FISCAL IMPACT:

The purchase price will be refunded to the tax sale purchaser from the Tax Sale Trust Fund and the interest rate on the purchase price will be refunded to the tax sale purchaser from the General Fund at the rate determined under Revenue and Taxation section 5151.

BACKGROUND:

The parcel that is the subject of the rescission is Assessor's Parcel Number 410-152-034 (the "Property"), an unimproved property located on California Avenue in San Pablo. The Property became tax defaulted on July 1, 2010 for non-payment of secured property taxes and, in accordance with Revenue and Taxation Code section 3691, the Treasurer-Tax Collector recorded the power to sell the Property on July 1, 2015. During the Treasurer-Tax Collector's public auction of tax-defaulted property on February 23, 2016, Emmanuel V. Okereke purchased the Property for \$65,342.00, an amount sufficient to satisfy the delinquent secured property taxes, including the transfer tax. The tax deed to Mr. Okereke was recorded on March 11, 2016.

On April 4, 2016, the County received an objection to the tax sale from the previous owner of the property, Jose Francisco Penado. Mr. Penado claimed that the Property had been sold at auction without his knowledge. After review of the objection from Mr. Penado, the Treasurer-Tax Collector's Office determined that the Assessor's Office had not updated their records to reflect Mr. Penado's purchase of the Property in 2009. Therefore, the Treasurer-Tax Collector's Office had notified the previous owner of record of the tax sale, rather than Mr. Penado.

After considering Mr. Penado's objection, the Treasurer-Tax Collector determined the sale should be rescinded on the grounds that Mr. Penado was not sent the required statutory notice of the tax sale. The Assessor's Office concurs that a rescission of the tax sale for the Property is warranted under the circumstances. Based on this conclusion, the Treasurer-Tax Collector sent an April 28, 2016 letter to the purchaser, Mr. Okereke, requesting that he consent to rescind the sale. However, Mr. Okereke has not agreed to do so to date.

Pursuant to Revenue and Taxation Code section 3731, if the written consent of the purchaser of the Property or a successor in interest is not obtained, the sale may be rescinded by the Board of Supervisors when both of the following conditions are met:

- (1) A hearing is scheduled before the Board of Supervisors; and
- (2) A notification is provided to the purchaser of the hearing scheduled before the Board of Supervisors.

These statutory conditions have been met. The Treasurer-Tax Collector has notified all interested parties, which include the purchaser and the previous owner of the Property, of the hearing time and place concerning rescission of the tax sale. County Counsel has also provided written consent to the rescission as required under Section 3731.

There are no statutory impediments to the rescission because the Property has not been transferred or conveyed by the purchaser at the tax sale to a bona fide purchaser for value and it has not become subject to a bona fide encumbrance for value subsequent to recordation of the tax deed. In addition, in connection with the tax sale, Mr. Okereke accepted the Treasurer-Tax Collector's Public Auction Terms and Conditions, which provide that if the Treasurer-Tax Collector determines the Property should not have been sold, Mr. Okereke will consent to rescission of the tax sale.

If the Board concurs with the Treasurer-Tax Collector and rescinds the sale, Mr. Penado, as the owner of the Property, will be responsible for the delinquent and current taxes and assessments that are owed on the Property and any associated charges. When the rescission is recorded, the sale becomes null and void, as though it never occurred.

CONSEQUENCE OF NEGATIVE ACTION:

If the rescission is not approved, the tax sale will not be rescinded without court intervention.

CLERK'S ADDENDUM

CLOSED the hearing; ORDERED the tax sale of Assessor's Parcel Number 410-152-034 to Emmanuel V. Okereke rescinded and AUTHORIZED the Treasurer-Tax Collector to take the necessary steps to effectuate the rescission in accordance with the Revenue and Taxation Code; AUTHORIZED and DIRECTED the Auditor-Controller to refund the total purchase price of \$65,342.00 with interest as determined under Revenue and Taxation Code section 5151.

CONTRA COSTA COUNTY TREASURER-TAX COLLECTOR

Annual Public Auction Terms and Conditions

GENERAL TAX SALE INFORMATION

The public auction list is NOT available at this time. Information will be available mid-January 2016.
See below for general tax sale information.

The Contra Costa County Treasurer-Tax Collector does not maintain a permanent tax sale mailing list. The next public auction will be conducted online and is scheduled to run from Saturday, February 20, 2016 through Tuesday, February 23, 2016. Our Internet Auction site is hosted by Bid4Assets.com.

- Prospective purchasers will be asked to register via the Internet. Each registered bidder will receive an identification number, which the bidder must have in order to participate. All parcels will be sold by asset number and in the order listed. Minimum bids will be as stated per parcel and each raise will be in increments of at least \$100 until sold.
- The descriptions provided are based on the official records of the Contra Costa County Assessor-Recorder's Office and are presumed to be correct. The property to be sold may be approximately located from maps available for viewing at the Internet Auction Advertising Service Provider's website address.
- Any personal property, such as a mobile home or equipment located on the property, is not a part of the sale.
- The right of the former owner to redeem any parcel is forfeited as of 5:00 p.m. on the last business day prior to the sale.
- Prospective purchasers are urged to examine the title, location and desirability of the properties available to their own satisfaction prior to the sale. **ALL PROPERTIES ARE SOLD AS IS.** The County of Contra Costa makes no guarantee, expressed or implied, relative to the title, location or condition of the properties for sale. All property taxes currently due will be paid from the proceeds of the sale.
- **PLEASE NOTE: PROSPECTIVE PURCHASERS ARE ADVISED THAT SOME BONDS OR OTHER ASSESSMENTS WHICH ARE LEVIED BY AGENCIES OR OFFICES OTHER THAN THE TREASURER-TAX COLLECTOR MAY STILL BE OUTSTANDING AFTER THE TAX SALE; IN ADDITION, THE I.R.S. HAS THE OPTION OF REDEEMING, UP UNTIL 120 DAYS AFTER THE SALE, ANY PROPERTY ON WHICH THERE IS AN I.R.S. LIEN RECORDED.**
- **NOTICE OF CONTAMINATED / POSSIBLE CONTAMINATED PROPERTIES:**
When we become aware of properties on our sales list that are known or suspected to be contaminated, we will identify these properties and the Lead Agency's name and address where all available information may be reviewed. **DO NOT** bid on these properties unless you understand the issues related to contaminated properties. Prior to bidding, you should contact your attorney regarding the possible purchase of contaminated properties.
- The tax sale information will be updated daily and will not be finalized until the day of the sale. Please read all due diligence materials and check the spreadsheets for updates.
- The successful bidder may take possession of the property after the tax deed to purchaser has been recorded. Most title companies will not insure title on properties sold at public auction for at least one (1) year after the tax deed has been recorded. Legal action to challenge a tax sale must be commenced within one (1) year of the tax recording date.

- A California documentary transfer tax will be added to, and collected with, the full purchase price. This tax is calculated at the rate of \$.55 for each \$500.00 or fractional part thereof, if the purchase price exceeds \$100.00.
- Purchasers of property within the city of Richmond must also pay a City Transfer Tax in addition to the Documentary Transfer Tax. The rate for this city tax is \$7.00 per \$1,000.00 of the purchase price.
- Payment in full by wire transfer, money order or cashier's check (made payable to Bid4Assets), will be required within 3 business days of the close of the auction. No business checks, personal checks or credit cards will be accepted. Payments in excess of the purchase price will be refunded by mail within 30 days.
- Prior to payment, successful bidders will be required to submit their deed information to Internet Auction Advertising Service Provider indicating how they want their new property to be conveyed. The deed will be mailed to the purchaser after recording, usually within eight to twelve weeks. This deed conveys all right, title, and interest to the property in accordance with the provisions of Revenue and Taxation Code section 3712.
- Only a successful bidder has the opportunity to purchase Contra Costa County assets. If the successful bidder defaults, under California State Law, Contra Costa County cannot resort to the second highest bidder. If the payment policy is not adhered to, the bid deposit will be forfeited to the County and the successful bidder may be banned from future sales for 5 years.
- **RESEARCH BEFORE YOU INVEST!** The sale of these properties should not, in any way, be equated to real estate sales by licensed salesmen, brokers and realtors. The Contra Costa County Treasurer-Tax Collector cannot guarantee the condition of the property nor assume any responsibility for conformance to codes, permits or zoning ordinances. You should inspect the property before investing. The burden is on the purchaser to thoroughly research, before the sale, any matters relevant to his or her decision to purchase, rather than on the County, whose sole interest is the recovery of back taxes.
- It is recommended that bidders consult with the Zoning Department of any city within which a particular parcel lies. Tax-defaulted property will be sold on an "as is" basis.
- As a condition of bidding on a tax-defaulted property in the County of Contra Costa, if the County subsequently determines that a property sold by the Tax Collector should not have been sold because it was County property, not in tax-default, or for any other legal reason, the successful bidder consents to the rescission of the sale as provided in Revenue and Taxation Code Section 3731. To rescind the sale, if a tax deed has been recorded, the registered bidder agrees to sign all required forms to cancel and rescind the erroneous sale and understands that the County will refund only the purchase amount paid and that the Tax Collector and the County of Contra Costa have no further liability in the matter.
- Should the successful purchaser desire a survey of the property, it will be at the purchaser's own initiative and expense. No warranty is made by the County, either expressed or implied, relative to the usability, the ground location, or property lines of the properties. The exact location, desirability, and usefulness of the properties must be determined by the prospective purchaser.
- The County is not liable for the failure of any device that is not owned, operated, and managed by the state or county, that prevents a person from participating in any sale. "Device" includes, but is not limited to, computer hardware, a computer network, a computer software application, and a computer Web site.
- The County assumes no liability for any other possible liens, encumbrances or easements, recorded or not recorded. When property is sold at public auction on which the IRS holds a tax lien, the United States has the right of redemption for 120 days from the date of such sale (26 USC Sec. 3712(g) and 7425(d)). The IRS will pay the actual amount paid for the property by the bidder, plus interest at 6% per annum from the date of sale, plus the expenses of sale that exceed any income received from the property.
- **ALL SALES ARE FINAL.**

Re: Rescission of Tax Deed for Parcel # 410-152-034

Dear Mr. Okereke,

This letter follows up my April 11, 2016 letter concerning the possible rescission of the sale to you at the Contra Costa County Treasurer-Tax Collector's auction of tax-defaulted properties on February 23, 2016 of Assessor's Parcel Number 410-152-034. I regret to inform you that the parcel should not have been offered at the auction.

Due to a clerical error, the previous owner of the parcel was provided with an insufficient opportunity to pay the taxes due on the parcel prior to the auction. For this reason, the property should not have been offered for sale.

With your consent, the sale may be rescinded by the County's board of supervisors without the need for a hearing. Rev. & Tax. Code, § 3731, subdiv. (a). If you agree, you will receive a refund of the parcel purchase price plus interest at a rate provided by law.

If you consent to rescission of the sale of APN 410-152-034, please contact my office by May 16, 2016 by email brice.bins@tax.cccounty.us or phone 925-957-2888, to discuss the next steps. If we do not hear from you by May 16, 2016, we will proceed to set a hearing before the County board of supervisors on rescission of the sale.

Sincerely,

RUSSELL V. WATTS

**Re: Notification of Hearing re Rescission of Tax Deed [Cal. Rev. & Tax., § 3731(b)]
Assessor's Parcel Number 410-152-034**

Dear Mr. Okereke:

This letter is to inform you that there will be a hearing before the Contra Costa County Board of Supervisors concerning rescission of the tax deed recorded on or about March 11, 2016 as Instrument Number 2016-0042120 in Official Records of Contra Costa County, State of California (the "Tax Deed"). The Tax Deed relates to vacant land that you purchased at the February 23, 2016 tax sale (the "Property"), which is identified as Assessor's Parcel Number ("APN") 410-152-034 and described in the Tax Deed as follows:

**LOT 31, IN BLOCK 20, MAP OF "EMERIC SUBDIVISION
NO. 2, IN THE CITY OF SAN PABLO, COUNTY OF
CONTRA COSTA", FILED MAY 4, 1908 IN MAP BOOK 1,
PAGE 21, CONTRA COSTA COUNTY RECORDS.**

The hearing on the rescission of the Tax Deed will take place on **August 9, 2016 at 9:00 a.m.**, or as soon thereafter as the matter may be heard, at the following location:

**Board of Supervisors Chambers
651 Pine Street, Room 107
Martinez, California 94553**

COPY

The Tax Collector is recommending that the Contra Costa County Board of Supervisors rescind the Tax Deed because, due to a clerical error, the Tax Collector's Office did not receive the most current property owner information from the Assessor's Office. Therefore, the person who owned the Property at the time of sale, Jose Francisco Penado, was not sent notice of the sale as required by statute. Under state law, Mr. Penado should have received notice of the tax sale not less than forty-five (45) nor more than 120 days before the proposed sale. (Cal. Rev. & Tax. Code, §§ 3701, 4675.)

After the February 23, 2016 tax sale, the Tax Collector's Office received an objection from Mr. Penado and a request to rescind the Tax Deed. (A copy of the Grant Deed to Mr. Penado, recorded on or about July 6, 2009 as Instrument No. 2009-0157596-00 in Official Records of Contra Costa County, State of California, is attached hereto and incorporated by reference.) Under these circumstances, the law requires that the Board of Supervisors conduct a noticed public hearing and then decide whether to rescind the Tax Deed. At the August 9, 2016 hearing before the Board of Supervisors, both you and Mr. Penado will have an opportunity to present information to the Board of Supervisors.

If the Board of Supervisors approves the rescission of the Tax Deed, a refund will be issued to you as the purchaser of the Property or the successor in interest, if applicable, for the purchase amount of the Property, plus interest at the county pool apportioned rate as specified in Revenue and Taxation Code section 5151 from the date of the purchase of the Property.

Please contact our office if you have any questions at 925-957-2888 and ask to speak with Brice Bins.

Sincerely,

Russell V. Watts

BACKGROUND: (CONT'D)

Over the past several months, the Authority has undertaken actions necessary to have a measure placed on the November 2016 general election ballot that would establish an additional one-half of one percent sales tax for transportation purposes to meet the growing needs of Contra Costa County. If the tax passes, the revenues will supplement an existing one-half of one percent local transportation sales tax implemented by Measure C in 1988, which was extended until March 31, 2034 by Measure J in 2004.

As required by Public Utilities Code section 180206, the Authority prepared a Transportation Expenditure Plan (TEP), entitled "Transforming Contra Costa County, Our New 30-Year Transportation Expenditure Plan", that sets forth the use of the approximately \$2.9 billion expected to be derived from the 30-year sales tax. The TEP includes proposed project and program expenditures, including a revised Growth Management Program (GMP), a new Complete Streets Policy, and a new Advance Mitigation Program to help the Authority achieve its goals to reduce future congestion, manage the impacts of growth, and expand alternatives to the single-occupant vehicle.

The Authority approved the final language for the TEP on May 18, 2016 and released the TEP for approval by city/town councils and the County Board of Supervisors. By July 12, 2016, the TEP was approved by the city/town councils of all nineteen of the cities/towns in Contra Costa County and the County Board of Supervisors.

Following approval of the TEP by the governing boards of Contra Costa County and its cities/towns, the Authority approved the TEP, with corrections to the BART funding provisions, on July 20, 2016 by Authority Ordinance 16-02. Ordinance 16-02 and the associated TEP are attached to this report (Attachment 2). At the same time, it adopted Authority Ordinance No. 16-03 (Attachment 4), which establishes a transportation sales tax for the period from April 1, 2017 to March 31, 2047, subject to the approval of two-thirds of the voters. Through Authority Resolution 16-41-P, the Authority also requested that the Board of Supervisors call and consolidate an election for the purpose of submitting a ballot measure to the qualified voters seeking approval of the sales tax.

Public Utilities Code Section 180201 and 180203 requires the election to be called by a county ordinance. At least five days must elapse between introduction and adoption of the ordinance. On August 2, 2016, the Board introduced the ordinance, waived its reading and fixed adoption of the ordinance for August 9, 2016. The Board's action today adopts the ordinance. The Board's adoption of this ordinance is a ministerial activity that is exempt from CEQA (Public Resources Code section 21080(b)(1)). The Notice of Exemption is Attachment #3 to this report.

The sample ballot mailed to the voters will contain the full proposition, as set forth in Section III of Ordinance 2016-17, and the voter information handbook will include the entire TEP and Authority Ordinance No. 16-03, which establishes the sales tax.

Pursuant to Public Utilities Code section 180203(a) and Authority Resolution 16-41-P, the Authority will reimburse the County for all costs of conducting the election, including those relating to consolidation of the election.

CONSEQUENCE OF NEGATIVE ACTION:

If the Board of Supervisors does not take the recommended actions, the Authority's proposed 30-year countywide transportation sales tax will not be submitted to the voters as a measure on the November 8, 2016 ballot.

ORDINANCE NO. 2016-17
(Calling of Special Election for Voter Approval to Augment Local Sales Tax for Transportation Purposes)

The Contra Costa County Board of Supervisors ordains as follows:

SECTION I. SUMMARY. This ordinance calls a special election, at the request of the Contra Costa Transportation Authority, referred to as the “Authority,” for the purpose of submitting to the voters for approval an additional one-half of one percent sales tax for the transportation projects and programs described in the tax ordinance and county transportation expenditure plan adopted by the Authority on July 20, 2016.

SECTION II. RECITALS AND FINDINGS. This ordinance is made with reference to the following recitals and findings:

Local highway and transportation improvements in Contra Costa County are needed to address countywide mobility needs and alleviate traffic congestion that threatens the economic viability of the area and adversely impacts the quality of life in the County.

To manage current and future local transportation maintenance and improvement needs, local jurisdictions need to develop and implement local funding programs that go significantly beyond current federal and state funding, which is inadequate to resolve these problems.

It is in the public interest, under the Local Transportation Authority and Improvement Act (Public Utilities Code Section 180000 and following), to allow the voters in Contra Costa County to implement a new retail transactions and use tax (sales tax) ordinance to raise additional local revenues for a transportation expenditure plan that funds transportation improvements and maintenance and meets local transportation needs in a timely manner.

In 1988, voters in Contra Costa County passed Measure C, which created a one-half cent sales tax for 20 years to support transportation programs and projects. In 2004, voters approved Measure J, which extended the transportation sales tax for an additional 25 years beyond the previous expiration date.

ORDINANCE NO. 2016-17

On May 18, 2016, the Authority authorized the release of a proposed Transportation Expenditure Plan, *Transforming Contra Costa County, Our New 30-Year Transportation Expenditure Plan*, to the County, cities and towns to consider, among other matters, establishing an additional countywide one-half of one percent sales tax for 30 years to increase the funding of transportation projects, subject to approval by the qualified electors on the November 8, 2016 ballot.

As of July 12, 2016, all of Contra Costa County's nineteen cities and towns representing 100 percent of the incorporated area population, and the County Board of Supervisors, have approved the Transportation Expenditure Plan prior to its final approval by the Authority Board.

On July 20, 2016, the Authority Board approved the Transportation Expenditure Plan and requested that the Contra Costa County Board of Supervisors call a special election for the purpose of submitting Authority Ordinance No. 16-03, authorizing the additional one-half of one percent sales tax, to voters on the November 8, 2016 ballot.

SECTION III. CALL OF SPECIAL ELECTION. At the request of the Authority, pursuant to Public Utilities Code sections 180201 and 180203, the Board of Supervisors hereby calls a special election for the purpose of submitting the following proposition to the voters of the incorporated and unincorporated territory of Contra Costa County for approval:

"To implement a Transportation Expenditure Plan to continue:

- Repairing potholes/fixing roads;
- Improving BART capacity/reliability;
- Improving Highways 680, 80, 24, and 4;
- Enhancing bus/transit including for seniors and people with disabilities;
- Increasing bicycle/pedestrian safety;
- Improving air quality;
- Reducing traffic;

shall voters adopt the ordinance augmenting the sales tax by ½%, raising ninety-seven million dollars for transportation improvements annually for 30 years with independent oversight, audits, and all money benefitting local residents?"

ORDINANCE NO. 2016-17

SECTION IV. CONSOLIDATION. As requested by the Authority in Authority Resolution 16-41-P, the election shall be consolidated with the Statewide General Election to be held on Tuesday, November 8, 2016.

SECTION V. CONDUCT OF ELECTION. Pursuant to Public Utilities Code Section 180203(b), the County Clerk (Elections Clerk) shall conduct said election in the same manner as provided by law for the conduct of special elections by a county.

SECTION VI. SAMPLE BALLOT AND VOTER HANDBOOK. Pursuant to Public Utilities Code Section 180203(c), the sample ballot to be mailed to the voters shall contain the full proposition, as set forth in Section III of this ordinance, and the voter information handbook shall include the entire adopted county transportation expenditure plan and the tax ordinance (Authority Ordinance No. 16-03) referred to in Section II of this ordinance.

SECTION VII. ELECTION COST. Pursuant to Public Utilities Code section 180203(a) and Authority Resolution 16-41-P, the Authority shall reimburse the County for all costs of conducting said election, including those relating to consolidation of the election.

SECTION VIII. EFFECTIVE DATE. This ordinance becomes effective immediately upon passage and within 15 days after passage shall be published once with the names of supervisors voting for and against it in the EAST BAY TIMES, a newspaper published in this county.

Tarienne Grover, Board Clerk

**AN ORDINANCE OF THE CONTRA COSTA TRANSPORTATION AUTHORITY
ADOPTING 2016 TRANSPORTATION EXPENDITURE PLAN**

WHEREAS, the Contra Costa Transportation Authority (hereinafter "Authority") is considering the countywide imposition of a one half of one percent sales tax for transportation purposes for a period of thirty years, effective on April 1, 2017 through March 31, 2047; and

WHEREAS, Public Utilities Code section 180206 requires preparation and adoption of a Transportation Expenditure Plan ("TEP") for the expenditure of the revenues expected to be derived from a transactions and use tax, together with other federal, state, and local funds expected to be available for transportation improvements, for the period during which the transportation and use tax is to be imposed; and

WHEREAS, the Authority is required to receive approval of the TEP from the Board of Supervisors of Contra Costa County and of the city/town councils representing both a majority of the cities in the county and a majority of the population residing in the incorporated areas of the county; and

WHEREAS, the Authority conducted extensive consultations with local governments and conducted outreach to a wide variety of interest groups and the public in order to develop a TEP proposing a potential mix of projects and programs to be funded by the proposed sales tax; and

WHEREAS, the Authority circulated the TEP and received unanimous approval of the TEP from the Contra Costa County Board of Supervisors and the city/town councils representing all cities in the county and a majority of the population residing in the incorporated areas of the county.

**NOW, THEREFORE, THE CONTRA COSTA TRANSPORTATION AUTHORITY DOES ORDAIN AS
FOLLOWS:**

- 1. ADOPTION.** The Authority adopts the Transportation Expenditure Plan, which is set forth in the text of Exhibit 1 to this Ordinance, incorporated herein by reference and made a part of this Ordinance as if fully set forth at this point. The graphical representation of the text serves as illustrations and are not a substantive part of the

TEP. The revenues received by the Authority from this Ordinance, after deduction of required Board of Equalization costs for performing the functions specified in Section 180204 of the Public Utilities Code, and for the administration of the Transportation Expenditure Plan commencing with Public Utilities Code Section 180200, shall be used for transportation projects and programs countywide as set forth in the TEP and in a manner consistent with the Comprehensive Transportation Plan developed by the Authority.

- 2. TRANSPORTATION IMPROVEMENT PROGRAM PURPOSES.** In the allocation of all revenues made available from the transactions and use tax, the Authority shall make every effort to maximize state, federal and regional transportation. The Authority may amend the TEP, in accordance with Section 3, as needed, to maximize the transportation funding to Contra Costa County. The revenues shall be allocated in accordance with the TEP and subject to the following provisions:

A. For all projects.

1. No revenues shall be allocated for any state projects or programs until the Authority has certified that Contra Costa is receiving, at a minimum, its fair share of funds from state and federal sources for transportation projects and programs. The determination of fair share shall consider all relevant factors including the degree to which the Contra Costa region is receiving its statutory county share and county minimum funding for all budgeted, expended, and programmed state funds and federal funds available for capital projects and operational subsidies. The policies and project approval actions of the California Transportation Commission, the State Department of Transportation (hereafter referred to as Caltrans) and the federal Department of Transportation (e.g. Federal Highway Administration and Federal Transit Administration) will also be reviewed to ensure that Contra Costa is receiving full consideration in the allocation of any additional uncommitted state and federal funding. Part of the certification shall include a finding that the state has not reduced any state fund allocations to the Contra Costa region as a result of the addition of any local revenues as provided herein. The certification shall be made annually.
2. If the Authority finances the construction of transportation facilities by the issuance of bonds or any similar financing device, the Authority shall first allocate the funds necessary to meet all debt service requirements.
3. Each project shall have a local jurisdiction(s) or special district as a sponsor of the project. If there is no local jurisdiction or special district as a project

sponsor for a specific Project or Program, the Authority shall be the sponsor for that Project or Program.

4. The Authority may use the proceeds of this Ordinance to accelerate projects which are anticipated to be funded through the State Transportation Improvement Program ("STIP"). It must be demonstrated by the implementing agency (generally the Authority or Caltrans) that a meaningful acceleration can be accomplished using Authority funds and the State must commit to refunding those proceeds in dollars or in the completion of other TEP Projects and Programs and/or STIP projects using State funds not otherwise committed to Contra Costa County.

In the event that the refund of acceleration funds impacts the implementation of any TEP Project or Program, the Authority shall amend the Expenditure Plan under Section 3.

5. Any local funds already allocated, committed or otherwise included in the financial plan for any project on the Expenditure Plan shall be made available for project development and implementation as required in the project's financial and implementation program. All local jurisdictions and special districts are encouraged to seek all available funding from private and public sources to further the purposes of the Expenditure Plan and this Ordinance.

B. For Highway Projects.

1. All state improvements to be funded with revenues as provided in this Ordinance, including project development and overall project management, shall be a joint responsibility of Caltrans, the Authority and the affected local jurisdiction(s) or special district(s). All major project approval actions including the project concept, the project location, and any subsequent change in project scope shall be jointly agreed upon by Caltrans, the Authority and the project sponsors, and where appropriate, by the Federal Highway Administration and/or the California Transportation Commission.
2. Once any state highway facility or usable portion thereof is constructed to at least minimum acceptable state standards, the state shall be responsible for the maintenance and operation thereof.

C. For Transit Projects. Prior to the construction of any transit facility or usable portion thereof, the Authority, in cooperation with affected transit operators and agencies, shall determine the entity to be responsible for the maintenance and operation thereof.

- D. For Transit Rolling Stock.** Prior to the appropriation of any funds for transit rolling stock, the Authority, in cooperation with affected transit operators and agencies, shall determine the entity(ies) to be responsible for the ownership, maintenance and operation thereof.
- E. For Local Streets and Road Projects.** Prior to the construction of any local street and road facility or usable portion thereof, the Authority in cooperation with affected local agency(ies), shall determine the local agency(ies) to be responsible for the maintenance and operation thereof.
- F. For Trail Projects.** Prior to the construction of any trail facility or usable portion thereof, the Authority in cooperation with affected agencies, shall determine the entity(ies) to be responsible for the maintenance and operation thereof.
- G. For Maintenance and Operational Programs.** The Authority may adopt guidelines, policies and other requirements for the administration of and appropriation of funds for programs in the TEP targeted for infrastructure maintenance or operational programs. The Authority will develop any such guidelines, policies and other requirements in cooperation with the Regional Transportation Planning Committees and other affected stakeholder.
- H. Bay Area Rapid Transit District (BART) Maintenance of Effort (MOE):** Prior to any appropriation, allocation or reimbursement of funds to BART from the "BART Capacity, Access or Parking Improvements" category, the Authority Board shall make a finding that BART has continued to use a proportional share of its operating allocations for capital projects. BART's preliminary FY 2017 Budget forecasts approximately \$144 million of its operating allocations to capital projects. BART shall demonstrate that it continues to use an equivalent proportional share of its operating revenues for capital projects allowing for normal annual fluctuations in capital projects or maintenance expenditures. In years where BART fare revenues or other general fund revenues are reduced by a decrease in ridership or unforeseen economic circumstances, loss of regional, state or federal funding, or where one-time costs are increased by a natural disaster, then the Authority may release funds only if the Authority Board makes findings that 1) BART has not reduced its capital project funding disproportionately to the total operating revenue and 2) BART made best efforts to fund capital projects that benefit Contra Costa County.

3. AMENDMENTS.

A. Amendments to the Ordinance.

1. This Ordinance may be amended to further its purposes. The Authority shall establish a process for proposed Ordinance amendment(s) which ensures that the Regional Transportation Planning Committees participate in proposed Ordinance amendment(s). Upon completion of that process, amendment(s) to this Ordinance must be passed by a roll call vote entered in the minutes and must have two-thirds of the Authority concurring with the proposed amendment(s).
2. In the event that a local jurisdiction does not agree with the Authority's amendments(s), the jurisdiction's policy decision-making body must, by a majority vote, determine to formally notify the Authority of its intent, in writing via registered mail, to obtain an override of the Authority's amendment(s). The appealing jurisdiction will have 45 days from the date the Authority adopts the proposed amendment(s) to obtain resolutions supporting its appeal for an override of the amendment(s) from a majority of the cities representing a majority of the population residing within the incorporated areas of the county and from the Board of Supervisors. If a jurisdiction does not obtain the necessary resolutions supporting its appeal, the Authority's amendment(s) to the Ordinance will stand.

B. Amendments to the TEP.

1. The Authority may annually review and propose amendments to the TEP to provide for the use of additional federal, state, and local funds, to account for unexpected revenues, to take into consideration unforeseen circumstances, and to account for impacts, alternatives, and potential mitigation determined during review under the California Environmental Quality Act (CEQA) at such time as each Project and Program is proposed for approval. The Authority shall establish a process for proposed TEP amendment(s) which ensures that the affected Regional Transportation Planning Committee(s) participate in the development of the proposed amendment(s). Upon completion of this process, amendment(s) to the Expenditure Plan must be passed by a roll call vote entered in the minutes and must have a majority of the Authority concurring with the proposed amendment(s). Subsequently, the Authority shall notify the Board of Supervisors, the City/Town Council of each city/town in the county and the Mayors' Conference and provide each entity with a copy of the proposed

amendment(s). Pursuant to Public Utilities Code 180207, proposed amendment(s) shall become effective 45 days after notice is given, unless appealed under the process outlined in the following paragraph. The Authority shall hold a public hearing on the proposed amendment(s) within this 45-day period.

2. In the event that a local jurisdiction does not agree with the Authority's amendments(s), the jurisdiction's policy decision-making body must, by a majority vote, determine to appeal and shall, within 45 days after notice is given by the Authority, formally notify the Authority of its intent, in writing via registered mail, to obtain an override of the Authority's amendment(s). The appealing jurisdiction will have 45 days from the date of its determination to appeal the proposed amendment(s) to obtain resolutions supporting its appeal for an override of the amendment(s) from a majority of the cities representing a majority of the population residing in the incorporated areas of the county and from the Board of Supervisors. If a jurisdiction does not obtain the necessary resolutions supporting its appeal, the Authority's amendment(s) to the Expenditure Plan will stand.
4. **PRIVATE SECTOR FUNDING.** Revenues provided from the transactions and use tax shall not be used to replace private developer funding which has been or will be committed for any project.
5. **DESIGNATION OF FACILITIES.** Each project or program in excess of \$250,000 funded in whole or in part by revenues from the Ordinance shall be clearly designated in writing via signs and/or documents, during its construction or implementation as being funded by revenues from the Ordinance.
6. **COORDINATION.** The Authority shall consult and coordinate its actions to secure funding for the completion and improvement of the priority regional projects with the California Transportation Commission, transit operators and other interested and affected parties for the purpose of integrating its transportation improvements with other planned improvements and operations impacting the county. In addition, the Authority shall seek all ways to expedite the completion of Expenditure Plan projects, the implementation of which is the responsibility of other agencies.
7. **EMINENT DOMAIN.** The Authority will not use its power of eminent domain as provided in Public Utilities Code Section 180152.
8. **COMPLIANCE WITH CALIFORNIA ENVIRONMENTAL QUALITY ACT ("CEQA").** The Authority finds that the approval of this Ordinance is not a "project" and, alternatively, is exempt from the California Environmental Quality Act ("CEQA"). The

Ordinance is intended to provide a plan for a funding mechanism for future projects and programs, related to the Authority's provision of transportation services. The Ordinance does not commit the Authority to any particular project, program, or capital improvement. Accordingly, the Authority hereby finds that, under State CEQA Guidelines section 15378(b)(4), adoption of the Ordinance and TEP as a prerequisite to establishing a government funding mechanism is not a project subject to the requirements of CEQA because the TEP merely facilitates "[t]he creation of [a] government funding mechanism[] or other fiscal activity which do[es] not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment." (Cal. Code Regs., tit. 14, § 15378, subd. (b)(4); see also *Sustainable Transportation Advocates of Santa Barbara v. Santa Barbara County Association of Governments* 179 Cal.App.4th 113, 123 [holding that the adoption of a transportation expenditure plan in accordance with Public Utilities Code section 180206 "does not qualify as a project within the meaning of CEQA because it is a mechanism for funding proposed projects that may be modified or not implemented depending upon a number of factors, including CEQA environmental review"].) Further, because the Ordinance does not authorize the construction of any projects that may result in any direct or indirect physical change in the environment and is subject to further discretionary approvals, including the pre-conditions found in Public Utilities Code section 180206(b), approving the Ordinance is not an approval that "commits the agency to a definite course of action" (State CEQA Guidelines section 15352). The timing, design, and approval of individual projects to be funded by the Ordinance are dependent on funding availability, need, and CEQA review. Thus, the Ordinance has no potential for causing a significant effect on the environment and is exempt from any further review under CEQA (State CEQA Guidelines section 15061(b)(3)).

9. **SEVERABILITY.** If any section, part, clause or phrase of this Ordinance is for any reason held invalid or unconstitutional, the remaining portions shall not be affected but shall remain in full force and effect.

Adopted by the Contra Costa Transportation Authority at a Special Meeting thereof, held this 20th day of July, 2016, by the following vote:

Transforming Contra Costa County

Contra Costa is a county as unique and diverse as its residents. Our communities stretch from the Richmond coastline to Discovery Bay, from Port Chicago to the San Ramon Valley, and from Mount Diablo to Crockett Hills. We are growing with the times while protecting the qualities that make Contra Costa County a wonderful place to call home. **We need a transportation plan that reflects where we are now and, more importantly, our commitment to pursue transportation policies, planning and investments that will get us where we want to be.**

The Contra Costa Transportation Authority (CCTA) is responsible for maintaining and improving the county's transportation system by planning, funding, and delivering critical transportation infrastructure projects and programs that connect our communities, foster a strong economy, increase sustainability, and safely and efficiently get people and freight where they need to go. CCTA is also the county's designated Congestion Management Agency (CMA), responsible for putting programs in place to keep traffic levels manageable.

Currently, our transportation needs significantly exceed available revenue to meet those needs. Over the next 30 years, our population will continue to grow and that population will have new and additional needs. A new countywide funding measure and Transportation Expenditure Plan (TEP) can keep Contra Costa County moving and create the livable and sustainable communities that all Contra Costans deserve.

After extensive public engagement and analysis, CCTA prepared a 30-year TEP that will **promote a strong economy, protect the environment, maintain and improve local streets and roads, encourage greater transit usage and alternate forms of transportation, and enhance the quality of life for all** of Contra Costa's diverse communities. This new TEP will benefit every person and every part of the county.

This plan is transformative on every level. With a strong focus on technology and innovation, the plan will deliver **a more efficient, cleaner and faster transportation system.**

The new plan will significantly cut emissions through an emphasis on transit, electric and other non-fossil fuel oriented modes of transportation and transportation networks. It provides for new BART cars that will reduce energy use, pollution and costs, and that will provide increased frequency of BART trains and improved BART station access, and also provides for improved bus transit operations and improved bus frequency, potential driverless vehicles, bikes in every community, and connectivity

among and with all modes of transportation.

The plan also sets forward clear policies that ensure that while we grow, we will keep all growth within clear urban limit lines. This will allow the county to continue growing in a smart way, while protecting vital open space for parks and farmland. Furthermore, increased investments in bike and pedestrian paths and walkways bring access to the outdoors to every community.

Smooth, safe and complete streets for cars, trucks, buses, bikes and pedestrians, along with extraordinary investments in direct funding to Contra Costa's communities for local street and road repair, will greatly enhance all communities.

For our urban areas, the plan focuses on support for transit and transit-oriented mixed-use development. This includes an emphasis on bicycle and pedestrian opportunities, interconnectivity, transit, traffic smoothing, and technological advances to ensure our systems are efficient and work well together.

This plan will benefit the people who live in Contra Costa County by:

- **Attracting more good jobs**, which will reduce commute trips and congestion
- **Actively managing the impacts of growth** on our community so we support local businesses and preserve our environment
- **Accommodating the needs of all** transportation modes, while increasing the use of alternative transportation; and
- **Enhancing transportation services** for seniors, persons with disabilities and school children

This TEP was developed with two key documents as guidance – the Expenditure Plan Advisory Committee (EPAC) Vision, Goals and Objectives and the CCTA Principles for Development of a Transportation Expenditure Plan. Both documents are available for review at www.CCTA.net. Building on these two documents and extensive public engagement with stakeholders, the TEP articulates how the Authority will use nearly \$3 billion in additional revenue to invest wisely – using locally-generated funds and leveraging outside matching funds – to maximize the benefits for all Contra Costa residents by promoting a strong economy, protecting the environment, maintaining and improving local streets and roads, and encouraging greater transit usage and alternate forms of transportation.

IMPROVING OUR BART, BUS, FERRY AND TRAIN NETWORKS

BART Capacity, Access and Parking Improvements

\$300 Million

This category is intended to provide funding to increase the capacity of and ridership on the BART System in Contra Costa County, including improvements to local BART stations, as well as access and parking in Contra Costa County. Funds in this category are intended to be allocated by the Authority for the acquisition of additional new BART cars, provided that: 1) BART agrees to fund a minimum of \$100 million in BART station, access and parking improvements in Contra Costa County from other BART revenues, and 2) a regional approach, that includes commitments of equal funding shares from both Alameda and San Francisco counties and additional regional funding from the Metropolitan Transportation Commission, is developed and approved no later than December 31, 2024.

BART station, access and parking improvements or alternate public transit services that access BART may include station capacity, safety and operational improvements; infrastructure improvements that facilitate Transit Oriented Development at or near BART stations; additional on or off site parking, last mile shuttle or shared vehicles that provide alternatives to driving single-occupant vehicles to BART stations; and bicycle/pedestrian facilities that provide access to BART stations.

In the event that commitments from the four parties to fund additional BART cars are not approved by December 31, 2024, or any date earlier if BART informs the Authority it is no longer pursuing the acquisition of additional BART

cars as provided herein, and if BART has maintained the commitment to fund a minimum of \$100 million in improvements as described above, the Authority (in consultation with the RTPCs) and BART will jointly identify, and the Authority will allocate these funds for other capacity-enhancing, safety and efficiency increasing projects (to include station, access and parking improvements or alternate public transit services that access BART) that benefit the residents of Contra Costa County.

Prior to any appropriation, allocation or reimbursement of funds to BART, the Authority Board shall make a finding that BART has continued to use a proportional share of its operating allocations for capital projects. BART's preliminary FY 2017 Budget forecasts approximately \$144 million of its operating allocations to capital projects. BART shall demonstrate that it continues to use an equivalent proportional share of its operating revenues for capital projects allowing for normal annual fluctuations in capital projects or maintenance expenditures. In years where BART fare revenues or other general fund revenues are reduced by a decrease in ridership or unforeseen economic circumstances, loss of regional, state or federal funding, or where one-time costs are increased by a natural disaster, then the Authority may release funds only if the Authority Board makes findings that 1) BART has not reduced its capital project funding disproportionately to the total operating revenue and 2) BART made best efforts to fund capital projects that benefit Contra Costa County.

Bus Transit and Other Non-Rail Transit Enhancements

\$295 million

Bus Transit Enhancements in the West Subregion of Contra Costa

\$111 million

This subcategory is intended to provide funding for public transit operators to maintain and increase transit operations, including any transit capital expenses and/or operating expenses for existing service or service improvements/enhancements in the West subregion of Contra Costa. Funding is to provide for bus transit operations to increase or maintain ridership, including incentivizing transit use by offsetting fares, and improve the frequency and capacity of routes, especially high demand routes. Funding will be allocated by the Authority based on input from the WCCTAC in consultation with local bus operators and stakeholders.

Bus Transit Enhancements and Other Non-Rail Transit Enhancements in the Central, East and Southwest Subregions of Contra Costa

\$184 million

This subcategory is intended to provide funding for public transit operators to maintain and increase transit operations, including any transit capital expenses and/or operating expenses for existing service or service improvements/enhancements, and also to provide funding for future non-rail transit service alternatives in the Central, East and Southwest subregions of Contra Costa. Funding is to provide for bus transit operations to increase or maintain ridership, including incentivizing transit use by offsetting fares, and improve the frequency and capacity of routes, especially high demand routes. Funding will be allocated by the Authority for the Central, East and Southwest subregions of Contra Costa based on input from the RTPCs in those subregions, in consultation with local bus operators and stakeholders. Funding allocation by the Authority may include use of a portion of the funds for non-rail transit services/projects that demonstrate an innovative approach to maximize the movement of people efficiently and in a manner that reduces Vehicle Miles Traveled (VMT) and Green-house Gas (GHG).

East Contra Costa Transit Extension (BART or alternative)

\$70 million

This category is intended to provide funding to improve access to and extend high capacity transit service easterly from the Hillcrest BART Station in Antioch through Oakley to a new transit station in Brentwood. To the greatest degree

possible, local funds generated by this measure shall be used to leverage additional regional, state and/or federal funds for this project. Funds from this category may be used to complete an interim transit station in Brentwood.

High Capacity Transit Improvements along the I-80 Corridor in West Contra Costa County

\$55 million

This category is intended to fund projects/programs for high capacity transit improvements along the I-80 corridor. Final determination on the scope of the improvements to be constructed will be based on the final recommendations in the West County High Capacity Transit Study and in

consultation with the west subregion. To the greatest degree possible, local funds generated by this measure shall be used to leverage additional regional, state and/or federal funds for this project.

Intercity Rail and Ferries

\$50 million

This category is intended to provide funding to construct station and/or track improvements to the Capitol Corridor and/or the San Joaquin corridors, as well as to implement new or improved ferry services (including both capital and operations) in Richmond, Hercules, Martinez and/or Antioch. Projects that increase ridership using existing capacity, including incentivizing use by offsetting fares or other methodologies, may also be considered. To the greatest degree possible, local funds generated by this measure shall be used to leverage additional regional, state and/

or federal funds for this project. Any projects funded in this category will be evaluated by the Authority and demonstrate progress toward the Authority's goals of reducing Vehicle Miles Traveled (VMT) and green-house gas (GHG) reductions. Selection of final projects to be based on a performance analysis of project alternatives consistent with Authority requirements. Sponsors of projects requesting funding from this category will be required to demonstrate to the Authority that sufficient funding is available to operate the proposed project and/or service over a long period of time.

REDUCING CONGESTION AND SMOOTHING TRAFFIC

Traffic Flow Improvements and High Capacity Transit Implementation Along I-680 and SR 24

\$250 million

This category is intended to fund an I-680 corridor express lane and operational improvement project to facilitate carpools and increase transit use in the corridors as an alternative to single occupant vehicle travel. Funding may also be used to implement high capacity transit improvements in the corridor (including those identified in the I-680 Transit Investment and Congestion Relief Options and other relevant studies). Funding may also be used to complete improvements to the mainline freeway and/or local interchanges along I-680 and SR 24 as may be required to implement express lane and/or transit projects as well as advanced traffic management programs and/or other projects or programs that encourage the use of

connected vehicle and/or autonomous vehicles in the corridor provided that the project sponsor can show that they reduce congestion, increase mobility and provide alternatives to single occupant vehicle travel. Selection of final projects shall be based on a performance analysis of project alternatives consistent with Authority requirements. Projects funded from this category must be on or near the I-680 or the SR 24 corridors. Of the funds assigned to this category in Southwest County, \$20 million will be eligible for interchange improvements on the SR 24. To the greatest degree possible, local funds generated by this measure shall be used to leverage additional regional, state and/or federal funds for this project.

East County Corridor (Vasco Road and/or Byron Highway Corridors) Improvements

\$117 million

The Authority shall provide funding to construct a new 2-lane "limited access" connector between Byron Highway and Vasco Road south of Camino Diablo Road as well as shoulder and other improvements to the Byron Highway (including a railroad grade separation) to improve safety and access to the Byron Airport and to facilitate economic development and access for goods movement in East Contra Costa County. For the Vasco Road corridor, the Authority shall provide funding for safety and other improvements oriented at facilitating the use of high-capacity transit and/or high occupancy carpools. To the greatest degree possible, local funds generated by this measure shall be used to leverage additional regional, state and/or federal funds for these projects.

Prior to the use of any local sales tax funds to implement capacity improvements to either or both of these corridors,

the Authority Board must make a finding that the project(s) include measures to prevent growth outside of the Urban Limit Lines (ULL). Such measures might include, but are not necessarily limited to, limits on roadway access in areas outside the ULL, purchase of abutters' rights of access, preservation of critical habitat and/or the permanent protection/acquisition of agricultural and open space or performing conservation measures required to cover this project under the East Contra Costa County Habitat Conservation Plan/Natural Community Conservation Plan (HCP/NCP). With the exception of the new connection between Vasco Road and the Byron Highway, funding from this category shall not be used to construct new roadways on new alignments. The Authority will work with Alameda and/or San Joaquin Counties to address project impacts in those jurisdictions.

Traffic Flow Improvements Along the SR 242 and SR 4

\$108 million

This category is intended to provide funding to improve traffic flow and reduce congestion between Concord and Brentwood along State Route 242 and State Route 4 to reduce congestion, increase mobility and provide alternatives to single occupant vehicle travel. To the greatest degree possible, local funds generated by this measure shall be used to leverage additional regional, state and/or federal funds for this project. Advanced traffic management programs and/or other projects or programs

that encourage the use of connected vehicle and/or autonomous vehicles in the corridor are eligible for funding from this category provided that the project sponsor can demonstrate that they reduce congestion, increase mobility and provide alternatives to single occupant vehicle travel. Projects funded from this category must be on or near the SR 242 or SR 4 corridors. Selection of final project(s) shall be based on a performance analysis of project alternatives consistent with Authority requirements.

I-80 Interchange Improvements at San Pablo Dam Road and Central Avenue

\$60 million

This category is intended to fund improvements of the I-80 interchanges at San Pablo Dam Road, Central Avenue, and other locations along I-80 in consultation with the

subregion. The improvements of the interchanges are a priority to gain corridor traffic flow improvements.

Interstate 680/State Route 4 Interchange

\$60 million

This category is intended to fund an Interstate 680/State Route 4 interchange improvement project as necessary to improve traffic flow and enhance traffic safety along both the I-680 and SR 4 corridors. To the greatest degree possible, local funds generated by this measure shall be

used to leverage additional regional, state and/or federal funds for this project. Authority shall prioritize local funding commitments to this project in such a way as to encourage carpools and vanpools, public transit usage and other alternatives to the single occupant vehicle.

FIXING LOCAL STREETS AND ROADS

Local Street Maintenance & Improvements

\$664 million

This category is intended to fund maintenance and improvement projects on local streets and roads and may be used for any eligible transportation purposes as defined under the Act. The Authority will distribute 23.1 percent of the annual sales tax revenues to all local jurisdictions with a base allocation of \$100,000 for each jurisdiction, the balance will be distributed based 50 percent on relative population and 50 percent on road miles for each jurisdiction, subject to compliance with the Authority's reporting, audit and GMP requirements. Population figures used shall be the most current available from the

State Department of Finance. Road mileage shall be from the most current information included in the Highway Performance Monitoring System (HPMS)

Funds shall be used by each jurisdiction to maintain and enhance existing roadway and other transportation facilities. Jurisdictions shall comply with the Authority's Maintenance of Effort (MOE) policy as well as Implementation Guidelines of this TEP. Local agencies will report on the use of these funds, such as the amount spent on roadway maintenance, bicycle and pedestrian facilities, transit facilities, and other roadway improvements.

Additional Local Street Maintenance & Improvements

\$20 million

This subcategory is intended to fund additional maintenance and improvement projects on local streets and roads. These additional funds will be allocated to Central Contra Costa County jurisdictions based on the formula of 50 percent on

relative population and 50 percent on road miles for each jurisdiction and subject to program requirements detailed above.

PROVIDING AFFORDABLE AND SAFE TRANSPORTATION FOR CHILDREN, SENIORS AND PEOPLE WITH DISABILITIES

Safe Transportation for Children

\$64 million

This category is to provide funds to programs and projects that promote safe transportation options for children to access schools or after school programs. Eligible projects include but are not limited to reduced fare transit passes and transit incentive programs, school bus programs, and projects for pedestrian and bicycle safety that provide school-related access.

The Authority will allocate funds and will establish guidelines (in cooperation with project sponsors) to define priorities and maximize effectiveness. The guidelines may require provisions such as parent contributions; operational efficiencies; specific performance criteria and reporting requirements.

Transportation for Seniors & People With Disabilities

\$115 million

Funding in this category is to support mobility opportunities for seniors and people with disabilities who, due to age or disability, cannot drive or take other transit options.

To ensure services are delivered in a coordinated system that maximizes both service delivery and efficiency, an Accessible Transportation Service (ATS) Strategic Plan will be developed and periodically updated during the term of the measure. No funding under this category will be allocated until the ATS Strategic Plan has been developed and adopted. An overarching component in the development and delivery of the ATS Strategic Plan is using mobility management to ensure coordination and efficiencies in accessible service delivery. The plan will address both Americans with Disabilities Act (ADA) and non-ADA services. The plan will evaluate the appropriate model for our local structure including how accessible services are delivered by all agencies and where appropriate coordination can improve

transportation services, eliminate gaps in service and find efficiencies in the service delivered. The ATS Strategic Plan would also determine the investments and oversight of the program funding and identify timing, projects, service delivery options, administrative structure, and fund leverage opportunities.

The ATS Strategic Plan will be developed by the Authority, in consultation with direct users of service, stakeholders representing seniors and people with disabilities who face mobility barriers, and non-profit and publicly operated paratransit service providers. Public operators in Contra Costa must participate in the ATS planning process to be eligible to receive funding in this category. The ATS Strategic Plan must be adopted no later than April 1, 2018. The development of the ATS Strategic Plan will not affect the allocation of funds to current operators as prescribed in the existing Measure J Expenditure Plan.

BUILDING SUSTAINABLE COMMUNITIES AND PROTECTING THE ENVIRONMENT

Major Streets, Complete Streets, and Traffic Synchronization Project Grants **\$290 million**

This category is intended to fund improvements to major thoroughfares throughout Contra Costa to improve the safe, efficient and reliable movement of buses, vehicles, bicyclists and pedestrians along said corridors (i.e. traffic smoothing). Eligible projects shall include a variety of components that meet the needs of all users and respond to the context of the facility. Projects may include but are not limited to installation of bike and pedestrian facilities, installation of “smart” parking management programs, separated bike lanes, synchronization of traffic signals and other technology solutions to manage traffic, traffic calming and pedestrian safety improvements, shoulders, sidewalks, curbs and gutters, streetscapes and bus transit facility enhancements such as bus turnouts and passenger amenities. As an element of this program, the Authority will adopt a ‘traffic signal synchronization’ program and award grants for installation of ‘state of the art’ technology designed to smooth the flow of traffic along major arterial roadways throughout the county. Funding from this program will be prioritized to projects that improve access for all modes to jobs, commercial areas and transit, and the design process which includes opportunity for public input from existing and potential users of the facility. Priority will be given to projects that can show a high percentage of “other funding” allocated to the project (i.e. – leverage). The Authority will adopt program guidelines that will include information regarding how to evaluate the

range of possible project components. All projects will be selected through a competitive project selection process within each subregion with the Authority approving the final program of projects, allowing for a comprehensive countywide approach while recognizing subregional needs to achieve the overall program goal. All projects funded through this program must comply with the Authority’s Complete Streets Policy and include complete street elements whenever possible. Twenty percent of the program funding will be allocated to four Complete Streets demonstration projects, one in each subregion, recommended by the relevant RTPC and approved by Authority, to demonstrate the successful implementation of Complete Streets projects no later than April 1, 2022.. Projects will be required to strongly pursue the use of separated bike lane facilities in the demonstration project program. The purpose of these demonstration projects is to create examples of successful complete street projects in multiple situations throughout the county.

Pedestrian, Bicycle and Trail Facilities

\$115 million

Two-thirds of the funds from this program shall be used to implement projects in the Countywide Bicycle and Pedestrian Plan, consistent with the current Measure J program. These funds shall be allocated to projects that improve safety for pedestrians and bicyclists, serve the greatest number of users and significant destinations, and remove missing segments and existing barriers to walking and bicycling. All projects will be selected through a competitive project selection process within each subregion with the Authority approving the final program of projects, allowing for a comprehensive countywide approach while recognizing subregional needs to achieve the overall program goal. The review process shall consider project feasibility and readiness and the differing needs of the sub-regions when identifying projects for funding. Funding available through this program is to be primarily used to construct and maintain bicycle, pedestrian and trail facilities, as well as to make safety or other improvements to bicycle, pedestrian and trail facilities. Planning to identify a preferred alignment

for major new bicycle, pedestrian or trail connections may also be funded through this program.

One-third of the funds are to be allocated to the East Bay Regional Park District (EBRPD) for the development and rehabilitation of paved regional trails. EBRPD is to spend its allocation proportionally in each sub-region, subject to the review and approval of the conceptual planning/design phase by the applicable sub-regional committee, prior to funding allocation by the Authority. The Authority in conjunction with EBRPD will develop a maintenance-of-effort requirement for funds under this component of the funding category.

Consistent with the Countywide Bicycle and Pedestrian Plan and the complete streets policy established in this expenditure plan, project sponsors receiving funding through other funding categories in this Plan shall incorporate, whenever possible, pedestrian, bicycle, and trail facilities into their projects.

Community Development Transportation Program

\$100 million

This category is intended to provide funding to implement a new Community Development Transportation Program (CDTP) to be administered by the Authority in conjunction with the Authority's existing Transportation for Livable Communities Program (TLC) with projects identified by the Authority's Regional Transportation Planning Committees (RTPCs). Funds will be allocated by the Authority on a competitive basis to transportation projects or programs that promote housing within planned or established centers that are supported by transit, or that support economic development and job creation in Contra Costa County. All projects will be selected through a competitive project selection process within each subregion with the Authority approving the final program of projects, allowing for a

comprehensive countywide approach while recognizing subregional needs to achieve the overall program goal. Project sponsors must demonstrate that at least 20 percent of the project is funded from other than local transportation sales tax revenue. Additional priority will be given to projects where the sponsor can demonstrate that the project supports and facilitates development of jobs or housing for all income levels and that have additional matching funds that have already been committed or secured. Working with the RTPCs, the Authority will prepare guidelines and establish overall criteria for the program with the intent of complementing and administering the program in conjunction with the Authority's Measure J TLC program no later than December 31, 2017.

Building Sustainable Communities and Protecting the Environment

Innovative Transportation Technology/Connected Communities Program

\$65 million

This category is intended to provide funding for the planning and development of projects and programs that include innovative solutions intended to (a) develop and demonstrate transportation innovation through real-world applications, (b) reduce GHG emissions, and (c) implement connected transportation solutions. The Authority intends innovative solutions to include installing new digital and communications infrastructures, automated processes and intelligent controls, and integration with other community services, such as public safety and communications providers, to support a more integrated transportation system that promotes economic development, expanded job opportunities, increased government efficiency, reductions in consumption of nonrenewable resources, and increased sustainability, safety and mobility. Examples of eligible projects include but are not limited to expanding opportunities for zero emission vehicle charging; smart rideshare, carshare and bikeshare services; on-demand and personal transit services that complement traditional fixed-route transit; smart and automated parking; intelligent, sensor-based infrastructure; smart payment systems; and data sharing to improve mobility choices for all users. Projects are intended to promote connectivity between all users of the transportation network (cars, pedestrians,

bikes, buses, trucks, etc.) and automation technologies that collectively facilitate the transformation toward connected communities. Funding is intended to match State, federal, or regional grants and private-sector investment to achieve maximum benefits. By investing in these solutions, Contra Costa County can become a national model in sustainable, technology-enabled transportation.

A minimum of twenty-five percent is to be allocated to each sub-program (a, b and c above) over the life of the measure. The Authority will prepare guidelines and establish overall criteria for the Innovative Transportation Technology/Connected Communities Program and provide technical resources to project sponsors. All programs/projects will be selected through a competitive project selection process within each subregion with the Authority approving the final programs/projects for each of the sub-programs, allowing for a comprehensive countywide approach while recognizing subregional needs to achieve the overall program goal.

Project sponsors must demonstrate that the programs provide highly efficient services that are cost effective, integrated and responsive to the needs of the community.

Transportation Planning, Facilities and Services

\$43 million

This category is intended to provide funding to implement the countywide Growth Management Program, prepare the countywide transportation plan, and support the

programming and monitoring of federal and state funds, as well as the Authority's Congestion Management Agency functions.

Regional Transportation Priorities

\$19 million

This category is intended to fund any project or program identified in the Expenditure Plan or eligible under the provisions of the Act, including activities that promote

alternatives to travel in single occupant vehicles. Program and project recommendations shall be made by each subregion for consideration and funding by the Authority.

The Growth Management Program

Goals and Objectives

The overall goal of the Growth Management Program is to preserve and enhance the quality of life and promote a healthy, strong economy to benefit the people and areas of Contra Costa through a cooperative, multi-jurisdictional process for managing growth, while maintaining local authority over land use decisions.¹

The objectives of the Growth Management Program are to:

- Assure that new residential, business and commercial growth pays for the facilities required to meet the demands resulting from that growth.
- Require cooperative transportation and land use planning among Contra Costa County, cities, towns, and transportation agencies.
- Support land use patterns within Contra Costa that make more efficient use of the transportation system, consistent with the General Plans of local jurisdictions.
- Support infill and redevelopment in existing urban and brownfield areas.

The Measure J Transportation Expenditure Plan Growth Management Program (see page 18) includes: Principles of Agreement for Establishing the Urban Limit Line, is replaced in its entirety by this Growth Management Program (see page 18): Urban Limit Line (ULL) Definitions and Compliance Requirements.

Components

To receive its share of the 2016 Transforming Contra Costa County Expenditure Plan funding from Local Streets Maintenance and Improvements funds and its share of Contra Costa's Measure J Transportation Sales Tax Expenditure Plan Local Streets Maintenance & Improvements funding and to be eligible for Contra Costa's Measure J Transportation Sales Tax Expenditure Transportation for Livable Communities funds and the 2016 Transforming Contra Costa County Expenditure Plan funding from Community Development Transportation Program funds each jurisdiction must:

1. Adopt a Growth Management Element

Each jurisdiction must adopt, or maintain in place, a Growth Management Element as part of its General Plan that outlines the jurisdiction's goals and policies for managing growth and requirements for achieving those goals. The Growth Management Element must show how the jurisdiction will comply with sections 2–8 below. The Authority will refine its model Growth Management Element and administrative procedures in consultation with the Regional Transportation Planning Committees to reflect the revised Growth Management Program.

Each jurisdiction is encouraged to incorporate other standards and procedures into its Growth Management Element to support the objectives and required components of this Growth Management Program.

2. Adopt a Development Mitigation Program

Each jurisdiction must adopt, or maintain in place, a development mitigation program to ensure that new growth is paying its share of the costs associated with that growth. This program shall consist of both a local program to mitigate impacts on local streets and other facilities and a regional program to fund regional and subregional transportation projects, consistent with the Countywide Comprehensive Transportation Plan.

¹ The Authority will, to the extent possible, attempt to harmonize the Growth Management and the State-mandated Congestion Management Programs. To the extent they conflict, Congestion Management Program Activities shall take precedence over Growth Management activities.

The jurisdiction's local development mitigation program shall ensure that revenue provided from this measure shall not be used to replace private developer funding that has or would have been committed to any project.

The regional development mitigation program shall establish fees, exactions, assessments or other mitigation measures to fund regional or subregional transportation improvements needed to mitigate the impacts of planned or forecast development. Regional mitigation programs may adjust such fees, exactions, assessments or other mitigation measures when developments are within walking distance of frequent transit service or are part of a mixed-use development of sufficient density and with necessary facilities to support greater levels of walking and bicycling. Each Regional Transportation Planning Committee shall develop the regional development mitigation program for its region, taking account of planned and forecast growth and the Multimodal Transportation Service Objectives and actions to achieve them established in the Action Plans for Routes of Regional Significance. Regional Transportation Planning Committees may use existing regional mitigation programs, if consistent with this section, to comply with the Growth Management Program.

3. Address Housing Options

Each jurisdiction shall demonstrate reasonable progress in providing housing opportunities for all income levels as part of a report on the implementation of the actions outlined in its adopted Housing Element. The report will demonstrate progress by:

- a. Comparing the number of housing units approved, constructed or occupied within the jurisdiction over the preceding five years with the number of units needed on average each year to meet the housing objectives established in the jurisdiction's Housing Element; or
- b. Illustrating how the jurisdiction has adequately planned to meet the existing and projected housing needs through the adoption of land use plans and regulatory systems which provide opportunities for, and do not unduly constrain, housing development; or
- c. Illustrating how a jurisdiction's General Plan and zoning regulations facilitate the improvement and development of sufficient housing to meet those objectives.

In addition, each jurisdiction shall consider the impacts that its land use and development policies have on the local, regional and countywide transportation system, including the level of transportation capacity that can reasonably be provided, and shall incorporate policies and standards into its development approval process that support transit, bicycle and pedestrian access in new developments.

4. Participate in an Ongoing Cooperative, Multi-Jurisdictional Planning Process.

Each jurisdiction shall participate in an ongoing process with other jurisdictions and agencies, the Regional Transportation Planning Committees and the Authority to create a balanced, safe and efficient transportation system and to manage the impacts of growth. Jurisdictions shall work with the Regional Transportation Planning Committees to:

- a. Identify Routes of Regional Significance, and establish Multimodal Transportation Service Objectives or other tools adopted by the Authority for measuring performance and quality of service along routes of significance, collectively referred to as Multimodal Transportation Service Objectives for those routes and actions for achieving those objectives.
- b. Apply the Authority's travel demand model and technical procedures to the analysis of General Plan Amendments (GPAs) and developments exceeding specified thresholds for their effect on the regional transportation system, including on Action Plan objectives.
- c. Create the development mitigation programs outlined in section 2 above.
- d. Help develop other plans, programs and studies to address other transportation and growth management issues.

In consultation with the Regional Transportation Planning Committees, each jurisdiction will use the travel demand model

to evaluate changes to local General Plans and the impacts of major development projects for their effects on the local and regional transportation system and the ability to achieve the Multimodal Transportation Service Objectives established in the Action Plans.

Jurisdictions shall also participate in the Authority's ongoing countywide comprehensive transportation planning process. As part of this process, the Authority shall support countywide and subregional planning efforts, including the Action Plans for Routes of Regional Significance, and shall maintain a travel demand model. Jurisdictions shall help maintain the Authority's travel demand modeling system by providing information on proposed improvements to the transportation system and planned and approved development within the jurisdiction.

5. Continuously Comply with an Urban Limit Line (ULL)

In order to be found in compliance with this element of the Authority's Growth Management Program, all jurisdictions must continually comply with an applicable voter approved Urban Limit Line (ULL). Said ULL may either be the Contra Costa County voter approved ULL (County ULL) or a locally initiated, voter approved ULL (LV- ULL).

Additional information and detailed compliance requirements for the ULL are fully defined in the ULL Compliance Requirements, which are incorporated (see page 18).

Any of the following actions by a local jurisdiction will constitute non-compliance with the Growth Management Program:

1. The submittal of an annexation request to Local Agency Formation Commission (LAFCO) for lands outside of a jurisdiction's applicable ULL.
2. Failure to conform to the Authority's ULL Compliance Requirements (See page 18).

6. Develop a Five-Year Capital Improvement Program

Each jurisdiction shall prepare and maintain a capital improvement program that outlines the capital projects needed to implement the goals and policies of the jurisdiction's General Plan for at least the following five-year period. The Capital Improvement Program shall include approved projects and an analysis of the costs of the proposed projects as well as a financial plan for providing the improvements. The jurisdiction shall forward the transportation component of its capital improvement program to the Authority for incorporation into the Authority's database of transportation projects.

7. Adopt a Transportation Systems Management (TSM) Ordinance or Resolution

To promote carpools, vanpools and park and ride lots, each jurisdiction shall adopt a local ordinance or resolution that conforms to the model Transportation Systems Management Ordinance that the Transportation Authority has drafted and adopted. Upon approval of the Authority, cities with a small employment base may adopt alternative mitigation measures in lieu of a TSM ordinance or resolution.

8. Adopt Additional Growth Management Policies, as applicable

Each jurisdiction shall adopt and thereafter continuously maintain the following policies (where applicable): a hillside development policy, a ridgeline protection policy, a wildlife corridor policy and a creek development policy. Where a jurisdiction does not have a developable hillside, ridgeline, wildlife corridor or creek, it need not adopt the corresponding policy. An ordinance that implements the East Contra Costa HCP/NCCP shall satisfy the requirement to have an adopted wildlife corridor policy and creek development policy. In addition to the above, jurisdictions with Prime Farmland and Farmland of Statewide Importance (as defined by the California Dept. of Conservation and mapped by FMMP) within their planning areas but outside of their city shall adopt and thereafter continuously maintain an Agricultural Protection Policy. The policy must ensure that potential impacts of converting Prime Farmland and Farmland of Statewide Importance outside the ULL to other uses are identified and disclosed when considering such a conversion. The applicable policies are required to be in place by no later than April 1, 2019.

Allocation of Funds

Portions of the monies received from the retail transaction and use tax will be returned to the local jurisdictions (the cities and the county) for use on local, subregional and/or regional transportation improvements and maintenance projects. Receipt of all such funds requires compliance with the Growth Management Program and the allocation procedures described below. The funds are to be distributed on a formula based on population and road miles.

Each jurisdiction shall demonstrate its compliance with all of the components of the Growth Management Program in a completed compliance checklist. The jurisdiction shall submit, and the Authority shall review and make findings regarding the jurisdiction's compliance with the requirements of the Growth Management Program, consistent with the Authority's adopted policies and procedures.

If the Authority determines that the jurisdiction complies with the requirements of the Growth Management Program, it shall allocate to the jurisdiction its share of 2016 Transforming Contra Costa County Expenditure Plan funding from Local Streets Maintenance and Improvements funding and its share of Contra Costa's Measure J Transportation Sales Tax Expenditure Plan Local Streets Maintenance & Improvements funding. Jurisdictions may use funds allocated under this provision to comply with these administrative requirements.

If the Authority determines that the jurisdiction does not comply with the requirements of the Growth Management Program, the Authority shall withhold those funds and also make a finding that the jurisdiction shall not be eligible to receive 2016 Transforming Contra Costa County Expenditure Plan funding from Community Development Transportation Program funds or Contra Costa's Measure J Transportation Sales Tax Expenditure Plan Transportation for Livable Communities funds until the Authority determines the jurisdiction has achieved compliance. The Authority's findings of noncompliance may set deadlines and conditions for achieving compliance.

Withholding of funds, reinstatement of compliance, reallocation of funds and treatment of unallocated funds shall be as established in adopted Authority's policies and procedures.

Urban Limit Line (ULL) Compliance Requirements

Definitions - the following definitions apply to the GMP ULL requirement:

1. Urban Limit Line (ULL): An urban limit line, urban growth boundary, or other equivalent physical boundary judged by the Authority to clearly identify the physical limits of the local jurisdiction's future urban development
2. Local Jurisdictions: Includes Contra Costa County, the 19 cities and towns within Contra Costa, plus any newly incorporated cities or towns established after April 1, 2017.
3. County ULL: A ULL placed on the ballot by the Contra Costa County Board of Supervisors, approved by voters at a countywide election, and in effect through the applicable GMP compliance period. The current County ULL was established by Measure L approved by voters in 2006.

The following local jurisdictions have adopted the County ULL as their applicable ULL:

City of Brentwood	Town of Moraga
City of Clayton	City of Oakley
City of Concord	City of Orinda
Town of Danville	City of Pinole

City of El Cerrito	City of Pleasant Hill
City of Hercules	City of Richmond
City of Lafayette	City of San Pablo
City of Martinez	City of Walnut Creek

4. Local Voter ULL (LV-ULL): A ULL or equivalent measure placed on the local jurisdiction ballot, approved by the jurisdiction's voters, and recognized by action of the local jurisdiction's legislative body as its applicable, voter-approved ULL. The LV-ULL will be used as of its effective date to meet the Authority's GMP ULL requirement and must be in effect through the applicable GMP compliance period.

The following local jurisdictions have adopted a LV-ULL:

City of Antioch
City of San Ramon
City of Pittsburg

5. Minor Adjustment: An adjustment to the ULL of 30 acres or less is intended to address unanticipated circumstances.
6. Other Adjustments: Other adjustments that address issues of unconstitutional takings, and conformance to state and federal law.

Revisions to the ULL

1. A local jurisdiction which has adopted the County ULL as its applicable ULL may revise its ULL with local voter approval at any time during the term of the Authority's GMP by adopting a LV-ULL in accordance with the requirements outlined for a LV-ULL contained in the definitions section.
2. A local jurisdiction may revise its LV-ULL with local voter approval at any time during the term of the Authority's GMP if the resultant ULL meets the requirements outlined for a LV-ULL contained in the definitions section.
3. If voters, through a countywide ballot measure, approve a revision to the County ULL, the legislative body of each local jurisdiction relying on the County ULL shall:
 - a. Accept and approve its existing ULL to continue as its applicable ULL, or
 - b. Accept and approve the revised County ULL as its applicable ULL, or
 - c. Adopt a LV-ULL in accordance with the requirements outlined for a LV-ULL contained in the definitions section.
4. Local jurisdictions may, without voter approval, enact Minor Adjustments to their applicable ULL subject to a vote of at least 4/5 of the jurisdiction's legislative body and meeting the following requirements:
 - a. Minor adjustment shall not exceed 30 acres.
 - b. Adoption of at least one of the findings listed in the County's Measure L (§82-1.018 of County Ordinances 2006-06 § 3, 91-1 § 2, 90-66 § 4) which include:
 - A natural or man-made disaster or public emergency has occurred which warrants the provision of housing and/or other community needs within land located outside the urban limit line.
 - An objective study has determined that the urban limit line is preventing the jurisdiction from providing its fair share of affordable housing, or regional housing, as required by state law, and the governing elected legislative body finds that a change to the urban limit line is necessary and the only feasible means to enable the county jurisdiction to meet these requirements of state law.

- A majority of the cities that are party to a preservation agreement and the county have approved a change to the urban limit line affecting all or any portion of the land covered by the preservation agreement.
 - A minor change to the urban limit line will more accurately reflect topographical characteristics or legal boundaries.
 - A five-year cyclical review of the urban limit line has determined, based on the criteria and factors for establishing the urban limit line set forth in Contra Costa County Code (Section 82-1.010), that new information is available (from city, town, or county growth management studies or otherwise) or circumstances have changed, warranting a change to the urban limit line.
 - An objective study has determined that a change to the urban limit line is necessary or desirable to further the economic viability of the East Contra Costa County Airport, and either (i) mitigate adverse aviation-related environmental or community impacts attributable to Buchanan Field, or (ii) further the county's aviation related needs; or
 - A change is required to conform to applicable California or federal law.
- c. Adoption of a finding that the proposed Minor Adjustment will have a public benefit. Said public benefit could include, but is not necessarily limited to, enhanced mobility of people or goods, environmental protections or enhancements, improved air quality or land use, enhanced public safety or security, housing or jobs, infrastructure preservation or other significant positive community effects as defined by the local land use authority. If the proposed Minor Adjustment to the ULL is proposed to accommodate housing or commercial development, said proposal must include permanent environmental protections or enhancements such as the permanent protection of agricultural lands, the dedication of open space or the establishment of permanent conservation easements.
- d. The Minor Adjustment is not contiguous to one or more non-voter approved Minor Adjustments that in total exceed 30 acres.
- e. The Minor Adjustment does not create a pocket of land outside the existing urban limit line, specifically to avoid the possibility of a jurisdiction wanting to fill in those subsequently through separate adjustments.
- f. Any jurisdiction proposing to process a minor adjustment to its applicable ULL that impacts Prime Farmland and Farmland of Statewide Importance (as defined by the California Dept. of Conservation and mapped by FMMP) is required to have an adopted Agricultural Protection Ordinance or must demonstrate how the loss of these agricultural lands will be mitigated by permanently protecting farmland.
5. A local jurisdiction may revise its LV-ULL, and the County may revise the County ULL, to address issues of unconstitutional takings or conformance to State or federal law.

Conditions of Compliance

1. Submittal of an annexation request of greater than 30 acres by a local jurisdiction to LAFCO outside of a voter-approved ULL will constitute non-compliance with the GMP.
2. For each jurisdiction, an applicable ULL shall be in place through each GMP compliance reporting period in order for the local jurisdiction to be found in compliance with the GMP requirements.

Complete Streets Policy

Vision

This Plan envisions a transportation system in which each component provides safe, comfortable and convenient access for every user allowed to use it. These users include pedestrians, bicyclists, transit riders, automobile drivers and their passengers, and truckers, and people of varying abilities, including children, seniors, people with disabilities and able-bodied adults. The goal of every transportation project is to provide safer, more accessible facilities for all users and all projects shall be planned, designed, constructed and operated to take advantage of that opportunity.

By making streets more efficient and safe for all users, a complete streets approach will expand capacity and improve mobility for all users, giving commuters convenient options for travel and minimizing the need to widen roadways.

Policy

To achieve this vision, all recipients of funding through this Plan shall consider and accommodate, wherever possible and subject to the Exceptions listed in this Policy, the needs of all users in the planning, design, construction, reconstruction, rehabilitation and maintenance of the transportation system. This determination shall be consistent with the exceptions listed below. Achieving this vision will require balancing the needs of different users, and may require reallocating existing right of way for different uses.

The Authority shall revise its project development guidelines to require the consideration and accommodation of all users in the design and construction of projects funded with Measure funds and shall adopt peer review and design standards to implement that approach. The guidelines will allow flexibility in responding to the context of each project and the needs of users specific to the project's context, and will build on accepted best practices for complete streets and context-sensitive design.

To ensure that this policy is carried out, the Authority shall prepare a checklist that sponsors of projects using Measure funds must submit that documents how the needs of all users were considered and how they were accommodated in the design and construction of the project. In the checklist, the sponsor will outline how they provided opportunity for public input, in a public forum, from all users early in the project development and design process. If the proposed project or program will not provide context appropriate conditions for all users, the sponsor shall document the reasons why in the checklist, consistent with the following section on "exceptions" below. The completed checklist shall be made part of the approval of programming of funding for the project or the funding allocation resolution.

Recipients of Local Maintenance and Improvements funds shall adopt procedures that ensure that all agency departments consider and accommodate the needs of all users for projects or programs affecting public rights of way for which the agency is responsible. These procedures shall:

- 1) be consistent with and be designed to implement each agency's general plan policies once that plan has been updated to comply with the Complete Streets Act of 2008,
- 2) involve and coordinate the work of all agency departments and staff whose projects will affect the public right of way,
- 3) consider the complete street design standards adopted by the Authority, and
- 4) provide opportunity for public review by all potential users early in the project development and design phase so that options can be fully considered. This review could be done through an advisory committee such as a Bicycle and Pedestrian Advisory Committee or as part of the review of the agency's capital improvement program.

As part of their biennial Growth Management Program checklist, agencies shall list projects funded by the Measure and detail how those projects accommodated users of all modes.

As part of the multi-jurisdictional planning required by the Growth Management Program, agencies shall work with the Authority and the Regional Transportation Planning Committees to harmonize the planning, design and construction of transportation facilities for all modes within their jurisdiction with the plans of adjoining and connecting jurisdictions.

Exceptions

Project sponsors may provide a lesser accommodation or forgo complete street accommodation components when the public works director or equivalent agency official finds that:

1. Pedestrians, bicyclists, or other users are prohibited by law from using the transportation facility,
2. The cost of new accommodation would be excessively disproportionate to the need or probable use, or
3. The sponsor demonstrates that, such accommodation is not needed, based on objective factors including:
 - a. current and projected user demand for all modes based on current and future land use, and
 - b. lack of identified conflicts, both existing and potential, between modes of travel.

Project sponsors shall explicitly approve exceptions findings as part of the approval of any project using measure funds to improve streets classified as a major collector or above.¹ Prior to this project sponsors must provide an opportunity for public input at an approval body (that regularly considers design issues) and/or the governing board of the project sponsor.

Advance Mitigation Program

The Authority is committed to participate in the creation and funding of an Advance Mitigation Program as an innovative way to advance needed infrastructure projects more efficiently and provide more effective conservation of our natural resources, watersheds and wetlands, and agricultural lands. As a global biodiversity hot spot, the Bay Area and Contra Costa County hosts an extraordinarily rich array of valuable natural communities and ecosystems that provide habitat for rare plants and wildlife, and support residents' health and quality of life by providing clean drinking water, clean air, opportunities for outdoor recreation, protection from disasters like flooding, landslides, and adaptation to climate change. The Advance Mitigation Program aims to integrate conservation into infrastructure agencies' plans and project development well in advance and on a regional scale to reduce potential impacts of transportation projects, as well as to drive mitigation dollars to protect regional conservation priorities and protect important ecological functions, watersheds and wetlands, and agricultural lands that are at threat of loss. The Advance Mitigation Program will provide environmental mitigation activities specifically required under the California Environmental Quality Act (CEQA), National Environmental Policy Act (NEPA), Clean Water Act Section 401 and Section 404, and other applicable regulations in the implementation of the major highway, transit and regional arterial and local streets and roads projects identified in the Plan.

The Authority's participation in an Advance Mitigation Program is subject to the following conditions:

1. Development of a Regional Conservation Assessment/Framework that identifies conservation priorities and mitigation opportunities for all of Contra Costa County. The Regional Conservation Assessment/Framework will include countywide opportunities and strategies that are, among other requirements, consistent with

1. Major Collectors and above, as defined by the California Department of Transportation California Road System (CRS maps).

and support the East Contra Costa County Habitat Conservation Plan/Natural Community Conservation Plan (East Contra Costa HCP/NCCP) for the areas of the county covered by the East Contra Costa HCP/NCCP. The Regional Conservation Assessment/Framework will identify mitigation opportunities for all areas of the county to ensure that mitigation occurs in the vicinity of the project impact to the greatest extent possible. The Authority will review and approve the Regional Conservation Assessment/Framework, in consultation with the RTPCs, prior to the allocation of funds for Advance Mitigation Program.

2. Development of a Project Impacts Assessment that identifies the portfolio of projects to be included in the Advance Mitigation Program and the estimated costs for mitigation of the environmental impacts of the projects. The Authority will review and approve the Project Impacts Assessment prior to the allocation of funds for the Advance Mitigation Program. The Assessment and estimated costs do not in any way limit the amount of mitigation that may be necessary or undertaken for the environmental impacts of the projects.
3. Development of the legislative and regulatory framework necessary to implement an Advance Mitigation Program in Contra Costa County.
4. The identification of the Implementing Agency to administer the Advance Mitigation Program for Contra Costa County or portions of the Bay Area Including Contra Costa County.

The Authority will determine the amount of funds to be dedicated to this Program following the satisfaction of the above conditions. Funds from the Plan will be allocated consistent with the Regional Conservation Assessment/Framework to fund environmental mitigation activities required in the implementation of the major highway, transit and regional arterial and local streets and roads projects identified in the Plan. If this approach cannot be fully implemented, these funds shall be used for environmental mitigation purposes on a project by project basis. Mitigation required for future transportation improvements identified in the Plan are not limited by the availability of funding or mitigation credits available in the Program.

Projects funded from the following categories of Expenditures are eligible for inclusion in the Advance Mitigation Program:

- Major Streets, Complete Streets and Traffic Synchronization Project Grants
- East Contra Costa Transit Extension
- High Capacity Transit Improvements along the I-80 Corridor in West Contra Costa County
- Traffic Flow Improvements Along I-680 and SR 24
- Traffic Flow Improvements Along SR 242 and SR 4
- I-80 Interchange Improvements at San Pablo Dam Road and Central Ave
- I-680 and SR 4 Interchange Improvements
- East County Corridor (Vasco Road and/or Byron Highway Corridors)
- Pedestrian, Bicycle and Trail Facilities
- Community Development Transportation Program

Governing Structure

Governing Body and Administration

The Authority is governed by a Board composed of 11 members, all elected officials, with the following representation:

- Two members from the Central County Regional Transportation Planning Commission (RTPC) also referred to as TRANSPAC
- Two members from the East County RTPC, also referred to as TRANSPLAN
- Two members from the Southwest County RTPC, also referred to as SWAT
- Two members from the West County RTPC, also referred to as WCCTAC
- One member from the Conference of Mayors
- Two members from the Board of Supervisors

The Authority Board also includes three (3) ex-officio, non-voting members, appointed by the MTC, BART and the Public Transit Operators in Contra Costa County.

The four subregions within Contra Costa: Central, West, Southwest and East County are each represented by a Regional Transportation Planning Commission (RTPC). Central County (TRANSPAC subregion) includes Clayton, Concord, Martinez, Pleasant Hill, Walnut Creek and the unincorporated portions of Central County. West County (WCCTAC subregion) includes El Cerrito, Hercules, Pinole, Richmond, San Pablo and the unincorporated portions of West County. Southwest County (SWAT subregion) includes Danville, Lafayette, Moraga, Orinda, San Ramon and the unincorporated portions of Southwest County. East County (TRANSPLAN subregion) includes Antioch, Brentwood, Oakley, Pittsburg and the unincorporated portions of East County.

Public Oversight Committee

The Public Oversight Committee (Committee) shall provide diligent, independent and public oversight of all expenditures of Measure funds by Authority or recipient agencies (County, cities and towns, transit operators, etc). The Committee will report to the public and focus its oversight on the:

- Review of allocation and expenditure of Measure funds to ensure that all funds are used consistent with the Measure.
- Review of fiscal audits of Measure expenditures.
- Review of performance audits of projects and programs relative to performance criteria established by the Authority, and if performance of any project or program does not meet its established performance criteria, identify reasons why and make recommendations for corrective actions that can be taken by the Authority Board for changes to project or program guidelines.
- Review of application of the Performance-based Review policy
- Review of the maintenance of effort compliance requirements of local jurisdictions for local streets, roads and bridges funding.
- Review of each jurisdiction's Growth Management Checklist and compliance with the Growth Management Plan policies.

The Committee shall prepare an annual report including an account of the Committee's activities during the previous year, its review and recommendations relative to fiscal or performance audits, and any recommendations made to the

Authority Board for implementing the expenditure plan. The report will be noticed in local media outlets throughout Contra Costa County, posted to the Authority Website and made continuously available for public inspection at Authority offices. The report shall be composed of easy to understand language not in an overly technical format. The Committee shall make an annual presentation to the Authority Board summarizing the annual report subsequent to its release.

Committee members shall be selected to reflect community, business organizations and other interests within the County. The goal of the membership makeup of the Public Oversight Committee is to provide a balance of viewpoints including but not limited to geography, age, gender, ethnicity and income status to represent the different perspectives of the residents of Contra Costa County. One member will be nominated by each of the four subregions with the RTPC representing the subregion nominating the member. The Board of Supervisors will nominate four members, with each of these four members residing in and representing one of the county's four subregions. Eight members will be nominated by each respective organization detailed here, with each having one representative: League of Women's Voters, Contra Costa Taxpayers Association, East Bay Leadership Council, Building and Construction Trades Council, Central Labor Council, Paratransit Coordinating Council, Bike East Bay, and environmental and/or open space organizations operating in Contra Costa County (specific organization may vary during the life of the measure). About one half of the initial member appointments will be for two years and the remaining appointments will be for three year terms. Thereafter, members will be appointed to two year terms. Any individual member can serve on the Committee for no more than 6 consecutive years.

Committee members will be Contra Costa County residents who are not elected officials at any level of government or public employees from agencies that either oversee or benefit from the proceeds of the Measure. Membership is restricted to individuals with no economic interest in any of Authority's projects or programs. If a member's status changes so that he/she no longer meet these requirements, or if a member resigns his/her position on the Committee, the Authority Board will issue a new statement of interest from the same stakeholder category to fill the vacant position.

The Committee shall meet up to once a month to carry out its responsibility, and shall meet at least once every 3 months. Meetings shall be held at the same location as the Authority Board meetings are usually held, shall be open to the public and must be held in compliance with California's open meeting law (Brown Act). Meetings shall be recorded and the recordings shall be posted for the public.

Members are expected to attend all meetings. If a member, without good reason acceptable to the Chair of the Committee, fails to attend either (a) two or more consecutive meetings or (b) more than 3 meetings a year, the Authority Board will request a replacement from the stakeholder categories listed above.

The Authority commits to support the oversight process through cooperation with the Committee by providing access to project and program information, audits, and other information available to the Authority, and with logistical support so that the Committee may effectively perform its oversight function. The Committee will have full access to Authority's independent auditors, and may request Authority staff briefings for any information that is relevant to the Measure. The Committee Chair shall inform the Authority Board Chair and Executive Director of any concern regarding Authority staff's commitment to open communication, the timely sharing of information, and teamwork.

The Committee shall not have the authority to set policy or appropriate or withhold funds, nor shall it participate in or interfere with the selection process of any consultant or contractor hired to implement the expenditure plan.

The Committee shall not receive monetary compensation except for the reimbursement of travel or other incidental expenses, in a manner consistent with other Authority advisory committees

In order to ensure that the oversight by the Committee continues to be as effective as possible, the efficacy of the Committee's Charter (i.e. this document) will be evaluated on a periodic basis and a formal review will be conducted by the Authority Board, Executive Director and the Committee a minimum of every five years to determine if any amendments

to this Charter should be made. The formal review will include a benchmarking of the Committee's activities and charter with other best-in-class oversight committees. Amendments to this Charter shall be proposed by the Committee and adopted or rejected by the Authority Board.

The Committee replaces the Authority's existing Citizens Advisory Committee.

Advisory Committees

The Authority will continue the committees that were established as part of the Transportation Partnership Commission organization as well as other committees that have been utilized by the Authority to advise and assist in policy development and implementation. The committees include:

The Regional Transportation Planning Committees that were established to develop transportation plans on a geographic basis for sub-areas of the County, and

- The Technical Coordinating Committee that will serve as the Authority's technical advisory committee.
- The Paratransit Coordinating Council
- The Bicycle and Pedestrian Advisory Committee
- Bus Transit Coordinating Committee

Implementing Guidelines

This Transportation Expenditure Plan (Plan) is guided by principles that ensure the revenue generated by the sales tax is spent only for the purposes outlined in this Plan in the most efficient and effective manner possible, consistent with serving the transportation needs of Contra Costa County. The following Implementing Guidelines shall govern the administration of sales tax revenues by the Authority. Additional detail for certain Implementing Guidelines is found elsewhere in this Plan.

Duration of the Plan

The duration of the Plan shall be for 30 years from April 1, 2017 through March 31, 2047.

Administration of the Plan

1. **Funds only Projects and Programs in the Plan:** Funds collected under this Measure may only be spent for purposes identified in the Plan, as it may be amended by the Authority governing body. Identification of Projects or Programs in the Plan does not ensure their implementation. As authorized, the Authority may amend or delete Projects and Programs identified in the Plan, including to provide for the use of additional federal, state and local funds, to account for unexpected revenue, to maintain consistency with the current Contra Costa Countywide Transportation Plan, to take into consideration unforeseen circumstances, and to account for impacts, alternatives, and potential mitigation determined during review under the California Environmental Quality Act (CEQA) at such time as each Project and Program is proposed for approval.
2. **All Decisions Made in Public Process:** The Authority is given the fiduciary duty of administering the transportation sales tax proceeds in accordance with all applicable laws and with the Plan. Activities of the Authority will be conducted in public according to state law, through publically noticed meetings. The annual budgets of Authority, strategic plans and annual reports will all be prepared for public review. The interest of the public will be further protected by a Public Oversight Committee, described previously in the Plan.

