (SROs and community residences only).
- e. Project or tenant-based rental assistance, including assistance with shared housing arrangements.
- f. Short-term rent, mortgage, and utility payments to prevent homelessness.
- g. Supportive services including, but not limited to health, mental health assessment, permanent housing placement, drug and alcohol abuse treatment and counseling, day care, personal assistance, nutritional services, intensive care when required, and assistance in gaining access to local State and Federal government benefits and services, except that health services may only be provided to individuals with acquired immunodeficiency syndrome or related diseases and not to family members of these individuals;
- h. Operating costs for housing, including maintenance, security, operation, insurance, utilities, furnishings, equipment and other incidental costs.

- i. Technical assistance in establishing and operating a community residence, including planning and other predevelopment or pre-construction expenses and outreach and education regarding HIV/AIDS to persons residing in close proximity.

8. MONITORING AND REPORTING

The County shall conduct an ongoing assessment of the housing assistance and supportive services provided by the Subrecipients and Developers with the HOPWA Allocation. The County shall conduct the reasonable and necessary recordkeeping and reporting activities described below, which have been established by the City for the purpose of carrying out the City's HOPWA program in an effective and efficient manner. Where appropriate, reports and records shall include client race and ethnic data.

- a. The County shall provide quarterly reports to the City. Quarterly reports shall include all required data and narrative updates of HOPWA activities listed in Schedule B to report to HUD regarding HOPWA activities through the Integrated Disbursement and Information System (IDIS) and the Consolidated Annual Performance & Evaluation Report (CAPER). Quarterly reports are due thirty days following the end of each of the first three quarters of the fiscal year, on October 30, January 30, and April 30.
- b. The County shall submit annual reports to the City not later than July 31 of each year. Annual reports are to be submitted using HUD's HOPWA Consolidated Annual Progress & Evaluation Report-CAPER – *form HUD-40110-D, form HUD-60002*, Section 3 Summary Report, Economic Opportunities for Low- and Very Low-Income Person and the HOPWA Beneficiary Verification form.

Reporting requirements and the CAPER & Beneficiary Verification forms can be accessed at the following sites:

<https://www.onecpd.info/resource/1011/hopwa-caper-form-hud-40110-d/> and <http://www.hudhre.info/documents/HOPWACAPERBeneficiaryVerification.doc>

- c. The County shall conduct ongoing assessment of service provided by Subrecipients and Developers. County may monitor those Subrecipients and Developers who continue to provide the same or similar services each year and have not had any audit findings in the preceding year every other year, but at least every third year. By May 30th of each year, County shall develop a preliminary monitoring schedule for the next fiscal year. The County shall use a risk assessment tool to determine which Subrecipients and Developers will be monitored. Existing Subrecipients and Developers that have the highest number of risk factors, as determined by the County, along with new Subrecipients and Developers that have never been monitored by the County, will be given the highest priority for monitoring. Subrecipients and Developers with multiple findings during initial monitoring should be monitored by

the County annually throughout the term of the contract. The City will partner with the County for monitoring of Subrecipients and Developers.

9. ADMINISTRATIVE EXPENSES

The amounts designated as administrative funds in the Budget are to be used as administrative expenditures related to carrying out the HOPWA program activities, housing, and services described in this Agreement in compliance with 24 C.F.R. § 574.500 and 2 CFR§ 225 .

10. METHOD OF PAYMENT

The County may submit requests for payment to the Community Housing Services Division of the City of Oakland's Human Services Department no more than once per month and not less than once per quarter. When submitting a request for payment, the County shall use the Request for Payment form. Each Request for Payment form will include a summary of the funds expended, by budget category and Subrecipients and Developers, for the months for which funds are requested.

The County shall retain, for review by the City, documentation to support the funding requested. In order to receive payment, each request must be substantiated by documentation reasonably sufficient to support the payment requested by the County including documentation of rate and hours for staff and consultant and invoices for non-personnel costs. The County shall grant access to representatives of the City to any supporting documentation within seven days after receipt of a written request by the City.

Funds disbursed to the County may not exceed the amount set forth in the Budget attached as Schedule B. The City's Community Housing Services staff shall verify and approve requisitions and required supporting data for accuracy and programmatic compliance prior to submitting them to the City's Grants and Projects Division for payment. Relevant reports and documents are to be submitted as required within the context of this Agreement. The County's failure to comply with these requirements will cause a delay in payment and could result in termination of the Agreement. The City shall process and forward all eligible payment requests to the City's Grants and Projects Division within ten working days of their receipt by the City's Community Housing Services staff. The City shall be responsible for the IDIS system, setting up all projects and activities, and tracking budgets in the HUD system. The City shall draw funds as required for timely reimbursement. The County shall endeavor to assist the City in IDIS management as needed.

All authorized financial obligations incurred in the performance of this Agreement must be reported to the City within sixty (60) days of the expiration of the Performance Period under the Agreement, as such period may be adjusted from time to time. No claims

submitted after the sixty day period shall be recognized as binding upon the City for reimbursement. Any financial obligation and/or debts incurred by the County and not reported to the City within the sixty day period may become the sole liability of the County, and the City may be relieved of any and all responsibilities unless there is a justifiable cause and valid reason of delayed submission.

11. AUDIT REPORT

In addition to the reporting requirements listed in Section 8 – Monitoring and Reporting, the County shall commission an independent auditing firm to prepare and file with the City an annual audit report for each year during the term of this Agreement. The County's failure to submit the audit report may result in the termination of this Agreement.

The audit report shall be submitted to the City by March 30th of each year during the term of this Agreement. The audit report shall be made in accordance with the provisions of the Federal Office of Management and Budget Circular A-128. The City will use the audit report to determine whether:

1. The financial statements of the County present fairly its financial position and the results of its operations in accordance with generally accepted accounting principles.
2. The County has (i) an internal control structure to provide reasonable assurance that the County is managing Federal awards in compliance with applicable laws and regulations, and (ii) controls that ensure compliance with laws and regulations that could have a material impact on the County's financial statements.
3. The County has complied with laws and regulations for the HOPWA Program that may have a direct and material effect on the County's financial statements.

The County shall also submit any internal control monitoring (or audit) conducted during the term of this Agreement to the City. The County shall require Subrecipients and Developers with which the County contracts in connection with this Agreement to meet the same audit requirements set forth in this Section 11.

12. INDEMNITY

The County shall indemnify and hold the City, its Councilmembers, officials, directors, employees, and agents harmless from any losses, damages, liabilities, claims, demands, judgments, actions, court costs, and legal or other expenses (including attorneys' fees) that the City may incur as a result of (i) the improper use of HOPWA Allocation by the County, (ii) the County's failure to perform its obligation to monitor the use of HOPWA Allocation under this Agreement, or (iii) any demand by HUD to the City for reimbursement of any HOPWA Allocation to the extent such demand is based on the negligent acts or omissions or willful misconduct of the County. The duty of the County

to indemnify includes the duty to defend the City in any court action, administrative action, or other proceeding brought by any third party, including HUD, to the extent such action or proceeding arises as a result of the County's negligence or willful misconduct in the performance of its obligations under this Agreement. The County's duty to indemnify shall survive the term of this Agreement.

The County shall require each Subrecipients and Developers to indemnify and defend the City to the same extent and in the same manner as described in the first paragraph of this Section 12 from the consequences of the Subrecipients and Developers act or omission involving negligence or willful misconduct in the performance of its obligations under contracts entered into in connection with this Agreement.

The City shall indemnify and defend the County to the same extent and in the same manner as described in the first paragraph of this Section 12 from the consequences of the City's act or omission involving negligence or willful misconduct in the performance of its obligations under this Agreement.

The party with the obligation to indemnify pursuant to this Section 12 shall pay the indemnified parties as soon as practicable following the determination of the amount due.

13. PROMPT PAYMENT

This Agreement is subject to the Prompt Payment Ordinance codified in Chapter 2.06 of the Oakland Municipal Code. Under said Ordinance, the City must disburse grant funds to a Project Sponsor within 20 business days after receipt of an undisputed request for payment. An undisputed request for payment is a request for payment that is not a "disputed invoice" within the meaning of the Prompt Payment Ordinance. Under the ordinance, a "disputed invoice" is an invoice or request for payment that is either (1) improperly executed by Project Sponsor, (2) contains errors, (3) requires additional evidence to determine its validity, and/or (4) contains expenditures or proposed expenditures that are ineligible or that do not otherwise comply with reimbursement or disbursement requirements of the City or another grant funding source. If a request for payment is "disputed," the payment/disbursement shall not be subject to late penalties until the dispute is resolved. In the event a request for payment is disputed, the City shall notify the Project Sponsor and the City's Liaison (as defined in the Prompt Payment Ordinance) in writing within five business days of receiving the disputed request for payment that there is a bona fide dispute, in which case the City shall withhold the disputed amount and may withhold the full amount if the funding source for the grant requires that the disputed expenditures be fully resolved prior to any disbursement of grant funds. If the funding source for the grant requires its review and approval before payments are made to a Project Sponsor, this period shall be suspended for any period of review by said agency. If any amount due by the City to be disbursed to a Project Sponsor pursuant to this Agreement is not timely paid in accordance with the Prompt Payment Ordinance, the Project Sponsor is entitled to interest penalty in the amount of 10% of the improperly withheld amount per year for every month that payment is not

made, provided that the Project Sponsor agrees to release the City from any and all further claims for interest penalties that may be claimed or collected on the amount due and paid. Grant recipients that receive interest penalties for late payment pursuant to the Prompt Payment Ordinance may not seek further interest penalties on the same late payment in law or equity.

The Prompt Payment Ordinance further requires that, unless specific exemptions apply, a Project Sponsor shall pay undisputed invoices of its subcontractors for goods and/or services within 20 business days of submission of invoices unless the Project Sponsor notifies the City's Liaison in writing within five business days that there is a bona fide dispute between the Project Sponsor and claimant, in which case the Project Sponsor may withhold the disputed amount but shall pay the undisputed amount. Disputed payments are subject to investigation by the City's Liaison and, upon the filing of a complaint, the Project Sponsor, if opposing payment, shall provide security in the form of cash, certified check or bond to cover the disputed amount and penalty during the investigation. If the Project Sponsor fails or refuses to deposit security, the City will withhold an amount sufficient to cover the claim from the next grant payment. The City, upon a determination that an undisputed invoice or payment is late, will release security deposits or withholds directly to claimants for valid claims. A Project Sponsor is not allowed to retain monies from subcontractor payments for goods as project retention, and is required to release subcontractor project retention in proportion to the subcontractor services rendered, for which payment is due and undisputed, within five business days of payment. For the purpose of posting on the City's website, the Project Sponsor is required to file notice with the City of release of retention and payment of mobilization fees, within five business days of such payment or release. In addition, the Project Sponsor is required to file an affidavit, under penalty of perjury, that he or she has paid all subcontractors, within five business days following receipt of payment from the City. The affidavit shall provide the names and addresses of all subcontractors and the amount paid to each.

14. INVESTIGATION AND/OR DISCIPLINE DISCLOSURE

Project Sponsor and any and all Subrecipients and Developers shall submit information concerning any investigations and/or discipline imposed by any state or federal authorities by completing Schedule V – Affidavit of Non-Disciplinary or Investigatory Action and Schedule Z – Certification of Debarment and Suspension.

15. INSURANCE

Unless a written waiver or self-certification is obtained from the City's Risk Manager, County must provide the insurance listed in the City of Oakland **Insurance Requirements** attached hereto as **Schedule Q** and incorporated herein by reference.

16. TERMINATION OR MODIFICATION FOR LACK OF APPROPRIATION

The City's obligations under this Agreement are contingent upon the availability of funds from the funding source for this Agreement. The City may terminate this Agreement on 30 days' written notice to County without further obligation if said funding is withdrawn or otherwise becomes unavailable for continued funding of the Agreement. After termination of this Agreement the City shall pay all amounts due to the County under this Agreement within 30 days of receipt of invoice from County

17. NON-DISCRIMINATION AND EQUAL EMPLOYMENT PRACTICES

County shall not discriminate or permit discrimination against any person or group of persons in any manner prohibited by federal, state or local laws. During the performance of this Agreement, County agrees as follows:

- a. County and Subrecipients and Developers, shall not discriminate against any employee or applicant for employment because of age, marital status, religion, gender, sexual preference, race, creed, color, national origin, Acquired-Immune Deficiency Syndrome (AIDS), AIDS-Related Complex (ARC) or disability. This nondiscrimination policy shall include, but not be limited to, the following: employment, upgrading, failure to promote, demotion or transfer, recruitment advertising, layoffs, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- b. County and Subrecipients and Developers shall state in all solicitations or advertisements for employees placed by or on behalf of County that all qualified applicants will receive consideration for employment without regard to age, marital status, religion, gender, sexual preference, race, creed, color, national origin, Acquired-Immune Deficiency Syndrome (AIDS), AIDS-Related Complex (ARC) or disability.
- c. County shall make its goods, services, and facilities accessible to people with disabilities and shall verify compliance with the Americans with Disabilities Act by executing **Schedule C-1, Declaration of Compliance with the Americans with Disabilities Act**, attached hereto and incorporated herein.
- d. If applicable, County will send to each labor union or representative of workers with whom County has a collective bargaining agreement or contract or understanding, a notice advising the labor union or workers' representative of County's commitments under this nondiscrimination clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

18. EQUAL BENEFITS ORDINANCE

This Agreement is subject to the Equal Benefits Ordinance codified in Chapter 2.32 of the Oakland Municipal Code and its implementing regulations. The purpose of this ordinance is to protect and further the public, health, safety, convenience, comfort, property and general welfare by requiring that public funds be expended in a manner so as to prohibit discrimination in the provision of employee benefits by City Project Sponsors between employees with spouses and employees with domestic partners, and/or between domestic partners and spouses of such employees. (Ord. 12394 (part), 2001)

The ordinance shall only apply to those portions of a Project Sponsor's operations that occur (1) within the City of Oakland; (2) on real property outside the City of Oakland if the property is owned by the City or if the City has a right to occupy the property, and if the contract's presence at that location is connected to a contract with the City; and (3) elsewhere in the United States where work related to a City contract is being performed. The requirements of this chapter shall not apply to subcontracts or Subrecipients and Developers of any contract with Project Sponsor.

The Equal Benefits Ordinance requires among other things, submission of the Equal Benefits-Declaration of Nondiscrimination attached and incorporated herein as Schedule N-1.

