Resolution No. 2021/126

IN THE MATTER OF: Approving the Preliminary Engineer’s Report and Adoption of Resolution No. 2021/126 (Resolution of Intention) for Countywide Landscaping District 1979-3 (LL-2) for Fiscal Year 2021/2022, as recommended by the Public Works Director. (Countywide Landscaping District 1979-3 (LL-2) Funds) (All Districts) (Project Number 4500-6X5105).

WHEREAS The Board of Supervisors of Contra Costa County FINDS THAT:

1. Resolution No. 2021/88 was approved on March 30, 2021, per Section 22622 of the California Streets and Highways Code that described any proposed new improvements or substantial changes in existing improvements and ordered the Engineer’s Report to be prepared;
2. Per Article 4 (commencing with Section 22565) of the California Streets and Highways Code, the Engineer’s Report contains 1) plans and specifications for the improvements, 2) an estimate of the costs of the improvements, 3) a diagram of the assessment district, 4) a description of the method of apportionment of the costs of the improvements to the benefiting parcels, and 5) a property list and assessment roll;
3. Per Section 22623 of the California Streets and Highways Code, the Engineer’s Report was filed with the Clerk of the Board, for submission to the Board of Supervisors;
4. Per Section 22623 of the California Streets and Highways Code which states that upon filing of the Engineer’s Report, the Board of Supervisors may approve the Engineer’s Report as filed, or may modify the Engineer’s Report in any particular, and approve the Engineer’s Report as modified; and
5. After approval of the Engineer’s Report, per Section 22624 of the California Streets and Highways Code, the Board of Supervisors may adopt Resolution of Intention 2021/126 (Resolution of Intention), which 1) declares the intention to levy and collect assessments within the Countywide Landscaping District 1979-3 (LL-2) for the Fiscal Year 2021/2022; 2) generally describes the existing and proposed improvements and any substantial changes proposed to be made in existing improvements; 3) refers to the assessment district by its distinctive designation and indicates the general location of the district; 4) refers to the Engineer’s Report on file with the Clerk of the Board, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the district; 5) gives notice of the time, and the place for hearing on the levy of the proposed assessment; and 6) states whether the assessment is proposed to increase from the previous year.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The improvements to be made in the Contra Costa County Countywide Landscaping District 1979-3 (LL2) are generally described as the operation, maintenance, and servicing of landscaping, pedestrian bridges, irrigation, park and recreational facilities, and ancillary improvements within street rights of way and other public areas; and
2. The Engineer of Work for the Contra Costa County Countywide Landscaping District 1979-3 (LL2) filed an Engineer’s Report in accordance with the provisions of the Landscaping and Lighting Act of 1972; and
3. The Board now declares its intention to levy and collect assessments in existing Benefit Zones within the Countywide Landscaping District 1979-3 (LL-2), Contra Costa County, California, for the fiscal year beginning July 1, 2021 and ending June 30, 2022; and
4. The improvements to be maintained throughout the Countywide Landscaping District 1979-3 (LL-2), Contra Costa County, California, consist of the installation, maintenance, operation and servicing of landscaping, pedestrian bridges, irrigation,

park and recreational facilities with all appurtenances, and services of consultants as needed. A detailed description of the improvements that are being operated, maintained, and serviced throughout each Benefit Zone in the District are provided in the Preliminary Engineer's Report for Countywide Landscaping District 1979-3 (LL-2) dated May 11, 2021 (shown as Exhibits A, B, and C); and

5. The Board will conduct a public hearing (the "Hearing") on June 8, 2021, at 9:00 a.m. in the Board of Supervisors' Chambers at 1025 Escobar Street, Martinez, California 94553; and
6. The Clerk of the Board is authorized and directed to give notice of public hearing required by the Landscaping and Lighting Act of 1972; and
7. The maximum assessment rates are not proposed to increase from the previous year except for those assessments rates that have a built-in inflation adjustment that was set when the District (or individual Benefit Zone within the District) was formed or subsequently ratified by a property owner vote.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.
