CANDACE ANDERSEN, VICE CHAIR, 2ND DISTRICT
DIANE BURGIS, 3RD DISTRICT
KAREN MITCHOFF, 4TH DISTRICT
FEDERAL D. GLOVER, 5TH DISTRICT

DAVID J. TWA, CLERK OF THE BOARD AND COUNTY ADMINISTRATOR, (925) 335-1900

PERSONS WHO WISH TO ADDRESS THE BOARD DURING PUBLIC COMMENT OR WITH RESPECT TO AN ITEM THAT IS ON THE AGENDA, MAY BE LIMITED TO TWO (2) MINUTES.
A LUNCH BREAK MAY BE CALLED AT THE DISCRETION OF THE BOARD CHAIR.

The Board of Supervisors respects your time, and every attempt is made to accurately estimate when an item may be heard by the Board. All times specified for items on the Board of Supervisors agenda are approximate. Items may be heard later than indicated depending on the business of the day. Your patience is appreciated.

ANNOTATED AGENDA & MINUTES
July 28, 2020

8:30 A.M. Convene, call to order and opening ceremonies.

Inspirational Thought- *"The best way to cheer yourself is to try to cheer someone else up."* ~ Mark Twain

Present: John Gioia, District I Supervisor; Candace Andersen, District II Supervisor; Diane Burgis, District III Supervisor; Karen Mitchoff, District IV Supervisor; Federal D. Glover, District V Supervisor

Staff Present: David Twa, County Administrator
Sharon Anderson, County Counsel

CONSIDER CONSENT ITEMS (Items listed as C.1 through C.79 on the following agenda) – Items are subject to removal from Consent Calendar by request of any Supervisor or on request for discussion by a member of the public. **Items removed from the Consent Calendar will be considered with the Discussion Items.**

DISCUSSION ITEMS

D. 1 CONSIDER Consent Items previously removed.

Item C.21 was removed for discussion and subsequently adopted with Supervisor Andersen registering a no vote on support for Propositions 15 and 25.

D. 2 PUBLIC COMMENT (1 Minute/Speaker)

Speakers: Elsie Mills, resident of Concord, encouraged the Board to invest in housing, health care, mental health services, substance abuse treatment programs, workplace development programs and other vital services, to support the black and brown communities. She supports a closure of juvenile hall and the retention of the Orin Allen Youth facility;

Delilah Jacob Friedler, resident of Danville recommends changes in the \$10 million proposed for the Sheriff's payroll and investment of those funds into the community; Jennifer Huber, resident of Contra Costa, objects to increases in the Sheriff's budget, the purchase of military weapons and armed vehicles and says she and many others have little trust in the Sheriff; Melvin Willis, Richmond City Council, noted that many relate stories of trauma from dealings with the Sheriff's Department and that the jail facility is not rehabilitative. He recommends closure of juvenile hall and investment in vital services; Stephanie Barr, resident of Danville, also supports increased funding for vital services and no increase of the Sheriff's budget; Kate Collins, resident of Martinez, opposes increasing the Sheriff's budget and any proposed closure of the Orin Allen Youth Facility. She recommends closure of juvenile hall; Randy Bullets, supports existing levels of funding for the Sheriff and encourages a possible increase specifically to address training on handling

of domestic violence interventions. He is concerned at the current state of the country and suspects that Black Lives Matter, Antifa and possibly MS-13 are receiving funding from communist sources; Tonisha Walken, resident of Antioch, spoke in favor of keeping the Orin Allen Youth facility operating, closing Juvenile Hall, and informed the Board that the area had just lost the services of CoCo Lead, leaving the east bay area underserved for those who need mental health and substance abuse program services. She urges services to be provided in the communities in which the residents live; Dan Kelly requested the Board consider adopting an ordinance to rename Kirker Pass Road, noting that the road was named in 1892 after an early settler who proclaimed to have murdered 487 men, women and children and selling their scalps; Rose Barreto, resident of Walnut Creek, is in favor of lessening the funding for the Sheriff's Department and reallocating the funds to social service needs in the community. She encourages a complete rethinking of public safety; Catherine Wally, resident of Walnut Creek spoke on her concern for the continued practice of incarcerating children in a system that does not rehabilitate them and sets them up for failure. She encourages the closure of Juvenile Hall and the reinvestment of those funds into alternatives and making substantial investments in education;

Resident, opposes any defunding of the Sheriff's Department;

Michael Kerr, Oscar Grant Committe, states that our priority is rehabilitate youth and notes great successes from the Orin Allen Youth Facility;

Resident, feels the proposal to close the Orin Allen Youth Facility is a desire by the Sheriff to sell the land it is on, and is wholeheartedly in support of the ranch and diversion programs.

Chair Andersen notes for information purposes that the Sheriff has no operational or decision making authority over the Orin Allen Youth Facility (aka Boys Ranch), which is run by the Probation Department.

D.3 CONSIDER introducing Ordinance No. 2020-22, establishing a general Countywide 0.5% transactions and use tax (sales tax), waive reading, and fix August 4, 2020, for passage of the ordinance and adoption of a resolution calling an election to submit the sales tax ordinance to the voters on November 3, 2020. (Supervisor Gioia)

Speakers in support: No Name; Gabriel Lemus, President of Local 21,; Melody Howe Weintraub, Multi-Faith Action Coalition; Dan Geiger, Budget Justice Coalition; Josh Anijar, Contra Costa Central Labor Council; Alex Zobel, resident of Richmond; Tom Powers, American Medical Response; Donald Lang, resident of Pittsburg; Elsie Mills, resident of Concord; Marianne Moore, Ensuring Opportunity Campaign; Melvin Willis, City of Richmond; Jan Warren, Walnut Creek resident. Speakers in opposition: Debra Thompson; Randy, resident of Pleasant Hill; Resident of Contra Costa; Resident of Contra Costa. INTRODUCED Ordinance No. 2020-22, establishing a general Countywide 0.5% transactions and use tax (sales tax) for a 20 year term; WAIVED reading; and FIXED August 4, 2020, for passage of the ordinance and adoption of a resolution calling an election to submit the sales tax ordinance to the voters on November 3, 2020.

9:30 A.M.

D.4 CONVENE a community forum regarding the provision of access of certain individuals to the federal Immigration and Customs Enforcement Agency, pursuant to Government Code section 7283.1(d). (Timothy Ewell, Chief Assistant County Administrator)

Written commentary was provided by (attached): William Colin-Richardson, Central County Regional Group; Efgenia Bravo, Central County Regional Group; Connie Chiba, resident of Moraga; Hector Malvido, Ensuring Opportunity Campaign; Nicole Zapata, resident of Walnut Creek; Daniel Safran, resident of Pleasant Hill; Debra Ballinger, Executive Director of Monument Impact; Carmen Chang, resident of North Hollywood; Jennifer Morales, Monument Impact; Gabby Lazzaretti, resident of Martinez; Linda Olvera, Freedom for Immigrants, Contra Costa Immigrant Rights Alliance; Tania Pulido, resident of Richmond; Deborah Donovan, resident of Pleasant Hill; Jeanette McKillop, resident of Walnut Creek; Linda Russell, resident of Pleasant Hill; Wayne and Helen Reznick, residents of Clayton; Marianne Callahan, resident of Concord; Meg Keeley, resident of Walnut Creek; Nancy Moran, resident of Walnut Creek; Sally Edgerton, resident of Walnut Creek; Emily Hampshire, resident of Walnut Creek; Elizabeth Copley, resident of Walnut Creek; Lynne White, resident of Concord; Sheli Cryderman, resident of Concord; Rose Barreto, resident of Contra Costa; Elsie Mills, Showing Up for Racial Justice; Liz Miller, resident of Danville.

Chair Andersen noted that language translation services in other languages were offered and no requests were received.

Tim Ewell, Deputy County Administrator, noted that a period for written public comment was provided. As of the publishing date of the agenda, none were received. Seven comments were received subsequent to that and uploaded to the agenda system online. Additional communications received will be included in the minutes of the meeting.

Today's presentations have been provided in Spanish as well as English. Contra Costa Television, Department of Information Technology and the interpreter service have worked to make the streaming broadcast of this meeting interpreted simultaneously into Spanish in real time, available via a link on the county website. Additionally there is closed caption service in Spanish. The real-time webcast is live on YouTube.

CONVENED the community forum; by unanimous vote, ACCEPTED into the record public commentary and a spanish translation received after the publication of the agenda; Received staff report from the Chief Assistant County Administrator; RECEIVED the presentation from Asian Americans Advancing Justice - Asian Law Caucus; and RECEIVED a report from the Sheriff-Coroner.

D.5 HEARING to consider adoption of Resolution No. 2020/201 to approve the Capital Road Improvement and Preservation Program for fiscal year 2020/2021 through 2026/2027, as recommended by the Transportation, Water and Infrastructure Committee, Countywide. (No fiscal impact) (Nancy Wein, Public Works Department)

AYE: District I Supervisor John Gioia, District II Supervisor Candace Andersen, District III Supervisor Diane Burgis, District IV Supervisor Karen Mitchoff, District V Supervisor Federal D. Glover

D.6 CONSIDER adopting Ordinance No. 2020-21, an urgency ordinance establishing administrative fines for violations of public health orders pertaining to the COVID-19 pandemic. (Randy Sawyer, Deputy Health Services Director)

Speakers: Karen, resident of Contra Costa; Shawna Gavin, Brentwood; Daniel, resident of Concord; Savanna Sharp; Dave Sutton; Nora, resident of Antioch; Danielle Besema, resident of Concord; County Resident; County Resident (2); Debra Thompson; County Resident (3); County Resident (4); Resident of Pinole; Edith Halderen, resident of Richmond; California resident; Denise Pursche; County Resident (5); Barry, resident of Contra Costa.

AYE: District I Supervisor John Gioia, District II Supervisor Candace Andersen, District III Supervisor Diane Burgis, District IV Supervisor Karen Mitchoff, District V Supervisor Federal D. Glover

D.7 CONSIDER update on COVID 19; and PROVIDE direction to staff.

1. Health Department - Anna Roth, Director and Dr. Farnitano, Health Officer

As of today the state of California is reporting 466,550 confirmed cases of Covid-19, with 8800 deaths. Contra Costa County currently has 7304 CASES, an increase of 1886 cases in two weeks. Sadly, we have lost 108 people to the virus. Intensive Care Unit (ICU) utilization is at 74% of which 40 of the beds are Covid-19 cases. Of the 931 people in the hospital, 105 are Covid-19 cases. The state has implemented a monitoring list for counties using various metrics, such as increase in active cases or number of hospitalizations. Contra Costa has on the monitoring list since July 9th because of the percentage of people testing positive. On July 18, 2020 there were 189 cases positive per 100,000 people. As of yesterday it was 109 per 100,000. So from slightly over 8% decreasing to just under 8%. The goal is 5% or lower. Contra Costa has a total of 1600 hospital beds with a surge plan in place. We have 4 people hospitalized in our county who are residents elsewhere, and 16 Contra Costa residents in a different county's hospital. Not all hospitals have been reporting consistently so those numbers may be higher. Approximately 70% of the fatalities have been amongst those who are living in long-term care facilities, most of whom have been quarantined since March. This is a clear indicator of community spread – the virus is coming in to them, they have not been outside. We are working diligently to prevent the spread in these facilities but we know there is very high risk as long as community spread is happening. The County is currently following 27 outbreaks in those type of facilities. Statistics indicate the virus is still disproportionately impacting low-income communities, and communities of color. The data on the County website is being refined to be more clear. Neo-natal ICU beds cannot be converted for adult use so those will be removed from the count of ICU beds available. On July 15th the Federal Government mandated that the hospital data that historically been reported to the CDC is now being reported to the National Health and Human Services. This has resulted in reporting delays and tracking of hospitalizations. Therefore some of the data points and graphs on our website have not been updated. It is not known how long this transition will impact our data. As reflected nationwide, the County is struggling to get testing results back in a timely manner. At this time it can take as long as two weeks or longer to receive the results, especially those in the asymptomatic category. The County's public health lab can process a small number of tests with rapid turnaround for hospital patients with symptoms but that is only a fraction of the testing that is needed. Slow testing has become a nationwide crisis that hampers containment of the virus and contact tracing efforts. This is mostly a result of a nationwide surge in cases as well as a local surge. The County has been relying heavily on large commercial labs and the massive surge in testing demands from Arizona, Texas and Florida are impacting their ability to serve our local area. Another challenge to testing is still shortages of supplies such as reagents to complete the tests. The shelter in place in March and April was quite effective in flattening the curve, of flattening the curve. But that came at tremendous cost. No one wants to return to that so we are focusing our strategy on social distancing, hand washing, masking, and protocols for businesses to prevent spread. Those measures are paired with aggressive testing and quarantine to break the chain of transmission. To meet the increased demand for testing and faster turnaround for results, some contracts for additional labs will be placed on next week's Board agenda and more in later weeks. Additionally Health Services is seeking to increase the salary level for our lab scientists to be more successful in filling the vacant positions so the County can perform multiple test runs per day. The Department is also seeking to purchase more testing machines in a highly competitive market. Contra Costa is now testing above its target of two people per thousand but still needs faster results returns. The County is working with the state on rapid-result tests but Dr. Farnitano cautions that the results of that type of test are not as reliable. All the partner hospitals are experiencing the same difficulties in supplies, equipment to process the tests, and slow delivery of results.

Pool testing is being examined, but each machine for that has to be FDA approved. Regarding treatment, there is no good evidence that there are several that are effective in treating people with Covid-19, especially those who are hospitalized and very ill. The death rate of the infected is dropping from 5 to 8 percent in the early days of the pandemic to between 1 to 3 percent currently. The drug Remdesivir has shown good results but is still in very short supply. A second drug called Dexamethazone has also shown clear benefit to those very sick with the virus and is a generic steroid drug that has been in existence for many years. For those with very mild illness it is not recommended. Many techniques are in use including the use of blood thinners and rotating patients onto their stomachs to improve fluid balance. Dr. Farnitano notes that the random trials of hydroxychloroquine have stopped. The drug is NOT effective in treating Covid-19. No benefit has been shown from the drugs hydroxychloroquine or Zithromycin and the side effects may be harmful. Contra Costa County is on the state monitoring list. Schools in monitored counties are mandated to do distance learning and not do in-classroom leaning while on the list and at least two weeks after they fall off the list. Our local schools will be using distance learning. The state did mention they were going to set up a waiver process where elementary schools, defined as Kindergarten through 5th grade, could potentially apply for a waiver. If that waiver had the support of the local school superintendent, the local teachers union or teachers and parent organization and the support of the local health offer they may be able resume in-person activity. That process is still being worked on at the state level. The state has promised a checklist that may be available as soon as next week. Much depends on improved testing result capability in light of possible outbreaks. Everyone wants the children to be able to safely return to school. The best way to get the children back in school is to slow the spread!

D. 8 CONSIDER reports of Board members.

The Board took a moment to reflect on the passing of Georgia Senator John Lewis, civil rights activist.

Closed Session

A. CONFERENCE WITH LABOR NEGOTIATORS (Gov. Code § 54957.6)

1. Agency Negotiators: David Twa and Richard Bolanos.

Employee Organizations: Public Employees Union, Local 1; AFSCME Locals 512 and 2700; California Nurses Assn.; SEIU Locals 1021 and 2015; District Attorney Investigators' Assn.; Deputy Sheriffs Assn.; United Prof. Firefighters I.A.F.F., Local 1230; Physicians' & Dentists' Org. of Contra Costa; Western Council of Engineers; United Chief Officers Assn.; Contra Costa County Defenders Assn.; Contra Costa County Deputy District Attorneys' Assn.; Prof. & Tech. Engineers IFPTE, Local 21; and Teamsters Local 856.

2. Agency Negotiators: David Twa.

GENERAL INFORMATION

The Board meets in all its capacities pursuant to Ordinance Code Section 24-2.402, including as the Housing Authority and the Successor Agency to the Redevelopment Agency. Persons who wish to address the Board should complete the form provided for that purpose and furnish a copy of any written statement to the Clerk.

Any disclosable public records related to an open session item on a regular meeting agenda and distributed by the Clerk of the Board to a majority of the members of the Board of Supervisors less than 72 hours prior to that meeting are available for public inspection at 651 Pine Street, First Floor, Room 106, Martinez, CA 94553, during normal business hours.

All matters listed under CONSENT ITEMS are considered by the Board to be routine and will be enacted by one motion. There will be no separate discussion of these items unless requested by a member of the Board or a member of the public prior to the time the Board votes on the motion to adopt.

Persons who wish to speak on matters set for PUBLIC HEARINGS will be heard when the Chair calls for comments from those persons who are in support thereof or in opposition thereto. After persons have spoken, the hearing is closed and the matter is subject to discussion and action by the Board. Comments on matters listed on the agenda or otherwise within the purview of the Board of Supervisors can be submitted to the office of the Clerk of the Board via mail: Board of Supervisors, 651 Pine Street Room 106, Martinez, CA 94553; by fax: 925-335-1913.

The County will provide reasonable accommodations for persons with disabilities planning to attend Board meetings who contact the Clerk of the Board at least 24 hours before the meeting, at (925) 335-1900; TDD (925) 335-1915. An assistive listening device is available from the Clerk, Room 106.

Copies of recordings of all or portions of a Board meeting may be purchased from the Clerk of the Board. Please telephone the Office of the Clerk of the Board, (925) 335-1900, to make the necessary arrangements.

Forms are available to anyone desiring to submit an inspirational thought nomination for inclusion on the Board Agenda. Forms may be obtained at the Office of the County Administrator or Office of the Clerk of the Board, 651 Pine Street, Martinez, California.

Applications for personal subscriptions to the weekly Board Agenda may be obtained by calling the Office of the Clerk of the Board, (925) 335-1900. The weekly agenda may also be viewed on the County's Internet Web Page:

www.co.contra-costa.ca.us

Glossary of Acronyms, Abbreviations, and other Terms (in alphabetical order):

Contra Costa County has a policy of making limited use of acronyms, abbreviations, and industry-specific language in its Board of Supervisors meetings and written materials. Following is a list of commonly used language that may appear in oral presentations and written materials associated with Board meetings:

- AB** Assembly Bill
- ABAG** Association of Bay Area Governments
- ACA** Assembly Constitutional Amendment
- ADA** Americans with Disabilities Act of 1990
- AFSCME** American Federation of State County and Municipal Employees
- AICP** American Institute of Certified Planners
- AIDS** Acquired Immunodeficiency Syndrome
- ALUC** Airport Land Use Commission
- AOD** Alcohol and Other Drugs
- ARRA** American Recovery & Reinvestment Act of 2009
- BAAQMD** Bay Area Air Quality Management District
- BART** Bay Area Rapid Transit District
- BayRICS** Bay Area Regional Interoperable Communications System

To: Board of Supervisors
From: John Gioia, District I Supervisor
Date: July 28, 2020

Subject: INTRODUCTION OF ORDINANCE 20-22 RELATED TO A COUNTYWIDE 0.5% TRANSACTIONS AND USE TAX

RECOMMENDATION(S):

INTRODUCE Ordinance No. 2020-22, establishing a general Countywide 0.5% transactions and use tax (sales tax); WAIVE reading; and FIX August 4, 2020, for passage of the ordinance and adoption of a resolution calling an election to submit the sales tax ordinance to the voters on November 3, 2020.

FISCAL IMPACT:

Up to \$1,000,000 for printing of ballots, including analysis, arguments and other text translated into multiple languages. In addition, the County previously provided \$10,000 towards a poll to gauge community interest in a transactions and use tax measure in partnership with community based organizations and labor partners.

BACKGROUND:

At the November 4, 2019 meeting of the Finance Committee of the Board of Supervisors, committee members Gioia and Mitchoff discussed the formulation of a Potential Sales Tax Measure Ad Hoc Committee and considered input from staff and community members. The Ad Hoc Committee was tasked with activating a larger, self-identified working group consisting of representatives of Community-Based Organizations, Labor Organizations, and members of the public (collectively the "Working Group) charged with the development and formulation of a Needs Assessment. All willing participants were invited to attend and participate.

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: , Deputy

cc: Hon. Deborah Cooper, Clerk-Recorder

BACKGROUND: (CONT'D)

>

The first meeting of the Ad Hoc committee occurred on November 18, 2019. At this meeting, Supervisors Gioia and Mitchoff directed staff to work with the California Department of Tax and Fee Administration (CDTFA) on the logistics of listing a ballot measure and setting up collection contracts. Staff also was directed to forward to the full Board of Supervisors the Committee's recommendation to begin discussions with County lobbyists regarding special legislation required to list a measure on the ballot. Additionally, staff was directed to forward to the Board the recommendation to acknowledge that the Governor would need to sign said special legislation. The Ad Hoc committee concluded by directing district staff members Chris Wikler (Supervisor Mitchoff's office) and Sonia Bustamante (Supervisor Gioia's office) to staff the Working Group.

The Working Group convened for its first meeting on December 2, 2019. At that meeting, Mariana Moore of the Ensuring Opportunity Campaign & Josh Anijar of the Contra Costa Central Labor Council were selected by those in attendance to serve as co-chairs of the working group. The Working Group began to identify top-line vision statements and values to guide the creation of a Needs Assessment report, as well as form smaller sub-groups to study specific issues and matters relative to the larger goal of a general sales tax for County services.

The Working Group subsequently met on five occasions over the months of December 2019, January 2020 and February 2020. Members worked to distill and clarify the underserved needs of the County and identified several thematic areas: health and emergency services, safety net services, housing, and early childhood services. The group also retained Jim Ross of Telegraph LLC, a communications firm, to advise the Working Group and assist with the formulation of the Needs Assessment Report. Mr. Ross' services along with a poll of likely voters on a potential general services sales tax conducted by pollsters FM3 were funded by labor unions and CBOs who participated in the Working Group process.

On April 8th, Senator Steve Glazer amended Senate Bill 1349 to include language providing relief to the County and cities within the County for future transaction and use tax measures. The bill was immediately referred to the Senate Governance and Finance Committee. The Senate Governance and Finance Committee hearing on SB 1349 was scheduled for Thursday, May 21st. Supervisor Gioia along with Concord Mayor Tim McGallian testified in support of the measure at the Senate committee meeting on May 21st. Additionally, Chief Assistant County Administrator Tim Ewell and Concord City Manager Valerie Barone have coordinated with cities in the County to collect letters of support for the bill. Currently, letters of support have been received by the cities of Concord, Danville, Lafayette, Pittsburg, San Ramon, Orinda and the Contra Costa Transportation Authority. In addition, the California Labor Federation, California Professional Firefighters, California Teamsters Public Affairs Council, SEIU California, IFPTE Local 21 and Office and Professional Employees International Union Local 29 have all provided letters of support as well.

The Potential Sales Tax Measure Ad Hoc Committee convened a meeting via video teleconference on May 13th to receive the finalized Needs Assessment Report from the Working Group and provide direction to staff. Supervisor Mitchoff noted the need for additional polling to determine the viability of the measure, as well as her perspective that public safety should be a part of any ballot measure in November. Supervisor Gioia agreed that there needs to be additional polling and suggested that the co-chairs could bring further polling recommendations when presenting the Needs Assessment to the Board of Supervisors. Supervisors Mitchoff and Gioia agreed to direct staff to forward the Needs Assessment Report to the full Board of Supervisors, for consideration and direction to staff on next steps regarding the Potential County-wide General Sales Tax measure at the May 26th meeting of the Board of Supervisors.

On May 26th, the Board received an update on the status of Senate Bill 1349 and a presentation of the Needs Assessment assembled by the Working Group. At that time, Senate Bill 1349 had been heard in the Senate Governance and Finance Committee the previous week, but was ultimately scheduled for reconsideration by the Committee due to a procedural issue on May 28th. The Committee authorized the reconsideration and ultimately voted the bill out of Committee on June 3rd. The bill was passed on the Senate Floor on June 11th and has been sent to the Assembly Local Government Committee for consideration. In addition, after receiving a report on the Needs Assessment, the Board directed the Working Group to return in mid-June with additional information about a second poll, including the number of people to be polled, the type of questions to be asked and the cost estimate.

On June 16th, the Board authorized a cost share of \$10,000 from the County to assist in polling the community regarding the potential sales tax measure.

On July 14th, the Board received the results of polling, which showed that a transactions and use tax would likely be successful if listed on the November 2020 General Election ballot. The Board subsequently directed County Counsel to draft a transactions and use tax ordinance for introduction on the July 28th agenda, which includes language stating that the ordinance is only to be placed on the November 2020 ballot if the Legislature and the Governor approve Senate Bill 1349 no later than August 24th.

Today's action introduces the transactions and use tax ordinance and requests that the Board fix adoption of the ordinance and related resolution calling for the election for the August 4th regular meeting of the Board. Staff has worked with the California Department of Tax and Fee Administration (previously the California Board of Equalization) to draft the ordinance using template language for general transactions and use taxes across the state with the exception of the language related to Senate Bill 1349 discussed above. Should the ballot measure be successful, the CDTFA requires the County to enter into a contract for collection and allocation of the tax receipts no later than April 1, 2021.

In addition, attached is a draft resolution designating the County Registrar of Voters as the election official and directing that the ordinance be presented to the voters for approval at the November 3, 2020 General Election. The resolution also provides the proposed ballot language, using the language previously developed for the most recent polling, and authorizes the County Administrator, or designee, to file all necessary documents on behalf of the Board of Supervisors for the measure to be listed on the November 2020 ballot. The resolution will be included with the ordinance for final adoption on August 4th.

There are two specific technical issues that staff would like the Board to take into account while deliberating on this item:

1. Ordinance No. 20-22, Section III (b). This section contemplates the Effective Date of the tax ordinance and makes listing of the ordinance on the November 2020 ballot conditional on the approval of Senate Bill 1349 (2020) by both the Legislature and the Governor on or before August 24, 2020.

There was significant discussion regarding this condition at the July 14, 2020 Board meeting; however, it was unclear in the motion whether the Board's final desire was to condition listing the measure on both the approval of the Legislature and the Governor OR just the Legislature. Staff has erred on the side of caution in the current drafting of the proposed ordinance, but would appreciate the Board's clarification at today's meeting. Should the Board wish to condition listing of the measure on only the approval of the bill by the Legislature, then the words "...and signed by the Governor" would simply be removed from Section III(b) of Ordinance No. 20-22 for the final adoption on August 4, 2020.

2. Draft Resolution Calling Election. This resolution is required to call an election for the transactions and use tax ordinance, make certain findings and designate appropriate staffing to make filings with the County Registrar, among other things. The resolution also includes the proposed ballot language for consideration by voters. Staff has included the ballot language used as part of the most recent polling and included a 20 year term for the tax.

Staff is requesting that the Board review the ballot language provide any edits, including a final determination on the duration of the tax ordinance, to be included in a final version of the resolution to be scheduled for adoption on August 4, 2020. It is important to note that ballot language is limited to 75 words or less.

CONSEQUENCE OF NEGATIVE ACTION:

The Board of Supervisors will not have formally introduced the transactions and use tax ordinance and fixed the adoption for August 4th. This will result in no path for the ordinance to be adopted prior to the August 7, 2020 deadline for ballot measures to be submitted to the County Registrar for the November 2020 General Election.

CLERK'S ADDENDUM

Speakers in support: No Name; Gabriel Lemus, President of Local 21,; Melody Howe Weintraub, Multi-Faith Action Coalition; Dan Geiger, Budget Justice Coalition; Josh Anijar, Contra Costa Central Labor Council; Alex Zobel, resident of Richmond; Tom Powers, American Medical Response; Donald Lang, resident of Pittsburg; Elsie Mills, resident of Concord; Marianne Moore, Ensuring Opportunity Campaign; Melvin Willis, City of Richmond; Jan Warren, Walnut Creek resident.

Speakers in opposition: Debra Thompson; Randy, resident of Pleasant Hill; Resident of Contra Costa; Resident of Contra Costa.

INTRODUCED Ordinance No. 2020-22, establishing a general Countywide 0.5% transactions and use tax (sales tax) for a 20 year term; WAIVED reading; and FIXED August 4, 2020, for passage of the ordinance and adoption of a resolution calling an election to submit the sales tax ordinance to the voters on November 3, 2020.

ATTACHMENTS

Ordinance No. 20-22

DRAFT Resolution Calling for Election (for adoption on August 4, 2020)

ORDINANCE NO. 2020-22

(An Ordinance of the County of Contra Costa Imposing a Transaction and Use Tax to Be Administered by the California Department of Tax and Fee Administration)

The people of the County of Contra Costa ordain as follows:

SECTION I. Chapter 64-18 is added to the Contra Costa County Ordinance Code, to read:

Chapter 64-18

TRANSACTIONS AND USE TAX

Article 64-18.2

General

64-18.202 Title. This ordinance shall be known as the County of Contra Costa Transactions and Use Tax Ordinance. This ordinance shall be applicable in the incorporated and unincorporated territory of the County.

(Ord. 2020- 22, § 1).

64-18.20 General Tax. The tax imposed by this chapter is a general tax under Article XIII C of the California Constitution. The tax imposed by this chapter is enacted solely for general governmental purposes and not for specific purposes. All of the proceeds from the tax imposed by this chapter shall be placed in the County’s general fund and used for general governmental purposes.

(Ord. 2020-22, § 1).

64-18.206 Operative Date. “Operative Date” means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance by the voters, the date of such adoption being as set forth below.

(Ord. 2020-22, § 1).

64-18.208 Purpose.

This ordinance is adopted to achieve the following purposes:

- (a) To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285 of Part 1.7 of Division 2 which authorizes the County to adopt this tax

ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

- (b) To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- (c) To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.
- (d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

(Ord. 2020-22, § 1).

Article 64-16.4

Transactions and Use Tax

64-18.402 Transaction Tax Rate. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated and unincorporated territory of the County at the rate of one half of one per cent (0.5%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

(Ord. 2020-22, § 1).

64-18.404 Place of Sale. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

ORDINANCE NO. 2020-22

(Ord. 2020-22, § 1).

64-18.406 Use Tax Rate. An excise tax is hereby imposed on the storage, use or other consumption in the County of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of one half of one per cent (0.5%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

(Ord. 2020-22, § 1).

64-18.408 Adoption of Provisions of State Law. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

(Ord. 2020-22, § 1).

64-18.410 Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- (a) Wherever the State of California is named or referred to as the taxing agency, the name of this County shall be substituted therefor. However, the substitution shall not be made when:
 - (1) The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;
 - (2) The result of that substitution would require action to be taken by or against this County or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.
 - (3) In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
 - (A) Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

- (B) Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.
- (4) In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.
- (b) The word "County" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.
 - (1) "A retailer engaged in business in the County" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

(Ord. 2020-22, § 1).

64-18.412 Permit Not Required. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

(Ord. 2020-22, § 1).

64-18.414 Exemptions and Exclusions.

- (a) There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.
- (b) There are exempted from the computation of the amount of transactions tax the gross receipts from:
 - (1) Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the County in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.
 - (2) Sales of property to be used outside the County which is shipped to a point outside the County, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a

ORDINANCE NO. 2020-22

consignee at such point. For the purposes of this paragraph, delivery to a point outside the County shall be satisfied:

- (A) With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-County address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and
 - (B) With respect to commercial vehicles, by registration to a place of business out-of-County and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.
- (3) The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.
 - (4) A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.
 - (5) For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- (c) There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this County of tangible personal property:
 - (1) The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.
 - (2) Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.
 - (3) If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

ORDINANCE NO. 2020-22

- (4) If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.
 - (5) For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
 - (6) Except as provided in subparagraph (7), a retailer engaged in business in the County shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the County or participates within the County in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the County or through any representative, agent, canvasser, solicitor, subsidiary, or person in the County under the authority of the retailer.
 - (7) "A retailer engaged in business in the County" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the County.
- (d) Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a County imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

(Ord. 2020- 22, § 1).

Article 64-18.6

Administration

ORDINANCE NO. 2020-22

64-18.602 Amendments. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

(Ord. 2020-22, § 1).

64-18.604 Enjoining Collection Forbidden. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the County, or against any officer of the State or the County, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

(Ord. 2020-22, § 1).

64-18.606 Termination Date. The authority to levy the tax imposed by this ordinance shall expire on March 30, 2040 and as of that date it shall be repealed by operation of this section unless a later ordinance is adopted prior to March 30, 2040 that shall have the effect of deleting or extending the termination date set forth herein.

(Ord. 2020-22, § 1).

SECTION II Severability. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

(Ord. 2020-22, § 2).

SECTION III Effective Date.

- (A) The Board of Supervisors passed this ordinance on August 4, 2020, and approved submitting this ordinance to the voters at an election to be held on November 3, 2020. Within 15 days after passage by the Board of Supervisors, this ordinance shall be published in a manner satisfying the requirements of Government Code Section 25124, with the names of supervisors voting for and against it. If adopted by a majority of the voters voting on the ordinance at an election on November 3, 2020, this ordinance shall take effect immediately, pursuant to Elections Code section 9141.
- (B) At the time that this ordinance was passed by the Board of Supervisors, Senate Bill 1349 (2020) was pending approval in the California Legislature. Notwithstanding anything to the contrary herein, this ordinance shall only be placed on the ballot for adoption by the voters if Senate Bill 1349 is approved by the Legislature and signed by the Governor on or before August 24, 2020.

ORDINANCE NO. 2020-22

(Ord. 2020-22, § 3).

SECTION IV Contract with State. Prior to the operative date, the County shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the County shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

(Ord. 2020-22, § 4).

SECTION V. Adjustment of Appropriations Limit. Pursuant to Article XIII B of the Constitution of the State of California and applicable laws, the appropriations limit for the County is hereby increased by the aggregate sum authorized to be levied by this tax for fiscal year 2020-21 and each year thereafter.

(Ord. 2020-22, § 5).

ORDINANCE NO. 2020-22

**A RESOLUTION CALLING FOR AN ELECTION AND ORDERING THE
SUBMISSION TO THE QUALIFIED ELECTORS OF CONTRA COSTA COUNTY A
MEASURE PROPOSING AN ORDINANCE ENACTING A COUNTYWIDE
TRANSACTIONS AND USE TAX AND ORDERING CONSOLIDATION OF THE
ELECTION ON THE TAX ORDINANCE WITH THE CONSOLIDATED GENERAL
ELECTION CALLED FOR NOVEMBER 3, 2020**

WHEREAS, Contra Costa County provides important public services to its residents, such as health care at the Contra Costa Regional Medical Center and community health centers, fire-emergency response, crucial safety-net services, early childhood programs, services to protect vulnerable populations, and other essential County services.

WHEREAS, the Board of Supervisors recognizes the need for increased funding to continue providing critical County services and the difficulty of funding these services with revenues now available.

WHEREAS, Contra Costa County can better meet the needs of its population with an additional local source of revenue to fund essential County services.

WHEREAS, a half-cent (one-half of one percent) Countywide general transactions and use tax (sales tax) would generate an estimated \$81 million annually for 20 years.

WHEREAS, Revenue and Taxation Code section 7299.2 authorizes Contra Costa County to impose by ordinance a transactions and use tax for general purposes to support Countywide programs at a rate of no more than 0.5 percent, provided the ordinance proposing the tax is submitted to the electorate and is approved by the voters voting on the ordinance pursuant to Article XIII C of the California Constitution.

WHEREAS, Article XIII C provides that a local government may impose a general tax after the tax is submitted to the electorate and approved by a majority vote.

WHEREAS, the Board of Supervisors desires to place a half-cent (one-half of one percent) Countywide general transactions and use tax (sales tax) on the ballot at the statewide general election on November 3, 2020, and consolidate the election on the sales tax measure with other elections to be held on that date.

NOW, THEREFORE, the Contra Costa County Board of Supervisors resolves as follows:

1. Pursuant to Elections Code section 9140 and Government Code section 53724, the Board of Supervisors hereby calls and orders an election for the purpose of submitting Ordinance No. 2020-22, attached as Exhibit A and incorporated herein by reference, to the qualified electors of the County, with the election to be held on Tuesday, November 3, 2020.
2. The Board of Supervisors consents to the consolidation of the election on Ordinance No. 2020-22 with the statewide general election on Tuesday, November 3, 2020.
3. A ballot measure in substantially the following form shall be included on the ballot, in addition to any other matters required by law to be on the ballot:

To keep Contra Costa’s regional hospital open and staffed; fund community health centers; provide timely fire and emergency response; support crucial safety-net services; invest in early childhood services; protect vulnerable populations; and for other essential county services, shall the Contra Costa County measure levying a ½ cent sales tax, exempting food sales, providing an estimated \$81,000,000 annually for 20 years that the State cannot take, requiring fiscal accountability, with funds benefitting County residents, be adopted?	YES
	NO

The proposed measure is a general tax and shall not take effect unless and until approved by a vote of at least a majority of the voters voting on the question at the election. A “yes” vote is a vote to approve the measure. A “no” vote is a vote to reject the measure.

4. Pursuant to Elections Code section 9119, the full text of Ordinance No. 2020-22 shall be printed in the voter pamphlet.
5. The Elections Office and the County Administrator are hereby authorized and directed to take any and all actions necessary under law to prepare for and conduct the general election and appropriate all monies necessary for the Elections Office and County Administrator to prepare and conduct the general election in a manner consistent with state and local laws.
6. The Elections Office is directed and authorized to certify the results of the election on the measure to the Contra Costa County Board of Supervisors.

FISCAL IMPACT: (CONT'D)

>

BACKGROUND:

In 2016, Governor Brown signed into law the Transparent Review of Unjust Transfers and Holds Act, commonly referred to as the "TRUTH Act." Beginning in 2018, the TRUTH Act required the governing body of local government entities, such as Contra Costa County, to hold a community forum if a "local law enforcement agency" operated by the governmental entity provided the federal Immigration and Customs Enforcement (ICE) agency with "ICE access" to individuals for civil immigration enforcement purposes during the prior calendar year. (Government Code section 7283.1(d))

The TRUTH Act defines a "local law enforcement agency" in a broader context than other areas of statute. Specifically, the Act defines a "local law enforcement agency", as a department that:

1. enforces criminal laws, regulations or local ordinances;
2. operates a jail or juvenile detention facility;
3. maintains custody of individuals in a jail or in a juvenile detention facility; OR
4. monitors compliance with probation or parole conditions

In addition, the term "ICE access" is defined by the TRUTH Act as any of the following:

1. Responding to an ICE hold, notification, or transfer request;
2. Providing ICE with advance notice of detention facility release information that is not otherwise available to the public;
3. Providing ICE with non-public information regarding detention facility release dates, home or work addresses;
4. Permitting ICE to interview an individual; OR
5. Providing ICE with probation or parole check-in dates and times

County Process to Determine Necessity of Community Forum

The County held its first TRUTH Act community forum in July 2018. At that time, since the definition of "local law enforcement agency" described above is broad and the definition of "ICE access" is so specific, the County Administrator's Office determined that each department within the County would be required to certify the following to determine whether a community forum was required to be held pursuant to statute:

1. Whether the department was a "local law enforcement agency" as defined by the TRUTH Act; and
2. If the department is a "local law enforcement agency", then did the department provide "ICE access" during the prior calendar year.

On May 22, 2020, the County Administrator again sent correspondence to department heads requesting that each certify to the above two questions and provided for a four-week due diligence period before responding. A copy of the County Administrator's letter and Certification Form are included in today's agenda packet as Attachment A.

The Sheriff's Office reported as having met the statutory definition for providing ICE access in calendar year 2019, which requires the Board of Supervisors to convene a community forum pursuant to

Government Code section 7283.1(d).

Community Forum Requirements and Request for Information

Once it has been determined that a community forum is necessary, statute provides that the community forum be scheduled with thirty-days advance notice to the public and that local law enforcement agencies participating in the forum may provide to the local governing board certain information. Specifically, participating agencies may provide the number and demographic characteristics of individuals whose information was disclosed to ICE through a hold, transfer, or notification request or through other means. Further, the data may be provided in the form of statistics or, if such statistics are not maintained, individual records, provided that personally identifiable information is redacted.

On June 26, 2020, the East Bay Times, a newspaper of general circulation within Contra Costa County, published formal notice of the forum in compliance with the thirty-day public notice requirement. A copy of the Proof of Publication issued by the East Bay Times is attached to today's agenda packet as Attachment B.

In addition to this formal notice, the date and time of the County's community forum has been circulated with the assistance of members of the Board of Supervisors, the Contra Costa Immigrant Rights Alliance (CCIRA), and the Office of Reentry and Justice. In addition, information regarding the forum has been listed on the front page of the County website, was included in a press release to local media and was provided to County labor organizations. Flyers describing this year's Forum were made available in English and Spanish.

Public Accessibility

Following the conclusion of the 2018 TRUTH Act community forum, the Board of Supervisors directed staff to provide interpretation in Spanish at the 2019 community forum. Simultaneous interpretation of Forum proceedings in Spanish was successfully integrated at the 2019 Forum and will be available again this. And, staff has worked closely with the Chair of the Board to identify other opportunities to enhance public access to this year's forum.

For today's forum, the County is providing the following enhancements to public accessibility and language access to maximize community involvement and participation:

1. **Immigration Advocacy Presentation**: Allow for a coordinated presentation by the immigration advocacy community represented by Ms. Melanie Kim, Staff Attorney for the Criminal Justice Reform Program at Asian Americans Advancing Justice - Asian Law Caucus, a national non-profit with a mission to “...*advance the civil and human rights for Asian Americans and other underserved communities to promote a fair and equitable society for all.*” A copy of the PowerPoint presentation received by Ms. Kim is included as Attachment C in English. A Spanish version is being translated and will be posted once available.
2. **Real-Time Public Comment**: Allow for “real-time” public comment to be submitted during the forum, which allows interested parties that are unable to attend in-person due to the pandemic, but are following the forum through the County's television, web or mobile platforms an opportunity to provide public comment through public call in line.
3. **Written Public Comment**: Allow for written public comment to be submitted and published with agenda materials. This ensures that comments submitted in written format are published for

review by all parties participating in today's forum. To maintain compliance with the Better Government Ordinance, only those written comments received as of Thursday, July 23, 2020 at 12:00 pm were to be included as attachments. No written public comment was received related to this item.

4. Simultaneous Interpretation in Spanish: The County has engaged Continental Interpreting Services, Inc., a provider of interpreting and translation services and equipment rentals, to provide simultaneous interpretation of today's forum in Spanish. During the forum, two interpreters will ensure that reports and commentary delivered in English will be interpreted in Spanish via the County's stream services. In addition, during public comment, the interpreters will be available to provide consecutive interpretation from Spanish to English.

For reference, the American Translators Association defines each type of interpretation referred to above as the following:

- *Simultaneous Interpretation*: Simultaneous interpreting requires the interpreter to listen and comprehend in one language (source) while "simultaneously" providing an interpretation in a second language (target).
- *Consecutive Interpretation*: Consecutive interpreting requires the interpreter to hear several complete sentences in one language (source) before the speaker stops to allow the interpreter to provide an interpretation in a second language (target).

5. Consecutive Interpretation for Public Comment (upon request): In addition to providing simultaneous interpretation in Spanish, the County has offered to provide consecutive interpretation in other languages, upon request, for delivery of public comment to the Board of Supervisors. This language accommodation was announced through outreach previously outlined. Due to the logistics involved with securing a professional interpreter for an unknown set of languages, the County requested notice from members of the public by Monday, July 20, 2020. As of that date the County had not received a request for additional language accommodations and no subsequent requests were made through Thursday, July 23, 2020 at 12:00 pm. For these reasons, only consecutive interpretation in Spanish will be provided during public comment at today's forum, as described in paragraph 4. above.

6. Translation of PowerPoint Presentations: In addition to providing interpretation of the spoken word, the County has requested and made provision for the translation of PowerPoint presentations to be used at today's forum from English to Spanish. Two PowerPoint presentations are scheduled for today's forum:

- *Sheriff's Office*: Copies of the Sheriff's Office PowerPoint presentation are attached to this board item in both English (Attachment D) and Spanish (Attachment E).
- *Community Presentation*: The County is in receipt of the PowerPoint presentation from Asian Americans Advancing Justice. A copy of the PowerPoint presentation received is included in English is in the process of being translated into Spanish.

Finally, the text of the TRUTH Act is included as Attachment F for reference.

CONSEQUENCE OF NEGATIVE ACTION:

The TRUTH Act community forum is required to be held by the governing board of a local agency pursuant to Government Code section 7283.1(d) if a local law enforcement agency within that jurisdiction has provided ICE access to an individual. The statute only requires that the community forum be convened and does not require that any action be taken by the local governing board. Should the Board choose not to hold the community forum it must be scheduled for a future date to comply with state law.

CHILDREN'S IMPACT STATEMENT:

No impact.

CLERK'S ADDENDUM

Written commentary was provided by (attached): William Colin-Richardson, Central County Regional Group; Efgenia Bravo, Central County Regional Group; Connie Chiba, resident of Moraga; Hector Malvido, Ensuring Opportunity Campaign; Nicole Zapata, resident of Walnut Creek; Daniel Safran, resident of Pleasant Hill; Debra Ballinger, Executive Director of Monument Impact; Carmen Chang, resident of North Hollywood; Jennifer Morales, Monument Impact; Gabby Lazzarotti, resident of Martinez; Linda Olvera, Freedom for Immigrants, Contra Costa Immigrant Rights Alliance; Tania Pulido, resident of Richmond; Deborah Donovan, resident of Pleasant Hill; Jeanette McKillop, resident of Walnut Creek; Linda Russell, resident of Pleasant Hill; Wayne and Helen Reznick, residents of Clayton; Marianne Callahan, resident of Concord; Meg Keeley, resident of Walnut Creek; Nancy Moran, resident of Walnut Creek; Sally Edgerton, resident of Walnut Creek; Emily Hampshire, resident of Walnut Creek; Elizabeth Copley, resident of Walnut Creek; Lynne White, resident of Concord; Sheli Cryderman, resident of Concord; Rose Barreto, resident of Contra Costa; Elsie Mills, Showing Up for Racial Justice; Liz Miller, resident of Danville.

Chair Andersen noted that language translation services in other languages were offered and no requests were received.

Tim Ewell, Deputy County Administrator, noted that a period for written public comment was provided. As of the publishing date of the agenda, none were received. Seven comments were received subsequent to that and uploaded to the agenda system online. Additional communications received will be included in the minutes of the meeting.

Today's presentations have been provided in Spanish as well as English. Contra Costa Television, Department of Information Technology and the interpreter service have worked to make the streaming broadcast of this meeting interpreted simultaneously into Spanish in real time, available via a link on the county website. Additionally there is closed caption service in Spanish. The real-time webcast is live on YouTube.

CONVENED the community forum; by unanimous vote, ACCEPTED into the record public commentary and a spanish translation received after the publication of the agenda; Received staff report from the Chief Assistant County Administrator; RECEIVED the presentation from Asian Americans Advancing Justice - Asian Law Caucus; and RECEIVED a report from the Sheriff-Coroner.

County of Contra Costa
OFFICE OF THE COUNTY ADMINISTRATOR
MEMORANDUM

DATE: MAY 22, 2020 *Via Electronic Mail*

TO: DEPARTMENT HEADS

FROM: DAVID J. TWA, County Administrator
By: Timothy M. Ewell, Chief Assistant County Administrator *TME*

SUBJECT: **COMPLIANCE WITH TRUTH ACT – ASSEMBLY BILL 2792 (Chapter 768, Statutes of 2016)**

In 2016, then Governor Brown signed into law Assembly Bill 2792 (Chapter 768, Statutes of 2016) also known as the “TRUTH Act” (the “Act”). This legislation further regulated the cooperation of state and local governments with the federal government related to immigration enforcement activities.

Beginning in 2018, the Act required governing bodies of local governments to hold a “Community forum” if a law enforcement agency within that local government provided the U.S. Immigration and Customs Enforcement (ICE) agency access to undocumented immigrants during the prior calendar year. For purposes of counties, several departments may be considered “local law enforcement agencies” pursuant to the Act through enforcement of “criminal statutes, regulations, or ordinances” as part of mandated service delivery to the public. Specifically, local law enforcement agencies are defined by the Act as:

“... any agency of a city, county, city and county, special district, or other political subdivision of the state that is authorized to enforce criminal statutes, regulations, or local ordinances; or to operate jails or to maintain custody of individuals in jails; or to operate juvenile detention facilities or to maintain custody of individuals in juvenile detention facilities; or to monitor compliance with probation or parole conditions.”

Similarly, the Act defines “ICE Access” very broadly to mean:

“...for the purposes of civil immigration enforcement, including when an individual is stopped with or without their consent, arrested, detained, or otherwise under the control of the local law enforcement agency, all of the following:

- (1) Responding to an ICE hold, notification, or transfer request.*
- (2) Providing notification to ICE in advance of the public that an individual is being or will be released at a certain date and time through data sharing or otherwise.*
- (3) Providing ICE non-publicly available information regarding release dates, home addresses, or work addresses, whether through computer databases, jail logs, or otherwise.*

(4) Allowing ICE to interview an individual.

(5) Providing ICE information regarding dates and times of probation or parole checkins.

To ensure compliance with the community forum requirement of the Act, I am requesting that each department head complete the attached certification form to determine the following for the period January 1, 2019 through December 31, 2019: 1) Did your department qualify as a local law enforcement agency as defined by the Act, and 2) If yes, did your department provide ICE with access, as defined above.

Based on your responses the County Administrator's Office will be reaching out to you in preparation for a TRUTH Act Community Forum, which has been scheduled for Tuesday, July 28, 2020.

Please complete the attached TRUTH Act Certification Form and return to Chief Assistant County Administrator Timothy Ewell via email at timothy.ewell@cao.cccounty.us **no later than close of business on Friday, June 19, 2020.** Should you have any questions regarding the definitions described above, whether or not your department enforces criminal statutes as defined by the Act or any other issues related to the TRUTH Act, please contact Mr. Ewell at (925) 335-1036 or Deputy County Counsel Cynthia Schwerin at (925) 335-1874 prior to completing and returning your certification form.

Attachment(s)

CALIFORNIA TRUTH ACT 2020 CERTIFICATION FORM

To ensure compliance with the Community Forum requirement of the TRUTH Act, each department head must complete this attached certification form to determine: 1) whether your department qualifies as a local law enforcement agency, and 2) if so, whether your department provided the Immigration Customs Enforcement agency with access to individuals at any time in calendar year 2019. Based on your responses, the County Administrator's Office may be reaching out to you to assist in preparing for a TRUTH Act Community Forum later this summer.

Please return this form electronically to Chief Assistant County Administrator Timothy Ewell (timothy.ewell@cao.cccounty.us) no later than **close of business June 19, 2020**.

Complete STEP 1 below and STEP 2 (if necessary):

STEP 1. Does your department do any of the following?

- enforces criminal laws, regulations or local ordinances;
- operates a jail or juvenile detention facility;
- maintains custody of individuals in a jail or in a juvenile detention facility; **OR**
- monitors compliance with probation or parole conditions

Yes [GO TO STEP 2]

No [STOP]

STEP 2. In calendar year 2019, did your department provide access to the Immigration and Customs Enforcement (ICE) agency for civil immigration enforcement activities?

"ICE Access" is defined as providing any of the following to ICE:

- Responding to an ICE hold, notification, or transfer request;
- Providing ICE with advance notice of release information;
- Providing ICE with *non-public* information regarding release dates, home or work addresses;
- Permitting ICE to interview an individual; **OR**
- Providing ICE with probation or parole check-in dates and times

Yes

No

I declare that the information provided by me on the above form is true and correct to the best of my knowledge and belief.

NOTICE OF COMMUNITY FORUM

NOTICE IS HEREBY GIVEN that on July 28, 2020 at 9:30 am in the Contra Costa County Board of Supervisors Chambers, 651 Pine Street, 1st Floor, Martinez, CA, a community forum will be held as required by Government Code § 7283.1 regarding access to individuals provided to the federal Immigration and Customs Enforcement (ICE) agency during the 2019 calendar year for civil immigration enforcement purposes.

If the Governor's Executive Order N-29-20 and the County Health Officer's Shelter Order requiring social distancing remain in effect on July 28, 2020, in lieu of a public gathering the Board of Supervisors meeting will be accessible to the public via television on the following channels: Comcast/Xfinity Channel 27, AT&T U-Verse Channel 99 and Wave Channel 32. The meeting will also be accessible via live-streaming at: <https://www.contracosta.ca.gov/6086/Video-Library>. Members of the public will be able to participate in the community forum and address the Board by calling the telephone number and access code listed on the front page of the July 28, 2020 Board of Supervisors agenda, which can be accessed at the following link at least 96 hours prior to the meeting: <https://www.contracosta.ca.gov/4664/Board-Meeting-Agendas-and-Videos>.

Alternatively, if the Board of Supervisors conducts a live community forum on July 28, 2020, it will be held in the Board Chambers, County Administration Building, 651 Pine Street, Martinez, California. Members of the public will be able to appear in person at the community forum as well as view the meeting on television and via livestreaming.

CONTRA COSTA COUNTY: THE TRUTH ACT

Presented by:

Melanie Kim, Staff Attorney

Advancing Justice – Asian Law Caucus

July 28, 2020

Contra Costa Immigrant Rights Alliance (CCIRA)

History

- The Contra Costa Immigrant Rights Alliance (CCIRA) was established in 2017 by legal and community-based organizations aiming to advance immigrant rights and promote resources for all Contra Costa residents regardless of immigration status.
- CCIRA was formed after an article was published in the East Bay Express about the Probation Department and the Custody Alternative Facility turning people over to ICE during appointments.

Ambushed: Contra Costa County Law Enforcement Sets Up Surprise Stings To Help Federal Immigration Agents Arrest and Deport Immigrants

Chris Kim said his arrest and detention by ICE, with assistance from the Contra Costa Sheriff's Office, cost him his jobs, car, and apartment.

Story: Ambushed: Contra Costa County Law Enforcement Sets Up Surprise Stings To Help Federal Immigration Agents Arrest and Deport Immigrants (January 10, 2017)

Uploaded: | [Post](#) / [Read Comments](#) (14)

Credit: Bert Johnson / East Bay Express

Activities and Accomplishments

- In 2017, CCIRA successfully secured funding through a foundation-county partnership to establish Stand Together Contra Costa, a county rapid response system to respond to increasing immigration enforcement.
- In March 2018, Stand Together officially launched with a 24-hour hotline, two attorneys, and a coordinator.

Key CA Immigrant Rights Laws

Concerns About ICE Entanglement with Local Law Enforcement

- ❑ Fosters distrust between immigrant communities and local law enforcement. Makes immigrant communities view local law enforcement and ICE as the same entity
- ❑ Unnecessarily expends local resources on immigration enforcement, which is not a responsibility of the Sheriff's department
- ❑ Opens local law enforcement up to liability

CA Laws That Disentangle ICE From Local Law Enforcement

- ❑ CA TRUTH Act (AB 2792) (Gov't Code §§ 7283 *et seq.*) (*effective Jan. 2017*)
 - ❑ Increases transparency around local law enforcement agencies that choose to collaborate with ICE either by notifying ICE of release dates or facilitating transfers of community members to ICE.

CA Values Act (SB 54)

- The CA Values Act, signed into law by Gov. Brown on October 5, 2017, is a state law that limits state and local resources from being used to carry out immigration detentions and deportations.

<p>287g</p> 	<p>Prohibited.</p>
<p>Asking about immigration status or using immigration agents as interpreters.</p> 	<p>Prohibited.</p>
<p>Sharing personal info with ICE (e.g., work, home addresses)</p> 	<p>Prohibited unless publicly available.</p>
<p>Notifying ICE of release dates</p> 	<p>Prohibited unless:</p> <ul style="list-style-type: none"> • Revised TRUST Act exception applies, including: <ul style="list-style-type: none"> • Conviction for a felony punishable by imprisonment in state prison at any time • Conviction within past 15 years for any other specified felony. The 15-year “wash” is an improvement on the old TRUST Act standard. • Conviction within the past 5 years for a misdemeanor for a specified wobbler offense. • Charges for a crime that is serious, violent, or punishable by a term in state prison if finding of probable cause has been made by a magistrate pursuant to PC 872. • If release dates/times are already publicly available, can be shared

POLICE-ICE TACTIC

UNDER SB 54

<p>Transfers to ICE</p> 	<p>Prohibited unless:</p> <ul style="list-style-type: none">• Revised TRUST Act exception applies (see above under notifications)• Warrant or probable cause determination from a judge that someone has violated federal criminal immigration law. <p>Local law enforcement required to report number of transfers and basis for transfer to Attorney General's Office.</p>
<p>Local arrests for "criminal" violations of immigration law</p> 	<p>Prohibited except local law enforcement may arrest someone for unlawful re-entry following deportation <i>if</i></p> <ul style="list-style-type: none">• The re-entry is detected during an unrelated law enforcement activity, and• The person has a prior "aggravated felony" conviction <p>Any person arrested for unlawful reentry may be transferred to ICE only if a revised TRUST exception applies.</p>
<p>ICE interviews in jail and prison</p> 	<p>TRUTH Act protections essentially expanded to prisons (can't be interviewed by ICE unless sign consent form prior to interview). Prohibition on providing office space exclusively dedicated to ICE in local jails.</p>
<p>Joint Task forces</p> 	<p>Some limitations and reporting requirements imposed.</p> <ul style="list-style-type: none">• Primary purpose of task force must be unrelated to immigration enforcement, and• Participation does not violate any local law or policy.• Local law enforcement required to report information about joint taskforce operations to CA Attorney General and information is available as a public record.
<p>Databases</p> 	<p>Attorney General will draft advisory guidelines to ensure that databases are not used for immigration enforcement. State and local law enforcement agencies are encouraged but not required, to adopt guidelines.</p>

Activities and Accomplishments

- 2019 Truth Act Forum Advancement: Contra Costa Sheriff states that ICE transfers ended July 31, 2019 after public outcry.
- SB 54 US Supreme Court Victory
 - States are never obligated to work for ICE. Clearer now more than ever that any collaboration with ICE is purely voluntary.

Contra Costa County & ICE

CCIRA's Concerns with the Sheriff

CCIRA's meetings with members of the Sheriff's Office

- CCIRA is appreciative of the staff who met with CCIRA in October 2019 and January 2020
- CCIRA provided recommended changes to Sheriff's Policy 1.02.28 in November 2019.
- Progress was made at our meetings, but CCIRA did not get confirmation whether CCIRA's recommendations were adopted.
- Sheriff's Office halted meetings because one participant from their office retired.

