

INTERNAL OPERATIONS COMMITTEE

RECORD OF ACTION FOR
March 9, 2020

Supervisor Candace Andersen, Chair
Supervisor Diane Burgis, Vice Chair

Present: Candace Andersen, Chair
Diane Burgis, Vice Chair

Staff Present: Julie DiMaggio Enea, Staff

Attendees: Danial Borsak; Jami Napier, Chief Asst Clerk of the Board; Emlyn Struthers, Clerk of the Board's Office; Ross Hillesheim; Johana Gurdian; Joe Yee; Carlos Velasquez; Steve Kennedy; Mark Goodwin, District III Chief of Staff

1. Introductions

Chair Andersen called the meeting to order at 10:30 a.m. and invited attendees to introduce themselves.

2. Public comment on any item under the jurisdiction of the Committee and not on this agenda (speakers may be limited to three minutes).

Steve Kennedy submitted a request, attached, for fish and wildlife propagation funds. Staff advised that the RFP deadline was in January and the Fish and Wildlife Committee had already met and developed its recommendations for allocations of the fund. The IOC received Mr. Kennedy's request and suggested that Mr. Kennedy attend the next IOC meeting at which the IOC would consider the Fish & Wildlife Committee's recommendations for allocation of propagation funds.

3. RECEIVE and APPROVE the Record of Action for the February 10, 2020 IOC meeting.

The Committee approved the record of action for the February 10, 2020 IOC meeting as presented.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

- INTERVIEW candidates for the At Large #2 seat on the County Planning Commission and DETERMINE nomination to the Board of Supervisors for appointment to complete the current term ending on June 30, 2020 and to a new a four-year term beginning July 1, 2020 and ending June 30, 2024.

The Committee unanimously approved adding the application of Johana Gurdian to the meeting packet and considering her candidacy.

The Committee interviewed Johana Gurdian, Ross Hillesheim, and Daniel Borsuk for the vacant At Large 2 seat on the County Planning Commission. Lamar Anderson did not appear for the interview.

As a result of the interview, the Committee decided to recommend Ross Hillesheim for appointment, and directed staff to forward this recommendation to the Board of Supervisors.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

- ACCEPT 2018/19 annual report from the Public Works Director on the Internal Services Fund and status of the County's Vehicle Fleet.

Joe Yee and Carlos Velasquez presented the staff report. Joe reported that the limited availability of electric vehicle charging stations has prevented the County from optimizing the County fleet. Moreover, the price difference between a Level 2, 220V charger, which can charge a vehicle over an 8-hour period, and a Level 3 charger, which can charge a vehicle to about 80% in 30 minutes, is about \$40,000 each. Joe reported that most of the County's EV chargers are located in staff-only parking lots and are not available to the general public. Most of the grant opportunities require a County match and are conditioned upon the chargers being available to the general public.

Joe reported that Public Works identified two underutilized CNG (Compressed Natural Gas) Hondas. These CNG Hondas are typically underutilized due to their limited range. He stated that these would eventually be replaced with either Volts or Leafs, which have greater range.

Chair Andersen noted the recent uptick in thefts of catalytic converters and asked if the County had experienced any such thefts. Carlos reported that the County had indeed had a spate of thefts and that preventative measures had proved unsuccessful. He added that the thefts have since tapered off.

The Committee accepted the annual report and directed staff to forward the report to the Board for its information.

AYE: Chair Candace Andersen

Vice Chair Diane Burgis

6. ACCEPT the 2018-2020 Triennial Review Phase III Report and specific recommendations summarized below:
 1. DIRECT the County Administrator to continue implementation with the third cycle of the triennial review process and relate actions.
 2. DIRECT the Managed Care Commission (MCC) to coordinate with the County Administrator's Office to make related corrective actions related to its membership composition and appointments.
 - i. DIRECT the MCC to update its bylaws to reduce its number of seats and to alter its membership composition in accordance with its contractual requirements with the State;
 - ii. DIRECT the MCC to forward its membership recommendations to the Family & Human Services Committee in order to review nominations to the MCC's newly established seats.
 3. DETERMINE the best course of action to address the Crockett-Carquinez Fire Protection District Advisory Fire Commission's lack of compliance with county policies related to posting of agendas and meeting transparency.
 4. CONSIDER referring minor, targeted suggestions about agenda language and disclosures to the following independent boards and commissions:
 - i. Alamo-Lafayette Cemetery District
 - ii. Byron-Brentwood Knightsen Cemetery District
 - iii. Resource Conservation District
 5. DIRECT Department of Conservation and Development staff to update the establishing documents and bylaws of the Affordable Housing Finance Committee so that the Committee may include Housing Opportunities for Persons with AIDS (HOPWA) funds within their advisory jurisdiction, to become operational pending County Counsel review and approval by the Board of Supervisors
 6. CONSIDER further review of advisory bodies without assigned permanent staff and DETERMINE whether to create a policy to abolish unstaffed advisory bodies with serious compliance issues that have been identified during Cycle 2 of the Triennial Review, including the Commission for Women and the Crockett-Carquinez Fire Protection District Advisory Fire Commission.
 7. DETERMINE whether to refer any additional issues outside the scope of the Triennial Review to other Board committees for action.
 - i. Alamo-Lafayette Cemetery District Trustees
 - ii. Fish & Wildlife Committee
 - iii. Public Law Library
1. Discussion and approval.

Emlyn Struthers presented the staff report and recommendations. She noted three issues outside the scope of the triennial review. The Committee provided the following direction on those issues, which were outlined in Recommendation 7:

- ***Alamo-Lafayette Cemetery District automatic entrance gate - Supervisor Andersen will meet with District staff to obtain further***

information.

- **Fish & Wildlife Committee staff expenses in excess of \$3,000 - Refer to TWIC for further discussion**
- **Public Law Library structural budget imbalance - No further action, as the County's obligation to the Law Library is set forth in statute.**

The Committee approved staff recommendations 1-5 as presented.

The Committee directed staff to work with the Commission for Women and the Crockett-Carquinez Fire Protection District Advisory Fire Commission to achieve compliance with the Brown Act, County Better Government Ordinance, and approved bylaws, and to report back with a status and/or recommendation.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

7. CONSENT to transfer to the Airports Committee the Board referral of screening and recommending candidates for appointment to the Airport Land Use Commission.

Approved as recommended.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

8. The April 13, 2020 meeting was canceled. A special meeting is scheduled for April 6, 2020 at 1:00 p.m.
9. Adjourn

Chair Andersen adjourned the meeting at 11:45 p.m.

Contra Costa County Board of Supervisors

Subcommittee Report

INTERNAL OPERATIONS COMMITTEE

3.

Meeting Date: 03/09/2020
Subject: RECORD OF ACTION FOR THE FEBRUARY 10, 2020 IOC MEETING
Submitted For: David Twa, County Administrator
Department: County Administrator
Referral No.: N/A
Referral Name: RECORD OF ACTION
Presenter: Julie DiMaggio Enea **Contact:** Julie DiMaggio Enea (925) 335-1077

Referral History:

County Ordinance requires that each County body keep a record of its meetings. Though the record need not be verbatim, it must accurately reflect the agenda and the decisions made in the meeting.