19. LIVING WAGE ORDINANCE

Project Sponsor will be considered a City Financial Assistance Recipient ("CFAR") and must comply with the Oakland Living Wage Ordinance if it receives \$100,000 or more in financial assistance from the City during a 12-month period. The Living Wage Ordinance requires that nothing less than a prescribed minimum level of compensation (a living wage) be paid to employees of CFARs (Ord. 12050 § 1, 1998). The Ordinance also requires submission of the Declaration of Compliance attached and incorporated herein as Schedule N and made part of this Agreement, and, unless specific exemptions apply or a waiver is granted, the consultant must provide the following to its employees who perform services under or related to this Agreement:

- a. Minimum compensation – Said employees shall be paid an initial hourly wage rate of \$12.55 with health benefits or \$14.86 without health benefits. These initial rates shall be upwardly adjusted each year no later than April 1 in proportion to the increase at the immediately preceding December 31 over the year earlier level of the Bay Region Consumer Price Index as published by the Bureau of Labor Statistics, U.S. Department of Labor. Effective July 1st of each year, Project Sponsor shall pay adjusted wage rates.
- b. Health benefits – Said full-time and part-time employees paid at the lower living wage rate shall be provided health benefits of at least \$1.83 per hour. Project Sponsor shall provide proof that health benefits are in effect for those employees no later than

30 days after execution of the contract or receipt of City financial assistance.

- c. Compensated days off – Said employees shall be entitled to twelve compensated days off per year for sick leave, vacation or personal necessity at the employee's request, and ten uncompensated days off per year for sick leave. Employees shall accrue one compensated day off per month of full time employment. Part-time employees shall accrue compensated days off in increments proportional to that accrued by full-time employees. The employees shall be eligible to use accrued days off after the first six months of employment or consistent with company policy, whichever is sooner. Paid holidays, consistent with established employer policy, may be counted toward provision of the required 12 compensated days off. Ten uncompensated days off shall be made available, as needed, for personal or immediate family illness after the employee has exhausted his or her accrued compensated days off for that year.
- d. Federal Earned Income Credit (EIC) – Project Sponsor shall inform employees that he/she may be eligible for earned income credits and shall provide forms to apply for advance EIC payments to eligible employees.
- e. Project Sponsor shall provide to all employees and to the Office of Contract Compliance, written notice of its obligation to eligible employees under the City's Living Wage requirements. Said notice shall be posted prominently in communal areas of the work site(s) and shall include the above-referenced information.
- f. Project Sponsor shall provide all written notices and forms required above in English, Spanish or other languages spoken by a significant number of employees within 30 days of employment under this Agreement.
- g. Reporting – Project Sponsor shall maintain a listing of the name, address, hire date, occupation classification, rate of pay and benefits for each of its employees. Project Sponsor shall provide a copy of said list to the Office of Contract Compliance, on a quarterly basis, by March 31, June 30, September 30 and December 31 for the applicable compliance period. Failure to provide said list within five days of the due date will result in liquidated damages of five hundred dollars (\$500.00) for each day that the list remains outstanding. Project Sponsor shall maintain employee payroll and related records for a period of four (4) years after expiration of the compliance period.
- h. Project Sponsor shall require Subrecipients and Developers that provide services under or related to this Agreement to comply with the above Living Wage provisions. Project Sponsor shall include the above-referenced sections in its subcontracts. Copies of said subcontracts shall be submitted to the Office of the City Administrator, Contract Compliance & Employment Services Division.

20. LITIGATION AND PENDING DISPUTE DISCLOSURE

Project Sponsor shall promptly give notice in writing to the City of any litigation pending or threatened against Project Sponsor in which the amount claimed is in excess of \$50,000. Project Sponsor shall disclose, and represents that it has disclosed, any and all pending disputes with the City prior to execution of this Agreement on **Schedule K**, incorporated herein by reference. Failure to disclose pending disputes prior to execution of this Agreement shall be a basis for termination of this Agreement.

21. NOTICE

If either party desires or is required to give notice to the other, such notice shall be given in writing by prepaid U.S. certified or registered postage, addressed to recipient as follows:

SCHEDULE A

PRIORITY SETTING AND SELECTION PROCESS

The County, in consultation with the City as laid out below, shall allocate and award the HOPWA allocation received under this contract to eligible entities (“Subrecipients” and “Developers”) to carry out HOPWA-eligible activities within the County’s jurisdiction, and shall monitor and report on the results. This work shall be carried out consistent with the following requirements:

1. Consolidated Planning Process

The City prepares a Consolidated Plan and an annual Action Plan as a requirement for participation in certain federal housing programs funded through the U.S. Department of Housing and Urban Development, including the HOPWA program. The County will coordinate the development of such information as is required to substantially complete all narratives, tables and other sections related to HOPWA funds and activities, unmet HIV/AIDS housing and supportive service needs, and priorities and strategies within the County, and provide this information to the City in a format to be determined by the City. The City shall present the County with a schedule of needed information well in advance of deadlines, and shall closely coordinate on compiling required information.

The City will include the County’s HOPWA priorities and contemplated allocation of resources among eligible funding categories in the Consolidated Plan and/or Annual Plan.

2. Establishment of Priorities

In consultation with the City and other stakeholders in the community, the County will recommend priorities for the HOPWA funds, categories for funding, and a method and schedule for awarding funds within the County.

In preparing these recommendations the County will use, but is not limited to, information from the following sources and planning documents:

- The most recent HOPWA or HIV/AIDS housing needs assessment;
- The most recent Oakland TGA HIV/AIDS Health Services Comprehensive Plan (the “Comprehensive Plan”), required for participation in programs funded through the U.S. Department of Health and Human Services’ Ryan White Program.
- The Continuum of Care Plan, 10-year Plan or other plans adopted by the Board of Supervisors to address homelessness and housing crises in the County, and any updates or addenda to this Plan.
- Other relevant documents or needs assessments related to housing needs, homelessness, HIV/AIDS prevalence and related matters.

The County’s recommendations will take into consideration the priorities of the community

as expressed in any comprehensive HIV/AIDS housing needs assessment, and shall endeavor to incorporate recommendations from relevant homeless or housing plans, changes in the HIV/AIDS epidemic that may change the demand for HIV/AIDS housing and related services, and priorities established by complementary funding streams which HOPWA funds may be used to leverage.

3. Consultation with Local HIV/AIDS Advisory Bodies:

The County shall, either in the creation of a comprehensive needs assessment as referenced above, or through other means of consultation, consult with the following agencies: the County department with responsibility for HIV/AIDS care, the HIV/AIDS Planning Council, which sets priorities for Ryan White funding; with the cities and/or entitlement jurisdictions that participate in county-level housing planning; public and private organizations involved in the provision of housing and services to persons living with HIV/AIDS; and other local interest groups.

4. Public Meetings

The County will strive to encourage persons with HIV/AIDS, their families and advocates to express their views and ideas of what they perceive as community development and housing needs in the County through the above mentioned priority-setting processes.

The County will include a discussion of HOPWA in its meetings for its Annual Action Plan. Meeting participants will be provided with information about the HOPWA program, amount of HOPWA funds available, eligible activities, and the application process.

In addition, the County shall cause an annual meeting to be held for coordination of HIV/AIDS programs. The widely publicized public meeting will be held to advise residents and nonprofit organizations of program requirements and processes to be followed in developing and approving applications for federal grant programs, including HOPWA.

Meeting participants will be provided with information about the HOPWA program, funds available for both housing and community development activities and for planning and administrative activities. Citizens, public agencies, and other interested parties will have information available to them, including the specific amount of assistance the County expects to receive and the range of eligible activities that may be undertaken. This information will be published in the non-legal section of one or more newspapers of general circulation at least thirty (30) days prior to the date applications for funding are due. The City may conduct additional public meetings at various stages of the funding process. Meetings will be scheduled at times and locations that permit broad participation by very low and low-income persons. When needed or upon request, translators will be made available for non-English speaking attendees and the hearing-impaired.

5. Recommendations for Funding Categories and Allocations

Based on HOPWA priorities established through the consultative process described above, the County will develop recommendations concerning the amount of HOPWA funds to be allocated to each eligible funding category. The County will present these recommendations to the City for its review and comment. City approval will depend on the County's proposal being: (a) consistent with the City's established community priorities, and (b) eligible for receipt of HOPWA funds in accordance with HOPWA regulations and guidance.

6. Competitive Application Process

HOPWA funds will be allocated to eligible activities consistent with the established funding priorities through one or more competitive application processes seeking program Subrecipients and Developers to work directly with people living with HIV/AIDS. The City may participate in this process as an observer and may provide technical assistance. The County will host public meetings to discuss the use of HOPWA funds in the County's jurisdiction and to provide technical assistance to potential applicants in developing eligible projects. Additional technical assistance will be available upon request.

The County is responsible for overall implementation of the competitive application. The Notices of Funding Availability (NOFAs) will be sent to all interested parties. The County will convene a review panel consisting of County staff and representatives from a selected number of cities or other parties with knowledge of the community who do not have a conflict of interest. The funding recommendations from the County will be based on the following established criteria: consistency with established priorities; eligibility under federal regulations; alleviation of identified needs; target population; project feasibility and cost-effectiveness; experience; outreach and affirmative marketing program; and project readiness.

7. Funds Awarded and Distributed

Following completion of the competitive application process described above, the County shall submit to the City a description of the priority-setting, selection process and a list of selected Subrecipients and Developers. Activities and expected timelines approved by both the City and the County will be attached to this Agreement as Schedule A, and shall be incorporated into the HOPWA funding agreement between the City and the County.

The City will review the proposed projects to confirm eligibility under federal regulations and contracting requirements (24 CFR Part 574). If the proposed projects comply with federal HOPWA regulations, the City will approve the projects and so inform the County. If the City finds that the proposed projects are inconsistent with federal HOPWA regulations, the City will so inform the County and provide a rationale for its finding(s). Unless rejected by the City in writing within thirty (30) days after receipt of the staff report and budget allocation report, the projects will be deemed accepted.

Following approval by the City, the County will submit the recommended projects and program Subrecipients and Developers to the County Board of Supervisors for its review and approval. Once approved by the County Board of Supervisors, the County will submit a final Schedule C to the City.

Any HOPWA eligible Program Delivery costs associated with any of the Developer of Subrecipient contracts are built into the budget line item for Developer or Subrecipient per 24 CFR 574.3.

8. Contract Renewals

In order to encourage continuity and cost-effectiveness in the provision of services, the County shall consider two-year contracts for housing operations, housing counseling and supportive service projects and/or programs. Projects and/or programs will be evaluated after the first year of performance. Second-year implementation will be contingent upon funds availability and a satisfactory performance evaluation. The County will provide the City with information regarding the second-year funding recommendations.

SCHEDULE B

2016 HOPWA PROGRAM BUDGET

A detailed budget will be developed by the County and submitted to the City for approval. Once approved, it will be attached to this Agreement as Schedule B, and shall be incorporated into the HOPWA funding agreement between the City and the County.

Instructions for Certification A

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.
4. The prospective primary participant shall provide immediate written notice to the department/agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
6. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary" covered transaction," "principal," "proposal" and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549: 49CFR Part 76. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
7. The prospective primary participant further agrees by submitting this proposal that it will included the clause titled" Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, to all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals.
9. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

ABSENT: Karen Mitchoff, District IV Supervisor
By: Chris Heck, Deputy

Contact: Dan Peddycord, 313-6712

BACKGROUND: (CONT'D)

10, 2013, the Board of Supervisors approved Standard Agreement #28-849 (as amended by Extension Agreement #28-849-1 and Amendments #28-849-2 and #28-849-3), with the California Department of Public Health, for County to provide residents of Contra Costa County access to medical and support care services, including outreach and treatment under the HIV Care Program and Minority AIDS Initiative project, for the period from July 1, 2013 through March 31, 2016, which included agreeing to indemnify and hold the State harmless for claims arising out of the County's performance under the Agreement.

Approval of Contract #28-849-4 will provide residents of Contra Costa County access to medical and support care services, including outreach and treatment under the HIV Care Program and Minority AIDS Initiative project, for the period from April 1, 2016 through March 31, 2019, including agreeing to indemnify and hold the State harmless for claims arising out of the County's performance under the Agreement.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, County will not receive the necessary funding to support the reduction in transmission of HIV, provide prevention services that will reduce hospitalization; and to provide support to HIV positive individuals in their homes; or to support compliance with State and Federal requirements for reporting of communicable disease.

APPROVE and AUTHORIZE the Health Services Director, or designee, to accept on behalf of the County, Grant Award #28-865-2 from Kaiser Permanente, Community Benefit Programs, to pay the County an amount up to \$50,000 in funding for the East County Outpatient Lactation Support Project, for the period from July 1, 2016 through June 30, 2017.

FISCAL IMPACT:

Acceptance of this Grant Award will result in up to \$50,000 in funding from Kaiser Permanente, Community Benefit Programs. No County match required.

BACKGROUND:

The goal of the East County Outpatient Lactation Support Project is to address the disparity in lactation services and perinatal outcomes in East County by increasing breastfeeding rates and increasing information and services to pregnant, post-partum and women of child-bearing age. Currently, the Brentwood and Pittsburg clinics have less lactation support and consistently lower breastfeeding rates than the rest of the County. Contra Costa Women Infant and Children Program currently employs five (5) lactation consultants;

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract with Bay Alarm Company, including modified indemnification language, to pay the County \$26,000 the first year and \$27,000 the second year for sponsorship funding designated to provide scholarships, classes, and recruitment for the Law Enforcement Training Center for the period July 1, 2016 through June 30, 2018, with the Sheriff's Charities, Inc., serving as the fiscal agent.

FISCAL IMPACT:

\$53,000 in revenue over two years; Budgeted.

BACKGROUND:

Bay Alarm provides scholarship funding in an effort to promote the education and training of local law enforcement recruits and officers. Additionally, Bay Alarm provides funding for advertisement along with event and media support for the recruitment of law enforcement officers. Board approval is requested due to changes in the County's standard form contract indemnification language. The indemnification clause holds the County responsible for all legal costs incurred in the defense of a claim should the County choose to hire counsel separate from the indemnifying party.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Interim County Librarian, or designee, to apply for and accept a grant in the amount of \$20,000 from the Dean and Margaret Leshar Foundation to provide library books and materials at the Juvenile Hall Library and Orin Allen Youth Rehabilitation Facility Library for the period June 1, 2016 through May 31, 2018.

FISCAL IMPACT:

No Library Fund match.

BACKGROUND:

Grant funding from the Dean and Margaret Leshar Foundation will allow the Juvenile Hall and Orin Allen Youth Rehabilitation Facility libraries to purchase new, current titles to augment the collection as well as materials to replace worn items. These items will be ordered on a monthly basis over the course of the project's two-year time span to ensure a continuous increase of new materials.

All books and materials for both libraries' collections are purchased from revenue generated entirely through grants and individual donations. Because both libraries have been so successful in developing a love of reading for education and pleasure, many of the books in the collection need to be replaced annually due to wear and tear. Additionally, the teens are constantly demanding the newest titles by authors they admire or series they have read. and self-directed learning, it is important that the libraries are able to provide new titles that refresh the collection and to which the teens can relate.

CONSEQUENCE OF NEGATIVE ACTION:

If the grant is not funded then the libraries will not have needed materials for reading.

