Re: *S.B. v. Contra Costa Regional Medical Center*
Notice of Claim / Presentation of Claim

Claim Information

Claimant: *S.B. ("Client")*
Date of/Date Learned of PHI Breach: *February 20, 2022*
Provider: *Contra Costa Regional Medical Center ("Hospital")*

Dear Monika:

It was a pleasure speaking with you on Friday. Thank you for bearing with the noise in the background from Comic-Con. It is rather fun, admittedly, that the non-PHI side of my practice literally allows me to say I can go to Comic-Con for business. I hope you had a nice weekend.

Again, thank you for the call. I do believe it was very productive. Please allow this letter to summarize the substance of our call and also to constitute my client's formal notice of claim for submission to County Board of Directors. Please of course let me know if I have misstated anything from our call. I have done my best to relay the substance of our call as accurately as possible, but if indeed I have misstated something please let me know and accept my apologies up front. Per our conversation please accept this letter as my client's' formal notice of claim.

Preliminarily, we discussed that I generally try to avoid these notice of claims in these PHI privacy violation matters for the literal fact that we are dealing with privacy and by their very nature notices of government tort claims are public. We discussed my preferred route of looking toward a tolling agreement relative to the statute of limitations to avoid the need for a notice of claim at all, however unfortunately such in and of itself would require Board approval and thus due to timing it may not be the best option in this case. Secondly I mentioned that I have handled notices of claims in privacy matters where I only use the initials of the plaintiff/claimant to try to maintain confidentiality. We agreed that in this case this may be a preferred option rather than crossing our fingers on the tolling agreement possibility.

As a formality, I will just indicate for the Board that the County's counsel/Legal Department is fully familiar with the name of the claimant/plaintiff as well as the facts and allegations regarding this claim. My client's, the claimant's, initials are S.B. I have also attached a copy of the initial notice of PHI privacy breach sent to the County's hospital, albeit redacted for privacy reasons. **(Exhibit 1)** I am also attaching a copy of the County/hospital's breach notice letter to S.B. Under relevant PHI privacy law, when a provider, such as the County hospital, confirms that a PHI privacy breach has occurred it is required to send the patient a breach notice letter confirming the occurrence of the PHI privacy breach, and describing the facts and circumstances surrounding or resulting in the breach, as well as the actions or steps taken by the provider once the breach was discovered, among other items. **(Exhibit 2)**

From our call I understand that the Hospital has identified the individual involved, responsible for the breach, and that such person was an employee of the Hospital at the time of the breach—well technically an employee by way of contract services and thus the Hospital intends to bring in the contract employment company

for purposes of indemnification or similar type joint liability / damages coverage legal theories. We of course would be happy to work with the Hospital / County, along with any third party contractor that the Hospital may believe is relevant, to try to reach resolution of this matter. Fundamentally the PHI privacy breach and liability flowing therefrom falls on the Hospital, however we do understand that the Hospital may also have indemnification type arguments against a third party and again we would be happy to try to coordinate discussions that involve all of the appropriate parties to be able to resolve this matter. However please understand that our position remains that the Hospital is the primarily liable party under the PHI privacy laws and would ultimately remain responsible for the damages suffered by our Client, regardless of whether the contract employment company agrees to cooperate in this matter.

With that said, I have set forth some further information in support of our Client's claim against the Hospital/County. To the extent you need further information please of course contact me at any time. I ma happy to have further calls or communications to ensure that the parties are on the same page.

A. The Claimant's initials are S.B. As mentioned above, County counsel are fully familiar with the facts of this claim and the name of the claimant.

C. The following is a high level description of the facts and circumstances giving rise to our Client's Claim and claims but should give the Hospital sufficient understanding and information relating to Claimant's Claim. Please understand that some of the facts or evidence remains within the control of the Hospital and thus fundamentally would be clarified through discovery. Our Client was a patient of the Hospital. As a result, the Hospital had and maintained, and was responsible for the privacy, security, and confidentiality of our Client's protected health information ("PHI"), including her medical records. However, in violation of the relevant PHI privacy laws, the Hospital failed to protect our Client's privacy and failed to have proper security measures in place to ensure the privacy, security, and confidentiality of our Client's PHI. As a result, our Client's PHI was unlawfully disclosed, used, and released by the Hospital causing very significant damages and emotional distress for our Client.

On or about February 20, 2022, Our Client discovered the privacy breach when she learned that a Facebook page had been created purporting to belong to our Client to which copies of her PHI/medical records had been posted. In fact, and of course, this Facebook page was not created by our Client, but rather another individual whom we believe was an employee or contractor of the Hospital. In fact there are two scenarios and investigation and discovery through litigation will further clarify these facts. It is our Client's belief that a Deandra Bryant is responsible for the actual creation of the Facebook page and posting of the medical records to that page. We believe, but have yet to confirm, that Ms. Bryant is also the Hospital employee/contractor and also responsible for both accessing and disclosing the PHI without authorization. There is, however a second scenario, which factually is slightly different, but from Hospital liability and damages perspective is not really legally significant. The alternative scenario is that while Deandra Bryant was the individual that posted the PHI to Facebook that a separate Hospital employee/contractor unlawfully accessed our Client's PHI and then subsequently unlawfully disclosed it to Ms. Bryant. In truth, regardless of whether the first or second scenario above is the more accurate recitation of the factual history giving rise to the PHI breach, the resulting damages for which the Hospital would be liable remain the same, because but for the PHI breach, our Client's PHI would

not have been unlawfully posted to Facebook, which has resulted in very substantial damages and emotional distress.

Significantly it is worth highlighting that the type of information, type of PHI, that was unlawfully disclosed and ultimately posted to social media for the world to view was very hypersensitive PHI. While all PHI is in an of itself "protected" and required to be kept confidential and subject to the various PHI privacy laws, certain types of PHI, at the most basic of levels, often carry with it increased potential for significant damages if the PHI is improperly used or disclosed. In our Client's case the Hospital disclosed / released PHI related to alleged evidence of STDs and other highly personal and embarrassing information or details. This information was apparently intentionally, disclosed and released for the purpose of harming and causing substantial embarrassment and other damages to our Client. If not intentional, certainly the unauthorized disclosure, use, and/or release of our Client's PHI was negligent and resulted in substantial damages.

D. The Hospital's wrongful conduct has resulted in substantial damages and harm to Claimant for which the Hospital is liable. Claimant has suffered monetary damages, as well as substantial emotional distress, irreparable and ongoing harm, and other damages related to and resulting from the Hospital's conduct.

a. Damages and Injury Related to PHI Privacy Breach

First and foremost PHI privacy violations carry with them the availability for statutory damages, statutory punitive damages, statutory attorneys' fees, statutory litigation costs, and statutory civil penalties, as well as recovery of actual damages and any other relief available under the law. The statutes make it clear that recovery is cumulative and per individual violation. For example, Cal. Civ. Code § 56.35 (the first remedy section of the California Confidentiality of Medical Information Act ("CMIA")) allows for \$1,000 in statutory damages, \$3,000 in punitive damages, and \$1,000 in attorney's fees per violation. Cal. Civ. Code § 56.36 provides for \$1,000 in statutory nominal damages and up to \$25,000 in civil penalties per violation. Monetary damages are available under both Cal. Civ. Code §§ 56.35 and 56.36. Injunctive relief, attorney's fees, and litigation costs may also be awarded under CMIA. Further, California's Information Practices Act, Cal. Civ. Code §§ 1798 et seq. ("CIPA") provides for a statutory minimum damages of \$2,500 per violation for unlawful PHI disclosure such as has occurred in this action. Cal. Civ. Code § 1798.53. Monetary damages are available under both Cal. Civ. Code §§ 1798.48 and 1798.53. CIPA also provides for the award of injunctive relief, reasonable attorneys fees, and litigation costs. Moreover, Claimant believes the Hospital had or should have had prior knowledge of the privacy breaches and failed to notify Claimant of the breaches which would provide for liability under California's privacy breach notice statute, Cal. Civ. Code § 1798.82, a subsection of the California Customer Records Act., Cal. Civ. Code §§ 1798.80 et seq. Monetary damages are also available for violations of the this Act. Thus, for the moment not considering civil penalties, the Hospital faces potential statutory liability of at least \$5,000 per violation under Civ. Code 56.35 and 56.36 as Claimant's healthcare provider; plus \$2,500 per violation as a PHI privacy violating agency under Cal. Civ. Code § 1798.53—that would be a total of \$7,500 per violation. We are aware of at least one privacy breach, however in litigation we intend to have our expert conduct a forensic investigation of the Hospital's EMR system relative to overall HIPAA/HITECH/CMIA compliance, but also as to determine the true number of violations, including unauthorized accesses etc. into our Client's PHI, so as to properly be able to determine the number of discrete violations, each of which carry with them separate statutory damages etc. After handling a substantial number of these PHI privacy breach matters, we are confident that this investigation will reveal that there exist far more than a single breach relative to our Client's PHI. That being said, again, we do know, and the Hospital has confirmed that there exists at least one PHI breach relative to our Client's PHI.

As noted, the above are merely the statutorily available/set forth damages relative to California's relevant statutory PHI privacy statutes. You should understand that the above does not specifically account for monetary damages related to other claims associated with PHI privacy breaches, such as common law and California Constitutional invasion of privacy, negligence/negligence per se, negligent hiring, supervision, and/or retention, breach of contract (of the Hospital's patient privacy policies or the HIPAA privacy agreement likely entered into between the Hospital and Claimant as a Hospital patient), intentional and/or negligent infliction of emotional distress, and (UCL) Cal. Bus. & Prof. Code §§ 17200 type claims. Further, depending upon the facts, the Americans with Disabilities Act also provides for protections against, and liability for, unauthorized disclosure of PHI—for purposes of this Notice of Claim, Claimant may also bring an action pursuant to the ADA, however

further investigation whether the applicability of the Act to Claimant's specific facts. Further, given we believe the Hospital knew, or should have known, of the privacy breaches and failed to provide the requisite statutory notices to Claimant, the Hospital would also be liable for damages under California's Customer Records Act, Cal. Civ. Code §§ 1798.80 et seq., and more specifically related to the privacy breach notice statute, Cal. Civ. Code § 1798.82. As noted above, based upon CIPA, CMIA, and other legal theories or avenues such as Claimant's seeking injunctive relief for the good of the public, i.e. for a public benefit, Claimant will be entitled to her attorneys fees, litigation costs, and other relief in this case.

As noted, the privacy violations have resulted in monetary damages, as well as non-economic damages such as without limitation, severe emotional distress, for which the Hospital is liable. Given the nature of the conduct, punitive damages would also be available. Further, attorneys fees and costs of litigation are specifically provided for under the relevant statutes.

b. Damages and Injury Related to Employment such as Hostile Workplace Environment.

While not intended to be an exhaustive list of the resulting harm from the Hospital and its employees'/contractors' conduct, Claimant has and continues to suffer ongoing damages, emotional distress, and irreparable harm. Notably, it took more than a month for Facebook even to claim that it has removed the post and PHI from Facebook and the Internet, but the reality is that once material has been posted to the Internet it is always on the Internet in one form or fashion. Unfortunately it is virtually impossible to entirely remove information from the Internet, which makes privacy violations where information is posted online all that much more damaging and harmful on many levels. With that said, understandably the unlawful disclosure of PHI and subsequent resulting posting of PHI to social media for the world to view and access has caused substantial emotional distress and trauma for the Claimant, so much so that Claimant has had to seek professional help as a direct result of and to help deal with the aftermath of the privacy violation. Moreover given the intensely embarrassing type of information that was disclosed, and the fact that co-workers specifically became aware of the information, Claimant ultimately was placed in a position where her workplace was so uncomfortable that she had to leave. Had Claimant's PHI not been disclosed by the Hospital, her co-workers would not have become aware of such information and Claimant would still have the income from such job. Indeed, Claimant now faces similar embarrassment on a very routine basis because of the PHI that was disclosed. As mentioned, the PHI was of the type that is hyper sensitive and extremely likely to cause substantial harm and embarrassment if it were to be disclosed / released to unauthorized persons. That is what occurred and the damage and ripple effects have been devastating for Claimant on both a personal and business level.

Again, this should not be considered an all-inclusive or exhaustive list or summary of the various claims that Claimant may file against the Hospital nor the damages or harm suffered by Claimant. However we believe it provides the Hospital sufficient notice that should formal litigation need to proceed that Claimant intends to pursue various claims related to and arising from the Hospital's conduct which has detrimentally impacted her. Claimant would be entitled to substantial damages related to such claims in addition to attorneys fees, litigation costs, and any other relief available under law relative to the conduct and breach. While of course investigation is ongoing, and as mentioned above there is a likelihood that there are more breaches that will be revealed through discovery, we are confident that Claimant's case is valued at well over \$250,000 not including potential penalties, punitive damages, attorneys fees, or litigation costs.

E. As part of the Notice of Claims process we are also providing you and the Hospital with the below information regarding percipient witnesses and/or Hospital employees/contractors who are or were involved in the facts and conduct giving rise to this Claim. While investigation is ongoing and to be candid much of the information remains in the control of the Hospital, we believe at least the following individuals may have relevant information to this claim: (1) Deandra Bryant; (2) Alex Nielsen, Esq.; (3) Hospital privacy officer or HIMS officer or Compliance officer or similar position related to privacy and EMR and PHI compliance; (4) S.B.. This is of course not an exhaustive list and is subject to further investigation and discovery.

F. Should litigation be necessary any action would be for an amount in controversy far in excess of the \$25,000 minimum for California State Unlimited Jurisdiction cases. Indeed, exclusive of potential penalties, punitive damages, attorneys fees, or litigation costs, we are confident that this case is valued at well over \$250,000.

We look forward to the Hospital's response and, similar to what we have tried to communicate in our prior correspondences, ~~are amenable to and welcome opening up substantial discussions to explore resolution between the parties.~~

Very Truly Yours,

DORROS LAW

Re: S [REDACTED] Br [REDACTED] v. Contra Costa Regional Medical Center
Notice of HIPAA/CMIA/PHI Privacy Violations

Dear Privacy Officer:

Dorros Law is retained counsel for S [REDACTED] Br [REDACTED] (our "Client") regarding certain serious violations of our Client's privacy rights, including violations of the Health Information Portability and Accountability Act ("HIPAA"), California Confidentiality of Medical Information Act ("CMIA"), and/or other relevant privacy laws and regulations ("PHI Privacy Laws") committed by Contra Costa Regional Medical Center ("You"). We have been engaged to see if we can resolve this serious matter prior to the need for litigation, however, if resolution cannot be achieved expeditiously, litigation or other options will be pursued.

Our Client was Your patient and thus You became privy to, and/or in possession of, our Client's protected private and confidential medical and other personal identifying information ("PHI"). As we are certain You are aware there are serious consequences for a healthcare provider/covered entity's, and/or its employees', violation of its/their privacy obligations relative to a patient's PHI. That is precisely what has occurred.

In violation of our Clients' privacy rights and related PHI Privacy Laws You and/or Your employees or contractors disclosed, used, or released our Client's PHI without authorization, and/or allowed our Client's PHI to be disclosed, used, released, or accessed without authorization, and otherwise failed to properly protect and secure our Client's PHI. In short, You and/or Your employee permitted an unauthorized third party to gain access, obtain, use, and exploit our Client's PHI without our Client's authorization and subsequently our Client's PHI was used in a fashion to try to harm and cause emotional distress, embarrassment, and other harm to our Client. Indeed, our Client's PHI, including an image of her PHI and medical record were specifically uploaded to Facebook in a further attempt to cause damage to our Client.

Please understand that, as a result of Your serious violations of our Client's privacy rights and related PHI Privacy Laws, our Client has suffered significantly including substantial emotional distress not to mention other damages. Moreover, simply as a result of the violations, under CMIA, let alone other bases for liability, including without limitation, common law and California Constitutional invasion of privacy, infliction of emotional distress, negligence and negligence per se, negligent hiring, retention, and supervision, breach of express and/or implied contract, and California Business and Professions Code §§ 17200 et seq., You are liable for actual damages, statutory damages, punitive damages, and attorney's fees.

While there remains the possibility to resolve this matter without the need for litigation, time is of the essence. We will need a response to this letter and realistic progress toward resolution on an expedited basis to avoid the need for court intervention. Therefore, we would request that you contact us within ten days of the date of this letter to discuss this serious matter.

Very Truly Yours,

DORROS LAW

LITIGATION HOLD NOTICE AND INSTRUCTIONS

~~You and/or your company/business ("You"), have been identified as a relevant party/person/entity~~ related to significant concerns that have arisen regarding the facts, circumstances, and matters related to issues identified in the above correspondence, including without limitation those related to Your and/or Your employee's or contractor's violations of our Client's privacy, PHI, and other legal rights, and other conduct referenced in the correspondence and/or prior correspondences between the parties and/or counsel ("Matters"). As such, we request that You read and carefully adhere to the instructions provided herein this Litigation Hold Letter.

The purpose of this correspondence is to ensure that no evidence, or potential evidence, relating to the Matters is lost, altered, deleted, or destroyed. The law requires that, once litigation is foreseeable all potential parties (and requested third parties) must maintain all and not destroy any potentially relevant documents, information and data even if that means holding documents, information and data well beyond minimum periods set out by law or Your or company record-retention policies. Destruction, deletion, loss, or alteration of evidence can cause a party to lose possible defenses, not to mention subject the party (and/or third party) to civil and criminal penalties.

In connection with the Matters, You, the parties, and third parties duly notified hereby, have a legal obligation to preserve all relevant documents, information and data. As indicated, the law requires preservation of all documents, information and data relating to or concerning the matters referenced herein, including, without limitation, any subject matter related to the Matters and Your and third parties' acts and conduct related to the Matters. To the extent You may have a question as to whether Documents, information, and/or data falls under the scope of this Litigation Hold Letter you should take a broad approach and assume that such Documents, information, and/or data are covered by this Litigation Hold Letter and therefore should ensure that such information, documents, and/or data is preserved, as outlined herein.

"Documents, information, and data" as used herein means not only hard copy documents, but also audio recordings, videotapes, e-mails, instant messages, social media posts, social media messages, word processing documents, spreadsheets, databases, calendars, telephone logs, Internet usage files, and all other electronically stored information (including metadata) maintained, created, received, indexed, and/or otherwise recorded, logged, or stored by You, the parties, and/or third parties on computer systems. Sources of the documents and data include, without limitation, all hard copy files, computer hard drives, computer servers, removable media (e.g., CDs, DVDs and flash drives), laptop computers, PDAs, Blackberry devices, cell phones, smartphones, and any other locations where hard copy and electronic data is or may be stored. Keep in mind that any of the above-mentioned sources of relevant information may include personal computers You or Your employees use or have access to at home, or other locations. It also includes inaccessible storage media, such as back-up tapes which may contain relevant electronic information that does not exist in any other form. The above should not be deemed an all-inclusive list of sources of documents, information, and data—Your obligation is to preserve all documents, information, and data.

In order to comply with Your legal obligations, You, the parties (and notified third parties) must immediately preserve not only all existing paper copies of documents, including drafts and revisions, but also all electronically stored information, including drafts and revisions, in its existing electronic format (along with all metadata) that relate or pertain to, without limitation, the matters and issues described or referenced above. In order to comply with this Litigation Hold, You should immediately suspend deletion, overwriting, or any other possible destruction of documents, information, and data related to the Matters, as well as suspend Your current document destruction policy and/or automatic deletion function on Your computers, servers, or other electronic devices.

Steps You Can Take to Further Protect Your Information

Review Your Account Statements & Notify Law Enforcement of Suspicious Activity

As a precautionary measure, we recommend that you remain vigilant for incidents of fraud, loss, theft, and identity theft by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution, or company with which the account is maintained. You also should promptly report any financial activity in any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission. To file a report with the FTC, you may call 1-877-ID-THEFT (637-425-4332), or write to the FTC, Bureau of Consumer Protection, 400 Pennsylvania Ave., NW, Washington, DC 20541. Reports filed with the FTC will be added to the FTC's Identity Theft Data Clearinghouse, which is a database made available to law enforcement agencies. You may wish to review the law provided by the Federal Trade Commission on how to avoid identity theft. A copy of "Taking Charge" What to Do if Your Identity is Stolen, a comprehensive guide from the FTC to help you guard against and deal with identity theft, can be found on the FTC's website at www.ftc.gov.