3. **Salary and Administration Cost Caps:** Revenues may be expended by the Authority for salaries, wages, benefits, overhead and those services including contractual services necessary to administer the Measure; however, in no case shall the expenditures for the salaries and benefits of the staff necessary to perform administrative functions for the Authority exceed one half percent (0.5%) of revenues from the Measure. The allocated costs of Authority staff who directly implement specific projects or programs are not included in the administrative costs.
4. **Expenditure Plan Amendments Require Majority Support:** The Authority may review and propose amendments to the Expenditure Plan and the Growth Management Program to provide for the use of additional federal, state and local funds, to account for unexpected revenues, or to take into consideration unforeseen circumstances. Affected Regional Transportation Planning Committee(s) will participate in the development of the proposed amendment(s). A majority of the Authority Board is required to approve an amendment and all jurisdictions within the county will be given a 45 day period to comment on any proposed Expenditure Plan amendment.
5. **Augment Transportation Funds:** Funds generated pursuant to the Measure are to be used to supplement and not replace existing local revenues used for transportation purposes. Any funds already allocated, committed or otherwise included in the financial plan for any project in the Plan shall be made available for project development and implementation as required in the project's financial and implementation program.
6. **Jurisdiction:** The Authority retains sole discretion regarding interpretation, construction, and meaning of words and phrases in the Transportation Expenditure Plan.

Taxpayer Safeguards, Audits and Accountability

7. **Public Oversight Committee:** The Public Oversight Committee will provide diligent, independent and public oversight of all expenditures of Measure funds by Authority or recipient agencies (County, cities and towns, transit operators, etc). The Committee will report to the public and focus its oversight on annual audits, the review and allocation of Measure funds, the performance of projects and programs in the Plan, and compliance by local jurisdictions with the maintenance of effort and Growth Management Program described previously in the Plan
8. **Fiscal Audits:** All Funds expended by Authority directly and all funds allocated by formula or discretionary grants to other entities are subject to fiscal audit. Recipients of Local Streets Maintenance & Improvements, Bus Transit and Other Non-Rail Transit Enhancements, or Transportation for Seniors & People With Disabilities programs funding (including but not limited to County, cities and towns and transit operators) will be audited at least once every five (5) years, conducted by an independent CPA. Any agency found to be in non-compliance shall have its formula sales tax funds withheld, until such time as the agency is found to be in compliance.
9. **Performance Audits:** The following funding categories shall be subject to performance audits by the Authority: Local Streets Maintenance and Improvements, Major Streets/Complete Streets/Traffic Signal Synchronization Program, Bus Transit and Other Non-Rail Transit Enhancements, Transportation for Seniors and People with Disabilities, Safe Transportation for Children, Intercity Rail and Ferry Service, Pedestrian, Bicycle, and Trail Facilities, Community Development Transportation Program, and Innovative Transportation Technology/ Connected Communities Program. Each year, the Authority shall select and perform a focused performance audit on two or three of the funding categories listed above, so that at the end of the fourth year all funding categories listed above are audited. This process shall commence two years after passage of the new sales tax measure. Additional Performance Audits shall continue on a similar cycle for the duration of the Plan. The performance audits shall provide an accurate quantitative and qualitative evaluation of the funding categories to determine the effectiveness in meeting the performance criteria established by the Authority. In the event that any performance audit determines that a funding category is not meeting the performance requirements

established by the Authority, the audit shall include recommendations for corrective action including but not limited to revisions to Authority policies or program guidelines that govern the expenditure of funds.

10. **Maintenance of Effort (MOE):** Funds generated by the new sales tax Measure are to be used to supplement and not replace existing local revenues used for streets and highways purposes. The basis of the MOE requirement will be the average of expenditures of annual discretionary funds on streets and highways, as reported to the Controller pursuant to Streets and Highways Code Section 2151 for the three most recent fiscal years before the passage of the Measure where data is available. The average dollar amount will then be increased once every three years by the construction cost index of that third year. Penalty for non-compliance of meeting the minimum MOE is immediate loss of all Local Streets Maintenance and Improvements funds until MOE compliance is achieved. The audit of the MOE contribution shall be at least once every five years. Any agency found to be in non-compliance shall be subject to annual audit for three years after they come back into compliance.

Any local jurisdiction wishing to adjust its maintenance of effort requirement shall submit to the Authority a request for adjustment and the necessary documentation to justify the adjustment. The Authority staff shall review the request and shall make a recommendation to the Authority. Taking into consideration the recommendation, the Authority may adjust the annual average of expenditures reported pursuant to Streets and Highways Code Section 2151. The Authority shall make an adjustment if one or more of the following conditions exists:

1. The local jurisdiction has undertaken one or more major capital projects during those fiscal years, that required accumulating unrestricted revenues (i.e., revenues that are not restricted for use on streets and highways such as general funds) to support the project during one or more fiscal years.
 2. A source of unrestricted revenue used to support the major capital project or projects is no longer available to the local jurisdiction and the local jurisdiction lacks authority to continue the unrestricted funding source.
 3. One or more sources of unrestricted revenues that were available to the local jurisdiction is producing less than 95 percent of the amount produced in those fiscal years, and the reduction is not caused by any discretionary action of the local jurisdiction.
 4. The local jurisdiction Pavement Condition Index (PCI) is 70 or greater, as calculated by the jurisdiction Pavement Management System and reported to the Metropolitan Transportation Commission.
11. **Annual Budget and Strategic Plan:** Each year, the Authority will adopt an annual budget that estimates expected sales tax receipts, other anticipated revenue and planned expenditures for the year. On a periodic basis, the Authority will also prepare a Strategic Plan which will identify the priority for projects; the date for project implementation based on project readiness and availability of project funding; the state, federal and other local funding committed for project implementation, and other relevant criteria. The annual budget and Strategic Plan will be adopted by the Authority Board at a public meeting.
 12. **Requirements for Fund Recipients:** All recipients of funds allocated in this expenditure plan will be required to sign a Master Cooperative Agreement that defines reporting and accountability elements and as well as other applicable policy requirements. All funds will be appropriated through an open and transparent public process.
 13. **Geographic Equity:** The proposed projects and programs to be funded through the Plan constitute a “balanced” distribution of funding allocations to each subregion in Contra Costa County. However, through the course of the Measure, if any of the projects prove to be infeasible or cannot be implemented, the affected subregion may request that the Authority reassign funds to another project in the same subregion, as detailed in an Authority Fund Allocations policy, and to maintain a “balanced” distribution of funding allocations to each subregion.

Restrictions On Funds

14. **Expenditure Shall Benefit Contra Costa County:** Under no circumstance may the proceeds of this transportation sales tax be applied for any purpose other than for transportation improvements benefitting residents of Contra Costa County. Under no circumstance may these funds be appropriated by the State of California or any other local government agency as defined in the implementing guidelines.
15. **Environmental Review:** All projects funded by sales tax proceeds are subject to laws and regulations of federal, state, and local government, including the requirements of the California Environmental Quality Act (CEQA). Prior to approval or commencement of any project or program included in the Plan, all necessary environmental review required by CEQA shall be completed.
16. **Performance-based Project Review:** Before the allocation of any measure funds for the construction of a project with an estimated capital cost in excess of \$25 million (or elements of a corridor project with an overall estimated cost in excess of \$25 million), the Authority will: 1) verify that the project is consistent with the approved Countywide Transportation Plan (CTP), as it may be amended, 2) verify that the project is included in the Regional Transportation Plan / Sustainable Communities Strategy, and 3) require the project sponsor to complete a performance based review of project alternatives prior to the selection of a preferred alternative. Said performance based review will include, but not necessarily be limited to, an analysis of the project impacts on greenhouse gas emissions, vehicle miles travelled, goods movement effectiveness, travel mode share, delay (by mode), safety, maintenance of the transportation system and consistency with adopted Authority plans. The Authority may require the evaluation of other performance criteria depending on the specific need and purpose of the project. When appropriate, the Authority will encourage project sponsors to identify and select a project alternative that reduces greenhouse gas emissions as well as vehicle miles travelled per capita. The Authority will also prioritize and reward high performing projects by leveraging additional regional and other funding sources. The Authority shall adopt detailed guidelines for evaluating project performance and applying performance criteria in the review and selection of a preferred project alternative no later than October 1, 2018.
17. **Countywide Transportation Plan:** State law allows each county in the San Francisco Bay Area that is subject to the jurisdiction of the regional transportation planning agency to prepare a Countywide Transportation Plan (CTP) for the county and cities within the county. Both Measure C and Measure J also require the Authority to prepare and periodically update a CTP for Contra Costa. State law also created an inter-dependent relationship between the CTP and regional planning agency. Each CTP must consider the region's most recently adopted Regional Transportation Plan (RTP) and Sustainable Communities Strategy (SCS) while the adopted CTPs must form the "primary basis" for the next RTP and SCS. The Authority shall follow applicable statutes and the most current guidelines for preparing the CTP, as established and periodically updated by the regional transportation planning agency. The Authority shall also use the CTP to convey the Authority's investment priorities, consistent with the long-range vision of the RTP and SCS.
18. **Complete Streets:** The Authority has adopted a policy requiring all recipients of funding through this Plan to consider and accommodate, wherever possible, the needs of all users in the planning, design, construction, reconstruction, rehabilitation and maintenance of the transportation system. Achieving this vision will require balancing the needs of different users, and may require reallocating existing right of way for different uses.
19. **Compliance with the Growth Management Program:** If the Authority determines that a jurisdiction does not comply with the requirements of the Growth Management Program, the Authority shall withhold funds and also make a finding that the jurisdiction shall not be eligible to receive Local Streets Maintenance & Improvements or Community Development Transportation Program (CDTP) funding until the Authority determines the jurisdiction has achieved compliance, as detailed in the Growth Management Program section of the Plan.

20. **Local Contracting and Good Jobs:** Authority will develop a policy supporting the hiring of local contractors and businesses, including policy requiring prevailing wages, apprenticeship programs for Contra Costa residents, and veteran hiring policy (such as the Helmets to Hardhats program) to the extent permitted by law. The Authority, will adopt the aforementioned policy for projects and programs funded by the measure no later than April 1, 2018.
21. **New Agencies:** New cities or new entities (such as new transit agencies) that come into existence in Contra Costa County during the life of the Plan may be considered as eligible recipients of funds through a Plan amendment.
22. **Countywide Transit Plan:** The Authority will develop a countywide transit plan identifying services and projects to be funded with this Measure. The plan will be inclusive of services and projects in adopted plans of existing transit operators which have gone through a public review process prior to adoption. The plan will be periodically reviewed and updated. Funding will be allocated by the Authority throughout the County based on input from each Regional Transportation Planning Committee and on performance criteria established by the Authority in consultation with local and regional bus transit operators, providers of alternate non-rail transportation, and stakeholders. Said performance criteria will include a review of impact on Vehicle Miles Traveled (VMT) and Green-house Gas (GHG) and shall require a finding that any proposed new or enhanced services demonstrate the ability to improve regional and/or local mobility for Contra Costa residents.

Project Financing Guidelines and Managing Revenue

23. **Fiduciary Duty:** Funds may be accumulated for larger or longer term projects. Interest income generated will be used for the purposes outlined in the Plan and will be subject to audits.
24. **Project and Program Financing:** The Authority has the authority to bond for the purposes of expediting the delivery of transportation projects and programs. The Authority will develop a policy to identify financing procedures for the entire plan of projects and programs.
25. **Programming of Variations from the Expected Revenue:** Actual revenues may, at times be higher or lower than expected in this Plan due to changes in receipts. Additional funds may become available due to the increased opportunities for leveraging or project costs being less than expected. Revenue may be lower than expected as the economy fluctuates. Determination of when the contingency funds become excess will be established by a policy defined by the Authority. Funds considered excess will be prioritized first to expenditure plan projects and programs, and second to other projects of regional significance that are consistent with the expenditure plan. The new project or program will be required to be amended into the expenditure plan.
26. **Fund Allocations:** Through the course of the Measure, if any of the projects do not require all funds programmed for that project or have excess funding, or should a planned project become undeliverable, infeasible or unfundable due to circumstances unforeseen at the time the expenditure plan was created, funding for that project will be reallocated to another project or program. The subregion where the project or program is located may request that the Authority reassign funds to another project in the same subregion. In the allocation of the released funds, the Authority in consultation with the subregion RTPC will in priority order consider: 1) a project or program of the same travel mode (i.e. transit, bicycle/pedestrian, or road) in the same subregion, 2) a project or program for other modes of travel in the same subregion, 3) other expenditure plan projects or programs, and 4) other projects or programs of regional significance. The new project or program or funding level may be required to be amended into the expenditure plan.
27. **Leveraging Funds:** Leveraging or matching of outside funding sources is strongly encouraged. Any additional transportation sales tax revenues made available through their replacement by matching funds will be spent based on the principles outlined for fund allocations described above.

Contra Costa Transportation Authority **STAFF REPORT**

Meeting Date: July 20, 2016

Subject	Approve Ordinance 16-02 Adopting the 2016 Transportation Expenditure Plan (TEP)
Summary of Issues	<p>Over the past several months, the Contra Costa Transportation Authority (Authority) has undertaken actions necessary to consider placing a measure on the November 2016 general election ballot which would establish a new one half of one percent transactions and use tax (aka sales tax) for transportation purposes to meet the growing needs of Contra Costa County. Placing a new transportation sales tax on the ballot requires preparation and adoption of a TEP documenting the use of the revenues expected to be derived from the sales tax. The Authority approved the final language for the TEP on May 18, 2016 and released the TEP for approval by city/town councils and the County Board of Supervisors (BOS). The TEP was approved unanimously by all city/town councils and the BOS without a single "no" vote.</p> <p>Staff has worked with the Authority's legal council to develop the attached Ordinance 16-02 as consideration of adopting the TEP.</p>
Recommendations	Staff recommends the Authority adopt Ordinance 16-02 approving the TEP, pursuant to a finding that the approval of the Resolution is not a project or, alternatively, is exempt from environmental review under the California Environmental Quality Act.
Financial Implications	The proposed TEP would, if approved by the voters, generate \$2.9 billion in sales tax revenues over 30 years to improve the transportation system in Contra Costa. The TEP is estimated to leverage twice this amount of funding from state, federal and regional sources.
Options	The Authority can elect to not adopt the TEP which would effectively end efforts to seek a new transportation sales tax measure on the November 2016 ballot.
Attachments	A. Ordinance 16-02 which includes the proposed TEP as an attachment.

Changes from Committee	N/A
---------------------------	-----

Since 1989, the Authority has administered sales tax revenues collected through voter-approved transportation sales tax measures, specifically Measures C and J. Measure C, passed in 1988, created a half-cent sales tax for 20 years, expiring in 2009. In 2004, Contra Costa County voters approved Measure J, with a 71.1 percent vote, to continue the half-cent transportation sales tax for an additional 25 years beyond the Measure C 2009 expiration date. Together, the two measures will generate more than \$3.8 billion in local sales tax funds. When combined with federal, state and regional funds, it will result in over \$6.5 billion invested in transportation (year of expenditure dollars). These previous measures also established the Growth Management Program, the Principles for Agreement of an Urban Limit Line, and other policies.

The Authority, as the County's Congestion Management Agency, updates the Countywide Transportation Plan (CTP) on a periodic basis. The CTP identified goals for bringing together all modes of travel, networks and operators to meet the diverse transportation needs of Contra Costa County, and highlights priority programs and projects to meet these needs. The cost for the projects identified in the most recent draft CTP totals \$12.4 billion with available funding from approved local, federal, state and regional sources projected to be \$3.4 billion, resulting in a \$9 billion shortfall for projects. State and federal transportation programs no longer contain reliable funding that addresses multi-modal needs.

To continue to implement a robust program to improve the transportation network in Contra Costa, and to enhance or add new services, additional new revenue is required. Placing a new transportation sales tax measure on the ballot requires preparation and adoption of a TEP to document the planned use of the revenues expected to be derived from the sales tax. In May 2015, the Authority began discussions on the development and approval of a new TEP and an associated countywide transportation sales tax measure as a potential method to begin to address the funding gap.

The Authority conducted an unprecedented outreach program with the public and worked extensively with the Regional Transportation Planning Committees (RTPCs), an Expenditure Plan Advisory Committee (EPAC) and other stakeholders to develop the proposed TEP. The Authority approved the final language for the TEP on May 18, 2016 and released it for approval

by city/town councils and the County Board of Supervisors (BOS). Between May 31, 2016 and July 12, 2016, the TEP was approved unanimously by all city/town councils and the BOS without a single "no" vote.

Staff has worked with the Authority's legal council to develop the attached Ordinance 16-02 as consideration of adopting the TEP. The attached TEP would be included in the Contra Costa County Voter Information Guide if adopted and placed on the ballot. The ordinance generally follows the specific terms and provisions of the ordinances used for Measure C and Measure J with minor modifications for sections including Caltrans and various federal agencies to update the terms to current roles and responsibilities. The ordinance also makes a finding with respect to compliance of the TEP with the California Environmental Quality Act (CEQA). The ordinance contains language specifically stating that the Authority is approving the text of the TEP attached to Ordinance 16-02 with the understanding that the TEP included in the Contra Costa County Voter Information Guide and Sample Ballot may be in a slightly different format to comply with requirements of the Registrar of Voters office, however, there will be no change in any of the TEP language approved by the Authority on May 18, 2016.

Section 3. PURPOSE. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Chapter 5 of Division 19 of the Public Utilities Code which authorizes the Authority to adopt this tax ordinance which shall be operative if a two-thirds majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

E. Nothing in this ordinance is intended to modify, repeal, or alter ordinances previously adopted by the Authority. The provisions of this ordinance shall apply solely to the transactions and use tax adopted herein.

Section 4. CONTRACT WITH STATE. Prior to the operative date, the Authority shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the Authority shall not have contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

Section 5. TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated and unincorporated territory of the District at the rate of an additional one-half of one percent until March 31, 2047, which tax shall be imposed, in part, concurrently with the existing one-half percent tax until the existing tax expires, of the gross receipts of any retailer from the sale of all

tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

Section 6. PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

Section 7. USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in the District of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of an additional one-half of one percent until March 31, 2047, which tax shall be imposed, in part, concurrently with the existing one-half percent tax until the existing tax expires, of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

Section 9. LIMITATIONS ON ADOPTION OF STATE LAW AND COLLECTION OF USE TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this Authority shall be substituted therefor. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, Victim Compensation and Government Claims Board, State Board of Equalization, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this Authority or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "District" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

Section 10. PERMIT NOT REQUIRED. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

Section 11. EXEMPTIONS AND EXCLUSIONS.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the County in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the District which is shipped to a point outside the District, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the District shall be satisfied:

a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-District address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

b. With respect to commercial vehicles, by registration to a place of business out-of-District and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this District of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any

period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the District shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the District or participates within the District in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the district or through any representative, agent, canvasser, solicitor, subsidiary, or person in the District under the authority of the retailer.

7. "A retailer engaged in business in the District" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the District.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

Section 12. BONDING AUTHORITY. This section incorporates by reference the provisions of Public Utilities Code sections 180200 ("Pay-as-you-go" financing) and 180250 through 180264. This ordinance authorizes the Authority to issue limited tax bonds to finance capital outlay expenditures as may be provided for in the adopted Plan, payable from the proceeds of the tax. In accordance with Public Utilities Code section 180250(b), the maximum bonded indebtedness which may be outstanding at any one time shall be an amount equal to the sum of the principal of, and interest on, the bonds, but not to exceed the estimated proceeds of the tax, as determined by the plan. The amount of bonds outstanding at any one time does not include the amount of bonds, refunding bonds, or bond anticipation notes for which funds necessary for the payment thereof have been set aside for that purpose in a trust or escrow account.

Section 13. ANNUAL APPROPRIATIONS LIMIT. Article XIII(B) of the California Constitution requires the establishment of an annual appropriations limit for certain governmental entities. The Authority for fiscal year 2016-2017 has been established as \$126,192,353. The appropriations limit shall be subject to adjustment as provided by law. All expenditures of the tax revenues imposed in this Ordinance are subject to the appropriations limit of the Authority.

Section 14. USE OF PROCEEDS. The proceeds of the transaction and use tax imposed by this ordinance shall be used solely for the projects and purposes set forth in the 2016 Transportation Expenditure Plan, as it may be amended from time to time, and for the administration thereof.

Section 15. AMENDMENTS. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

Section 16. ENJOINING COLLECTION FORBIDDEN. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the Authority, or against any officer of the State or the Authority, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

Section 17. COMPLIANCE WITH CALIFORNIA ENVIRONMENTAL QUALITY ACT ("CEQA"). The Authority finds that the approval of this Ordinance is not a "project" and, alternatively, is exempt from the California Environmental Quality Act ("CEQA"). The ordinance is intended to provide a funding mechanism for future projects and programs related to the Authority's provision of transportation services. The ordinance does not commit the Authority to any particular project, program, or capital improvement. Accordingly, the Authority hereby finds that, under State CEQA Guidelines section 15378(b)(4), adoption of this ordinance is not a project subject to the requirements of CEQA because the ordinance is merely "[t]he creation of [a] government funding mechanism[] or other fiscal activity which do[es] not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment." (Cal. Code Regs., tit. 14, § 15378, subd. (b)(4); see also *Sustainable Transportation Advocates of Santa Barbara v. Santa Barbara County Association of Governments* 179 Cal.App.4th 113, 123.) Further, because the ordinance does not authorize the construction of any projects that may result in any direct or indirect physical change in the environment and is subject to further discretionary approvals, including the pre-conditions found in Public Utilities Code section 180206(b), approving the ordinance is not an approval that "commits the agency to a definite course of action." (State CEQA Guidelines section

15352.) The timing, design, and approval of individual projects to be funded by the ordinance are dependent on funding availability, need, and CEQA review. Thus, the ordinance has no potential for causing a significant effect on the environment and is exempt from further review under CEQA. (State CEQA Guidelines section 15061(b)(3).)

Section 18. REQUEST FOR ELECTION. The Authority hereby requests the Contra Costa County Board of Supervisors to place this ordinance before the voters for approval on the November 8, 2016 ballot. The proposition to be placed on the ballot shall read substantially as follows:

To implement a Transportation Expenditure Plan to continue:

- Repairing potholes/fixing roads;
- Improving BART capacity/reliability;
- Improving Highways 680, 80, 24, and 4;
- Enhancing bus/transit including for seniors and people with disabilities;
- Increasing bicycle/pedestrian safety;
- Improving air quality;
- Reducing traffic;

shall voters adopt the ordinance augmenting the sales tax by ½%, raising ninety-seven million dollars for transportation improvements annually for 30 years with independent oversight, audits, and all money benefitting local residents?

Section 19. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

Section 20. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the District transactions and use taxes and shall take effect immediately or as soon thereafter as the tax may be lawfully imposed.

Section 21. TERMINATION DATE. The authority to levy the tax imposed by this ordinance shall expire on March 31, 2047.

BACKGROUND: (CONT'D)

> The Project will improve this segment of Balfour Road by providing standard travel lanes and shoulder widths that meet current County design standards. This segment of roadway will be widened from the current 18-to-20-foot width, to a 36-foot width. This widening will provide a 12-foot-wide travel lane, a six-foot-wide shoulder, and a two-foot-wide shoulder backing in each direction of travel on this segment of Balfour Road. The widened shoulders will provide a driver recovery area and a bike lane in each direction of travel on this segment of roadway. In addition, left-turn pockets will be added on the east and west segments of Balfour Road at the intersection of Balfour Road and Byron Highway. A left-turn pocket will be added on the western segment of Balfour Road at the intersection of Balfour Road and Bixler Road.

On December 15, 2015, this Board APPROVED the Project and ADOPTED the California Environmental Quality Act Mitigated Negative Declaration and the Mitigated Monitoring and Reporting Plan pertaining to the Project. A CEQA Notice of Determination was filed with the County Clerk on December 17, 2015.

To complete the Project, the County must acquire various property interests from eleven (11) parcels within the Project area. The County must acquire fee title to ten (10) parcels (all partial acquisitions) and three (3) temporary construction easements.

This resolution establishes the necessity of acquiring some of the property interests required for the Project. Specifically, this resolution establishes the necessity of acquiring seven (7) fee parcels and two (2) temporary construction easements in seven (7) properties, as more particularly described in Appendix "A" to the Resolution of Necessity. These property interests are required for the Project, including pre-construction utility work scheduled to begin in January 2017.

The County, through the Real Estate Division of the Public Works Department, has made an offer of just compensation to the owner or owners of the property for the property interests being acquired. Each offer was based on an appraisal of the fair market value of said property interest or interests being acquired. Negotiations to acquire the property interests identified in Appendix "A" have not been successful.

With respect to the property identified as Assessor's Parcel Number 011-010-009 and the property identified as Assessor's Parcel Number 015-050-006, both of which are subject to land conservation contracts and are described in Appendix "A" to the Resolution of Necessity, pursuant to Government Code Section 51291, the County, through the Environmental Services Division of the Public Works Department, provided Notice of Public Acquisition of Williamson Act Lands to the California Department of Conservation, Division of Land Resource Protection.

Construction of the overall project is scheduled to begin in the spring of 2017. In order to proceed with the Project, it is necessary for the County to exercise its power of eminent domain to acquire the property interests described herein.

Pursuant to Section 1245.235 of the Code of Civil Procedure, notice was given to all persons listed on the attached Exhibit "A" whose names and addresses appear on the last equalized County Assessment Roll. This notice consisted of sending by first-class and certified mail on July 14, 2016 a Notice of Intention which notified these owners that a hearing is scheduled for August 2, 2016 at 9:30 a.m. in the Board's Chambers, at which time they may appear to be heard on the matters referred to in the notice.

B. Scope of Hearing Per C.C.P. Section 1245.235

1. The public interest and necessity require the proposed Project.

This segment of Balfour Road between Sellers Avenue and Bixler Road is a narrow, approximately 3-mile long, two-lane road that receives substantial traffic and is used as a thoroughfare between Brentwood and Discovery Bay as well as a commuter route to State Route 4. The project includes installing left turn pockets on the east and west legs of Balfour Road at Byron Highway and a left turn pocket on the west leg of Balfour Road at Bixler

Road. A drainage system consisting of an open roadside ditch and underground pipe along the south side of Balfour Road will be installed to collect and convey roadside runoff. The Project is intended to improve this segment of roadway to meet current design standards. The project will improve traffic movement and the safety of persons who travel on this segment of roadway.

2. The Project is planned and located in the manner that will be most compatible with the greatest public good and the least private injury.

The Project location and design are more particularly described in the CEQA Mitigated Negative Declaration that was adopted for this Project. The Project design plan will bring the shoulders up to current design standards and provide a driver recovery area and a bike lane. The project does not increase the number of travel lanes and will therefore not increase the capacity of the roadway. The majority of the roadway widening will occur along the south side of this segment of Balfour Road. The Project alignment was selected to avoid substantial impacts to East Contra Costa Irrigation District irrigation pipelines and related facilities located on the north side of this segment of Balfour Road.

3. The properties sought to be acquired are necessary for the Project.

The property interests sought for this Project are necessary for the widening of Balfour Road between Sellers Avenue and Bixler Road, as planned. All efforts have been made to reduce physical and operational impacts to adjacent properties both during and after construction. The Project cannot be constructed as planned without the acquisition of these property interests.

4. The offer of compensation required by Section 7267.2 of the Government Code has been made to the owner or owners of record.

The County, through the Real Estate Division of the Public Works Department, has made an offer of just compensation to each owner of record for the rights required for this Project, in accordance with Government Code section 7267.2. Each offer was based on an appraisal of the fair market value of the property rights being acquired. In each case, efforts were made to acquire each required property or property right through negotiated purchase and sale instead of condemnation. Attempts to negotiate a settlement involved calls made to the property owners which were not successful, requiring the County to proceed with the adoption of this Resolution of Necessity.

C. Williamson Act Findings.

A portion of the property identified as Assessor's Parcel Number 011-010-009, located in Parcels 1, 2 and 3, and a portion of the property identified as Assessor's Parcel Number 015-050-006, located in Parcel 9, are located in agricultural preserves established pursuant to the Williamson Act (Act). The County seeks to obtain fee title to Parcels 1 and 2, and temporary construction easements to use Parcels 3 and 9. With respect to the Parcels of which the County seeks to obtain fee title, the Act requires the Board to make two findings.

1. Cost was not a factor in the County's consideration of acquiring a portion of the property identified as Assessor's Parcel Number 011-010-009. (Gov. Code § 51292(a).) The location of the property considered for acquisition is based solely on the goal of improving the road shoulders and providing a driver recovery area, so this segment of Balfour Road is consistent with current design standards.

2. There is no other land within or outside the subject agricultural preserve upon which it is reasonably feasible to locate the public improvement. (Gov. Code § 51292(b).) This segment of Balfour Road is narrow due to the absence of shoulders and is based on outdated design standards. This segment of Balfour Road requires upgrades to the shoulders to current design standards and to provide a safe driver recovery area. Given the existing location of Balfour Road, there is no other location for the Project, either within or outside of the subject agricultural preserve upon which it is reasonably feasible to locate this portion of the Project.

Pursuant to Government Code Section 51291, the County provided notice to the California Department of

Conservation, Division of Land Resource Protection regarding its intent to acquire a portion of the properties identified as Assessor's Parcel Number 011-010-009 and Assessor's Parcel Number 015-050-006, which are located in agricultural preserves under the Williamson Act.

CONSEQUENCE OF NEGATIVE ACTION:

The County will be unable to acquire the property interests necessary for the Project.

CLERK'S ADDENDUM

CLOSED the public hearing; MADE the findings and determinations listed under Section B of the Board Order; and ADOPTED Resolution of Necessity No. 2016/467 to acquire the required property by eminent domain.

Resolution No. 2016/505

The Board of Supervisors of Contra Costa County, California, by vote of four-fifths or more of its members, **RESOLVES** that: Pursuant to Government Code Section 25350.5 and Streets & Highways Code Section 943, Contra Costa County (County) intends to construct the Balfour Road Shoulder Widening Project (Project), in the Brentwood area of east Contra Costa County. The Project is a public improvement to Balfour Road, a county road, between Sellers Avenue in the City of Brentwood and Bixler Road in the Town of Discovery Bay, in eastern Contra Costa County. The Project will include widening this approximately three-mile-long segment of Balfour Road from its existing 18- to 20-foot pavement width, to a new pavement width of 36 feet. The Project will add a 12-foot-wide travel lane, a 6-foot wide paved shoulder/bike lane, and a 2-foot wide shoulder backing in each direction of travel on this segment of roadway. Left turn pockets will be added on the east and west segments of Balfour Road at its intersection with Byron Highway, and a left turn pocket will be added on the western segment of Balfour Road at its intersection with Bixler Road. A drainage system consisting of an open roadside ditch and underground pipe along the south side of the road will be installed to collect and convey roadside runoff. In connection with the Project, the County must acquire interests in certain real property. The property interests to be acquired consist of seven (7) separate parcels that are generally located in the Brentwood area. The property interests are more particularly described in Appendix "A", attached hereto and incorporated herein by this reference.

On July 14, 2016, notice of the County's intention to adopt a resolution of necessity for acquisition by eminent domain of the real property described in Appendix "A" was sent to persons whose names appear on the last equalized County Assessment Roll as owners of said property. The notice specified August 2, 2016, at 9:30 a.m., in the Board of Supervisors Chambers in the Administration Building, 651 Pine Street, Martinez, California, as the date, time, and place for the hearing thereon. The hearing was held on that date and at that time and place, and all interested parties were given an opportunity to be heard. Based upon the evidence presented to it, this Board finds, determines, and hereby declares the following:

1. The public interest and necessity require the proposed Project; and
2. The proposed Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury; and
3. The property described herein is necessary for the proposed Project; and
4. The offer required by Section 7267.2 of the Government Code was made to the owner or owners of record.
5. Insofar as any of the property described in this resolution has heretofore been dedicated to a public use, the acquisition and use of such property by Contra Costa County for the purposes identified herein is for a more necessary public use than the use to which the property has already been appropriated, or is for a compatible public use. This determination and finding is made and this resolution is adopted pursuant to Code of Civil Procedure Sections 1240.510 and 1240.610.

6. The location of the Project, and the location of Assessor's Parcel Number 011-010-009 within the Project, is not based on a consideration of the lower cost of acquiring land in an agricultural preserve. This finding is made pursuant to Government Code Section 51292(a). 7. With respect to the property identified as Assessor's Parcel Number 011-010-009, there is no other land either within or outside the subject agricultural preserve upon which it is reasonably feasible to locate that portion of the Project which will lie within the preserve. This finding is made pursuant to Government Code Section 51292(b).

8. With respect to the properties identified as Assessor's Parcel Number 011-010-009 and Assessor's Parcel Number 015-050-006, which are subject to land conservation contracts and are located within agricultural preserves, the County provided notice to the California Department of Conservation, Division of Land Resource Protection pursuant to Government Code Section 51291 regarding the County's intent to acquire a portion of Assessor's Parcel Number 011-010-009 (Parcels 1 and 2 in fee title, and Parcel 3 as a temporary construction easement) and a portion of Assessor's Parcel Number 015-050-006 (Parcel 9 as a temporary construction easement) for the proposed Project.

9. On, December 15, 2015, this Board APPROVED the Project and ADOPTED the California Environmental Quality Act Mitigated Negative Declaration and Mitigation and Monitoring Reporting Program pertaining to this Project. The CEQA Notice of Determination was filed with the County Clerk on December 17, 2015.

NOW, THEREFORE, BE IT RESOLVED: The County Counsel of this County is hereby **AUTHORIZED** and **EMPOWERED**: To acquire in the County's name, by condemnation, the titles, easements and rights of way hereinafter described in and to said real property or interests therein, in accordance with the provisions for eminent domain in the Code of Civil Procedure and the Constitution of the State of California: Parcels 1, 2, 4, 5, 6, 7 and 8 are to be acquired in fee title; Parcels 3 and 9 are to be acquired as a temporary construction easements for a period of twelve (12) months between May 1, 2017 and April 30, 2018. To prepare and prosecute in the County's name such proceedings in the proper court as are necessary for such acquisition; and To deposit the probable amount of compensation based on an appraisal, and to apply to said court for an order permitting the County to take immediate possession and use said real property for said public uses and purposes.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

4. The offer required by Section 7267.2 of the Government Code was made to the owner or owners of record.
5. Insofar as any of the property described in this resolution has heretofore been dedicated to a public use, the acquisition and use of such property by Contra Costa County for the purposes identified herein is for a more necessary public use than the use to which the property has already been appropriated, or is for a compatible public use. This determination and finding is made and this resolution is adopted pursuant to Code of Civil Procedure Sections 1240.510 and 1240.610.
6. The location of the Project, and the location of Assessor's Parcel Number 011-010-009 within the Project, is not based on a consideration of the lower cost of acquiring land in an agricultural preserve. This finding is made pursuant to Government Code Section 51292(a).
7. With respect to the property identified as Assessor's Parcel Number 011-010-009, there is no other land either within or outside the subject agricultural preserve upon which it is reasonably feasible to locate that portion of the Project which will lie within the preserve. This finding is made pursuant to Government Code Section 51292(b).
8. With respect to the properties identified as Assessor's Parcel Number 011-010-009 and Assessor's Parcel Number 015-050-006, which are subject to land conservation contracts and are located within agricultural preserves, the County provided notice to the California Department of Conservation, Division of Land Resource Protection pursuant to Government Code Section 51291 regarding the County's intent to acquire a portion of Assessor's Parcel Number 011-010-009 (Parcels 1 and 2 in fee title, and Parcel 3 as a temporary construction easement) and a portion of Assessor's Parcel Number 015-050-006 (Parcel 9 as a temporary construction easement) for the proposed Project.
9. On, December 15, 2015, this Board APPROVED the Project and ADOPTED the California Environmental Quality Act Mitigated

Negative Declaration and Mitigation and Monitoring Reporting Program pertaining to this Project. The CEQA Notice of Determination was filed with the County Clerk on December 17, 2015.

NOW, THEREFORE, BE IT RESOLVED: The County Counsel of this County is hereby **AUTHORIZED** and **EMPOWERED**: To acquire in the County's name, by condemnation, the titles, easements and rights of way hereinafter described in and to said real property or interests therein, in accordance with the provisions for eminent domain in the Code of Civil Procedure and the Constitution of the State of California: Parcels 1, 2, 4, 5, 6, 7 and 8 are to be acquired in fee title; Parcels 3 and 9 are to be acquired as a temporary construction easements for a period of twelve (12) months between May 1, 2017 and April 30, 2018. Subject: Proposition 55 Tax Extension to Fund Education and Healthcare

RECOMMENDATION(S):

CONSIDER adopting a position on Proposition 55 Tax Extension to Fund Education and Healthcare, which seeks to extend through 2030 the income tax rate increases on high-income Californians enacted in 2012 through Proposition 30, as recommended by the Legislation Committee.

FISCAL IMPACT:

Fiscal Effects

Increased State Tax Revenues. Currently, the Proposition 30 income tax rate increases are scheduled to expire at the end of 2018. This measure would increase state income tax revenues by billions of dollars per year above current expectations for the years 2019 through 2030. (This would result in increased tax revenues for fiscal years 2018-19 through 2030-31.) The precise amount of this revenue in any given year would depend heavily on trends in the stock market and the economy. For example, if the stock market and economy were weak in 2019 (the first year of the proposed tax increase extension), this measure might generate around \$5 billion of increased revenue. Conversely, if the stock market and economy were strong at that time, the measure might raise around \$11 billion. Near the midpoint of this range—around \$7.5 billion—is one reasonable expectation of the additional revenue that this measure would generate in 2019. Thereafter, through 2030, that amount would rise or fall each year depending on trends in the stock market and the economy.

FISCAL IMPACT: (CONT'D)

Increased School and Community College Funding. Under current law, the expiration of Proposition 30 is expected to slow the growth of state tax revenues, thereby slowing the growth of the Proposition 98 minimum funding level. Under this measure, the amount of Proposition 98 funds provided to schools and community colleges each year probably would increase by a few billion dollars, compared to what these entities would receive if all of Proposition 30's tax increases expired. The amount of increased school spending over the 2019-2030 period could vary significantly, depending on such factors as the Proposition 98 variables and the state of the economy during the period.

Increased Budget Reserves and Debt Payments. Under current law, the expiration of Proposition 30 will result in less revenue available for budget reserves and debt payments compared to when Proposition 30 was in effect. This measure would increase the amount of money used for budget reserves and debt payments, particularly when the economy and stock market are doing well. Because the measure would increase the amount of money used for budget reserves, it would be more likely that the total amount of reserves would reach the 10 percent maximum established by Proposition 2. If this occurred, the measure could result in more funding being used to build and maintain infrastructure.

Increased Medi-Cal Funding. The amount of increased Medi-Cal spending could vary significantly each year, ranging from \$0 to \$2 billion. The measure delegates to DOF the authority to make this estimate by implementing this measure's provisions.

Remaining Funding Generally Available for Any Purpose. After satisfying requirements that the state tax revenues raised by this measure be allocated for (1) school and community college funding, (2) budget reserves and debt payments, and (3) the Medi-Cal program, the state could use any remaining funds for any budget purpose. The use of that funding would depend on decisions by future legislatures and governors.

Other Fiscal Effects. The likelihood that the state exceeds its Proposition 4 spending limit in the future is difficult to predict. If, however, this were to occur between 2019 and 2030, part of this measure's revenues would go to one-time taxpayer rebates and one-time school and community college spending instead of being available for other state purposes.

Fiscal Summary. This measure would have the following major fiscal effects:

- Increased state revenues annually from 2019 through 2030—likely in the \$5 billion to \$11 billion range initially—with amounts varying based on stock market and economic trends.
- Increased revenues would be allocated under constitutional formulas to schools and community colleges, budget reserves and debt payments, and health programs, with remaining funds available for these or other state purposes.

BACKGROUND:

Proposition 55 would extend only the personal income tax on high-income filers portion of Proposition 30 until 2030. This funding would continue to fund K-12 education and community colleges, and up to \$2 billion could be directed toward emergency and hospital Medi-Cal services, including for county public hospitals.

California's State Budget. California state taxes—primarily income taxes—are spent mainly from the state government's General Fund, the state's main operating account. The General Fund will spend about \$115 billion during the current 2015-16 state fiscal year. The General Fund pays for part of California's K-12 and higher education programs, health and human services programs, state prisons, statewide retirement systems for public employees, debt service on state infrastructure bonds, and other programs.

Proposition 30. Proposition 30 temporarily raised state taxes.

- Sales Taxes. Proposition 30 increased the state sales tax rate by one-quarter cent from 2013 through 2016. In the current fiscal year, this increase is expected to raise \$1.5 billion of revenue.
- Income Taxes. Proposition 30 also increased marginal income tax rates paid by roughly the 1 percent of tax

filers in the state with the highest incomes. Depending on their taxable income levels, these filers pay an extra 1 percent, 2 percent, or 3 percent tax on part of their incomes. These increases are in effect from 2012 through 2018. In the current fiscal year, the Proposition 30 income tax increases are expected to raise between \$6 billion and \$8 billion of revenue.

Proposition 98. The largest category of state General Fund spending is for school districts and community colleges. Proposition 98, approved by voters in 1988 and modified in 1990, establishes a minimum funding level for schools and community colleges. This funding level tends to grow over time based on growth in the state's economy, state tax revenue, and student attendance, among other factors. In the current fiscal year, the state will spend around \$50 billion on Proposition 98 programs (over 40 percent of all General Fund revenues). In addition to this state funding, schools and community colleges will receive around \$19 billion from local property taxes.

Medi-Cal Program. In California, the federal Medicaid program is known as Medi-Cal. The Medi-Cal program uses state and federal funds to provide health care services to most low-income persons. Medi-Cal is the largest state-administered health program in terms of spending and people served. In the current fiscal year, the state will spend around \$18 billion from the General Fund on Medi-Cal.

Proposition 2. In November 2014, California voters approved Proposition 2. Proposition 2 creates a new set of rules to determine the amount of money the state has to deposit to a rainy day fund (the Budget Stabilization Account), particularly when the economy and stock market are doing well. This fund is intended to reduce the need for budget cuts, tax increases, and other measures in the future when the economy or stock market weakens. Proposition 2 requires that money be deposited into the rainy day fund until the total reaches a maximum of 10 percent of General Fund tax revenues—which now equals about \$12 billion. Proposition 2 also requires the state to pay down certain state debts faster. Proposition 2 allows the state to reduce the rainy day fund deposit only if the Governor calls a “budget emergency.” The Legislature would have to agree to reduce the deposit. The Governor could call a budget emergency only if:

- A natural disaster occurs, such as a flood or an earthquake.
- There is not enough money available to keep General Fund spending at the highest level of the past three years (adjusted for changes in the state population and the cost of living).

State Spending Limit. In addition to Propositions 2, 30, and 98, the State Constitution includes other rules affecting the state budget, such as the state spending limit that has been in place since passage of Proposition 4 in 1979.

Department of Finance (DOF). Led by the Director of Finance, DOF is the executive branch entity that supervises the state government's financial policies.

Proposal

Extends Proposition 30 Income Tax Increases Through 2030. Under this measure, the Proposition 30 income tax rate increases on high-income Californians would not expire at the end of 2018, as scheduled under current law. As summarized in Figure 1 of Attachment B, this measure would extend those income tax rate increases through 2030. Spending from the revenues raised by this measure would be subject to the state's spending limit. (Under this measure, Proposition 30's sales tax rate increase would not be extended.)

Provides Some New Monies for Medi-Cal. For fiscal years 2018-19 through 2030-31, the measure requires DOF to determine how much revenue raised by this measure would be available for the Medi-Cal program. Specifically, DOF would (1) estimate the amount of revenues raised by this measure and (2) subtract from that estimate higher required school and community college spending and certain other government costs, such as the cost of more people being served by state government programs. The lesser of (1) 50 percent of the resulting amount or (2) \$2 billion would be allocated to the Medi-Cal program. During a Proposition 2 budget emergency, the measure allows this allocation to be reduced in proportion to the reduction in overall General Fund spending.

Refer to Attachment A for the full text of the initiative and Attachment B for the full report by the Legislative

Analyst's Office.

The CSAC Health and Human Services Policy Committee gave a nod to Proposition 55, unanimously voting to forward a recommendation of support on it to the CSAC Executive Committee. The Committee was primarily focused on its potential to provide revenue for the state Medi-Cal program, fund education, and improve public health.

CONSEQUENCE OF NEGATIVE ACTION:

Contra Costa County would not have a position on the measure.

CLERK'S ADDENDUM

By unanimous agreement, the Board will Take No Position at this time.

THE CALIFORNIA CHILDREN'S EDUCATION AND HEALTH CARE PROTECTION ACT OF 2016

SECTION 1. Title.

This measure shall be known and may be cited as "The California Children's Education and Health Care Protection Act of 2016."

SECTION 2. Findings.

(a) During the recent recession, California cut more than \$56 billion from education, health care and other critical state and local services. These cuts resulted in thousands of teacher layoffs, increased school class sizes, higher college tuition fees, and reduced essential services. Temporary tax increases passed by California voters in 2012 helped to partially offset some of the lost funding, but those taxes will begin to expire at the end of 2016, leading to more deficits and more school cuts.

(b) Unless we act now to temporarily extend the current income tax rates on the wealthiest Californians, our public schools will soon face another devastating round of cuts due to lost revenue of billions of dollars a year. Public school funding was cut to the bone during the recession. Our schools and colleges are just starting to recover, and we should be trying to protect education funding instead of gutting it all over again. We can let the temporary sales tax increase expire to help working families, but this is not the time to be giving the wealthiest people in California a tax cut that they don't need and that our schools can't afford.

(c) California's future depends on the success of its 9 million children. Every California child deserves a fair chance to become a successful adult. But for children to succeed as adults, they must have access to high quality education and health care.

(d) For children, education and health care are essential and dependent on one another. Access to a quality education is fundamental to the success of California's children. Even with adequate schools, children cannot obtain an education if illness prevents them from attending. And children growing up in communities without adequate health care are more likely to contract illnesses or have chronic medical conditions that prevent them from regularly attending school.

(e) Underfunding of health care programs also harms California financially. Every new state dollar spent on health care for children and their families is automatically matched by federal funds. This means every year California loses out on billions of dollars in federal matching money that could be used to ensure children and their families have access to healthcare.

(f) Research also shows that early access to quality education and health care improves children's chances of succeeding in school and in life. California should do more to ensure that the state's children receive the education and health care they need to thrive and achieve their highest potential.

(g) California public schools, for example, are the most crowded in the nation. Class sizes are an astonishing 80 percent larger than the national average. The number of Californians training to be future teachers has dropped by 50 percent in the last five years as class sizes have soared.

(h) As well, the budgets of California's community colleges were slashed during the Great Recession, diminishing the ability of California children - especially those from low-income families - to receive career training and an affordable and necessary college education.

(i) California chronically underfunds health care. California ranks 48th out of the 50 states in health care spending, making it difficult for children and their families, seniors and the disabled to access health care. Underfunding health care for children leads to increased rates of serious illness, and higher long-term medical expenses. Improved reimbursement for health services helps ensure that children have access to doctors and hospitals. And once a hospital or doctor's office closes due to chronic underfunding, it closes for everyone in that community.

(j) The California Children's Education and Health Care Protection Act of 2016 temporarily extends the higher income tax rates on couples earning more than half a million dollars a year – those who can most afford it – to help all California children stay healthy, stay in good public schools, and have the opportunity for higher education.

(k) This measure does not increase taxes on anyone earning under \$250,000. It does not extend the temporary sales tax increases that voters previously approved in 2012.

(l) The income tax revenue is guaranteed in the California Constitution to go directly to local school districts and community colleges, and to help the State pay for healthcare expenses for low income children and their families. State funding is freed up to help balance the budget and prevent even more devastating cuts to services for seniors, low-income children, working families and small business owners. Everyone benefits.

(m) To ensure all these funds go only where the voters intend, they are put in a special fund that the Legislature cannot divert to other purposes. None of these revenues can be spent on state bureaucracy or administrative costs.

(n) These funds will be subject to an independent audit every year to ensure they are spent only for the purposes set forth in this measure. Elected officials will be subject to prosecution and criminal penalties if they misuse the funds.

(o) California has seen massive budget swings over the past 15 years, with deep deficits and devastating cuts after the Dot-Com bust and the Great Recession. Maintaining the state's rainy day fund will stabilize the budget, avoid the boom and bust cycles of the past, and protect our children, seniors, and disabled Californians from cuts in school and healthcare funding during future economic downturns.

SECTION 3. Purpose and Intent.

(a) The chief purpose and intent of the voters in enacting this measure is to avoid harmful cuts that would reduce the quality of education and instruction in California's local public schools, and to provide adequate funding for essential health care services for children and family members who are legal residents of California.

(b) This measure is intended to protect our children by temporarily extending current income tax rates on wealthy Californians, instead of awarding a huge tax break to couples earning more than half a million dollars a year, or individuals earning more than a quarter million. Instead of sending money back into the pockets of the wealthy, this measure sends the money to a special account that must be spent exclusively to ensure that every California child has access to a quality public education, and the quality health care necessary for them to stay in school and learn.

(c) This measure is intended to keep California on its current track of balanced budgets and reliable funding for schools, community colleges and health care, preventing a return to the days of chronic budget deficits and funding cuts.

(d) This measure guarantees in the Constitution that the revenues it raises for schools will be sent directly to school districts and community colleges for classroom expenses, not administrative costs. This school funding cannot be suspended or withheld no matter what happens with the state budget.

(e) This measure guarantees in the Constitution that the revenues it raises for health care will be spent to supplement existing state funding for healthcare services that qualify for matching federal funds.

(f) All revenues from this measure are subject to local audit every year, and audit by the independent Controller to ensure that they will be used only for the purposes set forth in this measure.

SECTION 4. Section 36 of Article XIII of the California Constitution is amended, to read:

Sec. 36.

(a) For purposes of this section:

(1) "Public Safety Services" includes the following:

(A) Employing and training public safety officials, including law enforcement personnel, attorneys assigned to criminal proceedings, and court security staff.

(B) Managing local jails and providing housing, treatment, and services for, and supervision of, juvenile and adult offenders.

(C) Preventing child abuse, neglect, or exploitation; providing services to children and youth who are abused, neglected, or exploited, or who are at risk of abuse, neglect, or exploitation, and the families of those children; providing adoption services; and providing adult protective services.

(D) Providing mental health services to children and adults to reduce failure in school, harm to self or others, homelessness, and preventable incarceration or institutionalization.

(E) Preventing, treating, and providing recovery services for substance abuse.

(2) "2011 Realignment Legislation" means legislation enacted on or before September 30, 2012, to implement the state budget plan, that is entitled 2011 Realignment and provides for the assignment of Public Safety Services responsibilities to local agencies, including related reporting responsibilities. The legislation shall provide local agencies with maximum flexibility and control over the design, administration, and delivery of Public Safety Services consistent with federal law and funding requirements, as determined by the Legislature. However, 2011 Realignment Legislation shall include no new programs assigned to local agencies after January 1, 2012, except for the early periodic screening, diagnosis, and treatment (EPSDT) program and mental health managed care.

(b)(1) Except as provided in subdivision (d), commencing in the 2011-12 fiscal year and continuing thereafter, the following amounts shall be deposited into the Local Revenue Fund 2011, as established by Section 30025 of the Government Code, as follows:

(A) All revenues, less refunds, derived from the taxes described in Sections 6051.15 and 6201.15 of the Revenue and Taxation Code, as those sections read on July 1, 2011.

(B) All revenues, less refunds, derived from the vehicle license fees described in Section 11005 of the Revenue and Taxation Code, as that section read on July 1, 2011.

(2) On and after July 1, 2011, the revenues deposited pursuant to paragraph (1) shall not be considered General Fund revenues or proceeds of taxes for purposes of Section 8 of Article XVI of the California Constitution.

(c)(1) Funds deposited in the Local Revenue Fund 2011 are continuously appropriated exclusively to fund the provision of Public Safety Services by local agencies. Pending full implementation of the 2011 Realignment Legislation, funds may also be used to reimburse the State for program costs incurred in providing Public Safety Services on behalf of local agencies. The methodology for allocating funds shall be as specified in the 2011 Realignment Legislation.

(2) The county treasurer, city and county treasurer, or other appropriate official shall create a County Local Revenue Fund 2011 within the treasury of each county or city and county. The money in each County Local Revenue Fund 2011 shall be exclusively used to fund the provision of Public Safety Services by local agencies as specified by the 2011 Realignment Legislation.

(3) Notwithstanding Section 6 of Article XIII B, or any other constitutional provision, a mandate of a new program or higher level of service on a local agency imposed by the 2011 Realignment Legislation, or by any regulation adopted or any executive order or administrative directive issued to implement that legislation, shall not constitute a mandate requiring the State to provide a subvention of funds within the meaning of that section. Any requirement that a local agency comply with Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code, with respect to performing its Public Safety Services responsibilities, or any other matter, shall not be a reimbursable mandate under Section 6 of Article XIII B.

(4)(A) Legislation enacted after September 30, 2012, that has an overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation shall apply to local agencies only to the extent that the State provides annual funding for the cost increase. Local agencies shall not be obligated to provide programs or levels of service required by legislation, described in this subparagraph, above the level for which funding has been provided.

(B) Regulations, executive orders, or administrative directives, implemented after October 9, 2011, that are not necessary to implement the 2011 Realignment Legislation, and that have an overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, shall apply to local agencies only to the extent that the State provides annual funding for the cost increase. Local agencies shall not be obligated to provide programs or levels of service pursuant to new regulations, executive orders, or administrative directives, described in this subparagraph, above the level for which funding has been provided.

(C) Any new program or higher level of service provided by local agencies, as described in subparagraphs (A) and (B), above the level for which funding has been provided, shall not require a subvention of funds by the State nor otherwise be subject to Section 6 of Article XIII B. This paragraph shall not apply to legislation currently exempt from subvention under paragraph (2) of subdivision (a) of Section 6 of Article XIII B as that paragraph read on January 2, 2011.

(D) The State shall not submit to the federal government any plans or waivers, or amendments to those plans or waivers, that have an overall effect of increasing the cost borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, except to the extent that the plans, waivers, or amendments are required by federal law, or the State provides annual funding for the cost increase.

(E) The State shall not be required to provide a subvention of funds pursuant to this paragraph for a mandate that is imposed by the State at the request of a local agency or to comply with federal law. State funds required by this paragraph shall be from a source other than those described in subdivisions (b) and (d), ad valorem property taxes, or the Social Services Subaccount of the Sales Tax Account of the Local Revenue Fund.

(5)(A) For programs described in subparagraphs (C) to (E), inclusive, of paragraph (1) of subdivision (a) and included in the 2011 Realignment Legislation, if there are subsequent changes in federal statutes or regulations that alter the conditions under which federal matching funds as described in the 2011 Realignment Legislation are obtained, and have the overall effect of increasing the costs incurred by a local agency, the State shall annually provide at least 50 percent of the nonfederal share of those costs as determined by the State.

(B) When the State is a party to any complaint brought in a federal judicial or administrative proceeding that involves one or more of the programs described in subparagraphs (C) to (E), inclusive, of paragraph (1) of subdivision (a) and included in the 2011 Realignment Legislation, and there is a settlement or judicial or administrative order that imposes a cost in the form of a monetary penalty or has the overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, the State shall annually provide at least 50 percent of the nonfederal share of those costs as determined by the State. Payment by the State is not required if the State determines that the settlement or order relates to one or more local agencies failing to perform a ministerial duty, failing to perform a legal obligation in good faith, or acting in a negligent or reckless manner.

(C) The state funds provided in this paragraph shall be from funding sources other than those described in subdivisions (b) and (d), ad valorem property taxes, or the Social Services Subaccount of the Sales Tax Account of the Local Revenue Fund.

(6) If the State or a local agency fails to perform a duty or obligation under this section or under the 2011 Realignment Legislation, an appropriate party may seek judicial relief. These proceedings shall have priority over all other civil matters.

(7) The funds deposited into a County Local Revenue Fund 2011 shall be spent in a manner designed to maintain the State's eligibility for federal matching funds, and to ensure compliance by the State with applicable federal standards governing the State's provision of Public Safety Services.

(8) The funds deposited into a County Local Revenue Fund 2011 shall not be used by local agencies to supplant other funding for Public Safety Services.

(d) If the taxes described in subdivision (b) are reduced or cease to be operative, the State shall annually provide moneys to the Local Revenue Fund 2011 in an amount equal to or greater than the aggregate amount that otherwise would have been provided by the taxes described in subdivision (b). The method for determining that amount shall be described in the 2011 Realignment Legislation, and the State shall be obligated to provide that amount for so long as the local agencies are required to perform the Public Safety Services responsibilities assigned by the 2011 Realignment Legislation. If the State fails to annually appropriate that amount, the Controller shall transfer that amount from the General Fund in pro rata monthly shares to the Local Revenue Fund 2011. Thereafter, the Controller shall disburse these amounts to local agencies in the manner directed by the 2011 Realignment Legislation. The state obligations under this subdivision shall have a lower priority claim to General Fund money than the first

priority for money to be set apart under Section 8 of Article XVI and the second priority to pay voter-approved debts and liabilities described in Section 1 of Article XVI.

(e)(1) To ensure that public education is not harmed in the process of providing critical protection to local Public Safety Services, the Education Protection Account is hereby created in the General Fund to receive and disburse the revenues derived from the incremental increases in taxes imposed by this section, as specified in subdivision (f).

(2)(A) Before June 30, 2013, and before June 30 of each year from 2014 to ~~2018~~2030, inclusive, the Director of Finance shall estimate the total amount of additional revenues, less refunds, that will be derived from the incremental increases in tax rates made in subdivision (f) that will be available for transfer into the Education Protection Account during the next fiscal year. The Director of Finance shall make the same estimate by January 10, 2013, for additional revenues, less refunds, that will be received by the end of the 2012-13 fiscal year.

(B) During the last 10 days of the quarter of each of the first three quarters of each fiscal year from 2013-14 to ~~2018-19~~2030-31, inclusive, the Controller shall transfer into the Education Protection Account one-fourth of the total amount estimated pursuant to subparagraph (A) for that fiscal year, except as this amount may be adjusted pursuant to subparagraph (D).

(C) In each of the fiscal years from 2012-13 to ~~2020-21~~2032-33, inclusive, the Director of Finance shall calculate an adjustment to the Education Protection Account, as specified by subparagraph (D), by adding together the following amounts, as applicable:

(i) In the last quarter of each fiscal year from 2012-13 to ~~2018-19~~2030-31, inclusive, the Director of Finance shall recalculate the estimate made for the fiscal year pursuant to subparagraph (A), and shall subtract from this updated estimate the amounts previously transferred to the Education Protection Account for that fiscal year.

(ii) In June 2015 and in every June from 2016 to ~~2021~~2033, inclusive, the Director of Finance shall make a final determination of the amount of additional revenues, less refunds, derived from the incremental increases in tax rates made in subdivision (f) for the fiscal year ending two years prior. The amount of the updated estimate calculated in clause (i) for the fiscal year ending two years prior shall be subtracted from the amount of this final determination.

(D) If the sum determined pursuant to subparagraph (C) is positive, the Controller shall transfer an amount equal to that sum into the Education Protection Account within 10 days preceding the end of the fiscal year. If that amount is negative, the Controller shall suspend or reduce subsequent quarterly transfers, if any, to the Education Protection Account until the total reduction equals the negative amount herein described. For purposes of any calculation made pursuant to clause (i) of subparagraph (C), the amount of a quarterly transfer shall not be modified to reflect any suspension or reduction made pursuant to this subparagraph.

(E) Before June 30, 2018, and before June 30 of each year from 2019 to 2030, inclusive, the Director of Finance shall estimate the amount of the additional revenues, less refunds, to be

derived in the following fiscal year from the incremental increases in tax rates made in subdivision (f), that, when combined with all other available General Fund revenues, will be required to meet:

(i) the minimum funding guarantee of section 8 of article XVI for that following fiscal year; and

(ii) the workload budget for that following fiscal year, excluding any program expenditures already accounted for through (i). For purposes of this section, "workload budget" has the meaning set forth in Government Code section 13308.05, as that section read and was interpreted by the Department of Finance on January 1, 2016, provided, however, that "currently authorized services" shall mean only those services that would have been considered "currently authorized services" under Government Code section 13308.05 as of January 1, 2016.

(F) In order to enhance the ability of all California school children and their families to receive regular, quality healthcare and thereby minimize school absenteeism due to health-related problems, whenever the Director of Finance estimates that the amount available for transfer into the Education Protection Account during the following fiscal year exceeds the amount of revenues required from that Account pursuant to subparagraph (E) for that following fiscal year, the Director shall identify the remaining amount. Fifty percent of that remainder, up to a maximum of two billion dollars in any single fiscal year, shall be allocated by the Controller from the Education Protection Account to the California Department of Health Care Services on a quarterly basis to increase funding for the existing healthcare programs and services described in Chapter 7 (commencing with Section 14000) to Chapter 8.9 (commencing with Section 14700), inclusive, of Part 3 of Division 9 of the Welfare and Institutions Code. The funding shall be used only for critical, emergency, acute and preventive healthcare services to children and their families, provided by health care professionals and health facilities that are licensed pursuant to Health and Safety Code Section 1250, and to health plans or others that manage the provision of healthcare for Medi-Cal beneficiaries that are contracting with the California Department of Health Care Services to provide health benefits pursuant to this section.

(G) The allocation provided for in subparagraph (F) may be suspended by statute during a fiscal year in which a budget emergency has been declared, provided, however, that the allocation shall not be reduced beyond the proportional reduction in overall General Fund expenditures for that year. For purposes of this section, "budget emergency" has the same meaning as in paragraph (2) of subdivision (b) of section 22 of article XVI.

(H) The funding provided pursuant to subparagraph (F) shall not be used to supplant existing state general funds for the nonfederal share of payments for those programs and, consistent with federal law, shall be used to obtain federal matching Medicaid funds.

(3) All moneys in the Education Protection Account are hereby continuously appropriated for the support of school districts, county offices of education, charter schools, and community college districts as set forth in this paragraph, and for healthcare as set forth in subparagraph (F) of paragraph (2).

(A) Eleven percent of the moneys appropriated for education pursuant to this paragraph shall be allocated quarterly by the Board of Governors of the California Community Colleges to community college districts to provide general purpose funding to community college districts in proportion to the amounts determined pursuant to Section 84750.5 of the Education Code, as that code section read ~~upon voter approval of this section, on November 6, 2012~~. The allocations calculated pursuant to this subparagraph shall be offset by the amounts specified in subdivisions (a), (c), and (d) of Section 84751 of the Education Code, as that section read ~~upon voter approval of this section on November 6, 2012~~, that are in excess of the amounts calculated pursuant to Section 84750.5 of the Education Code, as that section read ~~upon voter approval of this section on November 6, 2012~~, provided that no community college district shall receive less than one hundred dollars (\$100) per full time equivalent student.

(B) Eighty-nine percent of the moneys appropriated for education pursuant to this paragraph shall be allocated quarterly by the Superintendent of Public Instruction to provide general purpose funding to school districts, county offices of education, and state general-purpose funding to charter schools in proportion to the revenue limits calculated pursuant to Sections 2558 and 42238 of the Education Code and the amounts calculated pursuant to Section 47633 of the Education Code for county offices of education, school districts, and charter schools, respectively, as those sections read ~~upon voter approval of this section on November 6, 2012~~. The amounts so calculated shall be offset by the amounts specified in subdivision (c) of Section 2558 of, paragraphs (1) through (7) of subdivision (h) of Section 42238 of, and Section 47635 of, the Education Code for county offices of education, school districts, and charter schools, respectively, as those sections read ~~upon voter approval of this section on November 6, 2012~~, that are in excess of the amounts calculated pursuant to Sections 2558, 42238, and 47633 of the Education Code for county offices of education, school districts, and charter schools, respectively, as those sections read ~~upon voter approval of this section on November 6, 2012~~, provided that no school district, county office of education, or charter school shall receive less than two hundred dollars (\$200) per unit of average daily attendance.

(4) This subdivision is self-executing and requires no legislative action to take effect. Distribution of the moneys in the Education Protection Account by the Board of Governors of the California Community Colleges and Superintendent of Public Instruction shall not be delayed or otherwise affected by failure of the Legislature and Governor to enact an annual budget bill pursuant to Section 12 of Article IV, by invocation of paragraph (h) of Section 8 of Article XVI, or by any other action or failure to act by the Legislature or Governor.

(5) Notwithstanding any other provision of law, the moneys deposited in the Education Protection Account for education shall not be used to pay any costs incurred by the Legislature, the Governor, or any agency of state government.

(6) A community college district, county office of education, school district, or charter school shall have sole authority to determine how the moneys received from the Education Protection Account are spent in the school or schools within its jurisdiction, provided, however, that the appropriate governing board or body shall make these spending determinations in open session

of a public meeting of the governing board or body and shall not use any of the funds from the Education Protection Account for salaries or benefits of administrators or any other administrative costs. Each community college district, county office of education, school district, and charter school shall annually publish on its Internet Web site an accounting of how much money was received from the Education Protection Account and how that money was spent.

(7) The annual independent financial and compliance audit required of community college districts, county offices of education, school districts, and charter schools shall, in addition to all other requirements of law, ascertain and verify whether the funds provided from the Education Protection Account have been properly disbursed and expended as required by this section. Expenses incurred by those entities to comply with the additional audit requirement of this section may be paid with funding from the Education Protection Account and shall not be considered administrative costs for purposes of this section.

(8) Revenues, less refunds, derived pursuant to subdivision (f) for deposit in the Education Protection Account pursuant to this section shall be deemed "General Fund revenues," "General Fund proceeds of taxes," and "moneys to be applied by the State for the support of school districts and community college districts" for purposes of Section 8 of Article XVI.

(f)(1)(A) In addition to the taxes imposed by Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code, for the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers at the rate of 1/4 percent of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in this State on and after January 1, 2013, and before January 1, 2017.

(B) In addition to the taxes imposed by Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code, an excise tax is hereby imposed on the storage, use, or other consumption in this State of tangible personal property purchased from any retailer on and after January 1, 2013, and before January 1, 2017, for storage, use, or other consumption in this state at the rate of 1/4 percent of the sales price of the property.

(C) The Sales and Use Tax Law, including any amendments enacted on or after the effective date of this section, shall apply to the taxes imposed pursuant to this paragraph.

(D) This paragraph shall become inoperative on January 1, 2017.

(2) For any taxable year beginning on or after January 1, 2012, and before January 1, ~~2019~~2031, with respect to the tax imposed pursuant to Section 17041 of the Revenue and Taxation Code, the income tax bracket and the rate of 9.3 percent set forth in paragraph (1) of subdivision (a) of Section 17041 of the Revenue and Taxation Code shall be modified by each of the following:

(A)(i) For that portion of taxable income that is over two hundred fifty thousand dollars (\$250,000) but not over three hundred thousand dollars (\$300,000), the tax rate is 10.3 percent of the excess over two hundred fifty thousand dollars (\$250,000).

(ii) For that portion of taxable income that is over three hundred thousand dollars (\$300,000) but not over five hundred thousand dollars (\$500,000), the tax rate is 11.3 percent of the excess over three hundred thousand dollars (\$300,000).

(iii) For that portion of taxable income that is over five hundred thousand dollars (\$500,000), the tax rate is 12.3 percent of the excess over five hundred thousand dollars (\$500,000).

(B) The income tax brackets specified in clauses (i), (ii), and (iii) of subparagraph (A) shall be recomputed, as otherwise provided in subdivision (h) of Section 17041 of the Revenue and Taxation Code, only for taxable years beginning on and after January 1, 2013.

(C)(i) For purposes of subdivision (g) of Section 19136 of the Revenue and Taxation Code, this paragraph shall be considered to be chaptered on ~~the date it becomes effective~~ November 6, 2012.

(ii) For purposes of Part 10 (commencing with Section 17001) of, and Part 10.2 (commencing with Section 18401) of, Division 2 of the Revenue and Taxation Code, the modified tax brackets and tax rates established and imposed by this paragraph shall be deemed to be established and imposed under Section 17041 of the Revenue and Taxation Code.

(D) This paragraph shall become inoperative on December 1, ~~2019~~2031.

(3) For any taxable year beginning on or after January 1, 2012, and before January 1, ~~2019~~2031, with respect to the tax imposed pursuant to Section 17041 of the Revenue and Taxation Code, the income tax bracket and the rate of 9.3 percent set forth in paragraph (1) of subdivision (c) of Section 17041 of the Revenue and Taxation Code shall be modified by each of the following:

(A)(i) For that portion of taxable income that is over three hundred forty thousand dollars (\$340,000) but not over four hundred eighty thousand dollars (\$408,000), the tax rate is 10.3 percent of the excess over three hundred forty thousand dollars (\$340,000).

(ii) For that portion of taxable income that is over four hundred eighty thousand dollars (\$408,000) but not over six hundred eighty thousand dollars (\$680,000), the tax rate is 11.3 percent of the excess over four hundred eighty thousand dollars (\$408,000).

(g)(1) The Controller, pursuant to his or her statutory authority, may perform audits of expenditures from the Local Revenue Fund 2011 and any County Local Revenue Fund 2011, and shall audit the Education Protection Account to ensure that those funds are used and accounted for in a manner consistent with this section.

(2) The Attorney General or local district attorney shall expeditiously investigate, and may seek civil or criminal penalties for, any misuse of moneys from the County Local Revenue Fund 2011 or the Education Protection Account.

SECTION 5. Conflicting Measures.

In the event that this measure and another measure that affects the tax rates for personal income shall appear on the same statewide ballot, the provisions of the other measure or measures shall be deemed to be in conflict with this measure. In the event that this measure receives a greater number of affirmative votes than a measure deemed to be in conflict with it, the provisions of this measure shall prevail in their entirety, and the other measure or measures shall be null and void.

SECTION 6. Severability.

The fees and costs of defending the action shall be a charge on funds appropriated to the Attorney General, which shall be satisfied promptly.

SECTION 8. Effective Date.

This measure shall take effect immediately upon passage.

January 22, 2016

Hon. Kamala D. Harris
Attorney General
1300 I Street, 17th Floor
Sacramento, California 95814

Attention: Ms. Ashley Johansson
Initiative Coordinator

Dear Attorney General Harris:

Pursuant to Elections Code Section 9005, we have reviewed a proposed constitutional initiative concerning taxes (A.G. File No. 15-0115, Amendment No. 1). The proposal extends temporary personal income tax (income tax) rate increases on high-income taxpayers that were approved as part of Proposition 30 in 2012.

Background

California's State Budget. California state taxes—primarily income taxes—are spent mainly from the state government's General Fund, the state's main operating account. The General Fund will spend about \$115 billion during the current 2015-16 state fiscal year. The General Fund pays for part of California's K-12 and higher education programs, health and human services programs, state prisons, statewide retirement systems for public employees, debt service on state infrastructure bonds, and other programs.

Proposition 30. Proposition 30 temporarily raised state taxes.

- **Sales Taxes.** Proposition 30 increased the state sales tax rate by one-quarter cent from 2013 through 2016. In the current fiscal year, this increase is expected to raise \$1.5 billion of revenue.
- **Income Taxes.** Proposition 30 also increased marginal income tax rates paid by roughly the 1 percent of tax filers in the state with the highest incomes. Depending on their taxable income levels, these filers pay an extra 1 percent, 2 percent, or 3 percent tax on part of their incomes. These increases are in effect from 2012 through 2018. In the current fiscal year, the Proposition 30 income tax increases are expected to raise between \$6 billion and \$8 billion of revenue.

Proposition 98. The largest category of state General Fund spending is for school districts and community colleges. Proposition 98, approved by voters in 1988 and modified in 1990, establishes a minimum funding level for schools and community colleges. This funding level tends to grow over time based on growth in the state's economy, state tax revenue, and student attendance, among other factors. In the current fiscal year, the state will spend around \$50 billion on Proposition 98 programs

(over 40 percent of all General Fund revenues). In addition to this state funding, schools and community colleges will receive around \$19 billion from local property taxes.

Medi-Cal Program. In California, the federal Medicaid program is known as Medi-Cal. The Medi-Cal program uses state and federal funds to provide health care services to most low-income persons. Medi-Cal is the largest state-administered health program in terms of spending and people served. In the current fiscal year, the state will spend around \$18 billion from the General Fund on Medi-Cal.

Proposition 2. In November 2014, California voters approved Proposition 2. Proposition 2 creates a new set of rules to determine the amount of money the state has to deposit to a rainy day fund (the Budget Stabilization Account), particularly when the economy and stock market are doing well. This fund is intended to reduce the need for budget cuts, tax increases, and other measures in the future when the economy or stock market weakens. Proposition 2 requires that money be deposited into the rainy day fund until the total reaches a maximum of 10 percent of General Fund tax revenues—which now equals about \$12 billion. Proposition 2 also requires the state to pay down certain state debts faster.

Proposition 2 allows the state to reduce the rainy day fund deposit only if the Governor calls a “budget emergency.” The Legislature would have to agree to reduce the deposit. The Governor could call a budget emergency only if:

- A natural disaster occurs, such as a flood or an earthquake.
- There is not enough money available to keep General Fund spending at the highest level of the past three years (adjusted for changes in the state population and the cost of living).

State Spending Limit. In addition to Propositions 2, 30, and 98, the State Constitution includes other rules affecting the state budget, such as the state spending limit that has been in place since passage of Proposition 4 in 1979.

Department of Finance (DOF). Led by the Director of Finance, DOF is the executive branch entity that supervises the state government’s financial policies.

Proposal

Extends Proposition 30 Income Tax Increases Through 2030. Under this measure, the Proposition 30 income tax rate increases on high-income Californians would not expire at the end of 2018, as scheduled under current law. As summarized in Figure 1, this measure would extend those income tax rate increases through 2030. Spending from the revenues raised by this measure would be subject to the state’s spending limit. (Under this measure, Proposition 30’s sales tax rate increase would not be extended.)

Provides Some New Monies for Medi-Cal. For fiscal years 2018-19 through 2030-31, the measure requires DOF to determine how much revenue raised by this measure would be available for the Medi-Cal program. Specifically, DOF would (1) estimate the amount of revenues raised by this measure and (2) subtract from that estimate higher required school and community college spending and certain other government costs, such as the cost of more people being served by state government programs. The lesser of (1) 50 percent of the resulting amount or (2) \$2 billion would be allocated to the Medi-Cal program. During a Proposition 2 budget emergency, the measure allows this allocation to be reduced in proportion to the reduction in overall General Fund spending.

^a Income brackets shown are in effect for 2015 and are adjusted for inflation in future years. Single filers include married individuals and registered domestic partners (RDPs) who file taxes separately. Joint filers include married and RDP couples who file jointly, as well as qualified widows or widowers with a dependent child. Income brackets for head-of-household filers are not listed, but those filers with taxable income of \$357,981 and greater (as of 2015) also would be subject to 10.3 percent, 11.3 percent, or 12.3 percent marginal tax rates under Proposition 30 and through 2030 if this proposal is approved by voters.

^b Marginal tax rates apply to taxable income in each tax bracket listed. Tax rates listed exclude the mental health tax rate of 1 percent for taxable income in excess of \$1 million.

Fiscal Effects

Increased State Tax Revenues. Currently, the Proposition 30 income tax rate increases are scheduled to expire at the end of 2018. This measure would increase state income tax revenues by billions of dollars per year above current expectations for the years 2019 through 2030. (This would result in increased tax revenues for fiscal years 2018-19 through 2030-31.) The precise amount of this revenue in any given year would depend heavily on trends in the stock market and the economy. For example, if the stock market and economy were weak in 2019 (the first year of the proposed tax increase extension), this measure might generate around \$5 billion of increased revenue. Conversely, if the stock market and economy were strong at that time, the measure might raise around \$11 billion. Near the midpoint of this range—around \$7.5 billion—is one reasonable expectation of the additional revenue that this measure would generate in 2019. Thereafter, through 2030, that amount would rise or fall each year depending on trends in the stock market and the economy.

Increased School and Community College Funding. Under current law, the expiration of Proposition 30 is expected to slow the growth of state tax revenues, thereby slowing the growth of the Proposition 98 minimum funding level. Under this measure, the amount of Proposition 98 funds provided to schools and community colleges each year probably would increase by a few billion dollars, compared to what these entities would receive if all of Proposition 30's tax increases expired. The amount of increased school spending over the 2019-2030 period could vary significantly, depending on such factors as the Proposition 98 variables and the state of the economy during the period.

Increased Budget Reserves and Debt Payments. Under current law, the expiration of Proposition 30 will result in less revenue available for budget reserves and debt payments compared to when Proposition 30 was in effect. This measure would increase the amount of money used for

budget reserves and debt payments, particularly when the economy and stock market are doing well. Because the measure would increase the amount of money used for budget reserves, it would be more likely that the total amount of reserves would reach the 10 percent maximum established by Proposition 2. If this occurred, the measure could result in more funding being used to build and maintain infrastructure.

Increased Medi-Cal Funding. The amount of increased Medi-Cal spending could vary significantly each year, ranging from \$0 to \$2 billion. The measure delegates to DOF the authority to make this estimate by implementing this measure's provisions.

Remaining Funding Generally Available for Any Purpose. After satisfying requirements that the state tax revenues raised by this measure be allocated for (1) school and community college funding, (2) budget reserves and debt payments, and (3) the Medi-Cal program, the state could use any remaining funds for any budget purpose. The use of that funding would depend on decisions by future legislatures and governors.

Other Fiscal Effects. The likelihood that the state exceeds its Proposition 4 spending limit in the future is difficult to predict. If, however, this were to occur between 2019 and 2030, part of this measure's revenues would go to one-time taxpayer rebates and one-time school and community college spending instead of being available for other state purposes.

Fiscal Summary. This measure would have the following major fiscal effects:

- Increased state revenues annually from 2019 through 2030—likely in the \$5 billion to \$11 billion range initially—with amounts varying based on stock market and economic trends.
- Increased revenues would be allocated under constitutional formulas to schools and community colleges, budget reserves and debt payments, and health programs, with remaining funds available for these or other state purposes.

Sincerely,

Mac Taylor

BACKGROUND: (CONT'D)

The County contracted with Peckham and McKenney to conduct the recruitment to fill the vacancy. On May 12, 2016, the recruitment for a new County Probation Officer –Exempt commenced. Peckham and McKenney advertised the position nationwide but with particular emphasis on the west coast region. Ads were placed with the California State Association of Counties (CSAC), the California Probation, Parole and Correctional Association, Chief Probation Officers of California, Western City Magazine, Careers in Government, and Jobs Available. Invitations and recruitment profiles were sent to 280 potential candidates targeted by Peckham and McKenney. The six (6) week recruitment garnered 272 applications. With the assistance of Peckham and McKenney, the applications were screened and five (5) semi-finalists were forwarded to the County Selection Committee on July 18, 2016. The County Selection Committee was composed of Honorable Presiding Judge, Steven Austin, Superior Court, Contra Costa County; Honorable Supervising Juvenile Judge Thomas Maddock, Superior Court, Contra Costa County; Mary Butler, Chief Probation Officer, Napa County; and Kathy Ito, President, KMI Human Resources Consulting, Inc.

Following a series of interviews and reference checks, I selected Todd Billeci for the position.

Mr. Billeci holds a Bachelor's Degree in Government with a Minor in Business Administration from California State University, Sacramento. Todd began his career with Contra Costa County 25 years ago as a Group Counselor I and has held progressively responsible positions of Probation Supervisor I, Probation Manager, Probation Field Services Director, Probation Director, and Assistant County Probation Officer-Exempt. Mr. Billeci is a resident of Contra Costa County.

CONSEQUENCE OF NEGATIVE ACTION:

The County Probation Officer position will remain vacant and the salary schedule will not be reallocated.

RECOMMENDATION(S):

APPROVE the plans for Pomona Street Raised Crosswalk Project, as recommended by the Public Works Director, Crockett Area.

FISCAL IMPACT:

Project will be funded 100% through Phillips 66 Grant Funds.

BACKGROUND:

This project includes construction of curb ramps and an elevated crosswalk on Pomona Street, approximately 700 feet east of Rolph Park Drive, to replace the current mid-block crossing. This raised crosswalk will improve safety for pedestrians by making pedestrians more visible and calming traffic. The project was determined to be exempt from the California Environmental Quality Act as a Class 15303(d) Categorical Exemption. The Notice of Exemption was filed with the County Clerk on February 15, 2015.

Subject: Prohibit parking on a portion of Pacheco Boulevard (Road No. 3951C), Martinez area. District V

RECOMMENDATION(S):

ADOPT Traffic Resolution No. 2016/4445 to prohibit parking at all times (red curb) on the north side of Pacheco Boulevard (Road No. 3951C), beginning at a point 15 feet east of the centerline of Falling Star Drive (private road) and extending westerly a distance of 60 feet, as recommended by the Public Works Director, Martinez area.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

Upon the request by County Connection to add red curb at a bus stop on Pacheco Boulevard, County Traffic Engineering staff investigated and made the following observations. Currently motorists park at the unmarked curb where a bus stop is located, forcing buses to stop in the travel lane of Pacheco Boulevard in order to embark or disembark passengers. This creates a less than ideal condition for both motorists and passengers, especially those with disabilities who may have to enter the roadway to board the bus. This bus stop is located on a curve in the roadway and some drivers cross into the oncoming lane to pass a stopped bus. Prohibiting parking at this location would allow the bus to be out of the traveled portion of the roadway while embarking/disembarking passengers and allow the bus to safely merge back into traffic.

(see attached notary)

1. PARTIES. Effective on _____, the **County of Contra Costa**, hereinafter referred to as "County" and Brian Allen hereinafter referred to as "Owner" mutually agree and promise as follows:
2. PURPOSE. Owner desires to develop the property described in Exhibit "A" attached hereto and wishes to defer construction of permanent improvements, and County agrees to such deferment if Owner constructs improvements as herein promised.
3. AGREEMENT BINDING ON SUCCESSORS IN INTEREST. This agreement is an instrument affecting the title or possession of the real property described in Exhibit "A." All the terms, covenants and conditions herein imposed are for the benefit of County and the real property or interest therein which constitutes the County road and highway system and shall be binding upon and inure to the benefit of the land described in Exhibit "A" and the successors in interest of Owner. Upon sale or division of the property described in Exhibit "A", the terms of this agreement shall apply separately to each parcel, and the owner of each parcel shall succeed to the obligations imposed on Owner by this agreement. Upon annexation to any city, Owner, or those who succeed him as owner of the property described in Exhibit "A," shall fulfill all the terms of this agreement upon demand by such city as though Owner had contract with such city originally. Any annexing city shall have all rights of a third party beneficiary.

4. STREET AND DRAINAGE IMPROVEMENTS:

A. The improvements set forth in this section may be deferred by Owner and shall be constructed when required in the manner set forth in this agreement. The deferred improvements required by County Department of Public Works are generally described on Exhibit "B" attached hereto. Each of said improvements relate to the use, repair, maintenance or improvement of, or payment of taxes, special assessments or fees on, the property described in Exhibit "A."

B. When County Public Works Director determines that there is no further reason to defer construction of the improvements because their construction is necessary for the public health, welfare and safety and/or is necessary to the orderly development of the surrounding area, he shall notify Owner in writing to commence their installation and construction. The notice shall be mailed to the current owner or owners of the property as shown on the latest adopted County assessment roll. The notice shall describe the work to be done by Owner, the time within which the work shall commence and the time within which the work shall be completed. All or any portion of said improvements may be required at a specified time. Each Owner shall participate on a pro rata basis in the cost of the improvements to be installed. If Owner is obligated to pay a pro rata share of a cost of a facility provided by others, the notice shall include the amount to be paid and the time when payments must be made.

5. PERFORMANCE OF THE WORK. Owner shall perform the work and make the payments required by County as set forth herein or as modified by the Board of Supervisors. Owner shall cause plans and specifications for the improvements to be prepared by competent persons legally qualified to do the work and shall submit said improvement plans and specifications for approval prior to commencement of the work described in the notice and to pay County inspection fees. The work shall be done in accordance with County standards in effect at the time improvement plans are submitted for approval. Owner agrees to commence and complete the work within the time specified in the notice given by the Director of Public Works and to notify the County at least 48 hours prior to start of work. In the event Owner or his successor(s) in interest fails to construct any of the improvements required under this agreement, County may, at its option, do the work. A lien is hereby created on all property described in Exhibit "A" for the cost of such work. If County sues to compel performance of this agreement, to recover the cost of completing the improvements or to enforce the aforementioned lien, Owner shall pay all reasonable attorney's fees, costs of suit and all other expenses of litigation incurred by County in connection therewith, and said attorney's fees, costs and other expenses shall also become a lien on the property described in Exhibit "A". If the property described in Exhibit "A" is subdivided at the time said liens are imposed, the amount of said liens shall be divided proportionately among the various parcels. Permission to enter onto the property of Owner is granted to County or its contractor as may be necessary to construct the improvements covered by this agreement.

6. JOINT COOPERATIVE PLAN. Upon notice by County, Owner agrees to cooperate with other property owners, the County, and other public agencies to provide the improvements set forth herein under a joint cooperative plan including the formation of a local improvement district, if this method is feasible to secure the installation and construction of the improvements.

7. REVIEW OF REQUIREMENTS. If Owner disagrees with the requirements set forth in any notice to commence installation of improvements, he shall, within 30 days of the date the notice was mailed, request a review of the requirements by the Board of Supervisors of County. The decision of this Board shall be binding upon both County and Owner.

8. ACCEPTANCE OF IMPROVEMENTS. County agrees to accept those improvements specified in Exhibit "B" which are constructed and completed in accordance with County standards and requirements and are installed within rights of way or easements dedicated and accepted by resolution of the Board of Supervisors. Owner agrees to provide any necessary temporary drainage facilities, access road or other required improvements, to assume responsibility for the proper functioning thereof, to submit plans to the appropriate County agency for review, if required, and to maintain said improvements and facilities in a manner which will preclude any hazard to life or health or damage to adjoining property.

9. BONDS. Prior to County approval of improvement plans, Owner may be required to execute and deliver to the County a faithful performance bond and a payment bond in an amount and form acceptable to County to be released by the Board of Supervisors in whole or in part upon completion of the work required and payment of all persons furnishing labor and materials in the performance of the work.

10. INSURANCE. Owner shall maintain, or shall require any contractor engaged to perform the work to maintain, at all times during the performance of the work called for herein a separate policy of insurance in a form and amount acceptable to County.

11. INDEMNITY. Owner shall defend, indemnify and save harmless the County, its officers, agents and employees, from every expense, liability or payment by reason of injury (including death) to persons or damage to property suffered through any act or omission, including passive negligence or act of negligence, or both, of Owner, his developer, contractors, subcontractors, employees, agents, or anyone directly or indirectly employed by any of them, or arising in any way from work called for by this agreement, on any part of the premises, including those matters arising out of the deferment of permanent drainage facilities or the adequacy, safety, use or non-use of temporary drainage facilities, or the performance or nonperformance of the work. This provision shall not be deemed to require the Owner to indemnify the County against the liability for damage arising from the sole negligence or willful misconduct of the County or its agents, servants, or independent contractors who are directly responsible to the County.

1. PARTIES & DATE. Effective on the above date, the County of Contra Costa, California (hereinafter "County"), and the above-mentioned Subdivider mutually promise and agree as follows concerning this Subdivision:

2. IMPROVEMENTS. Subdivider agrees to install certain road improvements (both public and private), drainage improvements, signs, street lights, fire hydrants, landscaping and such other improvements (including appurtenant equipment) as required in the improvement plans for this Subdivision as reviewed and on file with the Contra Costa County Public Works Department, as required by the Conditions of Approval for this Subdivision, and in conformance with the Contra Costa County Ordinance Code, including future amendments thereto (hereinafter "Ordinance Code").

Subdivider shall complete said improvements (hereinafter "Work") within the above completion period from date hereof, as required by the California Subdivision Map Act (Gov. 3. IMPROVEMENTS SECURITY. Upon executing this Agreement, the Subdivider shall, pursuant to Gov. Code § 66499 and the County Ordinance Code, provide as security to the County:

A. For Performance and Guarantee: \$ 1,000.00 cash, plus additional security, in the amount of \$ 32,000.00, which together total one hundred percent (100%) of the estimated cost of the Work. Such additional security is presented in the form of:

_____ Cash, certified check or cashier's check.

With this security, Subdivider guarantees performance under this Agreement and maintenance of the Work for one year after its completion and acceptance against any defective workmanship or materials or any unsatisfactory performance.

