

Contra
Costa
County

To: Board of Supervisors
From: William Walker, M.D., Health Services Director
Date: August 18, 2015

Subject: Grant Award #29-393-24 from the California Department of Public Health, Tuberculosis Control Branch

RECOMMENDATION(S):

Approve and authorize the Health Services Director or his designee, to execute, on behalf of the County, as follows:

A. Grant Award (County #29-393-24), from the California Department of Public Health, Tuberculosis Control Branch, to pay the County, an amount not to exceed \$291,142, for the period from July 1, 2015 through June 30, 2016, for the Tuberculosis (TB) Control Program, and

B. Authorize the Purchasing Agent to issue payments(s) in the amount not to exceed \$16,599, to be used for food, shelter, incentives and enablers (FSIE). The FSIE allotment will be used for taxi vouchers and rent subsidies.

FISCAL IMPACT:

Acceptance of this Award will result in up to \$291,142 in funding from the California Department of Public Health, Tuberculosis Control Branch, for fiscal year 2015-2016. No

County match required

BACKGROUND:

The Contra Costa County, Public Health Department maintains a TB Control Program, which serves all reported TB patients and their contacts in Contra Costa County. Outreach services are provided to reach the “Hard-to Reach” people with TB and those at high risk. The TB control staff work within the Communicable Disease Section in collaboration with the HIV/AIDS Program, Substance Abuse Programs, Contra Costa Regional Medical Center and Health Centers, and providers throughout the County.

Approval of Grant Award #29-393-24 will allow the Department to continue to expand its prevention and control activities which are essential to decreasing TB transmission, prevent the development of drug resistance, and cure TB patients, through June 30, 2016.

CONSEQUENCE OF NEGATIVE ACTION:

If this grant is not approved, the County will not receive funds to continue identifying and treating Contra Costa County residents who have active TB and ensure that they complete appropriate therapy.
