Resolution No. 2023/2

In The Matter Of: Acknowledgement of receipt of the Contra Costa County Fire Protection District's 2022 Occupancy Inspection Compliance Report,

WHEREAS, California Health & Safety Code Section 13146.4 was added in 2018, and became effective on January 1, 2019; and

WHEREAS, California Health & Safety Code Sections 13146.2 and 13146.3 requires all fire departments, including the Contra Costa County Fire Protection District, that provide fire protection services to perform annual inspections in every building used as hotels, motels, lodging houses, apartment houses and dwellings, and associated accessory structures for compliance with building standards and other regulations of the State Fire Marshal, as provided; and

WHEREAS, California Health & Safety Code Section 13146.2 requires all fire departments that provide fire protection services, including the Contra Costa County Fire Protection District, to report annually to its administering authority on its compliance with Sections 13146.2 and 13146.3; and

WHEREAS, the Contra Costa County Fire Protection District Board of Directors intends this Resolution to fulfill the requirements of the California Health & Safety Code regarding acknowledgment of the Contra Costa County Fire Protection District's compliance with California Health and Sections 13146.2 and 13146.3;

NOW, THEREFORE, BE IT RESOLVED that the Contra Costa County Fire Protection District Board of Directors expressly acknowledges the measure of compliance of the Contra Costa County Fire Protection District with California Health and Safety Code Sections 13146.2 and 13146.3 in the area encompassed by the Contra Costa County Fire Protection District in 2022, as follows:

A. EDUCATIONAL GROUP E OCCUPANCIES Educational Group E occupancies are those public and private schools used by more than six persons at any one time for educational purposes, including kindergarten through the 12th grade. Within the Contra Costa County Fire Protection District, there were 184 such Group E occupancies, buildings, structures and/or facilities.

During calendar year 2022, the Contra Costa County Fire Protection District completed the annual inspection of all Group E occupancies, buildings, structures and/or facilities.

B. RESIDENTIAL GROUP R OCCUPANCIES Residential Group R occupancies, for the purposes of this resolution, are generally those occupancies containing sleeping units, and include hotels, motels, apartments (three units or more), as well as other residential occupancies (including a number of residential care facilities). Within the Contra Costa County Fire Protection District there were 7,155 Group R (R-1, R-2, R-2.1, and R-4) occupancies, including accessory and secondary structures, of this nature known to the District. Not included within this list are all Group R occupancies in the planning, design, or new construction phase that are not constructed or occupied, as well as duplex residential occupancies which should be classified as Group R-3 (single family) occupancies.

During calendar year 2022, the Contra Costa County Fire Protection District completed the annual inspection of all constructed and occupied Group R occupancies, buildings, structures and/or facilities.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.