B. For Payment: Security in the amount: \$ 16,500.00, which is fifty percent (50%) of the estimated cost of the Work. Such security is presented in the form of:

_____ Cash, certified check, or cashier's check
X _____ Acceptable corporate surety bond.
_____ Acceptable irrevocable letter of credit.

With this security, Subdivider guarantees payment to the contractor, to its subcontractors and to persons renting equipment or furnishing labor or materials to them or to the Subdivider.

Upon acceptance of the Work as complete by the Board of Supervisors and upon request of Subdivider, the amounts held as security may be reduced in accordance with Sections 94-4.406 and 94-4.408 of the Ordinance Code.

4. GUARANTEE AND WARRANTY OF WORK. Subdivider guarantees that the Work shall be free from defects in material or workmanship and shall perform satisfactorily for a period of one (1) year from and after the Board of Supervisors accepts the Work as complete in accordance with Article 96-4.6, "Acceptance," of the Ordinance Code. Subdivider agrees to correct, repair, or replace, at Subdivider's expense, any defects in said Work.

The guarantee period does not apply to road improvements for private roads that are not to be accepted into the County road system.

5. PLANT ESTABLISHMENT WORK. Subdivider agrees to perform plant establishment work for landscaping installed under this Agreement. Said plant establishment work shall consist of adequately watering plants, replacing unsuitable plants, doing weed, rodent and other pest control and other work determined by the Public Works Department to be necessary to ensure establishment of plants. Said plant establishment work shall be performed for a period of one (1) year from and after the Board of Supervisors accepts the Work as complete.

6. IMPROVEMENT PLAN WARRANTY. Subdivider warrants the improvement plans for the Work are adequate to accomplish the Work as promised in Section 2 and as required by the Conditions of Approval for the Subdivision. If, at any time before the Board of Supervisors accepts the Work as complete or during the one year guarantee period, said improvement plans prove to be inadequate in any respect, Subdivider shall make whatever changes are necessary to accomplish the Work as promised.

7. NO WAIVER BY COUNTY. Inspection of the Work and/or materials, or approval of the Work and/or materials or statement by any officer, agent or employee of the County indicating the Work or any part thereof complies with the requirements of this Agreement, or acceptance of the whole or any part of said Work and/or materials, or payments therefor, or any combination or all of these acts, shall not relieve the Subdivider of its obligation to fulfill this Agreement as prescribed; nor shall the County be thereby stopped from bringing any action for damages arising from the failure to comply with any of the terms and conditions hereof.

8. INDEMNITY. Subdivider shall defend, hold harmless and indemnify the indemnitees from the liabilities as defined in this section:

A. The indemnitees benefitted and protected by this promise are the County and its special districts, elective and appointive boards, commissions, officers, agents and employees.

B. The liabilities protected against are any liability or claim for damage of any kind allegedly suffered, incurred or threatened because of actions defined below, and including personal injury, death, property damage, inverse condemnation, or any combination of these, and regardless of whether or not such liability, claim or damage was unforeseeable at any time before County reviewed said improvement plans or accepted the Work as complete, and including the defense of any suit(s), action(s), or other proceeding(s) concerning said liabilities and claims.

C. The actions causing liability are any act or omission (negligent or non-negligent) in connection with the matters covered by this Agreement and attributable to Subdivider, contractor, subcontractor, or any officer, agent, or employee of one or more of them.

D. Non-Conditions. The promise and agreement in this section are not conditioned or dependent on whether or not any indemnitee has prepared, supplied, or approved any plan(s) or specification(s) in connection with this Work or Subdivision, or has insurance or other indemnification covering any of these matters, or that the alleged damage resulted partly from any negligent or willful misconduct of any indemnitee.

9. COSTS. Subdivider shall pay, when due, all the costs of the Work, including but not limited to the costs of relocations of existing utilities required thereby; inspections; material checks and tests; and other costs incurred by County staff arising from or related to the Work, and prior to acceptance of the Work as complete or expiration of any applicable warranty periods, whichever is later.

10. SURVEYS. Subdivider shall set and establish survey monuments in accordance with the filed map and to the satisfaction of the County Road Commissioner-Surveyor before acceptance of the Work as complete by the Board of Supervisors.

11. NON-PERFORMANCE AND COSTS. If Subdivider fails to complete the Work within the time specified in this Agreement, and subsequent extensions, or fails to maintain the Work, County may proceed to complete and/or maintain the Work by contract or otherwise and Subdivider agrees to pay all costs and charges incurred by County (including, but not limited to, engineering, inspection, surveys, contract, overhead, etc.) immediately upon demand.

Once action is taken by County to complete or maintain the Work, Subdivider agrees to pay all costs incurred by County, even if Subdivider subsequently completes the Work.

Should County sue to compel performance under this Agreement or to recover costs incurred in completing or maintaining the Work, Subdivider agrees to pay all attorney's fees, staff costs and all other expenses of litigation incurred by County in connection therewith, even if Subdivider subsequently proceeds to complete the Work.

12. INCORPORATION/ANNEXATION. If, before the Board of Supervisors accepts the Work as complete, the Subdivision is included in territory incorporated as a city or is annexed to an existing city, except as provided in this paragraph, County's rights under this Agreement and/or any deposit, bond, or letter of credit securing said rights shall be transferred to the new or annexing city. Such city shall have all the rights of a third party beneficiary against Subdivider, who shall fulfill all the terms of this Agreement as though Subdivider had contracted with the city originally. The provisions of paragraph 8 (Indemnity) shall continue to apply in favor of the indemnitees listed in paragraph 8.A. upon any such incorporation or annexation.

13. RECORD MAP. In consideration hereof, County shall allow Subdivider to file and record the final map or parcel map for said Subdivision.

14. RIGHT OF ENTRY. Subdivider hereby consents to entry onto the Subdivision property, and onto any other property over which Subdivider has land rights and upon which any portion of the Work is to be installed pursuant to the improvement plans, by County and its forces, including contractors, for the purpose of inspection, and, in the event of non-performance of this Agreement by Subdivider, completion and/or maintenance of the Work.

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

FISCAL IMPACT:

BACKGROUND:

The purpose of this Project is to improve the infrastructure drainage of the retaining wall adjacent to Actriz Place. The retaining wall along Actriz Place runs from Actriz Avenue to Rodrigues Avenue, serves as the backyard property boundary for the residence at 471 Rodrigues Avenue and was intended to discharge at the curb in front of that residence. The wall drain is not functioning properly and has resulted in saturated conditions in the side and front yard of the residence.

The Project consists of installation of a French drain system in the backyard of the residence at the foot of the wall. The drain will discharge into an existing curb and gutter on Cabrilho Drive. The section of sidewalk at the proposed discharge location is cracked, will be replaced, and will include the necessary drain to the curb and gutter on Cabrilho Drive. Real Property transactions, including right-of-way acquisition, temporary construction easements, and drainage easements may be necessary in support of this project.

CONSEQUENCE OF NEGATIVE ACTION:

Delay in approving the project will result in a delay of design and construction and the subject property will experience saturation of both the front and side yards during coming winter months.

APPROVE the consolidation requests from each and any jurisdiction that filed a resolution with the County Clerk-Recorder, Elections Division and the Clerk of the Board of Supervisors to consolidate their elections with the November 8, 2016 General Election, and AUTHORIZE the Elections Division to conduct the elections for those jurisdictions on November 8, 2016.

FISCAL IMPACT:

There is no additional direct cost to the County. Any additional cost incurred by the Elections Division will be recovered from each City, School and Special District that choose to consolidate their elections with the November 8, 2016 General Election.

BACKGROUND:

Records indicate that the entities have filed a resolution with the Clerk of the Board of Supervisors requesting consolidation with the General Election. Granting the requests will allow the Elections Division to consolidate the Districts' and Cities' elections with the County's Presidential General Election, which will reduce the County's cost of conducting the election.

Subject: Proposition 61: The California Drug Price Relief Act

RECOMMENDATION(S):

CONSIDER adopting a Support position on Proposition 61 The California Drug Price Relief Act, which seeks to prohibit state agencies from paying more for a prescription drug than the lowest price paid by the U.S. Department of Veterans Affairs, as recommended by the Legislation Committee.

FISCAL IMPACT:

No direct impact to the County from supporting the initiative.

It is the opinion of the Legislative Analyst and Director of Finance that the measure, if adopted, may result in a substantial net change in state or local finances.

BACKGROUND:

Proposition 61 prohibits state agencies from paying more for a prescription drug than the lowest price paid for the same drug by the United States Department of Veterans Affairs. The measure applies to any program where the state is the ultimate payer for a drug, even if the state does not purchase the drug directly. The Measure exempts certain purchases of prescription

The California Drug Price Relief Act

The People of the State of California do hereby ordain as follows:

Section 1. Title.

This Act shall be known and may be cited as "The California Drug Price Relief Act" (the "Act").

Section 2. Findings and Declarations.

The People of the State of California hereby find and declare all of the following:

- (a) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in California.
- (b) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
- (c) Spending on specialty medications, such as those used to treat HIV/AIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
- (d) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
- (e) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
- (f) Excessively priced drugs continue to be an unnecessary burden on California taxpayers that ultimately results in cuts to health care services and providers for people in need.
- (g) Although California has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
- (h) If California is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to California and its taxpayers. This Act is necessary and appropriate to address these public concerns.

Section 3. Purposes and Intent.

The People of the State of California hereby declare the following purposes and intent in enacting this Act:

- (a) To enable the State of California to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.

(b) To enable significant cost savings to California and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in California.

(c) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

Section 4. The California Drug Price Relief Act shall be codified by adding the following Section to the California Welfare and Institutions Code:

Section 14105.32. Drug Pricing

(a) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of California, nor any state administrative agency or other state entity, including, but not limited to, the California Department of Health Care Services, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the California Department of Health Care Services, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(b) The price ceiling described in subsection (a) above also shall apply to all programs where the State of California or any state administrative agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, California's Medi-Cal fee-for-service outpatient drug program, and California's AIDS Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible state agency shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the California Department of Health Care Services, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs. The requirements of this Section shall not be applicable to drugs purchased or procured, or rates developed, pursuant to or under any Medi-Cal managed care program.

(c) It is the intent of the People of the State of California that the State of California, and all state agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs, shall implement this section in a timely manner, and to that end the State of California and all such state agencies and other state entities are required to implement and comply with this law no later than July 1, 2017.

(d) The State of California, and each and every state administrative agency or other state entity, may adopt rules and/or regulations to implement the provisions of this Section, and may seek any waivers of federal law, rule, and/or regulation necessary to implement the provisions of this Section.

Section 5. Liberal Construction.

This Act is an exercise of the public power of the People of the State of California for the protection of their health, safety, and welfare, and shall be liberally construed to effectuate its purposes.

Section 6. Conflicting Measures.

This Act is intended to be comprehensive. It is the intent of the People of the State of California that in the event this Act and one or more measures relating to the same subject shall appear on the same statewide ballot, the provisions of the other measure or measures shall be deemed to be in conflict with this Act. In the event that this Act receives a greater number of affirmative votes, the provisions of this Act shall prevail in their entirety, and all provisions of the other measure or measures shall be null and void.

Section 7. Proponent Accountability.

The People of the State of California hereby declare that the proponent of this Act should be held civilly liable in the event this Act is struck down, after passage, in whole or in part, by a court of law for being constitutionally or statutorily impermissible. Such a constitutionally or statutorily impermissible initiative is a misuse of taxpayer funds and electoral resources and the Act's proponent, as drafter of the Act, must be held accountable for such an occurrence.

In the event this Act, after passage, is struck down in a court of law, in whole or in part, as unconstitutional or statutorily invalid, and all avenues for appeal have been exhausted, the proponent shall pay a civil penalty of \$10,000 to the General Fund of the State of California for failure to draft and sponsor a wholly constitutionally or statutorily permissible initiative law but shall have no other liability to any person or entity with respect to, related to, or arising from the Act. No party or entity may waive this civil penalty.

Section 8. Amendment and Repeal.

This Act may be amended to further its purposes by statute passed by a two-thirds (2/3) vote of the Legislature and signed by the Governor.

Section 9. Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. The voters hereby declare that this Act, and each portion and part, would have been adopted irrespective of whether any one or more provisions or parts are found to be invalid or unconstitutional.

Section 10. Legal Defense.

The People of the State of California desire that the Act, if approved by the voters, and thereafter challenged in court, be defended by the State of California. The People of the State of California, by enacting this Act, hereby declare that the proponent of this Act have a direct and personal stake in defending this Act from constitutional or statutory challenges to the Act's validity. In the event the Attorney General fails to defend this Act, or the Attorney General fails to appeal an adverse judgment against the constitutionality or statutory permissibility of this Act, in whole or in part, in any court of law, the Act's proponent shall be entitled to assert its direct and personal stake by defending the Act's validity in any court of law and shall be empowered by the citizens through this Act to act as agents of the citizens of the State of California subject to the following conditions: (1) The proponent shall not be considered an "at-will" employee of the State of California, but the Legislature shall have the authority to remove the proponent from their agency role by a majority vote of each house of the Legislature when "good cause" exists to do so, as that term is defined by California case law; (2) The proponent shall take the Oath of Office under California Constitution, Article XX, §3 as an employee of the State of California; (3) The proponent shall be subject to all fiduciary, ethical, and legal duties prescribed by law; and (4) The proponent shall be indemnified by the State of California for only reasonable expenses and other losses incurred by the proponent, as agent, in defending the validity of the challenged Act. The rate of indemnification shall be no more than the amount it would cost the State to perform the defense itself.

Section 11. Effective Date.

Except as otherwise provided herein, this Act shall become effective the day after its approval by the voters.

April 21, 2015

Hon. Kamala D. Harris
Attorney General
1300 I Street, 17th Floor
Sacramento, California 95814

Attention: Ms. Ashley Johansson
Initiative Coordinator

Dear Attorney General Harris:

Pursuant to Elections Code Section 9005, we have reviewed the proposed initiative (A.G. File No. 15-0009) that would establish requirements regarding the prices the state may pay to purchase prescribed drugs.

Pursuant to subsection (c) of Section 9005 of the Elections Code, we are informing you that, in our opinion, a reasonable estimate of the net impact of this proposed initiative measure cannot be prepared within the 50-day period from the date this proposed initiative was received. The initiative would prohibit the state, or any state administrative agency or other state entity, from entering into any agreement with a drug manufacturer for the purchase of a prescribed drug unless the net cost of the drug is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs (USDVA). This price ceiling would also apply to all programs where the state or any state administrative agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. In the time provided, we were unable to obtain sufficient information on the lowest prices paid for prescribed drugs by USDVA to enable us to make a reasonable comparison between the prices paid by USDVA and the prices paid by the state. Lacking such price comparison information, we were unable to come up with a reasonable estimate of the measure's potential fiscal impact on state costs for prescribed drugs. In light of the above, pursuant to subsection (c) of Section 9005 of the Elections Code, we are informing you that it is our opinion that the initiative, if adopted, may result in a substantial net change in state or local finances.

Sincerely,

the Internet (Web), as well as various Intranets maintained by the Employment and Human Services Department. This work is currently being performed by a contract employee. Discontinuing the current contracted employee and canceling a vacant Web Producer position will result in a cost savings as well as off-set the cost of adding one full-time Information System Specialist III position.

CONSEQUENCE OF NEGATIVE ACTION:

If this Information Systems Specialist III position is not approved, the Department will not have the internal resources required to maintain the Internet and the multiple departmental Intranet websites responsible for updating current content and properly functioning websites..

developing and maintaining database logs and document files; updating and distributing all HSD policies and procedures; and ensuring timely payment of invoices and contracts. Due to attrition, the division has relied on other clerical staff to perform these duties and the workload has become burdensome. The Department has determined that the vacant Personnel Technician position is no longer necessary and a Secretary-Advanced Level is more appropriate to perform these duties and responsibilities.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, there is not adequate administrative staff to effectively support the Personnel/Payroll administration, which may impact the level of service it provides to the other divisions within the Health Services Department.

RECOMMENDATION(S):

Adopt Position Resolution No. 2016/484 for the following actions:

1. Effective May 1, 2016, adjust the salary step of four recently promoted incumbents in the Principal Planner-Level A (5AHD) classification from Step 3 to Step 6 for incumbents 62134, 64114, 67446, and from Step 3 to Step 5 for incumbent 66995;
2. Effective July 1, 2016, adjust the salary step of the incumbent in the reclassification of Chief Assistant County Counsel from Step 4 to Step 5; and
3. Effective September 1, 2016, add two additional five percent (5%) merit steps to the classifications of Deputy County Clerk-Recorder-Exempt (ALB2), Assistant County Registrar-Exempt (ALB1), and Assistant County Clerk-Recorder-Exempt (ALB3).

FISCAL IMPACT:

The costs associated with these actions are budgeted in each affected department for FY 2016/17.

BACKGROUND:

1. Effective May 1, 2016, the Department of Conservation and Development promoted four DCD Planner III's to Principal Planner-Level A, following a competitive recruitment. Prior to their appointments, the four employees received differential pay of five to ten percent on a regular basis as allowed under the Local 21

MOU (Section 42.17) in recognition of their complex and special assignments. The differential pay is not available to Principal Planner classifications.

Based on the Salary Regulations rules on promotion, the specialized differential is not used to calculate step placement upon promotion, which resulted in these employees receiving a cut to pay. This serves as a disincentive for competent employees to take promotions. Consequently, the County Administrator is recommending that an exception be made to move three of the employees from Step 3 to Step 6 (Employee Numbers: 62134, 64114, and 67446) and one of the employees from Step 3 to Step 5 (Employee Number 66995).

2. On May 10, 2016, the Board adopted a Resolution effective July 1, 2016, to reclassify an employee from Assistant County Counsel-Exempt (2ED1) position #14077 to the Chief Assistant County Counsel (2ED2). Based on the Salary Regulations rules on promotion, the incumbent was placed at Step 4 of the salary range. Due to the incumbent's extensive background and experience and the importance of this position to the department, the County Counsel recommended that the initial placement be at Step 5 on the salary range.
3. The base salaries for the classifications of Deputy County Clerk-Recorder-Exempt (ALB2), Assistant County Registrar-Exempt (ALB1), and Assistant County Clerk-Recorder-Exempt (ALB3) are not competitive. The County Clerk-Recorder-Registrar has requested that the salary range for the above classes be extended by two additional steps at five percent (5%) each.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, incumbents in positions listed will be adversely impacted by having to take reductions in pay to accept promotional opportunities. The Office of Clerk-recorder may struggle to retain key management personnel.

through their participation in the CalWORKS program. The State routinely adds funds to the contract as more funding becomes available throughout the program year. On June 9, 2015 the Board approved receipt of additional funding in amendment #1 (C.67). The additional funding was due to the over earning of the 2014-15 Alternative Payment/CalWORKs Stage 2 contract.

The board approved a second amendment to this agreement on September 15, 2015 (C.47). The amendment was generated from the California Department of Education Attendance and Fiscal Reporting and Reimbursement Procedures for Child Development which states: "Contractors will be required to submit supporting documentation with their request. State will determine the Contractor's appropriate need and will augment the maximum reimbursable amount (MRA) provided there is available funding. Contractors will receive notification from State of the augmentation amount, followed by a contract amendment to increase the MRA." The department submitted the supporting documentation for funding augmentation to the State in July 2015. On August 24, 2015, the Department received contract amendment #2 from California Department of Education increasing the 2014-15 Alternative Payment/CalWORKs Stage 2 funding allocation by \$182,388 which represented the full amount requested.

This amendment is for the additional funding due to the over earning of the 2014-15 Alternative Payment/CalWORKs Stage 2 contract. The State's Attendance and Fiscal Reporting and Reimbursement Procedures for Child Development Contracts state that "Contractors will be required to submit supporting documentation with their request. Child Development Fiscal Services (CDFS) will determine the contractor's appropriate need and will augment the Maximum reimbursable Amount (MRA) provided there is available funding. Contractors will receive notification from CDFS of the augmentation amount, followed by a contract amendment from the Contracts Office increasing the MRA. Contractors receiving an MRA augmentation should sign and return the amendment immediately so that it can be executed while the funds are available. Until the amendment is fully executed, the current MRA remains in effect."

Community Services Bureau submitted the supporting documentation for funding augmentation to the State on July 2015. On July 22, 2016, the Department received contract amendment #3 from California Department of Education, increasing the 2014-15 Alternative Payment/CalWORKs Stage 2 funding allocation by \$269,145 representing the full amount requested by the CSB. Without an approved board order, the Department will not receive the additional funds.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, County will not have funds to operate CalWORKS Stage 2 childcare program.

CHILDREN'S IMPACT STATEMENT:

The Employment & Human Services Department Community Services Bureau supports three of Contra Costa County's community outcomes - Outcome 1: "Children Ready for and Succeeding in School," Outcome 3: "Families that are Economically Self-sufficient," and, Outcome 4: "Families that are Safe, Stable, and Nurturing." These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.

Subject: SamClar Purchase Order for Assessor Office Remodel

RECOMMENDATION(S):

Approve and authorize the Purchasing Agent on behalf of the Assessor's Office to execute a Purchase Order with SamClar in an amount not to exceed \$790,790 for seating, work stations, and filing systems for the period August 9, 2016 through July 31, 2017.

FISCAL IMPACT:

100% General Fund

BACKGROUND:

In 2001, the Assessor's Office moved to 2530 Arnold Drive, Suite 400 in Martinez. Due to budgetary constraints, the Department purchased used/re-furbished office landscape partitions (OLP). Metal desks, vertical file cabinets, book shelves, and chairs from surplus have been used to complete/supplement work stations. The Department is planning to replace the OLP and chairs so that staff will have complete work stations that are ergonomic and adjustable. Also, to better utilize space, the Department is planning to replace vertical files and book shelves with a more efficient design.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval of the Purchase Order, the Assessor's Office could not provide ergonomic furniture throughout the Suite and more efficient filing systems.

ADOPT Resolution No. 2016/474 approving the issuance of Multifamily Housing Revenue Bonds (the "Bonds") by the California Public Finance Authority (the "CalPFA") in an amount not to exceed \$12,000,000 for the benefit of Willowbrook Affordable Communities, L.P., or a partnership created by Islas Development LLC (the "Developer"), to provide financing for the costs of acquisition, rehabilitation, improvement and equipping of a multifamily housing development commonly known as Willowbrook Apartments, a 72-unit residential rental housing development located at 110 Bailey Road, Bay Point, California (the "Development"). BACKGROUND: (CONT'D)

an amount not to exceed \$12,000,000 to be used to finance the acquisition, rehabilitation, improvement and equipping of a multifamily housing development commonly known as Willowbrook Apartments, a 72-unit residential rental housing development located at 110 Bailey Road, Bay Point, California (the "Development"). A TEFRA hearing must be held by an elected body of the governmental entity having jurisdiction over the area where the project is located in order for all or a portion of the Bonds to qualify as tax-exempt bonds for the financing of the Development. The County is a member of CalPFA and qualifies as an elected body of the governmental entity having jurisdiction over the area where the project is located.

The main purpose of the proposed Resolution is to acknowledge that a public hearing was held by the County's Community Development Bond Program Manager on July 18, 2016, where members of the community were given an opportunity to speak in favor of or against the use of tax-exempt bonds for the financing of the Development. No public comments were received. A notice of the hearing was published in the East Bay Times (proof of publication attached) on July 4, 2016.

The County's only role in this transaction was to hold the TEFRA hearing. Additional actions related to the bond issuance will be the responsibility of CalPFA.

CONSEQUENCE OF NEGATIVE ACTION:

Negative action would prevent CalPFA from providing tax-exempt financing for the Developer's Willowbrook Apartments project in Bay Point.

CHILDREN'S IMPACT STATEMENT:

The Willowbrook Apartments provide 72 units of affordable rental housing appropriate for families. This supports outcome #3: Families are Economically Self Sufficient.

FISCAL IMPACT:

The County anticipates receiving a minimum of \$2,500 per residence in revenue from the public residential improvement sale. 100% General Fund

BACKGROUND:

The residential improvements were previously used by Friends Outside, a nonprofit community organization assisting incarcerated individuals and their families and storage for the Sheriff-Coroner's Department. Since 2011, the residential improvements have been vacant and have become a health and safety issue due to their deteriorating condition and trespassers. It has been determined that residential improvements are no longer necessary for County purposes. County staff recommends designating the residential improvements as surplus and selling the improvements "as is" at public auction. It has been determined that this activity is not subject to the California Environmental Quality Act (CEQA), pursuant to Section 15064.5 using criteria outlines in Section 5024.1 of the CEQA guidelines, which was previously approved by the Board on May 10, 2016 (CP#15-37).

CONSEQUENCE OF NEGATIVE ACTION:

The County would continue to own and maintain the subject improvements.

BACKGROUND: (CONT'D)

in the amount of \$29,371.31 was entered against Leland Amos in an action brought by the Office of Revenue and Collections. On February 5, 2008, the County recorded a lien against the Property owned by Mr. Amos. The entire amount of the judgment remains unpaid. Under Code of Civil Procedure section 685.010, interest in the amount of 10% per annum has accrued against the principal amount of the judgment.

Mr. Amos and his wife, Kelly Ann Rogers-Amos, and Charlotte Dorothy Rogers, are refinancing the Property in an amount sufficient to pay off the principal amount of the judgment secured by the lien recorded against the Property. Ms. Rogers-Amos has requested that the County waive the interest owed on the judgment and accept \$29,371.31, the principal due, in full satisfaction of the judgment.

The County Administrator and the Health Services Director recommend that the Board of Supervisors waive payment of the interest due on the judgment and accept \$29,371.31 in full satisfaction of the judgment, and direct County Counsel to file an Acknowledgement of Satisfaction of Judgment with the Court upon receipt of funds.

CONSEQUENCE OF NEGATIVE ACTION:

The County may never recover the full amount owed and may miss this opportunity where the current property owners are willing to refinance the Property to pay off this debt.

RECOMMENDATION(S): (CONT'D)

>

FISCAL IMPACT:

No impact to the General Fund. At the closing for the Bonds, the County is reimbursed for costs incurred in the issuance process. Annual expenses for monitoring of Regulatory Agreement provisions ensuring units in the Development will be rented to low income households will be reimbursed through issuer fees established in the documents for the Bonds. The Bonds will be solely secured by and payable from revenues (e.g. Development rents, reserves, etc.) pledged under the Bond documents. No County funds are pledged to secure the Bonds.

BACKGROUND:

The recommended action is the adoption of a Resolution by the Board, as the legislative body of the County, authorizing the issuance of Multifamily Housing Revenue Bonds, the proceeds of which will be used to finance the acquisition and construction of Tabora Gardens Senior Apartments, an 85 unit residential housing development located at 3701 Tabora Drive in Antioch.

The ownership entity for the development will be Tabora Gardens, L.P., a California limited partnership with Tabora Gardens, LLC serving as general partner of the Borrower. The ownership entity is an affiliate of Satellite Affordable Housing Associates, a local non-profit housing developer that has developed over 1500 units of housing over the past 44 years. Raymond James Tax Credit Funds, Inc. will be the tax credit investor special limited partner.

On December 8, 2015, the Board of Supervisors adopted Resolution No. 2015/455 expressing the Board's intent to issue multi-family housing revenue bonds for the Development. That Resolution authorized the submittal of an application by the County for tax-exempt private activity bond authority from the California Debt Limit Allocation Committee. Subsequent to the adoption of that Resolution, the County, as required by Section 147(f) of the Internal Revenue Code, held a noticed public hearing to permit interested parties to comment on the proposed financing and the Development. That hearing was held on January 4, 2016, with no comments received from the public. The Board adopted Resolution No. 2016/33 on January 19, 2016, to authorize proceeding with the issuance of the Bonds pursuant to Section 147(f) of the Internal Revenue Code.

On March 16, 2016, the California Debt Limit Allocation Committee awarded the County authority to issue the Bonds in a maximum principal amount of \$24,000,000. That authority will be used to issue and sell the Bonds directly to Wells Fargo Bank National Association, with the proceeds of the Bonds to be used to fund a loan by the Bank to Tabora Gardens L.P. In addition to the proceeds of the Bonds, the Development will utilize other forms of financing detailed in Attachment A. The transaction is expected to close on or about August 26, 2016.

CONSEQUENCE OF NEGATIVE ACTION:

Negative action would prevent the County from issuing the Multifamily Housing Revenue Bonds in order to provide a loan to Tabora Gardens, L.P. to finance the construction of Tabora Gardens Senior Apartments.

ARTICLE II

THE BONDS

Section 2.01. Authorization. There are hereby authorized to be issued bonds of the Issuer designated as “County of Contra Costa Multifamily Housing Revenue Bonds (Tabora Gardens Senior Apartments), Series 2016D,” in the aggregate principal amount of up to the Authorized Amount. No Bonds may be issued under this Indenture except in accordance with this Article.

Section 2.02. Terms of Bonds. The Bonds shall be in substantially the form set forth in Exhibit A hereto with necessary or appropriate variations, omissions and insertions as permitted or required by this Indenture, including any Supplemental Indenture.

The Bonds shall be issuable only as fully registered Bonds, without coupons, in the form of a single Bond in the principal amount equal to the aggregate of the purchase price of the Bonds advanced from time to time by the owner(s) of the Bonds (which principal amounts shall be, on the Closing Date, the amount referenced in Section 3.01(vii)). The Bonds shall be dated the Closing Date and shall be subject to redemption prior to maturity as provided in Article IV. The Bonds shall mature on the Maturity Date.

Interest shall be paid on the Outstanding principal amount of the Bonds, from the Closing Date until the maturity date of the Bonds, on each Interest Payment Date occurring during such period, at a rate equal to, and calculated in the same manner as, the interest payable on the Note.

Each Bond shall bear interest from the date to which interest has been paid on the Bonds next preceding the date of its authentication, unless it is authenticated as of an Interest Payment Date for which interest has been paid, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the first Interest Payment Date, in which event it shall bear interest from the Closing Date.

The payment or prepayment of principal of and interest on the Bonds shall be identical with and shall be made on the same terms and conditions as the payment of principal of and interest on the Note, as determined in accordance with the Loan Agreement and the Note. Any payment or prepayment made by the Borrower of principal and interest on the Note shall be deemed to be like payments or prepayments of principal and interest on the Bonds.

Payments or prepayments actually made by the Borrower to the Bondowner Representative shall be deemed to have been constructively received by the Holder as payments or prepayments on the Bonds on the date of receipt of such payments by the Bondowner Representative, and interest with respect to each principal payment or prepayment shall cease to accrue upon receipt of such payment by the Bondowner Representative. Payments or prepayments of principal or interest shall be remitted immediately by the Bondowner Representative to the Holder.

The Issuer hereby acknowledges that the Borrower is obligated to pay late fees, loan related fees and other charges under the Note (and as otherwise provided in the Loan Agreement) to the Bondowner Representative, which amounts are paid for the benefit of the Bondowner Representative and shall be retained by the Bondowner Representative for its own account.

Section 2.03. Payment of Bonds. Payment of the principal of and interest on any Bond shall be made in lawful money of the United States to the Person appearing on the Bond registration books of the Issuer (maintained by the Bondowner Representative) as the registered owner thereof on the applicable Interest Payment Date, such principal and interest to be paid by check mailed on the Interest Payment Date by first class mail, postage prepaid, to the registered owner at its address as it appears on such registration books, except that the Bondowner Representative may, at the request of any registered owner of Bonds, make payments of principal and interest on such Bonds by wire transfer to the account within the United States designated by such owner to the Bondowner Representative in writing.

Section 2.04. Execution of Bonds. The Bonds shall be signed in the name and on behalf of the Issuer with the manual or facsimile signature of an Authorized Issuer Representative. The Bonds shall then be delivered to the Bondowner Representative for authentication by the Bondowner Representative. In case any Person who shall have signed any of the Bonds shall cease to be an Authorized Issuer Representative before the Bonds so signed shall have been authenticated or delivered by the Bondowner Representative or issued by the Issuer, such Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issuance, shall be as binding upon the Issuer as though the Person who signed the same had continued to be an Authorized Issuer Representative. Also, any Bond may be signed on behalf of the Issuer by such Person as on the actual date of the execution of such Bond is an Authorized Issuer Representative although on the nominal date of such Bond any such person shall not have been an Authorized Issuer Representative.

Only such of the Bonds as shall bear thereon a certificate of authentication in the form set forth in Exhibit A, manually executed by the Bondowner Representative, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture and such certificate of the Bondowner Representative shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

Section 2.05. Transfer of Bonds. (a) Any Bond may, in accordance with the terms of this Indenture but in any event subject to the provisions of Section 2.05(b) hereof, be transferred upon the books of the Bondowner Representative, required to be kept pursuant to the provisions of Section 2.06, by the Person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the Principal Office of the Bondowner Representative, accompanied by a written instrument of transfer in a form acceptable to the Bondowner Representative, duly executed. Whenever any Bond shall be surrendered for transfer, the Issuer shall execute and the Bondowner Representative shall authenticate and deliver a new Bond to the transferee.

(b) Notwithstanding any other provision hereof, Bonds which are rated lower than BBB-minus by a nationally-recognized municipal rating agency, or Bonds that are not rated, may not be registered in the name of, or transferred to, any person except an Approved Institutional Buyer that executes and delivers to the Bondowner Representative and the Issuer an investor letter substantially in the form attached hereto as Exhibit B; provided, however, that no investor letter is required to be executed by an Affiliate of the Initial Bond Purchaser or an Approved Institutional Buyer that is a trust or other custodial entity sponsored by the Initial Bond Purchaser or an Affiliate of the Initial Bond Purchaser.

Nothing contained in this Section 2.05(b) shall be deemed to limit or otherwise restrict the sale by any holder of any participation interests in any Bond; provided that (i) such holder shall remain the holder of record of such Bond following the sale of any such participation interest; (ii) the purchaser of the participation interest is an Approved Institutional Buyer (in which event such holder shall remain holder for all purposes of this Indenture); (iii) any such participation shall be in a principal amount of at least \$250,000; and (iv) the purchaser of such participation interest shall provide an investor letter to the Issuer substantially in the form of Exhibit B hereto.

(c) Bonds may only be transferred in Authorized Denominations.

(d) The Bondowner Representative shall not allow any transfer of the Note or the Loan, or any interest or interests therein, except in connection with a transfer of a like amount of the Bonds or an interest or interests in the Bonds.

(e) The Bondowner Representative shall require the payment by the Bondholder requesting any such transfer of any tax, fee or other governmental charge required to be paid with respect to such transfer, but any such transfer shall otherwise be made without charge to the Bondholder requesting the same. The cost of printing any Bonds and any services rendered or any out-of-pocket expenses incurred by the Bondowner Representative in connection therewith shall be paid by the Borrower.

(f) The Bondowner Representative shall indemnify and defend the Issuer against any claim brought by any transferor or transferee of the Bonds in respect of the Bonds, this Indenture or any of the Loan Documents in the event that the Bondowner Representative permits a transfer of the Bonds, the Note, the Loan or any interest or interests in any of the foregoing in violation of the restrictions in Section 2.05(b) above.

(g) In no case shall a purchaser of a participation interest in any Bond be deemed to be a Holder of the Bonds, or have any rights of a holder of the Bonds or of the Bondowner Representative hereunder.

(h) Any purported transfer of Bonds not in compliance with the requirements of this Section 2.05 shall be void.

Section 2.06. Bond Register. The Issuer hereby appoints the Bondowner Representative as registrar and authenticating agent for the Bonds. The Bondowner Representative will keep or cause to be kept at its Principal Office sufficient books for the

registration and transfer of the Bonds, which shall at all reasonable times during regular business hours upon reasonable notice be open to inspection by the Issuer and the Borrower; and, upon presentation for such purpose, the Bondowner Representative as registrar shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, Bonds as hereinbefore provided.

Section 2.07. Replacement of Bonds. Upon receipt of evidence reasonably satisfactory to the Issuer of the loss, theft, destruction or mutilation of any of the Bonds, or of any replacement Bonds, and, in the case of any such loss, theft, or destruction, upon the delivery of an indemnity agreement reasonably satisfactory to the Issuer or, in the case of any mutilation, upon the surrender and cancellation of such mutilated Bond, the Issuer, at the expense of the Holder of such Bond, will issue and the Bondowner Representative will authenticate a new Bond, of like tenor and series, in lieu of such lost, destroyed or mutilated Bond.

ARTICLE III

ISSUANCE OF BONDS; APPLICATION OF PROCEEDS

Section 3.01. Authentication and Delivery of the Bonds. Upon the execution and delivery of this Indenture, the Issuer shall execute the Bonds and deliver them to the Bondowner Representative. Thereupon, and upon satisfaction of the conditions set forth in this Section, and without any further action on the part of the Issuer, the Bondowner Representative shall authenticate the Bonds in an aggregate principal amount not exceeding the Authorized Amount, and shall deliver the Bonds pursuant to the Written Order of the Issuer hereinafter mentioned. Prior to the authentication and delivery of any of the Bonds by the Bondowner Representative, there shall have been delivered to the Bondowner Representative each of the following:

- (i) a Certified Resolution authorizing issuance and sale of the Bonds and execution and delivery by the Issuer of the Indenture, the Loan Agreement and the Regulatory Agreement;
- (ii) an original executed counterpart of the Loan Agreement;
- (iii) the original executed Note, endorsed without recourse by the Issuer to Bondowner Representative;
- (iv) an original executed counterpart of the Assignment of Deed of Trust, the Deed of Trust and the other Loan Documents;
- (v) an opinion of Bond Counsel with respect to the due execution and delivery of the Indenture, Loan Agreement and Bonds and the exclusion from gross income of the Bondowners of interest on the Bonds for federal income tax purposes;
- (vi) an original executed counterpart of the Regulatory Agreement;
- (vii) a Written Order of the Issuer to the Bondowner Representative to authenticate and deliver the Bonds as directed in such Written Order, upon payment to Old Republic Title Company, for the account of the Issuer, of the Initial Disbursement;
- (viii) an Investor's Letter in the form of Exhibit B hereto, signed by the initial owner of the Bonds; and
- (ix) an opinion of counsel to the Borrower addressed to the Issuer to the effect that the Loan Documents to which the Borrower is a party and the Regulatory Agreement are valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their terms, subject to such exceptions and qualifications as are acceptable to the Bondowner Representative and the Issuer.

Section 3.02. Application of Proceeds of Bonds. The proceeds received on the Closing Date by the Issuer from the sale of the Bonds shall be deposited with the Bondowner Representative, who shall deposit any portion of such proceeds which are not to be concurrently disbursed to or for the account of the Borrower into the Program Fund created pursuant to Section 3.03. The Bondowner Representative shall deposit any portion of any future advance of the purchase price of the Bonds which is not to be concurrently disbursed to or for the account of the Borrower into the Program Fund.

Section 3.03. Program Fund. (a) There is hereby created and established with the Bondowner Representative a fund which shall be designated the "Program Fund." Upon the initial delivery of the Bonds, there shall be deposited in the Program Fund the amount specified in Section 3.01(vii). If required under the provisions of Section 3.02, the Bondowner Representative shall deposit any future advances of the purchase price of the Bonds to the Program Fund. The Borrower also may be required to remit moneys to the Bondowner Representative for deposit to the Program Fund pursuant to the Loan Agreement. Amounts deposited or held in such fund shall be applied only as provided in this Section.

(b) An amount equal to the Initial Disbursement, representing the initial advance by the owners of the Bonds of the purchase price of the Bonds, shall be disbursed by the Bondowner Representative via wire transfer from the Bondowner Representative to Old Republic Title Company (to pay Project Costs).

(c) Subject to Section 2.01 hereof, the Issuer hereby authorizes and directs the disbursement by the Bondowner Representative to the Borrower of the principal amount of the Bonds not disbursed under Section 3.03(b) above, represented by future advances of the purchase price of the Bonds and any amounts from time to time on deposit in the Program Fund in accordance and upon compliance with the provisions of Sections 3.3 and 3.4, as applicable, of the Loan Agreement. The Bondowner Representative shall provide, upon written request of the Issuer, a written notice to the Issuer describing the date of each disbursement of the purchase price of the Bonds and the amount of each disbursement thereof made by the Bondowner Representative.

(d) Neither the Bondowner Representative nor the Issuer shall be responsible for the application by the Borrower of monies disbursed to the Borrower in accordance with this Section 3.03.

(e) From and after the earlier of (i) the Conversion Date or (ii) August 1, 2019, no further advances of the purchase price, or disbursements of the proceeds, of the Bonds shall occur.

(f) During the period when the Bondowner Representative and/or its affiliates are the Holders of all of the Bonds, the Program Fund need not be separately established or administered but rather the Bondowner Representative may hold and administer any amounts to be deposited in such fund in the manner it customarily employs for administration and servicing of amounts to be loaned to borrowers, so long as at all times the Bondowner Representative can determine the amounts attributable to the Bonds and the Loan and any investment earnings thereon.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.01. Circumstances of Redemption. The Bonds are subject to redemption upon the circumstances, on the dates and at the prices set forth as follows:

(a) The Bonds shall be subject to redemption in whole or in part on any date, at a price equal to the Outstanding principal amount of Bonds plus interest accrued thereon to the date fixed for redemption, together with any applicable premium, upon prepayment of the Note in whole or in part in accordance with the provisions of the Loan Agreement.

(b) The Bonds shall be subject to redemption in whole on any date at a price equal to the Outstanding principal amount of Bonds plus interest accrued thereon to the date fixed for redemption, together with any applicable premium, upon acceleration of the Loan in whole following an Event of Default (as defined in the Loan Agreement).

(c) The Bonds shall be subject to redemption in whole or in part on any date at a price equal to the principal amount thereof to be redeemed plus accrued interest to the redemption date, together with any applicable premium, from the proceeds of any mandatory prepayment of the Note under the terms of the Note.

The Bondowner Representative is hereby authorized and directed, and hereby agrees, to fix the date for any such redemption, and, if moneys provided from the sources contemplated by this Indenture, the Loan Agreement and the Note are available, to redeem the applicable Bonds so called on the date so fixed by the Bondowner Representative. If there is more than one Bondowner of the Bonds to be redeemed in part as of any date of redemption, the Bonds shall be redeemed pro rata among the Bondowners. So long as there is only one Bondowner, the Bondowner need not surrender its Bond in connection with any redemption of the Bonds. The Bondowner Representative shall give written notice of such redemption to the Issuer.

Section 4.02. No Notice of Redemption. No notice of redemption of the Bonds need be given to the Holders of the Bonds.

Section 4.03. Effect of Redemption. The Bonds so called for redemption shall, on the redemption date selected by the Bondowner Representative, become due and payable at the redemption price specified herein, and if moneys provided from the sources contemplated by this Indenture and the Loan Agreement for payment of the redemption price are then held by the Bondowner Representative, interest on the Bonds so called for redemption shall cease to accrue, said Bonds shall cease to be entitled to any lien, benefit or security under this Indenture, and the holders of said Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof.

All Bonds fully redeemed pursuant to the provisions of this Article IV shall be destroyed by the Bondowner Representative, which shall thereupon deliver to the Issuer, upon the Issuer's written request, a certificate evidencing such destruction.

ARTICLE V

REVENUES

Section 5.01. Pledge of Revenues. The Issuer is duly authorized pursuant to law to issue the Bonds and to enter into this Indenture and to pledge and assign the Revenues and other assets purposed to be pledged and assigned, respectively, under this Indenture in the manner and to the extent provided in this Indenture. The Issuer has duly authorized the execution and delivery of the Bonds and the Indenture under the terms and provisions of the Act and a resolution adopted by the Board of Supervisors of the Issuer and further represents, covenants and warrants that all requirements have been met and procedures have occurred in order to ensure the enforceability against the Issuer of the Bonds and the Indenture. The Issuer has taken all necessary action and has complied with all provisions of the Act required to make the Bonds and this Indenture the valid, legal and binding limited obligations of the Issuer.

All of the Revenues are hereby irrevocably pledged to the punctual payment of the principal of, and interest and any premium on, the Bonds. The Issuer also hereby irrevocably transfers, grants a security interest in and assigns to the Bondowner Representative, for the benefit of the holders from time to time of the Bonds all of the Issuer's right, title and interest in (a) the Revenues; (b) all other amounts payable to Issuer under, or pursuant to, the Note and the other Loan Documents, including but not limited to all proceeds of any title insurance policy, casualty insurance policy or other insurance policy, all proceeds of any condemnation or other taking and all revenues, proceeds, payments and other amounts received from any foreclosure (or action in lieu of foreclosure) or other enforcement action taken pursuant to the Deed of Trust or any other Loan Document (other than amounts paid pursuant to Section 12.10 of the Loan Agreement (solely as they relate to the indemnification of the Issuer and its officers, Supervisors, employees, attorneys and agents); (c) all amounts from time to time on deposit in any fund or account created hereunder, under the Loan Agreement or under any other Loan Document and held by the Bondowner Representative; (d) the Deed of Trust; (e) the Loan Agreement (except for the Unassigned Rights, including the rights of the Issuer under Sections 4A, 9 and 20 of the Regulatory Agreement and Section 12.10 of the Loan Agreement (solely as they relate to the indemnification of the Issuer and its officers, Supervisors, employees, attorneys and agents); (f) the Note; (g) the other Loan Documents; (h) all amendments, modifications, supplements, increases, extensions, replacements and substitutions to or for any of the foregoing; and (i) all proceeds of the foregoing, whether voluntary or involuntary.

The Issuer hereby acknowledges and agrees that, as a result of the assignment and pledge provided for in this Section 5.01, the Issuer has assigned and pledged to Bondowner Representative, and Bondowner Representative shall have the sole right to hold and exercise, all of the rights and remedies (other than the Unassigned Rights) given to Issuer under the Loan Agreement, the Note, the Deed of Trust and the other Loan Documents (except as expressly set forth in the Regulatory Agreement, which allows the Issuer to independently pursue remedies thereunder), including, but not limited to, the following: (i) the right to administer and service the Loan and to amend, modify, supplement, terminate, release and/or reconvey the Loan and the Loan Documents; (ii) the right to enforce the terms and provisions of the Loan Documents; (iii) the right to record and/or file all documents, instruments and agreements which Bondowner Representative deems necessary or desirable to create, preserve, protect and/or

release the liens created by the Deed of Trust and the other Loan Documents; and (iv) the right to collect, hold and disburse amounts to be collected, held and/or disbursed under the Loan Documents, including, but not limited to, principal, interest, fees (other than fees payable to the Issuer), prepayment premiums, default interest, late payment charges, real estate tax impounds, insurance impounds, operating reserve deposits, replacement reserve deposits, title insurance proceeds, casualty insurance proceeds, other insurance proceeds, condemnation and other taking awards and proceeds and other amounts.

All Revenues and all amounts on deposit in the funds and accounts created hereunder or under the Loan Agreement and the other Loan Documents and held by the Bondowner Representative shall be held for the benefit of the holders from time to time of the Bonds, but shall nevertheless be disbursed, allocated and applied solely for the uses and purposes hereinafter set forth in this Article V.

The Bonds are limited obligations of the Issuer, payable solely from and secured by the pledge of the Revenues hereunder. None of the Issuer, the City of Antioch or the State or any of its political subdivisions shall be directly, indirectly, contingently or morally obligated to use any other moneys or assets to pay all or any portion of the debt service due on the Bonds, to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. The Bonds are not a pledge of the faith and credit of the Issuer, the City of Antioch or the State or any of its political subdivisions nor do they constitute indebtedness within the meaning of any constitutional or statutory debt limitation.

The Issuer shall not be liable for payment of the principal of or interest on the Bonds or any other costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Indenture, the Bonds or any other documents, except only to the extent amounts are received for the payment thereof from the Borrower under the Loan Agreement or the other Loan Documents.

Section 5.02. Bond Fund. There is hereby created and established with the Bondowner Representative a separate fund which shall be designated the "Bond Fund," which fund shall be applied only as provided in this Section.

The Bondowner Representative shall deposit in the Bond Fund from time to time, upon receipt thereof, all Revenues, including (a) income received from the investment of moneys on deposit in the Bond Fund, and (b) any other Revenues, including insurance proceeds, condemnation awards and other Loan payments or prepayments received from or for the account of the Borrower. The Bondowner Representative shall provide notice to the Issuer, upon written request of the Issuer, of the amounts received by the Bondowner Representative which constitute Revenues or are otherwise deposited to the Bond Fund, and of any failure by the Borrower to make timely payments on the Note.

Moneys in the Bond Fund shall be used solely for the payment of the principal of and premium, if any, and interest on the Bonds as the same shall become due, whether at maturity or upon redemption or acceleration or otherwise.

On each date on which principal of or interest on the Bonds is due and payable, the Bondowner Representative shall pay such amount from the Bond Fund (to the extent of the funds contained therein).

So long as the Bondowner Representative and/or its affiliates are the Holders of all of the Bonds, no Revenues shall be deposited into the Bond Fund, and instead all such Revenues, including any payments or prepayments of principal, interest or premium, if any, on the Note actually made by the Borrower to the Bondowner Representative shall be deemed to be like payments or prepayments of principal, interest or premiums (if any) on the Bonds (and no such payments or prepayments shall be required to be deposited into the Bond Fund).

Section 5.03. Investment of Moneys. Except as otherwise provided in this Section, any moneys in any of the funds and accounts to be established by the Bondowner Representative pursuant to this Indenture shall be invested by the Bondowner Representative in Investment Securities selected and directed in writing by the Borrower with the prior written consent of the Bondowner Representative, with respect to which payments of principal thereof and interest thereon are scheduled or otherwise payable not later than one day prior to the date on which it is estimated that such moneys will be required by the Bondowner Representative. In the absence of such directions, the Bondowner Representative shall invest such monies in Investment Securities described in clause (k) of the definition thereof. The Bondowner Representative shall have no liability or responsibility for any loss resulting from any investment made in accordance with this Section 5.03.

Except as otherwise provided in the next sentence, all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued at their present value (within the meaning of Section 148 of the Code). The Bondowner Representative shall have no duty to determine Fair Market Value or present value hereunder.

For the purpose of determining the amount in any fund or account, all Investment Securities credited to such fund or account shall be valued at the lower of cost or par (which shall be measured exclusive of accrued interest) after the first payment of interest following purchase.

Any interest, profit or loss on such investment of moneys in any fund or account shall be credited or charged to the respective funds or accounts from which such investments are made. The Bondowner Representative may sell or present for redemption any obligations so purchased whenever it shall be necessary in order to provide moneys to meet any payment, and the Bondowner Representative shall not be liable or responsible for any loss resulting from such sale or redemption.

The Bondowner Representative may make any and all investments permitted under this Section 5.03 through its own trust or banking department or any affiliate and may pay said department reasonable, customary fees for placing such investments. The Bondowner

Representative and its affiliates may act as principal, agent, sponsor, advisor or depository with respect to Investment Securities under this Section 5.03.

The Issuer (and the Borrower by its execution of the Loan Agreement) acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the Issuer and the Borrower will not receive such confirmations to the extent permitted by law. The Bondowner Representative will furnish the Borrower and the Issuer (to the extent requested by it) periodic cash transaction statements which include detail for all investment transactions made by the Bondowner Representative hereunder.

During the period that the Bondowner Representative and/or its affiliates are the Holders of all of the Bonds, the Bondowner Representative may hold all funds commingled in a single fund, uninvested, or apply such funds as otherwise agreed between the Bondowner Representative and the Borrower, provided that at all times the Bondowner Representative can determine the amounts attributable to the Bonds and the Loan and any investment earnings thereon.

Section 5.04. Enforcement of Obligations. The Bondowner Representative also shall be entitled (but not required, unless (i) requested to do so by the holders of a majority in principal amount of the Bonds then Outstanding and (ii) if required by the Bondowner Representative, provided with indemnification to its satisfaction against the costs, expenses and liabilities incurred in compliance with such request) to take all steps, actions and proceedings reasonably necessary in its judgment: (a) to enforce the terms, covenants and conditions of, and preserve and protect the priority of its interest in and under, the Agreement, the Deed of Trust and the other Loan Documents, (b) to require compliance with all covenants, agreements and conditions on the part of the Issuer contained in this Indenture with respect to the Revenues, and (c) to be reimbursed for its expenses (including attorney's fees) by the Borrower in taking any action referred to in the preceding clauses (a) or (b).

Section 5.05. Notice of Payment in Full of Bonds. The Bondowner Representative shall provide the Issuer with notice that the Bonds have been paid-in-full, promptly following when such payment occurs.

ARTICLE VI

COVENANTS OF THE ISSUER

Section 6.01. Payment of Principal and Interest. The Issuer shall punctually pay, but only out of Revenues as herein provided, the principal and the interest (and premium, if any) to become due in respect of every Bond issued hereunder at the times and places and in the manner provided herein and in the Bonds, according to the true intent and meaning thereof. When and as paid in full, all Bonds shall be delivered to the Bondowner Representative and shall forthwith be destroyed.

Section 6.02. Paying Agents. The Issuer, with the written approval of the Bondowner Representative, may appoint and at all times have one or more paying agents in such place or places as the Issuer may designate, for the payment of the principal of, and the interest (and premium, if any) on, the Bonds; provided, however, that so long as Wells Fargo Bank, National Association and/or one or more of its affiliates are the registered owners of all of the Bonds then Outstanding, the Bondowner Representative shall have the sole right to appoint, remove and/or replace any paying agent(s) for the Bonds. It shall be the duty of the Bondowner Representative to make such arrangements with any such paying agent as may be necessary and feasible to assure, to the extent of the moneys held by the Bondowner Representative for such payment, the availability of funds for the prompt payment of the principal of and interest and premium, if any, on the Bonds presented at any place of payment. The paying agent initially appointed hereunder is the Bondowner Representative.

Section 6.03. Preservation of Revenues; Amendment of Documents. The Issuer (a) shall not take any action to interfere with or impair the pledge and assignment hereunder of Revenues and the assignment to the Bondowner Representative of rights of the Issuer under the Agreement, the Deed of Trust and the other Loan Documents, or the Bondowner Representative's enforcement of any rights hereunder or thereunder; provided that the Issuer may take actions under or pursuant to the Unassigned Rights, (b) shall not take any action to impair the validity or enforceability of the Agreement, the Deed of Trust or the other Loan Documents, and (c) shall not waive any of its rights under or any other provision of or permit any amendment of the Agreement, the Deed of Trust or the other Loan Documents, without the prior written consent of the Bondowner Representative; provided that such consent of the Bondowner Representative shall not be required if the Bondowner Representative shall have received an opinion of Bond Counsel to the effect that such amendment (i) is required to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes or compliance by the Bonds or the Project with the Act and the laws of the State of California; and (ii) will not adversely affect the interests of the Bondholders.

The Bondowner Representative may give such written consent, and may itself take any such action or consent to a waiver of any provision of or an amendment or modification to or replacement of the Agreement, the Deed of Trust, the Regulatory Agreement, any of the other Loan Documents, or any other document, instrument or agreement relating to the security for the Bonds, only if (i) such action or such waiver, amendment, modification or replacement (a) is authorized or required by the terms of this Indenture, the Agreement, the Deed of Trust, the applicable Loan Documents or the Regulatory Agreement, or (b) will not, based on an Opinion

of Counsel furnished to the Bondowner Representative, materially adversely affect the interests of the holders of the Bonds or result in any impairment of the security hereby given for the payment of the Bonds, or (c) has first been approved by the written consent of all of the holders of the Bonds then Outstanding; (ii) the Bondowner Representative shall have first obtained an opinion of Bond Counsel to the effect that such action or such waiver, amendment, modification or replacement will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes or conformance of the Bonds and the Project with the Act or the laws of the State of California relating to the Bonds; and (iii) the Bondowner Representative provides written notice of any amendment to, or modification or replacement of, any Loan Document to the Issuer. The foregoing provisions of this paragraph, however, shall not in any way abrogate the Unassigned Rights of the Issuer; and provided that in any event any amendments to such documents do not provide for any additional duties or costs with respect to the Issuer for which the Borrower does not agree in advance to reimburse or indemnify the Issuer therefore.

Section 6.04. Compliance with Indenture. The Issuer shall not issue, or permit to be issued, any Bonds secured or payable in any manner out of Revenues other than in accordance with the provisions of this Indenture; it being understood that the Issuer reserves the right to issue obligations payable from and secured by sources other than the Revenues and the assets assigned herein. The Issuer shall not suffer or permit any default within its power to occur under this Indenture, but shall faithfully observe and perform all the covenants, conditions and requirements hereof. So long as any Bonds are Outstanding, the Issuer shall not create or suffer to be created any pledge, lien or charge of any type whatsoever upon all or any part of the Revenues, other than the lien of this Indenture.

Section 6.05. Further Assurances. Whenever and so often as requested so to do by the Bondowner Representative, the Issuer (at the sole cost and expense of the Borrower) shall promptly execute and deliver or cause to be executed and delivered all such other and further instruments, documents or assurances, and promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Bondowner Representative and the holders of the Bonds all of the rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Indenture and to perfect and maintain as perfected such rights, interests, powers, benefits, privileges and advantages.

Section 6.06. No Arbitrage. Solely in reliance upon the covenants and representations of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, the Issuer shall not take, nor permit nor suffer to be taken by the Bondowner Representative or otherwise, any action with respect to the gross proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of the issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code and Regulations promulgated thereunder.

Section 6.07. Limitation of Expenditure of Proceeds. The Issuer shall assure, solely in reliance upon the covenants and representations of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, that not less than 95 percent of the amount advanced as the purchase price of the Bonds, plus premium (if any) paid on the purchase of the

Bonds by the original purchaser thereof from the Issuer, less any original discount, are used for Qualified Project Costs, and that less than 25 percent of such amount is used for land or an interest in land. The Bondowner Representative shall have no obligation to monitor the Issuer's compliance with or to enforce the terms of this Section.

Section 6.08. Rebate of Excess Investment Earnings to United States. The Issuer hereby covenants, solely in reliance upon the covenants and representations of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate (including the Borrower's covenant to make any required rebate payments pursuant to Section 2(t) of the Regulatory Agreement or otherwise) to calculate or cause to be calculated excess investment earnings to the extent required by Section 148(f) of the Code and to pay an amount equal to excess investment earnings to the United States in accordance with the Regulations, all at the sole expense of the Borrower.

Section 6.09. Limitation on Issuance Costs. The Issuer shall assure, solely in reliance upon the covenants and representations of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate that, from the proceeds of the Bonds received from the original purchaser thereof and investment earnings thereon, an amount not in excess of two percent (2%) of the proceeds of the Bonds shall be used to pay for, or provide for the payment of, Issuance Costs. For this purpose, if the fees of such original purchaser are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of proceeds of the Bonds for Issuance Costs.

Section 6.10. Federal Guarantee Prohibition. The Issuer covenants that it shall take no action nor, solely in reliance upon the covenants and representations of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, knowingly permit nor suffer any action to be taken if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

Section 6.11. Prohibited Facilities. The Issuer, solely in reliance upon the covenants and representations of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, shall assure that no portion of the proceeds of the Bonds shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. The Issuer, solely in reliance upon the covenants and representations of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, shall assure that no portion of the proceeds of the Bonds are used for an office unless the office is located on the premises of the facilities constituting the Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

Section 6.12. Use Covenant. Solely in reliance upon the covenants and representations of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, the Issuer shall not use or knowingly permit the use of any proceeds of Bonds or any other funds of the Issuer, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would result in any of the Bonds being treated as an

obligation not described in Section 142(d) of the Code by reason of such Bond not meeting the requirements of Section 142(d) of the Code.

Section 6.13. Immunities and Limitations of Responsibility of Issuer. The Issuer shall be entitled to the advice of counsel (who, except as otherwise provided, may be counsel for any Bondholder), and the Issuer shall be wholly protected as to action taken or omitted under the Bond Documents in good faith in reliance on such advice. The Issuer may rely conclusively on any communication or other document furnished to it hereunder and reasonably believed by it to be genuine. The Issuer shall not be liable for any action (a) taken by it under the Bond Documents in good faith and reasonably believed by it to be within its discretion or powers hereunder, or (b) in good faith omitted to be taken by it under the Bond Documents because such action was reasonably believed to be beyond its discretion or powers hereunder, or (c) taken by it under the Bond Documents pursuant to any direction or instruction by which it is governed hereunder, or (d) omitted to be taken by it under the Bond Documents by reason of the lack of any direction or instruction required hereby for such action; nor shall it be responsible for the consequences of any error of judgment reasonably made by it with respect to the foregoing matters. The Issuer shall in no event be liable under the Bond Documents for the application or misapplication of funds or for other acts or defaults by any Person, except its own officers and employees. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof. The Issuer shall not be required to take any remedial action (other than the giving of notice) unless indemnity in a form acceptable to the Issuer is furnished for any expense or liability to be incurred in connection with such remedial action, other than liability for failure to meet the standards set forth in this Section. The Issuer shall be entitled to reimbursement from the Borrower for its expenses reasonably incurred or advances reasonably made, with interest at the rate of interest on the Bonds, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the Issuer may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power.

A default by the Borrower in any of its covenants, representations and agreements in the Loan Agreement, the Regulatory Agreement or the Tax Certificate on which the Issuer is relying in Sections 6.06 through 6.12 hereof shall not be considered a default hereunder by the Issuer.

The Borrower has indemnified the Issuer against certain acts and events as set forth in Sections 6.23 and 16.30 of the Loan Agreement, and Section 9 of the Regulatory Agreement. Such indemnity shall survive payment of the Bonds and discharge of the Indenture.

Section 6.14. Additional Representations by the Issuer. The Issuer hereby represents and warrants to the Bondholders and the Bondowner Representative that, as of the Closing Date:

- (a) The Issuer is a political subdivision and body corporate and politic, duly organized and existing under the laws of the State and is duly authorized enter into and perform its obligations under this Indenture.

(b) All requirements have been met and procedures have occurred in order to authorize the execution and delivery by the Issuer of this Indenture. The Issuer has taken all necessary action and has complied with all provisions of the law required to make this Indenture a valid and binding limited obligation of the Issuer, except to the extent limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity, or by public policy.

(c) The Bonds have been duly authorized, executed and delivered by the Issuer. Nothing in this Indenture shall be construed as requiring the Issuer to provide any financing for the Projects, other than to use the proceeds of the Bonds to make the Loan, or to provide sufficient moneys for all of the costs of financing the Project.

(d) To the best knowledge of the Issuer, there is no action, suit, proceeding, inquiry or investigation by or before any court, governmental agency or public board or body pending or threatened against the Issuer that (i) affects or seeks to prohibit, restrain or enjoin the execution or delivery of this Indenture, the origination of the Loan or the lending of the proceeds of the Loan to the Borrower, or the execution and delivery of the Bond Documents, (ii) affects or questions the validity or enforceability of the Bonds or the Bond Documents, or (iii) questions the tax-exempt status of interest on the Bonds.

The Issuer makes no representation or warranty that the Project will be adequate or sufficient for the purposes of the Borrower. Nothing in this Indenture shall be construed as requiring the Issuer to provide any financing for the Project other than from the proceeds of the Loan.

ARTICLE VII

DEFAULT

Section 7.01. Events of Default; Acceleration; Waiver of Default. Each of the following events shall constitute an “Event of Default” hereunder:

(a) failure to pay the principal of any Bond when and as the same shall become due and payable, whether by proceedings for redemption, by declaration or otherwise and such failure is not cured within ten (10) days; provided, however, that there shall be no cure period for the outstanding principal which is due and payable on the Maturity Date;

(b) failure to pay any installment of interest on any Bond when such interest installment shall become due and payable and such failure is not cured within ten (10) days; provided, however, that there shall be no cure period for the outstanding interest which is due and payable on the Maturity Date;

(c) the occurrence of an Event of Default under the Loan Agreement; and

(d) failure by the Issuer to perform or observe any other of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, and the continuation of such failure for a period of thirty (30) days after written notice thereof, specifying such default and requiring the same to be remedied, shall have been given to the Issuer and the Borrower by the Bondowner Representative, or to the Issuer, the Borrower and the Bondowner Representative by the holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds at the time Outstanding.

No default specified in (d) above shall constitute an Event of Default unless the Issuer or the Borrower shall have failed to correct such default within the applicable period; provided, however, that if such default described in (d) above shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if corrective action is instituted by the Issuer or the Borrower within the applicable period and diligently pursued until the default is corrected not to exceed one hundred eighty (180) days (provided that a default by reason of nonpayment of Bondowner Representative’s fees and expenses may only be waived by the Bondowner Representative). With regard to any alleged default concerning which notice is given to the Borrower under the provisions of (d) above, the Issuer hereby grants the Borrower full authority for the account of the Issuer to perform any covenant or obligation the non-performance of which is alleged in said notice to constitute a default in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do and perform any such things and acts and with power of substitution.

Upon the occurrence of an Event of Default described in (a), (b) or (c) above, unless the principal of all the Bonds shall have already become due and payable, the Bondowner Representative may, and upon the written request of the owners of a majority of the Bonds at the time Outstanding in the case of an Event of Default described in (d) above, the Bondowner Representative shall, by notice in writing to the Issuer, declare the principal of all the Bonds

then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Bonds contained to the contrary notwithstanding. Upon any such declaration of acceleration, the Bondowner Representative shall fix a date for payment of the Bonds.

The preceding paragraph, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before the first to occur of (a) the date of entry of any judgment or decree for the payment of the moneys due as hereinafter provided or (b) the date five (5) days prior to the date fixed for foreclosure of the Deed of Trust or the liens of any of the other Loan Documents, there shall have been deposited with the Bondowner Representative a sum sufficient to pay all the principal of the Bonds matured or required to be redeemed prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal, all other amounts owing under the Loan Documents, and the reasonable fees and expenses of the Bondowner Representative, its agents and counsel, and any and all other defaults actually known to a Responsible Officer of the Bondowner Representative (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Bondowner Representative or provision deemed by the Bondowner Representative to be adequate shall have been made therefor, then, and in every such case, the declaration shall be rescinded and annulled; but no such rescission, annulment or waiver shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

Section 7.02. Institution of Legal Proceedings by Bondowner Representative. If one or more of the Events of Default shall occur, the Bondowner Representative in its discretion may, and upon the written request of the holders of a majority in principal amount of the Bonds then Outstanding and upon being indemnified to its satisfaction against the costs, expenses and liabilities to be incurred in compliance with such request, the Bondowner Representative shall (subject to Section 7.08 hereof) proceed to protect or enforce its rights and/or the rights of the holders of Bonds under the Act or under this Indenture, the Agreement and/or the other Loan Documents, by foreclosure of the Deed of Trust by exercise of the power of private sale thereunder or by judicial action, by foreclosure of or other realization upon the security interests in personal property created pursuant to the Loan Documents by strict foreclosure, judicial action or other remedies permitted by applicable laws, by a suit in equity or action at law, either for the specific performance of any covenant or agreement contained herein or therein, or in aid of the execution of any power herein or therein granted, or by mandamus or other appropriate proceeding for the enforcement of any other legal or equitable remedy as the Bondowner Representative shall deem most effectual in support of any of its rights or duties hereunder; provided that any such request from the Bondholders shall not be in conflict with any rule of law or with this Indenture, expose the Bondowner Representative to personal liability or be unduly prejudicial to Bondholders not joining therein.

Section 7.03. Application of Moneys Collected by Bondowner Representative. Any moneys collected by the Bondowner Representative pursuant to Section 7.02 shall be applied in the order following, at the date or dates fixed by the Bondowner Representative and, in the case of distribution of such moneys on account of principal (or premium, if any) or interest, upon

presentation of the Bonds and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

First: For payment of all amounts due to the Bondowner Representative under Section 8.06.

Second: For deposit in the Bond Fund (or as otherwise provided in the last paragraph of Section 5.02) to be applied to payment of the principal of all Bonds then due and unpaid, the premium (if any) and interest thereon; ratably to the Persons entitled thereto without discrimination or preference.

Third: For payment of all other amounts due to any Person hereunder or under the Loan Agreement or the other Loan Documents (other than payments on the Bonds).

Fourth: To the Borrower.

Section 7.04. Effect of Delay or Omission to Pursue Remedy. No delay or omission of the Bondowner Representative or of any holder of Bonds to exercise any right or power arising from any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every power and remedy given by this Article VII to the Bondowner Representative or to the holders of Bonds may be exercised from time to time and as often as shall be deemed expedient. In case the Bondowner Representative shall have proceeded to enforce any right under this Indenture, and such proceedings shall have been discontinued or abandoned because of waiver or for any other reason, or shall have been determined adversely to the Bondowner Representative, then and in every such case the Issuer, the Bondowner Representative and the holders of the Bonds, severally and respectively, shall be restored to their former positions and rights hereunder in respect to the trust estate; and all remedies, rights and powers of the Issuer, the Bondowner Representative and the holders of the Bonds shall continue as though no such proceedings had been taken.

Section 7.05. Remedies Cumulative. No remedy herein conferred upon or reserved to the Bondowner Representative or to any holder of the Bonds is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.06. Covenant to Pay Bonds in Event of Default. The Issuer covenants that, upon the happening of any Event of Default, the Issuer will pay to the Bondowner Representative upon demand, but only out of Revenues, for the benefit of the holders of the Bonds, the whole amount then due and payable thereon (by declaration or otherwise) for interest or for principal, or both, as the case may be, and all other sums which may be due hereunder or secured hereby, including reasonable compensation to the Bondowner Representative, its agents and counsel, and any expenses or liabilities incurred by the Bondowner Representative hereunder. In case the Issuer shall fail to pay the same forthwith upon such demand, the Bondowner Representative, in its own name and as trustee of an express trust, and upon being indemnified to its satisfaction, shall be entitled to institute proceedings at law or in equity in any court of competent jurisdiction to recover judgment for the whole amount due and unpaid, together with costs and reasonable attorneys' fees, subject,

however, to the condition that such judgment, if any, shall be limited to, and payable solely out of, Revenues and any other assets pledged, transferred or assigned to the Bondowner Representative under Section 5.01 as herein provided and not otherwise. The Bondowner Representative shall be entitled to recover such judgment as aforesaid, either before or after or during the pendency of any proceedings for the enforcement of this Indenture, and the right of the Bondowner Representative to recover such judgment shall not be affected by the exercise of any other right, power or remedy for the enforcement of the provisions of this Indenture.

Section 7.07. Bondowner Representative Appointed Agent for Bondholders. The Bondowner Representative is hereby appointed the agent of the holders of all Bonds Outstanding hereunder for the purpose of filing any claims relating to the Bonds.

Section 7.08. Power of Bondowner Representative to Control Proceedings. In the event that the Bondowner Representative, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the written request of the holders of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the holders of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Bondowner Representative shall not, unless there no longer continues an Event of Default hereunder, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the holders of at least a majority in principal amount of the Bonds Outstanding hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Section 7.09. Limitation on Bondholders' Right to Sue. No holder of any Bond (except the Bondowner Representative, if it is a holder of Bonds) issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such holder shall have previously given to the Bondowner Representative written notice of the occurrence of an Event of Default hereunder; (b) the holders of at least a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Bondowner Representative to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said holders shall have tendered to the Bondowner Representative indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Bondowner Representative shall have refused or omitted to comply with such request for a period of thirty (30) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Bondowner Representative.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any holder of Bonds (except the Bondowner Representative, if it is a holder of Bonds) of any remedy hereunder; it being understood and intended that no one or more holders of Bonds (except the Bondowner Representative, if it is a holder of Bonds) shall have any right in any manner whatever by its or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be

instituted, had and maintained in the manner herein provided and for the equal benefit of all holders of the Outstanding Bonds.

The right of any holder of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond out of Revenues, as herein and therein provided, on and after the respective due dates expressed in such Bond, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder, except as otherwise provided or allowed pursuant to Sections 5.04, 7.02 and/or 7.08 of this Indenture.

Section 7.10. Limitation of Liability to Revenues. Notwithstanding anything in this Indenture contained, the Issuer shall not be required to advance any moneys derived from any source, other than the Revenues, for any of the purposes mentioned in this Indenture, whether for the payment of the principal of or interest on the Bonds or for any other purpose of this Indenture. The Bonds are limited obligations of the Issuer, and are payable from and secured by the Revenues only. The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with the Loan Agreement, the Bonds or this Indenture, except only to the extent amounts are received for the payment thereof from the Borrower under the Loan Agreement.

ARTICLE VIII

THE BONDOWNER REPRESENTATIVE AND AGENTS

Section 8.01. Duties, Immunities and Liabilities of Bondowner Representative. The Bondowner Representative shall perform such duties and only such duties as are specifically set forth in this Indenture and no additional covenants or duties of the Bondowner Representative shall be implied in this Indenture. The Bondowner Representative shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as reasonable persons familiar with such matters would exercise or use under similar circumstances in the conduct of their own affairs.

No provision of this Indenture shall be construed to relieve the Bondowner Representative from liability for its own negligence, negligent actions or its own negligent failure to act, except that:

(a) the duties and obligations of the Bondowner Representative shall be determined solely by the express provisions of this Indenture, the Bondowner Representative shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Bondowner Representative; and in the absence of bad faith on the part of the Bondowner Representative, the Bondowner Representative may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Bondowner Representative conforming to the requirements of this Indenture;

(b) At all times, regardless of whether or not any Event of Default shall exist, (i) the Bondowner Representative shall not be liable for any error of judgment made in good faith by a Responsible Officer or officers or by any agent or attorney of the Bondowner Representative appointed with due care (except as otherwise provided in Section 8.01(f)) unless the Bondowner Representative was negligent in ascertaining the pertinent facts; and (ii) the Bondowner Representative shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, accompanied by an opinion of Bond Counsel as provided herein or in accordance with the directions of the holders of not less than a majority, or such other percentage as may be required hereunder, in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Bondowner Representative, or exercising any trust or power conferred upon the Bondowner Representative under this Indenture;

(c) The Bondowner Representative shall not be required to take notice or be deemed to have notice of (i) any default hereunder or under the Loan Agreement, except defaults under Section 7.01(a) or (b) hereof, unless a Responsible Officer of the Bondowner Representative shall be specifically notified in writing of such default by the Issuer or the owners of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding, or (ii) any default under the Regulatory Agreement

unless a Responsible Officer of the Bondowner Representative shall be specifically notified in writing of such default by the Issuer or the Borrower;

(d) Before taking any action under Article VII hereof or this Section at the request or direction of the Bondholders, the Bondowner Representative may require that a satisfactory indemnity bond be furnished by the Bondholders, for the reimbursement of all costs and expenses to which it may be put and to protect it against all liability which may be incurred in compliance with such request or direction, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken;

(e) Upon any application or request by the Issuer to the Bondowner Representative to take any action under any provision of this Indenture, the Issuer shall furnish to the Bondowner Representative a Certificate of the Issuer stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, and an Opinion of Counsel stating that in the opinion of such Counsel all such conditions precedent, if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished;

(f) The Bondowner Representative may execute any of the powers hereunder or perform any duties hereunder either directly or through agents or attorneys and the Bondowner Representative shall not be responsible for any negligence or misconduct on the part of any agent or attorney appointed with due care by it hereunder (but this provision shall not prohibit any action against any such agent or attorney for their negligent acts);

(g) Neither the Issuer nor the Borrower shall be deemed to be agents of the Bondowner Representative for any purpose, and the Bondowner Representative shall not be liable for any noncompliance of any of them in connection with their respective duties hereunder or in connection with the transactions contemplated hereby;

(h) The Bondowner Representative shall be entitled to rely upon telephonic notice for all purposes whatsoever so long as the Bondowner Representative reasonably believes such telephonic notice has been given by a Person authorized to give such notice;

(i) The immunities extended to the Bondowner Representative also extend to its directors, officers, employees and agents;

(j) Under no circumstances shall the Bondowner Representative be liable in its individual capacity for the obligations evidenced by the Bonds, it being the sole obligation of the Bondowner Representative to administer, for the benefit of the Bondholders, the various funds and accounts established hereunder;

(k) No permissive power, right or remedy conferred upon the Bondowner Representative hereunder shall be construed to impose a duty to exercise such power, right or remedy;

(l) The Bondowner Representative shall not be liable for any action taken or not taken by it in accordance with the direction of a majority (or other percentage expressly provided for herein with respect to a particular action) in aggregate principal amount of Bonds Outstanding related to the exercise of any right, power or remedy available to the Bondowner Representative; and

(m) The Bondowner Representative shall have no duty to review any financial statements, budgets or other financial information filed with it by or on behalf of the Borrower under or pursuant to the Loan Agreement or the other Loan Documents.

None of the provisions contained in this Indenture shall require the Bondowner Representative to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers. Whether or not therein expressly so provided, every provision of this Indenture, the Loan Agreement, the Regulatory Agreement or any other document relating to the conduct, powers or duties of, or affecting the liability of, or affording protection to, the Bondowner Representative shall be subject to the provisions of this Article VIII.

Section 8.02. Right of Bondowner Representative to Rely Upon Documents, Etc.
Except as otherwise provided in Section 8.01:

(a) The Bondowner Representative may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond or other paper or document reasonably believed by it to be genuine and to have been signed and presented by the proper party or parties;

(b) Any consent, demand, direction, election, notice, order or request of the Issuer mentioned herein shall be sufficiently evidenced by a Written Consent, Written Demand, Written Direction, Written Election, Written Notice, Written Order or Written Request of the Issuer, and any resolution of the Issuer may be evidenced to the Bondowner Representative by a Certified Resolution;

(c) The Bondowner Representative may consult with counsel (who may be counsel for the Issuer, counsel for the Bondowner Representative or Bond Counsel) and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel;

(d) Whenever in the administration of this Indenture the Bondowner Representative shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of

negligence or bad faith on the part of the Bondowner Representative, be deemed to be conclusively proved and established by a Certificate of the Issuer; and such Certificate of the Issuer shall, in the absence of negligence or bad faith on the part of the Bondowner Representative, be full warrant to the Bondowner Representative for any action taken or suffered by it under the provisions of this Indenture upon the faith thereof; and

(e) The Bondowner Representative shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Bondowner Representative, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

Section 8.03. Bondowner Representative Not Responsible for Recitals. The recitals contained herein and in the Bonds shall be taken as the statements of the Issuer, and the Bondowner Representative assumes no responsibility for the correctness of the same or for the correctness of the recitals in the Loan Agreement or the Regulatory Agreement. The Bondowner Representative shall have no responsibility with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the Bonds. The Bondowner Representative makes no representations as to the value or condition of any assets pledged or assigned as security for the Bonds, or as to the right, title or interest of the Issuer therein, or as to the security provided thereby or by this Indenture, the Loan Agreement, the Deed of Trust or the other Loan Documents, or as to the compliance of the Project with the Act, or as to the tax-exempt status of the Bonds, or as to the technical or financial feasibility of the Project, or as to the validity or sufficiency of this Indenture as an instrument of the Issuer or of the Bonds as obligations of the Issuer. The Bondowner Representative shall not be accountable for the use or application by the Issuer of any of the Bonds authenticated or delivered hereunder or of the use or application of the proceeds of such Bonds by the Issuer or the Borrower or their agents.

Section 8.04. Intervention by Bondowner Representative. The Bondowner Representative may intervene on behalf of the Bondholders in any judicial proceeding to which the Issuer is a party and which, in the opinion of the Bondowner Representative and its counsel, has a substantial bearing on the interests of owners of the Bonds and, subject to the provisions of Section 8.01(d), shall do so if requested in writing by the owners of a majority in aggregate principal amount of all Bonds then Outstanding.

Section 8.05. Moneys Received by Bondowner Representative. All moneys received by the Bondowner Representative shall, until used or applied as herein provided, be held exclusively (subject to other provisions of this Indenture governing disposition of monies in funds and accounts) for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law or as otherwise provided herein. The Bondowner Representative shall be under no liability for interest on any moneys received by it hereunder except such as it may agree with the Issuer to pay thereon. Any moneys held by the Bondowner Representative may be deposited by it in its banking department and invested in Investment Securities.

Section 8.06. Compensation and Indemnification of Bondowner Representative and Agents. The Borrower is required under the Loan Agreement: (a) to pay to the Bondowner Representative certain fees and other compensation as set forth therein and under the other agreements related to the Bonds to which it is a party; (b) to reimburse the Bondowner Representative upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bondowner Representative in accordance with any provision of this Indenture or other agreement related to the Bonds to which the Bondowner Representative is a party or incurred in complying with any request made by the Issuer with respect to the Bonds (including the reasonable compensation and the expenses and disbursements of its agents and counsel); (c) to indemnify the Bondowner Representative and to hold it harmless as set forth therein and in the other agreements related to the Bonds to which it is a party; and (d) to indemnify the Bondowner Representative for any reasonable fees incurred during a period of default hereunder.

If any property, other than cash, shall at any time be held by the Bondowner Representative subject to this Indenture, or any Supplemental Indenture, as security for the Bonds, the Bondowner Representative, if and to the extent authorized by a receivership, bankruptcy or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Indenture as such security for the Bonds, shall be entitled but not obligated to make advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The rights of the Bondowner Representative to compensation for services and to payment or reimbursement for expenses, disbursements, liabilities and advances shall have and is hereby granted a lien and a security interest prior to the Bonds in respect of all property and funds held or collected by the Bondowner Representative as such, except funds held by the Bondowner Representative for the benefit of the holders of particular Bonds owned by other than the Bondowner Representative and/or its affiliates, which amounts shall be held solely for the benefit of those Bondholders and used only for the payment of principal of and premium, if any, and interest on the Bonds. The Bondowner Representative's rights to immunities, indemnities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and final payment of the Bonds.

Section 8.07. Qualifications of Bondowner Representative. The Bondowner Representative hereunder shall be Wells Fargo Bank, National Association or a corporation, limited liability company, partnership or banking association organized and doing business under the laws of the United States or of a state thereof. No change in the Bondowner Representative shall be made except upon the written direction of the owners of a majority in the principal amount of the Bonds Outstanding (any replacement Bondowner Representative that is not either affiliated with the then Bondowner Representative or that is not the owner of a majority in principal amount of the then Outstanding Bonds, to be reasonably acceptable to the Issuer). The Issuer shall have no right to remove or replace the Bondowner Representative.

Any successor Bondowner Representative shall acknowledge its acceptance of its obligations under this Indenture by a written instrument delivered to the Issuer, the Borrower and, if the successor is not the sole owner of all of the Bonds then Outstanding, the owners of the Bonds.

Section 8.08. Merger or Consolidation of Bondowner Representative. Any corporation or association into which the Bondowner Representative may be merged or with which it may be consolidated, or any corporation or association resulting from any merger or consolidation to which the Bondowner Representative shall be a party, or any corporation or association succeeding to the bond purchase program business of the Bondowner Representative, shall be the successor of the Bondowner Representative hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor Bondowner Representative shall be eligible under the provisions of Section 8.07 (other than the parenthetical contained therein).

Section 8.09. Dealing in Bonds. The Bondowner Representative, in its individual capacity, may in good faith buy, sell, own, hold and deal in any of the Bonds, and may join in any action which any Bondholder may be entitled to take with like effect as if it did not act in any capacity hereunder. The Bondowner Representative in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the Issuer, and may act as depository, trustee, bondowner representative or agent for any committee or body of Bondholders secured hereby or other obligations of the Issuer as freely as if it did not act in any capacity hereunder.

Section 8.10. Indemnification of Issuer by Bondowner Representative. The Bondowner Representative acknowledges that notwithstanding any other provision of this Indenture, the Bondowner Representative is acting as an independent contractor and not as the agent of Issuer in servicing and administering the Bonds and the Loan. The Bondowner Representative agrees to indemnify, hold harmless and defend the Issuer and its Supervisors, officers, agents and employees against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to any act or omission on the part of the Bondowner Representative under the Bond Documents or the Loan Documents caused by the negligence or willful misconduct of the Bondowner Representative.

If a third party makes a claim against the Issuer that may be subject to indemnification pursuant to this Section 8.10, the Issuer shall give prompt written notice of such claim to the Bondholder Representative; provided, however, that the failure to provide such notice shall not release the Bondholder Representative from any of its obligations hereunder except only to the extent the Bondholder Representative is prejudiced by such failure. The Bondholder Representative shall be entitled to assume and control the defense of such claim at its expense through counsel of its choice, provided that such counsel is reasonably satisfactory to the Issuer. The Issuer shall cooperate with the Bondholder Representative, at the expense of the Bondholder Representative, in such defense and make available to the Bondholder Representative any witnesses, pertinent records, materials and information in the Issuer's possession as reasonably required by the Bondholder Representative. The Issuer shall have no right to settle or compromise any claim or consent to the entry of any judgment against the Issuer which is the subject of indemnification hereunder without the prior written consent of the Bondholder Representative; and the Bondholder Representative shall have no right to settle

or compromise any claim against the Issuer or consent to the entry of any judgment against the Issuer without the prior written consent of the Issuer.

Section 8.11. Bondowner Representative Not Agent of Issuer. The Bondowner Representative acknowledges that notwithstanding any other provision of this Indenture, the Bondowner Representative is acting as an independent contractor and not as the agent of Issuer in servicing and administering the Bonds and the Loan.

ARTICLE IX

MODIFICATION OF INDENTURE

Section 9.01. Modification of Indenture. With the prior written consent of all of the holders of the Bonds at the time Outstanding, evidenced as provided in Section 11.08, the Issuer and the Bondowner Representative may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any Supplemental Indenture; provided, however, that, no such Supplemental Indenture shall reduce the aforesaid percentage of holders of Bonds whose consent is required for the execution of such Supplemental Indentures. Upon receipt by the Bondowner Representative of a Certified Resolution authorizing the execution of any such Supplemental Indenture, and upon the filing with the Bondowner Representative of evidence of the consent of Bondholders, as aforesaid, the Bondowner Representative shall join with the Issuer in the execution of such Supplemental Indenture, unless (i) such Supplemental Indenture affects the Bondowner Representative's own rights, duties or immunities under this Indenture or otherwise, in which case the Bondowner Representative may in its discretion, but shall not be obligated to, enter into such Supplemental Indenture; or (ii) such Supplemental Indenture affects the rights or obligations of the Borrower hereunder or under the Loan Agreement, in which case the Bondowner Representative shall enter into such Supplemental Indenture only if the Bondowner Representative has received the Borrower's written consent thereto.

It shall not be necessary for the consent of the Bondholders under this Section to approve the particular form of any proposed Supplemental Indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Issuer and the Bondowner Representative of any Supplemental Indenture pursuant to the provisions of this Section, the Bondowner Representative (unless at the time the Bondowner Representative and/or one or more of its affiliates are the owners of all of the Bonds then Outstanding) shall give Bondholders and the Borrower, by first class mail, a notice setting forth in general terms the substance of such Supplemental Indenture. Any failure of the Bondowner Representative to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Indenture.

Section 9.02. Effect of Supplemental Indenture. Upon the execution of any Supplemental Indenture pursuant to the provisions of this Article IX, this Indenture shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Issuer, the Bondowner Representative and all holders of Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.03. Opinion of Counsel as to Supplemental Indenture. Subject to the provisions of Section 8.01, the Bondowner Representative shall be entitled to receive, and shall

be fully protected in relying upon, an Opinion of Counsel as conclusive evidence that any Supplemental Indenture executed pursuant to the provisions of this Article IX is authorized and permitted by this Indenture.

Section 9.04. Notation of Modification on Bonds; Preparation of New Bonds. Bonds authenticated and delivered after the execution of any Supplemental Indenture pursuant to the provisions of this Article IX may bear a notation, in form approved by the Bondowner Representative and the Issuer, as to any matter provided for in such Supplemental Indenture, and if such Supplemental Indenture shall so provide, new Bonds, so modified as to conform, in the opinion of the Bondowner Representative and the Issuer, to any modification of this Indenture contained in any such Supplemental Indenture, may be prepared and authenticated by the Bondowner Representative and delivered without cost to the holders of the Bonds then Outstanding, upon surrender for cancellation of such Bonds in equal aggregate principal amounts.

ARTICLE X

DISCHARGE OF INDENTURE

Section 10.01. Discharge of Indenture. If the entire indebtedness on all Bonds Outstanding shall be paid and discharged in any one or more of the following ways:

(a) by the payment of the principal of (including redemption premium, if any) and interest on all Bonds Outstanding; or

(b) by the delivery to the Bondowner Representative, for cancellation by it, of all Bonds Outstanding;

and if all other sums payable hereunder by the Issuer shall be paid and discharged, then and in that case this Indenture shall cease, terminate and become null and void, and the Bondowner Representative shall forthwith execute proper instruments acknowledging satisfaction of and discharging this Indenture. The fees, expenses and charges of the Bondowner Representative (including reasonable counsel fees) must be paid in order to effect such discharge. The satisfaction and discharge of this Indenture shall be without prejudice to the rights of the Bondowner Representative to charge and be reimbursed by the Borrower for any expenditures which it may thereafter incur in connection herewith.

