RE: Scott Konopasek's Candidacy for County Clerk-Recorder Appointment

Dear Members of the Board,

I am writing in support of your consideration of Scott Konopasek for appointment as County Clerk-Recorder-Registrar. I am a resident of Alameda County, but my wife wants to move to Contra Costa next year when our son graduates from high school. In short, I believe Mr. Konopasek would be an excellent choice for this position.

I have known Mr. Konopasek since 2004 in connection with my company's work in Elections Services. In recent years we have worked with him and his team in the Contra Costa Elections Division to produce and distribute Voter Information Guides to the voters of Contra Costa.

In my observations, Mr. Konopasek has been an effective and dedicated public servant. He has built a team in the Elections Division that deals with the deadlines and pressures of the elections as well as any county I know. Under his leadership, the County reengineered its process for complying with the California Elections Code mandate to distribute election information to voters. We have produced Voter Information Guides for many counties over many years, but I can honestly say that I have never seen a county establish such high level of performance so quickly in reengineering their process. I believe Scott is the principal driver in that success.

The County would be well served with Mr. Konopasek as its County Clerk-Recorder-Registrar.

Sincerely,

Re: Kristin Braun Connelly for Clerk-Recorder

Dear Supervisors, Gioia, Anderson, Mitchoff, Burgis and Glover,

I write to express my strong support for Kristin Braun Connelly's application for the position of Contra Costa County Clerk Recorder. Kristin has had a long-standing commitment to ensuring fair and accessible elections, public service and professional non-partisanship. Additionally, as a Contra Costa native who has lived here much of her life, Kristin's knowledge of every part of the county and its challenges will be a critical asset to the Clerk-Recorder position.

I have known Kristin since she returned home to Contra Costa County from New York City. I have worked with her in my professional capacities in the Government Relations Departments of Safeway Inc. and Kaiser Permanente. I am ever impressed with her intelligence; commitment to understanding and learning critical issues; pursuit of fairness and equity; and, advocacy.

Kristin has had a long-standing commitment to public service. She served on the Board of Trustees of the Lafayette Library and Learning Center Foundation and is currently a member of the Governing Board of the Acalanes Union High School District. Also, she is a member of the Workforce Development Board of Contra Costa County.

Kristin has had a decades-long interest and professional experience supporting fair and accessible elections. In New York, she worked for the Brennan Center for Social Justice, the Election Protection Coalition and Citizens Union. Upon returning to California, Kristin worked for California Forward on governance reform. All of her work and advocacy has been non-partisan, which is critically important for the Clerk-Recorder.

Kristin is exactly the kind of person Contra Costa County needs as its Clerk-Recorder at this important time in our nation's history. I cannot think of a smarter, more competent, non-partisan person to tackle the challenges of election security, disenfranchisement and civic engagement. I urge you to select her as our county's Clerk-Recorder.

Sincerely,

Rachel Zenner Kane

Ms. Napier,

I want to encourage the Supervisors to appoint Scott Rafferty for the Registrar of Voters. There is no other candidate that is better qualified. He has the knowledge of election law, having graduated from Yale Law School. He has the experience, having worked to protect voters in many counties and states. He is concerned with "money in politics" and will seek to bring light to campaign disclosures. He is an experienced manager who will include staff in decision-making.

I have first hand experience of his sincere pursuit of voter protection. Several years ago there was a report of a person illegally prohibiting people from receiving the proper ballots at a polling station in a retirement home. I went there to investigate only to find Mr. Rafferty already there handling the situation.

Knowledge, experience, integrity, leadership are the qualifications Mr. Rafferty excels in. Please help appoint Scott Rafferty as Registrar of Voters.

Best,

Brodie Hilp

Dear Chair Anderson and Board of Supervisor,

I am happy to announce Lift Up Contra Costa Action's official endorsement for Mark Friedman for County Clerk-Recorder.

Our coalition represents a wide range of organization and union partners who work to ensure every resident of Contra Costa has an opportunity to thrive. As a coalition that is dedicated to fair and inclusive elections we are deeply interested in a Clerk-Recorder Department that is led by integrity and transparency. Therefore, we offered a questionnaire to the 22 applicants who applied for this position. We inquired on the applicants plan to restore trust in this crucial office and their commitment to ensuring all eligible voters engage in our local elections.

Our coalition was encouraged by Mark Friendman's answers. He demonstrated an understanding of the scope and importance of the County Clerk-Recorder position. His knowledge of county history and his stellar reputation as a former elected create confidence in his leadership. His career at First 5 in Alameda County has given him the knowledge and experience in managing large budgets and staff. We are truly excited by the opportunity for Mr. Friedman to lead this crucial department.