ICE During COVID-19

ICE DETAINEE WHO DIED OF COVID-19 SUFFERED HORRIFYING NEGLECT

Ryan Devezeaux

May 24 2020, 5:29 a.m.

IF THERE'S ONE thing the men locked inside the Otay Mesa Detention Center want the world to know, it's that Carlos Ernesto Escobar Mejia didn't need to die. The 57-year-old passed away in a southern California hospital on May 6, becoming the first person in Immigration and Customs Enforcement custody to lose their life to Covid-19. The men who knew him fear that he won't be the last.

COVID-19 cases among immigrant detainees could be 15 times higher than ICE reports, study says

As many as 9 percent of the people who have had COVID-19 have been transferred by ICE at least once while actively contagious, according to a Vera Institute of Justice study.

July 1, 2020, 2:46 PM PDT

By Carmen Sesin

Immigration and Customs Enforcement could be severely underreporting the number of COVID-19 infections in detention centers, according to estimated projections released Tuesday by the [Vera Institute of Justice](#).

CCIRA's Concerns with the Sheriff: Publishing Release Dates

- The Sheriff continues to publish release dates of individuals eligible for release from county jail online.
 - Sheriff will implement release date online system that will require input of personal info. But may take 2 years to launch.
 - CCIRA proposed an interim solution while a new system, but not adopted: Email interested reentry groups release dates instead.

CCIRA's Concerns with the Sheriff: ICE Notifications

- The Sheriff continues to respond to ICE notification requests.
- These practices are especially cruel given that COVID-19 is running rampant inside ICE facilities. People in ICE custody are vulnerable to grave illness or death.

CCIRA's Recommendations for the Sheriff

Recommendation #1:

Adopt CCIRA's recommendations to Sheriff's Immigrant Policy and provide the current version of the Sheriff's Policy to the community, including the office's updated policy ending ICE transfers.

Immediate Recommendations for the Sheriff's Office

Recommendation #2:

Stop ALL notifications to ICE of release dates through communications w/ ICE and through the publishing release dates online.

Rationale for Recommendation #2

- ❑ Posting release date information only after SB 54 went into effect could be construed as using resources to engage in immigration enforcement, which is prohibited by SB 54.
- ❑ Encourages ICE to show up at the jail at the point of release to conduct immigration arrests.
- ❑ Deters immigrant community members from going to the jail to visit or receive their loved ones.
- ❑ ICE notifications and publishing release dates is voluntary.
- ❑ Subjects immigrants to double punishment. ICE detention could be a death sentence during the pandemic.

Questions for the Sheriff's Office (1 of 2)

1. Will the Sheriff share the version of Sheriff's Policy 1.02.28 his office is currently working under?
 - a. Has the Sheriff issued a written policy reflecting his commitment to end all ICE transfers from Coco jails?
2. How many ICE detainer/notification requests did the Sheriff's Office receive in 2019 and during the pandemic?
 - a. What did these requests ask of the Sheriff's Office (e.g. hold, notify, or transfer)? How many did the Sheriff's Office comply with? Since the pandemic, how many ICE requests have the Sheriff answered?

Questions for the Sheriff's Office (2 of 2)

3. How many notifications to ICE did the Sheriff make in 2019 and during the pandemic?
4. Why does the Sheriff continue to publish release dates online when both Immigrant Rights and Reentry organizations have asked him to stop?
5. Will the Sheriff's Office adopt CCIRA's interim solution of emailing reentry organizations release dates?
6. Does the Sheriff Office know when the new online platform that will require personal information search terms to populate release dates will launch?

Questions?

0 Requests

NOTE: ICE Supervisors advised Sheriff's Office staff that ICE stopped the practice of requesting interviews in California.

General Information

COVID-19 Prevention Efforts:

- As of July 17, 2020, a total of 12 inmates have tested positive for COVID-19, none of whom are currently in-custody. All have been released with contact tracing implemented.
- Five staff members have tested positive and were quarantined. (3 back to work – 2 in quarantine)
- All new arrestees are quarantined for 14 days before entering the general population.
- All inmates are given new face masks every other day and all staff are required to wear face masks.
- All staff are screened for symptoms and temperature check prior to entering the facilities.
- Social distancing is followed wherever possible, typically less than 10% of the occupied cells have two inmates.

Assembly Bill No. 2792

CHAPTER 768

An act to add Chapter 17.2 (commencing with Section 7283) to Division 7 of Title 1 of the Government Code, relating to local government.

[Approved by Governor September 28, 2016. Filed with
Secretary of State September 28, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2792, Bonta. Local law enforcement agencies: federal immigration policy enforcement: ICE access.

Existing federal law authorizes issuance of an immigration detainer that serves to advise another law enforcement agency that the federal department seeks custody of an alien presently in the custody of that agency, for the purpose of arresting and removing the alien. Existing federal law provides that the detainer is a request that the agency advise the department, prior to release of the alien, in order for the department to arrange to assume custody in situations when gaining immediate physical custody is either impracticable or impossible.

Existing law, commonly known as the TRUST Act, prohibits a law enforcement official, as defined, from detaining an individual on the basis of a United States Immigration and Customs Enforcement hold after that individual becomes eligible for release from custody, unless, at the time that the individual becomes eligible for release from custody, certain conditions are met, including, among other things, that the individual has been convicted of specified crimes. Existing law defines specified terms for purposes of these provisions.

This bill, the Transparent Review of Unjust Transfers and Holds (TRUTH) Act, would require a local law enforcement agency, prior to an interview between the United States Immigration and Customs Enforcement (ICE) and an individual in custody regarding civil immigration violations, to provide the individual a written consent form, as specified, that would explain, among other things, the purpose of the interview, that it is voluntary, and that the individual may decline to be interviewed. The bill would require the consent form to be available in specified languages. The bill would require a local law enforcement agency to provide copies of specified documentation received from ICE to the individual and to notify the individual regarding the intent of the agency to comply with ICE requests. The bill would require that the records related to ICE access be public records for purposes of the California Public Records Act. The bill, commencing January 1, 2018, would require the local governing body of any county, city, or city and county in which a local law enforcement agency has provided ICE access to an individual during the last year, to hold at

least one public community forum during the following year, as specified, to provide information to the public about ICE's access to individuals and to receive and consider public comment. By requiring these local agencies to comply with these requirements, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose.

This bill would make legislative findings to that effect.

The people of the State of California do enact as follows:

SECTION 1. This act shall be known, and may be cited, as the Transparent Review of Unjust Transfers and Holds (TRUTH) Act.

SEC. 2. (a) Transparency and accountability are essential minimum requirements for any collaboration between state and federal agencies.

(b) Recent immigration enforcement programs sponsored by the United States Immigration and Customs Enforcement (ICE) agency have suffered from a lack of transparency and accountability.

(c) For example, a federal judge found that ICE "went out of [its] way to mislead the public about Secure Communities," a deportation program in which ICE collaborated with local law enforcement agencies to identify people for deportation.

(d) The Legislature further found that Secure Communities harmed community policing and shifted the burden of federal immigration enforcement onto local law enforcement agencies.

(e) Although ICE has terminated the Secure Communities program, it continues to promote a number of similar programs, including the Priority Enforcement Program, the 287(g) Program, and the Criminal Alien Program.

(f) The Priority Enforcement Program has many similarities to Secure Communities, including the checking of fingerprints for immigration purposes at the point of arrest; the continued use of immigration detainers, which have been found by the courts to pose constitutional concerns; and the reliance on local law enforcement to assist in immigration enforcement.

(g) Just as with Secure Communities, numerous questions have been raised about whether ICE has been transparent and accountable with respect to its current deportation programs.

(h) This bill seeks to address the lack of transparency and accountability by ensuring that all ICE deportation programs that depend on entanglement with local law enforcement agencies in California are subject to meaningful public oversight.

(i) This bill also seeks to promote public safety and preserve limited local resources because entanglement between local law enforcement and ICE undermines community policing strategies and drains local resources.

SEC. 3. Chapter 17.2 (commencing with Section 7283) is added to Division 7 of Title 1 of the Government Code, to read:

CHAPTER 17.2. STANDARDS FOR PARTICIPATION IN UNITED STATES
IMMIGRATION AND CUSTOMS ENFORCEMENT PROGRAMS

7283. For purposes of this chapter, the following terms have the following meanings:

(a) “Community forum” includes, but is not limited to, any regular meeting of the local governing body that is open to the public, where the public may provide comment, is in an accessible location, and is noticed at least 30 days in advance.

(b) “Hold request” means a federal Immigration and Customs Enforcement (ICE) request that a local law enforcement agency maintain custody of an individual currently in its custody beyond the time he or she would otherwise be eligible for release in order to facilitate transfer to ICE and includes, but is not limited to, Department of Homeland Security (DHS) Form I-247D.

(c) “Governing body” with respect to a county, means the county board of supervisors.

(d) “ICE access” means, for the purposes of civil immigration enforcement, including when an individual is stopped with or without their consent, arrested, detained, or otherwise under the control of the local law enforcement agency, all of the following:

(1) Responding to an ICE hold, notification, or transfer request.

(2) Providing notification to ICE in advance of the public that an individual is being or will be released at a certain date and time through data sharing or otherwise.

(3) Providing ICE non-publicly available information regarding release dates, home addresses, or work addresses, whether through computer databases, jail logs, or otherwise.

(4) Allowing ICE to interview an individual.

(5) Providing ICE information regarding dates and times of probation or parole check-ins.

(e) “Local law enforcement agency” means any agency of a city, county, city and county, special district, or other political subdivision of the state that is authorized to enforce criminal statutes, regulations, or local ordinances; or to operate jails or to maintain custody of individuals in jails; or to operate juvenile detention facilities or to maintain custody of individuals

in juvenile detention facilities; or to monitor compliance with probation or parole conditions.

(f) “Notification request” means an Immigration and Customs Enforcement request that a local law enforcement agency inform ICE of the release date and time in advance of the public of an individual in its custody and includes, but is not limited to, DHS Form I-247N.

(g) “Transfer request” means an Immigration and Customs Enforcement request that a local law enforcement agency facilitate the transfer of an individual in its custody to ICE, and includes, but is not limited to, DHS Form I-247X.

7283.1. (a) In advance of any interview between ICE and an individual in local law enforcement custody regarding civil immigration violations, the local law enforcement entity shall provide the individual with a written consent form that explains the purpose of the interview, that the interview is voluntary, and that he or she may decline to be interviewed or may choose to be interviewed only with his or her attorney present. The written consent form shall be available in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean. The written consent form shall also be available in any additional languages that meet the county threshold as defined in subdivision (d) of Section 128552 of the Health and Safety Code if certified translations in those languages are made available to the local law enforcement agency at no cost.

(b) Upon receiving any ICE hold, notification, or transfer request, the local law enforcement agency shall provide a copy of the request to the individual and inform him or her whether the law enforcement agency intends to comply with the request. If a local law enforcement agency provides ICE with notification that an individual is being, or will be, released on a certain date, the local law enforcement agency shall promptly provide the same notification in writing to the individual and to his or her attorney or to one additional person who the individual shall be permitted to designate.

(c) All records relating to ICE access provided by local law enforcement agencies, including all communication with ICE, shall be public records for purposes of the California Public Records Act (Chapter 3.5 (commencing with Section 6250)), including the exemptions provided by that act and, as permitted under that act, personal identifying information may be redacted prior to public disclosure. Records relating to ICE access include, but are not limited to, data maintained by the local law enforcement agency regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means.

(d) Beginning January 1, 2018, the local governing body of any county, city, or city and county in which a local law enforcement agency has provided ICE access to an individual during the last year shall hold at least one community forum during the following year, that is open to the public, in an accessible location, and with at least 30 days’ notice to provide information to the public about ICE’s access to individuals and to receive

and consider public comment. As part of this forum, the local law enforcement agency may provide the governing body with data it maintains regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means. Data may be provided in the form of statistics or, if statistics are not maintained, individual records, provided that personally identifiable information shall be redacted.

7283.2. Nothing in this chapter shall be construed to provide, expand, or ratify the legal authority of any state or local law enforcement agency to detain an individual based upon an ICE hold request.

SEC. 4. The Legislature finds and declares that Section 3 of this act, which adds Chapter 17.2 (commencing with Section 7283) to Division 7 of Title 1 of the Government Code, furthers, within the meaning of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the purposes of that constitutional section as it relates to the right of public access to the meetings of local public bodies or the writings of local public officials and local agencies. Pursuant to paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the Legislature makes the following findings:

By requiring public meetings relating to the manner in which local law enforcement entities cooperate with federal authorities in enforcing federal immigration laws and making related documents open to public inspection, this act furthers the purposes of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district under this act would result from a legislative mandate that is within the scope of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution.

To: Truth Act
Subject: Re: Public Comment for 7/28/20 TRUTH Act Forum

Dear Public Comment Submission,

My name is **Lynne White** and I am a psychotherapist and minister with offices in Pleasant Hill and Concord. I've been a resident of Contra Costa County for 50+ years.

I am proud to participate in today's forum in solidarity with the many Contra Costa community racial justice organizations. It is unfortunate that I cannot deliver this comment during the forum. The Board has severely limited public engagement in this year's TRUTH Act forum by beginning the forum at 9:30am -- an inaccessible time for essential workers, many of whom are immigrants -- and limiting public comment to 60 seconds.

I am concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE. The COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and publishing release dates online. Since the pandemic, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. Furthermore, the recent Supreme Court Decision in *US v. CA* leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE out of their own volition.

In light of these concerns, we make the following demands:

I. End The County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt CCIRA's recommendations to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the office's policy on ending ICE transfers.

II. Defund the Sheriff/Coroner, Close juvenile hall and Marsh Creek, and Invest in Black Communities

The Sheriff receives \$3.2 mill to be the county's coroner. I demand a DIVESTMENT of \$3.2 million from the Sheriff's office, CLOSURE of juvenile hall and Marsh Creek DF and an INVESTMENT in: (1) community-based mental health services, and (2) youth programs and the Orin Allen Youth Rehabilitation Facility

III. AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
Lynne White

To: Truth Act
Subject: Re: Public Comment for 7/28/20 TRUTH Act Forum

Dear Public Comment Submission,

My name is Sheli Cryderman. I am a member of Racial Equity for MDUSD, and am employed at MDUSD. I am asking for the removal of support from ICE for the reasons mentioned below. I am also asking for an explanation of more and more \$ being allocated to the sheriff. I personally have acquaintances in law enforcement who honestly are admitting that their job duties are very quiet and not busy during this time of SIP. Why are we paying for more enforcement \$?

I am proud to participate in today's forum in solidarity with the many Contra Costa community racial justice organizations. It is unfortunate that I cannot deliver this comment during the forum. The Board has severely limited public engagement in this year's TRUTH Act forum by beginning the forum at 9:30am -- an inaccessible time for essential workers, many of whom are immigrants -- and limiting public comment to 60 seconds.

I am concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE. The COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and publishing release dates online. Since the pandemic, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in US v. CA leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE out of their own volition.

In light of these concerns, we make the following demands:

I. End The County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt CCIRA's recommendations to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the office's policy on ending ICE transfers.

II. Defund the Sheriff/Coroner, Close juvenile hall and Marsh Creek, and Invest in Black Communities

The Sheriff receives \$3.2 mill to be the county's coroner. I demand a DIVESTMENT of \$3.2 million from the Sheriff's office, CLOSURE of juvenile hall and Marsh Creek DF and an INVESTMENT in: (1) an independent coroner; (2) community-based mental health services, and (3) youth programs and the Orin Allen Youth Rehabilitation Facility.

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in

our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
Sheli Cryderman

Subject: Re: Public Comment for 7/28/20 TRUTH Act Forum

Dear Public Comment Submission,

My name is Rose Barreto. I have been a resident in Contra Costa County for 8 years.

I am proud to participate in today's forum in solidarity with the many Contra Costa community racial justice organizations. It is unfortunate that I cannot deliver this comment during the forum. The Board has severely limited public engagement in this year's TRUTH Act forum by beginning the forum at 9:30am -- an inaccessible time for essential workers, many of whom are immigrants -- and limiting public comment to 60 seconds.

I am concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE. The COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and publishing release dates online. Since the pandemic, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in US v. CA leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE out of their own volition.

In light of these concerns, we make the following demands:

I. End The County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt CCIRA's recommendations to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the office's policy on ending ICE transfers.

II. Defund the Sheriff/Coroner, Close juvenile hall and Marsh Creek, and Invest in Black Communities

The Sheriff receives \$3.2 mill to be the county's coroner. I demand a DIVESTMENT of \$3.2 million from the Sheriff's office, CLOSURE of juvenile hall and Marsh Creek DF and an INVESTMENT in: (1) an independent coroner; (2) community-based mental health services, and (3) youth programs and the Orin Allen Youth Rehabilitation Facility.

III. AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
Rose Barreto

Cc: Tony Bravo <tony@workingeastbay.org>

Dear Contra Costa County Board of Supervisors,

My name is **Elizabeth Miller** and I have been a resident of Danville since 1996, now enjoying my community, lifestyle, and retirement in the East Bay.

I am writing to submit comments regarding the 7/28/20 TRUTH Act Forum in solidarity with our many Contra Costa community racial justice organizations. It is unfortunate that the extreme time constraints imposed by the Board have severely limited public engagement in this year's TRUTH Act Forum. Let this letter be my voice instead.

Among other CCC citizens, I am **concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE.** As you must surely know, the COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and of publishing release dates online. Since the pandemic began, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in *US v. CA* leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE *out of their own volition.*

In light of these concerns, I am urging the county to **put a stop to ALL collaboration with ICE** and to increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications with ICE and publishing release dates online, (2) Adopt the recommendations of the Contra Costa County Immigrant Rights Alliance to Sheriff's Immigrant Policy, and (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the Office's policy on ending ICE transfers.

Also concerning is the Sheriff's additional role as county coroner. The \$3.2 million supporting this should be invested in **funding an independent coroner, community-based mental health services, and a commitment to funding the Orin Allen Youth Rehabilitation Facility.**

Finally, in these times of increased awareness of racial injustice, it is more important than ever that **AB 109 funds be used to assist people with reentry**, rather than to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your **action** on the above concerns. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Elizabeth Miller

Subject: Public Comment for 7/28/20 Truth Act Forum

Dear Contra Costa County Board of Supervisors,

My husband and I belong to the San Ramon Valley Democratic Club. We have lived in Danville for 33 years. We have very strong feelings about accountability in government and especially where the Sheriff is concerned. His organization has too much power and money and you can do something about this if you only will. This is the time to do it.

We are writing to submit comments regarding the 7/28/20 TRUTH Act Forum in solidarity with our many Contra Costa community racial justice organizations. It is unfortunate that we cannot deliver this comment during the Forum. The Board has severely limited public engagement in this year's TRUTH Act Forum by beginning the forum at 9:30am -- an inaccessible time for essential workers, many of whom are immigrants -- and limiting public comment to 60 seconds.

We are concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE. The COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. We are deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and publishing release dates online. Since the pandemic, the Sheriff's Office has failed to provide answers

about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in *US v. CA* leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE *out of their own volition*. Why does he have this power in the first place?

In light of these concerns, we make the following demands:

1. End the County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt the recommendations of the Contra Costa County Immigrant Rights Alliance to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the Office's policy on ending ICE transfers.

2. Hire an Independent Coroner and Invest in Community

The Sheriff should not be allowed to "police" himself, especially when it comes to investigating deaths in the county's jails. The Sheriff receives \$3.2 million to be the County's coroner. We demand that this \$3.2 mill be invested in funding an independent coroner, community-based mental health services, and a commitment to funding the Orin Allen Youth Rehabilitation Facility. This is basic accountability.

3. Our communities continue to be over-policed and criminalized by the Sheriff's department. In solidarity with our racial justice community organizations, we demand that AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization.

The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

We respectfully request your attention to the aforementioned demand(s). When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time and hopeful consideration. We are white and have had lots of privilege. We truly want justice for others. We worked hard to get District Attorney Becton into office and this would be another step Contra Costa County could take to be a leader in ensuring justice for all.

Stephen C Beck and Karen Beck

Dear Contra Costa County Board of Supervisors,

My name is Edda Stark, I am Hispanic, I am a resident of Danville, and I work at a law office as a paralegal in Walnut Creek.

I am writing to submit comments regarding the 7/28/20 TRUTH Act Forum in solidarity with our many Contra Costa community racial justice organizations. It is unfortunate that I cannot deliver this comment during the Forum. The Board has severely limited public engagement in this year's TRUTH Act Forum by beginning the forum at 9:30am -- an inaccessible time for essential workers, many of whom are immigrants -- and limiting public comment to 60 seconds.

I am concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE. The COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and publishing release dates online. Since the pandemic, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in *US v. CA* leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE *out of their own volition*.

1. End the County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt the recommendations of the Contra Costa County Immigrant Rights Alliance to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the Office's policy on ending ICE transfers.

As a prior volunteer for La Raza Centro Legal in San Francisco, I can tell you that many Hispanics are taken advantage of at work and fired when disabled or pregnant. And many of them, no matter how hard they work, don't always get a fair shake or opportunities. Yet these laborers are sought after by the employers because they are keeping our goods/foods artificially deflated/cheap. Cheap labor helps companies compete on a price basis. Our economy is already suffering enough due to COVID-19. Don't make matters worse.

If ICE were working to maintain the moral ideals of our country and truly working in the interest of keeping our country safe and protect our economy and way of life then maybe some cooperation would make sense. But currently ICE is solely being used as a political pawn. By cooperating, the Sheriff is doing what is politically beneficial for himself and his party ... that is something no Sheriff should be doing.

2. Our communities continue to be over-policed and criminalized by the Sheriff's department. In solidarity with our racial justice community organizations, we demand that AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization.

The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

People are fed up with racial injustice and discrimination.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Good morning members of the board.

My name is William Colin-Richardson, I am a resident of Contra Costa County and a member of the Central County Regional Group.

Today is the third year that we are meeting again to make Sheriff Livingston's action accountable. Three years talking for the same topic that you as members of the boards have not yet understood.

Sheriff Livingston continues realizing information from people at the time they will be released and his very well collaboration is still there. This is a perfect example of how corrupt the criminal system is. If I can compare him with anyone in history he is as bad as Mark Fuhrman.

I urge you to please stop giving more money to sheriff Livingston and invest in things the community need. We demand that found for AB 109 are invested to assist people with reentry.

Board of supervisors close Marsh Creek DF and invest in community-based mental health services.

You know what you have to do, so step aside your personal interests and serve the community that elect you to make contra costa an inclusive an welcoming county, do what you promised to do.

Thank you for your time.

William Colin-Richardson

Item D.4. PLEASE READ ALOUD

Good morning, my name is Efigenia Bravo, a Concord resident and a mother volunteer with the Central County Regional Group, sponsored by First 5.

During this time that families are struggling to survive the pandemic while also surviving the housing crisis, we are outraged to know that our own sheriff is continuing to collaborate with immigration, negatively affecting our immigrant community. We ask that you put an end to this collaboration.

Our immigrant community needs the assurance that this collaboration will no longer continue. This collaboration is only causing more fear among tej immigrant community in reaching out to the Sheriff's department in times of crisis. It is preventing immigrant families from calling when they have something to report.

We also ask that instead you invest in our communities with prevention programs and services and eliminate the youth detention center. What we need is funding for hospitals, so that they can continue to provide help to the community being affected by COVID-19.

Invest in our community and put an end to the collaboration between the Sheriff and immigration.

II. Defund the Sheriff/Coroner, Close juvenile hall and Marsh Creek, and Invest in Black Communities

The Sheriff receives \$3.2 mill to be the county's coroner. I demand a DIVESTMENT of \$3.2 million from the Sheriff's office, CLOSURE of juvenile hall and Marsh Creek DF and an INVESTMENT in: (1) community-based mental health services, and (2) youth programs and the Orin Allen Youth Rehabilitation Facility

III. AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge

the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
nicole zapata

Subject: Re: Public Comment for 7/28/20 TRUTH Act Forum

Dear Public Comment Submission,

My name is Dan Safran and I have been a resident of Contra Costa County for more than 25 years.

I participate in today's forum in support of the many Contra Costa organizations devoted to racial justice. I wish I could deliver my brief comments in person but the current health crisis makes this impossible.

I'm very disappointed that the Board has severely limited public engagement in this year's TRUTH Act forum. In that regard, I will limit my statement to a very few points, I'm also upset that the Board set the start of the forum to 9:30am, a time when most of the essential workers we depend on find it impossible to participate at this time of day.

Sheriff Livingston and his department have demonstrated significant disregard for the needs, safety and well-being of Contra Costa's communities of color, but also with their continued collaboration with ICE. It is of great concern that our county's Board of Supervisors is adding funds to the Sheriff's budget while, at the same time, the BOS is cutting services that most County residents depend on.

I support the demands of the Contra Costa Immigrant Rights Alliance:

I. End The County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies:

- (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online
- (2) Adopt CCIRA's recommendations to Sheriff's Immigrant Policy, AND
- (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the office's policy on ending ICE transfers.

II. Defund the Sheriff/Coroner, Close juvenile hall and Marsh Creek, and Invest in Black Communities

The Sheriff receives \$3.2 mill to be the county's coroner. I demand a DIVESTMENT of \$3.2 million from the Sheriff's office, CLOSURE of juvenile hall and Marsh Creek DF and an INVESTMENT in:

- (1) community-based mental health services
- (2) youth programs and the Orin Allen Youth Rehabilitation Facility

III. AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
Daniel Safran

Subject: Re: Public Comment for 7/28/20 TRUTH Act Forum

Dear Public Comment Submission,

My name is Debra Ballinger, Executive Director of Monument Impact. We serve the immigrant and refugees community in Central and East Contra Costa County. I am also a resident of Concord. resident of where you live in Contra Costa County.

I am proud to participate in today's forum in solidarity with the many Contra Costa community racial justice organizations. It is unfortunate that I cannot deliver this comment during the forum. The Board has severely limited public engagement in this year's TRUTH Act forum by beginning the forum at 9:30am -- an inaccessible time for essential workers, many of whom are immigrants -- and limiting public comment to 60 seconds.

I am concerned not only with Sheriff Livingston and his department's utter disregard for the been needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE. The COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and publishing release dates online. Since the pandemic, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in US v. CA leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE out of their own volition.

In light of these concerns, we make the following demands:

I. End The County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt CCIRA's recommendations to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the office's policy on ending ICE transfers.

II. Defund the Sheriff/Coroner, Close juvenile hall and Marsh Creek, and Invest in Black Communities

The Sheriff receives \$3.2 mill to be the county's coroner. I demand a DIVESTMENT of \$3.2 million from the Sheriff's office, CLOSURE of juvenile hall and Marsh Creek DF and an INVESTMENT in: (1) community-based mental health services, and (2) youth programs and the Orin Allen Youth Rehabilitation Facility

III. AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge

the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Subject: [BULK] Sheriff Livingston - ACT NOW!

To: Contra Costa County Board of Supervisors

Where do you find the justification, heart and soul for allowing your Sheriff to turn over innocent immigrants to the inhumane jails of US Immigration falsely known as "detention centers" where our innocent immigrants are dying of Covid-19. The majority of these immigrants have done nothing criminal. Trump is the one who started rounding up our innocent immigrants with his dog-catcher ICE agents and Border Patrol and putting them in his for-profit jails including the hundreds of families that have been separated.

May I remind you that we are a Sanctuary County and a Sanctuary State but you have a Sheriff that resents all of this as a strong Trump supporter and plays games in order to transfer innocent human beings to immigration jails & prisons for the sake of monetary profits and his own personal racism towards people of color. We are now witnessing right before our eyes in this county and this country the same actions of Hitler right before our eyes. AND YOU ARE ALLOWING THIS!!!

I don't need to remind you of the great contribution of our back-breaking immigrants to this country for hundreds of years including the essential workers that they are during this Pandemic. Where is your heart & soul? We cannot continue to follow in Hitler's footsteps. STOP SHERIFF LIVINGSTON NOW AND FOLLOW RECOMMENDATIONS THAT OUR COMMUNITY IS MAKING TO YOU ABOUT SHERIFF LIVINGSTON!!!

Dear Public Comment Submission,

My name is Jeanette Mckillop and I have lived in Walnut Creek for the past five years. I am disappointed that I cannot make a comment during the forum, but the 9:30AM time would require me to miss work.

I am very dismayed by the Sheriff's continued cooperation with ICE. We are all facing the same health crisis and it is no secret that COVID-19 has been spreading throughout jails, prisons, and ICE facilities here in California. This is a humanitarian issue! I am calling on the Board of Supervisors to end the Country's collaboration with ICE, to cut the budget allocated to the Sheriff, close juvenile hall, and reinvest that money in our black and the immigrant communities.

You must serve our community, and stop inflicting more harm during this global crisis! You must do everything in your power to stop the spread of this deadly disease.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Dear Public Comment Submission,

Dear Supervisor Mitchoff,

My wife and I, both psychologists, were excited to relocate from the East Coast eight years ago to settle in Clayton. As you well know, there is much about Contra Costa that is impressive.

One feature, though has surprised and frankly disappointed us. We are at a loss to understand the Board of Supervisor's seeming avoidance of its responsibility for meaningful oversight and the Board's continued expansive funding of Sheriff Livingstone department. We have sadly witnessed your dismissive response to concerns about abusive incidents of inmates in custody, and the Board's overt enabling his lack of transparency, including his interaction with ICE. No doubt you understand that, given the heightened Covid risk in ICE detention facilities, transferring released inmates increases the risk of their death. Do you feel comfortable with that? Is this the right thing to do?

This is a time for the Board to exercise its civil and moral leadership. Throughout our country, jurisdictions and leaders are re-examining their approach to address broad and specific community issues and to move away from unwarranted 'over-policifying'.

Please do what is increasingly becoming clear: invest thoughtfully in communities and not merely continue a pattern of over-funding an armed and physically aggressive catch-all approach that makes matters worse. Transfer proposed funds from the Sheriff's Department to mental health, substance abuse and social services, as well as to re-entry and youth programs.

Please exercise your role to improve the quality of life for all residents in Contra Costa County, especially those who are vulnerable and traditionally disadvantaged.

Thanks for being open to consider these matters and to shift your approach.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
Wayne and Helen Reznick

Subject: Re: Public Comment for 7/28/20 TRUTH Act Forum

Dear Public Comment Submission,

My name is Marianne Callahan. I am a resident of Contra Costa County and have worked as a public school teacher in the county for 35 years. I have lived alongside as a neighbor and worked with members of our immigrant community in my profession, and I can attest to the contributions of this hard working community that I have grown to love. I want to participate in today's forum, but with a 60 second time limit I'm afraid I will not be able to convey my message.

Sheriff Livingston's has been a menace to communities of color for his entire tenure. His refusal to be transparent and to allow outside oversight has been an ongoing concern. I'm saddened but not surprised to now learn that he continues to cooperate with ICE even after years of community outcry and a supreme court decision that prohibits law enforcement from aiding federal agents in taking custody of immigrants when they are released from jail.

In light of the sheriff's continued disregard of our Contra Costa Community values I join with others in these three demands:

I. End The County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt CCIRA's recommendations to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the office's policy on ending ICE transfers.

II. Defund the Sheriff/Coroner, Close juvenile hall and Marsh Creek, and Invest in Black Communities

The Sheriff receives \$3.2 mill to be the county's coroner. I demand a DIVESTMENT of \$3.2 million from the Sheriff's office, CLOSURE of juvenile hall and Marsh Creek DF and an INVESTMENT in: (1) community-based mental health services, and (2) youth programs and the Orin Allen Youth Rehabilitation Facility

III. AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
Marianne Callahan

Subject: Re: Public Comment for 7/28/20 TRUTH Act Forum

Dear Public Comment Submission,

I am proud to participate in today's forum in solidarity with the many Contra Costa community racial justice organizations. It is unfortunate that I cannot deliver this comment during the forum. The Board has severely limited public engagement in this year's TRUTH Act forum by beginning the forum at 9:30am -- an inaccessible time for essential workers, many of whom are immigrants -- and limiting public comment to 60 seconds.

I am concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE. The COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and publishing release dates online. Since the pandemic, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in *US v. CA* leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE out of their own volition.

In light of these concerns, we make the following demands:

I. End The County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt CCIRA's recommendations to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the office's policy on ending ICE transfers.

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
Rose Barreto
Walnut Creek, CA 94598

Subject: Re: Public Comment for 7/28/20 TRUTH Act Forum

Dear Public Comment Submission,

My name is Elsie Mills and am a member of Showing Up for Racial Justice (SURJ) Contra Costa County. I have lived in Concord for 4 years.

I am proud to participate in today's forum in solidarity with the many Contra Costa community racial justice organizations. It is unfortunate that I cannot deliver this comment during the forum. The Board has severely limited public engagement in this year's TRUTH Act forum by beginning the forum at 9:30am -- an inaccessible time for essential workers, many of whom are immigrants -- and limiting public comment to 60 seconds.

I am concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE. The COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and publishing release dates online. Since the pandemic, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in *US v. CA* leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE out of their own volition.

In light of these concerns, we make the following demands:

I. End The County's Collaboration With ICE

The county must stop ALL collaboration with ICE and increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications w/ ICE and publishing release dates online, (2) Adopt CCIRA's recommendations to Sheriff's Immigrant Policy, AND (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the office's policy on ending ICE transfers.

II. Defund the Sheriff/Coroner, Close juvenile hall and Marsh Creek, and Invest in Black Communities

The Sheriff receives \$3.2 mill to be the county's coroner. I demand a DIVESTMENT of \$3.2 million from the Sheriff's office, CLOSURE of juvenile hall and Marsh Creek DF and an INVESTMENT in: (1) an independent coroner; (2) community-based mental health services, and (3) youth programs and the Orin Allen Youth Rehabilitation Facility.

III. AB 109 funds be used to assist people with reentry, not to assist the Sheriff with criminalization

We bring this demand in solidarity with Black communities because, like Black communities, immigrant communities experience the devastating effects of mass incarceration in jails, prisons, and ICE facilities. The county should reinvest in our communities, not shift critical funds to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge

the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your attention to the aforementioned demands. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Sincerely,
Elsie Mills

Cc: Tony Bravo <tony@workingeastbay.org>

Dear Contra Costa County Board of Supervisors,

My name is Elizabeth Miller and I have been a resident of Danville since 1996, now enjoying my community, lifestyle, and retirement in the East Bay.

I am writing to submit comments regarding the 7/28/20 TRUTH Act Forum in solidarity with our many Contra Costa community racial justice organizations. It is unfortunate that the extreme time constraints imposed by the Board have severely limited public engagement in this year's TRUTH Act Forum. Let this letter be my voice instead.

Among other CCC citizens, I am **concerned not only with Sheriff Livingston and his department's utter disregard for the needs, safety and wellbeing of Contra Costa's communities of color, but also with their continued collaboration with ICE.** As you must surely know, the COVID-19 pandemic is sickening and killing people in jails, prisons, and ICE facilities all over the country. I am deeply disturbed that despite this sobering reality, the Contra Costa Sheriff's Department maintains a policy of notifying ICE of release dates for people who are eligible for release from county custody and of publishing release dates online. Since the pandemic began, the Sheriff's Office has failed to provide answers about the spread of COVID-19 in the county's jails, how many people they have turned over to ICE through notifications, and why they continue to publish release dates online. On top of this, the recent Supreme Court Decision in *US v. CA* leaves intact rules that prohibit law enforcement officials from aiding federal agents in taking custody of immigrants as they are released from jail. This means that, in the midst of a pandemic, Sheriff Livingston and his department have made the decision to cooperate with ICE *out of their own volition.*

In light of these concerns, I am urging the county to **put a stop to ALL collaboration with ICE** and to increase transparency around the Sheriff's policies: (1) Stop notifying ICE of release dates through communications with ICE and publishing release dates online, (2) Adopt the recommendations of the Contra Costa County Immigrant Rights Alliance to Sheriff's Immigrant Policy, and (3) Provide the current version of the Sheriff's Immigrant Policy to the Community, including the Office's policy on ending ICE transfers.

Also concerning is the Sheriff's additional role as county coroner. The \$3.2 million supporting this should be invested in **funding an independent coroner, community-based mental health services, and a commitment to funding the Orin Allen Youth Rehabilitation Facility.**

Finally, in these times of increased awareness of racial injustice, it is more important than ever that **AB 109 funds be used to assist people with reentry**, rather than to subsidize the Sheriff's coffers. AB 109 funds are designed to help challenge the racist system of mass incarceration and reduce recidivism by increasing reentry services — particularly for communities of color disproportionately impacted by the criminal justice system.

I respectfully request your **action** on the above concerns. When law enforcement agencies are entangled with ICE and do not respond to the needs of the people they serve, it creates a chilling effect in the community, making each of us less safe. Thank you for your time.

Subject: Capital Road Improvement and Preservation Program for Fiscal Year 2020/2021 to 2026/2027

RECOMMENDATION(S):

HEARING to consider adoption of Resolution No. 2020/201 to approve the Capital Road Improvement and Preservation Program (CRIPP) for fiscal year 2020/2021 through 2026/2027, as recommended by the Transportation, Water and Infrastructure Committee, Countywide.

FISCAL IMPACT:

No fiscal impact. Approval and adoption of the CRIPP will provide a programming document that will outline the anticipated expenditures of road-related capital funds in the next seven years. The CRIPP is a working document that programs funds for capital road improvement projects within the County. Preparation of the CRIPP is a requirement of the Growth Management Program and Measure J funding.

BACKGROUND:

The CRIPP is a programming document for the funding of capital road improvement projects within unincorporated Contra Costa County. It includes estimated project costs, funding source information, and scheduling information for known potential projects within the next seven fiscal years. It also includes revenue projections and a summary of estimated project-related expenditures for each funding source.

The CRIPP was established by Resolution 89/306

cc:

BACKGROUND: (CONT'D)

under the County Road Improvement Policy. The Policy was authorized by Government Code Section 66002 and is required under the Growth Management Element of the Contra Costa Transportation and Growth Management Program Ordinance approved by the voters in November 1988 (Measure C-88) and reaffirmed in 2004 with passage of Measure J. Measure J requires that each participating local agency develop a five-year CRIPP to meet and/or maintain traffic service and performance standards. In 1991, the CRIPP was expanded to cover seven years to conform to the Congestion Management Plan, and in 1992 the CRIPP update was changed to a biennial schedule.

Approval of the CRIPP by the Board of Supervisors does not automatically approve each individual project listed in the CRIPP. Each project in the CRIPP is subject to a separate public review, engineering feasibility analysis, and environmental assessment before the Board of Supervisors will consider final approval of the project. As this is a planning level document, adoption of the CRIPP will not preclude development and construction of projects that have not been identified.

As more information is gathered about a project, the Public Works Department may determine that the project will cost more than originally estimated for reasons not known at this time. In such a case, the Public Works Department will study various alternatives to find a solution to funding shortfalls. The Public Works Department will adjust subsequent CRIPPs to reflect any changes in project scope or cost.

Adopting a CRIPP to guide our capital improvements will do several things for the County:

- Increase public awareness of how and where funds will be spent on our road system.
- Enhance public trust and increase funding transparency by demonstrating that funds are programmed and expended in accordance with an approved program.
- Encourage more public involvement in the programming and expenditure of our capital funds.
- Provide accurate “accountability” of whether our transportation system will meet an acceptable level of service to satisfy our growth management policies.
- Provide a basis for projecting staffing needs over the next seven years.
- Provide a budget tool to track expenditures of each type of funding utilized for capital improvements.

The CRIPP provides a generally positive outlook over the next 7-year period as gas taxes have been increased through the 2017 Senate Bill 1. However, as of the publish date of this CRIPP, the immediate effects of the expected economic downturn caused by the COVID-19 pandemic are yet unknown. It is likely that because people are driving significantly less, revenues from gas taxes will be down. One or more projects identified in this CRIPP may need to be postponed. The Public Works Transportation Engineering Division will continue to actively seek grants to offset the probable decrease in gas tax funding and the overall cost of capital projects in addition to seeking money to finance the unfunded projects listed in the document.

During the course of the next CRIPP, the County will continue to improve roadway safety through adoption of a Vision Zero Program and the complete streets initiatives where transportation is improved for all four modes of travel: pedestrian, bicycle, transit, and the automobile. The County will continue to innovate in the areas of safety and reliability.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to approve the CRIPP could adversely affect the schedule of road improvements for the next seven years as this document provides direction for project planning and staff requirements.

Measure J and the County's proposed growth management policy requires adoption of a CRIPP be enacted to meet the anticipated needs of new development impacts on the roadway systems. Without an approved CRIPP, the County will not be able to fulfill this requirement, which would jeopardize our Measure J return to source funding.

EXECUTIVE SUMMARY

The Capital Road Improvement & Preservation Program Report (CRIPP) **summarizes the County's** road improvement projects for the next seven years (Fiscal Years 2020/21 through 2026/27). The CRIPP is a programming document that is updated every two years to provide a strategy to program projects.

The Board of Supervisors adopted the Capital Road Improvement Policy on May 19, 1989 to guide the development and continuation of the Capital Road Improvement & Preservation Program (CRIPP). The first CRIPP was approved by the Board of Supervisors on April 17, 1990. When the Board approves the biennial CRIPP, it does not approve each individual project. The CRIPP often changes during the two-year cycle as each project is conceived, planned evaluated, designed, and ultimately constructed. The CRIPP conforms to the Countywide Congestion Management Plan prepared and administered by the Contra Costa Transportation Authority, which is also a seven-year planning document that is produced biennially.

The following is a brief description of the CRIPP contents.

- Section I provides an introduction and background of the Capital Road Improvement & Preservation Program and how it relates to the overall County Road Program.
- Section II includes summary tables of the revenue and expenditure forecasts for the Capital Road Projects followed by a listing of each primary Capital Road Project funding source over the next seven years by and its related active project expenditures.
- Section III displays projects by Supervisor District with a detailed description of the active projects identified in Section II. The information provided for each active project includes a map and anticipated expenditure plan. Projects that are proposed but are not funded are listed in this section by Supervisor District **as "unfunded" projects**.

The appendices include the County road improvement policies, CRIPP related Board Documents and Resolutions, Area of Benefit project lists, and the Senate Bill 1 (SB1) -Road Maintenance Rehabilitation Act Resolution and project list.

The CRIPP provides a generally positive outlook over the next 7-year period as gas taxes have been increased through Senate Bill 1. However, as of the publish date of this CRIPP, the immediate effects of the expected economic downturn caused by the COVID-19 pandemic are yet unknown. It is likely that because people are driving significantly less, revenues from gas taxes will be down. One or more projects identified in this CRIPP may need to be postponed. The Public Works Transportation Engineering Division will continue to actively seek grants to offset the probable decrease in gas tax funding and the overall cost of capital projects in addition to seeking money to finance the unfunded projects listed in the document.

During the course of the next CRIPP, the County will continue to improve roadway safety through adoption of a Vision Zero Program and the complete streets initiatives where transportation is improved for all four modes of travel: pedestrian, bicycle, transit, and the automobile. The County will continue to innovate in the areas of safety and reliability.

SECTION I
Introduction

1. INTRODUCTION TO THE 2020 CRIPP

This Capital Road Improvement & Preservation Program (CRIPP) publication is a programming document for the funding of capital road improvement projects within unincorporated Contra Costa County. Pursuant to the County Road Improvement Policy, this 2020 CRIPP schedules capital road improvement projects for fiscal years 2020/2021 through 2026/2027 and balances the estimated project costs with the projected revenues. Actual costs for Fiscal Year 2019/2020 data have been included to provide information on current fiscal year revenues and expenditures.

The CRIPP is used by the Public Works Director and staff to communicate upcoming capital road improvement projects. Section II describes the various funding sources for road projects, revenue projections and a summary of estimated project-related expenditures. For fully funded projects that are proposed to be constructed within the next seven fiscal years, estimated project costs, funding source information, and scheduling information are provided in Section III on detailed project sheets. Section III is also subdivided into Countywide area and Supervisor District. Projects covering more than one Supervisor District will be shown in their respective districts. Unfunded projects are listed after the project data sheets for each Supervisor District.

In addition to fully funded transportation capital projects, the CRIPP also includes a forecast of the budget to be spent on roadway preservation. Each year, selected roads throughout unincorporated Contra Costa County receive a surface treatment between June and October. The County Public Works Department has found that preventive maintenance using surface treatments is the most cost-effective way to extend the useful life of the County's road network.

Approval of the CRIPP by the Board of Supervisors does not automatically approve each individual project listed in the CRIPP. Each project in the CRIPP is subject to a separate public environmental review, engineering feasibility analysis, and environmental assessment. Also, each project is evaluated to be consistent with County policies, design guidelines, and regional planning documents, and other policies as may be adopted by the County where feasible. As each project is scoped and funding is sought, each project is assessed for opportunities for cost effectiveness, safety, reliability and sustainability. Since the CRIPP is a planning document, the details of each project are considered prior to the Board of Supervisors approval of each capital project just before construction.

Some projects may have cost increases and scope changes once these elements are evaluated in more detail. As information is gathered about each project, the Public Works Department may determine that the project will cost more than originally estimated for reasons not known at the time the CRIPP is published. In such cases, the Public Works Department will study various alternatives to find a solution to address the funding shortfall or by identifying other funding sources. The Public Works Department will then adjust subsequent CRIPPs to reflect any changes in project scope or cost.

2. HISTORY OF THE CRIPP

The CRIPP was established by Resolution 89/306 under the County Road Improvement Policy (attached as Appendix A). The Policy was authorized by Government Code Section 66002 and is required under the Growth Management Element of the Contra Costa Transportation and Growth Management Program approved by the voters in November 1988. This element was approved again in 2004 when Measure J, the half cent sales tax increase to fund transportation projects, was approved. Measure J funding, including the growth management program, is administered by the Contra Costa Transportation Authority. In order to receive its share of funds from Measure J, all agencies are required by CCTA to develop and maintain a five-year CRIPP to meet and/or preserve traffic service and performance standards. In 1991, the CRIPP was expanded to cover seven years to conform to the Congestion Management Plan, and in 1992 the CRIPP update was changed to a biennial schedule.

3. THE COUNTY ROAD PROGRAM

The following pages describe the principal elements and activities of the County Road Program, and how the County Road Program budget is allocated.

- The Capital Road Program is the primary focus of this CRIPP document. The capital road program contains projects that have been scoped and included as part of the budget with a complete funding plan. Projects include safety improvements, active transportation improvements (such as bicycle and pedestrian-focused projects), pavement preservation and emergency repair projects in response to natural disasters.
- Roadway Maintenance ensures that the existing roadway system remains safe and convenient for public travel in a variety of modes: driving, walking and bicycling. Significant funding for the road program goes to public roadway maintenance and repair for the approximately 660 miles of the roadway network in the unincorporated areas of Contra Costa County maintained by the Public Works Department. Some of the types of work include the following:
 - Repair failed pavement and road shoulders
 - Repair road slides
 - Install traffic signs and striping
 - Repair and replace guardrails
 - Install and repair culverts and storm drain pipe
 - Remove debris from the public road right of way

- Traffic-related activities typically include the responsibility for traffic control devices on County roadway and activities such as the following:
 - Review plans for construction projects proposed in the County
 - Coordinate with California Highway Patrol and other Law Enforcement Agencies in regards to traffic enforcement on County Roadways
 - Respond to residents regarding traffic complaints and concerns
 - Investigate collision reports on County roads
 - Identify locations with recurring or high collision rates
 - Conduct Engineering and Traffic Surveys on major roadways to establish speed limits
 - Ensure necessary roadway signing, striping, and pavement markings are in place on County roadways

- Transportation planning activities include the following activities:
 - Developing and implementing capital improvements, maintenance projects, bicycle and pedestrian projects, and neighborhood traffic management plans,
 - Advanced planning for **the County's** transportation system
 - Developing long-term strategic plans to implement the circulation element of the County General Plan
 - Developing and updating the seven year CRIPP, seeking funding opportunities to support public works road related activities (e.g., traffic mitigation fee program, grant program)
 - Working with the Engineering Services Division and Community Development to **review and comment on development projects' impacts to the County's road network,**
 - Working with the Board of Supervisors, community and other jurisdictions to resolve transportation/traffic concerns
 - Coordinating with state, regional, and other local governments on major roadway projects important to the region (e.g. State Route 4 Bypass)

The average annual total budget for the County road program is \$62.1 million for the period FY17/18 to FY22/23. This six-year period includes actual expenses for the past 3 years and a projection of future expenditures for the next 3 years.

The average annual Capital Road Program budget accounts for approximately 42% of the total road program budget for this same six-year period (see Figure 1). The average annual budget for Maintenance activities is approximately 48% of the road program budget. Lastly, Traffic Engineering and Transportation Planning activities are 1% and 9% of the program, respectively.

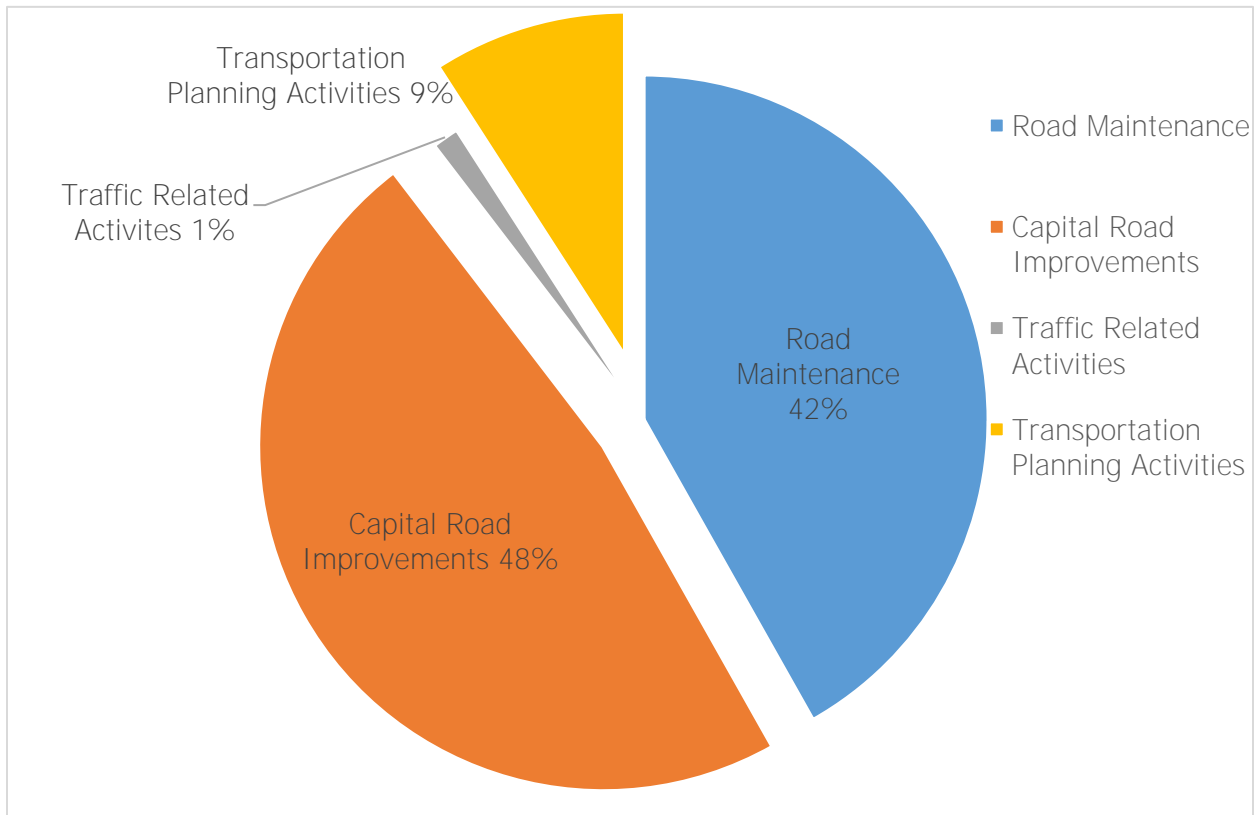

Figure 1: Average Annual County Road Program Budget Percentage (FY 17/18 to FY 22/23)

4. THE CAPITAL ROAD PROGRAM

The Capital Road Program contains projects that have been scoped and included as part of the budget with a complete funding plan. Projects include safety improvements, active transportation improvements (such as bicycle and pedestrian-focused projects), pavement preservation and emergency repair projects in response to natural disasters. Capital Road Program projects are funded by a variety of local, state and federal funding sources as discussed in Section II of this CRIPP.

Examples of Federal grants include the Active Transportation Plan (ATP) and Highway Safety Improvement Plan (HSIP). Grants may be offered through the State level with Caltrans Local Assistance or through the Regional level with from the Bay Area Metropolitan Transportation Commission (MTC). Local funds include developer fees collected through the Area of Benefit (AOB) program and Measure J funds from the countywide quarter cent increase in sales tax . Additional information on funding sources and grants can be found in Section II of this CRIPP.

The primary and most critical funding source for all roadway capital projects is gas tax as discussed below.

A. IMPORTANCE OF GAS TAX

The County uses the majority of the Gas Tax funds for road operation and maintenance, but the next most significant portion is used for capital projects. Gas tax funds are also the main source of funding for traffic and transportation planning activities. (Figure 2 shows how the gas tax is distributed between these four categories.)

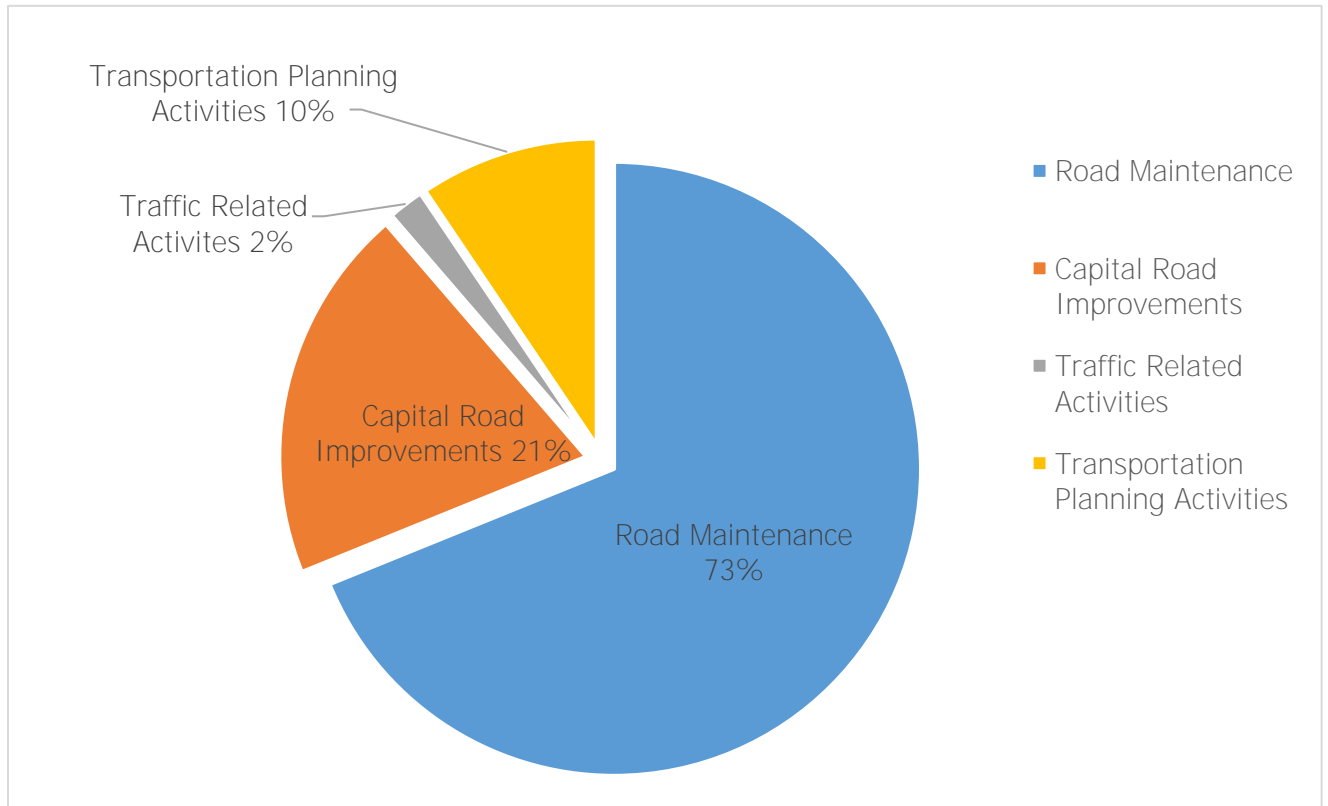

Figure 2: Gas Tax Percentage Allocation (FY 17/18 to FY 22/23)

Gas Taxes as Leverage for State and Federal Grant Programs

Gas tax is the primary source for the required local match necessary to go after state and federal grants for capital projects. Without it the County would miss an opportunity to obtain additional outside funding to help construct much needed safety, maintenance, and multi-modal transportation improvements. Gas taxes also fund staff time to prepare the actual grant application. Last year for every \$1 dollar spent on staff time to prepare grant applications, the County was able to get about \$9 dollars in return. This resulted in successfully securing \$4,449,000 at a cost of \$498,900. There are currently 26 active projects that are grant funded in the amount of \$66 million with a \$24.1 million gas tax match.

Gas Tax Update: Excise Taxes and Senate Bill 1

Gas Tax Funds come from the Gas Excise Tax which is based on the number of gallons of gasoline sold. The County has seen a slight increase in the Gas Excise Tax over the past several years because the number of gallons overall has increased but this increase is tempered by the use of more fuel-efficient cars and electric vehicles. Despite this increase and prior to Senate Bill 1 (SB1) described below, the amount of gas tax that the County received was not sufficient to fund ongoing maintenance and repair of roadways in the unincorporated areas.

To address the need for additional local road funds for cities and counties throughout the State, the Governor signed SB1 in 2017. SB 1, is also known as the Road Repair and Accountability Act (RRAA) of 2017. SB1 provides much needed transportation funding for California to address basic road maintenance, rehabilitation, and critical safety needs on both the state highway and local streets and road system.