CHILDREN'S IMPACT STATEMENT:

As well as supplying Contra Costa County's population of incarcerated teens with books and encouraging a love of reading and a lifelong habit of self-directed learning, the materials will allow the youth to engage in creative, educational activities that many of the youth have never experienced before, exposing them to new ideas and allowing them to discover previously unknown interests and hidden talents. This meets the Children's Report Card outcome of Children Ready for and Succeeding in School.

providers, Contra Costa County Superior Court will monitor compliance, and administer sanctions and incentives according to participant progress through the program. Services for program participants may include drug treatment support, random drug testing, mental health services, judicial and law enforcement supervision, family reunification assistance, housing services and employment support. Participants will be closely monitored through case managers, treatment providers, law enforcement, and the judge to ensure compliance. While awaiting the resolution of their new charges, incoming participants will meet with the Reentry Court-case managers, who will explain the reentry court process, build rapport, conduct an initial intake, gather risk assessments from either probation or parole, and work with the Drug Court Program Coordinator to develop recommendations for individual treatment and support plans. The Reentry Court Collaborative will, similar to already-established drug and reentry courts in the State, implement the Ten Key Components and corresponding evidence-based Program Principles of Drug Courts.

On March 16, 2016, the Board of Supervisors approved Agreement #29-545-2 (020_BPIP_SA 15-16) with Contra Costa County Superior Court of California to support the County's Drug Court, as part the Reentry Court Collaborative Project, to allow participants to receive intake and screenings, individual and group counseling in outpatient and residential substance abuse treatment for the period from July 1, 2015 through June 30, 2016.

Approval of this Amendment/Extension Agreement #29-545-3, will allow the County to continue to receive funds to support the County's Drug Court, as part the Reentry Court Collaborative Project, through September 30, 2016.

CONSEQUENCE OF NEGATIVE ACTION:

AIDS can access these therapies. This ADAP site agreement allows the County to continue providing these services in Contra Costa County. Enrollment in ADAP saves the Health Department millions of dollars in necessary AIDS Drug therapies.

Approval of Standard Agreement #28-855-1 will provide funding to support enrollment services for the County's AIDS Drug Assistance Program, to ensure low costs associated with administration of ADAP enrollment screening and recertification process through June 30, 2019. This Agreement includes mutual indemnification.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, the County AIDS Drug Program will not be able to provide ADAP enrollment services to eligible County residents.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract with the In-Home Supportive Services (IHSS) Public Authority in an amount not to exceed \$2,291,901 to provide IHSS services for the period July 1, 2016 thorough June 30, 2017.

FISCAL IMPACT:

\$2,291,901: County 17.5%, State 32.5%, Federal 50%.

BACKGROUND:

The County Board of Supervisors enacted Ordinance Number 98-14 March 1998, establishing the Contra Costa County In-Home Supportive Services (IHSS) Public Authority (PA) as an independent public agency pursuant to California Welfare and Institutions Code section 12301.6.

While the Public Authority is an independent public agency providing services to the County, it also receives services from County departments. This dual relationship requires an agreement that establishes the respective obligations and responsibilities of the County and the PA.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Conservation and Development Director, or designee, to execute a second amendment to the Amended and Restated Predevelopment Loan Agreement with the Community Housing Development Corporation of North Richmond, to increase the principal amount of the loan by \$184,500 to a new loan amount of \$620,700 for predevelopment activities related to the Heritage Point project.

FISCAL IMPACT:

No General Funds are being used to make this loan. The loan is being made with funds available to the County in its capacity as the Housing Successor Agency to the former Contra Costa County Redevelopment Agency.

BACKGROUND:

Predevelopment Loan Agreement

In 2011, the former Contra Costa County Redevelopment Agency (Agency) entered into a Predevelopment Loan Agreement with Community Housing Development Corporation of North Richmond (CHDC) for Phase II of the North Richmond Town Center Project. Phase II is on the eastern side of Fred Jackson Way, directly across the street from Phase I of the project. (Phase I was completed several years ago and includes the award winning Heritage Senior Apartments, North Richmond Health Center, the County Service Integration Team and streetscape improvements along Fred Jackson Way between Chesley Avenue and Grove Street.)

Phase II encompasses six parcels and is referred to as Heritage Point.

BACKGROUND: (CONT'D)

>

As a result of the dissolution of the Agency in February 2012, the County became the Housing Successor Agency to the Agency, the owner of the property on which Phase II may be constructed, and the lender under the Predevelopment Loan Agreement.

In December 2014, the parties entered into an Amended and Restated Predevelopment Loan Agreement (Amended and Restated Agreement). Under the Amended and Restated Agreement, the loan amount was increased from \$131,700 to \$283,700, using Housing Successor Agency funds in the form of housing bonds. On November 17, 2015, the Board of Supervisors (BOS) approved the first amendment to the Amended and Restated Predevelopment loan agreement to a new loan amount of \$436,200. The purpose of the proposed second amendment to the Amended and Restated Agreement is to make an additional \$184,500 of funds available to the project, increasing the loan amount to \$620,700. These additional funds are also Housing Successor Agency funds in the form of housing bonds.

The additional funds being made available to CHDC will be used to offset the cost of preparing construction drawings, finalizing long-term project financing and applying for grant funding for the project. To date, the funds made available under the Amended and Restated Agreement have been used to (i) fully define the project, (ii) determine project feasibility, (iii) identify infrastructure needs, (iv) perform studies to inform a project-level environmental review process, and (v) initiate and complete the land use entitlement process. If the project is ultimately determined to be feasible, the funds made available under the Amended and Restated Agreement, as amended, will be rolled into the permanent project financing. With that financing the loan will be forgivable under certain conditions. If it is determined that the project is not feasible, the loan will be forgiven and all deliverables will be assigned to the County for use with another future developer.

Technical Assistance Loan Agreement

On April 1, 2014, the County entered a loan agreement with CHDC, under which the County made a technical assistance loan to CHDC in the amount of \$48,000 using HOME funds. CHDC has completed the scope of work for which the technical assistance loan was made. The project is now fully entitled and the term of the technical assistance loan has been extended to be coterminous with the Amended and Restated Agreement.

CONSEQUENCE OF NEGATIVE ACTION:

Should the Board elect not to approve the loan amendment, CHDC will be unable to complete the necessary construction drawings or finalize the long-term financing of the project.

ATTACHMENTS

2nd Amendment to Amended and Restated Loan Agreement

Amended Note

SECOND AMENDMENT
TO
AMENDED AND RESTATED PREDEVELOPMENT LOAN AGREEMENT
(Heritage Point)

This second amendment to the Amended and Restated Predevelopment Loan Agreement (the “Second Amendment”) is dated July 19, 2016, and is between the COUNTY OF CONTRA COSTA, a political subdivision of the State of California (the “County”), and COMMUNITY HOUSING DEVELOPMENT CORPORATION OF NORTH RICHMOND, a California nonprofit public benefit corporation (“Borrower”).

RECITALS

- A. In 2011, Borrower and the Redevelopment Agency of Contra Costa County (the “Agency”) entered into a predevelopment loan agreement dated April 12, 2011 (the “Original Loan Agreement”). Pursuant to the Original Loan Agreement, Borrower borrowed One Hundred Thirty-One Thousand Seven Hundred Dollars (\$131,700) (the “Original Loan”) of low and moderate income housing funds from the Agency. The Original Loan was used to finance certain predevelopment costs in connection with the potential development of six parcels located in the 1500 block of Fred Jackson Way in North Richmond, as more particularly described in Exhibit A (the “Property”). In furtherance of Borrower’s proposal to construct rental housing on the Property that is affordable to low-income households (such housing, the “Development”), the Agency acquired the Property.
- B. As a result of the dissolution of the Agency in February 2012, and pursuant to California Health and Safety Code Section 34176(a), the County is the Housing Successor Agency to the Agency. When it became the Housing Successor Agency, the County became the owner of the Property, the lender under the Original Loan Agreement, and the holder of the Original Note.
- C. In 2014, Borrower and the County entered into an Amended and Restated Predevelopment Loan Agreement dated December 2, 2014 (the “Agreement”). The Agreement replaced the Original Loan Agreement.
- D. Concurrent with the execution of the Agreement, (i) the County loaned Borrower an additional One Hundred Fifty-Two Thousand Dollars (\$152,000), increasing the total loan to Two Hundred Eighty-Three Thousand Seven Hundred Dollars (\$283,700) (the “2014 Loan Amount”), (ii) the County cancelled the promissory note that evidenced Borrower’s obligation to repay the Original Loan, and (iii) Borrower executed a new promissory note evidencing its obligation to repay the 2014 Loan Amount (the “2014 Note”).
- E. In November 2015, (i) the County loaned Borrower an additional One Hundred Fifty-Two Thousand Five Hundred Dollars (\$152,500), bringing the total loan amount to Four

Hundred Thirty-Six Thousand Two Hundred Dollars (\$436,200) (the “2015 Loan Amount”), (ii) the County cancelled the 2014 Note, and (iii) Borrower executed a new promissory note evidencing its obligation to repay the 2015 Loan Amount (the “2015 Note”).

- F. The parties now desire to amend the Agreement to (i) make an additional One Hundred Eighty-Four Thousand Five Hundred Dollars (\$184,500) (the “2016 Loan Amount”) of low and moderate income housing funds available to Borrower in the form of a loan, bringing the total loan to Six Hundred Twenty Thousand Seven Hundred Dollars (\$620,700), and (ii) revise the Predevelopment Budget that is part of the Agreement.
- G. Concurrent with the execution of this Second Amendment, (i) Borrower is executing a new promissory note evidencing its obligation to repay the full Six Hundred Twenty Thousand Seven Hundred Dollars (\$620,700), and (ii) the County is cancelling the 2015 Note.

The parties therefore agree to amend the Agreement as follows:

AGREEMENT

- 1. Unless defined in this Second Amendment, all defined terms used in this Second Amendment have the meaning ascribed to them in the Agreement.
- 2. Section 1.1(w) is deleted in its entirety and replaced with the following:

(w) “Loan” means the loan made by the County to Borrower in the amount of Six Hundred Twenty Thousand Seven Hundred Dollars (\$620,700).

- 3. Section 1.1(aa) is deleted in its entirety and replaced with the following:

(aa) “Predevelopment Budget” means the proforma predevelopment budget, including sources and uses of funds, attached hereto and incorporated herein as Exhibit B-2, which may be amended with the approval of the County as set forth in this Agreement.

- 4. Section 1.2 – Exhibits is deleted in its entirety and replaced with the following:

Section 1.2 Exhibits

The following exhibits are attached to this Agreement and incorporated into this Agreement by this reference:

- EXHIBIT A: Legal Description of the Property
- EXHIBIT B-2: Predevelopment Budget
- EXHIBIT C: Predevelopment Schedule

5. Section 2.1 – Loan is deleted in its entirety and replaced with the following:

Section 2.1 Loan

On and subject to the terms and conditions of this Agreement, the County shall lend to Borrower the 2016 Additional Funds, which is the unfunded balance of the Loan. The Loan may only be used for the purposes set forth in Section 2.3. Borrower's obligation to repay the Loan is evidenced by the Note.

6. Section 2.6 – Conditions Precedent to Disbursement of Predevelopment Loan Funds is deleted in its entirety and replaced with the following:

Section 2.6 Conditions Precedent to Disbursement of Predevelopment Loan Funds

The disbursements made pursuant to this Section 2.6 may not exceed the amount of the 2016 Additional Funds. The County is not obligated to disburse any portion of the 2016 Additional Funds, or take any other action under this Agreement, unless the following conditions have been and continue to be satisfied:

(a) There exists no Event of Default nor any act, failure, omission or condition that would constitute an Event of Default under this Agreement.

(b) Borrower has delivered to the County all of Borrower's organizational documents and a copy of a corporate resolution authorizing Borrower's execution of this Agreement, as modified by the First Amendment.

(c) There exists no material adverse change in the financial condition of Borrower from that shown by the financial statements and other data and information furnished by Borrower to the County prior to the date of this Agreement.

(d) Borrower has furnished the County with evidence of the insurance coverage meeting the requirements of Section 4.5 below.

(e) Borrower has executed and delivered the Loan Documents to the County and has caused all other documents, instruments, and policies required by the Loan Documents to be delivered to the County.

(f) The County has determined that the undisbursed proceeds of the Loan, together with other funds or firm commitments for funds that the Borrower has obtained in connection with assessing the feasibility of the Development, are not less than the amount that is necessary to pay the Predevelopment Costs and to satisfy all of the covenants contained in this Agreement.

(g) The County has received a written draw request from Borrower, including certification that the condition set forth in Section 2.6(a) continues to be

satisfied, and setting forth the proposed uses of funds consistent with the Predevelopment Budget, the amount of funds needed, and, where applicable, a copy of the bill or invoice covering a cost incurred or to be incurred.

Notwithstanding any other provisions of this Agreement, the County has no obligation to disburse any portion of the Loan to Borrower following: (i) termination of this Agreement; or (ii) the occurrence of an Event of Default.

7. Section 3.3 – Financing Proposal is deleted in its entirety and replaced with the following:

Section 3.3 Financing Proposal

(a) Borrower shall prepare an updated Financing Proposal and submit it to the County for review no later than October 1, 2016.

(b) The “Financing Proposal” is a statement that sets forth (i) a preliminary estimate of the cost of constructing the Development, based on the Site Plans, and (ii) an estimate of the funds available from government and private sources to pay the cost of constructing the Development.

(c) Borrower shall attach to the updated Financing Proposal any site plans prepared by Architect that show the basic physical characteristics of the Development, including the location and scale of any improvements (the “Site Plans”). The Site Plans may include preliminary building plans, sections and elevations. Borrower shall cause the Site Plans to serve as the basis for the Borrower's application for Land Use Approvals and for the preparation of the Design Development Documents.

(d) The County shall review and comment on the updated Financing Proposal within thirty (30) days after receipt. If the County requires modifications to the updated Financing Proposal, the County will give Borrower specific comments on the updated Financing Proposal and Borrower shall submit a revised updated Financing Proposal within thirty (30) days after notification of the County's request for revision. Borrower shall follow this procedure for resubmission of a revised updated Financing Proposal until the updated Financing Proposal is found by the County to be feasible.

(e) Borrower shall identify and apply for any government loans and grants, private loans and grants, and equity financing necessary for the construction of the Development.

[Remainder of Page Intentionally Left Blank]

8. All other terms of the Agreement remain unchanged.

The parties are signing this Second Amendment as of the date set forth in the introductory paragraph.

THIRD AMENDED AND RESTATED
PROMISSORY NOTE
(Heritage Point)

\$620,700

Martinez, California
_____, 2016

FOR VALUE RECEIVED, the undersigned Community Housing Development Corporation of North Richmond, a California nonprofit public benefit corporation, (the "Borrower") hereby promises to pay to the order of the County of Contra Costa, a political subdivision of the State of California ("Holder"), the principal amount of Six Hundred Twenty Thousand Seven Hundred Dollars (\$620,700), plus interest thereon pursuant to Section 2 below.

This Third Amended and Restated Promissory Note (the "Note") replaces in its entirety that promissory note executed by Borrower for the benefit of Holder dated November 25, 2015, in the principal amount of Four Hundred Thirty-Six Thousand Two Hundred Dollars (\$436,200) (the "2015 Note"). Upon execution of this Note by Borrower, the 2015 Note will be cancelled and returned to Borrower.

