discharged from a hospital or have failed in other placements.

On December 6, 2011, the Board of Supervisors approved Novation Contract #74-315-6 with Community Options for Families and Youth, Incorporated for the period from July 1, 2011 through June 30, 2012, which included a six-month automatic extension through December 31, 2012, for the provision of TBS.

Approval of Novation Contract #74-315-7 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2013.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, children who participate in the Supplemental Specialty Mental Health program will have access to TBS services reduced and may require services at higher levels of placement.

CHILDREN'S IMPACT STATEMENT:

This TBS program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