The Issuer or the Borrower may at any time surrender to the Bondowner Representative for cancellation by it any Bonds previously authenticated and delivered which the Issuer or the Borrower lawfully may have acquired in any manner whatsoever, and such Bonds upon such surrender and cancellation shall be deemed to be paid and retired.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Successors of Issuer. All the covenants, stipulations, promises and agreements in this Indenture contained, by or on behalf of the Issuer, shall bind and inure to the benefit of its successors and assigns, whether so expressed or not. Section 11.04. Destruction of Bonds. In case any one or more of the provisions contained in this Indenture or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Indenture, but this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein.

Section 11.08. Evidence of Rights of Bondholders. (a) Any request, consent or other instrument required by this Indenture to be signed and executed by Bondholders may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by such Bondholders in person or by agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, or of the ownership of any Bonds, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Bondowner Representative and of the Issuer if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument or writing acknowledged to him the execution thereof.

(c) The ownership of Bonds shall be proved by the Bond register maintained pursuant to Section 2.06 hereof. The fact and the date of execution of any request, consent or other instrument and the amount and distinguishing numbers of Bonds held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Bondowner Representative may deem sufficient. The Bondowner Representative may nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

(d) Any request, consent or vote of the holder of any Bond shall bind every future holder of the same Bond and the holder of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Bondowner Representative or the Issuer in pursuance of such request, consent or vote.

(e) In determining whether the holders of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned by the Issuer or the Borrower or any affiliate of the Borrower or by any other direct or indirect obligor on the Bonds, or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Issuer or any other direct or indirect obligor on the Bonds, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, provided that, for the purpose of determining whether the Bondowner Representative shall be protected in relying on any such demand, request, direction, consent or waiver, only Bonds which the Bondowner Representative knows to be so owned shall be disregarded. Bonds so owned which have been

pledged in good faith may be regarded as Outstanding for the purposes of this subsection (e) if the pledgee shall establish to the satisfaction of the Bondowner Representative and the Issuer the pledgee's right to vote such Bonds and that the pledgee is not a Person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Issuer or any other direct or indirect obligor on the Bonds. In case of a dispute as to such right, any decision by the Bondowner Representative taken upon the advice of counsel shall be final and binding upon all holders and pledgees of the Bonds.

(f) In lieu of obtaining any demand, request, direction, consent or waiver in writing, the Bondowner Representative may call and hold a meeting of the Bondholders upon such notice and in accordance with such rules and regulations as the Bondowner Representative considers fair and reasonable for the purpose of obtaining any such action.

Section 11.09. Waiver of Personal Liability. REGISTERED OWNER: WELLS FARGO BANK, NATIONAL ASSOCIATION

PRINCIPAL SUM: Up to _____ MILLION _____ HUNDRED _____
THOUSAND DOLLARS

The County of Contra Costa, California, a political subdivision and body corporate and politic, duly organized and existing under the laws of the State of California (herein called the "Issuer"), for value received, hereby promises to pay (but only out of Revenues as hereinafter provided) to the Registered Owner identified above or registered assigns, the sum of up to _____ Million _____ Hundred _____ Thousand Dollars (\$_____) together with interest on the unpaid Outstanding Balance (as hereinafter defined) at the interest rate referenced in the Indenture referred to below, until the Issuer's obligation to pay the Outstanding Balance shall be discharged. The Outstanding Balance shall mean the purchase price of the Bonds (defined below) which has been advanced by the purchaser thereof under the Indenture, and has not been repaid by the Issuer as of the date of calculation of the Outstanding Balance, subject to the provisions of the second paragraph of Section 2.01 of the Indenture.

All capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in the Loan Agreement or the Indenture hereinafter mentioned.

This Bond shall mature on the Maturity Date set forth above, and the entire unpaid principal balance of and any accrued interest on this Bond shall be paid in full on or before such

date. Interest shall be due and payable on each Interest Payment Date in accordance with the requirements of the Indenture.

In the event the Issuer fails to make the timely payment of any monthly payment, and such payment remains unpaid for a period of ten (10) days subsequent to the established payment date, the Issuer shall pay interest on the then Outstanding Balance at the Default Rate, as defined in the Indenture referred to below. Additional amounts shall be remitted to the owner of this Bond as required by the Indenture, arising by reason of payments due under the Note (as defined below) and the Loan Agreement referenced below in excess of the principal and interest due on this Bond.

This Bond is one of a duly authorized issue of bonds of the Issuer designated as "County of Contra Costa Multifamily Housing Revenue Bonds (Tabora Gardens Senior Apartments), Series 2016D" (the "Bonds"), in the initial aggregate principal amount of up to \$_____, authorized to be issued pursuant to Chapter 7 of Part 5 of Division 31 of the Health and Safety Code of the State of California (herein called the "Act"), and issued under and secured by an Indenture, dated as of August 1, 2016 (the "Indenture"), between the Issuer and Wells Fargo Bank, National Association, as Bondowner Representative (the "Bondowner Representative"). Reference is hereby made to the Indenture and all indentures supplemental thereto for a description of the rights thereunder of the owners of the Bonds, of the nature and extent of the security, of the rights, duties and immunities of the Bondowner Representative and of the rights and obligations of the Issuer thereunder, to all of the provisions of which Indenture the holder of this Bond, by acceptance hereof, assents and agrees.

THE BONDS AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE ISSUER PAYABLE EXCLUSIVELY FROM REVENUES AND RECEIPTS PLEDGED UNDER THE INDENTURE. THE BONDS DO NOT CONSTITUTE A DEBT OF THE ISSUER OR OF THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NEVER CONSTITUTE NOR GIVE RISE TO A PECUNIARY LIABILITY OF THE ISSUER (OTHER THAN WITH RESPECT TO THE AMOUNTS SPECIFICALLY PLEDGED THEREFOR UNDER THE INDENTURE), OR OF THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF. THE BONDS SHALL NOT CONSTITUTE A GENERAL OBLIGATION OF OR A CHARGE AGAINST THE GENERAL CREDIT OF THE ISSUER, BUT SHALL BE A SPECIAL, LIMITED OBLIGATION OF THE ISSUER PAYABLE SOLELY FROM THE SOURCES DESCRIBED IN THE INDENTURE.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR PREMIUM OR INTEREST ON THIS BOND AGAINST ANY PAST, PRESENT OR FUTURE OFFICER, MEMBER OF THE BOARD OF SUPERVISORS, EMPLOYEE OR AGENT OF THE ISSUER, OR OF ANY SUCCESSOR TO THE ISSUER, AS SUCH, EITHER DIRECTLY OR THROUGH THE ISSUER OR ANY SUCCESSOR TO THE ISSUER, UNDER ANY RULE OF LAW OR EQUITY, STATUTE OR CONSTITUTION OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, AND ALL SUCH LIABILITY OF ANY SUCH OFFICERS, MEMBERS OF THE BOARD OF SUPERVISORS, EMPLOYEES OR AGENTS, AS SUCH, IS HEREBY EXPRESSLY WAIVED AND RELEASED AS A CONDITION OF, AND CONSIDERATION FOR, THE EXECUTION AND ISSUANCE OF THIS BOND.

The Bonds are limited obligations of the Issuer and, as and to the extent set forth in the Indenture, are payable solely from, and secured by a pledge of and lien on, the Revenues (as that term is defined in the Indenture), consisting primarily of amounts paid by Tabora Gardens, L.P., a California limited partnership (the "Borrower") pursuant to a Loan Agreement, dated the same date as the date of the Indenture (the "Loan Agreement"), among the Bondowner Representative, the Issuer and the Borrower, to finance the acquisition and construction of a multifamily rental housing project by the Borrower in the City of Antioch, California. The loan of the proceeds of the Bonds under the Loan Agreement (the "Loan") will be evidenced by a promissory note (the "Note") of the Borrower.

The Bonds shall be subject to redemption in accordance with the Indenture. Without limitation on the generality of the foregoing, the Bonds shall be subject to redemption prior to maturity, at a price equal to the principal amount of Bonds to be redeemed plus interest accrued thereon to the date fixed for redemption (a) in whole or in part on any Interest Payment Date, upon prepayment of the Note in whole or in part; (b) in whole following acceleration of the Loan upon the occurrence of an Event of Default under and as defined in the Loan Agreement; and (c) in whole or in part on any date from the proceeds of any mandatory prepayment of the Note under the terms of the Note or the Loan Agreement.

No notice of redemption of Bonds need be given to the registered owners of the Bonds, and the owner of this Bond, by acceptance hereof, expressly waives any requirement for any notice of redemption.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture. The Indenture provides that in certain events such declaration and its consequences may be rescinded by the holders of at least a majority in aggregate principal amount of the Bonds then outstanding.

The Bonds are issuable only as fully registered Bonds without coupons in a single instrument.

This Bond is transferable by the registered owner hereof, in person, or by its attorney duly authorized in writing, at the Principal Office of the Bondowner Representative, but only in the manner, subject to the limitations (including those in Section 2.05 of the Indenture) and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer a new fully registered Bond will be issued to the transferee in exchange herefor. The Issuer and the Bondowner Representative may treat the registered owner hereof as the absolute owner hereof for all purposes, and the Issuer and the Bondowner Representative shall not be affected by any notice to the contrary. By its acceptance of this Bond, the registered owner hereof agrees not to sell any participating interests in this Bond, except as permitted by the Indenture.

The Indenture contains provisions permitting the Issuer and the Bondowner Representative to execute supplemental indentures adding provisions to, or changing or eliminating any of the provisions of, the Indenture, subject to the limitations set forth in the

Indenture. In the event of any inconsistency between the provisions of this Bond and the provisions of the Indenture, the provisions of the Indenture shall be controlling.

Ladies and Gentlemen:

The undersigned (the "Purchaser"), being the purchaser of \$_____ principal amount of the above-referenced bonds (the "Bonds") issued pursuant to the Indenture, dated August 1, 2016 (the "Indenture"), between the County of Contra Costa, California (the "Issuer") and Wells Fargo Bank, National Association, as the initial Bondowner Representative (the "Bondowner Representative") does hereby certify, represent and warrant for the benefit of the Issuer and the Bondowner Representative that:

- (a) The Purchaser is an "Approved Institutional Buyer."
- (b) The Purchaser has sufficient knowledge and experience in financial and business matters, including the purchase and ownership of tax-exempt obligations, and is capable of evaluating the merits and risks of its investment in the Bonds. The Purchaser is able to bear the economic risk of, and an entire loss of, an investment in the Bonds.
- (c) The Purchaser is acquiring the Bonds solely for its own account for investment purposes, and does not presently intend to make a public distribution of, or to resell or transfer, all or any part of the Bonds, except as contemplated by the Indenture, or as otherwise permitted by the Indenture.
- (d) The Purchaser understands that the Bonds have not been registered under the United States Securities Act of 1933, as amended, or under any state securities laws. The Purchaser agrees that it will comply with any applicable state and federal securities laws then in effect with respect to any disposition of the Bonds by it, and further acknowledges that any current exemption from registration of the Bonds does not affect or diminish such requirements.

(e) The Purchaser is familiar with the conditions, financial and otherwise, of the Borrower and understands that the Borrower has no significant assets other than the Project. Further, the Purchaser understands that the Bonds involve a high degree of risk. Specifically, and without in any manner limiting the foregoing, the Purchaser understands and acknowledges that, among other risks, the Bonds are payable solely from the Revenues. The Purchaser has been provided an opportunity to ask questions of, and the Purchaser has received answers from, representatives of the Borrower and the Bondowner Representative regarding the terms and conditions of the Bonds. The Purchaser has obtained all information requested by it in connection with the issuance of the Bonds as it regards necessary to evaluate all merits and risks of its investment in the Bonds. The Purchaser has reviewed the documents executed in conjunction with the issuance of the Bonds, including, without limitation, the Indenture, the Loan Documents and the Regulatory Agreement.

(f) The Purchaser is not now and has never been controlled by, or under common control with, the Borrower. The Borrower has never been and is not now controlled by the Purchaser. The Purchaser has entered into no arrangements with the Borrower or with any affiliate in connection with the Bonds, other than as disclosed to the Issuer.

(g) The Purchaser has authority to purchase the Bonds and to execute this letter and any other instruments and documents required to be executed by the Purchaser in connection with the purchase of the Bonds. The individual who is signing this letter on behalf of the Purchaser is a duly appointed, qualified, and acting officer of the Purchaser and is authorized to cause the Purchaser to make the certificates, representations and warranties contained herein by execution of this letter on behalf of the Purchaser.

(h) In entering into this transaction, the Purchaser has not relied upon any representations or opinions of the Issuer or the Bondowner Representative relating to the legal consequences or other aspects of its investment in the Bonds, nor has it looked to, nor expected, the Issuer to undertake or require any credit investigation or due diligence reviews relating to the Borrower, its financial condition or business operations, the Project (including the financing or management thereof), or any other matter pertaining to the merits or risks of the transactions contemplated by the Loan Agreement and the Indenture, or the adequacy of the funds pledged to the Bondowner Representative to secure repayment of the Bonds.

(i) The Purchaser understands that the Bonds are not secured by any pledge of any moneys received or to be received from taxation by the Issuer (which has no taxing power), the State of California or any political subdivision or taxing district thereof; that the Bonds will never represent or constitute a general obligation or a pledge of the faith and credit of the Issuer, the State of California or any political subdivision thereof; that no right will exist to have taxes levied by the State of California or any political subdivision thereof for the payment of principal and interest on the Bonds; and that the liability of the Issuer with respect to the Bonds is subject to further limitations as set forth in the Bonds and the Indenture.

(j) The Purchaser has been informed that the Bonds (i) have not been and will not be registered or otherwise qualified for sale under the “Blue Sky” laws and regulations of any jurisdiction, (ii) will not be listed on any stock or other securities exchange, and (iii) will carry no rating from any rating service.

(k) The Purchaser acknowledges that it has the right to sell and transfer the Bonds, including interests in the Bonds, subject to compliance with the transfer restrictions set forth in Section 2.05 of the Indenture, including in certain circumstances the requirement for the delivery to the Issuer and the Bondowner Representative of an investor’s letter in the same form as this Investor’s Letter, including this paragraph. Failure to comply with the provisions of Section 2.05 of the Indenture shall cause the purported transfer to be null and void. The Purchaser agrees to indemnify and hold harmless the Issuer with respect to any claim asserted against the Issuer that arises with respect to any sale, transfer or other disposition of the Bonds by the Purchaser or any transferee thereof in violation of the provisions of the Indenture.

(l) None of the Bondowner Representative, Bond Counsel, the Issuer, its members, its governing body, or any of its employees, counsel or agents will have any responsibility to the Purchaser for the accuracy or completeness of information obtained by the Purchaser from any source regarding the Borrower or its financial condition or the Project, or regarding the Bonds, the provision for payment thereof, or the sufficiency of any security therefor. No written information has been provided by the Issuer to the Purchaser with respect to the Bonds. The Purchaser acknowledges that, as between the Purchaser and all of such parties, the Purchaser has assumed responsibility for obtaining such information and making such review as the Purchaser deemed necessary or desirable in connection with its decision to purchase the Bonds.

(m) The Purchaser acknowledges that the Bonds are exempt from the requirements of Rule 15c2-12 of the Securities and Exchange Commission and that the Issuer has not undertaken to provide any continuing disclosure with respect to the Bonds.

The Purchaser acknowledges that the sale of the Bonds to the Purchaser is made in reliance upon the certifications, representations and warranties herein by the addressees hereto. Capitalized terms used and not otherwise defined herein have the meanings given to such terms in the Indenture.

If Bondowner Representative determines at any time that the Financial Requirements Analysis is not "in balance", Borrower shall provide the amount of such deficiency to the Bondowner Representative for deposit into Borrower's Funds Account.

5.8 Contractor/Construction Information. Within ten (10) days of Bondowner Representative's written request, Borrower shall deliver to Bondowner Representative from time to time in a form acceptable to Bondowner Representative: (a) a list detailing the name, address and phone number of each contractor, subcontractor and material supplier to be employed or used for construction of the Project together with the dollar amount, including changes, if any, of each contract and subcontract, and the portion thereof, if any, paid through the date of such list; (b) copies of each contract and subcontract identified in such list, including any changes thereto; (c) a cost breakdown of the projected total cost of constructing the Project, and that portion, if any, of each cost item which has been incurred; and (d) a construction progress schedule detailing the progress of construction and the projected sequencing and completion time for uncompleted work, all as of the date of such schedule.

Borrower agrees that Bondowner Representative may disapprove any contractor, subcontractor or material supplier which, in Bondowner Representative's good faith determination, is deemed financially or otherwise unqualified; provided, however, that the absence of any such disapproval shall not constitute a warranty or representation of qualification by Bondowner Representative. Bondowner Representative may contact any such contractor, subcontractor or material supplier to discuss the course of construction.

5.9 Prohibited Contracts. Without Bondowner Representative's prior written consent, Borrower shall not contract for any materials, furnishings, equipment, fixtures or other parts or components of the Project (other than for vending machines and tenant-serving electronic communications equipment including cable television or internet equipment), if any third party shall retain any ownership interest (other than lien rights created by operation of law) in such items after their delivery to the Property and Project. Borrower shall have five (5) days to effect the removal of any such retained interest.

5.10 Liens and Stop Notices. If a claim of lien is recorded which affects the Property or Project or a bonded stop notice is served upon Borrower or Bondowner Representative, Borrower shall, within twenty (20) calendar days of such recording or service or within five (5) calendar days of Bondowner Representative's demand, whichever occurs first: (a) pay and discharge the claim of lien or bonded stop notice; (b) effect the release thereof by recording or delivering to Bondowner Representative a surety bond in sufficient form and amount; or (c) provide Bondowner Representative with other assurances which Bondowner Representative deems, in its sole discretion, to be satisfactory for the payment of such claim of lien or bonded stop notice and for the full and continuous protection of Bondowner Representative from the effect of such lien or bonded stop notice.

5.11 Construction Responsibilities. Borrower shall cause the Project to be constructed in a workmanlike manner according to the Plans and Specifications and the recommendations of any soils or engineering report approved by Bondowner Representative. Borrower shall comply with all applicable laws, ordinances, rules, regulations, building restrictions, recorded covenants and restrictions, and requirements of all regulatory authorities having jurisdiction over the Property or Project. Borrower shall be solely responsible for all aspects of Borrower's business and conduct in connection with the Property and Project, including, without limitation, for the quality and suitability of the Plans and Specifications and their compliance with all governmental requirements, the supervision of the work of construction, the qualifications, financial condition and performance of all architects, engineers, contractors, material suppliers, consultants and property managers, and the accuracy of all applications for payment and the proper application of all disbursements. Bondowner Representative is not obligated to supervise, inspect or inform Borrower or any third party of any aspect of the construction of the Project or any other matter referred to above.

5.12 Assessments and Community Facilities Districts. Without Bondowner Representative's prior written consent, Borrower shall not cause to become effective or otherwise consent to the formation of any assessment district or community facilities district which includes all or any part of the Property and Project pursuant to: (a) the Mello-Ross Community Facilities Act of 1982; (b) the Municipal Improvement Act of 1913; or (c) any other comparable or similar statute or regulation. Nor shall Borrower cause or otherwise consent to the levying of special taxes or assessments against the Property and Project by any such assessment district or community facilities district.

5.13 Delay. Borrower shall promptly notify Bondowner Representative in writing of any event causing more than a thirty (30) day delay or interruption of construction, or the timely completion of construction. The notice shall specify the particular work delayed, and the cause and period of each delay.

5.14 Inspections. Bondowner Representative shall have the right to enter upon the Property at all reasonable times to inspect the Project and the construction work and to verify information disclosed or required pursuant to this Agreement.

(a) If Bondowner Representative in its reasonable judgment determines that any work or materials fail to conform to the approved Plans and Specifications or sound building practices, or that they otherwise depart from any of the

requirements of this Agreement, Bondowner Representative may require the work to be stopped and withhold its consent to further disbursements until the matter is corrected. If this occurs, Borrower must correct the work to Bondowner Representative's satisfaction promptly and, at Bondowner Representative's request, halt all other work pending completion of such corrective work. No such action by Bondowner Representative will affect Borrower's obligation to complete the Project in accordance with the Plans and Specifications and on or before the Completion Date.

(b) Bondowner Representative has no duty to visit Project site, to supervise or observe construction or to examine any books or records. Any site visit, observation or examination by Bondowner Representative is solely for the purpose of protecting Bondowner Representative's rights and interests, and may not be relied upon by Borrower or by any third party as a representation or warranty of compliance with this Agreement or any other agreement. No site visit, observation or examination by Bondowner Representative will impose any liability on Bondowner Representative or result in a waiver of any default of Borrower or be a representation that Borrower is or will be in compliance with the Plans and Specifications, that the construction is free from defective materials or workmanship, or that the construction complies with all applicable Requirements. Neither Borrower nor any other party is entitled to rely on any site visit, observation or examination by Bondowner Representative. Bondowner Representative owes no duty of care to protect Borrower or any other party against, or to inform Borrower or any other party of, any negligent or defective design or construction of the Project or any other adverse condition affecting the Property.

(c) Upon Bondowner Representative's written request, Borrower shall promptly deliver to Bondowner Representative: (i) a perimeter survey of the Property; and (ii) a survey showing the location of the Project on the Property and confirming that the Project is located entirely within the Property and does not encroach upon any easement, or breach or violate any governmental requirement. All such surveys shall be performed and certified by a licensed engineer or surveyor acceptable to the title insurer.

5.15 Project Title, Operation and Maintenance.

(a) The Issuer shall not be under any obligation to operate, maintain or repair the Property. Borrower agrees that until this Agreement is terminated pursuant to Section 14.1 hereof, it will, at its own expense, (a) keep the Property in safe repair and in such operating condition as is needed for its operations; (b) make all necessary repairs and replacements to the Property (whether ordinary or extraordinary, structural or nonstructural); (c) subject to the restrictions imposed by the Regulatory Agreement, operate the Project in a sound and economic manner in accordance with usual business practice; (d) operate the Project in compliance with all applicable laws, codes, environmental laws, zoning laws, the ADA (to the extent applicable) and laws regulating construction, occupancy or maintenance of property of a character included in the Project; and (e) comply with all existing and future laws, regulations, orders, building codes and restrictions and requirements of, and all permits and approvals from, and agreements with and commitments to, all governmental, judicial or legal authorities

having jurisdiction over the Property or Borrower's business, conducted thereon or therefrom and with all restrictive covenants and other title encumbrances encumbering the Property, including without limitation those contained in the Regulatory Agreement and other Restrictions (all collectively, the "Requirements").

(b) Borrower shall pay all expenses of the operation and maintenance of the Project including, but without limitation, adequate insurance thereon and insurance against all liability for injury to persons or property arising from the operation thereof, and all taxes and special assessments levied upon or with respect to the Project and payable during the term of this Agreement, all in conformance with and subject to any good faith contest provisions provided in the Deed of Trust.

(c) In the event Borrower shall fail to maintain, or cause to be maintained, the full insurance coverage required by this Agreement or shall fail to keep the Project in good repair and good operating condition and make all necessary repairs and replacements to the Project, the Bondowner Representative may, after providing Borrower with reasonable notice and the opportunity to remedy the problem(s) identified by Bondowner Representative, but shall be under no obligation to, contract for the required policies of insurance and pay the premiums on the same or make any required repairs, renewals and replacements; and Borrower agrees to reimburse the Issuer or the Bondowner Representative to the extent of the amounts so advanced, and in addition shall pay interest on any such amount at the Default Rate from the date such amount was advanced until the date such amount was repaid or reimbursed by Borrower.

(d) Borrower shall obtain or cause to be obtained all necessary permits and approvals for the operation and maintenance of the Project and shall comply with all applicable lawful requirements of any governmental body regarding the use or condition of the Project, whether existing or later enacted or whether involving any change in governmental policy or requiring structural or other changes to part or all of the Project and irrespective of the cost of making the same.

(e) Notwithstanding the provisions of this Section 5.15, Borrower may in good faith contest the validity or the applicability of any law, ordinance, rule or regulation provided that during the period of such contest and any appeal therefrom, (i) such failure to comply with such requirement or requirements will not adversely affect the lien of the Deed of Trust or materially endanger such liens or the Project or any part thereof, (ii) will not subject the Project or any part thereof to loss or forfeiture and (iii) Borrower will post with the Bondowner Representative, for the benefit of the Holder, cash, a bond or other reasonably acceptable security in an amount equal to 125% of the disputed amount.

(f) Borrower agrees not to permit or suffer others to commit a nuisance in or about the Property or themselves commit a nuisance in connection with their use or occupancy of the Property.

5.16 Advances. Borrower acknowledges and agrees that under this Agreement and certain of the other Loan Documents, the Holder or the Bondowner Representative may, but shall be under no obligation to, take certain action and make certain advances relating to the Project from certain funds held under the Indenture or otherwise, or to certain other matters as expressly provided therein, and Borrower shall be obligated to repay all such advances on demand with interest from the date such payment was originally advanced until repaid or reimbursed by Borrower at the Default Rate.

5.17 Alterations to the Project and Removal of Equipment. Without the reasonable consent of Bondowner Representative, Borrower shall not remodel or make any additions, modifications, alterations, or changes to the Project (collectively referred to as “alterations”) in or to the Project, or remove any equipment therefrom other than in the ordinary course of business in the operation of the Project. Notwithstanding the provisions of the Deed of Trust, no such alteration or removal will be made if to do so would impair the character of the Project as a “project” within the meaning of the Act, or impair the exclusion of interest on the Bonds from gross income for federal income tax purposes.

5.18 Construction Schedule. If, based on any construction progress schedule or other materials submitted by Borrower, Bondowner Representative in its reasonable judgment determines that the Project will not be completed by the Completion Date, Bondowner Representative may request Borrower in writing to reschedule the work of construction to permit timely completion. In addition, if Bondowner Representative in its reasonable judgment determines that any building constituting the Project will not be “placed in service” (within the meaning of Section 42 of the Code) by the Completion Date, Bondowner Representative may request Borrower in writing to reschedule the work of construction. Within fifteen (15) days after receiving such a request from Bondowner Representative, Borrower must deliver to Bondowner Representative a revised construction progress schedule showing completion of the Project by the Completion Date. As a condition to any agreement to extend the Completion Date, Bondowner Representative may require Borrower to confirm by evidence satisfactory to Bondowner Representative that such extension will not have any adverse effect upon the availability of the Tax Credits for the Project.

5.19 Preservation of Rights. Borrower must obtain, preserve and maintain in good standing, as applicable, all rights, privileges and franchises necessary or desirable for the operation of the Property and the conduct of Borrower’s business thereon or therefrom.

5.20 Maintenance and Repair. Borrower must (i) maintain the Property, including landscaping portions thereof (if any), in good condition and repair, (ii) promptly make all necessary structural and non-structural repairs to the Project (or cause tenants under any leases to perform such obligation), and (iii) not erect any new buildings, structures or building additions on the Property, without the prior written consent of Bondowner Representative. Borrower must pay when due all claims for labor performed and materials furnished therefor in connection with any improvement or construction activities.

5.21 Permits, Licenses and Approvals. Borrower must obtain, comply with and keep in effect all building permits and similar permits, licenses, approvals, development agreements and other authorizations required from governmental bodies in connection with the

development and construction of the Property and Project. Borrower must deliver copies of all such permits, licenses and approvals to Bondowner Representative promptly, and in any event within twenty (20) days after receipt thereof.

5.22 Performance of Acts. Borrower must perform, upon Bondowner Representative's request, all acts necessary to perfect any lien or security interest provided for in the Loan Documents.

5.23 Management Agreement. Bondowner Representative must review and approve any agreement providing for the management or operation of the Property, including any material modifications or amendments thereto, before Borrower can enter into such agreement, provided, however, the approval of Bondowner Representative shall not be required for the renewal of any such agreement.

ARTICLE 6 BORROWER'S COVENANTS

6.1 Fees. Borrower shall pay or cause to be paid to Bondowner Representative in cash or by such other satisfactory means to Bondowner Representative in its sole discretion on or before recordation of the Deed of Trust, a loan fee in the amount of _____ and 00/100 Dollars (\$____.00).

6.2 Expenses. Borrower shall immediately pay Bondowner Representative upon demand all costs and expenses incurred by Bondowner Representative in connection with: (a) the preparation of this Agreement, all other Loan Documents, Other Related Documents and Bond Documents; (b) the administration of this Agreement, the other Loan Documents and Other Related Documents and Bond Documents for the term of the Loan; and (c) the enforcement or satisfaction by Bondowner Representative of any of Borrower's obligations under this Agreement, the other Loan Documents or the Other Related Documents or Bond Documents. For all purposes of this Agreement, Bondowner Representative's costs and expenses shall include, without limitation, all appraisal fees, cost engineering and inspection fees, reasonable legal fees and expenses, accounting fees, environmental consultant fees, auditor fees, internal administration expenses, UCC filing fees and/or UCC vendor fees and the cost to Bondowner Representative of any title insurance premiums, title surveys, reconveyance and notary fees. Borrower recognizes and agrees that formal written appraisals of the Property and Project by a licensed independent appraiser may be required by Bondowner Representative's internal procedures and/or federal regulatory reporting requirements on an annual and/or specialized basis and that Bondowner Representative may, at its option, require inspection of the Property and Project by an independent supervising architect and/or cost engineering specialist: (i) prior to each disbursement; (ii) at least once each month during the course of construction even though no disbursement is to be made for that month; (iii) upon completion of the Project; and (iv) at least semiannually thereafter. At its option, Bondowner Representative may make disbursements from the Loan to cover any expenses or charges which are to be borne by Borrower, including but not limited to, the cost of any required legal fees, appraisals, inspections, certifications or surveys. If any of the services described above are provided by an employee of Bondowner Representative, Bondowner Representative's costs and expenses for such services shall be calculated in accordance with Bondowner Representative's standard charge for such services.

6.3 Taxes and Impositions. Borrower shall pay or cause to be paid, prior to delinquency, all of the following (collectively, the “Impositions”): (a) all general and specific real property taxes and assessments imposed on the Property; (b) all other taxes and assessments and charges of every kind that are assessed upon the Property (or upon the owner and/or operator of the Property) and that create or may create a lien upon the Property (or upon any personal property or fixtures used in connection with the Property), including without limitation nongovernmental levies and assessments pursuant to applicable covenants, conditions or restrictions; and (c) all license fees, taxes and assessments imposed on Bondowner Representative (other than Bondowner Representative’s income or franchise taxes) which are measured by or based upon (in whole or in part) the amount of the obligations secured by the Property. If permitted by law, Borrower may pay or cause to be paid any Imposition in installments (together with any accrued interest). Borrower shall not be required to pay or cause to be paid any Imposition so long as (d) its validity is being actively contested in good faith and by appropriate proceedings, (e) Borrower has demonstrated to Bondowner Representative’s reasonable satisfaction that leaving such Imposition unpaid pending the outcome of such proceedings could not result in conveyance of the Property in satisfaction of such Imposition or otherwise impair Bondowner Representative’s interests under the Loan Documents and (f) if Bondowner Representative shall so request, Borrower has furnished Bondowner Representative with a bond or other security satisfactory to Bondowner Representative in an amount not less than 100% of the applicable claim. Upon demand by Bondowner Representative from time to time, Borrower shall (g) deliver to Bondowner Representative, within thirty (30) days following the due date of Imposition, evidence of payment or other satisfaction of such Imposition reasonably satisfactory to Bondowner Representative and (h) furnish to Bondowner Representative a tax reporting service for the Property of a type and duration, and with a company, reasonably satisfactory to Bondowner Representative. Notwithstanding the foregoing, Borrower shall comply with any provisions of the Indenture which require impounding of Impositions and if such provisions are inconsistent with the requirements of this Agreement, the provisions of the Indenture shall control.

6.4 Compliance with Laws. Borrower shall comply with all laws and requirements of Governmental Authorities and all rights of third parties, relating to the Property or Borrower’s business or other properties, and deliver to Bondowner Representative from time to time, within ten (10) days of Bondowner Representative’s request therefor, evidence satisfactory to Bondowner Representative that Borrower has complied with any such law, requirement or right.

6.5 Maintenance and Security for Project. Borrower shall maintain the Project in good condition and repair (such condition and repair to be consistent with that of competing properties), take all measures reasonably required by Bondowner Representative to protect the physical security of the Project, and not permit any waste or damage with respect to the Project.

6.6 Notice of Certain Matters. Borrower shall give notice to Bondowner Representative, within seven (7) days of Borrower’s knowledge thereof, of each of the following:

- (a) any litigation or claim of any kind affecting or relating to Borrower and involving an amount in excess of \$50,000.00, and any litigation or claim

of any kind that might subject Borrower to liability in excess of \$50,000.00, whether covered by insurance or not;

(b) any aspect of the Project that is not in conformity with the Plans and Specifications in a material respect;

(c) the creation or imposition of any mechanic's lien, materialmen's lien or other lien against the Project unless Borrower shall post statutory bonds or other security satisfactory to Bondowner Representative sufficient to cause the removal of such lien;

(d) the occurrence of any default that remains uncured beyond any applicable notice and cure period by Borrower or any other party under any Project Agreement, or the receipt by Borrower of any notice of default under any Project Agreement;

(e) the occurrence of any dispute between Borrower and any Governmental Authority relating to the Project, the adverse determination of which might materially affect the Project;

(f) the occurrence of any threat or commencement of proceedings in condemnation or eminent domain relating to Borrower's ownership of the Project;

(g) the use of any trade name hereafter used by Borrower in connection with the Project, other than the use of the trade name "Tabora Gardens Senior Apartments";

(h) any change in Borrower's principal place of business;

(i) the occurrence of any Default or event which, with the giving of notice or the passage of time or both, would constitute a Default; and

(j) the occurrence of any other event or condition causing a material adverse change in the financial condition of Borrower.

6.7 Liens on Property. Borrower shall not cause or suffer to become effective any lien, restriction or other title limitation affecting any part of the Property other than mechanics' liens permitted pursuant to Section 4.3(g), the Regulatory Agreement, the other Permitted Restrictions and any other liens or encumbrances previously approved by Bondowner Representative in writing and the inchoate liens securing the payment of taxes and assessments not delinquent. Borrower acknowledges that, with any project of the magnitude of the Project, modifications of the Plans and Specifications and Loan Documents may be necessary from time to time and that the existence of junior lienholders, who would be required to consent to such modifications in order to protect the priority of the lien of the Deed of Trust, could impair the expeditious completion of the Project, to the detriment of all parties.

6.8 Prohibition of Transfer. Borrower represents, agrees and acknowledges that:

(i) Development of real property is a highly complex activity which requires substantial knowledge of law and business conditions and practices, and an ability to control, coordinate and schedule the many factors affecting such development. Experience, financial stability, managerial ability and a good reputation in the business community enhance a developer's ability to obtain market rents (or maximum permissible rents pursuant to the Regulatory Agreement and other Restrictions) and/or sales prices and to induce cooperation in scheduling and are taken into account by Bondowner Representative in approving loan applications.

(ii) Borrower has represented to Bondowner Representative, not only in the representations and warranties contained in the Loan Documents, but also in its initial credit application and in all of the negotiations connected with the Loan, certain facts concerning Borrower's financial stability, managerial and operational ability, reputation, skill, and credit worthiness. Bondowner Representative has relied upon these representations and warranties as a substantial and material consideration in its decision to enter into this Agreement.

(iii) The conditions and terms provided in this Agreement were induced by these representations and warranties and would not have been made available by Bondowner Representative in the absence of these representations and warranties.

(iv) Borrower's financial stability and managerial and operational ability and that of those persons or entities having a direct or beneficial interest in Borrower are a substantial and material consideration to any third parties who have entered or will enter into agreements with Borrower.

(v) Bondowner Representative has relied upon the skills and services offered by such third parties and the provision of such skills and services is jeopardized if Borrower breaches its covenants contained below regarding transfers.

(vi) Except as otherwise permitted under Section 6.8(b) and except for leases described in Section 6.16, a transfer of possession of or title to the Property, or a change in the person or entity operating, developing, constructing or managing the Property would substantially increase the risk of Default under the Loan Documents and significantly and materially impair and reduce Bondowner Representative's security for the obligations under this Agreement.

(b) In consideration of Bondowner Representative's induced reliance on such representations, warranties and agreements, Borrower shall not make any transfer prohibited by Section 5.12 of the Deed of Trust. Bondowner Representative

acknowledges that Borrower has granted or may grant an option and a right of first refusal with respect to transfers of the Project to the General Partner or Developer. The grant of such option and/or right of first refusal shall not constitute a violation of this Section 6.8, but any purchase of the Project pursuant to such option or right of first refusal without Bondowner Representative's prior consent shall constitute a violation of this Section 6.8 unless such purchase is permitted pursuant to Section 5.12 of the Deed of Trust.

(c) Without the prior written consent of Bondowner Representative, Borrower shall not assign Borrower's interest under any of the Bond Documents or Loan Documents, or in any monies due or to become due thereunder, and any assignment without such consent shall be void.

(d) Notwithstanding any other provision of this Agreement or the other Loan Documents to the contrary:

(i) Investor Limited Partner shall be permitted to remove the general partner of Borrower for cause and substitute a new general partner in its place in accordance with the terms and conditions of the Partnership Agreement; provided, however, that (A) Investor Limited Partner shall obtain the prior written consent of Bondowner Representative to such removal and substitution, which consent shall not be unreasonably withheld, provided further, however, that Bondowner Representative consent shall not be required if the Investor Limited Partner or an entity that controls, is controlled by, or is under common control with the Investor Limited Partner is the substitute general partner; (B) Investor Limited Partner shall have obtained the written consent of any Subordinate Lender, if required pursuant to its applicable Subordinate Loan Documents, to such removal and substitution and the agreement of such Subordinate Lender that its obligations shall be unaffected notwithstanding such removal and substitution; (C) the substitute general partner is admitted no later than sixty (60) days after the date of removal of the general partner or such longer period of time as to which Bondowner Representative may consent, and (D) the substitute general partner shall execute and deliver to Bondowner Representative such documents as Bondowner Representative may reasonably require in order to evidence its assumption of all of the rights and obligations of the removed general partner under all of the Loan Documents. It shall be deemed reasonable for Bondowner Representative to withhold consent to a substitute general partner if any Subordinate Lender does not give its required consent and agreement pursuant to the terms of its applicable Subordinate Loan Documents; and

(ii) Investor Limited Partner may make a Permitted Transfer of its limited partnership interests in Borrower upon satisfaction of the requirements for a "Permitted Transfer" set forth in the definition thereof in Section 1.1 hereof. Bondowner Representative acknowledges that Investor Limited Partner has granted or may grant an option and a right of first refusal with respect to transfers of its limited partnership interests in Borrower to the General Partner or Developer. The grant of such option and/or right of first refusal shall not

constitute a violation of this Section 6.8, but any transfer of such limited partnership interests pursuant to such option or right of first refusal without Bondowner Representative's prior consent shall constitute a violation of this Section 6.8 unless such transfer is permitted pursuant to Section 5.12 of the Deed of Trust.

6.9 Management of Property In accordance with the Management Agreement, the Property Manager shall provide management, leasing and operation services for the Project. Borrower shall not substitute the Property Manager or amend the Management Agreement, without the prior written consent of Bondowner Representative.

6.10 Income to be Applied to Debt Service. Prior to distributing any portion of the same to any partner of Borrower, Borrower shall apply all Gross Operating Income from the Property and the Project to the payment of (a) amounts currently payable under this Agreement and the other Loan Documents, (b) amounts currently payable under the Subordinate Loans, and (c) expenses of construction and operation of the Property (including any development fee to the extent payment of such development fee is allowed pursuant to the Disbursement Plan attached to this Agreement).

6.11 Proceeds of the Capital Contributions. With the exception of the Initial Capital Contribution which may be used by Borrower towards costs of construction of the Project or other Project Costs (including due diligence fees of Investor Limited Partner), none of the proceeds of the Capital Contributions shall be used for any purpose other than payment of (a) amounts payable under this Agreement and the other Loan Documents, (b) amounts payable under the Subordinate Loans, to the extent approved by Bondowner Representative, and (c) expenses of construction and operation of the Property (including any development fee to the extent payment of such development fee is allowed pursuant to the Disbursement Plan attached to this Agreement), unless Bondowner Representative consents in writing to such other use. Further, Borrower covenants and agrees that Borrower will comply and cause General Partner to comply with all obligations and requirements under the Partnership Documents necessary to cause the Tax Credit Investor to timely fund all Capital Contributions until all sums owing to Bondowner Representative under the Loan Documents have been paid in full.

6.12 Regulatory Agreement Compliance. Borrower shall provide to Bondowner Representative an annual certification of compliance with all applicable provisions of the Regulatory Agreement and Section 42 of the Code.

6.13 Subordinate Loans. Borrower shall deliver to Bondowner Representative copies, certified by Borrower to be true and correct, of the documents that evidence and secure the Subordinate Loans, the form and content of which shall be subject to Bondowner Representative's reasonable approval. Borrower shall at all times fully and timely comply and cause the Property and Improvements to comply with all applicable terms and conditions of the documents that evidence and secure the Subordinate Loans and shall provide Bondowner Representative with such verification of that compliance from time to time as reasonably requested by Bondowner Representative.

6.14 Americans With Disabilities Act Compliance. Borrower shall comply with all of the requirements of the ADA, as amended from time to time, which are applicable to the Project. Borrower shall be responsible for all ADA compliance costs.

6.15 ERISA Compliance. Borrower shall at all times comply with the provisions with respect to any retirement or other employee benefit plan to which it is a party as employer, and as soon as possible after Borrower knows, or has reason to know, that any “reportable event” (as defined in ERISA) with respect to any such plan of Borrower has occurred, it shall furnish to Bondowner Representative a written statement setting forth details as to such reportable event and the action, if any, which Borrower proposes to take with respect thereto, together with a copy of the notice of such reportable event furnished to the Pension Benefit Guaranty Corporation.

6.16 Leasing. Borrower shall comply at all times with all requirements of the Regulatory Agreement and other Restrictions, and all leases of all or any part of the Project shall be on a form of lease approved by Bondowner Representative prior to Borrower’s execution of any such lease. All standard lease forms and any material deviation from any form, shall be approved by Bondowner Representative prior to execution of any lease using such form.

6.17 Further Assurances. Upon Bondowner Representative’s request and at Borrower’s sole cost and expense, Borrower shall execute, acknowledge and deliver any other instruments and perform any other acts necessary, desirable or proper, as determined by Bondowner Representative, to carry out the purposes of this Agreement and the other Loan Documents and Bond Documents or to perfect and preserve any liens created by the Loan Documents; provided, however, that no such instruments or acts shall change the economic terms of the transactions described herein or expand the liability of the parties hereunder. In addition, upon any modification of any Loan Document or Bond Document, Borrower shall, at Borrower’s sole cost and expense, deliver to Bondowner Representative, in form and content reasonably satisfactory to Bondowner Representative, a written confirmation of any subordination agreement described on Exhibit B attached hereto.

6.18 Books and Records. Borrower shall maintain complete books of account and other records for the Project and for disbursement and use of the proceeds of the Bonds and Borrower’s Funds, and the same shall be available for inspection and copying by Bondowner Representative upon reasonable prior notice.

6.19 Reservation Letter; Tax Credits. Borrower shall take all action necessary to maintain the Reservation Letter in full force and effect and to obtain the Tax Credits reserved in the Reservation Letter. Borrower shall not amend, modify or terminate, or allow to lapse or expire, the Reservation Letter. Borrower shall satisfy all conditions precedent to the issuance of the Tax Credits as soon as reasonably possible and in any event prior to the date upon which the Reservation Letter (or the reservation of Tax Credits described therein) would expire or lapse. Borrower shall comply, and cause the Project to comply, with all requirements imposed by the Code or by Governmental Authorities in order to preserve the Tax Credits in the full amount provided in the Reservation Letter. Without limitation upon the foregoing, Borrower shall timely file all certifications and reports required in connection with the Tax Credits, and shall

deliver copies of such certifications and reports to the Bondowner Representative concurrently with the filing of the same.

6.20 Covenant for the Benefit of the Bondholders. Borrower recognizes the authority of the Issuer to assign its interest in and pledge moneys receivable under this Agreement to the Bondowner Representative as security for the payment of the principal of and interest and redemption premiums, if any, on the Bonds, and the payment of all other amounts as set forth in Article 3 of this Agreement. Borrower hereby (i) agrees to be bound by the Issuer's grant of such assignment and pledge, (ii) grants to the Bondowner Representative a security interest in any right and interest Borrower may have in sums held pursuant to the Indenture, to secure the obligations of Borrower under this Agreement and the other Loan Documents and (iii) agrees that the Bondowner Representative shall have all of the rights of a secured party under the California Uniform Commercial Code in connection with such security interest. Each of the terms and provisions of this Agreement is a covenant for the use and benefit of the Bondholders and the Bondowner Representative, so long as the Bonds shall remain Outstanding; but upon payment in full of the Bonds in accordance with Article X of the Indenture and of all fees and charges requested under Sections 3.3 and 3.4 of this Agreement, all references in this Agreement to the Bondowner Representative, the Bonds and the Bondholders shall be ineffective, and the Bondholders and the Bondowner Representative shall thereafter have no rights hereunder, save and except those that shall have theretofore vested or that arise from provisions hereunder which survive termination of this Agreement.

6.21 Inspection and Access.

Borrower agrees that the Issuer, the Bondowner Representative and their duly authorized agents, shall have the right to examine and inspect during normal business hours, and for that purpose to enter upon, the Property, and shall also have such right of access thereto at reasonable times and under reasonable conditions and subject to the rights of tenants in possession as may be reasonably necessary to cause the Project to be properly maintained in accordance with Article 5 and in accordance with the applicable provisions of the other Loan Documents. In each instance, the Issuer, the Bondowner Representative and their duly authorized agents will give Borrower reasonable notice before entering the Project premises and make reasonable efforts to avoid interfering with Borrower's use of the Property when exercising any of the rights granted in this Section.

(b) Subject to the restrictions of all applicable laws, Borrower hereby covenants to execute, acknowledge and deliver all such further documents, and do all such other acts and things as may be necessary in order to grant to the Issuer and the Bondowner Representative the rights of access and entry described herein and agrees that such rights of access and entry shall not be terminated, curtailed or otherwise limited by any assignment, lease or other transfer of the Property by Borrower to any other person and subject to the rights of tenants in possession at reasonable times and under reasonable conditions.

6.22 Annual Statement; Continuing Disclosure.

(a) Borrower covenants that as long as any amount owed by Borrower under this Agreement remains unpaid, at Borrower's sole cost and expense, to furnish the Bondowner Representative with annual audited operating statements and balance sheets, which shall be prepared by an independent accounting firm with respect to Borrower, and with annual unaudited financial statements for the General Partner certified by its chief financial officer. The Bondowner Representative shall have no responsibility to review such statements.

(b) Borrower covenants and agrees to take all actions required in order to comply with Rule 15c2-12 adopted under the Securities Exchange Act of 1934, as the same may be amended from time to time, if such compliance is required at any time while amounts outstanding under this Agreement remain unpaid to effect such compliance.

6.23 INDEMNITY.

(a) TO THE FULLEST EXTENT PERMITTED BY LAW, BORROWER AGREES TO INDEMNIFY, HOLD HARMLESS AND DEFEND THE ISSUER, THE BONDOWNER REPRESENTATIVE, AND EACH OF THEIR RESPECTIVE OFFICERS, GOVERNING MEMBERS, DIRECTORS, OFFICIALS, EMPLOYEES, ATTORNEYS AND AGENTS (COLLECTIVELY, THE "INDEMNIFIED PARTIES"), AGAINST ANY AND ALL LOSSES, DAMAGES, CLAIMS, ACTIONS, LIABILITIES, COSTS AND EXPENSES OF ANY CONCEIVABLE NATURE, KIND OR CHARACTER (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES, LITIGATION AND COURT COSTS, AMOUNTS PAID IN SETTLEMENT AND AMOUNTS PAID TO DISCHARGE JUDGMENTS) (COLLECTIVELY, "LIABILITIES"), TO WHICH THE INDEMNIFIED PARTIES, OR ANY OF THEM, MAY BECOME SUBJECT UNDER OR ANY STATUTORY LAW (INCLUDING FEDERAL OR STATE SECURITIES LAWS) OR AT COMMON LAW OR OTHERWISE, ARISING OUT OF OR BASED UPON OR IN ANY WAY RELATING TO:

(i) THE BONDS, THE INDENTURE, THIS AGREEMENT, THE REGULATORY AGREEMENT, THE TAX CERTIFICATE, OR ANY OTHER DOCUMENT TO WHICH THE ISSUER IS A PARTY, OR THE EXECUTION OR AMENDMENT HEREOF OR THEREOF OR IN CONNECTION WITH TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, INCLUDING THE ISSUANCE, SALE OR RESALE OF THE BONDS;

(ii) ANY ACT OR OMISSION OF BORROWER OR ANY OF ITS AGENTS, CONTRACTORS, SERVANTS, EMPLOYEES OR LICENSEES IN CONNECTION WITH THE PROJECT, THE OPERATION OF THE PROJECT, OR THE CONDITION, ENVIRONMENTAL OR OTHERWISE, OCCUPANCY, USE, POSSESSION, CONDUCT OR

MANAGEMENT OF WORK DONE IN OR ABOUT, OR FROM THE PLANNING, DESIGN, ACQUISITION, INSTALLATION OR CONSTRUCTION OF, THE PROJECT OR ANY PART THEREOF;

(iii) ANY LIEN OR CHARGE UPON PAYMENTS BY BORROWER TO THE ISSUER AND THE BONDOWNER REPRESENTATIVE HEREUNDER, OR ANY TAXES (INCLUDING, WITHOUT LIMITATION, ALL AD VALOREM TAXES AND SALES TAXES), ASSESSMENTS, IMPOSITIONS AND OTHER CHARGES IMPOSED ON THE ISSUER IN RESPECT OF ANY PORTION OF THE PROJECT;

(iv) ANY VIOLATION OF ANY ENVIRONMENTAL REGULATIONS WITH RESPECT TO, OR THE RELEASE OF ANY HAZARDOUS SUBSTANCES FROM, THE PROJECT OR ANY PART THEREOF;

(v) THE DEFEASANCE AND/OR REDEMPTION, IN WHOLE OR IN PART, OF THE BONDS;

(vi) ANY UNTRUE STATEMENT OR MISLEADING STATEMENT OR ALLEGED UNTRUE STATEMENT OR ALLEGED MISLEADING STATEMENT OF A MATERIAL FACT CONTAINED IN ANY OFFERING STATEMENT OR DISCLOSURE OR CONTINUING DISCLOSURE DOCUMENT FOR THE BONDS OR ANY OF THE DOCUMENTS RELATING TO THE BONDS, OR ANY OMISSION OR ALLEGED OMISSION FROM ANY OFFERING STATEMENT OR DISCLOSURE OR CONTINUING DISCLOSURE DOCUMENT FOR THE BONDS OF ANY MATERIAL FACT NECESSARY TO BE STATED THEREIN IN ORDER TO MAKE THE STATEMENTS MADE THEREIN, IN THE LIGHT OF THE CIRCUMSTANCES UNDER WHICH THEY WERE MADE, NOT MISLEADING;

(vii) ANY DECLARATION OF TAXABILITY OF INTEREST ON THE BONDS, OR ALLEGATIONS (OR REGULATORY INQUIRY) THAT INTEREST ON THE BONDS IS TAXABLE, FOR FEDERAL TAX PURPOSES (EXCEPT IN THE HANDS OF A SUBSTANTIAL USER); AND

(viii) THE BONDOWNER REPRESENTATIVE'S ACCEPTANCE OR ADMINISTRATION OF THE TRUST OF THE INDENTURE, OR THE EXERCISE OR PERFORMANCE OF ANY OF ITS POWERS OR DUTIES THEREUNDER OR UNDER ANY OF THE DOCUMENTS RELATING TO THE BONDS TO WHICH IT IS A PARTY;

EXCEPT (A) IN THE CASE OF THE FOREGOING INDEMNIFICATION OF THE BONDOWNER REPRESENTATIVE OR ANY OF ITS RESPECTIVE OFFICERS, MEMBERS, DIRECTORS, OFFICIALS, EMPLOYEES, ATTORNEYS AND

AGENTS, TO THE EXTENT SUCH DAMAGES ARE CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNIFIED PARTY; OR (B) IN THE CASE OF THE FOREGOING INDEMNIFICATION OF THE ISSUER OR ANY OF ITS OFFICERS, MEMBERS, DIRECTORS, OFFICIALS, EMPLOYEES, ATTORNEYS AND AGENTS, TO THE EXTENT SUCH DAMAGES ARE CAUSED BY THE WILLFUL MISCONDUCT OF SUCH INDEMNIFIED PARTY. IN THE EVENT THAT ANY ACTION OR PROCEEDING IS BROUGHT AGAINST ANY INDEMNIFIED PARTY WITH RESPECT TO WHICH INDEMNITY MAY BE SOUGHT HEREUNDER, BORROWER, UPON WRITTEN NOTICE FROM THE INDEMNIFIED PARTY, SHALL ASSUME THE INVESTIGATION AND DEFENSE THEREOF, INCLUDING THE EMPLOYMENT OF COUNSEL ACCEPTABLE TO THE INDEMNIFIED PARTY, AND SHALL ASSUME THE PAYMENT OF ALL EXPENSES RELATED THERETO, WITH FULL POWER TO LITIGATE, COMPROMISE OR SETTLE THE SAME IN ITS SOLE DISCRETION; PROVIDED THAT THE INDEMNIFIED PARTY SHALL HAVE THE RIGHT TO REVIEW AND APPROVE OR DISAPPROVE ANY SUCH COMPROMISE OR SETTLEMENT. EACH INDEMNIFIED PARTY SHALL HAVE THE RIGHT TO EMPLOY SEPARATE COUNSEL IN ANY SUCH ACTION OR PROCEEDING AND PARTICIPATE IN THE INVESTIGATION AND DEFENSE THEREOF, AND BORROWER SHALL PAY THE REASONABLE FEES AND EXPENSES OF SUCH SEPARATE COUNSEL; PROVIDED, HOWEVER, THAT SUCH INDEMNIFIED PARTY MAY ONLY EMPLOY SEPARATE COUNSEL AT THE EXPENSE OF BORROWER IF IN THE JUDGMENT OF SUCH INDEMNIFIED PARTY A CONFLICT OF INTEREST EXISTS BY REASON OF COMMON REPRESENTATION OR IF ALL PARTIES COMMONLY REPRESENTED DO NOT AGREE AS TO THE ACTION (OR INACTION) OF COUNSEL.

(b) BORROWER SHALL IMMEDIATELY PAY TO BONDOWNER REPRESENTATIVE OR THE ISSUER, AS THE CASE MAY BE, UPON DEMAND, ANY AMOUNTS OWING UNDER THIS INDEMNITY, TOGETHER WITH INTEREST FROM THE DATE THE INDEBTEDNESS ARISES UNTIL PAID AT THE RATE OF INTEREST APPLICABLE TO THE PRINCIPAL BALANCE OF THE NOTE. THE RIGHTS OF ANY PERSONS TO INDEMNITY HEREUNDER AND RIGHTS TO PAYMENT OF FEES AND REIMBURSEMENT OF EXPENSES HEREUNDER SHALL SURVIVE THE FINAL PAYMENT OR DEFEASANCE OF THE BONDS AND IN THE CASE OF THE BONDOWNER REPRESENTATIVE ANY RESIGNATION OR REMOVAL. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT, CANCELLATION OF THE NOTE AND RELEASE, RECONVEYANCE OR PARTIAL RECONVEYANCE OF THE DEED OF TRUST.

(c) NOTHING CONTAINED IN THIS SECTION 6.23 SHALL IN ANY WAY BE CONSTRUED TO LIMIT THE INDEMNIFICATION RIGHTS OF THE ISSUER CONTAINED IN SECTION [9] OF THE REGULATORY AGREEMENT. WITH RESPECT TO THE ISSUER, THE REGULATORY AGREEMENT SHALL CONTROL IN ANY CONFLICTS BETWEEN THIS SECTION 6.23 AND SECTION [9] OF THE REGULATORY AGREEMENT.

6.24 Keeping Guarantors and Tax Credit Investor Informed. Borrower must keep each of the Guarantors and Tax Credit Investor informed of Borrower's financial condition and business operations, the condition and all uses of the Property, including all changes in condition or use, and any and all other circumstances that might affect Borrower's ability to pay or perform its obligations under this Agreement.

6.25 Status of Borrower.

(a) Throughout the term of this Agreement, Borrower will maintain its existence as a limited partnership under the laws of the State of California in good standing and qualified to transact business in the State and will not wind up or otherwise dispose of all or substantially all of its assets.

(b) Notwithstanding the provisions of the Deed of Trust, Borrower shall not effect a merger, consolidation or transfer if the result thereof would cause the interest on the Bonds (in the hands of any person who is not a "substantial user" of the Project or a "related person") to become includable in gross income for federal income tax purposes.

(c) Upon any change in the status of Borrower, by way of substitution, sale or otherwise of Borrower, the Issuer shall be promptly informed and, if requested, Borrower as newly constituted shall deliver to the Issuer and the Bondholders an instrument in form satisfactory to each of them affirming the liability of Borrower hereunder

6.26 No Amendments; Partnership Documents. Subject to the terms of this Agreement, Borrower shall not amend, modify or terminate any of the following documents without Bondowner Representative's prior written consent and shall keep in full force and effect the following documents:

- (a) The Partnership Documents;
- (b) The Restrictions;
- (c) The Subordinate Loan Documents;
- (d) The Subsidy Contracts;
- (e) The HCD MHP Standard Agreement; and
- (f) The HCD VHHP Standard Agreement.

Notwithstanding the foregoing, General Partner shall be entitled to amend the Partnership Agreement without Bondowner Representative's prior written consent (i) to effectuate the removal and substitution of the general partner or Investor Limited Partner in accordance with and subject to the terms of Section 6.8(d) of this Agreement, or any other transfer and admission which is otherwise permitted without consent hereunder or under the Deed of Trust, (ii) to correct scrivener's errors in the Partnership Agreement, or (iii) to conform the Partnership

Agreement to the requirements of Section 42 of the Code and the regulations promulgated thereunder, the requirements of TCAC or the requirements of the welfare exemption. After any change to the Partnership Agreement, whether it requires Bondowner Representative's consent or not, Borrower shall promptly provide a revised version thereof to Bondowner Representative. Further, during the term of the Loan, General Partner shall not jeopardize in a material way the Property or the financial viability of Borrower by (i) violating its fiduciary responsibilities under the Partnership Agreement, or (ii) willfully violating any law, regulation or order applicable to Borrower, if such violations are not remedied or cured as permitted in the time frames provided under the Partnership Agreement. Borrower shall notify Bondowner Representative and upon Bondowner Representative's reasonable request, shall promptly deliver to Bondowner Representative copies of all written notices by any party under the Partnership Agreement.

Borrower shall not (i) allow or enable Borrower to issue any partnership interests or equity interests other than as set forth in the Partnership Agreement; (ii) dissolve Borrower; (iii) cause the removal or replacement of General Partner other than as expressly provided in Section 6.8(d) of this Agreement; or (iv) except as otherwise permitted under the terms of the Partnership Agreement, materially reduce the amount of the Capital Contributions or alter the time for payment or impair or alter the obligations of the Investor Limited Partner to make or fully fund Capital Contributions in the amounts required pursuant to this Agreement; provided, however, that this Section 6.26 shall not prevent Borrower from accepting any Capital Contributions under the Partnership Agreement, and the Partnership Documents shall remain in full force and effect until all sums owing with respect to the Loan have been paid.

6.27 Negative Covenants. Without Bondowner Representative's prior written consent, Borrower may not:

- (a) engage in any business activities substantially different from Borrower's present business;
- (b) liquidate or dissolve Borrower's business;
- (c) lease (other than to tenants at the Project) or dispose of all or a substantial part of Borrower's business or Borrower's assets; or
- (d) enter into any consolidation, merger, pool, joint venture, syndicate or other combination, except as permitted hereunder or by Section 5.12 of the Deed of Trust.

6.28 Tax Status of Bonds. Borrower hereby covenants, represents and agrees as follows: (a) that Borrower will not take or permit any action to be taken that would adversely affect either the exclusion from gross income for federal income tax purposes of the interest on the Bonds and, if it should take or permit any such action, Borrower will take all lawful actions to rescind such action promptly upon having knowledge thereof; and (b) that Borrower will take such action or actions, including amending the Loan and this Agreement, as determined reasonably necessary in the opinion of Bond Counsel to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the United States Department of the Treasury or the Internal Revenue Service under the Code.

Borrower further covenants and agrees that it will direct all investments in compliance with the Code. Borrower covenants and agrees to cause to be calculated by an arbitrage consultant and pay to the Bondowner Representative any amounts owing to the United States as rebatable arbitrage in accordance with the procedures set forth in the Tax Certificate.

6.29 Incorporation of Tax Certificate. The covenants, representations, warranties and agreements of Borrower set forth in the Tax Certificate are incorporated by reference herein as if fully set forth herein.

6.30 Loss of Tax Exclusion. Borrower understands that the interest rates provided under the Note and this Agreement have been established on the assumption that interest paid on the Bonds will be excludable from the Bondholders' gross income under Section 103 of the Code and applicable State law. In the event that (i) Borrower receives notice from Bondowner Representative that Bondowner Representative has discovered any facts or circumstances that Bond Counsel determines would cause interest paid on the Bonds not to be tax-exempt; or (ii) any Bondholder receives a final determination from the Internal Revenue Service or other Governmental Authority that interest payable on the Bonds is not tax-exempt, then the Effective Rate on the Note shall be increased to the Default Rate. In the event of an increase in the Effective Rate under this Section 6.30, Borrower shall pay to the Bondholders promptly upon demand an amount sufficient to adjust previous payments of interest to the increased rate for any and all periods during which the Bonds are deemed to have not been tax-exempt. BORROWER SHALL ALSO INDEMNIFY, DEFEND AND HOLD ISSUER AND BONDOWNER REPRESENTATIVE HARMLESS FROM ANY PENALTIES, INTEREST EXPENSE OR OTHER COSTS, INCLUDING REASONABLE ATTORNEYS' FEES (INCLUDING ALL CHARGES OF ISSUER'S AND BONDOWNER REPRESENTATIVE'S INTERNAL AND TAX COUNSEL) AND ACCOUNTANTS' COSTS, RESULTING FROM ANY DISPUTE WITH THE INTERNAL REVENUE SERVICE CONCERNING THE EXCLUSION FROM GROSS INCOME FOR FEDERAL INCOME TAX PURPOSES OF INTEREST ON THE BONDS AND THE INTEREST PAYABLE TO ANY BONDHOLDER ON THE BONDS, AND UPON RECEIPT BY BONDOWNER REPRESENTATIVE OF THE AMOUNTS SET FORTH IN THE FOREGOING INDEMNITY, BONDOWNER REPRESENTATIVE SHALL ASSIGN TO BORROWER ANY CLAIMS IT MAY HAVE AGAINST THIRD PARTIES FOR NEGLIGENT ACTS OR OMISSIONS IN CONNECTION WITH THE FAILURE OF INTEREST ON THE BONDS TO BE EXCLUDABLE FROM GROSS INCOME FOR FEDERAL INCOME TAX PURPOSES. THE ISSUER SHALL HAVE THE RIGHT TO ENTER INTO CLOSING AGREEMENTS WITH THE INTERNAL REVENUE SERVICE IN THE ISSUER'S SOLE DISCRETION, AND ANY LIABILITY ARISING UNDER SUCH CLOSING AGREEMENTS SHALL BE PAID BY BORROWER. THE OBLIGATIONS OF BORROWER UNDER THIS PARAGRAPH SHALL SURVIVE TERMINATION OF THIS AGREEMENT AND REPAYMENT OF THE LOAN.

6.31 Taxes, Regulatory Costs and Reserve Percentages. Upon Bondowner Representative's demand, Borrower shall pay to Bondowner Representative, in addition to all other amounts which may be, or become, due and payable under this Agreement and the other Loan Documents, any and all Taxes and Regulatory Costs, to the extent they are not internalized by calculation of an Effective Rate. Further, at Bondowner Representative's option, the Effective Rate shall be automatically adjusted by adjusting the Reserve Percentage, as

determined by Bondowner Representative in its prudent banking judgment, from the date of imposition (or subsequent date selected by Bondowner Representative) of any such Regulatory Costs. Bondowner Representative shall give Borrower notice of any Taxes and Regulatory Costs as soon as practicable after their occurrence, but Borrower shall be liable for any Taxes and Regulatory Costs regardless of whether or when notice is so given.

6.32 Amendment of Regulatory Agreement. Borrower shall not suffer or permit to become effective any restrictions (including, without limitation, any “automatic” amendment of the Regulatory Agreement pursuant to its terms) which imposes requirements with respect to the occupancy, leasing or operation of the Project which are materially more burdensome than those contained in the Regulatory Agreement as of the date of this Agreement, without first obtaining the consent of Bondowner Representative to the imposition of such restriction, which consent shall not be unreasonably withheld in connection with an “automatic” amendment of the Regulatory Agreement pursuant to its terms.

6.33 Tax Covenants. Borrower shall comply with the requirements and conditions of the Tax Certificate and the Regulatory Agreement. Without limiting the foregoing and notwithstanding anything to the contrary in this Agreement, Borrower will not take, or permit to be taken on its behalf, any action which would cause interest on the Bonds to be included in gross income for federal income tax purposes and will take such reasonable action as may be necessary to continue such exclusion from gross income, including:

(a) Borrower will not use the proceeds of the Bonds, or any other funds which may be deemed to be proceeds of the Bonds pursuant to Section 148 of the Code, in the manner which will cause the Bonds to be “arbitrage bonds” within the meaning of such section, and will comply with the requirements of such Section throughout the term of the Bonds;

(b) Borrower will prepare and file any statements required to be filed by it in order to maintain such exclusion;

(c) Borrower will pay to the United States any amount required to be paid by the Issuer or Borrower pursuant to Section 148(f) of the Code, at the times, in the amounts and at the places required in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes, and Borrower shall compute, or cause to be computed, such amounts annually until the earlier of (i) the maturity date of the Bonds or (ii) the date on which no Bonds remain outstanding;

(d) not less than ninety-five percent (95%) of the net proceeds of the Bonds (within the meaning of Section 142(a) of the Code) shall be used to pay Qualified Project Costs;

(e) in order to satisfy the requirements set forth in subpart (4) of the definition of “program investment” that appears in Section 1.148-1(b) of the Treasury Regulations (which requirements must be met in order for the Loan to qualify as a program investment within the meaning of that section), neither Borrower nor any related person will purchase Bonds in an amount related to the amount of the Loan;

(f) no changes will be made to the Project, no actions will be taken by Borrower, and Borrower will not omit to take any actions, which will in any way adversely affect the tax exempt status of the interest on the Bonds;

(g) if Borrower becomes aware of any circumstance, event or condition which would result in the interest payable on the Bonds becoming includable in gross income for federal income tax purposes, Borrower will promptly give written notice of such circumstance, event or condition to the Issuer and the Bondowner Representative;

(h) the full amount of each disbursement from the Loan will be applied to pay or to reimburse Borrower for the payment of Project Costs and, after taking into account any proposed disbursement, (i) at least ninety-five percent (95%) of the net proceeds of the Bonds (as defined in Section 150 of the Code) will be used to pay Qualified Project Costs to provide a qualified residential rental project (as defined in Section 142(d) of the Code), (ii) less than twenty five percent (25%) of the net proceeds of the Bonds will have been disbursed to pay or to reimburse Borrower for the cost of acquiring land, (iii) not more than two percent (2%) of the proceeds of the Bonds will have been used for Costs of Issuance (as defined in the Regulatory Agreement), and (iv) none of the proceeds of the Bonds (as defined for purposes of Section 147(g) of the Code) will be disbursed to provide working capital;

(i) Borrower will cause all of the residential units in the Project (with the exception of one manager's unit(s)) to be rented or available for rental on a basis which satisfies the requirements of the Act, the Code, the Regulatory Agreement and the other Restrictions;

(j) all leases for the Project will comply with all applicable laws and the Regulatory Agreement;

(k) in connection with any lease or grant by Borrower of the use of the Project, Borrower will require that the lessee or user of any portion of the Project not use that portion of the Project in any manner which would violate the covenants set forth in this Agreement, the Regulatory Agreement or the other Restrictions;

(l) no portion of the proceeds of the portion of the Loan shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Loan shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimus amount of the functions to be performed at such office is not related to the day-to-day operations of the Project;

(m) no proceeds of the Bonds will be used, for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property was pursuant to such acquisition; provided, however, that this

limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in the Code) with respect to such building equal or exceed fifteen percent (15%) of the portion of the cost of acquiring such building (and equipment) financed with proceeds of the Bonds; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed one hundred percent (100%) of the portion of the cost of acquiring such structure financed with the proceeds of the Bonds; and

(n) prior to the issuance of the Bonds, the California Debt Limit Allocation Committee shall have transferred a portion of the State of California's private activity bond allocation (within the meaning of Section 146 of the Code) at least equal to the original principal amount of the Bonds.

6.34 Regulatory Agreements. Borrower shall comply with all terms and provisions of the Regulatory Agreement and the other Restrictions and shall not amend any of these agreements without the prior written consent of Bondowner Representative.

6.35 Swap Agreements. If Borrower enters into any Swap Agreement with Bondowner Representative, Borrower shall, upon receipt from Lender, execute promptly all documents evidencing such transaction.

6.36 Subsidy Payments. Borrower will timely perform all obligations of Borrower with respect to the Subsidy Contracts, and shall take all actions necessary to maintain the Subsidy Contracts in full force and effect and to prevent the termination or reduction of the Subsidy Payments to the Project provided thereunder.

ARTICLE 7 INSURANCE

Borrower shall, while any obligation of Borrower or Guarantor under any Loan Document remains outstanding, maintain at Borrower's sole expense, with licensed insurers approved by Bondowner Representative, the following policies of insurance in form and substance satisfactory and with deductible amounts satisfactory to Bondowner Representative:

7.1 Title Insurance. Delivery of the Title Policy is required pursuant to Section 4.1(j). During the term of the Loan, Borrower shall deliver to Bondowner Representative, within five (5) days of Bondowner Representative's written request, such endorsements to the Title Policy as Bondowner Representative may reasonably require. Without limiting the foregoing, upon request of Bondowner Representative after completion of the Improvements, Borrower shall provide a valid Notice of Completion evidencing that the Improvements are 100% complete, and shall cause the Title Company to issue to Bondowner Representative, at Bondowner Representative's option, lien free endorsements to the Title Policy in form and content satisfactory to Bondowner Representative and/or LP-10 Re-Writes to the Title Policy in form and content satisfactory to Bondowner Representative.

7.2 Property Insurance. During the course of construction of the Project, a builder's risk completed value hazard insurance policy in the full replacement cost of the improvements, including, without limitation, such endorsements as Bondowner Representative may require, insuring Bondowner Representative against damage to the Property and Project in an amount accepted to Bondowner Representative. With respect to all completed improvements, a policy of "all risk" comprehensive fire and casualty insurance in the full replacement cost of the improvements, with agreed value and such other endorsements as Bondowner Representative may require, including, without limitation, insurance against acts of terrorism, and policy of rental interruption insurance covering a period of not less than twelve (12) months. Policies required pursuant to this Section 7.2 shall insure against loss from such risks, losses or hazards as Bondowner Representative may from time to time require, including riot, civil commotion, vandalism, malicious mischief, earthquake and earth movement.

7.3 Flood Hazard Insurance. A policy of flood insurance, as required by applicable governmental regulations, or as deemed necessary by Bondowner Representative.

7.4 Liability Insurance. A policy of comprehensive general liability insurance with limits as required by Bondowner Representative, insuring against liability for injury and/or death to any person and/or damage to any property occurring on the Property and/or in the Project from any cause whatsoever naming Bondowner Representative as an additional insured party.

7.5 Other Coverage. Borrower shall provide to Bondowner Representative evidence of such other reasonable insurance in such reasonable amounts as Bondowner Representative may from time to time request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located. Such coverage requirements may include but are not limited to coverage for earthquake, business income, delayed business income, rental loss, sink hole, soft costs, tenant improvements or environmental.

7.6 General. Borrower shall provide to Bondowner Representative insurance certificates or other evidence of coverage in form acceptable to Bondowner Representative, with coverage amounts, deductibles, limits and retentions as required by Bondowner Representative. All insurance policies shall provide that coverage shall not be cancelable or materially changed without 10 days prior written notice to Bondowner Representative of any cancellation for nonpayment of premiums, and not less than 30 days prior written notice to Bondowner Representative of any other cancellation or any modification (including a reduction in coverage). Bondowner Representative shall be named under a Lender's Loss Payable Endorsement (form #438BFU or equivalent) on all insurance policies which Borrower actually maintains with respect to the Property and Improvements. All insurance policies shall be issued and maintained by insurers approved to do business in the State of California and must have A.M. Best Company financial rating and policyholder surplus acceptable to Bondowner Representative.

ARTICLE 8
REPRESENTATIONS AND WARRANTIES OF ISSUER AND BORROWER

8.1 Representations and Warranties of the Issuer. The Issuer makes the following representations and warranties:

(a) The Issuer is a political subdivision and body corporate and politic, duly organized and existing under the laws of the State of California, and is authorized to issue the Bonds to finance a portion of the cost of the Project pursuant to the Act.

(b) The Issuer has lawful power and authority under the Act to enter into this Agreement and the Indenture and to carry out its obligations hereunder and under the Indenture. To the Issuer's knowledge, the execution, delivery and performance of the Bond Documents by the Issuer will not violate any material provision of any law, regulation, order or decree of any Governmental Authority and all consents, approvals, authorizations, orders or filings of or with any State court or governmental agency or body, if any, required for the execution, delivery and performance of such documents by the Issuer have been obtained or made. All requirements have been met and procedures have occurred in order to ensure the enforceability against the Issuer of the Bond Documents. The Issuer has taken all necessary action and has complied with all provisions of the Act required to make the Bond Documents the valid and binding obligations of the Issuer.

(c) To the Issuer's knowledge, the Issuer has not received notice of any pending or threatened action, suit or proceeding, arbitration or governmental investigation against the Issuer, an adverse outcome of which would materially affect the Issuer's performance under the Bond Documents.

(d) To the Issuer's knowledge, the execution, delivery and performance of the Bond Documents by the Issuer will not cause or constitute a material default under or materially conflict with its organizational documents or other agreements to which it is a party or otherwise materially adversely affect performance of the duties of the Issuer under such organizational documents or other agreements.

8.2 Representations and Warranties of Borrower. Borrower makes the following representations and warranties:

(a) Authority/Enforceability/Execution. Borrower is a California limited partnership in good standing under the laws of the State of California. Borrower is in compliance with all laws and regulations applicable to its organization, existence and transaction of business and has all necessary rights and powers to own and develop the Project as contemplated by the Loan Documents. The Borrower has full legal right, power and authority to enter into this Agreement, the other Loan Documents and the Bond Documents, and to carry out and consummate all transactions contemplated hereunder and under the other Loan Documents and Bond Documents, and by proper corporate action has duly authorized the execution, delivery and performance of the Loan Documents and Bond Documents. This Agreement, the other Loan Documents

and the Bond Documents have been duly authorized, executed and delivered by the Borrower. The officers of the Borrower executing the Bond Documents and the Loan Documents are duly and properly in office and fully authorized to execute the same.

(b) Binding Obligations. The Bond Documents and the Loan Documents will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms.

(c) Formation and Organizational Documents. Borrower has delivered to Bondowner Representative all formation and organizational documents of Borrower, of the partners, joint venturers or members of Borrower, if any, and all of the Guarantors of the Loan, if any, and all such formation and organizational documents remain in full force and effect and have not been amended or modified since they were delivered to Bondowner Representative. Borrower shall immediately provide Bondowner Representative with copies of any amendments or modifications of the formation or organizational documents.

(d) No Violation. The execution and delivery of the Bond Documents and the Loan Documents, the consummation of the transactions therein contemplated and the fulfillment of or compliance with the terms and conditions thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Partnership Agreement or other governing documents of Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or the terms of any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of Borrower. No consent or approval of any trustee or holder of any indebtedness of the Borrower, and no consent, permission, authorization, order or license of, or filing or registration with any governmental authority (except with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Bond Documents and the Loan Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

(e) Compliance With Laws. Borrower has, and at all times shall have obtained, all permits, licenses, exemptions, and approvals necessary to construct, occupy, operate and lease the Project, and shall maintain compliance with all governmental requirements applicable to the Project and all other applicable statutes, laws, regulations and ordinances necessary for the transaction of its business.

(f) Litigation. There is no action, suit, proceeding, inquiry or investigation, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of Borrower, after reasonable investigation, threatened, against or affecting Borrower or the financial condition, assets, properties or

operations of Borrower, and Borrower is not in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default would affect the consummation of the transactions contemplated by the Bond Documents and the Loan Documents, or the financial condition, assets, properties or operations of Borrower. All tax returns (federal, state and local) required to be filed by or on behalf of Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by Borrower in good faith in accordance with the requirements of this Agreement, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

(g) Financial Condition. All financial statements and information heretofore delivered to Bondowner Representative by Borrower, including, without limitation, information relating to the financial condition of Borrower, the Project, the partners, joint venturers or members of Borrower, and/or any Guarantor, fairly and accurately represent the financial condition of the subject thereof and have been prepared (except as noted therein) in accordance with generally accepted accounting principles consistently applied. Notwithstanding the use of generally accepted accounting principles, the calculation of liabilities shall NOT include any fair value adjustments to the carrying value of liabilities to record such liabilities at fair value pursuant to electing the fair value option election under FASB ASC 825-10-25 (formerly known as FAS 159, *The Fair Value Option for Financial Assets and Financial Liabilities*) or other FASB standards allowing entities to elect fair value option for financial liabilities. Therefore, the amount of liabilities shall be the historical cost basis, which generally is the contractual amount owed adjusted for amortization or accretion of any premium or discount. Borrower acknowledges and agrees that Bondowner Representative may request and obtain additional information from third parties regarding any of the above, including, without limitation, credit reports.

(h) No Material Adverse Change. There has been no material adverse change in the financial condition of Borrower and/or any of the Guarantor or the General Partner since the dates of the latest financial statements furnished to Bondowner Representative and, except as otherwise disclosed to Bondowner Representative in writing, Borrower has not entered into any material transaction which is not disclosed in such financial statements. No written information, exhibit or report furnished to the Issuer or Bondowner Representative by Borrower in connection with the negotiation of the Bond Documents and the Loan Documents contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(i) Proceeds of the Bonds and Adequacy. The aggregate proceeds of the Loan and the Subordinate Loans, together with the Capital Contributions of Investor

Limited Partner in the amounts specified in the Partnership Agreement, are sufficient to construct the Project in accordance with the terms and conditions of this Agreement and the other Loan Documents.

(j) Accuracy. All reports, documents, instruments, information and forms of evidence delivered to Bondowner Representative by Borrower concerning the Loan or security for the Loan or required by the Loan Documents are accurate, correct and complete and give Bondowner Representative true, accurate and complete knowledge of their subject matter and do not contain any material misrepresentation or omission.

(k) Tax Liability. Borrower has filed all required federal, state, county and municipal tax returns and has paid all taxes and assessments owed and payable, and Borrower has no knowledge of any basis for any additional payment with respect to any such taxes and assessments.

(l) Utilities. All utility services, including, without limitation, gas, water, sewage, electrical and telephone, necessary for the development and occupancy of the Project are available at or within the boundaries of the Property, or Borrower has taken all steps necessary to assure that all such services will be available upon completion of the Project.

(m) Compliance. Borrower is familiar with and in compliance with all governmental requirements for the development of the Property and will conform to and comply with all governmental requirements and the Plans and Specifications.

(n) Americans With Disabilities Act Compliance. To the extent required by applicable law, the Project has been designed and shall be constructed and completed, and thereafter maintained, in strict accordance and full compliance with all of the requirements of the ADA, as amended from time to time.

(o) Tax Credits. Pursuant to the Tax Exempt Reservation Letter ("Reservation Letter") dated _____, Borrower has received a reservation for the Project from TCAC for Federal Tax Credits in the amount of \$_____.00 annually for each of ten (10) years. Borrower shall completely and in a timely manner perform all actions and meet all requirements to maintain and perfect the reservation and Tax Credit allocation, including: (a) timely furnishing to TCAC all of the items required to be furnished to it in order to prevent the expiration of the reservation; and (b) placing the Project in service within the time period prescribed by the Code. If Bondowner Representative determines, in its sole and absolute discretion, that Borrower will not meet the TCAC requirement to place the project "in service" as set forth in the Reservation Letter, Borrower hereby agrees to reapply for the next available allocation of Tax Credits within all time limits and requirements as established by TCAC. Failure to do so is a Default pursuant to Article 15 of this Agreement.

(p) Bond-Related Representations.

(i) In addition to the Bonds, no other obligations have been or are expected to be issued under Section 103 of the Code for sale at substantially the same time as the Bonds are sold pursuant to a common plan of marketing and at substantially the same rate of interest as the Bonds and which are payable in whole or part by Borrower or otherwise have with the Bonds any common or pooled security for the payment of debt service thereon, or which are otherwise treated as the same “issue of obligations” as the Bonds as described in Revenue Ruling No. 81-216.

(ii) Borrower is not in the trade or business of selling properties such as the Project and has acquired the Project for investment purposes only or otherwise for use by Borrower in its trade or business, and therefore Borrower has no present intention to voluntarily sell, surrender or otherwise transfer, in whole or part, its interest in the Project in the foreseeable future except in connection with the purchase option granted to General Partner in accordance with the Partnership Agreement.

(iii) Borrower has reviewed and approved the provisions of the Indenture.

(iv) To the best of Borrower’s knowledge, no member of the governing body of the Issuer or any other officer of the Issuer has any significant or conflicting interest, financial, employment or otherwise, in Borrower, the Project or the transactions contemplated hereby.

(v) The covenants, representations and warranties of Borrower in the Regulatory Agreement are true and correct as of the date hereof and are incorporated herein by reference and made a part of this Agreement.

(vi) Borrower has not entered into the transaction evidenced hereby with the actual intent to hinder, delay or defraud any creditor and Borrower has received reasonably equivalent value in exchange for its obligations hereunder and under the Deed of Trust and the Regulatory Agreement.

(vii) Borrower has no known material contingent liabilities.

(viii) Borrower has no material financial obligation under any financing agreement, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower is a party or by which Borrower or the Project are otherwise bound, other than (a) obligations under this Agreement and the other Loan Documents to which Borrower is a party; (b) the Subordinate Loans; and (c) obligations which may be incurred by Borrower from time to time in the ordinary course of business.

(ix) Borrower has not borrowed or received other debt financing that has not been heretofore repaid in full, except for (a) the Subordinate Loans and (b) equipment financing relating to laundry facilities on the Property.

(x) Borrower is not (a) an “investment company” or a company “controlled by an investment company” within the meaning of the Investment Company Act of 1940, as amended; (b) a “holding company” or a “subsidiary company” of a “holding company” or an “affiliate” of either a “holding company” or a “subsidiary company” within the meaning of the Public Utility Holding Company Act of 1935, as amended; or (c) subject to any other federal or state law or regulation which purports to restrict its ability to borrow money other than Article 15 of the California State Constitution.

(xi) Except as disclosed in the Title Policy, there are no pending or, to the knowledge of Borrower, proposed special or other assessments for public improvements affecting the Project, nor, to the knowledge of Borrower, are there any contemplated improvements to the Property that may result in such special or other assessments.

(xii) No statement of fact made by Borrower herein or in the Loan Documents to which Borrower is a party contains any untrue statement of a material fact or omits to state any material fact necessary to make statements made by Borrower herein or therein not misleading. There is no fact presently known to Borrower which has not been disclosed which adversely affects or, to the best of Borrower’s knowledge, would adversely affect the business, operations or conditions (financial or otherwise) of Borrower.

(xiii) All reports, documents, instruments, information and forms of evidence delivered to Bondowner Representative by Borrower concerning the Loan or required by the Loan Documents are (or, in the case of materials prepared by persons other than Borrower or its partners or Tax Credit Investor, are to the best of Borrower’s knowledge) accurate, correct and sufficiently complete to give Bondowner Representative true and accurate knowledge of their subject matter.

(xiv) Borrower owns directly, and not through any affiliated entity, all of the personal property and fixtures necessary for the operation of the Property for the uses presently being conducted thereon.

(xv) Borrower is not a “foreign person” within the meaning of Section 1445(f)(3) of the Code.

(xvi) Before any Guarantor became obligated in connection with the Loan, Borrower made full disclosure to such Guarantor and Tax Credit Investor regarding Borrower’s financial condition and business operations, the present and former condition, uses and ownership of the Property and all other circumstances bearing upon Borrower’s ability to pay and perform its obligations under the Loan Documents.

(q) Tax Shelter Regulations. Neither Borrower, any guarantor, any non-borrower trustor, nor any subsidiary of any of the foregoing intends to treat the Loan or the transactions contemplated by this Agreement and the other Loan Documents as being a “reportable transaction” (within the meaning of Treasury Regulation Section 1.6011-4). If Borrower or any other party to the Loan determines to take any action inconsistent with such intention, Borrower will promptly notify the Bondowner Representative thereof. If Borrower so notifies the Bondowner Representative, Borrower acknowledges that Bondowner Representative may treat the Loan as part of a transaction that is subject to Treasury Regulation Section 301.6112-1, and Bondowner Representative will maintain the lists and other records, including the identity of the applicable party to the Loan as required by such Treasury Regulation.

(r) Commencement of Construction. As of the Effective Date, construction of the Project on the Property has not commenced and materials to be used in the construction of the Project have not been delivered to or stored on the Property.

8.3 Representations and Warranties of Borrower Related to Certain Tax Matters. Borrower further represents and warrants that:

(a) as of the Closing Date, Borrower is in compliance with all requirements of the Tax Certificate, and the representations set forth in the Tax Certificate pertaining to Borrower and the Project are true and accurate;

(b) the Bonds are not “federally guaranteed” as defined in Section 149(b) of the Code;

(c) in accordance with Section 147(b) of the Code, the weighted average maturity of the Bonds does not exceed one hundred twenty percent (120%) of the weighted average reasonably expected economic life of the facilities (comprising the Project) financed with the proceeds of the Bonds, determined as of the later of the date the Bonds are issued or the date the facilities are expected to be placed in service;

(d) neither Borrower nor, to the best knowledge of Borrower, any “related person” to Borrower (within the meaning of Section 147(a)(2) of the Code), will purchase Bonds pursuant to any arrangement, formal or informal;

(e) the information furnished by Borrower and used by the Issuer in preparing the certificate pursuant to Section 148 of the Code and information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of the issuance of the Bonds;

(f) the construction and equipping of the Project were not commenced prior to the sixtieth (60th) day preceding the adoption of the resolution of the Issuer with respect to the Project on _____, and no obligation for which reimbursement will be sought from proceeds of the Bonds relating to the construction or equipping of the Project was paid or incurred prior to sixty (60) days prior to such date;

(g) the Project is, as of the Closing Date, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable on the Closing Date and the representations and warranties of Borrower in the Regulatory Agreement are true and correct;

(h) Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Act and the Code, and pursuant to leases which comply with all applicable laws; and

(i) no money on deposit in any fund or account in connection with the Bonds, whether or not such money was derived from other sources, will be used by or under the direction of Borrower in a manner which would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

8.4 Tax Exemption; Regulatory Agreement. Borrower hereby covenants, represents and agrees as follows:

(a) not to take or omit to take any action with respect to this Agreement or the Project (solely with respect to Borrower) that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds (so long as the Bonds are not owned by a person or entity which is a “substantial user” of the Property);

(b) to take such action or actions, including amendment of the Regulatory Agreement, as may be necessary in the opinion of Bond Counsel, to preserve or perfect the exclusion of interest on the Bonds from gross income for federal income tax purposes;

(c) to file of record such documents and take such other steps as are necessary in order to insure that the requirements and restrictions of the Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of the Regulatory Agreement in the real property records of the County;

(d) to include the requirements and restrictions contained in the Regulatory Agreement in any deed or other document transferring any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee so to abide; and

(e) to provide to the Issuer notice of any action (other than actions in its ordinary course of business) which impacts the Issuer’s rights hereunder or under the Regulatory Agreement.