All capitalized terms used but not defined in this Note have the meanings set forth in the Loan Agreement.

1. Borrower's Obligation. This Note evidences Borrower's obligation to repay Holder the principal amount of Six Hundred Twenty Thousand Seven Hundred Dollars (\$620,700) with interest for the funds loaned to Borrower by Holder to finance predevelopment expenses in connection with Heritage Point pursuant to the Amended and Restated Predevelopment Loan Agreement between Borrower and Holder dated December 2, 2014, as amended from time to time (the "Loan Agreement").

2. Interest.

(a) Subject to the provisions of Subsection (b) below, the Loan bears simple interest at a rate of three percent (3%) per annum from the date of disbursement until full repayment of the principal balance of the Loan.

(b) If an Event of Default occurs, interest will accrue on all amounts due under this Note at the Default Rate until such Event of Default is cured by Borrower or waived by Holder.

3. Term and Repayment Requirements. Principal and interest under this Note is due and payable as set forth in Section 2.7 of the Loan Agreement. In any event, the unpaid principal balance, together with any accrued interest, is due and payable not later than December 31, 2016.

4. No Assumption. This Note is not assumable by the successors and assigns of Borrower without the prior written consent of Holder.

5. Collateral. As security for this Note, Borrower has assigned to Holder Borrower's rights and obligations in and to various contracts and work products, which are more particularly described in the Assignment Agreement. The terms of the Assignment Agreement are hereby incorporated into this Note and made a part hereof.

6. Terms of Payment.

(a) Borrower shall make all payments due under this Note in currency of the United States of America to Holder at Department of Conservation and Development, 30 Muir Road, Martinez, CA 94553, Attention: Maureen Toms, or to such other place as Holder may from time to time designate.

(b) All payments on this Note are without expense to Holder. Borrower shall pay all costs and expenses, including reasonable attorney's fees of Holder, incurred in connection with the payment of this Note and the release of any security hereof.

(c) All payments received will be applied first to accrued interest then to the outstanding principal amount.

(d) Notwithstanding any other provision of this Note, if, for any reason whatsoever, the payment of any sums by Borrower pursuant to the terms of this Note would result in the payment of interest that exceeds the amount that Holder may legally charge under the laws of the State of California, then the amount by which payments exceed the lawful interest rate will automatically be deducted from the principal balance owing on this Note, so that in no event is Borrower obligated under the terms of this Note to pay any interest that would exceed the lawful rate.

(e) The obligations of Borrower under this Note are absolute and Borrower waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reason whatsoever.

7. Event of Default; Acceleration.

(a) Upon the occurrence of an Event of Default, the entire unpaid principal balance, together with all interest thereon, and together with all other sums then payable under this Note will, at the option of Holder, become immediately due and payable without further demand.

(b) Holder's failure to exercise the remedy set forth in Subsection 7(a) above or any other remedy provided by law upon the occurrence of an Event of Default does not constitute a waiver of the right to exercise any remedy at any subsequent time in respect to the same or any other Event of Default. The acceptance by Holder of any payment that is less than the total of all amounts due and payable at the time of such payment does not constitute a waiver of the right to exercise any of the foregoing remedies or options at that time or at any subsequent time, or nullify any prior exercise of any such remedy or option, without the express consent of Holder, except as and to the extent otherwise provided by law.

8. Waivers.

(a) Borrower hereby waives diligence, presentment, protest and demand, and notice of protest, notice of demand, notice of dishonor and notice of non-payment of this Note. Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Borrower.

(b) No extension of time for payment of this Note or any installment hereof made by agreement of Holder with any person now or hereafter liable for payment of this Note will operate to release, discharge, modify, change or affect the original liability of Borrower under this Note, either in whole or in part.

9. Miscellaneous Provisions.

(a) All notices to Holder or Borrower are to be given in the manner and at the addresses set forth in the Loan Agreement, or to such addresses as Holder and Borrower may therein designate.

(b) Borrower promises to pay all costs and expenses, including reasonable attorney's fees, incurred by Holder in the enforcement of the provisions of this Note, regardless of whether suit is filed to seek enforcement.

(c) This Note is governed by the laws of the State of California.

(d) The times for the performance of any obligations hereunder are to be strictly construed, time being of the essence.

(e) The Loan Documents, of which this Note is a part, contain the entire agreement between the parties as to the Loan. This Note may not be modified except upon the written consent of the parties.

IN WITNESS WHEREOF, Borrower is executing this Promissory Note as of the day and year first above written.

Subject: Mt. Diablo Unified School District, Crossroads High School Program

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract with Mt. Diablo Unified School District, including modified indemnification language, in an amount not to exceed \$79,570 for the Crossroads High School Program, for the period July 1, 2016 through June 30, 2017.

FISCAL IMPACT:

\$79,570: 53% Federal Community Based Child Abuse Prevention funds, 5% County; 42% State.

BACKGROUND:

Resulting from the Family and Children's Trust (FACT) Committee Request for Proposal (RFP), Mt. Diablo School District will operate the Crossroads High School Program to provide supportive services to pregnant and parenting teen mothers and their children, ages one month to three years of age at the Crossroads High School campus. Extended family members, often including teen fathers, are encouraged to participate in support services. Programs and services include: a high school diploma program, child care, parenting education, mental health counseling, maternal and reproductive health services, and college and career counseling in a safe and supportive environment.

area. Bridge #28C-0143 is approximately 1.6 miles west of Deer Valley Road; and, Bridge #28C-0145 is approximately 3.1 miles east of Deer Valley Road and approximately 0.2 mile west of Camino Diablo. Caltrans considers the two bridge replacements to be one project; as such both bridges will be included in each technical document but listed under separate headings where appropriate.

The Project is federally funded, which requires environmental technical studies for NEPA compliance based on the Preliminary Environmental Study (PES) Form signed by Caltrans, District 4 Office of Local Assistance. All studies must meet federal, state, and local environmental regulations, including but not limited to Federal Highway Administration (FHWA) and Caltrans requirements, National Environmental Policy Act (NEPA), California Environmental Quality Act (CEQA), National Historic Preservation Act (NHPA), the Clean Water Act, the Porter-Cologne Water Quality Act, federal and state Endangered Species Acts, National Marine Fisheries Service (NMFS) requirements, U.S. Fish and Wildlife Service (USFWS), California Department of Fish and Wildlife (DFW), East Contra Costa County Habitat Conservation Plan/Natural Community Conservation Plan (HCP/NCCP), as well as with other responsible agency protocols, guidelines, and regulations. The Project is also within the HCP/NCCP inventory area, which requires specific environmental compliance.

Contractor will provide all services under the Contract in accordance with the standards and protocols set forth by FHWA, Caltrans, NEPA, NHPA, CEQA, Clean Water Act, Porter-Cologne Water Quality Act, state and federal Endangered Species Acts; HCP/NCCP, and any other current industry standard, technical specification, calculation, and cost estimate referenced in the Contract.

CONSEQUENCE OF NEGATIVE ACTION:

If the contract is not approved by the Board of Supervisors, it may jeopardize funding and delay construction.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract with Rotorcraft Support, Inc., in an amount not to exceed \$1,500,000 for helicopter maintenance services for the period September 1, 2016 through August 31, 2017.

FISCAL IMPACT:

\$1,500,000; budgeted. These expenditures are covered by a combination of agency user fees, annual SLESF (Supplemental Law Enforcement Services Fund) allocation, and P-6 Zone revenue.

BACKGROUND:

Rotorcraft Support, Inc., will provide maintenance services for the Sheriff's helicopters. The helicopter program is an integral element of effective law enforcement operations, providing enhanced patrol, surveillance, and search and rescue capabilities. Continuation of the helicopter program hinges on the services provided under this contract. Costs associated with this contract are partially offset by revenue generated by neighboring jurisdictions contracting for helicopter services and indirectly offset by State of California Department of Boating and Waterways grant funding.

Board of Supervisors approved Novation Contract #74-363-6 with La Clínica de La Raza, Inc., for the period from July 1, 2015 through June 30, 2016, which included a six-month automatic extension through December 31, 2016, for the provision of MHSA PEI services. Approval of Novation Contract #74-363-7 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2017.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, County will not receive mental health risk factor screening for children and adults, behavioral health intervention, and psycho-educational and parenting groups from this Contractor.

CHILDREN'S IMPACT STATEMENT:

This MHSA PEI program supports the following Board of Supervisors' community outcomes: "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include increases in social connectedness, communication skills, parenting skills, and knowledge of the human service system in Contra Costa County.

program for adolescents who are discharged from Juvenile Hall and the Orin Allen Youth Rehabilitation Facility. On February 9, 2016, the Board of Supervisors approved Novation Contract #74-315-10 with Community Options for Families and Youth, Inc., for the period from July 1, 2015 through June 30, 2016, which included a six-month automatic extension through December 31, 2016, for the provision of TBS and Multisystemic Behavioral Therapy. Approval of Novation Contract #74-315-11 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2017.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, seriously emotionally disturbed children and adolescents involved in the juvenile justice system will not have access to Contractor's mental health services which may result in a reduction of services and placement in higher levels of care.

CHILDREN'S IMPACT STATEMENT:

This TBS program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

Subject: Approve Purchase Order with Berkeley Farms, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent, on behalf of the Health Service Department, to execute a Purchase Order with Berkeley Farms, Inc., in the amount of \$500,000 for purchase of milk and other products for patients and cafeteria customers at the Contra Costa Regional Medical Center (CCRMC) for the period from May 1, 2016 through April 30, 2017.

FISCAL IMPACT:

100% funding is included in the Hospital Enterprises Fund I Budget.

BACKGROUND:

Dairy foods are needed to prepare meals that meet American Dietetic Association (ADA) requirements for balanced nutrition for the patients and cafeteria customers of the CCRMC. Berkeley Farms is the largest dairy vendor in the area and has the best prices. It is also a member of the Med Assets group purchasing organization which provides the Hospital with even more cost savings.

Subject: Approve Purchase Order with Cardinal Health Pharmacy Services, LLC.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent, on behalf of the Health Services Department, to execute a Purchase Order with Cardinal Health Pharmacy Services, LLC., in the amount of \$36,000,000 to purchase pharmaceuticals and related supplies at the Contra Costa Regional Medical Center (CCRMC) and the Contra Costa Health Centers, for the period from September 1, 2016 through August 31, 2017.

FISCAL IMPACT:

100% funding is included in the Hospital Enterprise Fund I Budget.

BACKGROUND:

CCRMC is satisfied with Cardinal Health Pharmacy Services, LLC as a vendor and wish to continue the working relationship with this company. Cardinal Health Pharmacy Services, LLC, provides three different purchasing contracts: WAC (Wholesaler Acquisition Cost) accounts (Inpatient 34-18446; Outpatient 34-18765), Novation for the hospital (110459), as well as the Public Health System contract for 340B (federal-ceiling pricing for disproportionate share facilities) for ambulatory care. related supplies at the best price through Novation contract. Furthermore, the Contra Costa Health Plan uses Cardinal Health Pharmacy Services, LLC, as their source to provide medications for their patients through 340B plan via contract pharmacies (i.e., Walgreens). Having Cardinal Pharmacy Services, LLC as our wholesaler maximizes the cost savings for CCRMC and Clinics.

CONSEQUENCE OF NEGATIVE ACTION:

There is about 40-50% increase in drug cost, annually. If this Purchase Order is not approved, the CCRMC Pharmacy, as well as all Ambulatory Care Pharmacies within CCRMC will not be able to receive drugs from our wholesaler and the result would be a much higher cost of pharmaceuticals.

Subject: Purchase Order – Sysco Food Service

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute a purchase order with Sysco Food Service, Inc., on behalf of the Probation Department, in the amount of \$1,160,000 for the purchase of bulk foodstuffs for detained residents at the county juvenile facilities for the period August 1, 2016 through July 31, 2018.

FISCAL IMPACT:

The cost of \$1,160,000 (\$580,000 per year) is funded through County General Fund as part of the Probation Department's operating budget.

BACKGROUND:

The vendor is offering MedAssets group purchasing pricing for the purchase of bulk foodstuffs and other related items to feed minors detained at the county juvenile institutions in accordance with Title 15 CCR, Minimum Standards for Juvenile Institutions. In accordance with Administrative Bulletin No 611.0, County Departments are required to get Board approval for purchase orders over \$100,000. The County Administrator's Office has reviewed this request and recommends approval.

CONSEQUENCE OF NEGATIVE ACTION:

The Probation Department will not have the necessary bulk foodstuffs to feed detained juveniles and the department will fail to be in compliance with Title 15 CCR.

FISCAL IMPACT:

The cost of the contract is funded through a penalty assessment on failure to appear/failure to pay on Vehicle Code violations. The penalty assessment raises about \$150,000 per year and was meant to be supplemented, if necessary, by city and county contributions in order to operate a countywide coordinated system. The penalty assessment is restricted to the development and maintenance of warrant information systems and was prompted by a statewide recognition of the outstanding warrant problem and the need for warrant reform. The system manages court-ordered warrants, and failure to appear warrants, and provides the ability to print warrant reports and abstracts (permission to arrest).

The funds are budgeted in Department 0260 and there is sufficient accumulated balance to cover the contract cost.

BACKGROUND:

Contra Costa County seeks to replace its legacy Justice Automated Warrant System (JAWS). The JAW's IBM AS400 system 2009 hardware and software will reach the end of its production life cycle on September 30th. The County Administrator is seeking a replacement warrant management system (WMS) which must be highly-available, web-based, multi-user, and in a CJIS hosted environment. The proposed WMS must provide the ability to restrict editing of warrant data by agency. More than 25 local law enforcement and justice agencies rely daily on the availability and performance of the WMS.

The County Administrator is seeking to engage a Project Manager and IT Consultant to assist with this project. PRI Management Group is a management consultancy specializing solely in law enforcement records management and IT services. PRI has been in business since 2008 and has provided training and/or consulting solutions to over 1300 agencies. One of the three experts to be assigned to the County's project has direct knowledge of, and experience with, the JAWS.

CONSEQUENCE OF NEGATIVE ACTION:

Should the Board elect not to approve the contract, the County Administrator will not have the requisite expert resources to support the system replacement project. Failure to replace the aging system will jeopardize the availability of the warrant system to all local law enforcement agencies.

APPROVE and AUTHORIZE the County Counsel, or her designee, to execute, on behalf of Contra Costa County, an amendment to a contract for specialized professional services with Greenan, Peffer, Sallander & Lally, effective November 1, 2015.

FISCAL IMPACT:

Eminent domain and real property matters will be charged to pertinent project accounts. The amendment adds hourly billing rates for paralegals that perform services under the contract. Legal services will be billed at a rate of \$265 per hour for attorneys, and \$110 per hour for paralegals.

BACKGROUND:

On August 1, 2011, the County entered into a new contract with Greenan, Peffer, Sallander & Lally for specialized legal services, including eminent domain services, as requested by the County Counsel. The contract specifies hourly billing rates for partners and associate attorneys.

