BACKGROUND: (CONT'D)

In February 2012, the County Administrator approved and Purchasing Services Manager executed Contract #74-362-2 with STAND! For Families Free of Violence for the period from July 1, 2011 through June 30, 2012, which included a six-month automatic extension through December 31, 2012, for the provision of MHSA PEI services.

Approval of Novation Contract #74-362-3 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2013.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, youth who are at-risk of experiencing violence and those who have experienced violence within their homes or dating relationships will not receive prevention and early intervention services from this Contractor.

CHILDREN'S IMPACT STATEMENT:

This MHSA-PEI program supports the following Board of Supervisors' community outcomes: "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include youth experiencing, or at-risk of, teen dating violence will demonstrate an increased knowledge about the difference between healthy and unhealthy teen dating relationships; an increase sense of belonging to positive peer groups; an enhanced understanding that violence doesn't have to be "normal" and an increased knowledge of their rights and responsibilities in a dating relationship.
