of TBS and Respite and Mentoring services including the Child-Parent Enrichment Project, to County referred-clients.

Due to an increase in utilization, causing referrals to have exceeded more than expected, which therefore created a waiting list for medical eligible youth, County requested, and Contractor has agreed to provide additional services.

Approval of Contract Amendment Agreement #74-051-22 will allow the Contractor to provide additional TBS and Respite and Mentoring services, through June 30, 2015.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, children who have been discharged from hospitals or have failed in other placements will not have access to Contractor's Mental Health services resulting in increased family stress and more out-of-home placements.