The firm has recently added paralegal staff to perform certain services at an hourly rate that is significantly lower than the hourly rate for attorneys. Recently, the Auditor's office was unable to process bills in several cases because the contract did not include hourly rates for paralegals. The County and the firm desire to amend the contract, effective November 1, 2015, to add hourly billing rates for paralegals to allow invoices to be paid when work is performed by paralegals at the firm.

Re: Voting System Incident Report

Contra Costa County used a two card ballot for the June 7, 2016 Presidential Primary. Only the card with the Top Two Contests was designated to increase the total number of ballots cast.

On election night it was discovered that the total number of ballots cast from the polling places (M100 scanners) were aggregating the total number of cards scanned (Top Two Cards plus Presidential Cards) and reporting that as the total number of ballots cast.

After Election Night all ballots from the polling places were rerun on our central count tabulators (M650) and the discrepancy was resolved.

Re: One Percent Manual Count

Pursuant to Election Code 15360, Contra Costa Election Division conducted a 1% manual tally of precinct results for the June 7, 2016 Primary Election. Notice of the drawing of precincts was given by press release and posted in the office lobby and on our website one week prior to the date of the random selection.

The random selection of precincts was conducted in the Elections Division lobby on Wednesday June 8, 2015 at 10:00 AM. Precinct Numbers were printed on 2 x 3 1/2 inch cards and were randomly selected. Of the 656 precincts, 7 were drawn.

The Manual Tally began on Friday June 24, 2016 at 9:00 AM.

Subject: Keller Canyon Mitigation Fund FY 2016/17 Allocation Plan

RECOMMENDATION(S):

1. **APPROVE** the FY 2016/17 Keller Canyon Mitigation Fund (KCMF) allocation plan in the amount of \$1,507,519 for specified projects as recommended by the KCMF Review Committee (Exhibit A); and
2. **AUTHORIZE** the Department of Conservation and Development (DCD) Director, or designee, to enter into contracts with the nonprofit organizations and public agencies as specified in Exhibit A for the period July 1, 2016 through June 30, 2017.

FISCAL IMPACT:

No General Funds - 100% Keller Canyon Landfill Mitigation Funds. The FY 2016/17 KCMF allocation plan is consistent with the KCMF policies adopted by the Board of Supervisors on May 24, 2011 including: (1) the projected FY 2016/17 revenue amount is based on the revenue trend over the last several years; (2) staff has considered any anticipated changes in the amount of waste expected to be deposited at the Keller landfill site during the year; (3) the projected revenue amount has been reduced by 20 percent to reduce the likelihood that proposed expenditures will exceed actual revenue. The amount proposed to be allocated includes \$527,705 of previous years' fund balance, which is also consistent with KCMF policies (Policy IIG).

ATTESTED: July 19, 2016

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: Stephanie Mello, Deputy

cc:

BACKGROUND:

In 1990, the Board of Supervisors (Board) approved the Keller Canyon Landfill land use permit and franchise agreement which included the establishment of three fees to mitigate the following impacts of the landfill: traffic generated on the County's road system, the impacts of the landfill on open space, existing and proposed recreational facilities, and agricultural land, and general impacts of the landfill upon the surrounding community.

The Keller Canyon Mitigation Fund (KCMF) process was established in August 1992, and the first allocation of funds occurred in November 1992. In 1994, the Board amended the land use permit and the franchise agreement to combine the above mitigation fees, as well as to provide additional flexibility in the use of funds, specifying that the fee shall be used by the Board in its sole discretion. The current program/project/service categories considered for funding include: youth services, code enforcement, public safety, community beautification, and community services.

On May 24, 2011, the Board approved new policies governing the implementation and administration of the KCMF. The FY 2015/16 allocation process is the fourth year that the new policies governed the process. Listed below are the applicable policies and a description of how they were applied during the FY 2015/16 allocation process:

1. Policy IA: The composition of the KCMF Review Committee shall include the following individuals: District V Supervisor, District V Chief of Staff (or other person assigned by the Supervisor), a representative of the Bay Point Municipal Advisory Committee (MAC) appointed by the Bay Point MAC, a Principal (or other senior school official) from a school located in the Bay Point area, and a representative from the Bay Point Chamber of Commerce. The representatives from the MAC, Bay Point area school, and Chamber of Commerce shall be appointed to minimum two year terms.

Action: The KCMF Review Committee was comprised of the District V Supervisor, Federal Glover; Chief of Staff, David E. Fraser; Bay Point Municipal Advisory Committee Member, Vicki Zumwalt; Mount Diablo Unified School District Board Member, Debra Mason; and Bay Point Chamber of Commerce Representative, Khurram Shah.

2. Policy ID: The KCMF Review Committee's funding recommendations shall be guided by the KCMF Target Area Map that establishes "Primary" and "Secondary" target areas for the use of KCMF funds. One hundred percent of KCMF funds shall be used for programs/projects/services directly serving those within the "Primary" and "Secondary" target areas. In addition, no less than 70 percent of the KCMF funds shall be used to fund programs/projects/services directly serving those in the "Primary" target area.

Action: The KCMF Review Committee's proposed FY 2016/17 funding recommendations result in 85 percent of the funds being used for programs/projects/services that will directly serve those residents in the "Primary" target area and the remainder is within the "Secondary" target area.

3. Policy IE: Funding recommendations from the KCMF Review Committee shall be presented at a Board of Supervisors regularly scheduled meeting. The Board Order will list all of the applicants, the amount of funding requested, the amount recommended, and a short description of the proposed program/project and the proposed outputs and/or outcomes.

Action: See Exhibit A.

4. Policy IIA: To increase the public's knowledge on how, where, and when to apply for KCMF funding, the funding timeline, request for proposal (KCMF application), and other applicable materials shall be placed on the District V and County websites. The websites shall also allow organizations and interested persons to add their contact information to ensure notification on matters related to KCMF.

Action: The Supervisor's office and DCD staff engaged in a comprehensive outreach effort to notify the public of

the availability of funds. In addition to posting the Request for Proposals (RFP) and application on the District V and County's websites, emails announcing the RFP were also sent to DCD's email notification list used for its CDBG program, and to previous KCMF applicants. In addition, a "Bidders Conference" was held on May 13, 2016 to inform potential applicants of the application requirements, process, and timeline. KCMF applications were due on April 13, 2016. A total of 116 applications and requests for funding were submitted by the deadline. The KCMF Review Committee met on 6 separate occasions to review the applications, interview applicants, and develop final funding recommendations.

5. Policy IIC: To ensure the tax exempt status of a nonprofit agency requesting funds is valid and in good standing, KCMF applicants shall submit their current non-profit status determination letter from the IRS, a copy of their most recent tax return, and the printout from the California Business Portal (<http://kepler.sos.ca.gov/>).

Action: Any application that did not contain the requisite documents, including the printout from the California Business Portal, was deemed to be incomplete and therefore not accepted.

6. Policy IIF: Any deficit in the KCMF fund after the end of each fiscal year shall be eliminated by allocating the necessary amount from next year's projected revenue.

Action: Not applicable. The KCMF had a FY 2014/15 ending fund balance of \$688,553.

7. Policy IIG: When estimating the amount of KCMF funds to be made available for projects in future fiscal years, staff shall analyze the revenue trend lines from previous years and the KCMF Review Committee shall only allocate 80 percent of the anticipated revenue for the upcoming year. This protocol will reduce the likelihood that expenses will be greater than actual revenue received during the year. Any revenue over expenses in one year may be added to the amount made available in the following year.

Action: Based on the current information available, staff is recommending the allocation of \$1,507,519. See Exhibit B for the calculation. The KCMF Review Committee has recommended allocating the majority of the FY 2015/16 ending fund balance. If during the year, additional funds become available, and one or more of the funded agencies is in need of additional funds to complete an approved program/project or a new program/project emerges, the Committee will reconvene to consider any request(s) for additional funding up to the amount held in reserve and return to the Board with any funding recommendation(s).

CONSEQUENCE OF NEGATIVE ACTION:

Not approving the recommended allocations will result in delays in implementing important projects/programs that directly benefit the residents of the KCMF target areas.

CHILDREN'S IMPACT STATEMENT:

The recommended projects/programs support at least one of the five community outcomes established in the Children's Report Card.

Subject: DELEGATION OF APPROVAL AUTHORITY FOR AMENDMENTS TO THE COUNTY'S NON-DISPOSAL FACILITY ELEMENT

RECOMMENDATION(S):

1. DELEGATE authority to approve amendments to the County’s Non-Disposal Facility Element (NDFE) for projects with pending land use entitlement applications to the division of the Planning Agency with the power and duty to render applicable project-specific discretionary land use entitlement decisions, as provided for in County Code Section 26.2-408-Planning Commission and Section 26.2-1204-Zoning Administrator.
2. DELEGATE authority to administratively approve all other amendments to the County’s NDFE, including changes specific to projects that do not require Planning Agency approvals, to the Director of Conservation and Development or his designee as provided for in County Code Section 24-30.004(b).

FISCAL IMPACT:

No impact to the County General Fund. DCD staff time associated with processing project-specific NDFE Amendments would be paid for in a manner consistent with project staff time spent on processing other land use/planning entitlements for development projects. Project specific staff costs are charged against the applicable applications and amounts are billed to the project applicant on a time and materials basis.

BACKGROUND:

As required by the California Integrated Waste Management Act (also known as AB 939), the County prepared and approved a number of legally required integrated waste management planning documents. These planning documents were intended to identify and help guide local actions necessary to facilitate diversion of at least 50% of waste from landfills by 2000. The County's planning documents, including the Non-Disposal Facility Element (NDFE), were the first to be approved by the State in May 1993.

The NDFE lists certain types of existing or potential solid waste facilities. In order for Contra Costa Environmental Health to issue new or revised solid waste facility permits for certain types of projects, the project must be included in the NDFE. Staff is recommending that through this Board Order the process for amending the NDFE be simplified and better coordinated with the land use entitlement process. Amendments to the NDFE are recommended to be delegated in a manner consistent with land use decisions. A number of changes in California's laws and regulations since 1993 have impacted requirements related to NDFEs and other planning documents. These changes have simplified the process for amendments, while increasing the likelihood that an NDFE will need to be amended.

1. NDFE Amendments are more likely to be required to facilitate solid waste facility permitting. State laws and regulations pertaining to the types of waste processing facilities subject to California's tiered solid waste facility permitting requirements have continued evolving since the County's NDFE and other countywide integrated waste management planning documents were approved by the State in 1993. The following key factors dictate whether a waste handling facility is supposed to obtain a solid waste facility permit:

- *the waste/material to be handled (type(s) and quantities per day), and*
- *the type of handling (disposal, sort for processing/transfer, chipping/grinding, etc.)*

In addition to the increased number of permitting tiers, the number and type of facilities that are subject to the solid waste facility permitting requirements has also increased. Facility permitting tiers for smaller scale operations involving the handling of less quantity and/or types of waste material are relatively minimal, and would not trigger the potential need for amending the County's NDFE. The more extensive and/or large scale waste handling operations are subject to more comprehensive permitting and application requirements tied to the top three most stringent tiers, all of which involve the need to make a Conformance Finding prior to recommending permit issuance. The Conformance Finding is intended to confirm that the proposed project is consistent with the County's applicable integrated waste management planning documents, namely the NDFE or Siting Element.

2. NDFE Amendment process is intended to be more efficient and less burdensome. Fortunately, the process that State regulations mandate local agencies to follow in order to amend NDFEs has been simplified. Presumably, this regulatory change was instituted in the interest of reducing the burden imposed on local agencies and processing facility applicants as a result of the increasing amount of proposed projects becoming subject to the mandatory Conformance Finding application and permitting requirement. NDFE Amendments are no longer subject to a mandatory noticing requirement or associated local agency review and comment process. The streamlined NDFE amendment process provides for more timely permitting and development of processing facilities that will divert waste that would otherwise end up being disposed in landfills.

Contra Costa Environmental Health, as the designated Local Enforcement Agency (LEA), is responsible for issuing, monitoring and enforcing solid waste facility permits and associated permitting requirements throughout the unincorporated area as well as all but one of the cities in the County. However, new and revised permits can only be issued if and when permit concurrence has been received from the California Department of Resources Recycling and Recovery (CalRecycle). Generally, applicants proposing to operate waste processing facilities that will be subject to the more stringent solid waste facility permitting tier are strongly encouraged, if not required, to obtain any land use entitlements that may be required prior to submitting their application for a solid waste facility permit. When processing applications for new, unincorporated area projects that fall under any of the top three solid waste facility permitting tiers, including large volume transfer stations or multi-material processing and recovery operations, the County's LEA consults with DCD staff regarding the Conformance Finding. To date, it has not been necessary to consider amending the County's NDFE since the Conformance Finding requirement has only been triggered for

unincorporated area projects that were already identified in the applicable local planning document.

Relatively recently, the County LEA advised that there is a wood processing facility (Pacific Wood Recycling) that will be subject to the more stringent solid waste facility permitting process involving the mandatory Conformance Finding requirement. Unfortunately, the facility is not identified in the County's planning documents which means that the County's NDFE must be amended in order for the County to make the necessary Conformance Finding. An application for a land use permit for that same wood processing facility is currently being processed by DCD; the requested land use permit will ultimately require approval by the Zoning Administrator. It is in the County's best interest to consider amending our applicable planning documents as needed in order to avoid precluding the issuance of solid waste facility permits for facilities proposing to divert/recover more materials from the County's waste stream, thereby reducing local landfill disposal. DCD staff believes that amending the County's NDFE is the most efficient means of fulfilling the prerequisite Conformance Finding requirement for any projects not already identified in the County's integrated waste management planning documents. Since it is likely that other projects will trigger the need to consider amending the County's NDFE, DCD staff is recommending the Board delegate NDFE approval authority to establish an efficient method which staff can employ to facilitate timely and cost effective consideration of the first and any subsequent amendments. In anticipation of needing to seek approval of an NDFE amendment in the near future for the wood recycling project that will be heard by the Zoning Administrator, DCD staff proposes that the Board delegate approval authority now so that the process is in place in time for the land use permit hearing for the wood recycling project, as well as all projects that may warrant it in the future.

CONSEQUENCE OF NEGATIVE ACTION:

If the Board does not delegate approval authority for NDFE Amendments, projects determined to necessitate that the County's NDFE be amended will be subject to delays and costs associated with having to go through a separate process, including an additional public meeting, in order to seek the approval needed from the Board of Supervisors. This would complicate the approval process by bifurcating project approvals which is contrary to the State's intent and efforts to streamline approval process for facilities that will help recover materials and divert waste from being disposed of in landfills. If the approvals required for a project are not being considered for approval simultaneously before a single hearing body, there is an increased chance that project approvals/denials will be appealed if the outcome differs from the Board's decision on the associated project-specific NDFE Amendment.