8.5 Representations of Borrower as Single Purpose Entity.

(a) Borrower covenants and agrees that it shall not:

(i) (1) except for the Subordinate Loans, incur, create or assume any indebtedness for borrowed money except indebtedness represented by an invoice, statement of account, check, work request, purchase order or other similar document representing expenses relating to activities of Borrower undertaken in accordance with its formation documents or (2) transfer or lease the Project or any interest therein, except as permitted under Section 6.8 hereof;

(ii) engage, directly or indirectly, in any business other than that arising out of or entering into this Agreement and the other Loan Documents to which Borrower is a party and the ownership, management, leasing, construction, development, operation and maintenance of the Project;

(iii) commingle its assets with the assets of any other entity;

(iv) partition the Property except as expressly permitted under the Deed of Trust; or

(v) voluntarily file or consent to the filing of a petition for bankruptcy, reorganization, assignment for the benefit of creditors or similar proceeding under any federal or state bankruptcy, insolvency, reorganization or other similar law, without the unanimous consent of its partners.

Borrower represents and warrants that as the date hereof it does not have any indebtedness or obligations which would cause it to be in violation of the foregoing covenants.

Further, Borrower covenants that it will do or cause to be done all things necessary to preserve and keep in full force and effect its existence, will not engage in, seek or consent to any dissolution, winding up, liquidation, consolidation, merger or asset sale; will not modify its Partnership Documents without the prior written consent of Bondowner Representative except in accordance with Section 6.26 hereof (it being understood that Bondowner Representative's consent may be granted or withheld as to transfers of partnership interests in a manner consistent with Section 5.12 of the Deed of Trust and Sections 6.8 and 6.26 hereof, may be withheld as to any amendment which reduces the obligations of the partners to contribute funds to Borrower below amounts necessary to maintain the Financial Requirements Analysis "in balance", and shall not otherwise be unreasonably withheld); will pay all expenses of the Project from assets of Borrower; will maintain separate books and records and bank accounts; will at all times hold itself out to the public as a separate and distinct legal entity (including in its leasing activities, in entering into any contract and in preparing its financial statements); will file its own tax returns; and will cause its management to meet regularly to carry on its business.

(b) Borrower shall do all things necessary to preserve and keep in full force and effect its existence, rights and privileges under the laws of the State and its right to own property or transact business in the State. Borrower further represents and warrants that it is, and, so long as any portion of the Loan shall remain unpaid, shall do

all things necessary to continue to be, an entity which is formed or organized solely for the purpose of holding, directly, an ownership interest in the Project, does not engage in any business unrelated to such properties and the financing thereof, does not have any assets other than those related to its interest in the properties or the financing thereof or any indebtedness other than as permitted by the Deed of Trust or the other Loan Documents, has its own separate books and records and its own accounts, in each case which are separate and apart from the books and records and accounts of any other entity and will maintain the same as official records, holds itself out as being an entity, separate and apart from any other entity and will conduct its business in its own name.

(c) Borrower will not fail to correct any known misunderstanding regarding the separate identity of Borrower.

(d) Borrower will not assume or guarantee or become obligated for the debts of any other entity or hold out its credit as being available to satisfy the obligations of any other entity; will allocate fairly and reasonably any overhead for shared office space; will not pledge its assets for the benefit of any other person or entity; will not make loans to any person or entity; will not enter into or be a party to any transaction with its partners or affiliates except (a) pursuant to its Partnership Documents as they exist as of the date of this Agreement or (b) in the ordinary course of business and on terms which are no less favorable to it than would be obtained in a comparable arm's-length transaction with an unrelated third party.

Any firm, corporation or partnership which can make the representations and warranties and satisfy the covenants set forth in this Section 8.5 shall constitute a "Single Purpose Entity".

ARTICLE 9 HAZARDOUS MATERIALS

9.1 Special Representations and Warranties. Without in any way limiting the other representations and warranties set forth in this Agreement, and after reasonable investigation and inquiry, Borrower hereby specially represents and warrants to the best of Borrower's knowledge as of the date of this Agreement as follows:

(a) Hazardous Materials. Except as previously disclosed to Bondowner Representative in the Environmental Reports, the Property and Project are not and have not been a site for the use, generation, manufacture, storage, treatment, release, threatened release, discharge, disposal, transportation or presence of any oil, flammable explosives, asbestos, urea formaldehyde insulation, radioactive materials, hazardous wastes, toxic or contaminated substances or similar materials, including, without limitation, any substances which are "hazardous substances," "hazardous wastes," "hazardous materials" or "toxic substances" under the Hazardous Materials Laws, as described below, and/or other applicable environmental laws, ordinances and regulations (collectively, the "Hazardous Materials"). "Hazardous Materials" shall not include materials used in the ordinary course of construction and/or operation of the Property and Project which are used and stored in accordance with all applicable environmental laws, ordinances and regulations.

(b) Hazardous Materials Laws. The Property and Project are in compliance with all laws, ordinances and regulations relating to Hazardous Materials (“Hazardous Materials Laws”), including, without limitation: the Clean Air Act, as amended, 42 U.S.C. Section 7401 et seq.; the Federal Water Pollution Control Act, as amended, 33 U.S.C. Section 1251 et seq.; the Resource Conservation and Recovery Act of 1976, as amended, 42 U.S.C. Section 6901 et seq.; the Comprehensive Environment Response, Compensation and Liability Act of 1980, as amended (including the Superfund Amendments and Reauthorization Act of 1986, “CERCLA”), 42 U.S.C. Section 9601 et seq.; the Toxic Substances Control Act, as amended, 15 U.S.C. Section 2601 et seq.; the Occupational Safety and Health Act, as amended, 29 U.S.C. Section 651, the Emergency Planning and Community Right-to-Know Act of 1986, 42 U.S.C. Section 11001 et seq.; the Mine Safety and Health Act of 1977, as amended, 30 U.S.C. Section 801 et seq.; the Safe Drinking Water Act, as amended, 42 U.S.C. Section 300f et seq.; and all comparable state and local laws, laws of other jurisdictions or orders and regulations.

(c) Hazardous Materials Claims. There are no claims or actions (“Hazardous Materials Claims”) pending or threatened against Borrower, the Property or Project by any governmental entity or agency or by any other person or entity relating to Hazardous Materials or pursuant to the Hazardous Materials Laws.

9.2 Hazardous Materials Covenants. Borrower agrees as follows:

(a) No Hazardous Activities. Borrower shall not cause or permit the Project to be used as a site for the use, generation, manufacture, storage, treatment, release, discharge, disposal, transportation or presence of any Hazardous Materials.

(b) Compliance. Borrower shall comply and cause the Project to comply with all Hazardous Materials Laws.

(c) Notices. Borrower shall immediately notify Bondowner Representative in writing of: (i) the discovery of any Hazardous Materials on, under or about the Project; (ii) any knowledge by Borrower that the Project do not comply with any Hazardous Materials Laws; and (iii) any Hazardous Materials Claims.

(d) Remedial Action. In response to the presence of any Hazardous Materials on, under or about the Project, Borrower shall immediately take, at Borrower’s sole expense, all remedial action required by any Hazardous Materials Laws or any judgment, consent decree, settlement or compromise in respect to any Hazardous Materials Claims.

9.3 Inspection By Bondowner Representative. Upon reasonable prior notice to Borrower, Bondowner Representative, its employees and agents, may from time to time (whether before or after the commencement of a nonjudicial or judicial foreclosure proceeding) enter and inspect the Project for the purpose of determining the existence, location, nature and magnitude of any past or present release or threatened release of an hazardous substance into, onto, beneath or from the Project.

9.4 HAZARDOUS MATERIALS INDEMNITY. BORROWER HEREBY AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS ISSUER AND BONDOWNER REPRESENTATIVE, THEIR GOVERNING BODIES, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, SUCCESSORS AND ASSIGNS FROM AND AGAINST ANY AND ALL LOSSES, DAMAGES, LIABILITIES, CLAIMS, ACTIONS, JUDGMENTS, COURT COSTS AND LEGAL OR OTHER EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES AND EXPENSES) WHICH ISSUER AND BONDOWNER REPRESENTATIVE MAY INCUR AS A DIRECT OR INDIRECT CONSEQUENCE OF THE USE, GENERATION, MANUFACTURE, STORAGE, DISPOSAL, THREATENED DISPOSAL, TRANSPORTATION OR PRESENCE OF HAZARDOUS MATERIALS IN, ON, UNDER OR ABOUT THE PROJECT. BORROWER SHALL IMMEDIATELY PAY TO ISSUER AND BONDOWNER REPRESENTATIVE UPON DEMAND ANY AMOUNTS OWING UNDER THIS INDEMNITY, TOGETHER WITH INTEREST FROM THE DATE THE INDEBTEDNESS ARISES UNTIL PAID AT THE RATE OF INTEREST APPLICABLE TO THE PRINCIPAL BALANCE OF THE NOTE. BORROWER'S DUTY AND OBLIGATIONS TO DEFEND, INDEMNIFY AND HOLD HARMLESS ISSUER AND BONDOWNER REPRESENTATIVE SHALL SURVIVE THE CANCELLATION OF THE NOTE AND THE RELEASE, RECONVEYANCE OR PARTIAL RECONVEYANCE OF THE DEED OF TRUST.

9.5 Legal Effect of Section. Borrower and Bondowner Representative agree that: (a) this Article is intended as Bondowner Representative's written request for information (and Borrower's response) concerning the environmental condition of the real property security as required by California Code of Civil Procedure § 726.5; and (b) each provision in this Article (together with any indemnity applicable to a breach of any such provision) with respect to the environmental condition of the real property security is intended by Bondowner Representative and Borrower to be an "environmental provision" for purposes of California Code of Civil Procedure § 736, and as such it is expressly understood that Borrower's duty to indemnify Bondowner Representative hereunder shall survive: (i) any judicial or non-judicial foreclosure under the Deed of Trust, or transfer of the Property in lieu thereof; (ii) the release and reconveyance or cancellation of the Deed of Trust; and (iii) the satisfaction of all of Borrower's obligations under the Loan Documents.

ARTICLE 10 SET ASIDE LETTERS

10.1 Set Aside Letters. Bondowner Representative shall have no obligation to issue any letter or letters ("Set Aside Letter") to any governmental agency or bonding company whereby Bondowner Representative agrees to allocate proceeds of the Bonds under the Loan Documents for the construction of off-site, common area, or other improvements required by any governmental agency or for which bonds may be required in connection with the development of the Property. If Bondowner Representative agrees, in its sole discretion, to issue a Set Aside Letter, Bondowner Representative may condition the issuance of such Set Aside Letter upon payment of such fee and delivery of such indemnification as Bondowner Representative shall require.

ARTICLE 11
REPORTING COVENANTS

11.1 Financial Information. Borrower shall deliver to Bondowner Representative, as soon as available, but in no event later than one hundred twenty (120) days after Borrower's fiscal year end, a current financial statement (including, without limitation, an audited income and expense statement and balance sheet) signed by authorized representative of Borrower together with any other financial information including, without limitation, annual financial statements, cash flow projections and operating statements requested by Bondowner Representative for the following persons and entities: Borrower, General Partner and Guarantor. Except as otherwise agreed to by Bondowner Representative, all such financial information shall be prepared in accordance with generally accepted accounting principles consistently applied. After completion of construction of the Project, Borrower shall also deliver to Bondowner Representative a rent roll for the Project, in form and level of detail reasonably acceptable to Bondowner Representative.

Within of Bondowner Representative's request, Borrower shall deliver to Bondowner Representative monthly inventory reports, marketing and sales schedules and reports, marketing and sales information and/or leasing information, with respect to all real property projects of Borrower and all general partners, venturers and members of Borrower, all in form and substance acceptable to Bondowner Representative.

Borrower shall deliver to Bondowner Representative quarterly rent rolls, leasing schedules and reports, operating statements and/or such other leasing information as Bondowner Representative shall request with respect to the Property and Improvements, each in form and substance satisfactory to Bondowner Representative.

11.5 Operating Statements For Property and Project. After completion of construction of the Project and until the Construction Loan Maturity Date, Borrower shall deliver to Bondowner Representative on the twenty-fifth (25th) day of each month an "Operating Statement" which shows in detail the amounts and sources of Gross Operating Income received by or on behalf of Borrower and the amounts and purposes of Permitted Operating Expenses paid by or on behalf of Borrower with respect to the Property and Project for the previous month.

(a) "Gross Operating Income" for this purpose shall mean the sum of any and all amounts, payments, fees, rentals, additional rentals, expense reimbursements (including, without limitation, all reimbursements by tenants, lessees, licensees and other users of the Project) discounts or credits to Borrower, income, interest and other monies directly or indirectly received by or on behalf of or credited to Borrower from any person with respect to Borrower's ownership, use, development, operations, leasing,

franchising, marketing or licensing of the Project. Gross Operating Income shall be computed on a cash basis and shall include for each monthly statement all amounts actually received in such month whether or not such amounts are attributable to a charge arising in such month.

(b) “Permitted Operating Expenses” shall mean the following expenses to the extent that such expenses are reasonable in amount and customary for properties of this type: (i) taxes and assessments imposed upon the Project to the extent that such taxes and assessments are required to be paid by Borrower and are actually paid or reserved for by Borrower; (ii) bond assessments; (iii) insurance premiums for casualty insurance (including, without limitation, earthquake, if applicable law requires the Project to be insured by earthquake insurance) and liability insurance carried in connection with the Project, provided, however, if any, insurance is maintained as part of a blanket policy covering the Project and other properties, the insurance premium included in this subparagraph shall be the premium fairly allocable to the Project; (iv) operating expenses incurred by Borrower for the management, operation, cleaning, leasing, maintenance and repair of the Project; and (v) reserves for replacement, operations or other purposes required by any lender, investor, funder or regulator of the Project. Permitted Operating Expenses shall not include any interest or principal payments on the Loan or any allowance for depreciation.

ARTICLE 12 LEASES

12.1 Use of the Project; Leases.

(a) Borrower shall operate the Project in accordance with the requirements of the Regulatory Agreement and all other Restrictions recorded against the Property and consented to by Bondowner Representative in writing.

(b) Borrower shall lease units within the Project only pursuant to a form of lease which has been approved by Bondowner Representative.

ARTICLE 13 DAMAGE, DESTRUCTION AND CONDEMNATION

13.1 Damage and Destruction. If the Bonds are Outstanding when the Project is damaged or destroyed by fire or other casualty, Borrower shall restore the Project if the conditions contained in Section 5.6 of the Deed of Trust are satisfied; otherwise, Borrower shall use any proceeds received in respect of such casualty to prepay the Loan in whole or in part.

13.2 Condemnation. If the Bonds are outstanding when the Project or any part thereof is taken by condemnation or eminent domain or by grant of the Property in lieu thereof (“Condemnation”), Borrower shall restore the Project if the conditions contained in Section 5.6 of the Deed of Trust are satisfied; otherwise Borrower shall use any proceeds received in respect of such Condemnation to prepay the Loan in whole or in part or take such other action, as is required or permitted by the Deed of Trust and the other Loan Documents.

13.3 Parties To Give Notice. In the case of material damage to or destruction of all or any part of the Project, Borrower shall give prompt notice thereof to the Issuer and the Bondowner Representative in the manner prescribed by Section 16.4. In the case of a taking or proposed taking of all or any part of the Project by Condemnation, the party hereto upon which notice of such taking or proposed taking is served shall give prompt notice thereof to the Issuer and the Bondowner Representative in the manner prescribed by Section 16.4. Any such notice shall describe generally the nature and extent of such damage, destruction, taking or proposed taking.

13.4 Conditions to Disbursement of Proceeds. If all of the conditions contained in Section 5.6 of the Deed of Trust are satisfied, proceeds held by Bondowner Representative and funds in Borrower's Funds Account shall be disbursed, subject to the consent of Bondowner Representative, in the same manner and subject to the same conditions (subject to adjustment to reflect the different nature of construction) as applied with respect to the initial disbursement of the Loan.

ARTICLE 14 TERMINATION

14.1 Termination of Agreement; Required Prepayment.

(a) Except during the continuance of a Default, Borrower shall have the option of terminating this Agreement if (i) the Bonds have been paid in full or if provision is otherwise made for payment of the Bonds in such manner that the Indenture will be discharged under Article 10.5 thereof on or before the date of termination, (ii) such prepayment and termination is allowed by the Deed of Trust, (iii) Borrower provides the Bondowner Representative and the Issuer with an opinion of Bond Counsel to the effect that all such conditions have been satisfied; and provided that this Agreement may not be terminated unless and until (x) all of Borrower's obligations under the Loan Documents have been satisfied and (y) all of Borrower's obligations with respect to the Issuer's fees and any rebate obligation have been satisfied and Borrower has so certified to the Issuer and the Bondowner Representative. All obligations of Borrower under Sections 3.3(b), 3.4, 6.23, 6.30, 9.4, 15.5 and 16.30 shall survive termination of this Agreement.

(b) Notwithstanding the foregoing, Borrower may not terminate this Agreement unless and until the Bondowner Representative has on deposit an amount equal to the sum of the following:

(i) Funds on deposit in any fund established under the Indenture and available for that purpose which are sufficient to discharge the Indenture in accordance with Article X thereof; plus

(ii) to the extent not paid under subsection (a) above, an amount equal to the Bondowner Representative's and Issuer's fees and expenses under the Indenture and any other amounts due under Sections 6.23, 6.30, 9.4, 15.5 and 16.30 hereof, accrued and to accrue until the Bonds are fully paid and

redeemed and all other advances, fees, costs and expenses reasonably incurred and to be incurred on or before the termination date by the Bondowner Representative under the Indenture and by the Issuer and the Bondowner Representative under this Agreement and/or the other Loan Documents.

(c) On the termination date, a closing shall be held at any office mutually agreed upon among the Issuer, Borrower and the Bondowner Representative (which closing may be conducted by first-class mail or recognized overnight delivery service). At the closing the Issuer and the Bondowner Representative shall, upon acknowledgment of receipt of the sum set forth in subsection (2) above, execute and deliver to Borrower such release and other instruments as Borrower reasonably determines is necessary to terminate this Agreement. All further obligations of Borrower hereunder (except as specifically provided in Sections 3.3(b), 3.4, 6.23, 6.30, 9.4, 15.5 and 16.30) shall thereupon terminate, provided, however, that Borrower shall also remain obligated to pay or reimburse the Issuer and the Bondowner Representative for the payment of all other fees, costs and expenses unaccounted for in the sum paid in accordance with subsection (b)(ii) above and reasonably incurred before or subsequent to such closing in connection with the Bonds.

ARTICLE 15 DEFAULT AND REMEDIES

15.1 Default. The occurrence of any one or more of the following shall constitute an event of default (hereinafter, “Default”) under this Agreement and the other Loan Documents:

(a) Monetary. Borrower’s failure to pay when due any sums payable under the Note or any of the other Loan Documents or Borrower’s failure to deposit any Borrower’s Funds as and when required under this Agreement; or

(b) Performance of Obligations. Borrower’s failure to perform, keep or observe any term, provisions, conditions, covenant or agreement contained in this Agreement, any other Loan Document, or any other present or future agreement between Borrower and Bondowner Representative and/or evidencing and/or securing the Loan after written notice to Borrower from Bondowner Representative requesting that Borrower cure such failure; provided, however, that if a cure period is provided for the remedy of such failure, Borrower’s failure to perform will not constitute a Default until such date as the specified cure period expires; or

(c) Construction; Use. (i) There is any material deviation in the work of Construction from the Plans and Specifications or governmental requirements or the appearance or use of defective workmanship or materials in constructing the Project, and Borrower fails to remedy the same to Bondowner Representative’s satisfaction within ten (10) days of Bondowner Representative’s written demand to do so; or (ii) there is a cessation of construction of the Project prior to completion for a continuous period of more than fifteen (15) days (except as caused by an event of force majeure for which a longer delay may be permitted under Article V); or (iii) the

construction, sale or leasing of any of the Project in accordance with the Loan Documents is prohibited, enjoined or delayed for a continuous period of more than thirty (30) days; or (iv) utilities or other public services necessary for the full occupancy and utilization of the Project are curtailed for a continuous period of more than thirty (30) days (except as caused by an event of force majeure for which a longer delay may be permitted under Article V); or

(d) Liens, Attachment; Condemnation. (i) The recording of any claim of lien against the Property or Project or the service on Bondowner Representative of any bonded stop notice relating to the Loan and the continuance of such claim of lien or bonded stop notice for thirty (30) days without discharge, satisfaction or provision for payment being made by Borrower in a manner satisfactory to Bondowner Representative; or (ii) the condemnation, seizure or appropriation of, or occurrence of an uninsured casualty with respect to any material portion of the Property or the Project; or (iii) the sequestration or attachment of, or any levy or execution upon any portion of the Property or the Project, any other collateral provided by Borrower under any of the Loan Documents, any monies in Borrower's Funds Account, or any substantial portion of the other assets of Borrower, which sequestration, attachment, levy or execution is not released, expunged or dismissed prior to the earlier of thirty (30) days or the sale of the assets affected thereby; or

(i) The failure of any representation or warranty of Borrower, Guarantor, the General Partner, or any of its officers, employees or agents on behalf of Borrower, in any of the Loan Documents and the continuation of such failure for more than fifteen (15) days after written notice to Borrower from Bondowner Representative requesting that Borrower cure such failure; or (ii) any material adverse change in the financial condition of Borrower, Guarantor, General Partner or any other person or entity in any manner obligated to Bondowner Representative under the Loan Documents from the financial condition represented to Bondowner Representative as of the later of: (1) the Effective Date, or (2) the date upon which the financial condition of such party was first represented to Bondowner Representative; or

(i) The filing of a petition by Borrower for relief under the Bankruptcy Code, or under any other present or future state or federal law regarding bankruptcy, reorganization or other debtor relief law; (ii) the filing of any pleading or an answer by Borrower in any involuntary proceeding under the Bankruptcy Code or other debtor relief law which admits the jurisdiction of the court or the petition's material allegations regarding Borrower's insolvency; (iii) a general assignment by Borrower for the benefit of creditors; (iv) Borrower applying for, or the appointment of, a receiver, Bondowner Representative, custodian or liquidator of Borrower or any of its property; (v) if any insolvency proceeding is commenced by Borrower or any General Partner, or Borrower or any General Partner becomes insolvent or otherwise cannot pay its debts and obligations as such becomes due (or admits the same in writing); or (vi) the dissolution of Borrower, any Guarantor or any Indemnitor; or

(g) Involuntary Bankruptcy. The failure of Borrower to effect a full dismissal of any involuntary petition under the Bankruptcy Code or under any other debtor relief law that is filed against Borrower or in any way restrains or limits Borrower or Bondowner Representative regarding the Loan, the Property or the Project, prior to the earlier of the entry of any court order granting relief sought in such involuntary petition, or sixty (60) days after the date of filing of such involuntary petition; or

Except as otherwise provided in Section 6.8, the occurrence of any material management or organizational change in Borrower or in the partners, venturers or members of Borrower, including, without limitation, any partnership, joint venture or member dispute which Bondowner Representative determines, in its sole and absolute discretion, shall have a material adverse effect on the Loan, on the Project, or on the ability of Borrower or its partners, venturers or members to perform their obligations under the Loan Documents; or

(j) Loss of Priority. With the exception of the Permitted Prior Encumbrances, the failure at any time of the Deed of Trust to be a valid first lien upon the Project or any portion thereof, other than as a result of any release or reconveyance of the Deed of Trust with respect to all or any portion of the Project pursuant to the terms and conditions of this Agreement; or

Except as previously disclosed to Bondowner Representative, the discovery of any significant Hazardous Materials in, on or about the Property or Project subsequent to the Effective Date which Borrower fails to remove or otherwise remediate to the satisfaction of Bondowner Representative by not more than thirty (30) days of such discovery. Any such Hazardous Materials shall be “significant” for this purpose if said Hazardous Materials, in Bondowner Representative’s sole discretion, have a materially adverse impact on the value of the Property or the Project; or

(l) Tax Credit Investor Bankruptcy. Until Tax Credit Investor has made each and every Capital Contribution to Borrower contemplated under this Agreement and the Partnership Agreement subject to the terms thereof, the occurrence of any of the events specified in Sections 15.1(f) or 15.1(g) of this Agreement with respect to any Tax Credit Investor on whose financial resources Bondowner Representative has relied; or

(m) Other Bankruptcy. The occurrence of any of the events specified in Sections 15.1(f) or 15.1(g) of this Agreement with respect to Contractor (unless Contractor is replaced by a contractor satisfactory to Bondowner Representative within ninety (90) days of such occurrence, except that such period shall be limited to thirty

(30) days if such proceedings have a materially adverse impact upon the progress of construction of the Improvements or the availability of the Tax Credits); or

(n) Adverse Financial Condition – Other Than Borrower. Any material adverse change in the financial condition of any Guarantor(s) or Indemnitor(s) from the condition shown on the financial statements submitted to Bondowner Representative and relied upon by Bondowner Representative in making the Loan, the materiality and adverse effect of such change in financial condition to be reasonably determined by Bondowner Representative in accordance with its credit standards and underwriting practices in effect at the time of making such determination; or

(o) Partnership Documents. The failure to comply with Section 6.11 of this Agreement or the occurrence of a default under the Partnership Documents, or failure to satisfy any of the material terms, covenants or conditions of or under the Partnership Documents and the continuation of such failure for more than thirty (30) days from the occurrence thereof; or

(p) Unsecured Indemnity Agreement. The occurrence of a default (and the expiration of all applicable notice and cure periods) under that certain Hazardous Materials Indemnity Agreement (Unsecured) executed by Borrower and Guarantor, as Indemnitor, in favor of Bondowner Representative, and dated of even date herewith, including, without limitation, Indemnitor's failure to perform any covenant, condition or obligation thereunder; or

(q) Tax Credits. The loss of the Tax Credits for the Project or the failure to promptly reapply for the Tax Credits upon Bondowner Representative's request or expiration of the Tax Credits or failure to remain in compliance with TCAC requirements; or

(r) Subordinate Loan Documents. The expiration or termination or occurrence of a breach or default under the documents governing any of the Subordinate Loans or any documents in connection therewith, or failure to satisfy any of the terms or covenants or conditions of or under any of the Subordinate Loans or any documents in connection therewith, in either case following expiration of any applicable notice and cure periods provided therein; or

(s) Withdrawal of General Partner. Except as expressly permitted under the terms of this Agreement, the withdrawal of a General Partner as a general partner and Borrower's failure to provide a substitute or replacement acceptable to Bondowner Representative within thirty (30) days after the occurrence of any such withdrawal; or

(t) Transfer of Assets. The sale, assignment, pledge, hypothecation, mortgage or transfer of all or a substantial portion of assets of Borrower, any Guarantor or any Indemnitor (during the period in which any guaranty or indemnity, as applicable, remains in effect), other than in the ordinary course of business of said entity; or Borrower ceases its operations or sells or otherwise disposes of all or substantially all of the Property or a governmental authority condemns or expropriates, or an order is issued

by a governmental authority for the condemnation or expropriation of all or substantially all of the Property; or

(w) Tax Certificate. Failure by Borrower to perform its obligations under the Tax Certificate, or failure of any of the representations or warranties contained in the Tax Certificate to be and remain true and correct at any time; or

(x) Attachment or Levy. All or any of Borrower's or General Partner's assets in excess of Fifty Thousand Dollars (\$50,000.00) in aggregate value are attached, seized, subjected to a writ or distress warrant, or are levied upon, or come into the possession of any judicial officer or assignee for the benefit of creditors unless, with respect to any such assets, such attachment, seizure, writ, warrant or levy shall be dismissed, released or stayed within ten (10) days of issuance thereof; or

(y) Governmental Lien. A notice of lien, levy or assessment in excess of Fifty Thousand Dollars (\$50,000.00) in the aggregate, is filed of record with respect to any or all of Borrower's or General Partner's assets by the United States Government, or any department, agency or instrumentality thereof, or by any other public authority, or if any taxes or debts owing at any time hereafter to any one or more of such entities in excess of Fifty Thousand Dollars (\$50,000.00) in the aggregate, becomes a lien, whether choate, inchoate or otherwise, upon any or all of Borrower's or General Partner's assets, and the same is not paid or otherwise released within forty-five (45) days of the filing thereof; or

(z) Leases. Borrower is in material default under any lease of any part of the Property and such default is not cured within the time provided for in such lease; or

(aa) Criminal Proceedings. Any criminal proceedings against Borrower or General Partner shall have been instituted or Borrower or General Partner shall be indicted for any crime, in either case for which a forfeiture of a material amount of the Property or any of its other property or assets is a potential penalty and such proceedings or indictment is not dismissed within sixty (60) days; or

(bb) Restrictions. The occurrence of any default by Borrower under any Restrictions that remains uncured beyond any applicable notice and cure period provided for therein; or

(cc) Subsidy Contracts and Subsidy Payments. The occurrence of a default under any Subsidy Contract that is not cured within the cure period set forth in such document, or the amendment, reduction, modification, termination or cancellation of any Subsidy Contract or Subsidy Payments without the prior written consent of Bondowner Representative, or the failure of satisfaction of all conditions precedent to the availability of any Subsidy Payments for the Project as set forth in any Subsidy Contract, or the withdrawal of consent by the Authority or CalHFA, respectively, to the assignment of any Subsidy Contract or Subsidy Payments in favor of Bondowner Representative.

15.2 Remedies.

(a) Whenever any Default shall have occurred and be continuing, the Bondowner Representative, as assignee of the Issuer, may declare all the payments under the Loan payable for the remainder of its term (in an amount equal to that necessary to pay in full the Bonds and the interest thereon, assuming acceleration of the Bonds under the Indenture and to pay all other indebtedness due under this Agreement and the other Loan Documents) to be immediately due and payable, whereupon the same shall become immediately due and payable by Borrower.

(b) Whenever any Default shall have occurred and be continuing, any one or more of the following remedial steps may also be taken to the extent permitted by law:

(i) the Bondowner Representative, as assignee of the Issuer, shall take whatever action at law or in equity as it determines to be appropriate to collect all sums then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement, covenant, representation or warranty of Borrower, under this Agreement or any Other Related Document, or to foreclose on the Property and improvements and/or personal property security for such obligations, or to otherwise compensate the Issuer, the Bondowner Representative and the Bondholders for any damages on account of such Default; and

(ii) the Issuer (without the prior written consent of the Bondowner Representative if the Bondowner Representative is not enforcing the Issuer's rights in a manner to protect the Issuer or is otherwise taking action that brings adverse consequences to the Issuer), may take whatever action at law or in equity may appear necessary or appropriate to enforce its rights to indemnification under Section 6.23, 6.30, 9.4, 15.5 and 16.30 and to collect all sums then due and thereafter to become due to the Issuer under Sections 3.3(b) and 3.4 of this Agreement; provided that the Issuer will not take any action which would prejudice the rights of the Bondowner Representative.

(c) All of Bondowner Representative's and Issuer's rights and remedies are cumulative. If any Default occurs, Issuer's obligation to lend and Bondowner Representative's obligation to consent to disbursements of proceeds of the

Bonds under the Loan Documents automatically terminate, and Bondowner Representative in its sole discretion may withhold any one or more disbursements. Bondowner Representative may also withhold any one or more disbursements after an event occurs that, with notice or the passage of time, could become a Default. No disbursement of proceeds of the Bonds by Bondowner Representative will cure any default of Borrower, unless Bondowner Representative agrees otherwise in writing in each instance.

(d) If Borrower becomes the subject of any Insolvency Proceeding, all of Borrower's obligations under the Loan Documents automatically become immediately due and payable upon the filing of the petition commencing such proceeding, all without notice of default, presentment or demand for payment, protest or notice of nonpayment or dishonor, or other notices or demands of any kind or character. Upon the occurrence of any other Default, all of Borrower's obligations under the Loan Documents may become due and payable immediately without notice of default, presentment or demand for payment, protest or notice of nonpayment or dishonor or other notices or demands of any kind or character, all at Bondowner Representative's option, exercisable in its sole discretion. If such acceleration occurs, Bondowner Representative may apply any undisbursed Loan funds to Borrower's obligations under the Loan Documents, in any order and proportions in Bondowner Representative's sole discretion.

(e) Also upon any Default that occurs during the course of construction of the Project, Bondowner Representative in its sole discretion may enter and take possession of the Project, whether in person, by agent or by court-appointed receiver, and take any and all actions that Bondowner Representative in its sole discretion may consider necessary to complete construction of the Project, including making changes in plans, specifications, work or materials and entering into, modifying or terminating any contractual arrangements, all subject to Bondowner Representative's right at any time to discontinue any work without liability. By choosing to complete the construction of the Project, Bondowner Representative does not assume any liability to Borrower or any other person for completing them or for the manner or quality of their construction, and Borrower expressly waives any such liability. If Bondowner Representative exercises any of the rights or remedies provided in this clause (e), that exercise will not make Bondowner Representative, or cause Bondowner Representative to be deemed, a partner or joint venturer of Borrower. Bondowner Representative in its sole discretion may choose to complete construction in its own name. All sums expended by Bondowner Representative in completing construction will be considered to have been disbursed to Borrower and will be secured by the Deed of Trust and any other collateral held by Bondowner Representative in connection with the Loan; any sums of principal will be considered to be an additional loan to Borrower bearing interest at the Default Rate, and be secured by the Deed of Trust and any other collateral held by Bondowner Representative in connection with the Loan. For these purposes Bondowner Representative, in its sole discretion, may reallocate any line item or cost category of the cost breakdown.

15.3 Disposition of Funds. Any amounts collected pursuant to action taken under Section 15.2 (other than sums collected for the Issuer on account of its rights to indemnification and certain direct payments to be made under Sections 3.3(b), 3.4, 6.23, 6.30, 9.4, 15.5 and 16.30 which sums shall be paid directly to the Issuer) shall be applied in accordance with the provisions of the Indenture.

15.4 Nonexclusive Remedies. No remedy herein conferred upon or reserved to the Issuer or the Bondowner Representative is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Bondowner Representative to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required or as may be required by law.

15.5 Attorneys' Fees and Expenses. If a Default shall exist under this Agreement and the Issuer or the Bondowner Representative employ attorneys or incur other expenses for the collection of any amounts due hereunder, or for the enforcement of performance of any obligation or agreement on the part of Borrower, Borrower shall upon demand pay to the Issuer or the Bondowner Representative, as the case may be, the reasonable fees of such attorneys and such other expenses so incurred.

15.6 Effect of Waiver. In the event any agreement contained in this Agreement is breached by either party and thereafter such breach is waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

15.7 Issuer and Bondowner Representative May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to Borrower or the property of Borrower, the Bondowner Representative or the Issuer (with the prior consent of the Bondowner Representative), shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Issuer and the Bondowner Representative (including any claim for the reasonable compensation, expenses, disbursements and advances of the Issuer and Bondowner Representative, their agents and counsel) allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute the same.

15.8 Restoration of Positions. If the Issuer or the Bondowner Representative has instituted any proceeding to enforce any right or remedy under this Agreement, and such

proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Issuer or the Bondowner Representative, then and in every such case Borrower, the Bondowner Representative and the Issuer shall, subject to any determination in the proceeding, be restored to the positions they held prior to commencement of such proceedings, and thereafter all rights and remedies of the Issuer and the Bondowner Representative shall continue as though no such proceeding had been instituted.

15.9 Suits To Protect the Project. If Borrower shall fail to do so after thirty (30) days prior written notice from the Issuer or the Bondowner Representative, the Issuer or the Bondowner Representative shall have power to institute and to maintain such proceedings as either of them may deem expedient to prevent any impairment of the Project or any portion thereof, by any acts which may be unlawful or in violation of this Agreement, and such suits and proceedings as the Issuer or the Bondowner Representative may deem expedient to protect its interests in the Project or any portion thereof, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of, or compliance with, such enactment, rule or order would impair or adversely affect the Project or be prejudicial to the interests of the Bondowner Representative.

15.10 Performance by Third Parties. The Bondowner Representative or the Issuer, with the consent of the Bondowner Representative, may permit third parties to perform any and all acts or take such action as may be necessary for and on behalf of Borrower to cure any Default hereunder. The acceptance by the Issuer or the Bondowner Representative of any such performance by third parties shall not in any way diminish or absolve Borrower of primary liability hereunder.

15.11 Investor's Notice and Cure Rights. Notwithstanding anything to the contrary contained in the Loan Documents, Bondowner Representative hereby agrees that any cure of any default made or tendered by one or more of Borrower's limited partners within the time for cure required in the Loan Documents shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made by Borrower. Bondowner Representative shall deliver to Tax Credit Investor copies of all notices of default delivered by Bondowner Representative to Borrower under the Loan Documents.

15.12 Exercise of the Issuer's Remedies by Bondowner Representative. Whenever any Default shall have happened and be existing, the Bondowner Representative may, but except as otherwise provided in the Indenture shall not be obligated to, exercise any or all of the rights of the Issuer under this Article 15, with notice to the Issuer.

ARTICLE 16 MISCELLANEOUS PROVISIONS

16.1 Limited Obligation of the Issuer. The Issuer shall not be obligated to pay the principal of or interest on the Bonds, except from moneys and assets paid by the Borrower pursuant to this Agreement. Neither the faith and credit nor the taxing power of the State of California or any political subdivision thereof, nor the faith and credit of the Issuer is pledged to the payment of the principal of or interest on the Bonds. The Issuer shall not be liable for any

costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Agreement, the Bonds or the Indenture, except only to the extent amounts are received for the payment thereof from the Borrower under this Agreement. Any and all liability of the Issuer under the Bond Documents shall be further limited as provided in the Indenture.

16.2 Form of Documents. The form and substance of all documents, instruments, and forms of evidence to be delivered to Bondowner Representative under the terms of this Agreement and any of the Loan Documents shall be subject to Bondowner Representative's approval.

16.3 No Third Parties Benefited. No person other than the Issuer, the Bondowner Representative and Borrower and their permitted successors and assigns shall have any right of action under any of the Loan Documents.

16.4 Notices. All notices, demands, or other communications under this Agreement and the other Loan Documents shall be in writing and shall be delivered to the appropriate party at the address set forth in the Indenture (subject to change from time to time by written notice to all other parties to this Agreement). All communications shall be deemed served upon delivery of, or if mailed, upon the first to occur of receipt or the expiration of three (3) days after the deposit in the United States Postal Service mail, postage prepaid certified mail, return receipt requested and addressed to the address of Borrower or Bondowner Representative at the address specified below or the next Business Day if sent by a recognized overnight courier that provides written confirmation of delivery; provided, however, that non-receipt of any communication as the result of any change of address of which the sending party was not notified or as the result of a refusal to accept delivery shall be deemed receipt of such communication. Bondowner Representative shall deliver a copy of all notices sent to Borrower to Investor Limited Partner at the following address, provided that Bondowner Representative shall have no liability to Tax Credit Investor for failure to deliver and failure to deliver a copy to Investor Limited Partner shall not render any notice to Borrower invalid:

Borrower hereby irrevocably appoints and authorizes Bondowner Representative, as Borrower's attorney-in-fact, which agency is coupled with an interest, to execute and/or record in Bondowner Representative's or Borrower's name any notices, instruments or documents that Bondowner Representative deems appropriate to protect Bondowner Representative's interest under any of the Loan Documents.

16.6 Actions. Borrower agrees that Bondowner Representative, in exercising the rights, duties or liabilities of Bondowner Representative or Borrower under the Loan Documents, may commence, appear in or defend any action or proceeding purporting to affect the Property, the Project, or the Loan Documents and Borrower shall immediately reimburse Bondowner Representative upon demand for all such expenses so incurred or paid by Bondowner Representative, including, without limitation, attorneys' fees and expenses and court costs.

16.7 Right of Contest. Borrower may contest in good faith any claim, demand, levy or assessment (other than liens and stop notices) by any person other than Bondowner Representative which would constitute a Default if: (a) Borrower pursues the contest diligently, in a manner which Bondowner Representative determines is not prejudicial to Bondowner Representative, and does not impair the rights of Bondowner Representative under any of the Loan Documents; and (b) Borrower deposits with Bondowner Representative any funds or other forms of assurance which Bondowner Representative in good faith determines from time to time appropriate to protect Bondowner Representative from the consequences of the contest being unsuccessful. Borrower's compliance with this Section shall operate to prevent such claim, demand, levy or assessment from becoming a Default.

16.8 Relationship of Parties. The relationship of Borrower and Bondowner Representative under the Loan Documents is, and shall at all times remain, solely that of Borrower and Bondowner Representative, and Bondowner Representative neither undertakes nor assumes any responsibility or duty to Borrower or to any third party with respect to the Property or Project, except as expressly provided in this Agreement and the other Loan Documents.

16.9 Delay Outside Bondowner Representative's Control. Bondowner Representative shall not be liable in any way to Borrower or any third party for Bondowner Representative's failure to perform or delay in performing under the Loan Documents (and Bondowner Representative may suspend or terminate all or any portion of Bondowner Representative's obligations under the Loan Documents) if such failure to perform or delay in performing results directly or indirectly from, or is based upon, the action, inaction, or purported action, of any governmental or local authority, or because of war, rebellion, insurrection, strike, lock-out, boycott or blockade (whether presently in effect, announced or in the sole judgment of Bondowner Representative deemed probable), or from any Act of God or other cause or event beyond Bondowner Representative's control.

16.10 Attorneys' Fees and Expenses; Enforcement. If any attorney is engaged by any party to this Agreement to enforce or defend any provision of this Agreement, any of the other Loan Documents or Other Related Documents, or as a consequence of any Default under the Loan Documents, with or without the filing of any legal action or proceeding, Borrower shall immediately pay, upon demand, the amount of all attorneys' fees and expenses and all costs incurred by any party in connection therewith, together with interest thereon from the date of such demand until paid at the Default Rate.

16.11 Immediately Available Funds. Unless otherwise expressly provided for in this Agreement, all amounts payable by Borrower to Bondowner Representative shall be payable only in United States currency, immediately available funds.

16.12 Bondowner Representative's Consent. Wherever in this Agreement there is a requirement for Bondowner Representative's consent and/or a document to be provided or an action taken "to the satisfaction of Bondowner Representative", it is understood by such phrase that Bondowner Representative shall exercise its consent, right or judgment in a reasonable manner given the specific facts and circumstances applicable at the time.

16.13 Signs; Publicity. Bondowner Representative may place on the Property reasonable signs standard to construction loan transactions stating that construction financing is being provided by the Bonds which have been purchased by Holder. Borrower hereby agrees that Bondowner Representative, at its expense, may publicize the financing of the Property and, in connection therewith, may use the address, description and a photograph or other illustrative drawing of the Property.

16.14 Bondowner Representative's Agents. Bondowner Representative may designate an agent or independent contractor to exercise any of Bondowner Representative's rights under this Agreement and any of the other Loan Documents. Any reference to Bondowner Representative in any of the Loan Documents shall include Bondowner Representative's agents, employees or independent contractors. Borrower shall pay the costs of such agent or

independent contractor either directly to such person or to Bondowner Representative in reimbursement of such costs, as applicable.

16.15 Tax Service. Bondowner Representative is authorized to secure, at Borrower's expense, a tax service contract with a third party vendor which shall provide tax information on the Property and Project satisfactory to Bondowner Representative.

16.16 Severability. If any provision or obligation under this Agreement and the other Loan Documents shall be determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, that provision shall be deemed severed from the Loan Documents and the validity, legality and enforceability of the remaining provisions or obligations shall remain in full force as though the invalid, illegal, or unenforceable provision had never been a part of the Loan Documents, provided, however, that if the rate of interest or any other amount payable under the Note or this Agreement or any other Loan Document, or the right of collectibility therefor, are declared to be or become invalid, illegal or unenforceable, Bondowner Representative's obligations to make advances under the Loan Documents shall not be enforceable by Borrower.

16.17 Time. Time is of the essence of each and every term of this Agreement.

16.18 Headings. All Article, Section or other headings appearing in this Agreement and any of the other Loan Documents are for convenience of reference only and shall be disregarded in construing this Agreement and any of the other Loan Documents.

16.19 Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with the laws of the State of California, except to the extent preempted by federal laws. Borrower and all persons and entities in any manner obligated to Bondowner Representative under the Loan Documents consent to the jurisdiction of any federal or State court within the State having proper venue and also consent to service of process by any means authorized by State or federal law.

16.20 Integration; Interpretation. The Loan Documents contain or expressly incorporate by reference the entire agreement of the parties with respect to the matters contemplated therein and supersede all prior negotiations or agreements, written or oral. The Loan Documents shall not be modified except by written instrument executed by all parties. Any reference in any of the Loan Documents to the Property or Project shall include all or any part of the Property or Project. Any reference to the Loan Documents includes any amendments, renewals or extensions now or hereafter approved by Bondowner Representative in writing.

16.21 Joint and Several Liability. The liability of all persons and entities obligated in any manner under this Agreement and any of the Loan Documents shall be joint and several.

16.22 Counterparts. This Agreement, any of the other Loan Documents (except for the Note), any Other Related Documents and any subsequent modifications, amendments, waivers, consents or supplements thereof, if any, may be executed in any number of counterparts, each of which when executed and delivered shall be deemed to be an original and all such counterparts together, shall constitute one and the same instrument.

16.23 Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon the Issuer, Bondowner Representative and Borrower and their respective successors and assigns.

16.24 Amendments, Changes and Modifications. Except as otherwise provided in this Agreement or the Indenture, subsequent to the issuance of the Bonds, this Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the holders of a majority of the aggregate principal amount of the Bonds then outstanding.

16.25 Required Approvals. Consents and approvals required by this Agreement to be obtained from Borrower, the Issuer or the Bondowner Representative shall be in writing and shall not be unreasonably withheld or delayed.

16.26 Limitation on Liability. No member, officer, agent or employee of the Bondowner Representative or the Issuer or any limited partner, director, officer, agent or employee of Borrower shall be individually or personally liable for the payment of any principal (or redemption price) or interest on the Bonds or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Agreement; but nothing herein contained shall relieve any such limited partner, member, director, officer, agent or employee from the performance of any official duty provided by law or by this Agreement. The Borrower hereby acknowledges that the Issuer's sole source of moneys to repay the Bonds will be provided by the payments made by the Borrower pursuant to this Agreement, together with investment income on certain funds and accounts held by the Bondowner Representative pursuant to this Agreement and the Indenture, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal of or interest on the Bonds as the same shall become due, whether by maturity, redemption, acceleration or otherwise, then upon notice from the Bondholder, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal or interest, including, but not limited to any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Bondholder, the Borrower, the Issuer or any third party, as the case may be.

16.27 No Waiver; Consents. No alleged waiver by Bondowner Representative or Issuer will be effective unless in writing, and no waiver will be construed as a continuing waiver. No waiver may be implied from any delay or failure by Bondowner Representative or Issuer to take action on account of any default of Borrower or to exercise any right or remedy against Borrower or any security. Consent by Bondowner Representative or Issuer to any act or omission by Borrower may not be construed as a consent to any other or subsequent act or omission or as a waiver of the requirement for Bondowner Representative's or the Issuer's consent to be obtained in any future or other instance. All rights and remedies of Bondowner Representative and the Issuer, respectively, are cumulative.

16.28 Purpose and Effect of Bondowner Representative Approval. Bondowner Representative's approval of any matter in connection with the Loan is for the sole purpose of protecting the Issuer's security and rights of Bondowner Representative and the Bondholders. No such approval will result in a waiver of any default of Borrower. In no event may

Bondowner Representative's approval be a representation of any kind with regard to the matter being approved.

16.29 No Commitment to Increase Loan. From time to time, Bondowner Representative may approve changes to the Plans and Specifications at Borrower's request and also require Borrower to make corrections to the work of construction, all on and subject to the terms and conditions of this Agreement. Borrower acknowledges that no such action or other action by Bondowner Representative will in any manner commit or obligate the Issuer or Bondowner Representative to increase the amount of the Loan.

16.30 INDEMNITY REGARDING CONSTRUCTION AND OTHER RISKS. BORROWER INDEMNIFIES, DEFENDS AND HOLDS THE INDEMNIFIED PARTIES HARMLESS FROM AND AGAINST ANY AND ALL LIABILITIES DIRECTLY OR INDIRECTLY ARISING OUT OF OR RESULTING FROM CONSTRUCTION OF ANY PROJECT ON THE PROPERTY, INCLUDING ANY DEFECTIVE WORKMANSHIP OR MATERIALS; OR ANY FAILURE TO SATISFY ANY REQUIREMENTS OF ANY LAWS, REGULATIONS, ORDINANCES, GOVERNMENTAL POLICIES OR STANDARDS, REPORTS, SUBDIVISION MAPS OR DEVELOPMENT AGREEMENTS THAT APPLY OR PERTAIN TO THE PROPERTY; OR BREACH OF ANY REPRESENTATION OR WARRANTY MADE OR GIVEN BY BORROWER TO ANY OF THE INDEMNIFIED PARTIES OR TO ANY PROSPECTIVE OR ACTUAL BUYER OF ALL OR ANY PORTION OF THE PROPERTY; OR ANY CLAIM OR CAUSE OF ACTION OF ANY KIND BY ANY PARTY THAT ANY INDEMNIFIED PARTY IS LIABLE FOR ANY ACT OR OMISSION OF BORROWER OR ANY OTHER PERSON OR ENTITY IN CONNECTION WITH THE OWNERSHIP, SALE, OPERATION OR DEVELOPMENT OF THE PROPERTY; PROVIDED, HOWEVER, THAT BORROWER SHALL HAVE NO OBLIGATION TO INDEMNIFY, DEFEND OR HOLD HARMLESS (i) BONDOWNER REPRESENTATIVE TO THE EXTENT THAT ANY OF THE FOREGOING LIABILITIES ARISE OUT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF BONDOWNER REPRESENTATIVE, OR (ii) ISSUER TO THE EXTENT THAT ANY OF THE FOREGOING LIABILITIES ARISE OUT OF THE WILLFUL MISCONDUCT OF ISSUER. THE PROVISIONS OF THIS SECTION 16.30 SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

16.31 Relationships With Other Bondowner Representative Customers. From time to time, Bondowner Representative may have business relationships with Borrower's customers, suppliers, contractors, tenants, partners, shareholders, officers or directors, or with businesses offering products or services similar to those of Borrower, or with persons seeking to invest in, borrow from or lend to Borrower. Borrower agrees that Bondowner Representative may extend credit to such parties and take any action it deems necessary to collect the credit, regardless of the effect that such extension or collection of credit may have on Borrower's financial condition or operations. Borrower further agrees that in no event will Bondowner Representative be obligated to disclose to Borrower any information concerning any other Bondowner Representative customer.

16.32 Disclosure to Title Company. Without notice to or the consent of Borrower, Bondowner Representative may disclose to any title insurance company insuring any

interest of Bondowner Representative under the Deed of Trust (whether as primary insurer, coinsurer or reinsurer) any information, data or material in Bondowner Representative's possession relating to Borrower, the Loan, the Project or the Property.

16.33 Restriction on Personal Property. Except for the replacement of personal property made in the ordinary course of Borrower's business with items of equal or greater value, Borrower may not sell, convey or otherwise transfer or dispose of its interest in any personal property in which Bondowner Representative has a security interest or contract to do any of the foregoing, without the prior written consent of Bondowner Representative in each instance.

16.34 Interpretation. The language of this Agreement must be construed as a whole according to its fair meaning, and not strictly for or against any party. Whenever the context requires, all words used in the singular will be construed to have been used in the plural, and vice versa, and each gender will include any other gender. The captions of the sections of this Agreement are for convenience only and do not define or limit any terms or provisions. The word "include(s)" means "include(s), without limitation," and the word "including" means "including, but not limited to." No listing of specific instances, items or matters in any way limits the scope or generality of any language of this Agreement.

16.35 Loan Commission. Bondowner Representative is not obligated to pay any brokerage commission or fee in connection with or arising out of the Loan. Borrower must pay any and all brokerage commissions or fees arising out of or in connection with the Loan.

16.36 Compliance with Usury Laws. Notwithstanding any other provision of this Agreement, it is agreed and understood that in no event shall this Agreement, with respect to the Note or other instrument of indebtedness, be construed as requiring Borrower or any other person to pay interest and other costs or considerations that constitute interest under any applicable law which are contracted for, charged or received pursuant to this Agreement in an amount in excess of the maximum amount of interest allowed under any applicable law. In the event of any acceleration of the payment of the principal amount of the Note or other evidence of indebtedness, that portion of any interest payment in excess of the maximum legal rate of interest, if any, provided for in this Agreement or related documents shall be canceled automatically as of the date of such acceleration, or if theretofore paid, credited to the principal amount. The provisions of this Section 16.36 prevail over any other provision of this Agreement.

16.37 USA Patriot Act Notice Compliance. The USA Patriot Act of 2001 (Public Law 107.56) and federal regulations issued with respect thereto require all financial institutions to obtain, verify and record certain information that identifies individuals or business entities which open an "account" with such financial institution. Consequently, Bondowner Representative may from time to time request, and Borrower shall provide to Bondowner Representative, Borrower's name, address, tax identification number and/or such other identification information as shall be necessary for Bondowner Representative to comply with federal law. An "account" for this purpose may include, without limitation, a deposit account, cash management service, a transaction or asset account, a credit account, a loan or other extension of credit and/or other financial services product.

16.38 Loan Sales and Participations; Disclosure of Information. Borrower acknowledges the intention of the parties to facilitate the marketability of the Loan to purchasers in the secondary market and agrees that Bondowner Representative may elect, at any time, to sell, assign or grant participations in all or any portion of its rights and obligations under the Loan Documents, and that any such sale, assignment or participation may be to one or more financial institutions, private investors, and/or other entities, at Bondowner Representative's sole discretion ("Participant"). Borrower further agrees that Bondowner Representative may disseminate to any such actual or potential purchaser(s), assignee(s) or participant(s) all documents and information (including, without limitation, all financial information) which has been or is hereafter provided to or known to Bondowner Representative with respect to: (a) the Property and Improvements and its operation; (b) any party connected with the Loan (including, without limitation, the Borrower, any partner of Borrower, any constituent partner or member of Borrower, any Guarantor); and/or (c) any lending relationship other than the Loan which Bondowner Representative may have with any party connected with the Loan. In the event of any such sale, assignment or participation, Bondowner Representative and the parties to such transaction shall share in the rights and obligations of Bondowner Representative as set forth in the Loan Documents only as and to the extent they agree among themselves. In connection with any such sale, assignment or participation, Borrower further agrees that the Loan Documents shall be sufficient evidence of the obligations of Borrower to each purchaser, assignee, or participant, and upon written request by Bondowner Representative, Borrower shall enter into such amendments or modifications to the Loan Documents as may be reasonably required in order to evidence any such sale, assignment or participation. The indemnity obligations of Borrower under the Loan Documents shall also apply with respect to any purchaser, assignee or participant. Notwithstanding the foregoing, nothing herein shall be construed to limit the restrictions on transfer of the Bonds set forth in the Indenture.

16.39 Radon Testing. Borrower shall cause its environmental consultant to test not less than ten percent (10%) of the lowest level residential units at the Project for radon gas, with not less than one such test completed for each building on the Property. Such tests shall be conducted in residential unit living rooms, dens or bedrooms and shall not be conducted in bathrooms, kitchens, hallways or closets. The results of such tests shall be acceptable to Bondowner Representative and satisfy the requirements of Investor Limited Partner under the Partnership Documents and HCD in connection with its commitments to fund the HCD MHP Loan and HCD VHHP Loan; provided, however, that if required by Bondowner Representative, Investor Limited Partner or HCD, Borrower shall take appropriate mitigation actions regarding such radon gas as may be required by Bondowner Representative, Investor Limited Partner or HCD, as applicable. Borrower shall provide to Bondowner Representative evidence of the testing for radon gas in accordance with the terms of this Section, together with final test results satisfying the requirements hereof.

Additional Terms and Conditions to the Disbursement Instruction Agreement

Definitions. The following capitalized terms shall have the meanings set forth below:

"Authorized Representative" means any or all of the Closing Disbursement Authorizers, Subsequent Disbursement Authorizers and Restricted Account Disbursement Authorizers, as applicable.

"Receiving Bank" means the financial institution where a Receiving Party maintains its account.

"Receiving Party" means the ultimate recipient of funds pursuant to a Disbursement Request.

"Restricted Account" means an account at Wells Fargo Bank, N.A. associated with the Loan to which Borrower's access is restricted.

Capitalized terms used in these Additional Terms and Conditions to Disbursement Instruction Agreement and not otherwise defined herein shall have the meanings given to such terms in the body of the Agreement.

Disbursement Requests. Bondowner Representative must receive Disbursement Requests in writing. Verbal requests are not accepted. Disbursement Requests will only be accepted from the applicable Authorized Representatives designated in the Disbursement Instruction Agreement. Disbursement Requests will be processed subject to satisfactory completion of Bondowner Representative's customer verification procedures. Bondowner Representative is only responsible for making a good faith effort to execute each Disbursement Request and may use agents of its choice to execute Disbursement Requests. Funds disbursed pursuant to a Disbursement Request may be transmitted directly to the Receiving Bank, or indirectly to the Receiving Bank through another bank, government agency, or other third party that Bondowner Representative considers to be reasonable. Bondowner Representative will, in its sole discretion, determine the funds transfer system and the means by which each Disbursement will be made. Bondowner Representative may delay or refuse to accept a Disbursement Request if the Disbursement would: (i) violate the terms of this Agreement; (ii) require use of a bank unacceptable to Bondowner Representative or prohibited by government authority; (iii) cause Bondowner Representative to violate any Federal Reserve or other regulatory risk control program or guideline; or (iv) otherwise cause Bondowner Representative to violate any applicable law or regulation.

Limitation of Liability. Bondowner Representative shall not be liable to Borrower or any other parties for: (i) errors, acts or failures to act of others, including other entities, banks, communications carriers or clearinghouses, through which Borrower's requested Disbursements may be made or information received or transmitted, and no such entity shall be deemed an agent of Bondowner Representative; (ii) any loss, liability or delay caused by fires, earthquakes, wars, civil disturbances, power surges or failures, acts of government, labor disputes, failures in communications networks, legal constraints or other events beyond Bondowner Representative's control; or (iii) any special, consequential, indirect or punitive damages, whether or not (A) any claim for these damages is based on tort or contract or (B) Bondowner Representative or Borrower knew or should have known the likelihood of these damages in any situation. Bondowner Representative makes no representations or warranties other than those expressly made in this Agreement. IN NO EVENT WILL BONDOWNER REPRESENTATIVE BE LIABLE FOR DAMAGES ARISING DIRECTLY OR INDIRECTLY IF A DISBURSEMENT REQUEST IS EXECUTED BY BONDOWNER REPRESENTATIVE IN GOOD FAITH AND IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT.

Reliance on Information Provided. Bondowner Representative is authorized to rely on the information provided by Borrower or any Authorized Representative in or in accordance with this Agreement when executing a Disbursement Request until Bondowner Representative has received a new Agreement signed by Borrower. Borrower agrees to be bound by any Disbursement Request: (i) authorized or transmitted by Borrower; or (ii) made in Borrower's name and accepted by Bondowner Representative in good faith and in compliance with this Agreement, even if not properly authorized by Borrower. Bondowner Representative may rely solely (i) on the account number of the Receiving Party, rather than the Receiving Party's name, and (ii) on the bank routing number of the Receiving Bank, rather than the Receiving Bank's name, in executing a Disbursement Request. Bondowner Representative is not obligated or required in any way to take any actions to detect errors in information provided by Borrower or an Authorized Representative. If Bondowner Representative takes any

actions in an attempt to detect errors in the transmission or content of transfers or requests or takes any actions in an attempt to detect unauthorized Disbursement Requests, Borrower agrees that, no matter how many times Bondowner Representative takes these actions, Bondowner Representative will not in any situation be liable for failing to take or correctly perform these actions in the future, and such actions shall not become any part of the Disbursement procedures authorized herein, in the Loan Documents, or in any agreement between Bondowner Representative and Borrower.

International Disbursements. A Disbursement Request expressed in US Dollars will be sent in US Dollars, even if the Receiving Party or Receiving Bank is located outside the United States. Bondowner Representative will not execute Disbursement Requests expressed in foreign currency unless permitted by the Loan Agreement.

Errors. Borrower agrees to notify Bondowner Representative of any errors in the Disbursement of any funds or of any unauthorized or improperly authorized Disbursement Requests within fourteen (14) days after Bondowner Representative's confirmation to Borrower of such Disbursement. If Bondowner Representative is notified that it did not disburse the full amount requested in a Disbursement Request, Bondowner Representative's sole liability will be to promptly disburse the amount of the stated deficiency. If Bondowner Representative disburses an amount in excess of the amount requested in a Disbursement Request, Bondowner Representative will only be liable for such excess amount to the extent that Borrower does not receive the benefit of such amount.

Finality of Disbursement Requests. Disbursement Requests will be final and will not be subject to stop payment or recall; provided that Bondowner Representative may, at Borrower's request, make an effort to effect a stop payment or recall but will incur no liability whatsoever for its failure or inability to do so.

Section 2. Representations, Covenants and Warranties of the Borrower. The Borrower hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The statements made in the various certificates delivered by the Borrower to the Issuer or the Bondowner Representative on the Closing Date are true and correct.

(b) The Borrower (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds of the Loan to be applied in a manner contrary to the requirements of the Loan Agreement or this Regulatory Agreement.

(c) The Borrower will not take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds (it being acknowledged, however, that the foregoing does not apply to Bonds owned by a "substantial user" of the Project or a "related person" to the Borrower within the meaning of Section 147(a) of the Code), or the exemption from California personal income taxation of the interest on the Bonds and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(d) The Borrower will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the Issuer and the Borrower, to comply fully with the Act, the Code and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service to the extent necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds (it being acknowledged, however, that the foregoing does not apply to Bonds owned by a

“substantial user” of the Project or a “related person” to the Borrower within the meaning of Section 147(a) of the Code).

(e) The acquisition by the Borrower of the Project and the commencement of the construction of the Project occurred after the date which was 60 days prior to the Inducement Date. The Borrower has incurred a substantial binding obligation to expend proceeds of the Loan pursuant to which the Borrower is obligated to expend at least five percent (5%) of the maximum principal amount of the Loan.

(f) The Borrower will proceed with due diligence to complete the acquisition and construction of the Project and the full expenditure of the proceeds of the Loan. The Borrower reasonably expects to complete the Project and to expend the full \$ _____ principal amount of the Loan for Project Costs by _____ 1, 20__.

(g) The Borrower’s reasonable expectations respecting the total expenditure of the proceeds of the Loan have been accurately set forth in a certificate of the Borrower delivered to the Issuer on the Closing Date. At all times, the aggregate disbursements of the proceeds of the Loan will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an amount equal to ninety-seven percent (97%) or more of such disbursements, and less than twenty-five percent (25%) of such disbursements shall have been used to pay for the acquisition of land or an interest therein.

(h) The Borrower will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of the Loan Agreement, this Regulatory Agreement, the Act or the Code.

(i) On the Completion Date, the Borrower shall deliver to the Issuer and the Bondowner Representative a duly executed Completion Certificate.

(j) The Borrower acknowledges that the Issuer may appoint an Administrator other than the Issuer to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. In such event, the Borrower shall comply with any reasonable request by the Issuer or the Administrator to deliver to any such Administrator, in addition to or instead of the Issuer, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by the Administrator as an agent of the Issuer.

(k) Within thirty (30) days after the date on which fifty percent (50%) of the dwelling units in the Project are first occupied, the Borrower will submit to the Issuer (with a copy to the Bondowner Representative), and will cause to be recorded in the County Recorder’s office, a duly executed and completed Certificate as to Commencement of Qualified Project Period in the form of Exhibit D hereto.

(l) Money on deposit in any fund or account in connection with the Bonds, whether or not such money was derived from other sources, shall not be used by or under the direction of the Borrower, in a manner which would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code, and the Borrower specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the Bonds from being “arbitrage bonds” under the Code.

(m) All of the proceeds of the Bonds and earnings from the investment of such proceeds will be used to pay Project Costs; and no more than two percent (2%) of the proceeds of the Bonds will be used to pay issuance costs of the Bonds, within the meaning of Section 147(g) of the Code.

(n) The Borrower shall file the annual certification required by Section 142(d)(7) of the Code with the Internal Revenue Service, and shall provide a copy thereof to the Administrator and the Bondowner Representative.

(o) No portion of the proceeds of the Bonds shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. No portion of the proceeds of the Bonds shall be used for an office unless the office is located on the premises of the facilities constituting the Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

(p) In accordance with Section 147(b) of the Code, the average maturity of the Bonds does not exceed 120% of the average reasonably expected economic life of the facilities being financed by the Bonds.

(q) The Borrower hereby incorporates herein, as if set forth in full herein, each of the representations, covenants and warranties of the Borrower contained in the Tax Certificate.

(r) The Borrower shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and with all applicable requirements of Section 65863.11 of the California Government Code.

(s) The Borrower shall remit to Old Republic Title Company, on the Closing Date, the amount of the Initial Disbursement (as defined in the Indenture), to be used to pay Project Costs.

(t) Notwithstanding the provisions of Section 6.33(c) of the Loan Agreement, and in addition thereto, the Borrower agrees to obtain a written report from an independent firm with experience in calculating excess investment earnings for purposes of Section 148(f) of the Code, not less than once on or about each five year anniversary of the Closing Date and within thirty (30) days of the date the Bonds have been paid in full, determining that either (i) no excess investment earnings subject to

rebate to the federal government under Section 148(f) of the Code have arisen with respect to the Bonds in the prior five-year period (or, with respect to the final such report following the repayment of the Bonds, have arisen since the last five-year report); or (ii) excess investment earnings have so arisen during the prior five-year period (or, with respect to the final such report following the repayment of the Bonds, have arisen since the last five-year report), and specifying the amount thereof that needs to be rebated to the federal government and the date by which such amount needs to be so rebated. The Borrower shall provide a copy of each report prepared in accordance with the preceding sentence to the Issuer, each time within one week of its receipt of the same from the independent firm that prepared the respective report.

(u) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions contemplated by this Regulatory Agreement; that it is familiar with the provisions of all of the documents and instruments relating to the Bonds to which it is a party or of which it is a beneficiary; that it understands the financial and legal risks inherent in such transactions; and that it has not relied on the Issuer for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Issuer in any manner except to issue the Bonds in order to provide funds to assist the Borrower in rehabilitating, constructing and developing the Project.

Section 3. Qualified Residential Rental Project. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project is being acquired and constructed, and will be operated for the purpose of providing multifamily residential rental property. The Borrower will construct, own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project will be similarly constructed units, and each dwelling unit in the Project will contain complete, separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis and the Borrower will not rent any of the units for a period of less than thirty (30) consecutive days, and none of the dwelling units in the Project will at any time be leased or rented for use as a hotel, motel, dormitory, fraternity house, sorority

house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park.

(d) No part of the Project will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Bureau of Real Estate and may file a condominium plan with the City).

(e) All of the dwelling units in the Project will be available for rental during the Qualified Project Period on a continuous basis to members of the general public, on a first-come first-served basis, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except (i) not more than one unit may be set aside for resident managers or other administrative use, or (ii) to the extent that dwelling units are required to be leased or rented to Low Income Tenants hereunder, or (iii) to the extent required under the Permitted Restrictions (as defined in the Loan Agreement) expressly identified in the Loan Agreement as of the Closing Date, including any requirements therein for units to be rented to seniors.

(f) The Project site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) The Borrower shall not discriminate on the basis of race, creed, color, sex, source of income (e.g. AFDC, SSI), physical disability, age (except as required by any of the documents described in clause (iii) of Section 3(e) above), national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(h) No dwelling unit in the Project shall be occupied by the Borrower. Notwithstanding the foregoing, if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of dwelling units by one or more resident managers or maintenance personnel any of whom may be the Borrower; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of dwelling units in the Project.

(i) The Borrower will not sell dwelling units within the Project.

(j) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after

the Closing Date which prevents the Issuer from enforcing the requirements of the applicable Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the applicable Regulations, it will either prepay the Loan or, if permitted under the provisions of the Loan Agreement, apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the applicable Regulations.

The Issuer hereby elects to have the Project meet the requirements of Section 142(d)(1)(A) of the Code.

Section 4. Low Income Tenants; Reporting Requirements. Pursuant to the requirements of the Code and CDLAC, the Borrower hereby represents, warrants and covenants as follows:

(a) During the Qualified Project Period, not less than twenty percent (20%) of the units in the Project will be occupied by, or held vacant and available for occupancy by, Low Income Tenants. For the purposes of this paragraph (a), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants. However, should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size in the same building (within the meaning of Section 42 of the Code) must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant. Until such next available unit is rented to a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the Low Income Unit requirements of Section 4(a) hereof until the rental of an available unit of comparable or smaller size to a tenant who is not a Low Income Tenant.

(c) For the Qualified Project Period, the Borrower will obtain, complete and maintain on file Verifications of Income for each Low Income Tenant, including (i) a Verification of Income dated immediately prior to the initial occupancy of such Low Income Tenant in the unit, and (ii) thereafter, an annual Verification of Income with respect to each Low Income Tenant within thirty days before or after the anniversary of such tenant's initial occupancy of a unit in the Project. In lieu of obtaining an annual Verification of Income, the Borrower may, with respect to any particular twelve-month period ending March 1 of each year, deliver to the Administrator no later than fifteen (15) days after such date, a certification that as of March 1, no Low Income Unit in the Project was occupied within the preceding twelve (12) months by a new resident whose income exceeded the limit applicable to Low Income Tenants upon admission to the Project. The Administrator may at any time and in its sole and absolute discretion notify

the Borrower in writing that it will no longer accept certifications of the Borrower made pursuant to the preceding sentence and that the Borrower will thereafter be required to obtain annual Verifications of Income for tenants.

The Borrower also will provide such additional information as may be required in the future by the State, by the Issuer, by CDLAC and by the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. Upon request of the Administrator or the Issuer, copies of Verification of Income for Low Income Tenants commencing or continuing occupation of a Low Income Unit shall be submitted to the Administrator or the Issuer, as requested.

The Borrower shall make a good faith effort to verify that the income information provided by an applicant in a Verification of Income is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain pay stubs for the three most recent pay periods, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Issuer.

(d) The Borrower will maintain complete and accurate records pertaining to the Low Income Units and will permit any duly authorized representative of the Issuer, the Administrator, the Bondowner Representative, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units.

(e) The Borrower will prepare and submit quarterly, on or before each April 15 (for the quarterly period ending March 30), July 15 (for the quarterly period ending June 30), October 15 (for the quarterly period ending September 30) and January 15 (for the quarterly period ending December 31) during the Qualified Project Period rent rolls and other information required by the FOCUS Program. The Borrower will also prepare and submit quarterly, on or before each April 15 (for the quarterly period ending March 30), July 15 (for the quarterly period ending June 30), October 15 (for the quarterly period ending September 30) and January 15 (for the quarterly period ending December 31) during the Qualified Project Period to the Administrator (with a copy to the Bondowner Representative), a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the aggregate of the dwelling units of the Project which were occupied or deemed occupied, pursuant to subsection (a) hereof, by Low Income Tenants during the preceding applicable quarterly period; and (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default

has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default.

During the Qualified Project Period, the Borrower shall submit a completed Internal Revenue Code Form 8703 or such other annual certification as required by the Code with respect to the Project, to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

Upon the written request of the Issuer, the Borrower agrees to provide such information or reports as are necessary, in the reasonable opinion of the Issuer, to enable the Issuer to respond to reporting requirements imposed on the Issuer by the Internal Revenue Service, CDLAC or other authorities having regulatory authority with respect to the Bonds.

(f) For the Qualified Project Period, all tenant leases or rental agreements shall be subordinate to this Regulatory Agreement. All leases pertaining to Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Low Income Unit: (i) certifies the accuracy of the statements made in the Verification of Income; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Bondowner Representative or the Administrator on behalf of the Issuer, and that the failure to provide accurate information in the Verification of Income or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the Verification of Income and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and that if upon any such certification such tenant's Adjusted Income exceeds the applicable Low Income Tenant income limit under Section 4(b), such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase.

Section 4A. Additional Requirements of the Issuer. In addition to the requirements set forth elsewhere in this Regulatory Agreement and to the extent not prohibited by the requirements set forth in Sections 4, 5 and 6 hereof, the Borrower hereby agrees to comply with each of the requirements of the Issuer set forth in this Section 4A, as follows:

(a) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower and shall be maintained as required by the Issuer, in a reasonable condition for proper audit and subject to examination upon reasonable notice (which need not be in excess of three Business Days, as defined in the Indenture) and during business hours by representatives of the Issuer.

(b) The Borrower shall not discriminate on the basis of race, creed, color, religion, sex, sexual orientation, marital status, national origin, source of income (e.g. AFDC and SSI), ancestry or handicap in the lease, use or occupancy of the Project (except as required to comply with Section 3(e)(iii)), or in connection with the employment or application for employment of persons for the construction, operation, or management of the Project.

(c) The Borrower shall not permit occupancy in any unit in the Project by more than (i) two persons per bedroom in the unit, plus (ii) one person; and the Borrower shall at all times offer for rent the largest unit then available for the applicable household size (being one bedroom units for 2-3 person households, and two bedroom units for 4-5 person households).

(d) The Borrower shall pay directly to the Issuer (i) on the Closing Date the Issuer Issuance Fee and the Issuer Annual Fee for the period from the Closing Date to but not including April 1, 2017, and (ii) on each April 1, on and after April 1, 2017, the Issuer Annual Fee; without in either case any requirement for notice or billing of the amount due. In addition, the Borrower shall pay to the Issuer promptly following receipt of an invoice that reasonably identifies the relevant expenses and the amounts thereof, any out of pocket expenses incurred by the Issuer in connection with the Bonds, the Indenture, this Regulatory Agreement or the Loan Agreement, including but not limited to any costs related to the FOCUS Program.

(e) The rent limits set forth in Sections 6(b) and 6(f) shall apply to all Low Income Units. In addition, the rental payments paid by Low Income Tenants for the Low Income Units shall not exceed Affordable Rents.

(f) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Act, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that is more burdensome than criteria applied to all other prospective tenants, nor shall the Borrower apply or permit the application of management policies or lease provisions with respect to the Project which have the effect of precluding occupancy of units by such prospective tenants.

(g) The Borrower shall submit to the Issuer: (i) rent rolls and other information required by the FOCUS Program on a quarterly basis as specified in Section 4(e), and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Issuer in order to comply with reporting requirements of the Internal Revenue Service or the State.

(h) The Borrower shall indemnify the Issuer as provided in Section 9 hereof and Sections 6.23 and 16.30 of the Loan Agreement.

(i) The Issuer may, at its option and at its expense, at any time appoint an Administrator to administer this Agreement or any provision hereof and to monitor performance by the Borrower of all or of any of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by

the Issuer to deliver to such Administrator, in addition to or instead of the Issuer, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by such administrator as an agent of the Issuer.

(j) The Borrower shall submit its written management policies with respect to the Project, if any, to the Issuer for its review, and shall amend such policies in any way necessary to insure that such policies comply with the provisions of this Regulatory Agreement and the requirements of the existing program under Section 8 of the Housing Law, or its successors. The Borrower shall not promulgate management policies which conflict with the provisions of the addendum to the form of lease for the Project prepared by the Housing Authority of Contra Costa County, and shall attach such addendum to leases for tenants which are holders of Section 8 certificates.

(k) The Borrower shall screen and select tenants for desirability and creditworthiness at its discretion; provided, however, that the Borrower shall consider a prospective tenant's rent history for at least the one year period prior to application as evidence of the tenant's ability to pay the applicable rent.

(l) At least six months prior to the expiration of the Qualified Project Period the Borrower shall provide by first-class mail, postage prepaid, a notice to all tenants in the Low Income Units containing (i) the anticipated date of the expiration of the Qualified Project Period, (ii) any anticipated rent increase upon the expiration of the Qualified Project Period, (iii) a statement that a copy of such notice will be sent to the Issuer, and (iv) a statement that a public hearing may be held by the Issuer on the issue and that the tenant will receive notice of the hearing at least fifteen (15) days in advance of any such hearing. The Borrower shall also file a copy of the above-described notice with the Community Development Bond Program Manager of the Department of Conservation and Development of the Issuer.

(m) Notwithstanding Section 1461 of the Civil Code, the provisions of this Section shall run with land and may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Borrower's failure to comply with the provisions of this Section.

(n) The Borrower shall not participate in any refunding of the Bonds or the Loan by means of the issuance of bonds or other obligations by any governmental body other than the Issuer.

(o) Each of the requirements of Sections 3, 4, 6 and 7 hereof is hereby incorporated as a specific requirement of the Issuer, whether or not required by California or federal law.

(p) The requirements of Section 6 and this Section 4A shall be in effect for the Qualified Project Period.

Any of the foregoing requirements of the Issuer contained in this Section 4A may be expressly waived by the Issuer in writing, but (i) no waiver by the Issuer of any requirement of this Section 4A shall, or shall be deemed to, extend to or affect any other provision of this

Regulatory Agreement except to the extent the Issuer has received an opinion of Bond Counsel that any such provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Bonds for federal income tax purposes; and (ii) any requirement of this Section 4A shall be void and of no force and effect if the Issuer and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bonds to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act or any other State or federal law.

Section 5. Tax-Exempt Status of the Bonds. The Borrower and the Issuer, as applicable, each hereby represents, warrants and agrees as follows:

(a) The Borrower and the Issuer will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Bonds and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(b) The Borrower and the Issuer will file of record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Borrower, the Issuer and the Bondowner Representative, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth elsewhere in this Regulatory Agreement, so long as the Bonds are outstanding the Borrower hereby agrees to comply with each of the requirements of the Act applicable to the Project. Without limiting the foregoing, the Borrower agrees as follows:

(a) As provided in Section 52080(a)(1)(A) of the Act, twenty percent (20%) or more of the completed residential units in the Project shall be occupied by, or held vacant and available for occupancy by, individuals whose income is 50 percent or less of area median income, within the meaning of Section 52080(a)(1)(A) of the Act (it being acknowledged that units required to be set aside for Low Income Tenants pursuant to Section 4(a) may be counted for purposes of satisfying the requirements of this Section 6(a) if the related Low Income Tenants otherwise satisfy the requirements of this Section 6(a)).

(b) The rental payments paid by the occupants of the units described in paragraph (a) of this Section (excluding any supplemental rental assistance from the state, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed thirty percent of fifty percent of area median income.

(c) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, Low Income Tenants who are recipients of federal certificates or

vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Law. The selection criteria applied to certificate holders under Section 8 of the Housing Law shall not be more burdensome than the criteria applied to all other prospective tenants.

(d) The Borrower shall ensure that units occupied as required by paragraph (a) of this Section are of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants.

(e) As provided in Section 52080(e) of the Act, the Project may be syndicated after prior written approval of the Issuer. The Issuer shall grant that approval only after it determines that the terms and conditions of the syndication (1) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (2) shall not cause any of the requirements in this Agreement to be subordinated to the syndication agreement, or (3) shall not result in the provision of fewer assisted units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement. The Issuer hereby acknowledges that this Section 6(e) does not apply to any syndication of federal tax credits for the Project.

(f) Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Bonds, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant to Section 6(a) shall remain available to any eligible household occupying a reserved unit at the date of such expiration or termination, at a rent not greater than the amount required by Section 6(b), until the earliest of any of the following occur:

(1) The household's income exceeds 140 percent of the maximum eligible income specified in Section 6(a).

(2) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this section means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health, safety, occupancy or quiet enjoyment of other persons or the structure, the fiscal integrity of the Project or the purposes or special programs of the Project.

(3) Thirty years after the date of commencement of the Qualified Project Period.

(4) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) Except in the event of foreclosure and redemption of the Bonds, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, during the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to eligible households reserved units that have been vacated to the same extent that nonreserved units are made available to noneligible households.

(h) This Section shall not be construed to require the Issuer to monitor the Borrower's compliance with the provisions of paragraph (f), or that the Issuer shall have any liability whatsoever in the event of the failure by the Borrower to comply with any of the provisions of this Agreement.

(i) The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Borrower.

(j) This Regulatory Agreement shall be recorded in the office of the county recorder of the County, and shall be recorded in the grantor-grantee index to the names of the Borrower as grantor and to the name of the Issuer as grantee.

Section 7. CDLAC Requirements. The Borrower shall comply with the conditions set forth in Exhibit A to the CDLAC Resolution (the "CDLAC Conditions"), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and are made a part hereof. The Borrower shall prepare and submit to CDLAC (with a copy to the Issuer), at the times required by CDLAC, (a) a Certificate of Compliance in substantially the form attached hereto as Exhibit B hereto (or in such other form as CDLAC may require), executed by an authorized representative of the Borrower; and (b) such other form or forms as may be required by CDLAC related to the Borrower's compliance with the CDLAC Conditions.

The Borrower acknowledges that the CDLAC Conditions include the following:

(a) 84 of the units in the Project be restricted for a term of 55 years, all of which units must be rented or held vacant and available for rental for persons or families whose income is at 50% or below of the Area Median Gross Income.

(b) A minimum of \$18,431,356 of public funds will be expended for the Project.

(c) The Project and/or the financing must comply with the requirements in paragraphs 9 thru 14, 16, 24 and 25 of Exhibit A to the CDLAC Resolution.

The Borrower will promptly provide any information requested by the Issuer in order for the Issuer to complete any Annual Applicant Public Benefit and On-going Compliance Self Certification or otherwise comply with any regulations of CDLAC applicable to the CDLAC Resolution, the CDLAC Conditions, the Bonds or the Project, including but not limited to Section 5144 of Article 11 of the CDLAC regulations.

The requirements of this Section 7 may be waived in writing by CDLAC in its sole and absolute discretion, without the consent of the Issuer. CDLAC and the Issuer each shall have the

right (but not the obligation) to enforce the CDLAC Conditions and to pursue an action for specific performance or other available remedy at law or in equity, provided that any such action or remedy shall not materially adversely affect the interests and rights of the owners of the Bonds.

Section 8. Modification of Covenants. The Borrower and the Issuer hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the Issuer, the Bondowner Representative and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement, and if such requirements are applicable to the Project, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent that the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the Issuer, the Bondowner Representative and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements, but only by written amendment signed by the Issuer, in its sole discretion, and the Borrower, and only upon receipt by the Issuer of the written opinion of Bond Counsel to the effect that such amendment will not affect the Tax-Exempt status of interest on the Bonds or violate the requirements of the Act, and is otherwise in accordance with Section 22 hereof.

(c) The Borrower and the Issuer shall execute, deliver and, if applicable, file of record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Borrower and the Issuer hereby appoints the Bondowner Representative as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Issuer, as is applicable, any such document or instrument (in such form as may be approved by Bond Counsel, as evidenced by receipt of the opinion required by paragraph (b) above) if either the Borrower or the Issuer defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Issuer or the Borrower, the Bondowner Representative shall take no action under this subsection (c) without first notifying the Borrower or the Issuer, or both of them, as is applicable, and without first providing the Borrower or the Issuer, or both, as is applicable, an opportunity to comply with the requirements of this Section 8. Nothing in this subsection (c) shall be construed to allow the Bondowner Representative to execute an amendment to this Regulatory Agreement on behalf of the Issuer.

Notwithstanding any other provision of this Regulatory Agreement, whenever an opinion of Bond Counsel is required or requested to be delivered hereunder after the Closing Date, the Bondowner Representative, the Issuer and the Borrower shall accept (unless otherwise directed in writing by the Issuer) an opinion of Bond Counsel in such form and with such

disclaimers as may be required so that such opinion will not be treated as a “covered opinion” for purposes of the Treasury Department regulations governing practice before the Internal Revenue Service (Circular 230), 31 CFR Part 10.

Section 9. Indemnification.

(a) To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer, the Bondowner Representative, and each of their respective past, present and future Supervisors, officers, directors, officials, employees and agents (collectively, the “Indemnified Parties”), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

(i) the Bonds, the Indenture, the Loan Agreement, the Loan or this Regulatory Agreement or the execution or amendment hereof or thereof or in connection with transactions contemplated hereby or thereby, including the issuance, sale or resale of the Bonds;

(ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees, tenants or licensees in connection with the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof;

(iii) any lien or charge upon payments by the Borrower to the Issuer and the Bondowner Representative hereunder or under the Loan Agreement, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer in respect of any portion of the Project;

(iv) any violation of the provisions of Article 9 of the Loan Agreement;

(v) the defeasance and/or redemption, in whole or in part, of the Bonds;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in any offering statement or disclosure or continuing disclosure document for the Bonds or any of the documents relating to the Bonds, or any omission or alleged omission from any offering statement or disclosure or continuing disclosure document for the Bonds of any material fact necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(vii) any declaration of taxability of interest on the Bonds, or allegations that interest on the Bonds is taxable or any regulatory audit or inquiry regarding whether interest on the Bonds is taxable; or

(viii) the Bondowner Representative's acceptance or administration of the Indenture, or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Bonds to which it is a party;

except (A) in the case of the foregoing indemnification of the Bondowner Representative or any of its respective Supervisors, officers, directors, officials, employees and agents, to the extent such damages are caused by the gross negligence or willful misconduct of an Indemnified Party; or (B) in the case of the foregoing indemnification of the Issuer or any of its officers, members, directors, officials, employees and agents, to the extent, with respect to any such Indemnified Party, such damages are caused by the willful misconduct of the respective Indemnified Party seeking indemnification. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if in the judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

(b) The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses pursuant to Section 4A(a), this Section 9 and Section 20 shall survive the final payment or defeasance of the Bonds and in the case of the Bondowner Representative any resignation or removal. The provisions of this Section shall survive the termination of this Regulatory Agreement.

(c) The Borrower acknowledges that its obligations under this Section 9 are not subject to the non-recourse provisions of the Loan Agreement or Section 29 hereof (collectively, the "Non-Recourse Provisions"); provided, however, that nothing contained in this Section 9 shall otherwise change or modify the applicability of the Non-Recourse Provisions to the Borrower's other obligations under this Regulatory Agreement, or cause the obligation of the Borrower to pay principal and interest on the Loan or amounts owing with respect to the Bonds to be a recourse obligation of the Borrower.

(d) The obligations of the Borrower under this Section are independent of any other contractual obligation of the Borrower to provide indemnity to the Issuer or the Bondowner Representative or otherwise, and the obligation of the Borrower to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate

indemnification obligation of the Borrower. The Issuer and the Bondowner Representative shall be entitled simultaneously to seek indemnity under this Section and any other provision under which it is entitled to indemnity.

Section 10. Consideration. The Issuer has agreed to issue the Bonds to provide funds to lend to the Borrower to finance the acquisition and construction of the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and operate the Project. In consideration of the issuance of the Bonds by the Issuer, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The Issuer and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, in the exemption from State personal income taxation of interest on the Bonds and in the Tax-Exempt status of the interest on the Bonds. In performing their duties and obligations hereunder, the Issuer and the Bondowner Representative may rely upon statements and certificates of the Low Income Tenants, and upon audits, if any, of the books and records of the Borrower pertaining to the Project. In addition, the Issuer and the Bondowner Representative may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Issuer or the Bondowner Representative hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Issuer shall not be required to conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Issuer or the Bondowner Representative by the Borrower with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Sale or Transfer of the Project. For the Qualified Project Period, the Borrower shall not, except as provided below and in accordance with the Loan Agreement and the Deed of Trust, sell, transfer or otherwise dispose of the Project, in whole or in part, without the prior written consent of the Issuer, which consent shall be given as promptly as practicable following: (A) the receipt by the Issuer of evidence acceptable to the Issuer that (1) the Borrower shall not be in default hereunder or under the Loan Agreement (which may be evidenced by a certificate of the Borrower) or the purchaser or assignee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Issuer; (2) the continued operation of the Project shall comply with the provisions of this Regulatory Agreement; (3) either (a) the purchaser or assignee or its property manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local government requirements applicable to such projects, or (b) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project for at least one year following such transfer and during such period will provide training to the transferee and its manager in the responsibilities relating to the Low Income Units; and (4) the person or entity which is to acquire the Project

does not have pending against it, and does not have a history of, building code violations or significant and material complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the purchaser or assignee of any document requested by the Issuer with respect to the assumption of the Borrower's obligations under this Regulatory Agreement and the Loan Agreement, including without limitation an instrument of assumption hereof, and delivery to the Issuer of an opinion of such purchaser or assignee's counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such purchaser or assignee; (C) receipt by the Issuer of an opinion of Bond Counsel addressed to the Issuer and the Bondowner Representative to the effect that any such sale, transfer or other disposition will not adversely affect the Tax-Exempt status of interest on the Bonds; (D) receipt by the Issuer and Bondowner Representative of all fees and/or expenses then currently due and payable to the Issuer and Bondowner Representative; and (E) satisfaction of such other conditions or matters as are set forth in the Loan Agreement and the Deed of Trust. The Issuer hereby consents to a transfer of the Project by the Borrower to its general partner or its affiliate, if the Issuer receives the documents listed in the preceding sentence. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other party which requires the Borrower to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully and automatically released from its obligations hereunder to the extent such obligations have been assumed by the transferee of the Project. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 12, except that no consent of the Issuer shall be required in the case of any transfer of the Project to a wholly owned subsidiary of the Borrower if any applicable conditions set forth in the Loan Agreement and any conditions set forth in the Deed of Trust are satisfied.

