GENERAL INFORMATION

The Board meets in all its capacities pursuant to Ordinance Code Section 24-2.402, including as the Housing Authority and the Successor Agency to the Redevelopment Agency. Persons who wish to address the Board should complete the form provided for that purpose and furnish a copy of any written statement to the Clerk.

Any disclosable public records related to an open session item on a regular meeting agenda and distributed by the Clerk of the Board to a majority of the members of the Board of Supervisors less than 96 hours prior to that meeting are available for public inspection at 1025 Escobar Street, First Floor, Martinez, CA 94553, during normal business hours.

All matters listed under CONSENT ITEMS are considered by the Board to be routine and will be enacted by one motion. There will be no separate discussion of these items unless requested by a member of the Board or a member of the public prior to the time the Board votes on the motion to

adopt.

Persons who wish to speak on matters set for PUBLIC HEARINGS will be heard when the Chair calls for comments from those persons who are in support thereof or in opposition thereto. After persons have spoken, the hearing is closed and the matter is subject to discussion and action by the Board. Comments on matters listed on the agenda or otherwise within the purview of the Board of Supervisors can be submitted to the office of the Clerk of the Board via mail: Board of Supervisors, 1025 Escobar Street, First Floor, Martinez, CA 94553.

The County will provide reasonable accommodations for persons with disabilities planning to attend Board meetings who contact the Clerk of the Board at least 24 hours before the meeting, at (925) 655-2000. An assistive listening device is available from the Clerk, First Floor.

Copies of recordings of all or portions of a Board meeting may be purchased from the Clerk of the Board. Please telephone the Office of the Clerk of the Board, (925) 655-2000, to make the necessary arrangements.

Forms are available to anyone desiring to submit an inspirational thought nomination for inclusion on the Board Agenda. Forms may be obtained at the Office of the County Administrator or Office of the Clerk of the Board, 1025 Escobar Street, Martinez, California.

Subscribe to receive to the weekly Board Agenda by calling the Office of the Clerk of the Board, (925) 655-2000 or using the County's on line subscription feature at the County's Internet Web Page, where agendas and supporting information may also be viewed:

Update on Economic Conditions

The Covid Recovery: *How long is the road to recovery?*

Happy New Year!

The Pandemic Recession

■ Covid-19: A global natural disaster

- Approaching 100 million cases and 2 million deaths, ~20% here in the US
- In midst of largest surge to date, new waves of closures

■ The light at the end of the tunnel

- Context: Spanish flu 50m deaths in a smaller world population, 100x more deadly
- New treatments have lowered fatality rates
- 3 vaccines shown to have varying degrees of effectiveness
- Roll outs in progress, Others in the pipeline

■ The Economic Debate

- The macro debate, “U”, “V”, or whatever... most called “U”, slow recovery
- This is not the great recession
- Our outlook “V”—This is not the great recession situation, rapid movement back to normality

■ The Bounce

- Recession ended in April, 80% back
- Current surge having modest impact on economy
- Sufficient pent-up demand to drive close full recovery this year
- Real issues are post-pandemic: Federal debt, inflation issues, shifting land use needs

— Approaching 100 million cases and 2 million deaths, ~20% here in the US
— Evidence suggests a portion of survivors have long run complication
— Context: Spanish flu 50m deaths in a smaller world population, 100x more deadly

Eviction looms for millions despite new federal aid package

An estimated 30 million to 40 million renters are in danger of eviction. Millions have been unable to pay their rent for months because of the pandemic. Job losses, illnesses, kids in virtual school who need to be supervised at the expense of work—the combination of these stressors has produced about \$70 billion owed in back rent, according to the National Apartment Association, which represents landlords.

While overall consumer traffic fell by 60 percentage points, legal restrictions explain only 7 percentage points of this. Individual choices were far more important and seem tied to fears of infection. Traffic started dropping before the legal orders were in place: was highly influenced by the number of COVID deaths reported in the county: and showed

2020: The Long Run Still Matters

- It ain't good, but it ain't *that* bad..
 - The “V” is the only logical outcome
 - Speed of recovery dictated by pace at which vaccines rolled out
- Baseline Forecast
 - 4.8% Q1, -31%Q2, 33% Q3, 6% Q4
 - Close to full recovery by Q3-2021
 - Unemployment close to 6% by year end
 - Moderate upticks in debt distress
 - Little impact on long run real estate values
 - Retail / restaurants / tourism to lag
- Wildcards
 - Global situation
 - How long until travel gets going
 - Government budgets
- The true enemy: Miserabilism
 - Problem before the pandemic
 - More bad policy driven by a basic lack of context
 - Health needs conflated with culture wars
 - No consideration for tomorrow / the next generation

