Meeting Date: 02/13/2023

Subject: RECOMMENDATION FOR APPOINTMENTS TO THE HAZARDOUS MATERIALS COMMISSION

Submitted For: Anna Roth, Health Services Director

Department: Health Services

Referral No.: 23/5

Referral Name: Advisory Body Recruitment

Presenter: Michael Kent, Executive Assistant to the Hazardous Materials Commission

Contact: Michael Kent,
925-313-6587

Referral History:

The Hazardous Materials Commission was established in 1986 to advise the Board, County staff and the mayors, council members, and staffs of the cities within the county, on issues related to the development, approval, and administration of the County Hazardous Waste Management Plan. Specifically, the Board charged the Commission with drafting a Hazardous Materials Storage and Transportation Plan and Ordinance, coordinating the implementation of the Hazardous Materials Release Response Plan and inventory program, and analyzing and developing recommendations regarding hazardous materials issues with consideration to broad public input, and reporting back to the Board on Board referrals.

Referral Update:

Business Seats. The terms of Business #1 Seat and Business #1 Alternate Seat expired on December 31, 2022. Business #3 Seat was declared vacant by the Board of Supervisors on December 6, 2022 due to the resignation of Don Bristol.

The by-laws of the Hazardous Materials Commission provide for three (3) representatives of business, nominated as indicated below, screened by the Internal Operations Committee, and appointed by the Board of Supervisors:

- Business #1 Seat - to be nominated by the West County Council of Industries.
- Business #2 Seat - to be nominated by the Industrial Association.
- Business #3 Seat - to be nominated by the Contra Costa Taxpayers Association.

The West County Council of Industries has nominated for reappointment Fred Glueck for the Business #1 Seat and Aaron Winer for the Business #1 Alternate Seat. Their applications and letters of support are attached. The terms for these seats will expire on December 31, 2026.

The Contra Costa Taxpayers have nominated Drew Graham for Business #3 Seat. His application and letter of support are attached. The term for this seat will expire on December 31, 2024.

Mayor's Conference Seats. The terms of the Mayors Conference #1 Seat and Mayors Conference #1 Alternate Seat expired on December 31, 2022. The by-laws of the Hazardous Materials Commission provide for three (3) representatives of cities, appointed by the City Selection Committee pursuant to Article 11 (§50270 et seq.) of Chapter 1 of Part 1 of Division 1 of Title 5 of the Government Code. The Mayors Conference has nominated Anthony Tave, City of Pinole Councilmember, for Seat #1. They have not nominated an alternate yet. Mr. Tave's application and letter of support are attached. The term for this seat will expire on December 31, 2026.

Labor Seats. The terms of the Labor #1 Seat and Labor #1 Alternate Seat expired on December 31, 2022. The bylaws of the Hazardous Materials Commission provide for two (2) labor representatives, nominated by labor organizations, screened by the

Internal Operations Committee, and appointed by the Board of Supervisors. The Contra Costa Building Trades have nominated for reappointment Terry Baldwin for the Alternate Seat. They have not forwarded a nomination for the primary seat yet. Mr. Baldwin's application and letter of support are attached. The term for this seat will expire on December 31, 2026.

Environmental Justice Seats. Due to the recent elimination of one Environmental Organization seat, the creation of an Environmental Justice seat and the addition of a third Mayors Conference seat, the staggering of term expiration dates for Commission seats has become unbalanced. Currently, 4 seats will expire at the end of 2023, 5 seats will expire at the end of 2024, only 2 seats will expire at the end of 2025, and 3 seats will expire at the end of 2026. This imbalance can potentially lead to significant turnover of Commissioners at the end of 2024. This can diminish the institutional knowledge of the Commission, interrupt progress towards Commission goals, and upset the balance on the Commission.

