Resolution No. 2022/158

In The Matter Of: Notification of Hearing to Adopt Stormwater Utility Assessments for Fiscal Year 2022–2023 for Stormwater Utility Area Numbers 1 through 18, Countywide.

The Board of Supervisors of Contra Costa County, as the Governing Body of the Contra Costa County Flood Control and Water Conservation District, RESOLVES THAT;

The Contra Costa County Flood Control and Water Conservation District Act, hereinafter referred to as Act, provides authority for said Governing Body to establish Stormwater Utility Areas and adopt the ordinance for Stormwater Utility Assessments; and

The Board, On June 22, 1993, established Stormwater Utility area 1 (Antioch), 2 (Clayton), 3 (Concord), 4 (Danville), 5 (El Cerrito), 6 (Hercules), 7 (Lafayette), 8 (Martinez), 9 (Moraga), 10 (Orinda), 11 (Pinole), 12 (Pittsburg), 13 (Pleasant Hill), 14 (San Pablo), 15 (San Ramon), 16 (Walnut Creek), 17 (Unincorporated County), and on May 9, 2000, established Stormwater Utility Area 18 (Oakley). These areas consist of that real property located in the incorporated limits of the cities indicated and the Unincorporated County; and

This Board also has before it the Chief Engineer's report providing an estimate of the cost of the National Pollutant Discharge Elimination System (NPDES) permit activities to be borne by property in the individual Stormwater Utility Areas. This report will be on file within 30 days of the public hearing to adopt Fiscal Year 2022–2023 Stormwater Utility Assessments and may be examined at the office of the Clerk of the Board of Supervisors, Administration Building, Martinez, California.

It is proposed that Stormwater Utility Assessments for Fiscal Year 2022–2023 be adopted for Stormwater Utility Areas 1 through 18; and

The Clerk of the Board of Supervisors is DIRECTED to fix a public hearing on the proposed assessments in accordance with section 12.8 of the Act. At the hearing, the Board will receive and consider all objections or protests to the proposed assessments.

The Clerk of the Board of Supervisors is DIRECTED to give notice of the public hearing on the proposed assessments by publication in accordance with sections 12.8 and 11 of the Act and Government Code section 6066.

The exterior boundaries of the Stormwater Utility Areas include lands within the cities indicated above. The Clerk of the Board is DIRECTED to forward to the governing body of said cities a copy of this Resolution at least twenty (20) days before the above-noted hearing. The mailing addresses and individual recipients are listed in the attached Exhibit A.

The Clerk of the Board is further DIRECTED to mail a copy of the Notice of Public Hearing to any interested party who has filed a written request for mailed notice with the Clerk of the Board or with the Contra Costa County Flood Control and Water Conservation District.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.