Notwithstanding anything contained in this Section 12 to the contrary, neither the consent of the Issuer nor the delivery of items (A) through (E) of the preceding paragraph shall be required in the case of (a) the execution, delivery and recordation by Borrower of any mortgage or deed of trust encumbering all or any part of the Project, or (b) a foreclosure or deed in lieu of foreclosure by the Bondowner Representative whereby the Bondowner Representative or a purchaser at a foreclosure sale becomes the owner of the Project, and nothing contained in this Section 12 shall otherwise affect the right of the Bondowner Representative or a purchaser at a foreclosure sale to foreclose on the Project or to accept a deed in lieu of foreclosure. In addition, the provisions of this Section 12 shall not apply to (i) the replacement of the initial managing general partner of the Borrower by an entity formed by or that is a subsidiary of the initial managing general partner of the Borrower, (ii) any transfer of limited partnership interest in the Borrower, (iii) any transfer of interests in any limited partner of the Borrower, or (iv) any transfer of interests pursuant to the provisions of the Borrower's partnership agreement as in effect from time to time, including but not limited to the removal of a general partner of the Borrower and replacement thereof by an affiliate of a limited partner of the Borrower.

For the Qualified Project Period, the Borrower shall not: (1) except pursuant to the provisions of this Regulatory Agreement, the Loan Agreement and the Deed of Trust (and upon receipt by the Borrower of an opinion of Bond Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Bonds), permit the conveyance or transfer of any part of the Project; (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is removed is replaced with comparable property; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bonds and discharge of the Indenture, the Loan Agreement and the Deed of Trust.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date that prevents the Issuer and the Bondowner Representative from enforcing such provisions, or condemnation, foreclosure, transfer of title by deed in lieu of foreclosure, or a similar event, but only if, within a reasonable period, either the Bonds are retired or amounts received as a consequence of such event are used to provide a project which meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 14. Covenants to Run With the Land. Notwithstanding Section 1489 of the California Civil Code, the Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in interest to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or

any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. Burden and Benefit. The Issuer and the Borrower hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Issuer and the Borrower hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds were issued.

Section 16. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of thirty (30) days after notice thereof shall have been given by the Issuer or the Bondowner Representative to the Borrower (with a copy to the Investor Limited Partner), or for a period of thirty (30) days from the date the Borrower should, with due diligence, have discovered such default, then the Issuer or the Bondowner Representative, acting on its own behalf or on behalf of the Issuer (to the extent directed in writing by the Issuer, subject to the provisions of the Indenture), shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within thirty (30) days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said thirty (30) days and diligently pursues such action until the default is corrected, and (ii) in the opinion of Bond Counsel, the failure to cure said default within thirty (30) days will not adversely affect the Tax-Exempt status of interest on the Bonds. The Issuer and the Bondowner Representative shall have the right to enforce the obligations of the Borrower under this Regulatory Agreement within shorter periods of time than are otherwise provided herein if necessary in the opinion of Bond Counsel to insure compliance with the Act or the Code.

Any limited partner of the Borrower shall have the right but not the obligation to cure any Event of Default, and the Issuer and the Bondowner Representative agree to accept any cure tendered by any such limited partner on behalf of the Borrower within any cure period specified above.

Following the declaration of an Event of Default hereunder the Issuer, or the Bondowner Representative may, at their respective options, take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants

hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer or the Bondowner Representative hereunder;

(ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project;

(iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder;

(iv) declare a default under the Loan Agreement and (subject to any applicable cure periods set forth in the Loan Agreement) proceed with any remedies provided therein; and

(v) order and direct the Borrower in writing to terminate the then Manager of the Project and to select a replacement Manager reasonably satisfactory to the Issuer within 60 days of such written direction, and to notify the Issuer in writing of the identity of the replacement Manager.

The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Issuer may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

The Bondowner Representative shall have the right (but no obligation), in accordance with this Section and the provisions of the Indenture, without the consent or approval of the Issuer, to exercise any or all of the rights or remedies of the Issuer hereunder; provided that prior to taking any such action the Bondowner Representative shall give the Issuer written notice of its intended action. After the Indenture has been discharged, the Issuer may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Bondowner Representative.

All fees, costs and expenses of the Bondowner Representative and the Issuer incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower.

No breach or default under this Regulatory Agreement shall defeat or render invalid the Deed of Trust or any like encumbrance upon the Project or any portion thereof given in good faith and for value.

Section 18. References to Bondowner Representative. After the date on which no Bonds remain outstanding under the Indenture, all references to the Bondowner Representative in this Regulatory Agreement shall be deemed references to the Issuer.

Section 19. Recording and Filing. (a) The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed

in the real property records of the County and in such other places as the Issuer or the Bondowner Representative may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

(b) The Borrower and the Issuer will file of record such other documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Issuer and the Bondowner Representative, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.

(c) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person (other than in any document granting a security interest to the Bondowner Representative and, provided, however, that no such assignment shall be required in connection with the transfer of the Project to the Bondowner Representative or to the Bondholders by foreclosure, deed in lieu of foreclosure or comparable conversion of the Loan) to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 20. Payment of Administration Fees. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Indenture, throughout the term of this Regulatory Agreement, the Borrower shall continue to pay to the Issuer its fees described in Section 4.A.(d) and in the event of default, to the Administrator, the Issuer and to the Bondowner Representative reasonable compensation for any services rendered by either of them hereunder and reimbursement for all expenses reasonably incurred by any of them in connection therewith.

Section 21. Governing Law. This Regulatory Agreement shall be governed by the laws of the State applicable to contracts made and performed in the State.

Section 22. Amendments; Waivers. (a) Except as otherwise provided in Section 8 above, this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto or their successors in title and the Bondowner Representative, and duly recorded in the real property records of the County, and only upon receipt by the Issuer and the Bondowner Representative of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-Exempt status of interest on the Bonds and is not contrary to the provisions of the Act.

(b) Anything to the contrary contained herein notwithstanding, the Issuer and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel, in order that interest on the Bonds remain Tax-Exempt. The parties requesting such amendment shall notify the other parties to this Regulatory Agreement and the Bondowner Representative of the proposed amendment, with a copy of such requested amendment to Bond Counsel and a request that such Bond Counsel render to the Issuer and the Bondowner Representative an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest on the Bonds. This provision shall not be subject to any provision

of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.

(c) Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

Section 23. Notices. Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the respective addresses set forth below or at such other addresses as may be specified in writing by the parties hereto.

Section 24. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Third Party Beneficiaries; Enforcement. The Bondowner Representative, the Investor Limited Partner and CDLAC are intended to be and shall each be a third party beneficiary of this Regulatory Agreement. CDLAC shall have the right (but not the obligation) to enforce the CDLAC Conditions (as defined in Section 7) and to pursue an action for specific performance or other available remedy at law or in equity in accordance with Section 17 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the owners of the Bonds. Pursuant to Section 52080(k) of the Act, the requirements of Section 6 may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Borrower's failure to comply with the requirements of that Section.

Section 27. The Bondowner Representative. The Bondowner Representative shall be entitled, but shall have no duty, to act with respect to enforcement of the Borrower's performance hereunder. The Bondowner Representative, either on its own behalf or as the agent of and on behalf of the Issuer, may, in its sole discretion, act hereunder and any act required to be performed by the Issuer as herein provided shall be deemed taken if such act is performed by the Bondowner Representative. In connection with any such performance, all provisions of the Indenture relating to the rights, privileges, powers and protections of the Bondowner Representative shall apply with equal force and effect to all actions taken (or omitted to be taken) by the Bondowner Representative in connection with this Regulatory Agreement. Neither the Bondowner Representative nor any of its officers, directors or employees shall be liable for any action taken or omitted to be taken by it hereunder or in connection herewith except for its or their own negligence or willful misconduct. The Bondowner Representative may consult with legal counsel selected by it (the reasonable fees of which counsel shall be paid by the Borrower) and any action taken or suffered by it reasonably and in good faith in accordance with the opinion of such counsel shall be full justification and protection to it. The Bondowner Representative may at all times assume compliance with this

Regulatory Agreement unless otherwise notified in writing by or on behalf of the Issuer, or unless it has actual knowledge of noncompliance.

After the date on which no Bonds remain outstanding as provided in the Indenture, the Bondowner Representative shall have no further rights, duties or responsibilities under this Regulatory Agreement, and all references to the Bondowner Representative in this Regulatory Agreement shall be deemed references to the Issuer.

Section 28. No Interference or Impairment of Loan. Notwithstanding anything herein to the contrary, (i) the occurrence of an event of default under this Regulatory Agreement shall not, under any circumstances whatsoever, be deemed or constitute a default under the Loan Documents (as defined in the Loan Agreement), except as may be otherwise specified in the Loan Documents, and shall not impair, defeat or render invalid the lien of the Deed of Trust and (ii) neither of the Issuer nor any other person (other than the Bondowner Representative) shall:

- (a) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due and payable under, the Loan;

- (b) interfere with or attempt to interfere with or influence the exercise by the Bondowner Representative of any of its rights under the Loan Agreement, including, without limitation, the Bondowner Representative remedial rights under the Loan Documents upon the occurrence of an event of default by the Borrower under the Loan; or

- (c) upon the occurrence of an event of default under the Loan Agreement, take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Loan, it being understood and agreed that the Issuer may not, without the prior written consent of the Bondowner Representative, on account of any default under this Regulatory Agreement, seek, in any manner, to cause the Loan to become due and payable, to enforce the Loan Agreement or to foreclose on the Deed of Trust or cause the Bondowner Representative to redeem the Bonds or to declare the principal of the Bonds and the interest accrued on the Bonds to be immediately due and payable, or cause the Bondowner Representative to foreclose or take any other action under the Bond Documents (as defined in the Loan Agreement), the Loan Documents or any other documents which action would or could have the effect of achieving any one or more of the foregoing actions, events or results.

No person other than the Bondowner Representative shall have the right to declare the principal balance of the Loan to be immediately due and payable or to initiate foreclosure or other like action.

The foregoing prohibitions and limitations shall not in any way limit the rights of the Issuer to specifically enforce this Regulatory Agreement or to seek injunctive relief in order to provide for the operation of the Project in accordance with the requirements of the Code and the Act, and shall not be construed to limit the rights of the Issuer to enforce its rights against the

Borrower under the indemnification provisions of the Regulatory Agreement provided that the prosecution of a claim for indemnification shall not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, construction, composition, reorganization, conservation or other similar law in effect now or in the future.

Notwithstanding anything in this Regulatory Agreement to the contrary, any right of the Issuer to take any action at law or in equity to enforce the obligations, covenants and agreements of the Borrower under this Regulatory Agreement which includes any claim for indemnification, damages or any other monetary obligation sought to be enforced shall be subject and subordinate in all respects to the repayment in full of all amounts due on the Loan under the Loan Documents.

All obligations of the Borrower under this Regulatory Agreement for the payment of money, including claims for indemnification and damages shall not be secured by or in any manner constitute a lien on the Project, and the Issuer shall not have the right to enforce such obligations other than directly against the Borrower pursuant to Section 17 of this Regulatory Agreement.

No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligation of any prior owner unless specifically assumed in writing by a subsequent owner, including, but not limited to, any payment or indemnification obligation. Such obligations shall be personal to the person who was the owner of the Project at the time the default or breach was alleged to have occurred and such person shall remain liable for any and all damages occasioned by the default or breach even after such person ceases to be the owner of the Project.

Notwithstanding the above, the provisions of this Section 28 shall not in any way limit or alter the Issuer's authority, power or activities as a governmental regulatory agency pursuant to applicable laws and regulations relating to the Project or otherwise.

Section 29. Limitation on Borrower Liability. Notwithstanding any other provision or obligation to the contrary contained in this Regulatory Agreement, and except for the Borrower's obligations under Section 9 of this Regulatory Agreement (which are not subject to the provisions and limitations of this Section 29) (i) the liability of the Borrower under this Regulatory Agreement to any person or entity, including, but not limited to, the Bondowner Representative or the Issuer and their successors and assigns, is limited to the Borrower's interest in the Project, the revenues therefrom, including the amount held in the funds and accounts created under the Indenture and the Loan Documents (as defined in the Loan Agreement), or any rights of the Borrower under any guarantees relating to the Project, and such persons and entities shall look exclusively thereto, or to such other security as may from time to time be given for the payment of obligations arising out of this Regulatory Agreement or any other agreement securing the obligations of the Borrower under this Regulatory Agreement; and (ii) from and after the date of this Regulatory Agreement, no deficiency or other personal judgment, in any action or proceeding brought to enforce any term or provision of this Regulatory Agreement (other than any obligation to pay principal and/or interest), no deficiency or other personal judgment, nor any order or decree of specific performance (other

than pertaining to this Regulatory Agreement), shall be rendered against the Borrower, the assets of the Borrower (other than the Borrower's interest in the Project, this Regulatory Agreement, amounts held in the funds and accounts created under the Indenture and the Loan Documents (as defined in the Loan Agreement), any rights of the Borrower under the Indenture and the Loan Documents (as defined in the Loan Agreement) or any other documents relating to the Bonds or any rights of the Borrower under any guarantees relating to the Project), its partners, successors, transferees or assigns and each their respective officers, directors, employees, partners, agents, heirs and personal representatives, as the case may be, in any action or proceeding arising out of this Regulatory Agreement.

Nothing in this Section 29 or elsewhere in this Regulatory Agreement shall be construed as limiting, waiving or otherwise affecting the direct recourse liability of Borrower and its general partners under the Loan Documents and/or the liability of the applicable guarantor(s) under the Guaranty (as defined and described in the Loan Agreement).

Section 30. Limited Liability. All obligations of the Issuer incurred under this Regulatory Agreement shall be limited obligations, payable solely and only from Bond proceeds and other amounts derived by the Issuer from the Loan or otherwise under the Loan Agreement.

Section 31. Conflict With Other Affordability Agreements. In the event of any conflict between the provisions of this Regulatory Agreement and any agreement referenced in Section 3(e)(iii) hereof, the provisions providing for the most affordable units, with the most affordability, in the Development shall prevail, so long as at all times the requirements of Section 2, 3, 4, 4A, 6 and 7 of this Regulatory Agreement are in any event satisfied. Notwithstanding the foregoing, a breach or default under any agreement referenced in Section 3(e)(iii) hereof shall not, in itself, constitute a breach or a default under this Regulatory Agreement.

IN WITNESS WHEREOF, the Issuer and the Borrower have executed this Regulatory Agreement by duly authorized representatives, all as of the date first above written.

It is the responsibility of the owner or the owner's representative to sign and date this document immediately following execution by the resident(s).

The responsibility of documenting and determining eligibility (including completing and signing the Tenant Income Certification form) and ensuring such documentation is kept in the tenant file is extremely important and should be conducted by someone well trained in tax credit compliance.

These instructions should not be considered a complete guide on tax credit compliance. The responsibility for compliance with federal program regulations lies with the owner of the building(s) for which the credit is allowable.

HOME Investment Partnerships Act and Neighborhood Stabilization Program funds are provided to the County on a formula allocation basis through the U.S. Department of Housing and Urban Development. (HOME CFDA# 14.239, NSP CFDA #14.218). HOPWA funds are provided to the County on a formula allocation basis through the City of Oakland (CFDA# 14.241). BACKGROUND: (CONT'D)

in Housing Trust funds. The total allocation of County resources is \$3,000,000.

The purpose of the Tabora Gardens Senior Apartment development is to improve the supply of multi-family rental housing affordable to and occupied by lower income senior households in East County through the construction of an 84 unit apartment building in Antioch. Five of the units will be designated as HOPWA units, four units will be designated as NSP units, eight units will be designated as Housing Trust units, and 18 units (including the other County units) will be designated HOME-assisted units. One unit will be reserved for an on-site manager. All of the County-assisted units will be affordable to households earning less than 50 percent of the area median income.

On April 12, 2016, the Board approved the HOPWA loan documents. Those documents were executed and funds were disbursed in May, 2016. This transaction will include the termination of the April, 2016 HOPWA documents and the HOPWA loan will be included in this new set of legal documents.

SAHA has formed a limited partnership, Tabora Gardens, L.P., to develop and own this project. Satellite AHA Development, Inc. is the general partner with a SAHA affiliate as the initial limited partner. Raymond James Tax Credit Funds, Inc. will replace the SAHA affiliate as the limited partner.

Additional financing for the development includes \$3,283,755 in City of Antioch funds (former redevelopment agency, Community Development Block Grant and NSP), \$5.2 million in Veteran's Housing and Homeless Prevention, \$6.9 million in State Multi-family Housing, \$12.2 million in four percent low income housing tax credits, and \$24 million in tax exempt bonds. The County is the issuer for tax exempt bonds.

HOME funds will be provided in the form of a 20-year, residual receipt loan with a three percent interest rate. HOPWA funds will be provided as a 10-year fully deferred loan with no interest. Housing Trust and NSP funds will be provided in the form of 55-year residual receipts loans with a three percent interest rate. The County will have an additional regulatory agreement to ensure that the County-assisted units remain affordable following the expiration of the 20-year HOME term and 10-year HOPWA affordability terms. The total term of affordability for all County-assisted units is 55 years. There may be some payments if the project has surplus cash flow. Affordability and use restrictions are incorporated into the County loan documents. The loan documents are attached in their substantially final form and will be executed in a form approved by County Counsel. Through this action, the DCD Director, or designee, is authorized to execute subordination agreements and estoppels that are consistent with the terms in the Loan Agreement.

National Environmental Policy Act (NEPA): HOME and HOPWA projects are subject to review under NEPA and section 24 of the Code of Federal Regulations Part 58 review. The NEPA review for this project is complete and required mitigation actions are included in the loan agreement. The City of Antioch, as the lead agency, determined the project is exempt from CEQA. The County, as the responsible agency, posted a Notice of Exemption on April 12, 2016, following Board of Supervisors action to approve the HOPWA legal documents.

Due to the high construction costs and limited revenue from the restricted rents, the total amount of the financing provided to the project will likely exceed the value of the completed project. Even though the proposed equity investment from low income housing tax credits is substantial compared to the amount of long term debt, the partnership agreement will have numerous safe guards of the investor's equity. These safe guards essentially subordinate the County's debt to the investor's equity. Therefore, the County funds may not be fully secured through the value of the property. Though the County loans out the funds it receives from the federal government, the funds are a grant to the County and do not need to be repaid to the U.S. Treasury.

CONSEQUENCE OF NEGATIVE ACTION:

Without the approval and execution of the HOME/HOPWA/NSP/Housing Trust legal documents, the project will not be constructed. Tabora Gardens Senior Apartments must close on the County bond financing by September 12, 2016, pursuant to State requirements.

Borrower shall keep and maintain at the principal place of business of Borrower set forth in Section 11 below, or elsewhere with the written consent of the County and the City, full, complete and appropriate books, record and accounts relating to the Development, including all books, records and accounts necessary or prudent to evidence and substantiate in full detail Borrower's calculation of Residual Receipts and disbursements of Residual Receipts. Borrower shall cause all books, records and accounts relating to its compliance with the terms, provisions, covenants and conditions of this Agreement to be kept and maintained in accordance with generally accepted accounting principles consistently applied, and to be consistent with requirements of this Agreement, which provide for the calculation of Residual Receipts on a cash basis. (c) County and City Audits.

i. The receipt by the County or the City of any statement pursuant to subsection (a) above or any payment by Borrower or acceptance by the County or the City of any loan repayment for any period does not bind the County or the City as to the correctness of such statement or such payment. The County or the City or any designated agent or employee of the County or the City is entitled at any time to audit the Residual Receipts and all books, records, and accounts pertaining thereto. The County and/or the City may conduct such audit during normal business hours at the principal place of business of Borrower and other places where records are kept. Immediately after the completion of an audit, the County or the City, as the case may be, shall deliver a copy of the results of the audit to Borrower.

ii. If it is determined as a result of an audit that there has been a deficiency in a loan repayment to the County and/or the City, then such deficiency will become immediately due and payable, with interest at the Default Rate from the date the deficient amount should have been paid. In addition, if the audit determines that Residual Receipts have been understated for any year by the greater of (i) \$2,500, and (ii) an amount that exceeds five percent (5%) of the Residual Receipts, then, in addition to paying the deficiency with interest, Borrower shall pay all of the costs and expenses connected with the audit and review of Borrower's accounts and records incurred by the County and/or the City.

7. Cooperation in Foreclosure.

(a) If there is a default under the City Loan and/or County Loan, after expiration of any applicable cure periods, the party who is the lender on the defaulted loan shall cooperate with the other lender that is a Party to this Agreement to coordinate any foreclosure proceedings or other appropriate remedies.

(b) Neither the County nor the City may contest the validity, perfection, priority, or enforceability of the lien granted to the other Party by a deed of trust secured by the Property. Notwithstanding any failure of a Party to perfect its lien on the Property or any other defect in the security interests or obligations owing to such Party, the priority and rights as between the lenders that are Parties to this Agreement are as set forth in this Agreement.

8. Foreclosure Proceeds. If there is a foreclosure, or any other action, whether judicial or nonjudicial, under any or both of the Deeds of Trust (including the giving of a deed in lieu of foreclosure), the proceeds resulting from such foreclosure or action will be first used to pay (i) all amounts paid to any senior lien holder, and (ii) expenses incurred by the County, the City, or both, in connection with such foreclosure or other action. After such payments (i) the City is entitled to the result obtained by multiplying the City Additional Prorata Share by the Foreclosure Net Proceeds, and (ii) the County is entitled to the result obtained by multiplying the County Additional Prorata Share by the Foreclosure Net Proceeds.

9. Insurance and Condemnation Proceeds. 10. Title to Property. If, as a result of having made the City Loan and the County Loan, either the City or the County is entitled to title to the Property as a consequence of Borrower's default, then title is to be held in tenancy in common by the City and the County in accordance with their respective prorata share of the Foreclosure Net Proceeds. (b) Upon a determination by the County's Deputy Director – Department of Conservation and Development that the conditions in Subsection (a) have been satisfied, the Deputy Director – Department of Conservation and Development or his/her designee will be authorized to execute the approved subordination agreement without the necessity of any further action or approval.

If the Rental Shortfall Payment is not paid on or before the Rental Shortfall Due Date, interest on the Rental Shortfall Payment will accrue at the Default Rate beginning on the day after the Rental Shortfall Due Date and continuing until the Rental Shortfall Payment is paid in full with interest.

The first Statement of Residual Receipts will cover the period that begins on January 1, 2018 and ends on December 31st of that same year. Subsequent statements of Residual Receipts will cover the twelve-month period that ends on December 31 of each year;

(ii) A statement from the independent public accountant that audited the Borrower's financial records for the relevant period, which statement must confirm that Borrower's calculation of the Lenders' Share of Residual Receipts and Borrower's Shared Portion of Residual Receipts is accurate based on Gross Revenue and Annual Operating Expenses; and

(iii) Any additional documentation reasonably required by the County to substantiate Borrower's calculation of Lenders' Share of Residual Receipts and Borrower's Shared Portion of Residual Receipts.

(c) The receipt by the County of any statement pursuant to subsection (b) above or any payment by Borrower or acceptance by the County of any Loan repayment for any period does not bind the County as to the correctness of such statement or payment. The County may audit the Residual Receipts and all books, records, and accounts pertaining thereto pursuant to Section 4.6 below.

Section 2.10 Non-Recourse.

Except as provided below, neither Borrower, nor any partner of Borrower, has any direct or indirect personal liability for payment of the principal of, and interest on, the Loan. Following recordation of the Deed of Trust, the sole recourse of the County with respect to the principal of, or interest on, the Note will be to the property described in the Deed of Trust; provided, however, that nothing contained in the foregoing limitation of liability limits or impairs the enforcement of all the rights and remedies of the County against all such security for the Note, or impairs the right of County to assert the unpaid principal amount of the Note as demand for money within the meaning and intent of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto. The foregoing limitation of liability is intended to apply only to the obligation to repay the principal and interest on the Note. Except as hereafter set forth; nothing

contained herein is intended to relieve Borrower of its obligation to indemnify the County under the Loan Documents including but not limited to Sections 3.8, 3.9, 4.7, and 7.4 of this Agreement and Sections 2.1(f), 2.1(g), and 4.7(b)(vi) of the HOME/HOPWA Regulatory Agreement, or liability for: (i) loss or damage of any kind resulting from waste, fraud or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the fair market value of any personal property or fixtures removed or disposed of by Borrower other than in accordance with the Deed of Trust; and (iv) the misappropriation of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Property.

Not later than thirty (30) days prior to Borrower's proposed date for advertising the Bid Package, Borrower shall submit to the County a copy of Borrower's general contractor's proposed Bid Package. The County's Deputy Director, Department of Conservation and Development, or his or her designee, shall approve or disapprove the Bid Package within fifteen (15) days after receipt of the Bid Package by the County. If the County rejects the proposed Bid Package the reasons therefore must be given to Borrower. The Borrower will then have fifteen (15) days to revise the proposed Bid Package and resubmit it to the County. The County will then have fifteen (15) days to review and approve Borrower's new or corrected Bid Package. The provisions of this Section will continue to apply until a proposed Bid Package has been approved by the County. Borrower may not publish a proposed Bid Package until it has been approved by the County.

Section 3.3 Construction Contract.

(a) Not later than fifteen (15) days prior to the proposed Commencement of Construction, Borrower shall submit to the County for its approval a draft of the proposed construction contract for the Development. All construction work and professional services are to be performed by persons or entities licensed or otherwise authorized to perform the applicable construction work or service in the State of California. Each contract that Borrower enters for construction of the Development is to provide that at least ten percent (10%) of the costs incurred will be payable only upon completion of the construction, subject to early release of retention for specified subcontractors upon approval by the County. The construction contract will include all applicable HOME and HOPWA requirements set forth in Section 4.7 of the HOME/HOPWA Regulatory Agreement. The County's approval of the construction contract may not be deemed to constitute approval of or concurrence with any

term or condition of the construction contract except as such term or condition may be required by this Agreement.

(b) Upon receipt by the County of the proposed construction contract, the County shall promptly review same and approve or disapprove it within ten (10) days. If the construction contract is not approved by the County, the County shall set forth in writing and notify Borrower of the County's reasons for withholding such approval. Borrower shall thereafter submit a revised construction contract for County approval, which approval is to be granted or denied in ten (10) days in accordance with the procedures set forth above. Any construction contract executed by Borrower for the Development is to be in the form approved by the County.

Section 3.4 Construction Bonds.

Not later than thirty (30) days prior to the proposed Commencement of Construction Borrower shall deliver to the County copies of labor and material bonds and performance bonds for the construction of the Development in an amount equal to one hundred percent (100%) of the scheduled cost of the construction of the Development. Such bonds must name the County as a co-obligee.

Section 3.5 Commencement of Construction.

Borrower shall cause the Commencement of Construction of the Development to occur no later than September 30, 2016, or such later date that the County approves in writing, but in no event later than 1 year from date of this Agreement. For the purposes of this Agreement, "Commencement of Construction" means the date set for the start of construction of the Development in the notice to proceed issued by Borrower to Borrower's general contractor.

Section 3.6 Completion of Construction.

(a) Borrower shall diligently prosecute construction of the Development to completion, and shall cause the construction of the Development to be completed no later than December 31, 2018, or such later date that the County approves in writing.

(b) Borrower shall give notice to the County upon completion of construction of the Development. Upon receipt of such notice the County will perform an inspection of the Development to determine if the Development was constructed in accordance with the HOME Regulations, including the property standards set forth in 24 C.F.R. 92.251. If the County determines the Development was not constructed in accordance with the HOME Regulations, the County will provide Borrower with a written report of the deficiencies. Borrower shall correct such deficiencies within the timeframe set forth in the notice provided to Borrower by the County. The Development may not be occupied until such deficiencies have been corrected to the satisfaction of the County.

Section 3.7 Changes; Construction Pursuant to Plans and Laws.

(a) Changes. Borrower shall construct the Development in conformance with (i) the plans and specifications approved by the City's Building Inspection Department, and

(ii) the Approved Development Budget. Borrower shall notify the County in a timely manner of any changes in the work required to be performed under this Agreement, including any additions, changes, or deletions to the plans and specifications approved by the City. Written authorization from the County must be obtained before any of the following changes, additions, or deletions in work for the Development may be performed: (i) any change in the work the cost of which exceeds Fifty Thousand Dollars (\$50,000); or (ii) any set of changes in the work the cost of which cumulatively exceeds One Hundred Thousand Dollars (\$100,000) or ten percent (10%) of the Loan amount, whichever is less; or (iii) any material change in building materials or equipment, specifications, or the structural or architectural design or appearance of the Development as provided for in the plans and specifications approved by the County. The County's consent to any additions, changes, or deletions to the work does not relieve or release Borrower from any other obligations under this Agreement, or relieve or release Borrower or its surety from any surety bond.

(b) Compliance with Laws. Borrower shall cause all work performed in connection with the Development to be performed in compliance with:

(i) all applicable laws, codes (including building codes and codes applicable to mitigation of disasters such as earthquakes), ordinances, rules and regulations of federal, state, county or municipal governments or agencies now in force or that may be enacted hereafter;

(ii) the property standards set out in 24 C.F.R. 92.251 as implemented by Section 5.6 of the HOME/HOPWA Regulatory Agreement, and 24 C.F.R. Section 574.310; and

(iii) all directions, rules and regulations of any fire marshal, health officer, building inspector, or other officer of every governmental agency now having or hereafter acquiring jurisdiction. Borrower may permit the work to proceed only after procurement of each permit, license, or other authorization that may be required by any governmental agency having jurisdiction, and Borrower is responsible to the County for the procurement and maintenance thereof.

Section 3.8 Prevailing Wages.

(a) Davis Bacon. To the extent required by applicable law Borrower shall cause construction of the Development to be in compliance with the prevailing wage requirements of the federal Davis-Bacon Act (40 U.S.C. 3141-3148). Borrower shall indemnify, hold harmless and defend (with counsel reasonably acceptable to the County) the County against any claim for damages, compensation, fines, penalties or other amounts arising out of the failure or alleged failure of any person or entity (including the Borrower, its contractor and subcontractors) to pay prevailing wages as determined pursuant to the prevailing wage provisions of the federal Davis-Bacon Act and implementing rules and regulations in connection with the construction of the Development or any other work undertaken or in connection with the Property. The requirements in this subsection survive the repayment of the Loan, and the reconveyance of the Deed of Trust.

(b) State Prevailing Wages.

(i) To the extent required by applicable law Borrower shall:

(1) pay, and shall cause any consultants or contractors to pay, prevailing wages in the construction of the Development as those wages are determined pursuant to California Labor Code Section 1720 et seq.;

(2) cause any consultants or contractors to employ apprentices as required by California Labor Code Section 1777.5 et seq., and the implementing regulations of the Department of Industrial Relations (the "DIR"), and to comply with the other applicable provisions of California Labor Code Sections 1720 et seq., 1777.5 et seq., and implementing regulations of the DIR;

(8) cause its contractors to post job site notices, as prescribed by regulation by the DIR; and

(9) cause its contractors to furnish payroll records required by California Labor Code Section 1776 directly to the Labor Commissioner, at least monthly in the electronic format prescribed by the Labor Commissioner.

(ii) Borrower shall indemnify, hold harmless and defend (with counsel reasonably acceptable to the County) the County against any claim for damages, compensation, fines, penalties or other amounts arising out of the failure or alleged failure of any person or entity (including Borrower, its contractor and subcontractors) to pay prevailing wages as determined pursuant to California Labor Code Section 1720 et seq., to employ apprentices pursuant to California Labor Code Section 1777.5 et seq., to meet the conditions of California Labor Code Section 1771.4, and implementing regulations of the DIR, or to comply with the other applicable provisions of California Labor Code Sections 1720 et seq., 1777.5 et seq., and 1771.4, and the implementing regulations of the DIR, in connection with the construction of the Development or any other work undertaken or in connection with the Property. The requirements in this Section survive the repayment of the Loan, and the reconveyance of the Deed of Trust.

Section 3.9 Accessibility.

Borrower shall construct the Development in compliance with all applicable federal and state disabled persons accessibility requirements including but not limited to the Federal Fair Housing Act; Section 504 of the Rehabilitation Act of 1973 ("Section 504"); Title II and/or Title III of the Americans with Disabilities Act; and Title 24 of the California Code of Regulations (collectively, the "Accessibility Requirements"). In compliance with Section 504, a minimum of five (5) County-Assisted Units must be constructed to be fully accessible to households with a mobility impaired member and an additional two (2) County-Assisted Units must be constructed to be fully accessible to hearing and/or visually impaired persons. In compliance with Section 504 Borrower shall provide the County with a certification from the Development architect that to the best of the architect's knowledge, the Development complies with all federal and state accessibility requirements applicable to the Development. Borrower shall indemnify, hold harmless and defend (with counsel reasonably acceptable to the County) the County against any claim for damages, compensation, fines, penalties or other amounts arising out of the failure or alleged failure of any person or entity (including Borrower, its architect, contractor and subcontractors) to construct the Development in accordance with the Accessibility Requirements. The requirements in this Subsection survive repayment of the Loan and the reconveyance of the Deed of Trust.

Section 3.10 Equal Opportunity.

During the construction of the Development discrimination on the basis of race, color, creed, religion, age, sex, sexual orientation, marital status, national origin, ancestry, or disability in the hiring, firing, promoting, or demoting of any person engaged in the construction work is not allowed.

Section 3.11 Minority and Women-Owned Contractors.

Borrower shall use its best efforts to afford minority-owned and women-owned business enterprises the maximum practicable opportunity to participate in the construction of the Development. Borrower shall, at a minimum, notify applicable minority-owned and women-owned business firms located in Contra Costa County of bid opportunities for the construction of the Development. A listing of minority owned and women owned businesses located in the

County and neighboring counties is available from the County. Documentation of such notifications must be maintained by Borrower and available to the County upon request.

Section 3.12 Progress Reports.

Until such time as Borrower has received a certificate of occupancy from the City for the Development, Borrower shall provide the County with quarterly progress reports regarding the status of the construction of the Development, including a certification that the actual construction costs to date conform to the Approved Development Budget, as it may be amended from time to time pursuant to Section 3.16 below.

Section 3.13 Construction Responsibilities.

(a) Borrower is responsible for the coordination and scheduling of the work to be performed so that commencement and completion of the construction of the Development takes place in accordance with this Agreement.

(b) Borrower is solely responsible for all aspects of Borrower's conduct in connection with the Development, including (but not limited to) the quality and suitability of the plans and specifications, the supervision of construction work, and the qualifications, financial condition, and performance of all architects, engineers, contractors, subcontractors, suppliers, consultants, and property managers. Any review or inspection undertaken by the County with reference to the Development is solely for the purpose of determining whether Borrower is properly discharging its obligations to the County, and may not be relied upon by Borrower or by any third parties as a warranty or representation by the County as to the quality of the design or construction of the Development.

Section 3.14 Mechanics Liens, Stop Notices, and Notices of Completion.

(a) If any claim of lien is filed against the Property or a stop notice affecting the Loan is served on the County or any other lender or other third party in connection with the Development, then Borrower shall, within twenty (20) days after such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to the County a surety bond in sufficient form and amount, or provide the County with other assurance satisfactory to the County that the claim of lien or stop notice will be paid or discharged.

(b) If Borrower fails to discharge any lien, encumbrance, charge, or claim in the manner required in this Section, then in addition to any other right or remedy, the County may (but is under no obligation to) discharge such lien, encumbrance, charge, or claim at Borrower's expense. Alternately, the County may require Borrower to immediately deposit with the County the amount necessary to satisfy such lien or claim and any costs, pending resolution thereof. The County may use such deposit to satisfy any claim or lien that is adversely determined against Borrower.

(c) Borrower shall file a valid notice of cessation or notice of completion upon cessation of construction work on the Development for a continuous period of thirty (30) days or more, and take all other steps necessary to forestall the assertion of claims of

lien against the Property. Borrower authorizes the County, but the County has no obligation, to record any notices of completion or cessation of labor, or any other notice that the County deems necessary or desirable to protect its interest in the Development and Property.

Section 3.15 Inspections.

Borrower shall permit and facilitate, and shall require its contractors to permit and facilitate, observation and inspection at the Development by the County and by public authorities during reasonable business hours during the Term, for the purposes of determining compliance with this Agreement.

Section 3.16 Approved Development Budget; Revisions to Budget.

As of the date of this Agreement, the County has approved the Approved Development Budget set forth in Exhibit B. Borrower shall submit any required amendments to the Approved Development Budget to the County for approval within five (5) days after the date Borrower receives information indicating that actual costs of the Development vary or will vary from the costs shown on the Approved Development Budget. Written consent of the County will be required to amend the Approved Development Budget.

Section 3.17 Developer Fee.

The maximum cumulative Developer Fee that may be paid to any entity or entities providing development services to the Development, whether paid up-front or on a deferred basis, is not to exceed the amount allowed by TCAC and as approved by the County. For the purposes of this Agreement "Developer Fee" has the meaning set forth in California Code of Regulations, Title 4, Section 10302(l). The total of Developer Fee paid, whether paid up-front or on a deferred basis, out of Annual Operating Expenses, is not to exceed One Million Five Hundred Thousand Dollars (\$1,500,000). Such limit does not apply to any capital contributions Borrower's general partner is required to make toward payment of Development Fee.

Section 3.18 Partnership/Asset Fee.

During the Fifteen Year Compliance Period, the Partnership/Asset Fee is not to exceed Thirty-Two Thousand Dollars (\$32,000) per year. After the expiration of the Fifteen Year Compliance Period, the Partnership/Asset Fee is not to exceed Twenty-Five Thousand Dollars (\$25,000) per year.

Section 3.19 NEPA Mitigation Requirements.

Borrower shall comply with the NEPA mitigation requirements set forth in the attached Exhibit C in the construction of the Development.

ARTICLE 4 LOAN REQUIREMENTS

The Borrower shall ensure that the Loan is matched with a minimum of One Hundred Seventy-Five Thousand Dollars (\$175,000) in other, non-federal sources, pursuant to and eligible under applicable HOME regulations.

Section 4.2 Reserve Accounts.

(a) Replacement Reserve Account. Borrower shall establish and maintain an account that is available for capital expenditures for repairs and replacement necessary to maintain the Development in the condition required by the Loan Documents (the "Replacement Reserve Account"). Borrower shall make annual deposits to the Replacement Reserve Account in the amounts required in the Partnership Agreement. In no event shall the annual amount deposited in the Replacement Reserve Account exceed Six Hundred Dollars (\$600) per unit, increasing by the applicable consumer price index every five (5) years, or such greater amount required in connection with the Partnership Agreement or any permanent financing, and approved by the County.

(b) Operating Reserve Account. Borrower shall establish and maintain an account that is available to fund operating deficits (which is the amount by which Annual Operating Expenses exceed Gross Revenue for any period) (the "Operating Reserve Account"). Borrower shall capitalize the Operating Reserve Account in the amount required by TCAC (currently three months of Annual Operating Expenses); provided, however that if the Partnership Agreement or the documents evidencing the Bank Loan require the Operating Reserve Account to be capitalized in an amount greater than the TCAC requirement, Borrower shall capitalize the Operating Reserve Account as required by the Partnership Agreement or the documents evidencing the Bank Loan, as applicable, for as long as the Partnership Agreement or the Bank Loan, as applicable, is outstanding. In no event may the amount held in the Operating Reserve Account exceed six (6) months gross rent from the Development (as such rent may vary from time to time).

Section 4.3 Financial Accountings and Post-Completion Audits.

(a) No later than ninety (90) days following completion of construction of the Development, Borrower shall provide to the County for its review and approval a financial accounting of all sources and uses of funds for the Development.

(b) No later than one hundred twenty (120) days after Permanent Conversion, Borrower shall submit an audited financial report showing the sources and uses of all funds utilized for the Development. This requirement may be satisfied by providing the Final Cost Certification to the County. "Final Cost Certification" means the Final Cost Certification Sources and Uses of Funds prepared by Borrower for the Development that: (i) Borrower submits to TCAC; and (ii) has been prepared using generally accepted accounting standards in effect in the United States of America from time to time, consistently applied.

Section 4.4 Approval of Annual Operating Budget.

At the beginning of each year of the Term, Borrower shall provide to the County an annual budget for the operation of the Development. The County may request additional information to assist the County in evaluating the financial viability of the Development. Unless rejected by the County in writing within thirty (30) days after receipt of the budget, the budget will be deemed accepted. If rejected by the County in whole or in part, Borrower shall submit a new or corrected budget within thirty (30) calendar days after notification of the County's rejection and the reasons therefor. The provisions of this Section relating to time periods for resubmission of new or corrected budgets will continue to apply until such budget has been approved by the County.

Section 4.5 Information.

Borrower shall provide any information reasonably requested by the County in connection with the Development, including (but not limited to) any information required by HUD in connection with Borrower's use of the Loan funds.

Section 4.6 County Audits.

(a) Each year, Borrower shall provide the County with a copy of Borrower's annual audit, which is to include information on all of Borrower's activities and not just those pertaining to the Development.

(b) In addition, the County may, at any time, audit all of Borrower's books, records, and accounts pertaining to the Development including but not limited to the Residual Receipts of the Development. Any such audit is to be conducted during normal business hours at the principal place of business of Borrower and wherever records are kept. Immediately after the completion of an audit, the County shall deliver a copy of the results of the audit to Borrower.

(c) If it is determined as a result of an audit that there has been a deficiency in a loan repayment to the County then such deficiency will become immediately due and payable, with interest at the Default Rate from the date the deficient amount should have been paid. In addition, if the audit determines that Residual Receipts have been understated for any year by the greater of: (i) Two Thousand Five Hundred Dollars (\$2,500); and (ii) an amount that exceeds five percent (5%) of the Residual Receipts, then, in addition to paying the deficiency with interest, Borrower shall pay all of the County's costs and expenses connected with the audit and review of Borrower's accounts and records.

Section 4.7 Hazardous Materials.

(a) Borrower shall keep and maintain the Property (including but not limited to, soil and ground water conditions) in compliance with all Hazardous Materials Laws and may not cause or permit the Property to be in violation of any Hazardous Materials Law. Borrower may not cause or permit the use, generation, manufacture, storage or disposal of on, under, or about the Property or transportation to or from the Property of any Hazardous Materials, except such of the foregoing as may be customarily used in construction of

projects like the Development or kept and used in and about residential property of this type.

(b) Borrower shall immediately advise the County in writing if at any time it receives written notice of any Hazardous Materials Claims, and Borrower's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as "border-zone property" (as defined in California Health and Safety Code Section 25117.4) under the provision of California Health and Safety Code, Section 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Materials Law.

(c) The County has the right to join and participate in, as a party if it so elects, and be represented by counsel acceptable to the County (or counsel of its own choice if a conflict exists with Borrower) in any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorneys' fees in connection therewith paid by Borrower.

(d) Borrower shall indemnify and hold harmless the County and its board members, supervisors, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, fine, penalty, judgment, award, settlement, expense or liability, directly or indirectly arising out of or attributable to: (i) any actual or alleged past or present violation of any Hazardous Materials Law; (ii) any Hazardous Materials Claim; (iii) any actual or alleged past or present use, generation, manufacture, storage, release, threatened release, discharge, disposal, transportation, or presence of Hazardous Materials on, under, or about the Property; (iv) any investigation, cleanup, remediation, removal, or restoration work of site conditions of the Property relating to Hazardous Materials (whether on the Property or any other property); and (v) the breach of any representation of warranty by or covenant of Borrower in this Section 4.7, and Section 5.1(l). Such indemnity shall include, without limitation: (x) all consequential damages; (y) the costs of any required or necessary investigation, repair, cleanup or detoxification of the Property and the preparation and implementation of any closure, remedial or other required plans; and (z) all reasonable costs and expenses incurred by the County in connection with clauses (x) and (y), including but not limited to reasonable attorneys' fees and consultant fees. This indemnification applies whether or not any government agency has issued a cleanup order. Losses, claims, costs, suits, liability, and expenses covered by this indemnification provision include, but are not limited to: (1) losses attributable to diminution in the value of the Property, (2) loss or restriction of use of rentable space on the Property, (3) adverse effect on the marketing of any rental space on the Property, and (4) penalties and fines levied by, and remedial or enforcement actions of any kind issued by any regulatory agency (including but not limited to the costs of any required testing, remediation, repair, removal, cleanup or detoxification of the Property and surrounding properties). This obligation to indemnify will survive termination of this Agreement and will not be diminished or affected in any respect as a result of any notice, disclosure, knowledge, if any, to or by the County of Hazardous Materials.

(e) Without the County's prior written consent, which will not be unreasonably withheld, Borrower may not take any remedial action in response to the presence of any Hazardous Materials on, under or about the Property, nor enter into any

settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree or compromise might, in the County's judgment, impair the value of the County's security hereunder; provided, however, that the County's prior consent is not necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain the County's consent before taking such action, provided that in such event Borrower shall notify the County as soon as practicable of any action so taken. The County agrees not to withhold its consent, where such consent is required hereunder, if: (i) a particular remedial action is ordered by a court of competent jurisdiction; (ii) Borrower will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Borrower establishes to the satisfaction of the County that there is no reasonable alternative to such remedial action which would result in less impairment of the County's security hereunder; or (iv) the action has been agreed to by the County.

(f) Borrower hereby acknowledges and agrees that: (i) this Section is intended as the County's written request for information (and Borrower's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5; and (ii) each representation and warranty in this Agreement (together with any indemnity obligation applicable to a breach of any such representation and warranty) with respect to the environmental condition of the Property is intended by the Parties to be an "environmental provision" for purposes of California Code of Civil Procedure Section 736.

(g) In the event that any portion of the Property is determined to be "environmentally impaired" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an "affected parcel" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting the County's or the trustee's rights and remedies under the Deed of Trust, the County may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to: (i) waive its lien on such environmentally impaired or affected portion of the Property; and (ii) exercise, (1) the rights and remedies of an unsecured creditor, including reduction of its claim against Borrower to judgment, and (2) any other rights and remedies permitted by law. For purposes of determining the County's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), Borrower will be deemed to have willfully permitted or acquiesced in a release or threatened release of Hazardous Materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of Hazardous Materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and Borrower knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the County in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the Default Rate, until paid, will be added to the indebtedness secured by the Deed of Trust and is due and payable to the County upon its

demand made at any time following the conclusion of such action.

Section 4.8 Maintenance; Damage and Destruction.

(a) During the course of both construction and operation of the Development, Borrower shall maintain the Development and the Property in good repair and in a neat, clean and orderly condition, and in accordance with the Regulatory Agreements.

(b) Subject to the requirements of senior lenders, and if economically feasible in the County's judgment after consultation with Borrower, if any improvement now or in the future on the Property is damaged or destroyed, then Borrower shall, at its cost and expense, diligently undertake to repair or restore such improvement consistent with the plans and specifications approved by the County with such changes as have been approved by the County. Such work or repair is to be commenced no later than the later of one hundred twenty (120) days, or such longer period approved by the County in writing, after the damage or loss occurs or thirty (30) days following receipt of the insurance proceeds, and is to be complete within one (1) year thereafter. Any insurance proceeds collected for such damage or destruction are to be applied to the cost of such repairs or restoration and, if such insurance proceeds are insufficient for such purpose, then Borrower shall make up the deficiency. If Borrower does not promptly make such repairs then any insurance proceeds collected for such damage or destruction are to be promptly delivered by Borrower to the County as a special repayment of the Loan, subject to the rights of the senior lenders, if any.

Section 4.9 Fees and Taxes.

Borrower is solely responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Property or the Development, and shall pay such charges prior to delinquency and at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching to the Property. Borrower is also solely responsible for payment of all personal property taxes, and all franchise, income, employment, old age benefit, withholding, sales, and other taxes assessed against it, or payable by it, and shall pay such charges prior to delinquency and at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching to the Property.

However, Borrower is not required to pay and discharge any such charge so long as: (i) the legality thereof is being contested diligently and in good faith and by appropriate proceedings; and (ii) if requested by the County, Borrower deposits with the County any funds or other forms of assurance that the County in good faith from time to time determines appropriate to protect the County from the consequences of the contest being unsuccessful.

In the event Borrower exercises its right to contest any tax, assessment, or charge against it, Borrower, on final determination of the proceeding or contest, will immediately pay or discharge any decision or judgment rendered against it, together with all costs, charges and interest.

Borrower shall not apply for a property tax exemption for the Property under any provision of law except California Revenue and Taxation Section 214(g) without the prior

written consent of the County.

Section 4.10 Notice of Litigation.

Borrower shall promptly notify the County in writing of any litigation that has the potential to materially affect Borrower or the Property and of any claims or disputes that involve a material risk of such litigation.

Section 4.11 Operation of Development as Affordable Housing.

Borrower shall operate the Development (i) in accordance with all applicable laws, codes, ordinances, rules and regulations of federal, state, county or municipal governments or agencies now in force or that may be enacted hereafter, and (ii) as an affordable housing development consistent with: (1) HUD's requirements for use of HOPWA Funds, NSP1 Funds, and HOME Funds; (2) the Regulatory Agreements; (3) any other regulatory requirements imposed on Borrower including but not limited to regulatory agreements associated with the City Loan, MHP Loan, VHHP Loan, Low Income Housing Tax Credits provided by TCAC; and (4) any regulatory requirements imposed on Borrower related to the rental subsidies provided to the Development.

Section 4.12 Nondiscrimination.

(a) Borrower covenants by and for itself and its successors and assigns that there will be no discrimination against or segregation of a person or of a group of persons on account of race, color, religion, creed, age (except for lawful senior housing in accordance with state and federal law), familial status, disability, sex, sexual orientation, marital status, ancestry or national origin in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor may Borrower or any person claiming under or through Borrower establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Property. The foregoing covenant will run with the land.

(b) Nothing in this Section prohibits Borrower from requiring County-Assisted Units in the Development to be available to and occupied by income eligible households in accordance with the Regulatory Agreements, or from requiring the HOPWA-Assisted Units in the Development to be available to and occupied by HOPWA Eligible Households.

Section 4.13 Transfer.

(a) For purposes of this Agreement, "Transfer" means any sale, assignment, or transfer, whether voluntary or involuntary, of: (i) any rights and/or duties under this Agreement; and/or (ii) any interest in the Development, including (but not limited to) a fee simple interest, a joint tenancy interest, a life estate, a partnership interest, a leasehold interest, a security interest, or an interest evidenced by a land contract by which possession of the Development is transferred and Borrower retains title. The term "Transfer" excludes the leasing of any single unit in the Development to an occupant in compliance with the

Regulatory Agreements and the granting of easements, licenses, rights-of-way or other rights or privileges in the nature of easements to facilitate the Development, in accordance with Section 2.2 of the Deed of Trust. The County Deputy Director – Department of Conservation and Development is authorized to execute assignment and assumption agreements on behalf of the County to implement any approved Transfer.

(b) Except as otherwise permitted in this Section 4.13, no Transfer is permitted without the prior written consent of the County, which the County may withhold in its sole discretion. The Loan will automatically accelerate and be due in full upon any Transfer made without the prior written consent of the County.

(c) The County hereby approves future Transfers of the limited partner interest of Borrower provided that: (i) such Transfers do not affect the timing and amount of the Investor Limited Partner capital contributions provided for in the Partnership Agreement; and (ii) in subsequent Transfers, the Investor Limited Partner or an affiliate thereof, retains a membership or partnership interest and serves as a managing member or managing general partner of the successor limited partner.

(d) The County hereby approves a Transfer of the Property from Borrower to SAHA, or a non-profit affiliate of SAHA, and an assumption of the Loan by such transferee at the end of the Fifteen Year Compliance Period, provided that: (i) such Transfer is pursuant to an option or right of first refusal agreement referenced in the Partnership Agreement, and (ii) the transferee expressly assumes the obligations of the Borrower under the Loan Documents, utilizing a form of assignment and assumption agreement provided by the County.

(e) The County hereby approves the purchase of the Investor Limited Partner interest by SAHA, or a non-profit affiliate of SAHA at the end of the Fifteen Year Compliance Period, provided that such Transfer is pursuant to an option or right of first refusal agreement referenced in the Partnership Agreement.

(f) In the event the general partner of Borrower is removed by the limited partner of Borrower for cause following default under the Partnership Agreement, the County hereby approves the removal of the general partner and the Transfer of the general partner interest to (i) a 501(c)(3) tax exempt nonprofit corporation or other entity with a 501(c)(3) tax exempt nonprofit corporation member or partner, that is selected by the Investor Limited Partner and approved by the County, and (ii) the Investor Limited Partner or an affiliate thereof, but only for a period not to exceed ninety (90) days from the date of removal of the general partner, during which time such entity shall diligently seek a replacement general partner meeting the requirements of subsection (i) above.

(g) The County hereby approves the grant of the security interests in the Development for Approved Financing.

Section 4.14 Insurance Requirements.

(a) Borrower shall maintain the following insurance coverage throughout the Term of the Loan:

(i) Workers' Compensation insurance to the extent required by law, including Employer's Liability coverage, with limits not less than One Million Dollars (\$1,000,000) each accident.

(ii) Commercial General Liability insurance with limits not less than Two Million Dollars (\$2,000,000) each occurrence combined single limit for Bodily Injury and Property Damage, including coverages for Contractual Liability, Personal Injury, Broadform Property Damage, Products and Completed Operations.

(iv) Builders' Risk insurance during the course of construction, and upon completion of construction, property insurance covering the Development, in form appropriate for the nature of such property, covering all risks of loss, excluding earthquake, for one hundred percent (100%) of the replacement value, with deductible, if any, acceptable to the County, naming the County as a Loss Payee, as its interests may appear. Flood insurance must be obtained if required by applicable federal regulations.

(v) Commercial crime insurance covering all officers and employees, for loss of Loan proceeds caused by dishonesty, in an amount approved by the County, naming the County a Loss Payee, as its interests may appear.

(b) Borrower shall cause any general contractor, agent, or subcontractor working on the Development under direct contract with Borrower or subcontract to maintain insurance of the types and in at least the minimum amounts described in subsections (i), (ii), and (iii) above, except that the limit of liability for commercial general liability insurance for subcontractors must be One Million Dollars (\$1,000,000), and must require that such insurance will meet all of the general requirements of subsections (d) and (e) below.

(c) The required insurance must be provided under an occurrence form, and Borrower shall maintain the coverage described in subsection (a) continuously throughout the Term. Should any of the required insurance be provided under a form of coverage that includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit must be three times the occurrence limits specified above.

(d) Commercial General Liability, Automobile Liability and Property insurance policies must be endorsed to name as an additional insured the County and its officers, agents, employees and members of the County Board of Supervisors.

(e) All policies and bonds are to contain: (i) the agreement of the insurer to give the County at least thirty (30) days' notice prior to cancellation (including, without limitation, for non-payment of premium) or any material change in said policies; (ii) an agreement that such policies are primary and non-contributing with any insurance that may be carried by the County; (iii) a provision that no act or omission of Borrower shall affect or limit the obligation of the insurance carrier to pay the amount of any loss sustained; and (iv)

a waiver by the insurer of all rights of subrogation against the County and its authorized parties in connection with any loss or damage thereby insured against.

Section 4.15 Covenants Regarding Approved Financing and Partnership Agreement.

(a) Borrower shall promptly pay the principal and interest when due on any Approved Financing.

(b) Borrower shall promptly notify the County in writing of the existence of any default under any documents evidencing Approved Financing whether or not a default has been declared by the lender, and any defaults under the Partnership Agreement, and provide the County copies of any notice of default.

(c) Borrower may not amend, modify, supplement, cancel or terminate the Partnership Agreement or any documents related to any loan that is part of the Approved Financing without the prior written consent of the County except for amendments solely to effectuate Transfers permitted under Section 4.13 above and amendments to the Partnership Agreement that do not affect the amount or timing of the Investor Limited Partner capital contributions or the computation and disbursement of Residual Receipts. Borrower shall provide the County copies of all amendments, modifications, and supplements to the Partnership Agreement and any document related to any loan that is part of the Approved Financing.

(d) Borrower may not incur any indebtedness of any kind other than Approved Financing or encumber the Development with any liens (other than liens for Approved Financing approved by the County) without the prior written consent of the County.

(e) The Partnership Agreement may not include any provisions that conflict with the provisions of this Agreement, including, without limitation, the Residual Receipts payment provisions of Section 2.8 above.

(e) No Breach of Law or Agreement. Neither the execution nor delivery of the Loan Documents or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Agreement, nor the performance of any provision, condition, covenant or other term hereof or thereof, will: (i) conflict with or result in a breach of any statute, rule or regulation, or any judgment, decree or order of any court, board, commission or agency whatsoever that is binding on Borrower, or conflict with any provision of the organizational documents of Borrower, or conflict with any agreement to which Borrower is a party; or (ii) result in the creation or imposition of any lien upon any assets or property of Borrower, other than liens established pursuant hereto.

(h) Title to Land. At the time of recordation of the Deed of Trust, Borrower will have good and marketable fee title to the Development and there will exist thereon or with respect thereto no mortgage, lien, pledge or other encumbrance of any character whatsoever other than liens shown on the County's title policy provided pursuant to Section

2.6(h) above, or approved in writing by the County.

ARTICLE 6 DEFAULT AND REMEDIES

Section 6.1 Events of Default.

(a) Failure to Construct. If Borrower fails to obtain permits, or to commence and prosecute construction of the Development to completion, within the times set forth in Article 3 above.

(b) Failure to Make Payment. If Borrower fails to make any payment when such payment is due pursuant to the Loan Documents.

(c) Failure to Submit Plans. If Borrower fails to submit a Marketing Plan, Tenant Selection Plan, or Social Services Plan that is approved by the County in accordance with the HOME/HOPWA Regulatory Agreement.

(e) Default Under Other Loans. If a default is declared under any other financing for the Development by the lender of such financing and such default remains uncured following any applicable notice and cure period.

(f) Insolvency. If a court having jurisdiction makes or enters any decree or order: (i) adjudging Borrower to be bankrupt or insolvent; (ii) approving as properly filed a petition seeking reorganization of Borrower, or seeking any arrangement for Borrower under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction; (iii) appointing a receiver, trustee, liquidator, or assignee of Borrower in bankruptcy or insolvency or for any of their properties; (iv) directing the winding up or liquidation of Borrower if any such decree or order described in clauses (i) to (iv), inclusive, is unstayed or undischarged for a period of ninety (90) calendar days; or (v) Borrower admits in writing its inability to pay its debts as they fall due or will have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive. The occurrence of any of the Events of Default in this paragraph will act to accelerate automatically, without the need for any action by the County, the indebtedness evidenced by the Note.

(g) Assignment; Attachment. If Borrower assigns its assets for the benefit of its creditors or suffers a sequestration or attachment of or execution on any substantial part of its property, unless the property so assigned, sequestered, attached or executed upon is returned or released within ninety (90) calendar days after such event or, if sooner, prior to sale pursuant to such sequestration, attachment, or execution. The occurrence of any of the events of default in this paragraph shall act to accelerate automatically, without the need for any action by the County, the indebtedness evidenced by the Note.

(i) Liens on Property and the Development. (k) Unauthorized Transfer. If any Transfer occurs other than as permitted pursuant to Section 4.13.

(l) Representation or Warranty Incorrect. If any Borrower representation or warranty contained in this Agreement, or in any application, financial statement, certificate, or report submitted to the County in connection with any of the Loan Documents, proves to have been incorrect in any material respect when made.

(m) Applicability to General Partner. The occurrence of any of the events set forth in Section 6.1(f), through Section 6.1(h) in relation to Borrower's managing general partner, unless the removal and replacement of the Borrower's managing general partner in accordance with Section 4.13(f), within the time frame set forth in Section 6.5 cures such a default.

Section 6.2 Remedies.

Upon the occurrence of an Event of Default and until such Event of Default is cured or waived, the County is relieved of any obligation to disburse any portion of the Loan. In addition, upon the occurrence of an Event of Default and following the expiration of all applicable notice and cure periods the County may proceed with any and all remedies available to it under law, this Agreement, and the other Loan Documents. Such remedies include but are not limited to the following:

(a) Acceleration of Note. The County may cause all indebtedness of Borrower to the County under this Agreement and the Note, together with any accrued interest thereon, to become immediately due and payable. Borrower waives all right to presentment, demand, protest or notice of protest or dishonor. The County may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the County as a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. Borrower is liable to pay the County on demand all reasonable expenses, costs and fees (including, without limitation, reasonable attorney's fees and expenses) paid or incurred by the County in connection with the collection of the Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Loan.

(b) Specific Performance. The County has the right to mandamus or other suit, action or proceeding at law or in equity to require Borrower to perform its obligations and covenants under the Loan Documents or to enjoin acts on things that may be unlawful or in violation of the provisions of the Loan Documents.

(c) Right to Cure at Borrower's Expense. The County has the right (but not the obligation) to cure any monetary default by Borrower under a loan other than the Loan. Upon demand therefor, Borrower shall reimburse the County for any funds advanced by the County to cure such monetary default by Borrower, together with interest thereon from the date of expenditure until the date of reimbursement at the Default Rate.

Section 6.3 Right of Contest.

Borrower may contest in good faith any claim, demand, levy, or assessment the assertion of which would constitute an Event of Default hereunder. Any such contest is to be prosecuted diligently and in a manner unprejudicial to the County or the rights of the County hereunder.

Section 6.4 Remedies Cumulative.

No right, power, or remedy given to the County by the terms of this Agreement or the other Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy is cumulative and in addition to every other right, power, or remedy given to the County by the terms of any such instrument, or by any statute or otherwise against Borrower and any other person. Neither the failure nor any delay on the part of the County to exercise any such rights and remedies will operate as a waiver thereof, nor does any single or partial exercise by the County of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

Section 6.5 Notice and Cure Rights of Limited Partner.

The County shall provide the Investor Limited Partner and any limited partner of Borrower who has requested written notice from the County ("Permitted Limited Partner") a duplicate copy of all notices of default that the County may give to or serve in writing upon Borrower pursuant to the terms of the Loan Documents, at the address set forth in Section 7.9, provided, the County shall have no liability to the Permitted Limited Partner for its failure to do so. The Permitted Limited Partner has the right, but not the obligation, to cure any default of Borrower set forth in such notice, during the applicable cure period described in the Loan Documents, and the County will accept tender of such cure as if delivered by Borrower. If the Permitted Limited Partner is unable to cure a default because Borrower's general partner is in bankruptcy and/or because the cure requires removal of the general partner of Borrower and the Permitted Limited Partner is proceeding diligently to remove the general partner of Borrower in order to effect a cure of the Default, the cure period will be extended for such reasonable time as is necessary for the Permitted Limited Partner to effect a cure of the Default, but in no event longer than sixty (60) days after the date of receipt by the Permitted Limited Partner of written notice of the default.

ARTICLE 7 GENERAL PROVISIONS

Section 7.1 Relationship of Parties.

Nothing contained in this Agreement is to be interpreted or understood by any of the Parties, or by any third persons, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between the County and Borrower or its agents, employees or contractors, and Borrower will at all times be deemed an independent contractor and to be wholly responsible for the manner in which it or its agents, or both, perform the services required of it by the terms of this Agreement. Borrower has and retains the right to exercise full control of employment, direction, compensation, and discharge of all persons assisting in the performance of services under the Agreement. In regards to the construction and operation of the Development, Borrower is solely responsible for all matters relating to payment

of its employees, including compliance with Social Security, withholding, and all other laws and regulations governing such matters, and must include requirements in each contract that contractors are solely responsible for similar matters relating to their employees. Borrower is solely responsible for its own acts and those of its agents and employees.

Section 7.2 No Claims.

Nothing contained in this Agreement creates or justifies any claim against the County by any person that Borrower may have employed or with whom Borrower may have contracted relative to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the purchase of the Property, the construction or operation of the Development, and Borrower shall include similar requirements in any contracts entered into for the construction or operation of the Development.

Section 7.3 Amendments.

No alteration or variation of the terms of this Agreement is valid unless made in writing by the Parties. The County Deputy Director, Department of Conservation and Development is authorized to execute on behalf of the County amendments to the Loan Documents or amended and restated Loan Documents as long as any discretionary change in the amount or terms of this Agreement is approved by the County's Board of Supervisors.

Section 7.4 Indemnification.

Borrower shall indemnify, defend and hold the County and its board members, supervisors, directors, officers, employees, agents, successors and assigns harmless against any and all claims, suits, actions, losses and liability of every kind, nature and description made against it and expenses (including reasonable attorneys' fees) which arise out of or in connection with this Agreement, including but not limited to the purchase of the Property and the development, construction, marketing and operation of the Development, except to the extent such claim arises from the gross negligence or willful misconduct of the County, its agents, and its employees. The provisions of this Section will survive the expiration of the Term and the reconveyance of the Deed of Trust.

Section 7.5 Non-Liability of County Officials, Employees and Agents.

No member, official, employee or agent of the County is personally liable to Borrower in the event of any default or breach of this Agreement by the County or for any amount that may become due from the County pursuant to this Agreement.

Section 7.6 No Third Party Beneficiaries.

There are no third party beneficiaries to this Agreement.

Section 7.7 Discretion Retained By County.

The County's execution of this Agreement in no way limits any discretion the County may have in the permit and approval process related to the construction of the Development.

Section 7.8 Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no person described in Section 7.8(b) below who exercises or has exercised any functions or responsibilities with respect to the activities funded pursuant to this Agreement or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have a financial interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have immediate family or business ties, during, or at any time after, such person's tenure. Borrower shall exercise due diligence to ensure that the prohibition in this Section 7.8(a) is followed.

(b) The conflict of interest provisions of Section 7.8(a) above apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of the County.

(c) In accordance with California Government Code Section 1090 and the Political Reform Act, California Government Code section 87100 et seq., no person who is a director, officer, partner, trustee or employee or consultant of Borrower, or immediate family member of any of the preceding, may make or participate in a decision, made by the County or a County board, commission or committee, if it is reasonably foreseeable that the decision will have a material effect on any source of income, investment or interest in real property of that person or Borrower. Interpretation of this section is governed by the definitions and provisions used in the Political Reform Act, California Government Code Section 87100 et seq., its implementing regulations manual and codes, and California Government Code Section 1090.

TABORA GARDENS, L.P.

Tabora Gardens Senior Housing

dated August ____, 2016

PROMISSORY NOTE
Tabora Gardens Senior Housing
(HOME, HOPWA, NSP, and Summer Lake Affordable Housing Trust Funds)

\$3,000,000

Martinez, California
August __, 2016

FOR VALUE RECEIVED, the undersigned Tabora Gardens, L.P., a California limited partnership ("Borrower") hereby promises to pay to the order of the County of Contra Costa, a political subdivision of the State of California ("Holder"), the principal amount of Three Million Dollars (\$3,000,000) plus interest thereon pursuant to Section 2 below.

This Promissory Note (the "Note") replaces in its entirety that promissory note dated April 1, 2016, executed by Borrower for the benefit of Holder, regarding the HOPWA Loan (the "Original HOPWA Note"). All disbursements under the Original HOPWA Note will be deemed to be disbursed under this Note. Upon execution of this Note by Borrower, the Original HOPWA Note will automatically terminate and be returned to Borrower by the Holder.

All capitalized terms used but not defined in this Note have the meanings set forth in the Loan Agreement.

1. Borrower's Obligation. This Note evidences Borrower's obligation to repay Holder the principal amount of Three Million Dollars (\$3,000,000) with interest for the funds loaned to Borrower by Holder to finance the construction of the Development pursuant to the Development Loan Agreement between Borrower and Holder of even date herewith (the "Loan Agreement").

2. Interest.

(a) HOME Loan. Subject to the provisions of Subsection (e) below, the HOME Loan bears simple interest at a rate of three percent (3%) per annum from the date of disbursement until full repayment of the principal balance of the HOME Loan.

(b) NSP1 Loan. Subject to the provisions of Subsection (e) below, the NSP1 Loan bears simple interest at a rate of three percent (3%) per annum from the date of disbursement until full repayment of the principal balance of the NSP1 Loan.

(c) Housing Trust Loan. Subject to the provisions of Subsection (e) below, the Housing Trust Loan bears simple interest at a rate of three percent (3%) per annum from the date of disbursement until full repayment of the principal balance of the Housing Trust Loan.

(d) HOPWA Loan. Subject to the provisions of Subsection (e) below, no interest will accrue on the outstanding principal balance of the HOPWA Loan.

(e) Default Interest. If an Event of Default occurs, interest will accrue on all amounts due under this Note at the Default Rate until such Event of Default is cured by Borrower or waived by Holder.

3. Term and Repayment Requirements. Principal and interest under this Note is due and payable as set forth in Section 2.8 of the Loan Agreement. The unpaid principal balance hereunder, together with accrued interest thereon, is due and payable no later than the date that is the fifty-fifth (55th) anniversary of the Completion Date; provided, however, if a record of the Completion Date cannot be located or established, the Loan is due and payable on the fifty-seventh (57th) anniversary of the date of this Note.

4. No Assumption. This Note is not assumable by the successors and assigns of Borrower without the prior written consent of Holder, except as provided in the Loan Agreement.

5. Security. This Note, with interest, is secured by the Deed of Trust. Upon execution, the Deed of Trust will be recorded in the official records of Contra Costa County, California. Upon recordation of the Deed of Trust, this Note will become nonrecourse to Borrower, pursuant to and except as provided in Section 2.10 of the Loan Agreement which Section 2.10 is hereby incorporated into this Note. The terms of the Deed of Trust are hereby incorporated into this Note and made a part hereof.

6. Terms of Payment.

(a) Borrower shall make all payments due under this Note in currency of the United States of America to Holder at Department of Conservation and Development, 30 Muir Road, Martinez, CA 94553, Attention: Affordable Housing Program Manager, or to such other place as Holder may from time to time designate.

(b) All payments on this Note are without expense to Holder. Borrower shall pay all costs and expenses, including re-conveyance fees and reasonable attorney's fees of Holder, incurred in connection with the enforcement of this Note and the release of any security hereof.

(c) Notwithstanding any other provision of this Note, or any instrument securing the obligations of Borrower under this Note, if, for any reason whatsoever, the payment of any sums by Borrower pursuant to the terms of this Note would result in the payment of interest that exceeds the amount that Holder may legally charge under the laws of the State of California, then the amount by which payments exceed the lawful interest rate will automatically be deducted from the principal balance owing on this Note, so that in no event is Borrower obligated under the terms of this Note to pay any interest that would exceed the lawful rate.

(d) The obligations of Borrower under this Note are absolute and Borrower waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reason whatsoever.

7. Event of Default; Acceleration.

(a) Upon the occurrence of an Event of Default, the entire unpaid principal balance, together with all interest thereon, and together with all other sums then payable under

this Note and the Deed of Trust will, at the option of Holder, become immediately due and payable without further demand.

(b) Holder's failure to exercise the remedy set forth in Subsection 7(a) above or any other remedy provided by law upon the occurrence of an Event of Default does not constitute a waiver of the right to exercise any remedy at any subsequent time in respect to the same or any other Event of Default. The acceptance by Holder of any payment that is less than the total of all amounts due and payable at the time of such payment does not constitute a waiver of the right to exercise any of the foregoing remedies or options at that time or at any subsequent time, or nullify any prior exercise of any such remedy or option, without the express consent of Holder, except as and to the extent otherwise provided by law.

8. Waivers.

(a) Borrower hereby waives diligence, presentment, protest and demand, and notice of protest, notice of demand, notice of dishonor and notice of non-payment of this Note. Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Borrower.

(b) Any extension of time for payment of this Note or any installment hereof made by agreement of Holder with any person now or hereafter liable for payment of this Note must not operate to release, discharge, modify, change or affect the original liability of Borrower under this Note, either in whole or in part.

9. Miscellaneous Provisions.

(a) All notices to Holder or Borrower are to be given in the manner and at the addresses set forth in the Loan Agreement, or to such addresses as Holder and Borrower may therein designate.

(b) Borrower promises to pay all costs and expenses, including reasonable attorney's fees, incurred by Holder in the enforcement of the provisions of this Note, regardless of whether suit is filed to seek enforcement.

(c) This Note is governed by the laws of the State of California.

(d) The times for the performance of any obligations hereunder are to be strictly construed, time being of the essence.

(e) The Loan Documents, of which this Note is a part, contain the entire agreement between the parties as to the Loan. This Note may not be modified except upon the written consent of the parties.

(d) Termination of Occupancy. Upon termination of occupancy of a County-Assisted Unit by a Tenant, such Unit will be deemed to be continuously occupied by a household of the same income level as the initial income level of the vacating Tenant, until such unit is reoccupied, at which time categorization of the Unit will be established based on the occupancy requirements of Section 2.1.

ARTICLE 3 INCOME CERTIFICATION; REPORTING; RECORDS

Borrower shall follow this procedure for resubmission of a revised Tenant Selection Plan until the Tenant Selection Plan is approved by the County. If the Borrower does not submit a revised Tenant Selection Plan that is approved by the County at least three (3) months prior to the date construction of the Development is projected to be complete, Borrower will be in default of this County Regulatory Agreement.

(c) Social Services Plan.

(1) No later than six (6) months prior to the date construction of the Development is projected to be complete, Borrower shall submit to the County for approval its plan for providing social services from qualified service providers to the HOPWA-Eligible Households of the Development as required by 24 C.F.R. When leasing Units within the Development, Borrower shall use the form of lease approved by the County. The form of lease must comply with all requirements of this County Regulatory Agreement, the other Loan Documents and must, among other matters:

(1) provide for termination of the lease for failure to: (i) provide any information required under this County Regulatory Agreement or reasonably requested by Borrower to establish or recertify the Tenant's qualification, or the qualification of the Tenant's household, for occupancy in the Development in accordance with the standards set forth in this County Regulatory Agreement, or (ii) qualify as an Extremely Low Income Household, Forty Percent Income Household, Very Low Income Household, or Sixty Percent Income Household as a result of any material misrepresentation made by such Tenant with respect to the income computation.

(2) be for an initial term of not less than one (1) year, unless by mutual agreement between the Tenant and Borrower, and provide for no increase in Rent during such year. After the initial year of tenancy, the lease may be month-to-month by mutual agreement of Borrower and the Tenant. Notwithstanding the above, any rent increases are subject to the requirements of Section 2.3 above.

(3) include a provision that requires a Tenant who is residing in a Unit required to be accessible pursuant to Section 2.1(f) and who is not in need of an accessible Unit to move to a non-accessible Unit when a non-accessible Unit becomes available and another Tenant or prospective Tenant is in need of an accessible Unit.

(b) Any termination of a lease or refusal to renew a lease for a County-Assisted Unit must be preceded by not less than sixty (60) days written notice to the Tenant by Borrower specifying the grounds for the action.

(c) During the Term, Borrower shall comply with the Marking Plan, Social Services Plan, and Tenant Selection Plan approved by the County.

ARTICLE 5 PROPERTY MANAGEMENT AND MAINTENANCE

5.1 Management Responsibilities. Borrower is responsible for all management functions with respect to the Development, including without limitation the selection of Tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. The County has no responsibility for management of the Development. Borrower shall retain a professional property management company approved by the County in its reasonable discretion to perform Borrower's management duties hereunder. An on-site property manager is also required.

5.2 Management Agent. Borrower shall cause the Development to be managed by an experienced management agent reasonably acceptable to the County, with a demonstrated ability to operate residential facilities like the Development in a manner that will provide decent, safe, and sanitary housing (the "Management Agent"). The County has approved Satellite Affordable Housing Associates Property Management, Inc. as the Management Agent. Borrower shall submit for the County's approval the identity of any proposed subsequent management agent. Borrower shall also submit such additional information about the background, experience and financial condition of any proposed management agent as is reasonably necessary for the County to determine whether the proposed management agent meets the standard for a qualified management agent set forth above. If the proposed management agent meets the standard for a qualified management agent set forth above, the County shall approve the proposed management agent by notifying Borrower in writing. Unless the proposed management agent is disapproved by the County within thirty (30) days, which disapproval is to state with reasonable specificity the basis for disapproval, it shall be deemed approved.

5.3 Periodic Performance Review. The County reserves the right to conduct an annual (or more frequently, if deemed necessary by the County) review of the management practices and financial status of the Development. The purpose of each periodic review will be to enable the County to determine if the Development is being operated and managed in accordance with the requirements and standards of this County Regulatory Agreement. Borrower shall cooperate with the County in such reviews.

5.4 Replacement of Management Agent. If, as a result of a periodic review, the County determines in its reasonable judgment that the Development is not being operated and managed in accordance with any of the material requirements and standards of this County Regulatory Agreement, the County shall deliver notice to Borrower of its intention to cause replacement of the Management Agent, including the reasons therefor. Within fifteen (15) days after receipt by Borrower of such written notice, the County staff and Borrower shall meet in good faith to consider methods for improving the financial and operating status of the Development, including, without limitation, replacement of the Management Agent.

If, after such meeting, County staff recommends in writing the replacement of the Management Agent, Borrower shall promptly dismiss the then-current Management Agent, and shall appoint as the Management Agent a person or entity meeting the standards for a management agent set forth in Section 5.2 above and approved by the County pursuant to Section 5.2 above.

Any contract for the operation or management of the Development entered into by Borrower shall provide that the Management Agent may be dismissed and the contract terminated as set forth above. Failure to remove the Management Agent in accordance with the provisions of this Section constitutes a default under this County Regulatory Agreement, and the County may enforce this provision through legal proceedings as specified in Section 6.5 below.

5.5 Approval of Management Policies. Borrower shall submit its written management policies with respect to the Development to the County for its review, and shall amend such policies in any way necessary to ensure that such policies comply with the provisions of this County Regulatory Agreement.

5.6 Property Maintenance.

(a) Borrower shall maintain, for the entire Term of this County Regulatory Agreement, all interior and exterior Improvements, including landscaping in decent, safe and sanitary condition, and in good condition and repair, in accordance with the maintenance standards provided by the County (the "Maintenance Standards"). Borrower shall cause the Development to be: (i) maintained in accordance with all applicable laws, rules, ordinances, orders and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials; and (ii) free of all health and safety defects. Borrower shall correct any life-threatening maintenance deficiencies, including those set forth in the Maintenance Standards immediately upon notification.

(b) At the beginning of each year of the Term, Borrower shall certify to the County that the Development is in compliance with the Maintenance Standards.

5.7 Property Inspections.

(a) On-Site Physical Inspections. The County will perform on-site inspections of the Development during the Term to ensure compliance with the Maintenance Standards. The County will perform an on-site inspection within twelve months after completion of construction of the Development and at least once every three (3) years during the Term. If the Development is found to have health and safety violations, the County may perform more frequent inspections. Borrower shall cooperate in such inspections.

(b) Violation of Maintenance Standards. If after an inspection, the County determines that Borrower is in violation of the Maintenance Standards, the County will provide Borrower a written report of the violations. Borrower shall correct the violations set forth in the report provided to Borrower by County. The County will perform a follow-up inspection to verify that the violations have been corrected. If such violations continue for a period of ten (10) days after delivery of the report to Borrower by the County with respect to graffiti, debris, waste material, and general maintenance, or thirty (30) days after delivery of the report to Borrower by the County with respect to landscaping and building improvements, then the County, in addition to whatever other remedy it may have at law or in equity, has the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the violation. Pursuant to such right of entry, the County is permitted (but is not required) to enter upon the Property and to perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the County and/or costs of such cure, which amount Borrower shall promptly pay to the County upon demand.

ARTICLE 6 MISCELLANEOUS

6.1 Nondiscrimination.

(a) All of the Units must be available for occupancy on a continuous basis to members of the general public who are income eligible. Borrower may not give preference to any particular class or group of persons in renting or selling the Units, except to the extent that the Units are required to be leased to income eligible households pursuant to this County Regulatory Agreement and the HOME/HOPWA Regulatory Agreement. Borrower herein covenants by and for Borrower, assigns, and all persons claiming under or through Borrower, that there exist no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual orientation, marital status, national origin, source of income (e.g., SSI), ancestry, or disability, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of any unit nor will Borrower or any person claiming under or through Borrower, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of any unit or in connection with the employment of persons for the construction, operation and management of any unit.

(b) Borrower shall accept as Tenants, on the same basis as all other prospective Tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing housing program under Section 8 of the United States Housing Act, or its successor. Borrower may not apply selection criteria to Section 8 certificate or voucher holders that is more burdensome than criteria applied to all other prospective Tenants, nor will Borrower apply or permit the application of management policies or lease provisions with respect to the Development which have the effect of precluding occupancy of units by such prospective Tenants.

6.2 Application of Provisions. The provisions of this County Regulatory Agreement apply to the Property for the entire Term even if the Loan is paid in full prior to the end of the Term. This County Regulatory Agreement binds any successor, heir or assign of Borrower, whether a change in interest occurs voluntarily or involuntarily, by operation of law or otherwise, except as expressly released by the County. The County is making the Loan on the condition, and in consideration of, this provision, and would not do so otherwise.

also file a copy of the above-described notice with the County Deputy Director-Current Planning.

(b) In addition to the notice required above, Borrower shall comply with the requirements set forth in California Government Code Sections 65863.10 and 65863.11. 6.4 Covenants to Run With the Land. The County and Borrower hereby declare their express intent that the covenants and restrictions set forth in this County Regulatory Agreement run with the land, and bind all successors in title to the Property, provided, however, that on the expiration of the Term said covenants and restrictions expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property or any portion thereof, is to be held conclusively to have been executed, delivered and accepted subject to the covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless the County expressly releases such conveyed portion of the Property from the requirements of this County Regulatory Agreement.

6.5 Enforcement by the County. If Borrower fails to perform any obligation under this County Regulatory Agreement, and fails to cure the default within thirty (30) days after the County has notified Borrower in writing of the default or, if the default cannot be cured within thirty (30) days, fails to commence to cure within thirty (30) days and thereafter diligently pursue such cure and complete such cure within sixty (60) days, the County may enforce this County Regulatory Agreement by any or all of the following actions, or any other remedy provided by law:

ARTICLE 2 MAINTENANCE AND MODIFICATION OF THE PROPERTY AND SECURITY

Section 2.1 Maintenance and Modification of the Property by Trustor.

The Trustor agrees that at all times prior to full payment and performance of the Secured Obligations, the Trustor will, at the Trustor's own expense, maintain, preserve and keep the Security or cause the Security to be maintained and preserved in good condition. The Trustor will from time to time make or cause to be made all repairs, replacements and renewals deemed proper and necessary by it. The Beneficiary has no responsibility in any of these matters or for the making of improvements or additions to the Security.

Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security or any part thereof. Trustor irrevocably appoints, designates and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file for record any notices of completion or cessation of labor or any other notice that Beneficiary deems necessary or desirable to protect its interest in and to the Security or the Loan Documents; provided, however, that Beneficiary exercises its rights as agent of Trustor only in the event that Trustor fails to take, or fails to diligently continue to take, those actions as hereinbefore provided.

Upon demand by Beneficiary, Trustor shall make or cause to be made such demands or claims as Beneficiary specifies upon laborers, materialmen, subcontractors or other persons who have furnished or claim to have furnished labor, services or materials in connection with the Security. Nothing herein contained requires Trustor to pay any claims for labor, materials or services which Trustor in good faith disputes and is diligently contesting provided that Trustor shall, within thirty (30) days after the filing of any claim of lien, record in the Office of the Recorder of Contra Costa County, a surety bond in an amount 1 and 1/2 times the amount of such claim item to protect against a claim of lien.

Section 2.2 Granting of Easements.

Trustor may not grant easements, licenses, rights-of-way or other rights or privileges in the nature of easements with respect to any property or rights included in the Security except those required or desirable for installation and maintenance of public utilities including, without limitation, water, gas, electricity, sewer, telephone and telegraph, or those required by law, and as approved, in writing, by Beneficiary.

Section 2.3 Assignment of Rents.

As part of the consideration for the indebtedness evidenced by the Note, Trustor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the rents and revenues of the Property including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable, subject to the rights of senior lenders that are approved by the Beneficiary pursuant to the Loan Agreement. Trustor hereby authorizes Beneficiary or Beneficiary's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Beneficiary or Beneficiary's agents; provided, however, that prior to written notice given by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents, Trustor shall collect and receive all rents and revenues of the Property as trustee for the benefit of Beneficiary and Trustor to apply the rents and revenues so collected to the Secured Obligations with the balance, so long as no such breach has occurred and is continuing, to the account of Trustor, it being intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Beneficiary shall immediately be entitled to possession of all rents and revenues of the Property as specified in this Section 2.3 as the same becomes due and payable, including but not limited to, rents then due and unpaid, and all such rents will immediately upon delivery of such notice be held by Trustor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Trustor of the breach by Trustor contains a statement that Beneficiary exercises its rights to such rents. Trustor agrees that commencing upon delivery of such written notice of Trustor's breach by Beneficiary to Trustor, each tenant of the Property shall make such rents payable to and pay such rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each tenant therefor, delivered to each tenant personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Trustor.

Trustor hereby covenants that Trustor has not executed any prior assignment of said rents, other than as security to senior lenders, that Trustor has not performed, and will not perform, any acts or has not executed and will not execute, any instrument which would prevent Beneficiary from exercising its rights under this Section 2.3, and that at the time of execution of this Deed of Trust, there has been no anticipation or prepayment of any of the rents of the Property for more than two (2) months prior to the due dates of such rents. Trustor covenants that Trustor will not hereafter collect or accept payment of any rents of the Property more than

two (2) months prior to the due dates of such rents. Trustor further covenants that, so long as the Secured Obligations are outstanding, Trustor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.

Upon Trustor's breach of any covenant or agreement of Trustor in the Loan Documents, Beneficiary may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Deed of Trust. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon Trustor's breach of any covenant or agreement of Trustor in this Deed of Trust, Trustor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver will be entitled to receive a reasonable fee for so managing the Property.

All rents and revenues collected subsequent to delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents are to be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Trustor as lessor or landlord of the Property and then to the sums secured by this deed of Trust. Beneficiary or the receiver is to have access to the books and records used in the operation and maintenance of the Property and will be liable to account only for those rents actually received. Beneficiary is not liable to Trustor, anyone claiming under or through Trustor or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Section 2.3.

If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Beneficiary for such purposes will become part of the Secured Obligations pursuant to Section 3.3 hereof. Unless Beneficiary and Trustor agree in writing to other terms of payment, such amounts are payable by Trustor to Beneficiary upon notice from Beneficiary to Trustor requesting payment thereof and will bear interest from the date of disbursement at the rate stated in Section 3.3.

If the Beneficiary or the receiver enters upon and takes and maintains control of the Property, neither that act nor any application of rents as provided herein will cure or waive any default under this Deed of Trust or invalidate any other right or remedy available to Beneficiary under applicable law or under this Deed of Trust. This assignment of rents of the Property will terminate at such time as this Deed of Trust ceases to secure the Secured Obligations.

ARTICLE 3
TAXES AND INSURANCE; ADVANCES

Section 3.1 Taxes, Other Governmental Charges and Utility Charges.

Trustor shall pay, or cause to be paid, prior to the date of delinquency, all taxes, assessments, charges and levies imposed by any public authority or utility company that are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor is not required to pay and discharge any such tax, assessment, charge or levy so long as (a) the legality thereof is promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section 3.1. With respect to taxes, special assessments or other similar governmental charges, Trustor shall pay such amount in full prior to the attachment of any lien therefor on any part of the Security; provided, however, if such taxes, assessments or charges can be paid in installments, Trustor may pay in such installments. Except as provided in clause (b) of the first sentence of this paragraph, the provisions of this Section 3.1 may not be construed to require that Trustor maintain a reserve account, escrow account, impound account or other similar account for the payment of future taxes, assessments, charges and levies.