The California State Association of Counties (CSAC) annually provides an estimate of the yearly revenues generated from this transportation bill. As of the publish date of the CRIPP, the economic impacts of the COVID 19 virus are not yet known and the estimates below do not yet reflect the expected decline in gas tax revenue. CSAC has estimated the County will receive a total estimated amount of \$41million in gas tax revenue for FY19/20 with approximately \$16 million from the Road Maintenance and Rehabilitation Account (RMRA) program under SB1. Total gas tax revenues in FY20/21 are estimated to be \$41.7 million, of which the RMRA portion is \$16.4 million. Gas tax revenue to Cities and Counties will steadily grow in future years due to the built-in inflationary index.

SB1 emphasizes the importance of accountability and transparency in the delivery **of California's** transportation programs. Therefore, in order to be eligible for RMRA funding, state statute requires cities and counties to provide basic RMRA project reporting to the California Transportation Commission (Commission), which the Public Works Department does on an annual basis.

Prior to receiving an apportionment of RMRA funds from the State Controller in a fiscal year, a city or county must submit to the Commission a list of projects proposed to be funded with these funds. All projects proposed to receive funding must be included in a city or county budget that is adopted by the applicable city council or county board of supervisors at a regular public meeting.

The list of projects must include a description and location of each proposed project, a proposed **schedule for the project's completion, and the estimated useful life of the improvement.** The project list does not limit the flexibility of an eligible city or county to fund projects in accordance with local needs and priorities so long as the projects are consistent with RMRA priorities. Some example projects and uses for RMRA funding include, but are not limited to the following:

- Road Maintenance and Rehabilitation
- Safety Projects
- Railroad Grade Separations

- Complete Streets Components (including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and stormwater capture projects in conjunction with any other allowable project)
- Traffic Control Devices

The County Board of Supervisors adopted a list of projects to be funded with RMRA funds for the FY20/21 on April 28,2020 (See Appendix E). It should be noted that this project list is a small subset of the proposed project delivery list that is outlined in the CRIPP and only focuses on how the RMRA funds will be expended as required by the Commission.

5. CRIPP FUTURE OUTLOOK

A. DIFFERENCES IN PROGRAMMING OF EARLIER YEARS VERSUS LATER YEARS

The years at the beginning of the period covered by this program have more projects programmed than in later years. Additional funding will need to be sought in the later years to offset transportation needs. For example, the funds needed for maintenance activities continue to increase as more infrastructure is built, the construction costs rise, new regulatory standards are adopted, and additional maintenance activities beyond the scope of regular maintenance work are needed.

In addition, projects may have unexpected cost increases and/or project scope changes, therefore, the CRIPP will change as more is learned more about each project. As transportation issues arise, new projects will be programmed in response to these issues and supplemental funding (such as grants) will be sought to balance the new project costs. These changes will be reflected in future CRIPP publications.

B. SEVEN YEAR OUTLOOK

1.) Revenues

The CRIPP provides a generally positive outlook over the next 7-year period, however, the immediate effects of the expected economic downturn caused by the COVID-19 pandemic are yet unknown. It is likely that because people are driving significantly less, revenues from gas taxes will be down. One or more projects identified in this CRIPP may need to be postponed. The Public Works Transportation Engineering Division will continue to actively seek grants to offset the probable decrease in gas tax funding and the overall cost of capital projects in addition to seeking money to finance the unfunded projects listed in the document.

2.) Complete Streets

Figure 3: Typical Complete Streets Concept from bouldercolorado.gov

In 2016, the County Board of Supervisors adopted the Complete Streets Policy to ensure that Complete Streets infrastructure was incorporated, wherever feasible and as opportunities were presented into Capital Projects developed and constructed by the Public Works Department. The Complete Streets concept is to provide safe, comfortable, and convenient travel along and across public rights-of-way (including streets, roads, highways, bridges, paths, and other portions of the **County's transportation system**) through a **comprehensive integrated** transportation network that serves all categories of users, including pedestrians, bicyclist, persons with disabilities, motorists, movers of commercial goods, users and operators of public transportation, seniors, children, youth, students, and families. Complete Streets is a design approach that requires roadways to be planned, designed, operated, and maintained to enable safe, convenient and comfortable travel and access for users of all ages and abilities, regardless of their mode of transportation.

In the past, significant resources went to developing projects that solely benefitted motorists by increasing capacity and resulting in greater vehicular speeds. In recent years, there has been more sensitivity toward the other modes of travel. The challenge for Public Works Department is to determine which roads are suitable for Complete Streets and achieve a balance between right-of-way and utility impacts, and the responsibility of managing project budget to construct the additional improvements while anticipating and projecting future maintenance costs associated with added pavement widths, streetscapes, and landscaping.

3.) Vision Zero

Figure 4: County Roadways are patrolled by CHP. Collision reports produced by CHP on County roads provides a data source for our Traffic Section to regularly review potential "hot spots"; and propose potential countermeasures to reduce collision rates.

The County is looking ahead to adopt a Vision Zero program. Vision Zero is a shift in the way we think of injury and deaths on our roadways systems. Instead of thinking of them as inevitable, no collision that results in death or serious injury is considered acceptable. Vision Zero is used to **identify the six "E's": education, encouragement, engineering, enforcement, emergency services,** and evaluation that will make the roadways safer. Rather than focus all efforts in reaction to a single collision, the Vision Zero concept takes a holistic approach to proactively educate users through public service campaigns and targeted enforcement. Vision Zero requires agencies to rethink how and where to devote limited resources towards the end goal of saving lives and pain from injury on its roadway network.

4.) Improving Water Quality

Figure 5: Sample Bioretention Basin Project to support our Green Infrastructure Policy

The County is looking to incorporate Green Infrastructure into future road improvement projects to comply with the State of California Regional Water Quality Control Board Municipal Regional Permit, which also represents a new challenge facing the County as it creates additional demand on the budget. The County will be considering more features such as bioretention basins and trash capture devices to improve the water quality of urban runoff into the Bay from the public road right of way. Funding for these features must be identified as it often relates to an increase in construction cost, as additional environmental impacts and more right-of-way may be needed, as well as an increase in annual maintenance costs.

6. PROJECT HIGHLIGHTS

Over the past two years, since the publication of the last CRIPP, the County has constructed a variety of projects ranging from safety improvements, active transportation improvements (such as bicycle and pedestrian-focused projects), to emergency repair projects. Examples of these types of projects are described below.

A. Pacheco Boulevard Sidewalk Gap Closure Phase III Project (Bike/Ped Project Gap Closure)

Figure 6: Without a continuous path, pedestrians walked in the roadway shoulder

This project on Pacheco Boulevard in Pacheco was envisioned to increase connectivity for pedestrians and bicyclists over Vine Hill Creek along the Pacheco Boulevard corridor adjacent to Las Juntas Elementary School. This project is part of a series of sidewalk gap closure projects along the Pacheco Boulevard corridor. This segment is important due to its proximity to Las Juntas Elementary School and sensitivity to a creek crossing. Surveys from parents and school administrators advocating for the project indicated that they wanted to improve safety for students walking to school.

The project was funded by an Active Transportation Program (ATP) federal grant, the Martinez Area of Benefit (AOB), Measure J, and gas taxes. The Public Works Department Design-Construction Division engineered, advertised, and in 2018, completed the project. The project has been well-received by the users of the new sidewalk.

Figure 7: Post-construction image of the new sidewalk/culvert extension

B. Rio Vista Pedestrian Connection Project (Ped Project/Water Quality Treatment)

Figure 8: Pre-Construction Image of Pacific Avenue (above)

Figure 9: Post-Construction Image with bike lanes and new sidewalk with permeable concrete

The Rio Vista Pedestrian Connection Project closed a sidewalk gap on the north side of Pacifica Avenue, across from Rio Vista Elementary School, Bay Point, and brought an existing bike lane up to standard to improve the pedestrian and bicycle infrastructure in the area. The concern that initiated this project was potential risks due to traffic congestion and the large number of students that converge on Pacifica Avenue during drop-off and pick-up times.

The community-based public participation process for this project consisted of meetings with the individual school principals and the staff at the Mt. Diablo Unified School District. District 5 spearheaded this effort and was grant funded.

The project was funded by an Active Transportation Program (ATP) federal grant, Bay Point Area of Benefit (AOB), and gas taxes. The project was designed in-house by the Public Works Department Design-Construction Division. The project was constructed in 2018 and included pervious concrete sidewalk as part of the **County's Green Infrastructure**. The purpose of the permeable concrete is to help clean the storm water before it drains into a public drainage system and ultimately into the Bay.

C. Emergency Projects: Morgan Territory Road Slide Repair and Alhambra Valley Road Slide Repair

Figure 11: Washout of Alhambra Valley Road in West County

Figure 10: Post Construction Image of Alhambra Valley Road

In between the publication of the last CRIPP, two large-scale emergency projects occurred. The first was the Morgan Territory Slide repair that resulted in a stabilization of a road that was sliding. The second was the Alhambra Valley Road Washout project that resulted in the construction of a new bridge over Pinole Creek Both projects. Both projects used gas taxes to get started and to apply for emergency funding. Each project had to go through the environmental process (CEQA) and coordinate with regulatory agencies. Although they were each designed by consultants, the Design-Construction Division oversaw the work to ensure it met County standards.

These sorts of projects would normally take five or more years to program, design, and build, but due to their emergency nature and the high importance of returning public access, these bridge projects were designed and constructed in less than two years from the time of the storm event. This means that the projects were “active projects” that were never shown in the seven year CRIPP because they occurred between publications.

SECTION II
Funding Sources

CAPITAL ROAD IMPROVEMENT & PRESERVATION PROGRAM – FUNDING SOURCES

1. PROJECTED ANNUAL REVENUE SUMMARY

Table A, on page 24, is a summary of future revenue based on historical trends and current AOB development applications for the Capital Road Program. Part I of Table A is a summary of the primary funding sources for the capital road program including an estimate of gas tax revenues, Measure J Return to Source Funds and Area of Benefit programs. Other funding sources such as state match program funds and federal funds are based on actual amounts the County is expected to receive for the various road projects in the program. Continued efforts to secure grants and maintain cooperative relationships with other public agencies will allow the County to make the best use of its financial resources for capital improvement projects.

Part II of Table A represents an estimate of the individual funding sources from the Area of Benefit (AOB) program. The rate at which AOB revenue is generated is tied to the land development rate. Future AOB revenue is expected to increase at a steady pace.

Part III of Table A represents the funding sources from the County Trust Funds. Funds held in County Trust Funds are only shown in the CRIPP if they are proposed to be used on specific projects within the CRIPP time period.

2. ESTIMATED ANNUAL EXPENDITURES SUMMARY

Table B, on page 25, is an estimate of the future expenditures for each funding source. This table is based on the costs of the active projects within each funding source, and the expected expenditures for that funding source. If the revenues in Table A fall short of expectations, the expenditures in Table B will have to be adjusted accordingly.

Table A: Summary of Projected Annual Revenues for Capital Projects and Pavement Surface Treatments

(All values shown in thousands of dollars)

Program Element	End of FY Balance	FY 19/20	FY 20/21	FY 21/22	FY 22/23	FY 23/24	FY 24/25	FY 25/26	FY 26/27	Total Revenue

3. Gas Tax Funds: Gas Tax Funds, also known as the Highway Users Tax Account, are revenues paid by the State to cities and counties from the per-gallon motor vehicle fuel tax. This section is **a continuation of the Introduction’s background description of the Gas Tax.** Appendix B of this CRIPP shows the County-adopted guidelines for the expenditure of Gas Tax revenues following passage of Proposition 111 in 1990.

Gas Tax Funds

4. State Match Funds: State Match Funds are revenues paid by the State to counties from the State Highway Account. The funds are to be used for transportation purposes to match federally funded transportation projects. Funds received are treated as grants with up-front lump sum **payments and the unobligated balance of the County's State Matching monies is paid directly** to the County, subject to availability from the State. The County uses the State Match Funds to supplement federally funded projects.

State Match Funds

5. Measure J (formerly Measure C): The voters approved the Contra Costa Transportation Improvement and Growth Management Program Ordinance (Measure C) in November 1988. Measure C provides for a ½-cent sales tax for transportation projects within Contra Costa County. Measure C had a twenty-year life and expired in 2009. In November 2004, voters approved the **continuation of the County's ½ - cent sales tax** by passing Measure J and extended the transportation funding for 25 more years. The Measure J funds are composed of several different funding programs. Return to Source Funds and Regional Funds are described here.

- a. Measure J - Return to Source Funds: A portion of the revenue is returned to local jurisdictions to be used for maintenance of existing roadways and construction of new facilities to fix capacity and safety problems in existence before 1988 (those problems that came into existence after 1988 are presumed to be the responsibility of new development). The proposed use for these funds is outlined in this CRIPP.
- b. Measure J - Subregional Transportation Needs Funds: A portion of the revenue is designated for projects of a regional significance. For the portion of these funds that the County has access to, the proposed use is outlined in this CRIPP.

6. Federal, State, and Regional Grant Funds: The Public Works Department continuously submits grant applications due at various times of the year for projects throughout the County. Each type of grant has unique funding objectives. Some of these grants and their descriptions are listed in Appendix A. Most applications compete statewide for funding, from the smallest safety project to the largest road extension project. In many cases where Gas Tax funds are used, the Public Works Department looks for grants or other ways to stretch its budget and to increase the number of improvement and maintenance projects.

A quick summary of Federal, State, and Regional grants that are funding active projects in this CRIPP are listed below. To see what funds are associated with the projects in the table, please refer to the detail project sheets in Section III.

- ATP – Active Transportation Program consolidated various transportation grant programs, which included various state and federal funds. The goals of the ATP include, but are not limited to, increasing the proportion of trips accomplished by walking and biking, increasing safety and mobility of non-motorized users, advancing efforts of regional agencies to achieve greenhouse gas reduction goals, enhancing public health, and providing a broad spectrum of projects to benefit many types of users including disadvantaged communities.
- HBP – Highway Bridge Program is to replace or rehabilitate public bridges when State and Federal Highway Administration determine that a bridge is significantly important and qualifies under the HBP program guidelines.

- HSIP – Highway Safety Improvement Program is a Federal-aid program with the goal to reduce the number of traffic fatalities and serious injuries on all public roads.
- OBAG – One Bay Area Grant program is a Metropolitan Transportation Commission funding approach that target project investments in Priority Development Areas and regional capital projects that focus on 1) local street and road maintenance, 2) streetscape enhancements, 3) bicycle and pedestrian improvements, 4) transportation planning, and Safe Routes to School projects.
- TDA – Transportation Development Act is an annual competitive regional fund intended for projects to improve pedestrians and bicyclist safety and accessibility.

Note: Expenditure Total represents future cost only. For actual costs to date, please refer to the project data sheets in Section III

7. Area of Benefit (AOB) Revenues: The unincorporated areas of Contra Costa County are divided into several Area of Benefits for road improvements focused on mitigating impacts of new development on the transportation network. Appendix D has a page for each AOB containing the current Ordinance Number, the project list, and an AOB map.

Within each AOB, road improvement projects to alleviate known traffic congestion or traffic safety problems have been identified and prioritized. An AOB fee is charged to all developments that create additional traffic in the area, to pay for these projects. The fee amount varies depending on which AOB the property is located in, the amount of traffic generated by the development, and the cost of the projects **identified on that AOB's Project List**.

A seven-year revenue estimate was made for each of the AOBs using the past five-year revenue history. The development potential within their respective AOB is also taken into account after consulting with the Engineering Services and the Finance Division within the Public Works Department.

The AOB program is constantly being updated. The updates include, revising the AOB project lists, revising the fee schedules, adjusting the fee schedule for inflation, and adjusting the remaining development potential. The updates may have a significant impact on potential project funding. In addition, several AOBs are being merged or incorporated into an adjacent AOB to become more fiscally efficient. Current AOB fees can be accessed on the County web site at <http://www.cccounty.us/AOB>. The following AOBs have active capital projects and/or proposed future AOB projects.

- Alamo AOB
- Bay Point AOB
- Central County AOB
- East County (Regional) AOB
- Martinez AOB
- North Richmond AOB
- South County AOB

In the past CRIPPS, AOB Administrative expenditures were shown but are no longer considered as a capital improvement project. As a result, the following AOBs and mitigation funds have no active project and will not be shown in this section:

- Bethel Island AOB
- Briones AOB
- Bethel Island AOB
- Discovery Bay AOB
- Hercules/Crockett/Rodeo AOB
- Pacheco (West) FOAB
- Richmond/El Sobrante AOB
- South Walnut Creek AOB
- West County AOB
- Discovery Bay West Mitigation Funds

Revenue and End of Year balance for these AOBs can be found in Table A and Table B.

8. Trust Funds: When a large development makes a significant impact on the roadway system, the developer may be required to contribute to a road improvement fund to mitigate the impacts of the development. The County has three trust funds to be used for specific projects. Navy Mitigation Funds in the Bay Point Area provided \$5 million to help fund new transportation improvements and waterfront access to offset the loss of Port Chicago Highway through the Concord Naval Weapons Station. Other developer fees include the Discovery Bay West Traffic Mitigation Funds, and the Keller Canyon Mitigation Funds. Each of these funds is held in trust by the County and is listed as separate funding sources in this CRIPP.

Keller Canyon Landfill Mitigation Funds

End of Year Cash Balance (in 1,000's of Dollars)	End of FY 18/19 Balance	FISCAL YEAR (F.Y.)

9. Other Local Funds: These funds include monies from other partner agencies that are participating in construction of a project due to a shared responsibility of the facility. In addition, funds also come from several Regional Fee programs throughout the County where the fee program is adopted by several participating jurisdictions and is administered jointly through a separate authority. As these Regional Fee programs are not under the authority of the County, the revenue and expenditures for these programs are not included in the CRIPP. The Regional Fee programs include the East Contra Costa Regional Fee and Financing Authority (ECCRFFA), the Southern Contra Costa (SCC) Fees, West Contra Costa Transportation Advisory Committee Fee (WCCTAC), and the Tri Valley Transportation Development (TVTD) Fee.

SECTION III

Capital Road Projects by Countywide and
Supervisor Districts

III. PROJECTS BY DISTRICT

CAPITAL ROAD PROJECTS

This section contains the projects, project descriptions, and proposed funding schedule. The projects are sorted geographically by County Board of Supervisor Districts (District) and each **"tabbed"** District displays project information on data sheets. Each tabbed District section contains the following information:

District-wide project overview map provides a quick reference to locate active projects.

Active project list within the District (excluding countywide projects as discussed below) with project descriptions allow the reader to view the active projects.

Active project data sheets include a project description, funding schedule, and vicinity map. In support of Road Program's four areas of focus, these projects are categorized as follows:

Project Category	Description
Safety	Safety projects are scoped primarily to reduce vehicle, pedestrian, and bicycle collisions. Almost all projects have a safety aspect; however to be categorized as a safety project, it must have been originally scoped to have a safety component rather than specifically for a reliability, efficiency, or accessibility component. For example, pedestrian enhancements and other non-vehicular safety projects are categorized "Accessibility."
Reliability	Reliability projects are scoped to improve or sustain a rating index such as pavement condition index (PCI), Bridge Sufficiency rating, Bridge Health Index, and Culvert Condition Index (under development). Pavement and bridge projects are typically categorized "Reliability."
Efficiency	Efficiency projects are usually generated from Level Of Service (LOS) studies, from roadway capacity issues, or from traffic signal warrants. LOS studies are often found in Area of Benefit studies. Efficiency projects tend to be more costly to design and construct since these are more systemic improvement than localized improvements.
Mobility	Accessibility project include ADA upgrades, pedestrian and bicycle improvements, and pedestrian flashers. Complete street projects are usually placed in this category.

County-Wide Projects are introduced before District I. These projects are on-going programs that vary geographically on a yearly basis. For example, a County-Wide Curb Ramp project may focus on one area of the County, and another area in the following year.

Unfunded projects are listed last in each tabbed area. These projects have been proposed but await funding. Many of these projects are part of a long-term, regional transportation plan, so it may be many years before these projects are considered. The list is reevaluated from time to time to add new projects or to remove projects that no longer suit the County.

The following is a complete project list, sorted by Active and Underfunded projects and its associated Board of Supervisor District location.

PROJECT DESCRIPTION	ACTIVE/ UNFUNDED	BOS DISTRICT
6th Street Rodeo Sidewalk Project – Parker Avenue to Garretson	Unfunded	5
7th Street Sidewalk Project – Parker Avenue to Garretson	Unfunded	5
Alhambra Valley Road Safety Improvements – (Various Locations)	Unfunded	5
Alhambra Valley Road Embankment Repair Site 1 – West of Castro Ranch Road	Active	1
Alhambra Valley Road Embankment Repair – 0.4 miles west of Bear Creek Road	Active	1, 5
Alhambra Valley Road Storm Repair Project – Ferndale Site	Active	5
Alves Lane Extension – Willow Pass Road to Pacifica Avenue (AOB)	Unfunded	5
Appian Way & Argyle Drive Signal Project	Unfunded	1
Appian Way & Pebble Drive Traffic Signal Project	Unfunded	1
Appian Way & Santa Rita Road Traffic Signal and Safety Improvements	Unfunded	1
Appian Way Complete Streets Project - San Pablo Dam Road to Valley View Road	Unfunded	1
Appian Way Complete Streets Project - Valley View Road to Pinole City Limits	Unfunded	1
Arlington Boulevard Intersection Improvements at Rincon Road/Kensington Road, Westminster Avenue, Sunset Drive, Coventry Road, Amherst Avenue, and Vine Avenue/Highland Avenue	Unfunded	1
Ayers Road & Concord Boulevard Intersection Improvements (AOB)	Unfunded	4
Ayers Road & Laurel Avenue Intersection Improvements (AOB)	Unfunded	4
Ayers Road & Myrtle Drive Intersection Improvements (AOB)	Unfunded	4
Bailey Road & Myrtle Drive Intersection Improvements (AOB)	Unfunded	4
Bailey Road and Mary Anne Lane Signal Project	Unfunded	5
Bailey Road Improvements - Myrtle Drive to Concord City Limits (AOB)	Unfunded	4

PROJECT DESCRIPTION	ACTIVE/ UNFUNDED	BOS DISTRICT
Bailey Road Overlay Project - SR4 to Keller Canyon Landfill Entrance	Unfunded	5
Bailey Road Pedestrian & Bicycle Improvements – Canal Road to Willow Pass Road (AOB)	Unfunded	5
Balfour Road & Byron Highway Intersection Improvements (AOB)	Unfunded	3
Balfour Road Shoulder Widening – Deer Valley Road to Brentwood City Limits	Unfunded	3
Bailey Road/SR4 Interchange Improvements	Active	5
Bay Point Utility Undergrounding Project	Active	5
Bear Creek Road – Road Embankment Repair	Active	1,5
Bear Creek Road & Happy Valley Road Intersection Improvements (AOB)	Unfunded	1, 2
Bear Creek Road Safety Improvements – Alhambra Valley Road to the City of Orinda	Unfunded	1, 2, 5
Bel Air Trail Crossing Project	Active	5
Bella Vista Infrastructure Improvements	Unfunded	5
Bethel Island Road & Sandmound Road Intersection Improvements	Unfunded	3
Bethel Island Road Widening - Taylor Road to Sandmound Boulevard (AOB)	Unfunded	3
Bixler Road Improvements - SR 4 to Byer Road (AOB)	Unfunded	3
Boulevard Way Bicycle and Pedestrian Project	Unfunded	2
Bridge Preventative Maintenance Program	Active	Various
Brookside Drive Complete Streets – Central Street to Union Pacific Railroad (AOB)	Unfunded	1
Buskirk Avenue Improvements - Treat Boulevard to Pleasant Hill City Limits (AOB)	Unfunded	4
Byer Road Improvements - Bixler Road to Byron Highway (AOB)	Unfunded	3
Byron Highway / Byer Road Safety Improvements	Active	3
Byron Highway / SR4 / Point of Timber Intersection Improvements (AOB)	Unfunded	3

PROJECT DESCRIPTION	ACTIVE/ UNFUNDED	BOS DISTRICT
Byron Highway Bridge Replacement over California Aqueduct (Bridge No. 28C0121)(Project Sponsor: Dept of Water Resources)	Active	3
Byron Highway Safety Improvements (Various Locations)	Unfunded	3
Byron Highway Widening - Camino Diablo to the Alameda County Line (AOB)	Unfunded	3
Byron Highway Widening (Chestnut Street to SR4)(AOB)	Unfunded	3
Byron Highway Widening (Delta Road to Chestnut Street) (AOB)	Unfunded	3
Byron Highway Widening (SR 4 to Camino Diablo)(AOB)	Unfunded	3
Camino Diablo Widening – Vasco Road to Byron Highway (AOB)	Unfunded	3
Camino Tassajara Safety Improvements – Windemere Parkway to Alameda County Line	Active	3
Camino Tassajara Safety Improvements (Various Locations)	Unfunded	3
Canal Road Sidewalk Project – 420 feet south of Winterbrook Drive to Chadwick Lane	Unfunded	5
Castro Ranch Road Widening - San Pablo Dam Road to Olinda Road	Unfunded	1
Center Avenue Bicycle and Pedestrian Improvements - Pacheco Boulevard to Marsh Drive (AOB)	Unfunded	5
Central Street Complete Street - Brookside Drive and Pittsburg Avenue (AOB)	Unfunded	1
Chesley Avenue Traffic Calming – Fred Jackson Way and AOB Boundary (AOB)	Unfunded	1

Supervisor District I

2020 CRIPP – Active Project Map

- Note: 1) Projects are identified with Supervisor District number and project number for its District.
 2) County-wide Projects are not shown on this map.
 3) District I contains 119.63 miles of the 662.23 miles of County maintained roadway as of 1/1/2019.

CRIPP PROJECT DESCRIPTIONS FOR DISTRICT I

ACTIVE PROJECTS – These projects are fully funded and will be constructed in the near future. These active projects are mapped on the previous page.

- I-1. Alhambra Valley Road Embankment Repair Site 1 – West of Castro Ranch Road – This project proposes to repair the roadway embankment and restore the roadway shoulder. Construction is expected in 2020. Measure J and Gas Taxes fund this project.
- I-2. Alhambra Valley Road Embankment Repair – 0.4 miles west of Bear Creek Road – This project proposes to repair an existing slide along Alhambra Valley Road (approximately 0.4 miles west of Bear Creek Road). Currently the one-way traffic control is established around the eroded embankment. Construction is expected in 2020. Measure J and Gas Taxes fund this project.
- I-3. Bear Creek Road – Road Embankment Repair – This project proposes to repair the roadway embankment along Bear Creek Road. Currently the one-way traffic control is established around the eroded embankment. Construction is expected in 2020. Gas Taxes fund this project.
- I-4. Fred Jackson Way First Mile/Last Mile Connection Project (CTPL) – This project is to construct complete street improvements along Fred Jackson Way from Brookside Drive to Grove Avenue. Construction is expected in 2021. Funding Sources include the Federal Active Transportation Program (ATP), Transportation for Livable Communities (TLC), State Coastal Conservancy, and North Richmond AOB funds. This project was previously named Fred Jackson Way Improvements – Grove Avenue to Brookside Drive.
- I-5. San Pablo Dam Road Traffic Safety Improvements – This project is to install centerline rumble strips along 3.4 miles of San Pablo Dam Road from the Richmond City limit near Kennedy Grove Park to Bear Creek Road/Wildcat Canyon Road. This project is intended to improve driver safety and reduce the number of lane crossover collisions. Construction is schedule for 2020. Funding sources include Highway Safety Improvement Program (HSIP) and Gas Tax Funds.

Contra Costa County
Capital Road Improvement & Preservation Program

PROJECT NAME Bear Creek Road - Road Embankment Repair

PROJECT DESCRIPTION This project proposes to repair the roadway embankment along Bear Creek Road. Currently the one-way traffic control is established around the eroded embankment. Construction is expected in 2020. Gas Taxes fund this project.

PURPOSE AND NEED The purpose of this project is to repair two embankment sites adjae to the northbound lane of Bear Creek Road. Erosion has occurred at both embankments, resulting in massive deterioration of the road shoulders. The damage has already encroached into the traveled way at Embankment 1.

Repairing the two embankments will restore the roadway shoulder and prevent further erosion. The northbound traveled lane at Embankment 1 is currently closed off due to deteriorated pavement, and will be restored to allow two-way traffic flow to resume.

Contra Costa County Capital Road Improvement & Preservation Program

PROJECT NAME Fred Jackson Way,First Mile/Last Mile Connection

PROJECT DESCRIPTION This project is to construct complete street improvements along Fred Jackson Way from Brookside Drive to Grove Avenue. Construction is expected in FY2021. Funding Sources include the Federal Active Transportation Program (ATP), Transportation for Livable Communities (TLC), State Coastal Conservancy, and North Richmond AOB funds. **This project was formerly named Fred Jackson Way Improvements – Grove Avenue to Brookside Drive.**

PURPOSE AND NEED The purpose of the project is to implement a complete street project and improve connectivity and safety for pedestrians and bicyclists in North Richmond. Currently, from Grove Avenue to Wildcat Creek, there are substandard sidewalks with utility poles blocking pedestrian access, and pedestrians often walk on the street as a result. From Wildcat Creek to Brookside Drive, there are no sidewalks or bike lanes.

PROJECT NAME San Pablo Dam Road Traffic Safety Improvements

PROJECT DESCRIPTION This project is to install centerline rumble strips along 3.4 mile of San Pablo Dam Road from the Richmond City limit near Kennedy Grove Park to Bear Creek Road/Wildcat Canyon Road. This project is to improve driver safety and reduce the number of lane crossover accidents. Construction is schedule for 2020. Funding sources include Highway Safety Improvement Program (HSIP) and Gas Tax Funds.

PURPOSE AND NEED Project is to improve the public safety by constructing rumble strips and upgrading the visibility of regulatory and warning signs along the rural, two lane segment of San Pablo Dam Road. There were four separate fatal collisions in 2015 dealing with lane crossovers. San Pablo Dam Road also ranks 4th in the County for roadways with the highest volume of collisions. A total of 25 collisions occurred between 2011 and 2015.

UNFUNDED PROJECTS – This is a comprehensive list of projects that have been conceived but not funded. This project list originated from the following sources: Area of Benefit (AOB) project lists, the Regional Transportation Plan (RTP), Comprehensive Transportation Project List (CTPL) through Contra Costa Transportation Authority (CCTA), Transportation Expenditure Plan (TEP), Department of Conservation and Development (DCD) and a Public Works List that was generated from community input/need. District I includes the North Richmond AOB, Central County AOB, and West County AOB.

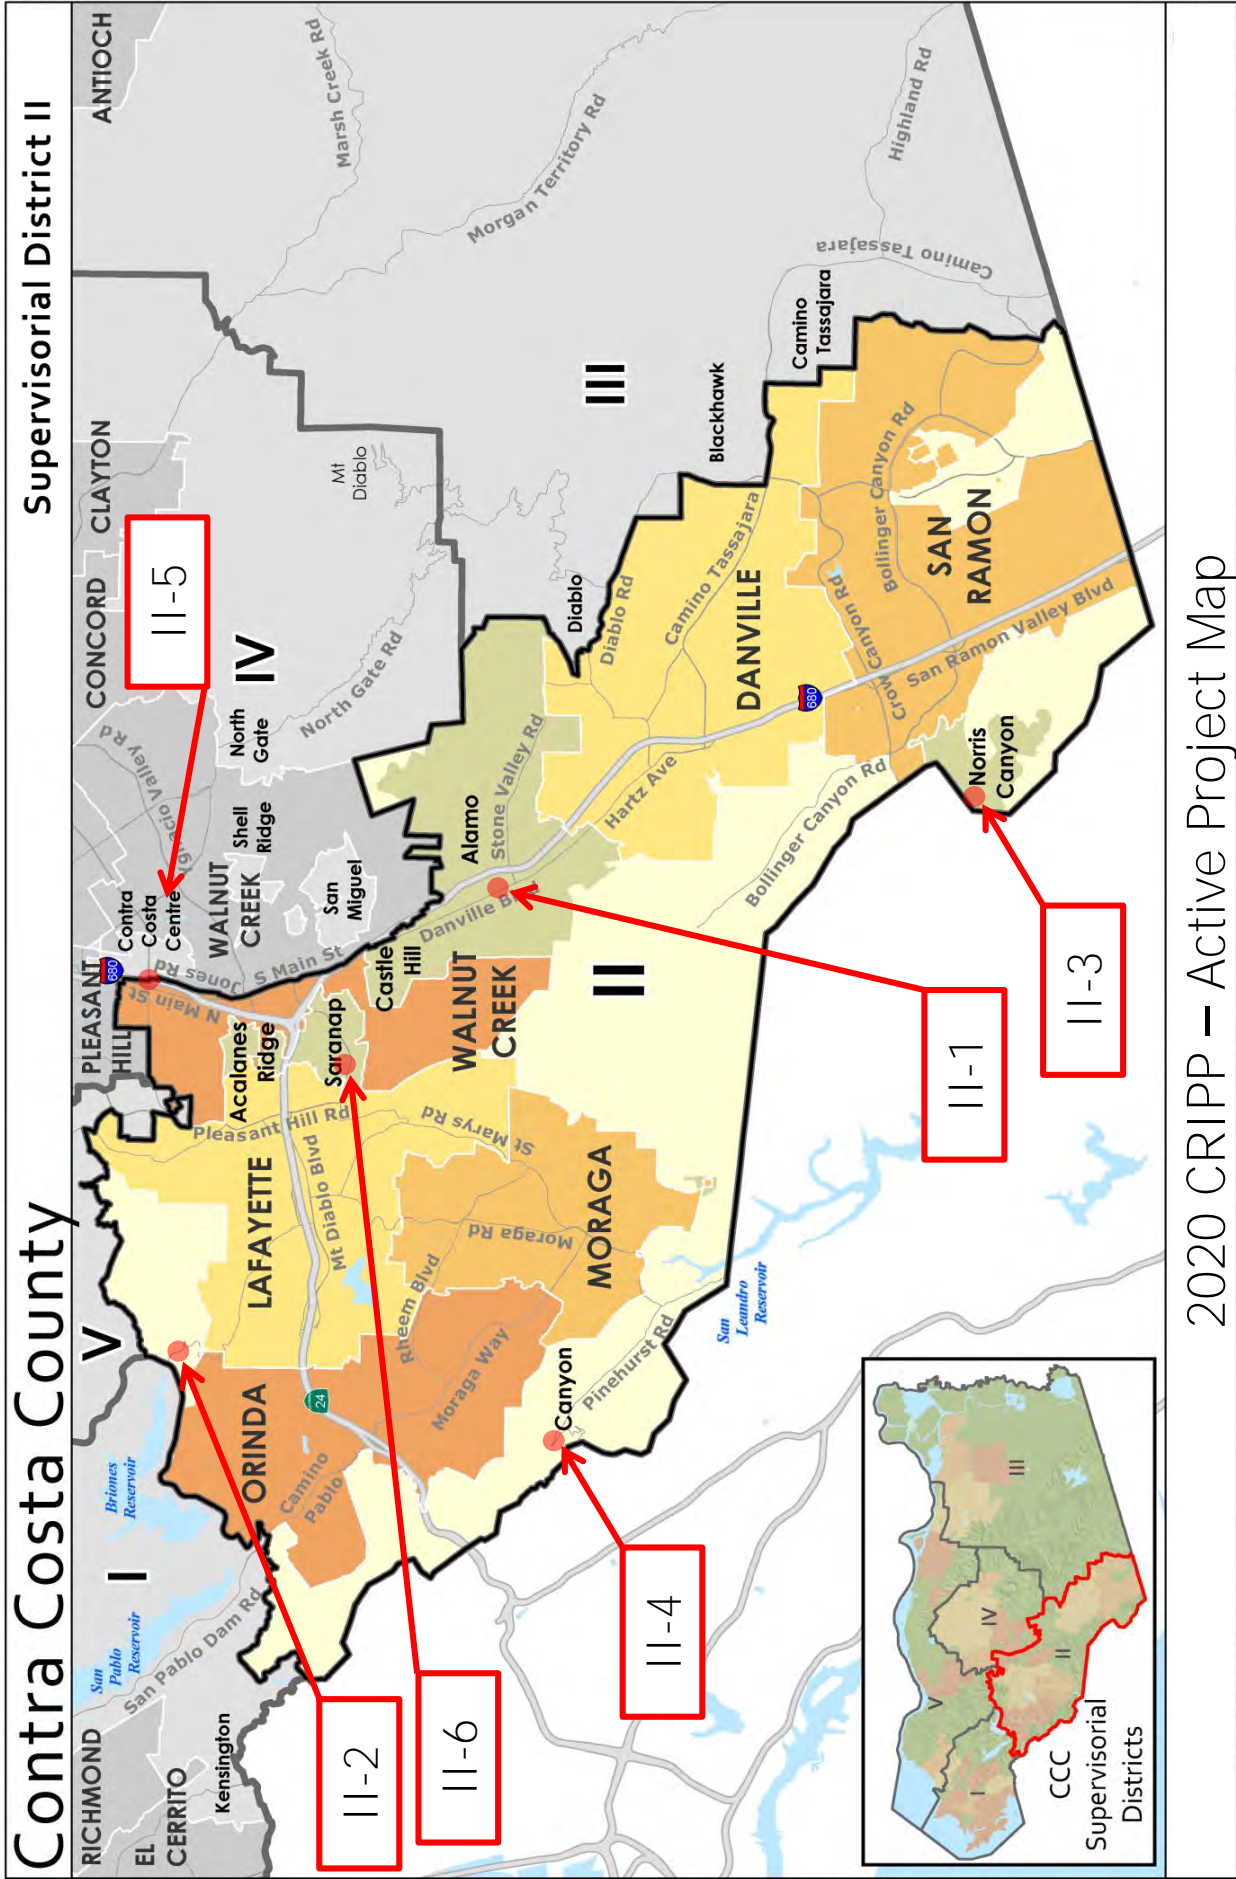

- I-6. Appian Way & Argyle Drive Signal Project (CTPL) – This project proposes to install a new traffic signal at the intersection of Appian Way and Argyle Drive.
- I-7. Appian Way & Pebble Drive Traffic Signal Project (CTPL) – This project proposes to install a new traffic signal at the intersection of Appian Way and Pebble Drive.
- I-8. Appian Way & Santa Rita Road Traffic Signal Project (CTPL) – This project proposes to install a new traffic signal at the intersection of Appian Way and Santa Rita Road.
- I-9. Appian Way Complete Streets Project – San Pablo Dam Road to Valley View Road (RTP) (CTPL) – This Complete Streets Project proposes to improve pedestrian and bicycle safety along Appian Way from San Pablo Dam Road to Valley View Road.
- I-10. Appian Way Complete Streets Project – Valley View Road to Pinole City Limits (RTP) (CTPL) – This Complete Streets Project proposes to improve pedestrian and bicycle safety along Appian Way from Valley View Road to the Pinole city limit.
- I-11. Arlington Boulevard Intersection Improvements at Rincon Road/Kensington Road, Westminster Avenue, Sunset Drive, Coventry Road, Amherst Avenue, and Vine Avenue/Highland Avenue – This project proposes to construct safety improvements at the intersections streets listed above.
- I-12. Bear Creek Road & Happy Valley Road Intersection Improvements (Central County AOB) – This project proposes to install all-way stop at the T-intersection of Happy Valley Road and Bear Creek Road.
- I-13. Bear Creek Road Safety Improvements – Alhambra Valley Road to the City of Orinda (CTPL) – This project proposes to improve roadway safety along Bear Creek Road.

- I-14. Brookside Drive Complete Streets – Central Street to Union Pacific Railroad (North Richmond AOB) – This project proposes to widen Brookside Drive from Central Street to the Union Pacific Railroad and provide complete street improvements.
- I-15. Castro Ranch Road Widening – San Pablo Dam Road to Olinda Road (CTPL) – This project proposes to widen Castro Ranch Road and install sidewalk improvements from San Pablo Dam Road to Olinda Road.
- I-16. Central Street Complete Street – Brookside Drive and Pittsburg Avenue (North Richmond AOB) – This project proposes to construct complete streets along Central Avenue between Brookside Drive and Pittsburg Avenue.
- I-17. Chesley Avenue Traffic Calming – Fred Jackson Way and the AOB boundary (North Richmond AOB) – This project proposes to provide traffic calming roadway features along Chesley Avenue between Fred Jackson Way and the North Richmond AOB boundary.
- I-18. Colusa Avenue Complete Streets Project (CTPL) – This Complete Streets Project proposes to improve pedestrian and bicycle safety along a 0.5-mile stretch of Colusa Avenue.
- I-19. Fred Jackson Way Complete Streets Project between Chesley and Parr Boulevard (North Richmond AOB) – This project proposes to install pedestrian and bicycle improvements along Fred Jackson Way between Chesley and Parr Boulevard. This project is intended **to meet the County’s Complete Street Policy**.
- I-20. Fred Jackson Way Complete Streets Project – Intersection with Chesley Avenue (North Richmond AOB) – This project proposes to install traffic calming improvements at the intersection of Fred Jackson Way and Chesley Avenue. This project is intended **to meet the County’s Complete Street Policy**.
- I-21. Fred Jackson Way/Goodrick Avenue Realignment (CTPL) – This project proposes to realign these streets to form one intersection instead of two offset intersections.
- I-22. Goodrick Avenue – Fred Jackson Way to AOB Boundary (North Richmond AOB) – This project would enhance vehicle, bicycle, and pedestrian safety by providing bike lanes and sidewalks along Goodrick Avenue.
- I-23. La Paloma Road Pedestrian and Roadway Improvements (CTPL) – This project proposes to install traffic safety and pedestrian improvements along La Paloma Road.

- I-24. Market Avenue Complete Streets – Fred Jackson Way to 7th Street (North Richmond AOB) – This project proposes to install pedestrian improvements and traffic calming improvements along Market Avenue between Fred Jackson and 7th Street.
- I-25. North Richmond Improvements – Pittsburg Avenue Extension from Fred Jackson Way to 7th Street Extension (CTPL) – This project proposes to extend Pittsburg Avenue from Fred Jackson Way to the projection of 7th Street.
- I-26. North Richmond Truck Route – Parr Boulevard to Market Avenue (North Richmond AOB) (CTPL) – This project proposes to reduce truck traffic in the residential area of North Richmond by upgrading existing roadways or constructing new roads to accommodate truck traffic from Parr Boulevard to Market Avenue.
- I-27. Olinda Road Pedestrian Improvements – Valley View Road to 850 feet south of Valley View Road (CTPL) – The project proposes to close a gap of sidewalk along Olinda Road in order to provide pedestrian facilities to De Anza High School and Olinda Elementary School.
- I-28. Parr Boulevard Complete Street Project – Richmond Parkway to Union Pacific Railroad (North Richmond AOB) (CTPL) – This project proposes to widen Parr Boulevard from Richmond Parkway to the UPRR crossing and provide complete street improvements.
- I-29. Pinole Valley Road Safety Improvements between Pinole City Limits and the AOB Boundary (AOB) – This project proposes safety improvement on Pinole Valley Road between the Pinole City Limits and the AOB Boundary.
- I-30. Pitt Way Roadway Improvements (DCD) – This project proposes to construct a new collector roadway along Pitt Way from San Pablo Dam Road to Hillcrest Road in the future town square area of El Sobrante.
- I-31. Pittsburg Avenue Intersection Improvements (North Richmond AOB) – This project proposes to construct intersection improvements at the intersection of Pittsburg Avenue and Richmond Parkway.
- I-32. Pittsburg Avenue Widening – Fred Jackson Way to Richmond Parkway (North Richmond AOB) – This project proposes to widen and construct complete street improvements on Pittsburg Avenue from Fred Jackson Way to Richmond Parkway.
- I-33. Rincon Road Widening and Pedestrian Improvements Project (CTPL) – This project proposes to widen Rincon Road and construct pedestrian improvements between the two Arlington Avenue intersections.

- I-34. San Pablo Avenue Complete Streets Project (CTPL) – This project proposes to upgrade San Pablo Avenue to multi-modal roadway from Tara Hills Drive to the City of Pinole.
- I-35. San Pablo Dam Road & Greenridge Drive Signal Improvements (CTPL) – This project proposes to install a new traffic signal at the intersection of San Pablo Dam Road and Greenridge Drive.
- I-36. San Pablo Dam Road Pedestrian Improvements – Tri Lane to Appian Way (CTPL) – This project proposes to install pedestrian improvements along San Pablo Dam Road from Tri Lane to Appian Way. This project may be incorporated into the other San Pablo Dam Road projects.
- I-37. San Pablo Dam Road Safety Improvements (AOB) – This project proposes to construct safety improvements and bicycle improvements along San Pablo Dam Road and within the West County AOB limits.
- I-38. Tara Hills Drive Complete Streets Project (CTPL) – This project proposes to install bicycle and pedestrian improvements along Tara Hills Drive from San Pablo Avenue to the end of Tara Hills Drive and Cornelius Drive to the City of Pinole.
- I-39. Tara Hills Elementary School, Shannon Elementary School, Pinole Middle School Pedestrian Crossing Upgrades – This project is improve pedestrian crossing at several schools in the Tara Hills area.
- I-40. Valley View Road Widening – San Pablo Dam Road to Appian Way (CTPL) – This project proposes to widen Valley View Road from San Pablo Dam Road to Appian Way.
- I-41. Verde Elementary School Secondary Access (North Richmond AOB) – This project proposes to provide a secondary access to Verde Elementary. Currently, vehicular traffic can only enter from Giaramita Street and its bridge.

Board of Supervisor District II

2020 CRIPP – Active Project Map

Note: 1) Projects are identified with Supervisor District number and project number for its District.
 2) County-wide Projects are not shown on this map.
 3) District II contains 102.13 miles of the 662.23 miles of County maintained roadway as of 1/1/2019.

CRIPP PROJECT DESCRIPTIONS FOR DISTRICT II

ACTIVE PROJECTS – These projects are fully funded and will be constructed in the near future. These active projects are mapped on the previous page.

- II-1. Danville Boulevard/Orchard Court Complete Streets Improvements (Alamo AOB) – This project is to construct a roundabout at the Danville Boulevard/Orchard Court intersection and install complete street improvements along Danville Boulevard between Jackson Way and Stone Valley Road in Downtown Alamo. Construction is scheduled for the summer of 2021. Funds collected from developers, Federal Highway Safety Improvement Program (HSIP), and Measure J, fund this project.
- II-2. Freeman Road and Briones Valley Road Bridge Maintenance Project – This project is to perform bridge maintenance by removing and application of paint to the steel bridge structure. Construction schedule is pending the award of the federal grant. A federal grant and Gas Taxes fund this project.
- II-3. Happy Valley Road Embankment Repair – This project is to repair an existing slide along Happy Valley Road and restore the roadway to its original pavement width. Construction is expected in 2020. A federal grant and Gas Taxes fund this project.
- II-4. Norris Canyon Road Safety Improvements – West of Ashbourne Drive – This project is to widen a rural section of roadway for shoulders and bike lane. Construction is projected for 2022. This project is funding by Gas Tax Funds.
- II-5. Pinehurst Road Sinkhole and Culvert Repair – This project is to repair the undermining of the culvert and roadway. Construction is scheduled for 2020. A federal grant and Gas Taxes fund this project.
- II-6. Pleasant Hill Road Bridge Rehabilitation (Bridge No. 28C0154) – This project is to extend the service life of the Pleasant Hill Road Bridge over Taylor Boulevard. Construction is estimated for 2022. Highway Bridge Program (HBP) and Gas Taxes fund this project.
- II-7. Treat Boulevard Corridor Improvements – This project is to improve safety and connectivity for pedestrian and bicyclist along Treat Boulevard between North Main Street and Jones Road. Construction is scheduled for 2024. The State Transportation Improvement Program (STIP) and Gas Taxes fund this project.

- II-8. Walnut Creek Crosswalk Improvements – This project is to improve pedestrian safety at two crosswalk locations near unincorporated Walnut Creek. One of the two crossings is located in District II at the intersection of Olympic Boulevard and Bridgefield Road. The project is scheduled for construction in the summer of 2020. The Highway Safety Improvement Program (HSIP), Transportation Development Act (TDA), and Gas Taxes fund this project.

**Contra Costa County
Capital Road Improvement & Preservation Program**

PROJECT NAME Danville **Boulevard**/Orchard **Court** Complete Streets Improvements

PROJECT DESCRIPTION This project is to construct a roundabout at the Danville Boulevard/Orchard Court intersection and install complete street improvements along Danville Boulevard between Jackson Way and Stone Valley Road in Downtown Alamo. Construction is schedule for construction in the summer of 2021. This project is funded by Highway Safety Improvement Program (HSIP), Measure J, and Developer Fees.

PURPOSE AND NEED The Danville Boulevard/Orchard Court intersection is ranked within the top five locations in the County with the highest number of bicycle and/or pedestrian collisions at an intersection. The increased amount of motorized and non-motorized users is due to this corridor being part of Downtown Alamo, with the Alamo Plaza shopping center on one side and another shopping center across the street. Mature trees in the sidewalk have damaged the existing sidewalks and made them uneven. The project aims to improve safety through the corridor for all users by improving sidewalks to meet ADA requirements and reducing conflicts at this intersection.

PROJECT NAME Freeman Road and Briones Valley Road Bridge Maintenance Project

PROJECT DESCRIPTION In District II, Freeman Road Bridge Maintenance Project over Las Trampas Creek is to clean and repaint all structural steel members, replace joint seals at the abutments, backfill any eroded embankment slope paving with concrete, and seal the concrete curbs and roadway deck.

In District III, Briones Valley Road Preventative Maintenance project includes repainting the bridge superstructure and replacing or tightening all bolted connections between the deck and steel plates.

PURPOSE AND NEED This is a bridge maintenance project to paint the bridge for long-term upkeep of the bridge.

PROJECT NAME Happy Valley Road – Embankment Repair

Source: County GIS

Contra Costa County
Capital Road Improvement & Preservation Program

PROJECT NAME Norris Canyon Road Safety Improvements

PROJECT DESCRIPTION The project will improve safety on Norris Canyon Road by widening a segment west of Ashbourne Drive to the County/City limits and installing a safety rail/guard rail on the south side of the roadway. Installation of a guardrail is warranted where the roadway is immediately adjacent to San Catanio Creek. To minimize environmental impact and avoid filling the creek bank to construct road shoulders, the proposed safety project includes construction of a retaining wall on the northside of the roadway to allow for widened shoulders and support a safety rail to keep motorists from leaving the roadway.

PURPOSE AND NEED **Currently the travel lanes vary between 7' and 10' wide with little to no shoulder for vehicles.** There is a 1:1 slope on the north and south sides of the roadway. By widening the most narrow section of roadway, vehicles will comfortably be able to drive on Norris Canyon Road without having to stop and let other vehicles through the narrow sections first. **The guardrail is also needed to ensure vehicles don't run off the road into San Catanio Creek. The creek bed is nearly a 20' drop from the travel way at a 1:1 slope. The guardrail will keep vehicles on the roadway and prevent potentially severe injury.** Pavement widening will provide a wider travel way and shoulders.

PROJECT NAME Treat Boulevard Corridor Improvements

PROJECT DESCRIPTION This project is to improve safety and connectivity for pedestrian and bicyclist along Treat Boulevard between North Main Street and Jones Road.

PURPOSE AND NEED The purpose of this project is to improve safety and connectivity for pedestrians and bicyclists along Treat Blvd. Treat Blvd currently creates challenges for the users of transit as the wide roadways (up to nine lanes) and intersections become barriers for pedestrians to cross. Without bicycle infrastructure, the first/last mile for transit users becomes even more constrained.

UNFUNDED PROJECTS – This is a comprehensive list of projects that have been conceived but not funded. This project list originated from the following sources: Area of Benefit (AOB) project lists, the Regional Transportation Plan (RTP), Comprehensive Transportation Project List (CTPL) through Contra Costa Transportation Authority (CCTA), Transportation Expenditure Plan (TEP), and a Public Works List that was generated from community input/need. District II includes Alamo AOB, South Walnut Creek AOB, South County AOB, and Central County AOB.

- II-9. Bear Creek Road & Happy Valley Road Intersection Improvements (Central County AOB) – This project proposes to construct all-way stop control at the T-intersection.
- II-10. Bear Creek Road Safety Improvement – Alhambra Valley Road to the City of Orinda (CTPL) – This project proposes to construct safety improvements along Bear Creek Road from Alhambra Valley Road to the City of Orinda.
- II-11. Boulevard Way Bicycle and Pedestrian Project (CTPL) – This project proposes to construct bicycle and pedestrian improvements along Boulevard Way.
- II-12. Danville Boulevard & Hemme Avenue Intersection Improvements (Alamo AOB) – This project proposes to extend the existing northbound left turn lane on Danville Boulevard at the intersection of Danville Boulevard and Hemme Ave. This is also located near Rancho Romero Elementary School.
- II-13. Dewing Lane Pedestrian Bridge (Central County AOB) – This project proposes to construct a pedestrian bridge over Las Trampas Creek in the vicinity of Dewing Lane (unincorporated Walnut Creek).
- II-14. Fish Ranch Road Safety Improvements - SR 24 to Grizzly Peak Road (CTPL) (Central County AOB) – This project proposes to enhance vehicle and bicycle safety by widening Fish Ranch Road to provide roadway shoulders between Grizzly Peak Road to State Route 24.
- II-15. Hemme Avenue Sidewalk (Alamo AOB) – This project proposes to extend the existing sidewalk on the north side of Hemme Avenue from Barbee Lane to La Sonoma Way, just west of Rancho Romero Elementary School.
- II-16. Hemme Avenue Sidewalk (CTPL) – This project proposes to extend the existing sidewalk on the north side of Hemme Avenue from the Rancho Romero Elementary School to the Iron Horse Trail.
- II-17. I-680 Bikeway Signage – Rudgear Road to Danville Town Limits (CTPL) – This project proposes to install signage for bicyclists in unincorporated portions of the I-680 Bikeway.

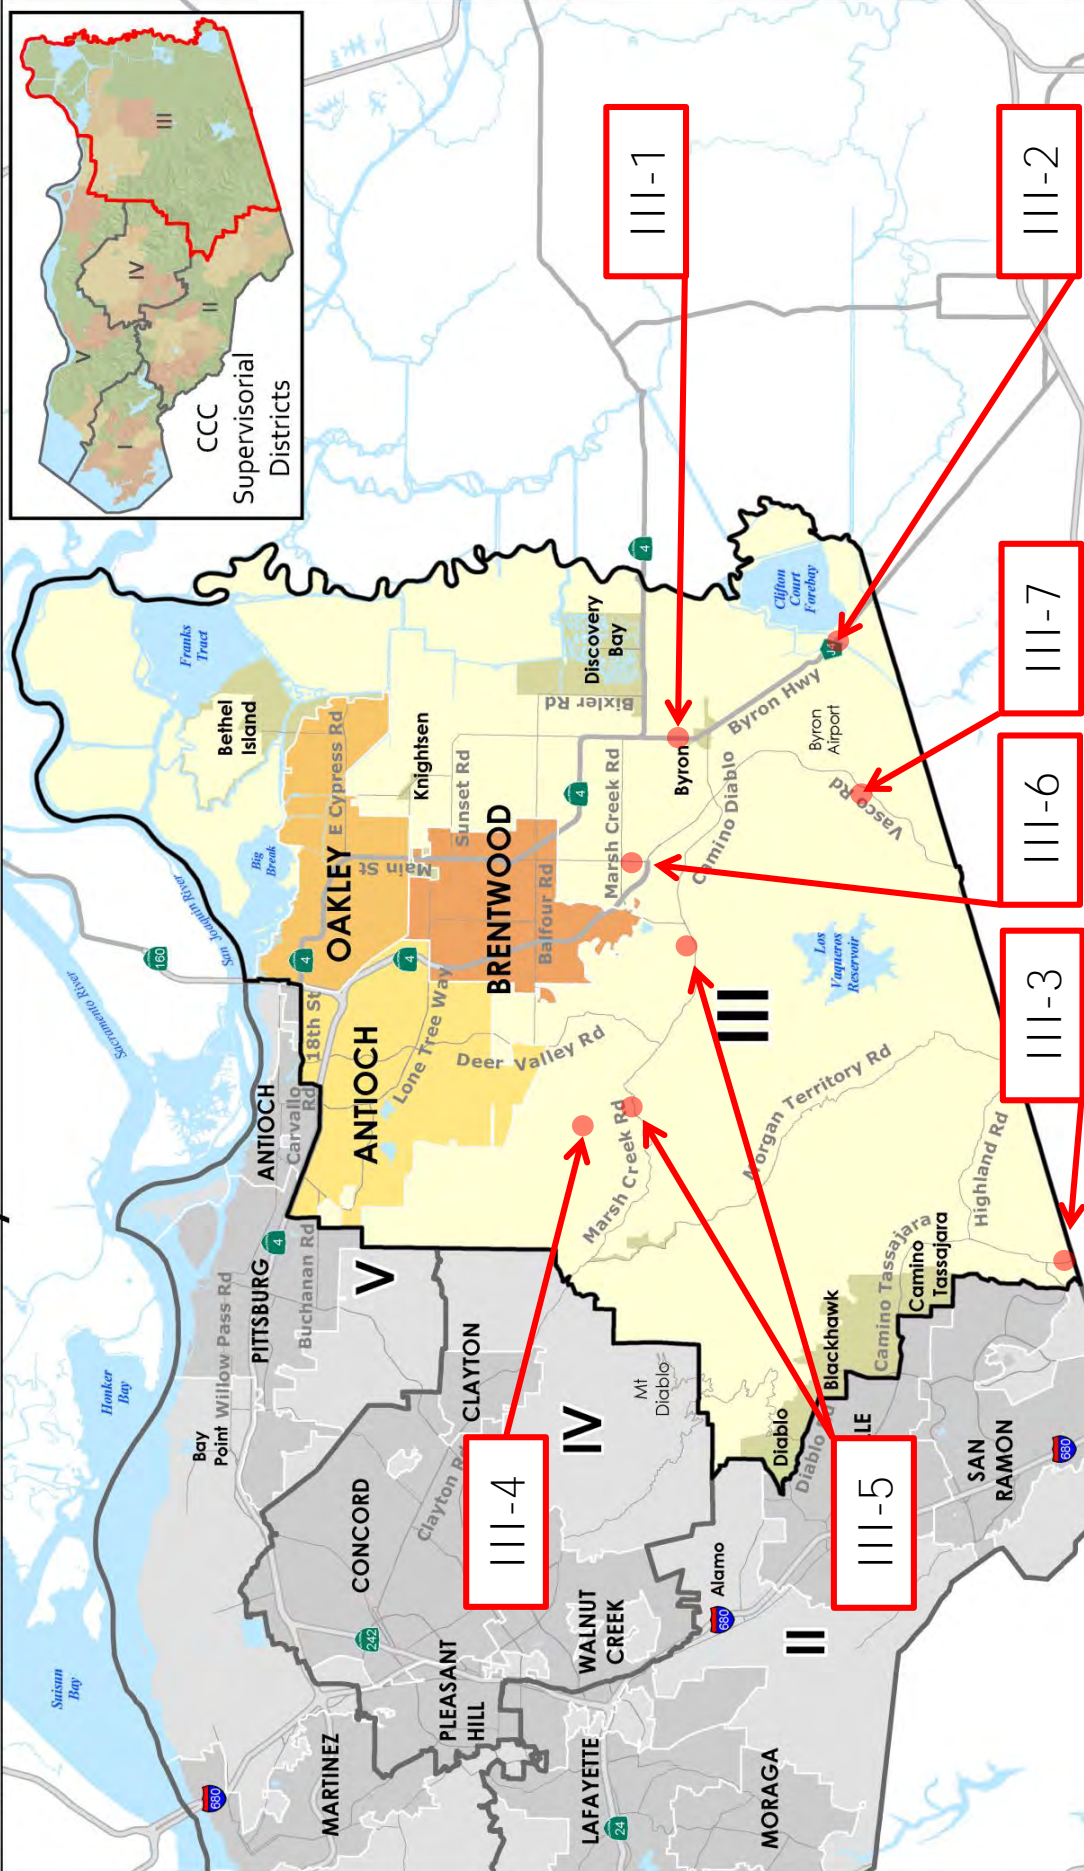

- II-18. Iron Horse Trail Flashers (CTPL) – This project proposes to install pedestrian actuated flashers at select locations along the full length of the Iron Horse Trail.
- II-19. Miranda Avenue Pathway Improvements – Stone Valley Road to Stone Valley Middle School (Alamo AOB) – This project proposes to construct sidewalk improvements along Miranda Avenue from Stone Valley Middle School to Stone Valley Road.
- II-20. Norris Canyon Road Shoulder Widening – Ashbourne Drive to Alameda County Limits (CTPL) – This project proposes to widen the shoulders along Norris Canyon Road from Ashbourne Drive to the Alameda County Line.
- II-21. Olympic Boulevard & Boulevard Way & Tice Valley Boulevard Intersection Improvements (Central County AOB) – This project proposes to construct intersection modifications to improve the traffic circulation for the south leg of the intersection of Olympic Boulevard and Tice Valley Boulevard.
- II-22. Olympic Boulevard & Bridgefield Road Signal Project (CTPL) – This project proposes to construct a traffic signal at the intersection of Olympic Boulevard and Bridgefield Road. (See also Active Project #II-4).
- II-23. Olympic Corridor Pedestrian and Bicycle Improvements (Central County AOB) – This project proposes to construct pedestrian and bicycle improvements along the Olympic Boulevard Corridor to connect South Walnut Creek.
- II-24. Pedestrian and Bicycle Improvements on Livorna Road, Stone Valley Road, and Danville Boulevard (CTPL) – This project proposes to construct pedestrian and bicycle improvements along Livorna Road, Stone Valley Road, and Danville Boulevard.
- II-25. Pedestrian Safety Improvements at Stone Valley Middle and Rancho Romero School (Alamo AOB) – This project proposes to construct pedestrian and bicycle improvements near Stone Valley Middle School and Rancho Romero Elementary School. (Also see Hemme Avenue Sidewalk project and Miranda Avenue Pathway Improvements – Stone Valley Road to Stone Valley Middle School project)
- II-26. Pinehurst Road Bicycle Improvements (Central County AOB) – This project proposes to construct bicycle turnouts/rest stops every half-mile along Pinehurst Road and Canyon Road.

