Resolution No. 2018/41

IN THE MATTER OF ESTABLISHING PERFORMANCE BOND REQUIREMENTS UNDER CHAPTER 418-2 OF THE CONTRA COSTA COUNTY ORDINANCE CODE

WHEREAS, Section 418-2.018, subdivision (a), of the Contra Costa County Ordinance Code requires a non-franchise solid waste collection and transport permittee to file and maintain a performance bond with the County in a type and amount set by the Board by resolution; and

WHEREAS, the Internal Operations Committee has recommended the bond amount be set at \$20,000 based on an Environmental Health Division staff report; and

WHEREAS, the Board deliberated and determined that the recommended bond amount was too low and should be increased to \$50,000;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The performance bond will be a license and permit bond issued in the name of the permittee, as principal, in favor of Contra Costa County, in the minimum amount of \$50,000.
2. The bond will provide that the surety will become liable if the principal fails to comply with a provision of Chapter 418-2 of the Contra Costa County Ordinance Code or a condition of a permit issued to the principal thereunder.
3. The bond will be in substantially the form attached hereto as Exhibit A or other form consistent with this resolution and approved by the County Administrator.
