In the matter of Proclaiming June 2023 as Elder and Dependent Adult Abuse Awareness Month.

Resolution No. 2023/235

WHEREAS, as our population lives longer, we are presented with an opportunity to honor and protect elder and dependent adults; and

WHEREAS, elder and dependent adults deserve to be treated with respect and dignity to enable them to serve as leaders, mentors, volunteers and vital participating members of our communities; and

WHEREAS, community members can look out for the safety and protection of seniors and disabled adults by reporting various types of suspected elder abuse, including emotional, financial, physical, sexual, neglect, abandonment, or isolation; and

WHEREAS, signs of elder and dependent abuse include lack of basic amenities; a cluttered, soiled living environment; unexplained or uncharacteristic changes in behavior; unexplained sexually transmitted diseases; unpaid bills, new credit cards and/or increased cash withdrawals; harassment, coercion, injury, intimidation or humiliation; and caregiver isolation of the elder or dependent adult; and

WHEREAS, according to the National Center on Elder Abuse, studies show that for every incident of abuse reported to authorities, nearly 24 additional cases remain undetected; and

WHEREAS, in 2022, Adult Protective Services (APS) in Contra Costa County received 5,975 elder and dependent adult abuse reports; and

WHEREAS, APS in Contra Costa County investigates abuse concerns and collaborates with other county agencies and community-based agencies to protect, advocate and provide services for elder and dependent adult clients; and