Referral Update:

Attached is the Record of Action for the February 10, 2020 IOC meeting.

Recommendation(s)/Next Step(s):

RECEIVE and APPROVE the Record of Action for the February 10, 2020 IOC meeting.

Fiscal Impact (if any):

None.

INTERNAL OPERATIONS COMMITTEE

RECORD OF ACTION FOR
February 10, 2020

Supervisor Candace Andersen, Chair
Supervisor Diane Burgis, Vice Chair

Present: Candace Andersen, Chair
Diane Burgis, Vice Chair

Staff Present: Julie DiMaggio Enea, Staff

Attendees: George Smith, HazMat Commission; Sandi Bewley, Auditor-Controller's Office;
Joanne Bohren, Auditor-Controller's Office; Jami Napier, Chief Asst Clerk of the
Board; Emlyn Struthers, Clerk of the Board's Office; Jill Ray, BOS District II
Representative; Mark Goodwin, District III Chief of Staff

1. Introductions

Chair Andersen called the meeting to order at 10:35 a.m. and invited attendees to introduce themselves. She announced that Vice Chair Burgis would arrive shortly.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

2. Public comment on any item under the jurisdiction of the Committee and not on this agenda (speakers may be limited to three minutes).

No one requested to speak during the public comment period.

3. RECEIVE and APPROVE the Record of Action for the December 9, 2019 IOC meeting.

The Committee approved the Record of Action for the December 9, 2019 meeting as presented.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

4. RECOMMEND to the Board of Supervisors the appointment of Audrey Comeaux (Richmond) to the General Public seat and reappointment of Tim Bancroft (Danville) to the Alternate seat on the Hazardous Materials Commission to terms that will expire on December 31, 2023.

Approved as recommended.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

5. ACCEPT report on the Auditor-Controller's audit activities for 2019 and APPROVE the proposed schedule of financial audits for 2020.

Sandra Bewley presented the staff report. The Committee accepted the report and approved the 2020 schedule of audits as presented.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

6. Given the longevity and repetition of these compliance issues, staff recommends that the Commission be given a hard and fast deadline to address these issues to the satisfaction of the IOC, with consideration for dissolution of the Commission as a County advisory body should there be a failure to do so.

The Committee discussed several compliance issues associated with agenda and minutes posting, meeting location, fund management, annual reporting to the Board, member application process, and transparency via the Commission website. The Committee reiterated the need for an arms length separation between the Friends of the Commission and the Commission. The current relationship between the two organizations continues to be unclear.

The Committee directed staff to provide the Commission a list of corrective actions necessary to come into compliance with the Commission bylaws and County policy, and to request the Commission to report to the IOC in 60 days on the status of the compliance issues.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

7. APPROVE the proposed 2020 Committee meeting schedule and work plan, or provide direction to staff regarding any changes thereto.

Approved as recommended.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

8. APPROVE the proposed recruitment plan and schedules to fill public member or At Large seat vacancies on certain Board advisory bodies, commissions and committees.

Approved as recommended except that the Committee directed staff to extend the application filing period for the Planning Commission by two weeks. Chair Andersen offered to propose to the Retirement Administrator changing the term expiration of one of the County appointed seats so that only two of the four primary County seats would expire in the same year.

AYE: Chair Candace Andersen
Vice Chair Diane Burgis

9. The next meeting is currently scheduled for March 9, 2020.
10. Adjourn

Chair Andersen adjourned the meeting at 11:55 a.m.

Contra Costa County Board of Supervisors

Subcommittee Report

INTERNAL OPERATIONS COMMITTEE

4.

Meeting Date: 03/09/2020
Subject: INTERVIEW CANDIDATES FOR THE COUNTY PLANNING COMMISSION
Submitted For: David Twa, County Administrator
Department: County Administrator
Referral No.: IOC 18/5
Referral Name: Advisory Body Recruitment
Presenter: Julie DiMaggio Enea **Contact:** Julie DiMaggio Enea 925.335.1077

Referral History:

On December 12, 2000, the Board of Supervisors approved a policy on the process for recruiting applicants for selected advisory bodies of the Board. This policy requires an open recruitment for all vacancies to At Large seats appointed by the Board. The Board also directed that the IOC personally conduct interviews of applicants for At Large seats on several boards, committees, and commissions including the Contra Costa County Planning Commission.

There is a current vacancy in the At Large #2 seat on the Planning Commission. The current term of office for this seat will expire on June 30, 2020 and the subsequent term will run from July 1, 2020 - June 30, 2024.

The Planning Commission's powers and duties include:

- Exercise all powers and duties prescribed by law (statute, ordinance or board order), including consideration of matters referred to it by the zoning administrator except those powers and duties specifically reserved or delegated to other divisions of the planning agency;
- Initiate preparation of general plans, specific plans, regulations, programs and legislation to implement the planning power of the county;
- Be generally responsible for advising the legislative body of matters relating to planning, which, in the opinion of the commission, should be studied;
- Be the advisory agency as designated in Title 9 of this code for the purpose of passing on subdivisions;
- Hear and decide all applications or requests for proposed entitlements estimated to generate one hundred or more peak hour trips unless otherwise provided by this code or board order; and
- Hear and make recommendations regarding proposed development agreements when it is hearing the related project applications being processed concurrently with the development

agreements.

Referral Update:

At the direction of the Internal Operations Committee, staff initiated a six-week recruitment by issuing a press release (attached) on January 10th advertising the vacancies, with an application deadline of February 7, which was extended through February 21. The recruitment garnered three applications, attached. All candidates were invited to interview with the IO Committee today.

The candidates are as follows:

- LaMar Anderson (Concord) - attendance confirmed
- Daniel Borsuk (Pittsburg) - attendance confirmed
- Ross Hillesheim (Danville) - attendance confirmed

Recommendation(s)/Next Step(s):

INTERVIEW candidates for the At Large #2 seat on the County Planning Commission and DETERMINE nomination to the Board of Supervisors for appointment to complete the current term ending on June 30, 2020 and to a new a four-year term beginning July 1, 2020 and ending June 30, 2024.

Fiscal Impact (if any):

Planning Commissioners receive a County-paid stipend of \$50 per meeting, not to exceed \$300 a month, plus mileage reimbursement.

Email: julie.enea@cao.cccounty.us

WOULD YOU LIKE TO SERVE ON THE COUNTY PLANNING COMMISSION?

The Contra Costa County Board of Supervisors is seeking an individual who is interested in serving on the County's Planning Commission. The Commission is responsible for hearing and deciding applications for proposed projects that generate more than 100 peak hour trips, and all appeals from decisions of the zoning administrator. The Commission also may initiate preparation of general plans, specific plans, regulations, programs, and legislation to implement the land use planning power of the county; is generally responsible for advising the Board of Supervisors of matters relating to planning; is the designated advisory agency for the purpose of passing on subdivisions; and hears and makes recommendations regarding proposed development agreements.

