

Contra
Costa
County

To: Board of Supervisors

From: Julia R. Bueren, Public Works Director/Chief Engineer

Date: July 21, 2015

Subject: APPROVE a contract with Bat Fire Protection Systems, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract with Bat Fire Protection Systems, Inc., in an amount not to exceed \$300,000.00 to provide fire sprinkler repair and certification services, for the period June 1, 2015 through May 31, 2018, Countywide.

FISCAL IMPACT:

This cost is to be funded through Facilities Services' Fiscal Year 2014/15, 2015/16 and 2016/17 maintenance budget. (100% General Fund)

BACKGROUND:

Public Works Facilities Services (Facilities) is responsible for maintaining and certifying fire sprinkler systems at all County facilities. Facilities staff is not certified to conduct five (5) year fire sprinkler certifications. Since these certifications are required, we historically sublet them to outside vendors. There are also several large scale maintenance projects that Facilities expects to complete this year. As bid on Bidsync No. 1503-128, Bat Fire Protection Systems was one of three vendors awarded this work. This request is for a three (3) year contract.
