Hi Julie

I received the following agenda update and noted that the East Contra County Fire District position was being reconsidered on February 12. I noticed that my education is incorrect in the application, likely from some error on my part. I wanted to clarify I have a BS in Accountancy from San Diego State University and an MPA from Cal State University, Long Beach. I do not have an MBA. Sorry for any miscommunication. If you need me to attend this meeting, please let me know.

*Thank You,*