I. Good News Update/Accomplishments:

- On Monday, June 27, Congressmen Mark DeSaulnier and Mike Thompson presented a symbolic check to CSB in recognition of its recent award of \$1.6 million to the Early Head Start – Child Care Program, bringing the total amount of Early Head Start funding to \$4.5 million. The presentation was made at Martinez Early Childhood Center, a CSB partner, in the presence of children, parents, county staff, and Board of Supervisor representatives.
- Also on Monday, June 27, CSB Director Camilla Rand, was invited to be on an expert panel during a training session at the Administration for Children and Families Regional Office in San Francisco. The purpose was to discuss CSB's strategies in implementing program changes and slots reductions. The 75 participants were from Hawaii and the outer pacific and were visiting the Regional Office to learn how to address changing community needs through changes in program delivery.
- CSB has just completed its two-day virtual Leadership, Governance, and Monitoring System (LGMS) Review on June 23rd – 24th. This is the last set of the Federal Reviews, which assessed the program's effectiveness in program planning, development, implementation, and ongoing improvement. The review consisted of interviews with members of the Board of Supervisors, Policy Council, director, and various program staff to collect information and understand how the program meets its goals and objectives in providing high quality comprehensive services to children and families. We have received feedback from the LGMS content lead who has indicated that there were no issues or concerns. She had positive feedback in regards to our strong systems in place and received a great impression of our program from the interviewees' responses. We should be getting our final report within 30 days.
- The final report and outcome of the recent Child and Adult Care Food Program (CACFP) administrative review noted 2 findings one of which requires us to include a copy of the most current, full civil rights statement in the CSB Family Handbook and train all responsible staff on the requirement to include the most current, full civil rights statement on all printed materials that also include information about the Child and Adult Care Food Program (CACFP). The Corrective Action plan has been completed.

The Early Childhood Specialist from the Region IX Office of Head Start conducted an on-site observation to provide feedback on the implementation of Practice Based Coaching in CSB. During the observations the Early Childhood Specialist met with the "Teachers Learning and collaborating" (TLC) group, facilitated by

one of the consultants. The team reviewed the Practice Based Implementation Plan and modified the strategies to continue providing quality professional development and sustain collaborative partnerships among the participants. Coaching individualizes and emphasizes the application of strategies learned in a group to teaching practices in the classroom.

- CSB is conducting staff training on the implementation of Ages and Stages Questionnaire 3, a new screening tool that helps parents provide information about the developmental status of their young child’s developmental areas: communication, gross motor, fine motor, problem solving, and personal-social. This screening tool will increase parent involvement and promote parent–teacher engagement in observing their children’s behavior. The Education Managers are also providing teacher in-service training to help the teachers prepare and support the children’s school readiness as the new program year begins and more new children are entering school for the first time.
- Teachers are providing tips to parents on summer activities to help prepare preschoolers who are transitioning to kindergarten in the fall. Children and their parents have the opportunity to watch, “From Kindergartner to Kindergartner: What it’s Important to Know”. The video provides a view on what is important to know about being in a kindergarten classroom and so that preschoolers understand what to expect as they begin their new adventure. The parents and children are provided with supplies for home learning activities that include pencils, crayons, paper, scissors, glue, and a ruler.
- CSB child development centers continue to participate in Quality Rating Improvement System, which is now called “Quality Child Care Matters”. Quality Child Care Matters uses individualized professional development strategies to support overall quality improvement in early care and education sites. Last year’s grant offered teachers professional growth opportunities, funds to enhance their classroom environment and enriched curriculum materials in literacy, math, and science.

II. Status Updates:

a. Caseloads, workload (all programs)

- Head Start enrollment: 97.11 %
- Early Head Start enrollment: 98.07%
- Early Head Start Child Care Partnership enrollment: 100.00%
- Head Start Average Daily Attendance: 86.7%
- Early Head Start Average Daily Attendance: 87.4%
- Early Head Start Child Care Partnership Attendance: 97.4%
- Stage 2: 335 families and 570 children
- CAPP: 77 families and 114 children
- In total: 412 families and 684 children

- Incoming transfers from Stage 1: 20 families and 33 children
- LIHEAP: 260 households have been assisted
- Weatherization: 15 units

b. Staffing:

- During the month of June, CSB continued to evaluate the needs of the community and engaged in redesigning its program options to better meet the needs of the families needing services. CSB is in the process of finalizing the program changes and is still evaluating its staffing structure. In addition, CSB hired temporary teaching staff to ensure ratio requirements and safety in the classroom. The Bureau hired also temporary clerical staff to support comprehensive services during the periods of heavy recruitment and enrollment of children, as well as agency temps to provide support to the Stage II and LIHEAP units.

c. Union Issues:

- An Appeal meeting was held with Local 1, Line Staff Unit Business Agent on behalf of a CSB Associate Teacher for proposed action (Skelly Notice) for 5 day suspension. The Bureau and the Union reached an agreement on the duration of the suspension.
- CSB notified PEU Local 1 of proposed changes to its 2016-2017 Program Service Models, including reduction of home based slots. The Bureau responded to the Union’s Request for Information and is scheduled for a Meet and Confer to discuss the program changes and impact on the Early Childhood Educators on June 27, 2016. CSB is in communication with PEU Local 1, Site Supervisors Unit about disagreements regarding the site supervisor’s job responsibilities and Job Description interpretation.

III. Emerging Issues and Hot Topics:

- The State Department of Community Services and Development (CSD), as the administering agency of the program scheduled the on-site monitoring during June 27, 2016 through July 1, 2016. Three CSD representatives will be performing the on-site monitoring visit to cover the following contracts; 15C-1005, 15K-6003 and 16B-4005 and the scope of the visit will consist of Administrative Requirements, Financial Requirements, Programmatic Requirements, Compliance Requirements, and Certification and Assurances reviews.

BACKGROUND:

In 1999, the County issued \$8,750,000 in multifamily housing revenue bonds (the "Bonds") to finance the acquisition and rehabilitation by Delta View Associates, L.P. (the "Former Owner") of a 205-unit apartment project (the "Project") known as Delta View Apartments located in the City of Antioch. In connection with the issuance of the Bonds, the County entered into a Regulatory Agreement and Declaration of Restrictive Covenants (the "Regulatory Agreement") that set forth certain affordability restrictions related to the Project, and annual fees associated with the monitoring of the project.

In February 2016, the Former Owner conveyed its interest in the Project to Delta View Family Apartments, L.P. (the "New Owner") and the New Owner assumed the obligations of the Regulatory Agreement. The New Owner obtained a loan (the "2016 Loan") from the California Statewide Communities Development Authority (CSCDA) to finance its acquisition and rehabilitation of the Project which required a new regulatory agreement (the "New Regulatory Agreement") with at least the same affordability restrictions as the original Regulatory Agreement with the County. A portion of the new loan was used to fully redeem the outstanding Bonds issued by the County, however the terms of the original Regulatory Agreement remained in place.

In order to have only one regulatory agreement, the New Owner requested the County to terminate its Regulatory Agreement and has agreed to make the County a beneficiary under the New Regulatory Agreement. The New Regulatory Agreement will cover the affordability restrictions of the Regulatory Agreement and provide for the continuation of annual fees to the County for the period it would otherwise be payable.

CONSEQUENCE OF NEGATIVE ACTION:

If the County does not execute the Termination Agreement, there will be two regulatory agreements recorded on the property and the owner will be obligated to pay annual issuer fees to both the County and CSCDA.

Resolution No. 2016/462

Resolution Approving and Authorizing the Execution and Delivery of a Termination Agreement Related to Delta View Apartments.

WHEREAS, in 1999, the County of Contra Costa (the "County") issued \$8,750,000 of multifamily housing revenue bonds (the "Bonds") to finance the acquisition and rehabilitation by Delta View Associates, L.P. (the "Former Owner") of a 205-unit apartment project (the "Project") known as Delta View Apartments located in the City of Antioch; and

WHEREAS, in connection with the issuance of the Bonds, the County, the trustee for the Bonds and the Former Owner entered into a Regulatory Agreement and Declaration of Restrictive Covenants, dated as of June 1, 1999 (the "Regulatory Agreement") that set forth certain restrictions relating to the operation of the Project; and

WHEREAS, by February of 2016, the Former Owner conveyed its interest in the Project to Delta View Family Apartments, L.P. (the "New Owner"), and the New Owner assumed the obligations of the Former Owner under the Regulatory Agreement; and

WHEREAS, the New Owner has obtained a loan (the "2016 Loan") from the California Statewide Communities Development Authority ("CSCDA") to finance its acquisition and rehabilitation of the Project; and

WHEREAS, a portion of the proceeds of the 2016 Loan were used to redeem the remaining outstanding Bonds, but the Regulatory Agreement survived such redemption because the CSCDA issued a tax-exempt obligation (the "2016 Note") to fund the 2016 Loan, and by its terms the Regulatory Agreement remained in effect until the 2016 Note is repaid; and

WHEREAS, in connection with the 2016 Loan, CSCDA and the New Owner have agreed to enter into an Amended and Restated Regulatory Agreement and Declaration of Restrictive Covenants (the "New Regulatory Agreement"), which New Regulatory Agreement sets forth terms and conditions relating to the operation of the Project substantially the same as those in Sections 3, 4 and 6 of the Regulatory Agreement, and is for a term at least as long as the remaining term of the Regulatory Agreement; and

WHEREAS, CSCDA and the New Owner have agreed to make the owners of the Bonds and the County beneficiaries of the New Regulatory Agreement, and to provide for the continuation of the payment by the New Owner of the annual fee of the County under the Regulatory Agreement for the period it would otherwise be payable; and

WHEREAS, the New Owner has requested that the County terminate the Regulatory Agreement so that there are not two such agreements (the Regulatory Agreement and the New Regulatory Agreement) governing the operation of the Project, and in light of the provisions of the New Regulatory Agreement described above, the County is willing to so terminate the Regulatory Agreement pursuant to a termination agreement (the "Termination Agreement"), to be executed by the County, the trustee for the Bonds and the New Owner.

Section 1. The Termination Agreement, in the form on file with the Clerk of the Board, is hereby approved. Any one of the County Administrator, the Director of the Department of Conservation and Development, the Assistant Deputy Director of the Department of Conservation and Development and the Community Development Bond Program Manager (collectively, the "Designated Officers"), each acting alone, is hereby authorized, for and in the name and on behalf of the County, to execute and deliver the Termination Agreement in said form, together with such additions thereto or changes therein as are recommended or approved by the Designated Officer executing the Termination Agreement upon consultation with Bond Counsel to the County, the approval of such additions or changes to be conclusively evidenced by the execution and delivery of the Termination Agreement by the County.

Section 2. This Resolution shall take effect upon its adoption.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

dated as of July 1, 2016

relating to:

**Regulatory Agreement and Declaration of Restrictive Covenants,
dated as of June 1, 1999, among the
County of Contra Costa,**

**Delta View Associates, L.P., a California limited partnership and
U.S. Bank Trust National Association**

TERMINATION AGREEMENT

This TERMINATION AGREEMENT, dated as of July 1, 2016 (the "Agreement"), is by and among the COUNTY OF CONTRA COSTA, a public body, corporate and politic organized and existing under the laws of the State of California (the "County"), U.S. BANK NATIONAL ASSOCIATION, successor by merger to U.S. Bank Trust National Association, as trustee (the "Trustee"), and DELTA VIEW FAMILY APARTMENTS, L.P., a California limited partnership (the "New Owner").

RECITALS:

WHEREAS, pursuant to a Trust Indenture, dated as of June 1, 1999, between the County of Contra Costa (the "County") and U.S. Bank Trust National Association, as trustee (the "Former Trustee"), the County issued its County of Contra Costa Multifamily Housing Revenue Bonds (Delta View Apartments), Series 1999C and its County of Contra Costa Multifamily Housing Revenue Bonds (Delta View Apartments), Series 1999C-T (collectively, the "Bonds"); and

WHEREAS, the proceeds of the Bonds were loaned (the "Loan") by the County to Delta View Associates, L.P., a California limited partnership (the "Former Owner") pursuant to a Loan Agreement, dated as of June 1, 1999 (the "Loan Agreement"), between the County and the Former Owner, and the Former Owner used the proceeds of the Loan to finance the acquisition and rehabilitation of a 205-unit multifamily rental housing project (the "Project") known as Delta View Apartments located in the City of Antioch; and

WHEREAS, in connection with the issuance of the Bonds, the County, the Former Trustee and the Former Owner entered into a Regulatory Agreement and Declaration of Restrictive Covenants, dated as of June 1, 1999 (the "Regulatory Agreement") and recorded on June 8, 1999 in the official records of the County of Contra Costa, State of California, as Document No. 1999-0152346-00, which Regulatory Agreement sets forth certain terms and conditions relating to the operation of the Project;

WHEREAS, the Trustee is the successor by merger to the Former Trustee; and

WHEREAS, the Former Owner conveyed its interest in the Project to the New Owner and in connection therewith the Former Owner and the New Owner entered into an Assignment and Assumption Agreement of Regulatory Agreement and Declaration of Restrictive Covenants, dated as of February 17, 2016, wherein the New Owner assumed the obligations of the Former Owner under the Regulatory Agreement; and

WHEREAS, the New Owner has obtained a loan (the "2016 Loan") from the California Statewide Communities Development Authority (the "Governmental Lender"), which has issued its California Statewide Communities Development Authority Multifamily Housing Revenue Note (Delta View Apartments), 2016 Series A (the "Note") and used the proceeds of the Note to make the 2016 Loan; and

WHEREAS, in connection with the issuance of the Note, the Governmental Lender and the New Owner have agreed to enter into an Amended and Restated Regulatory Agreement and Declaration of Restrictive Covenants (the "New Regulatory Agreement"), which New Regulatory Agreement sets forth terms and conditions relating to the operation of the Project, including provisions substantially the same as those in Sections 3, 4 and 6 of the Regulatory Agreement, and is for a term at least as long as the remaining term of the Regulatory Agreement; and

WHEREAS, the Governmental Lender and the New Owner have agreed to make to owners of the Bonds and the County beneficiaries of the New Regulatory Agreement, so that the New Regulatory Agreement can supplant the Regulatory Agreement upon its execution; and

WHEREAS, the County and the New Owner now desire to provide for the termination of the Regulatory Agreement as provided herein, and have requested that the Trustee execute this Agreement.

A G R E E M E N T :

NOW, THEREFORE, in consideration of the foregoing and for other consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

Section 1. Termination.

(a) The County, the Trustee and the New Owner hereby agree that the Regulatory Agreement shall cease and terminate;

(b) in accordance with the foregoing, the Regulatory Agreement recorded June 1, 1999, as Document No. 1999-0152346-00 in the Official Records of Contra Costa County, State of California, is hereby terminated and is of no further force and effect; and

(c) that from and after the date hereof, none of the County, the Trustee or the New Owner shall have any further rights or obligations under the Regulatory Agreement.

Section 2. Execution in Counterparts. This Termination Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have duly executed this Termination Agreement as of the day and year first written above.

Resolution No. 2016/462

Resolution Approving and Authorizing the Execution and Delivery of a Termination Agreement Related to Delta View Apartments.

