D4 Public Comments

My name is Jan Warren. I am a member of Lafayette Christian Church and Standing up for Racial Justice CCC.

The County has a history of equity and social justice initiatives and has laid the foundation for establishing an Office of Racial Equity and Social Justice

I support the mission/goals, values/principles as expressed in the Concept Proposal attachment to today's agenda.

I strongly support establishing a County Office of Racial Equity and Social Justice and launching a Community Planning Process to determine how to structure the Office and prioritize its work.

It is time for us to go forward by embracing Anti-Racist policies and structures.