As a remedy, the Commission voted unanimously on December 8, 2022 to request that the Internal Operations Committee of the Board of Supervisors support changing the expiration date of the Environmental Justice seat and Alternate from the end of 2024 to the end of 2025. This change will result in 4 seats expiring at the end of 2023, 4 seats expiring at the end of 2024, 3 seats expiring at the end of 2025, and 3 seats expiring at the end of 2026; thus creating a more equal number of seats expiring at the end of each year and addressing the problems discussed in the previous paragraph. The incumbent of the Environmental Justice seat is amenable to extending her term by one year. The Alternate seat was recently vacated and is being recruited.

Recommendation(s)/Next Step(s):

1. CONSIDER recommending to the Board of Supervisors the following appointments to the Hazardous Materials Commission, and:

Nominee	Seat	New Term Expiration	Sponsor
Fred Glueck	Business #1	12/31/26	West Co Council of Industries
Aaron Winer	Business #1 Alternate	12/31/26	West Co Council of Industries
Drew Graham	Business #3	12/31/24	CC Taxpayers Association
Anthony Tave	Mayors Conference #1	12/31/26	CC Mayors Conference
Terry Baldwin	Labor #1 Alternate	12/31/26	CC Building Trades

2. CONSIDER changing extending the current term of the Environmental Justice and Environment Justice Alternate seats by one year to expire on December 31, 2025 with no change to the future terms of office of four years, to improve the balance of term staggering among the Commission seats.

Fiscal Impact (if any):

No fiscal impact.

Re: Appointment of HAZMAT Commission Member

Dear Board Members John Gioia, Candace Andersen, Diane Burgis, Federal Glover and Ken Carlson,

It is our pleasure to highly recommend Drew Graham of Phillips 66 as a Member of the County Hazardous Materials Commission Business Seat replacing Don Bristol.

Drew possesses very relevant qualifications and knowledge regarding hazardous materials and their effect on the environment and people. In his refinery capacity he is knowledgeable about hazardous materials and hazardous wastes, federal and state laws and local ordinances. He is uniquely and exceptionally qualified for this position given his knowledge of reusable fuels as an ever-increasing source of energy.

Hi Michael,

Sorry for the confusion caused by my previous email.

As I understand the status of our appointments, Gabe Quinto did not apply for reappointment (member) , nor did Dave Hudson (alternate). Ken Carlson (member) as you noted, is now a County Supervisor and his seat thus was vacant.

Thus, the three open seats were those previously filled by Quinto (member) new seat expiring 12/31/26, Hudson (alternate) new appointment will be expiring 12/31/26, and and Carlson (member) remainder of term expiring 12/31/24.

My understanding is that the Mayors appointed Soheila Bana to the Ken Carlson seat vacancy that expires in December of 2024. Then they appointed Anthony Tave to the seat formerly held by Quinto, now expiring in 2026 with this new appointment. Thus you should have 3 members now.

Thus the remaining opening is the alternate seat formerly held by Hudson which will eventually have a new appointment until 2026.

I hope this now makes sense. I can see that my earlier email was deficient in detail. Let me know if this now squares with your records of our previous appointments.

As far as I know, Peter Cloven continues as an alternate with a term that will expire in December 2024.

Gary Pokorny.

Hi Gary,

Thank you for this information. Before I reach out to them, I want to make sure I understand who they are replacing. The seat expiring in 2024 was held by Ken Carlson, who you know had to resign because he became a County Supervisor. But I hadn't heard that his alternate, Peter Cloven from Clayton, also resigned. I have reached out to him but have not heard back yet. Can you confirm that Peter has resigned? If Peter wants to stay on, then one of the gentlemen you listed could fill the other seat.

The seat that expires in 2026 was held by Gabe Quinto and his alternate was Dave Hudson. My understanding is that they both resigned and you need to both of those seats.

Thanks for clarifying.

INTERNAL OPERATIONS COMMITTEE

5.

