Subject: Fwd: Item D.2 Vacant seat on Rodeo-Hercules Fire Protection district appointment.

Dear clerk of the board Monica Nino & Supervisors Glover, Mitchoff, Gioia, Anderson and Burgess

As I am a multiple elected Rodeo representative. I am giving my endorsement to Annie Ziff to the Rodeo-Hercules Fire District. I feel this is very important to have a Rodeo resident representing our towns' interest, as there are 4 current Hercules residents serving Rodeo-Hercules Fire District at this time. Rodeo needs a representative on this Board.

Annie Ziff has been attending fire board meetings and has 3 years of volunteering on the Measure O Committee and is the current committee chair person. She has worked for 38 years at the Social Security Administration and the last 10 years as a management analyst for the Western U.S. regional area. Annie is familiar with the business of the board and is a third generation Rodeo family. In addition to her knowledge of the Rodeo Hercules FD, she also participates in RMAC and the Rodeo Citizens Association and in the past Voices of Rodeo.

Sincerely,

Janet Callaghan
Past School Board Member for 12 years
Current Rodeo Sanitary Board, 10 years.

Subject: Letter of support for Annie Ziff to be on the Rodeo- Hercules Fire District Board

Dear Board of Supervisors for Contra Costa County,

I would like to recommend Annie Ziff to fill the Rodeo -Hercules Fire District Board seat. Besides being very qualified in knowing the history of this complex community, she understands what it means to live next to intense industrial activities .Our residential areas are next to a refinery plus the vast, beautiful Franklin Canyon open space.

Annie is exactly the right person for this Board .The town of Rodeo needs to be represented on the important decisions being made by the board about our fire protections, not just folks from Hercules..Of course, I like Hercules .It's wonderful ,I shop in Hercules (Lucky's) .Why, you may ask , because there is NO grocery store in Rodeo!! Did the people of that city care if they made hardship for us here in Rodeo ? No they just got another store! We had no say in that matter. Annie Ziff will be our voice at the Fire District table to keep up the unique protections we need from a fire department that serves both suburban and open spaces in emergencies .

Annie has experience in dealing with people .When I talked with her at a Zoom meeting she stood by her convictions in her responses . My thoughts on the subject were different than hers ,yet she answered in a respectful way.

The Rodeo- Hercules Fire Department is an essential service here for our communities and needs strong support from it's board . Annie Ziff will give it just that.

Thank you ,

Elaine and Kirk Leclair(Homeowners in Rodeo for 32 years)

Subject: Annie Ziff for Rodeo-Hercules Fire District open board seat

CCC Board of Supervisors / Clerk of the Board,

We are writing you in support of candidate Annie Ziff for the Rodeo-Hercules Fire District open board seat.

This Fire Department is called **RODEO-HERCULES** Fire District and therefore needs to have representation by a **RODEO** resident. Currently there is no one from Rodeo representing our town on the board. It is important to have a diverse representation from both towns on this Board. Annie Ziff is a long time Rodeo resident that goes back 3 generations. She has been on the Measure O Committee for over 3 years, and routinely attends the Fire Department board meetings and therefore is well versed on what is needed for our fire department.

Please appoint Annie Ziff to the Board - Rodeo needs her voice.

Thank you

Christine & Mike Coody

Rodeo Residents

Subject: Agenda Item D.2

Board Chair and Supervisors, I am requesting that Annie Ziff, resident of Rodeo be appointed as the replacement to the Rodeo Hercules Fire District.

Annie Ziff is a lifelong and involved resident of Rodeo. Annie is currently serving as the Chair on the Rodeo Hercules Fire District Measure O Oversight committee. Annie knows the finances and operations of the Rodeo Hercules Fire District and is the only candidate from Rodeo.

I have always felt that Rodeo should have an elected official from Rodeo representing their community on the Rodeo Hercules Fire District.

As an 11-year Councilmember in Hercules I would request that the Board of Supervisors select Annie Ziff as the newest Director to Rodeo Hercules Fire District.

Dan Romero,
City of Hercules Council
