**Resolution No. 2023/239**

Appropriation Limits for County, County Special Districts, and County Service Areas for 2023/24.

WHEREAS, Section 7910 of the Government Code requires that each year the governing body of each local jurisdiction shall establish an appropriations limit for each jurisdiction for the following fiscal year pursuant to Article XIII-B of the California Constitution; and

WHEREAS, according to Article XIII-B of the California Constitution (Section 8 subd.e(2)) the change in the cost of living shall be either the percentage change in California per capita personal income from the preceding year, or the percentage change in the local assessment roll from the preceding year for the jurisdiction due to the addition of local non-residential new construction; and

WHEREAS, the percentage change due to the addition of local non-residential new construction is not available for the County, County Special Districts and County Service Areas, therefore, the County Auditor-Controller has calculated the appropriation limits using the change factors most advantageous as permitted by Article XIII-B of the California Constitution; and

WHEREAS, the County Auditor-Controller has prepared the attached report and accompanying schedule, designated Exhibit A, regarding the proposed County General, County Special District, and County Service Area appropriation limits for fiscal year 2023/24.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY THAT the attached Exhibit A percentage changes over the prior year are selected and appropriation limits established for the County General, County Special Districts, and County Service Areas for the fiscal year 2023/2024.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.