In the event that Trustor fails to pay any of the items required by this Section to be paid by Trustor, Beneficiary may (but is under no obligation to) pay the same, after the Beneficiary has notified the Trustor of such failure to pay and the Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the maximum rate permitted by law, will become part of the Secured Obligations secured hereby, and Trustor agrees to pay all such amounts.

Section 3.2 Provisions Respecting Insurance.

Trustor agrees to provide insurance conforming in all respects to that required under the Loan Documents during the course of construction and following completion, and at all times until all amounts secured by this Deed of Trust have been paid, all Secured Obligations secured hereunder have been fulfilled, and this Deed of Trust has been reconveyed.

All such insurance policies and coverages are to be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, are to be delivered to the Beneficiary upon demand therefor at any time prior to Trustor's satisfaction of the Secured Obligations.

Section 3.3 Advances.

In the event the Trustor fails to maintain the full insurance coverage required by this Deed of Trust or fails to keep the Security in accordance with the Loan Documents, the Beneficiary, after at least seven (7) days prior notice to Trustor, may (but is under no obligation to) (i) take out the required policies of insurance and pay the premiums on the same, and (ii) make any repairs or replacements that are necessary and provide for payment thereof. All

amounts so advanced by the Beneficiary will become part of the Secured Obligations (together with interest as set forth below) and will be secured hereby, which amounts the Trustor agrees to pay on the demand of the Beneficiary, and if not so paid, will bear interest from the date of the advance at the Default Rate.

ARTICLE 4 DAMAGE, DESTRUCTION OR CONDEMNATION

Section 4.1 Awards and Damages.

Subject to the rights of senior lenders, all judgments, awards of damages, settlements and compensation made in connection with or in lieu of (1) the taking of all or any part of or any interest in the Property by or under assertion of the power of eminent domain, (2) any damage to or destruction of the Property or any part thereof by insured casualty, and (3) any other injury or damage to all or any part of the Property (collectively, the "Funds") are hereby assigned to and are to be paid to the Beneficiary by a check made payable to the Beneficiary. The Beneficiary is authorized and empowered (but not required) to collect and receive any Funds and is authorized to apply them in whole or in part to any indebtedness or obligation secured hereby, in such order and manner as the Beneficiary determines at its sole option, subject to the provisions of Section 4.8 of the Loan Agreement regarding restoration of improvements following damage or destruction. The Beneficiary is entitled to settle and adjust all claims under insurance policies provided under this Deed of Trust and may deduct and retain from the proceeds of such insurance the amount of all expenses incurred by it in connection with any such settlement or adjustment. Application of all or any part of the Funds collected and received by the Beneficiary or the release thereof will not cure or waive any default under this Deed of Trust.

ARTICLE 5 AGREEMENTS AFFECTING THE PROPERTY; FURTHER ASSURANCES; PAYMENT OF PRINCIPAL AND INTEREST

Section 5.1 Other Agreements Affecting Property.

Trustor shall duly and punctually perform all terms, covenants, conditions and agreements binding upon it under the Loan Documents and any other agreement of any nature whatsoever now or hereafter involving or affecting the Security or any part thereof.

Section 5.2 Agreement to Pay Attorneys' Fees and Expenses.

In the event of any Event of Default (as defined in Section 7.1) hereunder, and if the Beneficiary employs attorneys or incurs other expenses for the collection of amounts due hereunder or the enforcement of performance or observance of an obligation or agreement on the part of the Trustor in this Deed of Trust, the Trustor agrees that it will, on demand therefor, pay to the Beneficiary the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Beneficiary. Any such amounts paid by the Beneficiary will be added to the Secured Obligations, and will bear interest from the date such expenses are incurred at the Default Rate.

Section 5.3 Payment of the Principal.

The Trustor shall pay to the Beneficiary the Principal and any other payments as set forth in the Note in the amounts and by the times set out therein.

Section 5.4 Personal Property.

To the maximum extent permitted by law, the personal property subject to this Deed of Trust is deemed to be fixtures and part of the real property and this Deed of Trust constitutes a fixtures filing under the California Commercial Code. As to any personal property not deemed or permitted to be fixtures, this Deed of Trust constitutes a security agreement under the California Commercial Code.

Section 5.5 Financing Statement.

The Trustor shall execute and deliver to the Beneficiary such financing statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to the Beneficiary a valid perfected security interest in the Security. The Trustor shall perform all acts that the Beneficiary reasonably requests so as to enable the Beneficiary to maintain a valid perfected security interest in the Security in order to secure the payment of the Note in accordance with its terms. The Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it deems appropriate from time to time in order to protect the security interest established pursuant to this instrument.

Section 5.6 Operation of the Security.

The Trustor shall operate the Security (and, in case of a transfer of a portion of the Security subject to this Deed of Trust, the transferee shall operate such portion of the Security) in full compliance with the Loan Documents.

Section 5.7 Inspection of the Security.

At any and all reasonable times upon seventy-two (72) hours' notice, the Beneficiary and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, may inspect the Security, without payment of charges or fees.

Section 5.8 Nondiscrimination.

The Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there will be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, age, sex, sexual orientation, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Security, nor will the Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Security. The foregoing covenants run with the land.

ARTICLE 6 HAZARDOUS WASTE

Trustor shall keep and maintain the Property (including, but not limited to, soil and ground water conditions) in compliance with all Hazardous Materials Laws and shall not cause or permit the Property to be in violation of any Hazardous Materials Law (defined below). Trustor may not cause or permit the use, generation, manufacture, storage or disposal of on, under, or about the Property or transportation to or from the Property of (i) any substance, material, or waste that is petroleum, petroleum-related, or a petroleum by-product, asbestos or asbestos-containing material, polychlorinated biphenyls, flammable, explosive, radioactive, freon gas, radon, or a pesticide, herbicide, or any other agricultural chemical, and (ii) any waste, substance or material defined as or included in the definition of "hazardous substances," "hazardous wastes," "hazardous materials," "toxic materials", "toxic waste", "toxic substances," or words of similar import under any Hazardous Materials Law (collectively referred to hereinafter as "Hazardous Materials"), except such of the foregoing as may be customarily used in construction or operation of a multi-family residential development.

Trustor shall immediately advise Beneficiary in writing if at any time it receives written notice of: (i) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against Trustor or the Property pursuant to any applicable federal, state or local laws, ordinances, or regulations relating to any Hazardous Materials, health, industrial hygiene, environmental conditions, or the regulation or protection of the environment, and all amendments thereto as of this date and to be added in the future and any successor statute or rule or regulation promulgated thereto ("Hazardous Materials Law"); (ii) all claims made or threatened by any third party against Trustor or the Property relating to damage, contribution, cost recovery compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (ii) above are hereinafter referred to as "Hazardous Materials Claims"); and (iii) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as "border-zone property" (as defined in California Health and Safety Code Section 25117.4) under the provision of California Health and Safety Code Section 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Materials Law.

Beneficiary has the right to join and participate in, as a party if it so elects, and be represented by counsel acceptable to Beneficiary (or counsel of its own choice if a conflict exists with Trustor) in, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims, and to have its reasonable attorneys' fees in connection therewith paid by Trustor.

Trustor shall indemnify and hold harmless Beneficiary and its boardmembers, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, fine, penalty, judgment, award, settlement, expense or liability, directly or indirectly arising out of or attributable to: (i) any actual or alleged past or present violation of any Hazardous Materials Law; (ii) any Hazardous Materials Claim; (iii) any actual or alleged past or present use,

generation, manufacture, storage, release, threatened release, discharge, disposal, transportation, or presence of Hazardous Materials on, under, or about the Property; (iv) any investigation, cleanup, remediation, removal, or restoration work of site conditions of the Property relating to Hazardous Materials (whether on the Property or any other property); and (v) the breach of any representation of warranty by or covenant of Trustor in this Article, and Section 5.1(l) of the Loan Agreement. Such indemnity must include, without limitation: (x) all consequential damages; (y) the costs of any required or necessary investigation, repair, cleanup or detoxification of the Property and the preparation and implementation of any closure, remedial or other required plans; and (z) all reasonable costs and expenses incurred by Beneficiary in connection with clauses (x) and (y), including but not limited to reasonable attorneys' fees and consultant fees. This indemnification applies whether or not any government agency has issued a cleanup order. Losses, claims, costs, suits, liability, and expenses covered by this indemnification provision include, but are not limited to: (1) losses attributable to diminution in the value of the Property; (2) loss or restriction of use of rentable space on the Property; (3) adverse effect on the marketing of any rental space on the Property; and (4) penalties and fines levied by, and remedial or enforcement actions of any kind issued by any regulatory agency (including but not limited to the costs of any required testing, remediation, repair, removal, cleanup or detoxification of the Property and surrounding properties). This obligation to indemnify will survive reconveyance of this Deed of Trust and will not be diminished or affected in any respect as a result of any notice, disclosure, knowledge, if any, to or by Beneficiary of Hazardous Materials.

Without Beneficiary's prior written consent, which may not be unreasonably withheld, Trustor may not take any remedial action in response to the presence of any Hazardous Materials on, under or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree or compromise might, in Beneficiary's reasonable judgment, impairs the value of the Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent is not necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor notifies Beneficiary as soon as practicable of any action so taken. Beneficiary agrees not to withhold its consent, where such consent is required hereunder, if (i) a particular remedial action is ordered by a court of competent jurisdiction; (ii) Trustor will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Trustor establishes to the reasonable satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder; or (iv) the action has been agreed to by Beneficiary.

The Trustor hereby acknowledges and agrees that (i) this Article is intended as the Beneficiary's written request for information (and the Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5, and (ii) each representation and warranty in this Deed of Trust or any of the other Loan Documents (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the property is intended by the

Beneficiary and the Trustor to be an "environmental provision" for purposes of California Code of Civil Procedure Section 736.

In the event that any portion of the Property is determined to be "environmentally impaired" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3) or to be an "affected parcel" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1), then, without otherwise limiting or in any way affecting the Beneficiary's or the Trustee's rights and remedies under this Deed of Trust, the Beneficiary may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to (1) waive its lien on such environmentally impaired or affected portion of the Property and (2) exercise (a) the rights and remedies of an unsecured creditor, including reduction of its claim against the Trustor to judgment, and (b) any other rights and remedies permitted by law. For purposes of determining the Beneficiary's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), the Trustor will be deemed to have willfully permitted or acquiesced in a release or threatened release of hazardous materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of hazardous materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and the Trustor knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the Beneficiary in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the Default Rate until paid, will be added to the indebtedness secured by this Deed of Trust and will be due and payable to the Beneficiary upon its demand made at any time following the conclusion of such action.

ARTICLE 7 EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default.

The following are events of default following the expiration of any applicable notice and cure periods (each an "Event of Default"): (i) failure to make any payment to be paid by Trustor under the Loan Documents; (ii) failure to observe or perform any of Trustor's other covenants, agreements or obligations under the Loan Documents, including, without limitation, the provisions concerning discrimination; (iii) failure to make any payment or observe or perform any of Trustor's other covenants, agreements, or obligations under any Secured Obligations, which default is not cured within the times and in the manner provided therein; and (iv) failure to make any payments or observe or perform any of Trustor's other covenants, agreements or obligations under any other debt instrument or regulatory agreement secured by the Property, which default is not cured within the time and in the manner provided therein.

Beneficiary shall provide notice of an Event of Default in the manner set forth in the Loan Agreement.

Section 7.2 Acceleration of Maturity.

If an Event of Default has occurred and is continuing, then at the option of the Beneficiary, the amount of any payment related to the Event of Default and all unpaid Secured Obligations are immediately due and payable, and no omission on the part of the Beneficiary to exercise such option when entitled to do so may be construed as a waiver of such right.

Section 7.3 The Beneficiary's Right to Enter and Take Possession.

If an Event of Default has occurred and is continuing, the Beneficiary may:

- (a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Property and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts that it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security will not cure or waive any Event of Default or Notice of Sale (as defined in Section 7.3(c), below) hereunder or invalidate any act done in response to such Event of Default or pursuant to such Notice of Sale, and, notwithstanding the continuance in possession of the Security, Beneficiary will be entitled to exercise every right provided for in this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;
- (b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;
- (c) Deliver to Trustee a written declaration of an Event of Default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Security to be sold ("Notice of Sale"), which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of Contra Costa County; or
- (d) Exercise all other rights and remedies provided herein, in the instruments by which the Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating or securing the Secured Obligations.

Section 7.4 Foreclosure By Power of Sale.

Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall deliver to the Trustee the Notice of Sale and shall deposit with Trustee this Deed of Trust which is secured hereby (and the deposit of which will be deemed to constitute evidence that the Secured Obligations are immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

- (a) Upon receipt of the Notice of Sale from the Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Sale as is then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after the lapse of

that amount of time as is then required by law and after recordation of such Notice of Sale as required by law, sell the Security, at the time and place of sale set forth in the Notice of Sale, whether as a whole or in separate lots or parcels or items, as Trustee deems expedient and in such order as it determines, unless specified otherwise by the Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts will be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale.

(b) After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (i) the unpaid Principal amount of the Note; (ii) all other Secured Obligations owed to Beneficiary under the Loan Documents; (iii) all other sums then secured hereby; and (iv) the remainder, if any, to Trustor.

(c) Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

Section 7.5 Receiver.

If an Event of Default occurs and is continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, may apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers will have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and will continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative.

No right, power or remedy conferred upon or reserved to the Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy will be cumulative and concurrent and will be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Event of Default will exhaust or impair any such right, power or remedy, and may not be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary.

Beneficiary's express or implied consent to breach, or waiver of, any obligation of the Trustor hereunder will not be deemed or construed to be a consent to any subsequent breach, or further waiver, of such obligation or of any other obligations of the Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, will not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, power or remedies consequent on any Event of Default by the Trustor.

(b) If the Beneficiary (i) grants forbearance or an extension of time for the payment or performance of any Secured Obligation, (ii) takes other or additional security or the payment of any sums secured hereby, (iii) waives or does not exercise any right granted in the Loan Documents, (iv) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements in the Loan Documents, (v) consents to the granting of any easement or other right affecting the Security, or (vi) makes or consents to any agreement subordinating the lien hereof, any such act or omission will not release, discharge, modify, change or affect the original liability under this Deed of Trust, or any other obligation of the Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor will any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary, will the lien of this Deed of Trust be altered thereby.

Section 7.8 Suits to Protect the Security.

The Beneficiary has the power to (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of the Beneficiary as may be unlawful or any violation of this Deed of Trust, (b) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule or order would impair the Security thereunder or be prejudicial to the interest of the Beneficiary.

Section 7.9 Trustee May File Proofs of Claim.

In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Trustor, its creditors or its property, the Beneficiary, to the extent permitted by law, will be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings and for any additional amount that becomes due and payable by the Trustor hereunder after such date.

Section 7.10 Waiver.

The Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, notice of interest on interest and late charges, and diligence in taking any action to collect any Secured Obligations or in proceedings against the Security, in

connection with the delivery, acceptance, performance, default, endorsement or guaranty of this Deed of Trust.

RECOMMENDATION(S): (CONT'D)

agreements, and other documents which the officer may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Notes in accordance with the Resolution.

FISCAL IMPACT:

No impact to the General Fund. At the closing for the Notes, the County is reimbursed for costs incurred in the issuance process. Annual expenses for monitoring of Regulatory Agreement provisions ensuring units in the Development will be rented to low income households will be reimbursed through issuer fees established in the documents for the Notes. The Notes will be solely secured by and payable from revenues (e.g. Development rents, reserves, etc.) pledged under the Note documents. No County funds are pledged to secure the Notes.

BACKGROUND:

The recommended action is the adoption of a Resolution by the Board, as the legislative body of the County, authorizing the issuance of multifamily housing revenue notes, the proceeds of which will be used to finance the acquisition and rehabilitation of Riviera Family Apartments, a 58 unit residential housing development located at 1515 Riviera and 1738 Riviera in Walnut Creek.

The ownership entity for the development will be Riviera Family Apartments, L.P., a California limited partnership with RCD GP LLC serving as general partner of the Borrower. The ownership entity is an affiliate of Resources for Community Development, a local non-profit housing developer that has developed over 450 units of housing in Contra Costa County. Wells Fargo Bank will be the tax credit investor limited partner.

On December 8, 2015, the Board of Supervisors adopted Resolution No. 2015/455 expressing the Board's intent to issue multi-family housing revenue notes for the Development. That Resolution authorized the submittal of an application by the County for tax-exempt private activity bond authority from the California Debt Limit Allocation Committee. Subsequent to the adoption of that Resolution, the County, as required by Section 147(f) of the Internal Revenue Code, held a noticed public hearing to permit interested parties to comment on the proposed financing and the Development. That hearing was held on January 4, 2016, with no comments received from the public. The Board adopted Resolution No. 2016/31 on January 19, 2016, to authorize proceeding with the issuance of the Notes pursuant to Section 147(f) of the Internal Revenue Code.

On March 16, 2016, the California Debt Limit Allocation Committee awarded the County authority to issue the Notes in a maximum principal amount of \$19,200,000. That authority will be used to issue and sell the Notes directly to MUFG Union Bank N.A. with the proceeds of the Notes to be used to fund a loan by the County to Riviera Family Apartments, L.P. In addition to the proceeds of the Notes, the Development will utilize other forms of financing detailed in Attachment A. The transaction is expected to close on or about August 18, 2016.

CONSEQUENCE OF NEGATIVE ACTION:

Negative action would prevent the County from issuing the Multifamily Housing Revenue Notes in order to provide a loan to Riviera Family Apartments, L.P. to finance the construction of Riviera Family Apartments.

CHILDREN'S IMPACT STATEMENT:

Riviera Family Apartments provide 58 units of affordable rental housing appropriate for families. This supports outcome #3: Families are Economically Self Sufficient.

Neither the Governmental Lender nor the State or any of its political subdivisions shall be directly, indirectly, contingently or morally obligated to use any other moneys or assets to pay all or any portion of the debt service due on the Funding Loan or to satisfy any other monetary obligations of the Governmental Lender under the Funding Loan Documents, to levy or to pledge any form of taxation whatever therefor or to make any appropriation for its payment. The repayment of the Funding Loan is not secured by a pledge of the faith and credit of the Governmental Lender or the State or any of its political subdivisions nor does the Funding Loan constitute indebtedness within the meaning of any constitutional or statutory debt limitation.

4.2 Note Register. Each of the Funding Loan Notes shall be in fully registered form. The Bank shall maintain records (the "Note Register") as to the owner of each of the Funding Loan Notes. Any transfer by the Bank of its ownership of a Funding Loan Note (or by any subsequent transferee of a Funding Loan Note) shall be recorded by the Bank in the Note Register.

4.3 Transfers of Funding Loan Notes.

(a) A Funding Loan Note and the corresponding principal amount of the Funding Loan may, in accordance with the terms of this Funding Loan Agreement but in any event subject to the provisions of Section 4.3(b) and (c) hereof, be transferred by the Person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of the respective Funding Loan Note for cancellation at the office of the Governmental Lender, accompanied by a written instrument of transfer in a form acceptable to the Governmental Lender, duly executed. Whenever a Funding Loan Note shall be surrendered for transfer, the Governmental Lender shall execute and deliver to the transferee thereof a new Funding Loan Note of the same series in the name of the transferee as beneficiary thereof.

(b) Notwithstanding any other provision hereof, a Funding Loan Note may not be registered in the name of, or transferred to, any person except an Approved Institutional Buyer that executes and delivers to the Governmental Lender and the Bank a letter substantially in the form attached hereto as Exhibit B; provided, however, that no such letter is required to be executed in connection with a transfer of a Funding Loan Note to an Affiliate of the Bank.

Nothing contained in this Section 4.3(b) shall be deemed to limit or otherwise restrict the sale by any owner of a Funding Loan Note of any participation interests in the respective Funding Loan Note; provided that (i) such owner shall remain the owner of record in the Note Register of the respective Funding Loan Note following the sale of any such participation

interest; (ii) the purchaser of the participation interest is an Approved Institutional Buyer; (iii) any such participation shall be in a principal amount of at least \$250,000 or, if less, the then outstanding principal amount of the respective Funding Loan Note; and (iv) the purchaser of such participation interest shall provide a letter to the Governmental Lender and the Bank substantially in the form of Exhibit B hereto.

(c) Each Funding Loan Note may only be transferred in whole.

(d) The Governmental Lender may require the payment by the entity requesting any such transfer of any tax, fee or other governmental charge required to be paid with respect to such transfer. The cost of printing any new Funding Loan Note and any services rendered or any out-of-pocket expenses incurred by the Governmental Lender in connection therewith shall be paid by the transferor of the respective Funding Loan Note.

(e) The Bank shall indemnify and defend the Governmental Lender against any claim brought by any transferor or transferee of a Funding Loan Note in respect of the Borrower Loan Documents in the event that the Bank permits a transfer of a Funding Loan Note in violation of the restrictions in Sections 4.3(b) and (c) above.

ARTICLE V

REPAYMENT OF THE FUNDING LOAN

5.1 Funding Loan Repayment.

(a) The Funding Loan shall be evidenced by the Funding Loan Notes which shall be executed by the Governmental Lender in the respective forms attached hereto as Exhibits A-1, A-2 and A-3. The Governmental Lender agrees to pay to the Bank, but only from amounts received by the Governmental Lender (or the Bank, in its capacity as agent for the Governmental Lender under this Funding Loan Agreement) from the Borrower pursuant to the Borrower Loan Agreement, the Borrower Notes and the other Borrower Loan Documents, principal of and interest on the Funding Loan at the times, in the manner, in the amount and as provided in the respective Funding Loan Notes and this Funding Loan Agreement.

Interest on Promissory Note C-1 shall be paid at the same rate, on the same dates and in the same amounts as the interest payable on the Borrower Note referred to in clause (a) of the definition of Borrower Notes in Section 1.1. The payment or prepayment of principal of or premium, if any, on Promissory Note C-1 shall be identical with and shall be made on the same terms and conditions as the principal of or premium, if any, on the Borrower Note referenced in clause (a) of the definition of Borrower Note in Section 1.1. Any payment by the Borrower of principal and interest or premium, if any, on such Borrower Note shall be deemed to be like payments or prepayments of principal and interest or premium, if any, on Promissory Note C-1.

Interest on Promissory Note C-2 shall be paid at the same rate, on the same dates and in the same amounts as the interest payable on the Borrower Note referred to in clause (b) of the definition of Borrower Notes in Section 1.1. The payment or prepayment of principal of or premium, if any, on Promissory Note C-2 shall be identical with and shall be made on the same

terms and conditions as the principal of or premium, if any, on the Borrower Note referenced in clause (b) of the definition of Borrower Note in Section 1.1. Any payment by the Borrower of principal and interest or premium, if any, on such Borrower Note shall be deemed to be like payments or prepayments of principal and interest or premium, if any, on Promissory Note C-2.

Interest on Promissory Note C-3 shall be paid at the same rate, on the same dates and in the same amounts as the interest payable on the Borrower Note referred to in clause (c) of the definition of Borrower Notes in Section 1.1. The payment or prepayment of principal of or premium, if any, on Promissory Note C-3 shall be identical with and shall be made on the same terms and conditions as the principal of or premium, if any, on the Borrower Note referenced in clause (c) of the definition of Borrower Note in Section 1.1. Any payment by the Borrower of principal and interest or premium, if any, on such Borrower Note shall be deemed to be like payments or prepayments of principal and interest or premium, if any, on Promissory Note C-3.

(b) The Governmental Lender further agrees to cause the Borrower to pay, solely by the execution of the Borrower Loan Agreement and the assignment thereof to the Bank and appointment of the Bank as agent for the Governmental Lender under this Funding Loan Agreement, all late charges and prepayment penalties as set forth in the Funding Loan Notes, all taxes and assessments, general or special, including, without limitation, all ad valorem taxes, concerning or in any way related to the Development, or any part thereof, and any other governmental charges and impositions whatsoever, foreseen or unforeseen, and all utility and other charges and assessments; provided, however, that the Governmental Lender reserves the right to contest in good faith the legality of any tax or governmental charge concerning or in any way related to the Development and the Governmental Lender's obligations hereunder will be limited as provided in Sections 4.1, 5.2 and 6.14 hereof.

(c) The Governmental Lender further agrees, subject to Sections 4.1, 5.2 and 6.14 hereof, to cause the Borrower to pay to the Bank, solely by the execution of the Borrower Loan Agreement and the assignment thereof to the Bank and appointment of the Bank as agent for the Governmental Lender under this Funding Loan Agreement, on the Closing Date a loan fee equal to \$_____.

5.2 Nature of the Governmental Lender's Obligations. The Governmental Lender shall repay the Funding Loan Notes, but only from amounts received by the Governmental Lender or the Bank (in its capacity as assignee of the Governmental Lender under this Funding Loan Agreement) from the Borrower pursuant to the Borrower Loan Agreement, the corresponding Borrower Notes and the other Borrower Loan Documents, pursuant to the terms of the Funding Loan Notes irrespective of any rights of set-off, recoupment or counterclaim the Governmental Lender might otherwise have against the Bank or any other person. The Governmental Lender will not suspend, discontinue or reduce any such payment or (except as expressly provided herein) terminate this Funding Loan Agreement for any cause, including, without limiting the generality of the foregoing, (i) any delay or interruption in the acquisition, rehabilitation or operation of any of the Development; (ii) the failure to obtain any permit, order or action of any kind from any governmental agency relating to the Funding Loan or any of the Development; (iii) any event constituting force majeure; (iv) any acts or circumstances that may constitute commercial frustration of purpose; (v) any change in the laws of the United States of America, the State or any political subdivision thereof; or (vi) any failure of the Governmental Lender or

the Bank to perform or observe any covenant whether expressed or implied, or to discharge any duty, liability or obligation arising out of or connected with the Funding Loan Notes; it being the intention of the parties that, as long as any of the Funding Loan Notes or any portion of any thereof remains outstanding and unpaid, the Governmental Lender shall be obliged to repay the Funding Loan, but only from amounts received by the Governmental Lender or the Bank (in its capacity as assignee of the Governmental Lender under this Funding Loan Agreement) from the Borrower pursuant to the Borrower Loan Agreement, the Borrower Notes and the other Borrower Loan Documents. This Section 5.2 shall not be construed to release the Governmental Lender from any of its obligations hereunder, or, except as provided in this Section 5.2, to prevent or restrict the Governmental Lender from asserting any rights which it may have against the Bank under the Funding Loan Notes or under any provision of law or to prevent or restrict the Governmental Lender from prosecuting or defending any action or proceeding by or against the Bank or the Borrower or taking any other action to protect or secure its rights, or to prevent or restrict the Bank from asserting any rights which it may have against the Borrower.

Notwithstanding the foregoing, neither the members of the Board of Supervisors of the Governmental Lender nor the officers or agents of the Governmental Lender shall be personally liable for the amounts owing under this Funding Loan Agreement, the Funding Loan Notes or any of the other Funding Loan Documents; and the Bank's remedies in the event of a default under the Funding Loan shall be limited to those remedies set forth in Section 9.3 hereof and, if a default also exists under the Borrower Loan Agreement or the Borrower Notes, to commence foreclosure under Deed of Trust and the other Borrower Loan Documents and the exercise of the power of sale or other rights granted thereunder. In the event of a default hereunder or under a Funding Loan Note, the Bank shall not have the right to proceed directly against the Governmental Lender or the right to obtain a deficiency judgment from the Governmental Lender after foreclosure. Nothing contained in the foregoing shall limit any rights or remedies the Governmental Lender or Bank may have against the Borrower.

ARTICLE VI

FURTHER AGREEMENTS

6.1 Successor to the Governmental Lender. The Governmental Lender will at all times use its best efforts to maintain the powers, functions, duties and obligations now reposed in it pursuant to law or assure the assumptions of its obligations hereunder by any public trust or political subdivision succeeding to its powers.

6.2 Additional Instruments. The Governmental Lender hereby covenants to execute and deliver, or cause to be executed and delivered, at the expense of the Borrower, such additional instruments and to perform such additional acts, or cause the performance of such additional acts, as may be necessary, in the written opinion of the Bank, acting in good faith, to carry out the intent of this Funding Loan Agreement and the Funding Loan Notes or to perfect or give further assurances of any of the rights granted, or provided for in this Funding Loan Agreement, the Assignment of Deed of Trust or the other Funding Loan Documents.

6.3 Books and Records. The Governmental Lender shall, solely by the execution of the Borrower Loan Agreement and the assignment thereof to the Bank, and subject to the

provisions of Sections 4.1, 5.2 and 6.14 hereof, cause the Borrower to permit the Bank or its duly authorized representatives access during normal business hours to the books and records of the Borrower pertaining to the Borrower Loan and the Development, and to make such books and records available for audit and inspection, at reasonable times and under reasonable conditions to the Governmental Lender, the Bank and their duly authorized representatives, and at the sole expense of the Borrower.

6.4 Notice of Certain Events. The Governmental Lender hereby covenants to advise the Bank promptly in writing of the occurrence of any Event of Default under and as defined in the Borrower Loan Agreement, Regulatory Agreements or the other Funding Loan Documents of which it has received written notice, or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default thereunder of which it has received written notice, in each case by transmitting to the Bank a copy of the notice of such Event of Default or event received by the Governmental Lender. In Section 7.23 of the Borrower Loan Agreement, the Borrower has agreed to advise the Governmental Lender and the Bank promptly in writing of the occurrence of any Event of Default (as defined in the Borrower Loan Agreement).

6.5 Compliance with Usury Laws. Notwithstanding any other provision of this Funding Loan Agreement, it is agreed and understood that in no event shall this Funding Loan Agreement, with respect to the Funding Loan Notes, be construed as requiring the Governmental Lender or any other person to pay interest and other costs or considerations that constitute interest under any applicable law which are contracted for, charged or received pursuant to this Funding Loan Agreement and the Funding Loan Notes in an amount in excess of the maximum amount of interest allowed under any applicable law.

In the event of any acceleration of the payment of the principal amount of a Funding Loan Note, that portion of any interest payment in excess of the maximum legal rate of interest, if any, provided for in this Funding Loan Agreement and the Funding Loan Note or related documents shall be cancelled automatically as of the date of such acceleration, or if theretofore paid, credited to the principal amount then owing on the related Funding Loan Note.

The provisions of this Section prevail over any other provision of this Funding Loan Agreement.

6.6 No Reliance on Governmental Lender. In entering into this Funding Loan Agreement and the Borrower Loan Agreement, the Bank has not looked to, or expected, the Governmental Lender to undertake or require any credit investigation or due diligence reviews relating to the Borrower, its financial condition or business operations, the Development (including the financing or management thereof) or any other matter pertaining to the merits or risks of the transactions contemplated by this Funding Loan Agreement and the Borrower Loan Agreement, or the adequacy of the funds pledged to the Bank to secure repayment of the Funding Loan Notes. The Governmental Lender has made no representations to any party relating to the Borrower, the Development, the Borrower Loan or the security or sources of payment therefor, except as expressly stated in this Funding Loan Agreement, the Borrower Loan Agreement, the Tax Certificate, Assignment of Deed of Trust and the Regulatory Agreements.

6.7 No Arbitrage. Solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreements and in the Tax Certificate, the Governmental Lender shall not take nor permit nor suffer to be taken, any action with respect to the proceeds of Tax-Exempt Notes which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused either of the Tax-Exempt Notes to be an “arbitrage bond” within the meaning of section 148 of the Code and the Regulations promulgated thereunder. The Governmental Lender covenants, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreements and in the Tax Certificate, to cause the Borrower to rebate to the United States Treasury any amounts which are required to be rebated thereto pursuant to the Code and any regulations promulgated thereunder with respect to the portion of the Funding Loan evidenced by the Tax-Exempt Notes, and the Borrower shall cause payment of an amount equal to excess investment earnings with respect to such portion of the Funding Loan to the United States in accordance with the Regulations, all at the sole expense of the Borrower.

6.8 Limitation on Issuance Costs. The Governmental Lender shall assure, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreements and in the Tax Certificate, that, from the proceeds of the Tax-Exempt Notes received from the Bank and investment earnings thereon, an amount not in excess of two percent (2%) of the amount of such amount advanced by the Bank shall be used to pay for, or provide for the payment of costs associated with the issuance, execution and delivery of the Tax-Exempt Notes. For this purpose, if the fees of the Bank are retained as a discount on the purchase of a Tax-Exempt Note, such retention shall be deemed to be an expenditure of proceeds of the Tax-Exempt Note for said fees.

6.9 Federal Guarantee Prohibition. The Governmental Lender shall take no action nor, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreements and in the Tax Certificate, permit nor suffer any action to be taken if the result of the same would be to cause either of the Tax-Exempt Notes to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

6.10 Prohibited Facilities. The Governmental Lender, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreements and in the Tax Certificate, shall assure that no portion of the proceeds of the Tax-Exempt Notes shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. The Governmental Lender, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreements and in the Tax Certificate, shall assure that no portion of the proceeds of the Tax-Exempt Notes shall be used for an office unless the office is located on the premises of the facilities constituting a portion of the Development and unless not more than a de minimus amount of the functions to be performed at such office is not related to the day-to-day operations of one or more of the Development.

6.11 Use Covenant. Solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreements and in the Tax Certificate, the Governmental Lender shall not use or knowingly permit the use of any proceeds of Tax-Exempt Notes or any other funds of the Governmental Lender, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would result in either of the Tax-Exempt Notes not meeting the requirements of Section 142(d) of the Code as applicable to the Development.

6.12 Limitation of Expenditure of Proceeds. The Governmental Lender shall assure, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreements and in the Tax Certificate, that not less than 97 percent of the amount advanced on the Tax-Exempt Notes, plus premium (if any) paid on the purchase of the Tax-Exempt Notes by the original purchaser thereof from the Governmental Lender, less any original discount, are used for Qualified Project Costs (as defined in the Regulatory Agreements) and that less than 25 percent of such amount is used for land or an interest in land.

6.13 Tax-Exempt Status of Tax-Exempt Notes. The Governmental Lender covenants to and for the benefit of the Bank that, notwithstanding any other provisions of this Funding Loan Agreement or any other instrument, it will:

(a) not knowingly take or cause to be taken any action or actions, or knowingly fail to take any action or actions expressly required of it under this Funding Loan Agreement, which would cause the interest payable on the Tax-Exempt Notes to be includable in gross income for federal income tax purposes;

(b) whenever and so often as requested by Bank, the Governmental Lender (at the sole cost and expense of the Borrower) shall do and perform all acts and things permitted by law and necessarily desirable in order to assure the interest paid by the Governmental Lender on the Tax-Exempt Notes will be excluded from the gross income of the owner of the Tax-Exempt Notes for federal income tax purposes pursuant to Section 103 of the Code, except in the event where any owner of a Tax-Exempt Note is a "substantial user" of the facilities financed with the Funding Loan or a "related person" within the meaning of Section 147(a) of the Code; and

(c) not knowingly take any action nor, solely in reliance of the covenants and representations of the Borrower in the Borrower Loan Agreement, the Regulatory Agreements and the Tax Certificate, knowingly permit or suffer any action to be taken if the result of the same would be to cause the Tax-Exempt Notes to be "federally guaranteed" within the meaning of Section 149(b) of the Code of the Regulations.

For purposes of this Section 6.13 the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's knowledge and control and no acts, omissions or directions of the Borrower, the Bank or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on an opinion of Tax Counsel.

6.14 Immunities and Limitations of Responsibility of Governmental Lender.

(a) The Governmental Lender shall be entitled to the advice of counsel, and the Governmental Lender shall be wholly protected as to action taken or omitted in reliance on such advice. The Governmental Lender may rely conclusively on any written or other document furnished to it hereunder or under the Borrower Loan Agreement and reasonably believed by it to be genuine. The Governmental Lender shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person, except its own officers and employees. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof. The Governmental Lender shall not be required to take any remedial action (other than the giving of notice) hereunder or under any of the other Funding Loan Documents unless indemnity in a form acceptable to the Governmental Lender is furnished for any expense or liability to be incurred in connection with such remedial action. The Governmental Lender shall be entitled to reimbursement from the Borrower for its expenses reasonably incurred or advances reasonably made, with interest at the maximum rate of interest permitted under applicable law, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the Governmental Lender may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power.

(b) A default by the Borrower in any of its covenants, representations and agreements in the Borrower Loan Agreement, Regulatory Agreements or Tax Certificate on which the Governmental Lender is relying in the various sections of this Article VI shall not be considered a default hereunder by the Governmental Lender.

(c) The Borrower has indemnified the Governmental Lender against certain acts and events as set forth in Section 7.24 of the Borrower Loan Agreement and Section 9 of the Regulatory Agreements. Such indemnities shall survive payment of the Funding Loan and discharge of this Funding Loan Agreement.

ARTICLE VII

SECURITY

7.1 Security for the Funding Loan. To secure the payment of the Funding Loan and the Funding Loan Notes, the Governmental Lender hereby grants, bargains, sells, conveys, assigns, transfers, hypothecates, pledges and sets over to the Bank (excepting only the Reserved Rights) a lien on and security interest in the following described property (collectively, the "Security"):

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the Borrower Notes, including, without limitation, all rents, revenues and receipts derived by the Governmental Lender from the Borrower

relating to the Development and including, without limitation, all income, revenues, proceeds and other amounts to which Governmental Lender is entitled to derive from or in connection with the Development and the Borrower Loan Documents, including all amounts due under the Borrower Loan Agreement, the Borrower Notes or the other Borrower Loan Documents and all amounts obtained after the exercise of the remedies provided in the Borrower Loan Documents and all receipts credited under the provisions of the Borrower Loan Agreement against said amounts payable;

(b) All right, title and interest of the Governmental Lender in, to and under the other Borrower Loan Documents, together with all rights, remedies, privileges and options pertaining to, the Borrower Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Documents;

(c) All right, title and interest of the Governmental Lender in and to (i) the right to collect and receive net proceeds of any policy of insurance maintained pursuant to the Borrower Loan Documents; (ii) any award or payment becoming payable to Governmental Lender under the Borrower Loan Documents by reason of any condemnation of the Development, any improvements located thereon or any conveyance in lieu of condemnation; and (iii) any bankruptcy, insolvency, reorganization or condemnation proceeding involving the Borrower or any Loan Party (as defined in the Borrower Loan Agreement) with respect to the Borrower Loan Documents; and

(d) Any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be subject to the lien of this Funding Loan Agreement as additional security by Governmental Lender or anyone on its part or with its consent or which pursuant to any of the provisions hereof or the Borrower Loan Documents may come into the possession or control of the Bank.

The pledge and assignment of the security interest granted in the Security pursuant to this Section 7.1 for the payment of principal of, premium, if any, and interest on the Funding Loan Note, in accordance with its terms and provisions and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Funding Loan Notes by the Governmental Lender. The Security so pledged and/or thereafter received by Governmental Lender or the Bank shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind whether in tort, contract or otherwise against Governmental Lender irrespective of whether such parties have notice thereof.

7.2 Delivery of Security. In connection with such pledge, assignment, transfer and conveyance of the Security pursuant to Section 7.1, Governmental Lender shall deliver to Bank the following documents or instruments promptly following the execution and, to the extent applicable, their recordation or filing:

(a) The Borrower Notes endorsed without recourse to the Bank by the Governmental Lender;

(b) The Borrower Loan Agreement, Regulatory Agreements, Deed of Trust and the other Borrower Loan Documents existing on the Closing Date and the Assignment of Deed of Trust assigning for security purposes and without recourse the Deed of Trust and Borrower Loan Documents from the Governmental Lender to the Bank;

(c) Uniform Commercial Code financing statements or other chattel security documents giving notice of Bank's status as an assignee of the Governmental Lender's security interest in any personal property forming a part of any of the Development; and

(d) Uniform Commercial Code financing statements giving notice of the pledge by the Governmental Lender of the Security pledged under this Funding Loan Agreement, in forms provided by the Bank.

The Governmental Lender shall deliver and deposit with the Bank such additional documents, financing statements and instruments as the Bank may reasonably request in writing from time to time for the purpose of better perfecting and assuring to the Bank its lien and security interest in and to the Security in each case in forms provided by the Bank and at the expense of the Borrower.

ARTICLE VIII

AGENCY

8.1 Appointment of Bank as Agent. The Governmental Lender hereby irrevocably appoints the Bank as its agent with full authority and power to act on its behalf for the purposes set forth herein and to do all other acts necessary or incidental to the performance and execution thereof, except for the Reserved Rights.

8.2 Authority of the Bank. The Bank is authorized and agrees to advance monies on behalf of the Governmental Lender to fund the Borrower Loan upon satisfaction of the conditions set forth in the Borrower Loan Agreement and otherwise to act on behalf of the Governmental Lender under the Borrower Loan Documents, except for the Reserved Rights. Except for the Reserved Rights, the Bank is hereby authorized, directed and empowered to exercise all the rights, powers or remedies of the Governmental Lender under the Borrower Loan Agreement and the other Borrower Loan Documents, and to make all determinations and exercise all options and elections thereunder, without the necessity of further advice or consultation with, or consent or authorization by, the Governmental Lender, and all actions taken by the Bank under the Borrower Loan Agreement or any of the other Borrower Loan Documents shall be valid and shall have the same force and effect, as if taken by the Governmental Lender. The Bank shall have the right to exercise any rights, remedies, conferred on the Governmental Lender pursuant to the Borrower Loan Documents (except for the Reserved Rights) as may be necessary or convenient to (i) enforce the payment of any amounts owing by Borrower under the Borrower Loan Documents and prepayments thereof, or (ii)

otherwise to protect the interest of the Governmental Lender or Bank upon a default by Borrower under the Borrower Loan Documents. The Bank agrees to provide the Governmental Lender any notices given by it or delivered to it pursuant to the Borrower Loan Agreement regarding the occurrence of an Event of Default (as defined in the Borrower Loan Agreement), the acceleration of the Borrower Loan or the foreclosure of the Deed of Trust and shall provide written notice to Governmental Lender of any amendment to the Borrower Notes or the Borrower Loan Agreement. The Bank shall have the right to collect all payments and other amounts received by the Governmental Lender from or on behalf of the Borrower pursuant to the Borrower Loan Agreement or the other Borrower Loan Documents, including prepayments thereof, except for payments of amounts owing by the Borrower to the Governmental Lender in respect of the Reserved Rights.

8.3 Successor Agent. Anything herein to the contrary notwithstanding, any corporation or association into which the Bank may be converted or merged or with which it may be consolidated or to which it may sell or transfer its business and assets as a whole or substantially as a whole or any corporation or association resulting from any conversion, sale, merger, consolidation or transfer to which it is a party will, ipso facto, be and become the Bank hereunder and vested with all of the title to the whole property and all the powers, discretion, immunities, privileges, obligations and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of the parties hereto.

8.4 Consent to Assignment. The Governmental Lender agrees that Bank shall have the right to assign all of its rights under this Agreement, and under all instruments and documents executed by the Governmental Lender pursuant to this Agreement, to an Affiliate of Bank, or to a subsequent owner of all of the Funding Loan Note and the Funding Loan as permitted under Section 4.3. The Bank will advise the Governmental Lender in writing of any such assignment and the Governmental Lender will execute and deliver to Bank any documents (at the expense of the Bank) necessary to effectuate such assignment in forms provided by the Bank, and will not take any action to impair Bank's right to assign such rights pursuant to this Section.

8.5 Power of Attorney. The Governmental Lender hereby irrevocably makes, constitutes and appoints the Bank (and any of the Bank's officers, employees or agents, as appropriate and as designated by the Bank) as the Governmental Lender's true and lawful attorney-in-fact with full power of substitution, subject to the Reserved Rights, to (a) sign in the name of the Governmental Lender any assignments, notices of default, notices of election to sell, assignments and substitutions of trustee or similar documents necessary or appropriate to enforce the remedies of the Governmental Lender under the Borrower Loan Agreement, the Borrower Notes, the Deed of Trust or any of the other Borrower Loan Documents, including complaints, motions and any other pleadings necessary to secure the appointment of a receiver under the Deed of Trust, (b) to appear in any bankruptcy, insolvency, reorganization, condemnation or other action or proceeding, and (c) to prepare applications for, negotiate and settle claims, and collect any distribution, award or other amount becoming payable through or as the result of (i) any such proceedings, (ii) any insured or uninsured casualty loss, or (iii) any condemnation, taking or conveyance in lieu of condemnation of any of the assets that are the subject of the Borrower Loan Agreement, the Borrower Notes, the Deed of Trust or the other Borrower Loan Documents. The power of attorney granted by the Governmental Lender to the

Bank hereunder, being coupled with the Bank's interest in the Funding Loan, is irrevocable until all of the obligations of Governmental Lender under the Funding Loan Note have been satisfied and discharged in full.

8.6 Acceptance. The Bank hereby accepts the assignments and pledge made herein for the purpose of securing the payments due pursuant to the Funding Loan Agreement.

8.7 Conditions. This Article VIII shall confer no obligations or impose no duties upon the Bank beyond those expressly provided in this Funding Loan Agreement and the Borrower Loan Agreement. This Article VIII shall confer no obligations or impose no duties upon the Governmental Lender beyond those expressly provided in this Funding Loan Agreement.

ARTICLE IX

EVENTS OF DEFAULT AND REMEDIES

9.1 Events of Default. Each of the following shall be an "Event of Default":

(a) The Governmental Lender shall fail to perform or observe any of its covenants or agreements contained in this Funding Loan Agreement or the Funding Loan Notes including the failure to pay any installment of interest or principal under a Funding Loan Note, and such failure shall continue during and after the period specified in Section 9.2; or

(b) Any representation or warranty of the Governmental Lender hereunder shall be determined by the Bank to have been false in any material respect when made; or

(c) The Borrower shall fail to pay to the Governmental Lender when due the amounts required to be paid under the Borrower Loan Agreement or the Borrower Notes, including a failure to repay any amounts which have been previously paid but are recovered, attached or enjoined pursuant to any insolvency receivership, liquidation or similar proceedings after the expiration of any curative provision contained therein; or

(d) the occurrence of any other Event of Default under and as defined in the Borrower Loan Agreement.

9.2 Notice of Default; Opportunity to Cure. No default under Section 9.1 hereof shall constitute an Event of Default until:

(a) The Governmental Lender by registered or certified mail, shall have received notice of such default specifying the same and stating that such notice is a "Notice of Default"; and

(b) With respect to an event described in Section 9.1(a) only, the Governmental Lender shall have had 30 days after receipt of such notice to correct the default and shall not have corrected it; provided, however, that if the default stated in the notice is of such

a nature that it cannot be corrected within 30 days, such default shall not constitute an Event of Default hereunder so long as (i) the Governmental Lender or the Borrower institutes corrective action within said 30 days, and diligently pursues such action until the default is corrected, but in no event later than 60 days after the occurrence of such Event of Default, and (ii) in the opinion of the Tax Counsel to the Governmental Lender, the failure to cure said default within 30 days will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Notes. The Governmental Lender may, but shall not in any way be required to, correct a default on behalf of the Borrower under the Borrower Loan Agreement or a Borrower Note.

9.3 Remedies. Whenever any Event of Default under Section 9.1 hereof shall have happened and be continuing, the Bank may take whatever remedial steps as may be allowed under the law, this Funding Loan Agreement and the other Funding Loan Documents. Upon the occurrence of an Event of Default, the Bank may (i) by notice in writing to the Governmental Lender, declare the principal of all the Funding Loan Notes then outstanding, and the interest accrued and premium thereon, to be due and payable immediately, upon any such declaration the same shall become and shall be immediately due and payable, anything in this Funding Loan Agreement or in the Funding Loan Notes contained to be contrary notwithstanding, and/or (ii) pursue such other remedies as are permitted under applicable law, subject in any event to the provisions of Sections 4.1, 5.2 and 6.14 hereof. Upon the occurrence and during the continuance of an Event of Default, Bank shall have all rights, powers and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Bank may proceed at law or in equity or otherwise, to the extent permitted by applicable law: (a) to take possession of the Security or any part thereof, with or without legal process, and to hold, service and administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited) the sale of all or any part of the Security; (b) to become mortgagee of record for the Borrower Loan; (c) to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, to take such alternate courses of action, as it may deem appropriate; or (d) to take such steps to protect and enforce its rights whether by action, suit or proceeding and equity or at law for the specific performance of any term, condition or agreement in this Funding Loan Agreement, the Funding Loan Notes or the other Funding Loan Documents or in and on the execution of any power herein granted, or for the foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy or otherwise as the Bank may elect, subject in any event to the Reserved Rights.

9.4 Attorneys' Fees and Expenses. If an Event of Default occurs and if the Governmental Lender or the Bank should employ attorneys or incur expenses for the enforcement of any obligation or agreement of the Governmental Lender contained herein, the Governmental Lender shall cause the Borrower (solely by its execution and assignment of the Borrower Loan Agreement) on demand to pay to the Governmental Lender or the Bank the reasonable fees of such attorneys and the reasonable expenses so incurred, including court appeals.

9.5 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Bank is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this

Funding Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Bank to exercise any remedy reserved to it in this Article IX, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

9.6 No Additional Waiver Implied by One Waiver. In the event any agreement or covenant contained in this Funding Loan Agreement should be breached by the Governmental Lender or the Borrower and thereafter waived by the Bank, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder including any other breach of the same agreement or covenant.

9.7 Actions Under Borrower Loan Documents. Whether or not an Event of Default has occurred, the Bank, in its sole discretion, shall have the sole right to waive or forebear any term, condition, covenant or agreement in the Borrower Loan Documents applicable to the Borrower or any breach thereof, other than the covenant that would adversely impact the tax-exempt status of the interest on the Tax-Exempt Notes and provided that the Bank shall have no right to waive and the Governmental Lender may seek specific performance by Borrower to enforce the Reserved Rights.

9.8 Application on Money Collected. Any money collected by Bank pursuant to this Article and any other sums held by Bank as part of the Security, shall be applied in the following order, at the date or dates fixed by the Bank:

(a) First, to the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to Governmental Lender or Bank;

(b) Second, to the payment of the whole amount of the Funding Loan, as evidenced by the Funding Loan Notes, then due and unpaid and respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or sum sufficient therefor has been so collected at the rates prescribed therefore in the Funding Loan Notes) on overdue principal of and any premium on the Funding Loan so called provided, however, that partial payments of any portion of the Funding Loan shall be applied by Bank in such order priority as Bank may determine in its sole and absolute discretion; and

(c) Third, the remainder, if any to the person legally entitled thereto.

9.9 Suits to Protect the Security. The Bank shall have the power to institute and maintain such proceedings as Bank may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect the interest in the Security and in the rent, issues, profits, revenues and other income arising therefrom.

HOUSING REVENUE NOTE, 2014 NOTE A
(RIVIERA FAMILY APARTMENTS), SERIES 2016C, PROMISSORY NOTE C-1
(MULTIFAMILY HOUSING BACK TO BACK LOAN PROGRAM)**

dated September 1, 2016

FOR VALUE RECEIVED, the County of Contra Costa (the "Governmental Lender"), acknowledges itself indebted and hereby promises to pay to the order of MUFG Union Bank, N.A. (the "Bank"), or its successors and assigns, the sum of up to _____ million _____ thousand _____ dollars (\$_____), together with interest on the advanced and unpaid principal amount of this Promissory Note C-1 at the same interest rate as the applicable interest rate specified in the Borrower Loan Agreement with respect to the corresponding Borrower Note, until the Governmental Lender's obligation to pay the Outstanding Balance (as hereinafter defined) shall be discharged. The Outstanding Balance shall mean the principal balance of the Funding Loan which has been advanced by the Bank under Section 3.4 of the Funding Loan Agreement described below in respect of this Promissory Note C-1, and that has not been repaid by the Governmental Lender to the Bank as of the date of calculation of the Outstanding Balance. This Promissory Note C-1 shall be governed by and be payable in accordance with the terms and conditions of the Funding Loan Agreement dated as of September 1, 2016 (the "Funding Loan Agreement"), between the Bank and the Governmental Lender pursuant to which the Bank has made the Funding Loan to the Governmental Lender.

This Promissory Note C-1 is issued to evidence a portion of the Funding Loan by the Bank to the Governmental Lender and the obligation of the Governmental Lender to repay the same, but only from amounts received by or on behalf of the Governmental Lender from Riviera Family Apartments, L.P., a California limited partnership (the "Borrower"), pursuant to a Construction and Permanent Loan Agreement (Multifamily Housing Back to Back Loan Program) dated September 1, 2016, by and among the Governmental Lender, the Bank and the Borrower (the "Borrower Loan Agreement") and the other Borrower Loan Documents (as defined in the Borrower Loan Agreement).

Monthly payments of principal and interest shall be payable under this Promissory Note C-1 to the same extent as payments of principal and interest are due and payable on the corresponding Borrower Note, as provided in the Borrower Loan Agreement. The Outstanding Balance of this Promissory Note C-1 shall be due and payable in its entirety on _____ 1, 203__.

The Funding Loan and this Promissory Note C-1 are pass-through obligations relating to the Borrower Loan made by Governmental Lender from the proceeds of the Funding Loan to the Borrower under the Borrower Loan Agreement. Reference is made to the Borrower Loan Agreement and to the Borrower Notes for complete payment and prepayment terms of the Borrower Notes.

In the event the Governmental Lender fails to make the timely payment of any monthly payment due on this Promissory Note C-1, and such payment remains unpaid for a period of ten (10) days subsequent to the established payment date, the Governmental Lender shall pay (solely from amounts received from the Borrower as late charges under the Borrower Loan Agreement) to the Bank a late charge in the amount specified in Section 3.6 of the Borrower Loan Agreement. If the principal balance of this Promissory Note C-1 is accelerated following an Event of Default (as defined in the Funding Loan Agreement), the Bank may increase the interest rate on the portion of the Funding Loan to evidenced by this Promissory Note C-1 the Default Rate (as defined in the Borrower Loan Agreement).

The Governmental Lender may, at any time, prepay the principal amount of this Promissory Note C-1 to the same extent and subject to the terms and conditions set forth in the Borrower Loan Agreement for the prepayment of the corresponding Borrower Note.

All sums due hereunder shall be paid in lawful money of the United States of America. Interest on this Promissory Note C-1 shall be computed as provided for the corresponding Borrower Note in the Borrower Loan Agreement. All payments made hereunder shall be credited and applied as provided in the Funding Loan Agreement.

THIS PROMISSORY NOTE C-1 IS A LIMITED OBLIGATION OF THE GOVERNMENTAL LENDER, PAYABLE SOLELY FROM AND SECURED SOLELY BY THE PLEDGE AND ASSIGNMENT OF CERTAIN PAYMENTS ON THE CORRESPONDING BORROWER NOTE OR FUNDS OTHERWISE PROVIDED UNDER THE BORROWER LOAN DOCUMENTS. NEITHER OF THE GOVERNMENTAL LENDER NOR THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS SHALL BE DIRECTLY, INDIRECTLY, CONTINGENTLY OR MORALLY OBLIGATED TO USE ANY OTHER MONEYS OR ASSETS TO PAY ALL OR ANY PORTION OF THE DEBT SERVICE DUE ON THIS PROMISSORY NOTE C-1, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR PAYMENT OF THIS PROMISSORY NOTE C-1. THIS PROMISSORY NOTE C-1 IS NOT SECURED BY A PLEDGE OF THE FAITH AND CREDIT OF THE GOVERNMENTAL LENDER OR THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS, NOR DOES THE FUNDING LOAN CONSTITUTE INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION.

THIS PROMISSORY NOTE C-1 AND THE REPAYMENT PROVISIONS CONTAINED HEREIN ARE SUBJECT TO THE PROVISIONS AND LIMITATIONS CONTAINED IN SECTIONS 4.1, 5.2 AND 6.14 OF THE FUNDING LOAN AGREEMENT.

No delay or omission on the part of Bank in exercising any remedy, right or option under this Promissory Note C-1 or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a wavier on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of Bank under this Promissory Note C-1 and the Funding Loan Documents are and shall be cumulative and are in addition to all the rights, remedies and options of the Bank at law or in equity or under any other agreement.

Presentment for payment, notice of dishonor, protest or notice of protest are hereby waived. The acceptance by Bank of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the owner hereof any sum and amount less than the amount then due shall be deemed an acceptance on account only and upon condition of the acceptance shall not constitute a waiver of the obligation of Governmental Lender to pay the entire sum then due, and Governmental Lender's failure to pay such amount then due shall be and continue to be at default notwithstanding such acceptance of such amount on account thereof. Consent by the Bank to any action of Governmental Lender which is subject to approval of the Bank hereunder shall not be deemed a waiver of the right to require such consent or approval to future successive actions, waives the right to assert the defense of any statute of limitations to any debt or obligation hereunder and consents to renewals and extensions of time for payment of any amounts due under this Promissory Note C-1.

This Promissory Note C-1 may only be transferred in accordance with the requirements of Section 4.3 of the Funding Loan Agreement, and any such transfer shall be recorded in the Note Register maintained by the Bank.

Capitalized terms used herein which are not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement.

IN WITNESS WHEREOF, the County of Contra Costa, California has caused this Promissory Note C-1 to be executed in its name and on its behalf all as of the date first written above.

The provisions hereof shall not be deemed to constitute a waiver of any obligation of Borrower or any other party or limitation of any kind of any right of Governmental Lender or Bank at law or equity or under any guaranty or other Borrower Loan Documents, provided that the assertion by Governmental

Lender or Bank of any such right shall not result in a monetary claim upon the general unsecured assets of Borrower except as provided herein.

This acceleration option may be exercised at any time after any such event and the acceptance of one or more installments or other payments from any Person thereafter shall not constitute a waiver of Bank's acceleration option. Bank's failure to exercise such acceleration option in connection with any particular event or series of events shall not be construed as a waiver of the provisions hereof as regards such events or any subsequent events. The other Borrower Loan Documents may contain provisions that provide for the automatic acceleration of amounts owing in connection with the Borrower Loan upon the occurrence of certain specified events. Bank shall have, and be entitled to exercise, upon the occurrence of any Event of Default or other event described above, all rights and remedies available to Bank hereunder, under the other Borrower Loan Documents or Funding Loan Documents or at law or in equity. All such rights and remedies shall be cumulative.

3.6 Late Charge; Default Interest. Borrower recognizes that any default by Borrower in making the payments required under the Borrower Loan Documents when due will result in Governmental Lender and Bank incurring additional expense in servicing the Borrower Loan, in loss of the use of the money due and in frustration of meeting commitments under the Funding Loan Documents. Borrower agrees that, if for any reason Borrower fails to pay when due any payment due under this Agreement or under any of the other Borrower Loan Documents, any amount advanced under the Deed of Trust or the amount due on the Maturity Date, or the accelerated Maturity Date, whichever shall first occur, Bank shall be entitled to damages for the detriment caused thereby, but that it is extremely difficult and impractical to ascertain the extent of such damages. Borrower therefore agrees that a reasonable estimate of such damages to Bank is as follows:

3.6.1 In the event Borrower fails to pay any installment of principal and interest (other than payment on the Maturity Date) within ten days after the same is due, then Borrower shall pay to Bank a Late Charge.

3.6.2 In the event Borrower fails to reimburse Bank for any amount advanced under the Deed of Trust within ten days after written notice of such advance is made by Bank to Borrower, then such unreimbursed amount shall thereafter bear interest at the Default Rate until paid, such interest to be compounded annually.

3.6.3 In the event the payment of principal and accrued but unpaid interest due on the Maturity Date, or the accelerated Maturity Date, as applicable, is not made in full when due, then such amounts shall thereafter bear interest at the Default Rate, until paid, such interest to be compounded annually.

3.7 Prepayment. Pursuant to the terms of this Section 3.7, the Borrower Loan may be prepaid by Borrower when and to the extent that the Funding Loan Notes are susceptible to prepayment under the Funding Loan Documents, provided that Borrower shall in no event voluntarily or involuntarily prepay the Borrower Loan in whole or in part unless Borrower pays to Bank, concurrently with such prepayment, a prepayment fee as calculated below.

3.7.1 Variable Rate Principal. Any Variable Rate Principal may be prepaid prior to the scheduled payment date, whether voluntary or involuntary, in whole or in part, provided Borrower has given Bank not less than five (5) business days prior written notice of Borrower's intention to make such prepayment and pays to Bank the prepayment fee due as a result. The prepayment fee shall be an amount equal to the present value of the product of: (i) the difference (but not less than zero) between (a) the Variable Rate applicable to the principal amount which is being prepaid, and (b) the return which Bank could obtain if it used the amount of such prepayment of principal to purchase a bid price regularly quoted securities issued by the United States having a Maturity Date most closely coinciding with the last day of the relevant Interest Period and such securities were held by Bank until the last day of the relevant Interest Period ("Yield Rate"); (ii) a fraction, the numerator of which is the number of days in the period between the date of prepayment and the last day of the relevant Interest Period, and the denominator of which is 360, and (iii) the amount of principal so prepaid. The present value shall be determined by discounting the above product to present value using the Yield Rate as the annual discount factor. Bank shall provide Borrower a statement of the amount payable on account of prepayment. Borrower acknowledges that (i) Bank establishes a Variable Rate upon the understanding that it apply to the Variable Rate Principal for the entire Interest Period, and (ii) Governmental Lender would not lend to Borrower at a Variable Rate without Debtor's express agreement to pay the prepayment fee described above.

3.7.2 No Prepayment Fee Due. Notwithstanding Section 3.7.1 above, no prepayment fee shall be payable (i) in connection with the prepayment of Variable Rate Principal in connection with the prepayment of principal during the ninety (90) day period immediately preceding the Outside Conversion Date or Maturity Date.

3.7.3 No Refund. In no event shall Bank be obligated to make any payment or refund to Borrower, nor shall Borrower be entitled to any setoff or other claim against Bank, should the return which Bank could obtain under the prepayment formula exceed the interest that Governmental Lender would have received if no prepayment had occurred.

3.7.4 Payment of Accrued Interest. All prepayments shall include payment of accrued interest on the principal amount so prepaid, shall be applied to payment of interest before application to principal, and shall be applied to the most remote principal installment or installments then unpaid (i.e., the principal balance due on the Maturity Date and then against installments due closest to the Maturity Date).

3.7.5 Involuntary Prepayment. Such prepayment fee shall also be payable if prepayment occurs as the result of any involuntary prepayment (e.g., proceeds of insurance or condemnation or any prepayment required in order to satisfy the Conditions to Conversion) or the acceleration of the principal hereof by Bank because of any default by Borrower (including any transfer or conveyance of any right, title or interest in the real property encumbered by the Deed of Trust) that gives Bank the right to accelerate the maturity of the Borrower Loan pursuant to the terms of the Deed of Trust. If, following any such acceleration, all or any portion of the unpaid principal is satisfied, whether through sale of the property encumbered by the Deed of Trust or other agreement securing the Borrower Loan at a foreclosure held thereunder or through the tender of payment at any time following such acceleration,

but prior to such a foreclosure sale, then such satisfaction of principal shall be deemed an evasion of the prepayment provisions hereof, and Bank shall, automatically and without notice or demand, be entitled to receive, concurrently with such satisfaction of principal the prepayment fee set forth above, and the obligation to pay such prepayment fee shall be added to the principal hereof.

BORROWER HEREBY ACKNOWLEDGES AND AGREES THAT GOVERNMENTAL LENDER WOULD NOT LEND TO BORROWER THE BORROWER LOAN EVIDENCED BY THE BORROWER NOTE WITHOUT BORROWER'S AGREEMENT TO PAY BANK A PREPAYMENT FEE AS SET FORTH ABOVE. BORROWER EXPRESSLY WAIVES ANY RIGHT UNDER CALIFORNIA CIVIL CODE SECTION 2954.10 OR OTHERWISE TO PREPAY THE BORROWER LOAN WITHOUT A PREPAYMENT FEE AS HEREINABOVE SET FORTH. BORROWER ACKNOWLEDGES THAT PREPAYMENT OF THE BORROWER LOAN MAY RESULT IN GOVERNMENTAL LENDER AND BANK INCURRING ADDITIONAL COSTS, EXPENSES OR LIABILITIES. BORROWER THEREFORE AGREES THAT THE PREPAYMENT FEE HEREIN PROVIDED FOR REPRESENTS A REASONABLE ESTIMATE OF THE PREPAYMENT COSTS, EXPENSES OR LIABILITIES GOVERNMENTAL LENDER AND BANK MAY INCUR ON A PREPAYMENT. BORROWER AGREES THAT GOVERNMENTAL LENDER'S WILLINGNESS TO OFFER THE VARIABLE RATE DESCRIBED ABOVE TO BORROWER IS SUFFICIENT AND INDEPENDENT CONSIDERATION, GIVEN INDIVIDUAL WEIGHT BY GOVERNMENTAL LENDER AND BANK FOR THIS WAIVER. BORROWER UNDERSTANDS THAT GOVERNMENTAL LENDER WOULD NOT OFFER SUCH AN INTEREST RATE TO BORROWER ABSENT THIS WAIVER. BORROWER HAS CAUSED THOSE PERSONS SIGNING THIS AGREEMENT ON ITS BEHALF TO SEPARATELY INITIAL THIS PARAGRAPH BY PLACING THEIR INITIALS BELOW:

BORROWER INITIALS HERE: _____

3.7.6 Certification. A certificate as to the amount of any prepayment fee payable under this Section, setting forth the basis for such fee, prepared by Bank and submitted to Borrower shall be conclusive as to the matters set forth therein, and the Borrower Loan shall not be deemed to have been fully paid or satisfied until such fee shall have been paid.

3.7.7 Effect of Prepayment on Hedge. Borrower and Bank hereby agree that, in accordance with and subject to the terms of any Hedge Documents, any Hedge entered into between Borrower and Bank in connection with the Borrower Loan shall, upon the making of any prepayment of amounts outstanding under the Borrower Loan, be subject to an Additional Termination Event (as defined in such Hedge Documents) and may be terminated as and to the extent more particularly provided in the documents and agreements evidencing such Hedge. Any amounts (which may be substantial) payable by Borrower to Bank, or by Bank to Borrower in respect of such full or partial termination of such Hedge shall be determined under the terms and conditions of the Hedge Documents relating to such Hedge.

3.8 Additional Fee Payment Obligations. All payments to fund taxes, insurance or any other escrow or reserve required to be established, funded or created pursuant to any Borrower Loan Document or Funding Loan Document, shall be due and payable by Borrower to Bank the date monthly payments are due pursuant to Section 3.1.3 commencing in the month following the month in which the Conversion Date occurs in accordance with the applicable Borrower Loan Document or Funding Loan Document.

5.4.1 The Draw Request.

5.4.2 Bills, invoices, documents of title, vouchers, statements, receipts and any other documents evidencing the total amount expended, incurred or due for any requested line item shown in the Project Budget.

5.4.3 Evidence of Borrower's use of a lien release, joint check or voucher system acceptable to Bank for payments or disbursements to Contractor or to such Persons as have actually supplied labor, materials or services in connection with the construction of the Improvements.

5.4.5 Waivers and releases of any mechanic's lien, stop notice claim, equitable lien claim or other lien claim rights.

5.4.6 Any other documents, requirements, evidence or information that Bank may request under any provision of the Borrower Loan Documents.

5.4.7 Evidence that any goods, materials, supplies, fixtures or other work in progress for which disbursement is requested have been incorporated into the Improvements.

5.4.8 In the event any Draw Request includes the cost of Offsite Materials, such Draw Request shall include each of the following: (a) evidence that the Offsite Materials have been purchased by Borrower, have been segregated from other materials in the facility where they are stored and have been appropriately marked to indicate Borrower's ownership thereof and Bank's security interest therein; (b) evidence that the Offsite Materials are insured as required by this Agreement; and (c) at Bank's request, a security agreement, financing statement, acknowledgment, and/or subordination agreement in form and content satisfactory to Bank executed by the supplier of the Offsite Materials, and/or such other Persons as Bank determines may have an interest in or claim to the Offsite Materials, together with such other additional documentation and evidence as Bank may reasonably require to assure itself that it has a perfected first priority lien on the Offsite Materials.

5.4.9 In the event any Draw Request includes the cost of Onsite Materials, such Draw Request shall include each of the following: (a) evidence that the Onsite Materials have been purchased by Borrower; (b) evidence that the Onsite Materials are insured as required hereunder; and (c) evidence that the Onsite Materials are stored in an area on the Real Property for which adequate security is provided against theft and vandalism.

5.5 Disbursement Limits.

5.5.1 Borrower hereby represents to Bank that, as of the date of this Agreement, the Project Budget represents the total amount needed by Borrower to construct the Improvements and to perform Borrower's obligations under the Borrower Loan Documents and Funding Loan Documents. Bank shall not be required to make any Advance for any Construction Costs or any other purpose that is not set forth in the Project Budget nor shall Bank be required to make any Advance for any line item in the

Project Budget in an amount that when added to the sum of all prior Advances for that line item would exceed the sum allocated in the Project Budget for that line item.

5.5.2 Bank reserves and shall have the right to make Advances that are allocated to any line items in the Project Budget for such other purposes or in such different proportions as Bank may, in its sole discretion, deem necessary or advisable. Borrower shall have no right whatsoever to reallocate Advances from one line item in the Project Budget to another or otherwise amend the Project Budget without the prior consent of Bank.

5.5.3 All Advances shall be made in accordance with the applicable provisions of the Project Budget and the Disbursement Schedule. All funds disbursed to Borrower shall be received by Borrower in trust and Borrower agrees that such funds shall be used only for the payment of those items contemplated by the particular Advance.

5.5.4 Bank shall not be required to disburse an aggregate amount of the proceeds of the Borrower Loan for labor furnished to and materials incorporated into the Improvements during any stage of construction that exceeds the lesser of (a) the value of such labor and materials, and (b) the amount allocated to that stage of construction in the Project Budget. In any event, Bank shall not be required to disburse any amount that, in Bank's opinion, will reduce that portion of the undisbursed proceeds of the Borrower Loan designated for completion of the Improvements below the amount needed to pay for the labor and materials necessary to complete the Improvements.

5.5.5 Except for amounts required to pay costs of issuance at the Initial Disbursement, all Advances shall be first made from Borrower Note A-2 until fully disbursed, and then from Borrower Note A-1 until fully disbursed, and then from Borrower Note A-T.

5.6 Disbursement into Borrower's Funds Account. If the Borrower Loan has not been fully disbursed by December 1, 2019 and the Conversion has not yet occurred, the Bank may, in its discretion, disburse all or any portion of the undisbursed portion of the Borrower Loan into the Borrower's Funds Account, at which time the Borrower Loan proceeds so advanced shall constitute Borrower's Funds, if Bank obtains an opinion of Tax Counsel to the effect that the draw of Borrower Loan proceeds as represented by Borrower Note A-1 and Borrower Note A-2 after December 31, 2019 will adversely affect the exclusion of interest on the Tax-Exempt Notes from gross income for federal income tax purposes. The portion of the Borrower Loan disbursed into the Borrower's Funds Account shall be deemed outstanding as of the date advanced into the Borrower's Funds Account and will immediately commence to accrue interest as provided in Section 3.1.2. All Borrower Loan funds disbursed into the Borrower's Funds Account as Borrower's Funds shall continue to be disbursed by Bank pursuant to the provisions of this Section 5 and the Disbursement Schedule.

6. REPRESENTATIONS AND WARRANTIES OF BORROWER. Borrower makes the following representations and warranties for the benefit of Governmental Lender and Bank, each of which is material and is relied upon by Governmental Lender in making the Borrower Loan and Governmental Lender and Bank in executing this Agreement. 6.24 No Reliance. Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions relating to the financing of the Property; that it is familiar with the provisions of all of the documents and instruments relating to such financing to which it or Governmental Lender is a party or of which it is a beneficiary including, without limitation, the Funding Loan Agreement; that it understands the risks inherent in such transactions, including, without limitation, the risk of loss of the Property; and that it has not relied on the Governmental Lender or Bank for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by this Agreement, the Funding Loan Agreement or otherwise relied on Governmental Lender, Bank or Bank in any manner.

The weighted average maturity of the Tax-Exempt Notes does not exceed 120% of the average reasonably expected economic life of the Property financed with the proceeds of the Borrower Loan as represented by Borrower Note A-1 and Borrower Note A-2. The Tax-Exempt Notes are not and shall not be "federally guaranteed" as defined in Section 149(b) of the Code. Each and every covenant, condition and obligation contained in the Tax Credit Allocation Documents, the Subordinate Documents, the AHAP Contract and the HAP Contract (after the HAP Contract has been fully executed) required to be performed or satisfied as of the date hereof, and each and every matter required to be approved thereunder as of the date hereof, has been satisfied or approved, as applicable.

7.2 Borrower's Funds. At the time and in amounts required by Bank, Borrower shall deposit Borrower's Funds into the Borrower's Funds Account. Should it appear at any time in Bank's judgment that the sum of undisbursed proceeds of the Borrower Loan and the then balance of the Borrower's Funds Account are insufficient to provide the financing for completion of the Improvements, Borrower shall pay to Bank, within ten days following receipt of written demand by Bank, an amount equal to such deficiency for deposit into the Borrower's Funds Account.

7.3 Lien Priority. At Borrower's sole cost and expense, Borrower shall maintain the Deed of Trust as a first lien on the Property.

7.4 Construction Start and Completion.

7.4.1 Borrower shall not commence construction of the Improvements, including, but not limited to, grading and site clearance, and shall not undertake any other act on the Real Property prior to recordation of the Deed of Trust, the result of which would cause any mechanics' or materialmen's lien thereafter filed to take priority over the lien of the Deed of Trust, unless prior arrangements satisfactory to both Bank and Title Insurer have been made.

7.4.2 Borrower shall cause construction of the Improvements to be commenced not more than 30 days after the recordation of the Deed of Trust.

7.4.3 Borrower shall cause (a) the Improvements to be constructed in a good and workmanlike manner, with materials of high quality, and in accordance with the Plans, Governmental Requirements and sound building and engineering practices, (b) the construction of the Improvements to be prosecuted with diligence and continuity and completed in accordance with the Plans and to otherwise cause Project Completion to occur on or before the Completion Date, free and clear of liens or claims for liens, and (c) all licenses and permits necessary for the occupancy, use or sale of the Improvements to be issued. Borrower shall promptly commence and diligently proceed with the Project.

7.4.4 Borrower shall complete the construction of the Improvements on or before the Completion Date. 7.5.1 Borrower shall not permit any change in the Plans without Bank's prior consent if any such change (a) constitutes a material change in material or equipment specifications, architectural or structural design, or the value or quality of the Improvements, or (b) would result in an increase or decrease in the cost of construction of the Improvements in excess of the Single Change Order Limit for any single change, or in excess of the Aggregate Change Order Limit for all changes.

7.5.2 Borrower shall submit any proposed change in the Plans to Bank not later than ten Business Days prior to the commencement of construction relating to such change.

7.5.3 Borrower shall deliver to Bank in connection with any proposed change requiring Bank's prior written consent (a) a written request therefor, together with working drawings and a written description of the proposed change, submitted on a change order form acceptable to Bank and executed by Borrower, Architect and Contractor, and (b) evidence satisfactory to Bank as to the cost and time necessary to complete the proposed change.

7.5.4 Prior to permitting any change in the Plans requiring Bank's consent, Borrower shall satisfy any condition of Bank's consent, including, but not limited to, depositing funds to cover any increased Construction Costs into the Borrower's Funds Account as required by Bank, which Bank is authorized to disburse in accordance with the Project Budget and the Disbursement Schedule for payment of such Change Orders upon completion of such changes to Bank's satisfaction.

7.6 Detailed Cost Breakdown. Borrower shall not modify the Project Budget or the Detailed Cost Breakdown without Bank's prior written consent, which consent may be conditioned upon, among other things, (a) Bank's receipt of evidence satisfactory to Bank that the change in the Project Budget or the Detailed Cost Breakdown is reasonably necessary, and (b) Bank's confirmation that, in the opinion of Bank, sufficient funds remain in the undisbursed proceeds of the Borrower Loan (and in the Borrower's Funds Account, if any) to pay for all remaining direct or indirect costs to complete construction of the Improvements.

7.7 Contractor Covenants. Borrower shall (a) require from the Contractor (i) covenants similar to the covenants made by Borrower in Sections 7.3, 7.4 and 7.5, and (ii) a covenant that Contractor will, upon request, deliver to Bank the names of all Persons with whom Contractor has contracted or intends to contract for construction of the Improvements or for furnishing of labor or materials therefore; and (b) cause the Contractor (or if no Contractor, the subcontractors) to cooperate with Bank.

7.8 Construction Contract Only. Borrower shall not execute any contract or become party to any arrangement for the performance of work on the Real Property with any Person except Contractor, and if there is no Contractor, Borrower shall contract only with major subcontractors approved by Bank for the performance of work on the Real Property.

7.9 Paid Vouchers. Borrower shall deliver to Bank, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower claims title to any materials, fixtures or articles incorporated in the Improvements.

7.10 Application of Disbursements. Borrower shall receive the disbursements to be made hereunder in trust, strictly for the purpose of paying the costs identified in the request for such disbursement.

7.11 Foundation Completion. Borrower shall notify Bank immediately upon completion of the foundation of the Improvements and, if required by Bank, deliver to Bank, promptly after completion of the foundation, a foundation survey in form satisfactory to Bank and Title Insurer.

7.12 Personal Property Installation. Without Bank's written consent, Borrower shall not install materials, personal property, equipment, or fixtures subject to any security agreement or other agreement or contract giving any Person other than Borrower any right or title to such property.

7.13 Defect Corrections. Upon demand of Bank, Borrower shall correct any defect in the Improvements or any departure from the Plans not approved by Bank.

7.14 Stop Notices; Mechanic's Liens. If (a) a bonded stop notice is received by Bank that Bank believes requires the withholding of funds from any Advance or from any disbursement of proceeds from the Borrower's Funds Account, or (b) a mechanics' lien, material supplier's lien or other construction lien is recorded against the Real Property, then Borrower shall within 20 days of such receipt or recordation or within five days of Bank's demand (whichever first occurs):

7.14.1 pay and discharge same;

7.14.2 effect the release of same by recording a surety bond in sufficient form and amount issued by a surety acceptable to Bank; or

7.14.3 provide Bank with such other assurance as Bank, in its sole discretion, deems to be satisfactory for the payment of, and protection of Bank from, such lien or bonded stop notice.

7.15 Record Keeping, Financial and Other Information. Borrower shall keep and maintain full and complete books of account and other records reflecting the results of operations of the Property in

accordance with accounting practices and principles acceptable to Bank and consistently applied, and shall furnish or cause to be furnished to Bank such financial information concerning Borrower, each Loan Party and the Property as Bank may require, including but not limited to:

7.16 Post-Construction Financial Reporting. Upon completion of construction of the Improvements, Borrower shall furnish to Bank, without prior request or demand:

7.16.1 Within thirty (30) days after the close of each calendar month prior to Conversion and, thereafter within thirty (30) days of written request by Bank, a monthly or quarterly (as applicable) Operating Statement, a current rent roll and, if retail property, a schedule of gross sales; and

7.19 Payment of Lawful Claims. Borrower shall pay or discharge all lawful claims, including taxes, assessments and governmental charges or levies imposed upon Borrower or Borrower's income or profits or upon any property belonging to Borrower prior to the date upon which any penalties attach; provided that Borrower shall not be required to pay any such tax, assessment, charge or levy, the payment of which is being contested in good faith and by proper proceedings and for which Borrower is maintaining adequate reserves in accordance with generally accepted accounting principles.

7.20 Payment of Costs. Borrower shall pay all costs and expenses incurred by Bank in connection with the enforcement by Bank of any of Borrower's obligations under this Agreement or the other Borrower Loan Documents, and the preparation of this Agreement and the other Borrower Loan Documents, including but not limited to (a) all appraisal fees, cost engineering and inspection fees, legal fees and expenses (including the fees and costs of in-house counsel and legal staff), accounting fees, environmental consultant fees and costs of title insurance, survey, seismic, escrow and other fees and charges, and (b) all taxes and recording expenses, including stamp taxes, if any.

Borrower's request for approval of any prospective easement or private or public dedication shall be accompanied by a drawing or survey showing the precise location of such prospective easement or private or public dedication. Borrower's request for approval of any prospective declaration of covenants, conditions and restrictions shall be accompanied by a description of the property affected thereby.

7.22 Compliance with Laws; Preservation of Rights. Borrower shall comply promptly with all Governmental Requirements, and shall obtain, preserve and maintain in good standing, as applicable, all rights, privileges and franchises necessary or desirable for the operation of the Property and the conduct of Borrower's business thereon and therefrom. If payment of the indebtedness secured by the Deed of Trust or any of the other Security Documents is to be insured or guaranteed by any governmental agency, Borrower shall comply with all rules, regulations, requirements and statutes relating thereto or provided in any commitment issued by any such agency to insure or guarantee payment of such indebtedness.

7.23 Notices. Borrower shall promptly notify Bank and the Governmental Lender in writing of:

7.23.1 the occurrence of any Event of Default;

7.24.1 Except to the extent solely due to Bank's gross negligence and willful misconduct, Borrower shall indemnify, defend and hold each of the Indemnified Parties harmless from and against any and all liabilities, claims, actions, proceedings, damages, costs and expenses (including all attorney's fees, including, but not limited to, the fees and costs of any of such party's in-house counsel and legal staff) arising out of or resulting from:

(a) The Borrower Loan, the Borrower Loan Documents, the Funding Loan Documents, the Regulatory Agreements, the Subordinate Documents, the AHAP Contract, the HAP Contract or the execution or amendment or performance thereof or in connection with the transactions contemplated therein, including the issuance, sale and/or resale of the Funding Loan Notes.

(b) Any finder's fee, brokerage commission, loan commission or other sum in connection with the consummation of the transactions contemplated hereby.

(c) The development of the Property, construction of the Improvements or the ownership, operation or use of the Property

(d) Any declaration of taxability of interest on the Tax-Exempt Notes, or allegations (or regulatory inquiry) that interest on the Tax-Exempt Notes is taxable, for federal tax purposes.

(e) The issuance any Set Aside Letter, whether such matters are based on theories of derivative liability, comparative negligence or otherwise, at Borrower's own cost and with counsel approved by Bank, unless Bank elects to conduct its own defense at the expense of Borrower.

(f) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof.

(g) Any lien or charge upon payments by the Borrower to the Governmental Lender and/or the Bank hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Governmental Lender in respect of any portion of the Project.

(h) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof.

(k) The Bank's acceptance or administration of the Funding Loan Agreement, or the exercise or performance of any of its powers or duties as Bank thereunder or under any of the documents relating to the Funding Loan Notes to which it is a party.

7.24.2 The liability of Borrower under this indemnity shall not be limited or impaired in any way by (a) the release, reconveyance, foreclosure or other termination of the Deed of Trust, the payment in full of the Borrower Loan, any bankruptcy or other bankruptcy proceeding, or any other event whatsoever; (b) any provision in the Borrower Loan Documents or the Funding Loan Documents or applicable law limiting Borrower's liability or any Indemnified Party's recourse or rights to a deficiency judgment; or (c) any change, extension, release, inaccuracy, breach or failure to perform by any party under the Borrower Loan Documents or the Funding Loan Documents. Borrower's liability hereunder is direct and primary and not secondary as a guarantor or surety.

7.24.5 Notwithstanding any transfer of the Property to another owner in accordance with the provisions of this Agreement, Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 7.24 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless such Indemnified Party has consented to such transfer and to the assignment of the rights and obligations of Borrower hereunder.

7.24.6 The rights of any persons to indemnity hereunder and to payment of fees and reimbursement of expenses pursuant to this Agreement shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan Notes and, in the case of Bank, any resignation. The provisions of this Section 7.24 shall survive the termination of this Agreement.

7.25 Performance of Acts. Upon request by Bank, Borrower shall perform all acts that may be necessary or advisable to perfect any lien or security interest provided for in the Borrower Loan Documents or the Funding Loan Documents to carry out the intent of the Borrower Loan Documents or the Funding Loan Documents.

7.28 Funding Loan Documents. Borrower shall timely perform its obligations under the Funding Loan Documents.

7.29 Regulatory Agreements. Borrower hereby covenants and agrees (a) to comply with all provisions of the Regulatory Agreements; to advise Bank and Governmental Lender in writing promptly upon learning of any default with respect to the covenants, obligations and agreements of Borrower set forth in the Regulatory Agreements; (b) upon written direction by Governmental Lender, to cooperate fully and promptly with Governmental Lender in enforcing the terms and provisions of the Tax-Exempt Regulatory Agreement; and (c) to file in accordance with the time limits established by the Regulatory Agreements all reports and certificates required thereunder, and the Certification to the Secretary of the Treasury required by the Tax-Exempt Regulatory Agreement. Neither Governmental Lender nor Bank shall incur any liability in the event of any breach or violation of any of the Regulatory Agreements by Borrower, and Borrower agrees to indemnify the Indemnified Parties from any claim or liability for any such breach under the Regulatory Agreements.

7.30 Prohibited Activities. Without Bank's prior written consent Borrower shall not:

7.30.1 Engage in any business activities substantially different from Borrower's present business or liquidate or dissolve Borrower's business;

7.30.2 Suffer or permit any liens or encumbrances to be placed on the Property other than the Permitted Liens.

7.30.3 Transfer any interest in the Property (other than the lease of residential units within the Property for a term of one-year or less and otherwise in compliance with the Regulatory Agreements and dispositions of Personal Property expressly permitted by the Borrower Loan Documents) without the prior written consent of Bank, which consent may be withheld in Bank's absolute discretion. In connection with the foregoing consent requirements, Borrower acknowledges that Bank relied upon Borrower's particular expertise in entering into this Agreement and continues to rely on such expertise to ensure the satisfactory completion and operation of the Property. Transfers requiring Bank's prior written consent shall include, without limitation, (a) involuntary transfers and transfers by operation of law; (b) liens and assignments as security for obligations, whether voluntary or involuntary; and (c) except as otherwise expressly permitted by the terms of the Deed of Trust, the issuance, sale, assignment, disposition, encumbering or other transfer of any direct or indirect ownership interest in Borrower, any Loan Party or any general partner, member or shareholder of any Loan Party, whether voluntary or involuntary, by operation of law or otherwise. No sale, lease or other transfer shall relieve Borrower from primary liability for its obligations under the Borrower Loan Documents or the Funding Loan Documents, and Borrower shall deliver to Bank all documents reasonably required by Governmental Lender to evidence its continuing liability. No consent by Bank in connection with any Transfer shall constitute (x) a consent by Governmental Lender under the Tax-Exempt Regulatory Agreement to any sale, assignment, encumbrance, transfer or other disposition of all or any part of the Property, or any direct or indirect interest therein, or (y) a waiver by Governmental Lender of any term or condition of the Tax-Exempt Regulatory Agreement. Notwithstanding the foregoing, (a) Tax Credit Investor may transfer its limited partnership interests in Borrower to any limited partnership or limited liability company in which Tax Credit Investor, or an affiliate thereof is the general partner or managing member; provided that following such transfer, Tax Credit Investor shall remain jointly and severally liable for all contributions to be made by Tax Credit Investor under the Partnership Agreement, (b) the transfer of limited partnership interests or non-managing membership interest in Tax Credit Investor shall not constitute a "transfer" hereunder, and (c) subject to Bank's consent, which shall not be unreasonably withheld, Tax Credit Investor may remove and replace the General Partner in accordance with the Partnership Agreement following a default by the General Partner thereunder. Notwithstanding anything to the contrary contained herein, Bank shall not unreasonably withhold its consent to any transfer of the Property, in whole, arising due to the exercise of the option or right of first refusal granted pursuant to the Partnership Agreement or the documents executed in connection therewith, so long as all of the following conditions precedent are fully satisfied:

(a) Bank has received all of the information required by Bank to make the determinations required by this Section;

(b) No Event of Default or other event or condition which, upon the giving of notice or the lapse of time, or both, would constitute an Event of Default, has occurred and is continuing;

(c) Bank has determined, in its sole and absolute discretion, that the proposed transferee meets all of the eligibility, credit, management and other standards (including any standards with respect to previous relationships between Bank and the transferee and the organization of the transferee) customarily applied by Bank at the time of such proposed transfer to the approval of borrowers in connection with the origination or purchase of similar mortgages, deeds of trust or deeds to secure debt on multifamily properties;

(d) Borrower shall provide evidence satisfactory to Bank that, after the transfer, the Property will continue to qualify for the property tax "welfare" exemption pursuant to Section 214(g) of the R&T Code;

(e) The Property, at the time of such proposed transfer, meets all standards as to its physical condition that are customarily applied by Bank at the time of such proposed transfer to the approval of properties in connection with the origination or purchase of similar mortgages on multifamily properties;

(f) The transferee has duly executed and delivered to Bank an assumption agreement, in recordable form and in the form required by Bank, that, among other things, requires the transferee to perform all obligations of transferor set forth in Loan Documents;

(g) Bank shall have received such endorsement or endorsements to the Title Policy as Bank may reasonably require, confirming that the Deed of Trust continues to constitute a first-priority lien upon the Property, subject only to the Permitted Liens;

(h) If a guaranty or indemnity agreement has been executed and delivered in connection with the Note, the Deed of Trust or any of the other Loan Documents, the Borrower causes one or more individuals or entities acceptable to Bank to execute and deliver to Bank a guaranty or indemnity agreement in a form acceptable to Bank;

(i) Bank shall have received all of Bank's out-of-pocket costs (including reasonable attorneys' fees) which may be incurred in connection with such a transfer, including, without limitation, the costs incurred in reviewing such a transfer request and preparing all necessary documentation in connection therewith; and

(j) In no event shall Bank's consent to any transfer of the Property herein constitute the consent of the Bank to any transfer of the Property under any other document.