Copy of Credit Report

You may obtain a free copy of your credit report from one of the three (3) major credit reporting agencies once every twelve (12) months by visiting www.annualcreditreport.com, calling 1-888-851-4242, or by completing an Annual Credit Report Request Form and sending it to Annual Credit Report Request Service, P.O. Box 30281, Atlanta, GA 30321. You can purchase a copy of your credit report from the three (3) major credit reporting agencies. Or you can purchase a copy of your credit report by contacting one of the three (3) national credit reporting agencies. Contact information for the three (3) national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is provided below:

Fraud Alert

We recommend placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least ninety (90) days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report contact one of the three (3) credit reporting agencies identified above. Additional information is available at www.annualcreditreport.com

Security Freeze

You can request a "Security Freeze" on your credit file by sending a request in writing, by mail, to each of the three nationwide credit reporting companies. When a Security Freeze is added to your credit report, all third parties, such as credit lenders or other companies, whose use is not exempt under law will not be able to access your credit report without your consent. The Security Freeze may delay, interfere with or prohibit the timely approval of any subsequent request or application you make that involves access to your credit report. This may include, but is not limited to, new loans, credit, mortgages, insurance, rental housing, employment, investments, licenses, cellular phone service, utility service, digital signature services, Internet credit card transactions and extension of credit in form of sale. There may be a fee for placing, temporarily lifting, or removing a Security Freeze with each of the nationwide consumer reporting companies, although that fee is waived if you send the credit reporting company proof of eligibility by mailing a copy of a valid identity theft report, or other valid report from a law enforcement agency to show you are a victim of identity theft and are eligible for free Security Freeze services.

1. PARTIES & DATE. Effective on the above date, the County of Contra Costa, California (hereinafter "County"), and the above-mentioned Subdivider mutually promise and agree as follows concerning this Subdivision:

2. IMPROVEMENTS. Subdivider agrees to install certain road improvements (both public and private), drainage improvements, signs, street lights, fire hydrants, landscaping and such other improvements (including appurtenant equipment) as required in the improvement plans for this Subdivision as reviewed and on file with the Contra Costa County Public Works Department, as required by the Conditions of Approval for this Subdivision, and in conformance with the Contra Costa County Ordinance Code, including future amendments thereto (hereinafter "Ordinance Code").

Subdivider shall complete said improvements (hereinafter "Work") within the above completion period from date hereof, as required by the California Subdivision Map Act (Gov. Code, §§ 66410 et. seq.) in a good workmanlike manner, in accordance with accepted construction practices and in a manner equal or superior to the requirements of the Ordinance Code and rulings made thereunder; and where there is a conflict among the improvement plans, the Conditions of Approval and the Ordinance Code, the stricter requirements shall govern.

3. IMPROVEMENTS SECURITY. Upon executing this Agreement, the Subdivider shall, pursuant to Gov. Code § 66499 and the County Ordinance Code, provide as security to the County:

A. For Performance and Guarantee: \$ 1,000.00 cash, plus additional security, in the amount of \$ 15,000.00, which together total one hundred percent (100%) of the estimated cost of the Work. Such additional security is presented in the form of:

- Cash, certified check or cashier's check.
- Acceptable corporate surety bond.
- Acceptable irrevocable letter of credit.

With this security, Subdivider guarantees performance under this Agreement and maintenance of the Work for one year after its completion and acceptance against any defective workmanship or materials or any unsatisfactory performance.

B. For Payment: Security in the amount: \$ 8,000.00, which is fifty percent (50%) of the estimated cost of the Work. Such security is presented in the form of:

- Cash, certified check, or cashier's check
- Acceptable corporate surety bond.
- Acceptable irrevocable letter of credit.

With this security, Subdivider guarantees payment to the contractor, to its subcontractors and to persons renting equipment or furnishing labor or materials to them or to the Subdivider.

Upon acceptance of the Work as complete by the Board of Supervisors and upon request of Subdivider, the amounts held as security may be reduced in accordance with Sections 94-4.406 and 94-4.408 of the Ordinance Code.

4. **GUARANTEE AND WARRANTY OF WORK.** Subdivider guarantees that the Work shall be free from defects in material or workmanship and shall perform satisfactorily for a period of one (1) year from and after the Board of Supervisors accepts the Work as complete in accordance with Article 96-4.6, "Acceptance," of the Ordinance Code. Subdivider agrees to correct, repair, or replace, at Subdivider's expense, any defects in said Work.

The guarantee period does not apply to road improvements for private roads that are not to be accepted into the County road system.

5. **PLANT ESTABLISHMENT WORK.** Subdivider agrees to perform plant establishment work for landscaping installed under this Agreement. Said plant establishment work shall consist of adequately watering plants, replacing unsuitable plants, doing weed, rodent and other pest control and other work determined by the Public Works Department to be necessary to ensure establishment of plants. Said plant establishment work shall be performed for a period of one (1) year from and after the Board of Supervisors accepts the Work as complete.

6. **IMPROVEMENT PLAN WARRANTY.** Subdivider warrants the improvement plans for the Work are adequate to accomplish the Work as promised in Section 2 and as required by the Conditions of Approval for the Subdivision. If, at any time before the Board of Supervisors accepts the Work as complete or during the one year guarantee period, said improvement plans prove to be inadequate in any respect, Subdivider shall make whatever changes are necessary to accomplish the Work as promised.

7. **NO WAIVER BY COUNTY.** Inspection of the Work and/or materials, or approval of the Work and/or materials or statement by any officer, agent or employee of the County indicating the Work or any part thereof complies with the requirements of this Agreement, or acceptance of the whole or any part of said Work and/or materials, or payments therefor, or any combination or all of these acts, shall not relieve the Subdivider of its obligation to fulfill this Agreement as prescribed; nor shall the County be thereby stopped from bringing any action for damages arising from the failure to comply with any of the terms and conditions hereof.

8. **INDEMNITY.** Subdivider shall defend, hold harmless and indemnify the indemnitees from the liabilities as defined in this section:

A. The **indemnitees** benefitted and protected by this promise are the County and its special districts, elective and appointive boards, commissions, officers, agents and employees.

B. The **liabilities** protected against are any liability or claim for damage of any kind allegedly suffered, incurred or threatened because of actions defined below, and including personal injury, death, property damage, inverse condemnation, or any combination of these, and regardless of whether or not such liability, claim or damage was unforeseeable at any time before County reviewed said improvement plans or accepted the Work as complete, and including the defense of any suit(s), action(s), or other proceeding(s) concerning said liabilities and claims.

C. The **actions causing liability** are any act or omission (negligent or non-negligent) in connection with the matters covered by this Agreement and attributable to Subdivider, contractor, subcontractor, or any officer, agent, or employee of one or more of them.

D. **Non-Conditions.** The promise and agreement in this section are not conditioned or dependent on whether or not any indemnitee has prepared, supplied, or approved any plan(s) or specification(s) in connection with this Work or Subdivision, or has insurance or other indemnification covering any of these matters, or that the alleged damage resulted partly from any negligent or willful misconduct of any indemnitee.

9. **COSTS.** Subdivider shall pay, when due, all the costs of the Work, including but not limited to the costs of relocations of existing utilities required thereby; inspections; material checks and tests; and other costs incurred by County staff arising from or related to the Work, and prior to acceptance of the Work as complete or expiration of any applicable warranty periods, whichever is later.

10. **SURVEYS.** Subdivider shall set and establish survey monuments in accordance with the filed map and to the satisfaction of the County Road Commissioner-Surveyor before acceptance of the Work as complete by the Board of Supervisors.

11. **NON-PERFORMANCE AND COSTS.** If Subdivider fails to complete the Work within the time specified in this Agreement, and subsequent extensions, or fails to maintain the Work, County may proceed to complete and/or maintain the Work by contract or otherwise and Subdivider agrees to pay all costs and charges incurred by County (including, but not limited to, engineering, inspection, surveys, contract, overhead, etc.) immediately upon demand.

Once action is taken by County to complete or maintain the Work, Subdivider agrees to pay all costs incurred by County, even if Subdivider subsequently completes the Work.

Should County sue to compel performance under this Agreement or to recover costs incurred in completing or maintaining the Work, Subdivider agrees to pay all attorney's fees, staff costs and all other expenses of litigation incurred by County in connection therewith, even if Subdivider subsequently proceeds to complete the Work.

12. **INCORPORATION/ANNEXATION.** If, before the Board of Supervisors accepts the Work as complete, the Subdivision is included in territory incorporated as a city or is annexed to an existing city, except as provided in this paragraph, County's rights under this Agreement and/or any deposit, bond, or letter of credit securing said rights shall be transferred to the new or annexing city. Such city shall have all the rights of a third party beneficiary against Subdivider, who shall fulfill all the terms of this Agreement as though Subdivider had contracted with the city originally. The provisions of paragraph 8 (Indemnity) shall continue to apply in favor of the indemnitees listed in paragraph 8.A. upon any such incorporation or annexation.

13. **RECORD MAP.** In consideration hereof, County shall allow Subdivider to file and record the final map or parcel map for said Subdivision.

14. **RIGHT OF ENTRY.** Subdivider hereby consents to entry onto the Subdivision property, and onto any other property over which Subdivider has land rights and upon which any portion of the Work is to be installed pursuant to the improvement plans, by County and its forces, including contractors, for the purpose of inspection, and, in the event of non-performance of this Agreement by Subdivider, completion and/or maintenance of the Work.

6. NEW BUSINESS (20 minutes per application)

- a. **CDVR22-01054** – The applicant requests approval of a Variance for an approximately 10-foot side yard (where 15 feet is required) and a small lot design review in order to construct a 1,049 square-foot addition in line with the existing side yard of the single-family residence. The plans were approved as part of a small lot design review, but a survey performed for the building permit shows that the fence lines are not in line with the property lines as initially thought. Address is 315 Crest Avenue. (Planner: Adrian Veliz)

Motion to recommend approve by Member Mowat, second by Member Struthers. Unanimous approval.

Public Comment:

Jacob Schroeder (Applicant)

Valerie Schooley

- b. **CDVR22-01055** – The applicant requests approval of variances for an approximately 2.5-foot side yard (where 3 feet is required) and an approximately 2-foot rear yard (where 3 feet is required) for the construction of as-built retaining walls over 3 feet in height. Address is 2551 Joseph Drive, Alamo. (Planner: Adrian Veliz)

Motion to recommend denial based on a lack of information, by Member Struthers, second by Member Chaput. Vote is 5 to 2 (Member Brannan and Member Mowat vote against).

Public Comment:

Valerie Schooley

Eric Firstman

Questions:

- Was the wall built based on structural engineering plans such that a county inspector could determine that the wall is safe, and has proper drainage and reinforcement for its height and size? Why were the engineering plans dated after the wall was built?
- What are the County rules for the height of a retaining wall?
- How can the MAC be sure the trees planted will not be a future maintenance problem for the neighbor? is there enough room for the trees so that roots do not compromise the safety of the wall?
- Can the applicant explain what their hardship is that they require a variance to build this structure?

- c. **CDTP22-00017** – The applicant requests approval of a Tree Permit for the removal of nineteen (19) code-protected trees with the demolition of an existing single-family residence, and a Small Lot Design Review for the construction of a new, 5,915 sq. ft. single-family residence, a new pool, and a new, 545 sq. ft. pool house on a lot of substandard average width. The address is 132 Leona Court. (Planner: Diana Lecca)

Public Comment:

- d. December 4, 2022 Alamo Rotary Tree Lighting Cost

Motion to recommend approve by Member Struthers, second by Straznicka. Unanimous approval.

- e. 2023 Summer Concert and Movie Series Recommendation

Recommended dates: June 23 through the 4th of August depending on availability

Beach Boys, Sun Kings, David Perez and Forejour. If any of those are not acceptable because too expensive or not available on our preferred dates, then the alternate band is Mixed Nuts. The MAC would like to direct County staff to report the pricing of each band, realizing the budget guideline is \$5,000 per band but if one band is more expensive than that and one band is cheaper, then that is up to the MAC to decide not just that a band would be excluded because it exceeds \$5,000.

Motion to recommend by Member Struthers, second by Member Straznicka. Unanimous approval.

Recommended Movies: Star Wars, ET, Back to the Future, Goonies, Raiders of the Lost Ark, and Shrek

Motion by Vice Chair Chaput, motion by Member Straznicka. Unanimous approval.

Subject: Purchase Order for Stryker LifePak Defibrillators and Equipment

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent, on behalf of the Fire Chief, to execute a purchase order with Stryker, in an amount not to exceed \$215,000, for the purchase of four (4) LIFEPAK defibrillators and accompanying equipment.

They can also be used as a pacing device and conduct 12-lead electrocardiograms. The District needs to purchase new defibrillators periodically as older equipment becomes damaged beyond repair or ages beyond use.

EXHIBIT A – Legal Description

EXHIBIT B – Potential Capital Improvements

AMENDED AND RESTATED LEASE

This amended and restated lease agreement is dated as of April 1, 2023 (the “**Effective Date**”), and is between of the COUNTY OF CONTRA COSTA, a political subdivision of the State of California (the “**County**” or “**Lessor**”), and DALE VILLAGE APARTMENT COMPANY, LP, a California limited partnership (“**Tenant**”).

RECITALS

- A. Lessor owns and operates Buchanan Field, a public airport located at Concord, California (the “**Airport**”), as shown on the Airport Layout Plan, which plan is on file in the office of the County Director of Airports (“**Director of Airports**”).
- B. Lessor and Tenant are parties to a lease dated September 21, 1971, as modified, amended, and assigned (the “**Original Lease**”), under which Tenant is leasing real property at the Airport commonly known as 45 John Glenn Drive, as more fully described in Exhibit A (the “**Premises**”). Tenant’s possession of the Premises began under the Original Lease. As permitted under the Original Lease, the Premises has been improved by the construction of a 323-room hotel (the “**Hotel**”).
- C. The County and Tenant desire to amend and restate the Original Lease in order to extend its term and modify various provisions. As consideration for the extension of the term of the Original Lease, Tenant has the option to pay a lease extension fee of \$1,300,000 (the “**Extension Fee**”) or to make capital improvements to the Premises, as more fully described below.

The parties therefore agree as follows:

AGREEMENT

1. Lease: For and in consideration of the rent, fees, and faithful performance by Tenant of the terms and conditions and the mutual covenants hereof, Lessor hereby leases to Tenant, and Tenant hereby leases from Lessor the Premises, subject to all easements and encumbrances of record. Effective on the Effective Date, this lease supersedes and replaces the Original Lease. Effective on the Effective Date, the Original Lease has no force or effect. Notwithstanding the preceding sentence, the terms of the Original Lease remain in effect with respect to any rights or obligations that were accrued or incurred prior to the Effective Date.
2. Capital Improvements; Shortfall Fee:
 - A. Capital Improvements. During the term of this lease, Tenant may elect to make capital improvements to the Premises that (i) do not interfere with the safe operation of the Airport, and (ii) are consistent with the ongoing use and operation of the Hotel, such as those identified within Exhibit B (any such improvements, “**Capital**

Improvements”). Any Capital Improvements Tenant elects to perform are to be constructed by well-trained, adequately supervised workers, in a good and workmanlike manner, free from design, material and workmanship defects in accordance with all Applicable Laws and Restrictions (the “**Performance Standards**”). For purposes of this lease, “**Applicable Laws and Restrictions**” means all laws (including, without limitation, the Americans with Disabilities Act), ordinances, regulations, building codes, fire codes, orders, and policies in existence or adopted from time to time by the United States, the State of California, the County of Contra Costa and other government agencies having jurisdiction over the Premises.

- B. **Shortfall Fee.** If Tenant does not spend at least \$10,000,000 on Capital Improvements by June 30, 2028, Tenant shall pay the County the Shortfall Fee, plus interest on the Shortfall Fee calculated at 6% per year from the Effective Date through the date the Shortfall Fee is paid. For purposes of this lease, the “**Shortfall Fee**” is equal to the result obtained by multiplying the Extension Fee by a fraction, the numerator of which is the Shortfall Amount and the denominator of which is \$10,000,000. For purposes of this lease, the “**Shortfall Amount**” means the amount by which Tenant spends less than \$10,000,000 on Capital Improvements after the Effective Date and prior to July 1, 2028.
- i. **Example No. 1.** If the Shortfall Amount is \$1,000,000, the Shortfall Fee will be equal to $\$1,300,000 \times (\$1,000,000 / \$10,000,000)$, or \$130,000, plus interest at 6% per year from the Effective Date.
 - ii. **Example No. 2.** If the Shortfall Amount is \$10,000,000, the Shortfall Fee will be equal to $\$1,300,000 \times (10,000,000 / \$10,000,000)$, or \$1,300,000, plus interest at 6% per year from the Effective Date.
- C. **Documentation.** As soon as practicable after the earlier to occur of (i) June 30, 2028, and (ii) the date Tenant determines it has completed all the Capital Improvements it is going to make, if any, in connection with the calculation of the amount due under Section 2.B – Shortfall Fee, above, Tenant shall notify the Director of Airports in writing of the date the Capital Improvements were completed (such notice, the “**Completion Notice**”). Tenant shall cause the Completion Notice to include evidence of the amount expended to complete the Capital Improvements that were completed on or before June 30, 2028.
3. **Term:** The term of this lease is 50 years, beginning on the Effective Date and ending March 31, 2073.
4. **Holding Over:** If Tenant remains in possession of the Premises after the expiration of the term of this lease, it is not a renewal or extension of this lease but is only a tenancy from month to month that may be terminated at any time by Lessor or Tenant upon 30 days written notice. All terms and conditions of this lease then in effect will govern the month-to-month tenancy.

5. Rent: Monthly rent is payable monthly in advance without demand on or before the first day of each month (“**Ground Rent**”). For any partial month, Tenant shall pay Ground Rent to Lessor at a rate of 1/30 of the applicable Ground Rent per day.
- A. Initial Ground Rent: For the period April 1, 2023, through March 31, 2029, Tenant shall pay Ground Rent in the amount of \$41,700.00 per month.
- B. Adjusted Ground Rent:
- i. Revaluation Dates. Ground Rent will be adjusted every three years on the anniversary of the Effective Date (each such date, a “**Revaluation Date**”); provided, however, the first Revaluation Date will be April 1, 2029.
- ii. Calculation. Beginning on each Revaluation Date, Tenant shall pay Ground Rent for the subsequent three-year period in an amount equal to (1) the amount determined by dividing the sum of all Ground Rent and Percentage Rent (defined below) incurred during the preceding three-year period by 36 and multiplying the result by 0.65, or (2) the Ground Rent in effect during the preceding three-year period, whichever is greater. In no event will the adjusted Ground Rent be less than the Ground Rent in effect for the immediately preceding three-year period. The Lessor shall initiate the revaluation process prior to each Revaluation Date.
6. Percentage and Other Additional Rent:
- A. Percentage Rent. In addition to Ground Rent, beginning on April 1, 2026, Tenant shall pay Percentage Rent monthly in arrears, provided Percentage Rent is a positive number. If Percentage Rent is not a positive number, no Percentage Rent is due for that month.
- B. Percentage Rent Due Date. Percentage Rent is due no later than the 15th day of the month that follows the month Tenant earned the Gross Rooms Receipts and Other Gross Receipts (the “**Relevant Month**”).
- C. Definitions.
- i. “**Gross Receipts**” means, for any given period, collectively, Gross Rooms Receipts and Other Gross Receipts for that period.
- ii. “**Gross Rooms Receipts**” means all gross revenues for the rental of guest rooms in the Hotel that are collected, at the actual rates charged, and excluding any sales, use, excise or room or other similar taxes Tenant collects and transmits to the appropriate taxing authority. Gross Rooms Receipts does not include the value of any complimentary rooms or any gratuities or other charges that Tenant collects from guests that are paid or reimbursed to

employees or other parties. Gross Rooms Receipts does not include any bookings deposits until they have been earned.

- iii. **“Other Gross Receipts”** means all revenue and receipts derived from Tenant’s operation of the Hotel, excluding Gross Rooms Receipts, and excluding any sales, use, excise or other similar taxes Tenant collects and transmits to the appropriate taxing authority. Other Gross Receipts does not include the value of any complimentary goods and services (including food and beverage) or any gratuities or other charges that Tenant collects from guests that are paid or reimbursed to employees or other parties. Other Gross Receipts does not include any security deposits paid by or revenues of subtenants, licensees or concessionaires.
- iv. **“Percentage Rent”** means an amount equal to the result obtained by subtracting the then-current Ground Rent from the Percentage Threshold.
- v. **“Percentage Threshold”** for the period April 1, 2026, through March 31, 2033, means an amount equal to the result obtained by adding (x) the result obtained by multiplying Gross Rooms Receipts by 0.02, and (y) the result obtained by multiplying Other Gross Receipts by 0.01.
- vi. **“Percentage Threshold”** for the period April 1, 2033, through March 31, 2073, means an amount equal to the result obtained by adding (x) the result obtained by multiplying Gross Rooms Receipts by 0.04, and (y) the result obtained by multiplying Other Gross Receipts by 0.02.

D. Examples of Percentage Rent.

- i. Example No. 1. If Ground Rent is equal to \$41,700 and the Percentage Threshold is \$36,700:

$\$36,700 - \$41,700 =$ A negative number and no Percentage Rent is due.

- ii. Example No. 2. If Ground Rent is equal to \$41,700 and the Percentage Threshold is \$56,700:

$\$56,700 - \$41,700 = \$15,000$ and Percentage Rent of \$15,000 is due for that month.

E. Statement of Gross Receipts: No later than the 15th day of the month that follows the Relevant Month, Tenant shall furnish to the Lessor a written statement of monthly gross receipts that shows the Gross Rooms Receipts and Other Gross Receipts earned during the Relevant Month.

