BACKGROUND: (CONT'D)

and the Contractor agreed to continue providing services without disruption in service as a show of good faith. During negotiations, as one of the considerations of entering into Contract #23-448-3, the County and the Contractor have agreed to modify the County indemnification clause and the Special Conditions, therefore this board order is to inform the Board of Supervisors that this service contract requires the Board's approval because of a deviation from the standard County Indemnification Clause.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, Health Services Department would not have access to Contractor's services which may result in a period of suspended armored transport services while soliciting for new Contractor to provide services to Contra Costa Health Services Department.