Meeting Date: 02/13/2023
Subject: 2023 MEETING SCHEDULE, FORMAT, AND WORK PLAN
Submitted For: Monica Nino, County Administrator
Department: County Administrator
Referral No.: N/A
Referral Name: N/A
Presenter: Julie DiMaggio Enea, IOC Staff **Contact:** Julie DiMaggio Enea 925.655.2056

Referral History:

The Board of Supervisors made the following 12 referrals to the 2023 Internal Operations Committee, which are described in **Attachment B:**

Standing Referrals

1. Continued policy oversight and quarterly monitoring of the Small Business Enterprise and Outreach programs, and e-Outreach
2. Review of the annual financial audit schedule
3. Review of annual Master Vehicle Replacement List and disposition of low-mileage vehicles
4. Local Bid Preference Program
5. Advisory Body Candidate Screening/Interview
6. Fish and Wildlife Propagation Fund Allocation
7. Advisory Body Triennial Review
8. Animal Benefit Fund Review

Continued One-Time Referrals

1. Language Interpretation for Public Meetings
2. Racial Justice Oversight Body Dysfunction
3. Status Update on Commission for Women and Girls
4. Ad Hoc Arts Council Steering Committee, Work and Final Disposition

The Committee members have selected the second Monday of each month at 10:30 a.m. as the standing meeting date/time for 2023.

Effective March 1, 2023, the Board's standing committees have been directed by the Board to use a hybrid meeting format that will enable the public to continue to participate in meetings electronically from remote locations. Under new legislation, Committee members may attend meetings remotely for limited "just cause" or "emergency" reasons no more than two times nor more than 20% of the regular meetings per calendar year, as long as at least one Committee member (a quorum) participates in person. Additionally, the Brown Act and County's Better Government Ordinance permits remote participation of a Committee member under these rules:

- At least a quorum of the Committee (one member) must participate from a location in the county.
- Each telephone conference location and the meeting location must be shown on the agenda for the meeting. In addition, the agenda must provide an opportunity for members of the public to give public comment from each teleconference location.

- In addition to the usual agenda-posting agenda locations and the County website, an agenda must be posted at each teleconference location 96 hours in advance of the meeting.
- Each teleconference location must be open and accessible to members of the public.
- All votes taken during a teleconference meeting must be by roll call.

A hybrid format would consist of either a two-way audiovisual platform, or a two-way telephonic service and a live webcasting of the meeting, so that the public may remotely hear and visually observe the meeting, and remotely address the body. The Board's standing committees are scheduled to meet in Conference Room 110 at the County Administration Building, 1025 Escobar Street, Martinez. This room is equipped to host hybrid meetings.

Referral Update:

Attached for the Committee's review is the proposed meeting schedule and the proposed work plan for hearing each of the 2023 referrals (**Attachment A**). Staff requests the Committee review and proposed any changes to the list of referrals and proposed meeting dates.

Recommendation(s)/Next Step(s):

APPROVE the proposed 2023 Committee meeting schedule, meeting format, and work plan, or provide direction to staff regarding any changes thereto.

Fiscal Impact (if any):

None.

INTERNAL OPERATIONS COMMITTEE SUMMARY OF 2023 REFERRALS

The 2023 Internal Operations Committee (IOC) received eight referrals from the Board of Supervisors. Following is a summary of each referral and its status.