7.30.4 Amend or modify in any material respect any organizational documents pertaining to Borrower or any Loan Party.

7.30.5 Cause or otherwise consent to the formation of any community facilities district that includes the Property or any part of the Property pursuant to the Mello-Roos Community Facilities Act of 1982, any assessment district that includes the Property or any part of the Property pursuant to the Municipal Improvement Act of 1913, or any other comparable or similar district, area or territory that includes the Property or any part of the Property pursuant to any Law, or cause or otherwise consent to the levying of special taxes by any community facilities district against the Property or any part thereof, the levying of assessments by any such assessment district against the Property or any part thereof, or the levying of assessments, taxes and/or other impositions by any such district, area or territory.

7.30.6 Enter into any new Funding Loan Documents or Subordinate Documents, or amend, modify, supplement, cancel or terminate any Funding Loan Documents, Subordinate Documents or the AHAP Contract.

7.30.7 Take, or omit to take, any action that, if taken or omitted, would jeopardize or adversely affect the tax-exempt status of the interest payable on the Tax-Exempt Notes.

7.30.8 Accept any deed or other restriction or enter into any regulatory or other similar agreement regulating or restricting the use or operation of the Property or restricting the tenant income and/or rent levels for the Property in connection with the allocation to the Property of federal low-income housing tax credits or otherwise.

7.31 Set Aside Letters. In the event Bank issues, at Borrower's request, any Set Aside Letter, Borrower represents, warrants and agrees as follows:

7.31.1 The sum that Borrower requests Bank to allocate for Bonded Work shall be sufficient to pay for the costs of construction and completion of the Bonded Work in accordance with any agreement between Borrower and the Governmental Authority and a copy of such agreement shall be furnished to Bank by Borrower as a condition precedent to the issuance by Bank of any Set Aside Letter;

7.31.2 Bank is irrevocably and unconditionally authorized to disburse to the Governmental Authority or Surety all or any portion of proceeds of the Borrower Loan upon a demand of

the Governmental Authority or Surety made in accordance with the terms and conditions of the Set Aside Letter;

7.31.3 Any disbursement or payments that Bank makes or may be obligated to make under any Set Aside Letter, whether made directly to the Governmental Authority, Surety, or to others for completion of all or part of the Bonded Work, shall be deemed an Advance to or for the benefit of Borrower; and

7.31.4 Bank shall have no obligation to release any security under the Borrower Loan Documents unless and until Bank has received a full and final written release of its obligations under each Set Aside Letter.

7.31.5 The fee for issuing each Set Aside Letter hereunder shall be determined when each Set Aside Letter is issued by Bank.

7.32 Management of Property. Borrower shall not enter into any agreement providing for the management or operation of the Real Property or the Improvements without the prior written consent of Bank.

7.33 Leases.

7.33.1 Negative Covenants. In addition to the provisions of the Deed of Trust, and regardless of whether or not Bank's prior written approval is required, Borrower shall not, without Bank's prior written consent: (a) grant to any tenant any right or option to purchase the Property or any portion thereof, or any other present or future interest in any portion of the Property other than the right to use and occupy the leased premises, (b) grant to any tenant the right to terminate its lease if the lease of one or more other tenant is terminated, or (c) accept payment of rent from any tenant in any form other than cash or cash equivalent.

7.33.2 Affirmative Covenants. In addition to the provisions of the Deed of Trust, Borrower shall (a) document all Leases covering any portion of the Property or the Improvements on a standard lease form approved by Bank (with no material change), (b) not enter into any lease for any Unit with a potential tenant unless such lease is an Acceptable Unit Lease and the rent charged thereunder complies with the Subordinate Documents, all Regulatory Agreements and is consistent with the rent proforma submitted by Borrower and approved by Bank (c) enter into Leases only with bona fide third party tenants in an arm's length transaction at the then current rates for comparable space in accordance with the Rent Restrictions and on such other terms and conditions as are reasonably acceptable to Bank, (d) whether or not Bank's prior written approval is required, deliver to Bank, within ten days of written request, all Leases (together with all financial information obtained by Borrower regarding the tenant) and all modifications, amendments and consents to assignment or subletting of existing Leases, and (e) upon Bank's request, promptly notify Bank in writing of (i) the termination, abandonment, or surrender of any Lease, and (ii) claims of any breach of any of Borrower's obligations as landlord under any Lease.

7.34 Compliance. Upon the request of Bank from time to time and at any time certification of the matters set forth below is provided to Governmental Lender or any Governmental Authority, Borrower shall promptly provide to Bank the following:

7.34.1 Borrower's certification of the Property's compliance with the rules qualifying the interest payable on the Tax-Exempt Notes for federal tax exemption pursuant to Section 142(d) of the Code and the regulations issued under Section 142(d) and the requirements of the Regulatory Agreements;

7.34.2 Property has received or receives a tax credit allocation, Borrower's certification of the Property's compliance with the requirements of Section 42 of the Code and the regulations issued

under Section 42 and if the tax credits have not yet been syndicated, Borrower's report regarding progress in syndicating the tax credit allocation until the syndication is completed; and

7.34.3 Such other documents, certificates and other information as may be deemed necessary or appropriate to enable Bank to perform the functions under this Agreement or the Funding Loan Agreement.

7.35 Property Reserves. Borrower shall establish and maintain such operating, replacement and/or tenant improvement reserves for the Property as required by Bank, and Borrower hereby grants to Bank a security interest in all such reserves. Borrower agrees to execute such supplemental security documentation as Bank may request confirming such security interest.

7.36 AHSC Permanent Loan Standard Agreement. Prior to the Conversion Date, Borrower shall comply with all conditions of the AHSC Permanent Loan Standard Agreement, and shall execute all documents necessary to close the AHSC Permanent Loan.

7.37 Establishment of Capital Improvement Reserve Account.

7.37.1 Concurrently with the Conversion and as a condition precedent thereto, Borrower shall: (i) establish with Bank the Capital Improvement Reserve Account and Borrower shall execute such documents as are necessary to evidence same and to create and perfect in favor of Bank a security interest therein for the purpose of paying for any capital improvements which are necessary for the continued operation of the Property and which capital improvements are approved by Bank, which approval will not be unreasonably withheld ("Capital Improvements"); and (ii) commencing after the Conversion Date, on the first day of the month in which Borrower is required to make its first principal and interest payment under the Borrower Note, and continuing on the first day of every month thereafter, deposit or cause to be deposited into the Capital Improvement Reserve Account an amount equal to no less than [\$_____] **[CHECK]** each month; provided, however, commencing on each anniversary of the date upon which Borrower is required to make the initial deposit into the Capital Improvement Reserve Account, said amount shall increase by three percent (3%) per annum.

7.37.2 Borrower shall be entitled to withdraw funds from the Capital Improvement Reserve Account from time to time (but no more often than once every thirty (30) days and in an amount of no less than \$1,000 for each such withdrawal) to cover Capital Improvements, but only upon ten (10) days prior written notice from Borrower to Bank requesting to withdraw such funds and only so long as no Event of Default exists and no event has occurred that, with the giving of notice or the passage of time, or both, would constitute an Event of Default. Said written request shall set forth the amount of funds Borrower wishes to withdraw from the Capital Improvement Reserve Account, shall set forth with specificity those Capital Improvements for which the funds are to be used and shall be accompanied by copies of invoices or other evidence satisfactory to Bank confirming the cost of such Capital Improvements. Bank may also condition the withdrawal of funds from the Capital Improvement Reserve Account upon delivery by Borrower of such contractor's affidavits, owner's sworn statements, partial and final waivers of lien and other additional documentation Bank may require to insure that the Capital Improvements have been completed free and clear of any claims of lien, and in a good and workmanlike manner and otherwise in accordance with all applicable legal requirements. The disbursement of funds withdrawn from the Capital Improvements Reserve Account may be made, in Bank's discretion, either directly to the parties entitled thereto or to Borrower to pay the same. If such funds are disbursed directly to Borrower, Borrower shall provide Bank with evidence of the payment of the cost of the Capital Improvements within ten (10) days after the date such funds are withdrawn from the Capital Improvement Reserve Account.

7.37.3 Borrower shall diligently pursue completion of all Capital Improvements upon the commencement of the same. All Capital Improvements shall be made in a good and workmanlike manner and shall be completed free and clear of any mechanic's or materialman's liens and encumbrances. Borrower shall pay all costs necessary for completion of all Capital Improvements without

regard to the sufficiency of the funds in the Capital Improvement Reserve Account. Borrower shall not commence construction of any Capital Improvement or other work prior to obtaining a building permit and all other governmental authorizations required with respect thereto, which Borrower shall provide to Bank upon request. Once any construction work has commenced, Borrower shall cause same to be completed in accordance with the plans and specifications therefor and in compliance with all restrictive covenants applicable thereto, free and clear of liens or claims for liens, and shall correct all defects therein. No disbursement of funds from the Capital Improvement Reserve Account shall constitute a waiver of Bank's right to require compliance with the foregoing covenants.

7.38 Rent Restrictions. Borrower shall comply, and cause the tenants occupying the Units to comply, with the Rent Restrictions, including, without limitation, maintaining all appropriate records.

7.39 Preservation of Tax Credits. 7.40 Election of Credit Period. Borrower shall not make its election (electing whether the first year of the ten (10) year "credit period" shall commence in the year the Project is placed in service or the following year) under Section 42(f) of the Code without first obtaining Bank's prior written consent to Borrower's election, which consent shall not be unreasonably withheld or delayed.

7.41 Compliance with Subordinate Documents, Regulatory Agreements, AHAP Contract and HAP Contract. Borrower shall observe and comply with all of the terms and conditions set forth in Subordinate Documents, all Regulatory Agreements, the AHAP Contract and the HAP Contract (after the HAP Contract has been fully executed).

7.42 Payment of Development Fee. Borrower shall not pay Resources for Community Development more than (i) [\$700,000] **[CHECK]** of its development in the aggregate fee prior to the Closing Date, (ii) [\$2,090,000] **[CHECK]** of its development fee in the aggregate prior to Conversion, and (iii) [\$2,300,000] **[CHECK]** of its development fee in the aggregate prior to receipt of IRS Form 8609 with respect to the Project.

7.43 IRS Form 8609. Borrower shall deliver to Bank the IRS Form 8609 within five (5) business days following Borrower's receipt of the same from the Allocation Committee.

7.44 Obtaining and Maintaining Real Property Tax Exemption. Borrower shall cause General Partner to maintain its status as an "eligible limited liability company" (as such term is used in Section 214(g) of the R&T Code) and take all actions and provide such certifications as may be necessary from time to time so that the Project shall be exempt from the payment of real property taxes in accordance with the provisions of Section 214(g) of the R&T Code.

7.45 Draws under Subordinate Lender Loan and Disbursement of Borrower's Funds. [Borrower shall request and receive disbursements of the entire City Loan, [\$_____] **[CHECK]** of the Sponsor Infill Loan, [\$_____] **[CHECK]** of the Sponsor AHSC Loan and \$1,500,000 of the County Loan prior to requesting disbursements of Borrower's Funds.] **[CONFIRM]**

7.46 Draw Requests. Borrower shall furnish to Bank such statements and other financial data as Bank shall from time to time reasonably request in writing with respect to disbursements made under the Subordinate Loans, if any. Borrower shall deliver, or cause to be delivered, to Bank (concurrently with the delivery of the same to any Subordinate Lender) copies of all draw requests (and

accompanying back-up documentation), if any, submitted to any Subordinate Lender with respect to disbursements made under the applicable Subordinate Loan from time to time.

7.47 Progress Reports and Annual Project Status Reports; Allocation Committee Notices. Borrower shall promptly deliver to Bank copies of all "Progress Reports" all "Annual Project Status Reports" and all other reports delivered by Borrower to the Allocation Committee or Subordinate Lender from time to time including, without limitation, those reports required by the terms and conditions of the Qualified Allocation Plan or as otherwise required under the terms of the Tax Credit Allocation Documents; such reports shall be delivered to Bank concurrently with the delivery of the same to the Allocation Committee. Borrower shall promptly deliver to Bank copies of all notices and/or correspondence it receives from time to time from the Allocation Committee to the extent the same relate to the allocation of Tax Credits as evidenced by the Preliminary Reservation.

7.48 Hedge.

7.48.1 As a condition precedent to making the Borrower Loan, the Borrower shall enter into one or more interest rate caps, collars, swaps, swaptions, forward swaps or similar transactions designed to protect against fluctuations in the interest rate of Borrower Note A-1 and Borrower Note A-2 commencing no later than the Initial Conversion Date, or if Borrower elects to extend the Initial Conversion Date pursuant to Section 2.6 above, the Extended Conversion Date, and expiring no earlier than the Initial Maturity Date, or if Borrower elects to extend the Initial Maturity Date pursuant to Section 2.6 above, the Extended Maturity Date, with a counterparty acceptable to Bank (which counterparty may, but is not required to be, Bank) (together, as modified from time to time, the "Hedge"). The notional amount of the Hedge must be the outstanding aggregate principal amount of the Borrower Note A-1 and Borrower Note A-2 as of the Extended Conversion Date or, if later, the effective date of the Hedge. The Hedge shall provide for a fixed rate of interest not to exceed (or otherwise protect against the interest rate on the Borrower Note A-1 exceeding) [____%] **[CHECK]** (inclusive of the Margin), and shall provide for a fixed rate of interest not to exceed (or otherwise protect against the interest rate on the Borrower Note A-2 exceeding) [____%] **[CHECK]** (inclusive of the Margin). The cost of the Hedge must be paid in full on its effective date. The identity of the counterparty and the form and substance of the documents and agreements evidencing, securing, guarantying or otherwise governing the Hedge, including, without limitation, any ISDA Master Agreement and Schedule thereto, and any confirmations evidencing the Hedge (together, the "Hedge Documents"), shall be acceptable to Bank in the Bank's sole discretion. In no event shall the counterparty have a rating by a national rating agency which is less than the rating assigned by such rating agency to Bank. No Hedge Document shall be secured by the Project unless expressly consented to in writing by Bank, which consent may be withheld in Bank's sole discretion.

7.48.2 On the Closing Date, the Borrower shall acquire a Hedge complying with the requirements of this Section 7.48 and Section 4.1.15. As a condition to the extension of the Initial Conversion Date and the Initial Maturity Date in accordance with Section 2.6 above, the Hedge shall comply with the requirements of this Section 7.48 and Section 2.6.8. As a condition to the Conversion, the Hedge shall comply with the requirements of this Section 7.48 and Section (t) of Exhibit D.

7.48.3 The Borrower shall timely perform all of its obligations under the Hedge Document in accordance with its terms, including payment of all breakage and termination fees due under the applicable Hedge Documents. Unless Bank is the counterparty, the Borrower may not exercise any right or remedy under any Hedge Document without the Bank's prior written consent and shall exercise its rights and remedies under the Hedge Documents as directed by the Bank in writing.

7.48.4 So long as the Borrower is required to maintain a Hedge, the Borrower shall not terminate, transfer or consent to any termination or transfer of the Hedge without the Bank's prior written consent, which consent may be withheld in Bank's sole discretion. No Hedge shall be terminated for any reason unless Borrower enters into a new Hedge complying with the requirements of this Section 7.48; provided, that no Hedge undertaken with Bank may be terminated, terminated and replaced or transferred by the Borrower without the consent of Bank, which consent may be withheld by Bank in its sole discretion.

Each replacement Hedge must have a term which commences no later than the later of the Outside Conversion Date or the termination date of the preceding Hedge. If Borrower desires to transfer or terminate a Hedge, Borrower shall provide Bank for Bank's approval written notice thereof at least forty-five (45) days prior to termination of the existing Hedge, together with a description of the terms proposed for the replacement Hedge and the identity of the financial institutions who will bid to be the counterparty on the replacement Hedge. In addition, the Borrower shall provide the Bank for Bank's approval the identity of the counterparty and copies of the proposed replacement Hedge Documents at least fourteen (14) business days prior to the termination of the existing Hedge; provided, however, that if a Hedge unexpectedly and unavoidably terminates on a date other than its scheduled expiration date, the Borrower shall, within fourteen (14) business days of such termination, obtain a new Hedge satisfying the requirements of this Section 7.48; provided that if such terminated Hedge is one provided by Bank, Bank shall be under no obligation to permit such replacement Hedge to be entered into or to forbear from exercising its creditor remedies during such time.

7.48.5 If Bank is not (or is no longer) the counterparty to the Hedge, the Borrower shall assign each Hedge in effect from time to time to Governmental Lender and Bank pursuant to an assignment of hedge ("Assignment of Hedge") in a form and content acceptable to Bank in its sole discretion. The Assignment of Hedge must be entered into on or before the effective date of the Hedge. The Hedge Documents and the Assignment of Hedge shall direct the counterparty to make any payments on the Hedge directly to Bank to be applied by Bank to payments due under the Borrower Loan, provided that after the occurrence of an Event of Default, Bank may apply such payments as may determine in its discretion.

8. EVENTS OF DEFAULT. The occurrence of any one or more of the following events shall constitute an "**Event of Default**" hereunder and at Bank's option, exercisable in its sole discretion, shall terminate any obligation of Bank to make any Advance or disbursement of Borrower's Funds. Upon the occurrence of an Event of Default, Bank shall also have the option, exercisable in its sole discretion, to declare the Borrower Loan immediately due and payable, without notice of default, presentment or demand for payment, protest or notice of nonpayment or dishonor, or other notices or demand of any kind or character; provided, however, upon the occurrence of any Event of Default that, under the terms of any Borrower Loan Document or Funding Loan Document results in the Borrower Loan becoming automatically due and payable, such occurrence shall result in automatic acceleration of payments of all principal and interest due under the Borrower Loan:

8.1 Borrower fails to (a) pay when due any sums payable under any Borrower Loan Document or Funding Loan Document after giving effect to any express curative provisions (if any) provided herein or therein, or (b) deposit with Bank any of Borrower's Funds as and when required under this Agreement.

8.2 Borrower has breached, or defaulted under, any term, condition or provision contained in (a) any Borrower Loan Document that is not specifically referred to in this Section 8, (b) the Tax-Exempt Regulatory Agreement or other Funding Loan Document, or (c) any ground lease, if the Property is a leasehold estate.

8.3 Borrower or Contractor does not (a) commence construction of the Improvements within the time period required in this Agreement, (b) proceed diligently and continuously with the construction of the Improvements, or the construction of the Improvements is otherwise discontinued for a period of ten consecutive Business Days or more, for any reason, or (c) complete the construction of the Improvements and cause the issuance of all licenses and permits necessary for the occupancy and use of the Improvements, on or before the Completion Date.

8.4 Any representation or warranty by Borrower or any Loan Party made hereunder or under any other Borrower Loan Document proves to be materially false or misleading.

8.5 Any person obtains an order or decree in any court of competent jurisdiction prohibiting the construction of the Improvements or Borrower or Governmental Lender and Bank from performing this Agreement, and such order or decree is not vacated within ten days after the granting thereof.

8.6 Borrower neglects, fails or refuses to keep in full force and effect any permit or approval with respect to the construction of the Improvements or the use and occupancy thereof.

8.7 Any bonded notice to withhold in connection with the Borrower Loan is validly served on Governmental Lender or Bank and within five days of the receipt of such service (a) is not discharged, or (b) if the amount claimed is disputed in good faith by Borrower or Contractor, an appropriate counter bond or equivalent acceptable to Bank is not provided to Bank.

8.8 The imposition, voluntary or involuntary, of any lien or encumbrance upon the Property without Bank's written consent, unless an adequate counter bond is provided and such lien is accordingly released within ten days of the imposition of such lien.

8.9 Bank fails to have an enforceable first lien on or security interest in any property given as security for the Borrower Loan, except as permitted by Bank in writing.

8.10 An event or condition occurs or arises that materially impairs Borrower's intended use of the Property.

8.11 Borrower neglects, fails or refuses to keep in force and effect any insurance coverage required by Bank.

8.12 Any Funding Loan Document is amended, modified or terminated without Bank's prior written consent.

8.13 Interest on the Tax-Exempt Notes is no longer excludable from the gross income of the holder thereof for federal income tax purposes.

8.14 Borrower modifies, amends or terminates, or otherwise fails to consummate the closing of, the AHSC Permanent Loan Standard Agreement or takes any action that might or does result in modification, amendment, termination or expiration of the AHSC Permanent Loan Standard Agreement without Bank's written consent.

8.15 The occurrence of an event of default by Borrower under the Subordinate Documents, the AHAP Contract, the HAP Contract (after the HAP Contract has been fully executed), or Regulatory Agreement(s) (following the expiration of any curative periods set forth therein).

8.16 Borrower modifies, amends or terminates the Subordinate Documents, the AHAP Contract, the HAP Contract (after the HAP Contract has been fully executed), or Regulatory Agreement(s) without the prior written consent of the Bank.

8.17 The failure of Borrower to comply with any of the terms and conditions of the Tax Credit Allocation Documents, the failure of Borrower to cause Project Completion to occur on or before the Completion Date, or the failure of Borrower to comply with any of the monitoring or reporting requirements set forth in the Qualified Allocation Plan.

8.18 The determination by Bank (in Bank's reasonable opinion) at any time that (i) paragraph (1) of Section 42(h) of the Code will apply to the allocation of the Tax Credits or (ii) Project Completion will not occur on or before the Completion Date.

8.19 The maximum amount of Tax Credits reserved by the Allocation Committee under the Preliminary Reservation is reduced by the Allocation Committee which results in a reduction of the Tax

Credit Investor's capital contributions to Borrower which, together with other financing or equity investment permitted under the Borrower Loan Documents, would prevent Borrower from making the full Paydown Amount on or before the Outside Conversion Date, as determined by Bank in its sole discretion.

8.20 Borrower shall fail to obtain the Hedge in accordance with the terms and provisions of Section 7.48. Borrower shall fail to perform any of its obligations under any agreement relating to any Hedge or Hedge Documents following the expiration of any applicable curative provision.

The Tax Credit Investor shall have the right to cure any default by Borrower hereunder within the time periods (if any) set forth herein for such cure and Bank agrees to accept such cure as if cured by Borrower.

9. REMEDIES. If an Event of Default occurs under this Agreement:

9.1 Governmental Lender and Bank may exercise any right or remedy that it has under any of the Borrower Loan Documents, or that is otherwise available at law or in equity or by statute, and all of Governmental Lender's and Bank's rights and remedies shall be cumulative.

9.2 Bank shall have the right, in its sole discretion, to enter the Property and take possession of it, whether in person, by agent or by court-appointed receiver, to perform any and all work and labor necessary to complete the Improvements substantially in accordance with the Plans, and to collect rents and otherwise protect its collateral and exercise its rights and remedies under the Borrower Loan Documents. If Bank exercises any of the rights or remedies provided in this Section, that exercise shall not make Bank a partner or joint venturer of Borrower. All sums that are expended by Bank in completing the Improvements or in preserving Bank's collateral for the Borrower Loan shall be considered an additional loan to Borrower secured by the Deed of Trust and Security Documents and shall bear interest at the Default Rate.

9.3 Notwithstanding the exercise of any remedy described above or the existence of any Event of Default, Bank, at its option, may make any Advance or disburse any or all of Borrower's Funds without (a) waiving Bank's right to demand payment of the Borrower Loan, (b) incurring liability to make any other or further Advances, and (c) waiving Bank's right to require compliance with Borrower's covenant to correct any defect in the Improvements or departure from the Plans not approved by Bank.

10. POWER OF ATTORNEY. Borrower hereby constitutes and appoints Bank as Borrower's true and lawful attorney in fact with the power and authority, including full power of substitution upon the occurrence and during the continuance of an Event of Default, as follows:

10.1 To take possession of the Property and complete the Improvements.

10.2 To use any of Borrower's Funds and any undisbursed proceeds of the Borrower Loan for the purpose of completing the Improvements and for other costs related thereto.

10.3 To make such additions and changes and corrections in the Plans as may be necessary or desirable, as Bank, in Bank's sole discretion, deems proper to complete the Improvements.

10.4 To employ such contractors, subcontractors, agents, architects, engineers and inspectors as are required to complete the Improvements.

10.5 To employ security personnel to protect the Property from damage.

10.6 To pay, settle or compromise all existing bills and claims against Borrower's Funds or any undisbursed proceeds of the Borrower Loan as may be necessary or desirable or as Bank deems proper, in Bank's sole discretion, for the completion of the Improvements, or for the protection or clearance of title to the Property, or for the protection of Bank's interest with respect thereto.

10.7 To prosecute and defend all actions and proceedings in connection with the construction of the Improvements.

10.8 To record any notices of completion, cessation of labor and other notices that Bank deems necessary to protect any interest of Bank under the provisions of this Agreement, the Deed of Trust, any of the Security Documents, or any other Borrower Loan Document.

10.9 To execute, acknowledge, and deliver all instruments and documents in the name of Borrower that may be necessary or desirable or as Bank deems proper, in Bank's sole discretion, and to perform any and every act with respect to the construction of the Improvements that Borrower might perform on Borrower's own behalf.

This Power of Attorney is a power coupled with an interest and cannot be revoked. Any costs or expenses incurred by Bank in connection with any acts performed by Bank under or pursuant to this Section shall be paid by Borrower. 11.2 Notices. All notices, demands, requests or other communications (including communications by facsimile transmission or e-mail) provided for or allowed hereunder shall be in writing and shall be effective only if the same is delivered by personal service, mailed (postage prepaid, return receipt requested), faxed, or e-mailed to the address given with the signatures at the end of this Agreement. Any such notice shall be deemed to have been received by the addressee, (a) if mailed, on the third day following the date of such mailing, or (b) if faxed or e-mailed, upon telephone confirmation of receipt. Any party may at any time change its address for such notices by delivery or mailing the other parties to this Agreement a notice of such change.

11.3 Waivers. Any forbearance, failure or delay by Bank in exercising any right, power or remedy shall not be deemed a waiver thereof and any single or partial exercise of any power, right or remedy shall not preclude any further exercise thereof. No waiver of or consent to any breach of any of the covenants or conditions of this Agreement or any other Borrower Loan Document shall be construed to be a waiver of or a consent to any previous or subsequent breach of the same or any other condition or covenant. No waiver or consent shall be effective under any Borrower Loan Document unless it is in writing and signed by an officer of Bank.

11.4 Governmental Lender's and Bank's Expenses; Rights of Governmental Lender and Bank.

11.4.1 Borrower shall promptly pay to Governmental Lender and Bank, upon demand, with interest thereon from the date of demand at the applicable rate from time to time hereunder (and, if more than one rate is applicable hereunder, at the highest rate), reasonable attorneys' fees (including the fees and costs of Governmental Lender's and Bank's in-house counsel and legal staff) and all costs and other expenses paid or incurred by Governmental Lender and Bank in exercising its rights or remedies provided for in this Agreement or any other Borrower Loan Document. If at any time Borrower fails to perform any of its obligations hereunder, Bank shall have the right, but not the obligation, to perform such obligations at the expense of Borrower. The amount of any monies so expended or obligations so incurred by Governmental Lender and Bank, together with interest thereon at the rate specified above,

11.5 No Third Party. This Agreement is made for the sole benefit of Borrower, Governmental Lender, Bank and Governmental Lender's and Bank's successors and assigns, and no other Person shall have any rights or remedies under or by reason of this Agreement or any right to exercise any right or power of Governmental Lender and Bank hereunder or arising from any default by Borrower. Governmental Lender and Bank shall owe no duty whatsoever to any claimant for labor performed or material furnished in connection with the construction of the Improvements nor any duty whatsoever to apply any undisbursed proceeds of the Borrower Loan to the payment of any such claim or to exercise any right or power of Bank hereunder or arising from any default by Borrower.

11.6 Time of Essence. Time is of the essence of this Agreement and every part hereof.

11.7 Successors and Assigns. Neither this Agreement nor any right of Borrower to receive any sums, proceeds or disbursements hereunder, may be assigned, pledged, hypothecated, anticipated or otherwise encumbered by Borrower without the prior written consent of Bank. Subject to the foregoing restriction and the restrictions contained in the Deed of Trust, this Agreement shall inure to the benefit of Governmental Lender and Bank and Governmental Lender's and Bank's successors and assigns and shall bind Borrower and Borrower's successors and assigns.

11.8 Participation or Syndication. Bank shall have the right, in its sole discretion, to assign all or any part of Bank's rights in the Borrower Loan and under the Borrower Loan Documents or the Funding Loan Documents, either through direct assignment or through participating interests, subject to the provisions of Section 4.3 of the Funding Loan Agreement. Bank is hereby authorized to disclose to any prospective assignee or participant in the Borrower Loan any and all information regarding Borrower, any Loan Party, the Property or the Borrower Loan.

11.9 Governing Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the state in which the Property is located.

11.10 Entire Agreement. This Agreement and all other Borrower Loan Documents and the Funding Loan Documents constitute the entire understanding between the parties hereto with respect to the subject matter hereof, superseding all prior written or oral understandings. This Agreement and the other Borrower Loan Documents may be modified, amended or terminated only in writing signed by all parties hereto or thereto.

11.11 Joint and Several Liability. If Borrower consists of more than one Person, each shall be jointly and severally liable to Bank for the performance of this Agreement and the other Borrower Loan Documents.

11.12 Publicity, Signs. Borrower hereby agrees that Bank, at Bank's expense, may publicize the financing of the Property (including the name of Borrower) and, in connection therewith, may use the project name and address, and a description, photograph or other illustrative drawing of the Property. Borrower hereby grants Bank the right to erect or cause to be erected Bank's sign or signs in size and location desired by Bank on the Property so long as such sign or signs do not interfere with the construction of the Improvements. Borrower will exercise, and will cause Contractor and subcontractors to exercise, due care to protect said sign or signs from damage.

11.13 Credit Information and Reports. Borrower authorizes Bank to release information concerning Borrower's financial condition to suppliers, other creditors, credit bureaus and other credit reporters, and to obtain such information from any third party at any time.

11.14 Headings. The various headings of this Agreement are included for convenience only and shall not affect the meaning or interpretation of this Agreement or any provision hereof.

11.15 Severability. Should any one or more provisions of this Agreement be determined to be illegal or unenforceable, all other provisions nevertheless shall be effective.

11.16 Counterparts. This Agreement and each other Borrower Loan Document may be executed in two or more counterparts, each of which shall be deemed an original but taken together shall be one and the same document.

11.17 USA Patriot Act. Bank is subject to the USA Patriot Act and hereby notifies Borrower that pursuant to the requirements of that Act, Bank is required to obtain, verify and record information that identifies Borrower, which information includes the name and address of Borrower and other information that will allow Bank to identify Borrower in accordance with the Act.

11.18 Waiver of Jury Trial. To the extent permitted by law, in connection with any action or proceeding, whether brought in state or federal court, the Borrower, Governmental Lender and Bank hereby expressly, intentionally and deliberately waive any right they may otherwise have to trial by jury of any Claim (as defined below).

11.19 Judicial Reference. If the waiver of jury trial set forth hereinabove is not enforceable under the laws of the state in which the Property is located, then the parties hereby agree that all Claims, including any and all questions of law or fact relating thereto, shall, at the written request of any party, be determined by Reference (as hereinafter defined) as set forth hereinbelow:

11.19.1 Selection Or Appointment Of Referee. The Bank and Borrower shall select a single neutral referee, who shall be a retired state or federal judge. In the event that the Bank and Borrower cannot agree upon a referee, the referee shall be appointed by the court.

11.19.2 Conduct Of Reference. Except as otherwise provided in this Agreement, the Reference shall be conducted pursuant to the laws of the state in which the Property is located. The referee shall determine all issues relating to the applicability, interpretation, legality and enforceability of the Borrower Loan Documents or Funding Loan Documents. The referee shall report a statement of decision to the court. The Bank and Borrower shall equally bear the fees and expenses of the referee, unless the referee otherwise provides in the statement of decision.

11.19.3 Provisional Remedies, Self-Help And Foreclosure. No provision of this Agreement shall limit the right of any party to (i) exercise self-help remedies including, without limitation, set-off, (ii) foreclose against or sell any collateral, by power of sale or otherwise or (iii) obtain or oppose provisional or ancillary remedies from a court of competent jurisdiction before, after or during the pendency of the Reference. The exercise of, or opposition to, any such remedy does not waive the right of any party to a Reference pursuant to this Agreement.

11.19.4 No Decision By Jury. The parties hereby acknowledge that if a referee is selected or appointed to determine the Claims, then the Claims will not be decided by a jury.

11.19.5 Miscellaneous. In the event that multiple Claims are asserted, some of which are not subject to this Section, the parties agree to stay the proceedings of the Claims not subject to this Section until all other Claims are resolved in accordance with this Section. In the event that Claims are asserted against multiple parties, some of whom are not subject to this Section, the Parties agree to sever the Claims subject to this Section and resolve them in accordance with this Section.

11.19.6 Claim. "Claim" shall mean any claim, cause of action, action, dispute or controversy between or among the parties, whether sounding in contract, tort or otherwise, which arises out of or relates to: (i) any of the Borrower Loan Documents or the Funding Loan Documents; (ii) and negotiations or communications relating to any of the Borrower Loan Documents or the Funding Loan Documents, whether or not incorporated into the Borrower Loan Documents or the Funding Loan Documents or any indebtedness evidenced thereby; or (iii) any alleged agreements, promises, representations or transactions in connection therewith.

11.19.7 Reference. "Reference" shall mean a judicial reference conducted pursuant to this Agreement and in accordance with the laws of the state in which the Property is located, as in effect at the time the referee is selected or appointed.

11.20 Limitation on Damages. In the event that punitive damages are permitted under the laws of the state in which the Property is located, the amount thereof shall not exceed a sum equal to three times the amount of actual damages.

11.21 Exhibits. All exhibits attached hereto are incorporated herein as if fully set forth within this Agreement.

EXHIBIT C
SPECIAL CONDITIONS

1. The following representations and warranties are incorporated by reference in Section 6 of this Agreement:

- (a) The Project is located wholly within the jurisdiction of the Governmental Lender.
- (b) The Borrower shall make no changes to the Project or to the operation thereof which would affect the qualification of the Project under the Act or impair the exclusion from gross income for federal income tax purposes of the interest on the Tax-Exempt Notes. The Borrower intends to utilize the Project as multifamily rental housing during the Qualified Project Period (as defined in the Tax-Exempt Regulatory Agreement).
- (c) Not in excess of two percent (2%) of the proceeds of the Borrower Loan as represented by the Borrower Note A-1 and Borrower Note A-2 will be used to pay costs of issuance of the Tax-Exempt Notes.
- (d) The acquisition, construction and operation of the Project in the manner presently contemplated and as described herein and in the Tax-Exempt Regulatory Agreement will not conflict with any zoning, water or air pollution or other ordinance, order, law or regulation applicable thereto. The Borrower will cause the Project to be constructed and operated in all material respects in accordance with all applicable federal, state and local laws or ordinances (including rules and regulations) relating to zoning, building, safety and environmental quality.
- (e) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the Project; that it is familiar with the provisions of all of the documents and instruments relating to the financing of the Project to which it is a party; that it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project; and that it has not relied on the Governmental Lender for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Governmental Lender in any manner except to issue the Funding Loan Notes in order to provide funds for the Borrower Loan.
- (f) The Borrower intends to hold the Project for its own account, has no current plans to sell and has not entered into any agreement to sell the Project.
- (g) The Borrower has contacted all "related persons" thereof (within the meaning of Section 147(a) of the Code) of which it is aware; and none of them shall, at any time, pursuant to any arrangement, formal or informal, acquire any interest in the Tax-Exempt Notes in an amount related to the amount of the Borrower Loan as represented by the Borrower Note A-1 and Borrower Note A-2.
- (h) All of the proceeds from the Borrower Loan as represented by the Borrower Note A-1 and Borrower Note A-2 plus any income from the investment of the proceeds thereof will be used to pay or reimburse the Borrower for Project costs, and at least 97% of the proceeds of the Borrower Loan as represented by the Borrower Note A-1 and Borrower Note A-2 will be used to pay or reimburse the Borrower for Qualified Project Costs (as defined in the Tax-Exempt Regulatory Agreement) and less than 25% of such amount will be used to pay or reimburse the Borrower for the cost of land or any interest therein. The Borrower shall assure that the proceeds of the Borrower Loan as represented by the Borrower Note A-1 and Borrower Note A-2 are expended so as to cause the Tax-Exempt Notes to constitute a "qualified residential rental bond" within the meaning of Section 142(d) of the Code.
- (i) The Borrower has not knowingly taken or permitted to be taken and will not knowingly take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on the Tax-Exempt Notes to be included in the gross income of the owners thereof for purposes of federal income taxation.

(j) The Borrower hereby represents and warrants that, within the meaning of Section 147(a)(14) of the Code, the weighted average maturity of the Tax-Exempt Notes does not exceed 120 percent of the average reasonably expected economic life of the facilities being financed with the proceeds of the Tax-Exempt Notes.

(k) The Borrower represents and warrants that no portion of the proceeds of the Borrower Loan as represented by the Borrower Note A-1 and Borrower Note A-2 will be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Borrower Loan as represented by the Borrower Note A-1 and Borrower Note A-2 will be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimus amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

2. The following covenants of Borrower are incorporated by reference in Section 7 of this Agreement:

(a) The Borrower covenants that it shall not take, or permit or suffer to be taken by the Governmental Lender or otherwise, any action with respect to the proceeds of the Tax-Exempt Notes which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Tax-Exempt Notes would have caused the Tax-Exempt Notes to be an "arbitrage bond" within the meaning of Section 148(a) of the Code.

(b) Payment of Governmental Lender Fees and Expenses.

(i) Borrower hereby agrees to pay to the Governmental Lender the amounts described in Section 4A(d) of the Tax-Exempt Regulatory Agreement.

(ii) The Borrower agrees to pay to the Governmental Lender, within fifteen (15) days after receipt of request for payment thereof, all reasonable out-of-pocket expenses of the Governmental Lender related to the Project and the financing thereof that are not otherwise required to be paid by the Borrower under the terms of this Agreement and are not paid from disbursements of the Borrower Loan, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Funding Loan.

(c) Tax Exempt Status of the Tax-Exempt Notes.

(i) It is the intention of the Governmental Lender, Bank and the Borrower that interest on the Tax-Exempt Notes shall be and remain excludable from gross income for federal income taxation purposes, and to that end the covenants and agreements of the Borrower in this Section are for the benefit of the Bank and the Governmental Lender.

(ii) The Borrower covenants and agrees that it will not knowingly and willingly use or permit the use of any of the funds provided by the Governmental Lender or the Bank hereunder or any other funds of the Borrower, directly or indirectly, in such manner as would, or enter into, or allow any "related person" (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the Tax-Exempt Notes that would, or take or omit to take any other action that would cause the Tax-Exempt Notes to be an "arbitrage bond" within the meaning of Section 148 of the Code or "federally guaranteed" within the meaning of Section 156(b) of the Code and applicable regulations promulgated from time to time thereunder.

(iii) In the event that at any time the Borrower is of the opinion or becomes otherwise aware that for purposes of this Section it is necessary to restrict or to limit the yield on the investment of any moneys held under the Funding Loan Agreement, the Borrower Loan Documents or

otherwise by the Bank, the Borrower shall determine the limitations and so instruct the Bank in writing and cause the Bank to comply with those limitations.

(iv) The Borrower will take such action or actions as may be reasonably necessary in the opinion of Tax Counsel or of counsel to the Governmental Lender, or of which it otherwise becomes aware, to fully comply with Section 148 of the Code.

(v) The Borrower further agrees that it shall not discriminate on the basis of race, creed, color, sex, sexual preference, source of income (e.g. AFDC, SSI), physical disability, national origin or marital status in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project, to the extent required by applicable State or federal law.

(vi) The Borrower further warrants and covenants that it has not executed and will not execute any other agreement, or any amendment or supplement to any other agreement, with provisions contradictory to, or in opposition to, the provisions of this Borrower Loan Agreement and of the Tax-Exempt Regulatory Agreement, and that in any event, the requirements of this Borrower Loan Agreement and the Tax-Exempt Regulatory Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other requirements in conflict herewith and therewith.

(vii) The Borrower shall not purchase, and shall use its best efforts to prevent any guarantor of the Borrower from purchasing, pursuant to an arrangement, formal or informal, any interest in the Funding Loan Notes in an amount related to the amount of the Borrower Loan.

(viii) The Borrower will use due diligence to complete the acquisition and construction of the Project and reasonably expects to fully expend the portion of the Borrower Loan by the Completion Date.

(ix) The Borrower will calculate or cause to be calculated, at the times required by the Code, any rebate due to the federal government in respect of the Tax-Exempt Notes, and will make timely payment of any rebate amount due to the federal government.

(d) Federal Guarantee Prohibition. The Borrower shall take no action, nor permit nor suffer any action to be taken if the result of the same would be to cause the Tax-Exempt Notes to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

(e) Limited Liability. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Borrower Loan Agreement, the Funding Loan Notes or any of the other Borrower Loan Documents, except only to the extent amounts are received for the payment thereof from the Borrower under this Borrower Loan Agreement. All obligations and any liability of the Governmental Lender shall be further limited as provided in Sections [4.1, 5.2 and 6.14] **[CHECK]** of the Funding Loan Agreement.

(b) The Borrower (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds of the Borrower Loan to be applied in a manner contrary to the requirements of the Borrower Loan Agreement, this Regulatory Agreement or the Other Regulatory Agreement.

(c) The Borrower will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Tax-Exempt Notes or the exemption from California personal income taxation of the interest on the Funding Loan Notes and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(d) The Borrower will take such action or actions as may be necessary, in the written opinion of Tax Counsel filed with the Governmental Lender, the Bank and the Borrower, to comply fully with the Act, the Code and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service to the extent necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Notes.

(e) The proceeds of the loan to the Borrower under the Borrower Loan Agreement will be used to pay costs of the acquisition and construction of the Projects and related costs. The commencement of the acquisition and construction by the Borrower of the Project and the Other Project occurred after the date which was 60 days prior to the Inducement Date. The Borrower has incurred a substantial binding obligation to expend proceeds of the Borrower Loan pursuant to which the Borrower is obligated to expend at least five percent (5%) of the maximum principal amount of the Borrower Loan.

(f) The Borrower will proceed with due diligence to complete the acquisition and construction of the Projects and the full expenditure of the proceeds of the Borrower Loan. The Borrower reasonably expects to expend the full \$_____ authorized principal amount of the Borrower Loan for Project Costs by _____ 1, ____.

(g) The Borrower's reasonable expectations respecting the total expenditure of the proceeds of the Borrower Loan have been accurately set forth in a certificate of the Borrower delivered to the Governmental Lender on the Closing Date. At all times, the aggregate disbursements of the proceeds of the portion of the Borrower Loan funded with proceeds of the Tax-Exempt Notes will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an amount equal to ninety-five percent (95%) or more of such disbursements, and less than twenty-five percent (25%) of such disbursements shall have been used to pay for the acquisition of land or an interest therein.

(h) The Borrower will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Borrower Loan to be applied in a manner contrary to the requirements of the Borrower Loan Agreement, this Regulatory Agreement, the Other Regulatory Agreement, the Act or the Code.

(i) On or as soon as practicable after the Completion Date of the Projects, the Borrower will submit to the Governmental Lender (with a copy to the Bank) a duly executed and completed Completion Certificate. Only one Completion Certificate shall be prepared and filed with respect to this requirement and Section 2(i) of the Other Regulatory Agreement.

(j) The Borrower acknowledges that the Governmental Lender may appoint an Administrator other than the Governmental Lender to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. In such event, the Borrower shall comply with any reasonable request by the Governmental Lender or the Administrator to deliver to any such Administrator, in addition to or instead of the Governmental Lender, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by the Administrator as an agent of the Governmental Lender.

(k) Within thirty (30) days after the date on which fifty percent (50%) of the dwelling units in the Project and in the Other Project are occupied, the Borrower will

submit to the Governmental Lender and the Bank, and will cause to be recorded in the County Recorder's office, a duly executed and completed Certificate as to Commencement of Qualified Project Period in the form of Exhibit D hereto.

(l) Money on deposit in any fund or account in connection with the Borrower Loan or the Funding Loan Notes, whether or not such money was derived from other sources, shall not be used by or under the direction of the Borrower, in a manner which would cause the Tax-Exempt Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code, and the Borrower specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the Tax-Exempt Notes from being "arbitrage bonds" under the Code.

(m) All of the proceeds of the Funding Loan and earnings from the investment of such proceeds will be used to pay costs of the Projects; and no more than two percent (2%) of the proceeds of the portion of the Borrower Loan funded with proceeds of the Tax-Exempt Notes will be used to pay costs associated with the issuance, execution and delivery of the Tax-Exempt Notes.

(n) No portion of the proceeds of the portion of the Borrower Loan funded with proceeds of the Tax-Exempt Notes shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. No portion of the proceeds of the portion of the Borrower Loan funded with proceeds of the Tax-Exempt Notes shall be used for an office unless the office is located on the premises of the facilities constituting the Project or the Other Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project or the Other Project.

(o) The Borrower hereby incorporates herein, as if set forth in full herein, each of the representations, covenants and warranties of the Borrower contained in the Tax Certificate.

(p) The Borrower shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and with all applicable requirements of Section 65863.11 of the California Government Code.

(q) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions contemplated by this Regulatory Agreement and the Other Regulatory Agreement; that it is familiar with the provisions of all of the documents and instruments relating to the Funding Loan Notes and the Borrower Loan Documents to which it is a party or of which it is a beneficiary; that it understands the financial and legal risks inherent in such transactions; and that it has not relied on the Governmental Lender for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Governmental Lender in any manner except to issue the Funding Loan Notes in order to provide funds to assist the Borrower in acquiring and constructing the Projects.

(r) Notwithstanding the provisions of Section 2(c)(ix) of the Borrower Loan Agreement, and in addition thereto, the Borrower agrees to obtain a written report from an independent firm with experience in calculating excess investment earnings for purposes of Section 148(f) of the Code, not less than once on or about each five year anniversary of the Closing Date and within thirty (30) days of the date the Tax-Exempt Notes have been paid in full, determining that either (i) no excess investment earnings subject to rebate to the federal government under Section 148(f) of the Code have arisen with respect to the Tax-Exempt Notes in the prior five-year period (or, with respect to the final such report following the repayment of the Tax-Exempt Notes, have arisen since the last five-year report); or (ii) excess investment earnings have so arisen during the prior five-year period (or, with respect to the final such report following the repayment of the Tax-Exempt Notes, have arisen since the last five-year report), and specifying the amount thereof that needs to be rebated to the federal government and the date by which such amount needs to be so rebated. The Borrower shall provide a copy of each report prepared in accordance with the preceding sentence to the Governmental Lender, each time within one week of its receipt of the same from the independent firm that prepared the respective report.

Section 3. Qualified Residential Rental Project. The Borrower hereby acknowledges and agrees that the Project is to be constructed, owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project will be acquired, constructed and operated for the purpose of providing multifamily residential rental property. The Borrower will construct, own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project are and will be similarly constructed units, and each dwelling unit in the Project contains complete, separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a household, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis and the Borrower will not rent any of the units for a period of less than thirty (30) consecutive days, and none of the dwelling units in the Project will at any time be leased or rented for use as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park.

(d) No part of the Project will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Bureau of Real Estate and may file a condominium plan with the City of Walnut Creek).

(e) All of the dwelling units in the Project will be available for rental during the Qualified Project Period on a continuous basis to members of the general public, on a first-come first-served basis, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except (i) not more than one unit may be set aside for a resident manager or other administrative use, (ii) to the extent that dwelling units are required to be leased or rented to Low Income Tenants hereunder, and (iii) to the extent units in the Project are required to be leased pursuant to the Extended Use Agreement, the City Restrictions, the County Restrictions, the Infill Restrictions, the AHSC Grant Restrictions, the AHSC Permanent Loan Restrictions and the Tax Credit Allocation Documents, as such terms are defined in the Borrow Loan Agreement.

(f) The Project site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) The Borrower shall not discriminate on the basis of race, creed, color, sex, source of income (e.g. AFDC, SSI), physical disability, age (except as may be required under any of the documents described in Section 3(e)(iii)), national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(h) No dwelling unit in the Project shall be occupied by the Borrower. Notwithstanding the foregoing, if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of dwelling units by one or more resident managers or maintenance personnel any of whom may be the Borrower; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of dwelling units in the Project.

(i) The Borrower will not sell dwelling units within the Project.

(j) In accordance with Section 147(b) of the Code, the average maturity of the Tax-Exempt Notes does not exceed 120% of the average reasonably expected remaining economic life of the facilities being financed by the Tax-Exempt Notes.

(k) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Governmental Lender from enforcing the requirements of the applicable Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the applicable Regulations, it will either prepay the Borrower Loan or, if permitted under the provisions of the Borrower Loan Agreement, apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the applicable Regulations.

The Governmental Lender hereby elects to have each of the Projects meet the requirements of Section 142(d)(1)(B) of the Code.

Section 4. Low Income Tenants; Reporting Requirements. Pursuant to the requirements of the Code, the Borrower hereby represents, warrants and covenants as follows:

(a) During the Qualified Project Period, not less than forty percent (40%) of the units in the Project, and not less than forty percent (40%) of the units in the Other Project, will be occupied by, or held vacant and available for occupancy by, Low Income Tenants. For the purposes of this paragraph (a), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project or in the Other Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants. However, should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Low Income Tenant of the same household size, the next available unit of comparable or smaller size in the same building (within the meaning of Section 42 of the Code) must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant. Until such next available unit is rented to a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the Low Income Unit requirements of Section 4(a) hereof (but shall not be so deemed to continue to be a Low Income Tenant upon the rental of an available unit of comparable or smaller size to a tenant who is not a Low Income Tenant).

(c) For the Qualified Project Period, the Borrower will obtain, complete, and maintain on file Verification of Income certifications for each Low Income Tenant, including (i) a Verification of Income dated immediately prior to the initial occupancy of such Low Income Tenant in the Project or in the Other Project, and (ii) thereafter, an annual Verification of Income with respect to each Low Income Tenant within thirty days before or after the anniversary of such tenant's initial occupancy of a unit in the Project or in the Other Project. In lieu of obtaining an annual Verification of Income, the

Borrower may, with respect to any particular twelve-month period ending June 1 of each year, deliver to the Administrator no later than fifteen (15) days after such date, a certification that as of the respective June 1, no Low Income Unit in the Project or in the Other Project was occupied within the preceding twelve (12) months by a new resident whose income exceeded the limit applicable to Low Income Tenants upon admission to the Project or the Other Project. The Administrator may at any time and in its sole and absolute discretion notify the Borrower in writing that it will no longer accept certifications of the Borrower made pursuant to the preceding sentence and that the Borrower will thereafter be required to obtain annual Verifications of Income for tenants.

The Borrower also will provide such additional information as may be required in the future by the State of California, by the Governmental Lender, by CDLAC and by the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. Upon request of the Administrator or the Governmental Lender, copies of Verification of Income for Low Income Tenants commencing or continuing occupation of a Low Income Unit shall be submitted to the Administrator or the Governmental Lender, as requested.

The Borrower shall make a good faith effort to verify that the income information provided by an applicant in a Verification of Income is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Governmental Lender.

(d) The Borrower will maintain complete and accurate records pertaining to the Low Income Units and will permit any duly authorized representative of the Governmental Lender, the Administrator, the Bank, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project and the Other Project, including those records pertaining to the occupancy of the Low Income Units.

(e) The Borrower will prepare and submit quarterly, on or before each April 15 (for the quarterly period ending March 30), July 15 (for the quarterly period ending June 30), October 15 (for the quarterly period ending September 30) and January 15 (for the quarterly period ending December 31) during the Qualified Project Period rent rolls and other information required by the FOCUS Program as applicable to the Project and the Other Project. The Borrower will also prepare and submit quarterly, on or before each April 15 (for the quarterly period ending March 30), July 15 (for the quarterly period

ending June 30), October 15 (for the quarterly period ending September 30) and January 15 (for the quarterly period ending December 31) during the Qualified Project Period to the Administrator (with a copy to the Bank), a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the aggregate of the dwelling units in the Project and in the Other Project which were occupied or deemed occupied, pursuant to subsection (a) hereof, by Low Income Tenants during the preceding applicable quarterly period; and (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement or the Other Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default.

During the Qualified Project Period, the Borrower shall submit a completed Internal Revenue Code Form 8703 or such other annual certification as required by the Code with respect to the Project and the Other Project, to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

(f) For the Qualified Project Period, all tenant leases or rental agreements shall be subordinate to this Regulatory Agreement. All leases pertaining to Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Low Income Unit: (i) certifies the accuracy of the statements made in the Verification of Income; (ii) agrees that the household income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Bank or the Administrator on behalf of the Governmental Lender, and that the failure to provide accurate information in the Verification of Income or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the Verification of Income and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and that if upon any such certification such tenant's Adjusted Income exceeds the applicable Low Income Tenant income limit under Section 4(b), such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase.

Section 4A. Additional Requirements of the Governmental Lender. In addition to the requirements set forth elsewhere in this Regulatory Agreement and to the extent not prohibited by the requirements set forth in Sections 4, 5 and 6 hereof, the Borrower hereby agrees to comply with each of the requirements of the Governmental Lender set forth in this Section 4A, as follows:

(a) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower and shall be maintained as required by the Governmental Lender, in a reasonable condition

for proper audit and subject to examination upon reasonable notice (which need not be in excess of three Business Days, as defined in the Funding Loan Agreement) and during business hours by representatives of the Governmental Lender.

(b) The Borrower shall not discriminate on the basis of race, creed, color, religion, sex, sexual orientation, marital status, national origin, source of income (e.g. AFDC and SSI), ancestry or handicap in the lease, use or occupancy of the Project (except as required to comply with Section 3(e)(iii)), or in connection with the employment or application for employment of persons for the construction, operation, or management of the Project.

(c) The Borrower shall not permit occupancy in any unit in the Project by more than (i) two persons per bedroom in the unit, plus (ii) one person; and the Borrower shall at all times offer for rent the largest unit then available for the applicable household size (being one bedroom units for 2-3 person households, and two bedroom units for 4-5 person households).

(d) The Borrower shall pay directly to the Governmental Lender (i) on the Closing Date the Governmental Lender Issuance Fee and the Governmental Lender Annual Fee for the period from the Closing Date to but not including September 1, 2017, and (ii) on each September 1, on and after September 1, 2017, the Governmental Lender Annual Fee; without in either case any requirement for notice or billing of the amount due. Notwithstanding the foregoing, only one Governmental Lender Issuance Fee, and annually only one Governmental Lender Annual Fee, shall be payable under this Regulatory Agreement and the Other Regulatory Agreement.

In addition to the foregoing, the Borrower shall pay to the Governmental Lender promptly following receipt of an invoice that reasonably identifies the relevant expenses and the amounts thereof, any out of pocket expenses incurred by the Governmental Lender in connection with the Funding Loan Notes, the Funding Loan Agreement, this Regulatory Agreement, the Other Regulatory Agreement or the Borrower Loan Agreement, including but not limited to any costs related to the FOCUS Program.

(e) The rent limits set forth in Sections 6(b) and 6(f) shall apply to all Low Income Units. In addition, the rental payments paid by Low Income Tenants for the Low Income Units shall not exceed Affordable Rents.

(f) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Law, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that is more burdensome than criteria applied to all other prospective tenants, nor shall the Borrower apply or permit the application of management policies or lease provisions with respect to the Project which have the effect of precluding occupancy of units by such prospective tenants.

(g) The Borrower shall submit to the Governmental Lender: (i) rent rolls and other information required by the FOCUS Program on a quarterly basis as specified in Section 4(e), and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Governmental Lender in order to comply with reporting requirements of the Internal Revenue Service or the State.

(h) The Borrower shall pay to the Governmental Lender, to the extent not paid pursuant to the Borrower Loan Agreement or the Funding Loan Agreement, all of the amounts required by Section 2(b) of Exhibit C to (and otherwise under) the Borrower Loan Agreement and shall indemnify the Governmental Lender as provided in Section 9 hereof.

(i) The Governmental Lender may, at its option and at its expense, at any time appoint an Administrator to administer this Regulatory Agreement or any provision hereof and to monitor performance by the Borrower of all or of any of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the Governmental Lender to deliver to such Administrator, in addition to or instead of the Governmental Lender, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by such administrator as an agent of the Governmental Lender.

(j) The Borrower shall submit its written management policies with respect to the Project, if any, to the Governmental Lender for its review, and shall amend such policies in any way necessary to insure that such policies comply with the provisions of this Regulatory Agreement and the requirements of the existing program under Section 8 of the Housing Law, or its successors. The Borrower shall not promulgate management policies which conflict with the provisions of the addendum to the form of lease for the Project prepared by the Housing Authority of Contra Costa County, and shall attach such addendum to leases for tenants which are holders of Section 8 certificates.

(k) The Borrower shall screen and select tenants for desirability and creditworthiness at its discretion; provided, however, that the Borrower shall consider a prospective tenant's rent history for at least the one year period prior to application as evidence of the tenant's ability to pay the applicable rent.

(l) At least six months prior to the expiration of the Qualified Project Period the Borrower shall provide by first-class mail, postage prepaid, a notice to all tenants in the Low Income Units containing (i) the anticipated date of the expiration of the Qualified Project Period, (ii) any anticipated rent increase upon the expiration of the Qualified Project Period, (iii) a statement that a copy of such notice will be sent to the Governmental Lender, and (iv) a statement that a public hearing may be held by the Governmental Lender on the issue and that the tenant will receive notice of the hearing at least fifteen (15) days in advance of any such hearing. The Borrower shall also file a copy of the above-described notice with the Community Development Bond Program Manager of the Department of Conservation and Development of the Governmental Lender.

(m) Notwithstanding Section 1461 of the Civil Code, the provisions of this Section shall run with land and may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Borrower's failure to comply with the provisions of this Section.

(n) The Borrower shall not participate in any refunding of any of the Funding Loan Notes or the Funding Loan by means of the issuance of bonds or other obligations by any governmental body other than the Governmental Lender.

(o) Each of the requirements of Sections 3, 4, 6 and 7 hereof is hereby incorporated as a specific requirement of the Governmental Lender, whether or not required by California or federal law.

(p) The requirements of Section 6 and this Section 4A shall be in effect for the Qualified Project Period.

Any of the foregoing requirements of the Governmental Lender contained in this Section 4A may be expressly waived by the Governmental Lender in writing, but (i) no waiver by the Governmental Lender of any requirement of this Section 4A shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Governmental Lender has received an opinion of Tax Counsel that any such provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Tax-Exempt Notes for federal income tax purposes; and (ii) any requirement of this Section 4A shall be void and of no force and effect if the Governmental Lender and the Borrower receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Tax-Exempt Notes to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act or any other State or federal law.

Section 5. Tax-Exempt Status of the Tax-Exempt Notes. The Borrower and the Governmental Lender, as applicable, each hereby represents, warrants and agrees as follows:

(a) The Borrower and the Governmental Lender will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Tax-Exempt Notes and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(b) The Borrower and the Governmental Lender will file of record such documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Borrower, the Governmental Lender and the Bank, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, and the requirements and restrictions of the Other Regulatory Agreement will be binding upon all owners of the Other Project,

including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth elsewhere in this Regulatory Agreement, so long as any of the Funding Loan Notes are outstanding the Borrower hereby agrees to comply with each of the requirements of the Act applicable to the Project. Without limiting the foregoing, the Borrower agrees as follows:

(a) As provided in Section 52080(a)(1)(B) of the Act, forty percent (40%) or more of the aggregate of the completed residential units in the Project shall be occupied by, or held vacant and available for occupancy by, lower income tenants within the meaning of Section 52080(a)(1) of the Act (it being acknowledged that units required to be set aside for Low Income Tenants pursuant to Section 4(a) may be counted for purposes of satisfying the requirements of this Section 6(a) if the related Low Income Tenants otherwise satisfy the requirements of this Section 6(a)).

(b) The rental payments paid by the occupants of the units described in paragraph (a) of this Section (excluding any supplemental rental assistance from the state, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed thirty percent of sixty percent (60%) of area median income.

(c) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, Low Income Tenants who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Law. The selection criteria applied to certificate holders under Section 8 of the Housing Law shall not be more burdensome than the criteria applied to all other prospective tenants.

(d) The Borrower shall ensure that units occupied as required by paragraph (a) of this Section are of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants.

(e) As provided in Section 52080(e) of the Act, the Project may be syndicated after prior written approval of the Governmental Lender. The Governmental Lender shall grant that approval only after it determines that the terms and conditions of the syndication (1) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (2) shall not cause any of the requirements in this Agreement to be subordinated to the syndication agreement, or (3) shall not result in the provision of fewer assisted units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement. The Governmental Lender hereby acknowledges that this Section 6(e) does not apply to the syndication of federal tax credits for the Project as contemplated by the Borrower's partnership agreement.

(f) Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and payment in full of the Funding Loan Notes, deed in lieu

of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant to Section 6(a) shall remain available to any eligible household occupying a reserved unit at the date of such expiration or termination, at a rent not greater than the amount required by Section 6(b), until the earliest of any of the following occur:

(1) The household's income exceeds one hundred-forty percent (140%) of the maximum eligible income specified in Section 6(a).

(2) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this section means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health, safety, occupancy or quiet enjoyment of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project.

(3) Thirty years after the date of commencement of the Qualified Project Period.

(4) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the Government Code.

(g) Except in the event of foreclosure and prepayment in full of the Funding Loan Notes, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, during the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to eligible households reserved units that have been vacated to the same extent that nonreserved units are made available to noneligible households.

(h) This Section shall not be construed to require the Governmental Lender to monitor the Borrower's compliance with the provisions of paragraph (f), or that the Governmental Lender shall have any liability whatsoever in the event of the failure by the Borrower to comply with any of the provisions of this Agreement.

(i) The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Borrower.

(j) This Regulatory Agreement shall be recorded in the office of the county recorder of the County, and shall be recorded in the grantor-grantee index to the names of the Borrower as grantor and to the name of the Governmental Lender as grantee.

Section 7. CDLAC Requirements. The acquisition, construction and operation of the Project and the financing thereof are and shall be in compliance with the conditions set forth in Exhibit A to the CDLAC Resolution (the "CDLAC Conditions"), as it may be amended, which conditions are incorporated herein by reference and are made a part hereof; provided, however, the Governmental Lender shall have no obligation under this Regulatory Agreement to monitor

and enforce the Borrower's compliance with the CDLAC Conditions. The Borrower shall prepare and submit to CDLAC (with a copy to the Governmental Lender), at the times required by CDLAC, a Certificate of Compliance in substantially the form attached hereto as Exhibit B hereto (or in such other form as CDLAC may require), executed by an authorized representative of the Borrower.

The Borrower acknowledges that the CDLAC Conditions include the following:

(a) 57 of the units in the Project and the Other Project be restricted for a term of 55 years, 6 of which units must be rented or held vacant and available for rental for persons or families whose income is at 50% or below of the Area Median Gross Income, and 51 of which units must be rented or held vacant and available for rental by persons or families whose income is at 60% or below of Area Median Gross Income.

(b) A minimum of \$15,324,110 of public funds will be expended for the Project and the Other Project.

(c) The Project and the Other Project and/or the financing must comply with the requirements in paragraphs 13, 18, and 25 of Exhibit A to the CDLAC Resolution.

The Borrower will promptly provide any information reasonably requested by the Governmental Lender in order for the Governmental Lender to comply with any regulations of CDLAC applicable to the CDLAC Resolution, the CDLAC Conditions, the Funding Loan Notes or the Projects, including but not limited to Section 5144 of Article 11 of the CDLAC regulations.

The Borrower will promptly provide any information requested by the Governmental Lender in order for the Governmental Lender to complete any Annual Applicant Public Benefit and On-going Compliance Self Certification or otherwise to comply with any regulations of CDLAC applicable to the CDLAC Resolution, the CDLAC Conditions or the Project, including but not limited to Section 5144 of Article 11 of the CDLAC regulations.

The requirements of this Section 7 may be waived in writing by CDLAC in its sole and absolute discretion, without the consent of the Governmental Lender or the Bank. CDLAC and the Governmental Lender each shall have the right (but not the obligation) to enforce the CDLAC Conditions and to pursue an action for specific performance or other available remedy at law or in equity, provided that any such action or remedy shall not materially adversely affect the interests and rights of the owner of the Funding Loan Notes.

Section 8. Modification of Covenants. The Borrower and the Governmental Lender hereby agree as follows:

(a) To the extent any amendments to the Act, the CDLAC Conditions, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Governmental Lender, the Bank and the Borrower, impose requirements upon the ownership or operation of the Project or of the Other Project more restrictive than those imposed by this Regulatory Agreement, and if such requirements are applicable to the

Project, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent that the Act, the CDLAC Conditions, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Tax Counsel filed with the Governmental Lender, the Bank and the Borrower, impose requirements upon the ownership or operation of the Project or of the Other Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements, but only by written amendment signed by the Governmental Lender, in its sole discretion, and the Borrower, and only upon receipt by the Governmental Lender of the written opinion of Tax Counsel to the effect that such amendment will not affect the Tax-Exempt status of interest on the Tax-Exempt Notes or violate the requirements of the Act, and is otherwise in accordance with Section 22 hereof.

(c) The Borrower and the Governmental Lender shall execute, deliver and, if applicable, file of record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Borrower and the Governmental Lender hereby appoints the Bank as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by Tax Counsel, as evidenced by receipt of the opinion required by paragraph (b) above) if either the Borrower or the Governmental Lender defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Governmental Lender or the Borrower, the Bank shall take no action under this subsection (c) without first notifying the Borrower or the Governmental Lender, or both of them, as is applicable, and without first providing the Borrower or the Governmental Lender, or both, as is applicable, an opportunity to comply with the requirements of this Section 8. Nothing in this subsection (c) shall be construed to allow the Bank to execute an amendment to this Regulatory Agreement on behalf of the Governmental Lender.

Notwithstanding any other provision of this Regulatory Agreement, whenever an opinion of Tax Counsel is required or requested to be delivered hereunder after the Closing Date, the Bank, the Governmental Lender and the Borrower shall accept (unless otherwise directed in writing by the Governmental Lender) an opinion of Tax Counsel in such form and with such disclaimers as may be required so that such opinion will not be treated as a “covered opinion” for purposes of the Treasury Department regulations governing practice before the Internal Revenue Service (Circular 230), 31 CFR Part 10.

Section 9. Indemnification.

(a) To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Bank, the Administrator and each of their respective past, present and future officers, members of the Governmental Lender’s Board of Supervisors, directors, officials, employees and agents (collectively, the “Indemnified Parties”), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys’ fees,

litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

(i) the Funding Loan Notes, the Funding Loan Agreement, the Funding Loan, the Borrower Loan Agreement, the Borrower Loan, this Regulatory Agreement, the Other Regulatory Agreement or the execution or amendment hereof or thereof or in connection with transactions contemplated hereby or thereby, including the issuance, sale or resale of any of the Funding Loan Notes or any interest therein;

(ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees, tenants or licensees in connection with the Project or the Other Project, the operation of the Project or the Other Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or the Other Project or any part of either thereof;

(iii) any lien or charge upon payments by the Borrower to the Governmental Lender and the Bank hereunder or under the Borrower Loan Agreement, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Governmental Lender in respect of any portion of the Project or the Other Project;

(iv) any violation of the provisions of Exhibit C to the Borrower Loan Agreement;

(v) the defeasance and/or prepayment, in whole or in part, of any of the Funding Loan Notes;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in any offering statement or disclosure or continuing disclosure document for any Funding Loan Note or any of the documents relating to any Funding Loan Note, or any omission or alleged omission from any offering statement or disclosure or continuing disclosure document for any of the Funding Loan Notes of any material fact necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(vii) any declaration of taxability of interest on either of the Tax-Exempt Notes, or allegations that interest on a Tax-Exempt Notes is taxable or any regulatory audit or inquiry regarding whether interest on a Tax-Exempt Notes is taxable; or

(viii) the Bank's administration of the Borrower Loan Documents, or the exercise or performance of any of its powers or duties thereunder or under any of the Funding Loan Documents;

except (A) in the case of the foregoing indemnification of the Bank or any of its respective officers, directors, officials, employees and agents, to the extent such damages are caused by the gross negligence or willful misconduct of an Indemnified Party; or (B) in the case of the foregoing indemnification of the Governmental Lender or any of its officers, members of its Board of Supervisors, officials, employees and agents, to the extent, with respect to any such Indemnified Party, such damages are caused by the willful misconduct of the respective Indemnified Party seeking indemnification. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if in the judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

(b) The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses pursuant to Section 4A(a), this Section 9 and Section 20 shall survive the final payment or defeasance of the Funding Loan Notes and in the case of the Bank any resignation or removal. The provisions of this Section shall survive the termination of this Regulatory Agreement.

(c) Nothing contained in this Section 9 shall cause the obligation of the Borrower to pay principal and interest on the Borrower Loan or amounts owing with respect to a Borrower Note to be a recourse obligation of the Borrower.

(d) The obligations of the Borrower under this Section are independent of any other contractual obligation of the Borrower to provide indemnity to the Governmental Lender or otherwise, and the obligation of the Borrower to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Borrower. The Governmental Lender shall be entitled simultaneously to seek indemnity under this Section and any other provision under which it is entitled to indemnity.

Section 10. Consideration. The Governmental Lender has agreed to issue the Funding Loan Notes to provide funds to lend to the Borrower to finance the acquisition and construction of the Project and the Other Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and operate the Project and the Other Project. In consideration of the issuance of the Funding Loan Notes by the Governmental Lender, the Borrower has entered into this Regulatory Agreement and the Other Regulatory Agreement, and has agreed to restrict the uses to which the Project and the Other Project can be put on the terms and conditions set forth herein and in the Other Regulatory Agreement.

Section 11. Reliance. The Governmental Lender and the Borrower hereby recognize and agree that the representations and covenants set forth herein and in the Other Regulatory Agreement may be relied upon by all persons interested in the legality and validity of the Funding Loan Notes, in the exemption from State personal income taxation of interest on the Funding Loan Notes and in the Tax-Exempt status of the interest on the Tax-Exempt Notes. In performing their duties and obligations hereunder, the Governmental Lender, the Bank and the Administrator may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project and the Other Project. In addition, the Governmental Lender, the Bank and the Administrator may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender, the Bank or the Administrator hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Governmental Lender shall not be required to conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Governmental Lender or the Bank by the Borrower with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Sale or Transfer of the Project. For the Qualified Project Period, the Borrower shall not, except as provided below and in accordance with the Borrower Loan Agreement and the Deed of Trust, sell, transfer or otherwise dispose of the Project, in whole or in part, without the prior written consent of the Governmental Lender, which consent shall be given as promptly as practicable following: (A) the receipt by the Governmental Lender of evidence acceptable to the Governmental Lender that (1) the Borrower shall not be in default hereunder, under the Other Regulatory Agreement or under the Borrower Loan Agreement (which may be evidenced by a certificate of the Borrower) or the purchaser or assignee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Governmental Lender; (2) the continued operation of the Project shall comply with the provisions of this Regulatory Agreement; (3) either (a) the purchaser or assignee or its property manager has at least three years' experience in the ownership, operation and management of similar-sized rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local government requirements applicable to such projects, or (b) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project for at least one year following such transfer and during such period will provide training to the transferee and its manager in the responsibilities relating to the Low Income Units; and (4) the person or entity which is to acquire the Project does not have pending against it, and does not have a history of, building code violations or significant and material complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the purchaser or assignee of any document requested by the Governmental Lender with respect to the assumption of the Borrower's obligations under this Regulatory Agreement and the Borrower Loan Agreement, including without

limitation an instrument of assumption hereof, and delivery to the Governmental Lender of an opinion of such purchaser or assignee's counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such purchaser or assignee; (C) receipt by the Governmental Lender of an opinion of Tax Counsel addressed to the Governmental Lender and the Bank to the effect that any such sale, transfer or other disposition will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Notes; (D) receipt by the Governmental Lender and Bank of all fees and/or expenses then currently due and payable to the Governmental Lender and Bank; (E) satisfaction of such other conditions or matters as are set forth in the Borrower Loan Agreement and the Deed of Trust; (F) the Other Project shall be transferred coterminously with the transfer of the Project, to the same transferee; and (G) such other conditions are met as the Governmental Lender may reasonably impose. The Governmental Lender hereby consents to a transfer of the Project by the Borrower to its general partner or its affiliate, if the Governmental Lender receives the documents listed in the preceding sentence. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other party which requires the Borrower to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully and automatically released from its obligations hereunder to the extent such obligations have been assumed by the transferee of the Project. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 12, except that no consent of the Governmental Lender shall be required in the case of any transfer of the Project to a general partner of the Borrower or an affiliate of a general partner of the Borrower if any applicable conditions set forth in the Borrower Loan Agreement and any conditions set forth in the Security Instrument are satisfied and, in any event, the Borrower notifies the Governmental Lender in writing of any such transfer.

Notwithstanding anything contained in this Section 12 to the contrary, neither the consent of the Governmental Lender nor the delivery of items (A) through (F) of the preceding paragraph shall be required in the case of (a) the execution, delivery and recordation by Borrower of any mortgage or deed of trust encumbering all or any part of the Project, or (b) a foreclosure or deed in lieu of foreclosure by the Bank whereby the Bank or a purchaser at a foreclosure sale becomes the owner of the Project, and nothing contained in this Section 12 shall otherwise affect the right of the Bank or a purchaser at a foreclosure sale to foreclose on the Project or to accept a deed in lieu of foreclosure. The Governmental Lender's consent otherwise required by item (A) of the preceding paragraph shall not be required in connection with any purchase of the Project by a partner of the Borrower as allowed for in the Borrower's partnership agreement. In addition, the provisions of this Section 12 shall not apply to (i) the replacement of the managing general partner of the Borrower by an entity formed by or that is a subsidiary of the initial managing general partner of the Borrower, (ii) the withdrawal of any limited partner of the Borrower from its partnership, (iii) any transfer of limited partnership interests in the Borrower and the admission of a substitute limited partner, (iv) any transfer of direct or indirect interests in any limited partner of the Borrower, or (v) any transfer of interests pursuant to the provisions of the Borrower's partnership agreement as in effect from time to

time, including but not limited to the removal of a general partner of the Borrower and replacement thereof by an affiliate of a limited partner of the Borrower pursuant to the Borrower's partnership agreement; provided, however, that the Governmental Lender shall receive notice from the Borrower of any transfer of general partner interests.

For the Qualified Project Period, the Borrower shall not: (1) except pursuant to the provisions of this Regulatory Agreement, the Borrower Loan Agreement and the Security Instrument (and upon receipt by the Borrower of an opinion of Tax Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Notes), or except upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement, subordinate or encumber any of the Project or grant commercial leases (not including any laundry, cable, management office equipment, resident service (including but not limited to convenience vending, or satellite television) or similar or related leases) of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is removed is replaced with comparable property; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. Term. This Regulatory Agreement shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the payment in full of the Funding Loan Notes and discharge of the Funding Loan Agreement, the Borrower Loan Agreement and the Deed of Trust.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date that prevents the Governmental Lender and the Bank from enforcing such provisions, or condemnation, foreclosure, transfer of title by deed in lieu of foreclosure, or a similar event, but only if, within a reasonable period, either the Funding Loan Notes are fully prepaid and no further amounts are owing in respect of the Funding Loan or amounts received as a consequence of such event are used to provide a project which meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof;

provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 14. Covenants to Run With the Land. Notwithstanding Section 1461 of the California Civil Code, the Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Governmental Lender and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in interest to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. Burden and Benefit. The Governmental Lender and the Borrower hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Governmental Lender and the Borrower hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Funding Loan Notes were issued.

Section 16. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement or in the Other Regulatory Agreement, and if such default remains uncured for a period of thirty (30) days after notice thereof shall have been given by the Governmental Lender or the Bank to the Borrower (with a copy to the Equity Investor), or for a period of thirty (30) days from the date the Borrower should, with due diligence, have discovered such default, then the Governmental Lender or the Bank, acting on its own behalf or on behalf of the Governmental Lender (to the extent directed in writing by the Governmental Lender, subject to the provisions of the Funding Loan Agreement), shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within thirty (30) days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said thirty (30) days and diligently pursues such action until the default is corrected, and (ii) in the opinion of Tax Counsel, the failure to cure said default within thirty (30) days will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Notes. The Governmental Lender and the Bank shall have the right to enforce the obligations of the Borrower under this Regulatory Agreement and under the Other Regulatory Agreement within shorter periods of time than are

otherwise provided herein if necessary in the opinion of Tax Counsel to insure compliance with the Act or the Code.

Any limited partner of the Borrower shall have the right but not the obligation to cure any Event of Default, and the Governmental Lender and the Bank agree to accept any cure tendered by any such limited partner on behalf of the Borrower within any cure period specified above.

Following the declaration of an Event of Default hereunder the Governmental Lender, or the Bank may, at their respective options, take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Governmental Lender or the Bank hereunder;

- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project and the Other Project;

- (iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder;

- (iv) with the prior written consent of the Bank, which may be withheld in the Bank's sole and absolute discretion, declare a default under the Borrower Loan Agreement and (subject to any applicable cure periods set forth in the Borrower Loan Agreement) proceed with any remedies provided therein; or

- (v) order and direct the Borrower in writing to terminate the then Manager of the Project and to select a replacement Manager reasonably satisfactory to the Governmental Lender within 60 days of such written direction, and to notify the Governmental Lender in writing of the identity of the replacement Manager.

The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Governmental Lender may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

The Bank shall have the right (but no obligation), in accordance with this Section and the provisions of the Funding Loan Agreement, without the consent or approval of the Governmental Lender, to exercise any or all of the rights or remedies of the Governmental Lender hereunder; provided that prior to taking any such action the Bank shall give the Governmental Lender written notice of its intended action. After the Funding Loan Agreement has been discharged, the Governmental Lender may act on its own behalf to declare an "Event

of Default” to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Bank.

All fees, costs and expenses of the Bank and the Governmental Lender incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower.

No breach or default under this Regulatory Agreement shall defeat or render invalid the Security Instrument or any like encumbrance upon the Project or any portion of either thereof given in good faith and for value.

Section 18. References to Bank. After the date on which the Funding Loan has been paid in full, all references to the Bank in this Regulatory Agreement shall be deemed references to the Governmental Lender.

Section 19. Recording and Filing. (a) The Borrower shall cause this Regulatory Agreement, the Other Regulatory Agreement and all amendments and supplements hereto and thereto to be recorded and filed in the real property records of the County and in such other places as the Governmental Lender or the Bank may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

(b) The Borrower and the Governmental Lender will file of record such other documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Governmental Lender and the Bank, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.

(c) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person (other than in any document granting a security interest to the Bank and, provided, however, that no such assignment shall be required in connection with the transfer of the Project to the Bank by foreclosure, deed in lieu of foreclosure or comparable conversion of the Borrower Loan) to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 20. Payment of Administration Fees. Notwithstanding any prepayment of the Borrower Loan and notwithstanding a discharge of the Borrower Loan Agreement, throughout the term of this Regulatory Agreement, the Borrower shall continue to pay to the Governmental Lender its fees described in Section 4.A.(d) and in the event of default, to the Administrator, the Governmental Lender and to the Bank reasonable compensation for any services rendered by any of them hereunder and reimbursement for all expenses reasonably incurred by any of them in connection therewith.

Section 21. Governing Law. This Regulatory Agreement shall be governed by the laws of the State.

Section 22. Amendments; Waivers. (a) Except as otherwise provided in Section 8 above, this Regulatory Agreement may be amended only by a written instrument executed by the

parties hereto or their successors in title, and duly recorded in the real property records of the County, and only upon receipt by the Governmental Lender of an opinion from Tax Counsel that such amendment will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Notes and is not contrary to the provisions of the Act.

(b) Anything to the contrary contained herein notwithstanding, the Governmental Lender and the Borrower hereby agree to amend this Regulatory Agreement and the Other Regulatory Agreement to the extent required, in the opinion of Tax Counsel, in order that interest on the Tax-Exempt Notes remain Tax-Exempt. The party requesting such amendment shall notify the other party to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Tax Counsel and a request that such Tax Counsel render to the Governmental Lender an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest of the Tax-Exempt Notes. This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.

(c) Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

Section 23. Notices. Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the respective addresses set forth below or at such other addresses as may be specified in writing by the parties hereto.

The Governmental Lender, the Administrator, the Bank and the Borrower may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent. Notice shall be deemed given on the date evidenced by the postal or courier receipt or other written evidence of delivery or electronic transmission.

Section 24. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Third Party Beneficiaries; Enforcement. The Bank, the Administrator and CDLAC are intended to be and shall each be a third party beneficiary of this Regulatory Agreement. CDLAC shall have the right (but not the obligation) to enforce the CDLAC Conditions (as defined in Section 7) and to pursue an action for specific performance or other available remedy at law or in equity in accordance with Section 17 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the owner or owners of the Funding Loan Note. Pursuant to Section 52080(k) of the Act, the requirements of Section 6 may be enforced either in law or in equity by any resident, local agency, entity, or

by any other person adversely affected by the Borrower's failure to comply with the requirements of that Section.

Section 27. The Bank. The Bank shall be entitled, but shall have no duty, to act with respect to enforcement of the Borrower's performance hereunder. The Bank, either on its own behalf or as the agent of and on behalf of the Governmental Lender, may, in its sole discretion, act hereunder and any act required to be performed by the Governmental Lender as herein provided shall be deemed taken if such act is performed by the Bank. In connection with any such performance, all provisions of the Funding Loan Agreement and the Borrower Loan Agreement relating to the rights, privileges, powers and protections of the Bank shall apply with equal force and effect to all actions taken (or omitted to be taken) by the Bank in connection with this Regulatory Agreement. Neither the Bank nor any of its officers, directors or employees shall be liable for any action taken or omitted to be taken by it hereunder or in connection herewith except for its or their own negligence or willful misconduct. The Bank may consult with legal counsel selected by it (the reasonable fees of which counsel shall be paid by the Borrower) and any action taken or suffered by it reasonably and in good faith in accordance with the opinion of such counsel shall be full justification and protection to it. The Bank may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by or on behalf of the Governmental Lender, or unless it has actual knowledge of noncompliance.

After the date the Funding Loan no longer remains outstanding as provided in the Funding Loan Agreement, the Bank shall have no further rights, duties or responsibilities under this Regulatory Agreement, and all references to the Bank in this Regulatory Agreement shall be deemed references to the Governmental Lender.

Section 28. No Interference or Impairment of Loan. Notwithstanding anything herein to the contrary, (i) the occurrence of an event of default under this Regulatory Agreement shall not, under any circumstances whatsoever, be deemed or constitute a default under the Borrower Loan Documents, except as may be otherwise specified in the Borrower Loan Documents, and shall not impair, defeat or render invalid the lien of the Security Instrument and (ii) neither of the Governmental Lender nor any other person shall:

- (a) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due and payable under, the Borrower Loan;

- (b) interfere with or attempt to interfere with or influence the exercise by the Bank of any of its rights under the Borrower Loan Agreement, including, without limitation, the Bank remedial rights under the Borrower Loan Documents upon the occurrence of an event of default by the Borrower under the Borrower Loan Agreement; or

- (c) upon the occurrence of an event of default under the Borrower Loan Agreement, take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Borrower Loan, it being understood and agreed that the Governmental Lender may not, without the prior written consent of the Bank, on

account of any default under this Regulatory Agreement, seek, in any manner, to cause the Borrower Loan to become due and payable, to enforce the Borrower Loan Agreement or to foreclose on the Deed of Trust or cause the Bank to foreclose or take any other action under the Borrower Loan Documents, the Funding Loan Documents or any other documents which action would or could have the effect of achieving any one or more of the foregoing actions, events or results.

No person other than the Bank shall have the right to declare the principal balance of the Borrower Loan to be immediately due and payable or to initiate foreclosure or other like action.

The forgoing prohibitions and limitations shall not in any way limit the rights of the Governmental Lender to specifically enforce this Regulatory Agreement or to seek injunctive relief in order to provide for the operation of the Project in accordance with the requirements of the Code and the Act, and shall not be construed to limit the rights of the Governmental Lender to enforce its rights against the Borrower under the indemnification provisions of the Regulatory Agreement provided that the prosecution of a claim for indemnification shall not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, construction, composition, reorganization, conservation or other similar law in effect now or in the future.

Notwithstanding the above, the provisions of this Section 28 shall not in any way limit or alter the Governmental Lender's authority, power or activities as a governmental regulatory agency pursuant to applicable laws and regulations relating to the Project or otherwise.

Section 29. Limitation on Borrower Liability. Notwithstanding any other provision or obligation to the contrary contained in this Regulatory Agreement, and except for the Borrower's obligations under Sections 9 and 20 of this Regulatory Agreement (which are not subject to the provisions and limitations of this Section 29) (i) the liability of the Borrower under this Regulatory Agreement to any person or entity, including, but not limited to, the Bank or the Governmental Lender and their successors and assigns, is limited to the Borrower's interest in the Project and in the Other Project, the revenues therefrom, including the amount held in the funds and accounts created under the Funding Loan Agreement and the Borrower Loan Documents, or any rights of the Borrower under any guarantees relating to the Project, and such persons and entities shall look exclusively thereto, or to such other security as may from time to time be given for the payment of obligations arising out of this Regulatory Agreement or any other agreement securing the obligations of the Borrower under this Regulatory Agreement; and (ii) from and after the date of this Regulatory Agreement, no deficiency or other personal judgment, nor any order or decree of specific performance (other than pertaining to this Regulatory Agreement, any agreement pertaining to the Project or any other agreement securing the Borrower's obligations under this Regulatory Agreement), shall be rendered against the Borrower, the assets of the Borrower (other than the Borrower's interest in the Project and in the Other Project, this Regulatory Agreement, amounts held in the funds and accounts created under the Funding Loan Agreement and the Borrower Loan Documents, any rights of the Borrower under the Funding Loan Agreement and the Borrower Loan Documents or any other documents relating to the Funding Loan Note or any rights of the Borrower under any guarantees relating to the Project or the Other Project), its partners, successors, transferees

or assigns and each their respective officers, directors, employees, partners, agents, heirs and personal representatives, as the case may be, in any action or proceeding arising out of this Regulatory Agreement or the Borrower Loan Agreement or any agreement securing the obligations of the Borrower under this Regulatory Agreement, or any judgment, order or decree rendered pursuant to any such action or proceeding.

Section 30. Limited Liability. All obligations of the Governmental Lender incurred under this Regulatory Agreement shall be limited obligations, payable solely and only from Funding Loan proceeds and other amounts derived by the Governmental Lender from the Borrower Loan or otherwise under the Borrower Loan Agreement.

Section 31. Conflict With Other Affordability Agreements. In the event of any conflict between the provisions of this Regulatory Agreement and any agreement referenced in Section 3(e)(iii) hereof, the provisions providing for the most affordable units, with the most affordability, in the Project shall prevail, so long as at all times the requirements of Section 2, 3, 4, 4A, 6 and 7 of this Regulatory Agreement are in any event satisfied. Notwithstanding the foregoing, a breach or default under any agreement referenced in Section 3(e)(iii) hereof shall not, in itself, constitute a breach or a default under this Regulatory Agreement.

IN WITNESS WHEREOF, the Governmental Lender and the Borrower have executed this Regulatory Agreement by duly authorized representatives, all as of the date first above written.