- II-27. Pleasant Hill Road Bicycle Improvements – Geary Road to Taylor Boulevard (Central County AOB) – This project proposes to construct curb, gutter and sidewalk and prohibit curbside parking to create bicycle lanes along Pleasant Hill Road.
- II-28. Reliez Valley Road Bicycle Improvements – North of Grayson Road to Withers Avenue (Central County AOB) – This project proposes to construct bicycle lanes by widening the shoulders along Reliez Valley Road. There are drainage modifications and parking considerations to be resolved.
- II-29. Springbrook Road Bicycle and Pedestrian Improvements (Central County AOB) – This project proposes to construct sidewalk improvements and stripe shoulder along Springbrook Road starting near Gilmore Court to about Regency Court.
- II-30. Stone Valley Road at Roundhill Road Intersection Improvements (CTPL) – This project proposes to construct crosswalk improvements at the Roundhill Road Intersection.
- II-31. Stone Valley Road Left Turn Lane at Smith Road (CTPL) – This project proposes to install a left turn lane at Smith Road.
- II-32. Tice Valley Boulevard Bike and Pedestrian Project (Central County AOB) – This project proposes to construct bicycle and pedestrian improvements along Tice Valley Boulevard. (Also see Tice Valley Linear Park in completed projects)

2020 CRIPP – Active Project Map

- Note:
- 1) Projects are identified with Supervisor District number and project number for its District.
 - 2) County-wide Projects are not shown on this map.
 - 3) District III contains 218.91 miles of the 662.23 miles of County maintained roadway as of 1/1/2019.

CRIPP PROJECT DESCRIPTIONS FOR DISTRICT III

ACTIVE PROJECTS – These projects are fully funded and will be constructed in the near future. These active projects are mapped on the previous page.

- III-1. Byron Highway / Byer Road Safety Improvements (Discovery Bay AOB and East County Regional AOB) – This project is to install safety improvements along the frontage of Excelsior Middle School. These improvements include the construction of a left turn pocket from southbound Byron Highway to eastbound Byer Road, a two-way left turn lane on Byron Highway, and widening of the roadway shoulders. Construction is scheduled for 2021. Highway Safety Improvement Program (HSIP), Discovery Bay AOB, Gas Taxes, and East County Regional AOB fund this project.
- III-2. Byron Highway Bridge Replacement over California Aqueduct – Bridge No. 28C0121 (Project Sponsor: Dept. of Water Resources) – This project is to replace the Byron Highway Bridge, approximately 1.4 miles northwest of the Alameda County Line. Construction is projected for 2022. This project is funded with Highway Bridge Program (HBP) and Gas Taxes, and is co-sponsored with the Department of Water Resources.
- III-3. Camino Tassajara Safety Improvements – Windemere Parkway to Alameda County Line – This project is to realign and widen the Camino Tassajara at the S-curve at the County Line, south of Windemere Parkway to include additional travel lanes, bike lines, and Class I trail between the City of Dublin and County. Construction is scheduled for 2023. This project is co-sponsored with the City of Dublin. Developer Fees fund this project.
- III-4. Freeman Road and Briones Valley Road Bridge Maintenance Project – This project is to perform bridge maintenance by removing and application of paint to the steel bridge structure.
- III-5. Marsh Creek Road Bridge Replacement – Bridge No. 28C0143 & 28C0145 – This project is replace two bridges on Marsh Creek Road, located approximately 3.0 miles east of Deer Valley Road and 7.3 miles east of Morgan Territory Road. Preliminary engineering is currently underway. Construction is scheduled in 2021. Highway Bridge Program (HBP), East County Regional AOB, and Gas Taxes fund this project.
- III-6. Walnut Boulevard Shoulder Widening – This project is to construct bicycle roadway improvements along Walnut Boulevard (East County) from Marsh Creek Road to Vasco Road. Construction is projected for 2021. Transportation Development Act (TDA) and Gas Taxes fund this project.

- III-7. Vasco Road Safety Improvements (Phase 2) – This project proposes to widen the roadway and construct a median barrier for about 1.5 miles of Vasco Road, approximately 3.0 miles to 5.5 miles north of the Alameda/Contra Costa County Line. Regional Measure 3, Gas Taxes, and Measure J fund this project.

Contra Costa County
Capital Road Improvement & Preservation Program

PROJECT NAME Byron Highway/Byer Road Intersection Improvements

PROJECT DESCRIPTION This project is to install safety improvements along the frontage of Excelsior Middle School. These improvements include the construction of a left turn pocket from southbound Byron Highway to eastbound Byer Road, a two-way left turn lane on Byron Highway, and a widening of the roadway shoulders. Construction is scheduled for 2021. This project is funded by Highway Safety Improvement Program (HSIP), Discovery Bay AOB, and East County Regional AOB.

PURPOSE AND NEED The purpose of this project is to improve traffic circulation along the frontage of the Excelsior Middle School and at uncontrolled intersection of Byron Highway and Byer Road. **The Byron Union School District has requested the County's assistance in addressing a series of accidents that occurred along the frontage of the school.**

PROJECT NAME Freeman Road and Briones Valley Road Bridge Maintenance Project

PROJECT DESCRIPTION In District II, Freeman Road Bridge Maintenance Project over Las Trampas Creek is to clean and repaint all structural steel members, replace joint seals at the abutments, backfill any eroded embankment slope paving with concrete, and seal the concrete curbs and roadway deck.

In District III, Briones Valley Road Preventative Maintenance project includes repainting the bridge superstructure and replacing or tightening all bolted connections between the deck and steel plates.

PURPOSE AND NEED This is a bridge maintenance project to paint the bridge for long-term upkeep of the bridge.

PROJECT NAME Vasco Road Safety - Phase 2

PROJECT DESCRIPTION This project proposes to widen the roadway and construct a median barrier for about 1.5 miles of Vasco Road, approximately 3.0 miles to 5.5 miles north of the Alameda/Contra Costa County Line.

PURPOSE AND NEED Vasco Road is a major rural arterial that is heavily traveled by commuters and has a history of severe collisions. The project will improve safety on Vasco Road by reducing cross median crashes. These long term upgrades and improvements will provide substantial safety improvements to the roadway.

— County Maintained Roads

UNFUNDED PROJECTS – This is a comprehensive list of projects that have been conceived but not funded. This project list originated from the following sources: Area of Benefit (AOB) project lists, the Regional Transportation Plan (RTP), Comprehensive Transportation Project List (CTPL) through Contra Costa Transportation Authority (CCTA), Transportation Expenditure Plan (TEP), and a Public Works List that was generated from community input/need. District III includes the Discovery Bay AOB, East County Regional AOB, and Bethel Island AOB.

- III-8. Balfour Road & Byron Highway Intersection Improvements (East County Regional AOB) – This project proposes to install a traffic signal and exclusive left-turn lanes at the intersection of Balfour Road and Byron Highway. Left turn lanes will be installed with Balfour Road Shoulder widening (see also Balfour Road Shoulder Widening - Sellers Avenue to Bixler Road).
- III-9. Balfour Road Shoulder Widening – Deer Valley Rd to Brentwood City Limits – This project proposes to widen about 1.2 miles of Balfour Road between Deer Valley Road and Brentwood City Limits.
- III-10. Bethel Island Road & Sandmound Road Intersection Improvements– This project proposes to construct intersection improvements at the intersection of Bethel Island Road and Sandmound Boulevard.
- III-11. Bethel Island Road Improvements – Taylor Road to Sandmound Boulevard (Bethel Island AOB) – This project proposes to add bicycle and pedestrian improvements along Bethel Island Road between Sandmound Boulevard and Taylor Road.
- III-12. Bixler Road Improvements – SR 4 to Byer Road (Discovery Bay AOB) – This project proposes to widen Bixler Road to include shoulders and bike lane from State Route 4 south to Byer Road.
- III-13. Byer Road Improvements – Bixler Road to Byron Highway (Discovery Bay AOB) – This project proposes to widen Byer Road to include shoulder and bike lanes from Byron Highway east to Bixler Road.
- III-14. Byron Highway / SR4 / Point of Timber Intersection Improvements (East County Regional AOB) – This project proposes intersection improvements at the intersection of Byron Highway, State Route 4, and Point of Timber. These improvements include installation of a traffic signal and the addition of an exclusive left turn lane and an exclusive right turn lane.

- III-15. Byron Highway Safety Improvements (Various Locations) – This project proposes to construct safety improvements at various locations along Byron Highway to include shoulder widening, drainage improvements, and intersection improvements.
- III-16. Byron Highway Widening – Camino Diablo to the Alameda County Line (East County Regional AOB) – This project proposes to widen 5 miles of roadway shoulders on Byron Highway from Camino Diablo to the Alameda County Line.
- III-17. Byron Highway Widening – Chestnut Street to State Route 4 (East County Regional AOB) – This project proposes to widen shoulders for 1.6 miles of Byron Highway from Chestnut Street to State Route 4.
- III-18. Byron Highway Widening – Delta Road to Chestnut Street (East County Regional AOB) – This project proposes to widen shoulders for 2.5 miles of Byron Highway from Delta Road to Chestnut Street.
- III-19. Byron Highway Widening – SR 4 to Camino Diablo (East County Regional AOB) – This project proposes to widen shoulders along Byron Highway from State Route 4 south to Camino Diablo.
- III-20. Byron Highway Extension to Bethel Island – Delta Road to Bethel Island (CTPL) – This project proposes to extend Byron Highway northward, from its current northern terminus at Delta Road, to the East Cypress Road/Bethel Island Road intersection. Project will include the construction of a bridge over Rock Slough.
- III-21. Camino Diablo Widening – Vasco Road to Byron Highway (East County Regional AOB) – This project proposes to widen shoulders on Camino Diablo from Vasco Road east to Byron Highway.
- III-22. Camino Tassajara Safety Improvements (Various Locations) – This project proposes to construct roadway and intersection improvements along Camino Tassajara to include shoulder widening and drainage improvements (Also see Active Project III-3).
- III-23. Chestnut Street Widening – Sellers Avenue to Byron Highway (East County Regional AOB) – This project proposes to widen shoulders along Chestnut Street from Sellers Avenue east to Byron Highway.
- III-24. Clifton Court Road Bridge Repair (Bridge No. 28C0403) – This project is to repair and maintain the bridge on Clifton Court Road.
- III-25. Clipper Drive Improvements - Newport Drive to Discovery Bay Boulevard (Discovery Bay AOB) – This project proposes to construct traffic calming measures along Clipper Drive from Newport Drive east to Discovery Bay Boulevard.

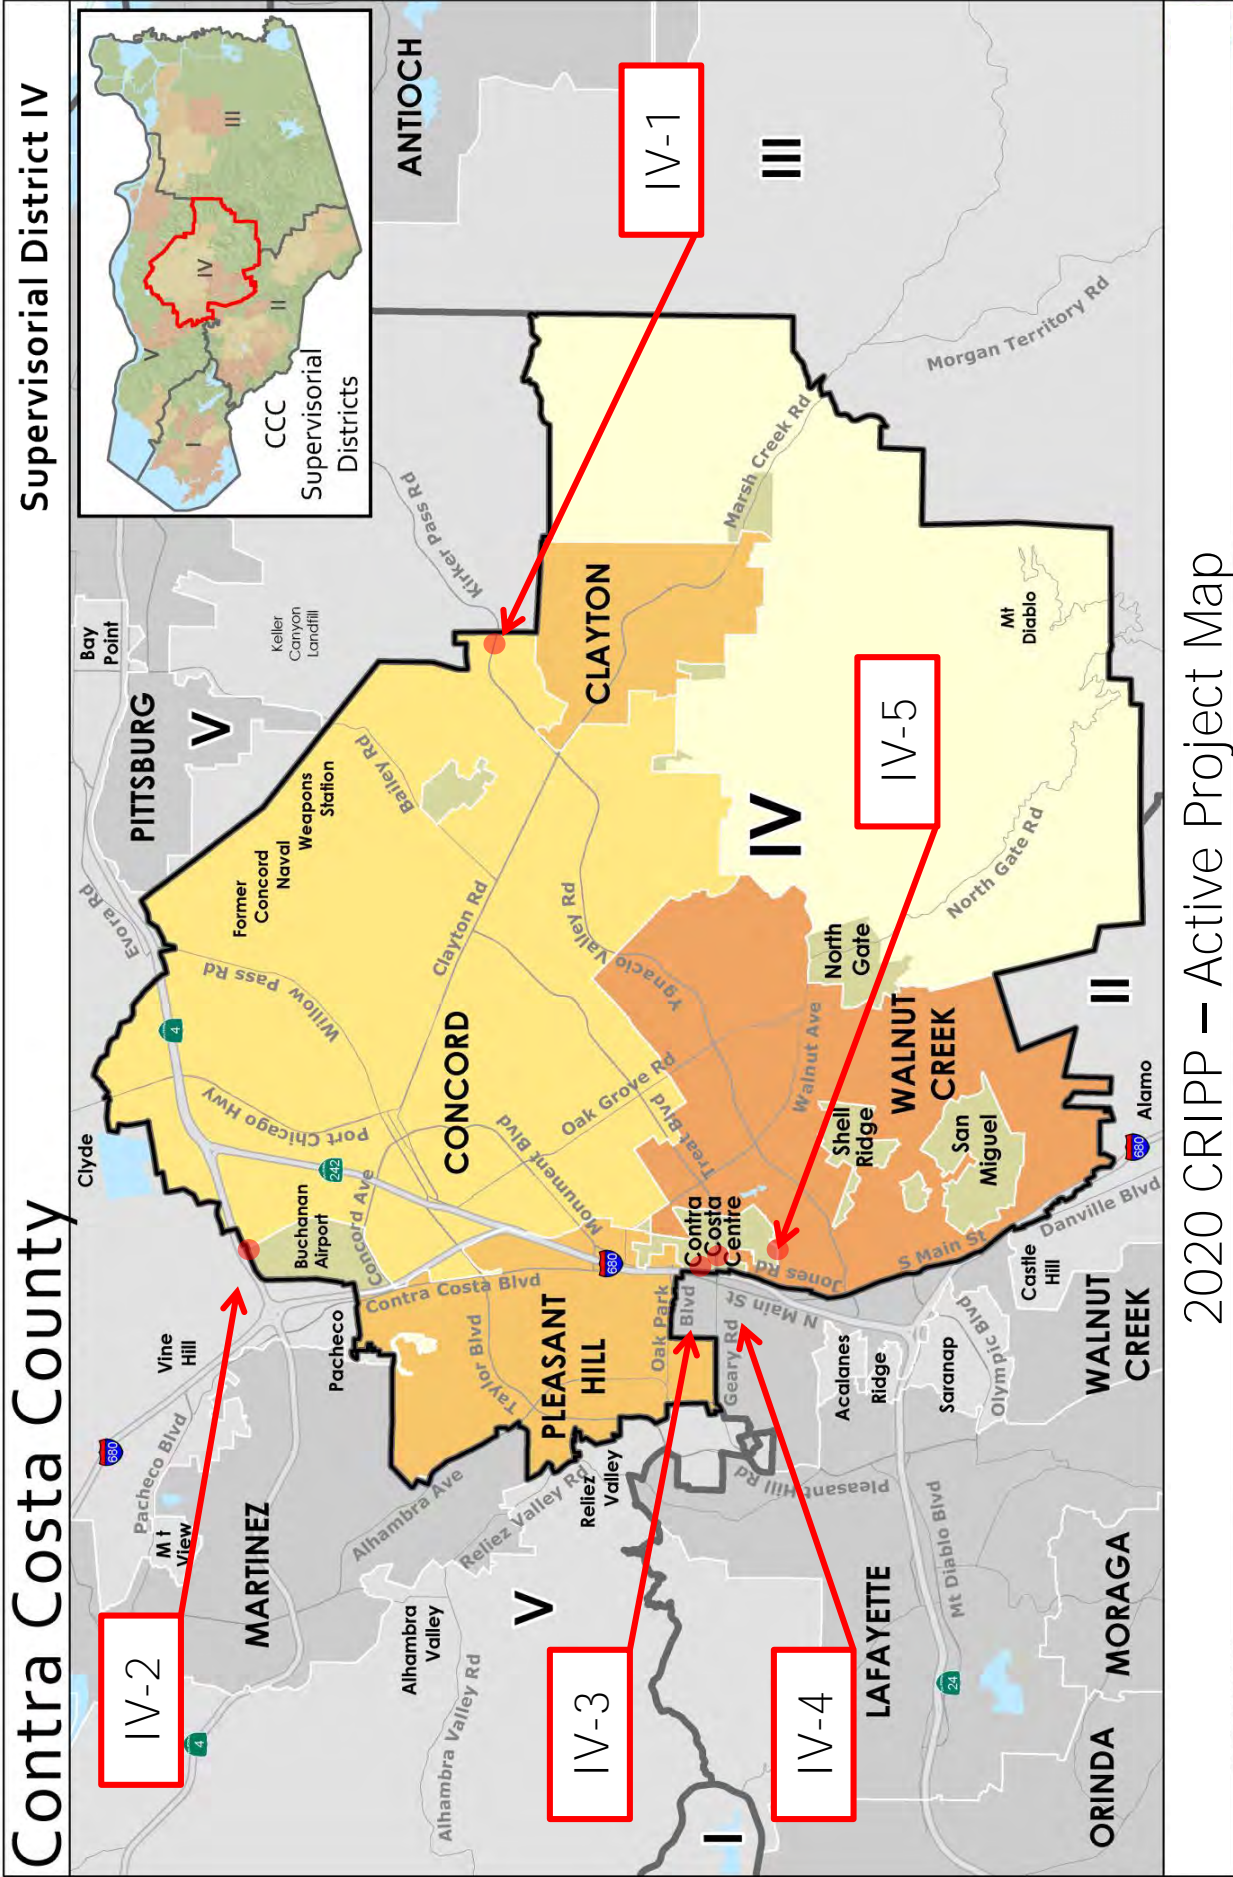

-
- III-26. Deer Valley Road Safety Improvements (Various Locations) – This project proposes to construct safety improvements along Deer Valley Road at various locations.
- III-27. Delta Road Sidewalk & Bike Lanes Project – Knightsen Avenue to Knightsen Elementary School (CTPL) – This project proposes to construct sidewalk and Class II bike lanes along Delta Road.
- III-28. Delta Road Widening – Byron Highway to Holland Tract Road (East County Regional AOB) – This project proposes to widen shoulders for about 1.7 miles of Delta Road from Byron Highway to Holland Tract Road.
- III-29. Delta Road Widening – Sellers Avenue to Byron Highway (East County Regional AOB) – This project proposes to widen shoulders for about 2.0 miles of Delta Road from Sellers Avenue to Byron Highway.
- III-30. Discovery Bay Boulevard & Clipper Drive Intersection Improvements (Discovery Bay AOB) – This project proposes to modify intersection traffic control to improve level of service at the intersection of Discovery Bay Boulevard and Clipper Drive.
- III-31. Eden Plains Road Widening – Sunset Road to Marshall Court (CTPL) – This project proposes to widen Eden Plains Road to two-lane arterial standard design, with two 12-foot lanes and paved shoulders on both sides of the street.
- III-32. Gateway Road Project – Bethel Island Road to Piper Road (Bethel Island AOB) – This project proposes to provide walkable shoulders and bikeway for about 1.0 mile of Gateway Road from Bethel Island Road to Piper Road.
- III-33. Highland Road Improvements – Camino Tassajara to Alameda County Line – This project proposes to construct safety improvements along Highland Road from Camino Tassajara to the Alameda County Line.
- III-34. Holway Drive Safety Improvements – Main Street to Camino Diablo Road (CTPL) – This project proposes to connect sidewalks, curb ramps, and crosswalks.
- III-35. Knightsen Avenue & Delta Road Intersection Improvements (East County Regional AOB) – This project proposes to install a new traffic signal and exclusive left turn lanes at the intersection of Knightsen Avenue and Delta Road.
- III-36. Knightsen Avenue Widening – East Cypress Road to Delta Road (East County Regional AOB) – This project proposes to widen shoulders for about 1.6 miles of Knightsen Avenue from East Cypress Road to Delta Road.

- III-37. Knightsen Avenue/Eden Plains Road Widening – Delta Road to Chestnut Street (East County Regional AOB) – This project proposes to widen shoulders for about 2.6 miles of Knightsen Avenue/Eden Plains Road from Delta Road to Chestnut Street.
- III-38. Lone Tree Way Bike Lane Gap Closure – Anderson Lane to Virginia Drive (CTPL) – This project proposes to provide Class II bike lanes.
- III-39. Marsh Creek Road & Camino Diablo Intersection Improvements – This project proposes to construct safety improvements at the intersection of Marsh Creek Road and Camino Diablo.
- III-40. Marsh Creek Road & Deer Valley Road Intersection Improvements – This project proposes to widen the roadway and construct turn pockets at the intersection of Marsh Creek Road and Deer Valley Road.
- III-41. Marsh Creek Road and Morgan Territory Road Intersection Improvements (CTPL) – This project proposes to widen the travel lanes and the shoulders.
- III-42. Marsh Creek Road Improvements (East County Regional AOB) – This project is to construct various roadway and intersection improvements along Marsh Creek Road to include shoulder widening to enhance bicycle use and drainage improvements. (Also see Marsh Creek Road Realignment & Safety Improvements, III-43)
- III-43. Marsh Creek Trail – This project is to close the 15-mile bike and pedestrian gap along Marsh Creek Road between Clayton and Brentwood. This project is to construct a bicycle and pedestrian facility from the City of Clayton to East Bay **Regional Park District's Round Hill Park. The existing trail in Brentwood is to be** extended by others to Round Hill Park. The overall intent is to provide a commuter bicycle trail, which connects Central County to East County. Project continues into District IV.
- III-44. Morgan Territory Road Safety Improvements (various locations) – This project proposes to construct safety improvements at various locations along Morgan Territory Road.
- III-45. Piper Road Project – Gateway Road to Willow Road (Bethel Island AOB) – This project proposes to provide bicycle and pedestrian improvements on Piper Road (Bethel Island) from Gateway Road to Willow Road.

- III-46. Sandmound Boulevard Improvements – Mariner Road to Cypress Road (Bethel Island AOB) – This project proposes to install bicycle and pedestrian improvements along 1.1 miles of Sandmound Boulevard from Mariner Road to Cypress Road.
- III-47. Sandmound Boulevard Widening – Oakley City Limits to Mariner Road (Bethel Island AOB) – This project proposes to widen travel lanes and improve shoulders for about 0.3 miles of Sandmound Boulevard from Oakley City Limits to Mariner Road.
- III-48. Sellers Avenue & Balfour Road Intersection Improvements (East County Regional AOB) – This project proposes to install a new traffic signal and exclusive left-turn lanes at the intersection of Sellers Avenue and Balfour Road.
- III-49. Sellers Avenue & Chestnut Avenue Intersection Improvements (East County Regional AOB) – This project proposes to install a new traffic signal and exclusive left-turn lane at the intersection of Sellers Avenue and Chestnut Avenue.
- III-50. Sellers Avenue & Marsh Creek Road Intersection Improvements (East County Regional AOB) – This project proposes to install a new traffic signal at the intersection of Sellers Avenue and Marsh Creek Road in cooperation with Caltrans.
- III-51. Sellers Avenue & Sunset Road Intersection Improvements (East County Regional AOB) – This project proposes to install a new traffic signal and exclusive left-turn lanes at the intersection of Sellers Avenue and Sunset Road.
- III-52. Sellers Avenue Widening – Delta Road to Chestnut Street (East County Regional AOB) – This project proposes to widen about 2.5 miles of Sellers Avenue from Delta Road to Chestnut Street.
- III-53. Sellers Avenue Widening – Main Canal to Marsh Creek Road (East County Regional AOB) – This project proposes to widen shoulders for about 1.5 miles of Sellers Avenue from the ECCID canal south to Marsh Creek Road.
- III-54. SR239/Trilink: Vasco Road-Byron Highway Connector – This project proposes to construct a new roadway as part of the future Route 239 connector between Vasco Road and Byron Highway.
- III-55. State Route 4 & Byron Highway (South) Intersection Widening – Phase 2 (East County Regional AOB) – This project proposes to widen the existing pavement on Byron Highway's **portion of** the intersection to provide turn lanes onto State Route 4.

- III-56. State Route 4 & Newport Drive Signal (Discovery Bay AOB) – This project proposes to install a new traffic signal at the intersection of State Route 4 and Newport Drive in cooperation with Caltrans. Community support is a key aspect to this project.
- III-57. State Route 4 Widening – Bixler Road to Discovery Bay Boulevard – Complete Streets and Bridge Widening (Discovery Bay AOB) – This project proposes to widen about 1.2 miles of State Route 4 from Bixler Road to Discovery Bay Boulevard in cooperation with Caltrans.
- III-58. State Route 4 Widening – Byron Highway to Regatta Drive (Discovery Bay AOB) – This project proposes to widen State Route 4 between Byron Highway and Regatta Drive.
- III-59. Sunset Road Widening – Sellers Avenue to Byron Highway (East County Regional AOB) – This project proposes to widen shoulders for about 2.0 miles of Sunset Road from Sellers Avenue to Byron Highway.
- III-60. Vasco Road / Camino Diablo Intersection Improvements (East County Regional AOB) – This project is to modify the intersection at Vasco Road and Camino Diablo. Improvements include dual left turn lanes on westbound Camino Diablo, dual right turn lanes on eastbound Camino Diablo, lengthen the 4-lane section on Vasco Road near the intersection, and maintain the exclusive right lane on northbound Vasco Road.

Board of Supervisor District IV

2020 CRIPP – Active Project Map

Note: 1) Projects are identified with Supervisor District number and project number for its District.
 2) County-wide Projects are not shown on this map.
 3) District IV contains 40.07 miles of the 662.23 miles of County maintained roadway as of 1/1/2019.

CRIPP PROJECT DESCRIPTIONS FOR DISTRICT IV

ACTIVE PROJECTS – These projects are fully funded and will be constructed in the near future. These active projects are mapped on the previous page.

- IV-1. Kirker Pass Road Northbound Truck Climbing Lane – This project is to construct a truck-climbing lane in the northbound direction from Clearbrook Drive to the northern Hess Road intersection. The project started construction in 2019. State Transportation Improvement Program (STIP), Gas Taxes, and Measure J fund this project.

In addition, this project is to conduct pavement rehabilitation on a portion of Kirker Pass Road from the City of Concord/County boundary to approximately 4,200 feet of the northern Hess Road intersection. This project is scheduled for construction in 2020 after the Northbound Truck Climbing Lane Project. The One Bay Area Grant (OBAG) and Gas Taxes fund this project.

- IV-2. Marsh Drive Bridge Replacement – This project is to remove and replace the existing Marsh Drive Bridge in cooperation with the City of Concord. Construction is scheduled for 2021. Highway Bridge Program (HBP) and Gas Taxes fund this project.
- IV-3. Oak Road Bikeway Project – This project is to improve bicyclist safety by providing Class II bicycle lanes and related improvements on Oak Road between Treat Boulevard and Buskirk Avenue in unincorporated Walnut Creek. Construction is scheduled for 2021. Transportation Development Act (TDA) and Gas Taxes fund this project.
- IV-4. Treat Boulevard Corridor Improvements – This project is to improve safety and connectivity for pedestrian and bicyclist along Treat Boulevard between North Main Street and Jones Road. Construction is scheduled for 2024. State Transportation Improvement Program (STIP) and Gas Taxes fund this project.
- IV-5. Walnut Creek Crosswalk Improvements – This project is to improve pedestrian safety at two crosswalk locations in unincorporated Walnut Creek. One of the crossings, located in District IV, is at the intersection of Walden Road and Westcliffe Lane. The project is scheduled for construction in the summer of 2020. The Highway Safety Improvement Program (HSIP), Transportation Development Act (TDA), and Gas Taxes fund this project.

**Contra Costa County
Capital Road Improvement & Preservation Program**

PROJECT NAME Kirker Pass Road Northbound Truck **Climbing** Lane

PROJECT DESCRIPTION This project is to widen Kirker Pass Road to add a northbound truck-climbing lane. Construction started in 2019. State Transportation Improvement Program (STIP), Measure J, and Gas Taxes fund this project.

In addition, this project is to conduct pavement rehabilitation on a portion of Kirker Pass Road from the City of Concord/County boundary to approximately 4,200 feet of the northern Hess Road intersection. The One Bay Area Grant (OBAG) and Gas Taxes fund this project.

PURPOSE AND NEED Reduce congestion and improve safety along Kirker Pass Road.

PROJECT NAME Treat Boulevard Corridor Improvements

PROJECT DESCRIPTION This project is to improve safety and connectivity for pedestrian and bicyclist along Treat Boulevard between North Main Street and Jones Road.

PURPOSE AND NEED The purpose of this project is to improve safety and connectivity for pedestrians and bicyclists along Treat Blvd. Treat Blvd currently creates challenges for the users of transit as the wide roadways (up to nine lanes) and intersections become barriers for pedestrians to cross. Without bicycle infrastructure, the first/last mile for transit users becomes even more constrained.

Note: See Board of Supervisor District II for other project site.

Legend:

County Maintained Roads

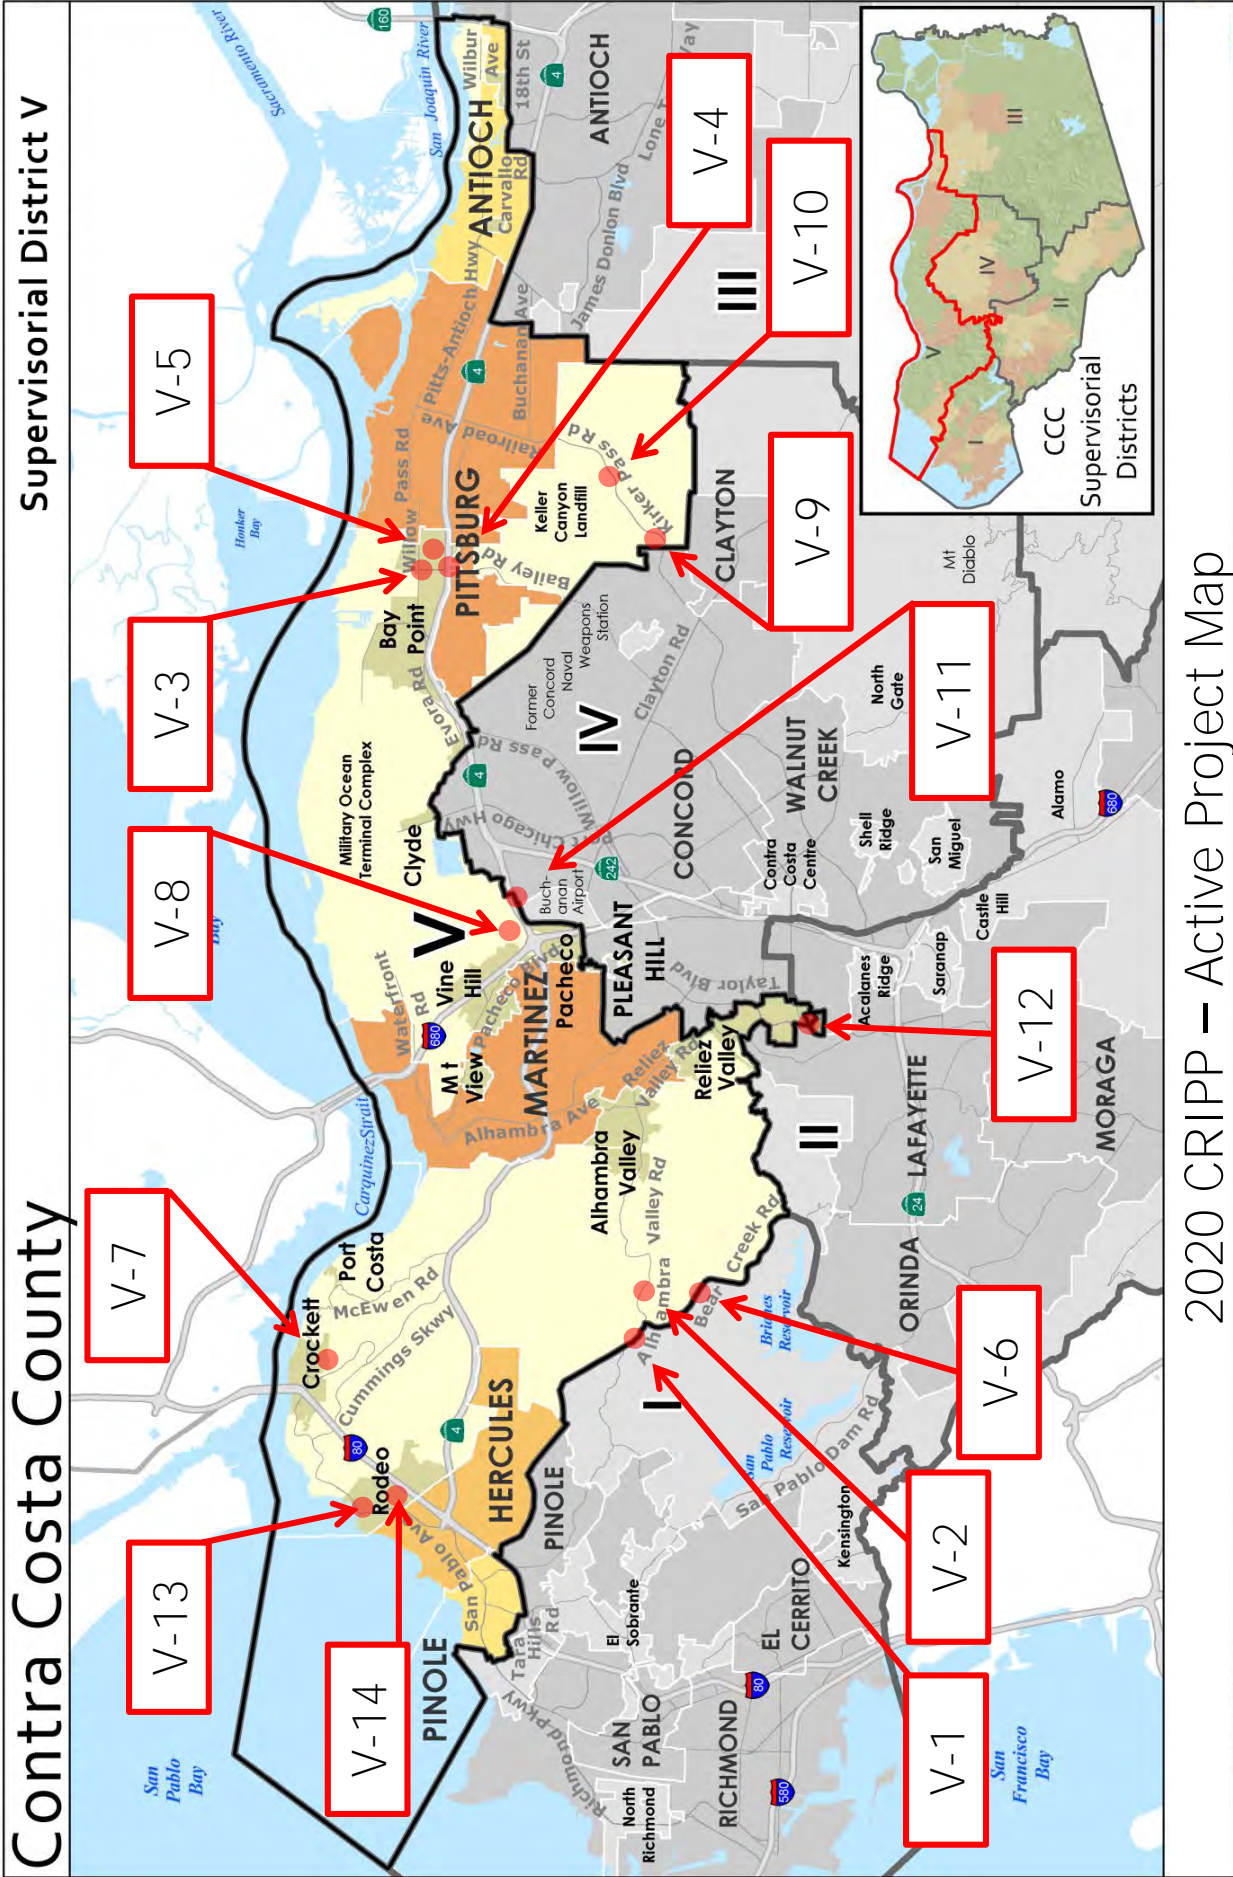

UNFUNDED PROJECTS – This is a comprehensive list of projects that have been conceived but not funded. This project list originated from the following sources: Area of Benefit (AOB) project lists the Regional Transportation Plan (RTP), Comprehensive Transportation Project List (CTPL) through Contra Costa Transportation Authority (CCTA), Transportation Expenditure Plan (TEP), and a Public Works List that was generated from community input/need. District IV includes Pacheco AOB, Central County AOB, East County Regional AOB, and South Walnut Creek AOB.

- IV-6. Ayers Road & Concord Boulevard Intersection Improvements (Central County AOB) – This project proposes to add a southbound right-turn lane and sidewalk at the intersection of Ayers Road and Concord Boulevard.
- IV-7. Ayers Road & Laurel Avenue Intersection Improvements (Central County AOB) – This project proposes to widen the approaches to the intersection at Ayers Road and Laurel Drive and to install new curb, gutter, sidewalk, and traffic signal. Improvements require coordination with the City of Concord.
- IV-8. Bailey Road & Myrtle Drive Intersection Improvements (Central County AOB) – This project proposes to improve the safety at the intersection at Bailey Road and Myrtle Drive by widening Bailey Road for a new through-lane and westbound left turn pocket.
- IV-9. Bailey Road Improvements – Myrtle Drive to Concord City Limits (Central County AOB) – This project proposes to add shoulders north and south of Myrtle Drive to the Concord City Limits.
- IV-10. Buskirk Avenue Improvements – Treat Boulevard to Pleasant Hill City Limits (Central County AOB) – This project proposes to widen the roadway along Buskirk Avenue from Treat Boulevard to the Pleasant Hill City limit.
- IV-11. Concord Avenue Shared Use Path (Pacheco AOB) – This project proposes to **construct a 10' wide Class I** shared use path on the south side of Concord Avenue from Contra Costa Boulevard to the Iron Horse Trail.
- IV-12. Iron Horse Trail Flashers (CTPL) – This project proposes to add pedestrian crossing flashers along the Iron Horse Trail to improve pedestrian safety at trail crossings.
- IV-13. Jones Road Bike Route Project – Oak Road to Canal Trail (CTPL) – This project proposes to provide a Class III bike route.
- IV-14. Kirker Pass Road Bicycle Project (CTPL) – This project proposes to provide Class II bike lanes from the City of Pittsburg to the City of Concord.

- IV-15. Las Juntas Way & Coggins Drive Intersection Improvements (Central County AOB) – This project proposes to improve the intersection level of service through intersection modifications at Las Juntas Way and Coggins Drive near the Pleasant Hill Bart Station.
- IV-16. Marsh Creek Trail (CTPL) – This project proposes to construct a bicycle and pedestrian facility and close the 15-mile bike and pedestrian gap along Marsh Creek Road between Clayton and Brentwood. The existing trail in Brentwood is to be extended by others to Round Hill Park. The overall intent is to provide a commuter bicycle trail which connects Central County to East County (Also see District III).
- IV-17. Marsh Drive Improvements – Center Avenue to Walnut Creek Bridge (Pacheco AOB) – This project proposes to widen or restripe the roadway to provide shoulders/bike lanes on both sides of Marsh Drive from Center Avenue up to the Walnut Creek Bridge (near the Iron Horse Trail).
- IV-18. Marshall Drive Sidewalk – Indian Valley Elementary School / City of Walnut Creek to El Verano Drive (CTPL) – This project proposes to construct sidewalk on both sides of Marshall Drive. This is about a one-mile segment of roadway.
- IV-19. Mayhew Way Bicycle and Pedestrian Improvements – 200' west of Oberon Drive to Bancroft Road (Central County AOB) – This project proposes to construct bicycle and pedestrian improvements along Mayhew Way from Bancroft Road to 200' west of Oberon Drive (Pleasant Hill City Limit).
- IV-20. Mitchell Canyon Road Bike Lanes – This project proposes to widen about one mile of roadway to install Class II bike lanes to connect the City of Clayton and the Mitchell Canyon Staging area for Mount Diablo State Park. Areas of limited sight distance make it difficult for cars to anticipate bicyclist on the narrow two-lane roadway.
- IV-21. Mountain View Boulevard Pedestrian Improvements – San Miguel Drive to Walnut Boulevard (Central County AOB) – This project proposes to construct pedestrian and bicycle facilities along Mountain View Boulevard from San Miguel Drive to Walnut Boulevard.
- IV-22. Pleasant Hill BART Station Bicycle and Pedestrian Access (CTPL) – This project proposes to construct and improve bicycle and pedestrian access to the Pleasant Hill BART Station.
- IV-23. Reliez Valley Road Bicycle Improvements – North of Grayson Road to Withers Avenue (Central County AOB) – This project proposes to install bicycle improvements along Reliez Valley Road between Grayson Road to Withers Avenue.

- IV-24. Rudgear Road & San Miguel Drive Intersection Safety Improvements (Central County AOB) – This project proposes to construct safety and efficiency improvements at the intersection of Rudgear Road and San Miguel Drive.
- IV-25. San Miguel Drive Bicycle and Pedestrian Improvements (Central County AOB) – This project proposes to construct a pedestrian path along the west side of San Miguel Drive from Blackwood Drive to Rudgear Road.
- IV-26. Treat Boulevard & Jones Road Intersection Improvements (Central County AOB) – This project proposes to modify the intersection in order to improve the level of service at the intersection of Treat Boulevard and Jones Road. On the southbound approach, an additional southbound left turn bay is proposed. On the northbound approach, a separate northbound right turn lane is proposed.
- IV-27. Treat Boulevard Bicycle Improvements – Jones Road easterly to Walnut Creek City Limits (Central County AOB) – This project proposes to improve bicycle accessibility and safety along Treat Boulevard.
- IV-28. Walnut Boulevard Pedestrian Improvements – View Lane to 250' west of Walnut Court (Central County AOB) – This project proposes to construct pedestrian and bicycle facilities along Walnut Boulevard **from View land to 250' west** of Walnut Court.

Board of Supervisor District V

2020 CRIPP – Active Project Map

- Note:
- 1) Projects are identified with Supervisor District number and project number for its District.
 - 2) County-wide Projects are not shown on this map.
 - 3) District V contains 181.49 miles of the 662.23 miles of County maintained roadway as of 1/1/2019.

CRIPP PROJECT DESCRIPTIONS FOR DISTRICT V

ACTIVE PROJECTS – These projects are fully funded and will be constructed in the near future. These active projects are mapped on the previous page.

- V-1. **Alhambra Valley Road Embankment Repair** – 0.4 miles west of Bear Creek Road – This project proposes to repair an existing slide along Alhambra Valley Road (approximately 0.4 miles west of Bear Creek Road). Currently the one-way traffic control is established around the eroded embankment. Construction is expected in 2020. Measure J and Gas Taxes fund this project.
- V-2. **Alhambra Valley Road Storm Repair Project – Ferndale Site** – This project is to repair storm damage to Alhambra Valley Road. Construction is schedule for 2020. Measure J and Gas Taxes fund this project.
- V-3. **Bay Point Utility Undergrounding Project** – This project is to relocate overhead utilities into a trench along Bailey Road and Willow Pass Road. Construction started in 2018 and expected to be completed in 2021. Navy Mitigation, Gas Taxes, and Rule 20A work credits through PG&E fund this project.
- V-4. **Bailey Road/SR4 Interchange Improvements** – This project is to modify the intersection at State Route 4 and Bailey Road. Improvements will encourage pedestrian safety by changing the traffic circulation at the off-ramps. An additional traffic signal will be installed for the new interchange configuration. Bicyclist will also benefit from the intersection revisions. Construction is scheduled for 2020. Funding is provided by Active Transportation Program (ATP), Bay Point AOB, Measure J, Navy Mitigation Fund, and Gas Tax Funds.
- V-5. **Bear Creek Road – Road Embankment Repair** – This project proposes to repair the roadway embankment along Bear Creek Road. Currently the one-way traffic control is established around the eroded embankment. Construction is expected in 2020. Gas Taxes fund this project.
- V-6. **Bel Air Trail Crossing Project** – This project is to construct safety improvements at the Bel Air Trail Crossing on Madison Avenue which is behind the Bel Air Elementary School in Bay Point. Sidewalk (gap closure) improvements will also take place along Madison Avenue where there is only a dirt shoulder. Construction is scheduled for 2020. Transportation Development Act and Gas Taxes fund this project.

- V-7. **Crockett Area Guardrail Upgrades** – This project is to remove existing guardrails and end treatments and replace them with current Caltrans standard guardrails and end treatments on arterials and major collector roadways in the unincorporated Crockett area. Construction is scheduled for 2022. Gas Taxes and the Highway Safety Improvement Program (HSIP) fund this project.
- V-8. **Imhoff Drive Bicycle Shoulder Restriping** – This project will stripe shoulders to create Class II bike lanes for bicyclists to utilize for travel for 0.3 miles along Imhoff Drive between Blum Road and the State Route 4 Bikeway east of Waterbird Way within the existing roadway. Construction is scheduled for 2022. The Transportation Development Act (TDA) and Gas Taxes fund this project.
- V-9. **Kirker Pass Road Northbound Truck Climbing Lane** – This project is to widen Kirker Pass Road to add a northbound truck-climbing lane. Construction started in 2019. State Transportation Improvement Program (STIP), Measure J, and Gas Taxes fund this project.
- In addition, this project is to conduct pavement rehabilitation on a portion of Kirker Pass Road from the City of Concord/County boundary to approximately 4,200 feet of the northern Hess Road intersection. This project is scheduled for construction in 2020 after the Northbound Truck Climbing Lane Project. The One Bay Area Grant (OBAG) and Gas Taxes fund this project.
- V-10. **Kirker Pass Road Safety Project** – This project is to improve driver safety and awareness and reduce the severity of collision events along 3.1-mile segment of Kirker Pass Road between the city borders of Concord and Pittsburg. Construction is scheduled for 2022. Gas Taxes and Federal Highway Safety Improvement Program (HSIP) fund this project.
- V-11. **Marsh Drive Bridge Replacement** – This project is to remove and replace the existing Marsh Drive Bridge in cooperation with the City of Concord. Construction is scheduled for 2021. Highway Bridge Program (HBP) and Gas Taxes fund this project.
- V-12. **Pleasant Hill Road Bridge Rehabilitation (Bridge No. 28C0154)** – This project is to extend the service life of the Pleasant Hill Road Bridge over Taylor Boulevard. Construction is schedule for 2022. Highway Bridge Program (HBP) and Gas Taxes fund this project.
- V-13. **Rodeo Downtown Infrastructure Improvements** – This project is to construct sidewalks and curb ramps along Pacific Avenue and a section along Parker Avenue near 7th Street. Project is to improve pedestrian access to Rodeo Creek Trail on Investment Street and fill in sidewalk gap segments. Construction is scheduled for 2020. Department of Conservation and Development, Transportation Development Act, and Gas Taxes fund this project.

- V-14. **Rodeo Pedestrian Enhancement Project** – 6th and 7th Street – This project will install two ADA curb ramps on Parker Avenue at 6th Street and three rapid repeating flash beacons. Along 7th Street, pedestrian crossing enhancements are to be constructed in front of Saint Patrick School. Construction is scheduled for 2021. This project is funded by the Transportation Development Act and Gas Tax Funds.

Contra Costa County
Capital Road Improvement & Preservation Program

PROJECT NAME Alhambra Valley Road Embankment Repair

PROJECT DESCRIPTION This project proposes to repair an existing slide along Alhambra Valley Road (approximately 0.4 miles west of Bear Creek Road). Currently the one-way traffic control is established around the eroded embankment. Construction is expected in 2020. Measure J and Gas Taxes fund this project.

PURPOSE AND NEED Purpose is to re-established the roadway to accommodate two-lanes of traffic and widen the roadway for shoulders

**Contra Costa County
Capital Road Improvement & Preservation Program**

PROJECT NAME Alhambra Valley Road **Storm Repair Project** - Ferndale Site

PROJECT DESCRIPTION This project is to repair storm damage to Alhambra Valley Road. Construction is schedule for 2020. Measure J and Gas Taxes fund this project.

PURPOSE AND NEED To reconstruct the road embankment and restore the eastbound lane of Alhambra Valley Road which was washed out/slid in the January 2017 storm events.

Currently, Alhambra Valley Road has been reduced to a single lane. The eastbound lane has been closed off with concrete K-Rail and stop signs have been installed on both sides of partial lane closure to allow one-way traffic. The proposed project will restore the eastbound lane of the road to traffic and allow unimpeded traffic flow.

PROJECT NAME Bailey Road/SR 4 Interchange Improvements

PROJECT DESCRIPTION This project will improve safety and circulation of pedestrians and bicyclists along Bailey Road through the State Route 4 (SR4) interchange. Construction is scheduled for 2020. Funding is provided by Active Transportation Program (ATP), Bay Point AOB, Measure J, Navy Mitigation Fund, and Gas Tax Funds.

PURPOSE AND NEED The project will improve safety and circulation of pedestrians and bicyclists along Bailey Road through the State Route 4 (SR4) Interchange. Bailey Road is a principal arterial road that connects residents to the Pittsburg/Bay Point BART station, Bel Air Elementary School, Delta De Anza Regional Trail and nearby commercial areas.

PROJECT NAME Bear Creek Road - Road Embankment Repair

PROJECT DESCRIPTION This project proposes to repair the roadway embankment along Bear Creek Road. Currently the one-way traffic control is established around the eroded embankment. Construction is expected in 2020. Gas Taxes fund this project.

PURPOSE AND NEED The purpose of this project is to repair two embankment sites adjae to the northbound lane of Bear Creek Road. Erosion has occurred at both embankments, resulting in massive deterioration of the road shoulders. The damage has already encroached into the traveled way at Embankment 1.

Repairing the two embankments will restore the roadway shoulder and prevent further erosion. The northbound traveled lane at Embankment 1 is currently closed off due to deteriorated pavement, and will be restored to allow two-way traffic flow to resume.

PROJECT NAME Bel Air Trail Crossing Project

PROJECT DESCRIPTION This project is to construct safety improvements at the Bel Air Trail Crossing on Madison Avenue which is behind the Bel Air Elementary School in Bay Point. Sidewalk (gap closure) improvements will also take place along Madison Avenue where there is only a dirt shoulder. Construction is scheduled for 2020. Transportation Development Act and Gas Taxes fund this project.

PURPOSE AND NEED The purpose of this project is to improve pedestrian access and safety at the Bel Air Trail crossing. Bel Air Elementary School has a rear entrance that leads to the Bel Air Trail, a **County maintained trail. Madison Avenue and Bel Air Trail Crossing is a “known” drop off point to get to the school’s rear entrance. During drop off and pick up times at school,** double parking often becomes problematic due to U-turn movements by vehicles and double parking. This type of vehicle activity makes it difficult to see students who are using the trail crossing. There is also a sidewalk gap along Madison Avenue along the Bel Air trail corridor where vehicles tend to restrict and block the pedestrian path of travel to and from the school. As a result, pedestrians are walking on the shoulder or pinched between the parked vehicles and the trail fencing.

PROJECT NAME Crockett Area Guardrail Upgrade

PROJECT DESCRIPTION This project is to remove existing guardrails and end treatments and replace them with current Caltrans standard guardrails and end treatments on arterials and major collector roadways in the unincorporated Crockett area. Construction is scheduled for 2022. Gas Taxes and the Highway Safety Improvement Program (HSIP) fund this project.

PURPOSE AND NEED The County needs to upgrade deficient guardrails to reduce the potential and severity of injuries when vehicles collide with them. The HSIP grant allows the County to leverage its funds and upgrade more guardrails in a more timely manner, providing a safer environment for drivers in the event of a collision.

PROJECT NAME Imhoff Drive Bicycle Shoulder Restriping

PROJECT DESCRIPTION This project will stripe shoulders to create Class II bike lanes for bicyclists to utilize for travel for 0.3 miles along Imhoff Drive between Blum Road and the State Route 4 Bikeway east of Waterbird Way within the existing roadway. Construction is scheduled for 2022. The Transportation Development Act (TDA) and Gas Taxes fund this project.

PURPOSE AND NEED The purpose of this project is to improve bicyclist safety along Imhoff Drive between Blum Road and the State Route 4 Bikeway, which starts approximately 200 feet east of Waterbird Way, in unincorporated Martinez. There are no bicycle facilities along Imhoff Drive between Blum Road and the State Route 4 Bikeway. This project will allow bicyclists to safely access the State Route 4 Bikeway, which connects the City of Martinez to the City of Concord. This roadway segment is included in the 2009 Contra Costa Countywide Bicycle and Pedestrian Plan.

PROJECT NAME Kirker Pass Road Safety Project

PROJECT DESCRIPTION This project is to improve driver safety and awareness and reduce the severity of collision events along 3.1-mile segment of Kirker Pass Road between the city borders of Concord and Pittsburg. Improvements include guardrail installation, street lights at the intersections at Hess Road, and median reflectors. Construction is scheduled for 2022. Gas Taxes and Federal Highway Safety Improvement Program (HSIP) fund this project.

PURPOSE AND NEED The purpose of the Kirker Pass Road Safety Improvements project is to improve driver safety and awareness and reduce the severity of collision events .

From 2014 to 2018, Kirker Pass Road ranks as one of the County roadways with the highest rate of severe-injury collisions, which resulted in 117 accidents, five of them being fatal collisions.

PROJECT NAME Rodeo Downtown Infrastructure

PROJECT DESCRIPTION This project is to construct sidewalks and curb ramps along Pacific Avenue and a section along Parker Avenue near 7th Street. Project is to improve pedestrian access to Rodeo Creek Trail on Investment Street and fill in sidewalk gap segments. Construction is scheduled for 2020. Department of Conservation and Development, Transportation Development Act, and Gas Taxes fund this project.