Contra Costa County Familiar Budget Drivers and Challenges for 2021 and Beyond

- Economic Forecast
- State & Federal Budgets
- Labor Negotiations
- Strategic Use of Reserves
- Fund Infrastructure Needs (Repair & Maintenance)
- Fund System Infrastructure
- Adequately Fund Public Safety & Health Departments

2020/21 Achievements

- Budget structurally balanced for ten consecutive years and received the Government Finance Officers Association Distinguished Budget Presentation Award for each of those years, the current year budget is built on assumption of 4.5% increase in assessed valuations (AV), actual AV was 4.87% for 2020/21
- OPEB managed (unfunded liability reduced from \$2.6 B in 2006 to current \$523.9 million as of 6/30/2020)
- We have labor contracts in place with all of our bargaining unions/associations, which provide improved health insurance benefits and wages.
- Assessed Value, on which general purpose revenue is based, was up 6.34% in 2018/19; 5.3% in 2019/20; 4.87% in 2020/21; and is projected to grow 4.0% in FY 2021/22

2020/21 Achievements

- General Fund for 2020/21 - \$1.86 B - (total adjusted budget without carryforward, excluding fire and special districts, for 2020/21 - \$4.09 B)
- County maintained it's AAA bond rating from Standard & Poor's and Aa2 bond rating from Moody's with both agencies continuing to cite the County's robust financial position, including strong tax base and wealth and income profile.
- Created a permanent Office of Reentry and Justice within the Probation department beginning July 1.

2020/21 Achievements

- Facilitating the implementation of a felony mental health diversion program through the Department of State Hospitals.
- Continuing to support the Racial Justice Oversight Body to reduce racial disparities in the adult and juvenile justice systems.
- Continuing work with the Board and departments to fund enhanced detention health initiatives, including the addition of 53.1 FTE and construction of an acute psychiatric care unit to serve patient-inmates within the adult detention facilities
- Supported the Census 2020 Complete Count and surpassed the 2010 Self Response rate.

Bay Area Unemployment Rate November 2020 (Unadjusted)

The County's unemployment levels rebounded strongly from the highs experienced during the Financial Crisis in 2008-2010, reaching peak employment in 2019. Subsequent to COVID-19, the county has increased in line with State and national trends.

- Marin 4.7%
- Santa Clara 5.1%

General Fund Reserves Performance in Sync with Policy

- For FY 2019-20, total General Fund revenues were \$1.728 billion and the total fund balance was \$637.2 million, or 36.9% of total General Fund revenue
- Of the \$637.2 million:
 - \$353.5 million was unassigned – 20.5% of total General Fund Revenues
 - \$283.7 million was assigned, committed, restricted or nonspendable

Impact of COVID-19 on the County

- The County received \$227.8 million in CARES Act Coronavirus Relief Funds (CRF) to assist with its response to COVID-19 (\$201.2 million from Federal direct allocation and \$26.5 million from State sub-recipient allocation)
 - All funds have been spent and were applied to various permitted purposes, including payroll for public health and safety employees; improvements to telework capabilities; medical expenses; and public health expenses for the period March 1 – December 31, 2020

FY 2021 Key Budget Provisions

- In its FY 2021 Final Budget, the County closed a \$35.0 million General Fund funding gap through a combination of mostly one-time spending reductions, revenue increases (including funding authorized under the CARES Act), the use of prior year fund balances, and the elimination of 93 vacant/unfunded FTE positions in the offices of the Assessor, Employment and Human Services, and Probation
- As part of budget adoption, the Board re-affirmed its policy prohibiting the use of general-purpose revenue to back-fill reductions in revenues to be received from the State
- Appropriates an additional \$30.0 million on homeless housing and wraparound services directly related to COVID-19, to be funded with CARES Act/FEMA monies
- Did not anticipate the receipt of additional federal relief funding

Emergency Rental Assistance Program

- Authorized in the December stimulus package (H.R. 133)
 - County received direct allocation of \$34,296,331 on January 20th
- County Administrator has convened an interdepartmental workgroup to provide immediate policy options to the Board
 - Funding must be obligated by September 30, 2021 to avoid reallocation
- Basic Eligibility (in statute)
 - Qualified for unemployment or has experienced reduction in income
 - Experienced financial hardship due to COVID-19;
 - At-risk of experiencing homelessness or housing instability;
 - Landlords may seek assistance on behalf of tenant so long as tenant co-signs
 - Payments provided directly to landlords on behalf tenants, unless landlords opts out
 - Assistance to households generally may not exceed 12 months (including any arrearages), but could be extended to 15 months