F. Certified Annual Statement: No later than 120 days after the close of Tenant’s fiscal year, and no later than 120 days after the termination of this lease, Tenant

shall deliver to the Lessor an annual statement of gross receipts that shows the Gross Rooms Receipts and Other Gross Receipts earned during the fiscal year, or if there is a stub period between the end of the most recently ended fiscal year and the termination of the lease, the Gross Rooms Receipts and Other Gross Receipts for that stub period, certified as being correct by an authorized accounting officer of the Tenant (“**Certified Annual Statement**”).

- i. If the Certified Annual Statement shows that an additional amount of Percentage Rent is due and payable to the Lessor, Tenant shall make such payment currently with the delivery of the Certified Annual Statement to the Lessor.
- ii. If the Certified Annual Statement shows that there has been an overpayment of Percentage Rent, such overpayment will be applied to future Ground Rent until such overpayment has been reimbursed to Tenant.

- G. Records: The Lessor may inspect the books and records of Tenant and any and all Subtenants from which any Statement of Gross Receipts or Certified Annual Statement is prepared at any reasonable time upon request. For this purpose, Tenant shall keep for a period of four years after submission of any such statement to the Lessor, all of Tenant’s records, books, accounts, and other data pertaining or necessary to the verification of Gross Receipts as defined herein, and shall, upon request, make the same available to the Lessor, the Lessor’s auditor, representative or agent for examination at any time during such four-year period. Failure to keep, maintain, and make available the records, books, accounts, and other data required by this Section is a default of this lease.
- H. Audits: The Lessor may, at the Lessor’s option, engage the services of an independent certified public accountant to audit and verify the accuracy of Tenant’s records, books, and accounts, including the Certified Annual Statement. If the audit shows that an additional amount of Percentage Rent is due and payable to the Lessor, Tenant shall make such payment within seven days of the Lessor’s demand therefor. If the audit shows that there has been an overpayment of Percentage Rent, the Lessor shall promptly repay to Tenant the amount of such overpayment or, at Lessor’s sole election, credit the amount of the overpayment to Ground Rent next due the Lessor by Tenant. If the audit shows an underpayment by Tenant that is greater than five percent of the Percentage Rent due to the Lessor, Tenant shall pay for the reasonable and actual cost of the audit.
- I. Records to Be Maintained: Tenant shall record all sales and other transactions, whether cash or credit, and shall keep full and accurate books of account and records in accordance with United States Generally Accepted Accounting Principles consistently applied, including without limitation, a sales journal general ledger, and all bank account statements showing deposits of gross receipts revenue. In addition, Tenant shall keep all cash register receipts with regard to

Gross Receipts, credits, refunds and other pertinent transactions, as well as records of all other exclusions and deductions from Gross Receipts.

- J. Additional Rent: In addition to the Ground Rent and Percentage Rent, Tenant shall pay as additional rent, all other charges, costs and fees required to be paid by Tenant pursuant to the provisions of this lease (such amounts, “**Additional Rent**,” and together with the Ground Rent and Percentage Rent, “**Rent**”).

7. Additional Payment Provisions:

- A. Late Rental Payments: If Tenant fails to pay Lessor any amount due under this lease within five days after the amount is due, Tenant shall pay to Lessor a late charge of \$100 per occurrence (the “**Late Charge**”), plus interest on the unpaid balance at a rate of one and one-half percent per month, from the date the payment was due until paid in full. Tenant shall pay all Late Charges as Additional Rent on or before the date the next installment of Ground Rent is due. Lessor and Tenant hereby agree that it is and will be impracticable and extremely difficult to ascertain and fix Lessor’s actual damage from any late payments and, thus, that Tenant shall pay as liquidated damages to Lessor the Late Charge specified in this Section, which is the result of the parties’ reasonable endeavor to estimate fair average compensation for the late payment (other than attorneys’ fees and costs). Lessor’s acceptance of the Late Charge as liquidated damages does not constitute a waiver of Tenant’s default with respect to the overdue amount or prevent Lessor from exercising any of the rights and remedies available to Lessor under this lease.
- B. Form and Place of Payment: Tenant shall pay all rents and fees in cash or by personal check, certified check, or money order, payable to the County of Contra Costa, by delivering same on or before due date to the Director of Airports Office, 550 Sally Ride Drive, Concord, California 94520, or at such other place as Lessor may designate from time to time.
- C. Returned Checks: If a check written by Tenant is returned for insufficient funds, Lessor may impose a reasonable service charge in addition to any Late Charge and in addition to any charges imposed by the bank. Lessor may require Tenant to pay Rent by certified check or money order if Tenant’s bank or banks have returned one or more personal checks within the preceding 12-month period.
- D. Security Deposit: Upon execution of this lease, Tenant shall pay \$41,700.00 to Lessor in cash as security for the faithful performance of the terms, covenants, and conditions of this lease (the “**Security Deposit**”).

Upon the occurrence of a Default, as defined in Section 27, Lessor may, in its sole discretion (but is not required to), apply the Security Deposit, or any portion of it, to any expense, loss or (i) any Rent or other sum owed to Lessor, (ii) any amount that Lessor may spend or become obligated to spend in exercising Lessor’s rights

under this lease, or (iii) damage sustained by Lessor resulting from Tenant's Default. Upon demand by Lessor, Tenant shall immediately pay to Lessor a sum equal to that portion of the Security Deposit expended or applied by Lessor as provided in this subsection so as to maintain the Security Deposit at its original level.

Upon the expiration or termination of this lease and (i) Tenant's satisfaction of the conditions set forth in Section 26. Surrender of Premises, and (ii) a final accounting by Lessor, any remaining Security Deposit balance will be refunded to Tenant, without interest. Tenant waives the provisions of California Civil Code section 1950.7, and all other provisions of law in force or that become in force after the date of execution of this lease, that provide that Lessor may claim from a Security Deposit only those sums reasonably necessary to remedy defaults in the payment of Rent, to repair damage caused by Tenant or to clean the Premises. Lessor and Tenant agree that Lessor may, in addition, claim those sums reasonably necessary to compensate Lessor for any other foreseeable or unforeseeable loss or damage caused by the act or omission of Tenant or Tenant's officers, agents, employees, independent contractors or invitees.

8. Lessor Processing and Transaction Fees: In the event that Tenant requires or requests Lessor's review, investigation, processing, recordation, or any other action in connection with any Tenant document, proposal or other matter that requires Lessor's staff time and resources, other than time and resources of the Contra Costa County Airports Division (e.g., a proposed assignment or other transfer, or an estoppel certificate), Tenant shall pay Lessor a transaction fee of \$2,500.00 plus all of Lessor's costs, including, but not limited to, staff time at rates determined by the County Auditor for time spent in connection with the matter until the matter is complete ("**Transaction Fee**"). The Transaction Fee will increase by \$500.00 on every fifth anniversary of the Effective Date and is due 30 days after demand therefor by Lessor.
9. Use of Premises: Except as otherwise provided herein, the Premises may be used by Tenant only for the operation of a midscale or higher rated (in accordance with STR classifications or comparable rating system) hotel, including the operation of a restaurant, cocktail lounge, banquet rooms, meeting rooms, swimming pool, shops and services, parking and other hotel supporting amenities, and for no other purpose.

Tenant may not use the Premises for any other purpose without the Director of Airport's express prior written consent. Any use of the Premises other than as described herein without the Director of Airports' prior written consent is a default of this lease.

10. Condition of Premises:
 - A. No Warranty: Tenant is leasing the Premises in an "as is" physical condition with no warranty, express or implied, on the part of Lessor as to the physical condition of the Premises, including but not limited to, the condition of any existing Improvements (as defined below), the soil and the geology of the soil, the air,

surface water and groundwater, the presence of known and unknown faults, the presence of Hazardous Materials (as defined below) and all other kinds of contamination and pollutants of any kind in the air, soil, groundwater and surface water, and the suitability of the Premises for the permitted use.

B. Maintenance: Tenant shall maintain the Premises in accordance with Section 13. Maintenance, Repair and Storage.

11. Utility Obligations: Tenant shall pay, on Tenant's own account, all charges for utilities used or consumed on the Premises, including, but not limited to, gas, water, electricity, garbage disposal, storm water and sanitary sewer services, janitorial services, and telephone services.

If Lessor, or any utility company, requires that any existing or new overhead distribution system be installed underground, Tenant shall, at its own cost and expense, provide all necessary facility changes on the Premises so as to receive such services.

12. Alterations and Additions:

A. Tenant may not do any of the following without the prior written consent of the Director of Airports (which may include email): (i) erect or place any additional structures on the Premises, (ii) make any improvements or alterations to the exterior of any of the buildings on the Premises, including the Hotel, or the parking area or landscaping, (iii) make any improvements or alterations to the interior of any of Tenant's Buildings that require the issuance of a building permit, or (iv) make any improvements the construction of which could trigger safety concerns for the Airport, such as the height of the thing being constructed or the height of equipment used in the construction. Tenant shall provide the Director of Airports with written plans detailing any proposed improvement for approval by the Director of Airports; provided, however, obtaining the Director of Airports' approval of plans is not required for improvements that constitute maintenance or repair of existing Improvements or the replacement of furniture, fixtures or equipment, even if a building permit is required for such repairs or replacements. When the approval of the Director of Airports is required, the Director of Airports may not unreasonably withhold or condition approval of the proposed improvement.

B. If Tenant makes alterations, constructs additions, or adds additional structures that violate the conditions of this lease (each, an "**Unauthorized Addition**"), at the Director of Airports sole discretion, Tenant shall remove all or any portion of the Unauthorized Addition at Tenant's sole cost and expense. If Tenant is required to remove any Unauthorized Addition, Tenant, at its sole cost and expense, shall restore the Premises to the condition existing immediately prior to the existence of the Unauthorized Addition, or such other similar condition determined at the discretion of the Director of Airports, reasonably exercised and reasonably approved by Tenant. If the Director of Airports determines that Tenant is not

required to remove all or any portion of an Unauthorized Addition, then the portion of the Unauthorized Addition that is not required to be removed will remain on and be surrendered with the Premises on the expiration or termination of this lease.

- C. If the Director of Airports has given written consent to Tenant, permitting Tenant to make alterations or improvements to the Premises, Tenant may not commence construction until Tenant has (i) obtained all necessary building permits and all other approvals required, and (ii) provided Lessor with 20 days advance written notice of the commencement of the construction. In addition, so long as Lessor provides same to Tenant signed and notarized by Lessor within the timeframe set forth in Civil Code Section 8444, Tenant shall cause the notice of Lessor non-responsibility to be posted and recorded during construction in accordance with Civil Code Sections 8442 and 8444. A copy of the notice is to be mailed to Lessor upon filing it with the County Recorder.

13. Maintenance, Repair and Storage:

- A. Premises Maintenance: Tenant shall, at its sole expense, throughout the term of this lease, maintain the Hotel and other structures, signs, driveways, parking surfaces, curbs, walkways, perimeter fences, landscaping, drainage and sewage lines, utility lines, irrigation systems and other facilities and improvements on the Premises (collectively, the “**Improvements**”), in a good order, condition and repair and, following the Completion Date, the quality of appearance in effect on the Completion Date, ordinary wear and tear excepted (the “**Maintenance Standard**”). Following the Completion Date, Tenant shall cause all maintenance, repairs, and replacements to be of a quality substantially equal to the material and workmanship used in completing the Capital Improvements. Lessor is the sole judge, exercising reasonable discretion, of the maintenance standards required; provided, however, if the Hotel is operating under a brand, the maintenance standards of the brand will be controlling.

Tenant shall perform all maintenance and repairs in compliance with Applicable Laws and Restrictions.

If Tenant fails to perform its maintenance obligations as described herein within 30 days of written notice by County to Tenant of such failure, County has the right to enter upon the Premises and to perform such necessary maintenance obligations and Tenant shall reimburse County for the costs thereof within 20 days after receipt of an itemized invoice therefor. If such maintenance obligations are of such a nature that they cannot reasonably be completed within such 30-day period, Tenant will be deemed to have performed its maintenance obligations within the 30-day period if Tenant begins to perform the maintenance obligations within the 30-day period and diligently pursues performance to completion.

- B. Lease Maintenance Plan: The Lessor shall reasonably determine what additional work Tenant is required to perform in order to maintain the Improvements in accordance with the Maintenance Standard through the remaining term of the lease (the “**Maintenance Work**”). Prior to such determination, the Lessor and Tenant shall conduct a joint inspection of the Improvements not earlier than April 1, 2066 and not later than March 31, 2067.

The Maintenance Work may include, but is not limited to, (i) interior and exterior building improvements, including roof, doors, windows, signage, street facades, painting, flooring, fixtures (i.e., lights, toilets and sinks), (ii) asphalt, (iii) HVAC, (iv) electrical and plumbing systems, but in all instances not requiring replacements and only requiring repairs to assure that the Improvements are in good condition, taking into account the age of the Improvements.

Within 90 days after the joint inspection of the Premises, Tenant shall prepare and submit to the Director of Airports for his approval a detailed plan that itemizes the Maintenance Work to be performed. The maintenance plan must include a timeline for the performance of the Maintenance Work and the expected cost of the Maintenance Work. The Director of Airports will review the proposed maintenance plan and approve or disapprove it within 30 days of receipt. If the proposed maintenance plan is not approved by the Director of Airports, the Director of Airports shall set forth in writing and notify Tenant of his reasons for withholding such approval. Tenant shall thereafter submit a revised maintenance plan to the Director of Airports, which approval is to be granted or denied within 30 days of receipt in accordance with the procedures set forth above. The Director of Airports may not unreasonably withhold approval of a proposed maintenance plan. If Tenant’s proposed maintenance plan is disapproved by the Director of Airports, Tenant shall submit a revised proposed plan to the Director of Airports until the approval of the Director of Airports is obtained. If the Director of Airports responds to Tenant’s proposed maintenance plan(s) (including, without limitation, any resubmittal thereof) in the time frame required in this Section, Tenant will be in default of this lease if a proposed maintenance plan is not approved by the Director of Airports by the date that is six months after the joint inspection of the Premises; provided, however, that such six-month period may be extended for an additional 90-day period, at the reasonable discretion of the Director of Airports, if the parties are in good faith negotiating the approval of the maintenance plan. The proposed maintenance plan that is submitted by Tenant and approved by the Director of Airports is the “**Maintenance Plan.**” Tenant’s failure to carry out the Maintenance Plan is a default of this lease.

- C. Plans and Lessor’s Approval: Prior to commencing any Maintenance Work, Tenant shall obtain the Director of Airports’ written approval of any plans prepared by architects, engineers or contractors that relate to the Maintenance Plan, and all modifications or amendments thereto, (including all working drawings and other supplements thereto, but excluding immaterial field changes).

- D. Tenant Responsibility for Maintenance Work: Tenant is solely responsible for obtaining all necessary permits and approvals and for paying any and all fees required for the Maintenance Work. Approval of the Maintenance Plan by the Director of Airports does not constitute a representation or warranty as to its conformity with other requirements, and responsibility therefor remains at all times in Tenant.

Tenant shall cause all Maintenance Work to be carried out in conformance with: (i) all requirements of the Lessor, (ii) the Maintenance Plan, (iii) Applicable Laws and Regulations, and (iv) the Maintenance Standard or the Performance Standard, as applicable.

- E. Performance Bond: Not less than ten working days before the commencement of the Maintenance Work, Tenant shall, at its sole cost and expense, furnish to the Lessor a performance bond of a surety company licensed to transact business in the State of California, or other type of security satisfactory to the Lessor, that (i) is in the amount of 100% of the total estimated cost of the Maintenance Work that is being performed, (ii) names Tenant as principal, and (iii) guarantees faithful performance of all construction work associated with the Maintenance Plan by the date that is identified in the Maintenance Plan as the date the Maintenance Work will be completed. The performance bond or other security must be in a form acceptable to the Lessor. Notwithstanding anything to the contrary in this subsection 13.E, if the cost to perform the Maintenance Work is equal to or less than 10% of Gross Receipts for Tenant's most recently completed fiscal year for which a Certified Annual Statement has been prepared, the Director of Airports, utilizing reasonable discretion, may waive the requirement of a performance bond or other security.
- F. Payment Bond: Not less than ten working days before the commencement of maintenance pursuant to the Maintenance Plan, Tenant shall, at its sole cost and expense, furnish to the Lessor either of the following: (i) a payment bond of a surety company licensed to transact business in the State of California that (x) is in the amount of 100% of the total estimated cost of carrying out the Maintenance Plan, and (y) guarantees the payment of all labor, materials, provisions, supplies and equipment used in, upon, for or about the performance of the construction work; or (ii) an alternate form of security that is acceptable to the Lessor in its sole discretion. The payment bond must be in a form acceptable to the Lessor and must satisfy the requirements of California Civil Code section 3248. Notwithstanding anything to the contrary in this subsection 13.F, if the cost to perform the Maintenance Work is equal to or less than 10% of Gross Receipts for Tenant's most recently completed fiscal year for which a Certified Annual Statement has been prepared, the Director of Airports, utilizing reasonable discretion, may waive the requirement of a payment bond or other security.

- G. Inspection and Acceptance: Tenant shall obtain all applicable permits and authorizations of, all local, state, federal and other government agencies and entities that have jurisdiction over the Maintenance Work, including but not limited to, the Contra Costa County Department of Conservation and Development and the Contra Costa County Public Works Department. All Maintenance Work is subject to inspection, testing, and acceptance in accordance with applicable laws, rules, regulations, and requirements of all governmental agencies and entities that have jurisdiction over the Maintenance Work. Nothing in this lease is to be construed as approval of any permit or authorization of any local, state, or federal government agency or entity that has jurisdiction over the Maintenance Work.
 - H. No Warranties: The inspection, testing and acceptance by the Lessor under this or any other section of this lease, of any plans submitted by or acts performed by Tenant does not constitute a warranty by the Lessor, and does not relieve Tenant of its obligation to fulfill the provisions of this lease and of the Maintenance Plan as approved by the Lessor, nor is the Lessor thereby estopped from exercising any of its remedies provided at law or equity or under this lease.
 - I. Engineering: Tenant is responsible for all engineering work and the accuracy thereof. Any material deviations from the Maintenance Plan approved by the Director of Airports must have prior written approval by the Lessor.
 - J. Paving and Concrete: As necessary during the term of this lease, Tenant shall upgrade the pavement for the parking lots within the Premises to enable them to accommodate the heaviest vehicle expected to operate in the area. When installed, the pavement must have an expected pavement life of at least 20 years. All road access must comply with the standards of the County's Public Works Department.
 - K. Notice of Non-Responsibility: Provided Lessor provides to Tenant a signed and notarized notice of Lessor non-responsibility within the timeframe set forth in Civil Code Section 8444, Tenant shall cause the notice to be posted and recorded during construction in accordance with Civil Code Sections 8442 and 8444. A copy of the notice must be filed with the County Recorder and mailed to the Director of Airports after filing.
 - L. Storage on Premises: Tenant may not store materials, supplies, products, equipment or other personal property that is not directly necessary for the operation of a hotel and associated uses on the Premises. Tenant shall store personal property items, supplies and materials and combustibles necessary for the operation of a hotel and associated uses inside the Tenant's Buildings in a safe, neat and sanitary manner.
14. Lawful Conduct: In connection with Tenant's use of the Premises, Tenant shall obey and observe, all the terms and conditions of this lease and all statutes, ordinances, resolutions,

regulations, orders, and policies now in existence or adopted from time to time by the United States, (including, but not limited to, the Federal Aviation Administration) the State of California, the County of Contra Costa, the Central Contra Costa Sanitary District, the San Francisco Bay Regional Water Quality Control Board, and all other government agencies with jurisdiction over the Premises, including, but not limited to, applicable laws concerning health, safety, fire, accessibility, police, and the environment.

Tenant shall pay all fines and penalties levied against it by any government agency for Tenant's violation of any applicable law associated with Tenant's activities on the Premises.

15. Waste, Quiet Conduct, Nuisance, Pollution: Tenant may not commit, or suffer to be committed, any waste upon the Premises or any nuisance or other act or thing that may disturb the quiet enjoyment or the use of the Airport or surrounding property.

Tenant may not permit any activity on the Premises that directly or indirectly produces unlawful or excessive amounts or levels of air pollution, (e.g., gases, particulate matter, odors, fumes, smoke, dust), water pollution, noise, glare, heat emissions, trash or refuse accumulation, vibration, electronic or radio interference with navigational and communication facilities used in the operation of the Airport or by aircraft, or any other activity that is hazardous or dangerous by reason or risk of explosion, fire, or harmful emissions.

