Bader, M.D., in an amount not to exceed \$300,000, to provide orthopedic services at CCRMC and Contra Costa Health Centers, for the period January 1, 2022 through December 31, 2022.

Approval of Contract #26-699-11 will allow contractor to continue providing orthopedic services at CCRMC and Contra Costa Health Centers, through December 31, 2025. This contract request to the Board is delayed due to extensive months of contract negotiations and an agreement being reached in January 2023 after the previous contract had expired. Upon reaching contractual term agreements with the contractor, the contract renewal review and approval process was completed in March 2023.

**CONSEQUENCE OF NEGATIVE ACTION:**

If this contract is not approved, the necessary specialty orthopedic services needed for patient care will not be available or will create increased wait times due to the limited number of specialty providers available within the community.
