To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: December 15, 2020

Subject: Amendment #74-222-9 with J Cole Recovery Homes, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract Amendment Agreement #74-222-9 with J Cole Recovery Homes, Inc., a corporation, effective July 1, 2020, to amend Contract #74-222-8 to modify the rates to continue to provide residential substance abuse use disorder treatment services for male offenders in East Contra Costa County, with no change in the original payment limit of \$935,028, and no change in the original term of July 1, 2020 through June 30, 2021.

FISCAL IMPACT:

The recommended contract amendment does not change the payment limit, rather recognizes the business interruption issues faced by the Community Based Organizations (CBO's). The rate adjustments will ensure that the CBO's can continue providing needed services to the community. The contracts are partially funded with State "2011 Realignment" dollars. Given the COVID-19 impact on State revenues it is likely that collection of the Realignment funding will be delayed.

BACKGROUND:

COVID-19 is causing significant impacts to the community based behavioral health

financial reserves to sustain themselves. These rate increases are intended to be used by the contractor to retain its providers who deliver direct reimbursable behavioral health services to Contra Costa residents both during and after the current emergency. This action provides changes to the contract payment structure through the end of the fiscal year thereby providing cash flow and budget predictability to the CBO's.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, the residents of Contra Costa County may experience reduced or discontinued behavioral health services.