16. Hazardous Materials:

A. Definition of Hazardous Materials: As used in this lease, the term "**Hazardous Materials**" means any hazardous or toxic substance, hazardous or radioactive material, or hazardous waste, pollutant or contaminant at any concentration that is or becomes regulated by the United States, the State of California, or any local government authority having jurisdiction over the Premises. Hazardous Materials include, but are not limited to, the following: (i) Any "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste," as defined in Sections 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health & Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law); (ii) any "hazardous substance" as that term is defined in Section 25316 of the California Health & Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) any material or substance listed as a chemical known to cause cancer or reproductive toxicity pursuant to Section 6380 of the California Labor Code, Division 5, Part 1, Chapter 2.5 (Hazardous Substances Information and Training Act); (iv) any "hazardous waste" as that term is defined in the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 *et seq.* (42 U.S.C. Section 6903); (v) any "hazardous substance" as that term is defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. Section 9601 *et seq.* (42 U.S.C. Section 9601); (vi) any pollutant, contaminant, or hazardous, dangerous, or toxic chemical, material, or substance, within the meaning of any other applicable federal, state, or local statute, ordinance,

Section 2011 *et seq.*; (ix) any asbestos in any form or condition; and (x) any polychlorinated biphenyls (PCBs) and any substances or any compounds containing PCBs.

- B. Use of Hazardous Materials: Tenant may not cause or permit any Hazardous Material, as defined in this Section, to be generated, brought onto, stored, used, emitted, released, discharged or disposed of in, on, under, or about the Premises by Tenant or its officers, employees, agents, contractors, renters, guests or invitees, except for the limited quantities reasonably required for keeping the Hotel and Premises in the standard required by the terms of this lease, of (i) standard office, landscaping, janitorial, pool and other supplies typically used in the operation of a hotel; (ii) building materials in the existing improvements on the Premises that were legally permitted when installed and are legally permitted to remain as part of the Premises so long as not disturbed, and (iii) such other Hazardous Materials as are approved in advance in writing by Lessor. During the term of this lease, Tenant shall comply with all applicable laws, statutes, ordinances, regulations, orders, etc., in effect that relate to public health and safety and protection of the environment including, but not limited to those identified in this Section (“**Environmental Laws**”).
- C. Notification to the Director of Airports: If, during term of this lease, Tenant becomes aware of (i) any actual or threatened release of any Hazardous Materials on, under, or about the Premises; or (ii) any inquiry, investigation, proceeding, or claim by any government agency or other person regarding the presence of Hazardous Material on, under, or about the Premises, Tenant shall (i) immediately provide verbal notification to the Director of Airports and (ii) provide written notification of such release or investigation to the Director of Airports within 24 hours after learning of it. In the event Tenant receives any claims, notices of violation, reports, or other writing concerning the aforementioned release or investigation, Tenant shall furnish copies of all such materials to Lessor no later than the business day following Tenant’s receipt thereof.

Notification to the Director of Airports under this Section does not relieve Tenant of any obligation to notify any government agency under any Applicable Law.

- D. Indemnification: Tenant shall, at Tenant’s sole expense and with legal counsel reasonably acceptable to Lessor, indemnify, protect, defend, and hold harmless Lessor and Lessor’s officers, employees, agents, and contractors from and against any and all demands, losses, claims costs, suits liability and expenses including without limitation, attorney’s fees and consultant fees arising out of or relating to the violation of any Environmental Laws or the use, handling, generation,

emission, release, discharge, storage or disposal of any Hazardous Materials by Tenant or Tenant's officers, employees, agents, contractors, Subtenants, renters, guests or invitees. This indemnification applies whether or not the concentration of such Hazardous Materials exceeds state or federal maximum contaminant or action levels or whether any government agency has issued a cleanup order. Losses, claims, costs, suits, liability, and expenses covered by this indemnification provision include, but are not limited to: (i) losses attributable to diminution in the value of the Premises; (ii) loss or restriction of use of rentable space on the Premises; (iii) adverse effect on the marketing of any rental space on the Premises; and (iv) penalties and fines levied by, and remedial or enforcement actions of any kind issued by any regulatory agency (including but not limited to the costs of any required testing, remediation, repair, removal, cleanup or detoxification of the Premises and surrounding properties). This indemnification clause will survive any expiration or termination of this lease.

17. Stormwater Discharge: Lessor has applied for and received a National Pollutant Discharge Elimination Permit ("NPDEP") under the Federal Clean Water Act, which covers Tenant's operations on the Premises. In accordance with Section 14, Lawful Conduct, of this lease, Tenant shall comply with (i) all laws and regulations arising under the Federal Clean Water Act that are applicable to Tenant's operations on the Premises; and (ii) Lessor's NPDEP.

Tenant shall ensure that no pollution or Hazardous Materials of any type is discharged from the Premises into the stormwater system at the Airport and shall comply with Lessor's NPDEP in all respects as it relates to the Premises and in accordance with the Stormwater Control Plan and Stormwater Control Operation and Maintenance Plan for the Premises, and any amendments thereto, and in accordance with all applicable laws and regulations and other Lessor requirements. Copies of the Stormwater Control Plan and Stormwater Control Operation and Maintenance Plan for the Premises will be maintained on file at the Contra Costa County Public Works Department and are incorporated herein by reference.

If Tenant conducts or produces any type of operation on the Premises that allows pollutants of any kind to enter the Airport's storm water system (a "**Storm Water Release**"), then Tenant shall notify County in writing that such event has occurred. If Tenant allows another Storm Water Release to occur after County's written notice to Tenant, then Tenant shall provide and install, at Tenant's sole expense, a separate drainage, collection, and/or separation system ("**Storm Water Equipment**") to ensure that no untreated liquid waste from any type of operation, prohibited from being discharged directly into the storm drainage or sanitary system, will enter the storm drainage system or sanitary system of the Airport, and assures that no pollution of any type or any Hazardous Materials, as defined in Section 16. Hazardous Materials, will be discharged into the storm water system at the Airport and shall comply with the NPDEP in all respects and shall be held responsible for any such discharge either by Tenant or by any of Tenant's subtenants, agents, or employees, during the entire term of this lease. Any fine or cost of remedial action required of the Airport by any agency or agencies having jurisdiction there over, as a result of actions on or discharges from the Premises,

will be charged to Tenant, and Tenant shall immediately reimburse County for these costs upon demand.

Tenant is responsible for any unlawful discharge by Tenant, its officers, employees, agents, contractors, renters, guests or invitees during the entire term of this lease. Any fine or remedial action required of Lessor, by any agency or agencies having jurisdiction over the Airport, as a result of actions or discharges from the Premises by Tenant, its officers, employees, agents, contractors, renters, guests or invitees, will be charged to Tenant, and Tenant shall immediately reimburse Lessor for these costs upon demand.

18. Rules And Regulations: Tenant shall observe and obey all policies, rules, and regulations promulgated by Lessor's Board of Supervisors and any other government entities or agencies having jurisdiction over the Airport., but such policies, rules and regulations may not be discriminately applied to the Premises or Tenant.
19. Noise Ordinance: Tenant shall comply with County Ordinances 87-8 and 88-82, as amended, and all other rules and ordinances relating to noise standards at the Airport, as may be approved from time to time by the County Board of Supervisors, to the extent such ordinances and rules are specifically relevant to the operation of the Hotel on the Premises. Lessor shall cause all other Airport tenants to comply with such ordinances and rules.
20. Security: Lessor has no obligation to provide security to the Premises; provided, however, that the existing fence between the Premises and the Airport was installed by Lessor and Lessor shall maintain such fence in good condition and repair. Lessor agrees that the fence prevents unauthorized vehicular or pedestrian traffic between the Premises and the Airport. Notwithstanding the foregoing, to the extent Tenant has access to the Airport through such fence (i.e., via a gate), Tenant agrees that it will not allow parties within the control of Tenant to access the Airport through such fence, and to the extent Tenant makes any changes to the Premises (as permitted by the terms of this Lease) that may impact the existing fencing, Tenant shall ensure that there is no unauthorized pedestrian or vehicular access between the Premises and the aircraft operating area in compliance with FAA and Airport security Requirements. Tenant shall provide adequate lighting to provide for all-night illumination of the perimeter of all Tenant's Buildings on the Premises, including vehicular parking lots and pedestrian walkways surrounding the Premises. If at any time during the Term of this Lease additional security requirements are imposed on the Airport by the FAA or any other agency having jurisdiction over the Airport which would be applicable to the Hotel operating on the Premises, Tenant shall comply with said security requirements at Tenant's sole expense. If Airport is fined by FAA for a security violation caused by Tenant, Tenant shall immediately reimburse Lessor upon demand.
21. Indemnification: Tenant shall defend, hold harmless, and indemnify the Indemnitees (as defined below) from the liabilities defined in this Section 21, but in no event will Tenant's indemnification obligation extend to any Liabilities caused by any intentional or negligent act or omission by Lessor or its respective officers, employees, agents, or representatives.

- A. “**Indemnities**” means Lessor, its governing body, elective and appointive boards, commissions, officers, employees, representatives and agents.
 - B. “**Liabilities**” means any liability or claim for damage of any kind allegedly suffered, incurred because of an Act (as such term is defined below) and such liabilities include, but are not limited to personal injury, death, property damage, or any combination of these, and including the defense of any suits or actions at law or equity concerning these.
 - C. An “**Act**” means any intentional or negligent act or omission by Tenant or its officers, employees, agents, representatives, invitees, contractors, subtenants, renters or guests (each, a “**Tenant Party**”) with respect to the Premises or matters related thereto, or claimed to be attributable to a Tenant Party.
 - D. The terms set forth in this Section 21 are not conditioned or dependent on whether Tenant or Lessor has prepared, supplied, or approved any plans or specifications in connection with work performed pursuant to Section 12. Alterations and Additions, or Section 13. Maintenance, Repair and Storage, or whether there is insurance or other indemnification covering any such matters. This indemnification clause will survive any expiration or termination of this lease.
 - E. Notice. Tenant shall give Lessor prompt and timely notice of any claim made or suit instituted of which it has knowledge, and which could in any way directly, contingently or otherwise affect Lessor. In such a circumstance, both Tenant and Lessor have the right to participate in the defense of the claim or suit to the extent of their respective interests.
22. Insurance: Tenant shall procure and maintain, at its own cost and expense, at all times during the term of this lease, the following policies issued by insurance companies authorized to do business in California, with a financial rating of at least an A-status (unless otherwise stated below) as rated in the most recent edition of Best’s Insurance Reports:
- A. Commercial General Liability and Property Damage Insurance: Tenant shall obtain and maintain, owner, landlord, and tenant commercial general liability insurance with a financial rating of at least an A- or P status (pooled insurance coverage) covering and insuring all parties hereto (including naming Contra Costa County and its officers, agents, and employees as additional insureds under the policy or policies) with a minimum combined single limit coverage of \$3,000,000.00 for all damages due to bodily injury, sickness or disease, or death to any person and damage to property, including the loss of use thereof, arising out of each accident or occurrence arising out of Tenant’s leasehold interest in, or maintenance or use of, the Premises and all operations necessary or incidental thereto. Liability insurance will be factored periodically to maintain adequate coverage.

- B. Property and Fire Insurance: Tenant shall insure for fire and extended coverage risks all personal property, improvements, and alterations in, on, or about the Premises (excluding earthquake and flood). Such insurance must be in an amount equal to 100% of insurable, full replacement value of any improvements located on thereon, and include vandalism and malicious mischief endorsements. Such property insurance policies must contain loss payable endorsements in favor of the parties as their respective interests may appear hereunder.
- C. Worker's Compensation: Tenant shall obtain workers' compensation insurance as required by law, covering all employees of Tenant, and such insurance shall be kept in force during the entire term of this lease.
- D. Form of Policies: Tenant shall cause all policies of insurance required by this Section to be in such standard form and written by such qualified insurance companies as is reasonably satisfactory to Lessor. Tenant shall provide evidence of such insurance to Lessor in the form of (i) a copy of the policies, and (ii) a duly executed certificate of insurance. All of such certificates shall name "Contra Costa County, its officers, agents, and employees" as additional insureds. To the extent available, said policy or policies or certificates shall contain a provision that written notice of policy lapses, cancellation or any changes thereto shall be delivered to Lessor no fewer than 30 days in advance of the effective date thereof.
23. Taxes: Tenant agrees to pay before delinquency all taxes (including, but not limited to, possessory interest tax), assessments, and other charges that are levied and assessed upon Tenant's interest in the Premises, or upon Tenant's personal property installed or located in or on the Premises, by Contra Costa County and other legally authorized government authority. Tenant may pay any taxes and assessments under protest, without liability, cost or expense to Lessor, to contest the amount in good faith.
24. Inspection, Access and Notice: Subject to the next sentence, after giving written notice to Tenant 24 hours in advance, Lessor and its agents may enter and inspect the Premises and the Improvements, including the Hotel. Lessor acknowledges that the guests of the Hotel have a reasonable expectation of privacy while in their rooms and nothing in this lease gives the Lessor the right to enter a guest's hotel room without first satisfying applicable legal requirements. Lessor also has the right to serve or to post and to keep posted on the Premises, or on any part thereof, any notice permitted by law or this lease, including but not limited to a notice pursuant to Section 8444 of the Civil Code. Lessor is not liable in any manner for any inconvenience, disturbance, loss of business, or other damage arising out of Lessor's entry on the Premises as allowed in this Section unless Lessor's acts are negligent or constitute an illegal entry as to an occupied guest room. Lessor shall conduct the activities as allowed in this Section in compliance with applicable laws and in a manner that will cause the least possible inconvenience, annoyance, or disturbance to Tenant and Hotel guests, and does not materially interfere with access to or use of the Premises. Tenant shall provide an access gate through the Premises for emergency vehicles.

25. Assignment and Encumbrances: Tenant may not voluntarily sell, assign, sublet, transfer or encumber (each, a “**Transfer**”), its interest in this lease or in the Premises, or allow any other person or entity (except Tenant’s authorized representatives or customers/guests of the Hotel) to occupy or use all or any part of the Premises, without first obtaining Lessor’s written consent, which may not be unreasonably withheld, delayed or conditioned. Notwithstanding the foregoing sentence, Lessor has the right to require financial and other information from a proposed assignee, sublessee, purchaser, transferee or other encumbering party (each, a “**Transferee**”), to make its decision, and Tenant shall assist Lessor in obtaining such information from any proposed Transferee. Any Transfer without Lessor’s prior written consent is voidable and, at Lessor’s election, constitutes a Default. Any consent to a Transfer does not constitute a further waiver of the provisions of this Section.

If Tenant is a corporation or a limited liability company, any (i) dissolution, merger, consolidation, or other reorganization of Tenant, or (ii) sale or other transfer of a controlling percentage of the capital stock or membership interests, as the case may be, of Tenant, or (iii) sale of 50% of the value of the assets of Tenant, will be deemed a voluntary assignment. The phrase “controlling percentage” means (a) in the case of a corporation, the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant’s capital stock issued, outstanding, and entitled to vote for the election of directors and (b) in the case of a limited liability company, ownership of, and the right to vote, membership interests possessing more than 50% of the total combined voting interests of Tenant.

26. Surrender of Possession:

A. Improvements:

- i. Title to Improvements. Subject to subsection 26.A.iii below, title to all Improvements, including all alterations or additions thereto (including Unauthorized Additions), will remain in Tenant until the expiration, cancellation, or other earlier termination of this lease. Upon expiration, cancellation or other earlier termination of this lease, except as otherwise provided herein, title to all Improvements will automatically vest in Lessor and will remain on and will be surrendered with the Premises.
- ii. Surrender. Subject to subsection 26.A.iii below, within 30 days after the expiration, cancellation, or termination of this lease, Tenant shall surrender to Lessor the Premises and all Improvements, including alterations and additions, in good condition (ordinary wear and tear excepted). If Tenant fails to surrender the Premises to Lessor within the time frame required by this lease, Tenant shall defend, indemnify, and hold Lessor harmless from any and all claims, liability, costs, and damages resulting from Tenant’s failure to surrender the Premises, including, without limitation, claims made by a succeeding tenant or renter.

iii. Unauthorized Additions. If (i) the Director of Airports determines that Tenant has not removed an Unauthorized Addition(s) that the Director of Airports had previously directed Tenant to remove in accordance with Section 12.B., or (ii) the Director of Airports was not made aware of the existence of the Unauthorized Addition(s) and, therefore, did not have an opportunity to direct Tenant to remove the Unauthorized Addition(s) in accordance with Section 12.B, and (iii) the Director of Airports elects to decline to take title to such Unauthorized Addition(s), the Director of Airports will notify Tenant in writing as soon as practicable following such election. Tenant shall cause the Unauthorized Addition(s) to be removed above ground level not later than 30 days after the expiration, cancellation, or termination of this lease, or such other date that is agreed upon by Tenant and Lessor. If Tenant fails to remove the Unauthorized Additions as required by this lease, Lessor may remove the Unauthorized Additions at Tenant's expense, and, upon written demand by Lessor, Tenant shall immediately reimburse Lessor, in full, for all of the reasonable and actual costs and expenses incurred by Lessor in removing the Unauthorized Additions.

B. Personal Property:

- i. Title to Personal Property. Title to personal property belonging to Tenant will remain in Tenant at all times during the term of this lease, and Tenant has the right at any time to remove any or all of its personal property from the Premises, provided that upon any such removal, Tenant shall repair, at Tenant's expense, any damage resulting therefrom and shall leave the Premises in a broom clean condition.
- ii. Failure to Remove Personal Property. If Tenant fails to remove any personal property from the Premises within 30 days after the expiration, cancellation, or termination of this lease, such personal property may be removed by Lessor at Tenant's expense by charging such expense to the Security Deposit. If the cost to remove personal property from the Premises exceeds the amount of the Security Deposit, then Tenant shall reimburse Lessor the difference between Lessor's cost and the amount of the Security Deposit, immediately upon receipt of Lessor's written demand therefor.

C. Effectiveness: The provisions of this Section will survive the expiration, cancellation or earlier termination of this lease.

27. Default: The occurrence of any of the following is a "**Default**" by Tenant:

- A. Tenant's failure to pay any Rent or other charges when due if the failure continues for 30 days after such payment is due. Notwithstanding the foregoing, failure to pay any Rent or other charges when due twice in any twelve-month period is a Default without further notice from Lessor.

- B. Tenant's failure to undertake such reasonable maintenance of the Premises as directed by the Director of Airports, if the failure continues for 30 days after notice of any reasonably required maintenance has been given to Tenant or if more than 30 days is required to complete such maintenance so long as Tenant commences to cure the default within the 30-day period and diligently pursues the cure to completion.
- C. Tenant's failure to cure a safety hazard impacting the Airport immediately upon notice from Lessor to do so. If, in the sole discretion of the Director of Airports, the required cure of the noticed safety hazard cannot be completed within 24 hours, Tenant is not in Default of this lease if Tenant commences to cure the failure within the 24-hour period and diligently and in good faith continues to cure the Default as soon as reasonably possible.
- D. Tenant's failure to provide any instrument or assurance or estoppel certificate required by this lease if the failure continues for five business days after written notice of the failure from Lessor to Tenant.
- E. Tenant's failure to perform any other obligation under this lease or any other deemed default under this lease if the failure continues for 30 days after written notice of the failure from Lessor to Tenant. If, in the sole discretion of the Director of Airports, the required cure of the noticed default cannot be completed within 30 days, Tenant is not in Default of this lease if Tenant commences to cure the Default within the 30-day period and diligently and in good faith continues to cure the Default to completion.
- F. The committing of waste on the Premises, including any intentional act by Tenant to harm the Premises, which is incapable of being cured within the cure period described in Section 27 B. above.
- G. Tenant's failure to comply with any of the provisions of Section 33, Non-Discrimination.
- H. To the extent permitted by law:
 - i. A general assignment is given by Tenant or any guarantor of the Lease for the benefit of creditors.
 - ii. The filing by or against Tenant or any guarantor, of any proceeding under an insolvency or bankruptcy law, unless (in the case of an involuntary proceeding) the proceeding is dismissed within 60 days of its filing.
 - iii. The appointment of a trustee or receiver to take possession of all or substantially all of the assets of Tenant or any guarantor unless possession is unconditionally restored to Tenant or that guarantor within 30 days and the trusteeship or receivership is dissolved.

- iv. Any execution or other judicially authorized seizure of all or substantially all of the assets of Tenant located on the Premises, or of Tenant's interest in this lease, unless that seizure is discharged within 30 days.

28. Lessor's Remedies: Lessor has the following remedies upon the occurrence of a Default. These remedies are not exclusive; they are cumulative and in addition to any remedies now or later allowed by law:

A. Lessor may terminate this lease and Tenant's right to possession of the Premises at any time. No act by Lessor other than giving written notice to Tenant shall terminate this lease. Lessor's acts of maintenance, efforts to re-let the Premises, or the appointment of a receiver on Lessor's initiative to protect Lessor's interest under this lease do not constitute a termination of Tenant's right to possession and Lessor has a duty to mitigate any damages it may suffer due to Tenant's Default. Upon termination of this lease, Lessor has the right to recover from Tenant:

- i. The worth at the time of the award, of the unpaid Rent that had been earned at the termination of this lease.
- ii. The worth, at the time of the award, of the amount by which the unpaid Rent that would have been earned after the date of termination of this lease until the time of award exceeds the amount of the loss of Rent that Tenant proves could have been reasonably avoided.
- iii. Subject to Civil Code section 1951.2(c), the worth, at the time of the award, of the amount by which the unpaid Rent for the balance of the lease term after the time of award exceeds the amount of the loss of Rent that Tenant proves could have been reasonably avoided.
- iv. Any other amount, and court costs, necessary to compensate Lessor for all detriment proximately caused by Tenant's Default.

