BACKGROUND: (CONT'D)

of these urban areas and the U.S. Department of Homeland Security designated the City and County of San Francisco as the fiscal agent for the Bay Area Urban Area Security Initiative (UASI). The County, as a member of the Bay Area UASI, will receive \$429,000.00 to sustain and maintain the Automated Regional Information Exchange System (ARIES) and to provide funding for the Incident Command Module of ARIES.

As the fiscal agent for the grant, the City and County of San Francisco has developed a standard form contract for use with all Bay Area UASI partner agencies requiring full indemnification of the City and County of San Francisco. The County has agreed to previous inter-agency agreements with the City and County of San Francisco, which contained the same language, to participate in regional homeland security efforts and access important Federal funding.

CONSEQUENCE OF NEGATIVE ACTION:

Should the Board decide not to approve entering into this agreement, the County will not receive its share of the 2012 UASI Grant funds and the ARIES maintenance and incident Command Module will need to be either funded through another source or not performed.