PURPOSE AND NEED The project proposes to improve pedestrian infrastructure between the Rodeo Creek trailhead on Investment Street, along Pacific Avenue from Parker Avenue to the existing trail entrance at San Pablo Avenue. Pedestrian facilities in the downtown area and between these two trails have several gaps and outdated or non-existent ADA-compliant sidewalks and curb ramps. The project will fill these gaps to provide continuous pedestrian infrastructure.

PROJECT NAME Rodeo Pedestrian Enhancement Project

PROJECT DESCRIPTION This project will install two ADA curb ramps on Parker Avenue at 6th Street and three rapid repeating flash beacons. Along 7th Street, pedestrian crossing enhancements are to be constructed in front of Saint Patrick School. Construction is scheduled for 2021. This project is funded by the Transportation Development Act and Gas Tax Funds.

PURPOSE AND NEED The purpose of this project is to improve pedestrian safety at the intersection of Parker Avenue and 6th Street and in front of Saint Patrick School on 7th Street in Rodeo.

The need is based on the numerous requests for pedestrian safety improvements due to on-going issues of motorists not yielding to pedestrians at 6th Street and speeding in front of St. Patrick School.

UNFUNDED PROJECTS – This is a comprehensive list of projects that have been conceived but not funded. This project list originated from the following sources: Area of Benefit (AOB) project lists, the Regional Transportation Plan (RTP), Comprehensive Transportation Project List (CTPL) through Contra Costa Transportation Authority (CCTA), Transportation Expenditure Plan (TEP), and a Public Works List that was generated from community input/need. District V includes Martinez AOB, Pacheco AOB, and Bay Point AOB.

- V-15. 6th Street, Rodeo Sidewalk Project (CTPL) – This project proposes to provide sidewalk along one side of 6th Street between Parker Avenue and Garretson Avenue.
- V-16. 7th Street, Rodeo Sidewalk Project (CTPL) – This project proposes to provide sidewalk along one side of 7th Street between Parker Avenue and Garretson Avenue.
- V-17. Alhambra Valley Road Safety Improvements – Various Locations – This project proposes to construct safety improvements along Alhambra Valley Road.
- V-18. Alves Lane Extension – Willow Pass Road to Pacifica Avenue (Bay Point AOB) – This project proposes to construct a new roadway extension and modify the existing traffic signal at Alves Lane and Willow Pass Road.
- V-19. Bailey Road and Mary Anne Lane Signal Project (CTPL) – This project proposes to install a traffic signal at Bailey Road and Mary Anne Lane.
- V-20. Bailey Road Overlay Project – SR4 to Keller Canyon Landfill Entrance – This project includes pavement rehabilitation on the County-maintained portion of Bailey Road. This project will be scheduled for construction as soon Maintenance deems it appropriate. Funding is through the Keller Canyon Mitigation Fund for pavement rehabilitation and Gas Tax Funds.
- V-21. Bailey Road Pedestrian & Bicycle Improvements – Canal Road to Willow Pass Road (Bay Point AOB) – This project proposes to construct pedestrian and bicycle improvements along Bailey Road from Canal Road to Willow Pass Road. (see also Active Project #V-3 Bay Point Undergrounding Project)
- V-22. Bear Creek Road Safety Improvements – Alhambra Valley Road to the City of Orinda (CTPL) – This project proposes to construct roadway safety improvements along Bear Creek Road between Alhambra Valley Road to the City of Orinda.
- V-23. Bella Vista Infrastructure Improvements (CTPL) – This project proposes to construct capital improvements in accordance with the Bella Vista Infrastructure Study.

-
- V-24. Canal Road Sidewalk Project – 420 feet South of Winderbrook Drive to Chadwick Lane (CTPL) – This project proposes to construct sidewalk along a segment of Canal Road between Chadwick Lane and 420 feet south of Winterbrook Drive.
- V-25. Center Avenue Bicycle and Pedestrian Improvements – Pacheco Boulevard to Marsh Drive (Pacheco AOB) (CTPL) – This project proposes to construct bike lanes, widen the roadway by reducing the existing sidewalk, and construct new sidewalk to provide a continuous path of travel along Center Avenue.
- V-26. Crockett Area Overlays & Reconstruction Project – This project proposes to conduct pavement overlays and reconstruction in the Crockett area.
- V-27. Cummings Skyway – Widen Interchange at I-80 (CTPL) – This project proposes to widen the interchange between I-80 and Cummings Skyway.
- V-28. Cummings Skyway Truck Climbing Lane Extension (RTP) – This project proposes to extend the existing eastbound truck-climbing lane on Cummings Skyway.
- V-29. Delta De Anza Trail Connection – Class I bikeway from Evora Road in Bay Point to Port Chicago Highway in Concord to Iron Horse Trail (CTPL) – This project is a combination of two CTPL projects, which proposes a Class I bikeway. The first segment is from Evora Road in Bay Point to Port Chicago Highway (Concord), and the second segment is from Port Chicago Highway (Concord) to the Iron Horse Trail.
- V-30. Delta De Anza Trail Connection (CTPL) – This project proposes to upgrade trail crossings from Driftwood Drive to Canal Road.
- V-31. Driftwood Drive Improvements – Port Chicago Highway to Pacifica Avenue (Bay Point AOB) – This project proposes to construct six-foot shoulders and six-and-a-half wide sidewalks on both sides of Driftwood Drive.
- V-32. Evora Road & Willow Pass Road Intersection Improvements (CTPL) – This project proposes intersection improvements to facilitate movement to and from State Route 4, including signal modifications and new signal installation.
- V-33. Evora Road Extension – Western Terminus to Port Chicago Highway (CTPL) – This project proposes to extend Evora Road westward to Port Chicago Highway.

- V-34. Evora Road Widening – Willow Pass Road in Bay Point to Willow Pass Road in Concord (CTPL) – This project proposes to widen Evora Road to four lanes from Bay Point to Concord.
- V-35. Franklin Canyon Undercrossing – Sobrante Ridge to Carquinez Strait Trail (CTPL) – This project proposes to construct a Franklin Canyon undercrossing to facilitate regional trail access.
- V-36. Gloria Terrace Sidewalk Project – Taylor Boulevard to Reliez Valley Road (CTPL) – This project proposes to provide a sidewalk or walkable shoulders on Gloria Terrace.
- V-37. Kirker Pass Road Bicycle Project (CTPL) – This project proposes to provide Class II bike lanes from the City of Pittsburg to the City of Concord.
- V-38. Kirker Pass Road Northbound Runaway Truck Ramp (CTPL) – This project proposes to construct a northbound runaway truck ramp along Kirker Pass Road prior to the City of Pittsburg.
- V-39. Kirker Pass Road Southbound Truck Lane (RTP) – This project proposes to construct a southbound trunk climbing lane along Kirker Pass Road.
- V-40. Local Road Pedestrian and Bicycle Upgrade at Benicia Bridge – This project proposes to construct and upgrade pedestrian and bicycle improvements leading up to Benicia Bridge.
- V-41. Loftus Road Pedestrian Improvements – Canal Road to Willow Pass Road (Bay Point AOB) – This project proposes pedestrian and bicycle improvements on both sides of Loftus Road.
- V-42. Marsh Drive Improvements – Center Avenue to Walnut Creek Bridge Pacheco AOB – This project proposes to widen or restripe the roadway to provide shoulders/bike lanes on both sides of Marsh Drive from Center Avenue up to the Walnut Creek Bridge (near the Iron Horse Trail).
- V-43. McNabney Marsh Open Space Connection to Waterfront Road Project (CTPL) – This project proposes to provide an entrance to the McNabney Marsh Open Space from Waterfront Road.
- V-44. Monterey Street Safety Improvements – Veale Avenue to Palm Avenue (CTPL) – This project proposes to pipe an existing ditch, conduct drainage improvements and provide walkable shoulders.

-
- V-45. Pacheco Boulevard & Center Avenue Intersection Improvements (Pacheco AOB) – This project proposes to construct modifications to the intersection of Pacheco Boulevard and Center Avenue.
- V-46. Pacheco Boulevard & Muir Road Intersection Improvements (Pacheco AOB) – This project proposes to construct intersection modifications at Pacheco Boulevard and Muir Road.
- V-47. Pacheco Boulevard & North Buchanan Circle Intersection Improvements (Pacheco AOB) – This project proposes to signalize the intersection at Pacheco Boulevard and Carolos Drive/North Buchanan Circle.
- V-48. Pacheco Boulevard Complete Streets – Arnold Drive to Muir Road (Pacheco AOB) – This project proposes to construct new bike lanes along Pacheco Boulevard from Arnold Drive to Muir Road.
- V-49. Pacheco Boulevard Improvements – Morello Avenue to Blum Road (RTP) (TEP) – This project proposes to improve the Pacheco Boulevard Corridor with Complete Streets concept. This project will be in cooperation with the City of Martinez.
- V-50. Pacifica Avenue Extension – Port Chicago Highway to Alves Lane (Bay Point AOB) – This project proposes to construct a new roadway and modification of the existing traffic signal at Pacifica Avenue and Port Chicago Highway.
- V-51. Pedestrian Improvements Near Rodeo Hills Elementary School – This project proposes to construct pedestrian improvements in the vicinity of the Rodeo Hill Elementary School in Rodeo.
- V-52. Pleasant Hill Road & Taylor Boulevard Bicycle and Pedestrian Improvements (Central County AOB) – This project proposes to construct improvements to the intersection of Pleasant Hill Road and Taylor Boulevard.
- V-53. Pleasant Hill Road Sidewalk Project – 1700 block to Diablo View Road on west side only (CTPL) – This project proposes to construct a sidewalk on the west side of Pleasant Hill Road.
- V-54. Pomona Street Sidewalk Project (CTPL) – This project proposes to construct a sidewalk along the south side of Pomona Street from 3rd Street to Rolph Avenue.
- V-55. Pomona Street/Winslow Avenue/Carquinez Scenic Drive Safety Alignment Study – This project proposes to conduct a safety alignment study along Pomona Street, Winslow Avenue, and Carquinez Scenic Drive.

-
- V-56. Port Chicago Highway Bicycle and Pedestrian Improvements – Driftwood Drive to McAvoy Road (Bay Point AOB) – This project proposes to construct a bike lane/shoulder along both sides of Port Chicago Highway, and a sidewalk along the south side.
- V-57. Port Chicago Highway Realignment Project – McAvoy Road to Pacifica Avenue (Bay Point AOB) – This project proposes to realign the sharp horizontal curve in Port Chicago Highway, add an eastbound left turn pocket at McAvoy Road, and add sidewalks along both sides of Port Chicago Highway.
- V-58. Reliez Valley Road Bicycle Improvements – North of Grayson Road to Withers Avenue (Central County AOB) – This project proposes to construct bicycle improvements along Reliez Valley Road from Grayson Road to Withers Avenue.
- V-59. San Pablo Avenue/Parker Avenue Sidewalk (CTPL) – This sidewalk project proposes to provide a pedestrian connection between Rodeo and the City of Hercules.
- V-60. San Pablo Avenue Complete Streets Project - Rodeo to Crockett (RTP) – This project proposes to construct complete streets improvements along San Pablo Avenue from Rodeo to Crockett.
- V-61. Waterfront Road Grade Change Project – This project proposes to raise the roadway in anticipation of global sea level rise. McNabney Marsh and other wetlands that occasionally spill onto and flood Waterfront Road.
- V-62. Willow Pass Road & Bailey Road Intersection Improvements (Bay Point AOB) – This project proposes to widen Willow Pass Road to accommodate an additional westbound turn lane and a new eastbound right turn lane.
- V-63. Willow Pass Road (West) & SR4 Interchange Improvements (Bay Point AOB) – This project proposes to install new traffic signals at interchange of Willow Pass Road (West) and State Route 4 westbound and eastbound off ramps.
- V-64. Willow Pass Road Improvements – Bailey Road to Pittsburg City Limits (Bay Point AOB) – This project proposes to restripe Willow Pass Road to provide four travel lanes and an application of slurry.
- V-65. Willow Pass Road Improvements – Evora Road to SR4 (Bay Point AOB) – This project proposes to widen Willow Pass Road and modify the Willow Pass Road/Evora traffic signal.

Appendix A: Acronyms used in the CRIPP

Table C: Acronyms used in the CRIPP

Acronym	Full Name	Description	Type
Alamo AOB	Alamo Area of Benefit	Traffic mitigation fees.	Local
ATP	Active Transportation Program	Funds for projects/programs that encourage increased use of active modes of transportation.	Federal
Bay Point AOB	Bay Point Area of Benefit	Traffic mitigation fees.	Local
Bethel Island AOB	Bethel Island Area of Benefit	Traffic mitigation fees.	Local
Briones AOB	Briones Area of Benefit	Traffic mitigation fees.	Local
CCWD	Contra Costa Water District	Funds contributed by the Contra Costa Water District	Local
CDBG	Communtiy Development Block Grant	Funds that can be used for frontage improvements in economically depressed areas	Federal
Cent County AOB	Central County Area of Benefit	Traffic mitigation fees.	Local
Disco Bay AOB	Discovery Bay Area of Benefit	Traffic mitigation fees.	Local
Disco Bay West	Discovery Bay West Mitigation Funds	Mitigation fees collected for the Discovery Bay West (Subdivision 8023)	Local
DWR	Department of Water Resources	Bridge improvements.	Local
East County Regional AOB	East County (Regional) Area of Benefit	Traffic mitigation fees.	Local
Former RDA	Former Redevelopment Agency	Bond funds designated for former redevelopment areas.	Local
Gas Tax	Gas Tax Funds	Sales tax on gasoline used to enhance road operation and maintenance.	Local
HBP	Highway Bridge Program	Funds for bridges in need of replacement, and for seismic retrofit program.	Federal
Herc/Rodeo/Crock AOB	Hercules/Rodeo/Crockett Area of Benefit	Traffic mitigation fees.	Local
HR3	High Risk Rural Road Program	Funds for safety improvements to rural roads defined as high risk.	Federal
HSIP	Highway Safety Improvement Program	Funds for infrastructure-related highway safety improvements that lead to a significant reduction in traffic fatalities and serious injuries on all public roads.	Federal
Keller Canyon Mit Fund	Keller Canyon Landfill Mitigation Fund	Mitigation funds from Keller Canyon Landfill. Funds are for pavement maintenance between SR4 and Keller Canyon Landfill Entrance. City of Pittsburg has a fair-share portion of these funds.	Local
Lifeline Grant	Lifeline Grant	Funds intended to improve mobility for low-income residents.	Federal
Martinez AOB	Martinez Area of Benefit	Traffic mitigation fees.	Local
Measure J PBTF	Measure J Pedestrian, Bicycle and Trail Facilities Program	Funds for pedestrian, bicycle, and trail facilities.	Local
Measure J Regional	Measure J: Regional Funds	Portion of sales tax measure designated for projects of regional significance.	Local
Measure J RTS	Measure J: Return to Source Funds	Portion of sales tax measure returned to local jurisdictions to be used for transportation projects within Contra Costa County.	Local
Measure J TLC	Measure J Transportation for Livable Communities Program	Funds for projects/programs for plans and facilities that encourage more walking, bicycling and transit use.	Local
N Richmond AOB	North Richmond Area of Benefit	Traffic mitigation fees.	Local
Navy Mit	Navy Mitigation Funds	Mitigation funds from closure of Port Chicago Highway.	Local
OBAG	One Bay Area Grant Program	Grant program that focuses on transportation investments in priority development areas (PDA's).	Federal
Pacheco AOB	Pacheco (West Concord) Area of Benefit	Traffic mitigation fees.	Local

Acronym	Full Name	Description	Type
Phillips 66 funds	Conoco Phillips 66	Conoco Phillips grant program to support the community.	Local
Prop 1B	Proposition 1B	This act makes safety improvements and repairs to local streets and roads and improves seismic safety of local bridges by providing for a bond issue.	State
RMRA	Road Maintenance and Rehabilitation Account	State funding to local municipalities as a response to the decrease in gas tax revenue	State
Rich/EI Sobr AOB	Richmond/EI Sobrante Area of Benefit	Traffic mitigation fees.	Local
RSS Abatement Fund	Richmond Sanitary Service Abatement Funds	Funds appropriated for the purchase of historic markers on San Pablo Dam Road.	Local
So County AOB	South County Area of Benefit	Traffic mitigation fees.	Local
So Walnut Cr AOB	South Walnut Creek Area of Benefit	Traffic mitigation fees.	Local
SR2S	Safe Routes to School (State)	Funds emphasize construction of infrastructure to aid in safety near schools.	Federal
State Match	State Match Funds	Funds to match federally funded transportation projects.	State
STIP	State Transportation Improvement Program	Funds transportation projects on and off the State Highway System.	Federal
TDA	Transportation Development Act	Funds for construction of bicycle and pedestrian facilities.	State
TVTC Fee	Tri-Valley Transportation Development Fee	Regional traffic mitigation fees.	Local
West County AOB	West County Area of Benefit	Traffic mitigation fees.	Local

Appendix B: County Road Improvement Policy

TO: BOARD OF SUPERVISORS
FROM: SUPERVISORS TOM TORLAKSON AND ROBERT SCHRODER
TRANSPORTATION COMMITTEE
DATE: MAY 9, 1989
SUBJECT: ADOPTION OF THE COUNTY ROAD IMPROVEMENT POLICY

Specific Request(s) or Recommendation(s) & Background & Justification

I. RECOMMENDATION

Adopt the attached County Road Improvement Policy and direct the Public Works Director and the Director of Community Development to start developing the five year County Road Improvement Program for the Board's consideration in time for the 1990/91 fiscal year budget process.

II. FINANCIAL IMPACT

Public Works and Community Development staff time will be needed to prepare the County Road Improvement Program Annual Report and Recommendations.

III. REASONS FOR RECOMMENDATION/BACKGROUND

This policy is developed to guide the development of the Contra Costa County Road Improvement Program.

The County Road Improvement Program (CRIP) is needed for the following reasons:

1. The Growth Management Program of Measure "C" requires each participating local agency to develop a Growth Management Element of its General Plan to be applied in the development review process and to develop a five year CRIP to meet and/or maintain Traffic Services and Performance Standards.

Page Two

2. Government Code Section 66002 authorizes a local agency, such as the County, to adopt a transportation capital improvement plan to identify the use of developer fees.
3. Development of stable funding sources for transportation and project delivery are of interest to the Board of Supervisors. The CRIP, and the process in developing the CRIP will allow the Board to focus on these issues.

The County Transportation Committee approved the adoption of the CRIP on April 25, 1989.

IV. CONSEQUENCES OF NEGATIVE ACTION

Assuming that the Board will develop and adopt the Growth Management Element of the General Plan, without this policy, there will not be any directions to staff as to the development of the five year CRIP.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

Adopted this Order on May 9, 1989 by the following vote:

AYES: Supervisors Powers, Fahden, Schroder, McPeak, Torlakson

NOES: None

ABSENT: None

ABSTAIN: None

RESOLUTION NO. 89/306

SUBJECT: COUNTY ROAD IMPROVEMENT POLICY

This policy shall be known as the County Road Improvement Policy. It will guide the development of the Contra Costa County Road Improvement Program (CRIP) as authorized by Government Code Section 66002 and as required under the Growth Management Element of the Contra Costa Transportation Improvement and Growth Management Program ordinance approved by the voters in November 1988 (Measure "C").

Under Section 15061(b)(3) of the California Environmental Quality Act (CEQA), it can be seen with certainty that there is no possibility that the approval of this policy may have a significant effect on the environment and therefore, the approval of this policy is not subject to CEQA.

The Board of Supervisors FINDS and DECLARES as follows:

1. A shortfall in road maintenance funding in the past has created a \$20 million backlog of road reconstruction and rehabilitation, and this backlog is increasing at a rate of several million dollars a year.
2. The existing revenue from gasoline tax only provides about 50 percent of the funding needed to adequately maintain the County's road system.
3. The existing urban traffic congestion has substantially reduced the quality of life in Contra Costa County.
4. This urban traffic congestion degrades the air quality of Contra Costa County and wastes scarce energy resources.
5. Solutions to the urban traffic congestion problem require coordination and cooperation between the State, regional, and local governments as well as the transit providers. It is the intent of the Board of Supervisors to work closely with the cities in the County, the transit providers, the Metropolitan Transportation Commission, and the State so that the CRIP will become part of the region's effort to solve the congestion problems in the region.
6. The intent of the funds set aside for local streets and roads from Measure "C" is to correct existing maintenance and capacity problems.
7. The Growth Management Program of Measure "C" requires each participating local agency to develop a Growth Management Element of its General Plan to be applied in the development review process and to develop a five year CRIP to meet and/or maintain Traffic Service and Performance Standards.
8. The 1979 Bridge and Thoroughfare Policy of the Board of Supervisors requires new development to mitigate traffic impacts created by the development.

9. Government Code Section 66002 authorize a local agency, such as the County, to adopt a transportation capital improvement plan to identify the use of developer fees.
10. There is a need to develop additional and stable funding sources for County road maintenance, reconstruction and capital improvement needs.
11. Road improvement projects require years of advance planning, coordination and cooperation between various agencies before construction.
12. The Contra Costa CRIP and the transportation systems management efforts of the County are intended to compliment each other to improve the quality of life, air quality and safety, and to reduce traffic congestion in the County.

NOW, THEREFORE, the Board of Supervisors RESOLVES as follows:

The Board of Supervisors hereby adopts the County Road Improvement Policy set forth in this Resolution. The Policy shall consist of the following elements: I) Program Priority, II) Program Level and III) Program Procedure.

I. PROGRAM PRIORITY

Road funds shall be budgeted and expended to maximize the use of Federal and State funds and shall be based on the following order of priorities.

- A. Maintenance of streets and roads.
- B. Construction and installation of traffic safety improvements.
- C. Reconstruction and rehabilitation of roads.
- D. Relief of traffic congestion which developed prior to November 1988.
- E. Relief of traffic congestion resulting from development after November 1988.

II. PROGRAM LEVELS

Road funds are derived from many sources, and the Board of Supervisors intends that the following priorities shall be used in expending the different sources of road funds:

- A. Highway User Fees (Gas Tax)
 1. Road operation and maintenance
 3. Traffic safety and hazard elimination projects

Sufficient funds shall be budgeted for operation and maintenance at a level not falling below that of FY 1988. If funds are available after operation, and maintenance, they shall be budgeted for safety and hazard elimination projects.

In the event that additional user fees become available, either from State or Federal pass-through or from a locally or regionally imposed user fee, the additional revenue shall be used first to remove the shortfall in maintenance funding, then it shall be used to fund other programs in accordance with the priorities set forth in Section I.

B. Measure "C" Revenue Priorities.

1. A minimum program level of \$300,000 a year for road safety and hazard elimination projects less any funds from gasoline tax, federal and state grants.
2. Reconstruction of County roads.
3. Rehabilitation of County roads.
4. Traffic congestion relief of problems which existed before November 1988.

Priority shall be given to low cost system management projects that will improve air quality and encourage the use of carpools, van pools, and mass transit.

C. Area of Benefit Revenues.

Developer fees generated through areas of benefit shall be used to fund projects designed to mitigate the traffic impact of developments as identified in the area of benefit program report and as mandated in the growth management program of Measure "C".

D. Additional Funding Sources.

The Board of Supervisors recognizes that existing funding is inadequate to address the County's road maintenance and capital needs. The Public Works Director is hereby directed to develop additional stable funding sources for maintenance, to reduce the reconstruction and rehabilitation backlog, and to improve the County's road system. The Public Works Director is further directed to maximize the use of Federal and State funds. The Public Works Director shall report to the Board periodically on progress in developing additional funding sources.

III. PROGRAM PROCEDURE

- A. As specified in Section 913 of the County Ordinance Code, the Director of Community Development and the Public Works Director shall jointly develop areas of benefit to require payments by developments into trust accounts for improvements to major thoroughfares and bridges as mitigation for their traffic impacts. The areas of benefit shall be developed to implement the circulation element of the County's General Plan. The circulation element of the General Plan is hereby considered to be the long range CRIP.
- B. The following procedure shall be used to develop the five year CRIP.
 1. The five year CRIP is a short range implementation plan of the Circulation Element and Growth Management Element of the General Plan.
 2. Each year no later than June 15, the Director of Community Development shall provide the Public Works Director with a forecast of development trends in the unincorporated areas in Contra Costa County for the five succeeding years.
 3. The Public Works Director and the County Administrator shall compile information on fund estimates from State gasoline tax, local funds, State and Federal grants, developer fees and other sources.

4. The fund estimate shall be presented to the Transportation Committee of the Board of Supervisors for review and approval by September 15 of each year.
5. After fund estimate approval, the Public Works Director shall prepare, with input from the Director of Community Development and communities in the County, the fifth year additions to the CRIP. All new project additions and revisions will take into consideration this policy, funding limitations, development trends, and the Growth Management Program of Measure "C".
6. Before January 1 of every year the Public Works Director shall prepare a report to the Transportation Committee which will include the following:
 - a. The draft five year CRIP.
 - b. Comparison of the current year's project delivery schedule against the current CRIP.
 - c. Identification of the shortfalls in funding by program categories.
 - d. Information about the progress in development of additional funding sources.
7. The Director of Community Development shall provide an analysis of the proposed CRIP with respect to any applicable Growth Management Program of Measure "C" and the General Plan.
8. Upon approval of the draft report by the Transportation Committee, it shall be circulated for comment and review.
9. The Transportation Committee shall hold a public hearing on the draft CRIP at the conclusion of the public review period.
10. The Transportation Committee shall present the CRIP findings and recommendations to the Board of Supervisors for their action no later than March 1 of each year.

The Board of Supervisors hereby directs the Community Development Department to file a Notice of Exemption with the County Clerk.

This policy was reviewed by the County Transportation Committee on February 27 and approved for adoption on April 25, 1989.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

ATTESTED: May 9 1989
PHIL BATCHELOR, Clerk of the Board
of Supervisors and County Administrator

By Jolene Edwards, Deputy

RESOLUTION NO. 89/306

Appendix C: Guidelines for Expenditure of Gas Tax Revenue
(Proposition 111 Funds)

TO: BOARD OF SUPERVISORS
FROM: TRANSPORTATION COMMITTEE
DATE: December 3, 1991
SUBJECT: Report on Additional Revenue from Proposition 111

SPECIFIC REQUEST(S) OR RECOMMENDATION(S) & BACKGROUND AND JUSTIFICATION

I. Recommended Action:

1. Accept the following report from the Transportation Committee on the additional local gas tax revenue from Proposition 111.
2. Approve expenditure of the local gas tax revenue from Proposition 111 according to the following guidelines:
 - 70 percent of Proposition 111 revenue for pavement maintenance;
 - 20 percent of Proposition 111 revenue for capital improvements; and
 - 10 percent of Proposition 111 revenue for safety projects
3. Direct the County Administrator to review the funding of the Congestion Management Program and Growth Management Program with any future updates of the Countywide Fee Study, and, if appropriate, to recommend adjusting development fees to include the Congestion Management and Growth Management compliance costs.

II. Financial Impact:

No overall impact to the General Fund with this recommendation. There are "maintenance of effort" requirements included in Proposition 111 which requires maintaining General Fund appropriation for transportation related programs at the same level as the past several years.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.
December 3, 1991
ATTESTED: _____
PHIL BATCHELOR, Clerk of the Board of Supervisors and County Administrator
By  , Deputy

III. Reasons for Recommendations and Background:

PROPOSITION 111 WILL GENERATE AN ADDITIONAL \$2 MILLION IN REVENUE FOR FISCAL YEAR 1990-1991 AND 2.5 MILLION IN 1991-1992.

Proposition 111, in conjunction with AB 471 (1990) and SB 300 (1990), increased the gas tax by five cents on August 1, 1990 and will add an additional one cent each year for the next four years beginning January 1, 1991. In addition, Proposition 111 increased commercial vehicle weight fees by 40 percent beginning in August 1, 1990 with an additional 10 percent increase on January 1, 1995.

It is estimated that we will receive an additional \$2,000,000 in gas tax revenue in fiscal year 1990/91. That will increase to \$2,500,000 in fiscal year 91/92, \$3,000,000 in fiscal year 92/93, \$3,500,000 in fiscal year 93/94 and \$4,000,000 in fiscal year 94/95. Fiscal year 94/95 will see the last increase in the gas tax which will bring it up to a full 18 cents per gallon. Proposition 111 will provide the County's road program with a significant increase in revenue in the years to come. This report analyzes the impacts of Proposition 111 and recommends guidelines for the use of the funds.

THE COUNTY MUST COMPLY WITH NEW PLANNING REQUIREMENTS IN ORDER TO RECEIVE PROPOSITION 111 FUNDS.

As a requisite to receiving the increased gas tax revenue, Proposition 111 requires preparation of a Congestion Management Program (CMP) for each county that has an urbanized area of 50,000 in population. Contra Costa County qualifies under this definition. The CMP for the County must include each city in the County and be updated annually. The CMP is similar to the Growth Management Program under Measure "C" (1988) which is administered by the Contra Costa Transportation Authority (CCTA). As a result, the County, along with the Cities, has designated the Contra Costa Transportation Authority as the CMP Agency. This way, the CMP for Contra Costa County can be prepared with very little additional cost.

Measure "C" allows the County to use the return to source revenues to administer, monitor and report on the Growth Management program of the Measure. The Board has approved the use of Measure "C" funds for that purpose. Proposition 111 is silent on the funding of CMP compliance costs. This funding void may be corrected by AB 434 which would increase vehicle registration fees to implement certain transportation control projects and provide funding for related planning and technical studies necessary to implement the Clean Air Act. Whether AB 434 gets approved and whether local governments will receive any funding to cover congestion management compliance costs remains to be seen. Any costs to comply with the congestion management planning requirements of Proposition 111, not covered by AB 434 or other proposed legislation, should be incorporated into any future updates of the Countywide Fee Study. The Measure C compliance costs were not included in the Countywide Fee Study recently adopted by the Board. These compliance costs, which are incurred as a result of development in the County, should also be included in any future updates of the Fee Study.

WITHOUT THE PASSAGE OF PROPOSITION 111, OUR ROAD MAINTENANCE AND ROAD ENGINEERING EXPENDITURES WOULD HAVE EXCEEDED OUR GAS TAX REVENUES IN 1994.

The first thing to look at when considering the use of the increased gas tax, is the relationship between our current road fund expenditures and our current road fund revenues, along with the growth projections for each of them. Our current maintenance budget is about 8.3 million dollars per year, while our road engineering budget (including Traffic) is about 1.1 million dollars per year. Both of these budgets have been increasing at about five percent per year over the past several years. On the revenue side, things are a little different in terms of growth. The gas tax is apportioned to the County under Streets and Highways Code Sections 2104, 2105 and 2106. Sections 2104 and 2106 apportion the "historic" gas tax, which is the gas tax revenue prior to the passage of Proposition 111. Section 2105 will apportion the increased gas tax revenue from Proposition 111. The 2106 apportionment, which makes up about 10 percent of our historic gas tax revenue, has remained more or less constant over the last several years. The increases in 2106 funds have been offset by fund reductions due to City annexations in County areas and the resultant reduction in the Countys assessed valuation. The 2104 apportionment, which makes up about 90 percent of our current gas tax revenue, has increased slightly over the last several years. The average increase was 1.04 percent over the last three years. The bulk of our revenue, therefore, has been increasing at one percent per year, while our expenditures have been increasing at five percent per year. Prior to Proposition 111

we estimated that by 1994, our maintenance and engineering expenditures would equal our revenue projection, leaving no money for our small capital and safety improvements program. Beyond 1994 we would be in the negative column. This gloomy forecast however has changed now with the passage of Proposition 111.

OUR GAS TAX REVENUE INCREASES ONE PERCENT PER YEAR WHILE OUR EXPENDITURES INCREASE FIVE PERCENT PER YEAR.

For our revenue estimates we have assumed the gas tax will continue to grow at one percent per year. We have also assumed our maintenance and engineering budgets will continue to grow at five percent per year to keep up with inflation. The difference between our total revenue and our expenditures on general road maintenance, road engineering and compliance costs, is the amount available to program for preventative pavement maintenance and capital and safety projects. Table 1 shows our revenue stream, expenditure stream and the resultant amount available for programming for the next 10 years. The revenue side is made up of three components; the historical road fund, Proposition 111 funds and Measure "C" return to source monies. The "historical" road fund includes the revenue from the tax rate imposed on the sale of gasoline and diesel fuel prior to Proposition 111 (historic gas tax), plus future revenue from traffic fines and forfeitures, rental income, and interest income. The bulk of the historic road fund and Proposition 111 funds are estimated assuming a one percent per year increase, which is what we experienced the last three years. Measure "C" is estimated to keep up with an assumed inflation rate of five percent plus three percent actual growth. The Measure "C" forecasts, however, may change in the future as a result of annexations or incorporation.

The expenditure side shows the cost of general road maintenance and road engineering. General road maintenance does not include any preventative maintenance work but provides for routine maintenance to keep the County's 750 miles of roads and 90 bridges safe and functional. Road engineering includes traffic engineering and operations, preparation of the road budget, project programming, alignment studies, project development, project coordination with interested and impacted entities, grant applications, and traffic studies. Planning compliance costs are also shown in Table 1 as an expenditure. These are the costs associated with meeting the Measure "C" growth management requirements and Proposition 111 congestion management requirements, in order to receive Measure "C" return to source monies and Proposition 111 funds. This compliance effort includes maintaining and refining the Circulation/Transportation Element and the County Transportation database, transit planning, TSM, project planning, project development, project programming/prioritization, and monitoring intersection service levels on regional routes. Total expenditures would be reduced if the planning compliance costs were funded by developer fees.

The amount available for programming shown in Table 1 reflects total funds available for preventative pavement maintenance, capital and safety improvements. It does not show anything deducted specifically for safety or capital improvement programs. The data in Table 1 is also shown on Figure 1 in the form of a graph. The dashed lines represent general road maintenance, road engineering and compliance cost expenditures. The solid lines represent revenues from the historic road fund, Proposition 111 funds and Measure "C" return to source monies. The shaded area between the total expenditures and total revenues represents the total funds available for programming. Figure 1 graphically shows that the rate of increase of our revenue is less than the rate of increase of our expenditures.

There has been recent legislative action that will impact our road related revenue stream. The State legislature recently approved a realignment in the State budget that will divert the "fines and forfeitures" revenue that historically went to the County. In exchange, the State will be supporting the court system. This can be seen on Table 1 where after fiscal year 1991/92 the revenue is reduced by the \$500,000 we received each year as "fines and forfeitures."

TO ELIMINATE OUR CURRENT BACKLOG OF ROADS THAT ARE BEYOND PREVENTATIVE MAINTENANCE WOULD COST \$32 MILLION DOLLARS.

The passage of Proposition 13 in 1978 reduced the amount available for our preventative

pavement maintenance program. As a result, we had to prioritize the expenditure of our maintenance dollars for preventative maintenance. Some roads were treated and some were not. Several years after Proposition 13 we began to keep track of the deficiencies in our pavement management program and identified a backlog of roads that were beyond preventative maintenance. This was the subject of a report produced in March 1985, which identified a backlog of \$5,800,000. The report also projected a backlog in fiscal year 89/90 of \$35,000,000 (in 1985 dollars), if the annual road maintenance funding was not increased. The pavement maintenance funding in 1985 was \$2,000,000 per year, which is roughly what we spend today on preventative maintenance. The \$35,000,000 backlog for fiscal year 1989/90 projected in the 1985 report would equate to \$45,000,000 in today's dollars. Information gathered for the 1989-90 Grand Jury investigation of our maintenance program revealed that our 1989-90 backlog was \$32 million. This is less than the projected estimate in our 1985 report, which is due to a reduction in maintained road mileage (853 miles in 1985 vs. 745 in 1989), with the incorporation of Orinda in 1986, and some annexations between then and now. In addition, the passage of SB 300 (1986) several years ago provided a one time windfall of about \$3,000,000 for our pavement maintenance budget.

OUR BACKLOG PROJECTED TO THE YEAR 2000 COULD BE REDUCED TREMENDOUSLY IF MEASURE "C" RETURN TO SOURCE MONIES AND PROPOSITION 111 FUNDS ARE USED TO BOLSTER OUR PAVEMENT MAINTENANCE PROGRAM.

Table 2 shows our annual maintenance backlog with the allocation of 70% of Proposition 111 revenues towards pavement maintenance funding, in conjunction with Measure "C" return to source monies. This shows that by fiscal year 1999/2000, our backlog will be \$275,000,000. Obviously, this size of backlog in the year 2000 is unacceptable and we will need to look for additional funding sources to further reduce the backlog to an acceptable level. However, if no Proposition 111 revenue or Measure "C" return to source monies are infused into our pavement maintenance program at this time, then our backlog in the year 2000 would be \$370,000,000; an increase of approximately 35%.

The revenue estimates shown in Table 2 assume a one percent growth in the gas tax each year and a eight percent growth in the sales tax (Measure "C"). As can be seen, the new source of revenues will not solve our backlog problem. However, it is also evident that if none of the Proposition 111 revenues or Measure "C" monies are spent on our pavement maintenance program, then our backlog will grow tremendously.

WHAT ARE THE CONSEQUENCES OF NOT INVESTING IN OUR PAVEMENT MAINTENANCE PROGRAM?

Most roads are designed for a twenty year life. If no maintenance is performed on a new road, it will, in general, provide good service for ten to fifteen years, at which time failure of the pavement section begins. Between fifteen and twenty years the pavement deteriorates at a rapid rate. By the 20th year the road will have to be repaved or reconstructed, at which time the life/deterioration cycle starts all over again if no maintenance is performed. Our pavement management system is set up to recognize when various roads need a seal coat. Seal coats are applied just prior to the beginning stages of pavement deterioration. When the seal coat is applied prior to the initial stages of pavement deterioration, the pavement life is extended for another five to seven years, at which time another seal coat is applied. By performing these preventative treatments to the pavement, the pavement life can be extended ten to twelve years before the road needs to be repaved. A newly paved road therefore, could last thirty years with preventative maintenance instead of twenty years without maintenance. It costs 50% more to overlay or reconstruct a road every twenty years with no intervening preventative maintenance, than it does to perform preventative maintenance and extend its useful life to thirty years. The consequences, therefore, of not investing in our preventative pavement maintenance program is to incur major capitol investment needs to rebuild our road system, rather than a continuous reduced level of funding for preventative maintenance.

THE RECENT GRAND JURY REPORT RECOMMENDS USING MEASURE "C" RETURN TO SOURCE MONIES FOR PAVEMENT MAINTENANCE.

The Board considered the expenditure of Measure "C" return to source monies with the County Road Improvement Policy. This policy, adopted by the Board on May 9, 1989, prioritizes the expenditure of Measure "C" monies as follows:

1. A minimum program level of \$300,000 a year for road safety and hazard elimination projects, less any funds from gasoline tax, federal and state grants.
2. Reconstruction of County roads.
3. Rehabilitation of County roads.
4. Traffic congestion relief of problems which existed before November 1988.

As long as a minimum budget is maintained for safety projects, then the emphasis for expenditure of Measure C funds lies in the pavement maintenance program to reduce the backlog.

The 1989-90 Contra Costa County Grand Jury submitted a report entitled "County Road Preventative Maintenance." This report reveals that the road system in the County is deteriorating at an alarming rate due to declining road maintenance, which has been brought on by escalating maintenance costs and lack of adequate maintenance funding. Their report recommends that the Board of Supervisors pursue ways to generate additional revenue for road maintenance including "priority use of the County's Measure "C" allocation".

PROPOSITION 111 FUNDS, SHOULD BE USED ALONG WITH MEASURE "C" RETURN TO SOURCE MONIES TO BOLSTER OUR PAVEMENT MANAGEMENT SYSTEM AND REDUCE OUR BACKLOG.

The Transportation Committee has discussed the expenditure of Proposition 111 funds and urges the Board to adopt a guideline for expending the new Proposition 111 revenues. For the greatest return on the dollar, the bulk of the revenue should be spent on the pavement maintenance program, however, there is also a desire that some should be expended for safety improvements and for capital improvements. As a result, the Transportation Committee recommends that Proposition 111 funds be spent in the following manner:

1. 70 percent of Proposition 111 revenue for pavement maintenance
2. 20 percent of Proposition 111 revenue for capitol improvements
3. 10 percent of Proposition 111 revenue for safety projects

First priority for the additional maintenance revenue will go to arterials and major thoroughfares. Second priority for the additional maintenance revenue is to prevent roads not on the backlog from deteriorating to a backlog condition. The third priority is to remove roads from the backlog.

Currently, we budget approximately \$300,000 for safety projects and \$300,000 for capital projects from the road fund. The expenditure guideline recommended above would increase our safety projects budget to approximately \$500,000 and our capital budget to approximately \$660,000 for fiscal year 90/91. Table 3 shows the breakdown of funding that would be provided for each of these three programs over the next 10 years if our Proposition 111 revenue was distributed as recommended above. It should be noted that these recommendations go hand in hand with the Grand Jury report on County Road Maintenance.

The above expenditure recommendations combine the gas tax and Measure "C" resources, which together will satisfy the list of improvements identified separately in the County Road Improvement Policy as gas tax expenditure priorities and Measure "C" expenditure priorities. In other words, the combined Proposition 111 and Measure "C" expenditures shown in Table 3 will satisfy the intent of the County Road Improvement Policy, which had identified separate expenditures for Measure "C" revenues and gas tax revenues.

SPENDING PROPOSITION 111 FUNDS AND MEASURE "C" RETURN TO SOURCE MONIES ON REBUILDING OUR ROAD SYSTEM WILL GIVE THE PUBLIC THE GREATEST AMOUNT OF ROADWORK FOR THE DOLLAR.

Not only is expending revenue on our pavement maintenance program a sound investment in our road system, but it is also highly visible to the public and will significantly improve the appearance, durability, and the ride quality of roads in each Supervisorial District. The recommendations made in this report would improve ninety-eight miles of County roads in the form of chip seals and slurry seals, and six miles in the form of overlays or reconstruction over

the next two years, if two thirds of the funds were allocated to surface treatments and one third to overlays and reconstruction.

Discussions these days often center around the level of service of our roads in terms of capacity. Nobody discusses the level of service of our roads in terms of maintenance or serviceability. A road that is not maintained and is allowed to deteriorate will effectively have its capacity reduced as cars are forced to reduce their speed due to a broken and rough pavement surface. As the road deteriorates, the safe speed and the capacity of the road decreases. Several years ago MTC did a study which revealed that poor pavement conditions cost the public \$60 per vehicle per year in terms of additional wear and tear. With the County's 640,000 registered vehicles, that equates to a total cost of \$38,400,000.

IV. Consequences of Negative Action:

There would be no guidelines established for the expenditure of revenue from Proposition 111 and the level of service of our road system would suffer.

**Appendix D: Board Order Approving the 2020 Capital
Road Improvement and Preservation Program and
the month 2020 TWIC Report**

(This page is intentionally left blank until the Board of Supervisors approves the 20**20** CRIPP)

Appendix E: Area of Benefit Maps and Project Lists

HOW DOES THE AREA OF BENEFIT PROGRAM FIT INTO THE CRIPP?

As explained in the CRIPP Introduction and Background section, the CRIPP is a planning document for known potential projects in the next 7 years.

The Area of Benefit Program (AOB) is just one potential funding source for County road projects. Some of these road improvement projects are funded by AOB revenues, provided those projects are on the approved AOB project list.

Projects on the AOB project lists will appear in either the active project list or underfunded list. Some of the projects on the AOB project lists fall outside of the seven-year, active-project, planning window, but are included in the underfunded CRIPP project lists.

Each AOB project list was approved with each respective AOB ordinance. In order to update an AOB project list, a separate update process will need to occur. Projects within each AOB program may be removed or added when each AOB ordinance is updated and adopted by the Board of Supervisors. The update of a CRIPP is not the process in which the County updates an AOB.

For reference, the following information for each adopted Area of Benefit is included:

- Ordinance number
- Approved/Proposed Project List
- Boundary for the Area of Benefit

The AOB program consists of 15 separate areas. At any given time, several of these areas may be in the process of a program update. These updates may include revisions to the AOB project list; thus, a draft of a pending project list may be included in this section of the CRIPP but are yet to be approved by the Board of Supervisors.

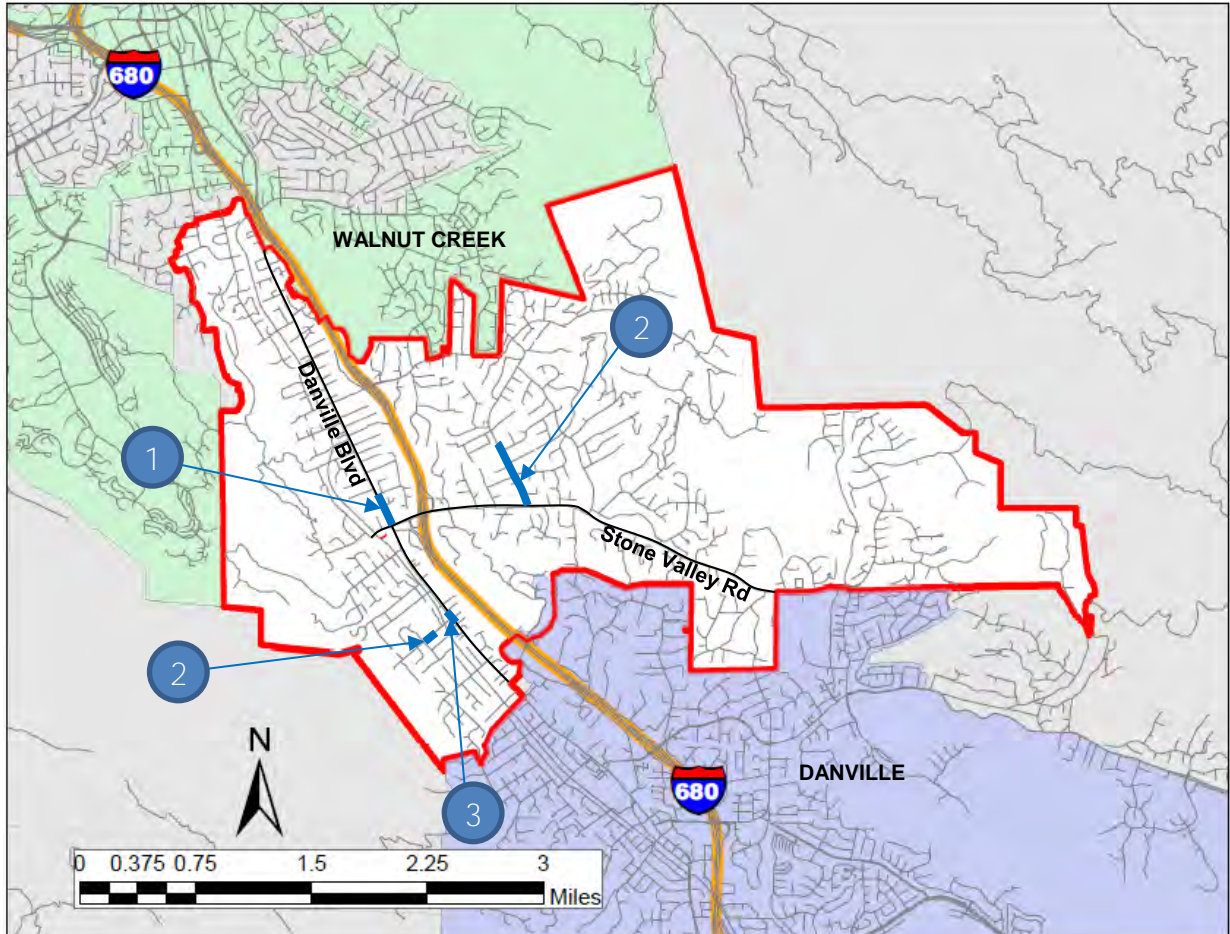

For more information about the Areas of Benefit, contact the AOB manager at (925) 313-2000 or visit the AOB website, <http://www.cccounty.us/AOB>.

Alamo Regional Area of Benefit
Project List Schedule
 Current Ordinance 2016-25

Item	Location	Description	Project Status
1	Danville Boulevard/Orchard Court Complete Streets Improvements	Construct roundabout and complete streets features	Incomplete

West County Area of Benefit Boundary

**Appendix F: Road Maintenance and
Rehabilitation Account Information**

Contra
Costa
County

To: Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: April 28, 2020

Subject: FY 2020/2021 Road Maintenance and Rehabilitation Account Project List for Unincorporated Contra Costa County.

RECOMMENDATION(S):

ADOPT Resolution No. 2020/121 approving a list of projects for Fiscal Year 2020/21 funded by Senate Bill 1 (SB1): The Road Repair and Accountability Act of 2017, Road Maintenance and Rehabilitation Account funds, and DIRECT staff to submit the list to the California Transportation Commission. (All Districts)

FISCAL IMPACT:

100% allocation to the Road Fund from Road Maintenance and Rehabilitation Account program under Senate Bill 1 (SB1) in the approximate amount of \$16.4 million.

BACKGROUND:

California cities and counties are seeing a significant influx of new revenue to invest in the local street and road system from Senate Bill 1 (Beall and Frazier), a landmark transportation funding package that was signed by Governor Brown on April 28, 2017. This measure was in response to California's significant funding shortfall to maintain the state's multimodal transportation network.

SB1 increased several taxes and fees to raise over \$5 billion annually in new transportation

cc:

revenues. SB1 also includes inflationary adjustments in the revenue to local agencies so that the purchasing power of the funds does not decrease as it has in the past. SB1 prioritizes funding towards maintenance, rehabilitation and safety improvements on state highways, local streets and roads, and bridges and to improve the state's trade corridors, transit, and active transportation facilities.

SB1 Funds were available to cities and counties starting in FY 2017/2018 and are comprised of two parts - an increase in the annual gas tax revenue that local agencies have historically been receiving and a new funding source called Road Maintenance and Rehabilitation Account (RMRA) program funds. The California State Association of Counties (CSAC) annually provides an estimate of the total gas tax revenues the County can expect to see from transportation bill, including the total estimated revenue from RMRA program funds. CSAC estimates the County will receive about \$41.7 million in total transportation funding for FY 20/21 from SB1, approximately double what the County received just a few years ago. About \$16.4 million of that amount is from the RMRA program. This amount will continue to grow in future years with the built-in inflationary index.

SB1 emphasizes the importance of accountability and transparency in the delivery of California's transportation programs. Therefore, in order to be eligible for RMRA funding,

state statute requires cities and counties to provide basic RMRA project reporting to the California Transportation Commission (CTC).

Prior to receiving an apportionment of RMRA funds from the State Controller in a fiscal year, a city or county must submit to the CTC a list of projects proposed to be funded with these funds. All projects proposed to receive funding must be reviewed and approved by the applicable city council or county board of supervisors at a public meeting.

The list of projects must include a description and location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement. The project list does not limit the flexibility of an eligible city or county to fund projects in accordance with local needs and priorities so long as the projects are consistent with RMRA priorities as outlined in the applicable code sections. Some example projects and uses for RMRA funding include, but are not limited to the following:

- Road Maintenance and Rehabilitation
- Safety Projects
- Railroad Grade Separations
- Complete Streets Components (including active transportation purposes, pedestrian

and bicycle safety projects, transit facilities, and drainage and stormwater capture projects in conjunction with any other allowable project)

- Traffic Control Devices

Streets and Highways Code Section 2030(b)(2) states that funds made available by the program may also be used to satisfy a match requirement in order to obtain state or federal funds for projects authorized by this subdivision.

Staff has developed a recommended list of projects the Board of Supervisors to consider for submitting to CTC.

The following criteria will be used by staff when developing the current and future project lists for RMRA funds:

- Eligibility criteria for RMRA funds
- Emergency storm damage projects that exceeded existing road fund revenue capacity
- Maintenance and rehabilitation priorities
- Roadway safety

- Expiring grants where local funds are necessary to complete the funding package
- Geographic equity
- Projects where expenditures had already occurred for design of the project and had been shelved due to declining gas tax revenues
- Multi-modal benefits in accordance with the Board of Supervisor's Complete Streets policy
- Positive impact to Road Program performance metrics
- Clearing the queue of delayed projects that were a result of declining gas tax revenues
- Meeting customer expectations

With the passage of SB1, the County will now receive about \$41.7 million in total transportation funding in FY 20/21, with approximately \$16.4 million of that amount from the RMRA program. The County currently uses the majority of the Gas Tax funds towards public roadway maintenance and repair for approximately 660 miles of the roadway network in the unincorporated areas of Contra Costa County to ensure a safe and convenient public travel in a variety of modes: driving, walking and bicycling. These funds are also used to improve traffic safety throughout the County by using it as the local match to leverage funds from state and federal grant programs.

The majority of the RMRA funds are designated for maintenance activities but the range of proposed projects in future years is expected to broaden as the amount of RMRA funds increases. It should be noted that project list below is a small subset of projects in overall road program and only focuses on how the RMRA funds will be expended as required by the Commission.

BACKGROUND: (CONT'D)

PROPOSED PROJECTS (Total RMRA = \$16.4 million)

Proposed Project No. 1: Road Drainage Maintenance (RMRA = \$1.2 million)- Countywide

- **Ditch Cleaning** – This routine maintenance item is to perform drainage ditch cleaning to remove debris and vegetation which may obstruct the passage of stormwater and cause local flooding. (RMRA = \$400,000) County Project No.: 0672-6U2303
- **Clean Catch Basin** – This routine maintenance item is to perform cleaning of sediment and prevent obstructions of catch basins (drainage inlets) and related pipe systems. The County has over twenty thousand catch basins throughout the unincorporated portions of the County. (RMRA = \$500,000) County Project No.: 0672-6U2308
- **Inspect Catch Basin** – This routine maintenance item is to perform inspections of catch basins and associated systems. This includes a visual inspection of the drainage inlet and any clean water inserts. Follow-up video inspections may be required for deeper inlets and/or suspected structural issue concerning the inlets. (RMRA = \$300,000) County Project No.: 0672-6U2316

Proposed Project No.2: Traffic Safety Devices Maintenance (RMRA = \$950,000) - Countywide

- **Traffic Signing** – This routine maintenance item is to perform sign repair, replacement, and installation along the unincorporated County roadways. (RMRA = \$450,000) County Project No.: 0672-6U2504
- **Traffic Striping** – This routine maintenance item is to perform new painting, routine painting and replacement of pavement striping along the unincorporated County roadways to enhance public safety. (RMRA = \$500,000) County Project No.: 0672-6U2505

Proposed Project No. 3: Pavement Repairs and Preparation (RMRA = \$4.2 million)- Countywide

- **Pot Hole Patching** – This routine maintenance item is to perform spot pavement repairs of pot holes along the unincorporated County roadways to eliminate surface hazards. (RMRA = \$500,000) County Project No.: 0672-6U2101
- **Pavement Fabric Patching** – This routine maintenance item is to perform pavement fabric patching along the unincorporated County roadways to correct minor pavement defects and prevent further cracking. An area of existing damaged

asphalt will be removed and excavated to allow a fabric patch to be placed. The roadway base will be compacted and leveled to support the new fabric layer and asphalt layer. (RMRA = \$500,000) County Project No.: 0672-6U2102

- **Pavement Failure Repair - Backhoe** – This routine maintenance item is to conduct pavement failure repair along the unincorporated County roadways. This task requires the removal of a larger area of cracked or damaged pavement with a backhoe. The roadway base will be compacted and overlaid with new asphalt. (RMRA = \$500,000) County Project No.: 0672-6U2103
- **Pull Box Paving** – This is a roadway paving operation to place asphalt on localized roadway depressions to provide a smooth riding surface for the motorized public along the unincorporated County roadways. (RMRA = \$525,000) County Project No.: 0672-6U2104
- **Hand Patching** – This is similar to pot hole patching to conduct spot pavement repairs along unincorporated County roadway, but on a smaller scale. (RMRA = \$500,000) County Project No.: 0672-6U2105
- **Crack Sealing** – This pavement preservation task is to seal cracks in the roadway. Cracks are typically filled in to seal the roadway structural section from water penetration. The goal is to prolong the service life of the pavement and/or prepare the roadway surface for an overlay. (RMRA = \$600,000) County Project No.: 0672-6U2106
- **Leveling** – This task is associated with leveling of large settlements, depressions, surface irregularities and recent large pavement repairs. This is to provide a smooth riding surface for the motorized public along unincorporated County roadways. (RMRA = \$475,000) County Project No.: 0672-6U2107
- **Pavement Failure Repair – Grinder** – This task is to remove badly cracked or broken pavement. The roadway is then replaced with new asphalt and roadway base rock. This task supports pavement preservation operations and also extends the service life of the roadway pavement. (RMRA = \$600,000) County Project No.: 0672-6U2123

Proposed Project No. 4: County-Wide Surface Treatments (RMRA = \$6.9 million)

Countywide:

- **Double Chip Seal Project (2019)** – This project will apply a double chip seal to various roads as a pavement preservation project in the unincorporated Contra Costa County. Locations will include Orinda (Bear Creek Road), Franklin Canyon, Knightsen/Brentwood, Bryon and San Ramon areas. Work will also include surface preparation and pavement striping and markings. (RMRA = \$2.200,000) County Project No. 0672-6U2182

- **Asphalt Rubber Cape Seal Project** - The project will apply an asphalt rubber chip seal covered with a type II slurry seal to various roadways in the El Sobrante, North Richmond, and Alamo areas. Work will also include surface preparation and pavement striping and markings. (RMRA = \$4,750,000) County Project No. 0672-6U2184

Proposed Project No. 5: Kirker Pass Road Northbound Truck Lanes (\$3.1 million)

- The project consists of pavement widening for a truck climbing lane with 8 foot paved shoulders; relocation of HMA dike, concrete ditches, and other drainage features; retaining wall construction; installation of signage and striping; construction of two C.3 bioretention areas; relocation of existing roadside features, and pavement rehabilitation on Kirker Pass Road which consists of 0.1 feet grind and overlay of open grade rubberized hot mix asphalt (HMA). There are significant roadway conforms at Hess Road due to change in grade. (RMRA = \$3,100,000) County Project No. 0662-6R4052

With the annual reporting requirement, the Department will begin strategizing how the County can allocate the new funding to achieve the Road Program's mission and improve the program's key performance metrics for safety, efficiency, reliability and accessibility.