Preliminary employee/position data FY 2021/22

- 9,953 FTE (90 FTE Increase over last year)
- Total salary and benefit cost of \$1,638,440,957
 - (\$81.0 million increase over FY 2020/21 budget)
- Average wages of \$96,336
- Average retirement cost of \$36,885
- Average health insurance cost \$15,528
- Average total cost of a position \$164,620

Community Corrections Partnership

- CCP passed a FY 21/22 Budget Recommendation of \$29,949,274 in December 2020, an increase of 5.9% over the current year.
 - PPC to review and approve the budget on January 25, 2021
 - Approximately 23% (\$7.0 million) of the budget is allocated to Community Based Organizations
- CCP budget relies on approximately \$26.5 million in base revenue and \$3.5 million of CCP fund balance in FY 2021/22 (expenses exceed base revenues)
- Assuming just a 3% increase each year to expenditures over the next 4 years for existing employee/program costs, the County would be required to draw \$19.1 million from CCP fund balance to fund AB109 programs through FY 2025-26.
- Assuming a FY 21/22 estimated beginning fund balance of \$20.6 million, fund balance would be reduced to \$1.5 million at the close of FY 25/26.
- At \$1.5 million, fund balance would be at 4% of FY 25/26 projected expenditures.
Goal is 50% of expenditures (Approx. 6 months of operations)

Community Corrections Partnership

Contra Costa Fire Protection District

Reasons For Optimism

- “Alliance” ambulance program stable (for now)
- Net decrease of \$3.8 million in debt service payments in FY 2021-22
 - Payments on existing Pension Obligation Bonds decreasing by approximately \$5.7 million in FY 2021/22
 - New debt service on capital construction projects is scheduled at \$1.9 million annually.

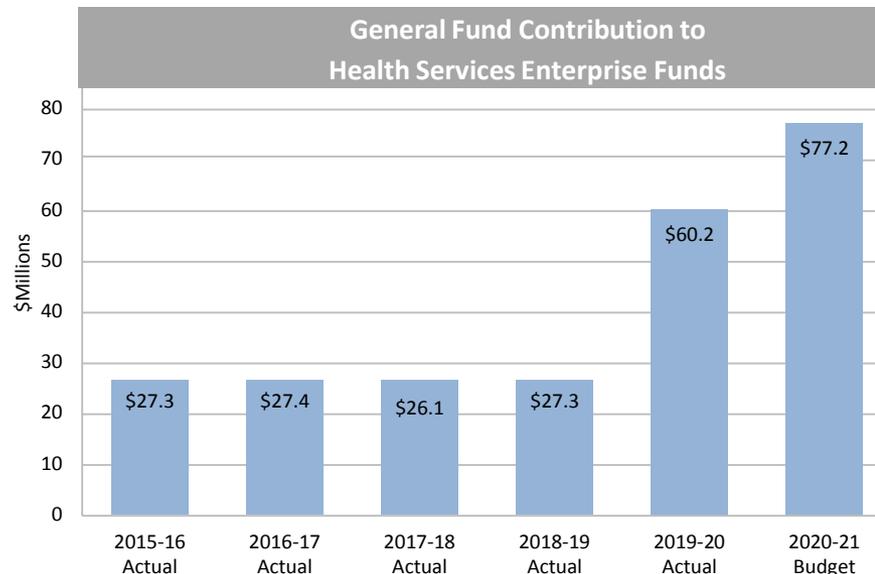

Reasons For Concern

- Property Tax revenue increases anticipated to slow
 - Assumption of 4.0% for 21/22
 - Additional decreases possible in 22/23 and beyond
- Cost of prior labor contracts
 - \$8.7 million in FY 2021-22 (total three-year cost of \$26.2 million)
- Increase in employer pension costs due to the depooling of Safety Cost Group #8, which impacts Contra costa Fire Protection District and East Contra Costa Fire Protection District
 - Estimated increase of approximately \$1.5-\$2.0 million in FY 21/22
- Litigation/ongoing appeal of PERB decision regarding United Chief Officers Association

