Resolution No. 2019/201

WHEREAS, Dr. Colleen Dowd has served at Walnut Acres Elementary School in Walnut Creek for eleven years; and

WHEREAS, her goal has been to motivate students, build a growth mindset, teach design-thinking, infuse technology to support innovation, and encourage students to own their own learning now and as life-long learners; and

WHEREAS, maintaining a creative arts program in the areas of visual, dramatic, and musical arts is part of that effort; and

WHEREAS, Dr. Dowd and Walnut Acres promote content mastery, collaboration, communication, global citizenship, critical thinking and creativity through instructional strategies that support cognitive and social emotional growth; and

WHEREAS, Dr. Dowd has encouraged and supported parents to be a partner in their children's education; and

WHEREAS, Dr. Dowd has worked with teachers and parents to best support student learning; and

WHEREAS, her goal has been to provide each of her students with a foundation of academic and social confidence in their basic skills and their ability to tackle new learning; and

WHEREAS, Dr. Dowd encourages students to celebrate their uniqueness while appreciating the differences of others who share their community in our neighborhood and across the globe; and
