BACKGROUND: (CONT'D)

On January 1, 1995, the DMH transferred these funds and the responsibility for authorization and funding of Medi-Cal acute psychiatric inpatient hospital services to counties that chose to participate in this program.

On April 21, 2015, the Board of Supervisors approved Contract #24-794-8(13) with John Muir Behavioral Health Center, for the period from July 1, 2014 through June 30, 2015, for the provision of inpatient psychiatric hospital services to County-referred children and adolescents.

Approval of Contract #24-794-8(14) will allow the Contractor to continue to provide services through June 30, 2016, including mutual indemnification to hold harmless both parties for any claims arising out of the performance of this Contract.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, County's mental health clients will not receive needed inpatient psychiatric services from Contractor's facility.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcome: "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include a decrease in the need for inpatient care and placement at a lower level of care.