CONSEQUENCE OF NEGATIVE ACTION:

If a project list is not approved by the Board of Supervisors and submitted to the CTC by the May 1, 2020 deadline, the County will not be eligible to receive its portion of RMRA funds and the projects listed above will not be constructed.

ABSENT: /

ABSTAIN: /

RECUSE: /

Resolution No. 2020/121

IN THE MATTER OF ADOPTING a list of projects for Fiscal Year 2020/21 funded by Senate Bill 1 (SB 1): The Road Repair and Accountability Act of 2017.

WHEREAS, SB 1, the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our County are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the County must adopt by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the County, will receive an estimated \$16.4 million in RMRA funding in Fiscal Year 2020/21 from SB 1; and

WHEREAS, this is the fourth fiscal year in which the County is receiving SB 1 funding and will enable the County to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the County has undergone a public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the County used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities' priorities for transportation investment; and

Whereas, the funding from SB 1 will help the County maintain and rehabilitate its roadways at a significantly higher level, add active transportation infrastructure throughout the County this fiscal year and hundreds of similar projects into the future; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic

Location:

Countywide

Proposed Schedule for Completion:

- Anticipated construction year – FY 20/21

Estimated Useful Life:

- 10 years (roadway signage)
- 2 - 4 years (roadway striping - thermoplastic)

Proposed Project No. 3: Pavement Repairs and Preparation (RMRA = \$4.2 million)- Countywide

Description:

Pot Hole Patching – This routine maintenance item is to perform spot pavement repairs of pot holes along the unincorporated County roadways to eliminate surface hazards. (RMRA = \$500,000) County Project No.: 0672-6U2101

Pavement Fabric Patching – This routine maintenance item is to perform pavement fabric patching along the unincorporated County roadways to correct minor pavement defects and prevent further cracking. An area of existing damaged asphalt will be removed and excavated to allow a fabric patch to be placed. The roadway base will be compacted and leveled to support the new fabric layer and asphalt layer. (RMRA = \$500,000) County Project No.: 0672-6U2102

Pavement Failure Repair - Backhoe – This routine maintenance item is to conduct pavement failure repair along the unincorporated County roadways. This task requires the removal of a larger area of cracked or damaged pavement with a backhoe. The roadway base will be compacted and overlaid with new asphalt. (RMRA = \$500,000) County Project No.: 0672-6U2103

Pull Box Paving – This is a roadway paving operation to place asphalt on localized roadway depressions to provide a smooth riding surface for the motorized public along the unincorporated County roadways. (RMRA = \$525,000) County Project No.: 0672-6U2104

Hand Patching – This is similar to pot hole patching to conduct spot pavement repairs along unincorporated County roadway, but on a smaller scale. (RMRA = \$500,000) County Project No.: 0672-6U2105

Crack Sealing – This pavement preservation task is to seal cracks in the roadway. Cracks are typically filled in to seal the roadway structural section from water penetration. The goal is to prolong the service life of the pavement and/or prepare the roadway surface for an overlay. (RMRA = \$600,000) County Project No.: 0672-6U2106

Leveling – This task is associated with leveling of large settlements, depressions, surface irregularities and recent large pavement repairs. This is to provide a smooth riding surface for the motorized public along unincorporated County roadways. (RMRA = \$475,000) County Project No.: 0672-6U2107

Pavement Failure Repair – Grinder – This task is to remove badly cracked or broken pavement. The roadway is then replaced with new asphalt and roadway base rock. This task supports pavement preservation operations and also extends the service life of the roadway pavement. (RMRA = \$600,000) County Project No.: 0672-6U2123

RMRA Priority: Road Maintenance and Rehabilitation

Location:

Location:

Kirker Pass Road from Concord Pavilion to about 4,200 feet north of North Hess Road

Proposed Schedule for Completion:

- Construction year – FY 20/21

Estimated Useful Life:

- 40 years (roadway widening)

15 years (pavement surface treatment)

Appendix G: Complete Streets Policy

This Complete Streets Policy was adopted by Resolution No. 2016/374 by the Board of Supervisors of Contra Costa County on July 12, 2016.

COMPLETE STREETS POLICY OF CONTRA COSTA COUNTY

A. Complete Streets Principles

1. **Complete Streets Serving All Users.** Contra Costa County expresses its commitment to creating and maintaining Complete Streets that provide safe, comfortable, and convenient travel along and across rights-of-way (including streets, roads, highways, bridges, paths, and other portions of the transportation system) through a comprehensive, integrated transportation network that serves all categories of users, including pedestrians, bicyclists, persons with disabilities, motorists, movers of commercial goods, users and operators of public transportation, seniors, children, youth, students and families.

2. **Context Sensitivity.** In planning and implementing street projects, departments and agencies of Contra Costa County shall maintain sensitivity to local conditions in both residential and business districts as well as urban, suburban, and rural areas, and shall work with residents, merchants, school representatives, and other stakeholders to ensure that a strong sense of place ensues. Improvements that will be considered include sidewalks, shared use paths, separated bikeways/cycle tracks, bicycle lanes, bicycle routes, paved shoulders, street trees and landscaping, planting strips, accessible curb ramps, crosswalks, refuge islands, pedestrian signals, signs, street furniture, bicycle parking facilities, public transportation stops and facilities, transit priority signalization, traffic calming circles, transit bulb outs, road diets and other features assisting in the provision of safe travel for all users and those features and concepts identified in the Contra Costa County Complete Streets General Plan Amendment of April 2008.

3. **Complete Streets Routinely Addressed by All Departments.** All departments and agencies of Contra Costa County shall work towards making Complete Streets practices a routine part of everyday operations, approach every relevant project, program, and practice as an opportunity to improve streets and the transportation network for all categories of users/modes, and work in coordination with other departments, agencies, and jurisdictions to maximize opportunities for Complete Streets, connectivity, and cooperation. Example activities include, but are not necessarily limited to the following: pavement resurfacing, restriping, accessing above and underground utilities, signalization operations or modifications, maintenance of landscaping/related features, and shall exclude minor (catch basin cleaning, sign replacement, pothole repair, etc.) maintenance and emergency repairs.

4. **All Projects and Phases.** Complete Streets infrastructure sufficient to enable reasonably safe travel along and across the right of way for each category of users shall be incorporated into all planning, funding, design, approval, and implementation processes for any construction, reconstruction, retrofit, maintenance, operations, alteration, or repair of streets (including streets, roads, highways, bridges, and other portions of the transportation system), except that specific infrastructure for a given category of users may be excluded if an exemption is approved via the process set forth in section C.1 of this policy.

B. Implementation

1. **Plan Consultation and Consistency.** Maintenance, planning, and design of projects affecting the transportation system shall be consistent with the Contra Costa County General Plan, as well as other applicable bicycle, pedestrian, transit, multimodal, best practices, and other relevant documents. Where such consistency cannot be achieved without negative consequences, consistency shall not be required if the head of the relevant departments, or designees, provides written approval explaining the basis of such deviation.

2. **Street Network/Connectivity.** As feasible, and as opportunities arise, Contra Costa County shall incorporate Complete Streets infrastructure into existing streets to improve the safety and convenience of users, with the particular goal of creating a connected network of facilities accommodating each category of users, increasing connectivity across jurisdictional boundaries, and for accommodating existing and anticipated future areas of travel origination or destination. A well connected network should include non-motorized connectivity to schools, parks,

commercial areas, civic destinations and regional non-motorized networks on both publically owned roads/land and private developments (or redevelopment areas).

3. Countywide Bicycle Advisory Committee (CBAC) Consultation. The CBAC may review the design principles used by staff to accommodate motor vehicle, bicycle, pedestrian, and transit modes of travel when reviewing projects. The CBAC will be engaged early in the planning and design stage to provide an opportunity for comments and recommendations regarding Complete Street features of major public transportation projects.

4. Evaluation. The County will establish a means to collect data and evaluate the implementation of complete streets policies. For example tracking the number of miles of paths, bike lanes and sidewalks, numbers of street crossings, signage etc.

C. Exceptions

1. Required Findings and Leadership Approval for Exemptions. Plans or projects that seek exemptions from incorporating Complete Streets design principles must provide a written explanation of why accommodations for all modes were not included in the project. An exemption may be granted by the Director of Public Works or Director of Conservation and Development upon finding that inclusion of Complete Streets design principles are not possible or appropriate under one or more of the following circumstances: 1) bicycles or pedestrians are not permitted on the subject transportation facility pursuant to state or local laws; 2) inclusion of Complete Streets design principles would result in a disproportionate cost to the project; 3) there is a documented absence of current and future need and demand for Complete Streets design elements on the subject roadway; and, 4) one or more significant adverse effects would outweigh the positive effects of implementing Complete Streets design elements. Plans or projects that are granted exceptions must be made available for public review.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

Adopted this Resolution on 07/12/2016 by the following vote:

Candace Andersen
Mary N. Piepho
Karen Mitchoff
Federal D. Glover
 AYE: 4
 NO:
 ABSENT: 1 **John Gioia**
 ABSTAIN:
 RECUSE:

Resolution No. 2016/374

Resolution of the Contra Costa County Board of Supervisors supporting the adoption of a Complete Streets Policy, and stating that the next substantial revision of Contra Costa County General Plan Transportation and Circulation Element shall incorporate Complete Streets policies and principles consistent with the California Complete Streets Act of 2008 (AB 1358)

WHEREAS, the term "Complete Streets" describes a comprehensive, integrated transportation network with infrastructure and design that allows safe and convenient travel along and across streets for all users, including pedestrians, bicyclists, persons with disabilities, motorists, movers of commercial goods, users and operators of public transportation, seniors, children, youth, students, and families;

WHEREAS, Contra Costa County acknowledges the benefits and value for the public health and welfare of reducing vehicle miles traveled and increasing transportation by walking, bicycling, and public transportation;

WHEREAS, Contra Costa County recognizes that the planning and coordinated development of Complete Streets infrastructure provides benefits for local governments in the areas of infrastructure cost savings, public health, mobility diversification, and environmental sustainability;

WHEREAS, the State of California has emphasized the importance of Complete Streets by enacting the California Complete Streets Act of 2008 (also known as AB 1358), which requires that when cities or counties revise general plans, they identify how they will provide for the mobility needs of all users of the roadways, as well as through Deputy Directive 64, in which the California Department of Transportation explained that it "views all transportation improvements as opportunities to improve safety, access, and mobility for all travelers in California and recognizes bicycle, pedestrian, and transit modes as integral elements of the transportation system";

WHEREAS, the California Global Warming Solutions Act of 2006 (known as AB 32) sets a mandate for the reduction of greenhouse gas emissions in California, and the Sustainable Communities and Climate Protection Act of 2008 (known as SB 375) requires emissions reductions through coordinated regional planning that integrates transportation, housing, and land-use policy, and achieving the goals of these laws will require significant increases in travel by public transit, bicycling, and walking;

WHEREAS, numerous California counties, cities, and agencies have adopted Complete Streets policies and legislation in order to further the health, safety, welfare, economic vitality, and environmental wellbeing of their communities;

WHEREAS, the Contra Costa County General Plan establishes the Complete Streets philosophy by way of the April 2008 Complete Streets Amendments which accomplishes the following:

- Specifies that 'all users' includes pedestrians, bicyclists, transit vehicles and users, and motorists, of all ages and abilities.
- Aims to create a comprehensive, integrated, connected network.
- Recognizes the need for flexibility: that all streets are different and user needs will be balanced.
- Is adoptable by all agencies to cover all roads.
- Applies to both new and retrofit projects, including design, planning, maintenance, and operations, for the entire right of way.
- Makes any exceptions specific and sets a clear procedure that requires high-level approval of exceptions.
- Directs the use of the latest and best design standards.
- Directs that complete streets solutions fit in with context of the community.

- Establishes performance standards with measurable outcomes.

WHEREAS, Contra Costa County therefore, in light of the foregoing benefits and considerations, wishes to further improve its commitment to Complete Streets and desires that its streets form a comprehensive and integrated transportation network promoting safe, equitable, and convenient travel for all users while preserving flexibility, recognizing community context, and using the latest and best design guidelines and standards;

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Contra Costa County, State of California, as follows:

1. That Contra Costa County adopts the Complete Streets Policy attached hereto as Exhibit B, and made part of this Resolution, and that said exhibit is hereby approved and adopted.
2. That the next substantial revision of the Contra Costa County General Plan Transportation and Circulation Element shall incorporate Complete Streets policies and principles consistent with the California Complete Streets Act of 2008 (AB 1358) and with the Complete Streets Policy adopted by this resolution.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

County**

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 28, 2020

Subject: CONSIDER adopting Ordinance No. 2020-21, an urgency ordinance establishing administrative fines for violations of public health orders pertaining to t

RECOMMENDATION(S):

CONSIDER adopting Ordinance No. 2020-21, an urgency ordinance establishing administrative fines for violations of public health orders pertaining to the COVID-19 pandemic.

FISCAL IMPACT:

Although adopting the ordinance has no fiscal impact by itself, the change in County policy that it affects will have an impact that is unlikely to be covered by the established fines. The administrative and programmatic costs of establishing enforcement officers will be dependent upon the level of enforcement with public health orders, the cost of hearing officers, and the cost of likely appeals to the Superior Court.

BACKGROUND:

On July 14, 2020, the Board of Supervisors directed staff to prepare an ordinance that would establish administrative fines for violations of public health orders pertaining to the COVID-19 pandemic. The Board determined the ordinance is necessary to augment the ability of the County and other local agencies to ensure compliance with public health orders and combat the spread of COVID-19.

ATTESTED: July 28, 2020

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: June McHuen, Deputy

Contact: Randy Sawyer,
925-335-3210

cc: Randy Sawyer, Marcy Wilhelm

BACKGROUND: (CONT'D)

this Board order is an urgency ordinance, Ordinance No. 2020-21, that establishes administrative fines for violations of health orders issued by the County's Public Health Officer and the State Public Health Officer. The ordinance authorizes administrative fines for violations of public health orders involving both non-commercial and commercial activities. For health order violations involving non-commercial activities, the amount of the fine is \$100 for a first violation, \$200 for a second violation, and \$500 for each additional violation within one year of the initial violation. For violations involving commercial activity, the amount of the fine is \$250 for a first violation, \$500 for a second violation, and \$1,000 for each additional violation within one year of the initial violation. If a violation continues for more than one day, each day is a separate violation.

The ordinance authorizes enforcement officers designated by the Director of Health Services, the Director of Conservation and Development, and the Sheriff to enforce the ordinance. Because Public Health Officer orders apply countywide, this ordinance also applies countywide under Government Code section 8634. The ordinance may be enforced in cities and special districts by officials designated by those agencies to enforce the ordinance.

The ordinance authorizes enforcement officers to impose a fine by issuing a Notice of Fine to a person or business in violation of a public health order. Before issuing a Notice of Fine, an enforcement officer can first issue a Notice of Violation, which gives a person or business up to two days to correct a violation. If the violation is not corrected, the enforcement officer can then issue a Notice of Fine. In cases where the enforcement officer determines that issuing a Notice of Violation is unnecessary or ineffective, the enforcement officer can immediately issue a Notice of Fine. If a person or business is issued a Notice of Fine, the fine can be paid or appealed. An appeal is heard by a hearing officer established or appointed by the agency issuing the Notice of Fine.

CLERK'S ADDENDUM

Speakers: Karen, resident of Contra Costa; Shawna Gavin, Brentwood; Daniel, resident of Concord; Savanna Sharp; Dave Sutton; Nora, resident of Antioch; Danielle Besema, resident of Concord; County Resident; County Resident (2); Debra Thompson; County Resident (3); County Resident (4); Resident of Pinole; Edith Halderen, resident of Richmond; California resident; Denise Pursche; County Resident (5); Barry, resident of Contra Costa.

ORDINANCE NO. 2020-21

AN URGENCY ORDINANCE ESTABLISHING ADMINISTRATIVE FINES FOR
VIOLATIONS OF PUBLIC HEALTH ORDERS
PERTAINING TO THE COVID-19 PANDEMIC

The Contra Costa County Board of Supervisors ordains as follows:

Section 1. Findings.

- A. On January 30, 2020, the World Health Organization declared the outbreak of a novel coronavirus that causes the disease named coronavirus disease 2019 (“COVID-19”), a public health emergency of international concern.
- B. On January 31, 2020, as the result of confirmed cases of COVID-19, the U.S. Secretary of Health and Human Services declared a public health emergency nationwide.
- C. On March 3, 2020, Contra Costa Health Services announced the first case of local transmission of the virus causing COVID-19 in Contra Costa County.
- D. On March 4, 2020, Governor Gavin Newsom proclaimed the existence of a state of emergency in California under the California Emergency Services Act (Gov. Code, § 8550 et seq.).
- E. On March 10, 2020, the Board of Supervisors found that due to the introduction of COVID-19 in the County, conditions of disaster or extreme peril to the safety of persons and property had arisen, commencing on March 3, 2020. Based on these conditions, under Government Code section 8630, the Board adopted Resolution No. 2020/92, proclaiming the existence of a local emergency throughout the County.
- F. The legislative bodies of a number of cities in Contra Costa County have also adopted local emergency proclamations due to COVID-19 under Government Code section 8630.
- G. On March 16, 2020, the County Health Officer issued an order requiring County residents to shelter at their places of residence in order to slow community transmission of COVID-19, subject to exceptions for the provision and receipt of essential services while complying with social distancing requirements to the maximum extent possible. The County Health Officer extended the order on March 31, 2020, and on April 29, 2020.
- H. On March 19, 2020, the State Public Health Officer issued an order directing all individuals living in California to stay at home except as needed to facilitate authorized, necessary activities or to maintain the continuity of operations of critical infrastructure sectors.
- I. On May 7, 2020, the State Public Health Officer announced that statewide data supported the gradual modification of the statewide stay at home order to allow more businesses that had been closed to reopen.

- J. On May 18, 2020, the County Health Officer extended the shelter-in-place order, continuing restrictions on many activity, travel, and business functions but allowing a limited number of additional businesses to resume operating. On June 2, June 5, and June 16, 2020, the County Health Officer issued orders allowing additional businesses to resume operating.
- K. Since May, the statewide data has demonstrated a significant increase in the spread of COVID-19, resulting in public health conditions that demand measures responsive to those conditions.
- L. On July 11, 2020, the County Health Officer issued an order increasing restrictions on certain businesses and activities that were previously cleared for operation, because they present a high risk for disease transmission due to prolonged contact between persons at those businesses and activities.
- M. On July 13, 2020, the State Public Health Officer issued an order requiring counties on the state’s County Monitoring List to close certain businesses that had been allowed to reopen to close again. Contra Costa County is on the state’s County Monitoring List.
- N. Violations of public health orders related to the control of the spread of COVID-19 present an immediate threat to the public peace, health, and safety, as described in Government Code section 25123(d), in that violations of the orders increase the likelihood that COVID-19 will continue spreading, overwhelming health care systems and leading to injury and death that might otherwise be substantially reduced through adherence to public health orders.
- O. Given the significant increase in the spread of COVID-19 since May and the speed with which the virus can move through communities, the adoption of this urgency ordinance is necessary to provide an alternative to criminal enforcement of public health orders that will augment the ability of local agencies to ensure compliance with public health orders and combat the spread of COVID-19.
- P. There is an urgent need for the County to authorize the imposition of administrative fines for violations of public health orders in light of the emergency declared regarding the COVID-19 pandemic.

Section 2. Applicability and Authorization.

- (a) This ordinance provides for administrative fines, enforcement, and collection remedies to address any violation of a Public Health Order, as defined in Section 3.
- (b) Remedies under this ordinance are in addition to any other remedy allowed by applicable law.
- (c) This ordinance is authorized by Government Code sections 8634 and 53069.4.

Section 3. Definitions. For purposes of this ordinance, the following words and phrases have the following meanings:

- (a) “Enforcement Officer” means the following officials and their designees:
 - (1) County Director of Health Services.
 - (2) County Director of Conservation and Development.
 - (3) County Sheriff.
 - (4) Any official designated by a city council or city manager, or by a special district board of directors or general manager, to enforce this ordinance in that jurisdiction.
- (b) “Public Health Order” means any order issued by the County Public Health Officer under authority granted by state law and any order issued by the State Public Health Officer.
- (c) “Responsible Party” means an individual or legal entity, or the agent of the individual or legal entity, whose act or failure to act violated a Public Health Order, including, without limitation, any person or entity that causes, maintains, permits, or allows a violation of this ordinance; any person or entity that owns, possesses, or controls any parcel of real property in the County where a violation of this ordinance is maintained; or any person or entity that owns, possesses, operates, manages, or controls any business within the County that is responsible for causing or maintaining a violation of this ordinance.

Section 4. Adoption of Public Health Orders as County Law.

Persons in the County shall comply with all applicable requirements in all currently effective Public Health Orders. A violation of a Public Health Order is a violation of this ordinance.

Section 5. Administrative Fines.

- (a) A Responsible Party that violates this ordinance may be issued a Notice of Fine by an Enforcement Officer.
- (b) If an Enforcement Officer determines that a violation of this ordinance occurred, the Enforcement Officer may issue a Notice of Violation to the Responsible Party that provides up to two days to correct the violation. If the Responsible Party receiving the Notice of Violation does not correct the violation in the time specified in the Notice of Violation, the Enforcement Officer may then issue a Notice of Fine. This section does not prevent an Enforcement Office from issuing a Notice of Fine without previously issuing a Notice of Violation when, in the Enforcement Officer’s sole discretion, the circumstances of the violation make the Notice of Violation unnecessary or ineffective.
- (c) A Notice of Violation and a Notice of Fine will include the following information:
 - (1) The date of the violation.
 - (2) The address or other description of the location where the violation occurred.

- (3) The Public Health Order violated and a description of the violation.
 - (4) If a Notice of Violation orders the correction of a violation, a description in the Notice of Violation of how the violation can be corrected.
 - (5) The amount of the fine.
 - (6) An advisement of the right to request a hearing to appeal the fine and instructions for filing a request for hearing.
- (d) An administrative fine will be assessed by means of a Notice of Fine. The amounts of the fines imposed pursuant to this ordinance are as follows:
- (1) For violations involving non-commercial activity, the amount of the fine will be \$100 for a first violation, \$200 for a second violation, and \$500 for each additional violation within one year of the initial violation.
 - (2) For violations involving commercial activity, the amount of the fine will be \$250 for a first violation, \$500 for a second violation, and \$1,000 for each additional violation within one year of the initial violation.
- (e) Acts, omissions, or conditions in violation of this ordinance that continue, exist, or occur on more than one day constitute separate violations and offenses on each day.

Section 6. Hearings.

- (a) A Responsible Party upon whom an administrative fine is imposed may appeal the fine pursuant to the procedures set forth in this section. The appellant must file a written appeal within 10 days after the service date of the Notice of Fine. The written appeal must contain:
- (1) A brief statement setting forth the interest the Responsible Party has in the matter relating to the imposition of the fine; and
 - (2) A brief statement of the material facts that the Responsible Party claims supports the contention that no fine should be imposed or that a fine of a different amount is warranted.
- (b) Notice of the appeal hearing will be served as specified in Section 10 and will set the time and location of the appeal hearing.
- (c) An appeal of an administrative fine will be heard by a hearing officer established or appointed by the agency issuing the Notice of Fine.
- (d) At the hearing, the Responsible Party will be given the opportunity to testify and to present evidence.

- (e) After considering the testimony and evidence submitted at the hearing, or after the appellant has failed to appear at the hearing, the hearing officer will issue a written decision to uphold, modify, or cancel the administrative fine and will list in the decision the reason or reasons for that decision. The decision will be served as specified in Section 10.

Section 7. Final Order. The imposition of the administrative fine becomes a final administrative order at one of the following times:

- (a) On the date that service of the Notice of Fine is complete, if the Responsible Party fails to file a written appeal within the time specified.
- (b) On the date that service of the hearing officer’s written decision is complete, if the appeal was timely filed.

Section 8. Payment of the Fine. The administrative fine is effective and due immediately upon issuance of the Notice of Fine. The Responsible Party has 30 days after the administrative fine becomes a final administrative order to pay the fine to the agency issuing the Notice of Fine. Payment of a fine under this ordinance does not excuse or discharge any continuation or repeated occurrence of the violation that is the subject of the Notice of Fine. The payment of a fine does not bar any other enforcement action regarding a violation that is not corrected.

Section 9. Collection. If the fine is not paid within 30 days after the imposition of the fine becomes a final administrative order, the County may collect the fine, the County’s collection costs, and interest. An administrative fine accrues interest at the same annual rate as any civil judgment, beginning on the 20th day after the fine becomes a final administrative order. The County may collect by using any available legal means, including but not limited to a civil action or other actions as are allowed for enforcement of a civil judgment pursuant to the Enforcement of Judgment Law, California Code of Civil Procedure section 680.010 et seq.

Section 10. Service.

- (a) All notices or decisions required to be served by this ordinance will be served by one or more of the following methods.
 - (1) By personal service.
 - (2) By posting and mailing, if the violation occurred on real property known to the Enforcement Officer to be owned, possessed, or controlled by the Responsible Party. Posting of the notice or decision will be conspicuously on or in front of the property. If the property has no frontage, posting will be on the portion of the property nearest to a street, highway, or road, or most likely to give actual notice to the owner. The notice or decision will also be mailed by overnight mail, postage prepaid, to the address at which the notice or decision was posted, or to any other mailing address of the Responsible Party that is known to the Enforcement Officer.

- (3) By mailing to a mailing address of the Responsible Party that is known to the Enforcement Officer, if personal service or posting is impracticable.
- (b) Service is complete at the time of personal service, one day after posting and mailing the notice or decision, or five days after service by mail alone. The failure of a Responsible Party to receive a properly addressed service shall not affect the validity of the proceedings.

Section 11. Judicial Review. A final administrative order may be appealed to the Superior Court of Contra Costa County in accordance with the provisions set forth in Government Code section 53069.4.

Section 12. Severability. If any provision or clause of this ordinance or the application thereof to any person or circumstances is held to be unconstitutional or to be otherwise invalid by any court of competent jurisdiction, such invalidity shall not affect other ordinance provisions or clauses or applications thereof that can be implemented without the invalid provision or clause or application, and to this end the provisions and clauses are declared to be severable. The Board of Supervisors hereby declares that it would have adopted this ordinance and each provision thereof irrespective of whether any one or more provisions are found invalid, unconstitutional, or otherwise unenforceable.

Section 13. Declaration of Urgency. This ordinance is hereby declared to be an urgency ordinance necessary for the immediate preservation of the public peace, health, and safety of the County. The facts constituting the urgency of this ordinance's adoption are set forth in Section 1.

Section 14. Effective Date. This ordinance becomes effective immediately upon passage by four-fifths vote of the Board of Supervisors. This ordinance shall expire and be repealed as of the termination of the local emergency proclaimed in response to the COVID-19 pandemic.

Section 15. Publication. Within 15 days after passage, this ordinance shall be published once with the names of the supervisors voting for and against it in the East Bay Times, a newspaper published in this County.

ORDINANCE NO. 2020-21

AN URGENCY ORDINANCE ESTABLISHING ADMINISTRATIVE FINES FOR
VIOLATIONS OF PUBLIC HEALTH ORDERS
PERTAINING TO THE COVID-19 PANDEMIC

The Contra Costa County Board of Supervisors ordains as follows:

Section 1. Findings.

- A. On January 30, 2020, the World Health Organization declared the outbreak of a novel coronavirus that causes the disease named coronavirus disease 2019 (“COVID-19”), a public health emergency of international concern.
- B. On January 31, 2020, as the result of confirmed cases of COVID-19, the U.S. Secretary of Health and Human Services declared a public health emergency nationwide.
- C. On March 3, 2020, Contra Costa Health Services announced the first case of local transmission of the virus causing COVID-19 in Contra Costa County.
- D. On March 4, 2020, Governor Gavin Newsom proclaimed the existence of a state of emergency in California under the California Emergency Services Act (Gov. Code, § 8550 et seq.).
- E. On March 10, 2020, the Board of Supervisors found that due to the introduction of COVID-19 in the County, conditions of disaster or extreme peril to the safety of persons and property had arisen, commencing on March 3, 2020. Based on these conditions, under Government Code section 8630, the Board adopted Resolution No. 2020/92, proclaiming the existence of a local emergency throughout the County.
- F. The legislative bodies of a number of cities in Contra Costa County have also adopted local emergency proclamations due to COVID-19 under Government Code section 8630.
- G. On March 16, 2020, the County Health Officer issued an order requiring County residents to shelter at their places of residence in order to slow community transmission of COVID-19, subject to exceptions for the provision and receipt of essential services while complying with social distancing requirements to the maximum extent possible. The County Health Officer extended the order on March 31, 2020, and on April 29, 2020.
- H. On March 19, 2020, the State Public Health Officer issued an order directing all individuals living in California to stay at home except as needed to facilitate authorized, necessary activities or to maintain the continuity of operations of critical infrastructure sectors.
- I. On May 7, 2020, the State Public Health Officer announced that statewide data supported the gradual modification of the statewide stay at home order to allow more businesses that had been closed to reopen.

- J. On May 18, 2020, the County Health Officer extended the shelter-in-place order, continuing restrictions on many activity, travel, and business functions but allowing a limited number of additional businesses to resume operating. On June 2, June 5, and June 16, 2020, the County Health Officer issued orders allowing additional businesses to resume operating.
- K. Since May, the statewide data has demonstrated a significant increase in the spread of COVID-19, resulting in public health conditions that demand measures responsive to those conditions.
- L. On July 11, 2020, the County Health Officer issued an order increasing restrictions on certain businesses and activities that were previously cleared for operation, because they present a high risk for disease transmission due to prolonged contact between persons at those businesses and activities.
- M. On July 13, 2020, the State Public Health Officer issued an order requiring counties on the state's County Monitoring List to close certain businesses that had been allowed to reopen to close again. Contra Costa County is on the state's County Monitoring List.
- N. Violations of public health orders related to the control of the spread of COVID-19 present an immediate threat to the public peace, health, and safety, as described in Government Code section 25123(d), in that violations of the orders increase the likelihood that COVID-19 will continue spreading, overwhelming health care systems and leading to injury and death that might otherwise be substantially reduced through adherence to public health orders.
- O. Given the significant increase in the spread of COVID-19 since May and the speed with which the virus can move through communities, the adoption of this urgency ordinance is necessary to provide an alternative to criminal enforcement of public health orders that will augment the ability of local agencies to ensure compliance with public health orders and combat the spread of COVID-19.
- P. There is an urgent need for the County to authorize the imposition of administrative fines for violations of public health orders in light of the emergency declared regarding the COVID-19 pandemic.

Section 2. Applicability and Authorization.

- (a) This ordinance provides for administrative fines, enforcement, and collection remedies to address any violation of a Public Health Order, as defined in Section 3.
- (b) Remedies under this ordinance are in addition to any other remedy allowed by applicable law.
- (c) This ordinance is authorized by Government Code sections 8634 and 53069.4.

Section 3. Definitions. For purposes of this ordinance, the following words and phrases have the following meanings:

- (a) “Enforcement Officer” means the following officials and their designees:
 - (1) County Director of Health Services.
 - (2) County Director of Conservation and Development.
 - (3) County Sheriff.
 - (4) Any official designated by a city council or city manager, or by a special district board of directors or general manager, to enforce this ordinance in that jurisdiction.
- (b) “Public Health Order” means any order issued by the County Public Health Officer under authority granted by state law and any order issued by the State Public Health Officer.
- (c) “Responsible Party” means an individual or legal entity, or the agent of the individual or legal entity, whose act or failure to act violated a Public Health Order, including, without limitation, any person or entity that causes, maintains, permits, or allows a violation of this ordinance; any person or entity that owns, possesses, or controls any parcel of real property in the County where a violation of this ordinance is maintained; or any person or entity that owns, possesses, operates, manages, or controls any business within the County that is responsible for causing or maintaining a violation of this ordinance.

Section 4. Adoption of Public Health Orders as County Law.

Persons in the County shall comply with all applicable requirements in all currently effective Public Health Orders. A violation of a Public Health Order is a violation of this ordinance.

Section 5. Administrative Fines.

- (a) A Responsible Party that violates this ordinance may be issued a Notice of Fine by an Enforcement Officer.
- (b) If an Enforcement Officer determines that a violation of this ordinance occurred, the Enforcement Officer may issue a Notice of Violation to the Responsible Party that provides up to two days to correct the violation. If the Responsible Party receiving the Notice of Violation does not correct the violation in the time specified in the Notice of Violation, the Enforcement Officer may then issue a Notice of Fine. This section does not prevent an Enforcement Office from issuing a Notice of Fine without previously issuing a Notice of Violation when, in the Enforcement Officer’s sole discretion, the circumstances of the violation make the Notice of Violation unnecessary or ineffective.
- (c) A Notice of Violation and a Notice of Fine will include the following information:
 - (1) The date of the violation.
 - (2) The address or other description of the location where the violation occurred.

- (3) The Public Health Order violated and a description of the violation.
 - (4) If a Notice of Violation orders the correction of a violation, a description in the Notice of Violation of how the violation can be corrected.
 - (5) The amount of the fine.
 - (6) An advisement of the right to request a hearing to appeal the fine and instructions for filing a request for hearing.
- (d) An administrative fine will be assessed by means of a Notice of Fine. The amounts of the fines imposed pursuant to this ordinance are as follows:
- (1) For violations involving non-commercial activity, the amount of the fine will be \$100 for a first violation, \$200 for a second violation, and \$500 for each additional violation within one year of the initial violation.
 - (2) For violations involving commercial activity, the amount of the fine will be \$250 for a first violation, \$500 for a second violation, and \$1,000 for each additional violation within one year of the initial violation.
- (e) Acts, omissions, or conditions in violation of this ordinance that continue, exist, or occur on more than one day constitute separate violations and offenses on each day.

Section 6. Hearings.

- (a) A Responsible Party upon whom an administrative fine is imposed may appeal the fine pursuant to the procedures set forth in this section. The appellant must file a written appeal within 10 days after the service date of the Notice of Fine. The written appeal must contain:
- (1) A brief statement setting forth the interest the Responsible Party has in the matter relating to the imposition of the fine; and
 - (2) A brief statement of the material facts that the Responsible Party claims supports the contention that no fine should be imposed or that a fine of a different amount is warranted.
- (b) Notice of the appeal hearing will be served as specified in Section 10 and will set the time and location of the appeal hearing.
- (c) An appeal of an administrative fine will be heard by a hearing officer established or appointed by the agency issuing the Notice of Fine.
- (d) At the hearing, the Responsible Party will be given the opportunity to testify and to present evidence.

- (e) After considering the testimony and evidence submitted at the hearing, or after the appellant has failed to appear at the hearing, the hearing officer will issue a written decision to uphold, modify, or cancel the administrative fine and will list in the decision the reason or reasons for that decision. The decision will be served as specified in Section 10.

Section 7. Final Order. The imposition of the administrative fine becomes a final administrative order at one of the following times:

- (a) On the date that service of the Notice of Fine is complete, if the Responsible Party fails to file a written appeal within the time specified.
- (b) On the date that service of the hearing officer's written decision is complete, if the appeal was timely filed.

Section 8. Payment of the Fine. The administrative fine is effective and due immediately upon issuance of the Notice of Fine. The Responsible Party has 30 days after the administrative fine becomes a final administrative order to pay the fine to the agency issuing the Notice of Fine. Payment of a fine under this ordinance does not excuse or discharge any continuation or repeated occurrence of the violation that is the subject of the Notice of Fine. The payment of a fine does not bar any other enforcement action regarding a violation that is not corrected.

Section 9. Collection. If the fine is not paid within 30 days after the imposition of the fine becomes a final administrative order, the County may collect the fine, the County's collection costs, and interest. An administrative fine accrues interest at the same annual rate as any civil judgment, beginning on the 20th day after the fine becomes a final administrative order. The County may collect by using any available legal means, including but not limited to a civil action or other actions as are allowed for enforcement of a civil judgment pursuant to the Enforcement of Judgment Law, California Code of Civil Procedure section 680.010 et seq.

Section 10. Service.

- (a) All notices or decisions required to be served by this ordinance will be served by one or more of the following methods.
 - (1) By personal service.
 - (2) By posting and mailing, if the violation occurred on real property known to the Enforcement Officer to be owned, possessed, or controlled by the Responsible Party. Posting of the notice or decision will be conspicuously on or in front of the property. If the property has no frontage, posting will be on the portion of the property nearest to a street, highway, or road, or most likely to give actual notice to the owner. The notice or decision will also be mailed by overnight mail, postage prepaid, to the address at which the notice or decision was posted, or to any other mailing address of the Responsible Party that is known to the Enforcement Officer.

- (3) By mailing to a mailing address of the Responsible Party that is known to the Enforcement Officer, if personal service or posting is impracticable.
- (b) Service is complete at the time of personal service, one day after posting and mailing the notice or decision, or five days after service by mail alone. The failure of a Responsible Party to receive a properly addressed service shall not affect the validity of the proceedings.

Section 11. Judicial Review. A final administrative order may be appealed to the Superior Court of Contra Costa County in accordance with the provisions set forth in Government Code section 53069.4.

Section 12. Severability. If any provision or clause of this ordinance or the application thereof to any person or circumstances is held to be unconstitutional or to be otherwise invalid by any court of competent jurisdiction, such invalidity shall not affect other ordinance provisions or clauses or applications thereof that can be implemented without the invalid provision or clause or application, and to this end the provisions and clauses are declared to be severable. The Board of Supervisors hereby declares that it would have adopted this ordinance and each provision thereof irrespective of whether any one or more provisions are found invalid, unconstitutional, or otherwise unenforceable.

Section 13. Declaration of Urgency. This ordinance is hereby declared to be an urgency ordinance necessary for the immediate preservation of the public peace, health, and safety of the County. The facts constituting the urgency of this ordinance's adoption are set forth in Section 1.

Section 14. Effective Date. This ordinance becomes effective immediately upon passage by four-fifths vote of the Board of Supervisors. This ordinance shall expire and be repealed as of the termination of the local emergency proclaimed in response to the COVID-19 pandemic.

Section 15. Publication. Within 15 days after passage, this ordinance shall be published once with the names of the supervisors voting for and against it in the East Bay Times, a newspaper published in this County.

CLERK'S ADDENDUM

As of today the state of California is reporting 466,550 confirmed cases of Covid-19, with 8800 deaths. Contra Costa County currently has 7304 CASES, an increase of 1886 cases in two weeks. Sadly, we have lost 108 people to the virus. Intensive Care Unit (ICU) utilization is at 74% of which 40 of the beds are Covid-19 cases. Of the 931 people in the hospital, 105 are Covid-19 cases.

The state has implemented a monitoring list for counties using various metrics, such as increase in active cases or number of hospitalizations. Contra Costa has on the monitoring list since July 9th because of the percentage of people testing positive. On July 18, 2020 there were 189 cases positive per 100,000 people. As of yesterday It was 109 per 100,000. So from slightly over 8% decreasing to just under 8%. The goal is 5% or lower.

Contra Costa has a total of 1600 hospital beds with a surge plan in place. We have 4 people hospitalized in our county who are residents elsewhere, and 16 Contra Costa residents in a different county's hospital. Not all hospitals have been reporting consistently so those numbers may be higher.

Approximately 70% of the fatalities have been amongst those who are living in long-term care facilities, most of whom have been quarantined since March. This is a clear indicator of community spread – the virus is coming in to them, they have not been outside.

We are working diligently to prevent the spread in these facilities but we know there is very high risk as long as community spread is happening. The County is currently following 27 outbreaks in those type of facilities.

Statistics indicate the virus is still disproportionately impacting low-income communities, and communities of color. The data on the County website is being refined to be more clear. Neo-natal ICU beds cannot be converted for adult use so those will be removed from the count of ICU beds available.

On July 15th the Federal Government mandated that the hospital data that historically been reported to the CDC is now being reported to the National Health and Human Services. This has resulted in reporting delays and tracking of hospitalizations. Therefore some of the data points and graphs on our website have not been updated. It is not known how long this transition will impact our data.

As reflected nationwide, the County is struggling to get testing results back in a timely manner. At this time it can take as long as two weeks or longer to receive the results, especially those in the asymptomatic category. The County's public health lab can process a small number of tests with rapid turnaround for hospital patients with symptoms but that is only a fraction of the testing that is needed. Slow testing has become a nationwide crisis that hampers containment of the virus and contact tracing efforts. This is mostly a result of a nationwide surge in cases as well as a local surge. The County has been relying heavily on large commercial labs and the massive surge in testing demands from Arizona, Texas and Florida are impacting their ability to serve our local area. Another challenge to testing is still shortages of supplies such as reagents to complete the tests.

The shelter in place in March and April was quite effective in flattening the curve, of flattening the curve. But that came at tremendous cost. No one wants to return to that so we are focusing our strategy on social distancing, hand washing, masking, and protocols for businesses to prevent spread. Those measures are paired with aggressive testing and quarantine to break the chain of transmission.

To meet the increased demand for testing and faster turnaround for results, some contracts for additional labs will be placed on next week's Board agenda and more in later weeks. Additionally Health Services is seeking to increase the salary level for our lab scientists to be more successful in filling the vacant positions so the County can perform multiple test runs per day. The Department is also seeking

to purchase more testing machines in a highly competitive market. Contra Costa is now testing above its target of two people per thousand but still needs faster results returns. The County is working with the state on rapid-result tests but Dr. Farnitano cautions that the results of that type of test are not as reliable. All the partner hospitals are experiencing the same difficulties in supplies, equipment to process the tests, and slow delivery of results. Pool testing is being examined, but each machine for that has to be FDA approved.

Regarding treatment, there is now good evidence that there are several that are effective in treating people with Covid-19, especially those who are hospitalized and very ill. The death rate of the infected is dropping from 5 to 8 percent in the early days of the pandemic to between 1 to 3 percent currently. The drug Remdesivir has shown good results but is still in very short supply. A second drug called Dexamethazone has also shown clear benefit to those very sick with the virus and is a generic steroid drug that has been in existence for many years. For those with very mild illness it is not recommended. Many techniques are in use including the use of blood thinners and rotating patients onto their stomachs to improve fluid balance.

Dr. Farnitano notes that the random trials of hydroxychloroquine have stopped. The drug is NOT effective in treating Covid-19. No benefit has been shown from the drugs hydroxychloroquine or Zithromycin and the side effects may be harmful.

Contra Costa County is on the state monitoring list. Schools in monitored counties are mandated to do distance learning and not do in-classroom learning while on the list and at least two weeks after they fall off the list. Our local schools will be using distance learning. The state did mention they were going to set up a waiver process where elementary schools, defined as Kindergarten through 5th grade, could potentially apply for a waiver. If that waiver had the support of the local school superintendent, the local teachers union or teachers and parent organization and the support of the local health officer they may be able resume in-person activity. That process is still being worked on at the state level. The state has promised a checklist that may be available as soon as next week. Much depends on improved testing result capability in light of possible outbreaks.

Everyone wants the children to be able to safely return to school. The best way to get the children back in school is to slow the spread!

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: Stacey M. Boyd, Deputy

Contact: Laura Cremin (925)
313-2015

BACKGROUND:

The purpose of this project is to rehabilitate the structurally deficient Pleasant Hill Road Overcrossing (Bridge No. 28C-0154). The bridge is a three-span structure that was constructed in 1956. The project is planned to occur in 2022 and take approximately five (5) months.

The project consists of replacing the bridge deck, creating a soil retaining system at the bridge abutments, widening the shoulder, repairing the approach and departure roadway sections and repaving them as needed, and other repairs. The soil retaining system will be built under the cantilever portions of the abutments for erosion control to prevent the approach roadway fill from eroding from behind the abutments. The depth of excavation will depend on the type of system selected (e.g. soil backfilling, rock or concrete pavement slope protection, or a soil retaining wall) and can range from a few feet to 15 feet. The shoulder will be widened at the ramp from westbound Pleasant Hill Road and require grading. The maximum depth of the associated excavation is estimated to be two (2) feet. Existing metal bridge railings will be replaced with upgraded crash-worthy concrete railings. Standard metal beam guardrails will be installed at the structure approaches. Vertical clearance warning signs will be installed. The bridge deck and approach and departure roadways will be restriped.

CONSEQUENCE OF NEGATIVE ACTION:

Delay in approving the project may result in a delay of design, construction, and may jeopardize funding.

County of: Contra Costa

Project Title: Pleasant Hill Road Bridge over Taylor Blvd Rehabilitation
No. WO4086, CP#20-07

Project Applicant: Contra Costa County Public Works Department
255 Glacier Drive Martinez, CA 94553

Project Location: Pleasant Hill Road over Taylor Boulevard, 0.6 miles east of Geary Road, in an unincorporated area of
Lafayette in Central Contra Costa County

Lead Agency: Contra Costa County Department of Conservation and Development

Description of Nature, Purpose and Beneficiaries of Project: The purpose of this project is to rehabilitate the structurally deficient Pleasant Hill Road Overcrossing (Bridge No. 28C-0154). The bridge is a three span structure that was constructed in 1956. The project is planned to occur in 2022 and take approximately 5 months.

The project consists of the replacing the bridge deck, creating a soil retaining system at the bridge abutments, widening the shoulders, repairing the approach and departure roadway sections and repaving them as needed, and other repairs (Figure 3). The soil retaining system will be built under the cantilever portions of the abutments for erosion control to prevent the approach roadway fill from eroding from behind the abutments. The depth of excavation will depend on the type of the system selected (e.g. soil backfilling, rock or concrete pavement slope protection, or a soil retaining wall) and can range from a few feet to 15 feet. The shoulder will be widened at the ramp from westbound Pleasant Hill Road and require grading. The maximum depth of the associated excavation is estimated to be 2 feet.

Existing metal bridge railings will be replaced with upgraded crash-worthy concrete railings. Standard metal beam guardrails will be installed at the structure approaches. Vertical clearance warning signs will be installed. The bridge deck and approach and departure roadways will be restriped.

The work will occur within the County's right-of-way. A temporary construction easement may be necessary for staging. The staging area will occur on paved or gravel area away from sensitive areas. Staged partial one-lane closures will be necessary, allowing for the use of Pleasant Hill Road throughout the construction. There may be a potential short-term ramp detour (approximately one week). Lane closures of the northbound Taylor Boulevard under the bridge will also be required for the girder repair work. Emergency vehicles will have access at all times. There will be advance notification of construction work to the community and stakeholders in accordance with Public Works Department procedures.

No tree removal will be necessary. There will be vegetation removal and ground disturbance for the proposed shoulder widening and the associated grading work. While there are no waterways within the project area, appropriate Best Management Practices (BMPs) for protection of environmental resources will be implemented during construction.

ATTESTED: July 28, 2020

David J. Twa, County Administrator and Clerk of the Board of Supervisors

Contact: Jessi Duffy (925)
313-2286

By: Stacey M. Boyd, Deputy

FISCAL IMPACT:

The levy of the annual service charges in CSA L-100 will provide revenues for the continued operation and maintenance of street lighting services. The CSA L-100 total revenue (inclusive of ad-valorem, service charges, and other) was \$1,850,634.30 for Fiscal Year 2019-2020 and will be \$1,856,883.48 for Fiscal Year 2020-2021. In Fiscal Year 2019-2020 the basic service charge was \$14.94/year per equivalent dwelling unit for a single-family home and will remain the same for Fiscal Year 2020-2021.

BACKGROUND:

On June 16, 2020, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2020/100 confirming the Fiscal Year 2020-2021 Tentative Annual Report on proposed service charges for CSA L-100. CSA L-100 provides street lighting services.

On July 1, 2020, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2020-2021. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the class or land use of a parcel. Upon review of the official assessment roll, staff determined that revisions to the Tentative Annual Report were required to conform to the official assessment roll. These included changes in the use code of parcels. The Tentative Annual Report as revised is the Final Annual Report. See Attachment 1.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2020/180 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2020-2021.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2020-2021 Final Annual Report is not adopted, service charges for CSA L-100 would not be levied or collected in Fiscal Year 2020-2021 and street lighting would have to be selectively eliminated throughout the County to meet decreased funding levels.

Resolution No. 2020/180

IN THE MATTER OF: Confirmation of Fiscal Year 2020-2021 Final Annual Report for County Service Area L-100 and levy of service charges (Countywide Street Lighting).

WHEREAS, the Board on June 16, 2020, adopted Resolution No. 2020/100, confirming the Fiscal Year 2020-2021 Tentative Annual Report for County Service Area (CSA) L-100.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2020-2021 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2020-2021, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and hereby modifies the Final Annual Report as follows: The Final Annual Report includes the Final Roll which lists all parcel changes to the Tentative Roll submitted in the Tentative Annual Report on June 16, 2020. The Final Roll shows the current lists of parcels with updated use codes.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2020-2021 Final Annual Report for CSA L-100 as modified and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2020-2021.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

Federal Glover, District 5

Prepared by
**Contra Costa County
Public Works Department**

BACKGROUND INFORMATION

On October 31, 1978, the Board of Supervisors instructed the Public Works Director to develop an alternate means to supplement ad valorem property taxes to fund street lighting in unincorporated County Service Areas. This report recommends the levying of a street lighting charge as provided in the County Service Area Law, Government Code, Sections 25210.1 and following, and in accordance with Ordinance No. 79-42, adopted by the Board of Supervisors on March 27, 1979.

County Service Area (CSA) L-100 was formed on September 10, 1986, as a dependent special district of the County and as the consolidation of four street-lighting CSAs. The purpose for consolidating the four CSAs into one district was to provide more efficient and cost-effective street-lighting services throughout the County by having one new county service area with a single management structure and operational area throughout the County and in order to more equitably finance the cost of lighting services by a common service charge structure.

CSA L-100 provides street lighting operations and maintenance services throughout the County's unincorporated developed areas and pays for utility costs.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2020/180, on June 16, 2020, and conducted a Public Hearing in connection with the proceedings for CSA L-100.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's general taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of the annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

Street Light Capital Project Implementation

As of late 2015, Contra Costa County has completed the conversion of County-owned standard street lights from high-pressure sodium vapor to light-emitting diode (LED) lights.

In Fiscal Year 2020-2021, CSA L-100 plans on continuing an inspection program to assess, identify, and replace obsolete, damaged, and leaning street light poles. CSA L-100 is also implementing an analysis of the long-term fiscal requirements for the area so that it remains financially stable while providing the proper levels of service.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2019-2020 projected and Fiscal Year 2020-2021 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and expenditures for CSA L-100. The total cost to provide the street lighting services can be recovered from the collection of service charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the street lighting services may also be included.

When CSA L-100 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed street lighting operations and maintenance services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following pages.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Although the District's annual service charges are generally collected on the property tax rolls, the District's service charges are not "taxes." Service charges are distinct from the regular one percent (1%) property tax and property tax debt override in that assessment rates are not levied on an ad valorem basis. The service charges contained in this report are considered assessments under Proposition 218.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap), then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be assessed for the operation, maintenance, and capital replacement costs associated with street lighting improvements as described herein, if they receive a special and direct benefit from the improvements. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA L-100.

In the absence of the annual assessment, the street light improvements within CSA L-100 would not be provided, therefore the enhanced public services provided within CSA L-100 confer a special benefit on the properties within the boundaries of CSA L-100 because only the parcels located within the boundaries of the CSA are served. Without the services, the property located in the unincorporated area would receive no street lighting and no special benefits. Therefore, the services in CSA L-100 are 100 percent special benefit to the parcels within the CSA.

Special benefits conferred on property within the CSA from the public street lighting improvements include:

- Providing for safe vehicular and pedestrian access to property,
- Providing improved livability, appearance, and desirability of property within the CSA, and
- Providing safety and security to property due to enhanced illumination of the property.

Properties outside of CSA L-100 do not enjoy the close proximity to the street light improvements provided by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. Although these improvements may be available to the public at large, the public street lighting within the CSA was specifically designed, located and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the

public at large. The boundaries of the CSA have been narrowly drawn to include only those parcels that receive a direct advantage from the improvements.

In addition to the special and direct benefits the property owners receive within the CSA from the street lighting improvements, it has been determined that no general benefits are associated with street lighting within CSA L-100. Furthermore, any benefits conferred by the street lights to the public at large are considered to be incidental, negligible and non-quantifiable benefits. The street light improvements described herein within this report, confer special benefits that affect the assessed property in a way that is distinct from their effects on other parcels and which real property in general and the public at large do not share.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The proper functioning of street lighting is imperative for the welfare and safety of the property owners throughout the County. Proper operation, maintenance, and servicing of a street-lighting system benefits properties by providing increased illumination for ingress and egress, safety for traveling at night, improved security, protection of property and the reduction of traffic accidents.

The degree of benefit is determined by the use of each individual parcel, the intensity of illumination provided, the number of pedestrians generated, and the enhanced security during hours of darkness. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor. The single-family residential parcel is considered one unit of benefit (1.00 EDU). All other land uses have been analyzed to determine a benefit they receive from the intensity of illumination provided, the number of pedestrians generated by their property and the enhanced security to their property during hours of darkness.

The single-family residential parcel has been selected as the basic unit for the calculation of assessment since it represents approximately 72 percent of the parcels within the County. Therefore, the single-family residential parcel is defined as one Equivalent Dwelling Unit (EDU). The methodology used to assign EDUs to the land uses in proportion to the benefit they receive relative to the single family residential parcel is based on the intensity of the street lighting illumination adjacent to the parcel, the amount of pedestrian traffic generated from the parcel, and the security received from the street lighting to the parcel.

Rate

See Table 1 on the following page for Fiscal Year 2020-2021 Typical Street Lighting Service Charge Rates.

TABLE 1 - TYPICAL SERVICE CHARGE RATES FY 2020-21				
Land Use	Number of Units	Number of EDU's	FY 2020-21 Charge per EDU	FY 2020-21 Charge
Single Family	1.00	1.00	\$14.94	\$14.94
Condominiums	1.00	0.50	\$14.94	\$7.47
10 unit Apartment	10.00	5.00	\$14.94	\$74.70
30 unit Apartment	30.00	7.00	\$14.94	\$104.58
Commercial	N/A	5.00	\$14.94	\$74.70
Industrial Building	N/A	5.00	\$14.94	\$74.70
Church	N/A	5.00	\$14.94	\$74.70
Vacant Land	N/A	0.50	\$14.94	\$7.47

For a detailed description of the Equivalent Dwelling Unit factors by land use, see Table 2 on the following page.

Resolution No. 2020/180

IN THE MATTER OF: Confirmation of Fiscal Year 2020-2021 Final Annual Report for County Service Area L-100 and levy of service charges (Countywide Street Lighting).

WHEREAS, the Board on June 16, 2020, adopted Resolution No. 2020/100, confirming the Fiscal Year 2020-2021 Tentative Annual Report for County Service Area (CSA) L-100.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2020-2021 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2020-2021, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and hereby modifies the Final Annual Report as follows: The Final Annual Report includes the Final Roll which lists all parcel changes to the Tentative Roll submitted in the Tentative Annual Report on June 16, 2020. The Final Roll shows the current lists of parcels with updated use codes.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2020-2021 Final Annual Report for CSA L-100 as modified and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2020-2021.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

To: Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 28, 2020

Subject: ADOPT Resolution No. 2020/181 confirming Fiscal Year 2020/2021 Final Annual Report for County Service Area M-28 and Levying the Service Charges.

RECOMMENDATION(S):

1. ACCEPT the filing of the Fiscal Year 2020-2021 Final Annual Report on service charges in County Service Area (CSA) M-28 ("Final Annual Report"), a copy of which is attached.
2. ADOPT Resolution No. 2020/181, confirming the Final Annual Report and levying the service charges set forth in the report.
3. DIRECT the Clerk of the Board to file certified copies of the Final Annual Report and Resolution No. 2020/181 with the County Auditor-Controller.
4. DIRECT the County Auditor-Controller to include the service charges on the tax roll for Fiscal Year 2020-2021, the service charge for each parcel to appear as a separate item on the tax bill, pursuant to County Ordinance Code section 1012-2.614.

By: Stacey M. Boyd, Deputy

FISCAL IMPACT:

The levy of the annual service charges in CSA M-28 will provide revenues for the continued operation and maintenance of a water supply system. The CSA M-28 annual service charge was \$107,695.24 for Fiscal Year 2019-2020 and will be \$110,824.85 in Fiscal Year 2020-2021. This increase is based on the change in the Consumers Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The annual service charges for CSA M-28 will be levied on one parcel in Fiscal Year 2020-2021.

BACKGROUND:

Since 1991 the CPI for the San Francisco Bay Area (All Urban Consumers) and the costs to operate and maintain the water supply system improvements have increased; however the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased per parcel with an allowance for an adjustment each subsequent year based upon the All Urban Consumers CPI.

On June 16, 2020, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2020/101 confirming the Fiscal Year 2020-2021 Tentative Annual Report on proposed service charges for CSA M-28. CSA M-28 provides continued operation and maintenance of a water supply system.

On July 1, 2020, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2020-2021. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The service charges in the Final Annual Report are higher than the charges levied in Fiscal Year 2019-2020 because they incorporate an automatic adjustment approved by the property owner in CSA M-28 in 2007. The annual adjustment provision allows for an increase each year based upon the change in the CPI for the San Francisco Bay Area (All Urban Consumers). For Fiscal Year 2020-2021 the increase is 2.91% over the Fiscal Year 2019-2020 service charge rates. The Board approved this provision on August 7, 2007.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2020/181 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2020-2021.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2020-2021 Final Annual Report is not adopted, service charges for CSA M-28 would not be levied or collected in Fiscal Year 2020-2021 and CSA M-28 would be unable to provide continued operation and maintenance of a water supply system and an alternate source of funding would have to be identified.

Prepared by
**Contra Costa County
Public Works Department**

BACKGROUND INFORMATION

The Willow Mobile Home Park is located on Bethel Island and consists of one (1) 23-acre parcel that includes 172 mobile homes. In order for safe water services to be provided, it was recommended that a Community Service Area (CSA) be formed.

On December 10, 1991, the Contra Costa Board of Supervisors approved County Resolution 91/807 which formed CSA M-28 (Willow Mobile Home Park Water District). CSA M-28 was formed pursuant to the County Service Area Law to ensure the proper flow of funds for the ongoing operation, maintenance, and servicing of community water system services within the Bethel Island Area.