Meetings of the Planning Commission are generally held on the second and fourth Wednesdays of each month at 7:00 p.m. in Martinez. Members of the Planning Commission receive \$50 per meeting up to a monthly maximum of \$300, plus mileage expense. The appointment will be for a full four-year term ending June 30, 2024.

Application forms can be obtained from the Clerk of the Board of Supervisors by calling (925) 335-1900 or by visiting the County webpage at www.contracosta.ca.gov. Applications should be returned to the Clerk of the Board of Supervisors, Room 106, County Administration Building, 651 Pine Street, Martinez, CA 94553 **no later than 5:00 p.m. on Friday, February 7, 2020**. Applications will be reviewed, and invitations to interview with the Internal Operations Committee of the Board of Supervisors will be extended to qualified candidates. Interviews will take place during February at the County Administration Building, 651 Pine Street, Martinez, CA 94553. The appointment is anticipated to be effective following Board of Supervisors action in March 2020.

Have you ever attended a meeting of the advisory board for which you are applying?
 No Yes If yes, how many?

Please explain why you would like to serve on this particular board, committee, or commission.

I have followed and written about county planning issues ever since I was a newspaper reporter in 1973 landing a news reporter job at the now closed San Francisco Progress. I covered the San Francisco Planning Department and the San Francisco Redevelopment's Yerba Buena Project. I wrote numerous news articles about residential and commercial developments processed through the Planning Department and approved by the Planning Commission and eventually passed by the San Francisco Board of Supervisors. Today, I freelance as a writer for the Contra Costa Herald and observe and write about Contra Costa County's key planning issues including housing affordability, transit issues, the environment including tree reforestation

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

Currently I cover the Contra Costa County Board of Supervisors for the online news site, the Contra Costa Herald. I am familiar with major land use issues in Contra Costa County including waste water, public transit, public schools, city services, etc. Overall I have approximately 16 years of actually land use or planning news cover experience while at various news organizations. Please see resume for other details about my background.

ROSS ARTHUR HILLESHEIM

Pleasant Hill, CA 94523

EXPERIENCE

Ute Developments, LLC, Walnut Creek, CA

June 2015 –

Present

Ute Developments purchases real property and constructs retail fuel, community markets and multi-family projects in Northern California. The company has commercial real estate and improvements valued over \$15 million and another \$25 million of commercial real estate scheduled to be entitled or constructed by the end of 2019.

President and Founder

- Oversee the firm's acquisition and entitlement of real property. Secure capital financing.
- Nurture government relations.
- Assembled and lead a knowledgeable, driven executive team to collaborate on-site selection, land use issues, and CRE brokerage.
- Collaborate with leadership team to identify best training offerings for team leaders.
- Initiated and oversee corporate responsibility and environmental initiatives.
- Proven record of successful completion of multiple simultaneous projects.
- Obtain land use and zoning approvals for various complex projects.
- Monitor assets performances through financial analysis and market research.
- Gained and employ deep knowledge and experience in corporate real estate acquisition, leasing, disposition, planning and management.
- Gained and leverage working knowledge of the various disciplines involved in the store development process, from site selection and market analysis to store opening.
- Develop insights and incentives that have shaped the company's strategy.
- Created a full database of site identification and devised strategy for team members to implement.

Keylock Inc, Walnut Creek, CA

June 2010 – Present

Keylock Inc. operates retail fuel stations with 30 employees and over \$22 million of annual revenue. Company owns Chevron Extra-Mile and Arco AMPM retail gas stations in the San Francisco Bay Area and benefits from a management team with 25 years of combined retail experience. Keylock is actively seeking additional retail sites.

President and Founder

- Serve as part of the management team. Provide executive leadership with the Chief Operating Officer and manage the business.
- Assembled a devoted, solution-oriented executive team and employee base by inspiring a culture of open and fair dialogue to collaborate for solutions, which has ensured business success.

0

Please explain why you would like to serve on this particular board, committee, or commission.

I am applying to the Planning Commission because I hope to continue this learning journey about planning and development. What excites me the most about being part of the North Richmond Resident Leadership Team (NRLT), is that I have acquired knowledge about County policies, operations, and developmental processes that I did not understand or was even aware of before I joined the team. I believe that a seat on the planning commission would empower others that otherwise do not feel represented or have little knowledge on how to enact change in their communities to take steps in the right direction. My interest in planning and development began when, as a resident team, we took notice of the demolition of the Las Deltas housing projects. A few of our resident planning meetings consisted of sitting down with the executive directors of the Housing Authority to discuss how these changes would shape North Richmond. We made sure to advocate for community input into these decision-making processes, to ensure transparency and accountability. One of the ways that we, as a resident collective, have furthered and deepened our relationship with the County, is through the Envision Contra Costa 2040 General Plan update process. A victory that came out of the Quality of Life Plan was that many of the recommendations that were outlined in the Plan were adopted into North Richmond's profile and in other sections of the General Plan update. This signals that many parallels stand between what residents from North Richmond, and other neighborhoods like it, want and what County leadership would like to see for the future of Contra Costa. Ultimately, my goal is to deepen my understanding of planning and developmental processes within Contra Costa County to become an even more active and knowledgeable member of my community. I wish to be at the forefront of the implementation process of the new General Plan. This new General Plan signals a new era for the County, and I wish to be the beginning of the new generation of commissioners responsible for shaping the future of Contra Costa County.

Qualifications and Volunteer Experience

I would like to be considered for appointment to other advisory boards for which I may be qualified.

Yes No

Are you currently or have you ever been appointed to a Contra Costa County advisory board, commission, or committee?

Yes No

List any volunteer or community experience, including any advisory boards on which you have served.

As a North Richmond resident leader, I was involved in the process to develop the Quality of Life Plan. This plan began when fellow resident leaders took to the streets of North Richmond and interviewed over 100 neighbors about what they perceived to be the strengths, weaknesses, opportunities, and threats of NR. From the data collected, we were able to report back to the community that like the residents, many stakeholders also held similar beliefs and perceptions about our community. The work to develop the Quality of Life Plan did not end with these interviews this is where it all began. For nearly a year, the Resident Leadership team held countless hours of research and planning meetings with stakeholders, organizational partners, regional experts, and County staff. These meetings provided us the technical and policy-related knowledge that informed the recommendations outlined in the Quality of Life Plan. I am actively involved in Contra Costa County's 2040 General Plan Update. As a North Richmond Resident Leader, I have participated at multiple County meetings regarding North Richmond's profile in the general plan update. I was also part of the discussions for the Climate Action Plan community meeting that took place in North Richmond. I was a speaker at the Contra Costa Health Services Envision Health Panel, as well as a speaker at the Department of Health Care Services Conference in Sacramento.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

-Moderate understanding of Planning and Developmental policies of Contra Costa County -Great Communication and Public Speaking Skills -Speaks Multiple Languages -Avid Learner -Educational Background in Political Science and Public Policy -Experience in Strategic Planning Processes

Contra Costa County Board of Supervisors

Subcommittee Report

INTERNAL OPERATIONS COMMITTEE

5.