Contra Costa Regional Medical Center

- Contra Costa Regional Medical Center (CCRMC) is a 164-bed acute care public hospital owned and operated by the County. It is inclusive of ten ambulatory health care centers, which are licensed as outpatient departments of the hospital.
- The Hospital Enterprise Fund represents 14% of the County’s FY 2020-21 Final Budget
- Operation of the CCRMC is financially administered primarily with Hospital/Health Plan revenues, with the County General Fund subsidizing 12% of CCRMC’s budget, or \$77.2 million planned for FY 2020-21
 - The County General Fund allocation had been significantly reduced over the last five years following the implementation of the Affordable Care Act (ACA)
 - ACA membership and related revenue declined in FY 2018-19; the ACA impact coupled with new labor agreement costs created a need for additional subsidy in FY 2019-20

Regional Medical Center Budget (\$'000s)			
	2018-19 Actual	2019-20 Actual	2020-21 Final Budget
Beginning Net Position	\$129,441	\$146,527	\$155,830
Revenue	625,080	609,582	615,890
Expenditures	627,251	651,402	660,553
Transfers In Subsidy	23,304	56,228	73,245
Ending Net Position	146,527	155,830	166,559
Change in Net Position	\$17,087	\$9,303	\$10,728

Reasons For Concern

- Revenues will not keep up with expenditures for 2020/21 nor are they likely to do so for 2021/22 and beyond
- Inflation is coming back sooner rather than later
- Aging Technology – in process to replace the Finance System & Tax Systems at an approximate cost of \$18 million each
- Unknown to what level the Federal government will respond to counties needs
- Real issues coming due to excessive stimulus funds
- Ongoing funding for County Hospital, Clinics, and Health Plan - it continues to be difficult to support the hospital with increased costs. We continue to reduce programs in other areas to support Hospital needs. We must consider alternative revenue streams and right size services to resources available.