CSA M-28 has been given the power to acquire, construct, operate, replace, maintain, and repair a water supply and distribution system as authorized by California Government Code Section 25210.4(d) and 25120.4a(1). The funding for CSA M-28 comes from service charges which are obtained from the users of the water system, in accordance with former Government Code Section 25210.77a, Government Code Section 25210.9 and County Ordinance Section 1012-2.6.

CSA M-28 owns and operates a well and a reverse osmosis (RO) system. Water is pumped from the well and is treated through a RO system. The treated water is stored in a 20,000 gallon tank. From the tank, the water is supplied via a single point to the Willow Mobile Home Park.

In October 2014, a town hall meeting was held at the Willow Mobile Home Park to discuss the future of CSA M-28. The main issue discussed was that the existing aging RO system was becoming more expensive to maintain and in need of significant capital improvements. The cost of maintaining this system exceeded the annual assessment funding available. Without a major investment, it was anticipated that the RO system will fail eventually. Alternatives were introduced (status quo, increase service charge to pay for the necessary improvements, connect to Diablo Water District, and request State waiver for secondary standards). It appeared that the majority of the residents at the meeting preferred CSA M-28 to move toward reduction in service by requesting a waiver for secondary standards from the State. This alternative included removing the RO system and providing the minimum allowable water treatment.

By removing the RO treatment, the water would only meet the primary standards and would meet most, but not all, of the secondary standards. CSA M-28 would seek a waiver from the State for the secondary standards. Of all the alternatives presented at the town hall meeting, reducing water treatment allows the rate to be the lowest. It will also allow each individual mobile home to decide what type of treatment they prefer. Whereas, maintaining a more expensive community treatment system, such as the RO, forces everyone to pay for the same level of treatment.

Subsequent to the town hall meeting, on December 16, 2014, the Board of Supervisors authorized a vote by the parcel owner. CSA M-28 requested the mobile home park owner, the single rate payer to CSA M-28, to vote if he would be willing to pay for a higher rate to fix the existing RO system or reject the rate increase and move toward reduced services. The mobile home park owner informed the County that he took a survey of the mobile home park residents and his survey indicated the mobile home park residents wanted him to vote against the rate increase. In early

***CSA M-28 Willow Mobile Home Park Water District Final Annual Report
Fiscal Year 2020-2021***

2015, the mobile home park owner submitted his ballot and voted against a rate increase. On March 3, 2015, the ballot was opened and the Board determined that there was a majority protest against a rate increase and directed staff to seek a waiver from the State.

Based on the vote to reject the rate increase, CSA M-28 began the process to move toward reducing the water treatment service. As required by the regulations to obtain the waiver for secondary standards, CSA M-28 contracted with a consultant to provide the necessary report.

In late 2015, when staff visited the CSA M-28's facility to perform a site review and obtain test samples, it was discovered that the RO system was not operating. The previous operator had turned off the RO system without informing CSA M-28 staff. The site review revealed that the water from the well was bypassing the RO system. However, the previous operator did install a chlorination system. Although the water had not gone through the RO system, the water did receive treatment. This revised system is similar to CSA M-28's proposal to the State to replace the RO system.

Despite the fact that the revised system is similar to what the CSA M-28 staff planned to present to the State, the unilateral decision to make the changes and lack of communication by the previous operator were not acceptable to CSA M-28. CSA M-28 staff directed test samples to be taken by the consultant to make sure the water complied with the primary standards. It was anticipated that the water would comply with primary standards because historically the raw water from the well has complied. This is the reason why a reduced service was a viable option being considered in 2014 when the County met with the residents. The consultant subsequently reported that the water under the revised system complied with the primary standards. CSA M-28 staff also replaced the operator. Lastly, CSA M-28 staff communicated with County Environmental Health, the regulatory agency, of the discovery and the actions taken.

Changes at CSA M-28 have resulted in a new system operator and movement toward the same goals as discussed at the town hall meeting:

- 1) Obtain waiver from regulatory agency,
- 2) Reduce the level of community water treatment, and
- 3) Allow each resident to establish the appropriate system at their own mobile home.

In Fiscal Year 2015-2016, CSA M-28 made improvements to the aging system and infrastructure. Some of the improvements completed included the upgrade of the auto-dialer alarm system, installation of a flow-based chlorine injection pump system, and installation of new wiring to the well pump. In Fiscal Year 2016-2017, CSA M-28 also replaced the existing well pump and upgraded its emergency response options by entering into an agreement with a nearby water district and contract with a water delivery/hauling company, to supply water to the Willow Mobile Home Park during emergency events.

In Fiscal Year 2016-2017 a draft study was completed per state requirement in order to obtain a waiver. Some of the tasks completed in this study included; conducting additional water samples and analyzing additional alternatives. Future tasks will include compiling additional survey data, meeting with the State constructing some capital improvements.

***CSA M-28 Willow Mobile Home Park Water District Final Annual Report
Fiscal Year 2020-2021***

In Fiscal Year 2017-2018 task orders were issued to the consultant for the preparation of a design memorandum, which documents the design philosophy for the proposed modifications, and design plans and specifications. The design memorandum was completed in January of 2020.

CSA M-28 has implemented several improvements to the facility in Fiscal Years 2018-2019 and 2019-2020 to make operations and maintenance more resilient and sustainable. These improvements include:

- Installation of a double-contained and seismically-restrained sodium hypochlorite tank with a 50-gallon reservoir capacity to assure sustained operation;
- Purchase of a second sodium hypochlorite dispensing pump as a backup;
- Purchase of a spare parts kit for the primary sodium hypochlorite dispensing pump to assure continuous operations and quick repairs;
- Improvements to electrical service to improve operational resilience; and
- Installation of a water flow meter to accurately measure the amount of groundwater pumped.

There has not been any impact to the operations of CSA M-28 due to COVID-19.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been given as required, and the Board conducted a Public Hearing and then made a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2020/181, on June 16, 2020, and conducted a Public Hearing in connection with the proceedings for CSA M-28.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2019-2020 projected and Fiscal Year 2020-2021 proposed revenues and expenditures for CSA M-28 are shown on the following page. A special fund has been set up for the collection of revenues and expenditures for CSA M-28. The total cost of construction, operation, and maintenance and servicing of the water system can be recovered from the collection of charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the construction, operation and maintenance, and servicing of the water system may also be included.

When CSA M-28 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed operation, maintenance and servicing of extended community water system services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

In Fiscal Year 2020-2021, CSA M-28 plans to continue the efforts to obtain the waiver from the State. Obtaining the waiver from the State is a significant effort that may include taking additional water samples, analyzing additional alternatives, compiling additional survey data, meeting with the State, etc. All the information gathered will be documented in an Engineer's Report and presented to the State.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following page.

Contra Costa County Service Area (CSA) M-28 (Willow Mobile Home Park Water District) Boundary Map

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be assessed for the operation, maintenance, and capital replacement associated with the water system serving the Bethel Island community, as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA M-28.

Special benefits are conferred on property within the CSA from the water system by enhancing the desirability of property within the CSA due to lower costs associated with the treatment of drinking water, removing contaminants from the water being provided to the property, increases in health and wellness, and an improved quality of life.

Properties outside of CSA M-28 are not served by the water system being operated and maintained from assessment revenues, therefore property outside the boundary of the CSA do not receive special benefits. The services within the CSA was specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large.

In addition to the special and direct benefits the property owners receive within the CSA from the water system, it has been determined that no general benefits are associated with the water system provided within CSA M-28 because the conferred special benefits that are provided to the assessed property are not provided to property outside of the CSA or the public at large.

The annual assessment pays for the operation of the water system provided within CSA M-28. The enhanced water system provided to property within CSA M-28 confer a special benefit and only serve those parcels within the boundary of the CSA. Without the services, the property located in the unincorporated area would not have a localized water system to treat their water. Therefore, the services in CSA M-28 are 100% special benefit to the parcels within the CSA.

**CSA M-28 Willow Mobile Home Park Water District Final Annual Report
Fiscal Year 2020-2021**

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The maximum charge rate was previously set at \$75,300 per parcel (1991 dollars). Since 1991 the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers and the costs to operate and maintain the improvements increased, however the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased to \$79,818 per parcel with an allowance for an increase each subsequent year based upon the San Francisco Bay Area – All Urban Consumers as of April 2007 (215.842).

Due to an aging system, the cost of operating and maintaining water facilities continues to increase. It was proposed in Fiscal Year 2010-2011 that the charge rate be increased to \$95,500 per parcel (8.5% increase). However, this increase was not supported by the property owner, and therefore the 8.5% increase was not imposed.

The cost of operating and maintaining water facilities continues to increase, due to an aging system. A rate increase was proposed again in Fiscal Year 2014-2015, so that the charge rate be increased from \$91,937 to \$335,939 per parcel. However, this increase was not supported by the property owner, and therefore the increase was not imposed.

Rate

The February 2020 CPI Index is 299.690, therefore the maximum rate for Fiscal Year 2020-2021 can be increased 2.91% to \$110,824.85 per parcel. CSA M-28 proposes to levy charges at the maximum rate for Fiscal Year 2020-2021.

In Fiscal Year 2020-2021, it is recommended based upon projected expenditures, that the maximum rate of \$110,824.85 per parcel be collected. The estimated \$110,824.85 in revenue will be needed to provide the services referenced above in Fiscal Year 2019-2020. There is one parcel that is included in the CSA. If the charge of \$110,824.85 is divided by one (1) parcel, the service charge per parcel is \$110,824.85.

SERVICE CHARGE ROLL

Resolution No. 2020/181

IN THE MATTER OF: Confirmation of Fiscal Year 2020-2021 Final Annual Report for County Service Area M-28 and levy of service charges (Willow Mobile Home Park Water District).

WHEREAS, the Board on June 16, 2020, adopted Resolution No. 2020/101 confirming the Fiscal Year 2020-2021 Tentative Annual Report for County Service Area (CSA) M-28.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2020-2021 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2020-2021, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and finds no cause to modify the Final Annual Report.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2020-2021 Final Annual Report for CSA M-28 as presented and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2020-2021.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

To: Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 28, 2020

Subject: ADOPT Resolution No. 2020/182 confirming Fiscal Year 2020/2021 Final Annual Report for County Service Area M-30 and Levying the Service Charges.

RECOMMENDATION(S):

1. ACCEPT the filing of the Fiscal Year 2020-2021 Final Annual Report on assessment charges in County Service Area (CSA) M-30 ("Final Annual Report"), a copy of which is attached.
2. ADOPT Resolution No. 2020/182, confirming the Final Annual Report and levying the assessment charges set forth in the report.
3. DIRECT the Clerk of the Board to file certified copies of the Final Annual Report and Resolution No. 2020/182 with the County Auditor-Controller.
4. DIRECT the County Auditor-Controller to include the assessment charges on the assessment roll for Fiscal Year 2020-2021, the assessment charge for each parcel to appear as a separate item on the tax bill, pursuant to County Ordinance Code section 1012-2.614.

By: Stacey M. Boyd, Deputy

FISCAL IMPACT:

The levy of the annual assessment charges in CSA M-30 will provide revenues for police services, park and roadside landscape maintenance, public street maintenance and street lighting services. The CSA M-30 total annual assessment was \$52,712.00 for Fiscal Year 2019-2020 and will be \$55,328.80 in Fiscal Year 2020-2021. This increase is based on the approved annual escalator outlined in the CSA M-30 formation documents. The annual escalator is equal to the annual change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers) plus two (2) percent. There are 40 developed parcels in the CSA. The assessment charge per parcel for CSA M-30 was \$1,317.80 for Fiscal Year 2019-2020 and will be \$1,383.22 for Fiscal Year 2020-2021.

BACKGROUND:

The maximum service charge may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers plus two percent (2%).

On June 16, 2020, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2020/102 confirming the Fiscal Year 2020-2021 Tentative Annual Report on proposed assessment charges for CSA M-30. CSA M-30 provides police services, park and roadside landscape maintenance, public street maintenance and street lighting services.

On July 1, 2020, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2020-2021. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic assessment charge or estimated assessment charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2020/182 serves to confirm the Final Annual Report and constitutes the levy of the assessment charge for Fiscal Year 2020-2021.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2020-2021 Final Annual Report is not adopted, assessment charges for CSA M-30 would not be levied or collected in Fiscal Year 2020-2021. Therefore, CSA M-30 would be unable to provide police services, park and roadside landscape maintenance, public street maintenance and street lighting services and an alternate source of funding would have to be identified.

Federal Glover, District 5

Prepared by
**Contra Costa County
Public Works Department**

BACKGROUND INFORMATION

In August 1989, the Town of Danville (“Town”) and the County of Contra Costa (“County”) entered into a Memorandum of Agreement to undertake a joint-jurisdiction General Plan and project review for the Alamo Springs Project (“Project”), which is located north of Interstate 680 off Alamo Springs Drive. The project originally provided for the development of 53 single-family homes, of which 11 were to be located within the Town of Danville and 42 were to remain in the unincorporated portion of Contra Costa County.

After certification of an Environmental Impact Report (EIR) for the Project, the Board of Supervisors on December 8, and 15, 1992, approved the Project. The unincorporated area of the Project was simultaneously rezoned to a planned unit development. On January 23, 1996, the Town and County entered into a new Memorandum of Agreement, superseding the August 1989 Memorandum of Agreement, to establish procedures for joint review and approval of the project.

During the planning process, it was decided that the Town would provide extended services in the form of police, public street maintenance, park and roadside landscape maintenance to the homes in the unincorporated area. Public Street lighting would be provided by Contra Costa County. It was decided that a benefit assessment or service charge collected on the property tax bills via a County Service Area (CSA) was the best funding mechanism to pay for the increased services.

On September 3, 1997, Danville Town Council adopted Resolution No. 124-97, requesting Contra Costa County Local Agency Formation Commission (“LAFCO”) approve formation of County Service Area (CSA) M-30. On November 17, 1997, LAFCO approved formation of CSA M-30.

On May 5, 1998, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 1998/235, which authorized the annual levy of assessments on the parcels located within CSA M-30 to fund extended public services.

The services provided by CSA M-30 are:

1. **Police Services.** All police services provided to residents by Town police, including without limitation, community services, crime prevention, investigation, patrol, and traffic enforcement.
2. **Park and Roadside Landscape Services.** All park and roadside landscape services provided to residents including without limitation, maintenance of parks and other public facilities, such as the Danville Library and Community Center, and maintenance of all roadside and median landscaping.
3. **Public Street Maintenance.** All public street maintenance, including without limitation, repair and replacement of asphalt on public streets, crack sealing, and other maintenance measures to protect and prolong the life of the public streets, repair and replacement of street signs, stop signs, etc.
4. **Street Lighting.** The operation, maintenance and servicing of public streetlights and appurtenant facilities as required to provide safe lighting along public streets. Maintenance is provided by Contra Costa County.

There has not been any impact to the operations of CSA M-30 due to COVID-19.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report was filed with the Clerk of the Board of Supervisors, public notice was given as required, and the Board of Supervisors conducted a Public Hearing and then made a determination on each estimated service charge in the tentative report. The Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2020/182, on June 16, 2020, and conducted a Public Hearing in connection with the proceedings for CSA M-30.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

CSA M-30 Alamo Springs Final Annual Report
Fiscal Year 2020-2021

ESTIMATE OF ANNUAL COST

The Fiscal Year 2019-2020 projected and Fiscal Year 2020-2021 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and expenditures for CSA M-30. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the extended services may also be included.

When CSA M-30 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed services. This analysis was based on the estimated expenses for each service component (police, parks, and roadside landscape, street maintenance, and street lighting). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following page.

Contra Costa County Service Area (CSA) M-30 (Alamo Springs) Boundary Map

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIII C and XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if future increases in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. The extended public services provided within CSA M-30 are deemed a special benefit and only serve the parcels located within the boundaries of the District. Without the services, the homes located in the unincorporated area would receive standard County police services, limited park and roadside landscape services, limited public street maintenance, and no County public street lighting. Standard County police services are characterized by 1.1 officers per 1,000 residents, and traffic enforcement would be provided by the California Highway Patrol on an as requested basis. Therefore, the services in CSA M-30 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Since the service charge is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. The parcels of the Project that make up CSA M-30 are all designated for residential use. The projects Covenants, Conditions and Restrictions (CC&R's) require that most parcels be developed with a main residential unit of at least 3,500 square feet. While the parcel sizes vary, they all have substantially the same size building pads. It is anticipated that homes built on these lots will be similar in size and that the size of families who live in these homes will be similar. For these reasons, the need for, and the use of each of the services (miscellaneous police, park and roadside landscaping maintenance, public street maintenance and County public street lighting) will be substantially the same for each parcel. Therefore, the same service charge will be levied on each developed parcel within CSA M-30. In order for a parcel to be classified as developed, a building permit must be issued prior to April 30.

***CSA M-30 Alamo Springs Final Annual Report
Fiscal Year 2020-2021***

The methodology for calculating the service charge per parcel for each of the services is similar. In Fiscal Year 1997-98 the service charge per parcel was set at \$467.13 per parcel. To determine the cost per parcel, the total budget for providing service to the current service area was divided by the total number of parcels or units within the current service area. Please refer to Contra Costa County Resolution 1998-235 for a detailed report that includes the initial calculation of this service charge.

The maximum service charge may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for San Francisco-Oakland-San Jose plus two percent (2%). The base CPI index used in annual calculations began with April 1997 (159.6). However, starting in Fiscal Year 2010-2011, the annual CPI was changed to February for administrative purposes and the annual change in the February CPI shall be used in each subsequent year. Any change in the rate per developed parcel, which is the result of the change in the CPI shall not be deemed an increase in the service charge subject to the requirements of Proposition 218.

Rate

For Fiscal Year 2019-2020 the allowed maximum rate was \$1,317.80 per developed parcel. The Fiscal Year 2020-2021 rate has been calculated as follows:

\$1,317.80 per developed parcel in Fiscal Year 2019-2020
+2.91% CPI increase for FY 2020-2021 = \$1,356.10
+2.00% increase for FY 2020-2021 = \$1,383.22

In Fiscal Year 2020-2021, it is recommended, based upon projected expenditures, that the maximum rate of \$1,383.22 be collected. It is estimated \$55,328.80 in revenue will be needed to provide the services referenced above in Fiscal Year 2020-2021. There are 40 parcels that have had a building permit issued. If you divide \$55,328.80 by 40 homes, the service charge per parcel is \$1,383.22.

SERVICE CHARGE ROLL

A list, of those parcels to be charged for Fiscal Year 2020-2021, including a description of each parcel to be charged is shown on the following page.

RECUSE:

Resolution No. 2020/182

IN THE MATTER OF: Confirmation of Fiscal Year 2020-2021 Final Annual Report for County Service Area M-30 and levy of assessment charges (Alamo Springs).

WHEREAS, the Board on June 16, 2020, adopted Resolution No. 2020/102, confirming the Fiscal Year 2020-2021 Tentative Annual Report for County Service Area (CSA) M-30.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2020-2021 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2020-2021, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and finds no cause to modify the Final Annual Report.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2020-2021 Final Annual Report for CSA M-30 as presented and DECLARES that this Resolution constitutes the levy of the assessment charges therein for Fiscal Year 2020-2021.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

To: Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 28, 2020

Subject: ADOPT Resolution No. 2020/183 confirming Fiscal Year 2020/2021 Final Annual Report for County Service Area M-31 and Levying the Assessment Charges.

RECOMMENDATION(S):

1. ACCEPT the filing of the Fiscal Year 2020-2021 Final Annual Report on assessment charges in County Service Area (CSA) M-31 ("Final Annual Report"), a copy of which is attached.
2. ADOPT Resolution No. 2020/183, confirming the Final Annual Report and levying the assessment charges set forth in the report.
3. DIRECT the Clerk of the Board to file certified copies of the Final Annual Report and Resolution No. 2020/183 with the County Auditor-Controller.
4. DIRECT the County Auditor-Controller to include the assessment charges on the assessment roll for Fiscal Year 2020-2021, the assessment charge for each parcel to appear as a separate item on the tax bill, pursuant to County Ordinance Code section 1012-2.614.

By: Stacey M. Boyd, Deputy

FISCAL IMPACT:

The levy of the annual assessment charges in CSA M-31 will provide revenues for transportation demand management services. The CSA M-31 total annual assessment was \$336,218.30 for Fiscal Year 2019-2020 and will be \$345,882.96 in Fiscal Year 2020-2021. This increase is based on the change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The assessment charges for CSA M-31 were \$73.28/developed residential unit and \$0.1290 per developed commercial square foot in Fiscal Year 2019-2020. The assessment charges for CSA M-31 are \$75.41/developed residential unit and \$0.1327 per developed commercial square foot in Fiscal Year 2020-2021.

BACKGROUND:

The maximum assessment charges may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers.

On June 16, 2020, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2020/103 confirming the Fiscal Year 2020-2021 Tentative Annual Report on proposed assessment charges for CSA M-31. CSA M-31 provides transportation demand management services.

On July 1, 2020, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2020-2021. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic assessment charge or estimated assessment charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the class or land use of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2020/183 serves to confirm the Final Annual Report and constitutes the levy of the assessment charge for Fiscal Year 2020-2021.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2020-2021 Final Annual Report is not adopted, assessment charges for CSA M-31 would not be levied or collected in Fiscal Year 2020-2021. Therefore, the District would be unable to provide transportation demand management services and an alternate source of funding would have to be identified.

Resolution No. 2020/183

IN THE MATTER OF: Confirmation of Fiscal Year 2020-2021 Final Annual Report for County Service Area M-31 and levy of assessment charges (Contra Costa Centre Transit Village).

WHEREAS, the Board on June 16, 2020, adopted Resolution No. 2020/103, confirming the Fiscal Year 2020-2021 Tentative Annual Report for County Service Area (CSA) M-31.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2020-2021 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2020-2021, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and finds no cause to modify the Final Annual Report.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2020-2021 Final Annual Report for CSA M-31 as presented and DECLARES that this Resolution constitutes the levy of the assessment charges therein for Fiscal Year 2020-2021.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

Prepared by
**Contra Costa County
Public Works Department**

BACKGROUND INFORMATION

In 2002 it was recognized that the area commonly known as Contra Costa Centre Transit Village, in the unincorporated portion of Contra Costa County, would be redeveloped, creating a need for new transit services. Contra Costa Centre Transit Village is located east of Interstate 680.

The Contra Costa Centre Transit Village benefits residents and employees with a variety of travel mode options. A core element of the travel mode options for residents and employees, and a key traffic mitigation measure in the California Environmental Quality Act (CEQA) documents certified at the time of adoption and amendment of the Contra Costa Centre Transit Village Specific Plan, was the establishment of Transportation Demand Management (TDM) programs. TDM programs include carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc. The property owners within Contra Costa Centre Transit Village collectively had a mandate to achieve at least 30% TDM performance (i.e. 30% or more of the area employees arrive at work via something other than a single-occupied car).

The Contra Costa Centre Transit Village Association is the collective mechanism by which the developer/property owner's obligation for TDM programs is achieved. The Contra Costa Centre Transit Village Association is a private non-profit corporation whose membership consists of the property owners in the area. It has been in existence since the mid-1980s.

On April 23, 2002, the Board of Supervisors approved Resolution Nos. 2002/256 and 2002/257 which recommended to the Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) M-31, Contra Costa Centre Transit Village.

The properties within CSA M-31 receive a special and distinct benefit over and above the general benefits received by the public at-large in the form of extended TDM services. These extended transportation services consist of the implementation of TDM programs as discussed in this report and in the Plan for Providing Services for CSA M-31, which is on file with LAFCO. Resolution 2002/256 further stated that CSA M-31 services should be supported by a benefit assessment or special tax levy on parcels that receive this special and distinct benefit from the CSA M-31 services.

On June 11, 2002, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2002/362 which authorized the annual levy of benefit assessments on the parcels located within CSA M-31 to fund TDM programs.

On July 10, 2002, LAFCO conducted a public hearing and subsequently approved Resolution 02-19 which formed CSA M-31.

For each year since Fiscal Year 2002-2003, benefit assessments or service charges have been levied within CSA M-31.

On June 3, 2008, by Resolution No. 2008/366, the Board of Supervisors approved the annexation of Subdivision 05-8950 (Pleasant Hill BART Redevelopment Property) into CSA M-31. This annexation was subsequently approved by LAFCO Resolution 08-19 on August 13, 2008.

The following is a list of programs and services that have been proposed to be funded in Fiscal Year 2020-2021 by CSA M-31:

- 1) Transit Subsidy Program: Load on Clipper card \$50 value BART fare for \$20. Must pledge to take BART to work a minimum of three days per week.
 - 80 participants for nine months
- 2) Carpool Incentive Program: Provide two \$15 Chevron gas cards per carpool per month for nine months.
 - 20 participants for nine months
- 3) Bus Subsidy Program: Purchase a \$60 value monthly County Connection bus pass or reimbursement of other transit bus pass for \$30.
 - 15 participants for nine months
- 4) Bike/Walk to Work Incentive Program: Bike or walk to work at least three times per week per month, a minimum of 12 times each month, and receive a \$15 voucher.
 - 10 participants for nine months
- 5) Guaranteed Ride Home Program: This program is managed by Contra Costa Centre Transit Village. The program is an “insurance policy” against being stranded without a way to get home for commuters who take a commute alternative (carpool, vanpool, public transit, bicycle or walk) to work and have a qualified emergency which does not allow them to use the commute alternative to return home.
- 6) Mid-Day Shuttle: The mid-day shuttle, a clean air natural gas shuttle, runs from 10:30 a.m. – 2:10 p.m., Monday through Friday, with stops at all Centre buildings between the Contra Costa Centre Transit Village, the Countrywood Shopping Mall and Kohl’s, free of charge.
- 7) Green Fleet Program: The Contra Costa Centre Transit Village (CCCTV) provides employees with access to local vehicles (e.g. bicycles, electric bicycles, electric and hybrid cars) to use through the Contra Costa Centre Transit Village and vicinity during the workday. Employees are able to check-out vehicles online or electronically at various kiosk locations. The Green Fleet programs are free to CCCTV employees.
- 8) Marketing Plan: The Contra Costa Centre Transit Village markets the program through newsletters, posters, brochures and promotional handouts. Additionally, they meet with employers and employees directly, and host events and transportation fairs to ensure Centre area workers are informed of the various commute alternatives, subsidies and incentives available to them through the Contra Costa Centre Transit Village TDM Program.

These TDM services may be amended annually, including the addition or deletion of the services as required to meet the 30% TDM performance goal as determined by Contra Costa County in consultation with the Contra Costa Centre Association or its successor.

COVID-19 Impact

Contra Costa Centre Association closed TDM services on March 16, 2020 to comply with the Contra Costa County Health Officer Order regarding COVID-19. On June 1, 2020, Contra Costa Centre Association reopened TDM services with the following procedures in place:

- Shuttle service resumed with the two seats nearest the driver roped off to provide social distancing;

- The shuttle driver will wear a mask and will disembark prior to passenger boarding to minimize contact;
- Shuttle passengers are required to wear masks;
- The shuttle driver will frequently wipe down contact surfaces with disinfectant wipes;
- The fleet of electric vehicles has been sent out for deep cleaning and subsequent users will be provided with sanitary wipes to clean contact surfaces;
- Disinfectant wipe will be provided to bicycle users;
- Issuance of transportation passes and subsidies, which formerly took place in the Contra Costa Centre office, will now take place outside the office on the sidewalk at the office entrance;
- Social distancing markers on the sidewalk will be provided to keep users at the appropriate spacing; and
- New signage will be posted in the Contra Costa Centre lobby informing users of the above-noted changes.

Implementation of these procedures will likely have an impact on the budget for the CSA M-31. However, based on the available reserves, CSA M-31 will be able to sustain operations and manage its budget.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice was given as required, and the Board conducted a Public Hearing and then made a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2020/183, on June 16, 2020, and conducted a Public Hearing in connection with the proceedings for CSA M-31.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs, the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services are spread to each individual parcel.

**CSA M-31 Contra Costa Centre Transit Village Final Annual Report
Fiscal Year 2020-2021**

ESTIMATE OF ANNUAL COST

The Fiscal Year 2019-2020 projected and Fiscal Year 2020-2021 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and expenditures for CSA M-31. The total cost to provide the TDM services can be recovered from the collection of these service charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the TDM services may also be included.

When CSA M-31 was formed for the ongoing funding of the Contra Costa Centre Transit Village's TDM Program, a financial analysis was performed to provide the framework for an operating budget for the proposed extended transportation demand management services. This was based on the estimated expenses for each TDM service program component (carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc.). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following page.

Contra Costa County Service Area (CSA) M-31 (Contra Costa Centre Transit Village) Boundary Map

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIII C and XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be assessed for the operation and services associated with the TDM Program as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA M-31.

Special benefits are conferred on property within the CSA from the TDM Program and associated services by enhancing the desirability of property within the CSA due to the additional methods of vehicular and pedestrian access available to property, by increasing access to transit related services, providing economic opportunities, driving community growth and revitalization, and by reducing levels of traffic congestion within the CSA.

Properties outside of CSA M-31 do not enjoy the Transportation Demand Management Program and the associated services by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. The services within the CSA was specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large. The boundaries of the CSA have been narrowly drawn to include only those parcels that receive a direct advantage from the services.

In addition to the special and direct benefits the property owners receive within the CSA from the services, it has been determined that no general benefits are associated with TDM services within CSA M-31 because the conferred special benefits that are provided to the assessed property are not provided to other parcels and which real property in general and the public at large do not share.

The annual assessment pays for the TDM Program and associated services provided within CSA M-31. The enhanced public services provided within CSA M-31 confer a special benefit to property in the CSA. Transportation Demand Management services associated with CSA M-31 are only provided to parcels within the CSA and are not provided to the general public. Without the assessments, the parcels located in the unincorporated area would receive no Transportation Demand Management Program services. Therefore, the services provided in CSA M-31 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Developed Residential Property: Developed Residential Property consists of property which has had a residential building permit issued prior to April 30 and is classified by the County Assessor's office as single-family residential, multi-family residential, apartment, condominium, townhome, townhouse, co-op, cluster home, or any other type of property which has been developed for residential use for which occupants live and occupy for extended periods of time. Developed Residential Property does not include hotel and motel use.

Developed Commercial Property: Developed Commercial Property consists of property which has had a commercial building permit issued prior to April 30 and is classified by the County Assessor's office as commercial property. Developed Commercial Property includes, but is not limited to, retail stores and shopping centers, office buildings, conference centers, hotels and motels, or any other type of property which has been developed for commercial use.

Exempt Property: Exempt Property consists of property not classified as Developed Residential Property or Developed Commercial Property. However, Exempt Property does include property that has been previously classified as Developed Residential Property or Developed Commercial Property which has subsequently had the building structure located on the parcel demolished prior to April 30. This parcel would then remain as an Exempt Property until such time another building permit is issued prior to April 30 to reclassify the parcel as Developed Residential Property or Developed Commercial Property. Exempt Property also includes: parking lots, parking garages, roadways, open space and undeveloped property for which a building permit has not been issued prior to April 30.

The methodology for calculating the service charge per parcel for the Services is explained below.

Developed Residential Property - It is anticipated that not all of the TDM programs will be provided to the Developed Residential Property owners. The most viable programs to reduce the number of single occupied vehicular trips are the Shuttle Program in conjunction with the Marketing Program. The cost to provide these programs to the Developed Residential Property owners at build-out was estimated to be \$28,386.36 per year (in FY 2007-2008 dollars). Since each residential unit is similar in size and receives the same degree of benefit from the residential TDM programs, each residential unit is charged an equal share of the Residential TDM program costs. It is anticipated that there will be 522 residential units at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual assessment was set at \$54.38 per residential unit.

Developed Commercial Property - It is anticipated that all TDM programs will be provided to the Developed Commercial Property owners. The cost to provide these TDM services to Developed Commercial Property owners at build-out was estimated to be \$238,121.84 per year (in Fiscal Year 2007-08 dollars). For Developed Commercial Property, the amount of building floor area directly correlates to the number of potential employees located on each parcel. These total floor area numbers are used to calculate the proportional special benefit received by each Developed Commercial Parcel within the District. Building floor area is defined by the gross square footage of the buildings exclusive of parking. The building square footage is shown on the Assessment List in the following pages and serves as the basis for calculation of the annual assessments for Developed Commercial Property. It is anticipated that there will be 2,487,190 square feet of commercial development at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual assessment rate was set at \$0.0957 per square foot.

Assessment Rate

The maximum assessment rates may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose. The base CPI is June 2007 (216.123). Any change in the assessment rate, which is the result of the change in the CPI shall not be deemed an increase in the assessment subject to the requirements of Proposition 218.

For Fiscal Year 2020-2021 the allowed maximum rate is shown below and has been calculated as follows:

The February 2020 CPI is 299.690; this is a 2.91% increase over the February 2019 CPI.

Developed Residential

\$73.28/residential unit in Fiscal Year 2019-2020
+2.91% CPI increase for FY 2020-2021 = \$75.41

Developed Commercial

\$0.1290/square foot in Fiscal Year 2019-2020
+2.91% CPI increase for FY 2020-2021 = \$0.1327

In Fiscal Year 2020-2021, it is recommended based upon projected expenditures, that the maximum rate of \$75.41/residential unit and \$0.1327/square foot be collected. It is estimated \$345,882.96 in revenue will be needed to provide the services referenced above in Fiscal Year 2020-2021.

SERVICE CHARGE ROLL

A list, of those parcels to be charged for Fiscal Year 2020-2021, including a description of each parcel to be charged is included on the following page.

Resolution No. 2020/183

IN THE MATTER OF: Confirmation of Fiscal Year 2020-2021 Final Annual Report for County Service Area M-31 and levy of assessment charges (Contra Costa Centre Transit Village).

WHEREAS, the Board on June 16, 2020, adopted Resolution No. 2020/103, confirming the Fiscal Year 2020-2021 Tentative Annual Report for County Service Area (CSA) M-31.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2020-2021 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2020-2021, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and finds no cause to modify the Final Annual Report.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2020-2021 Final Annual Report for CSA M-31 as presented and DECLARES that this Resolution constitutes the levy of the assessment charges therein for Fiscal Year 2020-2021.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

County

To: Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 28, 2020

Subject: ADOPT Resolution No. 2020/184 confirming Fiscal Year 2020/2021 Final Annual Report for County Service Area T-1 and Levying the Service Charges.

RECOMMENDATION(S):

1. ACCEPT the filing of the Fiscal Year 2020-2021 Final Annual Report on assessment charges in County Service Area (CSA) T-1 ("Final Annual Report"), a copy of which is attached.
2. ADOPT Resolution No. 2020/184, confirming the Final Annual Report and levying the assessment charges set forth in the report.
3. DIRECT the Clerk of the Board to file certified copies of the Final Annual Report and Resolution No. 2020/184 with the County Auditor-Controller.
4. DIRECT the County Auditor-Controller to include the assessment charges on the assessment roll for Fiscal Year 2020-2021, the assessment charge for each parcel to appear as a separate item on the tax bill, pursuant to County Ordinance Code section 1012-2.614.

By: Stacey M. Boyd, Deputy

FISCAL IMPACT:

The levy of the annual assessment charges in CSA T-1 will provide revenues for public transit services. The CSA T-1 annual total assessment was \$580,443.06 for Fiscal Year 2019-2020 and will be \$601,260.80 in Fiscal Year 2020-2021. The increase is based on the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The number of parcels assessed increased from 1,152 in Fiscal Year 2019-2020 to 1,161 in Fiscal Year 2020-2021. The assessment charge was \$453.19/developed equivalent dwelling unit in Fiscal Year 2019-2020 and will be \$466.36/developed equivalent dwelling unit in Fiscal Year 2020-2021.

BACKGROUND:

The maximum assessment may be adjusted annually to reflect 2% or the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers, whichever is greater.

On June 16, 2020, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2020/104 confirming the Fiscal Year 2020-2021 Tentative Annual Report on proposed assessment charges for CSA T-1. CSA T-1 provides public transit services.

On July 1, 2020, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2020-2021. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic assessment charge or estimated assessment charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the land use code of a parcel. Upon review of the official assessment roll, staff determined that revisions to the Tentative Annual Report were required to conform to the official assessment roll. These included changes in the use codes of parcels. The Tentative Annual Report as revised is the Final Annual Report. See Attachment 1.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2020/184 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2020-2021.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2020-2021 Final Annual Report is not adopted, service charges for CSA T-1 would not be levied or collected in Fiscal Year 2020-2021. Therefore, the District would be unable to provide public transit services and an alternate source of funding would have to be identified.

Resolution No. 2020/184

IN THE MATTER OF: Confirmation of Fiscal Year 2020-2021 Final Annual Report for County Service Area T-1 and levy of assessment charges (Public Transit).

WHEREAS, the Board on June 16, 2020, adopted Resolution No. 2020/104, confirming the Fiscal Year 2020-2021 Tentative Annual Report for County Service Area (CSA) T-1.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2020-2021 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2020-2021, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and hereby modifies the Final Report as follows: The Final Annual Report includes the Final Roll which lists all parcel changes to the Tentative Roll submitted in the Tentative Annual Report on June 16, 2020. The Final Roll shows the current lists of parcels with updated use codes.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2020-2021 Final Annual Report for CSA T-1 as modified and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2020-2021.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

Public Works Department**

BACKGROUND INFORMATION

In 2008 a development project commonly known as the Integrated Project (“Project”) was permitted in the unincorporated area of Contra Costa County, just east of the Town of Danville. The project is also known as Alamo Creek/Intervening Properties Development and constitutes approximately 767 acres located south of Camino Tassajara between Hansen Lane and Finley Road.

Wilbur Smith Associates (WSA) completed a Transit Improvements Study of the Project in March 2005. The study acknowledged that a limited market for transit services and consequently a limited transit service is offered in the study area. The study concluded that a latent demand for transit could be satisfied if a regular commuter service were provided. Given the size of the Integrated Project and the workplace destination and commuting behavior of the adjacent census tracts as outlined by a census-based demographic analysis, a weekday rush-hour commuter service would provide the greatest benefit of transit services under consideration. Specifically, the report recommended that the proposed transit service include the Walnut Creek Bay Area Rapid Transit (BART) station and Bishop Ranch business park as destinations. The desired level of service was based on an analysis of demand performed by WSA. Based on census information and a rider survey performed by BART in 1998, approximately 77 transit trips per day were expected when the project development was completed. The transit trip total was calculated by WSA as follows:

- As presented in the final Environmental Impact Report (EIR) for the Project, 10,048 daily vehicle trips would be generated at the development;
- Assuming an average vehicle occupancy of 1.05 persons per vehicle and a 92.5% vehicle mode share (automobiles constitute 92.5% of transit trips to and from the households), 13,338 person trips would be generated daily by the development;
- Based on census information, 5.37% of commuter trips to and from adjacent census tracts used public transit (716 trips);
- Approximately 97% of public transit trips used rail (assumed to be exclusive to BART; 694 trips);
- Approximately 7% of BART riders at stations nearest to the project (Dublin/Pleasanton, Walnut Creek, Lafayette) used public transit to travel to and from the station (48 trips);
- Approximately 4% of transit-based commuter trips used bus service as the primary means of transportation (29 trips); and
- Total bus demand (77 trips) includes the sum of transit trips to BART stations (48 trips) and bus trips to work (29 trips).

On June 14, 2005, the Board of Supervisors approved Resolution No. 2005/357 which recommended to Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) T-1, Public Transit in the Danville Area.

The services provided by CSA T-1 are:

1. Extended public transit services.
2. Implementation of Transportation Demand Management programs as discussed in this report and in the Plan for Providing Services for CSA T-1 which is on file with LAFCO.

On September 14, 2005, LAFCO conducted a public hearing and subsequently approved Resolution 05-15 which formed CSA T-1.

On October 18, 2005, Resolution 2005/674 stated that the transit services should be supported by a benefit assessment on parcels that receive this special and distinct benefit.

On January 17, 2006, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2006/21 which authorized the annual levy of assessments on the parcels located within CSA T-1 to fund extended public transit services.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report was filed with the Clerk of the Board of Supervisors, public notice was given as required, and the Board conducted a Public Hearing and then made a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2020/184, on June 16, 2020, and conducted a Public Hearing in connection with the proceedings for CSA T-1.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

Transit Service Implementation

Two transportation studies were previously conducted to understand potential transit usage and travel patterns in CSA T-1. The transportation studies are Alamo Creek/Intervening Properties Transit Improvement Study by WSA in 2005 and Transit Service Survey and Report for CSA T-1 Transit District by DKS Associates in 2010.

Based on these studies, the following transit service plan is to be implemented in three phases as summarized below:

1. **Short – Term (completed in 2012): Community Outreach**
The short-term strategy focused on community outreach to educate the residents about existing transportation options in Contra Costa County, and to seek their feedback. The community outreach program involved flyer preparation, flyer distribution, and resident feedback. This outreach effort attempted to identify commuter destinations for potential vanpools, in advance of a vanpool/shuttle transit program.

2. Mid-Term: Vanpool/Shuttle Transit Program

Based on the feedback provided by the residents, the mid-term strategy would involve a vanpool and/or shuttle service since the market for a full scale fixed route Central Contra Costa Transit Authority (County Connection) bus is not warranted at this time.

CSA T-1’s plan is to engage the residents to try public transit and build up the necessary public transit demand for a full-scale fixed bus route. In response to CSA T-1’s plan, County Connection agreed to provide a demand response and a flexible shuttle for CSA T-1 residents during the commute hours. The exact routes were to be determined by demand. Riders must be traveling from or to CSA T-1. The service area is limited to the 1.5-mile corridors along Camino Tassajara (between CSA T-1 and I-680) and I-680 (between Walnut Creek and Pleasant Hill BART stations). Riders contact County Connection to request and reserve services. Based on the demand, County Connection will determine the most efficient route for the shuttle.

The table below summarizes the ridership data since the service began on January 24, 2014. It shows a constant increase in riders annually and the positive effect the public transit of CSA T-1 has on removing peak hours and daily trips from local and regional roadways.

Summary of ridership data per year*		
Year of Service	Riders per day	Estimated number of peak hours & daily trips removed from roadways
2014	16	32
2015	17 to 18	34 to 36
2016	19	38
2017	21	42
2018	24	48
2019	25	50

* Ridership data is provided by County Connection.

The riders get picked up from their home in the CSA T-1 service area during the morning period and get picked up from the Walnut Creek BART station during the evening period. The average operating cost per passenger is comparable to the average cost for County Connection’s Paratransit (LINK) service. CSA T-1 has observed the ridership increase overtime, as more residents are utilizing the public transit service provided by CSA T-1. However, the ridership demand has not achieved the level that warrants a full-scale fixed bus route. CSA T-1 will continue this mid-term program to provide the shuttle service until there is enough public transit demand for a full-scale fixed bus route. CSA T-1 has amended the service agreement with County Connection to continue the shuttle service.

In addition to County Connection’s shuttle, CSA T-1 will also fund another service with the Measure J Traffic Congestion Relief Agency (TRAFFIX). TRAFFIX is a traffic congestion relief program implemented in 2009 and operated cooperatively by Contra Costa County, City of San Ramon, San Ramon Valley Unified School District, and Town

of Danville to reduce traffic congestion caused by children being driven to and from school in the San Ramon area. As mentioned above, although the demand for a full-scale fixed route County Connection bus is not warranted at this time, CSA T-1 recognized there is already a demand for school bus services. While waiting for transit demand to increase, CSA T-1's interim plan is to participate in providing school bus services as an interim method to reduce congestion. TRAFFIX provided data indicating there are approximately 205 students residing within CSA T-1 who attend Monte Vista High School. TRAFFIX considers 50 students as a full bus. If approximately 25 percent of the eligible students participated, a bus would be full. It was anticipated that at least 50 students would participate; resulting in a full bus. This service began in the Fall of 2014 for the 2014-2015 school year. TRAFFIX reported 70 passes were sold for both the 2014-2015 and 2015-2016 school years. This is the equivalent of removing approximately 280 trips from the roadway each school day. In 2017, funds were allocated to fund a second TRAFFIX bus to provide services to the CSA T-1 area. This decision was based on the increased demand for seats in the route. Recent rider counts by the TRAFFIX show an average of 59 riders in the morning and 95 riders in the evenings per typical 66 bus runs for the period of August 2018 through December 2018. In December 2018, there were approximately 170 riders enrolled on a wait list for the limited number of bus passes. As a result of an increase in demand for services in 2019, the County added a third TRAFFIX bus to provide services to the CSA T-1 area.

COVID-19 Impact

- a. County Connection busses have continued to run in 2020 during the shelter in place period since March 17. As expected, the ridership has sharply declined during the lockdown.
 - b. Based on current operations, the County does not expect a significant impact to the County Connection shuttle busses for the coming year; however, some additional costs for PPE may have to be passed on to CSA T-1. County Connection shuttle busses will continue to operate as noted above. Ridership for March, April, and May has been extremely low due to shelter in place requirements.
 - c. TRAFFIX school bus services were halted with the closures of the area schools in March. In order to maintain staffing, drivers for the busses have continued to be paid.
 - d. Anticipating financial impact of COVID-19 on the TRAFFIX school busses is challenging at this time, as the timing of when schools will reopen is unknown. However, it is CSA T-1's intent to continue to partner with TRAFFIX for school buses in the CSA T-1 area, if school bus operations resume in Fall 2020.
3. **Long-Term Goal (2018 and beyond): County Connection Service**
The long-term strategy would involve expanding the vanpool/shuttle service and providing full-scale County Connection bus service if the existing service proves successful and more commuter transit demand is demonstrated. An approximate yearly operating cost of running a full-length bus service with County Connection is estimated to be \$204,000 per bus. This estimate is based on \$100 per hour for 8 hours a day during morning and evening peak commute hours for 255 days a year.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2019-2020 projected and Fiscal Year 2020-2021 proposed revenues and expenditures are shown on the following page. A special fund has been set up for the collection of revenues and expenditures for CSA T-1. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the Public Transit services may be included.

When CSA T-1 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed transit service. This was based on the estimated expenses for continuing operations provided by WSA. In preparation of the budget, several factors were considered including:

- Level of transit service
- Phasing of service
- Equal benefit (and equal assessment level) to residents based on projected resident population

In order to establish a reasonable reserve in the early years following formation of the CSA, revenues have been collected since Fiscal Year 2006-2007.

For Fiscal Year 2020-2021, it is estimated there will be a surplus of funds. These funds are being set aside into Capital Reserves to purchase vehicles or fund a full-scale fixed route County Connection bus to provide the services to this area when applicable.

Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following page.

Contra Costa County Service Area (CSA) T-1 (Public Transit) Boundary Map

Legend

-  Parcel Lines
-  CSA T-1 Boundary
-  Parcels within CSA T-1

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIII C and XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be assessed for the operation and services associated with the transit services provided as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA T-1.

Special benefits are conferred on property within the CSA from transit services by enhancing the desirability of property within the CSA due to the additional methods of vehicular and pedestrian access available to and from property, by providing increased access to transit related services, providing economic opportunities, driving community growth and revitalization, and by reducing levels of traffic congestion within the CSA.

Properties outside of CSA T-1 in other parts of the County may not enjoy the transit services made available by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. The services within the CSA was specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large.

In addition to the special and direct benefits the property owners receive within the CSA from the services, it has been determined that no general benefits are associated with the transit services provided within CSA T-1 because the conferred special benefits that are provided to the assessed property are not provided to the public at large.

The annual assessment pays for the transit related services provided within CSA T-1. The enhanced public services provided within CSA T-1 confer a special benefit and only serve the parcels with the ability to utilize the transit related services provided. Without the services, the property located in the unincorporated area would not receive any transit services. Therefore, the services in CSA T-1 are 100 percent special benefit to the parcels within the CSA.

Methodology

The total operation, maintenance and servicing cost for Public Transit are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor.

Since the assessment is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total assessment costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

No commercial or industrial parcels are planned be included in within CSA T-1, therefore an assessment methodology has not been created for those uses.

The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel is shown below.

Developed Single Family Residential - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are assessed one (**1.00**) EDU. In addition, those parcels that are designated as “vacant” single family residential per the Contra Costa County land use code but have a building permit issued prior to April 30 are assessed one (1.00) EDU.

Developed Multiple Residential – The developed multi-family designation includes parcels designated as apartments, townhomes, and condominiums per the Contra Costa County land use code. Apartments are assessed a factor of **0.723270448** EDU per dwelling unit. For example, a parcel with a 100-unit apartment would be assessed 72.33 EDUs. Townhomes and condominiums are assessed a factor of **0.795597484** EDU per dwelling unit. In addition, those parcels that are designated as “vacant” multi-family residential per the Contra Costa County land use code, but have a building permit issued prior to April 30, are assessed on a per unit basis as shown above.

Exempt Property - Consists of property not classified as developed residential property and includes: commercial, industrial, recreational and institutional property; parking lots; parking garages; roadways; open space and undeveloped property on which a building permit has not been issued prior to April 30. In addition, Senior Housing is classified as exempt. Residents of Senior Housing will be provided with separate shuttle service not included within the scope of the CSA.

In Fiscal Year 2006-2007 the maximum annual assessment was set at \$318.00 per EDU. To determine the cost per parcel, the total budget for providing service to the current total service area was divided by the total number of EDU’s within the service area. Please refer to Contra Costa County Resolution 2006-21 for a detailed report that includes the initial calculation of this rate.

The maximum assessment rates may be adjusted annually to reflect 2% or the prior year’s change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose, whichever is greater. The base CPI index to be used for future calculations is February 2006 (207.1). Any change in the assessment rate per EDU, which is the result of the

change in the CPI shall not be deemed an increase in the assessment subject to the requirements of Proposition 218.

For Fiscal Year 2020-2021 the allowed maximum rate is \$466.36/EDU. This rate has been calculated as follows:

$$\begin{aligned} & \$453.19 \text{ per developed EDU in Fiscal Year 2019-2020} \\ & +2.91\% \text{ increase for FY 2020-2021} = \$466.36 \end{aligned}$$

In Fiscal Year 2020-2021, it is recommended based upon projected expenditures, that the maximum rate of \$466.36 be collected. It is estimated \$606,390.76 in revenue will be needed to provide the services referenced above in Fiscal Year 2020-2021. There are 1,300.27 EDUs that have had a building permit issued. If you divide \$606,390.76 by 1,300.27 EDUs, the service charge per parcel is \$466.36.

SERVICE CHARGE ROLL

A list, of those parcels to be charged for Fiscal Year 2020-2021, including a description of each parcel to be charged is included on the following pages.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA
and for Special Districts, Agencies and Authorities Governed by the Board

Adopted this Resolution on 07/28/2020 by the following vote:

		John Gioia
		Candace Andersen
AYE:	<input type="text" value="5"/>	Diane Burgis
		Karen Mitchoff
		Federal D. Glover
NO:	<input type="text" value="/"/>	
ABSENT:	<input type="text" value="/"/>	
ABSTAIN:	<input type="text" value="/"/>	
RECUSE:	<input type="text" value="/"/>	

Resolution No. 2020/184

IN THE MATTER OF: Confirmation of Fiscal Year 2020-2021 Final Annual Report for County Service Area T-1 and levy of assessment charges (Public Transit).

WHEREAS, the Board on June 16, 2020, adopted Resolution No. 2020/104, confirming the Fiscal Year 2020-2021 Tentative Annual Report for County Service Area (CSA) T-1.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2020-2021 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2020-2021, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and hereby modifies the Final Report as follows: The Final Annual Report includes the Final Roll which lists all parcel changes to the Tentative Roll submitted in the Tentative Annual Report on June 16, 2020. The Final Roll shows the current lists of parcels with updated use codes.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2020-2021 Final Annual Report for CSA T-1 as modified and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2020-2021.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

Contra
Costa
County

To: Contra Costa County Flood Control District Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 28, 2020

Subject: License agreement with Crown Castle GT Company, LLC, for a portion of San Ramon Creek right of way.

RECOMMENDATION(S):

As the governing body of the Contra Costa County Flood Control and Water Conservation District (District), APPROVE the License Agreement with Crown Castle GT Company, LLC, for the use of a portion of the San Ramon Creek right of way (Assessor's Parcel Number 192-082-004), in Alamo, for a term beginning January 21, 2020 through December 30, 2025, with two five-year renewal options. The annual fee for the first five years is \$12,000 with a \$2,000 increase for each renewal option.

AUTHORIZE the Chief Engineer, or designee, to execute, on behalf of the District, the License Agreement and to exercise any options to extend the license term.

FISCAL IMPACT:

The term begins January 21, 2020 through December 30, 2025, with two five-year renewal options. The annual fee for the first five years is \$12,000 with a \$2,000 increase for each renewal option. The District will receive revenue that will be applied 100% to Flood Control Zone 3B.

APPROVE OTHER
 RECOMMENDATION OF CNTY ADMINISTRATOR RECOMMENDATION OF BOARD COMMITTEE

Action of Board On: **07/28/2020** APPROVED AS RECOMMENDED OTHER

cc:

BACKGROUND:

On February 24, 1998, the District and GTE Mobilnet, as the original licensee, entered into an agreement to access and maintain their telecommunication tower through the District-owned property. The License Agreement was assigned to Crown Castle GT Company, LLC on July 6, 2015 and expired on January 31, 2016. In order to continue the use of the property and provide access to their telecommunication tower, Crown Castle GT Company, LLC and the District desire to enter into a new license agreement.

CONSEQUENCE OF NEGATIVE ACTION:

If this license agreement is not approved, the District's Flood Control Zone 3B will not receive revenue during the term of this agreement.

ATTACHMENTS

License Agreement

LICENSE AGREEMENT

This License Agreement ("Agreement") is made and entered into this 21st day of January, 2020 by and between CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT, hereinafter called "DISTRICT," and CROWN CASTLE GT COMPANY LLC, a Delaware limited liability company, hereinafter called "LICENSEE". DISTRICT is the owner of the real property in Alamo, California identified as a portion of Assessor's Parcel Number 192-082-004, "Parcel 5" in Exhibit "A" attached hereto. LICENSEE desires to obtain DISTRICT'S permission to use a portion of Parcel 5 that consists of a twelve-foot (12') wide strip of land that is at the eastern border of Parcel 5 with northerly and southerly lines that terminate at the northerly and southerly lines of Parcel 5 (the "Property"). The DISTRICT is willing to grant a license to use the Property upon the terms and conditions contained herein. Now, therefore, the parties agree as follows:

1. **Grant of License.** Subject to the terms and conditions of this Agreement, DISTRICT hereby grants to LICENSEE, a nonexclusive license to enter the Property for the purpose of ingress and egress to reach and maintain LICENSEE'S telecommunication tower that is adjacent to the Property, the location of which is shown on Exhibit "B", together with the necessary appurtenances and access thereto.
2. **Term and Extension Terms.** The term of this Agreement is for the period commencing January 21, 2020, and ending December 30, 2025. LICENSEE has two (2) options to extend this Agreement for a term of five (5) years for each option (each, an "Extension Term") upon all the terms and conditions set forth in this Agreement; provided, however, in order to effectuate an Extension Term, LICENSEE must (i) give written notice of its intention to extend this Agreement at least one hundred eighty (180) days prior to the expiration of this Agreement and (ii) pay the applicable fee described in Section 4, below, on the date set forth in Section 4, below. DISTRICT may revoke the rights granted under this Agreement at any time upon thirty (30) days' prior written notice to LICENSEE.
3. **Contingency.** It is understood that this Agreement is subject to approval by the DISTRICT'S governing board. This Agreement will be submitted to the LICENSEE first for approval, and thereafter to the DISTRICT.
4. **Fee.** As consideration of this Agreement, LICENSEE shall pay a nonrefundable fee of TWELVE THOUSAND and NO/100 Dollars (\$12,000.00), due upon LICENSEE'S execution of this Agreement. The fee during the first extension period shall be FOURTEEN THOUSAND and NO/100 Dollars (\$14,000.00) due no later than January 1, 2026. The fee during the second extension period shall be SIXTEEN THOUSAND and NO/100 Dollars (\$16,000.00) due no later than January 1, 2031. In the event DISTRICT exercises its right to revoke the rights granted under this Agreement pursuant to Section 2 herein, DISTRICT shall refund LICENSEE'S prepaid fee on a pro rata basis on the last day of this Agreement.

Site Name: ALAMO
Business Unit #: 814023

5. **Use of Property.** LICENSEE'S use of Property shall be limited to ingress and egress and the uses identified in Section 1 above.
6. **Permits and Approvals.** LICENSEE shall obtain any permits or approvals from any agency having jurisdiction. This Agreement does not constitute governmental approval by Contra Costa County Flood Control District of this use.
7. **DISTRICT'S USE.** DISTRICT has the right, to use the Property for any purpose, including but not limited to ingress, egress, flood control, drainage water conveyance, water conservation, water quality improvement, maintenance, channeling or otherwise controlling the flow of drainage waters, and performing activities required by federal, state, regional or local agencies, including but not limited to, water quality and quantity control and environmental mitigation and enhancement, all of which constitute "DISTRICT'S Use". DISTRICT'S Use of the Property is paramount and superior to any other use of the Property.

DISTRICT may limit or temporarily suspend LICENSEE'S use of the Property. DISTRICT shall attempt to minimize such interruption or interference and will provide LICENSEE as much advance notice as possible under the circumstances. DISTRICT is not under any circumstances liable to LICENSEE or any other users of the Property for any cost, expense or damage caused by their loss of use of the Property.
8. **Nonexclusive Right of Use.** The right to use the Property is nonexclusive. DISTRICT reserves the right to issue licenses to others for other purposes.
9. **Existing Facilities.** It is understood and agreed that DISTRICT has leases and/or licenses with others for all or a portion of the Property. The holders of the leases and/or licenses described above have the right to enter on the property to maintain their facilities. LICENSEE is not entitled to any compensation for any damage that may result from such entry or maintenance.
10. **Damage.** The rights granted herein are surface rights only and no excavation rights are granted. It is the responsibility of LICENSEE to contact the DISTRICT and the holders of any easement, lease, or license to determine if the Property is able to support any vehicle brought onto it by LICENSEE without causing damage to subsurface or surface facilities. LICENSEE shall repair all damage caused by LICENSEE and return the Property to a neat and safe condition reasonably satisfactory to DISTRICT and such other users.
11. **Pollution.** LICENSEE, at its expense, shall comply with all applicable laws, regulations, rules that relate to the use of the Property, regardless of when they become or became effective, including, without limitation, those relating to health, safety, noise, environmental protection, waste disposal, and water and air quality. Upon request, LICENSEE shall furnish satisfactory evidence of such compliance to the DISTRICT.