Standing Referrals

1. Small Business Enterprise (SBE) and Outreach Programs. The IOC accepted two reports from the new Purchasing Services Manager, together covering the period July 1, 2021 through June 30, 2022, and reported out to the Board of Supervisors on April 26 and October 25, 2022.
2. County Financial Audit Program. Since 2000, the IOC reviews, each February, the annual schedule of audits and best practices studies proposed by the Auditor-Controller. The Auditor-Controller’s Office presented a report of its 2021 audit work and proposed 2022 Audit Schedule to the IOC on March 14, 2022, which the IOC accepted and approved, and reported to the Board on March 22, 2022.
3. Annual Report on Fleet Internal Service Fund and Disposition of Low Mileage Vehicles. Each year, the Public Works Department Fleet Manager analyzes the fleet and annual vehicle usage, and makes recommendations to the IOC on the budget year vehicle replacements and on the intra-County transfer of underutilized vehicles, in accordance with County policy. In FY 2008/09, following the establishment of an Internal Services Fund (ISF) for the County Fleet, to be administered by Public Works, the Board requested the IOC to review annually the Public Works department report on the fleet and on low-mileage vehicles. The IOC received the 2020/21 fleet report on March 14, 2022, and reported out to the Board of Supervisors on March 22, 2022.
4. Local Bid Preference Program. In 2005, the Board of Supervisors adopted the local bid preference ordinance to support small local businesses and stimulate the local economy, at no additional cost to the County. Under the program, if the low bid in a commodities purchase is not from a local vendor, any responsive local vendor who submitted a bid over \$25,000 that was within 5% percent of the lowest bid has the option to submit a new bid. The local vendor will be awarded if the new bid is in an amount less than or equal to the lowest responsive bid, allowing the County to favor the local vendor but not at the expense of obtaining the lowest offered price. Since adoption of the ordinance, the IOC has continued to monitor the effects of the program through annual reports prepared and presented by the Purchasing Agent or designee. The IOC received two reports, together covering the period July 1, 2021 through June 30, 2022, and reported out to the Board of Supervisors on April 26 and October 25, 2022.
5. Advisory Body Recruitment. On December 12, 2000, the Board of Supervisors approved a policy on the process for recruiting applicants for selected advisory bodies of the Board. This policy requires an open recruitment for all vacancies to At Large seats appointed by the Board. The IOC decided that it would conduct interviews for At Large seats on the following bodies: Retirement Board, Fire Advisory Commission, Integrated Pest Management Advisory Committee, Planning Commission, Treasury Oversight Committee, and the Fish & Wildlife Committee, as well as other advisory bodies as the need should arise; and that screening and nomination to fill At Large seats on all other eligible bodies would be delegated to each body or a subcommittee thereof.

In 2022, the IOC submitted recommendations to the Board of Supervisors to fill 27 vacant seats on various committees and commissions. The IOC interviewed individuals for seats on the Local Enforcement Agency Independent Hearing Panel, Retirement Board, Planning Commission, and the Advisory Fire Commission to the Contra Costa Fire Protection District, Ad Hoc Arts Council Steering Committee, Los Medanos Health Advisory Committee, and Integrated Pest Management Advisory Committee.

In 2023, the IOC will need to recruit and interview for the County Connection Citizen Advisory Committee, the

Retirement Board, the Integrated Pest Management Advisory Committee, and the Law Library Board of Trustees. This is a standing referral.

6. Process for Allocation of Propagation Funds by the Fish and Wildlife Committee. On November 22, 2010, the IOC received a status report from Department of Conservation and Development (DCD) regarding the allocation of propagation funds by the Fish and Wildlife Committee (FWC). The IOC accepted the report along with a recommendation that IOC conduct a preliminary review of annual FWC grant recommendations prior to Board of Supervisors review. On April 11, 2022, the IOC received a report from DCD proposing, on behalf of the FWC, the 2022 Fish and Wildlife Propagation Fund Grant awards. The IOC approved the proposal and recommended grant awards for ten projects totaling \$50,325, which the Board of Supervisors unanimously approved on April 26, 2022.
7. Advisory Body Triennial Review. Beginning in 2010 and concluding in 2011/2012, the Board of Supervisors conducted an extensive review of advisory body policies and composition, and passed Resolution Nos. 2011/497 and 2011/498, which revised and restated the Board's governing principles for the bodies. The Resolutions dealt with all bodies, whether created by the BOS as discretionary or those that the BOS is mandated to create by state or federal rules, laws or regulations. The Resolutions directed the CAO/CoB's Office to institute a method to conduct a rotating triennial review of each body and to report on the results of that review and any resulting staff recommendations to the Board, through the IOC, on a regular basis. The second phase report of the current Triennial Review Cycle was completed on May 9, 2022 and reported out to the Board on May 17, 2022.
8. Animal Benefit Fund Review. On May 12, 2015, the Board of Supervisors adopted the fiscal year 2015/16 budget, including a referral to the Internal Operations Committee to review the Animal Benefit Fund and, in March 2016, the Board directed that the review be made by the IOC annually to assess the impact of the Animal Benefit Fund on the community and families. On November 21, 2022, the IOC received the sixth annual report on the Animal Benefit Fund covering FY 2021/22 and reported to the Board on November 29, 2022.

