Public Comment

Courtney Drayfall, San Ramon, does not agree with the new mask guidance from CDPH (California Department of Public Health) that all K-12 schools will require all children over the age of 2 to wear a mask. She believes it should be the parents choice to have their children wear a mask. She states some will choose not to vaccinate their children when the vaccines are available and would like to know what the Board to push back against mask mandates for children.