No hazardous materials may be handled at any time upon the Property. Should any discharge, leakage, spillage, emission or pollution of any type occur upon or from the Property due to LICENSEE'S use and occupancy thereof, LICENSEE shall, at its expense, clean all the property affected thereby, whether owned or controlled by DISTRICT or any third party, to the satisfaction of DISTRICT (insofar as the property owned or controlled by DISTRICT is concerned) and any governmental body having jurisdiction over the Property.

To the extent permitted by law, LICENSEE shall indemnify, hold harmless, and defend DISTRICT and such holders of user rights against all liability, cost, and expense (including, without limitation, any fines, penalties, judgments, litigation costs, and attorneys' fees) incurred by DISTRICT and such other users as a result of LICENSEE'S breach of this Agreement or as a result of any such discharge, leakage, spillage, emission or pollution, regardless of whether such liability, cost or expense arises during or after the term of this Agreement, unless such liability, cost or expense is caused solely by the active negligence of DISTRICT.

LICENSEE shall pay all amounts due to DISTRICT under this Section and Section 12 within ten (10) days after any demand therefor.

12. **Hold Harmless.** LICENSEE shall defend, indemnify, save, and keep harmless the DISTRICT and its agents against all liabilities, judgments, costs, and expenses which may in any way accrue against DISTRICT as a result of granting LICENSEE this Agreement, save and except claims or litigation arising from the sole negligence, gross negligence or willful misconduct of DISTRICT.
13. **Insurance.** At no cost to the DISTRICT, LICENSEE shall obtain and maintain during term of this Agreement, comprehensive liability insurance with a minimum combined single-limit coverage of \$1,000,000 for all claims or losses due to bodily injury, sickness or disease or death to any person, or damage to property, including loss of use thereof arising out of each accident or occurrence, and to name **Contra Costa County Flood Control and Water Conservation District, and Contra Costa County its officers, agents, and employees as additional insured** thereunder. The coverage shall provide **thirty (30) days'** written notice to DISTRICT of cancellation or lapse. Evidence of such coverage shall be furnished to DISTRICT prior to execution of this agreement.
14. **Assignment - Subletting.** LICENSEE may not assign or sublet its rights under this Agreement.
15. **Governing Law; Venue.** The laws of the State of California govern all matters arising out of this Agreement. Venue for any action arising out of this Agreement is the Superior Court in the County of Contra Costa, California.

16. **Notices.** All notices, requests, demands and other communications hereunder shall be in writing and shall be personally delivered or mailed, certified mail, return receipt requested, or sent by overnight carrier to the following addresses:

If to LICENSEE, to:

Crown Castle GT Company LLC
General Counsel
Attn: Legal – Real Estate Department
2000 Corporate Drive
Canonsburg, PA 15317

Agent for Service of Process:
The Corporation Company
555 Capitol Mall Ste. 1000
Sacramento, CA 95814

If to DISTRICT, to:

Contra Costa County Flood Control & Water Conservation District
Attn: Real Estate Division
255 Glacier Drive
Martinez, CA 94553

or to such other address as each party may designate for itself by like notice given in accordance with this Section at least twenty (20) days in advance.

Notices will be deemed to have been delivered upon the earlier of either actual receipt or rejection as shown on the receipt obtained pursuant to the foregoing.

17. **Entire Agreement.** This instrument contains the entire agreement between the parties relating to the rights herein granted and the obligations herein assumed. No alteration or variation of this Agreement shall be valid or binding unless made in writing and signed by the both parties.

[Remainder of Page Intentionally Left Blank]

The parties are signing this Agreement as of the date set forth in the introductory paragraph.

Alamo Square
License for Ingress and Egress
Along San Ramon Creek
From CCCFC&WCD to Crown Castle GT Company LLC
Portion of APN 192-082-004

EXHIBIT "A"

Real property in the unincorporated area of Alamo, County of Contra Costa, State of California, being a portion of Rancho San Ramon, also being a portion of Parcel Five in the Grant Deed to Contra Costa County Flood Control and Water Conservation District recorded December 20, 1967 in Book 5520 of Official Records at Page 451, more particularly described as follows:

Ingress and Egress License

A strip of land 12.00 feet wide along the eastern side of said Parcel Five, measured concentrically from the east line of the property.

The westerly line of said 12.00 foot wide strip shall be lengthened or shortened so as to terminate on the northerly and southerly lines of said Parcel Five.

Contains an area of 931 square feet of land, more or less.

Exhibit "B", a plat is attached hereto, and by this reference made a part hereof. Bearings are based on said deed (5520 OR 451) to CCCFC & WCD. Dimensions given are grid.

This real property description has been prepared by me or under my direction, in conformance with the Professional Land Surveyors Act.

**Contra
Costa
County**

To: Contra Costa County Flood Control District Board of Supervisors

From: Brian M. Balbas, Public Works Director/Chief Engineer

Date: July 28, 2020

Subject: Agreement to form a local partnership to develop a long-term Implementation Agreement for the Advanced Quantitative Precipitation Information System.

RECOMMENDATION(S):

As the governing body of the Contra Costa County Flood Control and Water Conservation District (FC District), APPROVE and AUTHORIZE the Chief Engineer, or designee, to execute the "Planning Agreement to form the San Francisco Bay Area Advanced Quantification Precipitation Information System Project Local Partner Agencies Committee" (Planning Agreement) with Sonoma County Water Agency, San Francisco Public Utilities Commission, Santa Clara Valley Water District, East Bay Municipal Utility District, East Bay Dischargers Authority, Alameda County Water District, and Alameda County Flood Control & Water Conservation District.

FISCAL IMPACT:

FC District staff time, up to \$10,000 during the duration of the agreement, is covered by FC District Funds. (Project No. 7505-6F8173)

BACKGROUND:

In 2002, Senate Bill 1672 created the Integrated Regional Water Management (IRWM) Act to encourage local agencies to work cooperatively to manage local and imported water supply quality, quantity, and reliability.

In November 2002 and November 2006, California voters passed propositions for water bonds,

APPROVE

OTHER

RECOMMENDATION OF CNTY ADMINISTRATOR

RECOMMENDATION OF BOARD COMMITTEE

Action of Board On: **07/28/2020** APPROVED AS RECOMMENDED OTHER

Clerks Notes:

VOTE OF SUPERVISORS

313-2274

BACKGROUND: (CONT'D)

namely Proposition 50 and Proposition 84, respectively. These combined water bond acts provided \$1,500,000,000 for IRWM project planning and implementation.

The Bay Area IRWM Planning Group consists of a consensus based decision-making group of representatives from Bay Area water resource agencies who plan, prioritize, and implement projects that are all or partially funded through IRWM grants from the State of California, Department of Water Resources (DWR). The FC District has been involved in the Bay Area IRWM Planning Group from its inception.

In 2016, the Bay Area IRWM Planning Group, represented by the San Francisco Estuary Partnership, received a grant from DWR for the “San Francisco Bay Area Advanced Quantitative Precipitation Information System” Project amounting to \$19.84 million in Prop 84 grant funds. Later, Sonoma County Water Agency, now Sonoma Water, contracted with DWR and now manages the grant for the Bay Area IRWM Planning Group.

The Advanced Quantitative Precipitation Information (AQPI) Project will create the AQPI System that will provide early notification of more precise rainfall location, intensity, and amounts. The AQPI Project will accomplish this by installing four (4) X-band radars and one (1) C-band radar in the region, as well as developing standard and customizable data delivery systems accessible to participating agencies. The AQPI System will allow for better situational awareness, the improved operations of combined sewer and wastewater systems, the improved operations of flood protection facilities, better management of water supply reservoirs, improved emergency response, and a myriad of other benefits to transportation and other business sectors for the entire Bay Area. The National Oceanic and Atmospheric Administration (NOAA) is a project proponent that is heavily involved in the project, will be the first recipient of the AQPI System data, and will process and disperse the data to the Bay Area agencies as it incorporates the data into their nationwide models and forecasting systems. NOAA is working with local water resource agencies to tailor the data products to their needs.

In 2017, the FC District, in conjunction with Sonoma Water and other East Bay water resource agencies, began collaborating on the installation of an X-band radar unit in the East Bay through a separate agreement with an anticipated execution timeframe of early 2020. On March 10, 2020, the Board approved and authorized the execution of a “Cooperative Agreement to Provide Funding for Shared Temporary Deployment of Precipitation Forecasting System” with Sonoma Water and other East Bay water resource agencies.

The anticipated location of the East Bay radar is on Rocky Ridge, west of the Danville area, above Bollinger Canyon Road. Sonoma Water has been working with the leaseholder at the proposed radar site and is finalizing details of the installation. FC District staff has been a liaison between Sonoma Water and the Contra Costa County Department of Information Technology to examine possible power and data connections for the radar.

Ideal radar coverage for the Bay Area would include additional X-Band radars. Accordingly, some portions of the Bay Area have less than ideal coverage. To address the desired additional coverage and long-term needs, efforts are underway to find other funding sources to add additional X-Band radars in the region. While these efforts would provide many benefits to the AQPI System, they are currently separate projects. If these efforts are successfully implemented, they could be added to the AQPI System. Additional projects that could be brought into the AQPI System include additional X-Band radars in Santa Cruz and Marin counties and use of the radars to detect fires in the region.

This Planning Agreement formally forms a Local Partner Agencies Committee (LPAC) and does not assign future costs for implementation of the AQPI Project. A separate implementation agreement as described below (Implementation Agreement) will be developed for that purpose in the future. Any party to the Planning Agreement is not obligated to make financial contributions or participate in a future Implementation Agreement.

The Planning Agreement commits the parties to meet periodically and develop an Implementation Agreement among relevant and willing parties. The Implementation Agreement is expected to include both a cost allocation structure for installation of the C-band radar and an Operations and Maintenance (O&M) Plan. The O&M Plan will consider long-term funding for operations, maintenance, refurbishment, and enhancement of the AQPI System. This separate Implementation Agreement may be amended as needed based upon LPAC membership changes, needed system updates, and/or other changes in status.

Representatives of anticipated parties to the Planning Agreement are already working together to inform others of the benefits of the AQPI System, prepare case studies to best communicate how past storm-related situations or emergencies might be better managed with an AQPI System, and garner legislative support for long-term funding of the AQPI System's ongoing costs. The Planning Agreement will solidify the current ad-hoc structure and voice of the LPAC as it makes decisions and communicates the regional benefits of the AQPI System.

CONSEQUENCE OF NEGATIVE ACTION:

If the Board does not approve and authorize the execution of the Planning Agreement, the FC District would not have a formal voice in the decisions made by the LPAC and would not have as much influence on the future direction of the AQPI System's operation and maintenance.

ATTACHMENTS

Planning Agreement

**PLANNING AGREEMENT TO FORM THE SAN FRANCISCO BAY AREA ADVANCED
QUANTIFICATION PRECIPITATION INFORMATION SYSTEM PROJECT LOCAL PARTNER
AGENCIES COMMITTEE**

This “Planning Agreement to form the San Francisco Bay Area Advanced Quantitative Precipitation information System Project Local Partner Agencies Committee” (Planning Agreement) is by and between Sonoma County Water Agency (Sonoma Water), Santa Clara Valley Water District (Valley Water), San Francisco Public Utilities Commission (SFPUC) and a group of East Bay agencies that include East Bay Municipal Utility District (EBMUD), East Bay Dischargers Authority (EBDA), Alameda County Flood Control & Water Conservation District (ACFCD), Alameda County Water District (ACWD), and Contra Costa County Flood Control & Water Conservation District (CCCFCWCD) (collectively, “Parties” and singularly, “Party”).

RECITALS

- A. Atmospheric rivers are the main driver of precipitation the SF Bay Area – On average, about 30-50% of annual precipitation on the West Coast occurs in just a few atmospheric river events, contributing to both water supply and flooding risk.
- B. Climate change is intensifying extreme weather. Studies identify a direct link between the extent of warming and the intensity of extreme weather events including the frequency and severity of atmospheric river conditions.
- C. The voters of the state of California passed the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Public Resource Code Section 75001 *et seq.*), also known as Proposition 84, which included funding for Integrated Regional Water Management (IRWM) projects managed by the state of California Department of Water Resources (DWR).
- D. DWR’s IRWM program is a collaborative effort to identify and implement water management solutions on a regional scale that increase regional self-reliance, reduce conflict, and manage water to concurrently achieve social, environmental, and economic objectives.
- E. SFPUC, Valley Water, Sonoma Water, and other entities in the Bay Area Integrated Regional Water Management (BAIRWM) region have collaborated for several years with the National Oceanic and Atmospheric Administration (NOAA) to develop agency-specific projects related to advanced quantitative precipitation monitoring and forecast systems.
- F. In 2013, SFPUC’s Wastewater Enterprise (WWE) initiated a project with NOAA to better model and forecast approaching storm events to optimize operations of the City of San Francisco's combined sewer system. The project envisioned deploying an agency –specific advanced quantitative precipitation monitoring and forecast system by installing three

data-collecting instruments: (1) X-band radar; (2) C-band radar; and (3) Atmospheric River Observatory (ARO). SFPUC WVE completed extensive planning work, but halted their individual project in 2017.

- G. In 2015, Valley Water initiated an agency specific pilot study project with NOAA to use a ground-based X-band radar system to provide more accurate rainfall forecast and mapping prior to the 2016 Super Bowl. This additional information with data from a network of Valley Water’s rain gauges and stream gauges improved Valley Water’s ability to predict, coordinate for, and respond to creek flooding. This pilot project ran from February to May 2016. Following flooding in 2017, the study was renewed for two additional years.
- H. Recognizing that a regional approach to improving precipitation forecasting was beneficial and cost effective, several Bay Area Agencies starting collaborating on a long-term regional project to invest in science and technology. The “San Francisco Bay Area Advanced Quantitative Precipitation Information System” Project (SF Bay AQPI Project or Project) will provide early notification of more precise rainfall location, intensity and amounts by installing 4 X-band radars and 1 C-band radar in the region, as well as, developing standard and customizable data delivery systems accessible to participating agencies. The Project will allow for better situational awareness, the improved operations of combined sewer and wastewater systems, the improved operations of flood protection facilities, better management of water supply reservoirs, improved emergency response, and a myriad of other benefits to transportation and other business sectors for the entire Bay Area.
- I. Sonoma Water, SFPUC, and Valley Water entered into an agreement with the San Francisco Estuary Partnership effective June 1, 2015 to co-fund the preparation of a grant application for the SF Bay AQPI Project to be submitted under Round 4 of Proposition 84 and designated San Francisco Estuary Partnership (SFEP) as the fiscal agent.
- J. On August 6, 2015, the BAIRWM submitted a regional grant proposal that included a suite of projects, including the SF Bay AQPI Project, to DWR.
- K. On January 13, 2016, DWR issued a conditional commitment to award the BAIRWM \$41,305,435 to implement a suite of regional projects, of which \$19,000,000 was designated for the SF Bay AQPI Project, and \$1,858,745 was awarded to SFEP for grant administration on the SF Bay AQPI Project and other projects.
- L. Subsequent to DWR issuing the commitment letter, SFEP determined it could not serve as the fiscal agent for the Project and Sonoma Water agreed to assume the role. As part of the modification, a separate Grant Agreement was drafted with DWR for the SF Bay AQPI Project and an additional \$836,410 in grant reimbursable administration expenses originally allocated to SFEP were allocated to Sonoma Water, bringing the total award for the SF Bay AQPI Project to \$19,836,410.

M. As the LPS, Sonoma Water is acting as the lead agency in managing and administering the IRWM grant award for the SF Bay AQPI Project, including contracting with DWR and sub-grantees. Accordingly, Sonoma Water has entered into contracts with DWR, NOAA, United States Geological Survey (USGS), Cooperative Institute for Research in the Atmosphere (CIRA), Morrison and Associates (M&A), Jennifer Krebs Environmental Planning, and the Bay Planning Coalition (BPC) to support implementation the of the Project. A complete list of the associated agreements executed to-date are listed below:

- (1). Grant Agreement Number 4600011485 between DWR and Sonoma Water for \$19,836,410 was executed on August 19, 2016. The agreement was amended on October 26, 2017 and expires on December 31, 2021. DWR funds are for the design and installation of four (4) X-band radars and one (1) C-band radar, as well as, information systems that will increase the accuracy of weather forecasting and response systems throughout the Bay Area.
- (2). Memorandum of Understanding number 50-35-3RR2NAQ between Sonoma Water and NOAA for \$6,596,159 was executed on August 17, 2017 and expires December 31, 2021. This agreement designated NOAA as the technical lead, and covers tasks including program management, deployment of new monitoring equipment, data assimilation and analysis, development of new predication models, and system integration.
- (3). Agreement 16/17-031 between Sonoma Water and CIRA for \$9,944,053 was executed on August 21, 2017 and expires December 31, 2021. It covers site identification, coordination, procurement, and partial installation costs of (4) X-band radars and (1) C-band radar in the region.
- (4). Agreement 17/18-005 between Sonoma Water and CIRA for \$152,058 was executed on August 21, 2017 and expires December 31, 2021. It covers travel costs for CIRA's activities under 16/17-031 that are not eligible for reimbursement under DWR grant 4600011485.
- (5). Technical Assistance Agreement Number 18WSTAA175836 between Sonoma Water and USGS for \$1,170,833 was executed on March 13, 2018 and covers development and integration of an operational CoSMoS model that will improve flood forecast ability for the San Francisco Bay.
- (6). Agreement 16/17-032 between Sonoma Water and M&A for \$535,430 was executed on August 21, 2017 and had a term ending December 31, 2021. The agreement was for project coordination services including meeting coordination, grant management, siting and permitting assistance, public outreach, and additional services. The agreement was terminated October 1, 2018 following the passing of firm president Carl Morrison. The remaining balance under the contract was reallocated to new consultant(s) to carry on the remainder of the original scope.

- (7). Agreement 18/19-002 between Sonoma Water and JKEP for \$250,000 was executed on November 19, 2018 and expires December 31, 2021. It covers meeting coordination, grant management, siting and permitting assistance, public outreach assistance, and additional services.
 - (8). Agreement 18/19-003 between Sonoma Water and BPC for \$300,000 was executed on November 19, 2018 and expires December 31, 2021. It covers stakeholder outreach, business development, and additional services.
- N. In 2017, EBMUD, EBDA, CCFCD, ACFCD, and ACWD in conjunction with Sonoma Water began collaborating on the installation of an X-band radar unit in the East Bay through a separate agreement with an anticipated execution date in early 2020.
 - O. In 2018 SFPUC's Water Enterprise re-initiated a project to install an AQPI system X-band radar near San Francisco. The SFPUC Water Enterprise developed plans to install the radar on Montara Mountain, and completed the project review, environmental review, and project approval processes in 2019. Access improvements, site development, and radar installation are expected to be completed by the end of 2020.
 - P. The SF Bay AQPI Project advances NOAA's Weather-Ready Nation initiative, which requires action from all government agencies at the national, state, and local government level to ensure the region is ready, responsive, and resilient to extreme weather and climate change.
 - Q. The Project builds off the State of California's Extreme Precipitation Monitoring Network and will provide new forecast products and new decision support tools for use by the water resources management and emergency response community in the Bay Area
 - R. Parties to this Planning Agreement have provided staff hours and/or financial contributions to the SF Bay AQPI Project. The financial contributions to date are noted in Appendix A. The goal of all such contributions has been to expediently deploy radar systems, to work with NOAA and CIRA staff, and to provide guidance to these agencies as to what types of meteorological information they need to run their hydraulic models and/or inform their agencies' systems.
 - S. The current buildout of the AQPI system includes 4 X-Band radars funded by DWR. Ideal X-Band radar coverage for the Bay Area would include additional units. Accordingly, some portions of the Bay Area have less than ideal coverage. Efforts are underway to find other funding sources to add additional X-Band radars in the region. While these efforts would provide many benefits to the AQPI Project, they are currently separate projects. If these efforts are successful and the projects listed below are implemented it is possible they could be added to the AQPI Project. The projects include:

- (1). Santa Cruz County Flood Control and Water Conservation District applied for and received an award for an X-Band radar under the Flood Emergency Response Program. This radar will capture Santa Cruz County as well as portions of Santa Clara County. Santa Cruz will use the same interface that other SF Bay AQPI users will employ.
 - (2). Following the 2017 North Bay fires and around the time of the 2018 floods, Sonoma Water and Marin County Flood Control and Water Conservation District applied for a FEMA Hazard Mitigation Grant Program to acquire two additional X-band radars for the region. The application was recommended for funding by CalOES and is currently under review by FEMA. If awarded, the project envisions deploying a radar in Marin County to cover a known gap in the current SF Bay AQPI configuration and a radar in northern Sonoma County to expand coverage over the remaining portions of its watershed.
- T. This Planning Agreement does not assign future costs for implementation of the SF Bay AQPI Project. A separate implementation agreement as described in Section 3(d) below (“Implementation Agreement”) will be developed for that purpose in the future.

AGREEMENTS

The Parties agree as follows.

1. **Goal of this Agreement:** This Planning Agreement defines the shared goals and objectives of the Parties and establishes the necessary administrative structure to guide project development activities prior to the approval of the Implementation Agreement.
2. **Membership and Structure.**
 - a. **Formation of the Local Partner Agency Committee:** The Parties agree to form the Local Partner Agencies Committee (LPAC). Sonoma Water will provide administrative support to the LPAC and will ensure committee decisions comply with the DWR grant terms until execution of the Implementation Agreement.
 - b. **Unincorporated Association:** For ease of formation, administration, and to maintain flexibility, Parties will act as an unincorporated association of local public entities whose membership benefits and responsibilities are set forth in this Planning Agreement.
 - c. **Membership:** Each agency that has made a financial commitment to the Project listed in Appendix A and as a signatory to this Planning Agreement is entitled to seat one representative on the LPAC. The LPAC has discretion to add new members who make future financial commitments on a case-by-case basis.

- d. **Supporting Entities:** In addition, the LPAC may seek to collaborate formally or informally with non-signatory agencies or other entities who offer support for the Project. Such supporters may perform tasks including, but not limited to, participating in technical discussions, convening groups as needed, providing outreach, or providing in-kind services.
 - e. **Decision Making:** For the purposes of this Planning Agreement, the LPAC will operate by consensus.
 - f. **Dispute Resolution:** The Parties will resolve their disputes informally and may choose to engage a facilitator.
 - g. **Funding decisions:** Parties acknowledge that individual agencies may need to get approval from their governing boards before they are able to provide funding.
 - h. **Meetings:** The LPAC will meet regularly to achieve its goals. Frequency of meeting may change based on needs, but the LPAC will meet not less than quarterly.
 - i. **Independent Agreement:** The Parties agree that this agreement will be independent of any other contract(s) or agreement(s) between or among any of them.
3. **Parties Responsibilities.** The Parties acknowledge that an investment of resources is necessary to site, operate, maintain and improve the SF Bay AQPI system. Resources may include in-kind services, staff time, and potential future financial contributions. Furthermore, several agencies have already committed resources for the initial stages of the Project. Additional parties may seek to join the LPAC at a future date.

Upon signing the agreement, Parties will:

- a. Assign a representative to the LPAC at the General Manager (GM) level, or their designee.
- b. Meet according to the frequency shown in 2(h).
- c. Provide periodic local agency activity updates and share documentation as requested with the grantee (Sonoma Water) for incorporation into quarterly narrative and financial reports required under DWR grant agreement.
- d. Develop an Implementation Agreement among Parties which will include both a cost allocation structure for installation of the C-band radar and an Operations and Maintenance (O&M) Plan. The O&M Plan will consider long-term operation

and funding for maintenance, refurbishment, and enhancement of the Project. This separate Implementation Agreement may be amended as needed based upon LPAC membership changes, needed system updates, and/or other changes in status. A party to this Planning Agreement is not obligated to make financial contributions or participate in a future Implementation Agreement.

- e. Plan to integrate other site-specific activities completed under separate agreements to enable a regional AQPI system, including integration of individual X-band radar units in the SF Bay Area.
- f. Support and coordinate observations to improve forecasting abilities in the SF Bay Area.
- g. Share existing or planned instrumentation data with the AQPI system.
- h. Advocate as a coalition in order to identify and secure funding for long-term implementation of the Project.
- i. Serve as a forum to discuss issues and coordinate Project activities that could affect funding, operations or regional resiliency.
- j. Collaborate on efforts to promote the Project to potential new beneficiaries and end users.
- k. Consider and approve additional Members.

GENERAL TERMS

- 4. **Effective and Termination Dates.** This Planning Agreement is effective upon execution by two or more Parties (“Effective Date”). Any party who desires to join this Planning Agreement after the Effective Date may do so by executing this Agreement, and upon forwarding an executed copy of this Agreement to all then current parties to this Planning Agreement, shall then become a party to this Agreement. It will terminate upon the execution of a subsequent Implementation Agreement that replaces this Planning Agreement.
- 5. **Withdrawal.** Any Party may withdraw from this Planning Agreement at any time and for any reason, upon written notice to Sonoma Water. The Planning Agreement will continue in effect as between remaining Parties, as long as at least two Parties remain.
- 6. **Amendment.** This Planning Agreement may be amended only by a written amendment executed by all Parties.

7. **Notice.** Any notice under this Planning Agreement will be made by electronic mail to the following:

Name:	Email Address:
Grant Davis	Grant.Davis@scwa.ca.gov
Steven Ritchie	Sritchie@sflower.org
Norma Camacho	Ncamacho@valleywater.org

_____	_____
_____	_____
_____	_____

8. **Remedies.** This Planning Agreement does not establish any remedies related to a Party's performance hereunder.
9. **Third Party Beneficiaries.** This Planning Agreement does not create any third party beneficiaries.
10. **Reservation of Rights.** Each Party reserves all of its rights and authorities with respect to its participation in the Planning Agreement.
11. **Entire Agreement.** This Planning Agreement constitutes the entire agreement of the Parties and supersedes all prior agreements and understandings, written or oral.
12. **Successors and Assignees.** The rights and duties of the Parties may not be assigned or delegated without the advance written consent of all Parties and any attempt to assign or delegate such rights or duties in contravention of this paragraph will be null and void.
13. **Severability.** If one or more terms of this Planning Agreement are held to be unlawful or invalid, the Parties agree that the remainder of the Planning Agreement will not be affected thereby. Such terms will be deemed reformed so as to be lawful and valid to the maximum extent possible.
14. **Counterparts.** This Planning Agreement may be executed in separate counterparts, each of which when so executed and delivered will be an original. All such counterparts will together constitute but one and the same instrument.

To: Board of Supervisors
From: David Twa, County Administrator
Date: July 28, 2020

Subject: ACCEPT Board members meeting reports for June 2020

RECOMMENDATION(S):

ACCEPT Board members meeting reports for June 2020.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

Government Code section 53232.3(d) requires that members of legislative bodies report on meetings attended for which there has been expense reimbursement (mileage, meals, lodging ex cetera). The attached reports were submitted by the Board of Supervisors members in satisfaction of this requirement. District V has nothing to report.

CONSEQUENCE OF NEGATIVE ACTION:

The Board of Supervisors will not be in compliance with Government Code 53232.3(d).

Contra
Costa
County

To: Board of Supervisors
From: Dianne Dinsmore, Human Resources Director
Date: July 28, 2020

Subject: Adopt Ordinance No. 2020-18 Amend the Ordinance Code to re-title Deputy Director of Information Technology - Exempt (LTD1)

RECOMMENDATION(S):

ADOPT Ordinance No. 2020-18 amending the County Ordinance Code to re-title the Deputy Director of Information Technology-Exempt (LTD1) classification to the new title of Information Systems Division Director-Exempt (LTD1) in the list of classifications excluded from the merit system.

FISCAL IMPACT:

There is no fiscal impact associated with re-titling or exempting this class from the Merit System.

BACKGROUND:

In 2019 there was a classification study done on various unrepresented management positions in the Department of Information Technology. The purpose of the study was to evaluate the organizational structure of the Department's leadership, and to make recommendations on any changes necessary to assist the department in achieving their operational objectives. One of the findings of this study was that the title of Deputy Director of Information Technology - Exempt did not accurately describe the use of this classification. The recommended title of Information Systems Division Director - Exempt more accurately describes the scope of work and responsibility assigned to positions in this classification.

Ordinance 2020-18 Retitle

ORDINANCE NO. 2020-18

(Retitle the classification of Deputy Director of Information Technology-Exempt to Information Systems Division Director-Exempt)

The Contra Costa County Board of Supervisors ordains as follows (omitting the parenthetical footnotes from the official text of the enacted or amended provisions of the County Ordinance Code):

SECTION I: Section 33-5.359 of the County Ordinance Code is amended to retitle the exempt classification of Deputy Director of Information Technology-Exempt to Information Systems Division Director-Exempt:

33-5.359 - Information technology.

- (a) The chief information officer/director of information technology is excluded and is appointed by the county administrator.
- (b) The information systems division director is excluded and is appointed by the chief information officer/director of information technology.
- (c) The assistant chief information officer-exempt is excluded and is appointed by the chief information officer/director of information technology.
- (d) The chief information technology security officer-exempt is excluded and is appointed by the chief information officer/director of information technology.

(Ord. Nos. 2020-18 § I, 7-28-2020, 2018-26 § I, 9-11-18; 2017-23 § I, 9-19-17; 2016-09 § II 4-12-16; Ords. 2002-15 § 1, 2002-06 § 1, 95-57 § 1, 85-4 § 2, 82-21 § 1)

SECTION II: EFFECTIVE DATE. This ordinance becomes effective 30 days after passage, and within 15 days of passage shall be published once with the names of the supervisors voting for and against it in the _____, a newspaper published in this County.

Costa
County

To: Board of Supervisors
From: Deborah R. Cooper, Clerk-Recorder
Date: July 28, 2020

Subject: APPOINT, In-Lieu of Election, Member of the Contra Costa County Retirement Board

RECOMMENDATION(S):

APPOINT, in lieu of election; William Pigeon, Lafayette, CA 94549, as Alternate Safety Member #7 of the Contra Costa County Employees' Retirement Association Board of Trustees to a term beginning July 1, 2020 and ending June 30, 2023.

FISCAL IMPACT:

None

BACKGROUND:

Only one candidate filed for Alternate Safety Member #7 of the Contra Costa County Retirement Board, which election was scheduled for September 29, 2020. Election Code section 10515 requires that candidates who filed for an office for which the number of candidates equaled or did not exceed the number required to be elected, be "Appointed-in-Lieu of Election" by the Board of Supervisors as if they were elected.

CONSEQUENCE OF NEGATIVE ACTION:

Should the Board take no or negative action, the candidate will not be sworn in as provided by law.

From: Kathy Gallagher, Employment & Human Services Director
Date: July 28, 2020

Subject: Economic Opportunity Council Appointment

RECOMMENDATION(S):

APPOINT Noe Gudno to the Low Income Seat No. 2 on the Economic Opportunity Council (EOC), as recommended by the Employment and Human Services Department Director.

FISCAL IMPACT:

There is no fiscal impact.

BACKGROUND:

This board order will appoint Noe Gudno to the Low Income Seat No. 2 on the EOC with a term expiring June 30, 2022. The appointment was approved and recommended by the EOC in a June 11, 2020 teleconference meeting. The seat was previously occupied by Juan Pablo Benavento and was vacated January 2019.

The EOC is a tripartite advisory board to the Board of Supervisors and the Community Services Bureau of the Employment and Human Services Department for administration of the Community Services Block Grant.

CONSEQUENCE OF NEGATIVE ACTION:

The EOC may not be able to conduct routine business.

Board and Interest

Which Boards would you like to apply for?

Equal Employment Opportunity Advisory Council: Submitted

Seat Name

Community Seat

Have you ever attended a meeting of the advisory board for which you are applying?

Yes No

If you have attended, how many meetings have you attended?

1

Please explain why you would like to serve on this particular board, committee, or commission.

I'm a graduate student at San Francisco State University studying Public Administration. I joined that master's program with an issue area interest of workplace equity and age discrimination, and to transition into working in local government. As part of the program, I developed a research project and protocol to assess workplace ageism in private and public sectors of the Bay Area - which is currently in progress. I am very interested in serving in a public service role that helps to address and foster inclusivity in the workplace, and would look forward to contributing in, and learning from, the Advisory Council on Equal Employment Opportunity.

Qualifications and Volunteer Experience

I would like to be considered for appointment to other advisory boards for which I may be qualified.

Yes No

Are you currently or have you ever been appointed to a Contra Costa County advisory board, commission, or committee?

Yes No

List any volunteer or community experience, including any advisory boards on which you have served.

Currently serving as Vice President of the San Francisco State University Chapter of Pi Alpha Alpha - a national Public Administration honor society.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

My professional experience is diverse, including positions managing corporate communications and community relations, as well as a stint as a small business owner. Most recently, I supported the Nonprofit Management Program at San Francisco State University with administrative and outreach efforts. In addition, I am near completion of a Master's degree in Public Administration, with a focus on age discrimination research.

By: Stacey M. Boyd, Deputy

Contact: 925-335-1455

cc:

BACKGROUND:

The Advisory Council for Equal Employment Opportunity (ACEEO) was established in July 1991 to serve as an advisory committee to the Board of Supervisors regarding the implementation of the County's Affirmative Action Plan, to review the Affirmative Action Program and to recommend actions to facilitate attainment of the County's goal for affirmative action. The Council is composed of 13 members and a Board committee reviews nominations to all seats except those designated for County managers and labor unions. Terms of office for seats reviewed by Board Committee are three years.

In 2013, Internal Operations Committee (IOC) reviewed Board Resolution Nos. 2011/497 and 2011/498, which stipulate that applicants for At Large/Non Agency-Specific seats on specified bodies are to be interviewed by a Board subcommittee. The Resolutions further permit a Board Committee to select a screening committee to assist in interviewing applicants for appointment for certain bodies, including the ACEEO.

CONSEQUENCE OF NEGATIVE ACTION:

If this Board Order is not approved, the vacancy will not be posted and the Education, Community and the Disability seats on the Advisory Council for Equal Employment Opportunity will remain vacant.

Seat Name (if applicable)

Describe why you are interested in serving on this advisory board/commission (please limit your response to one paragraph).

I am interested in serving as a board member because I have 20 years of administrative, managerial, analytical, law enforcement and instructional transferable skills that are relative to the duties as required by the board. I also possess a Masters Degree in Health Services Management, California Community College Credential and an Adult Teaching Credential. My Experience working with youth is as follows. As a Job Corps instructor over eight years, I delivered quality instruction in GED and Testing of Basic Adult Education (TABE) reading & math preparation as needed to Job Corps Trainees utilizing a standardized curriculum. I have worked with at risk trainees from diverse socio-economic ethnic backgrounds to provide them with the tools needed to be successful in future endeavors. I have utilized Citrix to monitor attendance and process evaluations Personal Career Development Plans and conduct reports. Additionally, as a requirement for employment, I participated in the training by the Outlet Program emphasizing the creation of safe environments for Lesbian, Gay, Bisexual, Transgender, Queer and Questioning Youth. Prior to my Career at Job Corps I worked at several universities recruiting and counseling undergraduate minority pre-med students to enter the School of Medicine throughout the country. I coordinated an early outreach component to motivate high school students (GRADES 9-12) into the health sciences. As a hobby I build computers in my spare time. I am also familiar with the latest software packages used in businesses (Microsoft Office (Excel, Access, Publisher, Word and PowerPoint)).

This application is used for all boards and commissions

**THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA and for
Special Districts, Agencies and Authorities Governed by the Board Adopted Resolution
no. 2011/55 on 2/08/2011 as follows:**

IN THE MATTER OF ADOPTING A POLICY MAKING FAMILY MEMBERS OF THE BOARD OF SUPERVISORS INELIGIBLE FOR APPOINTMENT TO BOARDS, COMMITTEES OR COMMISSIONS FOR WHICH THE BOARD OF SUPERVISORS IS THE APPOINTING AUTHORITY

WHEREAS the Board of Supervisors wishes to avoid the reality or appearance of improper influence or favoritism;
NOW, THEREFORE, BE IT RESOLVED THAT the following policy is hereby adopted:

- I. SCOPE: This policy applies to appointments to any seats on boards, committees or commissions for which the Contra Costa County Board of Supervisors is the appointing authority.
- II. POLICY: A person will not be eligible for appointment if he/she is related to a Board of Supervisors' Member in any of the following relationships:
1. Mother, father, son, and daughter;
 2. Brother, sister, grandmother, grandfather, grandson, and granddaughter;
 3. Great-grandfather, great-grandmother, aunt, uncle, nephew, niece, great-grandson, and great-granddaughter;
 4. First cousin;
 5. Husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepson, and stepdaughter;

To: Board of Supervisors
From: Federal D. Glover, District V Supervisor
Date: July 28, 2020

Subject: Appoint Christopher E. Baker to the Aviation Advisory Committee

RECOMMENDATION(S):

APPOINT the following individual to the District V Representative Seat on the Aviation Advisory Committee to a new term ending March 1, 2023.

Christopher E. Baker

FISCAL IMPACT:

There is no fiscal impact.

BACKGROUND:

The Aviation Advisory Committee provides advice and recommendations to the Board of Supervisors on the aviation issues related to the economic viability and security of airports in Contra Costa County. The Committee may initiate discussions, observations, or investigations, in order to make its recommendations to the Board. The Committee may hear comments on airport and aviation matters from the public or other agencies for consideration and possible recommendations to the Board of Supervisors or their designees. The Aviation Advisory Committee shall cooperate with local, state, and national aviation interests for the safe and orderly operation of airports. The Aviation Advisory Committee shall advance and promote the interests of aviation and protect the general welfare of the people living and working near the airport and the County in general. In conjunction with all of the above, the Aviation Advisory Committee shall provide a forum for the Director of Airports regarding policy matters at and around the airports.

Subject: Family and Children's Trust Committee (FACT) Resignation

RECOMMENDATION(S):

ACCEPT the resignation of Olga Jones, DECLARE a vacancy of At-Large Seat #5 on the Family and Children's Trust Committee (FACT), and DIRECT the Clerk of the Board to post a vacancy as recommended by the Employment and Human Services Department Director.

FISCAL IMPACT:

There is no fiscal impact.

BACKGROUND:

FACT was established in 1982 by the Contra Costa County Board of Supervisors to make funding recommendations on the allocation of a variety of funds for prevention and intervention services to reduce child abuse and neglect, provide supportive services to families and children, and promote a more coordinated, seamless system of services for families. Funding for FACT supported projects derive from Federal and State program legislation and donations to the County FACT fund.

The At-Large Seat #5 on the FACT from which Olga Jones has resigned has a term expiration of September 30, 2020. Ms. Jones was appointed November 6, 2018. She is resigning to support other obligations.

Date: July 28, 2020

Subject: RECOMMENDATION FOR APPOINTMENT TO THE INTEGRATED PEST MANAGEMENT ADVISORY COMMITTEE

RECOMMENDATION(S):

APPOINT Amy Budahn to the Public Member Alternate seat on the Integrated Pest Management Advisory Committee to complete the current term to expire on December 31, 2022.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

In June 2014, the IOC reviewed Board Resolution Nos. 2011/497 and 2011/498, which stipulate that applicants for At Large/Non Agency-Specific seats on specified bodies are to be interviewed by a Board subcommittee. The Resolutions further permit a Board Committee to select a screening committee to assist in interviewing applicants for appointment. Upon review of the eligible seats, the IOC made a determination that it would conduct interviews for At Large seats on the following bodies: Retirement Board, Fire Advisory Commission, Integrated Pest Management Advisory Committee, Planning Commission, Treasury Oversight Committee, Airport Land Use Commission, and the Fish & Wildlife Committee; and that screening and nomination fill At Large seats on all other eligible bodies would be delegated each body or a subcommittee thereof.

ATTESTED: July 28, 2020

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: Stacey M. Boyd, Deputy

Contact: Wade Finlinson
925-335-3214

cc: IPM Coordinator

BACKGROUND: (CONT'D)

The Integrated Pest Management (IPM) Advisory Committee was established by the Board of Supervisors in November 2009 to advise the Board regarding the protection and enhancement of public health, County resources, and the environment related to pest control methods employed by County departments. The IPM Committee has eight voting members as follows: two ex-officio members (Health Services Department and County/Unincorporated County Storm Water Program) and six public members (one County Sustainability Commission representative, one County Fish and Wildlife Committee representative, one Environmental Organizations representative, and three At Large appointees); plus one Public Member Alternate seat. Effective January 1, 2019, terms of office for the At Large and Alternate seats reviewed by the Internal Operations Committee were extended from two to four years.

On March 31, 2020, the Board of Supervisors accepted the resignation of Dennis Shusterman, and declared a vacancy in the County's Public Member Alternate Seat on the Integrated Pest Management Advisory Committee. Following an open recruitment, one application was received, from Amy Budahn. The term of the Alternate seat will expire on December 31, 2022.

Attached is a letter from the IPM Committee transmitting the Ms. Budahn's application and current Committee roster, and describing the recruitment process. The Internal Operations Committee interviewed Ms. Buhahn on July 13 and recommends her appointment.

Memorandum

To: Internal Operations Committee
Supervisor Diane Burgis, Chair
Supervisor Candace Andersen, Vice Chair

From: The IPM Advisory Committee
Jim Donnelly, Chair
Wade Finlinson, Staff

Date: July 13, 2020

Subject: Public Member Alternate Appointment to the IPM Advisory Committee

Background:

On March 31, 2020, the Board of Supervisors accepted the resignation of Dennis Shusterman, and declared a vacancy in the County's Public Member Alternate Seat on the Integrated Pest Management Advisory Committee.

Current Members of the IPM Advisory Committee

Currently the Committee has a total of 13 seats consisting of voting and non-voting members.

The 8 voting members include:

- One representative from Contra Costa Health Services
- One representative from the County Storm Water Program
- One representative from the County Sustainability Commission
- One representative from the County Fish and Wildlife Committee
- One representative from an environmental organization
- Three at-large members of the public (designated Public Member 1, 2, and 3)

The 4 non-voting members include:

- A representative from the Agriculture Department
- Two representatives from the Public Works Department (Facilities Division and Maintenance Division)
- One representative from the County's pest management contractor

Public Member Alternate

The Committee also has one public member alternate who only votes if one or more of the six public members are absent from a meeting.

See Attachment A for the list of current Committee members.

Number of Current Vacancies on the Committee: One (1) Public Member Alternate seat

Recruiting for the Public Member seats

On May 15, 2020, the IPM Coordinator circulated the vacancy announcement to the IPM distribution list. Since only one member of our 13-person committee resides in District 3, the IPM Coordinator reached out to Supervisor Burgis' staff to forward the vacancy announcement through their respective outlets. The announcement was also posted on the IPM website from May 17, 2020 through June 26, 2020.

Number of Applications Received: One application was received for the Public Member Alternate seat and is attached to this memo.

Term for Newly Appointed Member: The current four-year term for the Public Member Alternate seat will end on December 31, 2022.

BOARDS, COMMITTEES, AND COMMISSIONS APPLICATION

First Name: Amy, Last Name: Budahn, Home Address - Street, City: Lafayette, Zip Code: CA, Phone, Email, Resident of Supervisorial District: 2

EDUCATION Check appropriate box if you possess one of the following: [X] High School Diploma, [] CA High School Proficiency Certificate, [] G.E.D. Certificate

Table with 3 columns: Colleges or Universities Attended, Course of Study/Major, Degree Awarded. Rows include UC Davis (B.S. Biology) and Boston University (Master of Public Health).

Other Training Completed:

Board, Committee or Commission Name: IPM Advisory Committee, Seat Name: alternate seat

Have you ever attended a meeting of the advisory board for which you are applying? [X] No, [] Yes. If yes, how many?

Please explain why you would like to serve on this particular board, committee, or commission. The main reason I'd like to serve on this committee is to give back to my community and serve it with the knowledge I've gained both in academia and my professional career.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application) I have practiced and been interested in IPM for over 10 years. Pesticide usage in the Salinas Valley was the focus of my master's thesis and prior to that I worked with the State at a demonstration farm, educating inner-city youth on agriculture.

I am including my resume with this application: Please check one: [X] Yes, [] No

I would like to be considered for appointment to other advisory bodies for which I may be qualified. Please check one: [] Yes, [X] No

Are you currently or have you ever been appointed to a Contra Costa County advisory board?

Please check one: Yes No

List any volunteer and community experience, including any boards on which you have served.

Career Mentor at Students Rising Above, 2016-present

Do you have a familial relationship with a member of the Board of Supervisors? (Please refer to the relationships listed below or Resolution no. 2011/55)

Please check one: Yes No

If Yes, please identify the nature of the relationship:

Do you have any financial relationships with the county, such as grants, contracts, or other economic relationships?

Please check one: Yes No

If Yes, please identify the nature of the relationship:

I CERTIFY that the statements made by me in this application are true, complete, and correct to the best of my knowledge and belief, and are made in good faith. I acknowledge and understand that all information in this application is publicly accessible. I understand and agree that misstatements and/or omissions of material fact may cause forfeiture of my rights to serve on a board, committee, or commission in Contra Costa County.

Signed: _____

Important Information

1. This application and any attachments you provide to it is a public document and is subject to the California Public Records Act (CA Government Code §6250-6270).
2. All members of appointed bodies are required to take the advisory body training provided by Contra Costa County.
3. Members of certain boards, commissions, and committees may be required to: 1) file a Statement of Economic Interest Form also known as a Form 700, and 2) complete the State Ethics Training Course as required by AB 1234.
4. Meetings may be held in various locations and some locations may not be accessible by public transportation.
5. Meeting dates and times are subject to change and may occur up to two (2) days per month.
6. Some boards, committees, or commissions may assign members to subcommittees or work groups which may require an additional commitment of time.
7. As indicated in Board Resolution 2011/55, a person will not be eligible for appointment if he/she is related to a Board of Supervisors member in any of the following relationships: mother, father, son, daughter, brother, sister, grandmother, grandfather, grandson, granddaughter, great-grandfather, great-grandmother, aunt, uncle, nephew, niece, great-grandson, great-granddaughter, first-cousin, husband, wife, father-in-law, mother-in-law, daughter-in-law, stepson, stepdaughter, sister-in-law, brother-in-law, spouse's grandmother, spouse's grandfather, spouse's granddaughter, and spouses' grandson, registered domestic partner, relatives of a registered domestic partner as listed above.
8. A person will not be eligible to serve if the person shares a financial interest as defined in Government Code §87103 with a Board of Supervisors Member.

Amy Budahn, MPH

Lafayette, CA 94549 |

PROFILE

A dedicated environmental health scientist with experience in providing unbiased, high-quality scientific research to the general public and government agencies that enable impactful, sound decisions.

EDUCATION

Master of Public Health: *Environmental Health*
Boston University School of Public Health: 2013

Bachelor of Science, Biology: *Neurobiology, Physiology, and Behaviour*
University of California, Davis: 2008

SKILLS

- Independently driven
- Experience with field monitoring and mitigation studies, data analysis and technical report writing.
- Effective communicator
- Proficient with ArcGIS, AERMOD, R, SAS, ProUCL and Microsoft Suite.
- Proven leadership ability
- Polished human health risk assessor
- Energetic with a go-getter mentality

EXPERIENCE

Senior Environmental Scientist, CalEPA/OEHHA, Oakland, CA 2018-Present

- Evaluate the potential benefits and impacts of California's Greenhouse Gas (GHG) programs on disadvantage communities and write triennial report in compliance with the Governor's Directive.
- Analyze the spatial and temporal distribution of GHGs, criteria pollutants and toxic air contaminant emissions from Cap-and-Trade facilities in relation to population demographics from the American Community Survey (ACS).
- Collaborate with federal, state, and research institutions to acquire relevant data and further develop analytical capacity to evaluate GHG policies and supporting programs.

Environmental Scientist, Department of Pesticide Regulation (DPR), Sacramento, CA 2015-2018

- Maintain and write the annual report for DPR's Volatile Organic Compound (VOC) Inventory database of pesticide products that contribute to ozone formation and collaborate with Air Resource Board for California's Emission Inventory Development and Reporting System (CEIDARS).
- Utilize GIS and air dispersion modelling packages to examine the spatial distribution of pesticide applications, evaluate mitigation measures, select monitoring station locations, assess potential impacts on environmental justice communities, and to understand observed airborne pesticide concentrations.
- Conduct, lead, and write study designs for field monitoring and mitigation studies throughout California to capture chronic, subchronic, and acute bystander exposure to airborne pesticide concentrations.

Associate Health Scientist, Cardno ChemRisk, San Francisco, CA 2014-2015

- Conducted site-based, occupational, and consumer product human health risk and exposure assessments in context with state and federal regulations.
- Provided litigation support for toxic tort cases including project coordination with varying deliverables, clients, and budgets.
- Compiled, reviewed, and analysed toxicological profiles, scientific literature, and medical profiles for various toxins and toxicants and their resulting health effects.
- Reviewed and interpreted state and federal databases and guidance documents to construct regulatory reports to quantify past, presentment, and potential future exposure pathways to chemicals.

Youth Risk Behaviour Survey Administrator, Boston Public School (BPS), Boston, MA 2012-2013

- Collaborated with BPS Health and Wellness Department and Boston area schools to administer CDC's Youth Risk Behaviour Surveys to high school students.
- Successfully communicated with students and staff to accomplish a high survey completion rate.
- Collected and reviewed test integrity for statistical accuracy and developed deeper understanding of how behavioral psychology techniques are used in survey design and implementation.

Research Assistant, Harvard School of Public Health, Cambridge, MA 2012-2013

- Collected qualitative and quantitative field data to understand student eating behaviour in environmental justice communities throughout Boston.
- Managed databases and excel spreadsheets for pre- and post-consumption measurements for students.
- Communicated effectively with elementary students and explained study protocol in Spanish and English to gain student participation.

Environmental Protection Specialist OEHS, U.S. EPA Internship, Boston, MA Summer 2012

- Implemented integrated chemical management plans in 29 Boston Public High Schools resulting in a 33.5% chemical reduction.
- Created a "real-time" excel database for each school's stock chemicals and correlating MSDS NFPA/HMIS Codes accessible by each school and across the district.
- Assisted in drafting Boston Public School District's Laboratory Chemical Hygiene & Safety Plan (CH & SPH) by compiling and summarizing available national school district's CH & SP.

Education Outreach Coordinator, Cal Expo, Sacramento, CA 2008-2010

- Collaborated with agricultural commissions, independent farmers, growers associations, and state agencies to develop and lead farm tours focused on food, agricultural, and nutrition.
- Developed education material including fact sheets, interactive material, children and adult hands-on activities to promote healthy eating for families in environmental justice communities.
- Managed 10 employees and coordinated fundraising, program management, press releases, and on-camera interviews.
- Received several International Association of Fairs and Exposition awards and National Association of Government Communications Blue Pencil and Gold Screen Award for educational programs.

Contra
Costa
County

To: Board of Supervisors
From: LEGISLATION COMMITTEE
Date: July 28, 2020

Subject: Recommendations on specified November 3, 2020 Ballot Measures

RECOMMENDATION(S):

ADOPT a position of "Support" on the following measures, which have qualified for the November 3, 2020 statewide general election ballot, as recommended by the Contra Costa County Legislation Committee (Mitchoff/Burgis):

1. Proposition 14: Authorizes Bonds to Continue Funding Stem Cell and Other Medical Research.
2. Proposition 15: Increases Funding for Public Schools, Community Colleges, and Local Government Services by Changing Tax Assessment of Commercial and Industrial Property.
3. Proposition 16: ACA 5, Government Preferences.
4. Proposition 17: ACA 6, Elections: Disqualification of electors.
5. Proposition 18: ACA 4, Elections: Voting age.
6. Proposition 25: Referendum to Overturn a 2018 Law that Replaced Money Bail System with a System Based on Public Safety Risk.

APPROVE

OTHER

RECOMMENDATION OF CNTY ADMINISTRATOR

RECOMMENDATION OF BOARD COMMITTEE

Action of Board On: **07/28/2020** APPROVED AS RECOMMENDED OTHER

Clerks Notes: Split Vote-See Addendum

VOTE OF SUPERVISORS

AYE: John Gioia, District I Supervisor
Candace Andersen, District II Supervisor
Diane Burgis, District III Supervisor
Karen Mitchoff, District IV Supervisor
Federal D. Glover, District V Supervisor

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

ATTESTED: July 28, 2020

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: June McHuen, Deputy

Contact: L. DeLaney,
925-335-1097

cc:

RECOMMENDATION(S): (CONT'D)

FISCAL IMPACT:

Prop. 14: State costs of \$7.8 billion to pay off principal (\$5.5 billion) and interest (\$2.3 billion) on the bonds. Associated average annual debt payments of about \$310 million for 25 years. The costs could be higher or lower than these estimates depending on factors such as the interest rate and the period of time over which the bonds are repaid. The state General Fund would pay most of the costs, with a relatively small amount of interest repaid by bond proceeds.

Prop. 15 estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: Net increase in annual property tax revenues of \$7.5 billion to \$12 billion in most years, depending on the strength of real estate markets. After backfilling state income tax losses related to the measure and paying for county administrative costs, the remaining \$6.5 billion to \$11.5 billion would be allocated to schools (40 percent) and other local governments (60 percent).

Prop. 25: The Fiscal Effect of SB 10 was provided in the Assembly Floor Analysis as follows: According to the Assembly Appropriations Committee, unknown costs, likely in the low hundreds of millions of dollars annually upon full implementation of the new pretrial release system for the courts to provide, or contract for, pretrial assessment services. According to budget staff, pretrial reform legislation is estimated to have an annual cost of \$200 million, which is planned for in the multi-year state spending projections. For example, AB 1828 (Committee on Budget) includes \$15 million for the judicial branch in the 2018-19 fiscal year for start-up activities to implement the new pretrial release system. AB 1828 also references the long-term funding estimate of \$200 million and states that this amount is reflected in the most recent longer-term state spending plan.

BACKGROUND:

At its July 13, 2020 meeting, the Legislation Committee (Chair Mitchoff/Vice Chair Burgis) considered the 12 measures that have qualified for the November 30, 2020 statewide general election ballot. A summary of their actions on the 12 ballot measures is as follows:

<u>Number</u>	<u>Subject</u>	<u>Committee Action</u>
1	Proposition 14	Stem Cell Research
2	Proposition 15	The "split-roll" initiative
3	Proposition 16	Affirmative Action
4	Proposition 17	Parolee voting
5	Proposition 18	Voting Age
6	Proposition 19	Property Tax Base Transfers
7	Proposition 20	Criminal Sentencing, Parole, and DNA Collection initiative
8	Proposition 21	Rent Control
9	Proposition 22	Gig Worker Classification
10	Proposition 23	Kidney Dialysis Clinics
11	Proposition 24	Consumer data privacy
12	Proposition 25	Bail Reform Referendum

November 3, 2020 Statewide Ballot Measures

1. Proposition 14
1880. (19-0022A1)

AUTHORIZES BONDS TO CONTINUE FUNDING STEM CELL AND OTHER MEDICAL RESEARCH. INITIATIVE STATUTE.

Authorizes \$5.5 billion in state general obligation bonds to fund grants from the California Institute of Regenerative Medicine to educational, non-profit, and private entities for: (1) stem cell and other medical research, therapy development, and therapy delivery; (2) medical training; and (3) construction of research facilities. Dedicates \$1.5 billion to fund research and therapy for Alzheimer's, Parkinson's, stroke, epilepsy, and other brain and central nervous system diseases and conditions. Limits bond issuance to \$540 million annually. Appropriates money from General Fund to repay bond debt, but postpones repayment for first five years. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **State costs of \$7.8 billion to pay off principal (\$5.5 billion) and interest (\$2.3 billion) on the bonds. Associated average annual debt payments of about \$310 million for 25 years. The costs could be higher or lower than these estimates depending on factors such as the interest rate and the period of time over which the bonds are repaid. The state General Fund would pay most of the costs, with a relatively small amount of interest repaid by bond proceeds.**([19-0022A1](#))

2. Proposition 15
1870. (19-0008A1)

INCREASES FUNDING FOR PUBLIC SCHOOLS, COMMUNITY COLLEGES, AND LOCAL GOVERNMENT SERVICES BY CHANGING TAX ASSESSMENT OF COMMERCIAL AND INDUSTRIAL PROPERTY. INITIATIVE CONSTITUTIONAL AMENDMENT.

Increases funding for K-12 public schools, community colleges, and local governments by requiring that commercial and industrial real property be taxed

based on current market value. Exempts from this change: residential properties; agricultural properties; and owners of commercial and industrial properties with combined value of \$3 million or less. Increased education funding will supplement existing school funding guarantees. Exempts small businesses from personal property tax; for other businesses, exempts \$500,000 worth of personal property. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **Net increase in annual property tax revenues of \$7.5 billion to \$12 billion in most years, depending on the strength of real estate markets. After backfilling state income tax losses related to the measure and paying for county administrative costs, the remaining \$6.5 billion to \$11.5 billion would be allocated to schools (40 percent) and other local governments (60 percent).**([19-0008](#).)

See *Attachment A* for the Government Finance & Administration Committee July 14, 2020 agenda item.

3. Proposition 16

[ACA 5 \(Resolution Chapter 23\), Weber. Government preferences. \(PDF\)](#)

4. Proposition 17

[ACA 6 \(Resolution Chapter 24\), McCarty. Elections: disqualification of electors. \(PDF\)](#)

5. Proposition 18

[ACA 4 \(Resolution Chapter 30\), Mullin. Elections: voting age. \(PDF\)](#)

6. Proposition 19

[ACA 11 \(Resolution Chapter 31\), Mullin. The Home Protection for Seniors, Severely Disabled, Families, and Victims of Wildfire or Natural Disasters Act. \(PDF\)](#)

7. Proposition 20

1840. (17-0044, Amdt.#1)

RESTRICTS PAROLE FOR NON-VIOLENT OFFENDERS. AUTHORIZES FELONY SENTENCES FOR CERTAIN OFFENSES CURRENTLY TREATED ONLY AS MISDEMEANORS. INITIATIVE STATUTE.