"The worth, at the time of the award," as used in (i) and (ii) of this Section, is to be computed by allowing interest at the rate of ten percent per annum or the maximum rate permitted by law, whichever is less. "The worth, at the time of the award," as used in (iii) of this Section, is to be computed by discounting the amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus one percent.

- B. Lessor, at any time after the occurrence of a Default described in Section 27.B, can cure the Default at Tenant's cost, provided Tenant has failed to cure such Default within the 30-day notice period described in Section 27.B.
- C. Lessor, at any time after the occurrence of a Default described in Section 27.C, can cure the Default at Tenant's cost, provided Tenant has failed to cure such Default within the 24-hour notice period described in Section 27.C or fails to diligently and in good faith continue to cure the Default as soon as reasonably possible.

- D. If Lessor at any time, by reason of Tenant's Default, pays any sum to cure a Default or does any act that requires the payment of any sum, the sum paid by Lessor will be due from Tenant to Lessor within 30 days from the time the sum is paid, following written notice by Lessor to Tenant of the amount due. If such amount is not paid within 30 days of the notice, the amount due will bear interest at the rate of ten percent per annum or the maximum rate permitted by law, whichever is less, from the date the sum is paid by Lessor until Lessor is completely reimbursed by Tenant. The amount due from Tenant, together with interest accrued thereon, is Additional Rent.
29. Destruction: Tenant shall promptly notify Lessor in writing of any damage or destruction to any or all of the Hotel (a "**Casualty**").
- A. Twenty Percent or Less. In the event of a Casualty valued at 20% or less of the then-replacement value of the Hotel, Tenant shall repair the damage to the Hotel and no rent abatement will apply.
- B. Greater than Twenty Percent. In the event of a Casualty valued in excess of 20% of the then-replacement value of the Hotel, Tenant has the option to either (i) terminate this Lease, provided Tenant assigns to Lessor all insurance proceeds arising from the Casualty that remain after any required payment to the Mortgagee, as defined in Section 32 – Financing of Leasehold Estate, pursuant to an express provision of the Leasehold Mortgage, as defined in Section 32 below, or (ii) repair the Hotel to a condition that is substantially the same as the one that existed immediately before the Casualty. Tenant shall give written notice of its election to Lessor within 30 days after the Casualty. If Tenant elects to terminate, the termination will be effective as of the date of Tenant's notice to Lessor. If Tenant elects to rebuild, Tenant is entitled to a proportionate reduction of Ground Rent (i) while repairs are being made, or (ii) for three months, whichever is less, unless Tenant is compensated by insurance for rent due Lessor, in which case no rent abatement will apply. The proportionate reduction in Ground Rent will be calculated by multiplying the monthly Ground Rent by a fraction, the numerator of which is the number of square feet of the Hotel that are unusable by the Tenant and the denominator of which is the total square feet in the Hotel.
- i. If Tenant elects to repair the Hotel, Tenant will have 180 days to commence repair or restoration and shall diligently pursue the completion of the repair or restoration.
- ii. If Tenant elects to terminate this lease in accordance with this Section 29 and insurance proceeds are paid to Lessor, after Lessor either (i) completes repairs that return the Hotel to the condition that existed immediately prior to the Casualty, or (ii) demolishes the Improvements and removes the debris, any remaining insurance proceeds will belong to the Tenant.

30. Condemnation:

- A. If the whole or any part of the Premises is taken as a result of the exercise of the power of eminent domain or is conveyed to any entity having such power under threat of exercise thereof (both such actions being hereinafter referred to as “**Condemnation**”), this lease will automatically terminate as to the portion taken as of the date physical possession is taken by the condemnor. The value of any damages to the remainder of the Premises sustained by Tenant and Lessor as a result of a Condemnation action will be determined by a court of law or by negotiation and agreement with the condemnor.
- B. If the remaining part of the Premises is not reasonably suitable for the use described in Section 9, Use of Premises, as reasonably determined by Tenant, this lease may be terminated by either Lessor or Tenant through written notice to the other party within 30 days of the condemning agency’s adoption of a resolution of necessity (or such agency’s equivalent determination), to condemn the whole or any portion of the Premises. If a Condemnation takes (i) 25% or more of the Premises, or (ii) the portion of the Premises providing Tenant access to the Site Improvements, Tenant may terminate this lease by providing Lessor written notice within 30 days of the condemning agency’s adoption of a resolution of necessity (or such agency’s equivalent determination), to condemn such portion of the Premises. If the remaining part of the Premises is reasonably suitable for the operation of the business described in Section 9, as reasonably determined by Tenant, this lease will continue in full force and effect as to such remaining part. If this lease is not terminated as of the date of such Condemnation, Rent will be reduced to an amount equal to the product of (i) the then-current Rent multiplied by (ii) a fraction, the numerator of which is the number of square feet of the Premises remaining after such Condemnation, and the denominator of which is the number of square feet of the Premises prior to such Condemnation.

In the event that all or any part of the Premises is taken by Condemnation or conveyed in lieu thereof, both parties have the right to pursue a condemnation award against the condemning agency. To the extent allowed by law, Tenant is entitled to any award for lost business, the residual value of its leasehold interest, moving expenses, and the depreciated value of any fixtures or property improvements installed and not removed by Tenant. Lessor is entitled to all other amounts awarded, including but not limited to, all amounts awarded for land value. No claim made by or payment to Tenant will diminish or otherwise adversely affect Lessor’s award. Provided the Lessor is not the condemning agency, Tenant will not have, and may not make, any claim against Lessor for any loss, damage or other matter arising out of any Condemnation.

31. Cancellation by Lessor: If Lessor requires the Premises for purposes other than the operation of a hotel and related activities, Lessor may terminate this lease with not less than 12 months’ prior written notice (the “**Material Change Termination Option**”). The written notice provided by Lessor will specify the date on which the lease will

terminate (the “**Termination Date**”). The Termination Date may not be sooner than the 25th anniversary of the Effective Date.

If Lessor exercises its Material Change Termination Option, Lessor shall pay Tenant an amount equal to (i) the value of Tenant’s remaining interest in the Premises based on the fair market value of the remaining term of the lease and any other relevant factors, and (ii) the then-existing fair market value of the Site Improvements (the “**Termination Value**”). Payment of the Termination Value is due within ten days of the earlier to occur of (i) the Termination Date and (ii) Tenant’s satisfaction of its obligation to maintain the Premises in a first-class condition, in accordance with Section 13.A. above.

Tenant has no right to recover the value of its Improvements in the event the lease is terminated as a result of Tenant’s Default or for any reason other than as specified in this Section.

32. Financing of Leasehold Estate:

- A. Tenant’s Right to Encumber. Subject to the conditions set forth below, Tenant may, at any time, encumber, at its discretion, all or any portion of its interest in the Lease, the leasehold estate, and the Improvements by mortgage (a “**Leasehold Mortgage**”). Tenant may have no more than two Leasehold Mortgages outstanding at any time. Any Leasehold Mortgage will be subject and subordinate to all rights and interests of Lessor and will be a lien only on Tenant’s interests in and to this lease and the leasehold estate and will not be a lien on Lessor’s fee interest in the Premises or reversionary interest in the Improvements. Any Leasehold Mortgage is subject to the terms and provisions of this lease and the holder of the Leasehold Mortgage (each, a “**Mortgagee**”), or anyone claiming by, through or under the Mortgagee, will not, by virtue of the Leasehold Mortgage, acquire any greater rights hereunder than Tenant has under this lease. Tenant shall deliver to Lessor copies of all documents recorded to evidence any and all Leasehold Mortgages and all notices of default received by Tenant from a Mortgagee. Tenant shall also cause any Mortgagee to deliver copies of default notices to Lessor, simultaneously upon mailing to Tenant.
- B. Tenant’s Obligations. Tenant covenants and agrees to pay the indebtedness secured by a Leasehold Mortgage when the same becomes due and payable and to perform, when such performance is required, all obligations of the mortgagor thereunder. Tenant further agrees not to suffer or permit any default to occur and continue under a Leasehold Mortgage.
- C. Rights of Mortgagee. A Mortgagee may enforce its rights under its Leasehold Mortgage and acquire title to the Tenant’s leasehold estate in any lawful way. Subject to this lease, including without limitation, the “Use of Premises” and “Rent” provisions hereof, and all other terms, provisions and conditions of this lease, upon foreclosure of such Leasehold Mortgage and the Director of Airports’ receipt of a copy of the final judgment confirming the sale, the successor in interest may take possession of that portion of the leasehold estate subject to the

Leasehold Mortgage. During such time as the Mortgagee or any successor in interest is the owner and holder of the leasehold estate and Tenant's interest hereunder, whether by foreclosure or otherwise, such interests are subject to all of the terms, conditions and provisions of this lease.

- D. Notice to Mortgagee. So long as Tenant or Mortgagee has provided Lessor with Mortgagee's address for notices, Lessor shall provide Mortgagee with a copy of any notice of Default served upon Tenant by Lessor. Lessor agrees that if Tenant fails to cure such Default within the time provided for in this Lease, then the Mortgagee may have the following additional times to cure:
- i. as to any Rent and other sums payable hereunder, within 30 days after written notice from Lessor to Mortgagee that Tenant has not cured such default within the applicable cure period provided in this Lease; and
 - ii. as to all other defaults which are susceptible to cure by Mortgagee by performance, within 30 days after the later of (a) the date Mortgagee receives written notice from Lessor of such default or (b) the last day that Tenant is given to remedy or cause to be remedied the defaults complained of, or, if within such period such default cannot be cured, to commence to so cure within such 30 day period and thereafter diligently and continuously proceed therewith to completion; provided that, with respect to such other defaults under this subclause (b) which cannot be cured by Mortgagee without obtaining possession of the Premises, then Mortgagee's time to cure the default will not start until it obtains possession of the Premises so long as Mortgagee, within 60 days after receiving notice of such default, commences formal legal proceedings to obtain such possession and thereafter prosecutes such proceedings diligently and so long as Mortgagee or a wholly owned subsidiary or affiliate of Mortgagee has cured by payment and performance all other defaults then or thereafter existing.
- E. Notice of Compliance. Upon written request by Tenant, Lessor shall execute, acknowledge, and deliver to Tenant or to any Mortgagee, a written statement stating (i) whether the Lease is unmodified and is in full force and effect, and if modified, whether the modified Lease is in full force and effect, and stating the nature of the modification, (ii) whether Lessor is aware of any Default by Tenant in the performance or observance of any term or condition of this lease, (iii) whether any notice has been given to Tenant of any Default that has not been cured (and, if so, specifying the nature of the Default) and (iv) any other information reasonably requested of Lessor.
- F. No Modifications. Notwithstanding anything contained in this lease to the contrary, so long as there exists an unpaid Leasehold Mortgage on the leasehold estate of Tenant which Lessor has been notified of in accordance with the provisions of this lease, this lease may not be modified, amended or altered in any respect and Lessor may not accept a voluntary surrender of the Premises or a

cancellation of this lease (provided Leasehold Mortgagee timely remedies any default and keeps this lease current, all as provided above) prior to the expiration or sooner termination thereof, without the prior written consent of Leasehold Mortgagee, not to be unreasonably withheld, conditioned or delayed in the case of a proposed amendment or modification, and which may be withheld in Leasehold Mortgagee's sole and absolute discretion in the case of a voluntary surrender or cancellation.

- G. No Merger. So long as any debt secured by a Leasehold Mortgage in compliance with the provisions hereof remains unpaid and provided the Mortgagee timely remedies any Default and keeps the monetary obligations due under this lease current, all as provided above, unless Mortgagee otherwise consents in writing, the fee title to the Premises and the leasehold estate in the Premises may not merge but are to be kept separate estates, notwithstanding the union of such estates either in Lessor or in Tenant or in a third party by purchase or otherwise.
- H. Modifications Requested by Lender. From time to time during the Term, Lessor agrees to enter into proposed amendments to this lease reasonably requested by a Mortgagee and approved by Lessor in its reasonable discretion; provided, such changes may not: (a) affect Lessor's rights or Tenant's obligations under this lease; (b) increase any of Lessor's obligations hereunder; (c) affect the Rent to be paid hereunder; or (d) affect the use restrictions set forth in this lease in any material respect. As a condition to entering into any such modifications, Tenant shall pay all of reasonable Lessor's attorneys' fees and costs in connection with such proposed amendment.
- I. Foreclosure. In no event will Lessor's consent be required for a Mortgagee to foreclose on the Leasehold Mortgage or for Mortgagee to effect a transfer or assignment in lieu of foreclosure to itself or an affiliate (which Mortgagee may cause Tenant to enter into). If at any time during the term of this lease, the Mortgagee succeeds to Tenant's interest in the lease by foreclosure or otherwise, the Mortgagee will be subject to the terms and provisions of this lease, including, without limitation, the obligation to pay Rent as and when due. After acquiring Tenant's rights by foreclosure or by transfer in lieu of foreclosure, Mortgagee will continue to be liable for perform Tenant's obligations under this lease, including those accruing and arising prior to the conclusion or consummation of such foreclosure or other transfer, until the Mortgagee transfers or assigns the leasehold estate as permitted by this lease. In no event will a Leasehold Mortgagee acquire greater rights or interest than Tenant has under this lease.
- J. New Lease. In addition, if the lease terminates for any reason, including without limitation a default by Lessee thereunder or rejection of the lease in any bankruptcy proceeding without full satisfaction of the Leasehold Mortgage, and within 30 days after such termination, Mortgagee, by written notice, requests Lessor to enter into a new lease of the Premises, then Lessor shall enter into a new lease with Mortgagee (or its nominee, subject to Lessor's prior written consent,

which consent shall not be unreasonably withheld) within 30 days after the giving of the written notice by Mortgagee, except that Mortgagee shall continue to keep all rent and other sums payable under the this lease current and abide by all other terms of this lease up to the effective date of the new lease.

33. Non-Discrimination:

- A. Tenant hereby covenants and agrees: (i) that no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to, discrimination in the use of the Premises on the grounds of race, color, sex, or national origin; (ii) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, sex, or national origin; and (iii) that Tenant shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as such regulations may be amended.
- B. In the event of a breach of any of the above non-discrimination covenants, Lessor shall have the right to terminate this lease and to re-enter and repossess the Premises and the facilities thereon. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed, including the expiration of any appeal rights.
- C. Tenant shall furnish its accommodations and services on a fair, equal, and not unjustly discriminatory basis to all users thereof and it shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service, provided that Tenant may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- D. Noncompliance with subsection C above constitutes a material breach thereof and, in the event of such noncompliance, Lessor has the right to terminate this lease without liability therefor or, at the election of Lessor or the United States, either Lessor or the United States government, or both have the right to judicially enforce the provisions of this subsection D.
- E. Tenant agrees that it shall insert the above subsections A through E in any sublease agreement by which Tenant grants a right or privilege to any person, firm, or corporation to render accommodations or services, or both to the public on the Premises.
- F. In the event Tenant employs anyone on the Premises or in connection with its activities on the Premises, Tenant assures that it will undertake an Affirmative Action program (as such term is defined by 14 CFR Part 152, Sub-part E (“**Sub-part E**”)), as required by Sub-part E to ensure that no person is excluded from participating in any employment activities covered by Sub-part E on the grounds

of race, creed, color, national origin, or sex. Tenant assures Lessor that no person will be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by Sub-part E. Tenant assures Lessor that it will require that its covered suborganizations provide assurances to Tenant that they similarly will undertake Affirmative Action programs, and that they will require assurances from their suborganizations, as required by Sub-part E, to undertake the same effort.

34. Operation of Airport by Lessor:

- A. Aviation Hazards: Lessor shall take any action it considers necessary to protect the aerial approaches of the Airport against obstructions, including preventing Tenant from constructing, or permitting the construction of, any building or other structure on the Premises that, in the opinion of Lessor or the Federal Aviation Administration, would limit the usefulness of the Airport or constitute a hazard to aircraft.
- B. Navigational Aids: Lessor reserves the right during the term of this lease, during any renewal and/or extension or holdover period thereof to install air navigational aids including lighting, in, on, over, under, and across the Premises, subject to Tenant's reasonable review and approval of same. In the exercise of any of the rights hereof, Lessor shall give Tenant no less than 90 days written notice of its intention to install such air navigational aids and shall negotiate in good faith with Tenant as to the location and operation of same. In no event may the navigational aids disturb or interfere with the operation of the Hotel, and if they do, it will be deemed a taking requiring compensation to Tenant. Following installation, Lessor is responsible for the maintenance and operation of such equipment in a manner that does not disturb or interfere with the operation of the business on the Premises.

35. Airport Use and Development:

- A. Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Tenant and without interference or hindrance.
- B. Lessor reserves the right, but is not obligated to Tenant, to maintain and keep in repair the landing area of the Airport and all publicly-owned facilities at the Airport.
- C. This lease is subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States, including but not limited to the Federal Aviation Administration, relative to the development, operation, and maintenance of the Airport.
- D. There is hereby reserved to Lessor, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace

above the surface of the Premises. This public right of flight includes the right to cause in said airspace all noise inherent in the operation of any aircraft used for navigation or flight through said airspace, and all noise inherent in landing at, taking off from, and operations at the Airport.

36. Development of Premises:

- A. Tenant shall comply with any applicable notification and review requirements covered by 14 CFR Part 77 of the Federal Aviation Regulations in connection with any modification or alteration to an existing building on the Premises and in connection with the construction, modification or alteration of any building or structure constructed on the Premises in the future.

From: Greg Baer, Director of Airports
Date: March 7, 2023

Subject: Approval of an Amended and Restated Lease for the Existing Hotel at 45 John Glenn Drive, Buchanan Field Airport (District IV)

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Director of Airports, or designee, to execute an amended and restated lease with Dale Village Apartment Company, LP, to extend the term of the lease for the property located at 45 John Glenn Drive, Concord, through March 2073, at an initial annual rent of \$500,400, with rent increases every three years.

FISCAL IMPACT:

There is no negative impact on the General Fund. The amended lease facilitates the Airport Enterprise Fund to continue to receive ground rent and other income from this existing hotel site. As a result of this lease extension, the General Fund will continue to receive revenue from sales, transient occupancy, and possessory interest taxes.

BACKGROUND:

In September 1971, the County entered into a long-term ground lease for the subject property for the development of a 323-room hotel at Buchanan Field Airport. While this property was approved by the Federal Aviation Administration (FAA) for non-aeronautical uses, it remains subject to the FAA's lease provisions. The hotel was constructed under the terms of the original lease and has been in operation for approximately 50 years. The term of the original lease

BACKGROUND: (CONT'D)

expires May 31, 2037.

Following a series of lease assignments, the current tenant is Dale Village Apartment Company, LP (Dale Village). Dale Village desires to make improvements to the property, including renovation of the hotel in order to align it with a national brand. Financing for the improvements is expected to be through a leasehold mortgage. To make the costs associated with the needed renovation economically viable, the financing will need to be amortized over a longer period of time than the 14 years remaining on the existing lease. To that end, Dale Village has requested that the term of the lease be extended through March 2073, which equates to a 36-year term extension.

In addition to extending the term of the lease, the proposed amended and restated lease will modify the terms applicable to ground rent and other amounts due from the tenant, allow Dale Village to make capital improvements to the property, and incorporate current County and FAA standard lease terms. Such modifications and updates will make the document more consistent with other leases in effect with the Airports Division.

This lease extension aligns with the Airports Division's goal of revenue diversification through non-aeronautical leases. Additionally, it facilitates investment in airport property that also benefits the greater community.

CONSEQUENCE OF NEGATIVE ACTION:

If the term of the lease is not extended, the hotel will not be renovated or attached with a national brand. As a result, there will most likely be a reduction in the economic viability of the property, including the diminishment of rent received by the Airport Enterprise Fund, as well as sales, transient occupancy and possessory interest taxes received by the County.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a Change Order with Golden State Fire Apparatus, in the amount of \$30,075, for the purchase of one (1) Type 3 Model 34 Wildland Firefighting Engine and increasing the maximum expenditure amount under the contract to not exceed \$423,075.

FISCAL IMPACT:

The new maximum expenditure amount established by this action is \$423,075. The original contract price was \$374,800 plus this change order of \$30,075. The balance of \$18,200 remains available for contingencies that may arise during the build process between now and the time the vehicle is delivered.

The Fire District received a \$1.2 million Measure X allocation for purchase of two pieces of apparatus for Fire Station 94 (formerly 54) in Brentwood. The purchase price of the two pieces of fire apparatus exceed the Measure X allocated funding by approximately \$123,000. BACKGROUND:

On April 26, 2022, the Board authorized the Fire Chief, or designee, to enter into a contract for purchase of a Boise Mobile Equipment (manufacturer) wildland firefighting engine through Golden State Fire Apparatus (dealer). See item C.5 on the Fire Board agenda. On April 28, 2022, the Fire District executed the contract for purchase.