Redistricting 2021

CONTRA COSTA COUNTY

**BOARD OF SUPERVISORS
REDISTRICTING**

Board Retreat, Jan 26, 2021

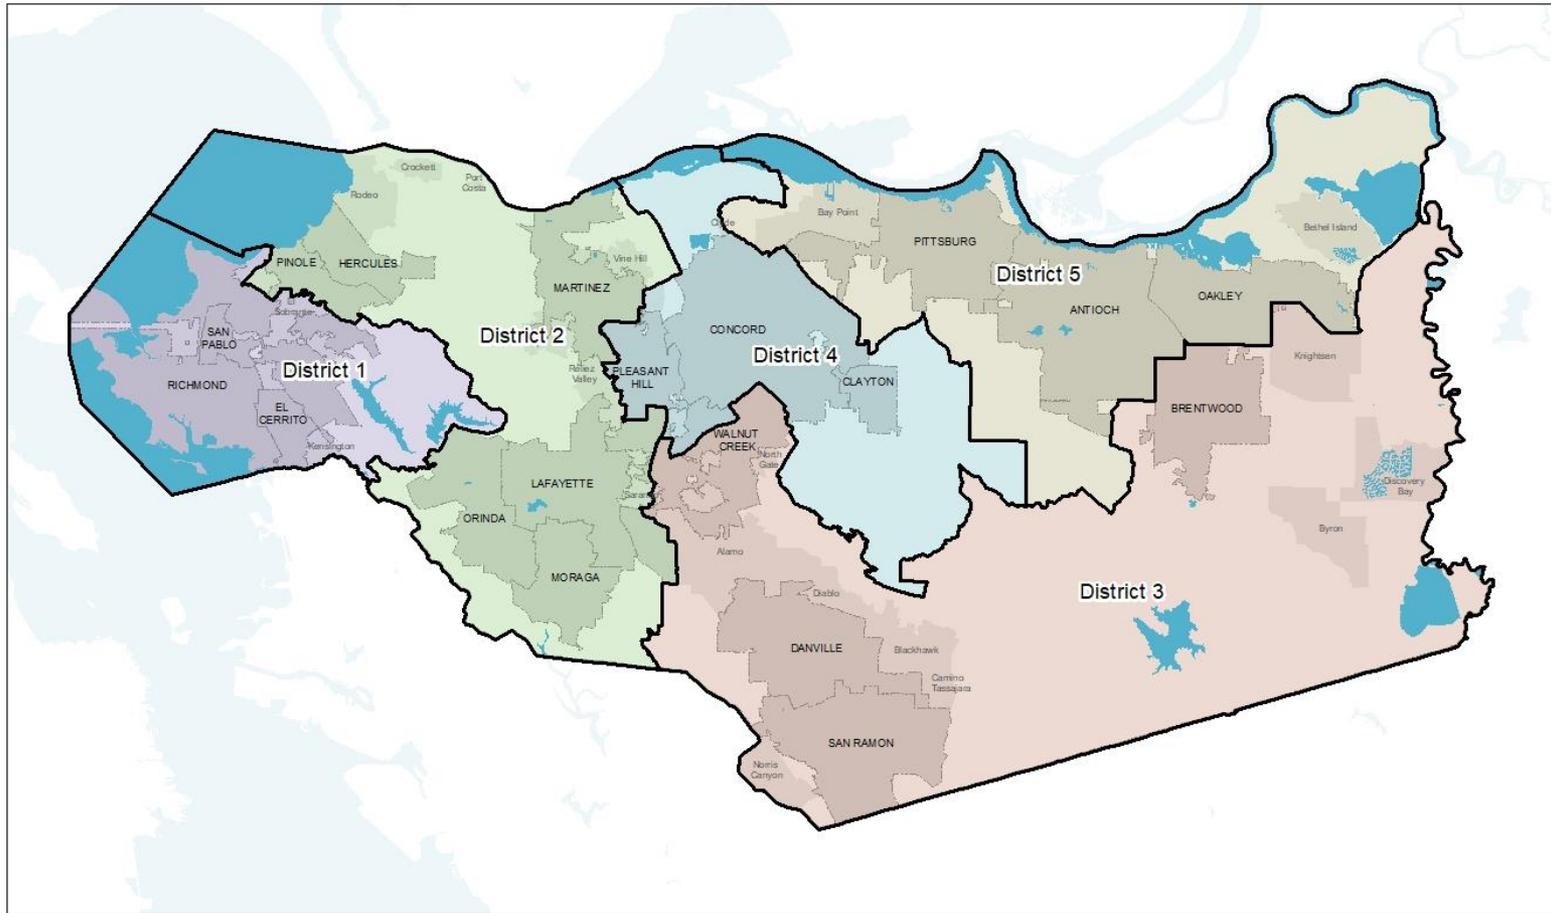

PURPOSE / MISSION

***CONDUCT A TRANSPARENT
REDISTRICTING PROCESS,
PROVIDING EXCEPTIONAL
PUBLIC ACCESS TO
INFORMATION, LEADING TO
ADOPTION OF THE
REDISTRICTING ORDINANCE
THAT COMPLIES WITH ALL
APPLICABLE LAWS***

WHAT IS REDISTRICTING?

- ❑ **Every ten years the Board of Supervisors redraws supervisorial district lines to account for population growth and shifts during last decade based on U.S. census data**
- ❑ **Redistricting is necessary to comply with Equal Protection Clause, 14th Amendment, U.S. Constitution, “one person, one vote”**
- ❑ **Board redistricting last occurred in 2011 (Ord. 2011-15)**
- ❑ **Official 2020 U.S. Census data must be used as basis for the Board’s redistricting**

2001 BOARD REDISTRICTING MAP

GOVERNING LAW

- **14TH Amendment, Equal Protection Clause, U.S. Constitution – “one person, one vote”**
- **California Elections Code, Sections 21500-21509**
- **Voting Rights Act of 1965**
- **AB 849 and SB 1108**

CALIFORNIA LAW

MANDATORY REQUIREMENTS

- **Strict Time Limits** – Elections Code section 21501 requires that the boundaries of the supervisorial districts shall be adopted by the board no later than **December 15, 2021**
- Before adopting a final map, the board shall hold at least **four** (4) Public Hearings
- One before draft maps are drawn
- At least two (2) after the maps are drawn
- At least one on a Saturday, Sunday or after 6:00 PM Monday through Friday
- Public Hearings at a fixed time regardless of other agenda items, but Board may first conclude any item being discussed

Changes to the Population Counted

□ State Prisoners

- Inmates in facilities administered by the state Department of Corrections and Rehabilitation must be included among the population counted if they have a last known residence in Contra Costa County. It is expected that the Statewide Database Center will have that information available, but **the State may need “an extra month” to provide the data.**

Guidelines for Redistricting

- Population equality (deviation from the mean of not more than +/- 5% between districts)
- Compliance with Federal law
- Districts shall be contiguous
- Geographic integrity of neighborhoods shall be respected
- Geographic integrity of a city should be respected by the county
- District boundaries should be easily identifiable and understandable by residents
- Geographic compactness of populations
- *At least* Four (4) public Hearings with specific meeting requirements
- Specific timelines for adoption of a plan