WHEREAS, in 1999, the County of Contra Costa (the "County") issued \$8,750,000 of multifamily housing revenue bonds (the "Bonds") to finance the acquisition and rehabilitation by Delta View Associates, L.P. (the "Former Owner") of a 205-unit apartment project (the "Project") known as Delta View Apartments located in the City of Antioch; and

WHEREAS, in connection with the issuance of the Bonds, the County, the trustee for the Bonds and the Former Owner entered into a Regulatory Agreement and Declaration of Restrictive Covenants, dated as of June 1, 1999 (the "Regulatory Agreement") that set forth certain restrictions relating to the operation of the Project; and

WHEREAS, by February of 2016, the Former Owner conveyed its interest in the Project to Delta View Family Apartments, L.P. (the "New Owner"), and the New Owner assumed the obligations of the Former Owner under the Regulatory Agreement; and

WHEREAS, the New Owner has obtained a loan (the "2016 Loan") from the California Statewide Communities Development Authority ("CSCDA") to finance its acquisition and rehabilitation of the Project; and

WHEREAS, a portion of the proceeds of the 2016 Loan were used to redeem the remaining outstanding Bonds, but the Regulatory Agreement survived such redemption because the CSCDA issued a tax-exempt obligation (the "2016 Note") to fund the 2016 Loan, and by its terms the Regulatory Agreement remained in effect until the 2016 Note is repaid; and

WHEREAS, in connection with the 2016 Loan, CSCDA and the New Owner have agreed to enter into an Amended and Restated Regulatory Agreement and Declaration of Restrictive Covenants (the "New Regulatory Agreement"), which New Regulatory Agreement sets forth terms and conditions relating to the operation of the Project substantially the same as those in Sections 3, 4 and 6 of the Regulatory Agreement, and is for a term at least as long as the remaining term of the Regulatory Agreement; and

WHEREAS, CSCDA and the New Owner have agreed to make the owners of the Bonds and the County beneficiaries of the New Regulatory Agreement, and to provide for the continuation of the payment by the New Owner of the annual fee of the County under the Regulatory Agreement for the period it would otherwise be payable; and

WHEREAS, the New Owner has requested that the County terminate the Regulatory Agreement so that there are not two such agreements (the Regulatory Agreement and the New Regulatory Agreement) governing the operation of the Project, and in light of the provisions of the New Regulatory Agreement described above, the County is willing to so terminate the Regulatory Agreement pursuant to a termination agreement (the "Termination Agreement"), to be executed by the County, the trustee for the Bonds and the New Owner.

Section 1. The Termination Agreement, in the form on file with the Clerk of the Board, is hereby approved. Any one of the County Administrator, the Director of the Department of Conservation and Development, the Assistant Deputy Director of the Department of Conservation and Development and the Community Development Bond Program Manager (collectively, the "Designated Officers"), each acting alone, is hereby authorized, for and in the name and on behalf of the County, to execute and deliver the Termination Agreement in said form, together with such additions thereto or changes therein as are recommended or approved by the Designated Officer executing the Termination Agreement upon consultation with Bond Counsel to the County, the approval of such additions or changes to be conclusively evidenced by the execution and delivery of the Termination Agreement by the County.

Section 2. This Resolution shall take effect upon its adoption.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

RECOMMENDATION(S):

REFER to the Public Protection Committee the issue of fees charged to families of juveniles incarcerated in County juvenile detention facilities.

FISCAL IMPACT:

No fiscal impact. This action refers the issue of juvenile detention fees to the Public Protection Committee.

BACKGROUND:

Statute authorizes counties to charge various fees for service related to minors detained at the Juvenile Hall or the Orin Allen Youth Rehabilitation Facility (OAYRF). This referral is being requested to assess the impact of those fees on the families of minors detained in county facilities in relation to cost of providing county services.

CONSEQUENCE OF NEGATIVE ACTION:

The issue will not be referred to the Public Protection Committee for review

Contra Costa County Grand Jury Report 1610

Contra Costa County Office of the Public Defender

Who Is Entitled To Public Legal Representation?

TO: Contra Costa County Board of Supervisors

SUMMARY

The Sixth Amendment of the United States Constitution entitles persons charged with a crime to legal counsel. However, what happens when a person cannot afford an attorney? In such cases in Contra Costa County, the Public Defender provides legal counsel to those individuals. (As used in this report, the term "Public Defender" refers to the Contra Costa County Office of the Public Defender, the attorneys and other staff members in the office, rather than any particular individual.)

In Contra Costa County, the Public Defender provides legal counsel for criminal defendants who cannot afford their own attorneys. The cost of this legal representation is borne by the County of Contra Costa through the collection of taxes.

Defendants seeking defense counsel provided by the Public Defender must first inform the court of their inability to afford their own legal counsel. The Court may choose to have a defendant fill out a financial disclosure form or have the County gather information to determine eligibility. In Contra Costa County, the Public Defender determines the defendant's financial eligibility.

This Grand Jury report finds a potential for public abuse of the Office of the Public Defender when a defendant provides financial information that is neither attested under penalty of perjury nor vetted for accuracy.

METHODOLOGY

The Grand Jury examined the policies, procedures and financial criteria by which a person charged with a criminal offense in Contra Costa County, qualifies for representation by the Public Defender.

BACKGROUND

The Sixth Amendment to the United States Constitution provides that “In all criminal prosecutions, the accused shall enjoy the right . . . to have the assistance of counsel for his defense.”

However, individuals charged with crimes have not always been entitled to have counsel provided at no charge. The following timeline describes efforts by individuals and case law that finally guarantee the right to counsel for all individuals.

- (1893) at the Chicago World’s Fair, California’s first female attorney, Clara Shortridge Foltz, proposed the idea of a public defender.
- (1914) the Board of Supervisors for Los Angeles County appointed Walton J. Wood to be the first public defender in the United States.
- (1921) California Legislature extended the public defender system to courts throughout the state.
- (1932) *Powell v. Alabama*, 287 U.S. 45, the United States Supreme Court held that the indigent defendants, unable to afford their own attorneys and accused of a capital crime, had the right to a court appointed attorney.
- (1942) *Betts v. Brady*, 316 U.S. 455, the Supreme Court ruled that an indigent defendant, even in a capital case, had no right to court appointed counsel unless the defendant was illiterate, of low intelligence generally, or caught up in a particularly complicated trial.
- (1963) *Gideon v. Wainwright*, 372 U.S. 335, which overruled *Betts v. Brady* in part, guaranteed legal representation in criminal cases to defendants who are unable to afford to pay their own attorneys.

Not all counties in California use a public defender to represent those who cannot afford their own legal representation. For example, San Mateo County has a private defender program, which contracts with the San Mateo County Bar Association to provide indigent criminal defense.

The Contra Costa County Office of the Public Defender mission statement reads:

“The Contra Costa County Office of the Public Defender is dedicated to ensuring justice for indigent persons accused of crimes in Contra Costa County. Our overriding goal is to serve the best interests of our clients in

everything that we do. We dedicate all available resources to our clients' cases, thereby ensuring that they receive excellent, individualized representation. Justice can only be served when the most vulnerable among us are treated with the same attention, dignity and respect as the most powerful. The Contra Costa County Office of the Public Defender strives to uphold this principle in everything that we do."

In the cases of conflict of interest, the accused indigent can also avail himself of the services of the Alternate Defender Office and the Criminal Conflict Panel.

The staff of both the Public Defender and the Alternate Defender are employees of Contra Costa County. The Contra Costa Bar Association provides attorneys for the Criminal Conflict Panel through a contract with the County. Attorney fees for the Criminal Conflict Panel are also a County expense.

The Alternate Defender Office

The Alternate Defender Office falls under the umbrella of the Office of the Public Defender, but is a separate division, separated by an ethical firewall. The offices are independently supervised, and neither side shares information with the other. The Alternative Defender represents those who cannot afford their own attorney when conflicts of interest prevent the Public Defender from representing a defendant. Multiple defendants charged in the same case is one of the more common conflicts that arise. In such cases, the Alternate Defender will represent one of the defendants.

Criminal Conflict Panel

The Criminal Conflict Panel is an independent body of attorneys that represents defendants when the Public Defender and Alternate Defender cannot. The services of the Criminal Conflict Panel often are called upon when three or more defendants are charged in the same case. A referral to the Criminal Conflict Panel may also occur when both the Public Defender and Alternate Defender are operating at capacity or are overburdened (overloaded) with cases and are unable to accept additional clients. The Contra Costa County Bar Association works under contract with Contra Costa County to administer the Criminal Conflict Panel.

DISCUSSION

A public defender is an attorney, licensed by the State Bar of California, appointed by the court to provide legal representation to those financially unable to afford a private attorney. The mission of the Contra Costa County Office of the Public Defender is to ensure justice for indigent persons by providing an attorney to those persons charged with a crime.

The Contra Costa County Office of the Public Defender represents adults charged with crimes (misdemeanor or felony) or violations of probation. It also represents minors (persons under 18 years of age) charged in juvenile or adult court. Additionally, the court often appoints the Public Defender to represent persons in proceedings relating to involuntary civil mental health commitments under the Lanterman-Petris-Short Act (LPS). The Public Defender does not represent persons accused of traffic violations or any code infraction, which cannot result in a jail sentence. The Public Defender also does not represent persons involved in civil, family law, or immigration cases.

The eligibility standards for the services of the Public Defender in Contra Costa County are generally in-line with the eligibility standards of other counties. Even persons who are only being questioned by the police, who have not been arrested or charged with a crime, may request the services of the Public Defender. The court will refer persons who are out of custody to the Public Defender at their first court appearance (arraignment) when they inform the court of their inability to afford their own attorney. At that time, the court provides the defendant with a date to return to court with an attorney from the Public Defender. For a person who is in custody, the court provides sufficient time to permit a representative of the Public Defender to visit the person before the next court date. During the initial client interview, a paralegal, law clerk, or attorney will inquire as to the client's ability to afford his or her own counsel. The interview is used to:

- Determine financial eligibility
- Discuss the client's background
- Explain the overall process
- Discuss the specifics of the client's case

Determining Financial Eligibility

Subdivision (c) of California Penal Code section 987 states in part:

"In order to assist the court in determining whether a defendant is able to employ counsel in any case, the court may require a defendant to file a financial statement or other financial information under penalty of perjury with the court or, in its discretion, order a defendant to appear before a county officer designated by the court to make an inquiry into the ability of the defendant to employ his or her own counsel. If a county officer is designated, the county officer shall provide to the court a written recommendation and the reason or reasons in support of the recommendation. The determination by the court shall be made on the record. Except as provided in Section 1214, the financial statement or other financial information obtained from the defendant shall be confidential and privileged and shall not be admissible in evidence in any criminal proceeding except the prosecution of an alleged offense of perjury based upon false material contained in the financial statement."

Subdivision (c) of California Penal Code section 987 further states as follows:

“The financial statement shall be made available to the prosecution only for purposes of investigation of an alleged offense of perjury based upon false material contained in the financial statement at the conclusion of the proceedings for which the financial statement was required to be submitted. The financial statement and other financial information obtained from the defendant shall not be confidential and privileged in a proceeding under Section 987.8.”

In other words, this latter part of Section 987(c) provides that perjury charges can be brought against persons who provide false information on the financial statement.

The Contra Costa County courts have delegated the duty of inquiring into a defendant's ability to employ legal counsel to the Public Defender. The Public Defender considers several factors in determining the defendant's financial eligibility for representation:

- Financial information regarding employment (See Appendix for eligibility form)
- Assets
- Money owed to creditors
- Family size
- Other sources of income
- The nature and severity of the charges

A staff member of the Public Defender completes the eligibility questionnaire with information provided by the client. The client is required to sign the questionnaire, but is not required to do so under penalty of perjury. Supervising or senior attorneys answer the client's questions regarding financial eligibility. The Public Defender neither requires clients to provide documentation supporting the accuracy of the information nor does the Public Defender conduct an independent financial fact check or inquiry.

The Public Defender's current policy on this subject states:

“While it is difficult to quantify financial eligibility, if a single person has a net monthly income of \$4,000 or more and/or owns a home with equity in excess of \$150,000, eligibility should be reviewed by a Supervising or senior attorney. (The interviewer can add \$300 per each dependent before seeking review.) The income of other persons in the home related to the client should be taken into account. The client should be informed that at the end of the case, attorneys' fees will be assessed by the court. These fees are not collected by our office.”

Financial screening is not required for minors, nor are the financial circumstances of the parents or legal guardian taken into consideration. The policy of the Public Defender states:

"If the parent is present, the parent should be told that the court, not our office, may assess attorney's fees and other costs at the end of the case."

The court referred 16,955 new clients to the Public Defender during 2015. The Public Defender rejected thirty-four of these cases (0.2%) for not qualifying as indigent. The Public Defender and Alternate Defender handled 14,360 of all qualifying cases. The remaining 2,561 cases (15.1% of the total cases) were handled by the Criminal Conflict Panel. Of the 2,561 cases referred to the Criminal Conflict Panel, 82.2% or 2,105 of the cases were referred to the Panel because the Public Defender and Alternate Defender lacked the capacity to handle additional cases.

Conclusion

The Office of Public Defender refers many cases to the Criminal Conflict Panel. The vast majority of these referrals are because the Office of Public Defender is working at capacity and, thus, does not have the ability to take on another case.

Defendants may be more likely to underreport financial resources to qualify for the services of the Public Defender, because financial information is neither signed under penalty of perjury nor verified. This abuse of the right to defense, by ineligible defendants, detracts from the Public Defender's capacity to carry out its mission to provide a defense to those indigent defendants who have no alternative. In addition, abuse by ineligible defendants using the Office of Public Defender, Alternate Defender, or Criminal Conflict Panel taxes the resources of Contra Costa County and, ultimately detracts from the County's ability to provide its citizens with other services.

The County can minimize the potential for defendants fraudulently qualifying for the Public Defender's services. Such changes might result in:

- Fewer cases taken on by the Office of Public Defender resulting in fewer cases referred to the Criminal Conflict Panel.
- Defendants eligible for public representation receiving even better representation.
- A financial savings to Contra Costa County.

FINDINGS

- F1. The Office of Public Defender is dedicated and committed to providing the best legal defense possible to those defendants who qualify for its services.
- F2. Persons applying for the services of the Public Defender do not sign the financial screening questionnaire under penalty of perjury.
- F3. The Public Defender does not verify the financial information provided by individuals applying for its services.
- F4. The Public Defender refers some potential clients to the Criminal Conflicts Panel because the Public Defender is operating at capacity.
- F5. Without verifying financial eligibility it is impossible to ascertain an individual has fraudulently obtained representation from the Office of the Public Defender.
- F6. Section (c) of California Penal Code section 987 contemplates that a defendant may be prosecuted for perjury based upon false material contained in the financial statement.

RECOMMENDATIONS

- R1. The Public Defender should require the potential client referred by the court to attest under penalty of perjury to the accuracy of the information provided to the Public Defender.
- R2. To verify the information provided on the financial eligibility questionnaire form. The Public Defender should develop guidelines concerning when documentation of financial circumstances is required and the type of such documentation, such as prior year tax return, employment pay stubs or advices, utilization of credit services, etc.

