Dear Monica,

This letter is in response to your letter that was received on April 20 th. My husband and I have lived at 352 Rodeo Ave for 18 years when we purchased our home. The property at 343 Rodeo Ave is directly across from us. When we moved to our home that building structure was a Veterans Hall which hosted various events. After the Veteran Hall closed it became a boarded up vacant building that housed numerous unwanted house guests. After they tore it down it became a vacant large yard that became a dumpster for everyone. Then came the fence(after calls from me). After the fence, came weeds almost taller than the fence. I called a few times to the County and slowly someone came to haul away the debris. This is why we are opposed to an apartment complex because the owner Ashuer Abbasi will not keep it clean. He has proven that Please come by and look at the property before Tuesday and you will see why . Thank you,
Troy and Sandra Styles
