From: William Walker, M.D., Health Services Director  
Date: July 21, 2015

Subject: Agreement #28-320-7 with Alameda County for HIV Testing Services

---

**RECOMMENDATION(S):**

Approve and authorize the Health Services Director, or his designee, to execute, on behalf of the County, Agreement #28-320-7 with Alameda County in an amount not to exceed \$98,000 for the County to provide HIV Viral Load Testing and HIV Genotype Testing services during the period of April 1, 2015 through March 31, 2016.

**FISCAL IMPACT:**

The County will perform HIV testing services for Alameda County on a fee for services basis. No County match required.

**BACKGROUND:**

This agreement is for the Contra Costa Public Health Laboratory to provide HIV Viral Load testing on a fee for services basis. The Contra Costa Public Health Laboratory is one of the only laboratories that provide these services. The testing will be provided by existing staff and will bring revenue into the Department. Approval of Agreement #28-320-7 will allow the County's Health Laboratory to perform the HIV Viral Load Testing and Genotypic HIV Resistance testing to HIV infected persons who are not Medi-Cal eligible, do not have private insurance, and who otherwise cannot afford this service, Viral Load Testing is