Meeting Date: 03/09/2020

Subject: RECOMMENDATIONS FOR DISPOSITION OF LOW MILEAGE FLEET VEHICLES

Submitted For: Brian M. Balbas, Public Works Director/Chief Engineer

Department: Public Works

Referral No.: IOC 20/3

Referral Name: Review of Annual Master Vehicle Replacement List and Disposition of Low-Use Vehicles

Presenter: Joe Yee, Deputy Public Works Director **Contact:** Carlos Velasquez 925....

Referral History:

In FY 2008/09, the Board approved the establishment of an Internal Services Fund (ISF) for the County Fleet, now administered by the Public Works Department. Each year, the Public Works Department Fleet Services Manager analyzes the fleet and annual vehicle usage, and makes recommendations to the IOC on the budget year vehicle replacements and on the intra-County reassignment of underutilized vehicles, in accordance with County policy. The Board requested the IOC to review annually the Public Works Department report on the fleet and on low-mileage vehicles.

Referral Update:

Attached for the Committee's review is the 2018/19 annual report on the ISF and low-mileage vehicles, as prepared by the Public Works Department.

Recommendation(s)/Next Step(s):

ACCEPT 2018/19 annual report from the Public Works Director on the Internal Services Fund and status of the County's Vehicle Fleet.

Fiscal Impact (if any):

Reassigning underutilized vehicles would increase cost efficiency, but the fiscal impact was not estimated.

Memo

March 2, 2020

TO: Internal Operations Committee
Supervisor Candace Andersen, District II, Chair
Supervisor Diane Burgis, District III, Vice Chair

FROM: Brian M. Balbas, Public Works Director

SUBJECT: FLEET INTERNAL SERVICE FUND FY 2018-19 REPORT

MESSAGE:

Recommendation

Accept the Internal Service Fund (ISF) Fleet Services report for FY 2018-19.

Background

The Fleet Services Division has operated as an Internal Service Fund since 2008 to ensure stable and long-term vehicle replacement funding.

Fleet Services provides various services to County departments including the acquisition, preventative maintenance, repair, and disposal of fleet vehicles and equipment. The division services the County's fleet of over 1565 vehicles/equipment/trailers, of which, 917 vehicles are included in the ISF program.

ISF Rate Structure

There are three components to recover operational costs for vehicles in the ISF Fleet Services program which are charged to the departments. They are:

1. A fixed monthly cost to cover insurance, Fleet Services overhead, and vehicle depreciation / replacement
2. A variable cost based on miles driven to cover maintenance and repair costs
3. Direct costs for fuel

This rate structure enables the ISF to collect monthly payments from customer departments over the life-cycle of the units to fund operations and enable the systematic replacement of units at the end of a vehicle's useful life or when it becomes a cost-effective decision to do so.

The estimated fixed and variable rates are adjusted each year to develop ISF rates as close to actual costs as possible for each class of vehicle. Accordingly, the FY 2018-19 expenses were reviewed to develop new rates for FY 2019-20, which went into effect September 1, 2019. Please refer to Attachment A accompanying this report for the ISF Fleet Rates Schedule.

Fleet Services Goals and Objectives

- Continue to provide cost-effective services that meet or exceed our customers' needs and expectations by evaluating additional services and new technologies to increase efficiencies.
- Continue to evaluate and recommend for replacement all vehicles and fleet equipment that are due for replacement based on a predetermined schedule and/or a time when it is most cost-effective to do so and in accordance with Administrative Bulletin 508.5. This increases vehicle availability through reduced down time associated with an older fleet.
- Continue to maintain a newer fleet focusing on preventative maintenance thus reducing repair costs typically associated with an older fleet.
- Continue to purchase clean air vehicles whenever feasible and to grow the number of electric vehicles in the fleet as existing equipment requires replacement. Fleet Services continues to seek funding opportunities to expand the electric vehicle charging station infrastructure to support County and personal vehicles.
- Continue to ensure that all County vehicles are maintained and repaired in a timely, safe, and cost effective manner in order to provide departments with safe, reliable vehicles and equipment.
- Continue to work with departments to identify vehicles and equipment that are underutilized in an effort to maximize fleet utilization, identify departmental actual needs, and reduce overall fleet costs.

Highlights

- In FY 2018-19, 85 vehicles were purchased, 15% more than FY 2017-18, and 33% more than were purchased in FY 2016-17. Of this amount, 28 are new additions to the fleet requested by departments for newly hired staff and new or expanded services.
- Fleet continually reviews vehicle usage in an effort to reduce underutilized vehicles according to Administrative Bulletin 508.5. During the most recent review in February 2019, two units were identified that required further analysis for possible reassignment or replacement, which is the same amount as the previous year.
- Fleet Services continues to promote building a "Green Fleet" by purchasing 3 electric and 16 hybrid vehicles as replacement vehicles in FY 2018-19.
- Fleet Services continues to install telematics GPS devices, where appropriate, to help improve fleet utilization, identify vehicle locations in the event of an emergency, reduce

costs by identifying and immediately reporting operational issues with the vehicle, and improve accuracy of mileage meter readings. Department users of vehicles equipped with the telematics GPS devices also have access to standard reports which they can use to review incidences of speeding, excessive idling, vehicle utilization, etc. to help reduce departmental fleet cost. Over 729 vehicles in the County fleet are equipped with these devices.

- 545 light vehicles equipped with the telematics GPS device are enrolled in the State Continuous Smog Testing Pilot Program excluding them from the mandatory biennial physical smog test, which reduces cost and vehicle downtime. The telematics device continuously monitor emissions performance and will send a notification immediately when a fault is detected so repairs can be made.

Summary

In FY 2018-19, Fleet Services had a staff of 21 Administration and Operations employees. The Administration section consists of one Fleet Manager, one Fleet Service Supervisor, one Fleet Equipment Specialist and one Clerk. The Operations section consists of one Lead Fleet Technician, 2 Equipment Services Workers, 12 Equipment Mechanics and 2 Equipment Service Writers.

The FY 2018-19 budget of \$15,537,246 included: \$2,595,929 for salaries; \$4,500,300 for vehicle repairs; \$1,998,583 for fuel; and \$3,325,000 for the replacement of fleet vehicles and equipment.

The FY 2018-19 actual expenditure total was \$13,630,288. In addition, expenditures for the purchase of ISF equipment was \$4,075,379 and \$1,085,949 was on order at fiscal year-end. Included in the FY 2018-19 Total Revenue reported on Attachment B is \$831,308 of new revenue for the purchase of additional vehicles and equipment. The ending ISF Fund Balance for FY 2018-19 was \$15,526,281. This increase in fund balance is related to the increased value of equipment within the ISF.