CONTRA COSTA COUNTY CIVIL GRAND JURY REPORT NO. 1610

**"Contra Costa County Office of the Public Defender:
Who Is Entitled to Legal Representation?"**

BOARD OF SUPERVISORS' RESPONSE

FINDINGS – *California Penal Code Section 933.5(a) requires a response to the designated findings of the Grand Jury.*

1. The Office of the Public Defender is dedicated and committed to providing the best legal defense possible to those defendants who qualify for its services.

Response: Agree.

2. Persons applying for the services of the Public Defender do not sign the financial screening questionnaire under penalty of perjury.

Response: Agree.

3. The Public Defender does not verify the financial information provided by individuals applying for its services.

Response: Agree.

4. The Public Defender refers some potential clients to the Criminal Conflicts Panel because the Public Defender is operating at capacity.

Response: Partially Disagree. Although it is true that the Office does, at times, refer clients to the Criminal Conflicts Panel during spikes in certain caseload types, clients are more often referred due to a conflict of interest in representation by the Public Defender or the Alternate Defender's Office.

5. Without verifying financial eligibility it is impossible to ascertain an individual has fraudulently obtained representation from the Office of the Public Defender.

Response: Disagree. Penal Code § 987.8(b) provides that at the conclusion of a case in which the county provided legal assistance, the court may make a determination of the present ability of the defendant to pay all or a portion of the cost of the representation. For this proceeding the court may, at its discretion, order the defendant to appear before a county officer, designated by the court, to make an inquiry into the ability of the defendant to pay all or a portion of the legal assistance provided. In this county, the Probation Department is the county agency tasked with the responsibility of determining financial ability to pay assessed attorney's fees ordered by the Court pursuant to this section. A defendant which is assessed fees is ordered to report to the Probation Department for financial screening. The forms used by the Probation Department are signed under penalty of perjury.

6. Section (c) of California Penal Code section 987 contemplates that a defendant may be prosecuted for perjury based upon false material contained in the financial statement.

Response: Partially Disagree. Penal Code § 987(c) sets forth confidentiality protections for the financial information that the court, in its discretion, may require a defendant to file under penalty of perjury. The section notes that the financial form is admissible in the court if the defendant is charged with perjury based on the contents of the form. The financial form referred to in this statute is one that may be ordered by the court to determine whether a defendant is able to employ counsel; it is not the form used for financial screening by the Public Defender when a case has already been referred for representation by the court.

RECOMMENDATIONS - California Penal Code Section 933.05(b) requires a response to the designated recommendations of the Grand Jury.

1. The Public Defender should require the potential client referred by the court to attest under penalty of perjury to the accuracy of the information provided to the Public Defender.

Response: The recommendation will not be implemented because it is not warranted. The current system employed by the Public Defender is working well. If a question arises during the course of the representation as to whether the defendant is in fact able to pay for the services of the county-funded attorney, there are clear statutory procedures set forth in Penal Code § 987.8 to address this situation. In addition, if a defendant referred for public defender representation were required to sign the form under penalty of perjury, the screening would have to be undertaken by a different county agency so as to avoid any conflict of interest that could arise in a potential prosecution for perjury. This would cause delays in court proceedings and require a significant increase in staffing costs.

2. To verify the information provided on the financial eligibility questionnaire form. The Public Defender should develop guidelines concerning when documentation of financial circumstances is required and the type of such documentation, such as prior year tax return, employment pay stubs or advices, utilization of credit services, etc.

Response: The recommendation will not be implemented because it is not warranted. As discussed in the responses to Finding No. 5 and Recommendation No. 1 above, there is already a procedure in place for assessing the ability of a defendant to pay some of all of the assessed attorney's fees, as determined by the Court, at the conclusion of a case.

Subject: Resolution No. 2016/468 - Proposal to Eliminate Federal Head Start Home Based Slots and Increase State Preschool Slots

RECOMMENDATION(S):

APPROVE the proposed program model changes that will result in a reduction of 150 Head Start slots and an increase of 168 new State preschool slots and corresponding personnel changes as recommended by the Family and Human Services Committee, and

ADOPT Resolution No. 2016/468, which rescinds and supersedes Resolution No. 2016/314 adopted by the Board of Supervisors on April 12, 2016, regarding the abolishing of positions, laying off and re-appointing certain County employees in the Employment and Human Services Department Community Services Bureau's Head Start Center Based and Home Based programs.

FISCAL IMPACT:

There is no anticipated impact to the Head Start funding allocation since the department has requested a Head Start enrollment reduction while maintaining the same level of funding. Savings from the slots reduction will cover unfunded Head Start program mandates, facility updates and Cost of Living Adjustments.

The department anticipates fully earning the State contract for preschool services, which if sub-contracted through partnerships, would still result in an estimated

FISCAL IMPACT: (CONT'D)

\$90,976 in administrative funding to the department.

BACKGROUND:

The reduction of 150 Head Start slots and an increase of 168 new State preschool slots will result in the following program modifications:

- A reduction in class size of seven Head Start classrooms in an effort to enroll more three year olds; and
- The conversion of select classrooms from part-day, part-year to full-day, full-year to best meet community need; and
- The elimination of 72 preschool home based slots to meet the growing demand of center-based care; and
- An increase of 168 new State preschool slots to fully earn the State contract and generate additional revenue through partnerships throughout the County.

The proposed program model changes will have the following staffing impacts:

- Six of the seven Early Childhood Educator - Project positions, recommended by the department and approved by the Board of Supervisors on April 12, 2016 (D.5), to be re-established effective August 22, 2016 due the summer lay-off period of staff for the part-year preschool home based program model, will no longer need to be re-established; and
- Six of the seven former Early Childhood Educator - Project employees would not return to work on August 22, 2016, as requested by the department on March 25, 2016, and would remain in lay-off status; however, the department has completed the meet and confer process with Public Employees Union, Local One and has provided the six impacted former Early Childhood Educator - Project employees the opportunity to bid and be placed in other vacant project positions they qualify for to prevent any of them from losing employment beyond August 21, 2016.

The department's plan to minimize impacts to families and children is by case managing each impacted family to ensure them the opportunity to receive classroom based preschool services in other classrooms at nearby child care facilities.

CONSEQUENCE OF NEGATIVE ACTION:

The Department will be unable to make the programmatic modifications to maximize child care services to Contra Costa families and will not be able to maintain 100% Head Start enrollment at all times as mandated by the Office of Head Start.

CHILDREN'S IMPACT STATEMENT:

The recommendation supports the following children's outcomes:

- (1) Children Ready for and Succeeding in School;
- (2) Children and Youth Healthy and Preparing for Productive Adulthood; and
- (4) Families that are Safe, Stable and Nurturing.

Community Services Bureau, Employment and Human Services Department 2016-17 Program Model Change Overview

Community Services Bureau (CSB) is proposing a program model change that includes a Federal Head Start childcare slots reduction and an increase in State Department of Education childcare slots in an effort to meet the growing unfunded fiscal mandates and the changing needs of the community.

CSB continues to struggle with high facilities costs, stagnant State and Federal funding, the anticipated cost of living increases and other un-funded mandates that are threatening to adversely impact the quality services that we provide to our community. At the same time, the needs of our communities are shifting, forcing us to adapt our program to best meet these changing needs.

Many Head Start programs State-wide are requesting from the Office of Head Start a reduction in slots while maintaining the same level of funding. Community Services is making the same request, but has devised a strategic and innovative plan that reduces costs while increasing revenue in the Department and slots in the community.

Included in this model change are the following:

- The reduction of **150** Head Start slots through varying strategies, including:
 - A reduction in class size of seven classrooms in an effort to enroll more three year olds;
 - The conversion of select classrooms from part-day, part-year to full-day, full-year to best meet community need; and
 - The elimination of 72 preschool home based slots to meet the growing demand of center-based care.
- An increase of 168 new State slots to fully earn the State contract and generate additional revenue through partnerships in Antioch, Pittsburg, San Ramon and Concord.

Impact:

- Children and families impacted by these changes will have the opportunity to move to other classrooms close by – no one will lose care.
- Teaching staff impacted by the classroom changes have the opportunity to bid into other vacant positions and none will lose employment.
- The largest impact is to six of the seven Home Educators, who will lose their positions. CSB will provide every opportunity for them to continue with CSB in other positions.

A Changing Landscape

HEAD START CENTER-BASED SLOT REDUCTION- 78 SLOTS

1. Increased Options for Families: An overarching trend that is taking the nation by storm is the exodus of four year old children to Transitional Kindergarten (TK) programs and to the proliferation of newly funded school-based state-preschool programs. In Contra Costa County, 2,744 slots went to Transitional Kindergarten this year and \$4,273,047 in new state preschool funding has been allocated since 2013.

Due to this shift, CSB has struggled to maintain 100% enrollment at all times as required by the Head Start Performance Standards consistently over the past two years. The below table illustrates the decline in 4 year old enrollment in Community Services.

This continuing decline in four year old enrollment is aligned with the State’s sharp decline in four year old enrollment as reported by the Regional Office in February, 2016 as indicated below.

A Solution: CSB is poised to meet this challenge by re-designing our program to be able to serve more 3-year olds. In order to do this, we must reduce class size according the Head Start Performance Standard 1306. We have identified seven (7) classrooms to serve more three year olds and we have redesigned others to meet the needs of our community for more full-day care.

These proposed changes will result in no loss of employment for staff and no loss of early care and education for our children.

2. Change in Family Need: Each year, staff reviews the community assessment to ensure that our program options meet the changing needs of our families. When looking at our waitlisted families, 14% of families need part-day, part-year services and yet we have the capacity to serve 30%. With unemployment now at 4.5% in Costa County, more families need full-day, full-year services as they go to work.

A Solution: In an effort to meet the needs of our families, four classrooms county-wide will be converted from part-day to full-day. In addition, we will add 84 state funded center based slots to be placed in areas of high need.

Again, these proposed changes will result in no loss of employment for staff and no loss of early care and education for our children.

HEAD START HOME-BASED SLOT REDUCTION – 72 SLOTS

1. Change in Family Need: Each year, staff reviews the community assessment and other program data to ensure that our program options meet the changing needs of our families. Data shows less need for home-based care for preschoolers and a growing need for center-based services. The tables below illustrate this change.

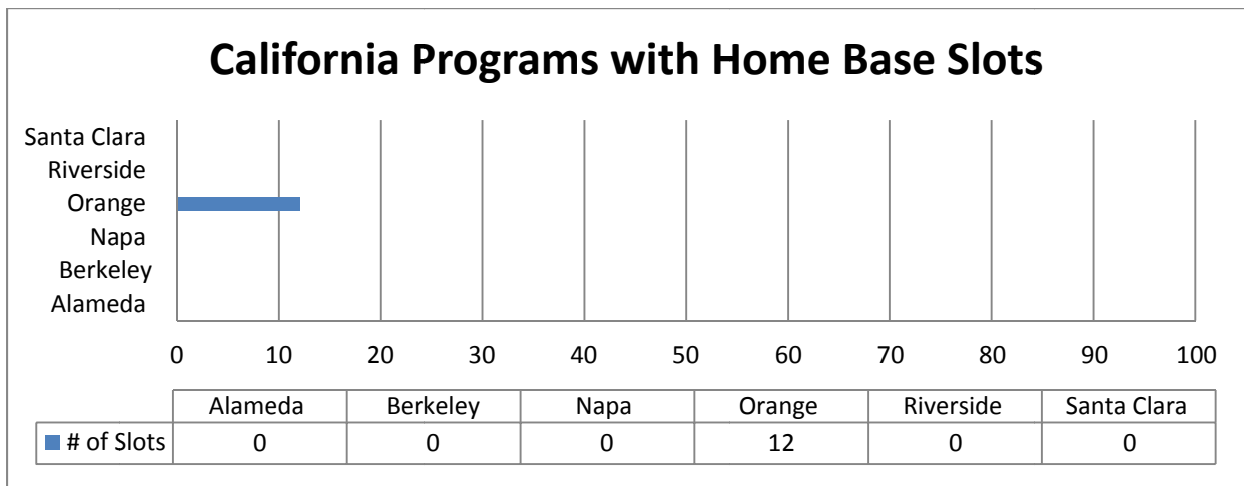

There has been a steady decline in home based slots available and a more drastic decline in enrollment. Home Base has not achieved full enrollment, a federal mandate, since 2013. In order to maintain compliance, CSB has over-enrolled in full-day/full year care to offset for this drop in enrollment in home base.

Similarly, the chart below shows a steep decline in children on the CSB waitlist that have indicated home base as their first preference for service.

A survey of other programs similar to CSB, that historically had home-based programs, clearly reveals a move away from home-base as a program option.

And finally, looking at all 242 Head Start agencies state-wide, excluding migrant and Native American Indian programs, only 6% or 5,502 slots out of 80,746 are home-based slots.

2. Optimal “Dosage”: In 2015 the Office of Head Start issued a draft of the proposed new Performance Standards that govern the Head Start program. This proposal spoke to a need for “higher dosage levels” in Head Start to be consistent with that of many State pre-kindergarten programs and proposes to eliminate the home based option as a standard program option. Programs can still have Head Start Home Base as a locally-designed option if “a program can demonstrate that a shorter program more effectively meets its community’s needs.”¹

A Solution:

CSB will respond to this call for increased dosage and decreased community need by adjusting our programing as follows:

- Reduce our current Head Start home base program from 84 to 12; leaving one caseload (12) to serve children with special needs that are temporarily unable to participate in center base.
- Add 84 state funded center based slots in areas of high need.
- Meet the needs and preferences of the 21 children returning to the program from home base in the 16-17 program year by serving 4 in home base and 18 in center base.
- Work closely with each of the six impacted Early Childhood Home Educators who are impacted to ensure alternate placement within the Department.

Fiscal Relief for Unfunded Mandates and Facility Improvement Costs

Despite the rising cost of doing business in general, along with the increased federal mandates to maintain our facilities to the highest standards for health and safety, federal funding has remained relatively flat. The Office of Head Start offers relief from this situation in the form of a slot reduction where the same level of funding is maintained while serving fewer children. Therefore, this slot reduction is not only making our program more viable in meeting community needs, it is also adjusting our program fiscally as shown by the analysis below.

Anticipated Costs:			
	FY 2016-17 Estimated facility costs to meet Health & Safety requirements		\$ 1,076,000
Cost Savings from 150-slot reduction:			
1	a. Reduce 78 slots - CSB childcare centers - 48; Little Angels - 10; East Leland - 20	\$ 289,141	
	b. Re-design slot configuration in Bayo Vista, Crescent Park and GMC to 20 FP/HS	191,909	
2	Eliminate Early Childhood Educator positions, 6 FTEs	460,000	
	Total Savings from slot reduction	\$ 941,050	
3	Addition of 168 State slots through collaboration with Antioch and San Ramon Unified School Districts and other community-based organizations	90,976	1,032,026
Projected Shortfall			\$ (43,974)
Unfunded COLA Impact:			
	FY 2017-18 - \$611,000		
	FY 2018-19 - \$1,240,000
