#### BACKGROUND: (CONT'D)

MHSA annual plan updates and for any new MHSA plan. As such, in order to obtain broader stakeholder input, gift cards allow the county to provide a way to reward those mental health consumers and their family members who so willingly volunteer many hours to participate in the myriad MHSA planning processes. Gift cards enable the volunteer participants to cover the expenses of their transportation to/from planning meetings and also covers the expenses of their meals when they need to be away from home. The gift cards allow the county to relieve the financial burden of those volunteer mental health consumer and family members who may not have the extra funds to allow their participation. The gift cards will be administered in accordance with the requirements outlined in Administrative Bulletin #615.

#### CONSEQUENCE OF NEGATIVE ACTION:

If this Board Order is not approved, the Behavioral Health Services Division will not be able to use these gift cards as incentives and consumer participation will be effected.

#### CHILDREN'S IMPACT STATEMENT:

Not applicable.