If you have any questions regarding our coalition's endorsement, please feel free to contact me directly at [jjollett@liftupcocoaction.org](mailto:jjollett@liftupcocoaction.org).

Thank you so much for your time,

Dear Supervisors:

I received a call from Dolores Huerta's son tonight. His mother had heard that you are deciding on finalists tomorrow. She asked that I relate her endorsement of my application for your appointment as Contra Costa's Clerk-Recorder.

95% of our county's Latinos are citizens when they turn 18. Every year, our county gains 5000 more Latino voters. As your registrar, I will ensure that our elections office engages them in our political life so that the next generation of leaders can be fully representative of our county's diversity. The decision of many of our jurisdictions to move to district elections has not only given Latinos a more equal voice, it has made elections more competitive to the benefit of all voters. By respecting the equality of our Latino citizens, we also bring their households and communities out of the shadows and ensure that they are fully counted on April 1.

Ms. Huerta knows that I made sure that every vote from Delano and Macfarland counted in the 2018 election, without regard to ethnicity or party. She knows that I will be an ally of our Secretary of State in making sure that reforms intended to increase turnout and campaign disclosure work at both the state and county level. If and when you approve a transition to Voter's Choice, I will lead our well-qualified staff in making it work for all citizens, including those with limited mobility, language preferences, the homeless and every single citizen awaiting trial or otherwise incarcerated but eligible to vote. Our county office will be a nonpartisan presence welcoming new voters at every naturalization ceremony in the Bay Area. If appointed, I will make her - and each of you - proud of the trust you have placed in me.

I realize that you have many candidates, including some with very particular qualifications. I have a commitment to impartiality, knowledge of election law and practice, and the experience in managing organizational change to grow the office's staff and to make Contra Costa a model for increasing participation and improving campaign disclosure. Please include me in the next round of your consideration.

Scott Rafferty

Dear Contra Costa Board of Supervisors:

I am writing in support to Catharine Baker in her application for Contra Costa County Clerk Recorder position.

Catharine has practiced election laws for 15 years, as an award winning attorney with a heavy emphasis on the operation of county registrar offices. She also has advised many political candidates, non-profit organizations in county registrar offices in the bay area.

Catharine has also a vested tie in Contra Costa County. She has represented the Contra Costa and Alameda County that she serves as the State Assemblywoman in District 16. She was one of the most dedicated public servants I have seen and worked on many issues that the CC county residents faced day in and day out. She has also been active in the community leading various non-profit organizations serving the contra costa county, such as Diablo Regional Arts Association.

She is also ideal because of her independence of partisan influence. Her bi-partisanship has long been recognized and praised. She has also gained much support in her legislatures as well as from her peers.

With her extensive experience and credential, her contribution and vested tie to many communities across the contra costa county, I strongly support Catharine Baker as the ideal candidate for Contra Costa County Clerk Recorder position.

Sincerely,

Margaret Liang

Dear Board of Supervisors,

My name is Jay Yao. I am currently a member of the Open Space Advisory Committee of San Ramon.

While Catharine Baker was the Assemblywoman representing district 16, I had a few opportunities to join her walk-and-talk town halls in the open spaces, where she led walks in the open space while discussing environment related legislative issues. As an open space advocate, I was impressed with her creative approach to reach out to the voters, listen to them and educate them.

I support Catharine's application to be the Contra Costa Clerk Recorder.

Sincerely,

Jay Yao

Honorable County Supervisors,

As an active voter living in San Ramon while working in NASA Ames research center, I am writing this letter to strongly recommend Catharine Baker for the county Clerk-Recorder position. The first time I met her was in 2014, at a fundraising party held by a family in our neighborhood. Since then, she has earned my continuous support in several campaigns. Catharine has impressive memory, clear mindset, long time experience as a lawyer and later record as an elected assemblywoman, and the proficient understanding of state and local issues. People were surprised by how she got things done through collaborations in Sacramento. That says, you will agree that Catharine is fully capable for the position.

However, my support and recommendation are mainly based on the simple fact that Catharine has been actively listening and responding to our community and voters, sincerely. From 2014 to 2018, those town-hall meetings I attended, the survey cards we received at home, to the timely alerts she sent on sensitive issues, and the bill to keep more UC seats for California kids, etc. they all mean something I keep seeing in Catharine. That will make her a great Clerk-Recorder for our county & residents.

Please appoint Catharine as our new County Clerk-Recorder. Thank you!

Best regards,