Fleet Services continues to purchase clean air vehicles whenever feasible and plans to grow the number of electric vehicles in the fleet as existing equipment requires replacement. All diesel vehicles use renewable fuel and all sedans must have a Partial Zero Emissions Vehicle (PZEV) rating or greater by the California Air Resources Board.

Fleet Services continues to work to achieve the primary goals and objectives of providing County departments with vehicles and equipment that are safe, reliable, economically sustainable, and consistent with departmental needs and requirements at the lowest possible cost. The Division will continue to monitor vehicle use to optimize new vehicle acquisition and better utilize existing vehicle assets.

Contra Costa County Board of Supervisors

Subcommittee Report

INTERNAL OPERATIONS COMMITTEE

6.

Meeting Date: 03/09/2020

Subject: TRIENNIAL ADVISORY BODY REVIEW - PHASE II REPORT AND RECOMMENDATIONS

Submitted For: David Twa, County Administrator

Department: County Administrator

Referral No.: IOC 19/7

Referral Name: TRIENNIAL ADVISORY BODY REVIEW

Presenter: Jami Napier (925) 335-1908 **Contact:** Emlyn Struthers (925) 335-1919

Referral History:

The Board of Supervisors appoints residents to approximately 75 active advisory boards, commissions, and committees (bodies). These bodies serve numerous governmental functions, some mandatory and others discretionary. In 2012, the Board of Supervisors adopted a regular, on-going sunset review process, formalized by Resolution No. 2012/261. Resolution No. 2012/261 was designed to ensure that every three years each advisory body is reviewed for compliance with a variety of policies.

With the publishing of this Phase 3, Cycle 2 report, the Internal Operations Committee has conducted two full cycles of review since the review process was installed in 2012. In 2018 and 2019, the Internal Operations Committee reviewed 14 advisory bodies in Phase I and 27 advisory bodies in Phase II of the review. This year, Internal Operations and the Board of Supervisors will review 17 bodies in Phase III. The County's Maddy Book (Boards & Commissions appointments database) lists 75 bodies, meaning that 17 listed bodies were excluded from this Cycle of the Triennial Review.

Summary of Cycle 2 Triennial Review Phases

<u>Phase</u>	<u>Year Completed</u>	<u>Number of Bodies Included</u>
1	2018	14
2	2019	27
3	2020	17
<i>Excluded from Review</i>		17

Total Bodies listed in Maddy
Book

75

A list of the 17 excluded bodies is below. Most excluded bodies were not reviewed due to full governing independence from the County, such as the East Bay Regional Park District’s own Parks Advisory Committee. A rationale is noted if the body is not independent and or is not explicitly explained in Resolution 2012/261. In those cases, the body was either Ad Hoc (temporary) body, or was not a true Maddy body. A body that is indicated below as “Not Maddy” is a body to which the Board of Supervisors does not make appointments but is listed in the Boards & Commissions Database (Maddy Book) to improve public awareness and access to the body’s meetings.

Bodies Excluded from Triennial Review Cycle 2		Rationale
1	Ad Hoc Census Committee	Ad Hoc
2	Assessment Appeals Board	
3	Community Advisory Board (CAB) on Public Safety Realignment	Not Maddy
4	Community Corrections Partnership	
5	Community Corrections Partnership - Executive Committee	
6	Contra Costa County Employees Retirement Association	
7	Contra Costa Transportation Authority (CCTA) Citizens Advisory Committee	
8	CCTA Bicycle and Pedestrian Advisory Committee	
9	County Connection Citizens Advisory Committee	
10	Countywide Redevelopment Oversight Board	
11	Developmental Disabilities Council	Not Maddy
12	East Bay Regional Park District Park Advisory Committee	
13	Housing Authority	
14	Mosquito & Vector Control District Board of Trustees	
15	Regional Measure 3 Independent Oversight Committee	
16	Tri-Delta Transit Authority Board of Directors	
17	Western Contra Costa Transit Authority Board of Directors	

List of Advisory Bodies in Phase III

Seventeen committees are included in Phase III, which was last completed in 2017.

Mandatory Commissions or Committees

Mandatory commissions include those required under state or federal law. Additionally, bodies that are mandated to exist by a contract with the federal, state, regional government, or bargaining unit are listed as mandatory, and are denoted with an asterisk. The following eleven advisory boards, councils, committees, and commissions are considered mandatory, meaning that Contra Costa County must operate the following bodies:

- Alamo-Lafayette Cemetery District Trustees
- Byron-Brentwood-Knightesen Union Cemetery District
- Fish & Wildlife Committee
- Local Enforcement Agency (LEA) Hearing Panel
- Managed Care Commission*
- Merit Board*
- North Richmond Waste and Recovery Mitigation Fee Committee
- Public Law Library Board of Trustees
- Resource Conservation District
- Workforce Development Board

Discretionary Commissions or Committees

Discretionary commissions are created by the Contra Costa County Board of Supervisors on a voluntary basis. Many discretionary bodies were created to address community needs and solicit further resident engagement. Several of the discretionary bodies included in this phase advise the Board of Supervisors on how to allocate grant funds or fees. Others included in this phase advise the Supervisors on services, such as fire districts under the purview of the Board of Supervisors. A total of six (6) discretionary bodies were reviewed in this phase:

- Affordable Housing Finance Committee
- Contra Costa County Fire Protection District Advisory Commission
- Crockett-Carquinez Fire Protection District Fire Advisory Commission
- Iron Horse Corridor Management Program Advisory Committee
- Keller Canyon Mitigation Fund Review Committee
- Treasury Oversight Committee

Referral Update:

Summary of Findings for Phase III

Staff to bodies included in Phase III were asked to complete a survey, reviewed and signed by the advisory body Chairperson. Staff from the Clerk of the Board reviewed the materials and surveys submitted by the advisory body staff and chairs. In addition to the survey materials, Clerk of the Board staff also went online to confirm whether the bodies are posting agendas online and reviewed the contents of the agendas for compliance with several additional policies. The policies include information about disability access, access to supplemental materials and materials submitted after the posting deadline, and opportunities for public comment. The Clerk of the Board also reviewed the agendas for whether the agenda descriptions were adequate for a layperson or outsider to understand what would be discussed at the meeting.

Unless highlighted in the Recommendations, no changes to bylaws, membership requirements, or seat structure are recommended for committees. This report includes a paraphrased description of advisory bodies in the Phase III review, along with a summary of comments or recommendations from the Clerk of the Board and the County Administrator's Office.

Mandatory Bodies

Alamo-Lafayette Cemetery District Trustees

The Cemetery District is a property tax and fee-supported organization that provides burial services; year-round maintenance; and preservation of interment plots. Interments are restricted to residents and taxpayers of the cemetery district boundaries and their immediate family members. The District is controlled by the California State Health & Safety Code §9000. In the prior Cycle of the Triennial Review, District staff report that revenues received from property taxes and burial sales have been insufficient to cover operational expenses and the District Board is exploring alternatives to ensure continued financial viability.

