To: Board of Supervisors
From: William Walker, M.D.
Date: January 22, 2013

Subject: Interagency Agreement # 28-333-2 with Byron Union School District

RECOMMENDATION(S):

Approve and authorize the Health Services Director, or designee, to execute, on behalf of the County, Interagency Agreement #28-333-2 with Byron Union School District, a government agency, to pay County an amount not to exceed \$40,000, to provide residential and school based day treatment and mental health services, for the period from July 1, 2012 through June 30, 2013.

FISCAL IMPACT:

Approval of this Interagency Agreement will result in a total payment to the County not to exceed \$40,000. (No County match)

BACKGROUND:

On October 8, 2010, the State of California suspended funding for AB3632 students which relieved the counties in California from providing mental health services for special education students. This Agreement will allow Agency to provide funding for County to provide mental health services to special education students who are residing in local and out-of-state residential facilities and students who receive outpatient services in the schools and county-operated clinics, through Community Based Organizations that have contracts

health services.

Under Interagency Agreement #28-333-2 Agency will pay County for the provision of residential and school-based day treatment and mental health services, through June 30, 2013.

CONSEQUENCE OF NEGATIVE ACTION:

County is required to provide certain mental health services to special education students under the federal Individuals with Disabilities Education Act (IDEA). If this agreement is not approved, Agency will not pay County for providing services to students within the School District.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
