Resolution No. 2023/40

WHEREAS, in the African American community, there is a need to support the recovery process of peers/clients/consumers and family members impacted by mental health and substance use issues, through the delivery of well-funded, culturally-responsive, community-defined and honoring services, including but not limited to, the incorporation of identified spiritual/faith practices and beliefs when requested; and

WHEREAS, mental health and substance use issues and the devastating impact of COVID-19 are among the leading causes of health challenges for African Americans in this County; and

WHEREAS, Contra Costa County Behavioral Health and Provider Services, in an effort to better reflect and celebrate the diverse populations of the county, has been one of the pioneering counties to heed the voice of the peer/client/consumer and family members in building collaborations with various faith based/spiritual communities to explore all resources and tools that will enhance mental health wellness in the African American Community; and

WHEREAS, NAMI Contra Costa, it's African American Uplift Program, peers/clients/consumers, family members, providers, spiritual leaders, Conscious Contra Costa, and The Miles Hall Foundation are working hard to support and protect families by educating communities about mental illness and by protecting those living with mental illness from unjust practices and harm by supporting the Miles Hall Crisis Line and the A3 24 hours - 7 days a week non-police response program, and

WHEREAS, all interested stakeholders can participate in the February 16th Mental Health Awareness Black History Virtual Event providing an update for the African American Uplift Program, the Miles Hall Foundation Bicycle Give-away and ongoing efforts to replace misinformation about mental health, erase prejudice, fear and blame thereby reducing stigma and disparities to unserved, underserved and inappropriately-served communities by helping restore mental health wellness, and reimagining safety for ALL in Contra Costa County; and

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Contra Costa County does hereby proclaim February 12-18, 2023 as acknowledgement of African American Mental Health Awareness Week and February 15, 2023 as the Miles Hall Day of Remembrance, March 8th as Tyrell Wilson Day of Remembrance and encourages everyone to participate.