POPULATION GROWTH

- ❑ Official 2020 U.S. Census data must be used as basis for the Board's redistricting
- ❑ The California Redistricting Database is responsible for redistricting data and will include incarcerated population reallocation numbers
- ❑ Census 2020 redistricting data was scheduled to be released by April 1, 2021 – however, the data will not be available until a later date.
- ❑ General growth trends over last decade suggest population growth in San Ramon and East County

PROPOSED WORK PROGRAM

- **Guiding Principles / Criteria**
- **Data Analysis and Mapping**
- **Public Outreach**
- **Public Hearings and Ordinance Adoption**
- **Interdepartmental Leadership Group**

GUIDING PRINCIPLES / CRITERIA

Using existing district boundaries as the starting point, Board will redraw district boundaries that to the extent possible:

- **Achieve near equal population for each district – within +/- 5% between Districts**
- **Use easily identifiable geographic features and topography to achieve compact and contiguous district boundaries**

GUIDING PRINCIPLES / CRITERIA - continued

- **Maintain communities of interest in a single district and avoid splitting communities.**
- **Communities of interest may be defined by existing boundaries for**
 - **Cities**
 - **School Districts**
 - **Special Districts**
 - **Unincorporated communities**

DATA ANALYSIS & MAPPING

- ❑ **Existing Department of Conservation and Development (DCD) staffing and resources, including GIS mapping program, will be used to map district boundaries**
- ❑ **DCD will begin mapping district boundary alternatives, with an anticipated 3-6 map alternatives, when census data is available**
- ❑ **DCD will require 3-4 weeks to review new census data and geography and mapping of district boundary alternatives**

PUBLIC OUTREACH

“insure transparent process, providing exceptional public access to information”

- ❑ Establish Redistricting webpage on County website as primary portal for public information/access with up-to-date information and ability for public to provide feedback and comments
- ❑ Subject to any modifications required by COVID 19 The County Administrator’s Office and DCD will support virtual or in person County wide public workshops to provide background, present boundary changes, answer questions, and receive input
- ❑ Other outreach efforts will include: press releases, public notice in newspapers, CCTV, civic engagement and community groups active in the County as well as other strategies

INTERDEPARTMENTAL LEADERSHIP GROUP

DEPARTMENT

County Administrator's Office

ROLE

Facilitate the redistricting process, Provides oversight and, direction to DCD in the development of the maps and public outreach

A Year Like No Other...

Contra Costa Health Services 2020 Highlight Report

2020 has been unprecedented. The year opened with CCHS fully engaged in efforts to enhance alignment throughout the county as part of the long-range LIVING CONTRA COSTA strategic planning process. Just as that plan was about to be introduced, the pandemic hit, demanding an immediate and across-the-board response effort.

Fortunately, the outreach, planning and partnership work that was part of the strategic planning process provided a platform for a new and impressive level of integration and alignment. This allowed Health Services to respond rapidly and comprehensively, drawing on a deep reservoir of skills, resources and support from all county government and from the broader community, while strategically redeploying its staff in the areas of most critical need.

And while the pandemic has demanded enormous attention and staff time, it is impressive that this has all been done while maintaining and, in some cases, even enhancing, the essential health services that CCHS has always provided.

CONTRA COSTA HEALTH SERVICES
Annual Highlight Report 2020

2020 HIGHLIGHT REPORT COVID-19 RESPONSE

ECONOMIC DEVELOPMENT IN CONTRA COSTA COUNTY

Presentation to Board of Supervisors, January 26, 2021

John Kopchik, Director, and Amalia Cunningham, Assistant Deputy Director, Department of Conservation and Development

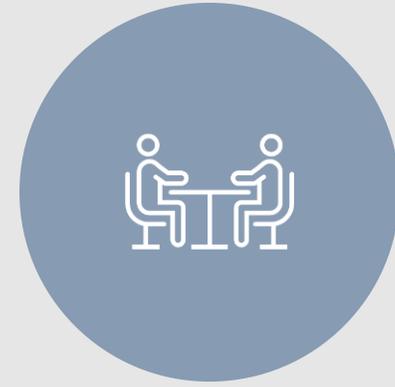

Today's Topics

ECONOMIC
DEVELOPMENT OVERVIEW

STATE AND LOCAL TOOLS

FOCUS ON NORTHERN
WATERFRONT INITIATIVE

Why do economic development?