Issues Outside the Purview of the Triennial Review

Staff reported one issue outside the purview of the Triennial Review that they would like additional assistance in resolving. The issue identified is the lack electrical connection needed to install an automatic entrance gate to the Lafayette Cemetery to prevent theft, dumping, and vandalism.

Staff Comments/Recommendations

Clerk of the Board notes that during the past three-year review period, the Trustees have updated their website to a newer page. The new page appears to include more information for the public and is user-friendly. They publish agendas at least 4 days (96 hours) ahead of meetings, and are posting online on their own site (<https://www.alamolafayetecemetery.org/>). Clerk of the Board recommends some minor changes to the current agendas, to ensure that they include information about disability access; how the public can access materials provided after publication; opportunities for public comment; and lastly, consider expanding their agenda descriptions to make discussion topics and proposed actions more clear to the general public. Beyond these minor recommendations, no changes are recommended to the Alamo-Lafayette Cemetery District Trustees.

Byron-Brentwood-Knightsen Cemetery District

The Cemetery District is a property tax and fee-supported organization that provides burial services, year-round maintenance, and preservation of interment plots. Interments are restricted to residents and taxpayers of the cemetery district boundaries and their immediate family members. The District is controlled by the California State Health & Safety Code §9000.

Staff Comments/Recommendations

Clerk of the Board recommends that the Trustees add information to their agenda about how to request disability access to their meetings. Aside from this recommendation, no changes are recommended to the Byron-Brentwood-Knightsen Cemetery District Trustees.

Fish and Wildlife Committee

The Fish and Wildlife Committee advises the Board of Supervisors on fish and wildlife issues and make recommendations for the expenditure of funds from the Fish and Wildlife Propagation Fund (Fish and Game Code Section 13103). The Fish & Wildlife Committee awards grants to projects related to public education, habitat improvement, temporary emergency treatment and care of orphaned wildlife and scientific research. Additionally, the committee may address issues surrounding the enforcement of fish and game laws and regulations when referred to the committee by the Board of Supervisors.

Issues Outside the Purview of the Triennial Review

The Fish and Game Code section 13103 G) states that secretarial service, travel and postage for this function may not exceed three percent of the average received in the fund for the previous three years or \$3000, whichever is greater. Staff noted that the California Fish and Game Code Section 13103 allowance of \$3,000 per year does not cover the cost of staffing the Committee and managing the grant program. Responsibilities of staffing the Committee include preparation of agendas, annual reports and work plans, grant administration, soliciting speakers, and organizing the Fall Forum. Outside governmental agencies cover staff and material expenses above \$3,000 per year, which over the last 36-month period amounted to \$139,345.65.

Staff Comments/Recommendations

The Fish & Wildlife Committee appears to be operating in-line with their establishing mandate and no major issues were identified as part of the Triennial Review. However, in order to partially address the funding issues outside of this review, the Committee may consider reducing meetings from 12 meetings per year to 6 meetings per year, resulting in reduced staff hours spent on

meeting administration.

Local Enforcement Agency (LEA) Hearing Panel

In 1992, the Contra Costa County Environmental Health Division of the Contra Costa County Health Services Department was designated by the Contra Costa County Board of Supervisors and certified as the Local Enforcement Agency (LEA) for Contra Costa County. The California Public Resources Code (PRC) requires an LEA to hold hearings (1) before taking certain actions, (2) in response to challenges to specified actions the LEA has taken, and (3) at the request of specified persons regarding particular actions taken by the LEA or the alleged failure of the LEA to act as required by law or regulation. Other hearings are required by the California Code of Regulations. Either a hearing officer or hearing panel must be appointed to conduct the hearings. The Board of Supervisors has established the Contra Costa County Local Enforcement Agency Independent Hearing Panel to perform this function under PRC section 44308, subdivision (a)(2).

Staff Comments/Recommendations

No changes are recommended to the LEA Hearing Panel. During the 36-month review period, the LEA Hearing Panel has only scheduled one meeting. While the Commission is mandated to exist and appears to be operating in compliance with County policies, it is worth noting that it is very rarely called upon to perform its mandated functions.

Managed Care Commission

This committee was established in 1995 with the goal of advising the Health Services Director and Board of Supervisors regarding health insurance needs for the community and to promote the Contra Costa Health Plan. The targeted populations within the county are recipients of Medi-Cal, Medicare, undocumented children and medically indigent persons. While the MCC is not considered a mandatory body, the County has effectively made it mandatory by entering into a contract with the State that requires the MCC to exist.

The Commission has 15 regular voting members. Persons who are involved as contractors with Contra Costa Health Plan (CCHP) and Health Department employees are not allowed to be members of the Managed Care Commission (MCC).

Current Seat Composition

The Commission is made up of the following membership, consisting of 15 voting members and several ex-officio, non-voting members:

- No less than one (1) Medi-Cal Subscriber, and
- One (1) Medicare Subscriber
- One (1) Commercial Subscriber
- One (1) person sensitive to medically indigent health care need
- One (1) physician, non-contracting
- One (1) other provider, non-contracting
- No less than nine (9) at-large members, non-contracting
- The Director of Health Services is an ex-officio, non-voting member
- The Chief Executive Officer of CCHP is an ex-officio, non-voting member
- The Board of Supervisors function as ex-officio, non-voting members.

Staff Comments/Recommendations

In 2017, the Triennial review of this commission results in a recommendation to add one additional seat for a

Medicare subscriber for a senior or person with disabilities as this is required by the National Committee for Quality Assurance. Additionally, due to the challenge in finding physicians with sufficient time to serve on the Commission, it was recommended that this seat designation be broadened to a "medical provider" seat, which would allow Nurse Practitioners, Physician's Assistants and Optometrists to serve.

However, no action to update the bylaws has been taken since the prior review conducted in 2017. In the intervening time, the Commission has largely fallen out of compliance with the County's appointments process and open meeting policies due in large part to staff turnover. Many seats have become vacant, and the Commission has found it difficult to meet regularly due to an inability to attain a quorum. The Managed Care Commission needs to take action to make appointments and reappointments to its seats, with nearly half of the seats currently unfilled.

With 15 regular voting seats, mostly with specific qualifications, the Contra Costa Health Plan (CCHP) Chief Executive Officer (CEO) reports that staff has encountered difficulty filling vacant seats. To address the large number of seats and the specificity of the seat qualifications, the CEO has reviewed the contractual requirements of the MCC and has recommended a structure that includes a fewer seats and a variety of alternates.

As the MCC performs many essential functions mandated in various state and federal contracts, sunseting it is not a viable option. In order to address the structural issues, the seat composition must be changed.

