BACKGROUND:

Pursuant to the terms of the executed Cooperative Agreement No. 4-1376-C dated March 6, 1992, between the State and the Contra Costa Transportation Authority (CCTA), CCTA agreed to deliver to the State legal title to the right of way for the State Route 4 West Gap Project (Project), a state highway, and the State would accept said title, subject to review of a Policy of Title Insurance.

On August 1, 1998, CCTA and the County entered into Agreement No. 87 (Agreement) for the County to provide right of way services for the Project. The terms of the Agreement required the County to initially take title to the right of way for the Project. Subsequently, upon direction from CCTA staff, County would transfer the right of way to the State. The Agreement is on file at the Public Works Department.

The County acquired the Property for highway purposes associated with the Project, in accordance with the Agreement. CCTA has requested that the Property be conveyed to the State, in accordance with the Agreement and the Cooperative Agreement. The Property is no longer required by the County for highway purposes, but is required by the State.

CONSEQUENCE OF NEGATIVE ACTION:

The County would continue to own property within the State Route 4 right of way and would not be in compliance with the Agreement.

CHILDREN'S IMPACT STATEMENT:

Not applicable.