In February 2023, the Fire District was contacted by the manufacturer, through the dealer, about the price increase. This purchase was a "tag-on" to a State of California competitively bid contract. The manufacturer found it necessary to go to the CA Department of General Services (DGS) and request a price increase of \$30,075 for each apparatus. When CA DGS granted this price increase, the increase applied to all "tag-on" orders associated with the same contract.

This price increase is acceptable to Fire District staff and is consistent with other apparatus manufacturer market conditions.

CONSEQUENCE OF NEGATIVE ACTION:

The District will not acquire the new fire engine. The current age and condition of the fleet will deteriorate and negatively impact the District's ability to provide safe, reliable, and effective emergency response. Maintenance costs and out-of-service times will increase due to mechanical breakdowns.

BACKGROUND:

On May 12, 2020, the Contra Costa County Fire Protection District Board of Directors authorized the Fire Chief to execute a contract extension to provide emergency ambulance services and a contract amendment and extension with American Medical Response as the subcontractor for the next five years. A component of this amendment is for the Fire District to purchase the rolling stock for the next five-year term. As part of the requirement of the amendment, the District will purchase 20 ambulances and the necessary upfitting equipment. From: Lewis T. Broschard III, Chief, Contra Costa Fire Protection District
Date: March 7, 2023

Subject: GEMT QAF Payment to California Department of Health Care Services CY 2022 Q4

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Auditor-Controller, on behalf of the Contra Costa County Fire Protection District (District), to make a payment to the State of California Department of Health Care Services in an amount not to exceed \$547,586 for the Ground Emergency Medical Transportation Quality Assurance Fee for ambulance transports provided by the District in the months of October through December (Quarter 4) of 2022.

FISCAL IMPACT:

The fiscal impact is revenue generating for the Contra Costa County Fire Protection District (District) due to the significant number of Medi-Cal transports within the District's ambulance operating area. Medi-Cal is the second highest payer type (second to Medicare). The net revenue the District receives will be calculated by multiplying the \$220.80 per transport uplift for Medi-Cal fee-for-service and Medi-Cal managed care transports less the \$34.02 Quality Assurance Fee (QAF) the District is required to pay on all transports.

The net revenue estimate (uplift less QAF) for the District for the current fiscal year is approximately \$2 million under these funding and fee parameters.

BACKGROUND:

The Centers for Medicare and Medicaid Services (CMS) approved State Plan Amendment (SPA) 18-004 authorizing the Ground Emergency Medical Transportation (GEMT) Quality Assurance Fee (QAF) program in March 2019. QAF is an add-on fee used to increase Medi-Cal funding. Essentially, emergency medical transportation providers in California must pay this fee on all transports, and in return, providers receive an uplift that increases the Medi-Cal reimbursement base rate for Medi-Cal fee-for-service and managed care recipients. The GEMT QAF program increases the historic base rate of Medi-Cal reimbursement by \$220.80 per transport. The GEMT QAF program, therefore, increases the per transport reimbursement from the historic base rate of \$118.20 to \$339.00.

To fund this program, the State of California Department of Health Care Services (DHCS) began assessing all transport providers within the State of California a fee of \$25.23 per transport effective July 1, 2018. The fee was increased to \$26.07 for FY 2019-20, to \$32.30 for FY 2020-21, and to \$33.42 for FY 2021-22. The current rate of \$34.02 in effect for FY 2022-23 is assessed on ground emergency medical transports with dates of service beginning January 1, 2022 through December 31, 2022.

The District received the attached invoice from DHCS on February 14, 2023. The invoice is for the period October, November, and December (Quarter 4), for \$547,585.92.

This request is for calendar year 2022 quarter 4 fees (for October-December 2022 transports). The payment for Quarter 4 is due on May 1, 2023.

Note that the GEMT QAF program ended December 31, 2022, so this will be the final payment under the "legacy" program. Pursuant to Assembly Bill 1705 (Bonta, 2019), a new Public Provider-Ground Emergency Medical Transportation Intergovernmental Transfer (PP-GEMT IGT) program went into effect on January 1, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

The GEMT QAF payment is mandatory for all ambulance providers within the State. If not paid, the State can assess late payment penalties and withhold provider payments for ambulance services provided to Medi-Cal recipients.

Subject: Ordinance to prohibit commercial vehicles exceeding a maximum gross weight of 20,000 pounds at all times on various roads in North Richmond areas.

RECOMMENDATION(S):

A. ADOPT Ordinance No. 2023-06 to prohibit commercial vehicles exceeding a maximum gross weight of 20,000 pounds at all times on Fred Jackson Way (Road No. 0461A), Market Avenue (Road No. 0562), Chesley Avenue (Road No. 05464A), Gertrude Avenue (Road No. 0564E), First Street (Road No. 0565U), Fifth Street (Road No. 0565AA), and Sixth Street (Road No. 0565AC), as recommended by the Public Works Director, North Richmond area, and MAKE related findings.

B. FIND that Fred Jackson Way, Market Avenue, Chesley Avenue, Gertrude Avenue, First Street, Fifth Street, and Sixth Street, are residential roadways that are not compatible with heavy truck use, and that unsafe conditions and traffic hazards are created by commercial vehicles with a gross weight of more than 20,000 pounds, and that a weight restriction of 20,000 pounds is necessary to safeguard the public health, safety, and welfare.

C. DIRECT the Clerk of the Board of Supervisors to publish the ordinance in the East Bay Times within 15 days after its adoption, with the names of the Supervisors voting for and against it.

D. DIRECT the Public Works Director, or designee, to post appropriate signs at the above-specified intersections of Fred Jackson Way and Chesley Avenue, Fred Jackson Way and Pittsburg Avenue, Market Avenue at Contra Costa County/City of San Pablo border, Chesley Avenue at Contra Costa County/City of San Pablo border, First Street at Chesley Avenue, Fifth Street at Chesley Avenue,

RECOMMENDATION(S): (CONT'D)

Sixth Street at Chesley Avenue, Gertrude Avenue at First Street, and Gertrude at at Contra Costa County/City of Richmond border, to provide notice of the restriction imposed by the ordinance.

E. DIRECT the Public Works Director, or designee, to forward a copy of this ordinance to the Contra Costa County Sheriff.

FISCAL IMPACT:

Nominal costs to install signs to provide notice of weight restricted roadways. (100% Local Road funds)

BACKGROUND:

In February 2007, the former Contra Costa County Redevelopment Agency prepared the North Richmond Truck Route Study to develop an alternative route for trucks to reduce truck traffic in the residential area of North Richmond and Verde Elementary School, and to establish a link to major transportation corridors, including Richmond Parkway. The study designated unincorporated County roadways Richmond Parkway and Parr Boulevard as an alternative truck route to the east side of North Richmond.

After the study was released, the Contra Costa County Redevelopment Agency was dissolved by State law. No project has since been developed to reduce truck traffic in the residential area on North Richmond and Verde Elementary School.

Heavy commercial vehicles continue to utilize residential roads to cut through the North Richmond area and bypass roads more appropriate for commercial vehicles. This excess truck traffic on residential roadways, including roads near Verde Elementary School, is detrimental to public health, safety, and welfare. Health and safety impacts of truck traffic in these residential zones include excess noise, dust, fumes, and exhaust, and longer stopping distances, poorer visibility, and other traffic hazards due to the size and weight of the vehicles. Additionally, the residential roadways in North Richmond most impacted by this traffic were not designed or constructed for this volume of commercial truck traffic of this weight and size.

After receiving ongoing complaints from residents about heavy trucks passing through local residential streets in North Richmond, the community requested that Contra Costa County Public Works Department restrict heavy trucks from using their roadways as a bypass to destinations outside of North Richmond. The County has developed a truck restriction sign plan designed to reduce truck traffic in the residential area of North Richmond and near Verde Elementary School. Unincorporated County roadways, Richmond Parkway and Parr Boulevard, are appropriate to serve as alternate routes for commercial trucks to travel to and from the east and west sides of North Richmond to bypass these residential areas. Richmond Parkway is appropriate as an alternate route for commercial trucks to travel to and from the north and south sides of North Richmond to bypass these residential areas.

It should be noted that this 10-ton truck restriction matches those already established just south of North Richmond by the City of Richmond on their neighborhood roadways.

In order to prohibit heavy trucks from using the neighborhood roads, Fred Jackson Way, Market Avenue, Chesley Avenue, Gertrude Avenue, First Street, Fifth Street, and Sixth Street, as cut-throats, the Public Works Department recommends that the Board of Supervisors adopt this ordinance to restrict commercial vehicles with a gross weight of more than 20,000 pounds from using these residential roads. This weight restriction will be enforced after signage is posted giving notice of the restriction.

CONSEQUENCE OF NEGATIVE ACTION:

The ordinance will not be adopted. Commercial vehicles with a gross weight of more than 20,000 pounds will be able to continue to use Fred Jackson Way, Market Avenue, Chesley Avenue, Gertrude Avenue, First Street, Fifth Street, and Sixth Street, which will result in continued unsafe conditions and traffic hazards along residential streets in North Richmond and near Verde Elementary School.

BACKGROUND: (CONT'D)

Coordinating Entity Recommendation in the ATS Plan

The ATS Plan included a recommendation to create a new "coordinating entity" that would be responsible for implementing the recommendations of the Plan. The lack of a responsible party was identified as a weakness in prior plans. The following is the recommendation in the ATS Plan for the CE:

Establish a Dedicated Countywide Coordinated Entity (CE)

A CE should either be created or designated to implement countywide study recommendations. The Task Force (TF) will be responsible for determining where this entity should be housed – it could be in an existing non-profit or public agency, or the TF could determine that a new entity will need to be established.

As shown in the language above, the ATS Plan did not determine what type of organization the CE would ultimately be. This was to be explored and determined after the adoption of the ATS Plan by the ATS Task Force.

The ATS Task Force met for just over a year and among other activities, developed a recommendation for the type of CE that should be established. The Task Force reviewed the following organization types as potential options for CE designation:

- One of the Contra Costa public transit agencies (AC Transit, County Connection, Tri Delta Transit, WestCAT)
- The Contra Costa Transportation Authority
- A new or existing non-profit
- A new joint powers authority

At their October 20, 2022 meeting, the ATS Plan Task Force recommended to the CCTA that a framework be established for the Countywide CE as a nonprofit/CCTA partnership.

The CCTA Board considered the Task Force recommendation at their December 21, 2022 meeting with Ying Smith (Director of Programs) explaining that CCTA would establish a new non-profit CE to coordinate the accessible transportation programs and services with the intent that the transit operators maintain authority over their ADA paratransit operations. The CCTA Board concurred with the Task Force recommendation and approved the establishment of a framework and concept for the Countywide Coordinating Entity with a unanimous vote. The meeting minutes from the 12-21-22 CCTA Board meeting are attached to this staff report.

Measure X CE Payment

The Measure X MOU includes the following language related to Payment #4 which addresses the establishment of a new Coordinating Entity.

Task 3. Identify and, if necessary, create, the Coordinating Entity and take all feasible steps to establish the entity's operations. For the Coordinating Entity to be created, the task force will submit its final recommendation for approval to the County Board of Supervisors, through the County's Conservation and Development Department, and to CCTA's Board. Both parties shall agree on the organization type of the Coordinating Entity in order for the 20% Coordinating Entity funding to be provided per Schedule 2. The two parties shall meet as necessary to come to an agreement. Payment 4: 20% will be paid within 60 days of receipt of an invoice and supporting documentation establishing that the Board of Supervisors and CCTA have approved the Coordinating Entity recommendation in accordance with Schedule 1. (Task 3)

Discussion

The ATS Task Force conducted a robust, public process which ultimately led to a staff recommendation of a CCTA/non-profit partnership as the CE. The Task Force voted unanimously in support of the recommendation. A diverse range of stakeholders participated in the dialog including executive staff and Board members from Contra Costa's public transit operators, non-profit staff, local elected officials, and Contra Costa Health Services staff.

Transportation, Water, and Infrastructure Committee (TWIC) Discussion

The ATS Plan is on the TWIC list of referrals, the Committee discussed this matter at their February 14th meeting and approved bringing it to the Board of Supervisors meeting with recommendation to approve.

*Agreement No. 623 "Funding MOU Between County of Contra Costa and the Contra Costa Transportation Authority, effective April 1, 2022, for the Implementation of the Accessible Transportation Strategic Plan" (Link to [Agreement No. 623](#))

CONSEQUENCE OF NEGATIVE ACTION:

If the action is not taken, then CCTA would not be eligible for Payment 4 as established in the Accessible Transportation Strategic Plan Measure X Funding MOU.

FISCAL IMPACT:

Upon approval, this action will result in a total annual cost increase of approximately 154,863, which includes \$40,150 in pension cost. The increase to salary and benefit costs will be fully funded by Hospital Enterprise Fund I revenues.

BACKGROUND:

The Health Services Department is requesting to establish the classifications of Food Service Worker (Generalist, Specialist, and Lead) for its Food and Nutrition Services Program located at the Contra Costa Regional Medical Center (CCRMC).

The Institutional Services Worker (Generalist, Specialist, and Lead) classifications were established in September of 1982 for positions in Environmental Services and Food Services at CCRMC. The need for two separate series of classifications is due to the difference in duties, responsibilities, and competencies in the Food Services and Environmental Services assignments, as well as the knowledge, skills, and abilities required in each assignment. The duties and responsibilities in the Food Services assignment range from routine work involved in food preparation and serving in the kitchen or cafeteria lines, as well as cleaning and sweeping in those areas. The duties and responsibilities in the Environmental Services assignment involve cleaning bathrooms, cleaning furniture and equipment, sweeping and vacuuming floors, moving furniture and equipment, and preparing minor equipment at CCRMC and its Health Centers.

In order to recruit for the Food Services positions, the Health Services Department is requesting the above-mentioned classifications be established and all Institutional Services Worker (Generalist, Specialist, and Lead) positions assigned to Food Services be reclassified to Food Service Worker (Generalist, Specialist, and Lead) positions.

In addition, we are reallocating the Institutional Services Aide, the Institutional Services Worker (Generalist, Specialist, Lead) series, and the Environmental Services Supervisor in order to assist with recruitment and retention efforts. The Food Service Worker (Generalist, Specialist, Lead) salaries will align with the Institutional Services Worker (Generalist, Specialist, Lead).

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the Department will not be able to recruit for the required knowledge, skills, and abilities specific to Food Services, and will continue to rely on staff who are not appropriately classified. Additionally, the Institutional Services Worker series will continue to experience recruitment and retention issues.

BACKGROUND: (CONT'D)

removal defense legal services for indigent Contra Costa residents in need of legal representation in deportation proceedings. Since launch, Stand Together Contra Costa has been a highly successful program which serves as a direct conduit between the County's social services array and our vulnerable immigrant populations who are seeking access to services and accurate information about issues of particular concern to marginalized immigrant populations. The program fills a crucial role in promoting due process in Contra Costa's immigrant legal services landscape, as it is the only program in the County which provides pro bono deportation defense services to our indigent immigrant families.

With high levels of volatility in philanthropic funding and with significant levels of turnover at CBO partners, moving the functions of legal assistance and community engagement/services navigation in-house at the Office of the Public Defender will be more efficient and provide greater stability in service delivery for these complex and often long-lasting cases. Shifting these critical programmatic functions from CBOs into the Office of the Public Defender will improve service delivery and will increase operational efficiency for the legal assistance, navigation, and community engagement functions of Stand Together Contra Costa.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the resources committed to the project would not be allocated to support legal services and community engagement for those in our community seeking legal due process in the immigration legal system.

CHILDREN'S IMPACT STATEMENT:

Over 27% of current Stand Together Contra Costa clients are immigrant children aged 0-17. This action will enable the Office of the Public Defender to improve legal services delivery and holistic services navigation to this vulnerable population of children.

BACKGROUND: (CONT'D)

Manager. The Division manager position is critical in the operations of Children and Family Services (CFS). They have the responsibility of identifying and securing Relative Family Approval (RFA) placement for youth in need of alternate care. This position has become increasingly crucial since the implementation of the Continuum of Care Reform and the decrease in available beds and placement resources for high-level placement needs youth. This position is an anticipation of the retirement on July 31, 2023, of an incumbent Employment and Human Services Division Manager. The Department is requesting the creation of a parallel position to the ensure adequate training and smooth transition of responsibilities.

CONSEQUENCE OF NEGATIVE ACTION:

If not filled, management and oversight of Child Welfare Operations, Services and Support to Social Work Supervisors, Social Workers and youth in need of placement will diminish. Creating increased liabilities, challenges in delivering services, securing placement, shelter options in addition to a potentially negative impact on supervision, safety, risk and oversight of Bureau policies as well as children in foster care.

ADOPT Position Adjustment Resolution No. 26120 to add two (2) full-time Systems Accountant I (LWWB) (represented) positions at salary level ZB5-1694 (\$7,613.18 - \$9,253.87) in the Auditor-Controller's Office.

FISCAL IMPACT:

The total annual cost of this action will be approximately \$351,000 and will include pension costs totaling approximately \$52,000, 100% General Fund. For the remainder of FY 2022-23, the Department will absorb the costs with anticipated salary savings from vacant funded positions. A general purpose revenue allocation is being recommended as part of the FY 2023-24 budget development to provide ongoing sustainable funding for the positions.

BACKGROUND:

Contra Costa County has contracted with Workday, Inc. ("Workday") for a hosted subscription to Workday's financial management software services in order to replace the current legacy finance system. Workday will eliminate many of the County's manual processes and reduce the amount of paper used. The solution is designed to allow for electronic input of transactions, with real-time validation, thus enhancing the accuracy and efficiency of the process.

BACKGROUND: (CONT'D)

Additionally, users will be able to track the status of any transaction they have entered or approved, leading to improved workflows and transparency. Workday is scheduled to go live on April 1, 2023.

Both the Auditor's Office and the Department of Information Technology will require additional positions to provide ongoing technical support for the Workday system. Based on the anticipated requirements for the initial fiscal year following the system's implementation, the Auditor's Office has concluded that the hiring of two systems accountants will adequately address the needs of the department. The Department may request further personnel adjustments once the system is fully deployed and workload impacts can be fully assessed by the County.

CONSEQUENCE OF NEGATIVE ACTION:

The Workday system will not be provided adequate technical staff support and the County's financial processes may run the risk of failure.

Subject: Adjusting the Salary of Senior Hydrologist classification

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 26125 to reallocate the salary for the Senior Hydrologist (N9HC) (represented) classification from salary plan and grade ZA5 1949 (\$9,799.83 – \$11,911.76) to salary plan and grade ZA5 1950 \$9,824.44 -\$11,941.66.

FISCAL IMPACT:

The annual cost of reallocating the salary of the Sr Hydrologist will cost \$359.00. Costs are recovered through various project-related charges.

BACKGROUND:

As a result of the 2021 economic reopener negotiations between Local 21 and the County, effective January 1, 2022 the salary range of the *Senior Civil Engineer* classification was adjusted slightly upward to fix a compaction problem with *Associate Civil Engineer*. However, until 2022, the salary range for the

Senior Hydrologist classification had always been equal to the salary range for *Senior Civil Engineer*. When the slight adjustment was made to the salary range of *Senior Civil Engineer* effective January 1, 2022, that historical salary relationship between the two classifications was inadvertently broken. This action will restore the parity in pay between the two classifications.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to take action would result in the salary for two classifications of Senior Civil Engineer and Senior Hydrologist no longer being tied when they have been historically perceived as equal.

BACKGROUND: (CONT'D)

with County and State elected officials representing Contra Costa County over the past 17 years:

Lisa Chow is a long-standing public servant having worked under three separate elected officials since 2006. Over the last 17 years, Ms. Chow has developed her career in the public arena with increased responsibility and support to each elected official she has worked for.

Originally starting as an hourly employee under then Contra Costa County Supervisor Mark DeSaulnier, Ms. Chow was administrative staff to the Supervisor and staff. When Mr. DeSaulnier became a member of the California State Assembly, Ms. Chow began to staff or represent the member at meetings and events, work directly with constituents, state departments and completed casework. Ms. Chow continued to offer administrative support to the District Director and district staff.

Upon Mr. DeSaulnier's election to the California State Senate, Ms. Chow continued to build on her work. While at the Senate, she continued her work from the Assembly but now, with a larger district, she managed the member's district calendar, organized community office hours/town halls, and managed multiple interns within the district office.

In 2012, Ms. Chow returned to Contra Costa County working for County Supervisor Karen Mitchoff. From 2012-2022, Ms. Chow's responsibilities included staffing or representing the Supervisor at meetings and events, managing the Supervisor's full calendar, being a staff liaison to multiple County Departments and Cities, community outreach, constituent casework, and managing all office administration functions. As the Supervisor's representative, Ms. Chow spent 6 years working on the Oak Park Properties Project which was a multi-jurisdictional project and yielded a new Library building and much needed housing in the City of Pleasant Hill.

