 From: Ed Woo, Chief Information Officer
 Date: March 3, 2015

Subject: E3 Systems Professional Services Contract Amendment/Extension

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a contract amendment with E-3 Systems, to extend the term expiration from May 31, 2015 to May 31, 2016 and increase the payment limit by \$700,000 to a new payment limit of \$1,200,000 to continue to provide, on an as-needed basis, installation and maintenance of telecommunications cabling.

FISCAL IMPACT:

\$700,000 increase. The costs incurred by the Department of Information Technology for services rendered by this contractor are reimbursed by departments or agencies receiving the services.

BACKGROUND:

These services are outside the scope of the normal duties of the Department of Information Technology requiring the retention of a specialized services contractor.