Local jurisdictions commonly use economic development programs to:

- Retain or attract industries that contribute to employment opportunities good fit for local demographics
- Foster community quality of life (restaurants, retail, “Main Street” ambiance)
- Facilitate more jobs at or above living wage to help meet policy goal of reversing jobs-housing imbalance
- Support other public services through increased tax-generating activity

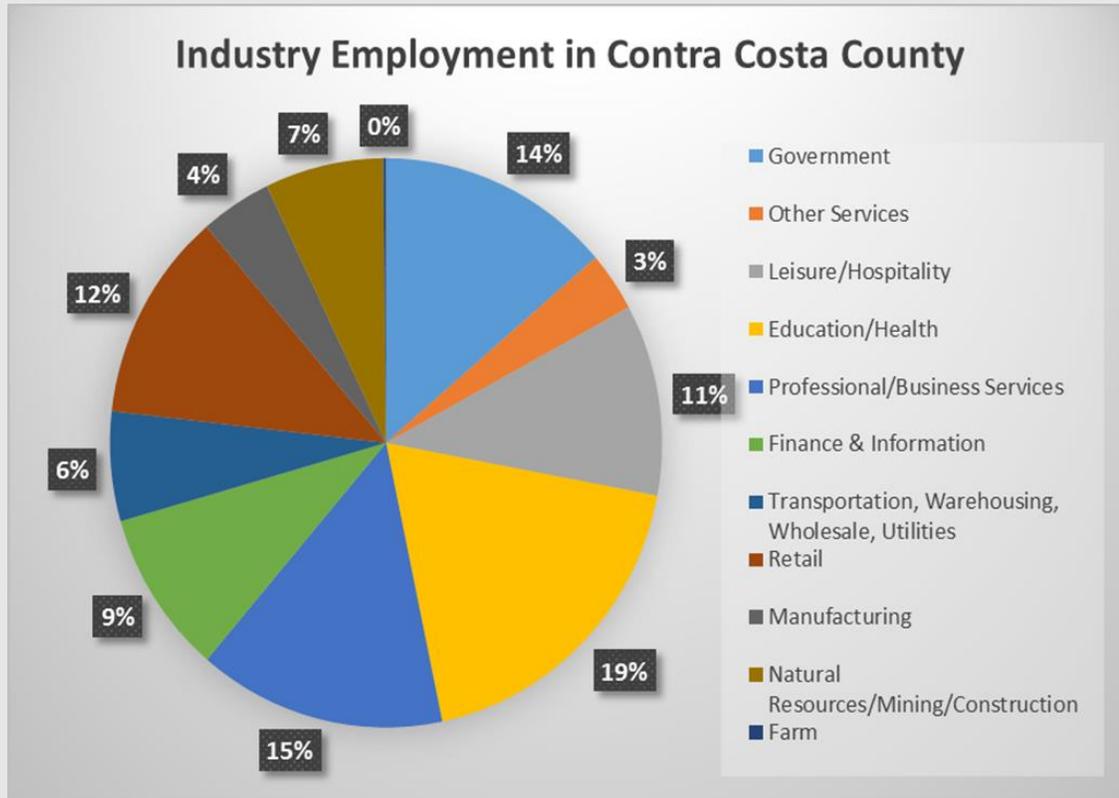

Why Communities Invest in Economic Development

Fostering a range of business types that diversify the local tax base, keep our local economy strong, and celebrate our unique community fabric.

Employment is a Key Indicator in CCC

- Total of about 375,000 jobs (2019)
- Largest employment sectors: Education, health care, professional services, and government
- About 51% of Contra Costa jobs are held by residents; this share is dropping over time as more residents commute out
- About 57% of employed residents work in the county
- More than half of employed residents commute more than a half-hour to work

Available Tools

Statewide (post-redevelopment)

- EIFD (new financing program for locals – aka “redevelopment-lite”)
- Some housing grant programs have an ancillary economic development benefit (Infill Infrastructure Grant, etc.)
- State financing programs of general interest, varying from very competitive to hard to access (loan guarantees, CA Competes, etc.)
- State tax credits for certain types of hiring, equipment purchases
- State programs for energy efficient or greenhouse gas reducing innovations, companies, etc.
- Local taxes or fees may be imposed in accordance with state law, such as Business Improvement Districts or Tourism Business Improvement Districts, dedicated to business support

Contra Costa County’s unique assets

- County-owned land – Successor Agency, airports, other public real estate
- Occasional special opportunities such as annexation tax sharing agreements, community benefit agreements. Not retail-dependent.
- Many departments play a role in economic development goals, incl. CAO, EHSD/Workforce Development Board, Treasurer-Tax Collector, Public Works, DCD
- Strong homegrown collaborative partners, incl. but not limited to East Bay Leadership Council/Contra Costa Economic Partnership, City chambers and visitors bureaus, community college district
- Tradition of cities and counties working closely on common development goals
- Northern Waterfront Economic Development Initiative...