CONSEQUENCE OF NEGATIVE ACTION:

The incumbent would be required to remain at Step 1 of the salary range, which does not appropriately reflect the experience of the individual within the County.

BACKGROUND:

The County receives funds from the California Department of Social Services (CDSS) to provide CalWORKs Stage 2 Childcare Program to program-eligible families for children ages 0-12 years old. Families must meet at least one of these eligibility criteria to meet program eligibility: receiving cash aid within the last 24 months, income eligible, experiencing homelessness, or recipients of protective services or at risk of being abused, neglected or exploited. Additionally, families must have an established need for childcare. Currently, the program is serving approximately 203 families with 306 children.

The Employment and Human Services Department (EHSD) received notification of first amendment from CDSS on November 21, 2022, for Agreement Number C2AP-2009-01.

The Board of Supervisors approved the original agreement in the amount of \$3,567,014 on October 18, 2022 (C.30).

This board order is to accept additional funds from California Department of Social Services in the amount of \$3,817,333 with no change in period of July 1, 2022 through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, program-eligible families and children 0-12 years of age will not receive alternative payment program childcare services.

CHILDREN'S IMPACT STATEMENT:

The Employment and Human Services Department Community Services Bureau supports three of Contra Costa County's community outcomes - Outcome 1: "Children Ready for and Succeeding in School," Outcome 3: "Families that are Economically Self-sufficient," and, Outcome 4: "Families that are Safe, Stable, and Nurturing." These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.

EVCS shall obtain all the necessary permits and/or governmental approvals required for installation of the Equipment. Execution of this Agreement in no way constitutes approval by any County or City department with permitting authority over EVCS' activities. For the purposes of initially creating a rebate application and reserving funding for the Project, EVCS and Site Host may mutually agree to leave Exhibit B blank upon initial execution. Once funding is reserved and further feasibility and recommendations are made by EVCS1 electrical contractor in accordance with Site Host's written approval, the Parties shall further specify the approved location(s) and Site design by mutual written agreement on Exhibit B;
- c) Payment of all costs of its contractors associated with the delivery, site preparation, installation, and setup of the Equipment at the Project Site;
- d) Design, installation, wiring, connection and integration of the charging system, consumption/use meters, and related equipment into the public power grid in a manner sufficient to allow operation of the charging station(s) and the ongoing metering of power usage from each charging port. - h) Use commercially reasonable efforts to prevent damage and vandalism of any type to the Equipment;
- i) Not open, move, modify, reverse engineer, or disassemble the whole or any part of the Equipment or any part thereof in any manner. - j) Not uninstall the Equipment;**
- k) Allow EVCS and its approved contractors necessary access to the Project Site for installation, maintenance, repair, replacement and approved de-installation of the Equipment;
- l) Shall cause the Premises to be maintained in a clean, safe, and orderly condition to at least the same standard as to which other areas at the Property that are under the Site Host's control are maintained;

EVCS must provide reasonable notice to Site Host prior to enrollment in Demand Response programs. EVCS must also notify Site Host when any charging unit is off-line or otherwise not operational due to participation in Demand Response programs. If Demand Response program benefits credits the Site Host utility bill, the utility bill credit will be used to offset cost electricity described in paragraph 4, subsection d and Demand Charges described in paragraph 4 and subsection e, and if the Demand Response credits are more than Demand Charges and cost of electricity, EVCS can request Site Host for reimbursement of such excess. The Site Host agrees to issue such a reimbursement within forty-five (45) days of request by EVCS;
- p)

4. Revenue Sharing

- a) The Parties agree that the Equipment installed by EVCS will generate revenue through the patronage of customers utilizing the Equipment placed with the Site Host;
- b) EVCS shall set the price/rate at which electricity shall be sold to consumers utilizing the Equipment.
- c) EVCS will pay Site Host **\$0.07** cents for each kWh sold; Further, in the event the Site Host is responsible to pay for the cost of electricity, then EVCS will pay Site Host **\$0.07** cents per kWh plus the cost of electricity utilized by the EV Chargers. In the event Site Host chooses to offer certain customers free or discounted charging, EVCS **will** offset any revenue share amounts owed to Site Host by an amount proportionate to the reduction in revenue caused by said free or discounted charging. EVCS agrees to waive any and all fees related to the charging of Any Site Host-owned vehicles, thus there will be no reduction in revenue related to the charging of Site Host-owned vehicles. In the event there is a balance owed from Site Host to EVCS as a result of said free or discounted charging, Site Host shall remit payment to settle said balance within forty-five (45) days of receipt of said balance from EVCS. Should the Parties mutually agree to enter a Five-Year Extension, per section 5(a) of this Agreement, this revenue-sharing clause will be reassessed, by the Parties, for possible re-negotiation no less than sixty (60) days prior to the Five-Year Extension;

- d) In the event Site Host incurs any incremental demand charges strictly in connection with the operation of the installed Equipment that are assessed by the electrical utility company providing the service, Site Host shall present these charges, including any support and back-up documentation that substantiates the charges to EVCS, and EVCS shall reimburse Site Host for these charges within ninety (30) days of receipt;
- e) EVCS at its sole option will have the right to own the electricity service meter and/or utility service account servicing the Equipment.
- f) EVCS will collect the proceeds generated from the sale of electricity from the Equipment and will then perform the necessary revenue share calculations by taking the number of kWh sold multiplied by **\$0.07** cents to determine Site Host's total revenue share amount portion and will remit said revenue share portion to Site Host;
- g) EVCS will use its best, commercially reasonable efforts to install a separate electric meter as allowed by the utility provider at the Site through which electrical costs shall be tracked. In the event EVCS deems installing a separate meter is impractical or uneconomical for any reason, the EV chargers shall be connected to Site Host's existing electrical meter. To allow EVCS to perform the revenue sharing calculation, Site Host will provide EVCS with a hard copy or electronic/digital copy of Site Host's electricity bills or will allow EVCS to view the bills electronically on an on-going basis; for EVCS to be able to reimburse electricity cost to Site Host.
- h) EVCS will have thirty (30) days after the end of each billing cycle to remit the appropriate revenue share portion to Site Host. The billing cycle will begin on the first day of the month and end on the last day of that same month. EVCS shall provide Site Host with a monthly accounting statement within thirty (30) business days following the end of the previous month indicating the total amount of revenue generated, including any offsets or reductions to revenue, and the resulting net revenue share amount owed to Site Host.

5. Term of Agreement:

The term hereof shall begin upon the Effective Date. The date the Equipment becomes operational will hereafter be referred to as the "Commencement Date." The term hereof shall expire (unless renewed or extended) ten (10) years from the Commencement Date (hereafter the "Termination Date" or "Initial Term"), unless sooner terminated in accordance with the provisions hereof.

a) Optional Five (5) Year Extension Option

At least ninety (90) days but no earlier than one hundred & eighty (180) days prior to the expiration of the initial Term, EVCS reserves the right to provide written notice of Five-Year Extension to Site Host. In the event of said Five-Year Extension, EVCS reserves the right to replace the Equipment at the Project Site with equipment that is comparable or better to Equipment that was previously installed. If EVCS notifies the Site Host of such intent EVCS will then replace the Equipment no later than one hundred & twenty (120) days after the Termination Date. The terms of this Agreement will remain in effect during that 120-day period after the Termination Date. Site Host will take all reasonable steps to allow EVCS to remove the pre-existing Equipment and replace the pre-existing Equipment with new Equipment. EVCS shall bear the cost to remove and replace the pre-existing Equipment. The removed pre-existing Equipment will then become the exclusive property of EVCS. If EVCS elects to replace the Equipment, this will cause the Termination Date of the Agreement to extend for an additional five (5) year term from the termination date of the initial Term. If the existing Equipment is replaced with new Equipment during or at the conclusion of the original Term, site host grants all interest to EVCS of any rebate(s) and/or environmental credits associated with the equipment replacement.

b) Automatic One (1) Year Renewal Clause

Provided EVCS (or the Parties) have not exercised the Five (5) Year Extension Option, this agreement will automatically renew at the end of each Term for a further term of one (1) year unless either party gives the other written notice of termination at least thirty (30) days but no earlier than ninety (90) days prior to the end of the relevant term.

c) Equipment & Software Transfer

At the end of the Initial Term (or any renewal term, if extended) if Site Host desires to take on operation and maintenance of the Equipment, EVCS shall offer assistance to Site Host with a transition of software and networking and provide basic training to Site Host and its designated employees for a period of up to 90-days at no additional cost.

d) Early Termination Clause

This Agreement may be terminated upon 30 (thirty) days written notice to either party without penalty or fee in the following instances:

In the case of EVCS, at any time and for any reason prior to the submission of the permit application for construction of the Equipment at the Project Site, or thereafter at any time in the event that EVCS determines that the construction or continued operation of the Equipment is impracticable or uneconomical.

In the case of Site Host, in the event the Commencement Date has not occurred within eighteen (18) months following the Agreement Date, provided that Site Host's rights to terminate shall expire upon the Commencement Date.

6. Ownership of Equipment and Content

EVCS shall retain title to and ownership of the Equipment. All the information, content, services and software displayed on, transmitted through, stored within, or otherwise used in connection with the use and operation of the Equipment, including, but not limited to data, text, photographs, images, illustrations, video, html, source and object code, software, internet account access, advertising, and the like (collectively, the "Content") is owned exclusively by EVCS. Once this Agreement is terminated EVCS shall remove equipment at no cost to the Site Host.

7. Installation Activities

EVCS shall, at its sole cost and expense, be responsible for all installation activities (hereafter "Installation Activities") required to support the operation of the Equipment, and services therewith, including the hiring and coordination of all vendors and contractors; the installation of electrical equipment, utility lines, hardware, and software; site preparation, trenching, repaving, and landscaping. All installation activities will be overseen by Site Host.

8. Limitations on Use of Project Site

The Project Site and related parking spaces made available to the Project Site may be used for providing publicly-accessible electric vehicle charging. Site Host shall provide EVCS, its employees and contractors with reasonable access to the parking spaces and Equipment and shall otherwise provide to EVCS the same amenities and services Site Host provides to other users of Site Host's parking facilities.

9. Utility Charges

EVCS shall be responsible for all electricity costs associated with both the operation of the Equipment and the charging of electric vehicles from the Equipment. Site Host shall cooperate with EVCS efforts regarding provision of electricity to the Equipment. Neither Site Host nor EVCS has any responsibility or liability for interruption, curtailment, failure, or defect in the supply of utilities furnished to the Equipment.

10. Allocation of Environmental Benefits

Site Host shall assign to EVCS any renewable energy credits, allowances, or other indicators of environmental benefit attributable to the presence of the Equipment for the entirety of the time the originally installed Equipment is installed at the site but for a minimum of ten (10) years. If this Agreement extends under paragraph 5 and subchapter a (5.a.) or renews under paragraph 5 and subchapter b (5.b.), then paragraph 10 shall continue to remain in effect through the updated termination date.

11. Signage

EVCS shall have the right to place project-related signage to denote the location of the Equipment and the services available and may place other signage or advertising at the Property as EVCS reasonably determines to be practicable or appropriate. All signage & signage locations shall be subject to approval by Site Host.

12. Publicity

During the term of this Agreement, neither party will use the other party's name, logos, trademarks or service marks in any manner without the other party's prior written approval, which will not be unreasonably withheld or delayed.

13. Media Content

It is agreed that EVCS shall have sole control over the solicitation, contracting, and distribution of any and all media content relating to the Equipment, including but not limited to, any media content data transmitted to or from the Equipment and displayed using the Equipment. EVCS will use commercially reasonable efforts to avoid distributing media content that actually and directly conflicts with Site Host's media and advertising.

14. Indemnification

- a) EVCS shall indemnify and hold harmless Site Host, and any tenant, guest, customer, patron, or employee of Site Host, from and against any and all liability and expense of any kind, including reasonable attorneys' fees, arising from injuries or damages to persons or property resulting in any way from the negligence or willful misconduct of EVCS, its contractors, agents, or employees. EVCS' indemnification obligations herein shall extend only up to the limit of any insurance coverage held by EVCS and insuring it against any such liability. It is a condition of this indemnification provision that EVCS shall receive prompt notice from Site Host of any claim against Site Host for which indemnification from EVCS is claimed.
- b) Site Host agrees to indemnify EVCS, its officers, board, employees, and agents, and hold all of same harmless from and against any and all liability and expense of any kind, including reasonable attorneys' fees, arising from injuries or damages to persons or property resulting in any way from any act or negligence or willful misconduct of Site Host, its contractors, agents or employees. It is a condition of this indemnification provision that Site Host shall receive prompt notice from EVCS of any claim against EVCS.

15. Breach and Opportunity to Cure

If either party breaches this Agreement and fails to cure such breach within thirty (30) days after receipt of written notice of that breach, then the non-breaching party may terminate this Agreement effective as of the end of such thirty (30) day period. Additionally, either party may terminate this Agreement immediately if the other party (i) ceases to do business

in the ordinary course; or (ii) either voluntarily or involuntarily files a bankruptcy petition which is not vacated within thirty (30) days of filing. No such termination will be deemed a waiver of any claim for damages by the non-terminating party.

If the Site Host breaches or wrongfully terminates the Agreement prior to the Termination Date, Site Host will be required to reimburse EVCS for all costs incurred relating to the installation of the Equipment within thirty (30) days of receipt of an invoice from EVCS. The Site Host will also be required to reimburse EVCS for the total amount of any rebates EVCS would have received relating to the Equipment, and/or this Agreement had the Agreement not been breached or wrongfully terminated. Site Host is not responsible for any reimbursements to EVCS if termination is the result of the a breach by EVCS.

16. Insurance

A. Without limiting EVCS's obligation to indemnify Site Host, EVCS must procure and maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Agreement and the results of that work by EVCS, EVCS's agents, representatives, employees, or subcontractors.

**CRITERIA FOR
SOLE SOURCE / BRAND PROCUREMENT**

"SOLE SOURCE JUSTIFICATION FORM"

Please address by specific reference each question listed below (1 – 5) in your justification.
Failure to respond to any of the questions may result in the rejection of your request.
(When answering questions use separate sheets of paper as needed)

1. Why was the particular product and / or vendor selected?

Electric Vehicle Charging Solutions (EVCS) was selected based on their unique and innovative business model that is tailored to public sector client needs and requirements. EVCS offers no-cost planning, construction, maintenance and operation of Direct Current Fast Chargers (DCFC), provided that they are able to use, build and operate on County property. In addition, EVCS offers a profit-sharing model providing \$0.07/kWh. Total revenue potential is estimated to be \$7,000 per DCFC per year. EVCS will be applying for project funding from the California Energy Commission for upwards of 20 DCFC units. Furthermore, EVCS will ensure that all local, state, and federal eligible funding sources are utilized by preparing and submitting funding applications. EVCS will also be responsible for all reporting required for said funding programs for the full term of our agreement.

**2. What are the unique performance factors of the selected product / service?
Provide detailed specifications and descriptions.**

EVCS owns and operates the largest publicly-accessible DCFC network on the West Coast, with 898 DCFC and 971 Level 2 chargers. EVCS maintains one of the highest reliability ratings in the industry ("charger uptime") and guarantees 97% uptime for DCFC units (the current average in the Bay Area is significantly lower with over 25% of DCFC units not operational at any given time). The service model is what really sets EVCS apart from other providers, given that they provide a zero-cost, revenue-positive project implementation model for public sector customers. EVCS absorbs all capital and construction costs, and manages projects from concept to activation. As mentioned previously, EVCS will ensure that all eligible funding programs are leveraged. Furthermore, EVCS offers an innovative and unique charging subscription model that will allow County fleet vehicles (with high mileage demands) to pay a flat rate for unlimited DCFC charging.

3. Why are these specific factors required?

Working with EVCS and their unique service model, the County will not need to hire in-house expertise to operate and maintain these DCFC units. A partnership with EVCS means that the County can more readily take advantage of lucrative funding opportunities and can more quickly and efficiently advance County goals on fleet electrification and community access to clean and affordable transportation resources.

4. What other products / services have been examined and rejected?

The County currently has ChargePoint EV chargers deployed at various County facilities. ChargePoint has been examined as a potential partner but does not offer the same project development support, design/build services nor funding application management. Staff has also considered another Vendor (Flo) who the County is working with on current level 2 charging projects. Flo does not provide a turn-key service a kin to EVCS and has not expressed interest in applying for funding on the County's behalf. Additionally, staff met with or researched the following vendors and determined that their services fall short of the turn-key service offered by EVCS. These vendors include: FreeWire, Blink, EVgo, Volta and

Electrify America.

5. Why are other sources providing like goods or services unacceptable?
Full explanation needed.

No other vendor was found to provide the same package of services as EVCS. Furthermore, EVCS has committed to provide these services within the deadlines/due dates of critical project funding programs.

I HEREBY CERTIFY THAT:

- 1) I am an approved County department representative. I understand the County's requirements for competitive bidding, as well as the criteria for justification for sole source.
- 2) I have researched the required technical information and have made a good faith effort to review comparable and / or equal equipment / product / services.

I certify to the best of my knowledge the validity of the information contained herein.

Subject: Site Host Agreement with EV Charging Solutions, Inc., for Direct Current Fast Chargers at County-owned Library Locations

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Site Host Agreement with EV Charging Solutions, Inc., to design and implement direct current fast charging (DCFC) stations at specific County-owned library locations and other County-owned facilities, effective March 7, 2023 through December 31, 2025, as recommended by the Sustainability Committee..

FISCAL IMPACT:

No costs for design, construction, maintenance, operation, or other services from EV Charging Solutions, Inc. Minor County project management costs will be funded by minor building improvement funds, 100% General Fund. Contract will generate revenue for County at a rate of \$0.07/kilowatt hour (kWh). The estimated annual revenue to the County is \$7,000 per charger or \$70,000 per charger for the term of the agreement. The County is targeting installation of 20+ DCFC stations through the Site Host Agreement.

BACKGROUND:

The California Energy Commission (CEC) announced the Golden State Priority Project program, which offers up to \$10 million in project funding for Central California, including Contra Costa County. The project submission deadline for this program is March 10, 2023.

Staff identified the opportunity to install publicly accessible DCFC stations at County-owned libraries and other County-owned facilities with no material cost to the County. This opportunity is created through a public private partnership with EV Charging Solutions, Inc. EV Charging Solutions, Inc., will own, operate, and maintain the DCFC units and will establish new electrical service meters with PG&E to supply sites with dedicated

electrical capacity. EV Charging Solutions, Inc., will be responsible for all material and labor costs associated with design, construction, maintenance, and operation of DCFC units, including electricity costs.

The County is planning more than 20 DCFC units to be installed across 10 sites, accessible by all County fleet vehicles. These DCFC units will be open to the public and not dedicated to County fleet use.

This proposed agreement with EV Charging Solutions, Inc., aligns with recent actions by the Board of Supervisors:

- On January 28, 2019, the Board of Supervisors directed Public Works to develop an EV charging station installation plan to help advance greater implementation of EVs in the County fleet.

- On March 30, 2021, the Board of Supervisors directed Public Works to develop recommendations for a Sustainability Fund that could be used to support investments in County facilities that further the County’s environmental sustainability and climate change goals.

On July 26, 2021, Public Works presented a summary of vehicle purchases, a list of existing and proposed EV chargers, and draft revisions to Administrative Bulletin 507.9 and 508.5 addressing electric vehicle charging, vehicle rental, purchasing and replacement policies to the Board of Supervisors.

CONSEQUENCE OF NEGATIVE ACTION:

The County would lose out on lucrative project incentives for expensive DCFC installations, lessening the County’s ability to provide DCFC’s for the benefit and use of the County fleet and the public at large.

Permit Program. The United States Environmental Protection Agency published final rules implementing the 1987 CWA amendments in November 1990. The rules mandate that Permittees obtain and implement stormwater permits designed to reduce and eliminate the discharge of pollutants into and from Municipal Separate Storm Sewer Systems they own and operate. Through the CCCWP, Permittees conduct many of the mandated activities collectively (referred to as "Group Activities"), such as water quality monitoring, special studies, and public education. The roles and responsibilities of the CCCWP and Permittees are outlined in the Program Agreement, which was last updated and adopted by all Permittees in June 2010.

Staff recommends submitting the CCCWP Clean Watersheds for All project (the Project) for funding consideration. The Project aims to focus on countywide implementation (i.e., funding and delivery) of green stormwater infrastructure (GSI) and other water quality improvement projects, especially in underserved communities. The Project will generate a comprehensive stormwater treatment plan and project delivery roadmap for underserved communities in Contra Costa County. The Project will develop a list of proposed water quality improvement projects in underserved communities, prioritized based on the potential to reduce pollutants of concern and provide other community-supported multiple benefits, and include designs for a select number of projects. In addition, the Project will assist Permittees to meet GSI and water quality improvements required by the NPDES permit, and advance the financial and internal plans and systems needed to allow CCCWP municipalities to collaborate and fund the construction and ongoing operation and maintenance of prioritized projects. The Project will include active outreach throughout the tasks to engage with and garner support from the affected communities.