Three main options exist with regards to the MCC's structure:

1. Maintain the status quo regarding seat composition: Previous rounds of the Triennial Review have recommended changes, and the current composition is resulting in difficulty finding qualified individuals to fill the seats.
2. Reduce membership to eight (8) voting member seats, and include 8 at-large alternate seats, as recommended by the CCHP CEO. Eight (8) authorized voting seats will result in a quorum of 5 members. The CCHP team will need to provide recommendations on the qualifications for the various seats, to ensure that the proposed composition will comply with their Department of Health Care Services contract.
3. Consider a modified version of the CCHP CEO's recommendations, with either 7 or 9 regular voting seats, and several alternate seats. Unless otherwise specified in a contract or requirement, a 9-member Commission will have a quorum of 5 members, and a 7-member Commission will have a quorum of 4 members.

Merit Board

The Merit Board is authorized to carry out the duties of the Merit Board under the Merit System Ordinance (Ordinance No. 80-47), as required in State law. The Merit Board's jurisdiction is to oversee the merit system and to hear and decide on matters of unlawful discrimination appeals or complaints, appeals from orders and actions of dismissal, suspension, demotion or reduction of compensation. They also hear and decide on other issues such as the application of the layoff regulations.

Staff Comments/Recommendations

The Merit Board appears to be well-administered and to be fulfilling its designated purpose. No changes are recommended to the Merit Board at this time.

North Richmond Waste and Recovery Mitigation Fee Committee

This committee has existed since 2004 as part of a Bulk Materials Processing Center

Memorandum of Understanding with the City of Richmond to jointly administer mitigation fees collected from the Bulk Materials Processing Center at the West Contra Costa County Sanitary Landfill. The Environmental Impact Report for this project determined that this Center would impact the North Richmond community, and authorized a mitigation fee to defray annual costs associated with collection and disposal of illegally dumped waste and other related impacts. The committee addresses the needs of the community through multiple strategies including community clean-up events, law and code enforcement activities, community garden projects and other community-based projects.

Staff Comments/Recommendations

The North Richmond Waste and Recovery Mitigation Fee Committee appears to be well-administered and operating in-line with its establishing mandate. No changes are recommended to the Committee at this time.

Public Law Library Board of Trustees

The Law Library's mission is to provide all members of the community access to research materials to aid in understanding and preserving legal rights at three full-time sites with the assistance of trained staff. The Board of Trustees governs the Law Library pursuant to the California Business and Professions Code 6300.

Issues Outside the Purview of the Triennial Review

As noted in the last cycle of the Triennial Review, the Public Law Library Board of Trustees reports declining revenues of county law libraries throughout California. Staff to the Law Library notes that budget cuts may threaten the future existence of these valuable agencies.

Staff Comments/Recommendations

The Public Law Library Board of Trustees appears to be well-managed and accomplishing its designated purpose. No changes are recommended at this time.

Resource Conservation District

The mission of the Contra Costa Resource Conservation District (RCD) is to facilitate conservation and stewardship of the natural resources of Contra Costa County. The RCD reports that their most impactful programs have included mobilizing hundreds of volunteers for creek cleanups, which has prevented tons of trash from entering our waterways and flowing downstream into SF Bay and the ocean. The RCD has built capacity for local watershed and creek groups such as the Walnut Creek Watershed Council, Alhambra Watershed Council, Carquinez Watershed Council, and Friends of Pinole Creek. Additionally, they have organized several community workdays to help eradicate an invasive reed species, *Arundo donax*. The RCD has partnered with several ranchers to restore livestock ponds which provide water for ranchers' cattle and have the co-benefit of these ponds providing prime habitat for endangered species, California Red-Legged frog and California Tiger salamander. The RCD works with local ranchers to remove illegally dumped trash. Locally, the RCD works with a Federal partner (the National Resources Conservation Service) to implement conservation practices on agricultural and open space lands.

Staff Comments/Recommendations

The Resource Conservation District appears to be well-managed and accomplishing its designated purpose.

Workforce Development Board

The Workforce Development Board of Contra Costa County is the access point for employment-related and training services. These services, provided at four different sites, include developing local plans, identifying providers of services, monitoring system performance, and helping to develop the labor market information system. Priority is given to populations who have the greatest challenges to employment, such as low-income individuals, those formerly incarcerated, current and former foster youth, individuals with disabilities, and English language learners. Contra Costa County is required to operate an authorized workforce development board in order to receive Federal funding for these activities.

Staff Comments/Recommendations

Last cycle, The Workforce Development Board recommended an update to its by-laws to align with changes to Federal legislation. The revised bylaws were approved by the Board of Supervisors on July 18, 2017. This review cycle, no changes are recommended to the Workforce Development Board.

Discretionary Bodies

Affordable Housing Finance Committee

Established in 1995, the AHFC works with the Department of Conservation and Development (DCD) to develop funding recommendations for the Board of Supervisors consideration regarding the allocation of Community Development Block Grant (CDBG) and HOME Investment Partnership Act (HOME) funds among eligible affordable housing programs and projects in the County. The County currently receives an annual allocation of approximately \$6 million in funds for affordable housing development.

Staff Comments/Recommendations

The Affordable Housing Finance Committee appears to be fulfilling its mission and to be functioning properly. Staff within the Department of Conservation and Development would like to expand the committee's focus to include Housing Opportunities for Persons with AIDS (HOPWA) funds, another U.S. Department of Housing and Urban Development program administered by DCD staff. Based on the recommendation of DCD staff, Clerk of the Board staff recommends that the AHFC's establishing documents and bylaws are updated, as needed, to allow the Committee to review and make recommendations on HOPWA projects. Allowing this well-administered Committee to expand its purview will prevent the creation of another duplicative body, while allowing community input on another important related topic.

Contra Costa County Fire Protection District Advisory Commission

The purpose of the Commission is to advise the Fire Chief and Board of Supervisors regarding goals and objectives of the District, the operations and capital budgets, and declarations of fire apparatus and equipment as surplus; and provide a liaison with the

community. The Commission also serves as the Appeals Board on weed abatement matters.

Staff Comments/Recommendations

The Contra Costa County Fire Protection District Advisory Commission appears to be fulfilling its mission and to be functioning properly. No changes are recommended to the Commission at this time.

Crockett-Carquinez Fire Protection District Advisory Commission

The Crockett-Carquinez Fire Protection District Advisory Commission reviews and advises on annual operations

and capital budgets; reviews Fire District expenditures; advises the Fire Chief on district service matters; and serves as a liaison between the Board of Supervisors and the community served by the fire district.

Staff Comments/Recommendations

The Crockett-Carquinez Fire Protection District Advisory Commission does not have assistance from a full-time, permanent county staff person to support the administrative functions of the Commission. Consequently, the agendas are not being posted online, and numerous administrative issues are documented. Additionally, role confusion seems to exist, with some personnel and members uncertain about the purely advisory functions of the Commission, versus the decision-making authority of the Board of Directors (composed of the Contra Costa County Board of Supervisors). The Crockett-Carquinez Fire Protection District Advisory Commission has not filed an Annual Report with the Board of Supervisors during the timeframe examined for this Triennial Review. To rectify these issues, three main options exist:

1. Do not change staffing levels, but current staff must agree to rectify issues and commit to online posting of agendas at least 96 hours ahead of meetings. As a volunteer fire department, current staff does not appear to have the capacity to take on these functions. If this option is selected, Clerk of the Board staff recommends sending a memo instructing Crockett-Carquinez Fire Protection District members and staff on immediate changes need to become compliant with County policies.
2. Consider assigning administrative support functions to a full-time, permanent county staff person to assist with administrative responsibilities, such as online posting, retaining minutes, and tracking member training. However, the fiscal impact of the staffing, and logistics of which department is able to absorb this responsibility, is unknown.
3. Consider abolishing the Commission. Sunsetting the Commission would mean that a formal forum for community input about fires services no longer exists.