Continuing One-Time Referrals

9. Language Interpretation Services for Public Meetings. On March 26, 2019, the Board requested the IOC to develop a policy on language interpretation services at the Board of Supervisors meetings. The IOC considered this matter on September 9, 2019 and decided that the services could not practically be rolled out until staff relocates to the new Administration Building. The IOC gave staff direction to report back with additional information to assist the Committee in determining the best model for providing these services. The IOC received follow-up reports on December 9, 2019 and November 19, 2020, and directed staff to develop recommendations for a six-month pilot program providing limited interpretation and translation services, with the intention that the County would initiate a pilot process, promote it, and measure how extensively it is utilized. On March 8, 2021, the IOC received an extensive report from the Clerk of the Board on language interpretation and closed captioning services, and subsequently made to the Board related recommendations which, on March 23, 2021, the Board approved. On August 2, 2022, the Board received a follow-up report on language interpretation services at Board of Supervisors and Measure X Committee meetings and referred the matter to the Internal Operations Committee to gather additional information on the practices of other counties and issues surrounding equal access. The IOC took no action on this matter pending establishment of the Office of Racial Equity and Social Justice, which is expected to take this matter up once established in spring/summer 2023 for report back to the IOC.
10. Racial Justice Oversight Body Dysfunction. On July 11, 2022, the IOC received a report from the County Probation Department regarding operational problems of the RJOB. The Public Protection Committee has previously received a report from a consulting firm engaged by the Office of Reentry & Justice (ORJ) at the Probation Department to provide technical assistance and meeting facilitation services for the RJOB. During the update, the Burns Institute highlighted several emerging issues hindering the RJOB's future work to include: changes in leadership and membership resulting in challenges with maintaining quorum, specifically at the Subcommittee levels; ambitious Task Force recommendations that are beyond the capacity and scope of the membership; and limited staffing resources to support the membership's requests for data collection,

management, and analyses necessary to implement the recommendations of the RJOB. The County Administrator's Office identified additional issues: (1) the existing RJOB charge is vague; (2) staff support is insufficient to the RJOB's needs; (3) RJOB subcommittees are self-forming and, therefore, not always balanced; and (4) there is high interest in participation and no term limits. It was decided that CAO would work with the Office of Racial Equity and Social Justice, once fully established, and bring recommendations for changes to the RJOB bylaws back to the IOC at a future date.

11. Status Update on Commission for Women and Girls. The IOC requested a status report from the Commission on its current focus and membership, meeting schedule and work plan, and prior year meeting attendance.
12. Ad Hoc Arts Council Steering Committee, Work and Final Disposition. On March 29, 2022, the Board of Supervisors dissolved the Arts and Culture Commission and directed County Administration staff to procure or establish a nonprofit public-private partnership Arts Council for the county. Arts Orange County was selected to provide project management for this effort and on August 2, 2022, the Board referred to the Internal Operations Committee the establishment of an Ad Hoc Arts Council Steering Committee. On September 12, 2022, the IOC received a report from the County Administrator's Office recommending the composition of the Steering Committee and on November 21, the IOC approved recommendations for appointment to the Steering Committee, which the Board approved on November 29. On January 10, 2023, the Board referred to the IOC a status report from the County Administrator on the work of the Steering Committee.