CONSEQUENCE OF NEGATIVE ACTION:

If staff is not authorized to submit a grant application, grant funding will not be available, which will impede compliance-related activities as required by the NPDES Permit.

and supports efforts to create and maintain community-based aftercare services for offenders. Historically, the California RSAT Program has funded local detention facilities to provide in-custody treatment services with an aftercare component requirement placed on the grantees.

This program allows for the implementation SUD treatment at the West County Detention facility for inmates diagnosed with a SUD along with resources and information about recovery and treatment, with the ultimate goal of reducing recidivism. An additional twenty-four (24) inmates who are post-sentence, have at least 3 months in custody remaining, and are assessed as high needs, will be provided with three months of substance use treatment while in custody, placement and rent at a sober living environment for up to six months upon release, including ongoing outpatient case management, substance abuse treatment and medication assisted treatment. The project will fill in the gap in SUD treatment options in the Contra Costa County Detention System and create a robust network of treatment options and programs for people transitioning back into society. The provision of substance use treatment post-release will be provided through a network of community-based Drug Medi-Cal certified providers that operate under the Drug Medi-Cal Organized Delivery System (DMC-ODS) Plan.

On September 7, 2021, the Board of Supervisors approved Grant Application #28-959-1 with the California Board of State and Community Corrections to pay the County an amount not to exceed \$500,000, for implementation of SUD treatment at the West County Detention for inmates diagnosed with a SUD, for the period July 1, 2021 through June 30, 2022.

This agreement includes agreeing to indemnify the State for any claims arising out of the County's performance under the agreement and contains a limited liability provision. This grant was delayed due to the County not receiving the agreement until January, 2023.

Emergency Heating and Cooling Services will be offered under this contract. In addition, residents may also qualify for the Utility Assistance Program, which provides a credit on their energy bills. These funds are to promptly and efficiently provide relief on a first-come, first-served basis to eligible households impacted by the pandemic, with an emphasis on utility assistance. All applicants who are income qualified and meet all other Low Income Home Energy Assistance Program (LIHEAP) eligibility requirements are eligible for services.

This funding is to help prevent, prepare for or respond to the COVID-19 pandemic. The Board of Supervisors approved the contract on August 10, 2021 (C.19). This Board Order is to amend the contract end period from March 31, 2023 to June 30, 2023.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Agreement #28-956-1 with the Contra Costa County Office of Education, an educational institution, including indemnification, to pay the County an amount not to exceed \$123,283 to employ a substance abuse counselor to screen incarcerated persons at West County Detention Facility for Substance Use (SU) treatment, for the period July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

If approved, this agreement will result in payments to the County of up to \$123,283 from the Contra Costa County Office of Education. No County match is required.

BACKGROUND:

Over the last few years, Game Plan for Success (GPS) has collected a significant amount of data resulting from the Risk Needs Responsivity scores highlighting the prevalence of behavioral health needs for both mental health and SU disorders. Unfortunately, besides the DEUCE program which includes light SU education, there is no SU treatment in any of the detention facilities.

BACKGROUND: (CONT'D)

Furthermore, the National Institute on Health and Drug Abuse indicate that providing substance abuse treatment for those incarcerated in the detention facilities improves outcomes and increases public safety. The counselor will become part of the GPS team at West County Detention Facility and will screen individuals for SU severity following Diagnostic and Statistical Manual of Mental Disorders and American Society of Addiction Medicine criteria, coordinate transition to SU treatment upon discharge, gather data to demonstrate GPS program effectiveness, arrange or provide transportation to SU programs through the reentry success center and provide services through telehealth until onsite services resume.

On June 8, 2021, the Board of Supervisors approved Agreement #28-956, in an amount not to exceed \$120,000 for a substance abuse counselor to screen incarcerated persons at West County Detention Facility for substance use treatment, for the period from May 1, 2021 through June 30, 2022. This agreement includes indemnification of the grantor.

This agreement is being processed late because it was not received by the County from the grantor until February 9, 2023.

Approval of Agreement #28-956-1 will allow the County's Alcohol and Other Drugs (AODS) Division to employ a substance abuse counselor to screen and support incarcerated persons through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, incarcerated persons at West County Detention Facilities will not receive SU treatment to improve outcomes and increase public safety.

Subject: APPROVE and AUTHORIZE Amendment No. 2 to the Contract with Waters Moving & Storage, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with Waters Moving & Storage, Inc., to extend the term through December 31, 2025, for on-call moving and storage services, with no change to the payment limit, Countywide.

FISCAL IMPACT:

There is no fiscal impact with this action as the amendment is only to extend the term of the contract.

BACKGROUND:

Public Works utilizes contractors for moving, haul away and storage services, including office landscape partitional furniture (OLP) repair, replacement, and reconfiguration. Government Code Section 25358 authorizes the County to contract for maintenance and upkeep of County facilities. On July 11, 2019, the Board approved a contract with Waters Moving & Storage, Inc., for the term June 11, 2019 through May 31, 2022 in the amount of \$1,000,000. On May 24, 2022, the Board approved an amendment to the contract with Waters Moving & Storage, Inc., to extend the term through November 30, 2022.

The Public Works Department respectfully requests authorization to extend this contract to December 31, 2025, to ensure the County has access to the contractor's services.

CONSEQUENCE OF NEGATIVE ACTION:

Without the approval of the Board of Supervisors, Public Works will only have one contractor to rely on for moving and storage services.

Collaboration between public defenders and law enforcement to reduce failures to appear for thousands of indigent people arrested on misdemeanor charges by providing immediate legal representation and procedural support.

If SSA changes the terms of its agreement(s) with DHCS, DHCS will, as soon as reasonably possible after receipt, supply copies to County Welfare Directors Association (CWDA) as well as the proposed target date for compliance. For a period of thirty (30) days, DHCS will accept input from CWDA on the proposed target date and make adjustments, if appropriate. After the thirty (30) day period, DHCS will submit the proposed target date to SSA, which will be subject to adjustment by SSA. Once a target date for compliance is determined by SSA, DHCS will supply copies of the changed agreement to the CWDA and the County Departments/Agency, along with the compliance date expected by SSA. If the County Department/Agency is not able to meet the SSA compliance date, it shall submit a CAP to DHCS for review and approval at least thirty (30) days prior to the SSA compliance date. The most stringent standard means the standard which provides the greatest protection to Medi-Cal PII.

If DHS-USCIS changes the terms of its agreement(s) with DHCS, DHCS will, as soon as reasonably possible after receipt, supply copies to CWDA as well as the DHCS proposed target date for compliance. For a period of thirty (30) days, DHCS will accept input from CWDA on the proposed target date and make adjustments, if appropriate. After the 30-day period, DHCS will submit the proposed target date to DHS-USCIS, which will be subject to adjustment by DHS-USCIS. Once a target date for compliance is determined by DHS-USCIS,

DHCS will supply copies of the changed agreement to the CWDA and the County Department/Agency, along with the compliance date expected by DHS-USCIS. If the County Department/Agency is not able to meet the DHS-USCIS compliance date, it shall submit a CAP to DHCS for review and approval at least thirty (30) days prior to the DHS-USCIS compliance date. These shall include, (1) restrictions on disclosure of Medi-Cal PII, (2) conditions regarding the use of appropriate administrative, physical, and technical safeguards to protect Medi-Cal PII, and, where relevant, (3) the requirement that any breach, security incident, intrusion, or unauthorized access, use, or disclosure of Medi-Cal PII be reported to the County Department/Agency. If the agents, subcontractors, and vendors of County Department/Agency access data provided to DHCS and/or CDSS by SSA or DHS-USCIS, the County Department/Agency shall also incorporate the Agreement's Exhibits into each subcontract or subaward with agents, subcontractors, and vendors. If the County Department/Agency executed the HIPAA Amendment with DHCS, the HIPAA Amendment and Exhibit C will need to be incorporated when applicable. County Departments/Agencies who would like assistance or guidance with this requirement are encouraged to contact DHCS via the PSA inbox at CountyPSA@dhcs.ca.gov.

XV. ASSESSMENTS AND REVIEWS

BACKGROUND: (CONT'D)

SSA-provided information, SSA requires that DHCS enter into individual agreements with the counties to safeguard this information. The current Agreement expired March 1, 2023.

DHCS notified counties of an Amendment to the Agreement on November 30, 2022. The purpose of the Amendment is to extend the termination date of the 2019 Agreement by one (1) year to allow ongoing transmissions of Personally Identifiable Information (PII) while the 2022 renewal of the Agreement is negotiated and finalized between DHCS and the County Departments/Agencies. The Agreement, as modified by the enclosed Amendment, will remain in effect until March 1, 2024 or until a successor Agreement is executed, whichever occurs first. All fifty-eight (58) CWDs are required to sign the 2019 Agreement Amendment to prevent disruptions to the transmission of PII between the counties and DHCS.

This Board Order is to ratify the execution of the Agreement by the Employment and Human Services Department (EHSD) Director and to approve and authorize the EHSD Director or designee to execute an Amendment to the Agreement to extend the termination date to March 1, 2024, or until a successor Agreement is executed, which ever occur first.

CONSEQUENCE OF NEGATIVE ACTION:

If the 2019 Amendment Agreement is not approved, this will cause disruptions to the transmission of PII between the County and DHCS and CDSS.

11.0 OTHER TERMS AND CONDITIONS

Effect of Termination: Termination of this SOW does not relieve Customer's obligations to pay all fees that accrued before termination.

Late Payment Charge and Default: Customer agrees to pay a late payment charge computed at the rate of one and one-half percent (1.5%) per month, or the maximum late payment charge permitted by applicable law, whichever is less, on any unpaid amount due under this Agreement and/or Purchase Orders. A late payment charge will apply to any amount not received by the due date and continue until all overdue payments, including late charges, are paid in full. Failure by ePlus to assess this charge on one occasion in no way affects its right to do so on another occasion. In the event ePlus must resort to collection, Customer shall be responsible for all collection costs, including legal fees. ePlus reserves its right to review and revise either the credit or the payment terms based on Customer's financial condition or payment history at the time of such review, and Customer agrees to provide all relevant information to affect such review. ePlus further reserves its right to suspend Services for nonpayment by Customer for Services either under this Agreement and/or Purchase Orders.

Assignment: Neither Party may assign this SOW without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that either Party may assign this SOW to a corporation controlling, controlled by or under common control with the assigning Party without the prior written consent of the other Party. Notwithstanding the foregoing, ePlus may assign payment for financing purposes without notifying Customer, but Services will not be affected.

Non-Disclosure: "Confidential Information" is information or material disclosed by a party ("Discloser") to the other ("Recipient") in connection with this Agreement that is either (a) marked or identified in writing as confidential, or (b) relates to the processes, technology, plans, or methodologies used by ePlus or its suppliers to provide the Services. Recipient shall not disclose Confidential Information to any third party until three (3) years after expiration or termination of this Agreement. Confidential Information does not include information that: (i) is or becomes publicly available without breach of this Agreement; (ii) is in Recipient's possession at the time of receipt or becomes available from a third party without breach of confidentiality obligation; or (iii) is independently developed by or for Recipient without access to Confidential Information, as evidenced by written records. This section shall not prohibit ePlus from disclosing information required by its suppliers or subcontractors in connection with this Agreement. Customer acknowledges that ePlus or its employees and subcontractors may provide similar services to others and use or disclose to others general knowledge, skill and experience developed over the years, including under this Agreement. A Recipient may disclose Confidential Information pursuant to a legal requirement or court order after first notifying Discloser and making a reasonable effort to obtain a protective order limiting the scope of disclosure.

Non-Solicitation: Customer acknowledges that ePlus has invested significant resources in the training of its employees and that these employees are a valuable resource. Therefore, if ePlus provides Services under this Agreement, Customer agrees that during the term of this Agreement and for a period of eighteen (18) months thereafter, Customer shall not solicit for hire or hire employees of ePlus (or anyone who has been employed by ePlus within the month prior to the date of solicitation). Should such a hiring of an ePlus employee take place, ePlus shall be entitled to liquidated damages and/or compensation directly from the Customer in the amount of 20% of the employee's total annual compensation.

Choice of Law, Attorney Fees and Jury Trial Waiver: The laws of the Commonwealth of Virginia will govern the construction and operation of this SOW without regard to the conflicts of laws and provisions thereof. In the event it is necessary for ePlus to bring legal action due to Customer's non-payment, ePlus shall be entitled to recover all costs of such action, including reasonable attorneys' fees. The Parties hereto waive, and to the extent permitted by law, all rights to a jury trial in any action or proceeding to enforce or defend any rights hereunder.

Severability: The invalidity of any provision of this SOW will not affect the validity and binding effect of any other provision.

Subcontracting: The relationship created hereunder between the Parties shall be solely that of independent contractors entering into an agreement. No representations or assertions shall be made or actions taken that could imply or establish any agency, joint venture, fiduciary, partnership, employment or other relationship between the Parties with respect to the subject matter of this SOW. ePlus retains the right to subcontract any Service described herein to subcontractor(s) of ePlus' choosing, provided that such subcontractor(s) shall possess qualifications equivalent to those of ePlus.

Data Rights and Consents: Customer represents and warrants that it has all right, title, and interest in and to any data furnished in connection with the Services and/or that it has obtained all necessary consents, permissions, and releases necessary for ePlus to perform its obligations under this SOW. Customer shall indemnify, defend, and hold ePlus harmless from any claims or liabilities arising out of Customer’s breach of the foregoing.

Integration; Order of Precedence: This SOW constitutes the entire agreement of the Parties hereto with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions, and communications, whether oral or in writing. In the event of a conflict between the provisions of this SOW and any exhibits, the provisions of this SOW shall control, except to the extent the provisions in an exhibit expressly provide otherwise. This SOW may be modified only by means of a duly executed written amendment. Neither the terms of any purchase order, invoice, or other instrument documenting a payment or transaction that is issued by either Party in connection this SOW, nor any other act, document, usage, custom, or course of dealing shall modify the terms of this Agreement. This SOW shall be enforceable in accordance with its terms when signed by each of the Parties hereto.

Insurance: During the entire term of this Agreement and any extension or modification thereof, ePlus shall keep in effect insurance policies meeting the following insurance requirements. ePlus will provide commercial general liability and Cyber insurance, including coverage for business losses with a minimum combined single limit coverage of \$500,000 for all damages, including consequential damages, due to bodily injury, sickness or disease, or death to any person or damage to or destruction of property, including the loss of use thereof, arising from each occurrence. Such insurance must be endorsed to include Customer and its officers and employees as additional insureds as to all services performed by ePlus under this Agreement. Said policies must constitute primary insurance as to Customer, the state and federal governments, and their officers, agents, and employees, so that other insurance policies held by them or their self-insurance program(s) will not be required to contribute to any loss covered under Contractor’s insurance policy or policies. ePlus must provide Customer with a copy of the endorsement making the County an additional insured on all commercial general liability policies as required herein no later than the effective date of this Agreement. ePlus must provide workers’ compensation insurance coverage for its employees. Subject: Rescind Prior Board Action Pertaining to Contracted Services with Leica Microsystems, Inc.

RECOMMENDATION(S):

RESCIND Board action of December 6, 2022 (C.26), which pertained to a contract with Leica Microsystems, Inc.; and APPROVE and AUTHORIZE the Health Services Director, or designee, to execute Contract #23-787 with Leica Microsystems, Inc., in an amount not exceed \$596,174 for the purchase of tissue sample equipment and reagent supplies for the Clinical Laboratory at Contra Costa Regional Center (CCRMC), for the period from January 4, 2023 through January 3, 2028.

FISCAL IMPACT:

Approval of this contract will result in expenditures of up to \$596,174 for FY 2023-2028 and will be funded 100% by Hospital Enterprise I funds revenues.

BACKGROUND:

Leica Cassette Printer labels cassettes carry patient tissue samples and include accession numbers and patient names. The print is crisp, clear, and easy to read, thus minimizing specimen misidentification due to manual labeling. Leica IPC Printer is compatible with current instruments still in use such as the Clinical Laboratory’s Tissue Processor, Automatic Stainer, IHC Bond Max, and Slide Coverslipper. Leica is a reputable company and is considered a quality name in every aspect of Clinical and Pathology Laboratory equipment.

 Monica Nino, County Administrator and Clerk of the Board of Supervisors

By: Antonia Welty, Deputy

Contact: Sam Ferrell, 925-357-7483

BACKGROUND: (CONT'D)

Leica Microsystems has a crew of service people in the Bay Area to service its products and equipment, so any repairs are immediate, which results in minimizing delays for patient results and care. The \$596,174 includes the minimum required purchase amount listed in the acquisition agreement, and an additional amount to cover any increased workflow.

The cost of the equipment is paid through the payment for reagent supplies. The department must purchase a minimum amount of reagent supplies on a monthly basis. The County may only terminate the agreement for Leica's uncured breach, or if the board fails to appropriate funds due under the agreement in any fiscal year. The County is obligated to indemnify Leica for any liability arising out of protected health information that remains in equipment returned to Leica upon expiration or termination of the agreement.

On December 6, 2022, the Board of Supervisors approved Contract #23-787 with Leica Microsystems, Inc., in an amount not to exceed \$596,174, to provide tissue sample equipment and reagent supplies for Contra Costa Regional Medical Center for the period from September 1, 2022, through August 31, 2027. The purpose of this Board Order is to correct the term to read January 4, 2023, through January 3, 2028, to match the term of the contract.

CONSEQUENCE OF NEGATIVE ACTION:

If the recommendation is not approved, the prior Board action will stand, which does not reflect the final term of the contract negotiated between the parties, and the Department will not have Board authorization to allow payment of invoices for services through January 3, 2028.

Subject: Payment for Services Provided by Meals on Wheels Diablo Region

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Auditor-Controller, to pay up to \$14,838 to Meals on Wheels Diablo Region for the provision of meal delivery services to homebound seniors provided during the period July 1, 2022 through September 30, 2022.

FISCAL IMPACT:

Approval of this payment will result in expenditures of up to \$14,838 and will be funded as budgeted by the department in FY 2022-23, by 100% Title III C 2 of the Federal Older Americans Act.

BACKGROUND:

This contractor was selected to provide meals for the Senior Nutrition Program through a competitive bid process. This contract meets the social needs of the County’s population. meal services for the Contra Costa County Senior Nutrition Program for the period July 1, 2021 through June 30, 2022, which included a three-month automatic extension in an amount not to exceed \$47,764 through September 30, 2022.

In April 2022, the County Administrator approved and Purchasing Services Manager executed Contract Amendment Agreement #22-033-65 to increase the contract payment limit by \$36,055 to a new payment limit of \$191,055 for the provision of additional meal services for county's Senior Nutrition Program, for the period from July 1, 2021 through June 30, 2022, and increase the three-month automatic extension payment limit by \$9,014 to a new payment limit of \$ 47,764 through September 30, 2022.

In January 2023, the Division became aware of invoices from the contractor having exceeded the contract payment limit by \$14,837.49, therefore resulting in the contractor not being paid in full for services provided from July 1, 2022 through September 30, 2022. It was further discovered that the excess invoiced amounts were due to changes in meal pricing in July, August, and September of 2022. The Department has determined that the contractor should be paid the invoiced amount for the meal pricing adjustments for the services already rendered. To prevent future invoice and payment discrepancy occurrences resulting in a retroactive payment request, the department will ensure contract amendment needs are submitted timely.

The contractor is entitled to payment for the reasonable value of its services under the equitable relief theory of quantum meruit. That theory provides that where a contractor has been asked to provide services without a valid contract, and the contractor does so to the benefit of the County, the contractor is entitled to recover the reasonable value of those services. This contractor has provided services at the request of the County after the original contract payment limit had been reached. Since the Department cannot pay the contractor for services rendered that exceed the contract payment limits, it is recommending that the Board authorize the Auditor-Controller to issue a one-time payment not to exceed \$14,838 to Meals on Wheels Diablo Region.

CONSEQUENCE OF NEGATIVE ACTION:

If this request is not approved, the contractor will not be paid for services requested by County staff and provided in good faith.

Subject: CONTINUE EXTENSION OF EMERGENCY DECLARATION REGARDING HOMELESSNESS

RECOMMENDATION(S):

CONTINUE the emergency action originally taken by the Board of Supervisors on November 16, 1999 regarding the issue of homelessness in Contra Costa County.

FISCAL IMPACT:

There is no fiscal impact for this action.

BACKGROUND:

On November 16, 1999, the Board of Supervisors declared a local emergency, pursuant to the provisions of Government Code Section 8630 on homelessness in Contra Costa County.

Government Code Section 8630 requires that, for a body that meets weekly, the need to continue the emergency declaration be reviewed at least every 60 days until the local emergency is terminated. The Board of Supervisors last reviewed and continued the emergency declaration on January 10, 2023. Nevertheless, with the continuing high number of homeless individuals and insufficient funding available to assist in sheltering all homeless individuals and families, the emergency situation still exists and it is, therefore, appropriate for the Board to continue the declaration of a local emergency regarding homelessness.