Iron Horse Corridor Management Program Advisory Committee

Established to provide citizen input for a management program for the Iron Horse Corridor. In October of 2000 the Board expanded the Advisory Committee's role to include continued implementation and monitoring of certain elements of the Management Program. The Committee meets only quarterly and accomplishes its interjurisdictional advisory duties on this schedule.

Staff Comments/Recommendations

The Iron Horse Corridor Management Program Advisory Committee appears to be well-administered and to be fulfilling its designated purpose. No changes are recommended for this Committee.

Keller Canyon Mitigation Fund Review Committee

The Keller Canyon Landfill Mitigation Fund process was established in August 1992, and the Board of Supervisors revised the funding process in May 2011. The Board of Supervisors designated that these funds be used to mitigate effects of the landfill site by funding community-based organizations and County Departments for programs in the following areas: youth services, code enforcement, community beautification, public safety, and community services. This Committee makes annual funding recommendations to the Board of Supervisors.

Staff Comments/Recommendations

The Keller Canyon Mitigation Fund Review Committee appears to be well-administered and to be fulfilling its designated purpose. No changes are recommended to the Keller Canyon Mitigation Fund Review Committee at this time.

Treasury Oversight Committee

The Board established this committee on November 6, 1995 and was initially mandated

under the Government Code, although the requirement was suspended by the State in 2004. The Treasury Oversight Committee allows local agencies, including school and special districts, as well as the public, to participate in reviewing the policies that guide the investment of public funds that are invested by the County Treasurer. The committee monitors the County's investment pool and policy and confirms that the annual audit is conducted to ensure compliance with Government Code 27130-27137. The Treasurer has recommended the committee continue to exist to allow the public to participate in the review of policies that guide the investment of public funds under the authority granted annually by the Board of Supervisors.

Staff Comments/Recommendations

The Treasury Oversight Committee (TOC) appears to be well-administered and to be fulfilling its designated purpose. No changes are recommended to the TOC at this time.

Recommendation(s)/Next Step(s):

ACCEPT the 2018-2020 Triennial Review Phase III Report and specific recommendations summarized below:

1. DIRECT the County Administrator to continue implementation with the third cycle of the triennial review process and relate actions.
2. DIRECT the Managed Care Commission (MCC) to coordinate with the County Administrator's Office to make related corrective actions related to its membership composition and appointments.
 - i. DIRECT the MCC to update its bylaws to reduce its number of seats and to alter its membership composition in accordance with its contractual requirements with the State;
 - ii. DIRECT the MCC to forward its membership recommendations to the Family & Human Services Committee in order to review nominations to the MCC's newly established seats.
3. DETERMINE the best course of action to address the Crockett-Carquinez Fire Protection District Advisory Fire Commission's lack of compliance with county policies related to posting of agendas and meeting transparency.
4. CONSIDER referring minor, targeted suggestions about agenda language and disclosures to the following independent boards and commissions:
 - i. Alamo-Lafayette Cemetery District
 - ii. Byron-Brentwood Knightsen Cemetery District
 - iii. Resource Conservation District
5. DIRECT Department of Conservation and Development staff to update the establishing documents and bylaws of the Affordable Housing Finance Committee so that the Committee may include Housing Opportunities for Persons with AIDS (HOPWA) funds within their advisory jurisdiction, to become operational pending County Counsel review and approval by the Board of Supervisors
6. CONSIDER further review of advisory bodies without assigned permanent staff and DETERMINE whether to create a policy to abolish unstaffed advisory bodies with serious compliance issues that have been identified during Cycle 2 of the Triennial Review, including the Commission for Women and the Crockett-Carquinez Fire Protection District Advisory Fire Commission.
7. DETERMINE whether to refer any additional issues outside the scope of the Triennial Review to other Board committees for action.
 - i. Alamo-Lafayette Cemetery District Trustees

- ii. Fish & Wildlife Committee
 - iii. Public Law Library
1. Discussion and approval.

Fiscal Impact (if any):

None.

Contra Costa County Board of Supervisors

Subcommittee Report

INTERNAL OPERATIONS COMMITTEE

7.

Meeting Date: 03/09/2020

Subject: TRANSFER REFERRAL TO CONDUCT AIRPORT LAND USE
COMMISSION INTERVIEWS TO THE BOARD'S AIRPORTS
COMMITTEE

Submitted For: David Twa, County Administrator

Department: County Administrator

Referral No.: IOC 20/5

Referral Name: Advisory Body Recruitment

Presenter: Julie DiMaggio Enea **Contact:** Julie DiMaggio Enea (925)
335-1077

Referral History:

On December 12, 2000, the Board of Supervisors approved a policy on the process for recruiting applicants for selected advisory bodies of the Board. This policy requires an open recruitment for all vacancies to At Large seats appointed by the Board. The Board also directed that the IOC personally conduct interviews of applicants for At Large seats on several boards, committees, and commissions including the Airport Land Use Commission.

Referral Update:

The Board of Supervisors created the Airport Land Use Commission (ALUC) in 1970 to promote the orderly development of compatible land uses around each public airport in the County, in order to safeguard both the interests of the general public and the welfare of inhabitants in the areas surrounding the airports. The California Public Utilities Code requires and specifies the composition of the ALUC, whose membership shall include:

- (1) Two representing the cities in the county, appointed by a city selection committee comprised of the mayors of all the cities within that county, except that if there are any cities contiguous or adjacent to the qualifying airport, at least one representative shall be appointed therefrom.
- (2) Two representing the county, appointed by the board of supervisors.
- (3) Two having expertise in aviation, appointed by a selection committee comprised of the managers of all of the public airports within that county.
- (4) One representing the general public, appointed by the other six members of the commission.

Seat terms are four years, expiring the first Monday in May. The term of the Appointee #1 seat occupied by Tom Weber will expire on May 4, 2020.

The Internal Operations Committee has historically conducted, at the Board of Supervisors direction, interviews for the two County seats described in item 2, above, and has made recommendations to the Board for appointment.

On August 1, 2017, the IOC transferred responsibility for screening candidates for At Large seats on the Aviation Advisory Committee to the Airports Committee, which has direct oversight of airport issues within the county. Today's recommendation is consistent with the 2017 action of the IOC.

Recommendation(s)/Next Step(s):

CONSENT to transfer to the Airports Committee the Board referral of screening and recommending candidates for appointment to the Airport Land Use Commission.
