BACKGROUND: (CONT'D)

The Cal OES Grant was awarded to the County, confirming funding is available from July 1, 2016 through June 30, 2018. The response from County residents to services provided through this Cal OES Grant has been greater than anticipated and demand for services is continually increasing.

County was notified that the Cal OES Grant was extended to August 31, 2018. This contract amendment will support the continuation of services from STAND! For Families Free of Violence (Contractor), which provides case management, advocacy, and peer counseling services to victims of financial elder abuse, as part of the Contra Costa County (County) Elder Abuse Prevention Program (EAPP). Contractor was not able to deliver the quantity of services originally projected for this grant period. Consequently, funding has been decreased accordingly. In partnership with County's Adult Protective Service (APS), this Contractor participates in a multi-disciplinary team to increase communication with all partners of EAPP for the wide variety of services funded under this grant.

CONSEQUENCE OF NEGATIVE ACTION:

Approving this contract amendment and extension will provide for realistic levels of ongoing case management, advocacy, and peer counseling services to victims of financial elder abuse, as a part of the County Elder Abuse Prevention Program.