NORTHERN WATERFRONT ECONOMIC DEVELOPMENT INITIATIVE TM

Seven cities and the County coming together, 2013 through today

At one time, this region was the industrial heart of the entire Bay Area – the Bay/Delta served as raw material, disposal system, and transportation corridor.

What is the Northern Waterfront?

An economic development partnership and jobs strategy along the northern edge of Contra Costa County

Many economic cycles later, we have some very strong legacy industrial businesses, some obsolete buildings or vacant sites, and a growing need to give our residents workplaces closer to home.

Strategic advantage: location!

Capital of the Northern California Mega-Region™

Northern Waterfront Target Industry Clusters

from adopted Strategic Action Plan

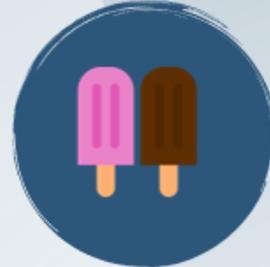

Advanced Manufacturing

Henkel, Bishop Wisecarver, Pulse Systems, Telemetry Solutions, Pacific Instruments, Bazell Technologies

Biomedical/ Biotech

BioRad, Fresenius, Sigray, Biocare Medical, BioZone, BioMicroLab

Agriscience & Food

Ramar Foods, Naia Gelato, Del Cielo Brewing, C&H, Dow/Corteva

Transportation Technology

Drafting off GoMentum Station; also includes aviation innovations and drone industry

Clean Technology

Growth industry nationally and regionally; MCE & many installers operating in region

Partnership in Action

- 60 mile corridor between Highway 4 and the Delta, from Hercules to Brentwood
- All seven cities on Hwy 4 are partners via joint MOU based on goals in Strategic Action Plan
- Long-term collaborative of partners working to retain and expand **jobs** in the region and address the jobs-housing imbalance – use counter-commute capacity
- County has been primary funder and staffer for Initiative, with mainly General Fund annual support
- Planning documents based on industry clusters – strategies include incubators, marketing, workforce connections and much more – partners select from “menu” to work on projects jointly
- Convene Q1-2021 with city partners to determine new priority projects given new realities
- Adjust strategies to reflect current economic opportunities

Examples of Wins by Northern Waterfront Initiative Partners

- Vortex Marine move to Antioch; Bombardier move to Pittsburg
- FutureBuild \$200,000 EPA training grant in Pittsburg; additional EPA cleanup grants
- Electrical vehicle readiness workforce training grant
- EDA grant for short-line rail feasibility study in Antioch-CCC-Oakley
- Northern Waterfront's Conceptual Framework report by Emerald HPC led to non-profit job/life skills organizations seeking space in East County to start operations
- Four areas designated as Priority Production Areas by ABAG-MTC in pilot program
- Strategic Action Plan received award from California Planning Association for economic development planning
- 2019 Forum brought together stakeholders from the entire corridor

Looking Ahead: Economic Development Considerations

- Pandemic short-term impact on business mix and resident employee mix in the county and the Bay Area
- 6.8% unemployment in Nov. 2020 (up from 3.1% in Feb. 2020 but down from 13% over the summer)
- Pandemic long-term impact on remote work options – potential to decentralize traditional employment centers like “Silicon Valley”
- Competing pressures to use public land for affordable housing from both regional and state levels
- Ongoing pandemic affecting business conditions locally and nationally – changes still unfolding, including evaluating temporary relief programs like Workforce’s business hotline and CDBG microenterprise assistance

Looking Ahead: Economic Development Considerations

- Even pre-COVID, retail evolution underway – more experiences, more last-mile/delivery options, more online shopping
- Major transitions at two of the largest employers in unincorporated CCC related to the petroleum industry's global transition, in addition to employment reductions at many of the largest private employers countywide in retail and hospitality
- Opportunities at County's airports to grow emerging industries
- Staffing up - Economic Development Manager position open now, tent. start date 4/1
